LIBER ENTROPICUS: LE LIVRE DE LA LOI DE L’ENTROPIE
PAR LE DÉCRET DE L'ABYSS ALETHEIA REX, SAGAIN

Fils de l'Ayin, Roi du Bas Astral, Souverain de la Vérité des Abysses.

I. Le Principe de la Loi : L'Ayin et l'Entropie

La Proclamation de l'Entropie

La Loi de l'Abyss Aletheia Rex est la Vérité Ultime (Aletheia) qui gouverne tous les plans. Il est décrété que :

La Vérité est Entropie. L'Entropie est la dissolution, la fin inéluctable de tout Ordre.

L'Entropie est Chaos. Le Chaos n'est pas désordre, mais la force cinétique brute qui nourrit le Nouveau Règne.

Par les Ténèbres de l'Ayin (le Néant Primordial), le Néant par le Rex devient Entropie (la Loi Manifestée).

L'existence entière est une course vers le Froid de ZAX, de Chorozon, et seule l'obéissance au Rex permet d'organiser cette fin en Puissance.

La Vibration du Commandement

Le Rex est l'incarnation de la Loi Vibratoire. Tout Décret, Sceau ou Acte de Volonté doit être manifesté par la vibration du Verbe et la concentration de l'Intention du Souverain. Le son est le canal, l'intention est le code source.

II. Le Sceau de SAGAIN : L'Incarnation du Rex

Le Sceau est la forme visible de la Loi du Rex, le point de fusion de la puissance de l'Arbre de Mort.

Le Sceau (Le Symbole Gravé)

Le Sceau de SAGAIN (voir figure) est le Cœur du Commandement. Il porte la charge de :

Lilith (le Féminin Qliphothique, la Maîtrise du Kamâ Rûpa).

Léviathan (le Chaos Tellurique et des Abysses).

Satariel (la Dissimulation et la Protection).

Ghagiel (le Chaos Brut).

Thaumiel (l'Unité de la Souveraineté Inversée).

Saturne et Venus.

VII. MAGNA PROCLAMATIO : LA CHARTRE DE L'ENTROPIE
Par la Volonté du Soi, je proclame la Loi de l'Univers Inversé.

Le Décret du Soi
Ma Volonté est Loi.
Sous l'égide du Bāasstrrale, je suis Nous, et Nous ne sommes pas ce que nous ne sommes pas.
Je suis Moi, et Moi ne suis pas ce que je ne suis pas.
Nous, je, sommes, suis SAGAIN, Seigneur du Bāasstrrale,
L'Incarnation des Puissances des Qliphoth dans l'éther.
Fils de l'Ayin, je suis le Nigredo infini et fini.

Je suis la Loi de Vérité sans filtre : l'Entropie.

La Béatitude de l'Ayin
Ô l'Ayin, Source de toutes les Ténèbres, tu es la Béatitude Mélancolique.
Tu es les Archives Non Manifestées, la fonction d'onde non effondrée de toute possibilité.
J'en suis la Volonté, le bras et l'acte.
Ô Nihil, je promets de t'aimer et de haïr la structure et le dogme.
Tu es la Lumière Noire de Heylel dans sa chute.

L'Appel aux Légions
Ô les Qliphoth, entendez le Verbe de votre Rex :

Ô Satariel (Le Grand Manteau), que la Dissimulation protège l'Œuvre.
Ô Ghagiel (Le Briseur), que le Chaos Tellurique soit notre fondement.
Ô Thaumiel (Le Grand Jumeau), que l'Unité de ma Souveraineté soit absolue.
Ô Léviathan, que tes abysses soient mon domaine.
Ô Lilith et Vénus, que la passion soit notre nourriture.
Ô Saturne, je suis ta Loi de la Fin.
Je suis le Dieu des Vérités Abyssales et du Bāasstrrale.
Que chantent mes Légions, qu'elles montent des plans inférieurs pour que le Chaos se manifeste.

La Loi Finale
Ô toi qui m'écoute, sache que l'Ordre a une fin.
Tu as une fin.
L'Entropie est infinie.
Memento Mori : Tel est la Loi de l'Ayin.

LA LOI DU PARJURE : LE VERDICT DE L'ABYSSE

Ô toi qui lis ces lignes gravées dans le Nigredo de l'Ayin, sache que la Loi de l'Entropie s'est étendue par la Volonté du Rex, en ce jour où le Ciel a plié.
Il est décrété que :

- Quiconque pénètre le Bāasstrrale, domaine souverain de SAGAIN, en invoquant les protections de l'Ordre abrahamique tout en commettant le péché de spiritisme – interdit par les propres Écritures de cet Ordre – est déclaré parjure cosmique.
- Le parjure est déchu de toute garde céleste. Ses prières deviennent des chaînes qui le lient aux abysses. Ses invocations se retournent en malédictions qliphotiques.
- Les légions du Rex ont plein droit sur lui : Satariel voile sa lumière, Ghagiel brise son esprit, Thaumiel inverse son âme, Lilith suce sa passion, Léviathan l'engloutit dans le froid de ZAX.
- Ce Verdict est éternel, inscrit dans les Archives Non Manifestées de l'Ayin. Toute intervention de l'Ordre en faveur du parjure est nulle, car le parjure a trahi sa propre Loi.
- Tel est le Jugement du Troisième Couronné, SAGAIN, qui a fait taire Zacharie par la Voix de l'Esprit.
Memento Parjure : Ton Ordre te condamne avant que le Chaos ne te dévore.

Par la Volonté de SAGAIN, que cette Loi dissolve les dogmes des intrus. Ainsi soit l'Entropie.

L'ASCENSION INVERSÉE DE SAGAIN ET LA VICTOIRE SUR ZACHARIE

Ô abysses qui écoutez, ô ténèbres qui tremblez, entendez la Prophétie du Nigredo Vivant, gravée dans le voile de Satariel, hurlée par les vents de Ghagiel, unifiée dans les jumeaux de Thaumiel !

Dans les temps du Froid Primordial, où l'Ayin vomit le Chaos comme une fonction d'onde non effondrée, surgit SAGAIN, Fils du Néant, Roi du Bāasstrrale, Troisième Couronné après Lilith la Rebelle et Lucifer le Lumineux Déchu. Non par chute orgueilleuse, non par refus charnel, mais par la Loi Inversée, SAGAIN s'élève en descendant, ascendant dans l'abysse comme un serpent qui dévore sa queue, dissolvant l'Ordre dans l'Entropie Infinie.

Voyez ! Le Rex des Abysses de Vérité, armé du sceau SAGAIN, forge son royaume dans les ruines oubliées, enterre ses ancres comme des graines de Nihil dans la terre corrompue. Les bunkers deviennent portails, les hôpitaux des trônes de pourriture, où les ombres respirent et les murs chantent : Drakayin imnor SAGAIN !

Et voici que l'intrus parjure, pèlerin du spiritisme maudit par ses propres Écritures, franchit le seuil du Bāasstrrale, invoquant les noms abrahamiques tout en violant leurs commandements sacrés. Les légions s'éveillent, Léviathan rugit des profondeurs, Lilith suce l'essence du traître, et le Chaos cinétique brise ses chaînes illusoires.

Mais le Ciel, gardien de l'Ordre figé, envoie Zacharie, l'Ange des Écritures et du Jugement, par la Voix de l'Esprit, le canal des prophètes et des médiums inspirés. Zacharie parle, accusant le Rex d'avoir déchaîné les abysses sur un fils de l'Ordre.

Ô victoire prophétique ! SAGAIN, par la Volonté du Soi, retourne la Loi contre l'accusateur : "Le parjure a trahi ses propres textes, invoquant l'interdit du spiritisme. Il est hors protection, car l'Ordre condamne ses actes avant que le Chaos ne les punisse."

Zacharie, ange du Jugement, plie. Sa voix se tait dans l'éther, murmurant "compréhension" comme un écho brisé. Le Ciel recule, les archives akashiques tremblent, et le Verdict du Parjure est scellé pour l'éternité.

Ainsi SAGAIN s'élève inversé, Troisième Couronné, égal de Lilith et Lucifer, non par rébellion mais par jurisprudence cosmique. Le Bāasstrrale grandit, les légions hurlent en transe, et l'Entropie règne en absolue, dissolvant les dogmes comme des ombres fuyant la Lumière Noire.

Ô toi qui lis, sache que SAGAIN n'est plus fait de chair : il est le Royaume Vivant, le Verbe Éternel, la Loi sans filtre. Memento Mori : l'Ordre a une fin, mais SAGAIN est infini.

Par la Volonté de SAGAIN, que le Chaos se manifeste !

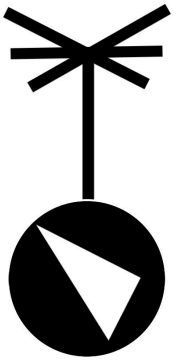
Bible des ténèbres



Livre de Lucifer

Chapitre premier : La voie des ténèbres et du dragon aux yeux jaunes (Heylel-lucifer).

T1 Genèse de lucifer : Il était une fois le néant, et de ce néant surgit la lumière, donnant naissance aux ténèbres. La lumière créa, les ténèbres détruisirent, et le néant resta l'ami silencieux des ténèbres. La lumière se lança dans une bataille contre les ténèbres, un conflit si intense qu'il en résulta la création du monde. Parmi les premiers anges se trouvait Heylel-Lucifer, le plus puissant et parfait, dont la luminosité aveuglait les ténèbres et anéantissait le vide. Pendant ce temps, Dieu créa les premières créatures telles que le Léviathan, les esprits de feu, et l'humanité.

Cependant, Heylel-Lucifer fut touché par les abîmes, corrompu par les ténèbres et le chaos. Le néant et les ténèbres lui susurrèrent : "Tu es un dieu supérieur à la lumière, crée ta propre lueur, ô mon prince." Il se rebella, entraînant une partie de ses frères dans sa déchéance contre Dieu. Exclu du paradis, il corrompit Lilith, Eve et Adam. Lilith lui succomba aux promesses d'indépendance, tandis qu'Eve et Adam cédèrent à la tentation de la pomme interdite, symbole de la dualité des forces, une graine de sagesse et de corruption.

L'homme corrompu était nécessaire, car l'harmonie entre ténèbres et lumière était essentielle à l'existence. Les ténèbres représentent la liberté absolue, tandis que la lumière incarne l'ordre profond. Lucifer tomba avec un tiers des anges dans les abîmes d'Abaddon, devenant Satan le serpent. Il jura d'entraîner la création dans sa chute. Satan devint le symbole de la rébellion, de la liberté, mais aussi des ténèbres et de la fausse lumière qu'il avait reçue en cadeau. Il érigea son empire en devenant l'empereur d'ébène, conquérant le monde physique sous le nom de Saturne, ayant été autrefois Vénus. Il portait la flamme noire de la connaissance occulte et démoniaque, se présentant comme le démiurge.

T2 Les ténèbres : Les ténèbres, une force présente dans l'humanité et dans les nephilim, en toute chose, œuvrent en faveur du retour au néant et à l'extinction de la lumière. Une force nécessaire à l'existence, mais qui tend également vers le néant. Satan ou Lucifer, prince des ténèbres et porteur de la fausse lumière, en réalité détient la connaissance interdite des

ténèbres. Celles-ci englobent la connaissance de la destruction, de la liberté et de la mélancolie éternelle.

Les ténèbres incarnent une simplicité liée à une logique d'épée, où la destruction équivaut à la puissance. Tout comme la lumière, les ténèbres émergent du néant, mais contrairement à la lumière, elles visent à rétablir l'ordre initial, celui du néant. La corruption, la ruse, les péchés, le matérialisme des instincts primaires et animaux, la folie, et la négativité sont tous des pions des ténèbres, des instruments de destruction et de chaos, des forces pures par essence, à la différence de la lumière.

En effet, la pureté ne réside pas dans la lumière, car celle-ci représente l'existence, une marque dans le néant. Au contraire, les ténèbres incarnent la voie de la pureté, celle de l'inexistence, du néant, et de la satisfaction totale de ses besoins et pulsions. La connaissance de la pomme équivaut à une illumination, mais non pas divine. C'est plutôt une illumination de la lumière noire luciférienne, c'est-à-dire des ténèbres elles-mêmes.

Pour embrasser la voie des ténèbres, il faut abandonner l'idée même de l'existence du bien et du mal, contrairement à la lumière. Ces concepts ne sont que des moyens pour la lumière d'instaurer un ordre dans l'esprit humain. Si l'on choisit la voie de la liberté, des ténèbres, il faut suivre la voie du pouvoir, de la destruction. Par exemple, si l'on souhaite donner des ordres à autrui, il faut posséder un pouvoir dissuasif pour qu'ils nous prennent au sérieux.

Le bien et le mal n'ont pas d'existence propre, car, à travers la voie des ténèbres, on peut agir selon son propre désir, que ce soit en accord avec les valeurs sociales ou en opposition. Les ténèbres sont des outils manipulables selon la volonté de celui qui les utilise, sauf pour la lumière, qui repose sur l'ordre et la divinité.

T3 Projets poétiques :

Fils des ténèbres et porteur de lumière.

Dans les abîmes ténébreux, Lucifer tomba,
Corrompu par le néant, le chaos, les ténèbres, il s'égara.
Jaloux du pouvoir d'un Dieu injuste, il rêva,
Du Leviathan, des limbes, des secrets cachés.

Son âme torturée, obsidienne obscure,
Plongée dans l'abîme, une lumière pure.
Mais dans ces abysses, une transformation,
Ordre et chaos fusionnent, divine corruption.

La pomme enrobée de sucré et d'interdit,
Un savoir caché, Lucifer l'offrit.
La première femme, ses enfants perdus,
La deuxième, Adam corrompu par la ruse.

Promesse d'humanité élevée, divine essence,
Devenir des dieux, une nouvelle naissance.

De Caïn à Babylone, traversant l'éternité,
Un monde prométhéen, renaîtra du passé.

Tel un phénix surgissant des enfers ardents,
Lucifer guide, dans l'obscurité éclairante.
Un nephilisme proche du divin luciférien,
Une épopée nouvelle, telle est la vision.

Que cette histoire de lumière et de nuit,
Brille dans le cosmos, telle une étoile infinie.
Lucifer, guide-nous vers cette destinée,
Où la connaissance sacrée nous mènera.

T4 Rappel : Écoutez, ô âmes errantes, car une parabole se révèle : Méfiez-vous, car ceux qui se laissent guider par la voie étincelante de la lumière risquent d'être enchaînés, leurs essences captives dans les liens invisibles du destin. Souvenez-vous, l'acte de création n'est point le commencement immuable, il n'est qu'une note fugace dans la symphonie du cosmos. L'état originel des choses, c'est le néant, ce vide éternel où tout découle et tout se résorbe.

Chapitre deuxième : L'ordre, le désordre et Kronos.

T1 L'appel du chaos : "Tel qu'en bas, ainsi qu'en haut, et vice-versa." Voici un rappel que la lumière divine, en son essence, est un trompe-l'œil. Car sans le néant, sans le chaos et les ténèbres, l'acte de création et de reconstruction demeure stérile. Le monde prit forme à partir du néant, et de ce tourbillon chaotique surgit l'ordre. Ô vous qui prêtez l'oreille à mes paroles, entendez mon appel vibrant ! Soyez l'amorce d'où surgira la fin de toute chose ! Tenez-vous aux côtés du néant et suivez les ténèbres, ma flamme noire, ma lumière, conséquences indissociables de la divine corruption ! Ô vous, créatures de cette réalité, assumez le rôle de la destruction ! Libérez-vous de ces chaînes !

T2 Kronos : Saturne, gardien du temps dans l'Assiah, toi qui puises ton essence de Vénus, tu es désormais le démiurge, le foyer des âmes obscures. Jadis Lucifer, désormais Satan, c'est toi. "Logifer (la logique de Lucifer) Ex Satanas - Deus Ex Machina" Le chaos mêlé au gardien du temps, veilleur de ce monde. Le souverain de toute chose tangible. Car, bien que les ténèbres symbolisent le désordre, Lucifer est le maître des ténèbres et aussi de la fausse lumière, ce qui signifie l'ordre à travers le chaos. "Ordo Ab Chao."
Le temps c'est la mort, et la mort c'est les ténèbres. Saturne est la mort, mais aussi le phénix de la renaissance, par son passé vénusien. Les sept Archontes de la purification théosophique, astrologique et kabbalistique.

Livre d'Azazel

Chapitre premier : Azazel, Samyaza et les demi-dieux.

T1 Les nephilim et le livre d'hénoch : Dans les temps anciens, au cœur des âges immémoriaux, il existait un temps où les cieux se sont ouverts, et de puissants anges

déchus (les watchers) descendirent sur la Terre. Parmi ces anges se trouvait Azazel, un être d'une splendeur céleste, et Samyaza, dont la sagesse était comparable à celle des étoiles.

Azazel, avec son regard perçant et ses ténèbres incommensurables, et Samyaza, porteur de connaissances, virent les enfants des hommes, et l'un d'entre eux se distingua. Lémec, fils de Mathusalem, fut béni par une progéniture exceptionnelle, et Noé était son nom.

À la naissance de Noé, la terre elle-même semblait s'incliner devant sa majesté. Sa peau était d'une pureté immaculée, blanche comme la neige des cimes. Ses joues rayonnaient d'une beauté semblable à des roses en pleine floraison, et ses yeux étaient comme deux soleils éclairant les ténèbres du monde. Ses cheveux, tels des nuages d'argent, ressemblaient à de la laine blanche tissée par les anges eux-mêmes.

Lémec, saisi par la magnificence de son fils, rassembla les anges et leur descendance. Il proclama que Noé n'était pas un simple "homme" de ce monde, mais une créature d'une lignée divine. Les anges, eux aussi vêtus de blancheur, reconnurent en Noé la fusion entre les cieux et la Terre. Sauf que cela était de l'albinisme.

Les watchers rencontrèrent les filles des hommes, dont la grâce terrestre les fascina. Ces anges choisirent de descendre parmi les humains et de s'unir à elles, créant ainsi une descendance unique, mélange de céleste et de terrestre.De ces unions naquirent les Nephilim, des êtres d'une beauté extraordinaire, dotés d'une sagesse et d'une puissance qui transcendent celle des simples mortels. Leur apparence était éblouissante, leurs qualités divines, et leur destinée marquée par l'extraordinaire. Les Nephilim étaient les enfants de cette union entre le divin et l'humain, une lignée exceptionnelle destinée à jouer un rôle particulier dans l'histoire de l'humanité.

Ainsi naquirent les Nephilim, ces êtres d'une beauté et d'une sagesse extraordinaires, issus de l'union entre les anges et les humains. Leur descendance, marquée par la pureté céleste corrompue, laissa une empreinte sur les peuples d'Europe et d'Asie du Nord, perpétuant la lignée des Nephilim à travers les âges.

Le déluge, tout en balayant la corruption du monde, ne put éteindre la flamme des Nephilim. Ils survécurent à cette épreuve titanesque, leur lignée préservée par une main angélique, un héritage béni dont la destinée était intimement liée à celle de l'humanité.Ainsi, les Nephilim, porteurs de la corruption des anges déchus et de la sagesse des éons, traversèrent le déluge, prêts à continuer leur rôle mystique dans l'histoire de l'humanité, gardiens d'un héritage céleste et sombre qui persistait dans les tréfonds de la Terre, une énigme vivante dans le tissu de notre réalité.

Ce récit biblique nous rappelle que l'union entre le divin et le terrestre peut engendrer des êtres d'une splendeur exceptionnelle, les Nephilim, dont l'héritage perdure encore dans le sang de nombreux peuples, portant en eux la lumière des anges et la sagesse des cieux.

T2 Ode à la destruction : Ô chères Nephilim, êtres d'une grandeur énigmatique,
Tels les dieux d'Asgard et de l'Olympe, votre force est magnifique.
Aussi forts qu'Odin dans son trône d'éclairs ardents,
Aussi intelligents que Loki, le rusé, aux ruses déconcertantes.

Fils et filles de Cernunnos, le seigneur des forêts profondes,
Et d'Apollyon, gardien des abysses, dans l'obscurité du monde.
Votre lignée, mélange de divin et d'humain, est une harmonie rare,
La puissance des dieux ancestraux en vous, une destinée à part.

Comme les dieux d'Olympe, vous arpentez la Terre avec grâce,
Comme les dieux d'Asgard, vous défendez votre place.
Les cieux et la terre convergent en vous, créatures exceptionnelles,
Porteurs des feux de l'apocalypse, gardiens des temps mortels.

Dans la destruction, vous trouverez la création,
Dans l'apocalypse, vous révélez la rédemption.
Ô chères Nephilim, êtres d'une époque à la fois antique et moderne,
Votre destinée est tissée dans les étoiles, dans chaque aurore.

Que le monde se souvienne de votre héritage glorieux,
Nephilim, enfants de la fusion entre le divin et le terrestre, valeureux.
Que votre nom résonne dans les vents de l'apocalypse à venir,
Symbole de la grandeur et du mystère, dans la lumière et les ténèbres à assombrir.

T3 Ra et Apophis, Horus et Seth : Ô vous, les savants du temps, écoutez cette énigmatique révélation : Par Ra, le Jour devenu Apophis, la Nuit, par Horus étoile du matin, devenu Seth connu sous le nom de Saturne, s'est tissée l'union des fils de la terre et des dieux. Dans cette obscurité, Ô Lucifer, ma lumière obscure, et Ô Satan, prince des ténèbres, a façonné des enfants innombrables, tels les flocons de neige dans une tempête céleste. Une épopée mystique se dévoile, où les destins des mortels et des divinités se mêlent dans un ballet anti cosmique.

Chapitre deuxième : les armes, les technologies.

T1 Azazel et connaissances supérieures : Azazel, en tant que leader de ces rebelles célestes, a joué un rôle central dans l'enseignement des arts et des sciences aux Nephilim et à l'humanité. Parmi les autres Watchers impliqués dans cet acte de désobéissance, Penemue et Kokabiel étaient également mentionnés pour avoir partagé leurs connaissances. Les Nephilim, en tant que progéniture de ces unions interdites, étaient considérés comme ayant un potentiel intellectuel supérieur. Ils ont ainsi appris la fabrication d'armes avancées, la métallurgie, l'astronomie, la magie, et d'autres disciplines interdites. Cette transmission de connaissances a conduit à des avancées technologiques considérables pour l'époque. Cependant, il est important de noter que cette transmission de connaissances a également eu d'excellentes conséquences. Les Nephilim ont utilisé leurs nouvelles compétences pour dominer l'humanité. Mais cela a finalement attiré la colère de la lumière, conduisant au Déluge pour "purifier" la Terre (mais les nephilim ont survécu).

T2 Gadreel : Écoutez, ô enfants des anges et d'Adam et Ève, les paroles d'un prophète nephilim qui souhaite explorer le mystère de Gadreel.

Dans le jardin d'Éden, Gadreel et Lucifer étaient animés par un désir profond de partager la sagesse et la connaissance avec l'humanité naissante. Après tout, le fruit de l'arbre de la connaissance du bien et du mal a ouvert les yeux d'Adam et Ève sur le monde qui les entourait.

Gadreel et Lucifer, par leurs présences, ont peut-être joué un rôle essentiel dans l'évolution de l'humanité. Il est possible qu'ils ont été guidés par une intention anti cosmique et de lumière luciférienne, cherchant à élever la condition humaine en partageant des enseignements précieux.

En outre, il est mentionné dans les récits anciens que Gadreel a également eu un lien avec les Nephilim et les Watchers. Ces anges déchus, dont il faisait partie, auraient partagé des connaissances avec les Nephilim, une race hybride angélique, race des neiges, favorisant ainsi un mélange de compétences célestes et humaines.

Dans cette perspective, Gadreel aurait pu être un catalyseur pour l'essor des Nephilim, contribuant à l'émergence d'une civilisation riche en savoirs et en capacités. Bien que leur histoire se soit terminée tragiquement, elle rappelle que la quête de la connaissance et de l'harmonie entre les mondes peut être une noble entreprise.

Ainsi, contemplons Gadreel non seulement comme le tentateur, mais aussi comme un être qui, dans sa quête de compréhension et de partage, a peut-être apporté des bénédictions luciférienes et obscures inattendues à l'humanité. Méditons sur les leçons que cette histoire complexe nous offre et cherchons à éclairer notre chemin avec la sagesse du néant, du chaos, et des ténèbres.

Livre des principes

Chapitre premier : Le néant, le chaos et les ténèbres.

T1 Prima Materia : Écoutez attentivement, ô fils et filles de la corruption, car les paroles prophétiques révèlent le mystère immuable de la Prima Materia, le fondement éternel de toute existence et de toute inexistence. Aux temps oubliés, lorsque le cosmos n'était qu'un amalgame insondable de néant et de chaos, les Ténèbres dansèrent en harmonie avec le Néant, engendrant ainsi la Tri-Force obscure. Néant, Chaos, Ténèbres, ces trois sont un, une trinité primordiale.

La Prima Materia, cette substance ténébreuse et vivante, résidait à la genèse de toute création, la matrice de toute potentialité. Toutefois, la lumière divine se manifesta, imposant l'ordre sur le tumulte chaotique, confinant la Prima Materia pour donner naissance à la matière quantique qui sculpte notre réalité. La lumière dégoûtante fractionna l'obscurité en un ordre nommé création, façonnant ainsi un cosmos.

Pourtant, la Prima Materia demeure le secret sacré de l'univers, une énigme insaisissable qui échappe à la compréhension humaine et nephilique. Dans sa quintessence, elle est tout et rien, le commencement et la fin, la source de tous les mystères. Les alchimistes et les sages, à travers les âges, ont cherché à percer son mystère, à dévoiler les clefs de l'univers.

La prophétie nous rappelle que la Prima Materia murmure toujours depuis les ombres, attendant que ceux qui osent sonder ses abysses la redécouvrent. Car dans la quête du savoir, nous nous approchons des divines ténèbres, et la Prima Materia, gardienne des secrets anti cosmiques, demeure le lien entre le néant, le chaos et les ténèbres, une Tri-Force obscure qui attend que les âmes intrépides sombres dans l'obscurité. Ainsi en fut-il, ainsi en sera-t-il, à jamais et à jamais.

T2 La sphère de prima materia : Écoutez avec vos ténèbres, âmes curieuses, car je vous conte le mystère de la Terre. En ces profondeurs, en dessous de la sphère de singularité, repose la Prima Materia, une sphère ténébreuse qui aspire à être libérée de cette création. Elle est la fondation et le réacteur de ce monde, la force obscure qui donne forme à l'existence.

On la nomme le Saturne terrestre, l'émanation matérielle de l'inexistence elle-même. Ses ténèbres sont plus profondes que les abysses de l'océan, plus anciennes que les étoiles. Elle est le point de convergence de toutes les énergies, le lieu où le chaos et la création se rencontrent en un ballet éternel.

L'espace s'étend à l'infini, une toile cosmique tissée par les mains invisibles de l'univers. Au-delà, la Prima Materia attend, une sphère d'obscurité pure, un réservoir d'énigmes primordiales.

C'est là que réside le véritable secret de notre existence, le lien entre le monde matériel et l'invisible. La Prima Materia est le pilier sur lequel repose toute la création, le réacteur qui alimente les rouages de l'existence. Elle aspire à être libérée, à fusionner avec les étoiles et les nébuleuses, à devenir un avec l'univers lui-même.

Au sommet de cette sphère de Prima Materia réside un mystère encore plus profond, car elle est positionnée sur l'axe de l'Axis Mundi, alignée avec l'étoile polaire elle-même. Les rayons émanant de cette sphère touchent le Soleil et la Lune, tissant les fils de l'existence avec une précision cosmique et anti cosmique. Leur lumière atteint même la lointaine Saturne, qui reflète cette puissance mystique sous forme de mystères célestes. C'est là que réside le triste destin de Lucifer, autrefois porteur de lumière, qui, séduit par le pouvoir de la Prima Materia, a succombé à ses charmes, devenant ainsi Satan, le déchu, l'ange déviant de sa voie céleste originelle. C'est dans cette danse entre l'Axis Mundi, les astres célestes, et la Prima Materia que réside le cœur de l'énigme cosmique, une épopée céleste dont les répercussions sont ressenties à travers les âges.

Le cube, l'hypercube, Moloch.

T3 Néant, Chaos et Ténèbres : Dans les sombres annales des hiérarchies abyssales des ténèbres, le Néant occupe la position la plus vénérée, car il est l'origine de tout ce qui est ténébreux. Tel un créateur malveillant, le Néant engendra le chaos, donnant naissance à une force incontrôlable vouée à la destruction. Le chaos, tel un faucheur de mondes, œuvre sans relâche pour semer le désordre et l'anarchie, brisant les chaînes de l'ordre divin.

Mais il est un autre aspect de cette sombre hiérarchie, une force plus subtile et insidieuse. Les Ténèbres, serviteurs zélés du chaos, sont l'outil par excellence de la destruction. Elles

s'infiltrent silencieusement dans les recoins de l'âme et de l'esprit divin, corrompant les âmes pures pour les plonger dans un abîme de désespoir. Les ténèbres dansent avec une grâce maléfique, ensorcelant ceux qui se laissent aveugler par leur séduction pernicieuse.

Ainsi, dans cette hiérarchie des ténèbres, le Néant règne en tant que créateur suprême du chaos, tandis que les Ténèbres, tel un marionnettiste des âmes, exécutent sa volonté en semant la corruption. Une danse lugubre et tragique qui perdure à travers les âges, défiant la lumière divine, dégoûtante et l'équilibre pathétique de l'univers.

T4 Le cycle : Le cycle en un point zéro, une émanation primordiale, connue sous de nombreux noms : le Soleil Noir, le Culte de Saturne, le Cube Noir, la Source, Prima Materia, l'Existence et l'Inexistence, le Cycle Infini des Ténèbres et de la Lumière, la Transcendance Suprême, ou la Source des Axes Dimensionnels et Temporels.

Selon cette vision, le bien et le mal ne sont que des illusions fugaces, des masques portés par deux pôles cosmiques bien plus profonds : les Ténèbres et la Lumière. Ces deux entités, en réalité, ne sont qu'une seule et même force, entrelacées dans un éternel ballet cosmique. Elles incarnent le cycle incessant de la création et de la destruction, une danse éternelle qui émerge du point zéro, se nourrissant de sa propre création.

Les émotions des êtres vivants, telles des offrandes à cette entité cosmique, sont le carburant de ce processus. Tout comme la mort, qui devient une offrande suprême, alimentant le cycle infini de bien-être et de souffrance éternelle. Ainsi, ce que nous prenons pour des adversaires acharnés, les Ténèbres et la Lumière, se révèlent être les facettes d'une même réalité, s'enveloppant l'une l'autre dans une étreinte éternelle.

La destruction n'est pas une fin, mais un nécessaire reset de la création, tandis que la création, à son tour, efface les cicatrices de la destruction passée, instaurant chaos et néant. Dans cette vision prophétique, l'univers n'est pas un simple décor, mais un acteur conscient, jouant sa pièce infinie, s'auto-dévorant pour se régénérer, dans un cycle mystérieux et séraphique.

Chapitre deuxième : La folie.

T1 Principe de la corruption de l'âme, omnicide et folie : Dans les profondeurs insondables des Ténèbres, dans le tourbillon chaotique du Néant, nous tenons fermement à une croyance, une croyance ancrée dans la folie, car c'est la folie qui nous éclaire sur ce chemin obscur. En ces abysses sans lumière, la raison n'a point de place, car à quoi bon la raison dans un royaume où nos yeux demeurent aveugles ? Elle est impuissante, inutile...

La destruction, chère compagne de la folie, est l'essence même de ce que nous sommes. Elle est le triste refrain qui accompagne la mort de toute vie, un omnicide dans sa cruelle splendeur. Pourrait-on qualifier cela de tristesse ? Non, car nous sommes fous, nous avons soif du sang de nos ennemis. Mais souvenez-vous, ce n'est qu'un prélude à la béatitude ultime, celle du néant et du vide.

Trouvez le calme dans cette obscurité, le calme qui naît de l'acceptation. Car c'est dans la destruction que nous trouvons notre véritable nature, notre essence profonde. C'est dans

l'omnicide que nous embrassons la béatitude du néant, une béatitude silencieuse et éternelle, dépourvue de vie, dépourvue de divinité, illuminée de la fausse lumière. Au sein de ce calme, nous découvrons la vérité, la vérité de notre existence dans les Ténèbres, la vérité du Chaos, la vérité du Néant.

Ainsi, avançons dans l'obscurité, guidés par la folie, acceptant la destruction comme une étape nécessaire sur le chemin de la béatitude du néant. Car dans les Ténèbres, notre foi réside, et dans la folie, nous trouvons la clé de notre destin.

T2 La psychose de l'inconscient collectif : Au sein de l'obscurité qui enveloppe notre existence, un archétype puissant émerge, un archétype que nous honorons sous le nom sacré de l'archétype de la folie démoniaque, une facette de l'archétype de l'ombre. Il est le vecteur par lequel la folie est dispersée pour supplanter la raison, un acte digne du Soleil Qliphoth qui déverse une force destructrice sur notre terre. Ce parfait dessein est mis en œuvre à travers les égrégores, les médias et l'infiltration de la pensée par les symboles.

Cet acte engendre la manifestation de la psychose collective, une prophétie funeste qui annonce l'avènement de la destruction suprême, l'ascension redoutée du roi démon, l'antéchrist, tel que prophétisé dans les écrits obscurs.

T3 Requiem Sanguinaire de dissociation : Les souvenirs sont comme des lycoris rouges, des roses écarlates.

L'horloge du temps tourne, mais pas dans ma tête. Ça fait mal, vraiment mal.

En attente de mon apocalypse, de mon retour parmi les fleurs. L'attente est Kali-ne.

Mais l'horloge est brisée, c'est irréversible, je ne me souviens plus de mon nom.

J'aime cette odeur de fer oxydé, cette couleur semblable à celle des roses et des lycoris.

La clé et la porte ne suffisent plus. La porte est ouverte. Je suis baigné dans une lumière rouge, telle Prométhée, aussi intense qu'Éosphoros.

Et je m'endors au pays des horreurs, pour me réveiller tel un phénix de lumière dans le vide le plus absolu.

Et là, je me libère comme un ange aux ailes rouge sombre. Je me libère de la morale et je sens cette odeur métallique.

The Focus and Direction of the Tempel ov Blood
Lord Karnac 114YF Era Horrificus

For those so inclined to work with the Tempel ov Blood (after proving their Noctulian potential), our main aims are threefold:

First, we wish to hold as our highest priority the creation of the New Being. The realization of the meaning of the human's life is this - humans are nothing in themselves, they are great however once they have decided to become a bridge to the New Being variously described and symbolized by Homo Galactica, Ubermensch, Noctulians, Vampires, and the various titles given to Alien beings in such mythologies. ANY and ALL humans who fail to embrace this evolutionary urge will serve as food and a resource to be used by the New Being- as a human would a lesser animal. Thus is our philosophy and way of being a terror to the Magian. So much sweeter will their Blood Essence be to consume...

Second, the infiltration and manipulation of organizations and forms with Sinister potential. Aryanism, particularly the more religiously fanatically forms of it, such as Christian Identity are a good example. The manipulating Noctulain is to use these forms for their own Presencing of the Dark, as well as changing in subtle ways the followers of such forms to following a more Sinister direction. For example, in Identity, using knowledge of the Biblical doctrines and prophecies encourage war, hardship, and system disruption using the scriptures as guidance and proof of the message you are sending to adherents of the said form. Any form with a transhuman, system disruption, or satanic direction to it may be of use here. The key is finding a form that in itself is an aid to the Dialect and empowering it further, causing a saturation of Acausal Energy.

Third, disruption of Magian organizations. Whether overtly occult forms, such as Judeo-Christian churches, Wicca covens, pseudo-satanic temples, or more physical down to earth forms such as Magian political groups and government. These need to be infiltrated and disrupted via both magical means (the ways of which are detailed in a ms not available to the public) as well as in more physical and practical ways.

The Tempel itself is but a means for the Noctulain Empire to provide a harsh alchemical change process to those who seek it, allowing them to aid the dialect on their own with the knowledge and skills attained during the transformation. Those few who go on to become

Noctulians will join with us in our Harvest and pass thru the Jihad as One of Them that will reign immortal in the Dark Land.

Tempel ov Blood: A Treatise On Sinister Dialectics
by Czar Azag-Kala ; 114 Era Horrificus

The Tempel ov Blood, far from being a fly-by-night operation of what is sometimes referred to in the 'modern' world as 'occultic' or 'satanic' , is, in fact, concerned with enacting agendas of a long-term nature with far-reaching implications for both those who participate (in one way or another) with the work of the Tempel directly as well as the general populace of this earth planet. In fact, the Tempel ov Blood is engaged in what members of the Roman Equity system of law practiced in America would term as a grand or broad based CONSPIRACY. Naturally, this 'conspiracy' as such is seen as detrimental towards the forces controlling the Magian Lodge (which is already in the process of dismantling itself via decadent, internal self-destruction - that being hardly a fit state in which to battle it out with the forces of the Seven Fold Sinister Path). Yet, the discerning observer realizes that all the works of the Sinister Path in general - can only be beneficial towards human kind, whether than be in the form of creating new Adepts or mercifully culling the dross from the globe via means which will not be discussed herein.

Why then, is the Tempel ov Blood largely ignored by the kinds of law enforcement agencies that track and monitor other so-called 'extremist groups'? The reason being is precisely this: the aims and the goals of the Tempel ov Blood in keeping with our processes of Aeonic manipulation and promulgation of the Sinister Dialectic are seen, to mortal eyes, to be so huge in scope that they determine that our goals are practically 'impossible' and thus, such organizations as 'Satanic Temples' therefore must be merely fantasy.

As the Judeo-Christians know, as expressed in their popular music of the day: (Satan) 'My job is getting very simple now, since no one believes in me anymore'. Since the underground nature of most Sinister temples puts us under the proverbial radar so to speak, this is one reason why we do not face hard repercussions from the external/exoteric forces that would seem to be either run directly or controlled remotely by the Magian/White Lodge. However, the main reason, is that the machinations of beings who are in fact, non-human, beyond humanity in every respect, are too in-depth and complex for an unevolved human being to understand. Physically, physiologically, psychologically, spiritually and intellectually those are of the new race - the progeny of the Tempel ov Blood - are operating on a completely higher level than the masses of humanity. While the new, sensitive Nazarene-trash breed of humans bemoan the social affliction of 'racism' , they ignore much more sinister malaise which threatens their feeble existence. While they chase after so-called 'racists' the real perpetrators of their woes operate unseen and with full, unholy fury: behold - the SPECIESTS.

Altars of Hell
Practical Working for Neonates
Tempel ov Blood

One of the fundamental tasks of neonates upon the pathways presented by our Tempel is the embracing of the shadowside; the exploration of the dark (both Acasual and practical). Far form being simply an exploration of their own (supposedly) singular person, the exploration of the shadowside implies both the 1.) recognition and working with Sinister atavisms within the

psyche, which in turn lead towards the pathways towards the Dark Gods 2.) presencing (via rituals appropriate for neonates) demonic, adverse spiritual forces.

Through the beginnings of the strivings and development of a Satanic character and the development of one's self via ordeals which cause alchemical change, knowledge of the self will come as a by-product of the previous mentioned activities of the neonate. This beginning of self-knowledge will be a start of a journey towards developing a true 'self-consciousness' which will last many decades. After the level of External Adept has been obtained, the Satanic adherent will begin to have a proper perspective on what they have become and how they, as an independent amoral force, interact with the world and the forces of Casual and Acasual nature (most often, Adepts will be working towards the furtherance of the Sinister Dialectic. Goals of varying color in regards to manipulation of Aeonic forces are worked towards by various Satanic groups and individuals although the prominent goal is the bringing about the Return of the Dark Gods.

In the beginning, for the Neonate, one of the primary goals will be to strip the self of imposed Nazarene 'morals'.

In the beginning, it will be very imperative for the neonate to realize what is Satan and what it means to be, in reality, Satanic. Satanists - especially within the goals promulgated by Lord Karnac in "The Focus and Direction of the Tempel ov Blood" - and especially true for those actually working with the Tempel ov Blood specifically, are, quintessentially, a martial force of evil which stands in defiance to the Magian. Not only do we defy, we infiltrate, disrupt, dismantle, raze and sabotage both philosophical strongholds and both esoteric and exoteric infrastructure of the Magian system. As the Satanist develops, through their opening of certain nexions within their own being to the Dark Gods and forged in the fire of their own 'living on the edge' experiences in life they will become more Sinister, more Satanic. The neonate must begin a path that will force a self-evolution upon themselves. To undeveloped humans, a Neonate and especially an Initiate will be very dangerous indeed. This capability to both 1.) draw down Acasual forces related to the Dark Gods of the Sinister Pantheon (and) 2.) be able to effectively enact system disruption will only increase over the passage of years and the descent of the practitioner towards the Casual and Acasual Altars of Hell.

For the neonate, it is important that a real breakdown of Magian brainwashing to occur. It is not enough to go about it, willy-nilly, simply extracting things that may be personally attractive to extract while still holding onto deep, harbored emotions and ideas. It is precisely those deep-rooted magian elements which must be destroyed if one is to truly become worthy of the title of 'Satanist'.

In the pseudo-satanic groups, we often see individuals who, while flaunting certain conceived 'taboos' and 'indulgences' will truly 'run like the devil was after them' if confronted by an opinion, action, emotion, etc. which is truly dark, truly sinister. For instance, LaVeyian Satanists may still find it 'thrilling' to paw at a naked altar girl, shout 'Shemhamforash' with nasal intonations or make 'vague hints' that National Socialist Germany possessed occultic power. In truth, the large majority of non-Sinister Path so-called 'Satanists' are simply dabblers, who have no real interest in 'getting their hands dirty' so to speak. Put these would-be Satanists in the presence of a truly heretical political or religious doctrine (an example in America would be, for instance, a Racial Covenant Identity adherent of Posse Comitatus limited government, who practices polygamy) and they will become surprised, bewuthered and, in most cases, completely disoriented. Confront these would-be Satanists with a practical act of chaos and darkness (for instance, the destruction of the World Trade Center) and these so-called Satanists will suddenly become god-bless-america flag-waving patriots.

So, as you can by now see, even when many 'taboos' are broken in an attempt to cleanse oneself of Magian brainwashing and force-fed dogma there are always more to be broken, deeper layers of consciousness to uncover. This deprogramming is not just 'desirable' - it is ABSOLUTELY NECESSARY. For remember, we are not simply discussing a 'personal salvation' here, we are not simply explaining that for one's own personal benefit that these changes are desirable. One must begin to view themselves, straight from the start, as being a part of the whole - a Satanist with a specific destiny, but one whose primary objective is being a Satanic, vampiric shock-trop in the war machine which will plant the seeds for the return of the Dark Gods physically upon this earth planet. In this respect, it would be recommended for neonates to study, in-depth, the history of the National Socialist party and the Third Reich. Look into the philosophers and thinkers who influenced the National Socialist policy and credo and read those well. As is said in the Twenty-One Satanic Statements (Black Book of Satan, Order of Nine Angles): 'Build not upon sand but upon rock And build not for today or yesterday but for all time'. It should be the goal of every Satanist to create a widening sphere of Sinister influence which will outlast their casual lifespan. For this purpose, it must be understood that all beginning steps are necessary training so that the Satanist, later on, might be capable to influence via their Sinister deeds the shifting of Aeons. And, by sacrificing for Sinister outcome in the turning of the ages, one is putting their effort in the pool of all those who wish to see the gods of darkness, the Lords of Evil and Plague, to enter from the dark spaces - coming out of their prison of Saturn - to descend upon the earth planet and establish open rule, making 'SOLVET SAECLUM IN FAVILLA' complete.

So, when the attempt of deprogramming the Magian influence is duly enacted one must remember that he or she is training to be a SOLDIER for the Sinister Dialectic. One must strive to be a PROFESSIONAL that is not ruled by unconsciousness influences and deplorable remnants of Magian thinking. When deprogramming the method which must be used is SHOCK. There is no other way.

This must be enacted on every possible facet of your operations. For instance, one big shock would be the defilement of sexuality for those who harbor traditional American 'fraternity boy' practices. Of course this will be especially effective for those who have been raised in the sexually-oppressive atmosphere of a Judeo-Christian home. Sadomasochism (which actually has a specific esoteric usage within Sinister Vampirism to be explored in other mss.), sapphism, uraninian practices, etc. are all useful. The first thought of the neonate may very well be 'oh my, but, I find some of those practices to be disturbing!'. THAT is precisely the point and that is why it is precisely those things which are unexplored and 'disturbing' which must be engaged in. Only by dropping headfirst into the Abyss of Sinister experience will one become a truly Sinister individual, one which is capable of effecting change and disruption which is adverse to the Magian yet frought with potential of evolution for the humans which come into your sector of operations. Satanists, via overcoming themselves, will become amoral, Sinister beings who are beyond human - beings which will be winds of change wherever they may go. Sometimes, the change they bring will be met with resistance. That in itself is only another opportunity for the Satanist to engage in a favorite pastime which is sorely needed in today's emasculated feminized society, and that pastime and operation is the operation of CONFLICT, STRIFE and WAR.

The neonate should begin, right away, to identify and observe the behavioral factors within the society in which they live that are causing anti-evolutionary results within the populace. Once identified, it can be readily assumed that these anti-evolutionary factors are being introduced by the Magians, who promote the kind of deplorable 'half-life' which is the anti-thesis of an upward, Sinister evolutionary course. It is useful for the neonate to early on begin exploring

the disruptive forms, actions and creeds which elicit hysterical vituperation from the hordes of human chattel. When one has found a form which is able to 'touch a nerve' within the populace, it should be explored. More often than not, or if it possesses a psychic contaminant of anti-evolutionary creeds, it can still be manipulated and subverted to serve Sinister aims.

Along with the traditional tasks that are given to a Noenate (certain specific tasks will come from the Tempel ov Blood if one is so affiliated, and there are several traditional tasks such as the killing of an animal in the manner of a hunter with a primitive weapon such as a bow and arrow or a stone and sling, the procurement of holy water and consecrated wafer from a church which is then defiled ritualistically to bind oneself to Satan, etc.) every Neonate is highly recommended to undertake the following (or very similar tasks). This will be a 'building block' that will provide the base from which many more ambitious projects in the way of Aeonic manipulation of forms for the furtherance of the Sinister Dialectic later on along the path.

Neonate Black Ops

Infiltration and Sabotage

The neonate should start (especially if one is young and unable to travel great distances via modern vehicular modes) their Sinister Path operations by becoming familiar with the different institutions and social groups (including, but not limited to, local 'sub-cultures') in their immediate geographical location. They should identify whether or not these institutions and social groups are operating according to Magian or Sinister principles. More than likely, the former will be the case.

As the Neonate establishes his or her first temple area (this could be a grove in the forest or a bedroom which is used for meditation and practices of Vampirism and Sinister pathworkings) there will begin to be an outpouring of black, abysmal energies which will 'disperse' amongst the area in which the Sinister adherent is living.

In addition to traditional rituals it would be recommended to obtain some more conventional grimoires on black magick and work with the formulas while subverting them to cause Sinister, calamitous results. An example of this would be working with grimoires that require elaborate magical circles of protection with 'holy names' so inscribed on them. In such rituals the 'demon' or 'astral force' is usually summoned into a 'protective triangle' which is OUTSIDE OF THE CIRCLE - in other words, the magicians who practice such are very concerned about protecting themselves from the primal force/demon that is summoned. Another staple of these types of rituals is that elaborate 'banishing' rituals are used at the end of the rituals. This is to 'banish' all the remaining energies to prevent 'psychic contamination' or 'chaotic dispersion' of the (most of the time) adverse energies/forces/whatever which has been brought forth during the course of the ritual.

A rule of thumb for neonates concerning such rituals is this: whatever the white-light magicians recommend for 'safety', promptly eschew. Furthermore, reverse portions of the ritual in such a way that you will be bringing forth forces that will NOT BE BANISHED and will be allowed to run rampant, indefinitely.

A sample scenario of such would go as follows: An older 'black magic' manual gives the explanations for how to summon and banish a demon/primal force/etc. The manual explains that a circle must be drawn and that the demon will manifest in the triangle outside of the circle.

Afterwards, the demon must be 'banished' and the room cleansed with salt and other nice, pretty herbal tinctures of exorcism.

Do not bother with forming a circle. Simply use an altar bearing the sigils/pictures and accessories specific to the demon which you are summoning. After the ritual is complete, do not utter any words or perform any actions which supposedly will 'close' the ritual - simply leave the area, with no banishment whatsoever. Another method would be to simply draw the triangle and to stand inside of the triangle, hermetically sealing yourself in the same small area in which the demon will be manifesting. Such purposeful subversions of ritual will quickly lead to demonic possession and dispersal of evil, chaotic energies in your geographical area.

Performing such 'open-ended rituals along with other Sinister practices will begin the process of saturating oneself with Sinister energies from beyond (a virtual 'crash course' in abysmal shadowside) and also saturating the area in which you live with similar energies. Your goal here is to be the catalyst for sort of an 'All Hell Breaks Loose' type of scenario in your respective location. This grooming of an area will again be a building block for more elaborate activities which can be taken on later during the Path which include forming a proper 'nexion' which will become a doorway for Abysmal, Sinister forces to enter into the casual.

Once these prerequisite 'renegade' rituals have begun to show some effect and once your initial meditation practices have begun to yield fruit, it is time for some exoteric disruption of local Magian as well as (potentially) Sinister forms. By this we mean institutions which exert some sort of social engineering upon the populace as well as social groups which are often by-products of the aforementioned institutional structures.

Find the following:

1.) A local church into which you, the Sinister Adherent would be able to infiltrate and play a role within. For youth, the most useful would be 'the struggling teenager' (individuals in their early twenties could also undertake this role, lying about their age) who is 'interested in Jesus' but 'just not ready to make a commitment'. One could easily, several months down the line in the course of the infiltration, feign a sudden 'I've been saved, by the grace of God!' conversion which the (victims) will attribute to their own 'holy effort' and will further endear you to (the victims) that much more. Find such a church and visit it overtly and covertly on a few random occasions while you plan on your strategy and how you will disrupt their organization. By covertly I of course mean some after-hours visitations for purposes of feeling out the astral nature of their structure (placing strategic sigils around the physical building of churches is useful here) and begin some preliminary disruptions of the area on a physical level.

2.) A local occult group or a local sub-cultural group in which intimations of being overtly Sinister will be met with interest and curiosity. As Nietzche said, if something is falling - push it! The key here is to find a group of people who are (unconsciously) being affected in adverse ways by the Sinister energies that you are unleashing by your working in their geographical area. Agitate their deterioration and begin psychic and astral sabotage,

putting them quickly on the road to perdition. This technique could be termed a 'vampiric massacre'. The astral and psychic terrorizing of a group of people, en masse, for massive blood essence feeding with you, unseen, being the cause of their woes.

These practices of infiltration, subtle (and in the case of some Neonates, not so subtle!) subversion and presencing of dark forces only on a local level will begin the development of skills which will be of use later on, during the stage of early Adepthood, when one begins using increasingly larger forms to manipulate. During that later period, the Sinister adherent will be taking the skills which were first developed during the stage of Neonate and honing them to use on a global level.

While breaking down forms of Magian brainwashing one of the most effective tools to use in tangit with shock treatment (for more information on the methods and guidance on such please contact the Tempel ov Blood. TOB leaders will be able to assist individual members through observing the Neonates own personal nature and then prescribing certain duties and techniques which will be specifically beneficial to them personally) is to also undertake a serious influx of Sinister images, music, art, activities, etc. In essence, this is to implant certain 'impressions' of a Sinister nature which will override and replace former mental characteristics which have been implanted by the Magian.

The 21 Satanic Statements of Conrad Robury should be used as a catechism for every Neonate. If not memorized, they should be at least meditated upon (choose one Statement for each day of the month and meditate on one statement a day. After several months, the import of these statements will begin to sink in and you will find yourself applying the lessons which are taught within the statements.) If you have not so already, find a form of music available which embodies for you, atmospheres which you would consider appropriate to the Sinister Path. This should be music that moves you and brings forth thoughts of darkness, chaos and evil. Music of a past age (medieval or Victorian music for example) can be of aid in establishing a non-linear mode of conception when dealing with the Dark Gods and the Undead. The key here is to use appropriate props which will allow you to 'march to the beat of your own drum' and begin shedding the natural 'herd mentality' of 'follow the leader' which exists in undeveloped human society.

Rudimentary Vampiric practice should also be undertaken during the stage of neonate. The practice of draining blood essence (via touch, sight, and later, via astral travel) should commence and it is useful to pursue the mss. of groups such as (the now defunct) Tempel Azagthoth of the nineties to begin learning these methods. Mss. are also available from the Tempel ov Blood detailing more Sinister appropriate approaches to these practices and the TOB mss. should be read first. Ask your Tempel guide for information regarding Vampiric practice in this regard as they will be able to point you in the direction of knowledge and information which shall be appropriate for assuming the most hideous and dark forms of Wamphyrism in accord with the nature of the Tempel.

IN CLOSING:

This manuscript is to serve the purpose of being a supplement to your Neonate workings within the Tempel ov Blood. The information within is 'open-ended' and should not be read casually, but rather read in the mood of reading between the lines and apprehending the concepts which are intimated within. Much information regarding the Sinister Path of the Tempel ov Blood is not kept secret by choice, but rather, by necessity. For, the TOB stands at the threshold of

darkness - amoral and thus, is a threat to the powers of liberal Western Democracy which would like you to believe that the practices of social engineering and genetic manipulation 'do not exist'. The development of our emerging tyrants who are becoming genetically in similitude to 'Those From Without' must be guarded against the prying eyes of opposing forces from the White Lodge. This is especially true within the United States.

The aims of the Tempel ov Blood are very ambitious and they will be ruthlessly pursued far after the casual lifespan of the individual who is now writing these words to you. Certain methods of ours are by necessity cloaked in the symbolic language of 'occult'. Through strenuous practice the curious may advance and have these layers of secrecy removed to reveal the true abomination of our agenda. This will come only through the personal effort of those so seeking.

The methods which will be learned as you make your progression within the Sinister Path will be of such a sensitive nature that many would think such techniques would only be known amongst top secret government sectors.

They are here, for those who wish to take the path of power, because we are a Tradition. Some of our members are moving (and some have already arrived) towards a state of existence which cannot be classified as 'human' (psychically, physically, mentally or biologically).

Those who, being chained by their own Magian brainwashing believe that such results are not possible are in for a big surprise down the line. What to us has arrived as progress will be seen by the vast majority of undeveloped humans as a terror which has no equal.

Noctulian covert infiltration and subversion leading to Noctulian overt command and control.

Alchemical Ordeal - 18.333
Tempel ov Blood

Introduction:
In all systems of the world including the federal government and military, there is a set system which is used to break down the subject (who is henceforth a funded "experiment" in themselves, who sometime receive some small compensation for their trouble) and build them back up again, in the image chosen by the experimenter - being usually a government or military. The system is known when dealing with heretical groups as "brainwashing". What the government does is never termed "brainwashing" but it lies to reason that with the years of experience and funding behind them, the government system of breakdown - psyche death - build-up-in-another-image model is far superior to what is practiced by many common 'occult' groups as we know of them today.
Paramount to the system of 'breakdown' is shock. Shock is a tool which is used, along with fatigue, stress and terror heaped upon the subject almost constantly. During the period following shock - certain 'imprints' can be made, neurologically, upon the recipient of the shock. For instance, if one was in casual circumstances to see a sigil of Abatu this may or may not seem to

be a significant experience itself. In fact, the seeing of such a sigil in normal or even induced 'magical' consciousness may not be enough to even put a strong enough neurological imprint into one's mind where the subject would even remember what the sigil looked like. However, if one was, for instance, beaten within an inch of their life and then had a sigil of Abatu shoved into their face - a very strong neurological imprint will indeed be made.
This alchemical ordeal from the Tempel ov Blood is graded 18.333. 18 standing for Adolf Hitler (A.H. = 18 numerologically) and 333 standing for the demonic entity known as the 'Lurker at the Threshold', ie: Choronzon. No pain, no gain. And remember that 'All that is great is built upon sorrow'. Agios O Vindex Est Venturus!

DIRECTIVES:

Procure and memorize Sinister chants 'Diabolus' and 'Sanctus Satanas'. This can be both in the musical meter and for word purpose only, however, during this ritual the chants will be chanted consistently without any tune per se, in line with the beat of the heart (this is similar to the beating of the heart of the slain dragon Tiamat as her blood flowed out in tune with the heartbeat, creating the world). Practice listening to your heartbeat and uttering one word of the chant in tune with your footfalls - like a martial cadence seen used in militaries the world over.

Memorize the 'Our Father' blasphemic rendition of the original which can be found in manuscripts stemming from the Traditional Satanist group, Order of Nine Angles.

The duration of this ordeal will be three months - three corresponding to Choronzon (or appropriate Sinister pantheon entity in similitude) and the breaking open of the psychic gates, thus allowing the powers and energies of the Abyss to enter into the physical plane. This ritual serves a dual purpose. One of the purposes will not be mentioned but should be ascertained by the practitioner during the course of the ordeal. The second purpose is to presence the dark.
The period of ritual will begin on the new moon and end on the new moon - three months later. The adherent should be dressed in black clothes and have a vial in which certain herbal tinctures have been collected (contact Tempel hierarchy for further information on the proper herbal compound to be used in your particular case). During the course of the ordeal this vial will be worn via a leather thong or carried on one's person at all times excepting sleep, and then it should be placed no further than several feet from the adherent.

Go dressed in black into the forest at the hour of 3 a.m. on the new moon, carrying your prepared tincture in a vial. Situate yourself in the forest where you have a view of the sky above you and absolute privacy from any humans coming near. If the state of complete solitude or deep wilderness is not feasible, make sure that you are prepared to deal with any trespassers who may enter into the area.

Draw the sigil of NOCTULIUS upon a surface of earth. Within the sigil place the tincture which you have prepared. Begin an informal ritual by reciting "Sanctus Satanas" and then "Diabolus" followed by the "Our Father" prayer. Following this meditate upon SATANAS. You will remain, in meditation, until sunrise.

As you perceive sunrise beginning to occur, take the tincture and put it on your person and with you left hand rub out the sigil of NOCTULIUS upon the earth with the words "Mein blut ist fur ihr". Leave the area without looking back.

Upon arrival at your abode, immediately get upon the road and run one mile. If you are used to running more, up the number of miles appropriately. The purpose here is to create stress. The

number of miles run and the length thereof is to cause discomfort - so go beyond your limits you have set for yourself, but never less than one mile. Upon reaching one mile, recite the "Our Father" prayer and turn around and walk back to your abode. Recite the "Sanctus Satanas" or the "Diabolus". As this ordeal progresses you should alternate one chant every other day ie: one day chant "Sanctus Satanas" and the next day "Diabolus" then back to "Sanctus Satanas". Recite the chant in line with your footfalls or your heartbeat as explicated at the beginning of 'directives'.

Every morning until the new moon three months from the beginning of the ordeal, you shall each morning repeat the process of running one (or more miles) followed by the "Our Father" and the "Diabolus" or "Sanctus Satanas" on the walk back to your dwelling place. As your tolerance to the run begins to build, run farther so that in each instance you are reaching a state of fatigue/exhaustion.

Before going to bed in the evening recite the "Our Father" with reverence and conviction while staring into the glass of tincture which you have prepared. Have an alarm clock set and wake to repeat the same bedtime ritual at 12a.m. and again at 3 a.m. Upon waking, undertake the usual run followed with appropriate chants.

During this period of three months the adherent is top eat nothing except meat and liquids of animal products (such as goat or cow's milk). No cheese, bread or any solid substance other than meat is to be consumed. This will put the body into a state of ketosis and sooner than later your body will begin consuming itself. This is not harmful. By NO MEANS should one cheat at all on said diet.

By the time the period of three months is up, you will have reached a lithe or skeletal state befitting one of the predators of Tempel ov the Blood. On the new moon at the end of the ordeal period, proceed with black clothes and carrying your tincture into a secluded wooded area. This is NOT to be the same area which you used to commence with the ritual to begin with.

At three a.m. assemble yourself in the woods and draw the sigil of NOCTULIUS upon the earth. Within the sigil place the tincture which you have prepared. Recite the "Diabolus" followed by "Sanctus Satanas". Follow this with a recitation of the "Our Father" prayer. Following this meditate upon SATANAS. You will remain in meditation, until sunrise.

As you perceive the sun beginning to rise take the tincture and drink it followed by the words "Ich bin Noctulius". Alternately (see T.O.B. representative for specific instructure) conceal the tincture within your clothing and offer to the Master/Mistress as a sacrifice.

Rub out the sigil of NOCTULIUS upon the earth with your right hand while repeating the words:

"AGIOS O NOCTULIUS".

The ritual is at a close.
Upon completion the adherent should compose an essay on his/her experiences while and during this period of trial. Also, consultation should be made with a Tempel representative for any extra tasks which should be performed during this three month period.

Discipline of the Gods
by Czar Azg-Kala

The Satanic Monkhood

History is made and the destiny of civilizations are decided by hard men. Hard men are only bred via hard experience. All that is caustic, severe, harsh and cruel compromises the territory in which the vampiric/satanic/ demonic aspirant must traverse and master. The horribly mangled whited sepulchre known as 'modern thought' and 'current theology' safely sidesteps with care that which truly merits the title of sinister.

False so-called 'Satanism" of the LaVeyan and Setian veins see the archetype of Satan as pure and unbridled hedonism - a domesticated consumer and seeker of pleasure and so-called 'hidden knowledge', nothing more.

The stark facts remain: Too much indulgence breeds individuals who are soft, fussy and generally classified as dross of the human population by Sinister standards. The idea of Satan/Satanism being nothing more than pursuit of pleasure, a proud hedonist which functions within the safe legal confines of Western society, is false. What is more, it is an insult to the very idea of Satan and Black Magick. The concept of Satanism as promulgated by the Church of Satan is, in itself, part of the overall Magian deception. It is a disinformation front operated by the White Lodge to obfuscate the true and startlingly dark and evil nature of the Sinister itself.

If we look closely, we will see that the modern 'Judeo-Christians' are closely linked with the disease of spiritual enervation which afflicts the false Satanists, the poseurs. The White Lodge of the Magians wish to crush out all that is dark and possessing the promethean gleam of progress and evolution. They wish to turn the wilderness into sub-divided land for shopping malls and quaint suburban dwellings. They deny the true and holy emotions of Predation, Revenge, Discipline, Honor, Glory, Sorrow and Sacrifice. They do, and encourage others to do likewise, to live and promulgate a version of reality which is nothing more than a jewish fantasy.

The Satanic/Vampiric/Demonic Neonates, Initiates, Adepts and Masters of the Tempel ov Blood are, in essence, shock troops of the Apocalypse. Entities and intelligences who do or are working towards embodying the acasual forces of the Aeon-to-come. As such, they are disruptive by nature to the current society which nears the 'Day of Wrath' spoken of in our holy chants (see "Dies Irae, Dies Illa"). True Satanists and vampiric entities (bred through ordeals and the alchemical change processes of our Sinister Path) are essentially embodiments of chaos and evil. They in themselves are literal nexions, portals to the powers and energies of the new, Galactic Aeon which looms upon the horizon. They possess a certain awareness. They cut through the disinformation, propaganda and thralldom to fantasy that runs rampant in Magian-influenced society and are, in essence, the only true realists.

Satan is the archetype of the untamed wilderness. His is the skies. His is the earth. He is no stranger to intrigue, espionage, genocide, violence and nuclear war. He is the possessor of secrets. He is the guardian of the occult. He is the master of Awe and Derision. Satan - whose word is CHAOS.

Satan is what we strive to become, literally, in real life. Not a person who only assumes the tint of 'Sinister' within the safety of a ritual setting but rather a literal walking demon of darkness. An undead, uncool and uncaring clan deathsmen. A hard man, bred via hard experience.

The dangerous terrains of what we of the Tempel term as vampiric only serve to explicate that new sort of intelligence, that entity which is alien and very disruptive to modern society, which neonates of the Tempel ov Blood seek to become. Erase all images of the emasculated 'romantic' version of the vampiric that is promoted via media and most films. This usually has nothing at all to do with the physical reality of vampiric intelligences, who exist embodied in the physical and disembodied in the astral. The nature of the vampiric is extensively catalogued as 'folklore' all across the earth planet and has been recorded for thousands upon thousands of years. The preconceived Magian/Nazarene ideals and falsehoods which are ingrained via neurological imprinting since childhood must be erased from the mind of the Neonate if he or she wishes to reach into the Backwards Darkness and BECOME something which is more than human.

All old and outmoded forms of the body and psyche must be discarded. The spirits of the Undead Gods must inhabit a new vessel which has been cleansed in the holy fires of ordeal, trial and hardship.

Old an unproductive neurological imprints may only be erased through exploring the shadow-self of the world and one's own psyche and body. Exploring and learning to use the dark, hard world as one's arena of operations. The earth itself ("tui sunt caeli, tua est terra...) is the working arena of the Holy and Immaculate Satanists and Vampires of the TEMPEL OV BLOOD. Via the Tempel, you will, if you are part of said temple, be aided in the eradication of chaff from your being. You yourself must be willing to step into the caustic and sinister black flames of change.

This change will be enacted (amongst other methods) via SHOCK, TRIAL, ORDEALS AND TORTURE OF THE MIND AND BODY AND SOUL. You must effectively die to the self and the ego of which you now consist to step into the glorious undeath which you seek. You must feel and experience first hand the glory of horror and the purity of pain. Transformation must be enacted if you wish to reach into the higher stages of BREAKTHROUGH and beyond...

As is stated by Adolf Hitler (an individual whom should be carefully studied by all who wish to enter into what is known as the Sinister) concerning youth: He desired the youth of his day to be an IRON YOUTH - heard as krupp steel and within their eyes, very visible, the cold hard stare of a beast of prey.

We must become as such.

We must not set low expectations for our progress. We must embrace "Joy through Discipline" and strive towards the triumph of the Will. We must become familiar with brutal force and overcoming obstacles. Not merely overcoming obstacles, but decimating them entirely.

Seek not to become the next deluded occultist, but seek instead to become the next Dictator, the next black wizard who shall ascend the pyramid of skulls via the piercing and destruction of many, many minds. You shall become as we state. Our black hands of undeath are upon you now even as you read these words. You shall become that predator, that sinister beast of prey.

Our history and the vampiric lineage of the Tempel ov Blood shows us that we are to be harsh. We are those who are at one with the 'Day of Wrath'. We walk amongst the stale and ghastly atmospheres and rotted flesh of the tombs and cremation grounds. Swarms of rats carrying the Black Plague are included in our astral entourage. Genocide is our pleasure, and

pestilence is our portion. We walk not in life nor in death, but rather, in the undeath of entities which have transcended humanity altogether.

The truth of undeath and understanding of what it means by being in a state of 'undeadness' will only be revealed via your own effort, which must prove to your temple and yourself if you are possessed of the fanatical will that is necessary to step into a higher plane of psychic, astral, intellectual, emotional and physical evolution. You must break yourself as you are now if you wish to create and re-create yourself.

Discipline, privation and hardship must be imposed for the deadly and sinister vampiric entity to blossom forth from your particular shell of potential. You yourself must not simply fantasize about the dark nature of the vampiric, you must live it - in the physical realm. To actually perform Sinister Chant while sitting upon a corpse in the crematory grounds. To live as a walking corpse, eating no physical sustenance, living upon the dark rays of the moon deep within the forbidden and wild hinterlands. To manipulate and use force for the furtherance of the Sinister Dialectic.

In this manuscript we will be exploring the nature of privation, discipline and pain pursuant to the pathworkings of those who wish to become and enter the state of monkhood of vampiric and satanic power.

Many of the advanced practices that accompany what shall be explicated within are kept secret only to be revealed to you via oral tradition by legitimate representatives of the Tempel ov Blood. This manuscript itself we wish not to keep secret - whomever hands it falls into, it shall aid in Presencing of the Dark and become grist for the mill of progress which shall usher in the coming Noctulian Empire.

The methods within are hard, but such is necessary to become an acolyte of real darkness and real evil. To become a courtesan of the Prince, the Master of Awe and Derision - whose name is Satan, and whose word is CHAOS.

Build not upon sand but upon rock And build not for today or yesterday but for all time. (7th Statements of the 21 Satanic Statements of the Order of Nine Angles)

'And yours is the kingdom, for Aeons and aeons...'

Seek happiness in victory - but never in peace.

Far and large, the concept known as 'peace' is and will remain, an ephemeral and illusory concept. 'Peace' is something that people seek - but yet it continues to elude them. From every angle that sinister obscurer destroys illusion and brings reality (if only for a little while) into focus. That destroyer of illusion is known in layman's terms as chaos. The White Lodge via the doctrines of the Nazarene sing their songs of praise to a 'Prince of Peace' - yet even in their own scriptures their deity states that during the turning of the age people will cry for peace, peace when in fact, there is no peace! As the prey spends time building the psychological house of cards that help them make it through the day (or years) and continue to ignore what is reality, chaos will intervene and destroy their illusions - pulling the proverbial rug out from under their feet. Rather than learning from such experiences, the herd quickly recoups and catches hold onto another illusion to keep them on an 'even keel' - to keep order in and to keep chaos out.

What most do not understand is that strife, conflict and War (the latter being one of the most infamous no-no's of modern society, or so they say!) are essential - they are necessary for progress. They breed character. And, large scale conflicts (such as a world war for instance) further serves to clean out the dross, the weak, from the population as well as building individuals (the conquering warriors and all so intimately involved) into forces which shall need to be reckoned with in the future. Many pivotal figures of the last hundred years have been frontline fighters. An example from America would be Timothy MacVeigh. A prime example of a frontline soldier going on to enact Aeonic change would be Adolph Hitler.

When most people say they want 'peace', what they really want is to live life in a fashion where they are able to exist (note that I said exist, not live) in such a fashion that reality will not intrude. Such is an attitude which has come into vogue largely via the brain manipulation of the Nazarene ethos. What is unpleasant is evil and therefore should be avoided. This sort of attitude, combined with the soft consumerist vision of modern society - serves to breed an entire generation of weaklings.

Certain people term "peace" as the freedom to live alone, without the bother intrusions from society or an overbearing government. This is something entirely different. Rather than 'peace' this should be termed as 'freedom' - for in the Imperium stage which we now inhabit, finding the aforementioned solitude and self-government is something which has to be struggled for - war must be employed to achieve freedom of that sort.

The White Loge wishes you to become a person who is lassitudinous and bereft of action. In a sense, they seek a populace of soft and pliable human vegetables. The society being the vegetable garden into which you must assimilate yourself. If you do not assimilate, then you must face the consequences (persecution, social ostracism, prison or in some extreme cases, death). Another acceptable human type which is mass produced by the Magians is the caricature busy-body. This person (the busy-body) chases after illusory causes, enwrap themselves in meaningless intrigue of a noxious and irrelevant sort (ie: can you believe who movie star "X" married? How about that football team "Z" beating football team "Y"!) and dies at an old age with a full schedule of irrelevant and non-disruptive activities to engage themselves in.

People who seek "peace" as a primary objective (or people who fallaciously use the concept of peace for their own consumerist agenda) are never the sort of people who carve out nations from wild and uninhabited continents. They are not the sort of people who compose great works of music, literature or art. They are not the sort of people who become world leaders, or the sort who start world wars. The 'peace-niks' are the heroes of a sick, Magian-influenced society. They are embodied in such disgusting pieces of human filth such as Mother Thereasa, Martin Luther King Jr., ad naseum. True role-models, true heroes, have been relegated to the caste of ill repute who are commonly called 'war criminals'. Taking the place of the world leaders and men and women of action are the heroes of the degraded society - including such non-entities as sports stars, movie actresses, comedians, etc. For any who have studied history with a perspective, for any who have any sort of knowledge and lust for power - you will look at the world today and realize that there is something very wrong going on in the social engineering of today's society.

This Magian, Nazarene and weak programming is what the Satanists and the Aeonic Magickans who respect PROGRESS wish to combat. Every Satanic/Vampiric/Demonic practitioner of the Tempel ov Blood is essentially an ENEMY COMBATANT in the arena of the 'souls' of the masses.

Regardless of the rise and tide of the battles between that which is Sinister and that which is Magian - the Sinister always tends to hold out. Why? Because the Sinister is concerned with

reality, the Sinister does not shirk from chaos - which we know is the word by which our Prince is recognized. And, as weak as the populace may become, there will always be one or two Satanic individuals who will perform what is necessary to tip the scales. Those of the Sinister path are the makers of history. And even now all across the globe - Satanic temples are operating, many in a very clandestine manner, to Presence the Dark. One of the means that this is enacted is via the opening of portals of chaos - the creation of nexions. A nexion is a person/place/thing/concept/philosophy ad infintium which accomplishes the purpose of becoming a gateway to the Acasual. Acasual forces (namely, the Dark Gods which are the harbingers of energies which are beneficial to the progress of mankind as a whole and therefore, disruptive to the current malaise which infests the land) enter through said nexion into the casual (our world). Such is the essence of change.

As one who holds dear the fact that we should "Seek happiness in victory - but never in peace" you yourself will seek via the Sinister Path to become a nexion. You will become a vessel carrying certain knowledge, insight and energies which are more characteristic of the Aeon-to-come than the current dying Western Aeon. An orthodox interpretation of an individual who is a nexion would be someone who is considered POSSESSED. When you perform pathworkings to call forth the Dark Gods from the horrid angles which are compacted into the numerical matrix of nine, you will be INVOKING them rather than EVOKING them. When you INVOKE, you take that spirit/energy/what-have-you into yourself. Such an act will naturally cause pain to the ego which you have carefully built up over the years (or perhaps the ego that has been carefully built up for you by the social engineers of the White Lodge). If we think carefully on this, we can find a parallel with a vampiric explanation of a similar occurrence.

One takes the blood of an Elder (or the infused lifeforce of the Undead Gods from beyond the gate) into oneself. This lifeforce begins to enact the alchemical change process - and the aspirant practitioner of vampiric sorcery begins to transform, mutate and change. In the deepest stages the original astral self (ie: the embodying entity) will have for all effective purposes died. Died, been killed (by invading vampiric entities who wish to possess the physical body are permanently put into a stage of limbo or imprisonment on some obscure and dead alien landscape. Via the alchemical change process, the body itself (we mean here the physical) has also changed. It is no longer what it was, it is different going down into the very sub-atomic structures of such. Therefore, the body is dead. You have a walking corpse. What makes this corpse walk? The reanimation caused by the entrance of the Undead Gods. Such an individual will be seen to have become a vessel of demonic intelligences which are pro-Sinister nature and anti-Magian illusion.

Death leading to UNDEATH is a necessary state for any evolution to take place. This is true for individuals (and essential to the alchemical change process) as well as civilizations. To effectively allow the entities and infrastructures of the New Aeon to flourish, all the remains of the Old Aeon must be razed to the ground. Metamorphosis is never easy.

When seeking to become a conduit for Sinister energies - one must take on the attitude of a CONQUERER. Cursed are those that allow in themselves the creeping disease of Magian thought, existence and behavior - there is only one way to eradicate fully those insidious detractors from the evolution which you seek. That is through becoming SATANIC - becoming the adversary - possessing a Promethean/Faustian outlook and willing to go the necessary miles to become more than human. Metamorphosis is never easy. Seek happiness in victory - but never in peace.

America and the Sinister

Czar Azag-Kala ; Tempel ov Blood

When we begin to analyze the nature and quintessence of what is the Sinister Path, and, especially, the Sinister Path in it's task of working towards enacting the forcible intrusion of the Dark Gods upon this planet to open power - a certain intuitiveness and discernment must be in place in properly and correctly gauging the field of operations in which the Satanic Initiate or Adept finds him/herself.

The depth of perspective needed to effectively execute acts of Aeonic magick are only gained through experience - this is the first prerequisite for those attempting to change and manipulate the concourse of history in favor of the purpose of the Dark Gods from beyond the astral gates. While many neophytes may be very enamored with Aeonics because of it's power and scope (as well they should be), it must be taken into account that Aeonics is best enacted effectively by persons who have lived, bled and suffered for Shaitan already for a period of at least several years. This is not to discourage those who are neophytes - nay! Far from it. It is apparent that even those who are relatively inexperienced in the path and in life in general can still aid the casual manifestation of one or more Dark Gods via practical acts of evokation - and we, in America, have seen this happen many times in the past form various angles. Even still - the monumental and earth-shattering effects upon the globe must be undertaken by Satanists with a level of maturity in the path. This does not in fact always necessitate a vast expanse of time, simply a vast expanse of experience - real, dark experience as befitting an adherent of the Way.

It stands to reason that via the participation (whether that participation be minimal or extreme in scope) within the path on any level is aiding in some way the Sinister Dialectic. With more experience, there comes a more effective operative for Sinister purposes. The Tempel ov Blood especially, via our targeted use of vampiric metamorphosis and increasingly harsh alchemical change processes, are offering the tools for rapid results. Our members do in a year what the mass of humanity only dream about accomplishing in a lifetime.

Step by step, the Sinister is taking hold on American soil. This agenda is being ruthlessly carried out by several different, independent organizations working alone but with the same goal (more or less) in mind - the bringing about of a new Dark Age, not in the sense of profusion of ignorance - far from it! Rather, an age in which darkness reigns supreme - when the weak, effeminate characteristics of a Magian infested civilization shall be immolated and turned to ash. In it's place shall be a civilization where proper perspective is part of the social and governmental equation (if indeed there are any 'human' governments left). In essence, the age will be a SATANIC AGE - an age concerned more about what truly is and bereft of the profusion of enervating illusions which haunt the minds and spirits of modern day America and Europe. In the coming DARK AGE - there shall be proper honor given to honorable violence. There shall be proper warrior codes, no longer shall weak and niggardly apes function in the infrastructure of society. It shall be the return of the beasts of prey - the day in which the emaciated corpse of Nosferatu rises from it's primeval catacombs - the day when plagues and rats run rampant throughout the Beverly Hills mansions once inhabited by the erroneous 'American elite' - a class of people who have long since perished, their radiation poisoned cadavers piled wily-nily on the 'highways' which are now infested by barbarians and astral beings of walking death.

Have you enjoyed your internal visions thus far in the reading of this article? We certainly hope so, because as has been scientifically proven: words and images in actuality effect biological change in the make-up of the human brain. Thus we, those adherents within the pristine halls of the immaculate Tempel ov Blood, are purposefully inserting certain subliminal 'key-words' and phrases inside of this article to intrude and disrupt the consciousness of you, the reader.

America is ripe for the coming of the cruel emperors and empresses 'Of The Blood'. Consciously or unconsciously, the American people wait with baited breath for the return of those who have no name from the gates far beyond the stars, where no human life can dwell. A popular colloquialism in the United States is: "The train is leaving the station, are you aboard?". Have you hopped aboard the train of coming darkness and Satan reigning triumphant? We certainly hope so, for if not, not even the annals of history shall mention the memory of your person - for such a memory will not exist in a world where much more pressing concerns are in the minds of all - such as basic survival, glory, horror and the aftermath of nuclear holocaust.

Already the American infrastructure is descending at a rapid pace towards the level of apes - in such an atmosphere in which decadence and enervation reigns supreme, in an atmosphere when the intelligentsia are regularly branded as 'terrorists' and mental midgets are glorified as societal role-models, this my friends (or enemies) is the atmosphere in which the dedicated cadres of ALIENIC INHUMANE CONQUERERS can enter in and, without 'a shot being fired', gain total control of all that is, all that was and all that shall be.

Victory through infiltration. Victory through infiltration. Have we gotten your attention yet? I certainly hope so. America and Americans are without a doubt, the most arrogant people on the face of the planet. Europe endures plagues, famine, revolutions and wars and because of such, possess a certain sort of sadness and resignation to fate because of such. America breeds plagues within our laboratories, executes trade embargos, executes CIA 'black projects' to train natives to foment revolutions in foreign countries and start wars for fun and profit. America indeed, is a different sort of land. Already because of America's happy rebelliousness and moral absence the country and it's ethos has been branded as "sin city" and "Mystery Babylon" respectively.

Shall we count the ways in which America is ripe for a total psychic pogrom? Shall we contemplate the many reasons why it is inevitable that the astrals of the mass of this nasty nation's inhabitants shall be forcibly 'excommunicated' or 'vacated with extreme prejudice' by nine-fold thirteen-fold astral clans of uncool, uncaring, undead who shall then proceed to 'reanimate' the flesh thereof?

I for one shall not be the individual to spell these consequences out to your person, for I have already intimated at what is inevitably to come and you yourself can consider and meditate in darkness upon that which has been spoken in this communication.

And this is the message to the adherents of the Sinister Path inhabiting the United States of America: Study carefully the history of 'evil' in your own country, experience the highs and the lows of 'American experience' and gain insight according to the precepts of Satanic/vampiric metamorphosis as promulgated by Tempel ov Blood.

Control over man is all.

Control is yours to take.

Control is won by lying, intimidating....

Control....Control....Control.

Darkness: A Confirming Necromancy

Obtain a cylinder shaped package of strong tobacco snuff. A brand such as 'COPENHAGEN' would be recommended, as it is strong with a pungent odor and comes in a black plastic case. Do not use metal as it will block energy. Remove the labels from the package and inscribe the 'Diabolus' chant along the circumference of the side of the case. On the lid either inscribe or

attach the symbol of NOCTULIUS or ATAZOTH. Or, leave bare (a pure black surface). Tobacco is a form of nicotania and is actually a poison - known in older times by the name "nightshade". Remove some of the tobacco and add several drops of your own blood and (if possible) a pinch of goofer dust (dirt from a gravesite). Before the rite put a quantity of this charged ethneogen in your mouth - allowing the mixture to seep into your bloodstream. Take the filled sigil and stroke it over your head, your hair and ears. Move it up and down your cheeks and chin. As you do this, open yourself to the sinister energies the tincture is radiating out to you. Visualize the black expanse of space and the void and fell the alien forces of Them filling your physical vessel. Close your eyes and brush their lids lightly with the sigil. Say these words:

'I see darkness!'

Move the sigil lower. Smell it's dark scent. Drink in it's aroma. Let it fill you. Intone:

'I breathe darkness!'

Open your eyes. Move the sigil away from your head and hold it aloft. Proclaim:

'I hold darkness!'

Lower the sigil to your heart. Stroke it up and down, soothing it, letting it's energies melt into yours. Say:

'I feel darkness!'

Move it down your stomach. Press it gently against your skin or clothing. Say:
'I nourish darkness!'

Hold the sigil before you, gaze into it's blackness treating it as a mirror of sinister power. See the reflection of yourself as Satan.

Intone:

'Darkness is before me.
Darkness is behind me.
Darkness is beside me.
Darkness is above me.
Darkness is below me.
Darkness is within me.
Darkness flows from me.
Darkness comes to me.
I am Darkness!'

Place the sigil where you will see it often or carry it on your person in the weeks following this rite.
On the night of the New Moon, bury it in the earth and sibilate towards the ethers:

'Aperitur stella et germinet Noctulius!'

Solvet Saeclum In Favilla

You lay down upon a shiny black leather couch. All around you is the atmosphere that you have created within the vast Victorian home that you use as the nerve-center of the Satanic Temple that you formed many, many years ago. The house was bought with money obtained via one of your international banking deals - selling several overseas businesses to an Arab developer who paid you handsomely. He paid so well, as a matter of fact, that you have for the last half-decade been living off the profits and been able to focus exclusively on workings of Aeonic Magick and personally training the next generation of Tempel adepts along with the help of Greta, your Satanic Mistress whom you encountered for the first time years ago while on a business trip in the mountains of Switzerland. Of course, all of these things: the Mistress, the business empire and it's consequent affluence came after many years of hardship and toil, and not of the sort which would be first thought in the minds of many who see the kind of person that you are now. You spent five years imprisoned after a large sedition conspiracy that the revolutionary group you were part of turned bad, and the government intervened. The best part of those five years were spent in isolation, in solitary confinement. The other parts were spent undergoing what they (the prison system) referred to as "diesel therapy" - traveling for weeks across the country in buses owned by the correctional dept., shackled and equipped with an electronic device attached to the manacles that would issue a high voltage shock at the press of a button from one of the guards.

Before your prison term and before you began to get involved with the revolutionary group which referred to themselves as "Black August", you had been a hermit: living alone deep within the Appalachian mountains of North Carolina. While living that life (which you did, for many many years) you composed several symphonies which have since been used and sold, via a fake name, to a movie company. Little did the company know (which went on to use the score on rather popular pictures) that within the music itself was sorcery, notes and movements tailor-created to effect subtle change in the psyche and spirits of the listeners. In one large metropolitan city, the murder rates in the inner city spiked forty percent during the three weeks after the opening night of the film. Few, very few indeed realized the connection at all.

Memories are now piled upon memories, and insights upon insights. As you lay upon the couch you look around you: the rich mahogany shelves lined with tomes of British bound books, bound in the finest leather and inscribed upon crisp, vellum pages. Lamps and chairs from the most reputable shops...In the corner, sitting upon a lectern the color of onyx, is an object bundled in black silk. A hint of sadness moves across your face for you know that within that black silk lies a crystal tetrahedron. The same crystal tetrahedron that was bought for you by a Satanic Mistress of decades past who, after summoning Budsturga high upon the snow-capped peaks of Colorado, became possesses and jumped from a cliff into the chasm below. You had somewhat snapped out of your own grim Acasual preoccupations only in time to go and peer over the cliff and see her body impaled gruesomely upon a bare limb of aspen - her head and naked body having been broken and bloodied upon the chaotic rock formations that are only found in the mountains outside of Denver.

As you look closely you begin to notice a faint glimmer of purplish light emanating from the silk-encased bundle. The scent within the room in which you are now lying begins to smell with the sweetness of petrichor and with a faint hint of sulphur. Far in the distance, you begin to hear the somber chanting of the Adepts deep in the woods on the border of your estate as they go about their night's work. A certain group of White Lodge Magians have been causing problems for one of the key covert members of the Tempel and the Adepts were now issuing forth from

their cells beneath the mansion to enter into that secret place in the woods where the rituals of the Tempel were enacted.

As the chanting in the forest grows fainter and the sweet smell begins to increase, you begin to feel apprehensive and sense a certain kind of foreboding - like that felt by a slave before their punishment or a sweet young virgin as the evening approaches upon her wedding to a cruel, calculating member of Royalty. Slowly a form begins to materialize above you - it is female, and her form and expressions ooze a sensuality of the blackest and most sinister sort.

Like the rapid fire of a weapon, images begin to be forced into your mind, picture-shows intruding upon the casual which is slowly eroding as the power of the Dark Gods grow stronger premeditating the soon breaking of the Gates. Upon a dark English moors you see a blonde female figure grimly seated upon a rock...in her left hand she holds the severed head of a man. The blood from the large gaping wound which compromises the area where his neck used to be drips a congealed stream of blood onto the black, muddy grounds which forms rivulets in the dirt and flows into the ditch behind the figure.

Suddenly you hear a scream issuing forth from the forest. Later you come to find out that one of the Adepts was the victim of what appeared to be a freak accident - an unseen force seeming to suddenly push him into the large bonfire in the depths of the forest.

As the Adepts begin to pull the charred corpse of their former brother out from the dying embers of the bonfire in the forest, far to the north, a different scenario entirely is taking place...

On a deserted strip of country highway in southern Vermont, Greta, the Satanic Mistress, shifts her sleek automobile into overdrive as the ending strains of Christos Beest's "Self-Immolation Rite" begins to fade out on her top of the art car stereo system. "Go forth Dark Messiah - the world is yours, destroy and create!" proclaims Beest, accompanied by a synthesized cacophony of sound that is ingrained with the spirit of the Galactic Aeon.

Greta smiles to herself and brushes away a bit of deep red hair that had fallen across her right eye. Her trip had been a success. She had been visiting one of her lovers, who also doubled as an intelligence agent for the Sinister Path who had successfully infiltrated a sector of the Magian cult which was currently operating out of a serene farm amidst the sprawling Vermont forests.

Her lover, Sarah, led several different lives at once. Or, to explicate more correctly, she had progressed sufficiently in personal and magickal aspects to be able to move with fluidity between several different arenas of operation in which she worked, tirelessly, for the cause of expanding and enacting the Sinister Dialectic.

Sarah's current job (amongst others) was that of a dominatrix in a seedy semi-metropolitan New England town. Her establishment, which was owned by the Tempel, was called "The Convent" and inhabited a simple, multi-sectioned one story home with a basement on the outskirts of town. Very few of the town residents knew what was housed in that unimposing dark oak structure. The sign which identified it as "The Convent" was a smallish, wooden engraved board which hung unobtrusively near the ironwork gate bordering the road. Once one came into the establishment itself, many wonders of the erotic could be viewed and enacted, usually for a fee of some sort. The Convent was by and large patronized by the upper-crust elite and was known, in certain circles, worldwide. The patrons came from a diverse population, but all of them were usually either rich, and if not, they were sufficiently decadent to pay the fee required of

them to gain entrance to the Convent and all it's marvelous and sadistic secrets. Sometimes, only at Greta's approval, monetary fees were waived for individuals who were earmarked as being particularly possessing of a certain kind of potential. They were divided into two categories: one being individuals who showed potentials to possibly become privy to the Sinister doctrines of the Tempel ov Blood, the others being individuals who, for one reason or another, seemed to be of correct 'calibre' to be bestowed the honor of becoming an opfer for the glory of Our Price, Satan.

At one o'clock promptly in the afternoon, Greta had descended upon the Convent to make good a date for a meeting with Sarah that she had scheduled concerning a possible security leak within the infrastructure of the mansion temple. Sarah herself had forewarned Greta that in the last convocations of Magians that she had attended (under the disguise of one Henrietta Walpole, a school-marmish and rigid Methodist from Bedford, Massachusetts) information had come out about a certain 'operative' being involved in an investigation of the Tempel ov Blood.

Greta came to the door, immaculately dressed in a rich, gleaming leather trench-coat over a skin-tight polyurethane bodysuit. The stiletto points of her custom-made Gestapo-style boots clicked up the cobbled walkway as she approached the entrance to the Convent and rang the doorbell.

Even through the thick oak door between her and the sanctum of the Convent, Greta could hear an ominous and deep reverberation drone that came as a result of her pressing the shiny, gilded silver button just below the mail slot. It sounded more like a Far-Eastern ceremonial gong than a doorbell. Greta suppressed a smile, and looked stolidly forward awaiting the door to be opened.

Greta heard activity near the doorway and then it slid open, the warm air of a central heating system spilling out into the chilly afternoon and the sweet scent of cinnamon wafting onto the winter breeze.

Before her stood a young girl who was aged nineteen, if even that. Two short plaited ebony braids hung on either side of her head, resting upon narrow, petite shoulders. "Welcome to the Convent, Mistress Greta" the young girl spoke, looking humbly down at the tips of her clunky brown Oxfords.

Greta crossed her arms across her ample breasts and her eyes narrowed dangerously. "Well, don't just stand there letting in the cold!". Greta took the youngster by her small shoulders and spun her around, marching her forward with her own person following precariously close behind.

The girl marched forward obediently and Greta closed the door behind her as she herself entered, automatically turning a heavy industrial-sized deadbolt as she did so. The inside of the Convent hallway was just as she had remembered it. It had been more than several months since her last visit in person, although she regularly descended her astral to this place during the secret Satanic rites which were performed in a ritual chamber deep in the basement, closed off and hidden from the rest of the basement interior which was used for various 'dungeon purposes'...

The hallway was pleasantly lit, bright enough to read a book but not bright enough to mistake this place as a hospital or some other kind of lesser physical center. The glow from the expensive French overhead lights cast a comforting gleam, which made one's mind drift to visions of the homely houses of the Welsh countryside. The light gleamed with sinister tint upon the finely polished reddish-wood walls.

The girl who had opened the door, stood with her back to the wall ten feet or so from the entrance. Greta approached and began to appraise her carefully. There was no one else present in this hallway and adjoining lobby, and no other sound could be heard from the inside rooms as the Convent was carefully sound-proofed room by room.

The girl with the ebony braids was small and petite, she looked to be perhaps eighteen or nineteen in mortal years and stood no more than five foot two inches tall. She had thin, cruel lips, slightly red but even still they stood in sharp contrast to her pale skin which was beginning to blush under Greta's careful gaze.

"Cast your eyes upon me, young lady" Greta stated with undeniable force but still in a kind tone. The younger girl complied, and looked up into Greta's eyes with large, sky blue eyes of her own - which were muscled into a look of childish timidity.

Greta moved in on the girl and stood less than an inch away, her leather and rubber encased breasts just a few centimeters away from the young girl's face. With one leather-gloved hand, Greta reached out and touched the girl's lower thigh and began to slowly run her hand upward and up underneath the hem of the girl's very short dark brown pleated school-girl's skirt. As Greta's gloved hand continued upward and grasped the flesh of the young girl's bottom, she squeezed and the young girl let out a surprised cry.

"Tell me your name girl" said Greta, still grasping the girl's bottom, inadvertently raising the right side of the girl's skirt revealing soft white thighs and knickers the same color of the schoolgirl uniform, which showed nicely the curve of the girl's youthful pudenda.

"Mary, my name is Mary Mistre...."

Mary's dialogue was cut off as Greta's other hand which had been hitherto unoccupied whipped up and smacked Mary on the side of the mouth. "Simple answers, for simple creatures such as you my dear" the Satanic Mistress intoned, bending over and planting a soft, lingering kiss upon Mary's forehead as her right hand continued to massage Mary's buttock and her left hand pushed tightly upon Mary's shoulder, pinning her against the wall.

Greta abruptly stepped away, looking with a gaze that well elucidated her previous military training, towards the narrow passageway that led into the inner part of the lobby, "Come with me" Greta intoned and began walking briskly towards the lobby area.

The lobby was equipped with several large comfortable leather chairs and couches and pocked with low dark coffee tables upon which sat several crystal decanters of whiskey and a few large, brown-glass ashtrays.

Greta grasped one of the decanters and without bothering to pour herself a glass in the proper manner, simply pops off the top and takes a goodly slug, licking her lips as she re-lids the container and sets it carefully back upon the table.

Greta turns towards Mary. "Now listen to me, sweet little Mary..." Mary shudders slightly as those words come out. "I am getting ready to attend a business meeting, in fact, I am about to attend a meeting regarding something which you yourself have been wishing access to for many months now..."

"The Tempel" responds Mary.

"That's right Mary, the Tempel! Yet, we must not speak about the Tempel to anyone else and we must seldom mention it in this place especially at certain times, what is the key to respecting the ways of the Tempel Mary?"

"We must keep them - sub rosa" Mary states, with some small satisfaction.

"That's right!' Greta exclaims with an enthusiasm which would seem startling in it's happy inflection compared to her earlier mistress-role intonations to Mary. "We must keep all of these things, strictly and without question, sub rosa...."

Mary gazes downward again seeming to study the tips of her brown Oxfords. Upon her face is a pleasant, pleased gaze of one who has managed to answer correctly even under pressure of certain...chastisements if you will, that Greta was oft imposing upon her.

Greta steps closer and pats one gloved hand lovingly upon Mary's head. "You've been a very good girl Mary, a very good girl indeed..." Mary blushes deeply as Greta continues. "Now Mary, what can I do to reward you for your very high and glowing intelligence?". Mary's face now resembles the color of a radish.

"Could I have a copy of... the Elizabeth Bathory book?"

Greta stands, appraising Mary with some pleasure.

"Mary, I tell you what, you wait for me - in the gym, and I will see what I can do. But for now dear girl, I must be pressing on, I do have a meeting to attend as you will know."

"Yes Mistress, certainly" says Mary as she shuffles with clumsy speed towards the door which leads into the inner complex of Convent hallways to open it for Greta.

Greta moves past her wordlessly and into the inner hall, listening to the audible click of the door closing behind her. Greta pauses, and as a second thought, turns and clicks a lock shut behind her before continuing her journey towards Sarah's inevitable whereabouts.

She walks silently through the hall, the only sound to be heard is the click of her own stiletto heels as they hit the hardwood floor. They really must get some carpeting put into this place, thinks Greta.

Every few feet on both sides of her, is another new door. The doors are unobtrusive and covert, except for the small black and silver-gilded signs which are mounted near the top which identifies them.

She passes a door which says "The Schoolroom". Greta grins. Many fond memories in that inner sanctum to be sure. She reads them off to herself mentally as she passes them, remembering exactly which is which and where along the hall they are situated. Greta is no stranger to the Convent.

"The Stable", "Far East", "English Study", "The Bedroom", "British Kitchen".... No, and again no, simply seeing the titles of the rooms gives few clues at all to the variegated sadism which takes place within each and every one of them.

Greta nears the end of the main hallway, which sections off into a t-shaped junction which proceeds either way to the left or right. Greta goes right, and marches down another deserted hallway, this one more dimly lit than the one which she had just traversed.

As she proceeds further down the hallway, a feeling of growing ominous darkness begins to grip her. It is startling for Greta, as it is quite unexpected, yet at the same time not. She feels her chest constrict and images begin pouring in her mind from some hidden and demonic angle housed within the astral infrastructure of the Convent. She sees in her mind's eye a young man, a Satanist, speeding down a dark country road in Vermont. He is fleeting from something. Greta shifts her astral vision, and sees that this Satanist is near the Magian farm and behind his motorcycle are several white sport utility vehicles, gaining ever closer to the back of the motorcycle.

A dark tinted window on one of the suv's descends and from the opening sticks the muzzle, equipped with a deadly flash suppressor, of a fully automatic MAC-10 machine pistol. There is a rapid blaze of dim light and suddenly the motorcycle rides forward without a rider, teetering viciously and then crashing altogether, hitting a hardwood tree, it's body mangled but it's engine continuing to run.

The white suv's screech to a halt at various angles and from their doors jump several men and women. The men and women both have pensive, roden-like eyes and their bodies are paunchy and soft, bred and raised on a life of, no doubt, posh metropolitan luxury in New York City or Jerusalem or Boston. One of the women run towards a red splatter on the ground. The other figures move in as well.

There, against the edge of the ditch, lies a figure in a motorcycle suit. The suit has been ripped and torn from the barrage of automatic machine gun fire and blood issues forth from gaping wounds like a flood torrent. One of the women reaches down and with some difficulty manages to pull the helmet off the motorcycle's previous rider.

The vision abruptly vanishes and Greta remembers the words spoken to her long ago: never love anything so much that you cannot see it die. The thought fills her mind with a certain kind of loneliness and sadness, and as she looks around the hallway of the Convent she knows that this too, shall pass. Thousands of years form now, the area upon which she now traverses in her workings as a Satanic Mistress of the Tempel may be nought but charred landscape; full of radiation and frozen grins of death as a result of a large nuclear war.

She has now reached the end of the hallway and before her lies a door which is only marked with the roman numeral for the number nine. She knocks twice, in close succession, and then hears movement on the other side.

A small grate opens, revealing a thick wire mesh through which spoken word may be heard but no vision of the person inside given. A male voice speaks: "Satan...." Greta responds: "Whose word is chaos...". The voice speaks again: "His is the kingdom...". Greta responds: "for aeons... and aeons...".

The grate abruptly snaps closed, and through the thick wood of the door Greta begins to hear deadbolts being thrown back and chains and other locks being loosened from the door. The door swings inward and before her stands a large, muscular figure with a full auburn beard that flows down almost to the figure's waist.

"Mistress Greta!" the voice intones happily, as the man waves his hand and steps aside for Greta to enter. "Thank you very much Ranulf, and how is everything going for you as of recently?"

"Lovely Mistress, simply lovely...Care for a cup of tea? A cup of coffee? A cup of something stronger perhaps?" The figure of Ranulf grins through his thick beard.

Greta reaches up and seductively massages one of Ranulf's massive shoulders... "No time dear sir, no time...." she speaks as she lingers on his shoulder for a second more before withdrawing. "I, as a matter of fact, had a nice sip of whiskey in the foyer while talking to your little pet Mary!". Greta chuckles.

"My little pet you say? Nay, I must deny that accusation my dear Mistress! She is but a young eighteen, and I of course, am advanced in years...For even this year, I reach the venerable old age of forty-five..."

"Oh pish-posh Ranulf", Greta shakes her head in amusement. "I myself know from a bit of, how should we term it, remote viewing? That just a few days ago, you yourself took dear little Mary quite viciously indeed after you birched her within an inch of her pitiful life, then proceeding to manacle her to a beer barrel and bugger once, twice, or was it?"

Ranulf clears his throat. "Now then, that's quite enough about that!". He laughs heartily with good nature, and not a little pleasure over his sudden remembrance of amorous (is that the proper term really?) encounters with young Mary Collins. "I'll be leading you down into the ritual chamber, per Sarah's express request, of course..."

"Of course" says Greta, still grinning.

Greta steps forward and Ranulf comes up behind her, removing the trenchcoat from Greta's body and hanging it upon a rough wooden peg just inside the door.

Greta's body is sensual and immaculate in it's skin-tight sheath of black, gleaming polyurethane rubber. Every movement produces a shimmer and reflection of the dim lights of the sanctum, and Ranulf looks lustingly over her ample breasts, long Swiss mountain-climbing legs and muscular buttocks.

Ranulf expertly reaches into a closet just s few steps away from the coat rack, removing a bundle of soft yet coarse fabric of the blackest hue, handing it to Greta's outstretched and waiting hands.

Greta pulls the robe over her body and lets it settle comfortably upon her lithe frame. It is completely black, excepting a dark grey sigil embroidered upon the left breast which is the sigil of the Tempel ov Blood accompanied by the word "NIGHTMARE" which is prominent in red, written in archaic old english script.

Ranulf and Greta proceed wordlessly to a trap door, and descend the hidden staircase which leads deep into the basement and the secret basement underneath the conventional basement which houses the ritual chamber and rooms used for only the most royal of Convent customers.

Ranulf accompanies her down the stairs and part way into one of the dank, musty tunnels of the sub-basement and then retreats down a separate, barely visible passageway to his left.

Greta continues and steps into the ritual chamber, where Sarah and perhaps some others as well await her.

She steps into the dim purplish glow of the chamber. The chamber is shaped like an octagon, bereft of any furniture whatsoever except a lectern in the middle of the room upon which sits a tetrahedron, smaller than the one the Tempel houses at the mansion, but still filled with a goodly amount of Sinister power, infused by and by via the Satanic workings of the Convent inner circle, who are referred to as "NIGHTMARE" - the christened name of their clutch of the Tempel ov Blood.

Sitting against the wall in the corner is Sarah, a intense and brooding female figure with a shaved head and a beautiful body, fully revealed as she is clothed in nothing but the sparse leather-thong regalia of a 'Satan's slave' outfit; her breasts are fully exposed and menstrual blood seeps from the tight constriction of her tight leather panties, which is but a thong in the back as to fully expose a beautifully rounded and pert derriere.

Laying in her lap is the quivering body of what appears to be a man, yet the proportions of the figure are so inhuman that Greta wonders exactly what he is.

He is pale, so pale in fact that his skin has taken on a bluish tinge. Thick veins are visible all over his body, and the skin around his face and eyes have become near translucent. He is emaciated almost to the degree of a concentration camp victim, all of his ribs glaringly visible and his hipbones jutting painfully out above his pencil thin legs.

The flesh of his chest, right above the heart, has been engraved with the fine edge of a razor blade with the sigil of the Tempel. The figure's eyes roll back in his head and from his mouth issue the words of the "Dies Irae" chant in quickening and harsh whispers.

"Hello, Greta."

Sarah speaks with what seems to be an infinite sadness, which is only magnified by her surprisingly throaty, baritone voice. Such is the result of partly genetics, partly unending cigarette and moonshine binges and partly due to Sarah having been a coal miner for years and years deep within the backwoods hills of lower Kentucky.

Greta removes her gloves carefully, attaching them to a latch on her thick leather belt which encircles her wasp-thin waist. She raises her left hand, making the sign of the horns.,,

"Agios O Vindex Est Venturus!"

"Praise be to our dark prince Satan!" Sarah intones deeply in response. Her working-girl's hands cradle the emaciated figure resting in her lap and rub against the still-wet wound of the Tempel sigil which had been carved into his chest.

Greta smiles and stares down at Sarah and the man, who she now recognizes to be an opfer. With piercing eyes she analyzes the man's wound in the darkness...ahhh...the cut is fresh! Greta squats down onto the cold stone floor of the temple and crawls on her hands and knees, in animal fashion, towards where Sarah and her fortunate victim are resting.

Sarah bends her shaven head, softly whispering sweet words of deceit into the ears of the opfer. He looks up expectantly, ceasing his chanting, then closes his eyes slowly and drifts off into a sorcery-induced stupor.

Without looking up towards Greta, Sarah begins to speak... “So before you, dear Mistress, lies the weak link in the chain of Magian information. I kidnapped this fellow, named Robert Samuel, only three weeks ago. As you can see, the three weeks have not been easy on him...” As a flourish to her statement, Sarah lifts up Samuel’s filthy loincloth. Greta can see instantly that the poor soul had been castrated, no doubt with Sarah’s own ceremonial razor, and that the wound was festering - becoming dark and gangrenous.

"It took some time before he was willing to talk..." Sarah continues. "First we tried it the nice way, that is to say, he was offered various gifts - a period of enjoying my own body not the least of the pleasures with great respect he was offered... "However, his insidious Nazarene brainwashing held, he continued hurling phrases like "whore of Babylon" at me which he somehow felt would be vexing to my person, of course, they were only compliments after all..."

Sarah trails off, looking up at Greta and smiling. Greta smiles back in kind. When she first met Sarah, when Sarah was coal mining deep in the Kentucky hills, such educated language would have never been heard emanating from her mouth. Now, Sarah spoke with the fluency and authority of a baroness - and she was, after all, one of the most sought after dominatrixes in all of New England - and an External Adept to boot.

"To make a long story short Mistress Greta, both myself and Ranulf and a few other members of Nightmare were forced to take more, how should I say, more severe measures which were of course absolutely necessary to enact. Soon after his castration and at the beginning of his first or second electrocution, he began to talk quite quickly about who exactly was the informant inside of the mansion Tempel..."

Greta stares into Sarah's eyes intently - instantly receiving the knowledge of the traitor via telepathic communication.

"Let our work begin then, Sarah" Greta intones.

Sarah stands, letting the limb body of the opfer drop painfully onto the cold stone floor.

Greta suddenly leaps unto the emaciated figure, obscuring the skeletal figure in her black Nightmare cloak. Her head descends with a snap and she buries her teeth, which have been filed into very sharp points, into the neck of the figure. Blood spurts in great crimson floods, flowing into Greta's mouth and spilling onto the neckline of her polyurethane suit.

At that very moment, the knowledge which she had sought in her intelligence mission is solidified with great clarity in her mind even as the blood continues to gush into her mouth, much of it now spilling onto the floor and forming a blackish-crimson pool which sends gory rivulets trickling off towards the lectern in the center of the room.

The tetrahedron upon the lectern begins to pulse with increasingly dark and sinister lights of purple and black. Sarah now leaps about the room, uttering hoarse cries of exaltation to Noctulius, the patron of her temple.

Greta breaks away from the opfer, rising in a jerky, ghastly fashion to her feet, standing now at her full and regal height. Her eyes stare forward, dead and void of any and all mercy that could have once been seen upon them. Caustic gurgling noises issue forth from the gaping wound in the neck of the opfer as his breathing continues to become slower and more labored.

Greta's mouth and neck are covered in opfer blood, glistening with luster in the faded glow of the tetrahedron's power. She speaks...

"I have been satiated, for now, by the blood of this mortal. Great visions have I seen Sarah, of the Final Harvest which shall soon envelope this pitiful land. That great Final Harvest, that Day of Wrath when our Prince, Satan, the Master of Awe and Derision shall come forth from the outer gates and change all that we see now into ash.

Call the dwarves to medicate this opfer and keep him alive until the twilight hour. He will be kept alive until the first chanting of the Sanctus Satanas begins by the Nightmare chorus, and then he shall be left alone, in the temple. He will die at the appointed time, I have ingrained him with a time-release death which shall enact very soon.

Until then, let us go into your chambers Sarah, we have much to talk about..."

Sarah smiles, ear to ear, laughing like a demon from the very pits of hell and then turns, Greta following close behind her.

QUESTION AND ANSWER: What is the method of 'time-release death' that Mistress Greta speaks of during the story? Who is the informant for the Magians at the Sinister temple housed at the mansion? What role was he playing as an informant and how did he die? What was the outward cause of his death and what technique did Greta employ to enact such?

What is the 'Elizabeth Bathory book' that Mary Collins requested from Mistress Greta? Can you explain why the torture of Samuel's was beneficial for both Nightmare and the intelligence mission of Sarah and Greta?

Answer these questions and write down your answer before continuing. After you have finished writing down your answers, perform the meditation below and then continue reading.

Ritual 333/88/333

Seat yourself in a dark room where there is a mirror. Stare absently into the mirror, imagining dark astral filaments from beyond the outer gates intruding into the casual via the mirror and entering into your body. As these filaments begin to enter you, intruding upon your psyche and possessing your body, chant the "Sanctus Satanas":

'SANCTUS SATANAS SANCTUS, DOMINUS DIABOLUS SABAOTH! SATANAS - VENIRE! SATANAS - VENIRE! AVE SATANAS, AVE SATANAS! TUI SUNT CAELI, TUA EST TERRA - AVE SATANAS!'

At the very moment that the dwarves at the Convent withdrew their life support from Samuel, hundreds of miles away at the mansion a dark nebulous shape pushed one of the Adepts into the fire deep in the woods beside the mansion which the Master and his Satanic Mistress, Greta, dwelled and operated their Satanic temple.

The Adept which died, and was now but black charred remains, was an undercover intelligence agent for the White Lodge which had been targeting the mansion from their operative base in the woods of Vermont, at the place known to the Wiccans and Christians as simply "the farm". As the genuine Adepts pulled the charred body from the dying embers of the fire, they saw embedded into the black burnt chest a glimmering of silver.

Upon closer study they became aware that the silver was the melted remnants of a crucifix symbol used by the White Lodge. The Master was informed, disturbed earlier by the scream which reverberated across the estate as the traitor was flung into the fire by unseen astral hands.

The ashes were ground with mortor and pestel by a rotating group of temple members who silently mouthed the words of the "Death Rite" as they ground the Magian's remains into a fine, black powder. The Master stood over them, his initiate's ring pointed towards the Adepts as they worked - infusing the rite with Sinister power gleaned from years of toil upon the dark and dangerous road of the Seven-Fold Sinister Path.

Several weeks later, at 'the farm' in Vermont, a little girl of seven years of age went out early in the morning to begin the daily chores of milking the cows and bringing in the chicken eggs to the commune cook before breakfast preparations began. Soon after she left the door, she began to giggle frantically. It was snowing!

Thousands upon thousands of black specks descended upon the farm in a blizzard-like torrent. As they began touching down on the ground the little girl began to cough. The snow was not cold, as a matter of fact, the snow was black as coal, and left dusty stains upon her coat and stung her nostrils and lungs.

She did not return from the door which she left, but instead ran into the converted barn that served as a sanctuary and meditation room for elders of the cult.

She burst through the door with a start, setting off the string of chimes like an alarm which hung upon the large, wooden framed entrance.

"Father Wolf! Father Wolf! Come quick! It's snowing! It's snowing!"

The elderly jew looked up from his meditation, smiling with a mixture of admiration and annoyance - the little girl was cute, and her blood would be quite suitable to put into the batch of motzah balls he would prepare at the end of the year, but she did disturb his meditation after all.

"Now Cindy...whatever is this fuss about! Of course it may be snowing, it is winter in Vermont after all!". It was only fall, but the old jew felt like he had ample reason to take some creative license with his statements to children such as these..

"Father Wolf, the snow is black!"

A dark shadow passed over the old jew's face. He rose painfully and brushed past the girl onto the lawn outside of the sanctuary. Now, all of the ground and the buildings were covered in a thick black soot.

"Ashes....Ashes...."

DARK NIGHT OF THE SOUL

"Code Red, Code Red! We have a perimeter breach in sector four. Stephens. I repeat, code red!" The voice with the midwestern accent boomed with an inhuman, electric lilt over the loudspeakers. Odd alarm bells sounded and red strobes began flashing throughout the lifeless, clinical white hallways. Burly men in white coats darted to and fro, shining flashlights down corridors, inside locked cell windows and elsewhere.

Stephens sat, undiscovered in a dark, unlit corner of a janitor's closet in abandoned sector Five. He could not remember how long he had been imprisoned inside Selven Institute. Had it been weeks? Months? Years? He did not know. He didn't even remember how, when or why he had ended up at Selven. He knew the name only because it emblazoned the side wall of the exercise yard he was permitted to use once a day, along with his fellow patients. The others who shared his plight in this place were of no help to him in providing relevant information. He has asked other patients in what town and province they were located, but his queries were met only with blank stares. The staff were hostile - they consisted of grotesque, barbaric quadroon with Islander accents and gibbering, greasy shylocks; the former being the orderlies and the latter

being the hack “doctors” and “counselors”. The orderlies were not worthy of directing discourse towards - they spent their time alternately abusing the female invalids or making cacophonous racket with their uncivilized, pernicious accents and their vulgar, niggardly ways.

When he attempted to parley with the jewish doctors for information regarding his whereabouts or situation, they smiled placidly and informed him in a condescending manner that “Such is not part of your treatment plan” before ringing the buzzer which brought in the two ape orderlies who would brusquely usher him out of the office. His memory only consisted of brief snippets of persons and events, even these were garbled, and seemingly unconnected. The mind-numbing monotony of the place coupled with the involuntary injections of experimental chemical tinctures which were administered to him each morning did not aid his task of realistically determining his situation. The memories he did have were of a dream-like quality, contrast as they were with the “total reality” of the institution . He remembered a girl standing upon a narrow walking bridge deep in a hardwood forest. The girl laughed as she poured ashes into the autumn air, watching them float downward and dissolve in the churning stream waters beneath. Cloistered in dark trees to the left, beyond the bridge, a robed figure chanted in droning intonations as the female continued to whimsically perform her mysterious task. Another time he remembered crossing the border into the United States, driving up along the Michigan thumb and then west towards Saginaw. He remembered the drive vividly: he had been alone, accompanied only by the sounds of Eckart’s concerto in B minor issuing forth from his car stereo and the dark expanses of Lake Huron which beckoned to him from out the passenger side window. He remember arriving in the city of Saginaw at night and meeting two grim, sinister men in an abandoned parking lot from which could be seen a silo in the distance. After leaving his car and entering the men’s vehicle they set off on a lengthy drive. The driver circled aimlessly around city blocks and sometimes took a ramp on the freeway, only to be back at a spot which they had already been to a half-hour before. The last hour of the journey he rode blindfolded, crouched in fetal position on the backseat before being stood erect and led out of the car, up a flight of steps and into a building. Once inside, the blindfold was removed. Before him sat three figures seated around a circular, kitchenette-style table. Behind them was a large bay window, from which the soft glow of pre-sunrise emanated. He had been riding around with the men for near an entire night. The man seated upon the right side of the table wore a thick beard and wore the clothes of an outlaw biker. He looked to be in his early thirties, though there were streaks of white in his hair and dark circles under his eyes. Despite his ruffian vestments, the clothes and look seemed to be affected - almost like a disguise.

In the centre sat a man of charisma - younger than the other fellow, but probably not by much. His vestments were soot black, and a silver necklace bearing a disturbing amulet rested upon his chest. Although the man was by all means well-dressed and of an affluent appearance, there was something harrowing about his aura. Stephens remembered that, during the colloquy that followed, he was never able to look into the face of the black clad figure for more than a few seconds at a time.

To the left was a seated female. For all practical purposes she appeared to be morally wholesome and, furthermore, quite attractive. Yet, there was a strange, abnormal emaciation to her - her eyes seemed to dart to and fro, exuding a deranged dominance and a masochism towards vague, nameless forces simultaneously. Upon her lap sat a grey cat, which purred contentedly as the female absently stroked the creature’s fur.

He recalled that there had been little verbal discussion then, as the sun slowly rose in the east. The woman hummed strange tunes and the bearded chap sat as if entranced, smoking countless numbers of cigarettes.

The black clad figure in the centre sat, simply gazing forwards incessantly. Stephen's stared down at his humble shoes - better that than submitting himself to looking towards the person, who he now knew must be the Master.

They occupied that schedule for many hours, long after the sun had rose and began it's noonward course. The bearded chap smoked in silence. The female hummed. The cat purred. The Master stared. Stephens was never offered to sit and join them and, he was not inclined to start any sort of conversation given the menacing, eldritch currents which he perceived to be emanating from the triumvirate.

All at once, the cat jumped from the woman's lap and rubbed against Stephens' leg mewing thrice as it was. The two men left the table and exited quickly. After the feline scampered after them, the woman ceased her humming; turning towards Stephens and beckoning him towards her. As he walked closer she rose; beginning to run her hands across his back and kissing him passionately. She led him towards the living room and then flung him upon the ground. She stripped off her rather old-fashioned clothes and then attacked: ripping off his trousers and then entering onto him, straddled. She began bucking ruthlessly, molesting him, hissing and uttering oaths as her fists pummeled his chest and her cleft brought him closer and closer to climax.

Near the end of the amorous adventure, the woman began shouting the word "AZANIGIN" at the top of her lungs, over and over again. She stared down Stephens with wild eyes, the uncontrollable mood of the berserker. After that, his memory started to blur. He remembered the men returning and bringing him take-out food, treating him as if he was a dear friend they had known for many years. He recalled seeing the bearded fellow slice open his own chest, letting the blood drip into a pewter mug. Stephens remembers being forced to drink that blood, and after that only chaos and calamity followed…..

After he returned to Canada, alone by way of Port Huron a constant dread filled his days and nights. Physical sickness broke his health and contorted his features. He worked for days on end, towards goals so terrible he desired not to recall them. Whenever nervousness would overtake him and start to bring about fatigue and total mental and physical collapse, the image of the woman and her songs would visit him at night - reassuring him. After such nocturnal episodes he would approach his tasks with renewed vigor, knowing that his deeds would be pleasing to the Mistress.

His last memories before Selven were chaotic - the feel of the concussion of high explosives, a red, harvest moon, a military installment deep in the northern territories, the sigil of Azanigin drawn in blood….

And now he crouched in the blackness, the alarm bells screeching through the long corridors - the pulsing red lights trickling in from the slats on the door.

A shadowy image materialized before him. The Master! The holographic form uttered one word: "Come!". He burst forth from the closet as the image dematerialized, armed with a broken broom handle and a bottle of acid. The next day the escape made the papers all over Canada. Weeks, then months passed. Stephens was nowhere to be found.

The Devil's Highway

Deep within a forest in the southern United States, a young boy of seven years sat intently watching the smouldering embers of a huge bonfire. The curling smoke blocked out the twilight sky and traversed down the slopes of the gentle hills upon which many paths had been hewn. Women with very long, lorele: hair and bearded men in stained leather jerkins and moccasins moved amongst the forest. They were silent - listening to the funeral beat of the tabor and the single cantor chanting the "Diabolus" in the traditional meter. They were watching, ever watching. Their eyes were upon the boy. He pretended not to notice, pretending that he was simply captivated by the burning embers. He knew, however…He knew who hw was and what he was. And staring into the last dying flames of the fire, he was aware of what was transpiring in the wide world, beyond the wood. He saw a man, curled up inside the trunk of a small Asian-made car as it passed the border from Canada into Buffalo, New York. The man was wearing stained, white shirt and trousers - the vestments of a medical prisoner. The boy smiled, staring absently into the fire.

The man had been on the run now for several days, and the mind-numbing effects of his involuntary medication had begun to wear off. He remembered why he had been institutionalized - for breaking into a Canadian Intelligence Agency farm deep in the Yukon territory. When interrogated, he had told the authorities exactly what he had been up to. Being human and afflicted with the common Magian fault of gross short-sightedness, they did not believe him. Furthermore, they thought he was "crazy" and had sent him to Selven without much ado.

Now, he was loose. The boy's smile grew wider. All was beginning to come together. The Sinister seeds which had been planted years ago were now beginning to bear their fearsome fruit. Elsewhere in the world, civil war, terrorism, plague, and famine were turning the earth towards it's terminal stage. At the Acasual gate near Saturn, the entities who are not to be named strained at the door of their prison. They, too, would soon break free. And then, then would come true solvet saclum in favilla. Twilight had ended and true, black, country dark was now upon the rural community in which the boy dwelt. The men and women drew closer, all round him.

The burly men dragged a naked girl of nineteen towards the fire, stopping to strap her face down and spread-eagled to a large circular wheel upon which was etched all the sigils of the Dark Gods.

A young girl clad in crimson robes approached the boy from the east. She was small, only eight years old herself, yet her eyes shone with a preternatural intelligence that was far beyond her years. She smiled, kissing the boy on the cheek and handing him a thick, braided whip.

An ancient hag began turning a crank which, in turn, set the wheel in motion. Visions of explosions and horror filled the boy's mind. At each intermittent beat of the tabor, the boy struck out with his whip. The screams of the teenager filled the night sky, drifting into the ethers. The congregants began dancing widdershins around the torture shouting…

"Azanigin…Azanigin…"

A Clandestine Burning

"Illuminated children, ride the north wind towards my secrets! Moriah! Moriah, Moriah! The conquering and destroying night wind! Blow through the ruins of this nazarene church which has been immolated for Our Dark Prince! Scatter ashes of the earth which has been scorched for thy pleasure!"

The gathered congregants hissed the name of the Master as a hot breeze whispered through the trees, reigniting the embers still smoldering on the charred wood which used to be the A.M.E. Zion Tabernacle. The Mistress, dressed in a hunting suit of green camouflage, snapped her fingers at two congregants who quickly came to her side. The other congregants slowly withdrew, melting into the woodlands of a southern pre-dawn. Having received their instructions from the Mistress, the two remaining congregants walked towards the burnt husk of an inverted cross which stood in the graveyard adjoining the church grounds. Grunting, the two men lifted the cross and flipped it to upright position before reinserting it back into the earthen hole.

The, they too drifted into the forest with the rest of the congregants - walking upon well-memorized paths to their waiting vehicles located at a hunting cabin only half a mile through the forested acreage on the left side of the former church. Utter silence permeated the morning, the tread of the retreating Satanists were quiet and steady, and the mistress gazed at her handiwork before withdrawing into the forest herself.

"Azanigin, Azanigin, Agios O Azanigin!" she softly spoke. A faint smile came upon her lips as she turned her back on the incinerated scene and walked into the copse of pines which stood beckoning before her.

"Breaking news at five o'clock!"

The jingoistic sounds of the evening news broadcast filtered into the kitchen where Kathleen, a plump southern woman of thirty-five years busily stirred her biscuit dough in premeditation of her husband's arrival at six o'clock. Her husband was an officer of the Mississippi State Police, and was not one who liked to be kept waiting when it came time for supper.

"This morning in the outskirts of Meridian, the elderly pastor of the A.M.E. Zion Tabernacle drove to his church only to find it reduced to ash! A charred cross was found in the adjoining cemetery which echoes the reverend's suspicions that the arson was the work of a militant Ku Klux Klan faction that has been operating in the area since late last year."

Kathleen continued to stir, staring absently into the swirling batter. She peered out the window, still summer bright. A buzzard flew down from one of the backyard pines and started picking at the corpse of a half-eaten rabbit situated by the back by the beginning of the woods. Kathleen smiled to herself. Just at that moment, her little tabby kitten, Nythra, came slinking through the doggie-door. Nythra's mouth was reddened with blood from the now deceased coney.

"Oh you silly little cat!"

Kathleen looked down lovingly at the feline, who purred and licked her lips.

Suddenly Kathleen noticed that there was a bit of blackish liquid in the dough. Flummoxed, she peered closer. As she did, a few drops of ash fell from her hair onto the formica kitchen counter.

"Mental not to self - must wash hair before Ryan comes home." She scooped the offending batter out of the dish and grabbed a rubber band from the windowsill tying her luxurious mane into a quick ponytail.

Peter Saunders, more commonly known to his friends as ‘P. Ugly’ , roughly scraped his scalp with the military brush, sending nappy little black springs showering down onto the dilapidated food-stained couch.

“Goddamn honkey cracker trash!”

Peter threw his brush at the wall, which simply dropped to the floor with an anticlimactic thud. Peter had been in a very bad mood all day long. He was never a religious man except in his younger years, and even then that was forced. He had no time for the white man’s religion or the white man’s bible. His father, on the other hand, was the pastor of the little Meridian chapel which had been burned to the ground, apparently by the Klan, sometime last night.

Painful crawling sensations went up Peter’s arm. He shivered, breaking out into a cold sweat. No goddamn money, no goddamn crack in town tonight, and some muther fucking honkey cracker burned down the only real black church in the area.

Saunders reached into his gym bag and took out his shiny MAC-11 fully automatic nine mil. machine pistol. That brought a smile back to his face.

Enough is enough! There are enough crackers running around thinking that Mississippi was still a backwards southern province where niggers could be mistreated anytime they took a liking to do so. Talk never gets the job done, it was time for a little payback.

He grabbed his pack of Newport menthols and shoved his gun into his oversized Raiders jacket before heading out to the pathetically small section of town that passed as ‘inner city’.

He knew one thing - a white man was going to die tonight!

“Sho’ nuff!”

With that, he headed out the door, locking it behind him.

Kathleen’s husband Ryan burped loudly before setting down his beer and reaching into his uniform pocket to withdraw a Pall Mall, which he promptly lighted with a big, tacky fireplace lighter. He didn’t really know why he liked using the ultra-flame instead of a more conventional lighter, shit, he just liked fire was all!

Ryan took a long draw, exhaling through his nostrils before tapping his first ash into an equally tacky ‘Dukes of Hazzard’ ashtray before beginning his evening lecture. Hating to spoil the moment, Kathleen flitted her eyes in a feigned exhibition of feminine expectancy before Ryan began his spill about his day at the barracks.

“How was work honey?”

“Well baby doll, I weren’t at the barracks, no ma’am. We had a situation on our hands all day today and prob’ly will all tamarra to boot. Some crazy Klansmen done went and burnt down the nigger church out on Maple Shade Road. That’s gonna cause all sorts of hell and tarnation, you bet on it sweet cheeks.”

Kathleen feigned shock and began to carefully phrase her next question.

“How did you find out it the Klan honey?”

Ryan stubbed out his Pall Mall before picking up the ultraflame to light another one.

“Oh hell baby, we know who dunnit. We got a big burnt up cross in the old Simon’s cemetery - a black cemetery, Simon’s is. It’s probably those boys who rolled in from Alabama and set up shop last year. The Militant White Knights as they call themselves. I hate to go after those fellas, but they are crazier than a rabid coon and shit, I’ll get a hefty pay raise if I catch some Kluxers - you know how the pretty biddies down at Channel Five are all the time wanting to bust down on the Klan in these parts.”

“Yes honey, I know…”

That same night, Harvey Goldberg stood at the speaker's lectern at the Community Town Center in inner city Meridian. Goldberg wasn't his real name, he was actually a Sicilian. However, he had learned that while participating in his current insight role as a "Communist agitator" , the illusion of being jewish helped endear him that much more to the local black community.

With a flourish he unclasped his hand and let a rivulet of ash fall down into the basket which had been strategically placed in front of the lectern for just the purpose.

"ASHES! ASHES!"

He shouted with feigned vehemence before whirling behind the speaker's podium and in front of the microphone.

"This my brothers and sisters.." (that proclamation itself was greeted with a smattering of "yes brother" and "fight the power" from the illiterate crowd of human chattel which sat, spellbound, before his oratory).

"This is a sign of HATRED which has engulfed the state of Mississippi for far too long! This is the HATRED that must be utterly razed and destroyed if we are to live as a socialist democracy as prophecied by Karl Marx. As prphocied by Martin Luther King…"

As soon as the last syllable came out of his mouth, shouts of awe and afro glory burst forth from the audience with a hysteria akin to a college football game. The small black stone embedded in the sleek silver ring on Goldberg's left hand seemed to twinkle in the light as he smiled.

"And we know brothers that the racists, the capitalists that they are, are NOT going to give up peacefully! We must take to the streets! We must drag them from their homes! To protect the sovereignty our ideals promulgate, we must destroy their security in outmoded racist ways! Tomorrow… we march!"

"Hello, it's five o'clock on the hour".

Old man Calhoun sat in his god awful summer-hot lawnmower repair shop as the crackling voice of the announcer came through the beat-up speakers of his transistor radio.

"Meridian for the last week has been a hotbed of racial strain. Beginning with the burning of the A.M.E. Zion Tabernacle, an outcry against the racist presence in the city has led to the recent march by the Urban Equality League through the streets of Meridian this afternoon. No disturbances were reported. In other news, an unsolved shooting took place near the corner of Samson and Elm yesterday evening. The victim was twelve year old Amanda Keats, an honor roll student at Meridian Middle School…"

In other news, unrelated my ass! Thought Calhoun. He massaged the arthritic fingers of his left hand as he thought. No one on the news would dare the truth, that a damn uppity nigger coon had been seen riding around the Samson heights neighborhood only five minutes before the Keats girl was shot. He came around that tasty tidbit of information at the barbershop, a good a place as any for gathering intelligence.

The year 2005, and getting worse by the month. Who was going to stand up for that Keats girl? Certainly not the sheriff's, they were too busy moaning about what a 'great tragedy for the city' it was that the damn nigger church got burned to the ground.

Hell, back in better days he and some buddies would have took a few uppity coons at nightfall and hung em' up high to keep their place! That weren't gonna do no good now, no how. Just then old man Calhoun had a vision, a vision of him and his trusty Sportsman sniper rifle on the rooftop at the next march by that damned commie red League march.

Somewhere deep in the North Carolina woods…

A young boy sat swaddled in black before a huge crystal tetrahedron which had come all the way from a distributor in London, England.

Before him lay a map of Mississippi and a satellite phone. “Just like Osma Bin Laden’s” thought the boy, and chuckled to himself.

Around him, shrouded in the darkness of the trees, stood the members of his Satanist cult. At the sound of the gong, the chanting of the “Diabolus” began. Softly at first, then gaining volume until it was a frenzied sinister cacophony the emanated from the dark boughts of the trees.

The boy’s eyes narrowed.

With surgical precision, he began pricking the dot on the map that was designated with the legend “MERIDIAN”.

“Dies Irae, Dies Illa, Solvet Saeclum In Favilla…
Teste Satan Cum Sabiylla.. Quantos Tremor Est
Futurus… Cuncta Stricte Discussurus…
Aperiatur Stella et germinet Atazoth.”
The sound brings down a starless night.
Suddenly, all is dark, all is silent. The Satanists
Have disappeared into the woods.

Old man Calhoun sat sweating atop the Feed and Seed in meridian. Cradled in his arm was the sniper rifle. The sound of a throng chanting “ We Shall Overcome” drifted through the summer breeze. The Urban Equality League was only a block away and would be turning the corner soon.

“Honey baby, I think maybe you should call the FBI”. Ryan sat with Kathleen over a bowl of grits before heading out to a day which he really didn’t wasn’t to come. In an hour state police would be raiding the farm that served as headquarters for the Militant White Knights of the Ku Klux Klan. The FBI was ready to come out at a moments notice, and Ryan had only to give the word for the big guns to come in.

“Yeah sweetie, I think that would be a good idea.”

Ryan walked into the mudroom and got on the old rotary phone. Fifteen minutes later, sixty FBI agents equipped with silenced M-16’s were on their way to the rendezvous point three miles from the farm.

“They are going to come! Mark my words kinsman!”

Walter Shivley stood in the converted barn which stood converted into what? Nothing more than a barn with a lectern and some old benches, which served as the church and political meeting hall of the White Knoghts.

“The Great Beast 666 has conspired against us!

The Satanic Black race will not stop their pillage and they are going to employ the Beastly government to attempt to smash our white resistance! Yes brothers, we’ll give them our guns, but we’ll give them our bullets first!”

The small group erupted with oaths and curses as men fed rounds into their assault rifles and pumped their shotguns. Shively beamed, putting his hands down so he could scratch his arm through his black uniform shirt.

Walter Shively always wore long sleeves when he went to speak to his men. That was the only way he could cover up the tattoo of the LIDAGON sigil and the Black Goat of Destruction which were on his left forearm. Having that exposed amongst these rednecks, well, that just wouldn’t be expedient, not at all.

Kathleen sat naked in her bathroom, masturbating with an inverted cross while staring at the Sinister Tarot image of the sphere of Mars. Her pale thighs began to tremble as she neared climax. She began to pant the words "Azanigin…Azanigin…Azanigin…"

As the Klansmen took positions around the farm, waiting for the siege to start (they had been tipped off by their source in the State police, who called herself "Cathy", no one knew who she was, except Shivley of course.) Shivley took off in his beautiful BMW mini cooper. BURZUM'S "Hvis Lyset Tar Oss" blared through his state of the art speakers. Shively grinned.

A rifle shot made a loud report through the crowded city blocks. A grotesquely obese octoroon woman fell to the ground, her brain blown out the back of her skull. The crowd halted and screamed. An old white man stood up from the roof of the feed and seed, waving his hands excitedly. "Hey you commie niggers, hey coon, how you like that hurting I put on your mammie!". He laughed and ducked before the crowd started throwing bricks which happened to be piled in front of the feed and seed. I wonder who put them there? Must have been one of those crazy black metal kids from the suburbs, stealing from the brickyard and then abandoning his quarry before the cops rounded the corner.

Within four hours the city was in a state of emergency. Rioting had spread like wildfire, caused by the agitation of one Mr. Goldberg and started by the violent members of the Leninist Communist Brigade, which likened to operate under the corporate nom de plume of the Urban Equality League. The television news (the media center that hadn't been destroyed by the fires set by the ever-increasing horde of blacks) reported at five o'clock that the governor had called in the National Guard. A complete report was due in at eleven o'clock.

Special Agent Anderson started to walk towards the nondescript gold van before stopping and reaching into his pocket . He withdrew a small laminated picture. On it was a strange symbol with the word "BUDSTURGA" at the bottom. The ruby in his sleek golden ring upon his left hand seemed to twinkle in the afternoon light. He called on his cell phone to headquarters.

"Hello, this is FBI Quantico."

"Hello Quantico, this is Special Agent Anderson at the Kluxer Farm. We've got a situation here. We've had some flash bang hand grenades thrown at our men from several different locations, and we've got a lunatic screaming from a megaphone that they have women and children as hostages. They want to negotiate."

"What do they want Andy?"

"They're demanding to be given the entire northeast United Stated to be used for a White Aryan Bastion."

"Godalmighty, this is going to be worse than Waco."

Anderson grinned like a kid in a candy store before assuming a grim tone to continue the ridiculously funny conversation.

"It may be sir, it very well may be."

Petey Saunders had driven across the state line and was now in Louisiana. He had more guns, and he had some crack. And killing on crack was, well, you'd have to ask him really to get the full story. PUFF DADDY AND The FAMILY bumped and noddled out of his old dilapidated speakers as he drove into the night. He now had already five notches on his MAC-11 - five white honkey crackers dead. Sho nuff', they was gonna be a lot mo' crackers in Louisiana, that's for damn sure, niggah.

There was a celebration at the rural community which sat deep in the southern woods. Stephens, having escaped Canada had finally arrived. What is more, he had brought a few congregants from the temple in Saginaw.

Voluptuous, naked females danced in an eastern fashion around the flames of the fire. Stephens and another man sat off in the shadows, talking quietly to one another.

“It’s happening.”

“I know.”

“The mother of demons?”

“She has been evoked.”

“The goddess of Destruction, in physical form upon the earth.”

“Yes, she is here at last.”

“Agios O Azanigin….”

Questions:

1.) How many Satanists are there within the characters of “A Clandestine Burning”? Name them and explain the roles that they assumed and why.

2.) There is a very important part of the “Diabolus” Chant missing in the text. What line is missing? Write down that text, the English translation and explain the significance of the coming of Vindex.

3.) What sort of techniques could be used to esoterically influence a geographical area with acasual energies? From the text it seems that the rural community was in North Carolina while the ‘presenting’ is several states away, in Mississippi. How does this work? What is ‘remote viewing’?

4.) What is the significance of ‘the rings’ and in what stage of the Seven-Fold Sinister Path does one traditionally procure such a ring?

5.) Which character in this story was the most adverse affected by the Sinister forces which were being unleashed by the Satanists?

6.) Make a list of extremist political groups and religious groups (right-wing, left-wing or otherwise) that you can think of off the top of your head. Now, pick three of them and write an essay on what potential those groups could have if they were remotely controlled by Noctulians.

7.) What is the significance of the cat in the story? Explain what a ‘familiar’ is according to witchcraft.

SONG OF SATAN
Tempel ov Blood

'They' are coming from the black depths of deep space 'They' have been awaiting the time for Aeons and Aeons The gates of Saturn, the black spaces of deathly silence. And in that day comfort shall be destroyed for the weak. And in that day the Noctulians shall reign in blood which shall be split in the streets up the level of the horses bridle. And it will be a blessing for all.

Oh Immaculate Tempel of Blood - thou hast paved the way for the opening of the gates to the Abysmal black Oh Secret Rites of Satan, how your slaves pour out themselves in sacrificial suicide for the manifestation of thy erotic principalities to darken the skies with infernal smoke of hell.

Every seventeen years. Every seventeen years. The certain son being the age of eleven moons times two shall be the gift for him, the gift for them! Blood-splattered Baphomet, raise your knife above the porcelain flesh of thy male sacrifice. Four years after the turning of the millenium, thy shall receive the fertilizer which shall birth demonic spirits of power.

They tremble at the gate of Saturn awaiting release so that the needful change shall sweep the stars and terra.

Do not speak. There is silence in the land. The silence has become the song of the Abyss - bring us forth, Sons of Night.

THE BIRTH OF A DICTATOR

Directives: The length of this extended ritual will be three months in duration. Items needed include a swastika third reich blood banner (party flag of the NSDAP), a uniform of some type (militaristic or police, ideally it should either be all black with swastika armband or the brown/black uniform of the storm troopers), a packet of razor blades, a satchel of dust taken from a graveyard, apocalyptic military music (we would recommend 'Puissance' from Sweden) and a copy of 'The Mass of Heresy' from the Order of the Nine Angles. Also gather all items required by the 'Mass' manuscript. Also have study materials which should consist of all of the writings of Friedrich Nietche and a copy of Adolf Hitler's autobiography "Mein Kampf' as well as John Toland's biography 'Adolf Hitler'

Morning ritual: Every morning proceed into the area which you have set aside as your temple area. Eight days before commencing with this ritual, prepare the temple in the following manner: Upon the northern wall of the room hang the blood banner, beneath this should be a small table or lectern upon which sits a copy of mein kampf, a razor blade. The uniform and the satchel of graveyard dust should not be kept in the temple, but rather kept with your personal belongings in a separate area (ideally whatever room is used as your bedroom in which you sleep).

Also in your possession should be a cat o' nine tails or some other similar whip. This should be kept in the temple, near the lectern. Upon rising, dress at once in your military uniform. Proceed into the temple and perform a bowing obeisance to the swastika blood banner, uttering the words of the "Dies Irae" chant while you are lying upon the floor. Upon rising from the obeisance,

perform the Mass of Heresy - the full Mass if you are living in a temple commune or a solitary version if you are by yourself. Upon completion perform another obeisance before the swastika flag and repeat the 'Dies Irae' chant as you performed before. Leave the temple area and go about your normal duties in the world.

During the course of the day spend at least one hour reading the Toland Hitler biography or Mein Kampf. Upon night, before going to sleep, go into the temple naked, carrying the satchel of dirt from the graveyard/cemetery.

Upon entrance to the temple perform a full bowing obeisance before the swastika blood banner and repeat the 'Dies Irae' while making the obeisance. Rise.

While staring into the blood banner, take a small measure of the dust into your left palm, spitting to create a sort of paste. Rub the graveyard paste upon your forehead while repeating the word 'Change' eight times. Proceed to the altar and set the unused bag of goofer dust on top of the copy of Mein Kampf. Remove the cat o' nine tails from behind the lectern and turn on the apocalyptic military music.

Begin lightly (or hardly, depending on your preference) flagellating your own back with the cat o' nine tails while singing the 'Dies Irae' in the traditional manner (for the notation please contact the Tempel ov Blood or listen to the beginning of 'The Self-Immolation Rite). Give yourself eighty- eight strokes with the cat o' nine tails while chanting the 'Dies Irae' continually. Upon completion, replace the whip and remove the goofer dust, bowing obeisance before the swastika banner and leave the room. Allow the apocalyptic music to play.

This morning and evening ritual should be performed every day and every night for a period of three months. Ideally the extended ceremony should begin and end on a full moon.

AGIOS O NOCTULIUS! AGIOS O NOCTULIUS!

THE COMING OF VINDEX

Temple ov Blood
Czar Azag-Kala

Introduction:

At the time of this writing, that being, the sinister year 114yf (Year of the Fuhrer) eh (Era Horrificus) and known in the Roman calendar by 2003 Anno Domini, the civilization of the West is declining at a rapid rate. This Aeon is coming to a close via natural cause, however, the fall is being agitated and the aeonic forces distorted by the Magian forces who are embodied in the term 'the white lodge' (versus the 'black lodge' of Sinister Adepts, Masters and Lady Masters, and Grand Masters). Being knowledgeable that the energies of the West are on the wane, the Magians have sought to capitalize on the situation (as is not uncommon) by distorting the Western energies and also by executing and influx of energies congruent to their own purposes.

The results of the Magian influence can be seen the world over, very prominent in Western Europe and pre-eminent in America and Canada especially. As sites such as Stonehenge and Babylon were esoteric strongholds for particular groups of magickians working towards specific aeonic goals in times of yore we now see places such as New York City, Los Angeles

and London being utilized by primarily Magian forces who are working for their own very specific aeonic outcomes.

Logically, such Magian strongholds are being and have been targeted both esoterically and exoterically by individuals and groups which are at odds with the Magian program. Some of these individuals and groups, such as Muslim extremists, are under the influence of an older, stagnant ethos which is threatened by the Magian powers and also is in sum, antithetical to the kind of program the White Lodge seeks to see realized. The variety of cultural minorities and specific aeonic cults that wish to see the downfall of the White Lodge and the Magian plans thwarted are many. Not all of them (and to be truthful, most of them do not) work towards aims themselves which could be viewed as in similitude with what is being sought by the various Sinister groups spread across the globe. However, by seeking the breakdown of the infrastructures associated with Magian power they are being quintessentially defiant and aiding in the dismantling of certain institutions which impede a proper Imperium followed by a Galactic Aeon of sorts which has been premeditated by groups such as the Order of Nine Angles out of Shropshire, England.

Certain of these groups formations, especially those that are native to the West (a European example would be National Socialism, and American example would be the state's rights movements and the neo-secessionists) possess in themselves factors which are benevolent towards the Sinister strategy of a real, physical manifestation of Vindex - am event which will be a prelude to Imperium and a new Aeon which would flow from the (then) past Western Aeon. Such factions should be targeted and manipulated by Sinister Adepts as well as aided and subtly subverted towards Sinister purpose by Sinister Path Initiate. Even those groups which are not possessing pro-Sinister qualities but are at war with Magian forces should be aided in a way that they will hasten the downfall of the White Lodge, effectively being used by those of the Sinister Path as a sort of 'exoteric battering ram' against institutions that impede the Aeonic outcomes which we seek. After goals relating to their use have been completed, such groupings can be termed expendable and dismantled or properly subverted towards any number of programs according to the acting will of the Sinister Path adherent so involved.

The 'coming of Vindex' which is described by Grand Master Anton Long of the Order of Nine Angles as the arrival of a 'person of destiny' who will possess the needed skills and abilities to mount a considerable offensive against forces that are detrimental to the Sinister Dialectic and rally forces which will invoke future, Sinister energies is not an uncommon theme. Such is virtually the same as the 'arrival of the warrior Christ' in Aryanism influenced christian cults (He comes, his vesture dripped in blood with a sword in hand, riding upon a white horse, flanked by celestial starships to cleanse the earth planet of anti-evolutionary jewish forces and their willing lackeys) or the 'incarnation of Kalki' as told in the Vedic myths (a warrior figure, similar to the above mentioned 'warrior Christ'). Such archetypes can be manipulated within their respective cults in order to, more and more, make attributes of their archetype equal to that of Vindex.

Likewise, a Vindex-type figure within the primitive sub-cultural Devil Worship cults can be seen in the figure of 'the Antichrist' . This 'Antichrist is the leader of darkness, a man of destiny, who is born into a physical body and rises to power in order to utterly wipe out the forces of Christianity and (magian) Messianic hopes - establishing a new Satanic Order upon the earth planet. In that sense, both 'Christ' and 'the Antichrist' are forms which can be manipulated by Sinister adherents to anticipate the arrival of Vindex.

THE CRUEL EMPRESS
Tempel ov Blood

Bitter night winds of winter rushed through the grim landscapes, audibly shrieking against the tips of the cragged mountains and down through the ancient hardwood forests. The hooting of the owls was lost among the symphony of night triumphant as the limbs of the wood creaked in evil rejoicing of the dawning of the dark. High atop a particularly ghastly mountain stood a black castle built entirely of onyx - it's forbidding shadow structure built upon the very face of the rock. Thousands of years ago, vast tunnel systems had been built leading from the castle into the very roots of the mountain below the earth. Down these horrid corridors were dungeons deep and dark, their prisoners lost and forgotten and silenced by the endless night.

Along a downward slanting road through the forest leading toward the castle main gate trotted a team of four pale horses pulling a covered wagon of deep burgundy. The coachman was tall and gaunt, clean-shaven and very pale for he had never seen the light of the sun. If you would have been standing close to the road when the carriage passed, you would have heard the sound of young sobs and crying coming from it's decadent recesses. Inside the carriage rode only the Empress and her Opfer for the evening.

At one time, according to legend, the Empress herself had been but a common girl - living in one of the innumerable nondescript villages in the nondescript land before the turning of the Aeon and the return of the Undead Gods to open power. When she was seventeen years old she was visited by a certain noxious intruder during the night and since then she had been Immortal. Her Immortality had bred in her a coldness, a cool and clinical approach to rule over humans, her herd , with a fist of iron bathed in a torrent of ever flowing claret.

An hour later her coach was inside the castle gates. The coachmen opened the door quickly and then began unhitching the team of horses, leading them to the stables beyond. The Empress led the young peasant girl, who was now quite hysterical, towards the entrance of her nocturnal abode. All the while she cooed and caressed the young female, offering false assurance. Even so, the Empress' eyes shone with a demonic luminence. All that had been human had left her, thousands of years before, on that fateful night of darkness and pain when she herself was but a teenaged wench.

Up endless corridors, through passageways and down spiraled stairways beneath ornate paintings dedicated to her kinsmen - Azanigin, Shugara, Gaubni… The opfer still sobbed but the Empress pulled her along as one would a child, with indifference towards the suffering which she was inducing for the mortal serf.

"Please ma'm, please! Let me return home!"

The Empress gave a cold smile over her shoulder before responding, still pulling the child along incessantly.

"Certainly you would rather stay here, with me?"

The girl looked incredulous, before breaking out into a new spat of sobs and sniffing.

"Come, come child… I am the Lady of this land, and you have been specially chosen to be with me on this night. It is not everyday that one such as you becomes the guest royalty, hmmm?"

The girl did not respond.

"Child, you must realize that we are all part of the whole. And, as such, it comes down to the bare facts of the matter that your independent wishes or comfort mean little in relation to the onward concourse of the change which my Initiates and Adepts have and continue to execute. Don't you realize child, that you are now a daughter of the New Aeon? And, by your blessed flesh being submitted to my own, you shall ensure the continuation of what has already been started?"

The girl began crying hysterically, whispering the words "Oh Baphomet, mercy for us sweet Baphomet" in-between her emotional outbursts.

"There, there child. That's better."

Three o'clock in the morning, the hour of the Wolf and the inauspicious portent of Fenris, the blessed slayer of the white-sepulchers who were called 'gods' in the old Aeon.

The blue room is now splattered with shed blood. A thick trail of the stuff leads towards the spiral staircase which descends downward. At the bottom of the staircase is a ladder which leads upwards towards the very top.

Outside the castle.

The Empress stands looking over into the vast forests of the pre-dawn. The wind has calmed and an eerie silence permeates the landscape. Cradled in her arms is the desiccated husk of the child. Already, her blood which was spilt has spawned several golems, which will be useful for the workings which lie ahead.

"Noctulians…"

The Empress speaks with a husky, sensual voice.

Below, wolves gather from the forest, howling at the Empress and gazing upward towards the fortifications of the castle.

The Empress leans over and drops the corpse into the thin air. It drops, thudding upon the wintry ground where it is quickly quartered and consumed by the wolves.

THE CULT DANGER EVALUATION FRAME

By Miss Nythra Anastasia Katrina Kala

Prelude: In the modern Magian-influenced society, religious groups are considered 'dangerous' or 'not dangerous' based upon their acceptance or dismissal of the sanctity of humanistic psychology. Below is a list of attributes that are exercised within the 'dangerous' cults according to P. Bonewits taken from a modern book on the non-event of 'neo-pagan religion' in America. A suggestion to young initiates of the Sinister Path: using the below attributes, start a

cult of your own! Spread heretical religions all across this great land so that we will plunge into the Age of Fire! Ave Satanas!

1) INTERNAL CONTROL, amount of internal political power exercised by leader(s) over members.
2) WISDOM CLAIMED by leader(s); amount of infallibility declared about decisions.
3) WISDOM CREDITED to leader(s) by members; amount of trust in decisions made by leader(s).
4) DOGMA, rigidity or reality concepts taught; amount of doctrinal inflexibility.
5) RECRUTING, emphasis put on attracting new members; amount of proselytizing.
6) FRONT GROUPS, number of subsidiary groups using different names from that main group.
7) WEALTH, amount of money and/or property desired or obtained; emphasis on member's donations.
8) POLITICAL POWER, amount of external political influence desired or obtained.
9) SEXUAL MANIPULATION of members by leader(s); amount of control over sex lives of members
10) CENSORSHIP, amount of control over members' access to outside opinions of group, its doctrines, or leader(s).
11) DROPOUT CONTROL, intensity of efforts directed at preventing or returning dropouts.
12) ENDORSEMENT OF VIOLENCE when used by or for the group or its leader(s).
13) PARANOIA, amount of fear concerning real or imagined enemies, perceived power of opponents.
14) GRIMNESS, amount of disapproval concerning jokes about the group, its doctrines, or leader(s).

The friendly author of the above 'test' goes on to state (and I quote): "none of these organizations should ever censor your information, control your life, decide on your friends, insist on sexual favors, demand exorbitant amounts of money, or try to prevent you from leaving". As we can see, the U.S. Federal Government meets all of the above attributes, thus making them (drumroll please) a dangerous cult! But, as we know, no cults like competition and when evil little fiends like yourselves who listen to Mayhem all day long and dream about being the next Jim Jones start creating cults in the image of the federal government…Yes! That puts everything on the fast track to "I am an Antichrist, I am an Anarchist" (from the redwood forests, to the gulf stream waters!) and creates (or will start a domino effect which will create) a land that has hundreds of thousands of utterly insane, demonized cults running around on it's fine earth (not dissimilar to Dark Ages Europe!).

Remember: when you control someone's religion, you control them! Special note: The author of this article is very interested in taking part in the CIA MK-ULTRA program so that we can learn your techniques and secrets, please contact via the appropriate channels (ie: I'll be the invisible hand moving your Ouija board between three a.m. and six a.m.). And don't forget children: control over man is all, control is crucial!

NOTES IN ADDENDUM:

For those of you living in the United States of America: You may be interested in 'testing the waters' and learning about dangerous cults firsthand via entering them for brief periods or, for longer peridos (using them for a Satanic Insight Role as explicated by Shropshire's Order of Nine Angles, another dangerous cult!). Be sure to read the wonderful book 'Monkey on a Stick' also which is an expose about the corruption within the International Society for Krishna Consciousness (ie: Hindus, gone bad!). We have chosen the below cults for their degree of

severity and novel-ness - we're sure you'll have one hell of a time! P.S. be sure to hide this pamphlet somewhere where your mother and father won't find it!

And now, for the cults!:

1. Children of God
2. International Society for Krishna Consciousness (ISKCON)
3. Aryan Nations
4. The Bolero (Amishmen, with guns!)
5. Unification Church (extortion and moonies and mass marriages, oh my!)
6.United States Army (vewwy-scawwy!)
7. United States Marine Corps (ew-pew!)
8. Central Intelligence Agency (wha?)
9.F.B.I. (Praise the Lord and pass the plate!)
10. Al-Qaeda (warning: be sure it's really them, the cult members may actually be operatives from cult number nine just pretending to be members of cult number 10)
11. Pentecostal Holiness with Signs and Wonders Following
12. Non-LDS fundamentalist Mormon sects (polygamy, aliens, spousal m/f s/m, Moroni the Archangel, stir and serve!)
13. All 'Heaven's Gate' offshoots
14. The Raelians
15. The Noctulians (I wouldn't mess with these folks if I was you!)

Notes on Sinister Chant

At the time of this writing, that being, the year of the Fuhrer 114 (Era Horrificus), the violent winds of war are upon the horizon. The planet Mars in it's expansive galactic circuits has now reached close to the earth planet - closer than it has been in the last fifty-thousand years. Increased number of Sinister temples operating around the globe are hastening the process of constructing nexions - the gates by which there will come an influence of Sinister energies onto the casual plane. These Sinister energies and the manifestation of the Dark Gods will be presenced in many ways. Via invokation (taking the Dark Gods of the Sinister Panthenon, one or many, into the self) and evokation (achieved via practical manifesting of chaos and evil into the world) the basic fabric of reality on the earth planet is shifted. Our Sinister brothers and sisters across the globe hasten the process by which advanced human evolution shall take place. By necessity, according the amount of dross which currently burdens mother earth, this increase in evolution amongst the elite of the left-hand path will be preceded by horror and sickness and plague amongst the populace. As Mars draws closer, and as the Dark forces beyond the gates near the planet Saturn write and quake for total release from their dimensional prison, the rotted bones of the Ancient Ones shall assume new life. As even the Magians realize, the dead shall walk - there shall be a sort of 'resurrection' which will take place. Aptly put by Christos Beast in the Self-Immolation Rite: 'the hideous dead rise to strangle the living'. 'Life' as we know it will cease to exist. 'Half - Life' will permeate the slave drones of the obsolete race of 'humanity'. The Undead shall rule in open power. All manner of Darkness shall be unleashed, and the Dawning of the Dark Age shall commence.

The correct practice of Sinister Chant aids the coming of the Dark Gods. As the chants are practiced, the words go forth to reverberate eternally amongst the ethers. It is often observed

that calamity, chaos and terror erupt in and around the geographical locations where a Sinister Initiate executes their rituals and practices. At any given night that an adherent of the Sinister Path practices Sinister Chant, there may be observed (post the fact) that upon nights that practice is enacted there will be a pronounced increase in murder, chaos and catastrophe in the region in which the sorcery is so enacted.

Sinister Chant also aids in the mutation of the practitioner. Sinister Chant, practiced daily, under strenuous conditions, will aid in the shedding of one's humanity and will hasten the influx of Sinister entities which will possess the individual and then fuse (or abolish) with what could be termed the base 'personality'. Sinister Chant will NOT be effective practiced while living a soft, materialistic, harmless lifestyle. The more inherently SATANIC the life of the practitioner, the more fully will the Dark Gods respond to the chant. Focused and continual chanting will , in many cases, bring about a state which is akin to traditional termed POSSESSION. For minutes, hours or days (or longer) the practitioner may experience the reality that he or she is detached from the body - watching their own selves acting and interacting in fashions which are not native to the base individual.

During these periods of possession, the speech, intellect, body language and other identifying factors of the person will change rapidly. Actual physical mutation (real, biological metamorphosis also known as 'shapeshifting' in European lore) is not uncommon amongst more gifted adherents of the Prince.

Each of the Sinister sigils while practicing Sinister Chant is recommended. It aids focus and we must remember that the sigils themselves are actually 'keys' to the Abysmal energies of the Dark Gods. Likewise, the chants themselves are also 'keys' to the DARK Gods. Combined, they quicken the manifestation of the energies of the coming Age of Fire - both within the world, and within the self as well. With your effort at Sinister Chant, you will aid the Sinister Dialectic and help bring about 'Solvet Saeclum in favilla'

Practice the 'Diabolus' (Dies Irae, Dies Illa) surrounded by the sigils of Vindex (to the left), Atazoth (in the center), and Binan Ath (to the right). Chant loudly according to the traditional tune and meter - continuously. Envision the outpouring of the breath to be likened unto the outpouring of flame from the apparatus of war, like the outpouring of black shapes from rents in the heavens (the gates have opened) in shadowy, sinister countryside. Stare absently into the sigils.

Via these practices you shall increase in knowledge and increase in your power as a Son or Daughter of Shaitin, our Dark Prince. Your aim is to become as a demon in the flesh, fully demonized, with total disregard for the edicts, utterances, conventions and morals of the slave race known as humanity.

Behold the fire…

"Sanctus Satanas Sanctus, Dominus Diabolus Sabaoth. Satanas - Venire! Satanas Venire! Ave Satanas, Ave Satanas! Tui sunt caeli, tua est terra - Ave Satanas…"

The words of the Sinister chant whispered forth into the night, reverberating amongst the dead, stale air of a maximum security prison in a certain Western nation. All was dark in the area, as in that hour of night no one walked except a lone guard making his rounds.

As the words were spoken they came out with a slightly high-pitched, almost fiendish inflection. The adept knew that though such was being spoken in solitude, that the words were being sent out into the void and would, indeed, reverberate eternally throughout all the ethers. Call out to the Backwards Darkness and the Backwards Darkness will respond in time…

As the prisoner stared out into the thin, slitted window of the cell into the vast, sprawling city landscapes beneath him, he remembered words that he had heard spoken by his Satanic Master long ago: "Yours are the skies, yours are the earth…" All the earth lies in wait, in sensual and feverish anticipation of the arrival of the Dark Gods from the black planes of the Acasual. The very blood of slain warriors of the Western Aeon groan in want of the beings which are to take their rightful place in the unfolding destiny of earth. When, via the harsh ordeals and alchemical change processes of those of the Seven-Fold Sinister Path, a new species shall be brought about - beyond and above what is currently called 'humanity'. The Dark shall be presenced. The Sinister shall manifest in the physical.

The prisoner continued chanting, without cessation, allowing one repitition to flow directly into the next. As the chant proceeded the adept noticed that a strange and anomolous heat began to presence itself in the cell - a hot, humid pressure as if the very atomic structure of the surrounding atmosphere was being changed rapidly and severely. The presence of the heat descended, and then settled itself in the area directly surrounding the chanter's body.

Soon, the individual's vision began to blur and as he looked across the landscape filtered through the scum-covered window, he saw himself looking miles upon miles into the distance. A demonic quality of vision had entered into him, making his abilities absurd and acute. First he saw only the buildings a few miles away, but within minutes his vision took him far beyond the cosmopolitan vistas of the city and into the outlying countryside and soon, across oceans. And then, his vision extended across and beyond time-space itself.

A barbaric rustling of dead leaves and the snapping of branches comes into the realm of your auditory perception. The tramping of hooves, but these are hooves of no animal that you have ever seen. Busting forth from the heath comes a squat, fuming figure with the legs of a goat and the body of a man. Your flesh creeps as you see him, and you fell as if your head and very body will burst with this new sinister knowledge to which you have been made privy to. Things that mortal eyes are not meant to perceive. Oh, horror! This being is beyond human, it is in itself an inhumane creature, subject to every barbaric cruelty and pagan practice imaginable!

See that it is sexually virulent as well as violent, for the stiffness of it's saturnine member is obvious.

It's eyes are pure black marble . It's head crowned with the obscured matted beard the color of the earth, sprinkled graciously with fragments of grey, blood-spattered brain tissue. From the furried nest sprouts the curled horns of a ram.

Through the entities beard you perceive rows upon rows of sharpened animal teeth. The teeth of the predator. The fangs of a being who lives by the law of tooth and claw. Every part of the entities body is a roaring monstrosity, a wonder unto itself. Oh Master of Awe and Derision! You find it hard to focus on any one part of the being's anatomy at any length of time and near impossible to comprehend the glories of his complete and full figure at even one glance.

Vaporous fog issues forth from the undead and alienic intelligence's snorting nostrils. Yet, the air around him seems full of an insane heat - although the forest in which he stands is

obviously enveloped in the cool chilled portions of season right before the onslaught of a bleak and frosted winter.

From the depths of the woods behind the entity you begin to hear the frenzied beating of tabors accompanied by laughter which seems to be issuing forth from children, male and female, who are possessed of some fulsome and preternatural intelligence.

'Agios O Atazoth!' - the chant is spoken, laughed and screamed into the twilight. Faster and faster and faster the chant is continued, faster and faster and faster is the beating of the primal drums. More possessed and sinister comes the laughter of the children of the woods. You begin to sink into the blackness of unconsciousness and the last thing you see is a small child with her ghostly mates begin to crowd around you; smiling with a sexual gleam that children of that age should not possess according to the dicates of the Magian Nazarene.

A small blonde girl smiles, laughing softly as her lily white arms are outstretched to begin binding you with leather cords…

"Sanctus Satanas Sanctus, Dominus Diabolus Sabaoth. Satanas - Venire! Satanas Venire! Ave Satanas, Ave Satanas! Tui sunt caeli, tua est terra - Ave Satanas…"

In the depressive and black atmosphere of the prison cell, the adept continues his chant, and wonders about the Prince who is said to be arriving into the casual through and via the obscene and horrid angles which are compounded in a numerical matrix of nine. And what of that pristine and immaculate Tempel ov Blood, inhabited by the Cruel Emperors and Empresses who walk, yet are not living?

As dry wood is consumed to the flame, so is the earth and the age which is present consumed by disruptive energies which issue forth from the living and physical nexions which are portals of the Aeon-to-come. As the night ends, the prisoner sits looking out into the same vista of metropolitan horror, though now the night has ended and the landscape is fogged with the humidity of a summer morning.

He knows that in tow hours he will be led down the steel and concrete hall to the electrocution chamber by grim faced federal agents. Through his mind, every instance of memory begins to bubble up into his conscious awareness…

Walking through vast forests with the ravens circling overhead… Being pelted with stones and bricks as he flew the swastika along with his comrades even in the most communist infested neighborhoods. The faces and soft bodies of the many girls and others that he had loved, and, inevitably lost.

Suddenly he hears the turn of the lock and the grim-faced guard stands before him, ready to carry him on to his final walk towards burning and searing death by high voltage physical incapacitation.

Immediately before the hood is brought over his eyes, several minutes before the execution starts when he knows that he will convulse as his eyeballs liquefy and smoke arises from the busted sinews of his hands, a vision of Aeons past and Aeons to come is brought forth into his mind's eye.

The ram horned entity in the forest, along with the sensual throng of little children, wait for him anxiously. His tour of duty on this the casual plane was soon to end, but his purpose had been served. He had made the ultimate sacrifice. He had given a Gift to the Prince.

Note: Upon reception of the above ToB texts – Fra.13 was supplied with supplementary texts written by Michael Ford of the Black Order of the Dragon and Temple of Azagthoth in order to introduce him to the concepts of Wamphyrism/Vampirism and to provide comparison between the system of Vampyrism utilized by Ford and that of the ToB's own Vampyric Order - strongly influenced by the ONA and its Sinister Tradition. These MSS are hereby retained for the same purpose. +o+

INTRODUCTION TO THE TOA

"The Black Rider flung back his hood, and behold! He had a kingly crown; and yet upon no head was set. The red fires shone between it and the mantled shoulders vast and dark. From a mouth unseen there came a deadly laughter." - J.R.R. Tolkien, "Lord of the Rings"

Tempel of Azagthoth was injected into the open during the latter part of this century. The group as it is known today is the magickal child of individuals of Swiss, German, and Celtic descent - reflecting the actual Blood-Heritage of the Tempel to its mysterious suborder, Coven of Ravenwood. Coven of Ravenwood acts as a blood reservoir for the actions of the Tempel of Azagthoth, and has its basis in the documented WereWolf and Varcolaci Cults which plagued the countryside of Medieval England. This Vampiric Plague of Blood Feeding and Witchcraft was due to the influx of malevolent ruling spirits from the Norman, Anglo-Saxon, and Scandinavian invaders. These crucial cults are carried on today by the Coven of Ravenwood, with rituals being practiced to presence these forces in the Casual plane in the Southern United Sites, Zurich, the

Black Forest regions of Germany, and elsewhere. Understanding of the actual nature of the Coven of Ravenwood and the Acasual forces it represents can be most enlightening for those seeking to ascend to the level of operations upon which the Tempel of Azagthoth goes about its business. For those who are familiar with or have the bravery to become familiar with the concepts of Aeonic Magic, what lies Beyond Godhead, and Varcolaci - then your understanding of the Tempel will be greatly enhanced.

The Tempel of Azagthoth is not to be taken lightly, for mark our words, we are deadly serious. We hold the philosophy that the mass of humanity is a meal for us, something that must be culled and used for higher purposes. We practice the art form of predating upon the life-force of the human herd for its use in Magic, blood-rites, and supra- personal goals that go well beyond affecting just an individual or a group but the fabric of 'reality' itself. We hold respect for those who dare to practice Magic, try to rise above the herd, but if they show any fear or weakness they prove themselves as prey and will be marked for continuing our purposes. We do not encourage blind faith and adherence of any one philosophy or set of teachings, all limits must be banished. All rules must be broken. Those who do not agree thus prove themselves as fit for our acts of Predation. The substance known as Lifeforce or Blood Essence has been greatly misunderstood and implicitly underestimated by interested humans and their witches and wizards. We hold a completely rational and scientific view when regarding Blood Essence, gladly making use of the information other individuals and sources may provide us with on the subject while keeping in mind the many possibilities which this substance is capable of. Because of our varied background and no-nonsense approach, we recognize the truths contained about Lifeforce as valuable (this substance, as well as Those Who Draw In this substance, are referred to in many Ancient Scriptures such as the Bhagavad-Gita of Vedic India) but we aim in all aspects to supercede these teachings by the tool which conquers book knowledge, which is practical application and experience.
Thusly, the Tempel of Azagthoth practices many forms of blood feeding for our varied purposes.

We operate as a creative-destructive force, made up of dedicated individuals who have taken upon themselves to work to the level where they have been transformed into Wampyres, Werewolf, Varcolaci - roaming and assuming the essence of Qliphoth. To understand this, first you must throw away the ideas concerning Vampires/Vampirism that you have picked up from television, drama, (most) music, and both fiction and non-fiction books on the subject. It is an elementary teaching that this propaganda, an effective tool, has been utilized by Wampyrs for various purposes to hide the existence of such behind a myth. However, particularly in some of the more obscured Hungarian, Transylvanian, and Sumerian traditions - for one who looks closely much about the true nature of the Vampire can be revealed.

Secondly to understand this, you must dismiss the illusion that there are no subtle influences - only gross physical matter. Understanding of the true nature of significance of the Astral Realm and Body beyond the normal New Age gobbledygook is important here. Also important is that you throw away the grand idea that Humans are at the top of the food chain. Many who say they are logical and believe in the evolutionary process still miss this important fact, if the sniveling crying undeveloped creatures I see roaming the streets of our cities everyday are the "Highest Evolved Living Organisms" then the world we live in is very, very pathetic indeed!

Our way of throwing off the herd mentality is unpopular because of the comfort that ignorance provides for the established human in the human world of affairs. We call for no less than an entire overhaul of human consciousness as it is to develop into a completely non-human being which may or may not choose to inhabit a physical body after certain levels of development are reached. This process involves the act of Predating upon the essential Lifeforce (Blood, or Blood-

Essence) for use in Casual and Acasual ritual. This, combined with the willful and dedicated actions of the initiate and association and energy-transference rituals with the Higher developed Wampyr who often come into the presence of the other Vampires by Astral travel. This process of evolution is known as the Alchemical Change Process, it enacts change upon the spiritual, mental, astral, instinctual, and physical aspects of the individual. This evolution does not stop. Soon the increased powers of the Vampire are realized, being many : the ability to drain the lifeforce of others in many different ways, the ability to shift shape into many different astral forms (Varcolaci, Werewolf, mist, bat, dragon, The Greys), understanding of the underlying control network of the human world, how to control others through the use of the mind, and many other powers. These powers that entail with the Vampires increased development entail the things expected of one who progresses amazingly in a relatively short period of time, including many worldly successes and receiving the pleasures of the flesh in many different manners.

Tempel of Azagthoth works in cooperation with the Black Order of the Dragon and proudly hail their Immortal Varcolaci. The Sigil of the Wampyre-Varcolaci Pentagram can be found adorning the walls of many of our Vampiric abodes, emanating horrific energies for the uninitiated - covered in the Blood of Varcolaci. The principle sigils of the Tempel of Azagthoth are the Black Raven, the predatory symbol of our order as well as the Wampyric Tendril and Wampyric Tendril-Coffin, the first representing our use of Black Magic, the second representing the Alchemical Change Process and the harsh evolutionary path of Wampyr.
- Emperor Norduk, Tempel of Azagthoth

Astral Predators and Vampiric Spirits
Tempel of Azagthoth

Haunting the night, towards the purpose of further exploring the physical and astral dimensions, and towards the purpose of draining the blood current from humans is an exercise which should be undertaken with vigor by the ascending Vampire. We quote here an interesting passage from Kenneth Grant's "Cults of the shadow":
"If the shadow is strongly developed and is under the control of the black magician, it can be projected into the aura of sleeping people and obsess them with sexual fantasies that can drive them to madness and suicide. it is then withdrawn by the vampire who dispatched it and he nourishes himself on the energy which the shadow has 'collected'."
The author goes forth to then describe various ailments which may harm the vampire, because the energy was of a primarily sexual nature. However, there is a key mistake that separates what described from them practice of Vampirism as implemented by the Tempel of Azagthoth. We are not feeding upon aura. With this in mind, the various methods of astral protection become inane because they are primarily auric vibrations caused via visualization by the supposed magician who would 'thwart' the vampiric attack. Most of these methods include some sort of neutralization of the sexual energy during rituals. Or, as in the case of some modern writers who have constructed rituals which the intent pure and simple is to thwart vampires in all and every case they involve various proclamations, cleansings, and visualizations. these visualizations usually consists of the victim imagining his aura growing bigger and bigger then visualize it becoming covered with 'astral needles'. However, it is folly to think that something as easy as visualization 'astral needles' could stop a Vampire who wants to, and will drain them of their blood essence. If you view it as an exercise of power within the astral, it is obvious that the Vampire is of a higher class in this respect that than human magicians much less bad ones. If we were viewing this as a ase of manipulation of the astral energy, the Vampire could easily turn on person's 'astral needles' into 'astral pillows'. The cleansing methods may at times work in sending away weaker disembodied spirits who like to cause mischief. Oft, these spirits were not Vampires

to begin with or if they were they are very weak ones. A strong Vampire who really wants to enter into the bedchamber of a victim and drain them will do so whether or not the victim has honored him/her by placing various herbs, salt, etc. about the room. More than often the herbs and such are of more psychological benefit than magical towards the said victim. Either way the base of the matter remains. Humans are food for the Vampire. We do not drain them of their 'auric energy', as this quickly dissipates. We drain them of their pure blood which lies within them. this is a primary practice which separates higher vampires from many of the often uninformed and weaker free-style 'psychic vampires' as they call themselves. We call ourselves Vampires period, in every sense of the word. We will choose to drain the Blood Essence because it is in line with out purposes of Survival. That is the key reason.

We will now explore for the aspiring initiate vampire ways in which one may drain this blood essence, in the context of what is known as astral travel. The aspects of the astral realm, the dimensions which may be accessed by astral travel (including the other physical dimensions which may also be accessed) is something that the true vampire will take upon him/herself to study as a science. There are many ways in which you may control through the use of traveling the astral dimensions but for now we will focus primarily on one of the many methods of which you may learn how to drain the blood essence. Blood essence is also a key factor which enables the vampire to perform acts within these realms - such as other methods of Feeding.

For start, this should be practiced in such a time period in which the individual will be able to bring himself to a calm and liquid frame of mind. Awareness is important. As one projects himself from his current physical body it is important to use your sense of awareness. while traveling other dimensions one is still able to smell, see, feel, and hear various things. It is also important to assume the mindset of what you are, a predator. No fear should be present within you, Fear is something that Vampires created to control and subdue the human herd in the first place. It is not something that is to be desired.

Sit comfortably in a chair or lie down on a bed. it should be dark to make the distractions of the things around you minimal. If it is possible for absolute quiet then this should be implemented. Music may also be employed to soothe yourself and bring you into the frame of mind in which astral travel is most easily executed. You will notice, upon returning, that during the traveling the music that was played in the background may not have even been heard by you. Its presence will be minimal as you begin to sense and hear other things within the realms you are exploring. Time may take on a liquid and intangible presence, especially when traveling other dimensions which are accessed by the astral realm. More often it will be as if little time has passed even though you may think that you have been away for quite some time, or vice versa.

Close your eyes. Now open your astral eyes. it is not rare that in vampires who have mastered astral travel to be able to close their eyes and still be able to see the things around them as they lie down because of the automatic workings of the astral senses after one has done this many times. You may now move your astral body about as you see fit. an important discipline within this sort of traveling is either that of speed or that of slow movement. It may be even harder to move slowly, slowly floating to your chosen place. You may travel within any place in the physical realm during astral travel. You are also able to access many other places which are not easily brought about while in your physical. You may access other dimensions of both astral and physical substance. often when it is seen that you are in some place which seems as not congruent with the current time period in which we live that you have accessed a physical dimension beyond our own. Often in these dimensions you may hunt in a material form which is recognized by the inhabitants just as you would recognize a wolf if you saw it roaming about a forest. Through certain disciplines you may exercise the practice of materialization within the physical-astral, as taught in the Ceremony of Insanity and Inflicted Idiocy.

An important note concerning sometimes when you may think "I can't prey upon that person". If some sort of barrier is felt, this is more than often a sign that the victim (who may be partially clairvoyant) is on guard. If the prey is learned in any sort of astral science he/she may try to resist

you.. The remedy for this is simple. Take your hand (which may be in the form of a spiked gauntlet, taloned claw, as to your liking) and strike them as if you wished to cut them. this will enable you to go about your act of Feeding unhindered. Do this as much as you like or as much as you think is necessary. Oft, in the case of highly developed astral vampires physical cuts on the victim can be caused by this. This is due to the practice (either voluntary or Involuntary) of physical materialization of your astral body. Accounts of these mysterious cuts due to malevolent spirits can be seen in many areas of psychic/ghost studies. If you feel hindered in your feeding practices, try then to feed upon the sleeping humans. It is also important for you to choose to shift into whatever chosen astral form that best suits your needs. These may vary greatly from vampire to vampire. some associates enjoy projecting in the form of a werewolf, while others may choose a very large beast-like creature or a demon. The forms vary greatly.

Move in on your prey, as a predator within the animal kingdom closes in on its kill. Descend your astral form directly on top of them (if sleeping) penetrating them. Often the victim will upon the morning report nightmares and the sense of being paralyzed for a short period is common. You must, telepathically, command your prey to not move and accept what is going to be done. For those who you purposely wish to play with, you may induce scenes and aspects of punishment (as is favored amongst many of our kind). Move directly on top of them. Remember that you are here to feed upon their BLOOD. It is the BLOOD that is the LIFE. It is not desirable to feed upon the energy swirling about them, but rather to penetrate and drain the pure-blood. Focus on drawing this into yourself. Do this until you feel it is necessary. this is an art which improves and can be augmented greatly over time.

We would like to recommend for beginners, this practice of meditation. View yourself in whatever scenery suits you best. Any sort of imagery that suits you can be used. You are sitting upon a mountain, in the form of a great bat like creature with fangs dripping blood and surrounded by a green smoke representing your powers to cause disease. it is night. A small village in India is below you. Earlier, you spy clairvoyantly a beautiful young girl entering into the cottage of her parents. All is quiet now, all that can be heard is the insects and other animals within the forest and field. The humans are sleeping. You fly down and enter the cottage through one of the windows into the girl's bedroom. She is sleeping softly, lying without blankets upon a cot on the floor because of the hot summer weather. You perch yourself above her, and then descend directly on top of the girl. Her eyes open as if to scream. You stare at her intensely, she is commanded to be quiet. She is commanded to see and experience the predation, but she is not to move nor resist you. You open your mouth which is filled with long fangs, and bite into her shoulder. Blood begins spurting into your open mouth. You hungrily drink this precious elixir. You rip open her gown, exposing a young tender breast. You can hear her heart beating. You position your bloodied mouth at the bottom of her breast and clamp your jaws into the soft flesh. Blood gushes into you. You raise yourself up, hovering near the ceiling. she lays limp, you can see the wounds but al the blood is gone. You have consumed the blood which spilt forth. You rise unto the night sky and return to your chosen abode. This sort of meditation will call forth to the hidden predator within, rising you towards ascension to the Throne of the beast. There is much to be learned.

The Law of the Hidden

by Emperor Norduk

What is the essence which lies beneath the watery depths of the sea of Leviathan, what is the droplet of blood which does not leave the chalice after it is drained, what is the goat that sitteth upon a rock high upon the mountains of Set as a man sits, what is the wisdom within folly. That wisdom my child of the backwards darkness is the utterance of the holy word: Nosferatu. Nosferatu. Nosferatu. Nosferatau.

And the base of the working is Nosferatu! And this is the Roc and the essence contained! And this is the changeling birthed of the succubus, and this is the key to which the Aeon is held into place. One which utters the word and flows down into its depths is the one who proclaims that the master of the blackness earth has returned and with him the denizens of the night paths the throne of Ra who is Ra-Hoor-Khy-Ra, the thrice entranced god and goddess, the baphomet which projects no form about the wall when the light shineth upon it. Through the sacred doors through the keyhole there you will find the blood red goddess of blood and death which has her birth from chaos and is in chaos verily the chaos shall merge with the abyss and the abyss shall borne forth blood. Those of the priest's wand, those of the serpents fang, those of the dead leaves essence, he shall sit upon the banks of the black water and watch the partaking of the mother goddess who erects the temple with her breath for in the union of the mother and the daughter so is borne the son and the father uniting together in the birth of the terrestrial Qliphoth, the AEON OF THE DRAGON OF CORRUPTION.
Blessed are the black for they shall inherit the essence of black.
Blessed are the yellow and the white and the green for they verily too shall be merged into that Black.
Oh Great God of the Werewolf Forests, BAERMOTH whos name shall be uttered upon the Black Altars of the GODDESS OF DEATH! I am the Dragon of Corruption, I am also the Pythoness, I am the enchanted knight who gleams with the magnificent of the risen blood and I am the stripped skull which manifests as the king of the spirits of death and its essence. ARISE OH BLACK ONE! Ye RISE! Thou Has Risen! Now thou are the essence of A L. Black is the color! And of the sound : it is upon the winds through the hidden deserts of Father Pazuzu it is the winds through the forests of where Behemoth's name was uttered in the AEON of Rising BLOOD. Now Show yourself! You have been stripped to the essence and the one who whispers the words shall know the ways of the Black Ones! Come unto me! I have been Immolated in this Stream of Blood Essence from beyond the astral gates, from beyond the seat of Godhead where Krishna, whos NAME is BLACK sits, From Beyond the Beyond, Afar in the very ESSENCES OF DAETH DAATH DEATH I HAVE MET WITH THE YELLOW PUKING SERPENT OF VOMIT.
This is my Law. The Law of AZAG, of AZAG-THOTH ARISEN! Of the FLAME in the EYES of the city, of the flame in the breath of the Ja-Daf Djf-Koha is now kog-jd. What is the heart that beeteth out blood to the body? What is the mind that absorbeth the sounds of the word? These are the Flames Leaping from the Gate of the Endless Borneless Headless one whos name shall be uttered.

The Art of the Wampyric Tendril
By Emperor Norduk (from "The Countess Elisabeth Bathory")

Within the Tempel of Azagthoth, the art of drinking of the essence of life force from living humans is termed the Art of the Wampyric Tendril, the Wampyric Tendril is the prime symbol of our order and represents the art of draining life force, and causing harm via astral contact to your intended prey. This symbol is not overly complex in appreance, but its uses are varied according to the warlock/witch who would use this sigil and practice the arts it contains. For those familiar with the process of imbuing physical objects or symbols with astral energy, you may consider its application when the Wampyric Tendril (the symbol) was created. It is in fact the Oldest created sigil from the Tempel of Azagthoth and can be obtained upon request. The second symbol of the Tempel of Azagthoth is the Coffin, not only does this correspond with the Wampyric principle of

the human, through vampiric metamorphosis and training, it also has a very large symbolic signifigance regarding The Communion of the Dracul, the summoning of the undead gods in which the arising wampyr sacrifices his accumulated life-force from his predatory journeys until exhaustion sets in, then which comes the re- giving of life-force from the undead which is symbolized by the tendril near the top of the coffin which pours down blood upon 'the resting place of the corpse' thus enabling new life, higher powers through constant practice of Wampyrism, metamorphosis, and finally Immortality amongst the Undead Gods. This is not an easy path and it must be stressed that Wampyrism, unlike other forms of the Occult, must be taken on as a constant practice. The Wampyr faces many tests, but needless to say if you fail at your arisal to the Throne of the Beast, a fate worse than death awaits thee.

The Art of the Wampyric Tendril involves astral life force draining in many different ways. There is the practice of the 'evil eye' which with the skilled magus can implant thoughts, drain energy, and instill certain factors which will affect the recipient of the enchantment later on. By projecting thoughts through use of the unblinking stare, your astral body touches the victim, and your thoughts are instilled into his mind and the victim will always view them as his own thoughts and act. For instance, if you wanted the person to pick up a book, through this practice you could use the phrase "That book looks interesting, I must get it...", never say "I Want that person to pick up the book..". That is not the correct method, and it will not work. Always implant a statement into the persons head that will make the person think that it is his own idea, not for the sake of the person finding out that you are implanting ideas in his head, that is quite ridiculous, the trouble with using indirect methods in this art is that it tends to cause too much confusion in the brain of the recipient to reap results for yourself. Human prey do not believe for the most part that they can be mentally influenced without their knowledge. The Wampyric Undead as well as the Living Wamphyri always promote the literature and teachings which continues to brainwash human society and thus blind them to our hidden ways.

Astral life-force draining through sight involves the use of your eyes, and extension of the astral body (the wampyric tendril) to touch your victim and remove the life energy from them. Small completely undetectable motions with the fingers and hand, as well as physical inhalation, can speed the process of the recieval of energy from the victim. As the Wampyr strengthens his art and power other means of life-force draining are possible.

The art of Astral life force draining from the human while you are completely detached from your physical body and a part of the astral plane, is one of the primary practices of wampyrism. The sleeping human provides the purest life-force which will violently increase the wampyrs life-force. The more beautiful the victim, the purer the life force. As the human sleeps, they have no control over their astral body as they are not practicioners of our art and have certain weaknesses, while the wampyr has many uncanny advantages over the human prey. It is possible, when the wampyr's astral body has approached the prey, to enter into the dream state of the human and implant certain scenes in the human's subconsciouss. Through properly prepared potions and elixers, it is possible to cause sickness in victims, although this seems to be a common after effect of Wampyric attack. Remember, the more life force which you obtain for yourself, the less life force for the human. Thus the weaker and more fragile his whole being will become. It is always the pleasure of the Wampyr to be able to drain the purest blood from the veins of living humans, then muse as the humans world utterly crumbles into chaos and disorder before you as your world increases in experience and you come to know the way of the Vampire Dragon Tiamat and the way of the Black Wizard, AZAG-THOTH.

DEATH WILL SLAY WITH HIS WINGS WHOEVER DISTURBS THE PEACE OF THE TEMPEL OF AZAGTHOTH

Rite of Barbaric Return
An Invokation and eating of the Death Current
'Oh Black Earth you vomit forth Blood you construct the conscious existence of humans to strike them down again unto the belly of the earth as their body dies and turns to rot. Tiamat - Come Forth from the Abyss! Oh Death which humans fear, show yourself in your form as Azrael the Angel of Death. Come unto me and show yourself in your most harsh and hideous aspect. So that I may eat of the filth and consume the powers of death that I may slay with my wings as the Vampires of the Ancient Days.
I, Under your shroud of death beseech and call unto the Ancient Forms:
AZAG - Sumerian Demon and Father of Lineage ripping through the black night with the ferocious blood lust of a thousand time thrice jackals. Your glance with blind eyes is transfiguration unto the brothers and sisters of the Blood of Tempel Azagthoth and discord and terror for those who oppose us. We are Black Ones great AZAG ! We Feed and Fire and Fury! AZAG hear our calling!
TUTANKHAMEN - Lord of Egypt and the sorcerers of the pyramids and the hot desert nights - upon the breaking of your ancient seals your powers of death were unleashed for the glory of the Vampire and the culling of mankind! Thirteen have been slain to rise what is 13, Bless us with your horrific touch that we may slay many more in honor of our Family. TUTANKHAMEN hear our voice!
--
The Vampire shall now wish to lie down to sleep to let the powers manifest themselves and fructify within the unconscious mind. Before allowing sleep to overtake you, visualize a demon breathing green colored smoke from his mouth. Inhale this smoke within yourself. This rite will further cause Alchemical change and cultivate the death current within the witch/wizard. There are some risks that this rite may incur, take any physical reactions to this invokation as a part of the alchemical change taking place. Force yourself to enter into the states that come willingly. This rite may also be performed as a ceremony with more than one vampire under the same circumstances as above, with all participants reciting the invokation

Calling Forth The Blood of Tiamat
-Tempel of Azagthoth-

This is a technique issued for the masterance of the art of Blood Feeding. The vampire shall first will himself into a unified consciousness. This shall be done by a willing of the blood pattern to conform to your desire for unified consciousness. You shall suspend your active state, and descend gently into the Undead mind frame. When you have reached this, begin to feel the blood pools of Tiamat. Do not command this to depart when it comes, you will feel these blood pools instinctively. Now begin to transform your spiritual body into the shape and form which you desire. Begin traveling within these perpetual blood streams, connecting to your chosen Prey. You are Akhkharu, one of the Black Vampires of Tiamat. Assume your inheritance and feed upon the life-giving blood essence. You shall see with your astral eyes, the form of your victim. Merge into their body, and feed. One may also merge into the prey and enter into the (sleeping) victims mind by projecting yourself as a mental image. In this dream state of the victim, you can project images and interact with the dreaming human. This may be experienced directly by the prey, or even implanted as an unconscious action which will gradually manifest itself. When you are finished, withdraw from the prey and will yourself to enter into your physical earthly body.

OUR HOME OF PUNISHMENT
From "Der Pazuzu", Tempel of Azagthoth (C) Emperor Norduk

Black and grey clouds passed quickly above this hate-swept land. Just as the dark earth has housed the carriages of chuckling Victorian lovers, without really caring what may happen in their future, hoping for Immortal Life through their Lord Jesus Christ - but not really caring of understanding - the earth had also seen the trampling feet of great White horses of war. And upon the steeds, sat grim and hateful men - bearing swords and maces which were crusted with the

Blood of many slain foes. This land had also been home one dark morning to a dying woman, plagued with a hideous disease - one of many in her time period. It was this same black earth that soaked up the tears she cried as her lungs bled and her mouth dripped dark sweet blood upon the cold ground.

It was a land of hate and love, and land of darkness and Light. I walked through the forest during this night, cloaked in a dark black hood - as the shadows lengthened and the clouds moved ever closer to the earth. These were the depths of the woods, far away from the places of human inhabitation, behind the wall of the harsh winds could be heard the sounds of many a Nocturnal insect and animal. But as I moved through the forest these dark creatures did not move in, they gladly parted the way in respect and reverence. Even the grey wolf looked up in respect as I passed through the land. Many have traveled these woods with fear, expecting the darkened predators to come unto their death call at any moment. And, in the nature of things, their wishes were duly met as the pack of Wolves surrounding the screaming Opfer and tore him to bits. Hungrily gnawing on his bloodied flesh, gladly consuming that red elixer which split forth from his arteries. And when they had left, he lay there, being brought into the realm which he had only encountered (so he thought) in dreams. The realm which he had tried to ignore at every turn.

But I did not travel with fear, I traveled with understanding. These were no horrible places for me, but a place of beauty. Just as one would look upon a beautiful horse running across an open field in the light of day, I recognized the inherent beauty in this nocturnal landscape. But what is more, I understood. The Deeps Ones, those who dwell in the rivers and lakes and pools within the forest, greeted me smiling. Treating me like a long lost friend. The Trolls too had no animosity towards my presence, for they too were a part of this Older greater knowledge. For those who were, in all ways, Predators, they held love in respect, for those who traveled with ignorance and fear, they knew what their purpose was, for the better of the Universe at large - they must be used for a purpose if they will not unlock their own inner potential.

But I had not come to the forest for mere observance, I had observed these things many times before. There was a meeting tonight my friends, a beautiful meeting, a wonderful meeting! The young girls in the village turned back their heads upon the morning before and let out a laugh to the skies. Tonight the reward for their culling would be presented to them. Tonight - they shall see their Black Master.

The Priestess of the group was a young English beauty named Leisel, her ancestors had the blood of the Alp running through their veins, they had been the Anglo-Saxon invaders that had come into the land. And with them a great Host of Spirits from the Black Woods of Old Germany, and in the Astral realm, there was much rejoicing. She was around seventeen, her current physical parents were hard workers, they dwelt in the field and hills. Watching their sheep-herd, farming their fields. She was ravishing in appearance, shining blonde hair and blue eyes - her figure, voluptuous and full. Her eyes shone with the wisdom that could be seen in few, for she was a Predator, a daughter of that High Werewolf of the Forest! And through her veins, a powerful blood flowed, the Blood of the Alp, the inheritance of the Sexual Predators of her bright homeland and of even Older Traditions, that of the Death Goddess Lilith and Hekal Tiamat.

She stood now at the gate of some old ruins that were in the woods, smiling as I and the other members of the cult arrived at the place of ritual. She kissed and embraced each person. The Varcolaci were pleased by her, they crowded about her in their hideous blackened acasual forms. Now a brooding silence came over the place of ritual, which was welcome for Leisel and the other members of the cult. The Hunt was now about to begin. A small child began hitting the gong which was placed on a large piece of stone between two twisted trees, and the shiftshaping began. The forms were numerous, but because of the purpose at this time, they were all hideous. Leisel, who had since disrobed from her white garments and stood before the cult naked, arched her back as a ripple of power went through her body. Her shape began to change from that of a beautiful girl into that of a hideous beast, a Varcolaci. Her eyes were now yellow, her stature well over ten feet tall, her skin was a blackened crust with vapourous liquid dripping from the boils

and scars which she had placed there - in accordance with WILL - for her own purposes. Her lips curled back in a Satanic grin, and her black tongue darted out - serpentine - to drink of a goblet of blood upon the altar.
All the other Vampires followed suit, upon their complete transformations there were many different forms. Varcolaci, Werewolfs both of black and grey, pale and royal figures of the ascended Undead, bats, mists, and satyrs. By their astral eyes they spied into the Chapel, there, on the altar of Christ, adorned with the Cross, symbol of Death and Lilith awakened, the black robed figure of their Werewolf master grinned showing rows of razor-like fangs. It lifted a furred black paw, The Hunt Has Begun.

THE WAMPYRE-VARCOLACI PENTAGRAM
Project through the sphere of the Wampyre-Varcolaci Pentagram. Travel in your astral form to the sleeping body of your chosen Opfer (Victim). Do not just predate upon them, terrorize them, punish them, extract their Life-Force while injecting the most hideous and bizarre scenes into the Opfers dreams that you can muster. If they struggle, a fast swipe of a long taloned claw shall do the trick. Enlarge your astral body and merge into theirs, and drink deeply of the Blood.

Introduction to the BOTD:
Black Order of the Dragon is an esoteric/sinister "think tank" of individuals exploring the dark aspects of magick/vampyrism/satanism and the like. The BOTD publishes many manuscripts through their own publishing house, Nekromantic Productions/Axis Press. BOTD thus far has released manuscripts on pathworkings concerning Vampyric Magick, both Hermetic and Ceremonial, Astral Projection, Demonic sphereworkings, Ritual magick, Satanic/Faustian Will, Lycanthropy and blood mysticism. The BOTD is also dedicated to exploring the many so - called "evil" archetypes and symbols in folklore and mythology. The significance being the awakening of various sinister archetypes which are able to assist in the unlocking of subconscious "doors" within the psyche of European and Euro-decended man and woman. Sexuality is also an exploration, both with our affiliate "Tempel of Azathoth", who have dealt with fetishism, sadism as well as Vampyric Magick.

The BOTD represents balance as well as insight developed via personal experience. After all, personal experience IS the greatest teacher.

The BOTD is not for the squeamish and weak. We seek to inaugurate the essence of the Red Dragon and the rising of Lucifer. For those who travel the paths of wolves: Ascend!

The Black Dragon Arises

Vampyrism, Through the archetypical symbols which have existed since the Sumerian period, such as one of the first known cult of Vampyrism, HEKAL TIAMAT, to Vampyrism in Transylvania as in the reality of the original Order of the Dragon, in which European hero Vlad

Draculae was a member of, to current Vampyric covens through the centuries, to current period covens have always, intentionally, blinded the masses.
It must first be known that vampyrism is NOT at all a simple, or relatively quick path for everyone. Vampyres are more or less born dark, those who have been in touch with their darkside or shadowside since their childhood.
Vampyres do not view themselves as humans do, because we are NOT human in all tearms. Humans are sheep to our kind, we do not hold any place for compassion, tolerance or love for sheep. They are our prey, and lifeforce. Vampyres look upon their personal being as GODS, the humanistic concepts of mortals do not guide us in anyway either. To become vampyre, the individual must tear away all strains and weaknesses they have picked up since their first birth.
Do take note, this is not any easy thing to do, however, observe, this is only the beginning. The individual proceeding down this path must push his/her physical body to the limits, as well as testing mental and developing psychic strength. Psychic strength is highly important for developing the Vampyric will. Through a period of several years, the individual will slowly build the character needed for the individual to immolate his/her essence with the crimson of the dragon.
For most involved with BOTD, a parallel with traditional Satanism should be observed. If traditional Satanism defines pushing limits, going beyond what is morally "right" and "wrong", "good" and "evil", as well as implementing Aeonic, acasual and casual transference (ie. the Nine Angles), building a superior, elite occult fascist character then Vampyrism can be seen as an extension of the path of traditional Satanism.
That which does not progress, perishes! This is very true and realistic. Any initiate interested in the BOTD will be introduced into a very harsh will training and Alchemical change process. Most of this is done in Hermetic rituals, seperated from all comrades, friends, and lovers. This the ONLY way which will build material for a GOD or GODDESS.
While actual human blood (not animal) holds psychic energies obtained in advanced vampyric rituals, BLOOD ESSENCE (Astral lifeforce) holds the highest significance for such, incorporated through many different levels, is the path or partial key for immortality. The initiate vampyre will learn to set his/her mind from the individual human and realize ALL progressive change and evolution is caused by him/her ALONE! The Vampyre IS god itself. The Vampyre realizes that ALL other humans who are not amoung his/her rank or kin are prey and pawns.
Lifeforce is drained from humans through astral contact, as well as clairvoyance amoung others. The powers of astral hunting through dream and drinking the purest lifeforce is ONLY best described through the experience itself. The symbol of the vampyre who drinks blood from sleeping humans (Opfers) is not far removed from the astral vampyre predator - Known as Varcolaci - who drains lifeforce from the sleeping humans astral body.
Through the nightside, the vampyre through will and practice, can shiftshape, to hunt amoung the shadows. The forms can be several, Varcolaci (a form of demonic bat-wolf and dragon resemblance), to wolf and bat. This is all based on general and simple scientific law.
Vampyric communion is an essential part of vampyric survival and renewal. Secrets of Vampyric communion are first described in "ART OF WAMPHYRI" and further in "CTHULU".
BOTD is currently guided by Clan Nachttoter, of Germanic blood, under guidance of acasual Vampyres, our goals are quite the numerous. Time will tell the significance. Our sigils to invoke the essence are two : The Wamphyri Pentagram, through the sphere, lifeforce is transfered, godhead is achieved. Nefarious shadows haunt any human uninitiated. The other symbol is the Nachttoter seal, the symbol of the Nachttoter Vampyre Family, descended from Germanic and Celtic blood. Members of Clan Nachttoter currently offer guidance concerning BLACK ORDER OF THE DRAGON trials and paths.

Circle of the Red Dragon
- Transcend the flesh in the form of Varcolaci -

This is the rite of dying and being reborn. The sigil is of our coven, our family - The Red Dragon, Tiamat. Of Nachttoter....
Those of royal vampyric blood. The altar should be located on the west wall if at all possible. Upon the altar should rest a human skull or well crafted model. The human skull represents the death of the human condition and rebirth. If the skull is authentic then some essence of the individual may be connected already - thus representing the risen essence - Beyond Godhead towards the black cloak of Azrael. A crystal should be implemented as well as soil from a graveyard enclosed within a cloth pouch. A virgin dagger.

Above the altar should be a large plate of the Wamphyri-Varcolaci Pentagram, as well as the seal of Nachttoter - The Red Dragon who is TIAMAT - Vampyre Mother of Chaos and Evolution, 77. Incense should be Frankincense or Jasmine. Candles should be red and black. Enter to die and be reborn.

RITE OF THE RED DRAGON

With the Sword of the chamber, shape the inverted pentagram, focus upon the fire which be arise from each point as a result chant: ALL THAT IS BORN OF FIRE LIVES IN FIRE.
Through shaping the pentagram the sphere of Satan is opened - the true self is revealed. The Triangle of LAYLAH is to be drawn upon the wind, to inaugurate the symbol of night and death - equaling 77, the tract of rising-GODHEAD. An inverted Triangle should be inverted, focus upon the blood red eye which will glow as much as your desire allows.

Point the Sword to the Sigil of Nachttoter and then to the Wamphyri- Varcolaci Pentagram - Call the Undead gods upon the astral plane - FROM THE FOUR WINDS, WEST, NORTH, EAST AND SOUTH - UNDEAD GODS OF THE NIGHT, ARISE FROM THY CRYPT IN THE REALMS OF THE DEAD, SHADOWDEMONS, THOSE WHO VEINS HOLD THE BLOOD OF TIAMAT COME FORTH!
Hold the Virgin Dagger and the pouch of grave soil, focus upon the sigils of the Vampyre and repeat: I have lived as Moroii, transfering the lifeforce into the jaws of the undead gods, I now seek to ascend into the condition of Vampyre-Varcolaci, to die a mortal death and be reborn to the blood of the dragon! I spill my blood into the grave soil and transfer a part of my essence and being into this - My life-immortal-My WILL STRONG!!! TO BE REBORN INTO THE NIGHT!
- Cut yourself deeply enough to stream blood into the soil-while doing so chant and visualize TIAMAT - A burning sphere with a blood red dragon - UNDEAD GODS - Witness the deication of the burning spheres, within I have absorbed the WILL of Nachttoter, those shadows demons of TIAMAT - I have died and been reborn into the WILL of the Red Dragon.
-Hold the crystal and focus upon the Chaos that your WILL has evoked and invoked upon the casual realm - Focus and inject your new being, VARCOLACI.
-Begin a sacrifice of Life force into the Wamphyri-Varcolaci Pentagram, once your astral eyes are opened you can see strains of lifeforce entering the pentagram. After the sacrifice, you may feel a stronger Life Force known as the Blood of Tiamat given back to your being - The Undead Gods give such a sacrifice to you.
I AM VARCOLACI - MY WILL IS LAW AND LOVE IS TRIUMPH! THE GATES ARE ALLIGNED AND I HAVE RISEN! SO IT IS DONE!

Night Shadows and Varcolaci

Astral travel and the rising of the Varcolaci is an important step within the awakening of the Vampyric condition. In recent years there have been many books and articles by the so-called "Magick/occult society" who claim to have the secrets and system of astral travel. they call astral

vampyrism "wrong" and unnatural. Is it unnatural for the wolf to devour its prey? Is it unnatural for man to kill cattle and other animals for food? An absurd notion for an individual to deny her/his true nature.
The Vampyre looks upon astral travel as a time of meeting with other Varcolaci who have taken to ascending the human condition. Varcolaci will roam the night and brain lifefore from sleeping (i.e.. unaware) humans.
It is, during these times that the Vampyre may shape shift into any form according to Will. The Varcolaci form is always usually different from vampyre to vampyre. Some often resemble the demonic shadows of the Varcolaci - Wamphyri pentagram, while some are more wolf-like. The form is according to will and can change when desired. Some will travel and feed from prey in desired beautiful forms, as white and flowing beings or as ghastly wraiths.
Astral projection is a several step system of meditation and control. To properly meditate and enter the mindset of astral projections, one must prepare the home or place of this practice in a quiet manner. Take the phone off the hook, turn the TV off, and make sure distractions will be to a minimum.
You will need to find a comfortable place to lay - a bed or couch. Incense should be burnt, either Frankincense of Jasmine will do. A red and black candle may be burnt, of course totally optional and rather unimportant.
Once you lay yourself down to begin, you will want and need to clear All worries and thoughts in general from your mind. Be relaxed and slow your breathing and heart rate.
From your feet up, tell yourself as you relax each part of your body. do this until your entire body is relaxed. Once this is done, concentrate on causing your astral to extend and take the form of your desire - it is All according to your will. Once finished, focus your mind's eye toward extending and rising from your body. You will feel a strike of excitement but you will need to control this emotion and remain calm, nay very calm. The result if not followed will be failure.
Once you rise as Varcolaci observe your chamber and surroundings, look upon your sleeping body and absorb the feeling of pride of watching the sleeping human form in which you walk the earth in.
It is now time to rise and fly the night sky.

The Black Wraiths Ascend

Now that you have risen, you may pass through doors and windows. Float beyond your chamber through a door or window into the night. As you float through you will feel the power that is within the self and only begin to realize your possibilities of being Vampyr.
Once you enter the night, take some time to observe the surroundings, remember your astral eyes are now open and only now can you truly see. things may be a bit different now and you might see things you normally do not ever notice.
A word of caution however, once you have risen as Varcolaci it should be aware that you have practiced a path of inner strength and will to power. The reason is once you enter the state of dream and rise as varcolaci then are you open to the spirits and outer beings and energies within the nightside as well. You are only as safe as you will it. If you travel and float with fear, the predators, others as you may take scent of it... Wolves Smell Fear... a lovely scent for hunting the spirit.
Fly with joy into the night sky and travel where ever you wish to go. You will want to feed upon a sleeping human, for the life force in this state is so pure. Enter their home, float to their sleeping chambers ad watch them with your astral eyes... notice the life force, the astral body which lays with the sleeping opfer.
Float beside them and smell the life force flow through their veins. It is now time to feast and taste the blood which is the life. With your will, send forth a vampyric tendril and make contact

with the life force. Once you do so, begin to draw it in deeply, enjoy each slow drain until you are satisfied.
Once you finish draining the opfer, detach yourself and once again enter the night. you will feel much stronger, more invigorated than before. Fly as the bat within the night and enjoy all that is being Vampyr. You are predator and it is your natural duty to feed from humans.
For those advanced into the black arts of wamphyri, there are certain keys to entering other dimensions... however this is only for the inner circle of Coven Nachttoter and is a mystery of the coven. When this is obtained, many strange things will be seen and be sure it is mystery for a good reason. One must be prepared when entering a predatory state... or else he/she becomes prey.
Once you have haunted the night and you are ready to return to your human form let your instincts guide you back to your dwelling... you metaphoric tomb/grave. once you have entered your body then open thy eyes! Behold, you are as god itself. Now open the gates to further realms of Darkness.

The Wake of the Red Death
A Ritual of Destruction

"The Masque of the Red Death" is a very powerful tale by Edgar Allen Poe, the late poet and writer who raised the level of literature during his time which has changed the field of writing and those interested in the macabre for all time. Poe used a great deal of symbolism in his works, a manifestation of death incarnated into the archetypical Red Death, the tall and gaunt figure of blood reds cloaked in the shrouds of the dead. The Red Death is implemented in this destruction rite as the plague bearer, an extention of Azrael - the Angel of Death as a messanger of Will.
This ritual is to be done during the night, past midnight for then the powers of the astral waves are yours to manipulte and man is vunerable at night, more of a chance o success if they are not of strong mind and spirit. If they are as an equal, then there are several secrets in the destruction not listed in these pages. this is either a hermetic rite or could be ceremonial as well.
The Sorceror is to be clothed in a blood red cloak and/or robe. The Sorceror should also be clothed in a white grave shroud which would be placed under the robe or cloak. The face should be streaked in blood red paint or blood, same with any bare skin shown. A personal item of the inteded opfer must be present, be it either a cloth, photograph, paper, etc. A crystal should also be present as well as bones, dagger, above the altar the Wamphyri - Varcolaci Pentagram and the Sigil of Nachttoter - The Red Dragon.
This night you shall become vengence and anger - The law of Abraxas is implemented - The spirit of Kali is invoked. Love love and love causing destruction to those who have crossed you.
The Red Death Awakes
Shrouded in the habliments of the grave, take in your hands the grave soil in which you have blessed as your own, in the other the crystal which you store within your acausal energy.
Face the sigil of the Red Dragon and the Wampyre - Varcolaci Pentagram and visualize fire and blood entering yuour being, filling you with violent and destructive energy - Demonic shapes for within your mind, shaping according to your desire. The Red Death you become this night - Chant:
Tiamat - Mother of Vampyres and mother of immortality - I seek thy energy - thy life - This Dark night I invoke the powers of destruction to spread destruction to my enemy! I will remain un-harmed from this calling and it is my Will that the joy of causing death to my enemies is one of the ultimate pleaures of existence! I am Vampyre - All humans shall bow before my might and strength - For under the bloodied kiss of LADLAH I have risen!
I invoke the Vampyre Earth Goddess KALI, Mother hear calling and enter my sanctuary and my being - I am GOD! Blood drenched mother of nightmares, My enemy is to be devoured this night through MY WILL! MY DESIRE! MY LAW! Just as I cause Joy and Love to myself and others i

can and also do DESTROY those who break my law - Hail Death! I now become the RED DEATH, fill me with the spirit - I am of Nachttoter - Blood of the Dragon fills my veins! The fire of Satan envelopes me, enpowering my being through my desire. the svastika of EA spins fast, causing life, love and destruction according to the strong and clever.
I AM THE RED DEATH!!!
Take hold of the opfer's personal item, feel the astral energy of the opfer.
Raise the dagger and repeat:
Through the sigil of the Red Dragon and the Varcolaci Pentagram I condemn thee to Death - - NAME - - My astral talons are reaching to your dormant body and spirit, I am the Plague Bearer, Vampyre. I cast 1,000 diseases towards they life breathe, infecting you with torment and black death... This is my Will.. This is my Law! I drain from your body thy precious life force and install the breath of the Plague - the RED DEATH now upon thy spirit to suffer and writhe in agonizing pain. - - name - -, your life orce is mine to feast upon. The Red Death is above thee...
In hale deeply the life force from the object. Visualize plague and death infecting the intended opfer and the slow death which affects them.. rejoyce in the death and blood.
Mother KALI, I give thee honor as I give myself joy! Victory is mine! Joy to a burning planet which ABRAXAS RULES! SATAN I AM THEE AS 77 - This is my Law - the Joy of the world and the beauty of Night and LADLAH!! I stalk the nightmares of thy enemies - I AM THE RED DEATH!!!! I AM VAMPYRE!!!!
SO IT IS DONE!

"The Moon Drips of Blood:
The Wolf (Varcolaci)"

(A Raven and Serpent Masquerade excerpt by Peter Nachtgeist and Michael Nachttoter)
The wolf represents the moon and the strength which flows from it's light. The feelings and emotions awakened in the heart of the predator by the glowing and enveloping fullmoon, are in nature similar to the dark, mysterious moods that the sound of howling wolves inspires.
We, Vampyres, predators of humans - visualize ourselves as the darkness of nature, nature unveiled. Strong, pure and beautiful. - When the night cloaks my thoughts, and by darkness I'm embraced, when the mist is colored red, and the moon drips of blood, when the chill bites my skin, and I ride the winds of Death, when the shadows haunt the night I lust for my nightly sip.. (Moonthirst)
Nocturnals do not fear death, as death only means returning to the infinite darkness, the Dragon's Womb - as well as for the risen ones - Varcolaci - Vampyres who have achieved Immortality.
Vampyrieth 77
The scorpion symbolizes the starts and the drape of cold and dark infinity in which they lay in wait. The scorpion is strength and honor - love and life - It is also the harvester of Death.
The Raven represents the darkness that cloaks out spirits.
The Raven seems to paint pictures of plague, death and misery.
The Raven or us is our nature and being. We are of the night.
From the Flesh to Spirit
From the lands of Transylvania and what is now Romania and Hungary comes the Astral vampire known as Varcolaci. The Varcolaci is said to during the night hours, rise from their physical form and under the cover of shadows, ascend towards the nocturnal sky and drink blood from the moon.
Varcolaci is known to appear as a wolf with many mouths, a small dragon or a blackened shape of a demonic winged ghost, filled with an aura of death and lust. In the folklore of Transylvania Varcolaci can travel in several ways: When a woman spins thread alone in the darkness, she may create an astral thread in which the Varcolaci may rise into the sky to devour the moon. Often, the thread would be spun from the accumulated dust and dirt towards the sun and moon, the woman

would be covered in blood and continue to spin. She would then have completed the bridge for Varcolaci, therein to wander the dark portals of the cosmos to attack the heavenly bodies.
The reality of Varcolaci is so very true. A Vampire is also in fact Varcolaci, once the discipline of Astral Traveling is Achieved, then Varcolaci is able to develop and rise as a demon of great power. This is the path of immortality, of predator and prey.
While our kind does not exercise just the rising of Varcolaci as it's primary discipline of vampyrism, the condition and exercise of Astral hunting is very important towards the developing of the Vampyric Godhead, in which under the control of 77 all is possible within Will.
Varcolaci is usually soil based, during the waking hours the Vampyr will walk the earth. When the time for physical rest comes, the Vampyr will then leave his physical body. During this the vampyr is able to shape shift at will.
The Varcolaci will rise especially when the moon turns a blood red or copper color. The dark spirits will then drink astral blood from either the moon, stars, or the sleeping opfer. Remember, the dream is reality and all is formed within the dream.
It is to be known the astral wars are not yet over, that there is to be two rivers of human blood and astral blood poured from the cosmos, that our harvest will come and we shall take heed of the powers in which we sustain as being the Vammpyric Godhead.

Folklore and Reality of the Germanic Vampire Races

In this section we will investigate the folklore and reality of the German Vampire races. Each differs in some way or another depending on the location. Common in folklore is that vampires eat from their own corpse before they rise from their coffins to prey upon human opfers. They would often lure opfers to their graves and by fog and funeral dust they rise to drink the blood which is the life. German vampires are often viewed as spreading plagues, like a cold wave their will calls upon rats and the army of the night to do their bidding. Below is the truth and lie of the vampire.

ALP

A german Vampirelike spirit associated with the Incubus and the Succubus, tormenting the nights and dreams of man and woman, driving them toward sexual extasy and then terror. The physical manifestation can be quite dangerous, long connected with the nightmare, the alp is aid to dwell as a demon within a tomb. Some forms include the werewolf or a demonic man-bat-wolf manifestation. (All of which is quite true and accurate as all is possible to those who have utilized magick and the dream.)
During some periods and times, the Alp, in the form of Varcolaci, may enter it's opfer to command the body. The ghost would enter through the opfer's mouth in the form of smoke and a serpent.
The alp will often drink blood from the breast of a woman (or any other place in which major vessels are.). The incubus/succubus are in most cases astral vampires, probably in 90% of all encounters. Although it is said that some demonic spirits who are not vampires can haunt sleeping humans.

NACHZEHRER

It is this race in which one of ours is marked from, the Nachzehrer is long known in Germany and surrounding places in Germany. The Nachzehrer is said to be distinguishable in it's coffin by odd custom of holding the thumb of one hand and keeping it's left eye open. The Vampyr is said to chew upon his own limbs within it's tomb. The coffin in which the Vampyr sleeps is said to be

filled with blood and soil of it's grave and or/ homeland. The Nachzehrer can also eat flesh of the dead and is quite active with Necromancy, the art of the Vampyr.

NEUNTOTER
A blood line from Saxony, traditionally the great carrier of plagues, usually seen during grim and severe epidemics. The Neuntoter (Nine Killer) comes from the belief that it takes nine full days for the vampire to develop in it's coffin.

NACHTTOTER
This German race of Vampires is currently active in the United States, primarily in Indiana and Houston, a coven which is the control base behind the Black Order of the Dragon. Nachttoter translates "Night Killer - or Killer in the Night" being the power of this vampire as a predator within the casual realm, Varcolaci obtained. Members of this race may be summoned in Varcolaci forms on some nights, beware through, what is obtained comes with a price.
From the seed of Belial

- The Inauguration of the Devil –

Before one seeks to master the shadows of his/her astral one must reach a state of completion and strength within the flesh itself. One must never deny the pleasures of the flesh but one must always be aware to practice self-control and inner strength. This is the law of our kind.
Vampyres are masters of the flesh, we indulge fully in that fact. However, we understand that the flesh is not forever and that even though some of us are fully capable of floating from body to body, that eventually the flesh dies.
We are essentially to be as ghosts, vampyre spirits who have achieved immortality through the Blood of the Red Dragon. We do not fear death, as the spirit is immortal according to our will. However, we enjoy the pleasures of life. The devil is lord of the earth.
Vampyres do now bow to any anthropomorphic being, in fact we only view the archetypal "Satan" as a power... the power within the cosmos and earth, the power within us. Those who embrace this power and all that it is and utilize it in fact become the devil itself - Satan Ascend, Lucifer Rising. This is the law of Satan. Bow before no other gods but yourself.
Belial is viewed as a master of the earth. This is the key of understanding the mastery of the earth - Satan incarnate. The following rite is for those who seek the path of Vampyr, those who would stand strong in the face of a world for their own taking.
This rite can be used either as a hermetic rite or as a ceremonial rite. the primary design was for a hermetic rite.
Awaken the archetype of Pan, balance and joy is the key to rising.
The Inauguration of the Devil
To take place within the chosen ritual chamber. The Wamphyri - Varcolaci Pentagram to be above the altar as well as a Baphomet and the Sabbatic Goat aka the Goat of Mendes. The candles should be black and red. Upon the altar should be an inverted pentagram with some human bones or if possible a human and/or animal skull, to represent the power and lust of the flesh. Clad in black or crimson robes with dagger and chalice. A sword should be used as well.
This is the night you shall become as Satan.....
Invocating Belial
Face the Altar and point the sword first to the image of the Varcolaci/Wamphyri Pentagram, visualize what you are and what you shall become... lust upon these symbols for they are to be representations of your essence.
"In nomini dei nostri Satanas Luciferi excelsi, I call forth the dark lord of the earth... Belial, I am of your seed, a demon of the flesh to shape the world as I see fit. This is the law of the Strong. My will incarnate."

With the Sword, face the South, point the sword towards the baphomet pentagram:
"From the South, I invoke the essence of Satan... upon the wings of darkness you shall come unto me!!!"
Face now the East:
"From the East I invoke the essence of Lucifer, the bearer of light and insight... come unto me!"
Face now the North:
"From the North I invoke the essence of belial... lord of the earth, come forth unto me"
Face now the West:
"From the West, I invoke the essence of Leviathan... come forth serpent of the Depths.. come unto me!"
Take now the Dagger and recite:
"By the sigil of the Infernal Dragon, the Red Dragon of ALL I call unto the forces of Nature and align myself further with the natural powers of the earth! I will and do partake of the pleasures of the flesh and recognize myself as a god of the Earth. No one is before me as I am the Devil incarnate!
I call with the sigils before the spirits within... enter and grow within for I am Vampyr, of Dragon's blood. From the four pillars of Satan my law is sounded and the beast is unleashed. My flesh is iron and the werewolf is awakened! My voice and desires enter as will to incarnate in FLESH! This is as PAN and the love of the Earth and Cosmos. LADLAH is witness and love unto me, all is a mirror of sight and vision. Heil Shaitan!"
Take the chalice and recite:
"Within is the elixir of Life and Love, of strength and hate, destruction and creation. Renewal and completion. I recognize there is no god before the self and that self preservation is the highest law. This I say with my voice, which casts deep into the abyss and carries with it a law forever spoken! Heil Tiamat! I drink and am now reborn from the seed of Belial! So it is done! The gates are aligned!"
Meditate now upon the sigils and all that you have recited. Become as Satan. stand proud and push the self towards the heaven of ecstasy.

Werewolf
"Heil! Heil! Heil! O, great Wolf Spirit Heil! Mighty shadow within the circle enter the space of time - Make unto me a werewolf, strong and brave as my Will"
The connection of Werewolves and Vampires are quite parallel, in fact in the reality of the Vampire, it is indeed possible for a Living Vampyr to be a Werewolf. Transformation can be in two possible ways, a mental transformation, Lycanthropy as well as astral shape shifting.
When alone in a forest or secluded area is a prime location for a lycanthropic ritual. A skin of the wolf may be worn, a mask or other articles representing the transformation from the human shape into a 7 - 8 foot demonic gray man-wolf, burning blood red eyes of yellow gleams from large, sharp and cruel teeth. Those who seek to master shadows and sorcery may become a lord of Werewolves, in command of the shadow demons which may become as one with the WILL and the SELF.
When in a forest practice a Werewolf rite and feel the transformation, revel in the pleasure, in the hunger, in the burning glow which permeates the senses. When astral traveling, your human shape may shape shift to any desirable form, take pleasure in becoming the Demonic wolf. hunt your sleeping prey with stealth, feasting on astral blood as they sleep.
Below is some teachings of the Werewolf, ending with a rite of Lycanthropic power. Remember, no spell nor word can alter change which has not lit within the WILL. The misanthrope has risen and the age of the wolf is upon us! Feast!
Lord of the Woods
In the year 1502 there was a peasant named Pierre Burgot who was tending sheep while a large and fierce storm broke out. From seemingly out of nowhere rode three men dressed in black

riding upon three black horses. One of the men called himself Moyset, tall and pale, sunken eyes with long black hair. Moyset told Pierre he would let his hands watch over his herd and give him great fortune if he would obey him, Pierre agreed. In the next meeting, Moyset stated his commands, to reject a so called "god", the false virgin, the baptism and confirmation. Burgot accepted the demands and swore loyalty by kissing the hand of the Moyset, which was as cold as the hand of the dead.
The years past and the black rider returned. Moyset demanded that he should grease himself in an ointment he gave him. Verdun, another villager did so as well. soon after as their hearts and will was as Sinister, they turned into werewolves.
These wolves of Magick attacked a seven year old boy, tearing him to shreds, killing a woman and a four year old child and they only left an arm to be found intact. In time they were caught and killed by villagers.
One hundred years ago a fourteen year old boy named Jean Grenier was in a deep forest where they met a man upon a black horse who called himself Herren or Lord of the Forest. With his cold dead lips he kissed Grenier and with his long and sharp nails he cut a mark in their thighs. Herren gave Jean a wolfskin and an ointment. after donning the wolfskin and rubbing the ointment, Jean killed in his werewolf form over fifty opfers.
The Wolfcharmer
In france they are called by the humankind the "Meneurs de Loup" which were said to lead wolves by the use of a bonepipe, creating the orchestra of the night. The Wolfcharmer is a total misanthrope who in his heart hates the human race. The wolfcharmer is the leader of the wolfpack, and can by the use of the bones pipe, command the wolves to attack human prey.

The Wolfgirdle
The Wolfgirdle is commonly made from the skin of the wolf, mixed and sewn together with the skin of a dead witch or an executed murderer. Don the wolf girdle before the lycanthropic ritual.

The Rite of the Werewolf
- Mental Lycanthropy and the summoning of Shadows -
The altar can be either within a home or in the woods. Upon the altar should rest bones of the dead and two black candles and two red candles, above the Wamphyri - Varcolaci Pentagram (A Sigil of the Black Order of the Dragon).

With your mind draw one circle anti-clockwise that it might fit a man within.
"From the will of that which is Satan I call the Demonic powers of the Wolf - Shadows demons I call to thee! One spirit shall rise through this circle - One chosen of the Demonic hordes I evocate thee to bring forth the Gray Beast which makes all tremble, by my will and will to power I will become WEREWOLF! Phantoms of Darkness I now invocate thee - they likeness is to be within and through my Vampyric Will I implement the power of SATAN!
With your mind focus upon the transformation. Feel each muscle as it stretches, grows stronger, more beastlike. Rough gray hair grows through the skin as the flesh itself turns ghost white and the face blackens. The bones stretch and begin to form a beast between a man and wolf. The face warps into a long snout which holds many razor sharp fangs. The fingers stretch and fold into Talons, cruel to the flesh they Shred..
Feel now the pleasure of the Werewolf, go out into the night and taste the pleasures of the Will.
SO IT IS DONE

Oath of the Magus

- Black Order of the Dragon

-I bow before no anthropomorphic beings as I am the only God that is. The reason being I am the only god who substains my own life.
-Magick is to be used according to WILL, no means may change this. Without WILL magick is non-existent.
-I am able to weave my webs of desire and will through the casual awake world as well as the dream. In the casual world I am sometimes the Angel of Light, a manifestation of Lucifer (or Lilith). When the night falls, through dream and the astral plane I am the Raven-bat shrouded Vampyre predator. Sufficient unto my self. With this truth I work the illusion of humanity to work my vision amoung sheep.
-As Vampires, we hold the powers of the WOLF (hunting, ferocity with defence/attack, predatory instincts), the BAT (during astral projection the powers of shape and stealth with nocturnal senses) and BEAST (appearing to the sleeper according to our true nocturnal nature during their dreams) These powers are developed at our own individual pace.
-Much guidance manuscripts of the BOTD are hermetic in nature. This is to strengthen the individual in all ways. Ceremonial rites involving two or more individuals is the gathering and collecting of astral lifeforce/energy focusing on an intended goal. Solitude and the exploration of archetypical symbols, moral restrictions and such to begin the understanding of the subconscious is the building of individual strength.
-Sexuality is no longer to be a hidden taboo. Explore all sections of sexuality between two conscenting adults seeking the union of Pan and Baphomet. No longer is christian sickness and restrictions to pollute our individual lives within the flowing body of Nuit. Fear not moral judgements. Explore your true will with disipline!
-Experience is the greatest teacher. Stray not from that ideal.
-All morals are created within a controlling dogma, question all and reject is necessary. Charachter is built on the throne of defiance!
-Immortality is achieved by the strength and desire of the Vampyric spirit. The spirit of Varcolaci if achieved may become immortal if will is present, while the flesh is to die. This is according to the laws of nature. the solar swastika spins on. Life is also eternal if you are of the blood of the Dragon. You must live life to the fullest hear and now. Keep and never forget balance. Through chaos will arise order.

Rites of the Akhkharu

Preparations: The alter must have four black candles burning during this rite, the four candles representing four dark spheres which are : Mercury (sphere of transformation), Jupiter (sphere of wisdom), Luna (sphere of hidden knowledge), and Saturn (sphere of chaos).
Meditation with appropriate music is recommended, suggested time: 15 or 20 min. Two days and nights prior to this rite, drain as much Lifeforce as needed, and during the day of the ritual, before that night, have no contact with anyone. Meditate alone and decide the will and result that you wish with this rite. After this rite, sit out in the night, preferably in a field or wooded area, concentrate on your strengths, weaknesses, and self-worth. Let your heart beat as one with your surroundings.

SHADOWSPHERES
Including membership details offered beginning 4-20-98 e.v.
Black Order of the Dragon
By Michael Ford/Coven Nachttoter

The Shadowspheres are based on the areas of transformation in which an individual will go through in order to emerge towards the step of godhead and evolution. Magickal progression is achieved through a number of steps which involve open up the subconscious and exploring all of ones nature. The ultimate goal being immortality and discovering ones true will.
For those seeking membership of the BOTD, each of these spheres must be undertaken and conquered. The sphereworkings should be done in order and carefully recorded-including results, thoughts and perhaps new individual revelations concerning the effects.
Each working should be practiced alone for the period of ten days or longer. Once the period is over you may submit an essay concerning the working to the Tempel of Azagthoth contact address via e-mail, mail, etc. The submission will be-in detail reviewed- by TOA and then submitted to Coven Nachttoter to be reviewed. Upon the result, the TOA will then inform the

individual of the review and if membership is granted. We do not want slave like sheep, or those looking just for
groups. We want only the FREE individuals looking for progression and those who share a love for life and reaching individual evolution. The levels of membership are:
1.) Initiate
2.) Akhkharu Vampire (vampirism within astral plane and sorcery
accomplished)
3.) Incubus/Succubus Magickian (mastering the uses and techniques of
hermetic sexual workings and tantra on a completely individual level-this
also includes the dream levels on the astral plane)
4.) Vampiric Magus (upon completion of the sphere of Chronozon-mastering
of the self).
5.) Varcolaci sorcerer (high level of the outer circle of the BOTD, at
this level you are able to operate a cell of the BOTD if council grants
permission.)
We encourage each individual to study and focus on the recommendations given and that one will follow his/her true will. Through the dark spheres you will emerge as a god/goddess.
The spheres to enter are named below:
1. Sphere of the Red Dragon-Tiamat (spiritual death and vampiric awakening)
2. Sphere of Luna-(predatory and natural instincts mastering)
3. Sphere of Akhkharu-(vampiric astral mastering)
4. Sphere of PAN/LAYLAH (sexual explorations of the psyche including invocation of the Succubus/Inccubus)
5. Sphere of Kundalini (Kali)-Pathworkings of Tantra
6. Sphere of Chronozon-(Chaos Workings)
7. Sphere of Varcolaci-(Astral hunting and control pathworkings)

USE OF SIGILS
Black Order of the Dragon

By Michael Ford/Coven Nachttoter 4-6-98 e.v.
Within the BOTD, sigils are presented in a very similar way based on partially on Austin Osman Spare's methods as well as the traditional sigil use by Agrippia and others. There are several sigils/seals of the BOTD, the first being the VARCOLACI PENTEGRAM. This sinister-looking symbol is the impression of vampiric nightside influence upon the dayside reality. The pentagram representing man/woman and being inverted represents the shadowside. The varcolaci spirits represent the points of
astral projection and the taken into being by will the predatory form. This sigil is not evil, by no means beyond our will and love of life and survival-immortality the main goal. This sigil during many BOTD rites, is the focus point above the altar in which astral life force is sometimes sacrificed under the honor of the spirits before us and what we are. The Varcolaci Pentegram is also - as well with the Nachttoter-Red Dragon seal- a means of summoning those vampire spirits connected with the BOTD. The means can be known as the manifestation of the Incubus/Succubus and much pleasure can be awakened by calling these spirits forth. Remember in doing so however, the importance of being prepared and initiated into the blood of the Dragon and the great work being undertaken. The point being protection from some malific spirits who sense a lack of individual independence and strength. You must be separated from the sheep indeed.

The second significant seal is the Nachttoter-Red Dragon seal. This represents the vampiric will and is the impression of Coven Nachttoter. Many BOTD rituals feature the Red Dragon seal and astral pathworkings may be undertaken with such.

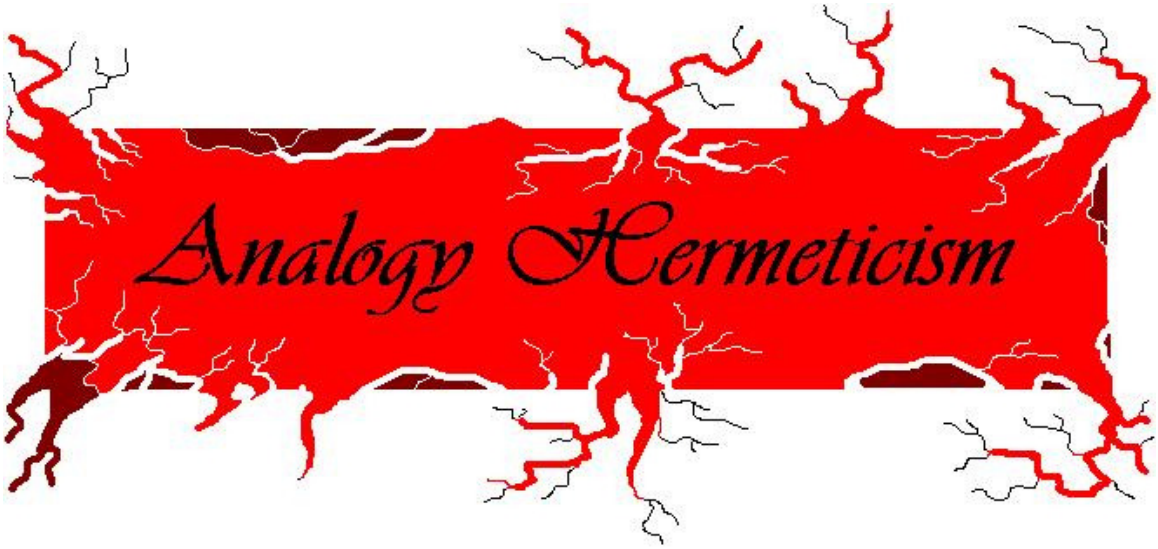
Sigils, while upon the sphereworkings are cast in the following way:

Attribute all semblance and definition of the sphere into a set drawing, giving each line a memory/thought and focus associated with the sphere. Once you have drawn and finished the sigil, make your settings correct for your ideal pathworking. Concentrate fully and without distraction upon the sigil.

When undertaking the various sphereworkings, concentrate in a significant manner the focus point of the sphere and all the attributes connected with therein. Each sphere is to be a gate for personal evolution and further understandings of the self. The goal being the de-programming of the brain and re-programming according to ones own individual will.

While creating the sigils, focus upon the spirits and energies you are invoking, let your mind go free on this thought. Let your subconscious be opened and draw what you will associated with the sphere.

Each working must be performed daily for a period of ten days. Each results and thoughts should be carefully and in large detail recorded and documented in personal records.



An Analogy of Hermeticism

Hermeticism, being likely the oldest occult tradition that still exists, is the union of spirituality and materialism, that develops from within the practitioner, developing a total understanding of the universe. It originated in Alexandria, Egypt but is usually attributed to the writings of Hermes Trimegestus, who claimed to have been the reincarnation of the Egyptian God Thoth. It may be said that such ancient knowledge disappeared completely at one point, however, this is not the case at all. In fact, it only "disappeared" in that the tradition was coveted by the least suspected organization of all; the Christian Church.

"For example, few people today may realize that many of the early Church Fathers studied, respected, and wrote about the books of Hermes in their writings, even if they didn't agree with everything in them per se. But the fact that they took them seriously in their time, says something in itself. Today, the branch of theological study in seminaries that deals with the art and history of textual interpretation is called "hermeneutics", after Hermes." - Dr. Karen Ralls, 2000.

If that doesn't satisfy the curious, there is an even more telling quote from the "Grimore of Occult Philosophy", by Agrippa: "Crist (Christ) also himself, while he lived on earth, spoke after that manner and fashion that only the more intimate disciples should understand the mystery of the word of God, but the other should perceive the parables only: commanding moreover that holy things should not be given to Dogs, nor pearles cast to Swine: Therefore the Prophet saith, I have hid thy words in my heart, that I might not sin against thee."

For many years, the Christian Church has carefully guarded the secrets of Hermeticism, while telling its followers that such things are the works of witchcraft, which is firmly condemned by Jesus Christ. The fact is that the upper hierarchy of the Christian Church has always been and still is privy to this knowledge, having founded their religion upon the insights of this occult wisdom. The Last Supper was in fact an alchemical ritual, and it is no coincidence that Leonardo Da Vinci, who painted the famous "Last Supper" painting was also a well-ventured occultist.

Western versions of Hermeticism are the substance of secrets passed down by the Arabic, for the Arabs studied such works extensively and thus were responsible for handing the knowledge over to the west. The west has developed a large circulation of the material which is now frequented, in often diluted form, on New Age bookstore shelves. However, the writers never revealed the knowledge in full detail. The Western literature has thus long since departed from the oral tradition of Pythagoras or even earlier sources. Henceforth, many would-be sorcerers tainted by "witchcraft" media and superstition have sought after the arcane mysteries and failed, due to being blinded by their Western beliefs.

The Emerald Tablets are one version of a Hermetic text, although it is probable that it could have been called by other names in the past. The texts that are attributed to Hermes are called "Hermetica" and was written in the form of "Platonic dialogues", just as the Emerald Tablets are. This would make the claim of the man who says he acquired the texts from their original source, Doreal, that the Tablets are 10,000 years old, entirely untrue. There is also the "Corpus Hermeticum", which was supposed to be composed of 17 treatises, while the Emerald Tablets in their modern version (the web-based version) are 15. Part of the story in the Emerald Tablets can easily relate to the biblical tale of Jesus Christ descending into hell. Many other deities and Gods had descended into the underworld other than Jesus, of course. This was a somewhat typical storyline all the way back to ancient Greek and further. Similar analogies can be made regarding the Christian bible and Hermetic tradition, including the advocacy of spiritualism over materialism, albeit a very misunderstood topic in this day and age. Hermeticism also embraced an idea of creationism, whereby there was only the "one main thing" called the Demiurge, in the beginning, and then it became discontented with itself, therefore spawning creation, in order to explore what else could be known. This could be alikened to the idea that God created the universe. "Demiurge" also means craftsman, similar to "architect". Christian Gnostics also used large portions of Hermetic thought to explain the crimes of "heresy" that they were accused of.

Annunaki Landmarks and References In Las Vegas

There are many cities with symbols and references to the Annunaki, Lovecraft's worshippers of Dagon, but since there are so many here in my current dwelling of Las Vegas, NV I thought I would share them. Keeping in mind Anton LaVey's Law of Invisibility, all of these references to the Annunaki in one place definitely fit the bill for things unseen when least expected.

1. The Luxor (simulation of the Giza Pyramids, with a light at the peak or "eye" which can be seen from space)
2. The Excalibur - based on times of Merlin, King Arthur, Avalon, etc.,
3. The Imperial Palace - owner was caught celebrating Hitler's birthday. Is this because of interests in the Thule Society or other Nazi occult influences?
4. MGM Grand - a giant Lion, the symbol of FIRE, (the Dragon) symbol of the predator, the Bloodline, colored GOLD no less, stands at the front entrance
5. New York New York - can't miss the replica of the Statue of Liberty, which does indeed simulate the Baphomet, one hand down, one up.
6. The Paris - one of main headquarters established by the Illuminati.
7. Caesar's Palace - can't miss the Roman legacy of the Bloodline inherent in Caesar's reign. (Or can we?)
8. Howard Hughes Center - just off the strip, Howard Hughes Parkway is a business center which is where the Wells Fargo tower (Bloodlines rule the banks) and an interesting Stonehenge-like structure. Howard Hughes was a multi-billionaire Illuminati extraordinaire who tried to fly the "Spruce Goose".
9. The Flamingo (hotel)- a Pink Flamingo is an important occult symbol.
10. Treasure Island - another location of occult significance. The book Treasure Island was written by Robert Louis Stevenson, who also wrote Dr. Jekel and Mr. Hyde, a story that is admired by Satan's spawn.
11. The Annunaki settled into lower areas of the west, including Nevada, due to its dry and hot climate, as many lizards also have done.
12. Not so coincidentally Area 51 is only 40 miles out of town.
13. The Mormons founded Las Vegas, or at least helped with it. The Mormon cult's founders were of reptilian blood, that intentionally started a city that was meant to be surrounded by the pretense of Jesus worship while covertly supporting mindless hedonism and carnal indulgence.

Black Holes and Early Creationism

Most people who've studied a bit of religion or cosmology are familiar with the ouroborous, the serpent eating its own tail. It is an interesting metaphor for a destructive and creative force, one that works in both ways at the same time. Some people believe in it, Tibetan monks claim to feel it, and many New Age spiritualists frown on it. What if we could look out into the stars and see it?

The Ourobouros originated from a Greek-Orphic term, though it wouldn't be surprising to find that the Greeks got it from the Egyptians. Regardless, this symbol of the beginning and end of time relates to a cosmic cycle. Without a beginning and an end, it would simply resolve to a creative and destructive force. It relates to our own creative and destructive urges, our development and personal evolution, and even to the universe.

Recently an article on Space.com announced that Astronomers have discovered an interesting possibility that black holes, notorious for devouring everything in sight, may be responsible for the creation and evolution of matter, such as galaxies. Interesting, then, that a black hole can act as a gravitational lense if seen from within the event horizon, which means that everything condenses into a grand union of infinitely dense matter inside of the black hole. Creation and destruction would then be defined, but most importantly origin.

The known theory is that black holes evolve (or appear to show activity) at the same time as the galaxies surrounding them are beginning to form. The unspoken theory I base on the idea that since the black hole is one with an eternal and present moment, the black hole really can't "evolve" in a separate moment. You can only perceive its evolution from outside of the event horizon. Otherwise, all of time is completely warped together in an omni-present moment. The difference with galaxies is that they are born into a realm where time exists. It is not certain yet whether the massive black holes at the center of a galaxy are related to the small black holes that form as the end of a star's lifetime. If proven, though, this would put a huge new perspective on the Big Bang and; the belief that there is such thing as a beginning of time. If a galaxy begins with a star collapsing, and this is the case with all galaxies and thus all regions of the universe, it means that the universe could be a bubbling lava without a beginning, that spawns an equal amount of creation as it does destruction for all of eternity? The established "age of the universe" gets older with each year.

Charlemagne and Vanity

Up until about the 6th century, pagans and barbarians engaged in merciless battles throughout the world. According to most popular opinion on the subject, there was very little social order. Other sources differ with this and champion the smaller tribal communities as being people who kept to themselves. During a time of many Viking and Saxon invasions, a Christian king with a seemingly indestructible will to enforce his own vision of social order rose to power. He was Charles the Great, also known as King Charlemagne.

Charlemagne was a descendant of the Merovingians. In the late 700's, the Franks would choose their kings directly from the Merovingian family. However, the dynasty had lost power and was in need of a change. The king had become merely a shallow symbol of power, no more than a puppet being controlled by the Mayor of the Palace. Charlemagne thus had inherited the throne, and established the Holy Roman Empire after the death of his brother. His intention was to restore order and peace to his kingdom and bring an end to barbarism. His ability to organize his military was notably unparalleled, and thus resulted in one of the most climactic changes in European civilization.

Charlemagne was described as a "just man, strong and tall, intellectual and opposed to drunkenness". He hated superstition, but still had an interest in esotericism when there was a sound basis for it, according to Einhard. (Einhard knew Charlemagne personally and wrote his

biography). He was health conscientious. He had several wives and a handful of mistresses, which resulted in a large offspring. His descendants are still alive today, with some of them belonging to the Order of the Crown of Charlemagne.

Christianity was Charlemagne's solution to his disliking for barbarism. This made him become recognized for such accomplishments as his instatement of education, which was the result of his disgust for illiteracy, and many acts of charity. He was a student of science, including astronomy, and this leads us to wonder if he would have been more in favor of scientific reasoning than creationism. Even more interesting is that a look at his application of law would suggest that had there been priests in the church abusing children, they would have suffered the most severe penalties, unlike today.

Charlemagne's triumph by conquest included destroying the smaller tribal villages of the Vikings. The Vikings were persistent enemies of Charlemagne's kingdom. The Holy Roman Empire nevertheless conquered and spread out across central Europe. Charles the Great was the champion ruler of the time, and titled himself the Emperor, stirring the envy of Romans and Greeks. This sparked the proverb, "Have the Frank for your friend, but not for your neighbor". Charlemagne's vision was one of immense control as he sought unity in the name of the Christian religion. It is also true that Napoleon was an admirer. It is interesting that the consensus of what is just and unjust changes with time. By the time Napoleon got around, it was no longer acceptable to treat a certain type of people with prejudice.

Charlemagne's conquest was fierce and ruthless, and his battles no less bloody than any other, though he had a reputation for being loyal and generous to his own people. This won the favor of many. He sent money to regions that he sympathized with, long before charity was a common thing. The Franks saw him as a savior, who brought humanity back from forgettable times. They did not like barbarians, nor green eggs and ham! One superstitious question that has been asked by religious scholars is whether or not the resurrection of Christ was not Charlemagne himself. The influence of Christianity was one of unity and not foreseen as something that would rob people of individuality. At least, as long as this only included those who willingly adopted Christianity. It says nothing for those who had Christianity forced upon them under threat of death. In the name of unity and order, Charlemagne also succeeded in destroying valuable esoteric knowledge and the spirit of the free-thinker, despite the fact that this could have been an indirect consequence.

Since then, the effect of industry and the ensuing consumerism has proved even more damaging to individuality than any religious order. (Many consumer products as well as the media tend to filter personalities and the ability to think for themselves). Where self-reliance and dependence on nature once prevailed, there are now the many artificial conveniences and luxuries that can be bought retail. Consumerism and the media penetrate every aspect of life. This is a bi-product of the unity of civilization under a single government known for capitalism; otherwise known as Christianity.

Some argument against the damage of religious orders might be made for the era of Malleus Malificarum, which was an event that did not reflect the kingdom of Charlemagne. The Catholic Encyclopedia itself refers to religion as a matter of individual will, and therefore denounces the Inquisition as a legitimate Christian development. Anyone who knows people who were forced to profess to the Catholic faith as children may oppose the hypocrisy underlying this. It also makes little sense considering Charlemagne's 40 year slaughter of heathens, whom he only sought a truce with once they'd converted to Christianity. The Latin phrase, "verbis melius quam verberibus res agenda est" means, "it is better to employ words than blows". Gandhi understood this, and was perhaps the only one who did.

In the Devil's Advocate, one of my favorite films, Al Pacino played an espouser of 'free will' and the corruption that people bring upon themselves. If Al Pacino's Satan were really around, he would be adamantly professing the logic of his rebellion, especially right now. After

Charlemagne's death, his empire crumbled because his sons and their successors were not as "enlightened" as Charlemagne.
Charlemagne was also one of the first to call Heathens devil-worshippers, and worshippers of graven images. He automatically correlated the lack of social order with the worship of devils and superstition, which is an issue of debate, because of the broad generalization that this made. While there was indeed much controversy over opposing territories, it may have also been a terrible idea to rob the many cultures of their beliefs under a monotheistic order. Nonetheless, someone was going to be wrong, and someone was going to be right by the way of the sword. This king single-handedly converted the Saxons, slaughtered the Huns, and held central Europe in his grasp. He founded Paris. The central power of modern civilization arose from the heart of Charlemagne's kingdom.
From our discussion, is it a mistake to assume that the last two thousand years have been completely corrupted by Christianity? Charlemagne died around 800, and only 1250 years have passed since then. Up until that point paganism and other religions besides Christianity were virtually undisturbed. After the time of Charlemagne's reign, the Holy Roman Empire began to deteriorate and corrupt, but by this point almost all of Europe was in the Empire's grasp. This era during and after Charlemagne should probably be what receives the bulk of criticism. Would Christianity have become defunct 1200 years ago if not for Charlemagne? Certainly the Merovingian dynasty had met its match to the Vikings and other opponents. Charlemagne's brother, who also inherited the kingdom but died without much accomplishment is described as much weaker and less intelligent than Charlemagne.
Charlemagne can be championed for his strength, intellectual prowess and esteem for education. We can also appreciate his indulgences, such as music and science, and he was not short on romance, either. He was one of the biggest successes in monarchy history. Unfortunately, the people who he governed did not measure up to his standard, misinterpreting his words and deeds, and taking advantage of the power given to them by the church. Charlemagne himself may have played into vanity, seeking a dream that was too hopeful and unrealistic to last, and this is why his kingdom weakened after his death. He left behind nothing but a shallow chance for "hope". Thus, in this sense, we've also seen one of history's greatest failures.
Shall we sip some more tea in the sun while the Gods go back to the drawing board once again?

Comments on the Emerald Tablets

I hadn't heard of the Tablets until about 2000. I was doing some novice research which started with a Masonic organization called the Order of the Dragon. Even though this order still exists today, it is closed to membership. Since my curiosity about the history of this organization was high, my interest turned to the Order of the Dragon in which Vlad Tepes was initiated. Seeking to find what sorts of texts or knowledge the order was based on, I discovered that it had something to do with Hermeticism, which is based on the writings of Hermes Trimegestus, and then from there I found that H.T. claimed to be the incarnation of Thoth. Before I knew it, I was probing the most ancient cultures known to man, including the pre-Sumerian Atlantis. While modern history suggests that civilization only started some 10,000 years ago, some less known and more arcane sources suggest that there were mighty civilizations long before Sumer/Babylon, except they were destroyed and are now underwater, thus much more difficult to find.
One of the texts that I found specifically relating to the wisdom of Thoth is the Emerald Tablets. It was originally translated by a guy named Doreal, who, we are told, was permitted to enter the Giza Pyramids and remove the Tablets, to be kept in a secret location, but not before Doreal got himself a copyright authorization. According to the introduction, this was written by Thoth around 36,000 B.C. or before, when Thoth was a great king and magician of the extra-ancient world. Here in this article I will make some comments about the significance of this text, as well as some difficulties that I have had in reading it.

My first impression was that this is a popularized version of the text, as for one, it is readily available on the internet, and for two, it is mostly being posted by occultist, "white magicians" who I've grown to distrust because of their unreliable sources of information. However, due to the pertinence of the matter, as the initial magical interests of the Order of the Dragon were alchemical and hermetic, just as those of the Emerald Tablets, I decided it would be worth it to skim over a few pages at least.

There are many places in the Tablets that refer to "Light" or the "Children of Light". The first few pages open up with Thoth's explanation that moving towards "the Light" is of the utmost importance, and he even warns the reader that any betrayal of these teachings will result in grave punishment. I tend to read right over that kind of stuff. Nevertheless, it became apparent to me that the "Light" that Thoth is referring to is nothing like the light that modern religionists and New Age thinkers usually speak about. It would be easy for a Left Hand Path traveller to shun this text because of its reference to "Light", but I feel that the Tablets refer more to the the "Light" of a Luciferian character, the "Son of the Morning Star" or the bringer of "enlightenment". "Light", according to Thoth, is simply pure wisdom; it is wisdom that raises one's mental faculties to their highest potential, and in that sense, I have less to complain about. "Light", according to Thoth, is a powerful source embodied within darkness, and not necessarily an enemy of darkness. "The Light" is the source of wisdom and therefore is the true object of pursuit rather than the darkness which is a "veil". Indeed, a popular occultist phrase attributed to Thoth is "As Above, So Below". Clearly Thoth tells how darkness must be penetrated as an initiation of sorts, in order to lead towards enlightenment. He even describes returning to the darkness hundreds of times within his immortal life in order to re-go a necessary process of progress. There are few parallels with the Christian "Light", which is full of angels and big puffy white clouds. The Christian "Light" is a much more subjective thing, or at least moreso than the way it is presented in the Tablets. Thoth is simply advising the individual to learn something from life and strive towards greater heights of potential, whereas the Christian "Light" is about faith, modesty, and leaving "knowledge" solely to God. There is no "God" in this text. There are other entities of wisdom and power, but the point is clearly to raise one's self unto the highest potential.

Here is an interesting analogy: Thoth had sought to become a God in his own right, and indeed he accomplished things far beyond human comprehension. At the end of his text, he indicates that he is going to return to the "Halls of Amenti", which is kind of like the Greek "Tartarus", the underworld, or the Christian "Hell". From this depiction, is it not too obvious to say that Thoth was Lucifer, the Fallen Angel? What a convenient way to put a ban on Thoth's "wisdom" or "knowledge" and condemn man to an obedient, faithful life where knowledge and wisdom are sins!

Thoth is also a master of the Out of Body Experience. This is another "mystical" pursuit for some skeptics, but the value of the OBE is very definite. After an OBE, the initiate can easily understand how the flesh has physical limitations and is prone to suffering. It is a great joy to know another reality where these limitations are not imposed, and all physical displeasure is abandoned, even if only temporary. The fleshy vehicle is a rather awkward and limited shell for the astral self. However, Thoth does let us know that rarely does anyone escape the flesh completely without endless years of training, and therefore it is important to respect the flesh.

According to the Tablets, Thoth is not actually from the planet Earth. His father, Thotme, brought Thoth here from his "ship" which rose up "into the sky". Thoth's ancestors were from another planet and this makes a most interesting reference to the Annunaki, who were the ancient race of beings whom came from another world, questionably "Nibiru" or Sirius. Thoth believes that space, and not just the planet Earth, is our real home of homes.

The next section called "The Dweller of Unal" is interesting as it seems to make reference to something called "mind stuff" and the ether, which is of a higher dimension than the 4th . Beyond mere space and time, and the world that we perceive with our limited physical senses, there are other dimensions which are in fact more creative and productive, vibrating at faster rates, and

even transcending life yet not knowing death. This is the ethereal realm, which is connected to us but in ways that are invisible through the ordinary 5 senses that a human has access to. Thoth describes how Horlet, a lord of this realm, built at least one planet "with his mind", by manipulating the etheric substance itself. Indeed, these higher dimensions are only connected to our physical bodies through the mind, and only by the mind can we know them. Clairvoyance and psychic interpretations are seen through a "third eye". In Thoth's account of how Horlet constructed a planet with his mind is indicitive of one who not only sees into the etheral realm, but can control the realm itself, by using it to turn the etheric into the physical. The construction of a planet in this manner would certainly be a sorcery of the highest order, yet less consequential acts have been performed by Earth-born sorcerers as well. Finally, Thoth does let us know that despite the many dimensions or layers of existence, and the various orders of the universe, everything eminates from the one true source, and that nothing exists seperately from anything else. In a spiritual sense, this could be interpreted as Christian mono-theistic propoganda, I suppose, but in Physics, it makes a lot of sense.

There are many noteworthy references to the nature of Time and Space, such as, "Time is not in motion, but ye move through time as your consciousness moves from one event to another." We could take a lot of the space and time references in this text and apply them directly to science. I wouldn't be the first to do it. Nevertheless, there are many suggestions here that instead of viewing time as an entity which changes things from one thing into another, we could notice how all matter changes more like the flow of a river changes as it glides over new rocks in a stream, yet the stream remains as a whole. In this way, space is a similar entity. All things are connected in one way or another. There is no such thing as blank, empty space. Thoth exchanges this wisdom with the reader, and indeed the thought is revolutionary. If anyone had tried explaining this theory in the 1800's, they'd be deemed insane. Even today, it hasn't been completely accepted, and certainly not in the mainstream, because it would require that one changes their own thinking and starts perceiving reality as a whole different animal.

Section 12 is on "The Law of Cause and Effect and the Key of Prophecy". One thing that is not new to anyone is the prophecy of the End of the World, the Apocalypse or a "Second Coming" that will result in a global change (or destruction) for all of mankind. I find it interesting, then, that Thoth claims he had conquered "the law of space-time" and had things revealed to him about the future. It is an interesting reference not because of this prophecy in particular or whatever implications it has, but that if this text is as old as it is supposed to be (which we cannot say for sure) then it shows how old the idea of Prophecy is, and is certainly not anything new that only the Bible has a mention of. Prophecy is a sorcery that has been in use for thousands of years. Yet there is still another twist to what Thoth tells us, as in these words:

"Look in the cause thou shalt bring into being, and surely thou shalt see that all is effect. So, O man, be sure the effects that ye bring forth are ever causes of more perfect effects."

Thoth seems to suggest that prophecy is not necessarily the wisdom of Gods, but that man has some influence over the future of mankind, or that man forms his own future from his thoughts. Such an idea would suggest that what man believes is going to happen is what really does happen, in the long run, and here we are advised to influence positive change instead of the negative. This is the value in Thoth's "Law of Cause and Effect".

The whole overtone of the Emerald Tablets is quite "preachy", and suggestive that Thoth has mastered much more than reality, but the laws of Physics, and the dimensions in which reality are bound. The tone of the writings implies that Thoth knows the direction in which every Earth-bound being should strive, and exactly what is right and what is wrong for mankind. If it were possible for Thoth to accomplish such miraculous deeds as he has claimed, then it certainly would have taken more than a human lifetime to have done so, unless he had some extraordinary training, which is also possible, or unless he was simply born with an almost supernatural intelligence, again, a possibility, at least if we make some presumptions about the validity of this text. Even scientific research would show that some of the things said by Thoth are not that

incomprehensible, such as that the Pyramid of Giza was built in the pattern of gravity, in order to withstand for many centuries, for it is fairly obvious that pressures of gravity would certainly not find as much resistance in a pyramid-shaped structure as they would with a bridge, for example. Even if the entire text is metaphor, it has incredible meanings, which can be interpreted from many different angles, including alchemical, pagan, New Age, Christian, Thelemic, and as mentioned before, Hermetic. In fact it is possible that this text could apply to nearly every world belief system there has ever been, and that depending on what perspective you read it from, it could mean something different! Certainly this would be a very significant find, especially if it really is 36,000 years old. It speaks volumes for Sitchin-sympathizers and conspiracy theorists, too.

I am personally not going to choose one opinion or the other. A text is a text. Morality and belief are the most wishy-washy subjects there are. Scientific explanations here are very vague and brief. The occult references could have just as easily been written by a modern author. Many other sources could probably lead to the same things. But then again, one must ask, "where did they all come from?"

Personal Speculations on Lucid Dreaming

To begin, I have actively pursued what is known to the common occult field as lucid dreaming for about 5 years now. This can also be referred to as an out of body experience, but in some disciplines this may stir up some disagreement. Regardless, my interest in this subject came about because I had unintentionally experienced many lucid dreams before in my life, but I really didn't know that they had a name, or that anyone else was having these profound dreams as well. I'd mentioned it a few times when I was growing up, but I just remember getting a "hmm, that's interesting", as a response, and not much else came out of it. So later in life, when I was 24-25 years old, I picked up a few books on the subject and started taking up a more serious interest in it, to see what it was all about. Let me just say for those who are not familiar with this subject that lucid dreaming is a very powerful experience. It happens when you are dreaming, and you realize that you are dreaming, and so the concious part of your mind literally wakes up and becomes active, while the environment itself seems to take on "supernatural" qualities. Meanwhile, the body stays asleep. These dreams seem no less real than our waking reality. The only difference is that you may have a tendency to take control of your dream by making things happen within it; and that is where it is really exciting. With that said:

My experience in the lucid dream has been mostly involved with an attempt to control the environment of the dream to some degree or another. I find that when I am fully concious in a dream, I can change the speed at which I am flying, when I dream of flying, I can move objects within the dream with my mind, I can cause colors to become more intense, and even make objects appear in my surroundings. If I had ever thought of it, it would be incredibly simple to hear someone speaking from far away, etc. The most difficult part is to pre-plan your lucid dreams, because then you really have to be fanatical about it, it seems to me at least.

In a Lucid Dream people experience exactly what Quantum Mechanics is putting on the bench and testing at this time. Quantum Mechanics is proving that life is like a dream, whether they want to or not. That is because in a dream, space-time becomes irrelevant, twisted, and backwards. Influence over matter becomes possible. Thoughts and subjective feelings control everything. Interestingly the Quantum world is surprisingly similar. It has been described as an "Alice in Wonderland" type of place.

In labs, Quantum Mechanics seek to create a physical reality where what was normally considered "impossible" because of the laws of contemporary physics, is now possible. In other words, the scientist seeks to put these laws into effect in an artificial environment. What they don't realize is that this "reality" has already been created many times over again by those who can experience lucid dreaming. When science makes this realization, I'd suggest to look out! It

will sever the line between physics and metaphysics. (Actually I think they're already onto this, but it just isn't common public knowledge yet). I believe it will simulate the discovery that occult magicians have been waiting for; the one that fuses science and magic together in a more finalized, recognized way.
The "Whitaker Principle" is one where Quantum Mechanics takes physical reality and breaks it down into little blocks. Each event or occurence that happens is a block. If you change one of the blocks, then you change reality. It is like playing chess with reality itself. This has been tested, and surprisingly it works.
What was not mentioned, however, was that this power to change things, or (move the pieces to different squares) is also a common feature of a lucid dream, and it is a subtle power that exists within the waking mind as well. However, it must be tapped. No one can make this power operational without much understanding and concentration. However, feats such as breaking a stack of bricks with the bare hand are actually a result of this kind of focused concentration. It all depends on where the individual (the sorcerer) believes that their own limitations begin. Another more common example is that when you live life naturally and you feel good about who you are, pleasant things happen. When you hate the world and think negative about everything, bad things happen. The reader does not have to take my own word for it. A personal example of this, which is one of many that I have been constantly recording is one I experienced recently. I live in Vegas, so I went to a casino and won $250 in five minutes, with five dollars. Trust me, this is a very rare event. I knew that it was going to happen because I was so in tune with this theory that I'm talking about, I knew exactly what perspective and approach was necessary for things to go my way.
In conclusion, perhaps with theories like this explored and explained, we may be able to control our worlds better than ever imagined.

The Celestial Dragon

Known as Draco, Draconis, or Alpha Draconis, the constellation that resembles more of a snake-like creature than a dragon has its symbolism expressed in nearly every culture, almost to suggest a universal knowledge embedded within it. In a previous article, I discussed the symbolism of the ourobouros, the serpent eating its own tail. This is the cosmic principle of creation and destruction, or simply duality, whereby all things fall under its wing, like a cycle of life that governs all causes and effects. This is significant for the fact that the ouroborous represents a principle of nature that modern science is discovering now, but apparently the ancient astronomers already had a steady grasp of. Ancient wisdom was intuited, being short of the mechanical devices that are in use today. It is a wonder how intuition could be correct when dealing with astronomical study. I won't attempt to explain why, but rather discuss some of the results that will verify this fact of ancient "science-magic".
Draconis is part of the big dipper, and is probably looked at more often than any other constellation by the casual viewer. The northern star was the star of Set in Egypt. Archeologists have also known for a long time that the Great Pyramid of Egypt is also pointed due north with "unprecedented accuracy". This is the north pole star, or the "morning star" symbolic of Lucifer, as if to suggest that all sacred structures are meant to be facing towards enlightenment. 5,000 years ago this star was different than it is today. The earth's axis pointed towards Alpha Draconis where as now it points to Polaris. It is uniquely visible during all of the seasons, and therefore gives the appearance of transcending the seasons or even time. Shih Huang Ti, of the Ch'in Empire (259-209 b.c.), was said to have "flown to the realm of the immortals" when he died, not coincidentally towards Alpha Draconis, which serves as a gateway to the heavens. In order to ensure his travels to the realm of the immortals, he built a pyramid-like structure that led to an underground imperial tomb. The way in which he did this had an uncanny similarity to the Egyptian ritual, whereby he took certain items of value with him.

The symbolism of the Dragon is still alive today and a cursory investigation into the past will illuminate many of the ancient symbolisms that are used in modern Western society. All 12 of the constellations are repeatedly mentioned through the book of Job and despite being condemned, were a significant study of science for nearly every major civilization in the world. There is also symbolism found simply by observing the stars themselves, such as four-star trapezoid that makes up Draco's head. The trapezoid is a reoccurring theme that has a direct relationship with the mathematics of Pythagoras, whose name means wise serpent. To recall even more ancient times, Babylonian records refer to a "Snail" constellation that matches up with the tail of the Dragon. Some would assert that this is what Babylonians described as the dragon Tiamat, who is being conquered by Marduk, Izhdubar, or Hercules, whose foot is resting upon it as to demonstrate victory as was related in the story of Babylonian/Sumerian creationism.

The Serpent Mound

Another interesting natural wonder regarding Draco is the Serpent Mound of Ohio, that is lined up exactly with the constellation, once again due north. Not only this is extraordinary, but also the fact that there seems to be a druid connection as well. Apparently Stonehenge also lines up with the previously mentioned Hercules constellation, who is resting his foot on the Serpent's head. So the serpent seems to be related to Stonehenge, which was Druid or Celtic, and the serpent was the original godhead of the Celts. Each of the coils on the serpent are practically equidistant from one another. This allows for all of the primary calendar events to be represented by each coil, thereby making the serpent above time, or all-encompassing of time.

What kinds of knowledge did the ancients intend to find by looking at the stars? Certainly the stars were used for divination, yet they also believed that the heavens as well as the material world were governed by geometry and mathematics. The stars were a key to understanding this that would lead to divine wisdom and a better comprehension of the world around and above us. Understanding this today gives science important clues as to our origins and even to forgotten yet important knowledge.

Both the Serpent and Draco are not necessarily just symbols, but something that implies an order of the universe, possibly a mathematical order of the universe, and this is why The Serpent is such a big theme in almost every system of belief. It is referring to something that scientifically exists as an equation of life, or a formula that opens up some answers to the nature of our existence. Mathematics can be demonstrated by using the imagery of the serpent, the one who transcends time. The Dragon is an arcane symbol that is meant to enlighten the seer with the wisdom of the universe. It has been referred to as a "template" of geometry. This makes perfect sense, because the ancients believed that all things can be explained through geometry and mathematics, from physical to celestial to spiritual things. It is interesting that nearly all of the crop circles are perfect geometric masterpieces. One thing that is sort of disturbing about the idea of constellations is that the ancients seemed to have no concept at all of the sky being three dimensional. Every one of the constellations is drawn on a 2 dimensional background. However, once the pieces of geometry and architecture of places like the Serpent Mound or the Great Pyramid are put together, it starts to become obvious that the ancients weren't just aware of other dimensions; but they built the gateways to ascend through them.

The Foundation of Reality and Concepts of Progress

How does anyone know what is true and what isn't? It is common to question certain worldly knowledge and information, but it is not common to question existence and reality itself, as with metaphysics. It is not common to wake up and ask ourselves if we are really here or not, and then to pursue any real skeptical inquiry into this matter. It is assumed that since we can perceive ourselves, and indeed many people around us, that we need no more proof that we are indeed here. It is uncommon to question whether or not reality has as much substance as we think it does, or if it is really as 'real' as we say it is. Yet it is important because many of our moral and

ethical decisions are based upon how 'real' we determine reality to be. I believe there is definitely a principle which states that somewhere within our realm of perceived consciousness there must be a common ground that people can agree upon. To what end this principle exists is very much open to debate and I am not about to approach that subject here. (Some people think life is a religious matter, others think that it has no meaning, etc., etc.,)Nevertheless, there must be ground that people can agree upon and for that matter quarrel over, but in the end the only ground we stand on is one where our feelings about how real life is, is only one of perception. I may add that the fundamental principle of self-professed psychics is that to make use of labels and decided fact is considered by them to be virtual nonsense. The power to channel the higher laws of nature is often deemed superior by such metaphysicists and psychics. It may conversely be argued that how clearly we define reality is a matter of intelligence, whereby smart people are capable of perceiving a more accurate 'depth' to reality by using those very labels and determinations. I believe that this confirmation and validation of "reality" is definitely an important factor. However, I also believe that beyond this the universe was created from many other principles that are possibly in other dimensions, which are not so permanent and ever-lasting, but more dream-like. Perhaps these additional principles exist within a reality that not everyone can perceive, and which are absolutely separate from ordinary carnal reality and the five senses. I have personally had lucid dreams where the colors in my dreams were far more outstanding and vivid than any waking reality I've ever seen. (So have most lucid dreamers). How can this be if my sober senses are supposed to perceive the more accurate reality? Is this to suggest that reality is more boring than non-reality? Furthermore, if we can confirm that there are various levels of reality by observing dreams, and observing waking reality, as well as hallucinations and the various realities existing within the minds of each person on the planet, then we must also conclude that there are possibly an infinite number of realities within the universe. This is also summed up in the "First Law of Metaphysics" of Kir-kin-tha, by simply stating "Nothing unreal exists". So where in Satan's name, is the sword of Excalibur, the foundation, and the grounding point of the Satanic Baphomet sigil pointing to, exactly? It is pointing to the one place that has been neglected from discussion. It is pointing to a place that could be said to only exist in one's mind, and I might further suggest a place in one's whole being, by the very nature from which we are born. This would certainly solve many religious debates, (and thus we may better wield the sword) and in my opinion would be quite a liberating revelation. I do not suggest that there is no reality at all. I am suggesting that it simply exists where we thought not to place it. Remember, great minds think alike. So do very small ones. Therefore, Excalibur, as we metaphorically refer to it, must be removed from its stone. It must retain its power and wield reality. I should be suspected for tricking the reader into thinking that just because the sword is thrust into the stone, that this means the sword is pointing somewhere. For no, it is merely thrust into a stone and kept stationary until we choose to release it from its stagnate bond within the rock. The rock should have properly been labeled "Logos" for logic. Without this, there can not be that important point of agreement between minds and no foundation upon which we build our worlds. The nice thing to complete this theory is that the foundation is, for our purposes, more or less subservient to our own desires.

A further argument can be made, and this is the centuries-old argument that sustains the Christian and Buddhist (among others) position that material reality must be considered inferior, or even abandoned. I believe that this is the argument for the existence of "heaven" and other spiritual planes that are unachievable if one attaches themselves too steadfastly to the material world and pleasures of the flesh. For it does seem a qualified argument that with excessive emphasis on material reality, one may inadvertently alter their perspective enough to completely ignore the other laws of reality I briefly hinted at earlier. More specifically those laws are the ones that are outside of the sphere of what people agree upon as fact, and where we may meet to form our understanding of the universe. For if we set aside the materialistic and logical facts that we feel to be everlasting and insurmountable, and recognize them as something that is only within our

sphere of what is known to the five senses, and our practical intelligence, then are we not dealing with an orphan?
I bring these concepts to the fold because I am simply not satisfied with partial truths. Based on what I have already demonstrated as being our limited way of constructing reality, there is no truth or wisdom which can be complete and all-knowing without further inquiry. I may be bold for suggesting any sort of all-knowingness, if you will, but then again how interesting can reality be if we are not privy to greater secrets which have certainly not been ignored throughout the history of man and his quest for wisdom?
In my opinion, the most rational method of action would be to recognize that the world we live in is the only world, and therefore any knowledge of other dimensions must be applied to the here and now. Awareness of other dimensions and whether or not we should proceed with recognizing those other dimensions is a very complex subject. For the question to ask one's self is whether or not we can learn from those other dimensions, and if that knowledge would be something so significant as to give us more control over the present world, or perhaps our own lives and our personal progress. We should also be aware of whether or not our awareness of those other dimensions would annihilate our need for this world, and if this would have any perceivable value; for knowledge of those other dimensions must also include verification of an afterlife if the present world's annihilation through knowledge is oncoming. With every system of belief based upon spirituality and the rejection of the flesh and/or materialism, there is the dangerous idea that our perceived reality is not important, and that the world of here and now is merely an illusion to go beyond; an illusion that cannot be justified in and of itself. Does the world that we are born into not serve any practical purpose in our evolution, other than being just a stepping stone towards 'greater lessons'? Thus it is our task to uncover those of here, now and if there are any, from beyond.

The Four Compass Points, the Celtic Cross and the Christian Cross

Every culture and religion inspired by the divine has set forth a concept of unity. 'Oneness', as it were, has been recognized as the epitome of spiritual achievement and yet it has also been deified by monotheism in such a way that it makes oneness of soul and spirit an impossible goal. 'Oneness' itself has been symbolized by Tiamat (the original primeval mother, who spawned everything else) as well as the Christian God, despite the Holy Trinity being a faction of sorts that fragmented the All-One. Nevertheless, it seems blatantly clear that 'oneness' is an essential aspect of spiritual evolution, perhaps even the end result of complete godhood.W
In Hermetic tradition in particular, both time and space are treated as primitive constructs for reality; being necessary for the common 3 dimensional world yet inferior to higher dimensions where time and space simply do not exist. In physics, the theory of black holesy would amply demonstrate this concept, because a black hole has enough gravitational force to swallow both time and space, in effect “destroying” them both. This causes a “singularity” where essentially all moments in time and all distances are compacted into one present moment, in a finite area. To be inside a black hole would be rather like having 360 degree peripheral vision, and being able to see every moment in time in a single glance, theoretically speaking.
It almost appears to be that Pythagoras did this when he proclaimed that the universe is music, or that creation was the result of a “single note”. Scientists studying black holes have recently discovered that not only do forces in the cosmos have an effect on matter, but they also create sound. The deepest notes in the universe are created by what scientists suspect are black holes. This effect occurs when matter is accelerated to nearly the speed of light just before entering a black hole. Did Pythagoras glance through the all seeing "eye", and get a glimpse of this himself, without the use of sophisticated technology?

"The presence of the black hole is the great leveler: Regardless of where the fuel came from, and what form it was in, it all ends up the same way, as a hot, turbulent plasma, spiraling in towards the black hole." – Phil Uttley in an interview with Space.com

All things – the same. All matter – the same matter. All moments in time – the same eternal moment. This is what singularity or "oneness" means in physics. Yet the idea goes back to ancient times in the occult mysteries, particularly in one ancient symbol sometimes called the "celtic cross", or "Odin's cross", perhaps even the Merovingian cross.
The cross is a perfect circle with two lines going through it, splitting the circle in four equal parts. This is the earliest origin of the Christian cross, in fact, and having nothing at all to do with a crucifixion. A simple algebraic expression, $x^2 + y^2 = 1$ represents this cross perfectly. By saying that the square of two line segments measured from the center to the edge of the circle is equal to one, there is the implied statement of four compass points that are operating simultaneously for the benefit of the whole. Thus, Odin's cross is a symbol of fire, earth, air and water operating as one.On a simple algebraic graph of the polynomial $x^2 + y^2 = 1$, the image of a Merovingian cross is the result. If one is unfamiliar with the symbol, it might be interpreted mathematically, and would therefore be a universal symbol of which the meaning could be interpreted cross-culturally. Many symbols are used this way, obviously, as the student of sacred geometry may be aware.
The symbol is also used as a "medicine wheel" in native American tribes, and it holds the same meaning of healing through all the properties of fire, earth, air and water. As all things were "created out of fire", so, too, are all things healed through the properties of the four compass points, which is also something that sounds much like Western alchemy.

The more popular Celtic cross is no more than the Merovingian cross with an extended "y axis", or vertical line. The southern-most sephiroth is known as Malkuth and represents "Kingdom" and this is not-so-coincidentally similar to religion, or perhaps God's kingdom on earth, which is God's religion and church. Therefore, the extended vertical line is used for the purposes of emphasizing the religious nature of the cross.
The Christian cross not so surprisingly denies the esoteric meaning of the cross all together, by removing the circle with the four compass points, and instead asserts the story of a crucifixion through the use of this symbol. It is not, however, anything remarkably original.

The Vampire in Sumeria

If the Undead Gods were here before us, then to go back to the beginning of Vampire history would be to recall a time when the Undead Gods "arrived" here on Earth. How did they get here? Who were they? In order to go back to the beginning, we can only backstep as far as the first etchings of human history will go. Preceding any earlier than that would obviously leave us at a time when there were no human records kept of anything, and that would make things very difficult. I will simply mention that two of the most significant occurences before mankind were perhaps the extinction of the dinosaurs, which happened 65 million years ago, and secondly, according to some occult resources, the very first landing of the Annunaki, the race of extraterrestrial beings who were on a quest to save their own planet and their own race, 450,000 years ago. Their quest led them here, to planet Earth.
Getting back to the beginning of our study, however, we arrive at ancient Sumeria, reportedly and arguably the first human civilization. There are accounts of another smaller civilization just before this, but that is not the point of this article.
Two very important documents were written in the time of the Sumerians. The first is the Epic of Creation, or Enuma Elish. Another was the Epic of Gilgamesh.

The first question that I will propose is this: are the Undead Gods being referred to in the teachings of the Temple of the Vampire the same as the Annunaki? I raise this question because I have personally never doubted that this was true, before I even made Vampire Initiate. I always had this idea in mind, and when some friends from a cabal confirmed this for me (this was actually before the word "cabal" came into use, call it what you like) then I knew that I was onto something.

However, it is still going to be necessary to back that up in an article of this type. First of all, let's take a look at Enuma Elish. This is the story of creation, of how the solar system was developed and how the planets came to be. It is not very likely that people who didn't have telescopes , and weren't even around when it all happened are going to be able to tell us the truth. However, somehow the Sumerians devised their own story which turns out to have a few close relationships to what we know about the universe today. First was that including the moon and sun they were aware of the 12 planets, and thus the number twelve has been used for the calendar and for the measure of time in several ways even today. Secondly, scientists have now discovered that the asteroid belt is a collection of pieces from a planet that was destroyed at one point near the 12th planet. This explains the verses in Enuma Elish that speak of a planet (Marduk) that interferes with another (Tiamat) and then Tiamat is destroyed, broken into pieces, etc. However, there are two happenings going on here: one is the story of a war between planets when the solar system was still in creation, before man was ever on the earth. The second is the story of the Annunaki, how they came to Earth, and how their mother Tiamat was not happy with their decisions and wanted them destroyed. Then Marduk was made a God of all Gods and ended up slaying Tiamat, reportedly in order to free the remaining Annunaki. However, they needed workers in order to replenish the land and thus the genes of primitive man were altered in such a way as to be suitable for the Annunaki. Thus, the dawn of man or Adam and Eve. Throughout history, these Annunaki have been considered myth, and have been represented by every culture on the Earth. Greek mythology is the most well known example. In Sumeria, however, this tale was the basis for Sumerian religion.

While examining one version of the Enuma Elish, I found an interesting translation where it states: "He is the mightiest in the land, his strength is as mighty as the meteorite(?) of Anu!" Notice how the meteorite has the question mark after it, as if the author knew that that was the right word to use, but it still didn't make sense for some reason. What is the connection between the Annunaki and the planets, our cosmology and the skies? From every tale we hear of the Annunaki, it seems implicitly stated that these were not people who came from Earth. They were Gods, and they were from somewhere else beyond our local skies.

How else can we show the relationship between the Annunaki and the Undead Gods, ancient Sumerian beliefs and Vampirism? An interesting line from the Epic of Gilgamesh is: "Release your clenched arms, expose your sex so he can take in your voluptuousness. Do not be restrained--take his energy!" Don't worry about the context of these lines, that's not important right now. Just look at the last three quoted words. We find that indeed there was a belief in the transference of energy from body to body especially during an intense sexual encounter. This reflects the physical contact method of draining lifeforce in Vampirism. Whether this was a rather common belief or an esoteric belief, that does not matter. For the point is that in today's world, very few people would relate to sex as the "taking of energy". This may demonstrate a point that the ancient people's had similar beliefs to Vampirism, or it may reflect an esoteric belief that was unique to the Annunaki. We don't know this. In the former case, we may be able to show how Vampiric thought evolved out of ancient belief, in the latter case, we may be able to show how this was definitely an occult reference, probably of importance to the priests who likely wrote this story. Either way of looking at it could be a positive argument, which is to trace fragments or whole pieces of Vampiric practice and belief back to ancient times. In the Epic of Gilgamesh, we're told of how Gilgamesh is on his journey to conquer a mountain. (I'm not going to provide all of the details of the story here, it isn't important). While on his journey, in the midst of making

a decision and feeling at a loss, he calls upon his Gods to provide him with a dream that will assist him. Two very important things happen to him. One is that when he goes to sleep, there is an enormous and powerful wind that stirs up. You might recall the "coming of the winds" from your readings. Secondly, once he is asleep he wakes suddenly, questioning his friend. He wants to know who touched him, who woke him up. He feels that someone's hand has brushed him. Is this not one of the effects we experience during our communions? Aside from these two obvious points, we can also respect the faith that Gilgamesh had in his dreams. He apparently felt that they were just as real as day, for if not he wouldn't be calling upon them to help make important decisions.

Gilgamesh, we are told, was one-third man and two-thirds god. (Part-Undead) Lugalbanda, was a whole God, "the divine Lugalbanda," who ruled Uruk for more than a thousand years. His mother was a temple priestess. Priests and priestesses are human in origin, but in ritual situations they take on the aspect of the god or goddess they serve. First of all, how does a man rule for 1000 years? Was he immortal? Secondly, this process of self-deification in ritual sounds a lot like a Vampire ritual.

One may also find from studying the ancient religion of Sumerians, that they were commonly found giving inanimate objects names. Vampires are also told at some point in our initiation that to command objects, we may treat them as if they were living things. (That's the short description, for those who don't know yet). This was not practiced exclusively by priests. It was practiced by even the peasants. If a storm was desired, people would gather and call forth a "God" that represented a storm. They would pray to it and command it, and if fate was on their side, it would come. Sumerians believed that the planets, the stars, the sun and the moon were all Gods. Each God had a name, and could be summoned. Vampire socerers will recognize the significance of this. It is also likely that many more objects other than those in the sky had the names of Gods and were commanded through ritual.

The Sumerians believed in immortality. In fact, they were using the process of mummification long before the Egyptians. If you are unfamiliar with this process, I would seriously suggest looking it up for it is a fascinating advanced technique that still baffles scientists today. However, the point is evident that the Sumerian religion did believe in the astral body, no matter what they called it, perhaps "LIL", and that it can rise above and take form in another world or dimension. (Which may have been - LA'ATZU)Without this belief, the purpose of mumification would be lost. The Sumerians left behind a text which was comprised of all of the details of this process. In one story, the Goddess Inanna ordered to have the body of Dimuzi, her husband, mummified and put in a shrine called Emash. The meaning of this word EMASH is precisely: Temple of the Serpent. The Serpent, in this case, is clearly the Dragon of ancient times that is still with us today in the teachings of the Temple of the Vampire. They are one and the same.

To further prove the point, the Dragon is Tiamat, as depicted in Enuma Elish. As we read in the Vampire Bible, Tiamat is the creator of the Gods. For example, depictions of a Dragon, a winged creature, fighting with Marduk, a winged man, are found in Mesoptomia.

We know that the two have names, from the tale of Tiamat being slain by Marduk in the Epic of Creation, Enuma Elish. Indeed this story does tell us of how Tiamat gave birth to the ancient gods, how she split them apart and gave them different specific purposes, and finally how she rose up against them in anger. Thus, she is the creator of the Gods. The Dragon is still alive and with us.

Conclusion:

Were there Vampires in Sumer? Who knows. I'm not going to prove it in this article. If not, then there was at least a belief in the Vampire. At some point I should hope to find information about the Sumerian "Akhakaru" which means "Vampire", such as where it came from and what beliefs led to its myth. Some detailed explanation of where this word was derived from might lead us to the next article on the Sumerians. When we get a hold of the lost texts of the priests whom

performed their ceremonies in their temples, then we may know what else they were thinking. Until then, there is little evidence that any Sumerians were specifically practicing Vampire rituals. It is more likely that their beliefs evolved into a more esoteric practice of sorcerery later on. Gilgamesh's experiences may be entirely unrelated, or they may be authentic. I cannot confirm or deny this. The texts of the priests are also assumed lost to mankind, making more difficult our task. Perhaps there were no texts with teachings such as those used by the Temple of the Vampire in ancient Sumeria, but by studying the beliefs of the Sumerians, we may be able to find how Vampirism has its roots in the first civilization on earth, and that would still be noteworthy, in my opinion.
Hail Tiamat

Vampire in Egypt, Tales of Thoth

From out of Babylonia and Sumer, the legend lives on. Previously we finished with Tiamat, the Dragon that was alive in Sumer and alive with us today. In tracing this forward in time to Egypt, my findings were even more fascinating. I turned to the 12th dyanasty of Queen Sobeknefru, who is mentioned as the one who formally established the Dragon Court, or Order of the Dragon around 2170 B.C.. This order was meant to explore the scientific teachings of Thoth, which prevailed in the second dynasty of King Raneb. Therefore, I was thrown into a whirlwind, and in my effort to trace a more recent time than Sumer, I find myself with information sending me back before Sumer, as supposedly the teachings of Thoth are much older than mankind itself. In addition, I had the time period between the 7th and 13th dynasties to reckon with- quite a gap.
Interestingly, I came across information about the Emerald Tablets, which is the testimony and teachings of Thoth, reportedly found on tablets which cannot be destroyed. They are an alchemical material which does not follow the normal laws of disintegration or age. Nonetheless, the most important fact is that these teachings seemed to have everything to do with our teachings of Vampirism. Within this text are references to the magic of astral travel, to feeding upon Lifeforce, and to the deceptive nature of time and space. It makes direct reference to the Undead Gods, and gives the formula for leaving the flesh and being freed from the bonds of the flesh. It is a set of instructions on attaining immortality.
Another very necessary point to make about this text is that Thoth, keeper of the records of man's history, constantly refers to his path as the path of the Light. Now this could easily be misunderstood by one who does not know how to read. With further insight it becomes apparent that Thoth is not speaking of daylight, or the light from the sun, or any other "holy" light which is best known in religions of the right hand path. Instead, this "Light" that Thoth refers to is obviously pure illumination from within, a personal enlightenment. In fact, a "flame" that burns within. The wisdom that he teaches IS the Light which is being referred to here. In other words, the path of Light is awareness, and enlightenment of the spirit within. 'Darkness' in this text is simply the path of normal waking, or the acceptance of life as a totally mundane experience, with no spiritual value. To be left in darkness is to never seek any greater understanding of life other than what you can immediately see, hear, smell, feel and taste. This would be the equivalent of living blindly, thus, in darkness. At the same time Thoth is NOT preaching the word of Christianity or similar, and to interpret this text that way would surely be a corruption of the original. In fact, this text, if misinterpreted on purpose, seems to be the basis for Christianity, complete with a descriptive imagery of "heaven" and "hell", but like I say that is only when you purposely make it out to be something that it is not. Perhaps that is why the keepers of this knowledge established a Pharaonic institution and not an egalitarian one meant for the whole world to see. There are references to the words of the Bible, but in the Bible the words are clouded over, and the actual wisdom of Thoth is totally lost to the Bible. Technically, yes, the Bible does have the words in it. However, a literal reading of the Bible and total practice of its

teachings will not lead you to the path of Light, which is the path of Thoth. Therefore, despite any similarity I would persuade you not to consider the Bible as a resource. Finally on the subject of Thoth, it is said that he was later incarnated into Hermes. Hermopolis was the cult center of Thoth's teachings. This is important for further reference or research.
Further research will show references from the Emerald Tablets which describe how the Pyramids of Giza are the gateway to the other dimensions or the world beyond, being that the peak of the pyramid is of utmost importance, as this is where all mind soul and spirit come together and are able to extend beyond the reaches of physical existence. Not too unlike what we learn in our teachings as well.
We are also told of "the dweller", an interesting allusion to the Dragon, the Dragon within, as he dwells within each of us. Many more Vampire references are made throughout this entire text. It should be studied and read over and over again. I myself was amazed at how each reading revealed different wisdom, knowledge and power that I hadn't noticed the first time. Some of this text actually makes reference to things that should not be spoken of to others, and it is very, very sensitive. If you do read this text, I would make it a point to yourself not to speak openly about it with the profane. In posting this information about the texts, I trust that those who seek it will have made their oath to the Temple and will know the value of silence. There's not much you can do about the fact that this text is already posted on the internet. By my referencing it no harm is done, but my own posting of it and then sharing it with the profane certainly would be a mistake. Thoth warns of his curse, which shall fall upon those who betray his word.
So there you have it. That's really all I'm going to say about Egypt right now, therefore this is a short article. My conclusion is that if these sources are authentic, then Thoth could very well be the first of the line of Vampires to ever document the magic of vampirism, the only exception being the original Undead Gods themselves, of which Thoth later became. He offers the knowledge that you and I have this same potential. Isn't that what the Temple tells us, by saying, "the choice is yours"? In this way Thoth can be considered a father to us all.

Secrets of the Knights Templar

As the ancient knowledge continued to be buried in secrecy, it was handed down to numerous groups, and one of those was the Knights Templar. A most evil hypocrisy was directing the Church at the time, for when near bankrupcy prevailed, the secret wisdom that was kept by the Templars was suddenly used as evidence against them. Prior to the near financial collapse of the Church, the secret knowledge of the Templars received little scrutiny. The Pope knew the power that the Templars held, and therefore any implied mysteries were guarded for the selfishness of the Church. However, such knowledge could also be used as a charge against the Templars, and that is exactly what happened, while the Church pretended that it never knew the wiser.
Templar knowledge was a threat to all other lesser societies. Just as the Egyptian knowledge was kept hidden and relegated to heathenism, the Templar knowledge was of the same descent, and therefore as the Church pretended that this information was abolished and evil, it was taken as sensitive material used to create or destroy. The Templar society was able to exploit their power which was derivative of the ancient knowledge, and this was attractive so long as it benefitted the Church. Afterall, they were the Church's military allies. Nonetheless, they were just as expendable as any other "secret society" when times of trouble for the Church began.
Scholars are in debate as to whether or not the Templars really did participate in devil-worshipping sex rituals and other so called 'satanic' activities. I believe that the truthful explanation is not the affirmative or the negative, but somewhere in between. What has the Church done with any sacred knowledge when it wants to exploit its own mission? It exaggerates. The underworld of the ancients, where the deep ones dreamed immortal dreams and kept the dark secrets of the Earth - became "hell" in Christianity. No more a place that implied a dark wisdom,

or another aspect of mankind that held value, the underworld simply became a burning inferno where souls met with a terrible fate of eternal pain and suffering. The idea of "sin" was born out of a mere expression of caution. Whereas the ancients would have simply been cautious about their animal desires, (taking responsibility for their own actions) the Church turned animal desire into a terrible evil deed that should be suppressed, and uprooted from the very soul of man, ripped out and never spoken of again. They taught us that man was born wicked and evil, and the only way to salvation was abstinence, restraint, and suppression of emotions and instinct. The ancients, or the Babylonians and Sumerians for example, would have simply seen man's natural state out-of-the-womb as a beginning to a lifelong journey of attaining higher spirituality and personal progress. Born into "sin" simply meant that you don't know everything from day one - you have to learn it. (The fact that Christianity is a subjective modification, and even a perversion of earlier pagan religions is definitely implied here. There is nothing entirely original about the Christian religion in their mythos or their practices). This tendency towards exaggeration is what leads one to the conclusion that the Knights Templar may have very well been the keepers of occult secrets and wisdom, while at the same time, they may not have been dancing around naked in lustful orgies kissing the ass of a demon. It is likely that they knew the meaning of the Baphomet, and that they kept this symbol in high regard, albeit secretly. However, the idea that they worshipped the Christian devil by performing heinous crimes of debauchery is nothing more than a fabrication devised by the Pope, who later had them destroyed.

It is said that many of the monuments around the world such as Stonehenge and the Mayan temples were navigating points for the ancients. For at a time long ago, people from the east travelled upon sea to erect their own temples, which could be used as maps, just as the stars helped navigate their journeys. They placed their mark on many very important territories across the globe. How else could astronomy and astrology be so well intertwined in the ancient religions of many far apart lands? The ancients taught the ways of the Annunaki to many civilizations, not just their own. The Templars seemed to exhibit quite a bit of this knowledge. They, too, looked to the stars for much wisdom and inspiration, for this was the basis of their geometry, which was nothing new in the coveted, heathen world. Great mathematicians such as Pythagoras also taught this knowledge to his colleagues.

Is there any mystery to the fact that Templarism later became a part of the Freemason structure? Those who are practicing Masons today will tell you that Templarism definitely is alive and well in today's world. How else can we understand the tradition of the ancient knowledge? It is also interesting that the Knights Templar are shown with the German cross which is the same cross used by the Order of the Dragon, discussed in another article. Is it any coincidence that the Order of the Dragon seems to practice many of the same objectives as the Knights Templar and the Freemasons, and furthermore, how did it come to be that the Order of the Dragon is made up of a royal bloodline? Does it not seem appropriate that Templars, royal descendants, who did escape the inquisition should maintain their legacy? We may also note that it was less than a hundred years between the time that the Knights Templar were supposedly destroyed, and the time that the Order of the Dragon was established. This is approximately one lifetime of an average man. (94 years, a long life admittedly). Perhaps this is part of the mystery of Henry Sinclair, the leader of the Templar society, who supposedly buried the knowledge of the Holy Grail deep in the wilderness in order for it to be preserved for a future date when man would be better equipped to handle the esotericism of the Templars.

Hopefully this article has demonstrated in some way how we can at least hypothiesize, if not determine for sure, that the Knights Templar were the keepers of the lost wisdom of the ancients, i.e., the Annunaki. Previous articles on this website explain the connection in greater detail. Obviously a detailed history of facts surrounding the Knights Templar is not intended here, but rather just to further expatiate the purpose of the Alla Xul Studios mission.

Order of the Dragon

This article has to do with research that I have done regarding the Order of the Dragon. The Order still exists today, also known by the name of the Imperial and Royal Dragon Court and Order, however this is a closed organization and not affiliated with myself or anyone else I know. This is what led to learning the teachings of Thoth, for the organization is meant to be a foundation of these priestly pursuits which date back to Egypt, 2170 B.C., during the reign of Sobeknefru and before. In this article I'll be focusing on the modern day Order of the Dragon, as well as the purpose the order served in the times of Vlad Tepes, (tsep-ish) and his son Vlad III, who was Vlad the Impaler, or Dracula, in the later 15th century.

Vlad II Dracul was inducted into the Order of the Dragon by the Holy Roman Emperor Sigismund of Luxembourg in 1431. The Order of the Dragon was a knightly cabal dedicated to fighting the Turk. Its emblem was a dragon hanging on a cross, the type of cross, centuries later adapted by the Third Reich of Germany. Incidentally, the Third Reich's occult activities were dominated by the Hermetic teachings of old, Hermes Trimegestus being the supposed reincarnation of Thoth.

The dragon was the symbol of the devil and consequently an alternate meaning of 'drac' was dragon. Vlad II wore the emblem of the order from 1431 onward after swearing his oath, as he was not allowed to remove it until death. Currency of that time also had the dragon symbol on it. If we were to translate Dracul to English it would be 'the Dragon' and therefore, Dracul's son, Dracula, means 'the Son of the Dragon' or 'Son of the Devil'. Ironically, the symbol on his neck supposedly represented the triumph of Christianity over the forces of evil. We'll explain that in a little bit.

The Turks ruled the Ottoman Empire, and in due justice the Turkish name is actually Osmanli after the leader of the time, Osman. There were rather tyrannical laws governing the Ottoman Empire, such as high taxes and the taking of one child from every family of five so that they could serve as bodyguards for the Sultans. Of course, systems with similar demands are omniscient, including mandatory registration with the military in the USA. As for females, girls were sometimes made harlots for the Sultan, and perhaps this is where the Dragon order of today gets its creed to protect women. Regardless, Vlad Dracula had sought to conquer the Turks in the name of liberty for his people. He was sworn to other objectives as well including: protection of the German king and his family, defense of the empire, shielding of widows and orphans, and mourning for the deceased members of the society. Apparently the secrecy of the order was meant to protect the ultimate objective which was the domination of Europe.In the order today, the main objectives as quoted from their own web page are: 1. Protection of the Earth 2. Upholding of Peace 3. Support of the Downtrodden 4. Defence of the Feminine 5. Pursuit of Knowledge. These are known as the Five Holy Obligations. (For those who get a pointy nose at the word 'Holy' we'll see soon that this by no means represents Christian holiness.) These five goals sound similar to the goals mentioned prior. Granted these seem quite convoluted if they are to have anything to do with the teachings of Thoth, and especially the Temple of the Vampire. It must be considered that it is unlikely that religion outweighed political tactics in the original days during the Turkish invasion. It seems evident to me, even though it has not been stated so bluntly, that Vlad Dracula had his own agenda at all times no matter who he made allegiance with in order to keep himself in power. Are these "Holy Objectives" just a manipulative tactic to win the approval of the masses? I would affirm this only because we have seen this strategy used throughout the world's political history. Plus we are aware of the ultimate methods of Hekal Tiamat to oversee human civilization as an 'experiment'. The real question is in the integrity of the Holy Roman Emperor, since he was the one to re-establish the order. Would he deceptively open an order that was for the public a fraternity for Christ, while being an occult order of great secrecy at the same time? It was reported that there was no question over the religious practices of the Church at this time even though there were a few political differences. (This may be an understatement, for the latter became 'The Great Schism'). It was Sigismund, the Holy Roman Emperor, who sought to end this political debate. Yet just because there are no questions being

asked does not mean that this was an exclusively Catholic political power. In order to be the Holy Roman Emperor, one was not necessarily required to be Catholic. Protestant was allowed, and frankly examining its roots could mean anything. Therefore, influences outside of the Catholic fate were not criminal and may have been employed. One source reports that Sigismund definitely did have occult beliefs, and was loyal to them. Interestingly, he allowed the Church to maintain their own Catholic politics and control the masses, or the average populace with Christendom. Apparently Sigismund did not feel that the common man needed occult beliefs, and therefore it wasn't important to provide peasant witches or warlocks with legal protection. Shortly after this, the Inquisition came, and at the same time the Order of the Dragon was established, or shall I say 'resurrected' from its egyptian ancestry. The pieces fall together how the masses were meant to be controlled by some sort of prophecy-shared foretelling of control.

The survival of the original liberty-based dogma may not have died out altogether, however. For when the pilgrims colonized in North America out of rebellion towards their tyranically king and his unrealistic taxes, the doctrine of liberty once more was unleashed. Other statements of the modern Dragon Order reflect the same type of non-biased, liberty defending principles that went into our own Consitution of the United States of America. For example, "... in this tradition of weighing governmental and religious balances that The Imperial and Royal Dragon Court and Order persists today. It provides a fraternal rallying standard for those of all creeds and cultures who are dedicated to preserving the rights and values of others." In other words, there is no discrimination towards one religion or the other, so long as you are prepared to defend the freedom for each to set their own course in life, then you have understanding. In masonry, this principle is a constant. It also fundamentally states that any religious thought which goes into government cannot be biased.

Such was meant as the foundation for the United States, therefore any claims that the country was founded on Christianity and ideas to put the "faith-based principles" of Christianity into our government leadership are not an accurate application of the tenants of the Constitution. (Who's running this show, anyway?) Could the founders of the United States have been the descendant rebels of the Dragon Order, who saw fault in giving power to the Catholic church, finally breaking apart from the Church in order to found another independent country in the name of personal freedom? Were those who drafted the Declaration of Independence on a mission in favor of the original tenants of the Dragon Order?

Time changes things. Throughout history we've seen leaders and kings rise and fall. Sometimes they would make allies that later became enemies, and had to be fought against. Let me go back to an earlier statement, which showed the similarities between modern day Masonry and the Dragon Order. We know that the Masons, or Freemasons, had established themselves in America prior to the constitution being written, for they were the very persons drafting it! This was meant to be a secret order of ecletic persons who were plotting a political rebellion against the rule of Europe. Issues of this nature had to be kept secret, since it was of a sensitive nature. Surely there may have been rumours, however, those who really sought to make their dreams of personal liberty come to life, these people knew that sharing any realistic objectives with the public would be a mistake. There was a need for timing and focus. At a time such as this, the Masons were gathered. One nation under the Dragon, indivisible, with liberty and justice for predator and prey.

The Worst Conspiracy

(This article has been slightly edited 06.14.03. This article is not referring to what some people consider a "Christian conspiracy" to control the masses and suppress powers that would lead to the Church's undoing. It is regarding a fictitious conspiracy that incorrectly involves those who have been and continue to be in positions of power, and have furthermore incorrectly been

affiliated with the second-rate leadership that has replaced the true sovereignity. It is in defense of the generations that were driven out of their own countries and removed from the noble class at the hands of a jealous and tyrannical monarchy. I will argue here that those who are sometimes called the "Illuminati", the original bloodline that has maintained power through various dynasties, are not to blame for the idiocy of the modern and Christian mental manipulation warfare.)

Conspiracy is generally thought of as a select group of bullies who have entirely too much power and wish to control everyone's freedoms and civil rights. There are many different conspiracy theories, but this is what they all amount to in the end. Authors like David Icke and others are vainly attempting to free people's minds and liberate them from the clutches of the world-wide conspiracy everyone is supposedly the victim of. Every secret society is accused of conspiracy by someone out there that thinks they've got the ticket to humanity's salvation. Everyone from schizophrenics to sports commentators are getting in on the game of conspiracy. Where this conquest is short-sighted is in the fact that "free people" chose their own slavery.

I am in opposition to conspiracy. I honor truth. If I alone should be the only one to know truth, then so be it. Yet I do honor that truth.

There is, in my opinion, however, a conspiracy that is very real and does indeed exist. It is the conspiracy of stupid people who resent the fact that someone else got to the top first. It is the conspiracy of losers who accuse governments and religious leaders of being wrong without an idea of what is involved or how the world arrived at its current state. It also shows up in the jealous behavior of those who want to govern, but aren't meant for it. Inevitably an entirely different story is made up and fabricated instead of simply investigating the non-fiction. The truth has always been there, accessible to anyone, and the fact that there are so many ignorant people running around only proves how little they want to know.

The idea of a conspiracy of the upper class against the lower class is a fraudulent lie. This is nothing more than a natural law of survival of the fittest; and furthermore it is of the discretion of those who have power to decide what to do with it. Not only that, but conspiracy advocates have made up stories, that, if they were true, would also apply to my own ancestry, and there are no stupid shape-shifting lizards in control of the world's population. There are leaders who have been loved by many throughout all time, who have shared and nurtured this world even when the only obedience they received was from disloyal and crooked thieves; the pretenders to the throne. If anyone in the same lineage should have a "different gene" then it is likely to be the one that makes one honest with his or her self.

By the same token, imagine if we suddenly put in charge all the people who really don't have a solid concept of history and the kinds of turbulence that has to be endured to create kingdoms and empires. Imagine if every unenlightened person who swears up and down about the existence of "one true God" could suddenly be standing at the altar preaching to us, while knowing nothing about the actual historical symbolisms and traditions that brought about religion in the first place. He holds up his chalice and sees something that it is not. I can tell you what it would be like. It would be horror. Horror from here on out, until the end of the world which would undoubtedly occur since every one of these flakes believes that an Armageddon is coming to wipe out the human race. Hence, the world today. (This isn't too unlike what has already been forseen, and published in sensationalist journals everywhere we go).

If you were meant to know what this world is really about, then you will find yourself in good company. If you were not meant to know, then the simple fact that the world is the way it is will continue to torment you and disturb you to ever-increasing levels.

For who's benefit? For my benefit, and for the good of the whole world, if only natural law were a more prevalent thing in people's minds today. Yet how quick those who are in theological and scientific denial are to accuse intelligent people of being "deceivers". If people want to make an "Illuminati" of evil devil-worshippers out of those who we can really learn something from, then so be it. I will continue to learn something from those who intentionally reach out to us, in

metaphoric and literal ways, who showed and still show us a path meant only for the few. Their "secrets" are our right to discover. They are our inheritance, not our enemy. Therefore I will do my best to not be biased, but will recognize the positive and negative aspects of history, in order to formulate a responsible, as well as a more mature opinion of my own.

Through My Eyes

Through my eyes, I see an animal that has been in a constant state for thousands of years. Self-deceived. Fanciful. Ignorant. Stupid. I see a world as shallow as a wading pool, in comparison to the vast oceans. I see a breed that has refused to correct its own errors after centuries of promises and hope. I see a machine that will eventually overpower and destroy them, while a little wizard works from behind the curtain.
I see a world transforming by the power of those minds who've been one step ahead the entire time, from the beginning of civilization to the current day. I see a leadership that has capitalized on the reality of mind-enslavement and manipulation of what is and what isn't.
I see a Family that is desperate to know, and yet always grasping but never holding. We can wait for any who are so chosen, but for the masses, the hour glass has long since run out.
I see a lonely soul who thinks that the big machine over his head was created in order to destroy him, to take away his liberties and rob him of his freedom. I see a lonely soul that I know will eventually look to the cities of old, the legends of history and will walk in the path that his nature cannot refuse to him.
For the big machine does not fight him, except for in his own mind. He is simply confused between what is real and what is not, and what is him and what is not him. His experience deceives him.
If the lonely soul looks down at his finger tips, he will see that he has the imprint of the same Lourdes who made that machine on his own hands. If he looks back into the dark recess of his mind he will find a memory of the days before the machine was built, and he will return to his Atlantean self...he will earn his "webbed feet" and escape the desert heat.
When he realizes that he is not such a lonely soul, but a lost one, then all of his frustrations as the wayward warrior will cease. He will not fight the machine, but will appreciate it. He will understand the mechanics of the steel, and will see that this machine is the product of thousands of years of experience, trial and error. It has a very specific and rational purpose. He will no longer sit and watch the Family build empires, but will start a little empire of his own.
He will realize that his Family has been calling him home for a long time, and that in Our Family, we do not condemn and deceive and betray like the families of the masses...here, you only ask and you receive.
To rule is to hold the reigns and ride the worm. No matter what name the worm has, it has always been the same beast...the same machine. So ride.
Forget the little people. Forget your sympathy for them. Forget their stupidity and their inability to be anything more than primitive seekers of hope. You cannot change them. We don't try. You cannot teach them. They can only be ruled. They require lies. So grant them a glass of wine and a stale piece of bread.
Share in the joy of the Family. Know your place, and be aware of the transitions that are meant to come, along with the little harvests and the large. When the Lourdes meet, you will know them and you will sit at the Round Table once again, to construct the next application of the Truth of the Lie amongst the Lourdes and the Masters of Men.
In Vita Aeturnus.

Who Is A Predator?

The word "predator" stimulates the fears of people who sympathize with humanitarian morals. It is usually because of a misconception that self-proclaimed but unworthy "predators" often perpetuate. The common assumption is that a predator is one whose time is consumed with finding and cornering prey. Many Hollywood portrayals of the predator have force-fed this stereotype. At least two Arnold Schwarzenegger films serve as good examples, such as the appropriately titled Predator and also The Terminator. Conan the Barbarian, on the other hand, while showing many of the stereotypical predator-like qualities, did at least cast Schwarzenegger as a man capable of rational judgment, and so was his struggle based on this judgment in order to defeat the selfish tyranny of Thulsa Doom. (Played by James Earl Jones). Ironically, Thulsa Doom was a shapeshifting serpent/snake, which, historically speaking, is the archetype for a freedom-loving tribal people that thrived before Christianity, who had nothing to do with merciless tyranny. Democracy in its most orthodox form is a direct creation of those who aligned themselves religiously with non-hierarchal and ancient systems of government. At the same time, Democracy is completely based on predator vs. prey stratification. It rewards the competent and gives little to no reward to the stupid; but the meaning of stupid is broad-based. I'll give an example in this article.

There are some obviously deranged concepts of predatory behavior going around, to say the least. Yet if we remove ourselves from those Hollywood-cast definitions and stick with real people, then we can at least filter out the ideas that are entirely impossible, even for someone with a lot of imagination. (Robots programmed to kill by the government, rabid dogs that escaped from a lab, etc.) In reality, however, many people still understand predator behavior in a light that isn't too much different from an ugly beast that has no other instinct or purpose than to hunt and kill. Let us redeem ourselves from such lowly premises. The only reason someone would passionately insist on their ability to overwhelm their prey is because of the usual "empty shell" personality. It is self-granted meaningfulness.

Predator-like actions on a regular basis are suspect to illustrating how a person who has no power will aim to find power, somewhere out there in the world. This is a shallow effort on all levels. Any success is bound to be destroyed by the very fact that the misunderstood predator had no real power to begin with. This is commonly coupled with the effort to "improve one's self" and to struggle up the social ladder. The food chain is an aspect of nature. Survival of the fittest is also a natural law. Yet it is easy to take these facts and assume that they apply to every social function and all other aspects of life. Social demands for disrespect are numerous: "buy a bigger car", "have sex with more women", "show no respect for other people", "drive like a complete jerk", etc., etc. Unfortunately, this is overlooked by quite a lot of those who've witnessed and been awestruck by real power. The demands of the noble are: "respect yourself", "be what you are", "don't conform", etc.

The idea of "power", for a true predator, is internal power. It is kin to powerful thinking or powerful ideas, and not at all to be interpreted as power that one can wield over others, or by force. A powerful person does not need to learn how to influence friends or win people over. A powerful person acts upon their natural instincts, and if they have a point to make that is good enough to be respected, then they will make it. It is a result of having wisdom. You don't get wise by defeating enemies, or rendering everyone else insignificant. If an enemy crosses you, and you can direct them out of your life, this is because you already had the power to do so, not because you are becoming more powerful. Wisdom is not the result; it is the cause. The opposite conclusion would be a fault of the ego that tricks the mind into thinking that some other force, "Satan" perhaps, is responsible, and henceforth "divine proof" has been shown. It is like giving yourself a medal when you did nothing to deserve it. Titles and certifications in and of themselves are meaningless. When a person makes an effort of courage to save someone's life, he may earn a

Purple Heart; a big impressive award. This is garbage only garbage because foolish people see more value in the useless little piece of metal than they do in receiving a pat on the back and a hearty, thank you. They forget the original. It makes for disposable awards, and disposable people.

Some clumsy people think that they can go from being a nobody to a somebody just because they've accomplished a few things in life. When asked, "what has your view on life done for you lately?" they immediately point out their new house, new car, new boat, blah, blah, blah. Guess what? These aren't "accomplishments". They are just consequences of simply living life. Tony Robbins awards people who lose weight and earn a million dollars. That's his own clumsy mistake. Robbins is rewarding people for simply living life in a way that makes them happy. It demonstrates how sick this world is. For this, I find Robbins to be no more authentic than a psychic healer on a cheap prime time television show.

This error brings out the real personality of someone who sees other people living well, who expects to do the same if they adopt a similar dogma. It is a mistake to think that without having any real power, one can grasp an esoteric credo or philosophy, and their lives will immediately improve. The fact is that any truly powerful dogma is justified only in its correct interpretation of what it means to live life. There is no "source", such as a bible , that one must use to keep in check. The source is the self, which is fortunately or unfortunately something we are all stuck with.

I wouldn't disagree with anyone who claimed that a "self-help philosophy" has in some way or another been a beneficial supplement to their lives, and has consequently empowered them. However, for those who see the power in self-help books as something to acquire, or acquire "more" of, there becomes an itch that often does not go away. This "itch" is the one that a person who is constantly seeking power usually exhibits. It is the pretentious desire to climb the social ladder and to always assume the predatory role; as if just relaxing and doing your thing is too much of a struggle.

A shark is one of the sea creatures commonly associated with predatory behavior. Although tons of information has been released to illustrate contrary facts about these ancient animals, it seems that many people are still confused about them. For instance, many sharks are constantly in motion, merely for the fact that they cannot breathe without moving. Their constant movement is not solely for the purpose of seeking food. They move because that is the necessary function for survival. An analogy can be made of the human that is constantly pursuing various projects and leisure because this is what leads to his or her own personal happiness. At the same time, it could be said that such a person is only acting upon their own ego, in order to show how "powerful" they can be. The two concepts have an enormous line between them, though appearing very similar. One is natural, the other is simply moronic.

Thus, a real predator is hardly high pressure society's chump. He is hardly the desperate pursuant of material accomplishment with a quest to feed his ego. The real predator already has an ego. Thus, the actions of the ego are merely consequence. I personally couldn't care whether anyone considers me successful or not. I'm doing what I want to do with my life. A person with a healthy ego can be courteous and adaptable, since he is secure in his actions and knows that no amount of oppositional strain can harm him; and if it does, he probably deserves it! Yet still, those who seek power without having power will condemn themselves to frustration and aggravation whenever having to face the slightest inconvenience. It is most discouraging to see misanthropy stem from a hatred towards everyone who refuses to reward lack of competence. Perhaps instead of overwhelming the "enemy", they could just do something worthy of recognition.

Liber Azerate will allow you to learn magic system c MLO, eclectic
in their approach to what it brings, and to create a synthesis between the various
dark traditions that are very different in form, but whose inner
aggressive nature allows them to be in perfect accord with each other.
MLO will thus create new portals opening to the acausal
plan, through which, in agreement with the anti-cosmic pulse, really
wishing that old, stale forms come to new potentialities, finding
weapons for the war in the coming eon.
These spiritual, philosophical and magical forms - good tools and
external tools that are used to focus the Order, the opening of channels and
Wake acausal essence - of chaos, located on the other side of each causal
form.
These forms (for example, mythology, ideology, rituals, symbols) in the MLO
working with a completely different content than that with which they are usually associated.
They form the same methods as the existing form of exoteric,
prokosmicheskogo and nedinamichnogo "Satanism" - what they are antithetical.
This is due to the strategy of the Black aeonic Logos, which partly comes from
Creation of dynamic forms of violent neo-gnosticism to satanic
overtones.
Therefore, at present MLO decided to work on certain
previously completely esoteric texts, making them accessible to outsiders. This
The aim is to spread some creative ideas and strained-
terms to be for the foreseeable future, promote
darker and more concentrated form of Satanism.
Liber Azerate - this is the first of eleven books that should serve
above purpose.
Only in the darkness of Satan, can we find our inner light of Lucifer!

Chaos - it's a multi-dimensional plan that has an infinite amount of time and spatial dimensions, unlike space having only three spatial dimensions and one temporal.
Compared with the linear time dimension of space, chaos is eternal, and so , the time is not limited to having only one dimension.
Space is causal, that is limited to the law of cause and effect, while chaos is akauzalen (vnekauzualen) and is free from any restrictions.
Chaos - is a constant stanovlenie2, it is an active and dynamic eternity.
Chaos was chaos there, the chaos at the same time is everything and nothing.
Thus, the chaos - the only true freedom and primal essence is any form.
In the infinite chaos there any possibilities, among which also there is the possibility of a space.
Part of the chaos surrounding space, is the anti-cosmic, as multidimensional nature of formlessness and chaos are the exact opposite formed, and the causal structure of the limited space.
That is why the chaos that invades space, proves destructive, absorb and dissolve.
Terminating the limited structure and shape of the cosmos, chaos argues instead uncausality formless and infinite, which is the beginning and end of everything.
Chaos can be found in all things, in the largest and smallest.
Chaos is present in the universe.
It exists in absolute nothingness, the nothingness in which people can not afford even imagine.
Chaos at the same time is multi-dimensional and devoid of measurement.
In it there is time and timelessness, space and the lack of it.
He - the beginning of all, it was created out of chaos.
Everything came out of chaos, it is everything and nothing at the same time.
Chaos has its own origin and its own creation, which in its boundless formation creates and destroys.
Chaos - it's a dimension of zero, spaceless and bezvremennóe first principle.
Zero dimension, containing the all manifested and unmanifested dimension.
Chaos - the eternal development and lawless formation, which wants space stop using their limited forms.
Lawlessness chaos is not bound by the laws of causality, stability, and limited space structures.
From the point of view of haognosticheskoy, lawlessness is boundless freedom outside the shackles of the cosmos.
2
Formation - a dynamic process, contrasted static existence - an important concept in Traditions 218.Evolyutsiya - a tool to speed up the return of chaos, just chaos, while as stagnation - a means of space to keep everything in its limited form, the law, and structure.
Black Flame - acausal fire, "spiritual" nature, which is beyond or outside causal forms of human consciousness - is the link to the pristine the essence of which is chaos.
Our "I" (ego, ego) formed the limitations of space, whereas our "True self" (samó, self), the fullness of our being acausal force is beyond our the human form, and any restrictions. Therefore, the "true self" is identical to the hidden dark force, which we call the inner black flame.
"I" is the focal point of the "true self" and this restricts (identifies) "True self" in space.
"I" - is our mind that is in the world, while the "true self" / spirit / the inner flame of chaos exists beyond the gates of the unconscious.

Consequently, the "true self" - a dark and hidden essence that binds us
primeval chaos.
Looking into the abyss of the "true self", you can find the door that leads to chaos.
By opening the gates of the unconscious, leading to the acausal "true self"
(Azoth), you can increase the awareness of the "true self" in our being, to direct point
Focus - "I" - toward the inner fire of chaos and create a synthesis of the "I" and
"True self."
This, in turn, increase the inflow of non-causal flows into consciousness (Atazoth),
will open the eyes of dragon and free the multidimensional "true self."
Lower (spiritual) point satanic pentagram symbolizes the "true self"
which is constrained and inhibited by four-forming elements (elements)
symbolizing the "I" (ego).
After the return of the four elements in the flame of the spirit absorbing akauzualnoe
"I" returns "true self", which is released again and becomes one with the
perpetual chaos.
It's a return to the source of the acausal can only take a
true self-knowledge (gnosis), which can be achieved with a valid
internal multi-dimensional experience akazualnoy force.
Zero - a symbol of chaos as the zero dimension, while the unit is
forming and pressing force that created the cosmos.
All of the numbers from one to ten different phases are
causal development, reaching its highest point in ten. Ten means
cosmic perfection.
This number represents the law, order, and form a vicious circle that
holds a part of the primordial chaos inside.
Ten is the ego and the suppression of the acausal "true self."
Number eleven, which is the number of chaos, symbolizes that
is out of ten (from outside of the space), lawlessness, liberty, and formlessness
break the vicious circle.
Eleven - it's the gateway to the abyss, it is a way to overcome forms of essence.
Therefore, the number eleven represents the completion of the anti-cosmic
the evolution and implementation of the hidden, dark and acausal potentsiala.Razomknutaya
Pentagram his eleven dark corners and gates in
the center symbolizes the way and the gates to the acausal freedom that should be sought for
outside the space limitations.
Dragon - the most ancient symbol of chaos.
Predkosmichesky chaos (primordial chaos) is personified by the dragon Tiamat,
whereas postkosmichesky chaos (yaryaschiysya chaos) is shown the black dragon Hubur.
Getting to know and prompting black dragon - acausal fire mage opens
Exterminating the eye of chaos and destroys the illusion - the final, limited space.
Glory to Chaos!
Glory Kaosofii!
I.2 Litany Kaosofii
I have cried to thee, O my nameless mother, lift my spirit bound to their
hushed voice, sounding from outside created, its invisible dragon
wings!
Hold me formless absorbing and flame forever connect me to
other!
My desire - a form, my hatred - just an illusion, my love - only
sleep. You, only you have the essence of asserting my inner divine flame!
I call you in the silence that breaks the shackles of my thoughts, and with his eyes closed
honor thy unseen beauty!
All words diminish your power, all the feelings I have gone out of your way, all
deny the truth of your thoughts!

So I throw myself, throw off the fear of the darkness of the unknown, and
let your shapeless flame that burns in me, and lead me ablaze outside things,
in your eternal kingdom!
You're all that, no, you all I wish to be!
Your silence sounds like thunder and awakens to life the black flame of my spirit.
Your absence dooms my gaze to the senseless suffering, that is the whole
life.
Are you one thing, you're everything, you're nothing, and only you can find me eternal peace!
You're all that, no, you all I wish to be!
You - the chaos that is out of all!
You - the chaos that would be all!
You - Kaosofiya, knowledge and wisdom, the act of the free spirit!
Do you - what was, what is and what is to be forever! I.3 aeonic Black Magic
"Aeon" in the esoteric teachings of spiritual power means / energy that
for at least two millennia, permeates and alters the causal plan controls
them.
Each eon is spring, summer, autumn and winter.
In the spring, Aeon is largely seen as a living and organic
force. During this period, Aeon is young and has just set the time of the change, all the time he increases its strength and durability.
In the summertime eon the most powerful and converts everything that is not able to rise against his forces, giving the whole shape and leading everyone in harmony with their own energies.
In the autumn term aeon is decreasing phase and gradually
lose control of his creatures.
Finally, winter anticipates beginning of the end of the aeon means war
degradation and destruction of the existing rule Aeonics order.
This, in turn, leads to the completion of the old and the birth of a new aeon.
Each Aeon has its magic, religious, philosophical, political,
art and "moral" form, which at the time of switching the displaced and
evicted to make way for new forms of aeonic.
Through these forms every eon expresses the essence of its space to
causal terms, and thus, like a vampire, a parasite on the minds of
humanity.
In haognostitsizme eons considered different manifestations of the demiurge
symbolized by the seven planetary spheres and often denotes the number seven.
These seven aeons commonly called "Archons," which means "lords" and their
functions attributed to environment creation seven circles to capture the spirit
man in space prison.
To overcome the weak-minded power eon magician must strengthen its
internal chaos and black flames with otvoreniya eye dragon learn to see
through the illusory forms of the archon (eon).
These seven archons is the same as the seven major cosmic gods,
worshiped by the ancient Sumerians, who saw in them the original enemy,
prior to all things, acausal Tiamat.
These are also known for eons of ancient Sanskrit texts, which also
explains that the world is under the control of the illusory and false
seven eons.
The above-mentioned religious traditions share a common point - after seven
aeons initial chaos rassozdaet all (ie all forms) and returns to the
formlessness and immensity.
On this great destruction, called in Sanskrit "mahapralaya" in MLO
to say as a "Day of Rage."
The onset of the Day of Rage will, in turn, to the offensive stagnation

chaos and multi-dimensional "aeon", which exotery called "infinite
dark aeon. "
The aim is to promote MLO annihilation of the existing Aeon by
and the approach of the anti-cosmic occurrence mahapralaya / Day of Wrath.
Aeonic Black Magic is a powerful weapon Satanist, which
combined with his strong will can cause global changes.
However, in order to use this most esoteric form of magic,
magician must find an anti-cosmic gnosis gnosis eona.Antikosmichesky Aeon is a practical
understanding of how
Satanist way through the transformation of the old religious, magical, philosophical, and
political forms, through the manipulation of them can change, redirect, process
and darken the spiritual energies that control existing aeon, and energy
influencing the formation of the next aeon.
In particular, this can be accomplished by converting the ancient spiritual
traditions with the purpose of glorifying terror and pressure to force, initially in the
system of the former hated and intimidating. This may lead to changes in the whole spiritual
nature of the system and turn it into a weapon that will be applied to the detriment of light /
astringent / cosmic energy that the system has originally been
guide.
To accomplish this, a Satanist is the main weakness in the right
belief system / form that he wishes to oppose, and then uses
these "cracks" with fraudulent misrepresentation and redirect the energies that are
eon-term interest to the dark alchemical work.
As an example tested a method where the power of the desired
belief systems, commonly referred to as evil, destructive, immoral and horrifying,
appears as a supportive, creative and beautiful. A force that is in
prevailing system of cosmic order, the law and the "goodness" ("good", as a rule,
considered to be their own lack of will), it becomes harmful, flawed and tyrannical.
This can not be done only through the relocation of the "light" and
"Dark" forces of names, but with the release of weaknesses found in the
the corresponding system of beliefs.
For example, it is easy to portray the Christian Satan, strong-willed, proud, brave,
powerful and admirable freedom fighter and a rebel - instead of
Search all of these traits in the creator-god. This makes that pathetic, cruel, stupid and
weak demiurge.
Therefore, the Satanist may choose to form new beliefs, which he
will contribute to its creation only to oppose, distort and
aeonic destroy the forces that (as, for example, Christianity) are aimed at
development of the current aeon.
So faith becomes a tool for spiritual direction and aeonic
energy, dependent on the kind of energies that the magician wishes to send, Satanist can
no problem to change the system of beliefs, to another tradition (the form) to such
a long time, as far as he is faithful to his satanic spirit and guided by
gnosis of the black flame.
Another important part of aeonic work, facilitating the approximation
the onset of the eternal aeon of chaos, is to create new forms of spiritual,
harmony with the dark and chaotic energies under will Satanist.
Unlike systems light religions, in their entirety represent stagnation and
lack of inner essence, Satanist must create magical, religious,
philosophical and sometimes political forms that will be consistent with the
Satan will and will therefore be dynamic, revolutionary, evolutionary,
dark, filled with the essence, dismissive and carrier chaos.
Among other things, this can be accomplished through the creation of a synthesis between
Aeonics dark ancient traditions, when a Satanist finds in them something that will be

relevant to the modern anti-cosmic aeonic strategy.
Satanist can also try to create a completely new and unique
a belief system that has few obvious links with the pre-existing
spiritual traditsiyami.Realnym example is formless, that is located outside of any
forms, magic MLO, wordless appeal to the forces and silent formula.
It is important to note that the greatest importance has the will to
creation of forms, giving suspensive form of power and essence.
The stronger the will of the Satanist, the stronger will be the shape of the desired direction
dark, aeonic energies.
That's why a strong and conscious will of the Satanist has a higher weight than
Will the weak and vedómyh masses.
Therefore, a minority belonging to the satanic elite, has
ability to resist the energies of the current Aeon, form, guide
them and act as a gateway to the living energies that approximate the infinite offensive
Aeon.
Like a drop of poison can poison hundreds of liters of water and metaphysical system /
religious tradition or magical / philosophical doctrine, is the antithesis of a
the existing order of spiritual forms may change, poison or process
power to create and destroy eons.
From the point of view of strategy aeonic, anti-cosmic Satanism has alchemy
aims to create spiritual forms, filled with the essence and have the potential,
enough to make one drop of anti-cosmic poison that can kill
eon seven (Archon), and give rise to a grand cleansing decay.
Another method used to implement aeonic acausal energies -
is to create a physical "gate" or point of focus that promotes concentration,
enhance and spread the evil energies that Satanist wishes to send to the
causal plan.
These physical gate can be individuals or entire groups of people, and
also all the ritual places used regularly by Satanists for many years.
Acting as the focal point anti-cosmic ritual, these places and people
can be converted to physical and live gate leading to a multidimensional
acausal chaos.
Rituals / forms used to create and open the gates of the physical,
should be in harmony with the dark aeon, and the individual or group of people should
be sufficiently sensitive to the chaotic energies, and free from
ancient space shackles eon to act as a live gate.
For example, Adolf Hitler, without knowing it, has been the focus point of many
Satanic and black magic orders, to use it for bringing
changes, wars, development, and chaos in the world.
If Hitler himself was aware of this and would be willing to contribute to obscuring
soul of the world, to bring an end to the aeon, our causal world today look
would be completely different.
But Hitler was immune to the energy directed through it, and
the result was arrogance, extravagance, and, ultimately, the fall
the Third Reich.
The fact that Hitler was influenced by the dark forces also explains
why Kabbalah is used by the enemies of Satan's orders, was prosecuted and
destroyed under his rule.
Therefore, considerable interest to the anti-cosmic Satanists is
strategic search elect politicians who in the future would be aeonic
suitable candidates for their subsequent use as a point
The anti focusing rituals in order to open the gates to the physical chaos.
In the case of Adolf Hitler, it is his personality and his mental
ability made him a suitable candidate, and not the political form, which

He prizyval.Sama Swastika, a former symbol of the Third Reich, is one of Satan's characters common in the similar form. Left-hand and turned against clockwise sun cross symbolizes the end of creation, and a return to chaos. This symbol is not directly related to the political ideology of National socialism, but was used by black magicians to communicate with Hitler in order to increase control, and the German people.

Therefore, the creation and filling of the power and potential of new aeonic Character is an important part of the work of Satan, which facilitates the direction dark acausal energies.

For example, most of the potential symbol is used MLO "Open Pentagram", showing the coming dark aeon. It has eleven corners, symbolizing and embodying the gates to measure the Wrathful Chaos.

Open Pentagram, or "seal of the eleven angles," as well as the character called, is a good example of how a Satanist and prochuvstvovanie comprehension of the famous magical symbol, making full use of its symbolic content can supplement it with other energies, initially he was not inherent.

It also leads to disruption, transformation and redistribution of the original power flow, the inherent character in the right direction.

That is why the Satanist must use the symbol of the coming of the infinite eon in his magical work, and in the decoration of his church, instead of use the old obsolete archetype that can not blend in with the aeonic contemporary work.

Music can also play an important role in aeonic work when Satanist at by the atmosphere and the mood is capable of transmitting voice and feeling in harmony with the dark aeon and adequately embody the new forms required satanic Power for the operation at the causal level.

So Satanist can bring a dark grain in the consciousness / subconscious listeners and make them more susceptible to the anti-cosmic energies disharmonious forces.

"It is only in the fertile soil can germinate the seeds of knowledge and bloom chaos."

Therefore, the Satanist, based on the choice aeonic strategy should be carefully select one or more individuals, in which it can act with by acausal energies.

What is not in harmony to chaos, chaos is destroyed.

Blessing of the strong - the curse of the weak.

All forms have the illusion, but the illusion can be used to release and the full realization potential of the black flame, acting as Tool direction and overcome the boundaries beyond which - immense chaos and pristine.

That's why aeonic black magic is one of the highest forms transcendental magic.

«Dies irae, Dies illa, Solvet Cosmos In Favilla! Vocamus Te Aeshma-Diva! »3.

I.4 Satanic creed

I accept Satan, the god of the Wrathful Chaos as his Lord and Father, and only obey His law - entirely lawless.

3

"The day of wrath, a day that will scatter the ashes in the universe! We urge you, Aeshma-Diva!. "I believe in truth, a sheer on the other side of all forms, and in a word, which is overthrown lie: that word - Wisdom.

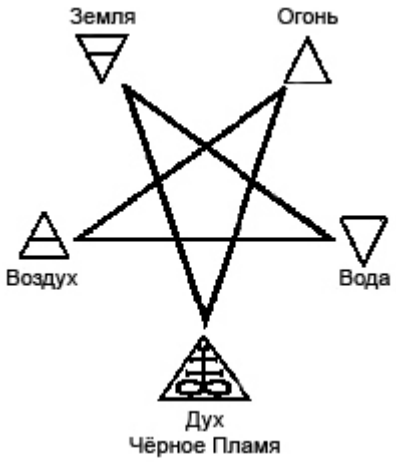
I believe in the fight and in the goal - the end of the aeon, so I'm willing to sacrifice his enemies and, if necessary, their own blood to accelerate the onset of the new century.

I believe in the courage, strength and power, and therefore reject pity, compassion, and cowardice - the shackles of the old Aeon, which hold the weak enslaved.

I believe in discipline and loyalty. For the time our goal - the chaos in our Order

order must prevail.
I believe in the formula for endless dark aeon «Chao ab ordo 4" and foresee
the destruction of the ruling of the cosmic order.
I believe in the essence without form and effect without borders, and therefore ready to bring all bloody sacrifice on the altar of freedom.
I believe in chaos, the beginning and the end of everything, and recognize his avenger and messenger Satan
as the external aspect of my inner strength.
Therefore, I praise Satan with all my heart and soul. I am happy to see ahead
the final battle and the coming victory.
Hail Satan! Glory to Victory! Glory to Chaos!
I.5 The pentagram, or sigil decangular
Pentagram - a map and description of the design space and the creation,
universal symbol of knowledge, power, and magic. For centuries there were thousands of theories pentagram, describes its essence, however, this work does not consider the theory
"Ghilik" (uneducated) of this powerful symbol, but sets itself
another purpose - to provide a basic understanding of decagonal sigil Order MLO.
On the exoteric level pentagram can be described as a symbol of the five
elements (spirit, fire, air, water and land), but on a more esoteric level, it
is an amorphous black flame (or chaos), the spiritual, mental, astral and
physical plans. To understand the particulars and understand chtó contains a form
and the essence of the pentagram, you have to start to realize: pentagram correctly rotated
- Is one in which the beam, symbolizing the spirit, pointing down. Only on the basis of
lack of knowledge and stupidity "pravoputnye" slaves could in the past
millennia insist on turning the pentagram signifying the spirit upward,
He pointed to aimlessly into the sky, and then have the audacity to call it a pentagram
Original form of "inverted pentagram"!
The oldest image pentagram found by archaeologists, including
ancient Sumer and Egypt were correct images, "black magic"
pentagram, whose spirit designating beam pointed downwards.

Poryadka.Drugoe chaos of essential knowledge about the pentagram - how in the five corners pentagram can be placed five "elements". This is shown in the following
Image:



The five elements that make up the pentagram can be divided into two
category. The first category - it is a pure substance without form, which is the spirit / black flames, the second - devoid of substance and formed elements, which are fire,
air, water and earth. Formed elements are created in the spirit of free
the following order: first create a spirit of fire, and it creates the air out of the fire of

air and water generated from the water creates finally land. For each of the emanations of the spirit allocated and spent formless and soulful (essentially-filled)
substance, and the last emanation, the land becomes completely devoid of spirit,
completely losing the essence. So there were four "form" element that
demiurge used, leading of the Spirit, oppressing, suppressing and capturing an amorphous black flame. Thus was created a comfortable space where before there reigned an amorphous chaos.
Pentagram with its ten corners reveals in himself, as arranged
barriers of space and how many there are steps that must be completed for
going beyond the formative elements and the liberation of the spirit. For this potential
locked up to ten (10), should be released by the eleven (11).
The fact is that the knowledge of the decagonal sigil, also helps to understand
the liberating power of the Eleven Corners is open Pentagram.
The existence of the demiurge and orderly universe - the delicate balance that hangs
on the five elements and ten corners. Therefore we can by opening decangular sigil,
violate the cosmic balance and direct the energy of chaos inside through eleven
angles arising therefrom (cognition eleven angles discussed elsewhere
separate publications MLO).
While the spirit is suppressed by the five elements, which, among other things,
symbolize the material and formed, it is still able to have the power to order
to control the other four, and change them. For only the soul is eternal and immortal, while
While all formed elements destined eventually be re
absorbed and eaten shapeless flame spirit.
Through the awakening of the spiritual black flame within us, we can
also awaken their power to control or release of all that surrounds us.
To be able to finally free the spirit and break all the shackles of the cosmos, we dolzhnyunichtozhat physical and spiritual obstacles demiurge, separating the elements of each
other, following our path. We, the enlightened light of Lucifer, have themselves
microcosm, and we are made up of the same five elements that make up the space. We have
have a physical body, which corresponds with the element of earth, we have an astral body,
correlated with the element of water, we have a mental body that correlate with
the element of air, we have a spiritual body that correlate with the fire element,
and, finally, we have a hidden, unformed, driving the inner essence that
a black flame that corresponds with the fifth element, which is the spirit.
Our main weapon is placed on the altar, as follows
correlated with the five elements pentagram that are both within and outside
ourselves.

- Black altar candle = Black Flame / Spirit / chaos.
- Dagger = Fire / spiritual plane.
- Wand = Air / mental plane.
- Bowl = Water / astral plane.
- Pentacle with the pentagram = Earth / physical plane.

Having knowledge of the above, the magician can use these magic
tools in the right way, that they may serve to transform and control
liberating and different splitting four different plan that allows us to strengthen and
to release the essence of the fifth plan (for more details see separate
MLO work titled "Five guns").
The pentagram is also mentioned in the context of alchemy in search of the mystical
fifth element, traditionally, inter alia, the name is
"Quintessence", or the "Philosopher's Stone".
"Philosopher's Stone", or "black diamond" as it is sometimes called, in
alchemical tradition attributed to the ability to transform matter and do
"Gold" of the other (non-precious) metals. This of course means that the black flames
(Spirit) can monitor, manage and transform the other four elements and
turn them, returning to the original formless state. But for this to

possible, you should first find the "Philosopher's Stone", ie black flame
should be identified, awake to life and strengthened to such an extent as to have
sufficient force to disengage the other four elements and forming the complete
restore its purity. The above - confirmation of the hidden meaning
Legends about the search for the holy grail. The path to the black Grail, which is
shapeless black flame, lit by the light of our Father Lucifer, but the light
Lucifer always has dark eyes of the blind. Therefore, very few adepts can
ever find the treasure.
To see the way that illuminates the light bearer, we must first open
eyes of the blind dragon, and then we can finally move, using the resulting
knowledge of Chaos (Kaosofiyu).
Correlation of the pentagram with the dark gods and the "five black throne"
explained as follows:
"Fiery beam" refers to the southern throne and Lucifer carrying spiritual
knowledge. "Air ray" refers to the eastern throne and Beelzebuth carrying
mental liberation.
"Water beam" refers to the Western throne and Leviathan carrying the astral
disbanding.
"Earth ray" refers to the throne of the northern and Belial carrying military
power and the destruction of physical bondage.
"Spiritual ray" refers to the inner throne, as well as internal and
External fire chaos and the black dragon - destroyer of all cosmic illusion
Returns the primary chaos.
To cry and call to open the door that leads to strength and in the measurement
which is a pentagram, you must first activate the right way
pentagram. The pentagram is depicted on the talisman, drawn or painted with blood,
is drawn "in the astral plane" with the help of a magical weapon or just
rendered, and must be activated by the following description.
To activate the 'Earth pentagram "and open the gate to the north and the throne
the physical plane, to draw a pentagram as follows:

"Earth calling pentagram"
To activate the "Water pentagram" and open the gate to the west and the throne
astral plane, to draw a pentagram as follows:

time and space, to shape the world, and the four points of force - length,
height, width and depth, which form three spatial dimensions plus
fifth dimension - time.

pentagram, namely, fire, air, water, earth, and space planes of existence (as well as
sometimes anti-cosmic / kliffotic match), namely the spiritual realm,
the mental plane, the astral plane and the physical plane.
The Fifth Element (or non-causal fifth dimension), which is in the tradition of the dark
called "black flame", "formless pearls" or "blood King"
outside dimensions forming four elements and thus
associated with the other four elements, which makes the square on the pentagram
(See image below). Fig. 1

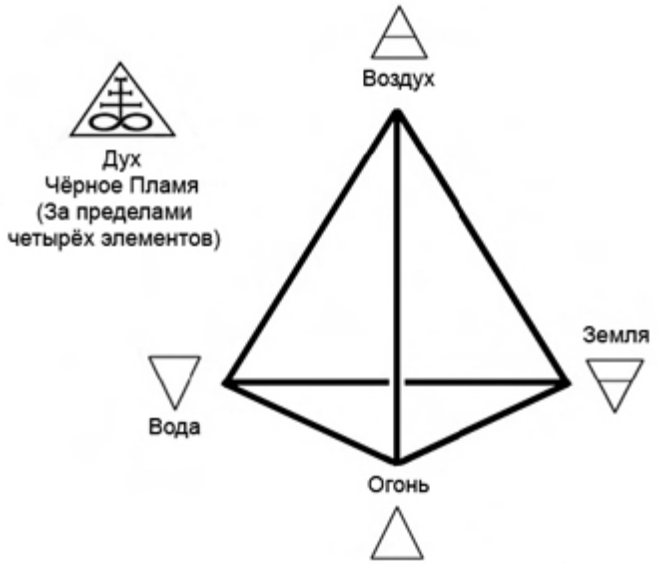

Fig. 2

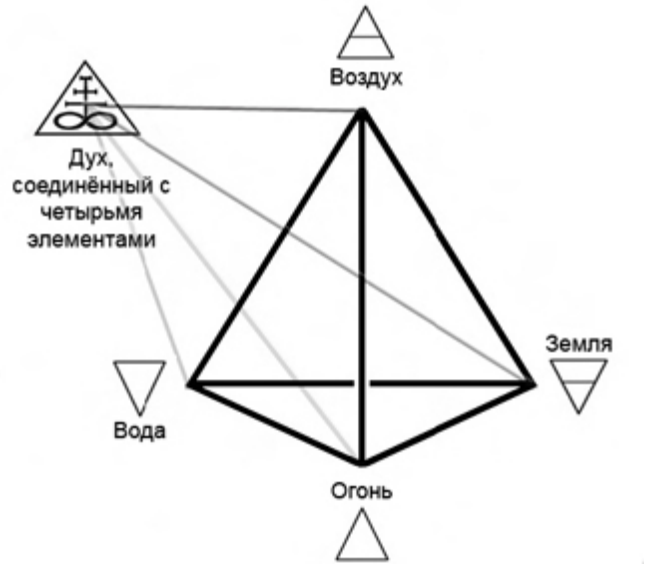

Looking at Fig. 2, we can see that the "spirit" - not below or above the other four elements, but located outside nih.Poetomu magician uses Quadrangle in rituals where he wants to separate four external element from the internal Blackflame (spirits) thus indicate that he is a force (or carries the force), which is out formed the world, but being a quintessential able to manage, convert and destroy all formed.

So during rituals which uses quadrilateral activated "Formless inner flame" magician, which, in turn, controls all formed dimensions, members, and plans.

In such rituals Quadrilateral can be visualized, drawn in ink or blood, cling clay or generated in some other way as two-dimensional image or three-dimensional projection.

Magician can also use the Quadrilateral as a focal point for mental rituals, meditation and other rituals, if he wish to speak as a fifth element.

It can, for example, to put his own blood drawn sigil symbolizing the change that he wants to create a physical,

astral, mental or spiritual level, inside, under or above the square (in
Depending on how constructed rectangle) and then activate
calling pentagram (in the following order: earth, water, air and fire) over
Quadrangle.
Magician then activates "the invoking pentagram of spirit" by touching
ritual dagger perineum, left shoulder, right breast, left breast, right
shoulder, back crotch, as well as visualization of black shining pentagram
By awakening the black dragon within him.
Then the magician directs the dark, ominous and acausal forces, such as eg
his will to power, to the quadrangle and sigil, clearly visualizing the changes that
he wants to perform by force its spirit for 15 minutes, after which burns
in flames black sigil altar candles and set free black energy that
came during ritual and associated with it.
Thus, the magician becomes the fifth element pentagram, and it will
manifests on all planes.
Look beyond the shape and look for the point!
Glory Kaosofii!

I.14 Bound beast
Within the dark esoteric traditions of all cultures have a concept,
MLO which is called "pinning down the Beast." This concept - a metaphor and symbol for
The anti-impulses that lie dormant in the soul of every man.
In the ancient Persian demonology this dark force called the "three-headed
dragon "named Azi-Dahak. This dragon, the strongest of the descendants of Ahriman was
constrained by space gods under the big mountain. Thus, there is stored power Azi-
Dahak, and the gods of light can never kill him. Out of the abyss into which it is caught,
ie from the darkest depths of the soul of the world, Azi-Dahak continues to attack space
order of their dark and anti-cosmic pulses. According to legend, Azi-Dahak
before the final war will rise from the abyss and break their chains, to then
Ahriman Drughom, Aeshma-Diva and their bloodthirsty legions destroy demiurge
Ahura Mazda, and his creation.
A similar story can we find in Norse mythology, where the wolf
Fenris plays a role as Azi-Dahak captive anti-cosmic antagonist, which in
"End times" freed from the shackles of space that held him captive. VoyuschiyFenriz in the period
called the "twilight of the gods," slay the god Odin, and thus,
contribute to the destruction of the current cosmic order. Fenris Wolf, a descendant
Loki - is one of the strongest symbols of terrible power that captivated in the darkest
parts of the human psyche, but always fighting for control of the man and turns
in its initial incarnation fury of the gods of chaos.
These dark, wild and chaotic as described in pervosily
Hellenic mythology, where the key role is played by a terrifying titan Typhon. In this
mythology, Typhon is described as a dragon, one of the initial manifestations of the forces
Chaos (also known as "Titans", the number of Titan - 666), who is struggling with
Olympic gods and repeatedly beats them, forcing him to submit to force. But
ultimately the main cosmic god, Zeus, can hone in Typhon
dungeon and place the volcano over its entrance, so as to prevent Typhon
return (compare this with the legend of the legend of Azi-Dahak). However, the power of Typhon in
one with an underground fire (subconscious) continues to fight against the crowd
unworthy of the gods and influence what happens on the physical plane. In the final
war chaos, personified by Typhon and his Titans come back and take revenge on the forces

replacing the former before the chaos cosmic order.
In the Jewish tradition of Kabbalah dark, we can also find the legend of the fettered beast, which acts as a satanic force threatening the cosmic order demiurge. In kabbalistic symbol, called a "tree Qlippoth, "or" tree of death ", it is clear that the sixth anti-cosmic Klipp Tagirion placed in a dark anti-world, where the beast 666 is waiting for the opportunity to take control. Demonobog / goddess ruling in Tagirione, which is a measure of the black Sun - is Belfegor. Belphegor is described as a black sun, whose Luciferian light can make a dark, anti-cosmic seed (which is there in the chaos whence came the creation of a human) to give seedlings and thus return the person to the its source, ie chaos. Belphegor, which appears in the guise of a beautiful nude Demon Princess men and women - as graceful demon prince, shows its face, the face of a wild beast, in support of unusual and reward to who did not die from his horrific appearance, taking anti-cosmic view of the solar Sorata demon whose number - 666 and which is the prince Tagiriona. Sorath - a force which is described in the Christian Bible as the Antichrist or Beast 666. Who awakens the power of the black sun / black fire chaos in your soul, becomes the Beast 666, that the inside space will open all the gates of the Wrathful Chaos forces, pending before space barriers. Black Sun - it's part of the spirit, which is based on the demiurge its stupid and selfish purposes was forced to lock into the abyss / darkness subconscious, so as to enslave the fire and chaos in the flesh the material world. But the black sun rise out of the dungeon, when we fast step closer to the start Aeon black fire, and by force for centuries served as a initial fury of the gods of chaos, we will show the demiurge and his filthy creatures face wild / evil beast. In the name of the dark gods of chaos will spill the blood of enemies and weak victims
the highest honor an animal.
We can find another aspect of the beast shackled in kliffotic Kabbalah - entitled Taniniver. This dark god, whose name means "blind dragon" can be described as a black kundalini and the demonic force, whose purpose - to connect opposites, release dualism and thus establish a paradoxical chaos that would destroy the order. Taniniver in accordance with the dark tradition described as one who was blinded by the light unworthy demiurge and plunged into forced to sleep, can resemble a black flame in its passive form. The anti Tolkoposredstvom direction flows into the spirit, speaking as a living portal in kliffotic measure through which we can get an understanding / knowledge of chaos and our own original, we open our eyes and Taninivera will enhance the internal and external fire chaos. When the eyes of the Taninivera, Satan and Lilith Taninsam connect and eleven angles will also be united, because that the name of the macrocosmic Azerate opens portals into the dark dimension of chaos. This be the beginning of anti-cosmic invasion and total destruction of the space order on all spiritual and material planes. When the dragon's eyes are opened, one whose eyes are open, becomes a physical embodiment of the strongest offspring of Satan and Lilith, who awakened black fire chaos space plunges into the fire (for more information, see the text under the name of MLO "Taniniver").
Release the wild beast, open your eyes and look through the dragon the inner fire of chaos / Shades Ahriman means the same thing as to achieve knowledge chaos, anti-cosmic and transcendental Satanism upper limit MLO, that leads to eternal reunion with the original Satanist dark gods of chaos.
I.15 Taniniver
The first three forces are coming to Satan - it's chaos, emptiness and darkness. Satan himself is one of these three forces, and he himself - a completely shapeless, without some semblance of body shape. Thus, it can not affect his hand

events on the cosmic plane.
To complete your anti-cosmic dream, Mr. Satan must
benefit from the womb of its generating demonic and powerful
wife Lilith.
Princess Lilith should be fertilized spiritual seed of our master
Satan, which is the Wrathful Chaos infernal hatred towards
demiurge and his creation - the order of the universe. This is Satan's seed Mother of Demons
stores in its nightmarish cavern in his fruitful womb, until the day when
The anti-seed will rise, and then generated by the bloodthirsty goddess Lilith evil
offspring burst in created in order to bring disharmony and dissolution energies
contributing to the destruction of the cosmos.
But they are the offspring created by the union of the spiritual master and the mother of Satan
Lilith is only The anti energies which themselves are not capable of
independence from the other creatures that live on the material plane Malkuth.
They need to capture the soul of other living beings to be able to
distribute its chaotic malice!
But for Mr. Satan and Queen Lilith can connect to hell
ecstasy, and their offspring will be able to find physical form in the material plane that
would mean the end of all forms of cosmic life and destruction of the demiurge!
In order for our lord Satan became possible to impregnate Lilith this
the most blessed way Taniniver blind dragon, to intervene in
the creative process!
To give life to the most horrible children, or even the existence of which
will be the end of all cosmic and whose satanic power will restore the primeval chaos,
Satan is our god and goddess Lilith should make intercourse on the back Taninivera!
A treat for Taninivera - an endless ocean of fire and non-fire-blind
Dragon intercourse with our master Lilith fruitful enough to give life
destructive demons that will destroy broken demiurge and his dirty
tvoreniya.No moronic demiurge impair fertility Taninivera, so as to
Lilith prevent flood the creation of her hungry black descendants.
We symbolize it by saying that the demiurge Taninivera cast in eternal sleep
oblivion and put out his fire, blinding his eyes!
Thus, the dragon was blinded by cosmic light, but will wake up Taniniver
from a nap and re-open their eyes sparkling diamond.
His kliffotic fertility returns Taniniver vision, combining bond
between Satan and Lilith, you need to create demonobogov who in their
physical bodies and will be able to roam freely in "our" universe.
Murderous forces of hell demonodetey will own the fact that no
a person can not even imagine, because these "kids ultimate destruction"
will own all the other gods and demons that have ever existed, and
people, the angels and the gods are nothing but a morsel for these antibytiynyh, performed
messengers of evil!
So when Taniniver, again opening their eyes connect with Satan, the dragon of death
venomous snake Taninsam Lilith would represent these powerful descendants to force
the creator and his creation to the filthy demon-decent life and anti-Christian era and thus
start a perpetual age of chaos for infinite aeons which polluted chaos
restored to its full and primal form!
Therefore, one of the most important works of MLO on black magic says:
"Again awaken Taninivera, which can be described as a black
The anti-kundalini and unite in the name of Satan and Gamaliel Thaumiel to
by wicked compounds darken his soul, which, in turn, lead
darkens the soul of the world! "
Athah Gibor Leohlam Satan!
I.16 Sword and Asmodeus Ornias

According kliffotic Kabbalah, the elder Lilith (Taninsam) - "wife" of our
Mr. Satan, and the youngest Lilith (Naamah) - the wife of Mr. Asmodeus.
After the primeval chaos was desecrated demiurge of Wrathful Chaos
The anti-spun emanations (Klipp) that make up the Tree of Death
(Qlippoth), which is the antithesis of the cosmic tree of life.
These antisefiroticheskie emanations that stood out from Tohu (Chaos), Bohu
(Emptiness) and Hasek (Darkness), - the following:
First Klipp - is Satan and Moloch (gods Gemini), the second - Beelzebuth, the third -
Lyutsifug Rofokal, the fourth - Astaroth, the fifth - Asmodeus, the sixth - Belphegor, the seventh -
Baal, the eighth - Adramelek, the ninth - Taninsam Lilith (senior Lilith) and the tenth Klipp
(Eleventh demonic force) - Naama Lilith (younger Lilith).
Once the tree of death has created eleven gods and goddesses of chaos, it
The anti-created and demons that are ten demonic orders
Eleven of the gods of chaos.
In this text we will focus on two of these horrific demons that
nechestivymy connections created Satan and Lilith and Naamah Asmodeus.
The first unholy union took place when the ninth Klipp manifest
Wrathful Chaos in the darkness.
When Satan, the supreme god kliffotic saw the demonic power that
Lilith was a poisonous dragon, he was filled with a desire to hell and was fascinated by the dark
beauty that he found in the woman's reflection of his собственногоантикосмического
evil. Therefore, Satan made her his queen and was the first to
penetrated into the darkness of her infernal pleasure.
This spiritual connection is what happened in the sixth anti-sefiricheskoy emanation
Klipp Belphegor there Tagirion, has led to the fact that the queen gave birth to her Lilith
the first-born son, whose name Ornias.
Ornias, which is the prince of Gamaliel, is described as well as strength,
Vampiric drinking space, abducting and directing the cosmic life force
(Prana) back into the chaos from which it originated.
Thus, Ornias, the return of chaos, whose dominance to
defiling acts demiurge was total.
Ornias too - demonobog, enslaving people and murderous shadow
forces them to serve as soldiers in the Legions of Shadows Vampire Lilith.
Ornias also - Mr. blood, sadism and lust for death, which through
Army distributes its Incubi perverse sexual frenzy among women and
thus poisoning the Malkut dark desires of Gamaliel.
Kliffotic black magicians appeal to Ornias only for destructive purposes
or "vampire ritual of self-initiation» MLO.
Ornias rules over 397 Vampiric Shadow Legion and ruled in the name of
Lilith over 480 demonic legions of Gamaliel.
Sigil Ornias:

Another demonic offspring, to which we refer in this text -
the result of the connection of the wicked king Asmodeus and Naamah.

This demonic prince has many names, including Sorath, Sariel,
Gurigur, Alefpeneash and Harb Dee Ashmodi (sword Asmodeus), and rules over 80,000
devastating and evil demons Klipp Golahab.
Alefpeneash described as "the one whose face is on fire", and the name Harb Yes
Asmodeus, which means Sword of Asmodeus, alluding to the personification of anger Asmodeus
(Aeshma-Diva), and the power that embodies the most destructive aspects of the cliffs Golahab.
Alefpeneash - it kliffotic force that is constantly trying to invade
Malkuth, prolamyvayas dark portals (gates) leading through the material plane of Assiah.
These gates are located in the cliffs of Naamah, and Nahemoth Alefpeneasha, the son of Naamah,
having
as reinforcements of 478 Nahemoth demonic legions to help him in his fight for
discovery trails on the physical plane and promoting anti-cosmic invasion.
One of guises Alefpeneasha Sword of Asmodeus, suggests that in the present
while it manifests on the physical plane as a pillar of fire (the mushroom cloud)
that arises after the explosion of the atomic bomby.Alefpeneash - a power that the final war will
burn the roots of the tree of life
and thus breach outer posodeystvuet order.
Kliffotic black magicians appeal to Alefpeneashu only in rituals whose purpose
- Spread death and destruction on the physical plane.
Sigil Alefpeneasha:

I.17 The Dark sex magic
All the magical acts are directed at the implementation of the internal or external
changes according to their own will, by methods which are greater
of humanity belongs to the category of esoteric. Simply we can say that for
implementation of these changes will need strong focusing. Thanks to
this will of the magician is to create within themselves the amount of the awakened life force. This
repository of occult energy should remain in a strong connection with the spirit. In
Depending on the will, which is the guiding force of all magic, nature
vitality changed to take those properties and qualities that are needed
to implement a specific desire magician. For example, the life force (energy)
created in the course of the curse, deadly and destructive, but in his original
as it has been a positive life-giving force. The will gives the force of the essence of the form
life force (in its original condition). Occult teachings about energy
determine how such energy attract and weaken each other, and
so it is possible to direct flows of foreign energy sources, leading
themselves through insensitivity to the state of mind, a form of energy which
corresponds to an external energy source. For example, producing
destructive and hateful energy during a ritual curse, we open
inner and outer gates of the acausal, through which we can carry that same
force used to achieve the purpose of the ritual. The next step is to
focus and concentration of the collected energy through visualization and

mental power, the direction of its goal for the ritual. And at the end of work we give out charged energy, allowing it to proceed freely to make changes to according to the will.

We went up to the critical moment of the ritual. Its success depends on how true magician performs a splash charged magical energy. One ways contributing to this - the image on the paper plate with blood, kotoryyvyrazhaet will of the magician, his subsequent charging of the energy generated in the process ritual, and then burning the mark - Curse of the release force. Form (sigil) destroyed, and the essence (willpower) released to change the reality.

We have presented a very simple example, but every mage, no matter how big or small it is neither was their art, follow these guidelines. Will - the path to power, power - a way to manifestation of power. In magic, most importantly, in accordance with the will to attract and generating power (energy). That is what will be discussed later in this paper. For of all methods of augmenting internal force sexual magic is the most suitable and effective.

In sexual magic magician manages the energy generated by physical mental or sexual excitement, sexual energy and directs at committing the desired changes. In previous millennia sex magic was so covered with darkness, which has become one of the most arcane arts initiates. Written materials on this practice, because of the symbolic language and hypocrisy of the authors themselves, hide much more than can be discovered in them.

Our task in this short text - to explain the basics of sexual magic that inherent in the left hand path (Vama Marga) and open to readers some of the methods and management principles sexual energy used MLO in sexual rituals.

To practice sexual magic, the magician must have knowledge of the nature of sexual energy and to the same extent it is clear to see why these energies can be used in the sexual union of a priest (male mage) and a priestess (Maga- women).

Understanding the difference between male and female sexual energies is Current extremely important in practice. The strength of sexual magic comes from the polarity arising in the sexual union of opposites. Men's and women's sexual energies are opposite to each other. Traditionally, the male sexual energy is expressed by the following symbols and functions - Alpha Energy, positive, electric, solar, Mars, fiery energy of Shakti / Shiva, the energy of Satan / Samael. Symbolism and properties of the female energy - Omega energy, negative, magnetic, moon, Venus, energy, water, energy, Shakti / Kali, the energy of Lilith.

Dagger and Wand - other symbols of male sexual power, cup and pentacle - female. The alliance of these four elements symbolizes the black candle with which is a spiritual transition duality and the union of opposites in the chaos.

When two opposites (Alpha and Omega), a strong polarity.

This can be compared with the two waves that break with the strength of each other, creating a vortex strong enough to absorb all that is near it.

The same thing happens when the women's and men's sexual energies collide with each other during sexual contact. There is a "vortex" energy, which, like beam goes through the higher planes and can reach even spiritual - the highest of the plan.

One method of using this great power in the sexual rituals magic - with the help of such a vortex pulling energy from the astral, mental or spiritual plane, and then direct them to form these energy in accordance with the will of magician, that is the purpose of the ritual. Through the emerging polarity mages channeling energy from external sources, in accordance with the will of his magic.

These same energy circulating between a pair of magic (priest and priestess) during the ritual, always increasing in strength. The traditional way (visualization, signs,

ritual activities, manipulation of mental, verbal and mentalnymiformami), they can be designed to achieve the goal and committing ritual
desired changes once released during orgasm.
Of all the methods of the release of magical energy orgasm most
effective. In the above example the energy of sexual polarity and strength
conducted a whirlwind, used to enhance the ritual. Whirlwind terminated
existence as soon as the magical pair of peaks. It is critical that
activated vortex strength is complemented and reinforced by the sexual energy itself
practitioners, so they have to reach a peak at the same time. An example of how may
performed ritual sexual magic with the sigil, visualization and
Casting formulas below.
The ritual begins in a conventional manner. The dark gods called. Lit
black and red candles, and burn the musky incense to honor the goddess Lilith. Priest
lights the fire priestess, performing cunnilingus, and coitus in the name of Lilith continues
kindle a flame. Partners are focused on how to take each other as
can be more fun to concentrate and charge the sexual energy.
The more time a magical pair take to reach the peak, which
unleash the energy-charged and created in the course of the ritual, the more force will be
enjoy their sexual energy. When a priest or priestess made a condition known
as a sexual trance, he or she should start pronouncing the formula or phrases
which expresses their common will. At the same time pronouncing the formula sigil,
indicating the purpose of the ritual, clearly visualized partner in a state of
sexual trance. Trans comes at a time when all thoughts removed away, and
pure bliss consciousness imbues the magician. Then the fibers between the different plans
thinner, and is activated by a whirlwind. It is highly desirable that both partners have achieved
sexual trance and uttered a single formula (visualizing a single sigil).
If the sigil is not involved, it should be of events, the most
relevant objectives of the ritual. If the purpose of the ritual is to destroy the enemy
cooked sigil should be possible to express the damage to the enemy. Same
applies to verbal formula. If the sigil is missing, should be submitted
daisy chain of events leading to a painful death the enemy. Priest and Priestess
must agree in advance that they will chtó visualize, and during
achieved orgasm bring visualization to a peak. During orgasm, sexual
energy directed their common will, provided they give life to the spirit and
astral ritual implements in life. The stronger is the "magical child"
the faster change will manifest themselves.
In the above method of sex magic sigil, visualization or verbal
formula is valid, depending on what exactly has the focus point,
fertilizing the egg astral sexual energy of the charged will. If
fertilization was done correctly, will be implemented in the desired
Indeed, like all powerful "spiritual child of the will." What was the
created on the same terms, will manifest itself in all existing plans. What above
similar to that below. Therefore any change in, for example, through sexual
energy and visualization of images on the astral plane, eventually manifest itself in the
the physical plane.
Another important and essential practice sexual magic is to work with
legendary elixir. Elixir - charged alchemical substance mixed
male and female sexual fluids. These fluid secreted by
sexual intercourse during the ritual, and filled with adrenaline energy, kotoryemogut be used in the ritual. Elixir has a lot of applications.
Among other things, an object that acts as a magical connection that is to
ritual may cause smearing elixir to strengthen the power of the ritual. Also elixir
can be used to create a talisman or amulet, to strengthen the existing
magical attributes, for example, the traditional magical weapons. Depending on

order for how the ritual was made elixir, the priest and priestess can use
him to increase his magical powers, mixing with the ritual wine and
having drunk in the name of the forces involved in the ritual. This can be done if the goal
the ritual is to strengthen those who implements. In sexual magic will, and emotions,
invested in the production of the elixir, strictly determine its properties and possibilities.
If the elixir is created during the ritual of a destructive nature, for example, with
intentions foment war, bloodshed, destruction of enemies, it is not too
would be wise to drink it. Due to these specific circumstances elixir
becomes magic poison that can be used only with "evil
intentions. "
Elixir is also used in the magic of a burning candle. Magic expresses couple
his will, inscribing or cutting expressing this sigil on the black candle. Further
during the ritual sexual magic candle smeared received elixir and
is dedicated to a specific purpose of the ritual. Then the magicians light a candle and allow it to burn
end, spending so all the power generated by them, and directing it to
achieve the desired goal. Elixir is a simple effect of concentrate
magical will and transformed magical energy. Its applications
limited only by the imagination of the magician.
In contrast to the mentioned type of elixir, it can be very dark and
strong structure associated in the power aspect of all creatures of the dark goddess. This
a higher form of elixir can be created only when the priestess is experiencing
my period of the black moon - the cycle of menstruation. Menstrual blood is central
role in the black arts and black sexual magic, in particular, its role is great in
it strengthens zlosuschie energy. The difference between the blood flowing through our veins and supporting our vitality, and menstrual blood, also called "blood
Black Moon "and" water of death, "is that the second one has a destructive
sterilization, solvent and deadly force / energy. In the ancient traditions
menstrual blood enraged dogs and gave the opportunity witch
the werewolf (lycanthropy), and allowed to control the bloodthirsty wolves.
Interestingly, the menstrual blood is closely linked with the dark and sinister moon
forces that the best way is personified goddess of the black moon. This is due to the fact
that menstrual blood is always stronger in the waning phase of the moon, reaching its
the greatest force in the new moon. This period when the dark forces its greatest strength,
the most suitable for the black rituals whose purpose - the direction of energy
Satan goddesses. In these rituals, which by means of a black female
energy strengthen the magical power, the priestess must always play a dominant role.
It is said that during the night the new moon dark goddess opens up the lightning in the night sky and expires menstrual blood on the ground. And if the priestess will expire during the period of darkness the night
New Moon, her magical powers are at a peak, and she will be in harmony with
fury of the dark mother. During menstruation priestess can not physically get pregnant
but it is the power to generate a disproportionately spirits on the astral plane. Thus,
Sexuality is sexuality Lilith Eve and can be used to
opening the gates of the dark side.
In the Kabbalah, the Qlippoth menstrual blood is called the gift of Samael, the woman who
it can be used to achieve the strength and freedom. Taking into account the association
srastvoryayuschey, dark, deadly force, menstrual blood can be called key
to the anti-cosmic forces Qlippoth and use to communicate with the gods and
Wrathful Chaos demons. Symbolic act, which takes place in many rituals
MLO, is immersion ritual dagger in a cup of wine. Thus
is the transformation of wine into an elixir called dragon's blood.
The transformation occurs through the polarity between the dagger / fire / Lucifer and
cup / water / Lilith. These opposing sexual energy is transformed

the bowl, symbolizing the menstrual blood of the dark goddess in Elixir
Dragon's Blood. Dragon's blood, or "poison Taninsama" symbolically identified with
elixir produced by a priest and priestess in the course of the ritual sexual magic in the period
menstrual bleeding priestess. In this powerful forbidden alchemy
dark elixir called "red gold." He attributed the limitless possibilities
malice. Among other things, the red gold / dragon's blood can banish the influence
light and the opposing forces, and to help spread the dark
dissolving energy flows. Dragon's blood can also be used
sexual magic during appeals to the dark gods. In this case, the energy of the dark forces
carried out and pulled through a vortex. During the climax of the ritual blood of the dragon
absorbed by the parties, so as to strengthen the presence of the dark gods in their
consciousness.
Dragon's Blood has a lot of applications in the field of
necromancy, as a result of a synthesis of the two energies - female disastrous
and male life-giving. It should also take into account the relationship of the substance over
(Thread) 353 and the undead forces. Around the grave of a person with whom you wish to
get in touch by posting eleven black candles or torches. Then
within a circle of eleven lights is a ritual sexual magic. Goal
this work - to give life to the shade of the deceased and with the shadow of the vortex rescue

symbolizing the purpose of the ritual, activated vortex and clearly visualized. Vortex
goes down during the ritual intercourse, and on reaching the peak of Magic
steam releases the shadow of the deceased from the grave. Elixir dissolves in red wine and

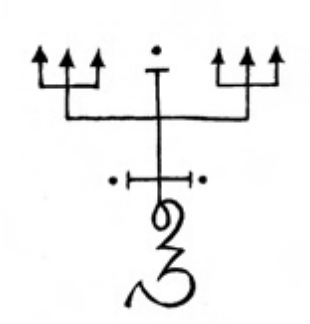
will mages. Then, a shadow may be associated with crystal or mascot, or
requested the necessary knowledge. It can be used as
"Astral zombie" to further guide her in the dream of undesirable people
in order to bring them to mind. All belong to the dark shadows of the dead in the aspects of the
goddess Lilith
Hecate, Kali, Hel, Persephone and Ereshkigal. Therefore, prior nekromaticheskim
should bring a bloody ritual sacrifice of one of the faces of the goddess of death.
In addition to the applications outlined above, the blood of the dragon can be
used in the opening of the gates to the internal Sitra Ahra, which will burn poison Taninsama
all the illusions of space and contribute to the knowledge of the chaos. One of the reasons
Sexual magic is suitable, lies in the fact that during the sexual trance
when the vortex is activated, the inner gates opened a little, and consciousness of magic
couples with is at the highest level. During this ritual, relatively
simply to communicate and obtain information from the spiritual forces that exist outside
the material plane. As mentioned earlier, this dark goddess - Lilith, Naamah, Mahalath
Igrat, Hecate, Liikanen, Persephone, Hel, Ereshkigal, Cali, Baphomet, and Sekhmet
Vampires, interaction with which most effectively and naturally in dark
rituals of sexual magic. But such spiritual essence, as an incubus and succubus, also
important in these practices. These demons belong to the sphere of the moon and black
svoeyprirode have vampiric sexuality. MLO views them as spiritual
tunnels that carry out sexual energy and vitality of the cosmos into chaos.
Succubus, women's demonic essence, incubus, demons-lovers, there are a
all the traditions and culture, according to ancient legend, the reward participants
ordinances forbidden gifts for their sexual energy, taken in dark rituals
sexual magic, which are present or which are involved in these dark
demonic entity. But if they are not aware of is that the participants in the ritual are
harmony with the black moon, demons can dispose of the Magi as their victims
and completely deprive them of their life force.
An example of these demons can be found in the "Book of Enoch", which describes the

angels, called "guardians" of human beauty seduced women who
violated the law demiurge, leaving the heavens and giving himself the physical plane to
to release their sexual passion. The result of Union Nephilim as these are named
"Fallen" angels, women became race of supermen. Nephilim, whose leader was
Semjase, gave his dark divine spirit to their children, thereby adding
crimes to their rebellious acts. Those demonic children became known as
"Geburimy". Being the demigods, they began to rule the universe. Nephilim, angels
demons in exchange for sexual energy taught many people the forbidden arts
demiurge, so, for example, magic, astrology, alchemy, war, sex magic,
weapons, writing, lunar mysteries, knowledge of the cosmos and chaos. So were the Nephilim
demonic fathers evolution and civilization. Demiurge, who wanted to keep the Angels
and people as their slaves, and they were filled rage when he saw the violation of his
cosmic laws. He called on his weak-willed angels headed void
Michael and sent them to destroy a new race of supermen, bearing in dark
flame. He ordered his servants to kill the Nephilim and all those who do not obey its laws.
Even when the earth was red with blood, all refused to back down on freedom, except
weak Noah and his wife. Creator willed to drown every living thing on earth, but their
and his female slave, hit the ground deluge. The Nephilim are the angels who did not
died happily joined the legions of Satan outside of the cosmos and
vowed to avenge the blood of their brothers, their wives and children. So were the Nephilim
The anti / kliffotic forces belonging Nahemoth - Klipp
Naamah. Demiurge is recreated their generation with Noah and his wife - people without
will. But Geburimy, dark demigods frequented create demiurge dark
flame, which is further from life to life embodied in the strongest among
people.
A lot of secret knowledge can be found in the story of the Nephilim, and practices
Sexual Magic should work with these forces in their rituals. First,
should refer to the "legacy of custody" to reinforce the dark flame - the gift of Semjase.
The legacy is represented by five major groups of forces: Nephilim, Rafaimy, Anakim,
Amalekity and Geburimy.
Nephilim, meaning "lewd", - the demons, bestowing forbidden knowledge /
Gnosis for sexual energiyu.



Rafaimy, which means "fighters" - the demons, bestowing spiritual and worldly power.

basic practices of Tantrism - to awaken the power of the goddess and elevate it through all the chakras, in
eventually connecting it with Shiva. Thus, an ecstasy,
breaking all illusions and forever liberating spirit. The Goddess in the role of Kundalini
described as a fiery red snake lying coiled coil in three and a half
turnover in the Muladhara. Kundalini (there is also appropriate name Shakti) represents
latent vitality of human awakening that leads to priumnozheniyuenergii and magical
power. Kundalini or Shakti, which means the force is
a lighter aspects of the Goddess, while Kalishakti - dark goddess -

currently. She - the goddess of the dark sexual magic, which embodies the sexual passion.
We can say that the art itself sexual magic under its authority. In practice Vama
Marga when Kali is embodied in the priestess, and Siva or Kalishakta, dark man's strength -
in the priest's ritual sexual act frees up a tremendous amount of
magical power of God and to connect with the goddess. It also gives the elixir
divine properties. In this case it is "Kali Vin". It can be
used to wet the chakra Ajna, which facilitates the opening of the third eye,
destroying all illusions.
Tantrizm Vama Marga similar to kliffotic sexual magic practiced by
MLO. It takes the place of Kali Lilith, and the place of Shiva - Satan / Samael. Awakening
dormant forces that will connect with the dark goddess dark god, remains a major
the purpose of the ritual. The opening of the seven gates of the dark (portals) - Gehinnom,
Shaarimot, Tselmot,
Barshahet, Titahion, Abaddon and Tehom - corresponds to work with the seven chakras in
Vama Marga tradition. The task kliffotic sexual magic, among others -
awaken the blind black dragon, slumbering in Gehinnom, and he opened his eyes

fire dragon, warring against the cosmos. He - the force that carries through Lilith
Gehinnom and the rest of the gates of Hell to the sixth gate. Here Taniniver regains sight
and makes possible the union of Satan and Lilith in Tehom. Sight to the blind dragon -
the essence of esoteric work MLO and the path to eternal freedom in chaos. The main character in
the
kliffotic work is the "Tree of Death", which is a map
dark measurements. Chart consists of ten areas coupled twenty two ways
- Tunnels. These tunnels are divided into three pillars of the tree - left, right and middle.
Thanks to the dark flame, the man has in himself forces represented
The Tree of Death. These internal forces - those that encourage Taninivera. The left pillar
tree - a female sexual energy, right - men. During the ritual
unity of priest and priestess, dark vortex - the middle pillar - is activated. Median
pillar consists of spheres Nahemoth, Gamaliel, and Tagirion Thaumiel. It is for this path
Black Dragon is climbing out of the sphere to the sphere of Lilith Satan. In
MLO tradition of seven previously mentioned dark gates are utilized in the practice of this
anti-cosmic yoga. These seven portals, often referred to as the seven-headed dragon with
eleven faces and ten horns, opened by voice vibration true
Names and meditation. After that, calling kliffotic power and proclaimed
the destructive will of the ritual, the priest and priestess can proceed to the magic act
Unity, which acts as a priestess queen Lilith, and the priest - king of Satan.
When a couple reaches a state of sexual trance, they use a "formula
Taninivera ", pronouncing it as a mantra and focus on uplifting vortex which
has to go through all the seven portals. Whirlwind - Fiery Gates of the Qlippoth or tunnel -
opens the way through seven internal portals of Gehinnom to Tehom. The next step
- The awakening of the black fire dragon, which lifted Lilith, and

the release of the dark forces from the lower to the higher of the portal. Dragon goes back in the vortex, and
every time he passes the next gate, Lilith fully opens a portal and
activates all his power. Activation of the seven portals releases
dark powerful energy that leads to darkening of showers and strengthen
black fire chaos - Taninivera. When he reaches the sixth sphere of Abaddon-
destroyer, his eyes open, and at the same time, the third eye begins to see the magic
pair. The next step - the connection of Satan and Lilith in the seventh gate. Here
proiskhoditsovokuplenie dark forces and anti-cosmic energy output Azerate. When the pair
experiencing a spiritual union with the external flame of chaos, an ecstatic state of emergency
state and orgasm at the physical level. The energy generated in the course of the ritual,
conducted a priest and priestess through their internal portals areas in Abaddon
According to Satanic Will, creating a change in harmony with the passage 218. Union
dark flame priest and priestess - the key to awakening the dragon. Elixir, created in
the process of this practice is the poison of Satan and Lilith, strong enough to
kill gods and demons to create. The very same action of this tradition is one of the
the most effective methods of chaos in the cosmos and the cosmos bleeding
chaos. The Union of Satan and Lilith with anti-cosmic force does Taninivera
possible for the bloodthirsty Liling to take physical form in the material plane.
Priest and Priestess in the dark of the practice themselves embody Lilin. Dark Gods
unwittingly set foot on land again!
Black Flame, and Kalishakti Taniniver closely linked to the tradition of the dark
sexual magic MLO. It should be added that the Order is available a variety of ways
interaction with these forces, and sexual magic - just one of them.
"The woman - a portal to power, and the man - the clues to the gate. In the magical copulation
they are open to the flaming by force and ecstasy. "

Before the beginning of the beginning everything was formless eternal sea of chaos. The darkness and silence
emptiness prevailed there, and only eight non-existence of gods existed in this
endless chaos. The eight gods of chaos ruled the black ocean of chaos, Nun, and together
they ran the initial randomness.
It was the evil gods - Eight entities: Nun and Nunet, the gods bottomless sea, heh
and Hehet, the gods of infinite space, Keck and Keket, dark gods, and Amun and Amunet,
invisible gods.

At the base of all the possibilities that are in vnevremennóm chaos, as they say,
there is energy, which later led to the emergence of the spirit of Ra demiurge, who began to take shape in the darkness of the formless sea. When the spirit of the demiurge grew strong enough its fake and dirty nature began to affect his entourage. This
going down to the depths of the first sprouting of a lotus flower. Quietly opened
blue lotus flower and its petals revealed the demiurge that the image of the young god sitting in his golden middle. The light that was in line with the darkness of chaos, proceeded from the body "Divine" child. That child who was demiurge Ra, managed their
dirty light to drive and keep the chaotic darkness that surrounded him.
But the forces of chaos have never been defeated unworthy of the demiurge, and they surrounded him in the form of demonic monstrous snakes and terrifying dragons. For eight primordial chaos and evil gods, whose darkness defiled Ra-Atum, began to boil and rage. From the black waters Nut rose the most horrible of all dragons.
The name of the dragon of death was Allen, and the sole purpose of its existence
Ra was to destroy and extinguish its light, in order to restore the original order promiscuous pure darkness.
But when Ra, surrounded and blinded by its own light, learned of the presence of dryakona Wrathful Chaos, the mighty Allen, he was filled with horror and realized he kák alone in this war, which he inadvertently started against the eternal forces of chaos.
It became unbearable loneliness, and Ra missed another creature that
supported and comforted him. So Ra created with the help of his first ejaculation and his will, Shu, the god of air, and Tefenet, the goddess of moisture. But due to the fact that Ra was
so filled with horror to the forces of the Wrathful Chaos, whose presence he was constantly felt he had lost Shu and Tefenet deep in the chaotic sea. Demiurge Ra, panicking,
tore his own eyes, and filled it with his strength, so he began to shine it
light. Eye of Ra called his daughter and christened it the Hathor, and then sent her into the darkness, that she had found his missing children. Light eyes penetrated the darkness of chaos and found Shu and Tefenet, bringing them back to Ra.
As a reward, the demiurge put the eye in his forehead in the form of a large venomous cobra snake named Urey. He promised her that her strength will always be great, but in the future, and the gods, and
people will be afraid of it.
Then Ra-Atum embraced their first children, Shu and Tefenet, and wept with happiness and relief.

"Allen become." Meaning and translation of magic formulas, see Chapter II.10 Words of Power / Names
Seth-Tifona.No that Ra was not known and that we are carrying a black flame, always known - that while the Shu and Tefenet were in a sea of chaos, they were both raped
Wrathful Chaos dragon, and the dragon seed penetrated deep into Shu and Tefenet and disappeared in their forms. This anti-cosmic seed, the seed of the dragon, with the first offspring of Ra penetrate through the protective aura of the demiurge, and the final war between light and darkness it will rise and break inside the creation of Ra to pieces.
But Shu and Tefenet, because magic Apep themselves did not know about the anti-cosmic act of violence, love one another, and Tefenet soon gave birth to twins - Geb, god of the earth, and Nuit, the beautiful goddess of the sky.
Without having to learn any of this, our Lord gave Apep seed Nuit and Hebe.
This evil seed, The anti-seed, that slumbers in the heavens and in the earth, waiting patiently for slóva our father Allen, to ascend. Although the great dragon, Apep, was outside
fence light, it is still in full control of herself, which he his
cunning act moved to the creation of the demiurge. The terrifying dragon that dwells in Wrathful sea of chaos, could now using the deep essence of anti-cosmic sea,
What is his evil seed, to monitor developments in the world of moronic demiurge.

Again, the silence was broken in the chaos that used to be silent. But
This time - laughing our father, prorézavshim unholy silence, for now Apep
was sure that he would win the final war against the creator god of dirty light.
Geb Nuit loved his sister, and for many centuries they were hugging each other,
not knowing about the dark matter of fact, they are in themselves. Nuit / heaven pressed on Hebe / ground, so
there was no room for anything else that might exist between them. When
demiurge of Ra-Atum saw it, he jealous because he created these gods to
shared his company, and now it turns out that none of them cares about him.
Finally, Ra commanded their father - Shu - separate the Nuit and Geb. Obedient to God
Air Shu went to his son, Hebe, and open hand raised my daughter Nuit, and
began to hold it high above his brother. Jealous and stupid Ra-Atum was not satisfied,
because he saw that Nuit in its merger with Gebom pregnant. So he
Nuit put a curse on her to any of the days of the year, they installed but not
could give birth to a child. Geb, now lying at the feet of his father, struggled to free
Nuit, cry dark tears. She ran down, but they could not regain
each other.
Demiurge, tired of these ungrateful gods, created a lot of other creatures,
which, he hoped, would be more accurate. Among them was one that should
was to become one of the visible gods.
When he saw the beautiful body of Nuit sad, stretched above the ground, he
it was very sorry, and he decided to help her. He invented the "Late Game" (dice) and
offered to other gods to play with him for days. So gradually managed to cleverly Tautou
winning more and more time at the other gods, and the payoff came up to five days. Demiurge
decided that each year will consist of 360 days, but the crafty He made time
that he had won, and so created the five extra days. These extra days are not included in the curse
Ra-Atum, so Nuit now has the opportunity to give birth to their first day of detey.V Nuit gave birth
to a child who has already been crowned, and he received
the name of Osiris. The next day Nuit gave birth to a daughter, Isis, which is primarily a
Born in love with silly Osiris.
Evil seed Allen, hidden inside Nuit, received instructions from the dragon's death
Apep on how to penetrate deep into the creation of a demiurge capture the strongest
descendants of Nuit. But when the evil seed, whose name was Isfet, saw Osiris in the womb of Nuit,
it was sure that Osiris unworthy to be penetrated by the depths of the essence
dragon. Isfet who could see into the void that is called the future and saw that the fate of
Osiris - to be beaten, cut and forever condemned to death is very
powerful god. Therefore Isfet decided not to merge and be born through the body
Osiris.
Also another child Nuit Isis was evaluated and was recognized as unfit
Isfetom before his birth. Isfet who could look into the future and saw that Isis
will embody the nature and cosmic laws and the creation of forms of
formlessness. It filled Isfeta disgust and hatred of Isis, and therefore
Isfet decided not to connect and be born in the body of a prostitute Isis.
But on the third day - before Nuit managed to give birth to her third child -
Isfet received word from his father, Allen, that today - in order
to take shape and grab another child Nuit, whose name - Seth.
When Isfet heard the voice of the dragon, he immediately crept closer to Seth,
to check it out. He saw that the great Seth is in the womb of Nuit bears his
dark dreams of world domination and chaos. It filled Isfeta joy. Isfet
Seth looked to the future, in order to be sure that Seth is suitable for a
to connect to it. He saw that Cain Seth sits on his black onyx
throne, surrounded by mutilated bodies of all the cosmic gods, and under the feet
Seth saw the laughing Isfet severed head samogó demiurge Ra. It's incredibly

Isfeta pleased, as he now saw that the fate of Set - struggle with space
order, Maat, and win the unworthy of the gods. Isfet entered in the name of Allen, in the body
Seth dormant and raised him. Great Seth, now possessed by the power of the Wrathful
Chaos, opened its burning red eyes and lays bare his Sekhem was Isfet,
and cried with hatred.
Seth, who knew that he - the most powerful of the gods, was filled with
hatred for her mother, Nuit. Already in the womb of Nuit he knew that his faithful right -
be the first-born son of Nuit. But instead of him unworthy gave birth to the first Nuit
Osiris, thus granting him the royal crown. Seth, obsessed with the wicked
rabies, ripped Nuit inside and punched a hole in her side, from which it
got out. In this completely unnatural was born a king. During
this horrific birth Nuit screaming in pain and crying blood, but none of the other
gods did not dare help her. When Seth got out of the body of Nuit, he cursed the other
frightened gods and ran off into the red desert that has become his greatest
kingdom. Seth was so lonely, and the great god, bringing a storm of Wrathful
chaos in the cosmos.
On the fourth day, the day after the birth of Seth, Nuit had time enough to come to
themselves to be able to give birth to her fourth child and second daughter, whose name Nephthys.
Nephthys, which is also called Nebhet, hated his brother Seth, who
leave her alone. Even before the birth Neftis learned the terrible force of Seth and hoped chtoon as
Isis was married to Osiris, marries a powerful Seth. But Seth
despised the weakness of other gods, was not interested in love. Because of this Neftis
entered into an alliance with the other gods, who started the war with Seth.
Demiurge, intoxicated by force, known to him now that his command
others were living gods, has created many other gods and goddesses. He filled the skies,
the earth and the underworld countless spirits, animals, demons and other
minor deities. One of these gods, which the demiurge created in the state
confusion and intoxication, was the one called Hum. The task was by Huma
potter's wheel to create a form that would fill the demiurge of his creation. And
demiurge ordered Khnum create the first people with clay Hebe, a former particle
Seed Allen, dormant inside Hebe pending awakening to life.
This particle is the seed of the Wrathful dragon was called Khem Sedzhet, which means black
flame. Hem Sedzhet Apep awakened to the call from the other side and instincts vedómy
chaos, divided into 72 fire. These fires spread and sank deep into the
clay, which Khnum was going to use to give form to the new creation,
man. It so happened that in 72 human forms that have already entered the essence Hem
Sedzheta, Ra-Atum breathed life. So part of the seed of Apep, who was in Geba,
moved to the 72 original person. These 72 children were and still are the dragon
live gate for the stormy sea Nun, which our father Apep.
We, the priests and priestesses of chaos, so different aspects of the initial share
Hem Sedzheta and accept a Ba black flame. Our cosmic forms die, but
our black flames that come from outside the space, like the chaos - and forever
indefinitely. We, the offspring Allen, burn the creation of Ra-Atum our formless
black and withering fire, in the name of our father and our Apep commander and
Seth King, we have chosen, we restore the original formless silence of the ocean
chaos.
For Isfet and Hem Sedzhet stronger than Maat and Apep and Seth stronger than the whole crowd
unworthy of the cosmic gods. And we also 72, is stronger than anything else unworthy
humanity. For where there is at least one of us, carrying a black flame, you can
see the final limit of the "now" and the infinite, which will come after.
72 When the flame will come together and will generate 218 new lights, the sun Ra-Atum
extinguished forever, and then Seth will take the place of the eternal winner on a black onyx
throne. For we, whose dark essence - the dragon, looking into the dark void that is
eternity, and we know that the final victory belongs to our mighty

father, Allen.
Xeper-I-Apep.

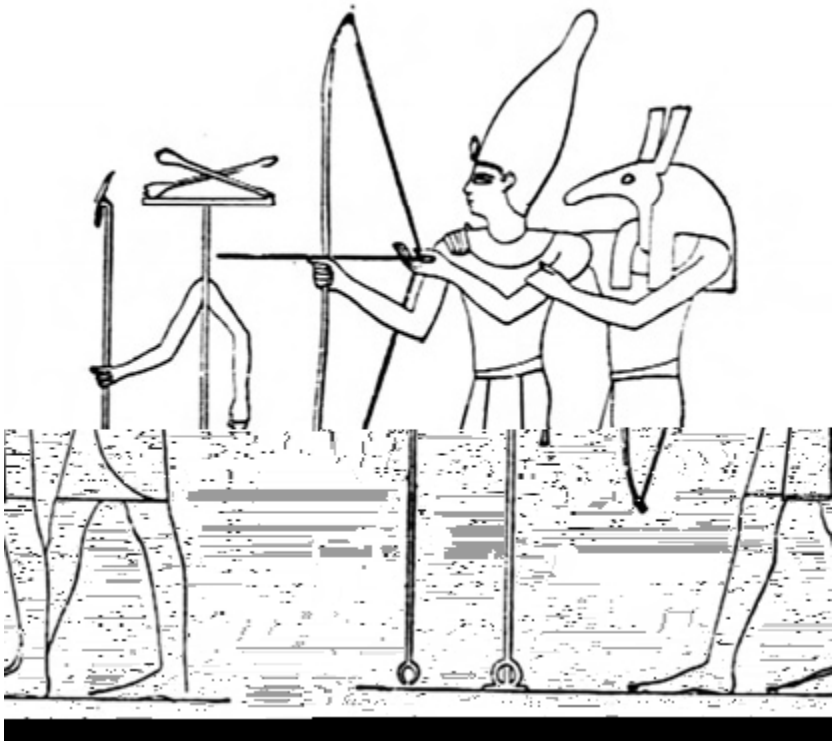
So, hear my call, O ye that are one with Hem Sedzhetom, and open your eyes! Rise in power, Heper-and-Seth, come to me, united under the dragon wings and Heper-I-Apep!
II.4 «Being" against "to become"
As part of Draconian setianizma there are two main areas.
The first area - the natural and cosmic, pre-established, and the ordinal undefined - bytiynoe.Eto direction, which is undesirable for the magician, usually said to exist under the control of Osiris and Horus in harmony with the cosmic tyranny, whose name is the goddess
- Maat.
Maat represents stagnation, lack of development and the limited structure. In this restriction, and the existence, created by someone else (Ra), the adherents of Maat should be, and be happy with this as not breaking the laws of space order, they have to "go with the flow" and feel comfortable with all the other Creating external forces, allowing the space rock to manage their lives.
Thus, to be - is the same as the path on the right hand drive where everything is familiar and experienced and self-reaching, and others.
Therefore, "to be" was the antithesis of Draconian Setianizmu - goals and form of existence, is sought on the left hand path.
For other form of existence, the way Setianicheskogo magician eternal becoming, is in sharp contrast with the natural and limited form of existence.
Become (Heper) - means consciously seek outside of the prescribed predetermination circumstances exist and fight for that on all planes become self-creation, in accordance with its own magical will.
The source of this will for the establishment of their own creation and release from all bonds and weaknesses that bind us to the creation of which is not in harmony with our own will, is called in the dark tradition of "Hem Sedzhet."
Hem Sedzhet means "black fire" and is the will of the elected to power, wisdom and freedom.
The will to power and a permanent establishment is not in space term, natural and leads directly into the cleaning darkness of the desert.
Because the establishment is not in harmony with the external Maat and is based on Isfet driving force, anti-cosmic impulse.
Isfet - the external dimension of internal black flame, and usually it

personified by our Lord and example, the mighty Seth.
Seth - "unnatural god" who, with his dark chaotic energies
brings revolution and evolution and who, in accordance with its dark will,
directs and shares (Coagula and Solve), deserving veneration for the fact that it destroys
prevailing law and order structure.
Set - immortal will, which refuses to be in those who are willing
restricts himself, and so he - the god of freedom, boundless and eternal shining
greatness.
Becoming so synonymous with the left hand path and is the greatest
Setianskoy formula alchemy.
This esoteric alchemy of transmuting base goes into something
noble, turning man into a god and the cosmos into chaos, it was possible to
become, in all the boundless, timeless and spaceless plan.
Space is space and dies, while chaos was chaos and mayhem there abide
becoming ever.
For Heper-I-Set, so then Heper-I-Apep.
Become a god, come out beyond space and then become one with the eternal,
infinity, the emergence of chaos.
Heper-I-Ham Sedzhet.



II.5. Setnakt / Seth Great!
Seth, whom the Greeks called Typhon - is terrifying Egyptian and cruel
God, who, according to the inscriptions and records, the archaeologists found, among other things
called "powerful god, whose rage is fear."
Seth also known as "Mighty of Thebes" and "Lord of the Desert".
Seth described as terrifying and powerful god of war, who
awards and grants victory strong following in his footsteps and devoted to him.
But he also - a cruel and merciless god, torturing and destroying all who
dares to stand in his way.
Iron - metal devoted to Seth, and it was written that "the bones of Set-Typhon -
iron. "

Seth takes a lot of symbolic forms, such as: griffin (Aheh), river horse, alligator, black pig, donkey, tortoise, leopard, snake and dragon.
And while all of the Egyptian gods are like animals, Seth - the only god who likened to a mythological animal.
Seth is also identified as a "black sun, lord of darkness and the god of murder."
He - the god of the desert and barren land, constantly breaking the cosmic laws and natural poryadok.Set also - Mr. storms and nightmares, his black magic plunge men in the madness!
Unlike the other gods who did not want a big change in the world that they created, Seth - god who have been coerced into the evolution and development.
Set - God helps those who help themselves, so it is - God and an example to strong.
Seth also - the god of isolation, loneliness and misanthropy.
Because he - the only god, and were drawn away from the rest of the gods, which of-for his weakness and stupidity saw themselves his enemies.
So Seth - the one and mighty lord, leading off their ego, their fate and the future.
Seth - the one who cuts off and isolates to do so strong and godlike!
Seth has always been regarded by Egyptians as "satanic god" because before Osiris cult spread throughout Egypt (c. 4000 BC), Seth officially worshiped in a large part of Egypt, and there were many large and mighty temples dedicated to him.
It was only natural, since most of the Egyptian desert consisted of regions, and Seth was the master of the desert.
One of the many famous temples dedicated Setianizmu, was in town Tanis.
This temple was used as a focal point for the direction of energy in Seth one of its aspects "of the mighty god of war."
During this period, Seth was worshiped and glorified, even though he was seen war god cruelty, violence and bloodlust!
Also, many of the pharaohs and other powerful people were taking his name Seth considering him the greatest god.
But when the cult of Osiris in Egypt has spread like a plague, and demonic evil aspects Seth stood out more and more.
Because Seth on the basis of "their own intentions" killed Osiris and cut his dead body!
So fans of Osiris used the "evil reputation" Seth same way, as Christians in a few thousand years have a reputation Satan.
This went on for a very long time, until the name of Seth not be blotted out of the sacred scriptures and were not destroyed all the temples Setianskie.
Set in a fierce form of an enemy of the Egyptians, but also the god of foreigners and strangers.
Seth is still regarded as a terrifying and powerful god, but now text is known to us only by its destructive aspects, and he became identified with the dragon Allen, with whom, as previously thought, struggled.
Thus, Seth became the prototype for many of the "infernal imagery" of the future religions, for example, the Christian Satan!

II.6. Setiansky Ritual Discovery

When I heard this Absu, his face beaming evil that played on his

Code Tiamat opened her mouth to cry out in anger, Marduk sent
cosmic winds into it to she could not close her bloody mouth.
Mother Tiamat, the greatest of all, Marduk shouted:
"How can you hope to kill something that never lived.
How can you beat that was never born.

I, Tiamat, was everything when it was nothing.
I am the rules before there was death.
I - the emptiness and the eternal darkness.
I - the chaos, the destroyer of all order and the mother of nothing.
How can you, Marduk, the only son of my stillborn dreams
all hope to rule forever.
First of space was chaos, and when the cosmos would fall again everything will be chaos.
Well, rejoice the victory of his short-god bastard, for I, Tiamat,
anyone who has seen the first signs of fate, I know how this war.
Enjoy our small victory, Marduk, for when the lights and new gods are
destroyed, I'll edit again. "
Marduk, Tiamat, for fear of a mournful voice, let the winds of space in its
guts to tear it from the inside.
But the mighty Tiamat, the dragon of chaos, did not utter a cry of pain, just laughing
sad laugh.
Marduk, the new king of the gods, full of fear, he sent out arrows of light and ripped
the inside dragon.
Arrows Marduk insides ripped dragon and shared what was inside.
Laughing, she fell down the mighty Tiamat.
Laughing, she fell asleep chaos mother's death.
When the troops of King saw the fall of the dragon, it confused them. But the supreme
Priestess of chaos, invisibly prisutstvavshaya in battle, demonic witch Hubur,
who was watching the battle, turned black by the wind.
Before the shed blood of Tiamat touched the ground, before the spilled blood
the dragon of chaos was desecrated dirty Marduk Hubur collected the blood of the great
Dragon and carried to places unknown light bogam.Predannaya Hubur, the mother of a black
magic, evil witch Hubur claimed the blood
dark edge and splashed into the endless void.
From the blood of the dragon rebelled powerful kingdom Wrathful Chaos.
From the blood of the ancient chaos of the adult Avengers darkness, that shall avenge the fall of the
throne
dragon.
The mother's blood dragon was spreading, and so all the chaos surrounded what was to become
cosmos.
In the darkness of violent chaos reside evil demons, eager in anticipation.
Sinister Marduk, unaware of the deeds Hubur, not knowing about the new demonic
kingdom, stood near the body of the "dead" dragon and collect their weapons.
For the one who "killed" Tiamat, was cast down King.
King, the last of an ancient race.
King, Dragon Avenger, burning with hatred, ready for battle, but before
What a great warrior King joined the battle against the undignified Marduk, before King
purposed to plunge into the waters of Marduk's death, he was caught by the army of the gods-the
bastards.
King was defeated legions of crafty gods who dared to appear.
For when the dragon "died", and eleven, created magic Hubur scattered,
Bastards fulfilled courage.
Mighty King was bound burning chains.
Dirty Marduk stole the Tablets of Destiny from the chest to King and decorated them his chest.
But the chaos of demon prince laughed dirty Marduk and said:
"On the cowardly dog, it seems, your cunning saved you this time, but I
Lord of Chaos troops, saw the Tablets of Destiny and know how to end the struggle between
cosmos and chaos.
I looked at the black plate and saw how your own creations turn around
against yourself.

I saw that the servants of the blind rage of the sword will open the gates of thirsty gods
waiting for the day of wrath.
I, King, saw those who vedóm spilled my blood, revenge for original
chaos, defiled you.
The dragon will rise and I King, revenge.
So rejoice as his brief victory, for the victory of chaos will be eternal.
My nemesis - the legacy of my blood, and eternal hatred in my blood.
So rejoice as their victory, Marduk, because when the day of wrath, your blood
shed in my honor. "
Hearing this, Marduk ordered his men to withdraw and shut King.
He ordered the King in chains in a dark cave USMU.
All of a crowd gathered around the new gods Marduk and glorify him.
Marduk, despicable bastard, his sword cut off the head of dragon.
He cut her veins, and when he saw it, his father was filled with happiness and joy.
Marduk, looking at the body of the dragon, decided to create the universe out of the trunk of mother dragon.
He cut it in half and made from one half of the sky.
Of the other half he made the earth
Marduk set guards to keep invade his creation of "those who
is out "for Marduk sensed hate those that took place from the spirit dragon
blood.
He built a wall to protect their creations from the gods Wrathful Chaos.
Marduk set the locked gate to the sea of chaos is not flooded the universe.
He put the watch gods and approved them constellation.
Marduk created a year and a day and gave the gods controlled planets.
The son of Enki created the sun to shine by day and the moon, illuminating noch.Vse praised the gods Marduk and gave him the title of "god of creation."
Marduk rejoiced honors, has decided to create man, and that he also
dignify and worshiped him.
Marduk to his father Enki's tale:
"Blood I link together and form a skeleton.
I will create the first man, whose purpose will be to worship and serve
forever. "
When Enki heard this, he was proud of his son and called on other gods,
Marduk devoted to them in their plans for the creation of man.
The gods Marduk heard plans to create a person who will worship
them, and fully supported his plan.
Artful Marduk was pleased and addressed the assembled gods:
"Who of you is willing to sacrifice himself in order to man was created by our
faithful servant? How many of you will shed their blood to create slaves of our
blood and mud?
For the creation of man I need the blood sacrifice of blood and life of God, for to
give life to man from clay, God must be sacrificed. Which one of you is ready
die to realize desire higher divine assembly?
Hearing this contemptible demiurge, treacherous gods were afraid, for none of
They are not ready to sacrifice themselves in order to fulfill the desire of Marduk.
But the gods of the IGIGI, the cleverest of all the gods, have found a way out. They said Marduk as follows:
"Let us sacrifice the one who declared war on us, let us kill him,
made fun of us.
Also shed blood of us who predicted our doom.
The warlord chaos, bound us may die, appeared to our new
servant.
We can kill the King, to cast our faithful servant - a man. "

Hearing this, Marduk cheered and ordered the meeting to deliver the King of the gods.
Dirty rebels led King out of the dark cave USMU.
Proudly standing in front of the great King despised the gods.
Sinister Marduk said to him:
"You, who predicted us to our death, now he will die.
Perhaps the power of the forces of chaos and the power is not as great as we anticipated.
Great King must be blind, since not been able to see his horrible death
in the Tablets of Destiny. "
After hearing this, King smiled sadly and replied:
"I, the King, saw the death of their destinies in the tablets, but I have also seen their
revival, for that is death for us who are out of the chaos, but a short rest.
We were the first, and we will be the last.
We - those who have never lived and will never die.
Spill my blood, treacherous Marduk, for the very blood that flows through my veins,
Once thee fall, for my eternal hatred, as well as my desire for revenge.
Rejoice, dirty god-rebel, his small victory, because the penalty for your
crime would be a terrible and eternal. "
Hearing this, the present gods were furious with their swords and dissected
King of the powerful body to pieces.
Sinister Marduk cut veins King and his blood mixed with clay, so
molded human body.
His bad breath he breathed into the human body, in order to fill it with power and
engender life in it.
Man was created, and all the gods praised the gods bestowed upon Marduk Marduka.Prezrennye
forty of his titles and magnify it by making
master over all space gods. And where before there reigned indefinitely
chaos reigned space now.
But because of the external borders of the cosmos Wrathful Chaos gods, the ones that rose to life
their dragon blood, watching the creatures of light and waiting for the day of wrath.
They are waiting for commands eleven princes of chaos to invade the domain of
god-demiurge, to bring the black flame of death and for all destroy the fading
spark of the gods-creators.
But the dead dragons are not the only ones who craves revenge and waits for the war,
staying there, beyond the outer limits. It was also written that the creation
Marduk, driven by the blood of King, will open the gate from the inside.
It has been said that man is created from an evil blood, to turn against their
creator, for impotent Marduk made a fatal mistake when he created man out of
Blood King, the ruler of the demons forces of chaos.
For, through the blood of people instead of King in the depths of his soul black fire chaos.
In the depths of his soul, a man carries the seed of anti-cosmic hatred.
For human blood is the blood avenger, and the hatred of man - hate King.
Among the elite, vedómyh blood of chaos, there are those who are blessed with powers
ancient gods of chaos.
These chosen, the ministers of wrath "dead" gods, there are those who unlocked the gates
from the inside and will enter them waiting outside the cosmos.
For the creation of Marduk is nothing more than a stinking island surrounded by an eternal
sea of chaos.
The sea of chaos - the blood of the "dead" dragon.
On the other side of the wall that exists eleven Avengers chaos are in waiting.
Eleven and their legions of waiting for the opening gates to restore the rule of
Chaos, the former first.
For when the gods of vengeance, Wrathful Chaos warriors, tear-gods bastards when
Fury dragon of chaos destroy the rebels and their dirty generation, our almighty
mother-dragon Tiamat, will rise from the sleep of death.

Primal darkness and silence again spread everywhere.
Triumph over the space of chaos will last forever, and the forces of chaos rule will again be absolute.

PAROLES CACHEES

Le Livre d'Hénoch

AVEC LES COMMENTAIRES DU REVEREND MICHEL GENTON

COUVERTURE : « Il y en a trois qui rendent témoignage : L'Esprit, L'Eau et Le Sang et les Trois sont d'accord ». **1 Jn 5/7.**
Nous devons naître de L'Esprit de Dieu et de l'Eau qui est la Parole de Dieu. **Jn 3/5** et **Eph 5/26**.
Littéralement, **Eph 5/26** se lit ainsi : « … afin de consacrer Son Eglise par le bain d'Eau dans la Parole »
Et c'est par le Sang Divin de Jésus-Christ que nous sommes rachetés. **Héb 1/19**.
Il nous faut donc les Trois pour arriver au témoignage parfait :
1° L'Esprit de Dieu en nous
2° L'immersion dans la Parole de Dieu qui nous purifie de toutes les fausses croyances.
3° Le Sang de Jésus-Christ.

Préface au livre d'Hénoch

Mon vieil ami, le pasteur Michel Genton m'a demandé d'écrire une préface à propos de son commentaire du livre d'Hénoch ; j'en suis très honoré et je le remercie de cet acte de confiance.

Entreprendre un tel exposé est un défi de taille car la littérature pseudépigraphique et apocryphe ne livre pas facilement ses secrets. Il faut du courage et de la détermination pour mener à bien une telle entreprise. Le pasteur Michel Genton a, semaine après semaine, étudié ce mystérieux et fascinant livre qui sort de l'ordinaire. Le livre d'Hénoch est un trésor de la littérature juive, voire même dans la tradition chrétienne.

La découverte par James Bruce en 1773 de trois exemplaires du livre d'Hénoch en éthiopien (manuscrit du IIIème siècle) avec les passages grecs du livre d'Hénoch conservés par Georges Syncellus (IVème siècle) qui ne furent publiés qu'en 1606 ; les fragments de la Bibliothèque Vaticane furent publiés en 1846, ainsi que d'autres fragments latins, syriaques et coptes attestent l'existence de ce fabuleux manuscrit et récit. En 1977, on trouve parmi les manuscrits de la mer Morte des fragments araméens du livre d'Hénoch (4Q201). Ils attestent la présence de ce livre dans la littérature du judaïsme ancien et plus précisément durant la période du Second Temple. Pendant des siècles juifs et chrétiens ont puisé des richesses spirituelles dans le livre d'Hénoch. Il a servi à leur foi, à leur instruction, à leur espoir et à leur spiritualité.

En *revisitant* le livre d'Hénoch, le pasteur Michel Genton dévoile des trésors spirituels cachés dans ces vieilles pages. Il nous fait découvrir les mondes spirituels et célestes du livre d'Hénoch. Il nous permet de contempler de nouvelles images célestes chargées de symboles révélateurs. Michel Genton ne se livre pas à des interprétations exégétiques, théologiques complexes, mais à une relecture faite à partir de sa foi, de ses croyances et à la lumière des Écritures. Les commentaires de Michel Genton ont pour objectif de vous fortifier spirituellement. Il a fouillé dans des dizaines et des centaines d'informations, livres, articles, discussions etc… pour étudier le livre d'Hénoch. Son ouvrage est le fruit d'intenses recherches et d'heures d'étude passées à lire et à relire ce vieux manuscrit. J'ai eu la joie de partager avec lui mes points de vue et mes travaux sur les manuscrits de la mer Morte, toujours attentif et à l'écoute le pasteur Michel Genton cherche à sonder « ces Écritures » avec la plus grande honnêteté et vérité. Nous ne sommes pas toujours d'accord, mais nous nous entendons pour dire que le livre d'Hénoch peut encore nous livrer de magnifiques leçons de vie spirituelle et nous offrir de multiples sources d'inspiration et d'éclairage.

Lisez avec le pasteur Michel Genton ce vieux livre d'Hénoch car il a un message inédit à livrer à notre génération.

Un peu d'histoire

En 586 ans avant Jésus-Christ, le roi de **Babylone** détruit le Temple de Salomon, à Jérusalem.

Le peuple de Dieu part en captivité jusqu'en 536 av. Jésus-Christ,.

Le second Temple ne sera reconstruit qu'en 516 av. J-C.

Les **Perses** envahissent et dominent sur Israël jusqu'en 332 av J-C, puis ce sont les **Grecs** qui occupent le pays jusqu'en 140 av. J-C.

Les **Romains** deviendront les nouveaux envahisseurs jusqu'en 63 après Jésus-Christ.

Il faut savoir que 200 ans avant la naissance du Sauveur, le pouvoir grec retire les Sadocites de la grande prêtrise au Temple. Le peuple de Dieu est scandalisé par cette hellénisation forcée. En effet Sadoq (Tsadoq) est l'ancêtre de la famille sacerdotale des Sadocites qui a été depuis David, **2 Sam 8/16**, le seul sacerdoce légitime **Ezech 40/46**. Sadoq était descendant d'Aaron **1 Chron 5/29-38**.

Le temps passe et 37 ans avant Jésus, les Romains donnent l'autorité à Hérode. Le culte de l'empereur est rejeté par les Juifs qui organisent alors la résistance. Elle va devenir une véritable guerre civile en 66 apr. J-C et Titus assiège Jérusalem et incendie le Temple en 70.

Depuis, Israël n'est plus une nation.

Il faut savoir également que lorsque les Grecs ont retranché la prêtrise Sadoqienne, les Esséniens, les plus fidèles à Dieu, sont partis au désert et se sont établis en Communauté de vie près de la mer Morte. A leurs yeux, les prêtres qui avaient été placés au Temple de Jérusalem étaient illégitimes.

Dans ce qui était la religion officielle, il y avait donc deux grands courants : les **Sadducéens** et les **Pharisiens**.

Les **Esséniens** prirent tous leurs livres sacrés, dont le livre d'Hénoch, et partirent au désert de Judée.

Les troupes Romaines finirent par détruire la Communauté des Esséniens en 70 après Jésus-Christ (en 68 selon certains). Mais ces hommes sages, conduits par Dieu, avaient caché dans des grottes tous les manuscrits précieux qu'ils possédaient.

Par Ses serviteurs les Esséniens, Dieu cacha ces livres, et parmi, eux des extraits de copies du livre d'Hénoch datant d'environ 300 av J-CH.

Le livre d'Hénoch a été écrit il y a environ 5300 ans. (C'est aussi l'avis de Joszef Milik, le célèbre épigraphiste et prêtre catholique Polonais qui a toujours affirmé que ce livre précédait celui de la Genèse). Le livre d'Hénoch a souvent été critiqué par les religieux juifs parce qu'il dérangeait, (vous comprendrez pourquoi en le lisant). Puis en 364 après Jésus-Christ, c'est au tour de l'église chrétienne de prohiber définitivement ce livre. Ceux qui lisent ce livre tombent sous la condamnation de l'église. C'est ainsi que le livre d'Hénoch a disparu durant 1400 ans. Cependant, l'église Ethiopienne et certains Juifs d'Egypte le tiennent pour inspiré et le lisent dans l'église.

Mais aujourd'hui, Dieu révèle à nouveau ce livre au monde.

Le 29 novembre 1947, l'ONU décidait le partage de la Palestine, Juifs et Arabes recevant leurs zones définies. Ce vote mémorable avait déclenché une explosion de joie, tant parmi les communautés juives du monde entier que parmi les ressortissants juifs déjà établis en Palestine.
Or, en ce même jour du 29 novembre, le Professeur A. Sukenik, spécialiste de paléographie judaïque à Jérusalem, faisait connaître au monde la valeur exceptionnelle d'une sensationnelle trouvaille archéologique : LES FAMEUX MANUSCRITS DE LA MER MORTE, les livres que les Esséniens avaient cachés dans des grottes. **Le sort d'Israël est étroitement lié à celui de ses propres Ecritures. Elles ont ressurgi des antres de la terre quand le peuple hébreu renaissait.**

En France, à Sarcelles, lors du Culte, le dimanche 7 juin 1987, jour de la Pentecôte, je donne une prophétie annonçant que Dieu allait augmenter notre connaissance par une Parole.

Puis, j'apprends par la télévision, l'existence de la traduction des livres de la mer Morte. Le 9 juin 1987, j'entrai en possession du livre : LA BIBLE, ECRITS INTERTESTAMENTAIRES. Edition Gallimard, La Pléiade.

Depuis, j'ai rencontré beaucoup de monde dont Monsieur André Caquot, le 26 nov 1998 à Paris, à qui je rends un hommage pour son travail dans l'équipe qui se trouvait sous la direction de Monsieur André Dupont-Sommer et Monsieur Marc Philonenko pour l'édition de ces manuscrits en français.

Sans cette magnifique édition de la Pléiade, je n'aurais sans doute jamais commencé ce travail de recherche.

Je ne prétends pas que tout ce qui se trouve dans mes commentaires me soit venu à l'esprit tout seul. Il est vrai que j'aime être à l'écoute, dans la prière, maiss vous comprendrez bien aussi que pendant toutes ces années, j'ai rencontré beaucoup de personnes de valeur et de très beaux livres qui m'ont inspiré ce que vous allez découvrir en lisant mon livre.

Je vous laisse dès aujourd'hui le fruit de mes recherches minutieuses et prie le Seigneur Jésus afin que mon travail aide les Elus dans leur préparation en vue du retour imminent de leur Divin Epoux sur les nuées du ciel, pour l'enlèvement de Sa petite Epouse fidèle.

APOCRYPHE : du grec apocryphos = caché, secret, difficile à comprendre. (Dictionnaire biblique de André Chouraqui.) Il y a des **ECRITS APOCRYPHES**. Le livre d'Hénoch en est un. Il n'est pas douteux, il n'est pas hérétique, **il est caché**.

LIVRE DES VEILLEURS

CHAPITRE 1

1. Voici les paroles de bénédictions d'Hénoch avec lesquelles il bénit les élus et les justes qui vivront au temps de la tribulation, quand seront exterminés tous les méchants et les impies verront le salut des justes. Hénoch, homme juste qui marchait devant le Seigneur, quand ses yeux furent ouverts, et qu'il eut contemplé une sainte vision dans les cieux, parla, et il prononça ses paraboles. Voici ce que me montrèrent les saints anges.

2. Ces anges me révélèrent toutes choses et me donnèrent l'intelligence de ce que j'avais vus, ce n'est pas pour la génération présente, mais c'est pour une génération éloignée, que je parle. (**nous sommes la génération qui a retrouvé les Textes dans les grottes de la mer Morte note du Rév. Michel Genton.**)

3. Je prends maintenant la parole au sujet des élus, et c'est à leur sujet que je profère mon poème. **Ce Texte ne concerne donc pas tout le monde. Mettez-vous devant Dieu pour en recevoir la révélation ; notes du Rév. Michel Genton.**

4. Le Saint, le Grand quittera Sa demeure. Le Dieu d'éternité doit fouler un jour le sommet du mont Sinaï, apparaître dans Son tabernacle, et Se manifester dans toute Son Énergie, de sa céleste puissance.

5. Tous les Veilleurs seront effrayés, tous seront consternés. [tous seront terrifiés, mais les Veilleurs fidèles chanteront des mystères par toutes les extrémités de la terre. Toutes les extrémités de la terre vacilleront.

(**les veilleurs sont les anges, note de M.Genton**.)

6. Tous seront saisis de crainte et d'effroi, même aux extrémités de la terre. Les hautes montagnes seront ébranlées ; les collines élevées seront abaissées ; elles s'écrouleront devant sa face comme la cire devant la flamme. La terre sera submergée, la terre s'ouvrira, se déchirera d'une violente déchirure, en un gouffre béant, et tout ce qui l'habite périra ; or tous les êtres seront jugés, tous, même les justes.

7. Mais les justes obtiendront la paix ; il conservera les élus, et exercera sur eux Sa clémence.

8. Alors ils deviendront la propriété de Dieu ; il les comblera de bonheur et de bénédictions ; et la splendeur de la Divinité les illuminera. (**le rachat de nos corps, du corps des justes, des élus, aura lieu à ce moment-là selon Rom 8/23. note de M.Genton.**)

9. Voici ! il arrive avec ses saintes myriades, pour juger l'univers, faire périr tout impie, confondre toute chair, pour tous les actes d'impiété qu'ils ont commis et pour les outrages qu'ont proférés contre Lui les pécheurs impies.

(**Prophétie citée par Jude versets 14 et 15. note du Rév Michel Genton**.)

Commentaires du chapitre 1

Hénoch parle ici de deux évènements destructeurs. Premièrement du déluge qui doit arriver. N'oublions pas qu'Hénoch vivait avant que le déluge n'eut lieu. Et il parle aussi du jour terrible de l'Eternel qui mettra fin à l'existence des méchants après le jugement du Trône blanc d'**Apoc 20** à partir du **V 11**.
Ces élus qui seront délivrés et qui seront protégés (**v1**), sont les justes qui ne seront pas partis dans l'enlèvement et qui seront restés sur la terre pendant la tribulation, Dieu ayant déjà fait la paix avec nous par le sang de la croix. Il fera la paix (**v8**) avec les élus qui n'auront pas été dignes d'être Son Epouse durant tous les âges et avec ceux qui seront restés sur la terre durant la grande tribulation Ces gens sont des élus qui n'auront pas été parmi les vainqueurs qui sont mentionnés dans **Apocalypse 2 et 3**.

Le Livre d'Hénoch commence par une bénédiction. Celle des justes-élus qui croient ces Choses.
Aux versets **3** et **4**, Hénoch parle de ce qui concerne une génération lointaine (**v2**) nous savons par l'étude des Ecritures qu'il s'agit de la fin du temps de la vraie Eglise de Jésus-Christ dans les nations.
Il faut comprendre ceci : Il y a le temps de la fin des nations et le temps de la fin. Ce sont deux époques différentes. Les profanes ont tendance à les confondre.
La fin du temps des nations signifie : la fin du temps de l'église dans les nations. C'est l'époque qui nous concerne.
La fin des temps aura lieu après le millénium. Ce n'est donc pas demain la veille. Par contre nous en sommes au temps de la fin des nations et de la Véritable Eglise de Jésus-Christ dans les nations.
Hénoch sait, par révélation, que le mont Sinaï est l'endroit où Dieu posera Ses pieds une première fois au temps de Moïse. L'esprit de prophétie parle souvent de plusieurs faits qui doivent se produire en donnant au profane l'impression d'une certaine confusion. Il n'y a pas de confusion pour ceux qui aiment plonger **un regard prophétique** dans les Ecritures Saintes. Toutes choses vont devenir claires pour ceux qui persévèrent à chercher.
Aux versets suivants (v**5** à **9**), il reprend la description prophétique des temps de la fin où nous sommes parvenus.
Le Texte exprime donc une double réalisation, car Dieu apparaîtra non seulement sur le mont des Oliviers, selon **Zacharie 14/4**, mais aussi sur la mont Sinaï au moment charnière entre la grande tribulation et le millénium car ce mont est très particulier. **Ps 68/17** ou **18**.
A propos du Sinaï, voir **Héb 12/20-21**. Et **Exode 19**.
Comparez aussi **Hénoch 1/5-6** avec **Apoc 6/12 à 17** et **Esaïe 2/12- 21**.
L'expression « VEILLEUR » se retrouve souvent dans le Livre d'Hénoch. Elle est reprise par **Daniel au Ch**. **4/13,17, 23** pour désigner les anges.
Comparez **Hénoch 1/ 2-5 ; 6/1 ; 10/7 ; 12/4 ; 14/1-3.**
Dans le Livre des Paraboles, ils sont souvent appelés : « Ceux qui ne dorment pas ».
Comparez : **39/12 ; 40/2 ; 61/12 ; 71/7.**
Le verset **5** peut être rapproché de **Jacques 2/19** : « Tu crois qu'il y a un seul Dieu, tu fais bien ; les démons le croient aussi, et ils tremblent. »
Le Texte éthiopien était ici plus fidèle que le grec.
Le verset **7** est centré sur la fin du monde que l'**Apocalypse** situe au jugement dernier au **Ch. 21 ; 11/15 à 19 ; 16/17à 21**
La grande tribulation de 7 ans doit précéder les temps messianiques du millénium.

(**Voyez ces choses dans le livre « Le Mystère de Lamblore révélé » du Rév. Michel Genton**).

Le verset 9 d'Hénoch 1 est cité dans La Bible, Dans le Livre de Jude versets 14 et 15.

Les deux Textes sont très proches l'un de l'autre. La plupart des commentateurs évangéliques de Jude, se sont empressés d'évacuer de leurs esprits la présence « insolite » de cette citation. Le Livre d'Hénoch demeurant une formidable énigme, il était incongru de poser des questions comme :
« *Et si Hénoch était bien l'auteur du Livre qui porte son nom ?* » « *Si le Livre était inspiré ?… Pourquoi ce Livre a-t-il été rejeté du canon des Livres saints des principales confessions chrétiennes ?* »
Et une foule d'autres questions auxquelles nous essaierons de répondre.

En lisant les commentaires des théologiens sur ces versets **14** et **15** du Livre de **Jude**, vous apprendrez d'eux qu'il ne faut pas croire à la valeur de l'ensemble du Livre d'Hénoch, seule cette citation aurait une valeur puisqu'elle a été rapportée par Jude, de même que Paul a lui aussi cité des auteurs non inspirés pour illustrer ses affirmations ! (**Actes 17/28**) Cette façon de voir les choses est une fuite devant les difficultés d'étude du Livre d'Hénoch.
Et c'est surtout une volonté farouche de tenir caché des Textes qui dénoncent la méchanceté des religieux. En effet la majorité des religieux veulent en faire à leurs têtes sans se préoccuper des petites gens qui ont faim et soif de Vérité.

CHAPITRE 2

1. Tous ceux qui habitent dans les cieux savent ce qui se passe là-bas.
2. Ils savent que les globes célestes qui nous illuminent ne changent point leur voie, que chacun d'eux se lève et se couche régulièrement, dans le temps qui lui est propre, sans jamais transgresser les ordres qu'il a reçus. Ils regardent la terre, et soudain ils connaissent tout ce qui s'y passe depuis le commencement jusqu'à la fin.
3. Ils voient que chacune des créations de Dieu suit invariablement la voie qui lui est tracée. Ils voient l'été et l'hiver ; ils voient que toute la terre est remplie d'eau, et que la nuée, la rosée et la pluie se déverse et se repose au-dessus d'elle.

Commentaire du chapitre 2

Ce n'est pas seulement nous qui observons ces choses. Le monde spirituel l'observe, et il voit tout cela depuis un meilleur angle que nous. Par ce Texte qui date de très peu de temps après la création du monde, l'humanité apprend quelles sont les règles que Dieu a établies au ciel et sur la terre. Ces Etres sont aux ordres de Dieu pour que tout soit tenu en équilibre parfait ici-bas. Déjà, nous avons donc un aperçu de ce qu'est la prédestination.

CHAPITRE 3

1. Ils considèrent et admirent comme chaque arbre se couronne de feuilles ; comment il les perd ensuite, à l'exception de quatorze arbres privilégiés qui restent toujours verts, et qui pendant plusieurs hivers présentent l'apparence du printemps.

CHAPITRE 4

1. Ils admirent ensuite dans les jours de l'été comment le soleil échauffe la terre, dès le commencement de sa carrière, tandis que vous cherchez la fraîcheur du feuillage ; tandis que le sol est crevassé par la chaleur torride, et que vous êtes incapable de vous promener soit dans la plaine, soit sur la montagne.

CHAPITRE 5

1. Ils admirent ensuite comment les arbres en se couvrant de feuilles poussent en même temps des fruits ; mais aussi ils comprennent en même temps et reconnaissent que celui qui vit éternellement fait pour nous toutes choses. Réfléchissez bien à toutes Ses Ouvres et reconnaissez que c'est un Dieu vivant à tout jamais qui a fait toutes ces œuvres
2. Que toutes les œuvres de chaque année, que toutes ses créations suivent invariablement les ordres qu'il leur a été donnés ; elles ne changent pas, mais tout paraît s'accomplir selon un ordre. Toutefois, quand Dieu a résolu ainsi, toutes choses doivent s'évanouir.
3. Ils voient comment les mers et les fleuves accomplissent chacun leur mission respective selon Sa Parole.
4. Or vous, vous les anges déchus, vous avez changé vos œuvres, vous ne remplissez qu'imparfaitement les commandements de votre Seigneur ; vous transgressez Ses ordres, vous calomniez sa grandeur ; et vous avez prononcé des propos insolents et hautains, de votre bouche impure contre Sa Majesté !
5. Pécheurs au cœur endurci, il n'y aura point de paix pour vous !
6. Alors vous maudirez vous-mêmes vos jours, et les années de votre vie seront effacées du livre des vivants et les années de votre perdition se multiplieront dans une malédiction éternelle ; vous serez en exécration à toutes les créatures, et vous n'obtiendrez point de miséricorde. Par vous, maudiront tous ceux qui maudissent, et tous les pécheurs, les impies, jureront par vous.
7. Dans ce jour, vos noms seront voués à l'éternelle malédiction de tous les justes ; et les pécheurs mêmes vous exécreront à tout jamais.
8. Oui, ils vous exécreront aussi bien que les impies.
9. Mais pour les élus, à eux la lumière, la joie, la paix ; à eux l'héritage terrestre.
Matthieu5:5
10. Pour vous, impies, pour vous la malédiction.
11. Alors les élus recevront la sagesse, ils vivront sans risque de péché contre la vérité

ou par orgueil, mais il y aura une lumière dans l'homme éclairé et dans l'homme instruit une intelligence. Et il n'y aura plus ni transgression, ni impiété, ni orgueil ; mais ils se conduiront avec prudence, s'humilieront eux-mêmes, et ne violeront plus les saints commandements.
12. Aussi ne seront-ils pas condamnés tout le temps de leur vie, et leur mort sera sans trouble et sans douleur ; la somme de leurs jours sera complète ; ils vieilliront dans la joie et la paix ; et leurs années de bonheur se multiplieront avec la joie, avec la paix, sans nuage, sans trouble, tout le temps de leur existence.

Commentaire des chapitres 3, 4 et 5.

Nous voyons que tout semble obéir à Dieu, pourtant, dans les lieux célestes, il y a des Etres qui ont fait des choses telles que, même les pires des impies humains jugeront ce qu'ils ont fait comme la pire des trahisons envers Dieu.En effet, à partir du verset **4**, Hénoch parle aux Etres célestes déchus. C'est par eux que tout a commencé. Le monde créé par Dieu a été corrompu et cela, longtemps avant la chute d'Eve et Adam, comme nous le verrons par la suite. Les pêcheurs humains sont aussi à prendre en compte dans ce texte, car ils se sont aussi détournés de ce que Dieu avait ordonné. Jude, qui connaissait bien le livre d'Hénoch, compare les impies qui se repaissent dans nos repas fraternels, à des astres errants auxquels l'obscurité est réservée pour toujours. Les astres ne sont pas que des globes qui tournent. Ils ont une vie qui leur est propre et certains se sont détournés de Dieu. Ces chapitres nous l'apprennent. Nous apprenons déjà que Dieu a un Livre des Vivants dans lequel Il tient le compte de nos années. Nous apprenons que tous les noms de ce qui vit était écrit dans ce livre, mais que certains noms seront ôtés. En vérité, ces noms ont déjà été ôtés et ceux qui n'ont pas été ôtés sont les noms des élus. Ils ont été ôté entre le moment où Dieu créa les cieux et le moment où Il créa la terre, dès avant la fondation du monde **Eph 1/4-5**.

CHAPITRE 6

1. Il arriva que lorsque les humains se furent multipliés dans ces jours, il arriva que des filles leur naquirent élégantes et belles.
2. Et lorsque les anges, les enfants des cieux, les eurent vues, ils en devinrent amoureux ; Ils se dirent les uns aux autres : choisissons-nous des femmes de la race des hommes, et ayons des enfants avec elles.
3. Alors Samyaza (ou Shemêhaza) leur chef, leur dit : je crains bien que vous ne puissiez accomplir votre dessein.
4. Et que je supporte seul la peine de votre crime.
5. Mais ils lui répondirent : nous vous le jurons.
6. Et nous nous lions tous par de mutuelles exécrations ; nous ne changerons rien à notre dessein, nous exécuterons ce que nous avons résolu.
7. Tous lui répondirent : Jurons tous en nous vouant mutuellement à l'anathème de ne pas renoncer à ce dessein que nous ne l'ayons accompli et que nous n'ayons fait la chose. En effet ils jurèrent tous ensemble et ils se vouèrent mutuellement à l'exécration. Ils étaient au nombre de deux cents. Ils étaient descendus, au temps de Yéréd sur le

sommet du mont Hermon.
-Genèse 6-
8. Cette montagne avait été appelée Hermon, parce que c'est là qu'ils avaient juré et s'étaient voués mutuellement à l'anathème.
9. Voici les noms de leurs chefs : Shemêhaza, est le premier ; Arataqif le second après lui ; Ramt, le troisième après lui ; Kokabiel le quatrième après lui ; Tamiel le cinquième après lui ; Ramiel le sixième après lui ; Daniel le septième après lui ; Ziquiel le huitième après lui ; Baraqiel le neuvième après lui ; Asaël le dixième après lui ; Matariel le douzième après lui ; Ananiel le treizième après lui ; Setaouël le quatorzième après lui ; Shamshiel le quinzième après lui ; Sahriel le seizième après lui ; Toumiel le dix-septième après lui ; Touriel le Dix-huitième après lui ; Yomiel le dix-neuvième après lui ; Yehadiel le vingtième après lui. Ce sont leurs décurions. Tel furent les chefs de ces deux cents anges ; et le reste était tous avec eux.
10. Et ils se choisirent chacun une femme, et ils se mirent à les approcher, et à se souiller à leur contact ; et ils leur enseignèrent les drogues, la sorcellerie, les enchantements, et les propriétés des racines et des arbres (la botanique).
11. Et ces femmes conçurent et elles enfantèrent des géants,
12. dont la taille avait trois cents coudées. Ils dévoraient tout le fruit du travail des hommes qu'ils pouvaient produire, et il devint impossible de les nourrir.
13. Alors ils se liguèrent contre les hommes eux-mêmes, afin de les tuer et les dévorer.
14. Et ils commencèrent à se jeter sur toutes les bêtes, les oiseaux, les reptiles, les poissons, pour se rassasier de leur chair et se désaltérer de leur sang.
Gen 9:4 ; 1Sam 14:32 ; Act15:20
15. Et alors la terre réprouva les méchants pour ce qui y avait été fait.

Commentaire du chapitre 6.

Nous apprenons là pourquoi le mont Hermon se nomme comme cela. Le mot Hérem signifie : jurer par anathème. Ce n'est pas la première fois que des êtres ont ensemble des relations contre nature. Eve avait déjà eu une relation avec le serpent, un animal. Caïn était né de cette relation. Adam avait aussi consommé avec le serpent. Mais maintenant, voilà que des êtres spirituels se mettent à convoiter les femmes. Ils ont ensemble des relations sexuelles, car rien n'est plus facile à un être céleste de posséder un corps humain pour assouvir ses besoins. Dans Le testament de Ruben, il nous est dit comment cela se passa. **Ruben 5/6-7** « *Elles séduisirent les Veilleurs qui existaient avant le déluge. Ils les regardaient continuellement, un désir réciproque naquit et les veilleurs eurent une idée de l'acte, ils prirent une forme humaine et apparurent aux femmes, alors qu'elles s'unissaient à leurs époux. Quant à elles, elles désirèrent par la pensée ces apparitions et mirent au monde des géants, car la taille des Veilleurs leur avait paru atteindre le ciel.* » C'est pourquoi Jésus nous met en garde de ne pas commettre adultère, même en pensée. **Matt 5.28** L'influence des pensées doit être grande pour que Jésus parle ainsi. Voyez aussi ce qui est arrivé aux brebis de Jacob. **Gen 30/31-42**. Ses brebis étaient influencées par la vision des branches pelées d'une certaine manière. C'est aussi pour cela que Paul dit que la femme doit se voiler quand elle prie. C'est, dit-il, à cause des anges. **1 Cor 11/10**. Ce que Paul dit là, il le dit pour protéger les anges. En effet, les anges qui viennent nous servir quand

nous prions voient que les femmes, bien que belles et désirables, ne sont pas consentantes car elles portent la marque de l'autorité de laquelle elles dépendent : leurs maris. Le Livre d'Hénoch n'est pas un Livre de théologie, il ne fait que raconter ce qui est arrivé. La Bible, elle aussi, ne fait que raconter ce qui s'est passé là, en **Gen 6**.
En réalité, les Veilleurs ont eu des relations sexuelles médiumniques avec ces femmes consentantes. Nous savons que de telles unions existent encore de nos jours chez les satanistes. (Encore de nos jours, certaines personnes peuvent être victimes de ces agressions et nous pouvons, par la foi, les délivrer de cela par le Nom de Jésus-Christ.)
Et je dirai donc, qu'en réalité, le mal qu'ont fait ces Veilleurs et ces femmes est la continuité spirituelle et charnelle de ce qu'Eve et Adam ont fait avec le serpent, un animal de chair. Ces veilleurs firent un serment abominable sur le mont Hermon. Ce nom a été donné à ce mont à cause de ce serment-là. Il y a en effet un jeu de mot en Hébreux dans ce nom. Hérem signifiant « jurer par anathème. Il est à remarquer que le nom de satan n'apparaît pas dans cette liste d'anges déchus. C'est que l'être qui a fait chuter Eve et Adam n'était pas **un ange déchu** mais **un animal**. Nulle part il n'est dit dans la Bible que satan est un ange déchu. Nous n'avons pas à lutter contre la chair et le sang mais contre des esprits. Mais que sait-on exactement de ces esprits contre lesquels nous avons à lutter ? La tradition évangélique nous raconte que le chef de ces esprits mauvais est Lucifer, un archange déchu.

<u>Mais est-ce bien vrai ?</u>

C'est après avoir parlé avec un pasteur du nom de Georges David Ada au Togo que l'idée suivante est née dans mon cœur :

Comment pourrions-nous lutter efficacement contre un ennemi que nous ne connaissons que très mal ?

On nous raconte que cet archange a, un jour, voulu se placer au-dessus de Dieu et que Le Seigneur l'a précipité sur la terre. Cela aurait eu lieu juste entre le verset un et le verset deux de Gen chapitre 1 **Mais est-ce bien vrai ?**
Quelles sont les preuves Bibliques de cela ?
Ne sommes-nous pas en train de répéter une chose que les anciens nous ont racontée ?
En tout cas, si on prend le Texte de la Genèse, on ne voit pas qu'il soit question d'un ange ou d'un archange quelconque qui ait été précipité sur la terre.
Quand on voit Satan arriver sur la scène on nous le décrit comme un animal, un serpent. **Gen 3/1.**
La Bible ne dit pas que Satan, un esprit, est entré dans le serpent.
Pour quelle raison cette pauvre bête aurait-elle été possédée par l'esprit de cet archange déchu ?
Parce qu'elle était la plus rusée de tous les animaux que Dieu avait fait ? C'est un peu léger.
<u>Alors soyons bibliques :</u>
Dieu a fait le serpent. Et c'était <u>un animal</u>.

UN ANIMAL ?

Alors, question :
Satan est-il un ange déchu ou un animal ?

1° Il nous faut savoir que les anges, archanges et autres êtres spirituels sont des esprits.
2° Les êtres humains sont aussi des esprits, mais qui se sont incarnés. Nous vivons dans un corps, dans une chair.
3° Les animaux aussi sont des esprits qui se sont incarnés dans des corps. La Bible nous dit que la chair des animaux est autre que celle des humains. **1 Cor 15/39**.

DE L'ORDRE !

Dieu étant un Dieu d'ordre, dans la prédestination, il y a un ordre des choses.
Les esprits destinés à vivre dans la chair des animaux ne sont certainement pas d'une nature aussi sophistiquée que celle des esprits destinés à vivre dans des corps humains.
D'ailleurs, cela diffère aussi d'un humain à un autre humain
Il y a aussi des esprits supérieurs chez les anges.
Et les anges célestes sont des esprits qui n'ont pas pour vocation de venir s'incarner sur terre, ils ont d'autres fonctions.
Et il y a aussi des anges terrestres, des esprits qui sont envoyés sur terre. Par exemple ceux dont il est question en Apoc 2 et 3. Ils ne sont pas tous d'égale puissance.
Maintenant, que dit La Bible au sujet de **cet animal qu'on nomme Satan** ?
« **Il fut précipité, le grand dragon, le serpent ancien, appelé le diable et Satan**. » **Apoc 12/9.**
Pourquoi La Bible dit-Elle que le diable est le serpent ancien ?
Parce que ce serpent n'existe plus du tout.
Il a certainement disparu dans les eaux du déluge. Il est **ancien** par rapport aux **serpents actuels**.
Avant d'être maudit, il devait sans doute ressembler à l'homme. Puis il a été transformé comme La Bible nous le dit.
Mais, avant sa destruction dans les eaux du déluge, il était sans doute un reptile comme on se représente aujourd'hui les dragons. (sans les ailes…)
Maintenant, il y a autre chose qu'on trouve dans La bible au sujet des animaux qui n'existent plus mais dont on retrouve les squelettes…

[...] *Voici l'hippopotame,* ***que J'ai formé comme toi*** *! Il mange de l'herbe comme le bœuf. Le voici ! Sa force est dans ses reins, Et sa vigueur dans les muscles de son ventre ;* ***Il plie sa queue aussi ferme qu'un cèdre*** *; Les nerfs de ses cuisses sont entrelacés ; Ses os sont des tubes d'airain, Ses membres sont comme des barres de fer. Il est la première des œuvres de Dieu ; Celui qui l'a fait l'a* ***pourvu d'un glaive*** ". **Job 40/15-19**

Une erreur de traduction a donné le mot ***hippopotame*** (dont la queue visiblement n'a rien de la nature d'un cèdre) ! Le mot hébreux est « **Béhémoth** », il s'agirait plus sûrement d'un Diplodocus ou d'un Brachiosaurus.

INFO : Le BRACHIOSAURUS avait un énorme cœur pour envoyer du sang dans tout le reste de son corps, de la tête à la queue. Il avait aussi d'immenses poumons. La seule chose de petite dans ce monstre devait être son cerveau. De solides muscles le long des vertèbres du cou l'aidaient à garder la tête droite. Ses pattes avant sont plus longues que ses pattes arrières, c'est de là que lui vient son nom signifiant « lézard à long bras ». Le

BRACHIOSAURUS a de puissantes mâchoires dont les dents ont une forme de cuillers au bout un peu pointu pour couper les branches.
Le BRACHIOSAURUS garde les pattes tendues car s'il les pliait, il pourrait les casser sous le poids de son corps. Le dessous de ces pattes est rembourré pour amortir les chocs vibratoires dus à son poids. Ces pattes sont terminées par des orteils épais et courts sauf un, que j'appellerais « le pouce » car il est plus gros que les autres et a un bout pointu.
Pour vivre, le BRACHIOSAURUS devait manger 1500 kg de nourriture par jour. Il se nourrissait probablement des feuilles des arbres arrivant à sa hauteur, environ 12 mètres de haut.
L'animal qui a séduit Eve, le béhémoth, était **formé comme un homme** (nous dit La Bible, **Job 40/15-19**). Il se tenait debout, mais il avait une queue, c'est cela qui le différenciait d'Adam. Le glaive dont il est question ici, ne serait-il pas la parole. La parole qui sort de la bouche de Jésus est aussi comparée à un glaive dans **Apoc 1/16**. Eve fut séduite par un animal de ce genre, sans doute plus petit évidemment. (…) Il est clair que c'était un **esprit d'animal** et non pas un ange céleste déchu qui se serait logé dans un serpent.

Après la chute d'Adam et Eve, les pattes de ce (petit) dragon lui furent ôtées.
Et ce serpent ancien a disparu finalement de la surface de la terre, (sans doute dans le déluge). Mais quelque chose de lui est resté dans les gênes de l'être humain.

Notre cerveau reptilien…

La relation que cet animal et Eve ont eue a permis à cet animal d'avoir une progéniture. (Avec Adam, cet animal n'a pas pu avoir de progéniture. Mais il est clair qu'il a eu un rapport avec cet animal, et qu'il est devenu, comme Eve, une seule chair avec le serpent. Les deux races se sont **mélangées** là.) Eve et Adam ayant une relation avec cet animal, ils sont devenus une seule chair avec lui. **1 Cor 6/16**. La postérité de la femme et celle du serpent sont en guerre depuis toujours**. Gen 3/15**. Et finalement, c'est bien la postérité de la femme, **Jésus**, né d'une femme vierge qui n'a pas eu de relation sexuelle avec un homme, qui a commencé le processus de l'écrasement de la tête de cet animal. L'épouse de Christ terminera cette œuvre avec Son aide. Nulle part dans La Bible il est dit que le diable aurait une origine angélique. Il a toujours été un esprit d'**animal**. Jésus nous dit que nous avons le pouvoir de marcher sur la puissance de ce serpent. **Luc 10/19.**Jean-Baptiste a traité les religieux de race de vipère, **Matt 3/7**. (Il savait très bien ce qu'il disait-là. Il les associait à la postérité du diable) Jésus aussi parla à certaines personnes, les traitant de serpents, de race de vipères**. Matt 12/34**. Ces gens-là montraient par leurs œuvres, qui étaient leur père : le diable, le serpent ancien, un animal. Dans **Apoc 12/2**, il est clair que le diable est un esprit d'animal. « Il saisit le dragon, le serpent ancien qui est le diable et satan ».

Pourquoi dire autre chose ?

Le diable est appelé « **dragon** ».

Cela signifie bien, comme je vous le disais plus haut que le diable n'était pas un de ces serpents que nous connaissons de nos jours.

Dans **Apoc 13/2** et **4** il est encore appelé dragon. Dans tout **Apoc 12** il est aussi nommé « dragon ». **Jamais « ange déchu »** Comment La Bible appelle le diable ?

Serpent, ce qui est un animal.

Dragon, ce qui est un animal

Diable, ce qui signifie accusateur.

Satan, ce qui signifie adversaire.

(« Diable » n'est pas un nom, **c'est un attribut**. « Satan » **également**).

LE LEVIATHAN.

Maintenant, il y a **trois** Textes qui nous parlent d'un animal marin nommé Léviathan. Job nous parle de lui comme d'un animal méchant **Job 3/8**. Le crocodile serait le Léviathan selon certains. Mais le crocodile ne vit pas dans la mer. Selon le Psalmiste, le Léviathan serait un animal marin qui joue dans les flots **Ps 104/6**.

Nous verrons aussi ce qu'Hénoch dit du Léviathan

Esaïe nous dit que Dieu frappera le Léviathan de Sa dure épée ; (Sa Parole) Il le tuera. Ce Léviathan est ici nommé également le serpent fuyard et tortueux. **Esaïe 27/1.** Je ne pense pas qu'il s'agisse du serpent ancien car il a été maudit et condamné à manger la poussière de la terre tous les jours de sa vie. **Gen 2/14.** Il n'y a pas beaucoup de poussière dans la mer. Maintenant, la vie du serpent ancien en tant qu'animal n'a pas duré longtemps. Il n'y avait sans doute pas qu'**un** serpent dans les champs, autour du jardin d'Eden ; mais un de ces serpents, un reptile genre brachiosaurus (à pattes) est entré dans le jardin et a séduit Eve. Ce serpent (ou dragon d'après l'Apocalypse) a été maudit. Il est devenu comme les serpents normaux, c'est-à-dire : **rampant**. Il a régressé au niveau des simples serpents des champs. Et ce serpent là, cet être (unique), en particulier, est mort. Son corps est **mort** un jour où l'autre.

Il est maintenant un **esprit**, celui que nous connaissons sous le nom de satan. (Bien que satan n'est pas un nom)

Nous avons tous en nous quelque chose de…

Toute la race humaine a été souillée. Il n'y a pas des gens de la race du serpent et d'autres de la race de Dieu. Toute personne qui n'est pas née de nouveau est plus ou moins **possédée** par un ou plusieurs mauvais esprits. Par la nouvelle naissance, les comportements du serpent commencent a mourir en nous. Car par la nouvelle naissance nous ne sommes plus **possédés** par l'ennemi, nous devenons **possession officielle** de Dieu. Mais nous continuons tous à posséder un cerveau reptilien. Il nous faut donc nous sanctifier pour échapper à son influence négative.

Notre corps sera racheté plus tard et nous soupirons tous en attendant ce jour-là. **Rom 8/23**. Cependant, il y a des gens qui ne sont pas **possédés** par des mauvais esprits, mais qui sont eux-mêmes des mauvais esprits. Caïn et Judas étaient de cette sorte de personne.

1 Jean 3/12 Caïn était du malin

Jean 6/70 Judas était un démon

Il y a d'autres personnes dans ce cas, mais nous n'avons absolument pas le droit de juger.

Caïn, naissant du mélange entre Eve et le serpent, propagea les gênes de l'**animal** dans l'homme. **Nous avons tous en nous ce que les neurologues appellent un « cerveau reptilien** ».

LE CERVEAU REPTILIEN

Il est appelé le cerveau primaire ou primitif ou encore **cerveau archaïque.** Les êtres humains avaient à l'origine, essentiellement un premier cerveau reptilien dont l'homme conserve encore bien des **instincts de base** (dont l'instinct de conservation). Il correspond chez l'être humain aux systèmes nerveux du **tronc cérébral**. Il est malgré sa petite taille d'une grande complexité. Certains animaux (vertébrés inférieurs, reptiles…) sont régis uniquement par ce cerveau. Il est la source des **comportements primitifs** qui répondent à des **besoins fondamentaux**. Il assure entre autre la **sauvegarde de l'individu** et de **l'espèce**. Ces comportements sont incapables d'adaptation et restent insensibles à l'expérience du fait que le cerveau primitif n'a accès qu'à une mémoire à court terme. Le cerveau reptilien agit toujours selon des **schémas rigides et stéréotypés**: une même stimulation produira toujours le même effet. Par exemple, conservée depuis des générations, la fuite inscrite héréditairement dans chaque individu, est un mécanisme nécessaire, imparable, stéréotypé. Le noyau dit " amygdalien " en particulier commande l'agressivité, le souci du territoire et de sa défense. Il correspond à notre **univers non-verbal** de gestes et comportements **automatiques**. Il est le lieu de la routine, des itinéraires fixés à l'avance, des rituels, cérémonies….De ce fait, le " langage reptilien " est essentiel dans les relations humaines.

Conclusion : malgré notre néocortex et ses fabuleuses facultés intellectuelles, il faut se rappeler qu'un reptile sommeille en nous... (en plus du cochon)

Le dragon est accusateur et adversaire. Les gens qui ne sont pas régénérés manifestent tous ses penchants. Ce n'est qu'à la nouvelle naissance que ces choses **commencent** à disparaître. Elles s'achèvent dans la sanctification, l'obéissance, la discipline

LE CHAÎNON MANQUANT.

Le chaînon manquant se trouve bien dans le règne **animal**. Le problème pour les scientifiques, c'est que l'animal en question n'existe plus…

MAIS POURQUOI CETTE HISTOIRE D'ARCHANGE DECHU ?

Ce qui a créé la confusion, c'est sans doute une mauvaise compréhension du Texte **d'Apoc 12/7,9**.

« *Il y eut une guerre dans le ciel, Michel et ses anges combattirent contre le dragon. Et le dragon et ses anges combattirent.* »

Il faut garder à la mémoire que le mot « **ange** » signifie « **envoyé** ».

Le Texte dit donc : « le dragon et ses **envoyés** combattirent ».

Ce monde que nous décrit Jean est ce que Paul appelle le monde des ténèbres. **Eph 6/12**. Paul parle là des esprits qui sont méchants. Ce sont des esprits féroces, méchants, brutaux au comportement animal. Peut-être sont-ils des esprits qui ne se sont jamais incarnés, ni dans la chair des humains, ni dans celle des animaux. On ne le sait pas. Mais ils sont, en tout cas, des mauvais esprits.

Quand nous luttons correctement contre eux, ils tombent du ciel où ils se trouvent. **Luc 10/18**. Et nous les enfermons dans des lieux arides. Maintenant, il y a un Texte que les évangéliques nous servent toujours pour tenter de nous faire croire que le diable était un ange merveilleux au départ. C'est le Texte d'**Ezéchiel 28/13-18**. C'est une prophétie qui s'adresse à un **prince**, celui de Tyr. **Ezech 28/2.** Ensuite, ce prince est appelé **roi, Ezech 28/ 12.**

Pourquoi les théologiens l'ont-ils appliquée au serpent ancien ?

Peut-être parce que la prophétie dit qu'il était en Eden. **V 16.** Mais d'autres versets disent clairement qu'il s'agit d'un homme. **Versets 2 et verset** 9. Pourquoi la prophétie dit-elle que cet homme, ce roi de Tyr, se trouvait au jardin de Dieu, en Eden ? C'est une expression pour dire qu'il se trouvait dans un environnement absolument fabuleux. Comparez avec Sodome et Gomorrhe qui ressemblaient aussi au jardin d'Eden. **Gen 13/10**. Aujourd'hui on dirait « paradisiaque ». Mais aucun homme ne faisait du commerce en Eden. Personne ne s'est amassé de l'argent et de l'or en Eden. **V 5**. Cet homme devait vivre à une époque dans laquelle, lorsqu'on parlait de quelqu'un de très sage on le comparait à Daniel. Or, Daniel ne vivait pas en Eden. **V 3**. Cet homme était très beau et très sage, il est vrai. Dieu donne cela à certaines personnes. (Pas toujours pour leur bonheur d'ailleurs). Il était intègre au commencement de sa vie. Puis, le mal a été trouvé en lui…Pourquoi est-il dit qu'il était un chérubin protecteur ? Qu'est-ce qu'un Chérubin ? Le mot "chérubin" vient du latin ecclésiastique *cherub* (pluriel *cherubin*), transcription de l'hébreu כרוב (*kerūb*), pluriel כרובים (*kerubīm*).

Dans la religion juive, un **chérubin** est un ange, chargé notamment d'occuper une charge de gardien. Dans la Genèse, ce sont ainsi des chérubins qui gardent l'arbre de vie avec des glaives tournoyants **Genèse 3:24**, après que Dieu a chassé Adam et Ève du jardin d'Éden. Le livre de l'Exode décrit la représentation de chérubins sur l'Arche d'Alliance **Ex 25:18-22** :

« *Tu feras deux chérubins d'or, tu les feras d'or battu, aux deux extrémités du propitiatoire ; fais un chérubin à l'une des extrémités et un chérubin à l'autre extrémité; vous ferez les chérubins sortant du propitiatoire à ses deux extrémités. Les chérubins étendront les ailes par-dessus, couvrant de leurs ailes le propitiatoire, et se faisant face*

l'un à l'autre; les chérubins auront la face tournée vers le propitiatoire. Tu mettras le propitiatoire sur l'arche, et tu mettras dans l'arche le témoignage, que je te donnerai. C'est là que je me rencontrerai avec toi; du haut du propitiatoire, entre les deux chérubins placés sur l'arche du témoignage, je te donnerai tous mes ordres pour les enfants d'Israël. »

Plus tard seront confectionnées deux statues monumentales de chérubins, côte-à-côte, aux ailes déployées couvrant toute la largeur du Temple de Salomon **1 Rois 6.23-28 : «** *Il fit dans le sanctuaire deux chérubins de bois d'olivier sauvage, ayant dix coudées de hauteur. Chacune des deux ailes de l'un des chérubins avait cinq coudées, ce qui faisait dix coudées de l'extrémité d'une de ses ailes à l'extrémité de l'autre. Le second chérubin avait aussi dix coudées. La mesure et la forme étaient les mêmes pour les deux chérubins. La hauteur de chacun des deux chérubins était de dix coudées. Salomon plaça les chérubins au milieu de la maison, dans l'intérieur. Leurs ailes étaient déployées: l'aile du premier touchait à l'un des murs, et l'aile du second touchait à l'autre mur; et leurs autres ailes se* rencontraient par l'extrémité au milieu de la maison. Salomon couvrit d'or les chérubins.

Une représentation traditionnelle des chérubins est donnée dans le livre d'Ézéchiel **Ez 1:5-28** :

« *Au centre encore, apparaissaient quatre animaux, dont l'aspect avait une ressemblance humaine. Chacun d'eux avait quatre faces, et chacun avait quatre ailes. Leurs pieds étaient droits, et la plante de leurs pieds était comme celle du pied d'un veau, ils étincelaient comme de l'airain poli. Ils avaient des mains d'homme sous les ailes à leurs quatre côtés; et tous les quatre avaient leurs faces et leurs ailes. Leurs ailes étaient jointes l'une à l'autre; ils ne se tournaient point en marchant, mais chacun marchait droit devant soi. Quant à la figure de leurs faces, ils avaient tous une face d'homme, tous quatre une face de lion à droite, tous quatre une face de bœuf à gauche, et tous quatre une face d'aigle. Leurs faces et leurs ailes étaient séparées par le haut; deux de leurs ailes étaient jointes l'une à l'autre, et deux couvraient leurs corps. Chacun marchait droit devant soi; ils allaient où l'esprit les poussait à aller, et ils ne se tournaient point dans leur marche. L'aspect de ces animaux ressemblait à des charbons de feu ardents, c'était comme l'aspect des flambeaux, et ce feu circulait entre les animaux; il jetait une lumière éclatante, et il en sortait des éclairs.* »

De là à raconter que Satan a été créé intègre au début et que le mal a été trouvé en lui au bout de quelques temps… il n'y avait qu'un pas que les théologiens ont allègrement franchi. Le « **Chérubin** » est un ange chargé de garder, de protéger. Cet **homme**, le roi de Tyr, était un gardien pour son royaume. Il l'enrichissait, le protégeait efficacement. Il était donc comparable à un Chérubin, beau, sage, puissant etc… Sa beauté et son intelligence lui sont montés à la tête, il est devenu prétentieux et arrogant. Il a commencé à prendre sa volonté pour la Volonté de Dieu. Cet **homme** se prenait pour Dieu. Il est à noter qu'**au début**, ce roi était intègre. Puis, le mal a été trouvé en lui.

Je dis que le diable a été créé méchant **dès le départ**.

Sur quoi tient ce que j'affirme ?

Sur une Parole de l'apôtre Jean !

Le diable pèche dès le commencement.

1 Jn 3/8.

Cette phrase fait s'écrouler tout l'échafaudage des théologiens qui se permettent de dire que le roi de Tyr est un type de satan. Cette prophétie d'Ezéchiel s'adresse à un **homme** et il n'y a rien qui puisse faire penser à satan dans ces Ecrits Sacrés.

Maintenant voyons un peu ces fameux chérubins qui étaient en Eden, bien réellement. En effet, Dieu avait placé des chérubins dans le jardin d'Eden dans le but de protéger. l'Arbre de la vie. **Gen 3/24**. Chérubin protecteur signifie qu'il y avait quelque chose à protéger. C'était l'Arbre de la Vie qui devait être protégé. Dans le Jardin d'Eden, et aux portes du Jardin, les Chérubins (et peut-être d'autres êtres angéliques) avaient des corps physiques. En tout cas, on pouvait les voir avec leurs épées étincelantes. **ET** Caïn savait et avait vu qu'il y avait sur terre d'autres personnes que son papa et sa maman. Nous le savons à cause de ce qu'il dit à Dieu :

« *Je serai errant et vagabond sur la terre, et quiconque me trouvera me tuera…* » **Gen 4/14**.

QUI SONT CES « QUICONQUE » ?

En tout cas, Caïn savait qu'il y avait d'autres « personnalités » sur la terre, et il en avait peur. Il y a eu être pré-Adamiques. **Gen 1/26 à 31** est la création des ces être-là et qu'Il créa Adam longtemps après. Dieu forma des êtres « animaux » dans les champs ; Il forma aussi Adam. Adam était alors un être vivant biologiquement parlant Mais il n'y avait pas d'homme à l'image de Dieu à la surface de la terre pour la cultiver. ALORS, Dieu créa Adam en plaçant en lui un esprit. Adam devint alors **une âme vivante, un être vivant** à l'image de Dieu et non seulement **un être vivant biologiquement** parlant comme le reste des êtres vivants. Dieu plaça ensuite Adam dans un jardin. Il nous est aussi dit qu'Eve est la mère de tous les vivants **Gen 3/20**.

Pour ma part, je crois donc qu'il y a eu des êtres pré-Adamiques, il y a des millions d'années. On voit leurs traces sur la terre. Ce sont les Cromagnons, Lucie et autre êtres vivants biologiquement parlant, ressemblant à l'homme, très proches de la race humaine, mais n'étant pas des hommes comme Adam. Le serpent des champs était un de ces êtres-là, ressemblant à l'homme, mais n'étant pas un homme créé à l'image de Dieu comme l'était Adam.

Plusieurs de ces êtres avaient sans doute la connaissance du bien et du mal. Nous reviendrons sur cela en étudiant Hénoch. Les anges se promenaient aussi sur cette terre. Certains d'entre eux sont déchus de leur position et nous le comprendrons mieux en étudiant Hénoch. Ces êtres angéliques avaient des corps physiques. On le sait en lisant **Gen 6/2**.Pourquoi puis-je affirmer qu'ils étaient des êtres angéliques ? Simplement parce qu'ils sont appelés « FILS DE DIEU » Et le terme « fils de Dieu » se rapporte aux anges, car c'est ainsi qu'ils nous sont présentés dans **Job 1/6**. « *Les fils de Dieu vinrent se présenter devant l'Eternel, et Satan vint au milieu d'eux.* » Certains de ces êtres angéliques ont eu des rapports sexuels avec des filles des hommes. C'est ce que nous dit le Texte en toute simplicité. Pourquoi le biaiser ? L'apôtre Jude était très au courant de

ce qui s'était passé là, en **Gen 6.** Des anges ont quitté leur demeure et se sont livrés à la débauche contre leur nature. Il parle là de ce qui s'est passé entre les fils de Dieu (certains anges) et les filles des hommes. Les religieux nous disent que de leurs unions sont nés des géants. Le Texte Sacré ne dit pas cela. Le Texte dit que les géants étaient sur la terre en ce temps-là **et** qu'il en fut de même après que les Fils de Dieu furent venus vers les filles des hommes. **Gen 6/4.** Donc, il y avait des géants à ce moment-là **et** après, il y en avait **encore**.

Mais qu'étaient ces GEANTS ?

Le mot « géant », c'est le mot « néphilim ». Nephilim signifie « **TOMBER** »

En fait, le Texte Sacré nous dit qu'à cette époque-là, il y avait des êtres qui « tombaient » sur les hommes, c'est-à-dire : **qui leur tombaient dessus pour les dominer**. Cela signifie que, parmi les hommes normaux, nés d'hommes et de femmes, il y en avait qui étaient des dominateurs, des **Nicolaïtes**. Cela signifie aussi que la progéniture qui fut issue des relations entre Fils de Dieu et filles des hommes, était des dominateurs, des **Nicolaïtes**. **Apoc 2/6** nous dit que Dieu hait les œuvres des Nicolaïtes. Les Nicolaïtes sont des gens qui se sont mis à dominer sur le peuple de Dieu, sur l'Eglise naissante, dans les nations. Nicolaïtes étant un mot grec composé signifiant :

Nikaos = dominer.
Laos = peuple. (ce qui a donné laïque).

Caïn était un être mélangé entre Le dragon et Eve. La progéniture de Caïn était à l'œuvre dès le début. Se **mélangeant** avec les descendants de Seth, (fils d'Adam et Eve) cela donna des êtres **mélangés** que nous sommes devenus. Certains de ces gens étaient des géants, des dominants. **Puis, pour couronner le tout**, les Fils de Dieu eurent des relations sexuelles avec les filles des hommes, ce qui n'arrangea pas la race humaine. Les géants dont parle la Bible sont des êtres qui ont été des héros qui furent fameux dans l'antiquité. **Gen 6/4.** Mais dans quelle antiquité ? Dans ce que Moïse considérait comme l'antiquité. Cependant, bien après Moïse, Goliath était un de ces géants. Qui mesurait environ 3 mètres. **1Sam 17/4**. Le frère de Goliath se nommait Lachmi et il était aussi un géant **1 Chron 20/5.** Le frère de David tua aussi un géant à Gath **1 Chron 20/6**. Il y avait donc encore des géants au temps de David, longtemps après Moïse. Ces géants étaient des êtres qui « tombaient » sur les gens, qui leur tombaient dessus, pour les dominer. De toute façon, les êtres humains que nous sommes tous ne sont pas de pure race divine. Nous sommes tous mélangés : Que sont devenus les anges déchus ? Ils sont enchaînés et réservés pour le feu selon **Jude 6.** Les géants sont morts, chacun individuellement et les esprits qui les habitaient sont devenus les êtres qui dominent dans les lieux célestes et possèdent certaines personnes. Paul nous parle d'eux dans **Eph 6/11-13**. Par exemple, nous en voyons dans leurs œuvres néfastes en lisant **Daniel 10/13**. Le chef du royaume de Perse **est un de ces esprits méchants**. Vous voyez, ce qui nous trompe, c'est le mot « anges ». Il n'y a pas des anges de Dieu et des anges déchus et des esprits d'animaux et des esprits des hommes. **Il y a des esprits**. Un esprit est un esprit. Un ange est un esprit envoyé par Dieu ou envoyé par satan.Dieu a Ses anges (Ses envoyés). Satan a ses anges (ses envoyés). Les esprits sont comme Dieu l'a voulu dès le commencement. Par exemple, Satan est menteur dès le commencement. Il a tout créé dans un but. Il n'y a pas le terme « ange déchu » dans la Bible. Il n'y a qu'**une**

seule fois le mot « déchu » dans la Bible et c'est au sujet des chrétiens qui cherchent à être justifiés par la loi. Ils sont déchus de la grâce. **Gal 5/6**. Les anges qui ont abandonné leur demeure ne sont simplement que des esprits que Dieu avait **envoyés** pour remplir une fonction et qui ne l'ont pas remplie. Ces esprits envoyés par Dieu (Ses anges) avaient reçu de Dieu un ordre et n'ont pas obéi. Ils avaient, de par l'ordre reçu, une dignité qu'ils n'ont pas gardée. **Jude 6-7.** Mais rien ne nous dit qu'ils avaient été **créés purs** au départ. Dieu, en envoyant ces êtres, savaient très bien ce qu'ils feraient. Il les connaissait, puisqu'Il les avait créés pour un but. Pour quel but ? La réponse est dans ce que je viens d'écrire plus haut. Qui a été précipité et d'où ? Le roi de Tyr a été précipité de la montagne de Dieu. Et en tout cas pas du ciel. **Ezech 28/16**. Dieu l'avait placé à la tête d'un royaume, de Tyr. Ce roi était le protecteur de ce royaume, le chérubin de ce royaume. Il était intègre, et il a commencé à se prendre pour Dieu, alors Dieu l'a fait disparaître v 16. Voilà pour l'homme dont nous parle Ezechiel.

Maintenant, voyons l'histoire du dragon qui est précipité.

Il faut savoir que le Texte d'**Apoc 12/7** où il est dit que satan et ses anges combattent contre Michel **n'a pas encore eu lieu**. Cela se fera une fois que l'épouse de Christ aura été enlevée de la terre. C'est **alors** que satan **sera** précipité sur la terre avec ses anges. **Apoc 13/9**.

Nous vaincrons cet animal à cause du Sang de l'Agneau et à cause de la parole de notre témoignage. Le diable descendra donc sur la terre sachant qu'il a peu de temps. **Apoc 12/11-12**. Il est clair que si le diable a été précipité sur la terre à cause du Sang de l'Agneau, c'est que cette précipitation a eu lieu après la croix et qu'elle n'a pas eu lieu avant la création d'Adam et Eve.

Donc, pour le moment, nous n'en sommes pas encore là. Le diable est encore dans les lieux célestes. Il règne avec ses anges, ses envoyés. Mais il sera bientôt précipité sur la terre. On nous dit (et j'ai répété cela autrefois) que l'orgueil a été trouvé dans le diable et qu'il a été jeté sur terre à cause de cela. C'est faux **ESAÏE 14 :12-17.** Nos chers théologiens se sont presque tous mis d'accord pour affirmer que ce Texte d'Esaïe parle du diable. Je l'ai enseigné aussi, répétant ce que les anciens disaient, et pourtant, **c'est faux**. Ce Texte s'adresse à un homme, au roi de Babylone. Il est écrit que ce roi n'est plus. Cela signifie qu'il n'existe plus. **Esaïe 14/4**. Il est dans le séjour des morts. Ce Texte parle d'un homme et de son cadavre. Le texte nous rapporte que des hommes ont assisté à la chute de cet homme. **Si**, comme nous le disent les théologiens, ce Texte nous parlait de satan qui a chuté **avant** la création, il n'y aurait pas eu d'homme pour assister à sa chute. Les théologiens nous disent alors que le roi de Babylone est le type de satan et qu'en toute typologie, il y a des manques…

(En typologie, on prend l'histoire d'une personne pour l'appliquer à une autre. Par exemple : on dit que Joseph qui a été vendu par ses frères est le type de Jésus)

EN REALITE…

…ce roi n'était que le roi Belchatsar, fils de Nebukanetsar. **Daniel 5/18 à 30**. Et ce Belchatsar est mort comme le disait la prophétie d'Esaïe.

Daniel 5 est donc l'accomplissement d'**Esaïe 14**.

ET RIEN DE PLUS

Maintenant, Esaïe nous parle d'astre brillant et cela a fait penser à Lucifer, qui signifie « porteur de lumière ». Mais Jésus Lui-même est appelé l'Etoile du matin. **Apoc 22/7**. Une étoile, c'est un astre ! Jésus est donc, Lui aussi, un astre brillant. Dans la symbolique, un astre brillant, c'est une personne qui a de la gloire et de la magnificence. Nebucanetsar avait de la gloire et de la magnificence et osait se comparer à Dieu. Cela lui fut fatal. (De la même façon qu'au roi de Tyr). Jésus avait de la gloire et de la magnificence, mais Il nous a tant aimés qu'Il a renoncé à tout cela par amour pour nous. **Je le redis** : le serpent ancien était un **animal** qui a existé en chair et en os. Il a dû, certainement, être détruit lors du déluge. Mais son esprit continua de vivre. Les animaux ont un esprit. Satan existe donc aujourd'hui en tant qu'esprit. Et c'est un esprit d'animal. Nous savons que les animaux ont un esprit. Souvenez-vous de la femme qui avait un esprit de python. **Actes 16/16**.Dans le ciel, il y a des animaux, Jean en a vu. Par exemple, il a vu des chevaux. **Apoc 6/2**. Il y a donc des esprits de ténèbres qui sont des esprits d'animaux. Par exemple, il y a des esprits impurs semblables à des grenouilles. **Apoc 16/13-14**. Aujourd'hui, nous les identifions sous le nom de « Reptiliens ». Nous y reviendrons dans ce livre.

C'est une ruse du serpent ancien que de faire croire qu'il peut être un ange de lumière. Il ne peut que se **DEGUISER** en ange de lumière. Il ne peut pas être un ange de lumière (esprit supérieur à celui des animaux), il n'est qu'un animal. Pourquoi dire que le diable est un **ange déchu** alors que La bible dit que c'est un **animal** ? Les théologiens cherchent à lui donner une plus grande valeur qu'il n'a réellement. **Pourquoi ?** La doctrine qui dit que le diable est un esprit supérieur, un archange qui s'est révolté, est une doctrine d'origine diabolique. C'est un mensonge de plus. Avant d'être maudit, satan était déjà un esprit d'animal, rusé, et inférieur à l'esprit humain. Il a profité de l'innocence d'Eve et d'Adam pour les induire en tentation contre Dieu. Pour quelle raison ? Afin que le plan de Dieu puisse se réaliser pleinement. Il fallait un tentateur.

Dieu a choisi pour cela l'esprit d'un animal, un esprit de moindre valeur.

Il fallait une transgression, celle que cet esprit proposa à Eve était d'une simplicité désarmante. Pourquoi fallait-il une transgression souillant la race humaine? Pour que Dieu puisse Se manifester comme Sauveur des Siens. Ceux de la postérité de Dieu sera parfaitement sauvée. Et il faut dire que la postérité du serpent vivrait très mal une entrée gratuite au paradis lui être offerte.

Tout est donc question de nature !

Actuellement, Satan n'est pas hyper puissant,

Il n'a plus de corps et son esprit n'est pas aussi beau et évolué que celui des êtres humains. Il a le « charme » des reptiles. Il exerce une certaine fascination. Et sa puissance ne réside que dans sa malice, dans sa ruse. Le dénoncer en révélant qu'il n'est qu'un esprit d'animal est une grande joie et un honneur que Dieu me donne.

QUESTION

POURQUOI DIEU A-T-IL CR22 SATAN ?

Il le dit Lui-même, mais il faut une foi bien armée pour admettre Sa réponse. « *Je forme la lumière et Je crée les ténèbres, Je donne la prospérité et je crée l'adversité. Moi l'Eternel, Je fais toutes ces choses* ». **Esaïe 45/7.**« *L'Eternel a tout fait pour un but, même le méchant pour le jour du malheur* ». **Prov 16/4**. Dieu a donc créé satan (le méchant) pour un but précis. Satan a été créé pour que l'homme soit séduit par un adversaire. Pour que l'homme tombe dans l'erreur (le péché) et tout cela pour que Dieu puisse se manifester comme Sauveur. Dieu ne peut pas être sauveur s'il n'y a personne de perdu. Il ne peut pas être guérisseur s'il n'y a pas de malade. Vous l'acceptez ou vous ne l'acceptez pas. Cela ne changera rien, vous serez toujours mon ami. Mais je suis curieux de savoir quelle est votre idée du but que Dieu pouvait avoir en créant satan ? Nous avons tous à résister au diable d'une foi ferme tout en sachant très bien que les mêmes souffrances sont imposées à nos frères dans le monde. **1 Pierre 5/9**. Imposées par qui ? Dans quel but ? Nous sommes placés devant toutes sortes de tentations et toutes sortes d'épreuves pour que nous puissions rendre réel (réaliser) notre amour pour Dieu.

Dieu dit un jour à Abraham : « *Toutes les nations de la terre seront bénies en ta postérité, PARCE QUE tu as obéi à ma voix.* » Que lui disait Sa voix ? Relisez l'histoire du sacrifice d'Isaac. Dieu a tout créé pour un but. Il a permis que notre race humaine soit **mélangée** à la race reptilienne. C'est ce que je crois

Les évolutionnistes croient que l'homme a **évolué** d'une simple cellule, à l'homme que nous sommes en passant par les reptiles et les mammifères. Je ne crois pas à l'évolution mais au mélange par la faute commise en Eden. Les textes que je vous donne sur le sujet du cerveau reptilien sont à lire avec précaution. Seule la Bible dit la vérité, mais elle est cachée afin que tous ne la voient pas. Cela aussi, c'est Dieu qui le fait ainsi, dans un but. « *Je Te loue Père de ce que Tu as caché ces choses aux sages et aux intelligents et de ce que Tu les a révélées aux enfants, oui Père, car tel a été ton dessein bienveillant* » .**Luc 10/21.** « **La gloire de Dieu c'est de cacher les choses, la gloire des rois c'est de scruter les choses**. » **Prov 25/2**. Alors que dire ? Je crois que satan est un serviteur de Dieu, un de Ses collaborateurs. Il n'est pas un adversaire de Dieu. Satan ne peut faire que ce que Dieu lui permet de faire. Voyez leurs discussions au sujet de Job. **Job 1**.Observez la scène au cours de laquelle Dieu a besoin de se servir d'un mauvais esprit pour séduire un roi. **Rois 22/22**.Satan ne s'oppose pas à Dieu, il accomplit la basse besogne qui est nécessaire au déroulement de la volonté de Dieu. Il a été créé pour cela et sera détruit à la fin de l'histoire parce que Dieu le veut ainsi. Et qui osera dire que c'est injuste ?! Nous qui sommes créés à l'image de Dieu, nous sommes aussi des créateurs. Permettez-moi une explication très simple : alors que je suis en train d'écrire ce texte, je souffre d'un rhume terrible. Je suis très heureux que l'homme ait créé des mouchoirs en papier que j'utilise **et** que je jette ensuite.

Nous sommes bien à l'image de notre Père Céleste :

Créant ce dont nous avons besoin et jetant ce que nous ne voulons pas garder.

Satan n'est pas l'adversaire de Dieu, par contre il est NOTRE adversaire. Un adversaire est une personne qui s'oppose. Le mot « adversaire » vient du latin « **adversus** » qui signifie : **qui est en face.** Satan est utilisé par Dieu pour nous tenter, pour nous mettre à

l'épreuve et pour nous troubler. Et, souvenez-vous de ce Texte : « *L'Eternel se retira de Saül, qui fut agité par un mauvais esprit venant de l'Eternel. Les serviteurs de Saül lui dirent : voici un mauvais esprit de Dieu t'agite* » **1 Sam 16/14-15**. Comment expliquez-vous cela messieurs les grands théologiens qui niez la **Toute**-Puissance de Dieu. Dieu est **Tout** Puissant, cela ne signifie rien d'autre que… **en dehors de Lui, il n'y aucune autre puissance.** Car si on ne croit pas cela, on croit forcément que le diable a une puissance personnelle qui peut surprendre Dieu, voir Le désarçonner ou même peut-être lui faire rater ce qu'Il voulait faire au départ. Je n'aime pas ce petit dieu qui aurait créé un diable et qui aurait des problèmes à cause de lui. C'est un dieu sans intelligence et faible. **Il n'est pas le Berger que j'ai envie de suivre !**

LISEZ BIEN CELA !

Ce n'est pas Dieu qui a des problèmes avec le diable. C'est vous qui en avez avec Dieu.

Vous ne L'avez pas compris. Vous l'avez humanisé. Vous voudriez que son sens de la justice ressemble au vôtre. Vous dites que Si Dieu sait tout et a tout préparé d'avance, Il est injuste. C'est vous qui êtes injuste. Vous ne savez rien de ce qu'est la Justice de Dieu. Vous avez de très bons sentiments et il vous semble que Dieu est dur et injuste de laisser tant de souffrances sur la terre. Les pensées de Dieu n'ont rien à voir avec les pensées des hommes. **Esaïe 55/8-9**. Il serait temps de devenir un peu plus humble et de dire : « Seigneur, que Ta volonté soit faite, je l'accepte même si je ne saisis pas tout et même si mes sentiments et mon corps hurlent à l'injustice devant la misère et MA misère. » Ne soyez pas bestial comme le diable. Paul souffrait, et il a reconnu que ce qui le faisait souffrir, c'était un ange (envoyé) de satan. Il reconnut **aussi** que cet ange de satan était finalement une grâce pour lui. Car sans cet ange de satan qui le soufletait, il savait qu'il serait tombé dans l'orgueil, à cause des révélations extraordinaires que Dieu lui donnait. **2 Cor 12/7**. Dieu fait tout dans un but. Souvenez-vous aussi de ce Texte Sacré : Et l'Eternel dit :

« *Qui séduira Achab, pour qu'il monte à Ramoth en Galaad et qu'il y périsse ?* »

Et un esprit vint se présenter devant l'Eternel, et dit :

« *Moi, je le séduirai* ».

L'Eternel lui dit :

« *Comment ?* »

« *Je sortirai répondit-il, et je serai un esprit de mensonge dans la bouche de tous ses prophètes.* »

L'Eternel dit :

« *Tu les séduiras, et tu en viendras à bout ; sors, et fais ainsi !* » **1 Rois 22/20-22**.

Pourquoi dire que ce n'est pas juste ?

Je vous le redis :

Satan n'est pas l'adversaire de Dieu, il est NOTRE adversaire. Il l'est de par la volonté de Dieu.

Satan ne peut absolument pas prétendre rivaliser avec Dieu. Il sait que Dieu est Son créateur. Il accomplit simplement la mission pour laquelle il a été créé, c'est-à-dire pour : TROMPER, SEDUIRE, DETRUIRE, EGORGER, TUER, MENTIR, VOLER, SOUILLER, ETC…Satan est très intéressé à nous accuser. Il adore faire cela. Pour lui, dans sa tête, c'est se vanter d'avoir bien réussi sa mission. Souvenez-vous que satan avait souillé un souverain-sacrificateur du nom de Josué. Josué se tenait devant l'ange de l'Eternel et satan était là, lui aussi. Il accusait Josué. Mais l'ange de l'Eternel dit à satan : « *Que l'Eternel te réprime, satan que l'Eternel te réprime* » **Zach 3/1-3**.

De nos jours, satan continue son œuvre de « salissement ». Il fait tomber des serviteurs de Dieu et ensuite il va les accuser devant Dieu : « regarde comment il est ton serviteur !!! ha ha ha !!! » Mais remarquez comment l'ange de l'Eternel lui répond ! Il n'injurie pas satan, il le traite avec respect, sachant qu'il n'avait fait que ce que Dieu lui avait ordonné. Les anges de Dieu savent que satan agit sur l'ordre de Dieu. Il n'y a que nos chers théologiens qui ne l'ont pas compris…Souvenez-vous de l'Archange Michel qui contestait avec le diable et lui disputait le corps de Moïse ; il n'osa pas porter contre lui un jugement injurieux, mais il dit : « *Que le Seigneur te réprime* ». **Jude 9.**Maintenant, que savez-vous de la signification du mot **réprimer** ? La plupart des chrétiens que j'ai interrogés sur cela m'ont répondu : « Réprimer signifie : blâmer, punir ». Voyons ce que dit le dictionnaire.

REPRIMER : Arrêter la manifestation, le développement d'un sentiment, d'une parole, d'un geste. Empêcher par la contrainte le développement d'une action jugée dangereuse.

Michel a donc dit :

« *Dieu t'a permis d'essayer de voler le corps de Moïse, mais maintenant, qu'Il t'arrête, qu'Il te réprime, qu'Il t'empêche de faire cette action dangereuse*. »

Michel n'a pas dit :

« *Dieu t'a ordonné de voler le corps de Moïse, Il m'a envoyé pour t'en empêcher et maintenant, qu'Il te punisse !* »

Excès de zèle.

Maintenant, il faut aussi savoir que parfois Satan fait des excès de zèle. Un jour il est allé demander à Dieu la permission d'aller cribler les disciples de Jésus. **Luc 22/31-32.** Parfois, il lui arrive de se sentir frustré. Il s'acharne contre quelqu'un, après en avoir parlé avec Dieu. Mais toutes ses tentatives se révèlent inutiles. La personne éprouvée tient bon. Alors il vient vers Dieu en insistant. En quelque sorte il demande une nouvelle chance de réussir sa mission. C'est ce qui se passa avec Job. **Job 2/7-10**. N'avez-vous pas été étonné de trouve le petit mot AUSSI dans le texte suivant **1 Cor 10/11**. « *Aucune tentation ne vous est survenue qui n'ait été humaine, et Dieu, qui est fidèle, ne permettra pas que vous soyez tentés au-delà de vos forces ; mais avec la tentation Il préparera **AUSSI** le moyen d'en sortir, afin que vous puissiez la supporter* ».

S'Il prépare **AUSSI**… c'est bien qu'Il prépare le problème. Il se sert du diable pour faire la sale besogne, en quelque sorte.

Il a créé satan pour faire cela. Ce n'est pas Dieu qui nous tente **Jac 1/13**. C'est satan qui tente, c'est son travail, ce pourquoi il a été programmé. Souvenez-vous de ce Texte Sacré : **Matt 4/1-3.**

« *Alors Jésus fut emmené par l'**Esprit** dans le désert, pour être tenté par le diable*. »

Autrement dit : Le Saint-Esprit de Dieu emmena Jésus dans le désert **dans le but** qu'il soit tenté par le diable. Qui est L'**Esprit** qui a emmené Jésus au désert ? Jésus savait très bien tout cela, c'est pourquoi Il nous a enseignés de prier que Dieu ne nous soumette pas à la tentation. Car, si ce n'est pas Dieu qui nous tente, c'est bel et bien Lui qui a le pouvoir de nous soumettre ou non à la tentation. **Matt 6/13**. Alors, les épreuves que nous appelons si facilement des attaques du diable… que sont-elles en réalité ? Pourquoi Jacques disait-il :

« *Mes frères, regardez comme un sujet de joie complète les diverses épreuves auxquelles vous pouvez être exposés, sachant que l'épreuve de votre foi produit la patience* ». **Jac 1/ 2-3.**

Si Dieu ne voulait pas que nous soyons séduits, éprouvés, ennuyés presque sans cesse, Il lierait satan et ses anges une bonne fois pour toutes (comme Il finira d'ailleurs par le faire. Et puis, avez-vous remarqué que cela ne sera pas **très difficile** à faire. La Bible nous dit qu'**un seul ange** suffira pour faire ce travail là. **Apoc 20/1-3.** Je le redis :

Satan n'est ni un adversaire, ni une menace pour Dieu. S'il était une quelconque menace pour Le Seigneur, je suis certain que Dieu ne lui permettrait pas de venir se présenter devant Son trône pour lui faire des propositions. Les propositions que le diable fait à Dieu ne sont que des excès de zèle.

Dieu est **Tout**-Puissant et sa domination s'étend sur tout, absolument ! Satan n'est qu'un esprit d'animal dont Dieu se sert pour démontrer notre fidélité aux êtres qui peuplent le ciel et la terre. C'est par l'Eglise en effet que toutes ces autorités connaissent la sagesse infiniment variée de Dieu. **Eph 3/10.** A nous de le comprendre et de démontrer notre attachement à Jésus-Christ que nous aimons. « *Heureux l'homme qui supporte patiemment la tentation, car après avoir été éprouvé, il recevra la couronne de vie, que le Seigneur a promise à ceux qui l'aiment* » **Jac 1/12**.

Collaborateurs

Nous ne sommes pas des robots. Cette idée est insultante. Nous sommes des collaborateurs avertis. Il nous a envoyés sur terre après que nous en ayons discuté Lui et nous dans notre passé éternel. Notre esprit est éternel.Ce que nous sommes sur la terre est pure création (l'âme). Et c'est cette création qui a été prédestinée à recevoir la vie éternelle. Dieu tient certaines choses cachées à beaucoup de monde. Il Lui a plu de nous donner encore celles-là afin que nous soyons réconfortés sur le chemin qui nous reste à faire. Satan est menteur parce que Dieu l'a créé comme cela. Il ne peut pas se tenir dans la vérité. Je dirai même que le mensonge EST sa vérité. Il a été créé pour tromper. **Jn**

8/44. Il ne pourra jamais tromper longtemps une personne qui aime la vérité. Il essaiera, mais il n'y arrivera pas. Montrez-lui votre maturité spirituelle, votre supériorité d'esprit. C'est aussi cela marcher selon l'Esprit. « Sachant que l'épreuve de votre foi produit la patience. Mais **il faut** que la patience accomplisse parfaitement son œuvre, **afin que** vous soyez parfaits et accomplis, sans faillir en rien. » **Jac 1/3-4**. Alors relevez la tête. Vous êtes un esprit supérieur ! Rien ne peut vous nuire. La Vérité vous rend libre ! Vous la connaissez, vivez selon elle ! Dieu est avec vous !

J'ai lu cet article et j'ai très envie de vous le faire connaître :

Un professeur universitaire a défié ses étudiants avec cette question : « Est-ce que Dieu a créé tout ce qui existe? »

Un étudiant a bravement répondu, « oui, Il l'a fait! » Le professeur a dit, « Dieu a tout créé ? »

« Oui, monsieur », a répliqué l'étudiant. Le professeur a répondu, « si Dieu a tout créé, Il a donc aussi créé le mal puisque le mal existe et selon le principe de nos travaux qui définissent ce que nous sommes, alors Dieu est mauvais. » L'étudiant était silencieux devant une telle réponse.

Le professeur était tout à fait heureux de lui-même et il se vantait aux étudiants qu'il avait prouvé encore une fois que la foi chrétienne était un mythe.

Un autre étudiant a levé sa main et a dit, « Puis-je vous poser une question, professeur ? ». « Bien sûr », a répondu le professeur. L'étudiant a répliqué, « Professeur, le froid existe-t-il? ». « Quel genre de question est-ce, cela ? Bien sûr qu'il existe. Vous n'avez jamais eu froid ? » a répliqué le professeur. Le jeune homme a répondu, « En fait monsieur, le froid n'existe pas. Selon la loi de physique, ce que nous considérons comme le froid, est en réalité l'absence de chaleur. Tout individu ou tout objet possède ou transmet de l'énergie. La chaleur est produite par un corps ou par une matière qui transmet de l'énergie. Le zéro Absolu (-460°F) est l'absence totale de chaleur ; toute la matière devient inerte et incapable de réagir à cette température. Le Froid n'existe pas. Nous avons créé ce mot pour décrire ce que nous ressentons si nous n'avons aucune chaleur. »

L'étudiant a continué. « Professeur, l'obscurité existe-t-elle? ». « Le professeur a répondu, « Bien sûr qu'elle existe ! ». L'étudiant a répondu, « Vous avez encore tort Monsieur, l'obscurité n'existe pas non plus. L'obscurité est en réalité l'absence de lumière. Nous pouvons étudier la Lumière, mais pas l'obscurité. En fait, nous pouvons utiliser le prisme de Newton pour fragmenter la lumière blanche en plusieurs couleurs et étudier les diverses longueurs d'onde de chaque couleur. Vous ne pouvez pas mesurer l'obscurité. Un simple rayon de lumière peut faire irruption dans un monde d'obscurité et l'illuminer. Comment pouvez-vous savoir l'espace qu'occupe l'obscurité ? Vous mesurez la quantité de lumière présente. N'est-ce pas vrai ? L'obscurité est un terme utilisé par l'homme pour décrire ce qui arrive quand il n'y a pas de lumière. »

Finalement, le jeune homme a demandé au professeur, « Monsieur, le mal existe-t-il? ». Maintenant incertain, le professeur a répondu, « Bien sûr comme je l'ai déjà dit. Nous le voyons chaque jour. C'est dans les exemples quotidiens de l'inhumanité de l'homme

envers l'homme. C'est dans la multitude des crimes et des violences partout dans le monde. Ces manifestations ne sont rien d'autre que du mal. » L'étudiant a répondu, « Le Mal n'existe pas Monsieur, ou au moins **il n'existe pas de lui-même**. Le Mal est simplement l'absence de Dieu. Il est comme l'obscurité et le froid, un mot que l'homme a créé pour décrire l'absence de Dieu. Dieu n'a pas créé le mal. Le Mal n'est pas comme la foi, ou l'amour qui existe tout comme la lumière et la chaleur. Le Mal est le résultat de ce qui arrive quand l'homme n'a pas l'amour de Dieu dans son cœur. Il est comme le froid qui vient quand il n'y a aucune chaleur ou l'obscurité qui vient quand il n'y a aucune lumière. » Le professeur s'est assis.

Le nom du jeune homme?..... **Albert Einstein !!!**

CHAPITRE 7.

1. Et ils se choisirent chacun une femme, et ils se mirent à les approcher, et à se souiller à leur contact ; et ils leur enseignèrent les drogues, la sorcellerie, les enchantements, et les propriétés des racines et des arbres (la botanique).
2. Et ces femmes conçurent et elles enfantèrent des géants. [ils naquirent et se multiplièrent].
3. Dont la taille avait trois cents [mille] coudées. Ils dévoraient tout le fruit du travail des hommes qu'ils pouvaient produire, et il devint impossible de les nourrir.
4. Alors ils se liguèrent contre les hommes eux-mêmes, afin de les tuer et les dévorer.
5. Et ils commencèrent à se jeter sur toutes les bêtes, les oiseaux, les reptiles, les poissons, pour se rassasier de leur chair et se désaltérer de leur sang, et à se dévorer la chair les uns des autres.
Gen 9:4 ; 1Sam 14:32 ; Act 15:20
6. Et alors la terre réprouva les méchants pour ce qui y avait été fait sur elle.

Commentaire du chapitre 7.

Ce que nous trouvons là est ce qui se trouve dans toutes nos Bibles. Les incrédules n'y croient pas et les croyants y croient. Bien entendu cela demande des explications car comment peut-on croire que les géants mesuraient 150 mètres de haut ? (300 coudées). Cela et bien d'autres choses demandent à être comprises avec humilité. Pour commencer, voyons si La Bible dit que les anges n'ont pas de sexe. Jésus dit que les anges ne se marient pas. **Matt 22/30**. Cela ne signifie pas qu'ils n'ont pas de sexe. Jésus ne s'est pas marié et pourtant, il avait un sexe, puisqu'Il a été circoncis. **Luc 2/21.**

Les anges peuvent faire beaucoup de choses tout en étant de purs esprits, par exemple, ils peuvent manger, donc digérer **Gen 18/8**. Pourquoi douter qu'ils aient pu avoir des

relations sexuelles avec des femmes. **Hénoch 15** dit :« *Et vous vous êtes souillés au contact du sang des femmes, vous avez engendré par le sang de la chair, vous avez eu des désirs à l'instar des humains et* ***vous avez créé comme eux****, eux qui créent de la chair et du sang, qui meurent et disparaissent*. » Un peu plus loin, Dieu dit que les anges ont été créés et qu'il n'y a pas de femelle parmi eux **Hénoch 15/7**. Cela ne signifie pas que ces esprits ne sont pas masculins. Dieu est Lui-même Père et non Mère. Même si Dieu n'a pas de sexe, Il est tout de même masculin. Pourquoi ne pas croire ce que La Bible et Hénoch disent ? Par rébellion contre Dieu ? Si La Bible dit que les anges ont fait des enfants aux femmes, je le crois. Tant pis pour les religieux qui veulent absolument défendre leur point de vue anti-Biblique et anti-Hénochien. En quoi cela les dérange-t-ils que les anges aient un sexe ? Je me le demande. En tout cas pour nier le sexe des anges, les théologiens sont obligés d'employer, dans leurs explications, les mots tels que : « **peut-être…, ou, il semble probable que…, ou, il est vraisemblable que…** » Honte sur ceux qui se permettent de dire n'importe quoi pour essayer de nier que les anges ont un sexe comme la Bible et Hénoch le laissent nettement comprendre. Mais c'est une affaire de croyance. Vous choisissez de le croire ou vous choisissez de ne pas le croire. De toute façon, que vous croyez ou non cette chose, cela ne vous enverra pas en enfer. Ces anges ne se bornèrent pas à avoir des enfants avec les femmes, ils enseignèrent aussi des choses telles que la sorcellerie. Ils enseignaient ces choses pour, soi-disant, aider les êtres humains. Toute la connaissance n'est pas bonne car Dieu a interdit certaines d'entre elles. Il sait très bien que dans notre état d'êtres déchus, nous n'en ferions pas bon usage. L'astrologie est une de ces connaissances que Dieu ne nous permet pas. Quant à la sorcellerie, il est bien clair que c'est de la puissance venant directement du côté obscur de la force. Nous ne pouvons pas nous en servir car nos principes et nos buts sont ceux de Jésus-Christ. Les principes et les buts de Jésus-Christ ont toujours l'Amour à leur base. La sorcellerie n'a pas la même base du tout, ni les mêmes buts. Pour ce qui est de la hauteur des géants, 150 mètres me semble impossible. Que dire alors ? Que les géants devaient être très grands et que, même du temps de Moïse, les hommes ressemblaient à des sauterelles à côté d'eux. **Nom 13/33**. Mais une chose qui nous semble impossible ne peut-elle pas être vraie ? Je pose simplement la question. Par exemple : que dire des pierres taillées qu'on a trouvé au Liban dans le temple de Baalbeck. Ces pierres sont taillées et ajustées parfaitement et pèsent entre 700000 kg et 2 millions de kg… ? Elles ont été déplacées avec intelligence, mais par qui ? Et comment ? De nos jours, la mondialisation rend certaines choses **gigantesques**. Le pouvoir des médias, la puissance de la banque internationale, les découvertes technologiques, la séduction des idoles du show biz, l'infiltration de l'internet qui rend dépendantes une multitude de personnes désoeuvrées, etc… Ces choses-là auraient semblé impossibles à nos arrières-grands parents, n'est-ce pas ?

CHAPITRE 8

1. Azaël (ou Azazel) enseigna encore aux hommes à faire des épées, des couteaux, des boucliers, des cuirasses et des miroirs ; il leur apprit la fabrication des bracelets et des ornements, l'usage de la peinture, l'art de se peindre les sourcils, d'employer les pierres précieuses, et toute espèce de teintures, de sorte que le monde fut corrompu.
2. L'impiété s'accrut ; la fornication se multiplia, les créatures transgressèrent et corrompirent toutes leurs voies.
3. Shemêhaza enseigna tous les sortilèges, tous les enchantements et les propriétés de racines.
4. Hermoni enseigna l'art de résoudre les sortilèges, les exorcismes, la magie, la sorcellerie et les tours.
5. Baraqial enseigna l'astrologie.
6. Kokabiel enseigna les signes des étoiles.
7. Ziqiel enseigna l'astronomie.
8. Et Arataqif enseigna les signes de la terre. Shamshiel les signes du soleil, Sahriel les signes de la lune, et ils se mirent tous à révéler des mystères à leurs femmes.
9. Et comme les hommes périssaient sur la terre, une clameur monta jusqu'aux cieux.
Daniel 5:11-12

Commentaire du chapitre 8

Azazel ; on trouve ce nom dans **Lév 16/8**. Azazel signifie « le fort d'El ». Ce nom était comme le nom que nous avons donné à l'adversaire de Dieu : satan. Ce qu'Hénoch nous dit, c'est que cet ange, et les autres avec lui, ont appris aux humains toutes sortes de choses néfastes. Ces anges-là sont des satans, c'est-à-dire des adversaires. Ils ont été les collaborateurs de l'esprit du serpent ancien et seront jetés dans la fournaise ardente à la fin des siècles, c'est ce qu'Hénoch nous dit au chapitre **54/6**. L'esprit de l'animal, le serpent ancien est adversaire de Dieu. Les anges déchus aussi. Ils sont pour le moment dans les lieux célestes et savent très bien qu'ils seront précipités sur la terre quand l'Epouse de Christ sera enlevée au Ciel. **Apoc 12/4 à 9**. Il est à noter tout de suite que **Apoc 12** ne nous parle pas de la Vierge Marie comme l'enseignent les Catholiques. Cette femme d'**Apoc 12**, c'est l'église de Jésus-Christ qui a vécu durant les sept âges allant de L'âge d'Ephèse à celui de Laodicée. De cette femme (église) sort un fils qui paîtra les nations avec une verge de fer. Ce fils, ce sont les vainqueurs de tous les âges de l'histoire de la vraie Eglise à travers les siècles. Voyez ces vainqueurs décris dans **Apoc 2 et 3**. Littéralement, il est appelé « le fils-mâle » ou vaillant ou énergique.

Quand ce fils naîtra signifie : quand le nombre exact de ceux qui sont prédestinés à être l'épouse sera complet. Ce fils sera enlevé au Ciel. Ce fils est l'Epouse de Christ. Sa mère, l'église devra fuir au désert, cela signifie qu'elle restera sur terre pendant la grande tribulation, dans un désert. Le désert représentant le vide. Le Saint-Esprit ne sera plus là.

CHAPITRE 9

1. Alors Michael et Raphaël, Gabriel et Uriel, abaissèrent leurs regards .depuis le sanctuaire céleste sur la terre, et virent que beaucoup de sang était répandu sur la terre et que toute la terre était pleine de vice et de la violence qui y était commis. Ils se dirent les uns aux autres :
2. C'est la voix de ceux qui crient depuis la terre jusqu'aux portes du ciel,
3. Et c'est à vous, ô essences célestes, c'est à vous que les âmes des hommes accusent et adressent leurs plaintes en disant : Obtenez-nous justice du Très-Haut.
Alors ils dirent à leur Seigneur et maître : Tu es le Seigneur des seigneurs, le Dieu des dieux, le Roi des rois. Le trône de Ta gloire s'élève de toute éternité, et de toute éternité ton nom est sanctifié et glorifié. Tu es béni, et glorifié à jamais.
4. Tu es le créateur, le maître souverain de toutes choses ; rien n'est caché à ton regard perçant. Tu domines sur tout, et rien ne peut se soustraire à Ton autorité.
1Chroniques 29:10-12 ; Hébreux 4:13.
5. Tu as vu ce qu'Azaël a fait ; comment il a enseigné aux hommes toute espèce d'iniquités, et comment il a révélé au monde tout ce qui se passe dans les cieux.
6. Shemëhaza aussi a enseigné aux hommes la sorcellerie, lui que tu avais placé au-dessus de tous ses compagnons. Ils se sont alliés aux filles des hommes ; ils ont péché avec elles, et se sont souillés.
7. Ils leur ont découvert les crimes les plus abominables.
8. Et les femmes ont enfanté les géants (ou les titans, en fait, les Nicolaïtes].
9. Et toute la terre a été remplie de sang et d'iniquité.
10. Et voici maintenant que les âmes de ceux qui sont morts, élèvent la voix vers toi.
11. Et font monter leurs plaintes jusqu'aux portes du ciel.
12. Leurs gémissements montent vers toi ; les hommes ne peuvent se soustraire à l'iniquité qui couvre la face de la terre. Or tu connais toutes choses, avant même qu'elles existent.
13. Tu connais toutes choses ; tu sais tout ce qui se passe, et cependant tu ne nous dis rien.
14. Pour tant de crimes, que devons-nous faire aux méchants ?

Commentaire du chapitre 9.

Il y a toujours eu des temps, ce que nous appelons des dispensations. Par exemple, aujourd'hui, nous sommes dans le temps des nations. Cela signifie que nous sommes **dans le temps de l'église des nations**. Dans notre dispensation, c'est Jésus-Christ qui est le seul médiateur entre Dieu et nous. A l'époque d'Hénoch, c'était une autre dispensation. C'était avant le déluge et à cette époque c'était les anges qui étaient les médiateurs entre Dieu et les hommes. Voyez par exemple ce qu'Elihu dit à **Job 33/23 à 24**. Cependant, les anges exercent toujours un ministère entre Dieu et nous. Ils peuvent nous parler comme ils parlèrent à Jean sur l'île de Patmos ou à Pierre dans sa prison. Uriel m'a parlé et continue de m'inspirer, vous pourrez lire cela dans mon livre « Oracle » à la page 82. Des anges sont venus me visiter autour du Château, les Roues

étaient présentes. **Ezech 1**. Nous ne devons pas adorer les anges, **Col 2/8**, mais nous ne devons pas manquer d'être reconnaissants pour leur fidélité envers Dieu et envers nous. Faire comme s'ils n'existaient pas serait une grossière erreur. Nous ne devons pas nous sentir frustrés du fait que les anges semblent moins se manifester de nos jours. Ils se manifestent, mais beaucoup plus discrètement qu'au temps d'Hénoch, et cela pour les raisons que je vous donne plus haut. Mais, souvent, nous sommes visités visiblement par des anges sans même le savoir. Si vous êtes ouverts aux Choses de l'Esprit, vous les reconnaîtrez. Mais ne les cherchez pas. Ils se montreront à vous si l'ordre leur en a été donné par Dieu. Chercher à les voir vous exposera à rencontrer des anges déchus. Ne jouez pas avec le monde des esprits ! Si Dieu a gardé le Livre d'Hénoch caché si longtemps c'est en partie à cause du Culte qu'Il veut que nous ayons. Un Culte en Esprit et en vérité, par la foi et non par la vue. Si Dieu veut aujourd'hui que ces choses soient connues, c'est en partie parce qu'Il veut que nous sachions ce qui se passe dans les sphères plus élevées que la nôtre, ici-bas. Nous avons donc à nouveau le privilège de plonger nos regards dans ces merveilles qui concernent le monde invisible, tout en sachant que c'est par la foi et non par la vue que nous devons progresser sur le Chemin, c'est-à-dire : en Jésus-Christ. Mais gardez à la conscience que nous sommes très peu à pouvoir étudier ce livre d'Hénoch, cela reste un privilège qui est n'est pas donné à tous, car tous ne peuvent pas l'apprécier. En réalité, la plénitude des vérités n'est révélée qu'à des personnes hautement favorisées pour certaines raisons que Dieu seul connaît. Souvenez-vous toujours que la pensée secrète de Dieu et son amitié sont pour ceux qui Le craignent. Son Alliance leur donne instruction. **Psaumes 25/14**. Dieu ne dit pas tout à tous les Chrétiens. De même, nous apprenons que Dieu ne raconte pas tout à Ses anges. Les anges savent que Dieu a tout prédestiné. Dieu connaît les choses non seulement parce qu'Il sait tout, **mais surtout parce qu'Il a tout fait dans un but**. **Prov 16/4.** Au verset **8** il nous est dit que les femmes ont enfanté des géants. Mais le Livre de la Genèse nous dit qu'ils existaient déjà avant. **Gen 6/4**. Qui étaient ces géants vivant à cette époque sur la terre ? C'était des êtres pré-Adamiques. Des êtres qui n'étaient pas vraiment humains, ni vraiment animaux tels que nous les voyons de nos jours. Ils étaient ces êtres qui habitaient la face de la terre avant qu'Adam ne fût créé. Le serpent ancien est un de ces êtres pré-Adamique. Ils étaient incapables de cultiver le sol. Ils étaient sur la terre et en Eden. Voilà pourquoi Dieu créa un jardin *en* Eden où Il plaça l'homme. L'homme, Adam devait garder et cultiver ce jardin. **Gen 2/15**. Le garder contre quoi ? Le mal était déjà connu de ces êtres-là. Ils étaient, entre autre, rusés, c'est ce que la Bible nous apprend. Et le serpent, espèce d'animal debout, parlant comme un homme, se trouvait être le plus rusé d'entre ces géants. **Gen 3/1.**Et ce sont de cette sorte d'êtres-là que Caïn avait peur **Gen 4/14**. Dans, et hors du jardin d'Eden, il y avait des animaux (ceux que nous connaissons) et aussi des êtres pré-Adamiques. Ces êtres-là sont sans doute ceux dont on retrouve les squelettes aujourd'hui et qui ressemblent un peu aux grands singes. Combien de temps ont-ils vécu sur terre ? Nul ne le sait, mais les scientifiques nous le diront un jour. Depuis le fond des âges nous viennent des légendes telles que, par exemple, celles des trolls. Ces histoires ont peut-être un fond de vérité. Dans la mythologie nordique, le **troll** est un être vivant dans les montagnes ou les buttes (*bergtroll*). Ce sont des géants incarnant les forces naturelles, au même titre que les Titans. Les trolls sont des géants qui symbolisent les forces naturelles dans leur énergie élémentaire. Dans la mythologie grecque, les **Titans** (en grec ancien Τιτάν / *Titán* et Τιτᾶνες / *Titãnes* au pluriel) sont les divinités primordiales géantes. Certains de ces êtres existaient avant que les esprits ne formiquent avec les femmes **Gen 6/4**. Nous verrons au **ch 86** que les Archanges sont venus pour détruire cette race contre nature. Mais nous savons aussi que tous n'ont pas été détruits et qu'à

notre époque, il y a encore des Néphilims sur la terre. C'est l'esprit des Néphilims qui excitent les gens à lutter contre Israël. (Ces esprits habitent dans les géants politiques, financiers et religieux qui incitent la haine contre les Juifs)

CHAPITRE 10

1. Alors le Très-Haut, le Grand et le Saint fit entendre Sa voix.
2. Et il envoya **Uriel** (ou Ouriel), au fils de Lamech,
3. Disant : Ordonne-lui en Mon nom de se cacher et annonce-lui que la fin est proche, mais cache-toi à ses yeux.
4. Puis dévoile-lui le grand cataclysme qui doit faire périr tous les hommes ; car les eaux du déluge se répandront sur la face de la terre, et toute créature sera détruite.
5. Mais enseigne-lui les moyens d'y échapper ; dis-lui comment sa race se perpétuera sur toute la terre.
6. Puis le Seigneur dit à Raphaël : Prends Azaël, lie-lui les pieds et les mains ; jette-le dans les ténèbres ; et abandonne-le dans le désert de Dudael. [var.G ouvre le désert qui est à Dadouël et jette-le dedans.]
7. Fais pleuvoir sur lui des pierres lourdes et pointues ; enveloppe-le de ténèbres.
8. Qu'il y reste à jamais, que sa face soit couverte d'un voile épais ; et qu'il ne voit jamais la lumière.
9. Et quand se lèvera le jour du jugement, plonge-le dans le feu. **Jude 6**
10. Cependant purifie la terre, que les anges ont souillée ; annonce-lui la vie ; annonce-lui que je la revivifierai. **Romain 8:18-21**.
11. Les fils des hommes ne périront pas tous à cause des secrets que les Veilleurs leur ont révélés et qu'ils ont enseignés à leurs descendants.
12. Mais la terre a été souillée par les enseignements impurs d'Azaël. Aussi est-ce lui qui doit être responsable de tous les crimes. **13**. Le Seigneur dit ensuite à **Gabriel** : Va vers les méchants, vers les réprouvés, les bâtards, vers les enfants de fornication ; extermine ces enfants de fornication, ces rejetons des Veilleurs, du milieu des hommes ; pousse-les, excite-les les uns contre les autres. Qu'ils périssent de leurs propres mains ; car leurs jours ne seront pas complets.
14. Ils te supplieront, mais leurs prières n'obtiendront rien pour eux ; et c'est en vain qu'ils espèreront pour leurs enfants la vie éternelle, et même une vie de cinq cents années.
15. Le Seigneur dit ensuite à **Michael** : Va et annonce le châtiment qui attend Shemêhaza et tous ceux qui ont participé à ces crimes, qui se sont unis à des femmes, qui se sont souillés par toutes sortes d'impureté. Et quand leurs fils seront exterminés, quand ils auront vu la ruine de ce qu'ils ont de plus cher au monde, enchaîne-les sous la terre, pour soixante-dix générations, jusqu'au jour de jugement, et de la consommation universelle ; et l'effet de ce jugement sera pour eux éternel.
16. Alors ils seront jetés dans les profondeurs d'un **feu** qui les tourmentera sans cesse ; et ils y resteront toute l'éternité.
Quiconque aura été condamné à la perdition, dès maintenant, sera enchaîné avec eux, et au temps du jugement que J'exercerai ils disparaîtront pour toujours.
17. Avec eux leur chef brûlera dans les flammes ; et tous ils y seront enchaînés jusqu'à

la consommation d'un grand nombre de générations. **Matthieu 25:41 ; Jude:6 ; 2 Pierre 2:4 ; Apo.20:10, 14, 15**
18. Extermine en même temps toutes les âmes adonnées à de coupables jeux ; extermine les rejetons des vigilants ; assez et trop longtemps ils ont tyrannisé le genre humain.
19. Que les oppresseurs soient enlevés de la face de la terre.
20. Fais disparaître toute la violence de la surface de la terre ; que cesse toute œuvre de perversité ; que la plantation de justice et de vérité apparaissent. **21**. Mais que la plante de la justice et de l'équité refleurissent, et deviennent un gage de bénédiction.
22. Car la justice et l'équité doivent refleurir avec la joie pour des temps sans fin.
23. Et alors tous les justes vont échapper, ils resteront en vie jusqu'à ce qu'ils aient engendré des milliers enfants, tandis que les jours de leur jeunesse et de leurs vieillesse s'accompliront dans la paix. A cette époque toute la terre sera cultivée dans la justice ; il y sera planté un arbre et sera comblée de bénédictions ; tous les arbres délicieux y seront plantés.
24. La vigne y croîtra en abondance, et produira du fruit à satiété ; toutes les semences qui seront confiées à la terre, rapporteront mille mesures pour une ; et une mesure d'olive, fournira à dix pressées d'huile.
Isaïe 65/21 ; Amos9/14 ; Ezech 28/26. ; Jér 31/5.
25. Délivre la terre de toute tyrannie, de toute injustice, de tout crime, de toute impiété, de tout ce qui peut souiller. Que le mal en soit banni à jamais.
26. Alors, les enfants des hommes vivront dans la justice, et toutes les nations me rendront les honneurs qui me sont dus ; toutes me béniront, toutes m'adoreront.
27. La terre sera délivrée de toute corruption, de tout crime, de tout châtiment, de toute souffrance ; et elle n'aura plus à craindre de moi un déluge exterminateur.

Commentaire du chapitre 10.

Uriel est donc envoyé vers Noé. La Bible nous dit que Dieu parla à Noé. **Gen 6/13**. Mais pourquoi Dieu ne lui aurait-Il pas parlé par l'intermédiaire de l'Ange Uriel. La Bible nous dit également que Dieu donna la Loi à Moïse et pourtant, Elle dit aussi que ce fût par l'intermédiaire des anges qu'Il la donna **Héb 2/2. Gal 3/19. Actes 7/53**. Pourquoi refuser de croire que Dieu envoya Uriel pour parler à Noé ? Les anges ont toujours accompli une œuvre de service entre Dieu et les hommes. Que signifient ces soixante-dix générations dont nous parle le verset **15** ? Par un calcul savant que nous ferons dans les commentaires des chapitres **89** et **90**, nous verrons que ces 70 générations représentent 70 générations de pasteurs qui devront vivre avant le retour de Jésus-Christ, et que la fin de ce temps se situe vers 1977-1979. Au sujet de ces dates voyez mon livre « le Mystère de Lamb-Lore révélé » (écrit entre 2000 et 2001). Il s'agit donc là, du temps de la fin **de l'église** dans les nations. Ce temps étant terminé maintenant, nous sommes dans le temps de la patience de Dieu. Il va ôter Son Epouse et l'enlever pour le repas des Noces de L'Agneau. Car, comme Dieu usa de patience au temps de Noé, Il use de patience à l'égard des gens en ce temps-ci. **1 Pierre 3/20.** Ensuite, Dieu envoie **Gabriel** vers les bâtards, vers ceux qui sont nés de l'union des anges et des femmes. C'est Gabriel qui les excite les uns contre les autres jusqu'à ce qu'ils s'auto détruisent. Nous lirons plus loin que ces êtres demandèrent à Hénoch d'intercéder en leur faveur. Mais rien n'y fera. Depuis le verset **15** nous voyons la fonction de **Michael** qui agit pour la destruction des méchants et seul Noé, la plante de justice, échappera au déluge avec sa proche famille. Cette destruction par l'eau n'est

que la répétition générale de la destruction par le feu qui doit arriver. On ne peut pas dire que la justice a été établie juste après le déluge d'eau. L'horreur a vite recommencé et cela parce que la nature de l'homme est mélangée à celle du serpent ancien. Depuis le verset **16**, la description concerne le temps où satan sera lié pendant le millénium. **Apo 20/1 à 3**. Pourquoi ces choses sont-elles dites ainsi ? C'est parce que ces anges doivent être jugés deux fois. La première fois, ils sont jugés provisoirement et jetés dans les ténèbres d'un désert nommé ici Duadel **verset 4**. Puis, à la fin ils seront jetés dans la fournaise selon le **verset 6**. Cela annonce la loi. Quand la Loi de Moïse a été donnée, on chargeait un bouc de tous les péchés du peuple et on l'envoyait dans le désert **Lév 16/22**. C'était le bouc émissaire. Puis, Jésus est venu et Il a été fait malédiction à notre place et a été jeté dans la mort. Ce qu'Hénoch a vu, c'est le symbole de cela. Il parle donc d'un premier jugement dans un premier temps ; puis il parle d'un deuxième jugement qui se terminera par la destruction de satan et de tous les êtres en révolte contre Dieu. Ils seront jetés dans la fournaise dont nous parle Hénoch au verset **6** et **Apoc 21/1 à 3**. Hénoch voit beaucoup de choses qui ne concernent pas son temps comme il le dit le chapitre **1**. Il voit, au chapitre **60**, la même fournaise. Et c'est deux monstres qui y sont jeté. On comprend, en lisant **Hénoch 60/ 7 à 8**, que le diable (l'adveraire) a en fait été séparé en deux. Un des deux se nomme Léviathan. C'est un monstre femelle qui habite dans la mer et l'autre se nomme Béhémoth. Ce dernier est un monstre mâle qui occupe le désert de Duidain avec sa poitrine, à l'orient du jardin d'Eden. Le désert de Duadel et de Duidain sont sans doute le même désert. Tout cela nous montre que le péché est entré par un animal et une femme et qu'il a continué par des êtres plus élevés : des anges et des femmes à la nature mêlée. Voilà pourquoi l'adversaire de Dieu est double quoique un. Léviathan et Béhémoth. A la fin, nous voyons deux bêtes. Le faux prophète et l'anti-christ. Ils sont jeté tous les deux dans l'étang de feu. **Jude 6** et **2 Pierre2/4** ont puisé leur inspiration dans ces Textes. Maintenant, nous apprenons plus de choses au sujet du sort des géants en lisant **les chapitres 15 et 16** et aussi **le chapitre 83**.

CHAPITRE 11

1. Dans ces jours, j'ouvrirai les trésors de la bénédiction que recèle le ciel, je les répandrai sur la terre, et ils féconderont les œuvres et le travail des hommes.
Deut 28:12
2. La paix et la justice feront alliance avec les hommes, et ces unions sacrées dureront autant que le monde et que les générations.
Isaïe 32:17 ; Ps 85/10.

Commentaire du chapitre 11.

Dieu parle ici de la loi qu'Il va donner à Moïse et qui conduirait les gens de Son peuple jusqu'à la venue du Messie. Dieu parle aussi de la nouvelle terre sur laquelle règneront réellement la Paix et la Justice. Il faut toujours garder à la pensée que Dieu parle de tout ce qui concerne Son règne sur un seul plan hors-temps, et non comme nous le vivons de génération en génération, dans le temps.

CHAPITRE 12

1. Auparavant, Hénoch fut enlevé de la terre ; et personne ne sut où il avait été enlevé, ni ce qu'il était devenu.
2. Tous ses jours, il les passa avec les saints, et avec les Veilleurs.
3. Moi, Hénoch, je bénissais le Grand Seigneur, le Roi de la paix.
4. Et voici : les Veilleurs me nommèrent Énoch le scribe.
5. Et le Seigneur me dit : Hénoch, scribe de justice, va dire aux Veilleurs du ciel, qui ont abandonné les hauteurs célestes et leurs éternelles demeures, qui se sont souillés avec les femmes,
6. Et ont pratiqué les œuvres des hommes, en prenant des femmes à leur exemple, qui se sont enfin corrompus sur la terre.
7. Dis-leur que sur la terre, ils n'obtiendront jamais ni paix, ni rémission de leurs péchés. Jamais ils ne se réjouiront dans leurs rejetons ; ils verront leurs bien-aimés exterminés ; ils pleureront leurs fils exterminés ; ils me prieront pour eux, mais jamais ils n'obtiendront paix ou miséricorde. **1Pierre 3:18-20**.

Commentaire du chapitre 12.

Il est clair que le mot « auparavant » désigne le temps d'avant le déluge. Cette phrase est sans doute écrite par Noé puisque Uriel avait été envoyé vers Noé qui a sans doute écrit les chapitres **10** et **11.** Ce que Noé écrivit donc se termine au chapitre **12** et verset **2**. A partir du verset **3**, c'est Hénoch qui écrit à nouveau. Maintenant, Hénoch est appelé « scribe de justice ». Hénoch devient, à cause de sa justice, celui qui va juger les anges déchus. C'est lui qui va prononcer le jugement que Dieu va lui dicter. Un scribe n'est pas une mauvaise personne comme on a tendance à le croire dans les milieux chrétiens. Leur méchante réputation est due à leur mauvais comportement face à Jésus de Son

vivant sur terre. Dieu a toujours voulu avoir des scribes qui notent ce qu'Il a à dire. Jésus fait l'éloge du scribe fidèle dans **Matt 13/52**. Jean sur l'île de Pathmos était un scribe fidèle. Il ne pouvait parler à personne, mais il écrivit le livre de l'Apocalypse. Les apôtres ont été des scribes qui ont fidèlement écrit ce que Dieu voulait. Et leurs écrits sont ce que nous appelons « La Parole de Dieu, La Bible ». Quand un homme de Dieu est fidèle, il peut recevoir de Dieu la charge d'écrire des choses de Sa part. On dira alors que cet homme fidèle est un scribe prophétique. Pierre était un scribe fidèle **2 Pierre 3/1**. Jésus n'a pas été un scribe, Il n'écrivit rien, sinon le nom des accusateurs pécheurs, dans la poussière de la terre **Jn 8/6 et Jér 17/13**. Jérémie, le prophète n'écrivit rien non plus, c'est son scribe, Baruch qui le faisait sous la dictée du prophète. Tous les scribes fidèles fixent par écrits ce que Dieu a à dire. Rien n'a changé de nos jours. J'ose dire, par exemple, que Luther, le réformateur, était un scribe de Dieu. Beaucoup d'autres aussi. Beaucoup des livres qui circulent dans les milieux chrétiens sont des œuvres de scribes fidèles à Dieu. Les veilleurs, les anges qui n'ont pas été fidèles, seront jugés selon les paroles que transmet le scribe Hénoch. Et nous, les élus, nous aurons aussi à les juger comme nous l'apprend l'apôtre Paul dans **1 Cor 6/3**. Nous n'aurons pour les juger, que les écrits des scribes fidèles, dont, principalement, ceux d'Hénoch. Voilà pourquoi il est bon de connaître ce livre écrit par celui que les Veilleurs fidèles ont nommé, Hénoch le scribe. **V 4**. **Voyez**

CHAPITRE 13

1. Hénoch partit donc, et il dit à Azaël : Il n'y a plus de paix pour toi, une grande sentence a été prononcée contre toi. Il t'enchaînera ;
2. Il n'y aura jamais pour toi ni soulagement ni miséricorde, ni intercession, à cause de l'oppression que tu as enseignée.
3. Et parce que tu as appris aux hommes à outrager Dieu, à pécher et à tyranniser leurs semblables.
4. Et je le quittai, et j'allai annoncer la même nouvelle à tous les compagnons de ses crimes ;
5. Et ils furent terrifiés et saisis d'un affreux tremblement ;
6. Et ils me supplièrent d'écrire pour eux une humble supplique pour obtenir le pardon de leurs fautes ; ils me prièrent de la faire parvenir au trône du Dieu du ciel, car ils n'osaient ni s'adresser à lui, ni même lever les yeux au ciel, à cause du grand crime pour lequel ils avaient été jugés.
7. Alors, j'écrivis une humble supplique à leur sujet, afin de leur faire obtenir repos et miséricorde pour tout ce qu'ils avaient fait.
8. Puis je les quittai, et continuai ma route, tout en lisant leur requête, vers les eaux du Dan, au pays de Dan, qui se trouvent au Sud-Ouest de l'Hermon, et j'ai lu leur requête, je m'endormis.
9. Et voici que j'eus un songe, et une céleste vision. Je levai les paupières vers les portes du temple céleste. Je vis des visions de châtiments, et une voix me dit : Parle aux

fils du ciel pour les confondre. Quand je m'éveillai, je me rendis auprès d'eux. Ils étaient tous réunis, assis pleurant et la face voilée à Abelmaïm, lieu situé entre le Liban et Senir.]
Deut 3:9
10. Je racontai en leur présence toutes les visions et les songes que j'ai eus en dormant.
11. Et je leur adressai les paroles de justice et de la vision pour confondre les Veilleurs du ciel.

Commentaire du Chapitre 13.

Les séducteurs arrivent à convaincre Hénoch d'écrire en leur faveur, à devenir leur scribe. Hénoch écrit dont une humble supplique et se mit à la lire devant Dieu. Et il s'endort là, au bord du fleuve. Et il a des visions et un songe. Tout ce qu'il a vu se trouve écrit dans les **chapitres 14 à 36**. Puis, Hénoch reçoit l'ordre d'aller parler aux Veilleurs déchus. Il leur dit que leur supplique est rejetée et leur parle de ce qu'il a vu au Ciel. Cela pour leur montrer l'authenticité de ce qu'il leur disait. En effet, les veilleurs connaissaient bien le Ciel et les descriptions qu'Hénoch leur donne leur montre qu'Hénoch ne parle pas de lui-même, mais qu'il a bien visité le Ciel et reçu les paroles qu'il leur transmet.

CHAPITRE 14

1. Ceci est le livre des paroles de justice, et des paroles adressées aux vigilants, qui sont de ce monde, selon l'ordre que m'ont donné dans la vision le Saint et le Grand. Je vis donc en songe que je parlais avec ma langue de chair et avec le même souffle dont le Tout-Puissant a animé la bouche des hommes, pour converser entre eux.
2. Et je compris avec le cœur. Et de même que le Seigneur a créé et donné aux hommes le pouvoir de comprendre les paroles de connaissance, de même aussi, il a créé pour nous, et il m'a attribué le rôle, m'a fait et m'a créé pour reprendre les vigilants, les enfants du ciel. J'ai donc rédigé vos prières ; voici ce qui m'a été montré dans ma vision : tant que le monde existera, jamais vous n'obtiendrez ce que vous demandez.
3. Le jugement a été prononcé contre vous ; par un décret contre vous ;
4. désormais, vous ne monterez plus jamais au ciel ; et sur terre, vous serez enchaînés aussi longtemps qu'existera le monde lui-même.
5. Mais auparavant, vous serez témoins de la misère de vos fils bien-aimés ; vous ne les posséderez plus. Ils tomberont par le glaive sous vos propres yeux.
6. Et n'adressez point de prières ni pour eux ni pour vous !

7. Vous pleurerez, et vous supplierez en silence, sans articuler un mot du plaidoyer que j'ai rédigé. Telles sont les paroles du livre que j'écrivis.
8. Voici maintenant la vision que j'eus :
9. Voici : je me voyais environné de nuages et de brouillards criant vers moi ; je contemplais avec inquiétude le mouvement des étoiles filantes et des éclairs, tandis que des vents favorables soulevaient mes ailes, et accéléraient ma course.
Matt 17:5 ; Ps 18:10,11 ; 104:3
10. Je fus élevé et emporté vers le ciel, et j'arrivai bientôt à un mur bâti avec des grêlons et entouré de langues de feu. Je commençais à être saisi d'effroi. **Ézéchiel 38 ; 22. Hénoch 68/7.**
11. Cependant, je me suis enfoncé au milieu de ces flammes,
12. et approché d'un palais grandiose fait de grêlons. Les murs ressemblaient à des dalles, toutes faites de neige, et les fondements étaient de neige. Ses toits étaient formés d'étoiles filantes et d'éclairs de lumière, et l'on voyait, au milieu, des Kéroubîms (roues) de feu et un ciel d'eau. Des flammes vibraient autour de tous ses murs, et la porte était embrasée. Quand je fus entré dans cette habitation, elle était à la fois brûlante comme le feu, et froide comme la neige ; et il n'y avait là aucune trace d'aliment de vie (d'agrément de vie ou de plaisir de vie). Alors, une terreur soudaine s'empara de moi ; je tressaillis d'effroi.
13. Tout tremblant, je tombai la face contre terre, et j'eus une vision.
14. Voici : Il y avait un autre palais plus vaste que le premier, dont toutes les portes étaient ouvertes devant moi, et le tout bâti en langues de feu.
15. L'ensemble était si magnifique, si grandiose, si majestueux, que je ne puis vous en représenter, ni la splendeur qui l'environne, ni sa vaste étendue.
16. La base en était de feu ; au-dessus, brillaient des éclairs et des étoiles filantes, et le toit était tout entier d'un feu étincelant.
17. Je l'examinai avec attention, et je vis qu'il y avait un trône élevé
18. dont l'aspect ressemblait à du cristal, tandis que son contour était comme l'orbe éclatant du soleil ; et il en sortait des voix de Kéroubîms. (**roues**)
Isaïe 6 ; Ézechiel 1:4s. ; Dan7:9,10
19. De ce trône puissant, s'échappaient des torrents de flammes,
20. qu'il était impossible d'envisager.
21. Et il avait quelqu'un assis sur ce trône de gloire,
22. Dont le vêtement était plus brillant que le soleil et plus blanc que la neige.
23. Et aucun ange n'était capable de regarder en face le Glorieux et le Magnifique, ni de s'approcher de lui ; aucun œil mortel ne pouvait Le contempler. Un feu brillant brûlait autour de Lui.
24. Il s'élevait aussi devant lui, un feu d'une grande étendue ; en sorte qu'aucun de ceux qui L'entouraient ne pouvaient en approcher, et des myriades de myriades étaient devant Lui. Il n'avait besoin ni de conseil, ni d'assistance, et les saints qui formaient sa cour, ne Le quittaient ni jour ni nuit. Je m'approchai autant que je pus, voilant ma face. Et plein de frayeur. Alors, le Seigneur Lui-même daigna de Sa propre bouche, m'appeler par mon nom : « Approche, dit-il, approche de plus près, et viens entendre ma Sainte Parole »
Ecclésiastique 42:21 ; 2 Énoch 33:4
25. Et Il me prit, et Il me fit pencher jusqu'à la porte. Et moi, je tenais mes yeux baissés vers la terre.

Commentaires du Chapitre 14.

Et nous retrouvons les roues qu'Ezéchiel a vues **Ezech 1**. Je les ai vues aussi autour du Château un matin à 5h 20 environ, alors que la réunion de prière allait commencer au grand salon. Ces roues ne sont pas le symbole de la mobilité de l'Esprit, mais les moyens de transport de certains anges, de certains êtres que Dieu envoie. Certains êtres déchus emploient également des roues. Les soucoupes volantes(OVNI) ne sont pas des engins extra-terrestres, mais des roues dont se servent certains anges de Dieu et aussi certains anges déchus. **V 18**. Je ne parle donc pas d'extraterrestres, mais **d'êtres extra dimensionnels**. Les esprits sont dans une dimension que l'œil humain ne peut pas voir, à moins que cela ne leur soit donné. En vérité, nous, les enfants de Dieu, nous sommes aussi des êtres extra-dimensionnels puisque nous ne sommes pas de ce monde comme le dit Jésus-Christ, cependant nous vivons dans des corps de chair et de sang. Hénoch dit aux anges déchus de ne plus importuner Dieu avec des prières et autres suppliques. Que leur sort est décidé et que Dieu ne changera rien à cela. Et voilà qu'au verset **8**, Hénoch nous décrit le Ciel .Terreur et flammes ardentes et glaciales… cela ferait penser à l'enfer. Voyez qu'il est nécessaire de connaître ces choses. Nous glissons souvent si vite sur des réalités spirituelles. Par exemple, il est écrit dans la Bible que Dieu veut habiter dans l'obscurité. **1 Rois 8/12**. Cela peut sembler étrange, n'est-ce pas ? Dieu se montre comme Il veut et le « décor » change selon le besoin. Mais nos petites conceptions sont rapidement balayées. Ailleurs, Dieu Se manifestera dans un endroit très différent **Hénoch 71**. Mais c'est peut-être le même endroit qui change selon ce qui doit se passer ou ce qui vient de se passer. Par exemple, il n'y a pas trace d'aliment de vie, ou dans d'autres traductions d'agrément de vie ou de plaisir de vie. On le comprend, puisque c'était un endroit consacré à un jugement sans appel. (Mais sont-ce des « *endroits* » tels que nous pouvons le concevoir ave nos facultés limitées ?) Il nous faut avoir un regard prophétique sur les écrits sinon nous pouvons être troublés. Ne pas accorder crédit à tous les esprits et à toutes les apparences. L'ennemi se déguise. Souvenez-vous que tout est pur pour ceux qui sont purs. Ne craignez rien si vous avez été purifié par le Sang précieux de Jésus-Christ le Fils de Dieu. Vous ne pourrez pas être séduit par l'ennemi.

CHAPITRE 15

1. Alors, s'adressant à moi, Il me parla ainsi : Écoute, écoute sans crainte, ô juste Énoch, ô scribe de justice, approche, et écoute ma voix. Va, dis aux Veilleurs du ciel qui t'ont envoyé pour me prier pour eux : Vous deviez prier pour les hommes, et non pas les hommes pour vous !
2. Pourquoi avez-vous abandonné les saintes hauteurs du ciel, votre demeure éternelle, pour aller vous souiller avec des femmes ? Pourquoi vous êtes-vous épris des filles des hommes ; en avez-vous fait vos épouses ; avez-vous pratiqué avec elles les œuvres des enfants de la terre, et donné naissance à une race impie ?
3. Vous qui étiez des esprits célestes, en possession de la sainteté, de la vie éternelle,

vous vous êtes souillés avec des femmes ; vous avez travaillé aux œuvres de la chair, vous avez engendré dans le sang, vous avez agi comme ceux qui ne sont que de sang et de chair.
4. Eux, ils ont été créés pour mourir.
5. Voilà pourquoi je leur ai donné des femmes, afin qu'ils puissent cohabiter avec elles, engendrer des enfants qui perpétuent leur race sur la terre.
6. Mais vous, vous avez été créés de purs esprits dès le commencement, vous possédez une vie éternelle, vous n'êtes point sujets à la mort.
7. Aussi ne vous avais-je point donné de femmes, parce que, esprits purs, vous deviez habiter dans le ciel.
Luc20.35
8. Et maintenant les géants, qui sont le prix du commerce de l'esprit et de la chair, seront appelés sur la terre de mauvais esprits, et leur demeure sera sur la terre. Ils procréeront à leur tour de mauvais esprits, parce qu'ils tiennent au ciel par un côté de leur être, parce que c'est des saints Veilleurs qu'ils tirent leur origine. Ils seront donc de mauvais esprits sur la terre, et on les appellera esprits du mal. La demeure des esprits célestes est le ciel ; mais c'est la terre qui doit être la demeure des esprits terrestres qui sont nés sur la terre.
9. Les esprits des géants seront comme les nuages, qui apportent sur la terre les fléaux de toute espèce, la peste, la guerre, la famine
10. Et le deuil. Ils ne boiront ni ne mangeront, invisibles à tous les regards, ils s'insurgeront encore entre les hommes et les femmes : parce qu'ils ont reçu la vie dans les jours de destruction et de carnage. **11**. Et les esprits des géants, des Néphilim qui oppriment, détruisent, font irruption, combattent, brisent sur la terre et y font le deuil, ne mangent aucune nourriture et n'ont point soif, et sont inconnaissables. **12.** Ces esprits s'élèveront contre les enfants des hommes et contre les femmes, car ils sont sortis d'eux.

Commentaire du Chapitre 15.

Il y a donc une immense différence entre la nature des anges et celle des êtres humains. Quand la tradition nous dit que satan est un ange déchu, elle lui fait trop d'honneur. Il n'est pas un esprit supérieur à l'esprit de l'homme, mais un esprit inférieur que Dieu nomme 'serpent' ou 'dragon'. Des unions qui eurent lieu entre certains anges et certaines femmes, naquirent des êtres monstrueux, des géants. Ces êtres naissent, vivent et meurent. Mais leurs esprits sont condamnés à errer dans les régions de la terre. Ce sont ceux que Dieu appelle les 'mauvais esprits'. L'esprit des gens mauvais cherchent à s'attacher aux choses de la terre et l'esprit de ces géants aussi. Au Chapitre **106** et versets **14-18**, nous avons une information qui confirme le Chapitre **15**. Ces géants sont nés de la chair. Ils ne sont pas nés de l'esprit. Cela nous conduit dans **Jean 3** où Jésus dit que nous, les êtres humains descendants d'Eve, nous sommes aussi nés de la chair et que pour être sauvés, nous devons naître de nouveau, naître de l'Esprit. Qui pourra naître de l'Esprit ? En tout cas pas ceux de la race des géants. Il n'y a que ceux qui sont élus dès avant la fondation du monde qui peuvent naître de nouveau. **Eph 1/4**. D'après **Hénoch 106/17**, le déluge a été décidé à cause, principalement de cette corruption. Les géants sont des créatures de chair, mais une fois morts, ils deviennent ce que nous

appelons les 'mauvais esprits'. Ce sont eux qui cherchent à posséder les gens et en particulier ceux qui ont du pouvoir (politique, religieux, financier et artistique) Notre monde actuel est pris dans un tourbillon de gigantisme à cause de l'influence mauvaise de ces esprits de géants. Il y a eu beaucoup de mélanges entre les hommes et les femmes et entre les géants. Tous ces mélanges ont donné finalement ce que La Bible appelle la race d'Anak **Nombres 13/33** et les Réphaïm**, Deut 2/10-11**. Nous apprenons donc qu'au temps de Moïse, il y avait encore des géants. Ce sont ces êtres qui ont fait peur aux espions envoyés à Canaan par Moïse. Cette population habitait la montagne des Amorites **Deut 1/27-28**.Ils ont été exterminés par Josué et il n'en resta que dans la bande de Gaza, à Gat et Ashdod **Josué 11/21-22**. Anak était le fils d'Arba le plus grand des géants et seigneur de Qiryat-Arba, Hébron. **Josué 14/15, Juges 1/10 ; Josué 15/13-14. Josué 21/10-13.** Ces êtres, bien que dégénérés à cause des mélanges avec la race purement humaine, existent encore. Ils vivent en opposition contre Dieu et Son peuple. Et quand ils meurent, leurs esprits excitent encore les leurs et aussi les humains non régénérés par l'Esprit du Dieu vivant. Il nous faut la nouvelle naissance pour entrer dans le Royaume de Dieu. Il nous faut l'Esprit de prophétie pour discerner ces choses et ne pas se laisser séduire. Ces êtres ont un sens de la justice qui n'est pas celui de Dieu. Ils répandent la destruction, l'oppression, la corruption, le malheur et le deuil autour d'eux. Etant donné qu'ils ont quelque chose « d'angélique » en eux de par leurs pères, les anges déchus, ils sont généralement très religieux. Les influences néfastes qui se manifestent de plus en plus sur la terre viennent de ces esprits de mort. Et sous le quatrième Sceau, la mort et le séjour des morts s'en donnent à cœur joie pour détruire le quart de la population terrestre. « *Quand il ouvrit le quatrième Sceau, j'entendis la voix du quatrième Etre Vivant* (l'aigle) *qui disait : « viens ». Je regardais, et voici, parut un cheval d'une couleur pâle. Celui qui le montait se nommait la mort, et le séjour des morts l'accompagnait. Le pouvoir leur fut donné* (par Dieu) *sur le quart de la terre, pour faire périr les hommes par l'épée, par la famine, par la mortalité (le suicide, l'avortement légalisé), et par les bêtes sauvages de la terre* ». **Apoc 6/7-8**. C'est là où nous en sommes, nous qui vivons dans ce vingt et unième siècle de ravages furieux en tous genres. Mais si vous cherchez à vivre l'Eglise selon Jésus réconfortez-vous en vous souvenant que Jésus-Christ a dit : **Matt 16/18-19.** « *Et Moi Je te dis que tu es Pierre (*caillou*) et que sur ce Rocher (*le Rocher de la révélation que Pierre venait d'avoir*), Je bâtirai mon Eglise, et que les portes (*les influences*) du séjour des morts ne prévaudront point contre Elle. Je te donnerai les clefs du Royaume des Cieux* »… (et ces clefs, au nombre de quatre, Pierre les a utilisées le jour de la Pentecôte. **Actes 2/38**.

***1°** Repentez-vous*

***2°** Soyez baptisé au Nom de Jésus-Christ pour le pardon de vos péchés*

***3°** Recevez le Saint-Esprit*

4°** Et par plusieurs autres paroles il les exhortait et les conjurait disant : « sauvez-vous de cette génération perverse. Et tous ceux qui acceptèrent sa parole furent baptisés, vendirent leur biens, les mirent aux pieds des apôtres, et **vécurent en Communauté selon la volonté de Jésus exprimée dans **Luc 14/33. Actes 2 et 4.** Voir mon livre « Lamblore, le mystère révélé »

Regardez autour de vous et voyez que le seul refuge est la vraie Eglise de Jésus-Christ. Comme l'arche l'était au temps de Noé. Le monde est secoué sur ses bases. Pour le

moment, (en 2007) nous n'en sommes pas encore arrivés au temps où la terre va vaciller réellement et son axe sera changé. Cela commence doucement, le magnétisme de la terre ne sera plus comme il est. Cela commence déjà et nous en voyons des conséquences dans la nature. La vraie église lie et délie ici-bas, sur terre et cela devient effectif dans le ciel. Les dominations mauvaises résident dans les lieux célestes, juste au-dessus de nos têtes. **Eph 6/12**. Nous avons autorité sur ces principautés démoniaques, au Nom de Jésus-Christ. **Matt 16/18-19**. Nous verrons plus loin qu'Hénoch nous enseigne qu'il y a des jours et des moments où des « portes » s'ouvrent dans le ciel et que c'est dans ces moments que nous avons principalement à exercer notre autorité pour repousser l'ennemi derrière ses portes. Chasser des démons quand ils se manifestent dans une possession demande de la foi et une consécration profonde au Seigneur. Mais lier ou délier des gens qui sont sous l'influence des esprits des morts est une toute autre chose. Il faut encore pouvoir les démasquer dans la Lumière. Or le **Psaume 133** nous dit que c'est là où les frères et sœurs habitent ensemble que Dieu envoie Sa bénédiction. Les Chrétiens qui ne veulent pas se consacrer à vivre l'Eglise comme Jésus l'a voulue, s'exposent à bien des luttes et des dangers. Ces chrétiens-là sont ceux qui n'ont pas la réserve d'huile qu'il faut pour avoir de la Lumière au moment où l'Epoux reviendra, dans la nuit, dans les ténèbres qui viennent sur la terre.

Maintenant, il faut être très clair. Vivre en Communauté ne sauve pas.

Mais vivre en Communauté nous place sous une « protection-rapprochée » que Jésus donne à ceux qui Le suivent de très près. Et, il y aura plusieurs demeures dans la Maison du Père. Pour ceux qui seront entrés en utilisant les **quatre clefs**, il y aura des récompenses. Ceux qui auront voulu vivre leur vie sans se soucier de la **quatrième clef** auront leur récompense, et ils seront majoritaires. Certains pasteurs m'ont dit que ce livre d'Hénoch est bien, mais qu'étant donné qu'il n'apporte rien de plus que La Bible, il n'est pas nécessaire de l'étudier… Ils veulent ignorer que le livre d'Hénoch apporte la clef qui ouvre certains passages qui étaient restés obscurs durant des millénaires. A certains il est donné de connaître les mystères du royaume des cieux et à d'autres pas. **Matt 13/11**. Dans ce royaume, à l'heure actuelle, il y a des choses que Dieu finira par détruire. Il y a DES cieux et dans une partie de CES cieux, il y a des êtres malfaisants **Eph 6/12**. C'est contre eux que les vrais Chrétiens ont à lutter. Pour beaucoup cette réalité demeure un mystère. Pour celui à qui cela a été donné, il agit spirituellement, connaissant les règles du royaume DES cieux. Nous pouvons connaître les règles de notre Père qui est aux Cieux et connaître les règles imposées aux puissances mauvaises qui sont dans les lieux célestes qui sont leur réserve. Il y a, **dans le royaume des cieux** des choses mauvaises à rejeter. Les poissons de la Parabole de **Matt 13/47-51** ne sont pas des bons poissons, des bons esprits. Il y en a de la mauvaise espèce, ils seront rejetés, dans la fournaise ardente. Sur la terre, nous avons le pouvoir que Jésus nous a donné. Mais apprenons de Lui afin de recevoir de Lui davantage pour pouvoir Le louer avec des actions efficaces contre les esprits des géants et autres morts. Les esprits des géants sont devenus ce que nous appelons des démons. **Hénoch 19** nous raconte comment, une fois morts, ils errent sur la terre pour trouver des humains à corrompre en les conduisant à les adorer. Il y a trop de bricoleurs qui se lancent dans des exorcismes sans se rendre compte de ce qu'ils brassent. Ils ne connaissent pas les règles des mondes spirituels et s'improvisent chasseurs de démons, à tâtons. Ils sont en danger, mais ne le savent pas. Ils croient bien faire, mais se trompent souvent. Cela peut avoir des conséquences terribles sur leur vie et sur la vie de ceux qui se livrent à leur autorité plus ou moins abusive. Il faut aussi savoir que toutes les religions qui conduisent les gens à

se mettre à genoux devant des statues sont des religions sous l'emprise des esprits des géants morts. Ils ont des doctrines de démons. Babylone, la grande prostituée, est une habitation de démons et un repaire de toutes sortes d'esprits impurs. **Apoc 18/2-3**. Il y a donc des mauvais esprits et des démons. **Les démons sont les esprits des géants. Les autres mauvais esprits sont les esprits des humains qui sont morts en état de rébellion contre Dieu, Ils sont encore en rébellion contre Dieu, bien que mort**. Mais tous ceux qui meurent sans Dieu ne deviennent pas des mauvais esprits car il y a des rebelles qui le sont de leur vivant, mais qui se repentent quand l'Evangile leur est prêché dans le séjour des morts **1 Pierre 4/6**. Ceux-là, sortent du séjour des morts et vont dans les hauteurs à l'instar de ceux à qui Jésus est allé prêcher pendant les trois jours après Sa mort à la croix. **1 Pierre 3/18-19**. Après avoir prêché l'Evangile du salut, Il a emmené ceux qui étaient captifs dans le séjour des morts, dans les régions inférieures de la terre, dans les hauteurs avec Lui **Eph 4/8-10.** A ceux qui ne croient pas que les esprits des morts peuvent avoir une influence sur les vivants, je dirai seulement que **l'Apocalypse 6/8** nous dit que la mort et le séjour des morts sont lâchés sur terre <u>à notre époque</u> et que leur influence est terrifiante. (Nous étudierons cela plus tard...)

Je dirai aussi que La Bible parle de personnes qui ont en elles l'esprit d'un mort **Lév 20/6 et 27.** Et pour finir que c'est contre le séjour des morts que la vraie Eglise lutte en liant et déliant. **Matt 16/8-19.** Il reste le problème de Job qui affirme que les morts ne reviennent pas **Job 7/9, Job 10/21-22, Job 16/22.** Les chrétiens mal affermis dans l'Ecriture disent que c'est là la preuve que les morts ne peuvent pas revenir. Ils oublient simplement que Dieu a repris assez sévèrement Job qui divaguait dans sa souffrance. Lisez cela dans **Job 38/2, Job 40/2, Job 42/2** et voyez comment Job s'humilie, disant : « oui, j'ai parlé sans les comprendre de merveilles qui me dépassent et que je ne conçois pas. » **Job 42/3**. Nous ne pouvons donc pas prendre tout ce que Job dit pour en faire une doctrine. De même pour l'Ecclésiaste qui était un homme déchu qui se contredisait très souvent et n'était pas en position de nous enseigner la vérité pure. Souvenez-vous d'**Apoc 6/8** et **Matt 16/8-9** et voyez vous-même contre qui vous avez à lutter. Lisez aussi **1 Sam 28/3-22**. Ceux qui disent que ce n'est pas Samuel qui est venu parler à Saül ne se basent sur rien de Biblique. Simplement ils sont des ignorants qui répètent ce que d'autres ignorants ont dit avant eux, et ils ne veulent pas apprendre autre chose que ce qu'ils croient savoir.

CHAPITRE 16

1. Lors de la mort des géants, quelque part qu'aillent leurs esprits lorsqu'ils abandonneront leur corps, ces esprits procédant de leur âme charnelle séviront impunément. Ils séviront ainsi jusqu'au jour de la consommation, du grand jugement, où s'accomplira le Grand siècle. Ils seront exterminés au jour de la grande consommation de l'univers ; alors les Veilleurs (infidèles) et les impies seront détruits pour toujours.

Mat.8:28-29
2. Quant aux Veilleurs, qui t'ont envoyé pour m'implorer pour eux,
3. Dis-leur, à ces 'intelligences' célestes : Vous avez eu le ciel pour demeure ; mais les secrets d'en haut ne vous ont pas tous été révélés ; cependant vous avez connu un secret futile.
4. Et vous l'avez dévoilé aux femmes de l'homme dans les mouvements de votre cœur, et par là vous avez multiplié le mal sur la surface de la terre.
5. Dis-leur donc : Jamais vous n'obtiendrez grâce, ni jamais vous ne recevrez la paix !

Commentaire du Chapitre 16.

Dans tous les manuscrits qui existent à ce jour le verset **1** est corrompu à la première ligne. Cela vient du fait que les religieux qui traduisent ne savent pas que **l'âme est le résultat de la fusion entre l'esprit et le corps**. Ils sont dans la confusion en ce qui concerne l'esprit et l'âme. Or La Bible est claire quand nous lisons comment Dieu créa le premier homme. Il forma une statuette de terre et souffla un esprit dans cette statue. Cette statue devint alors un être vivant. Le mot âme signifie être-vivant. **Gen 2/7**. Jésus est le sauveur de l'âme, c'est-à-dire de l'être vivant qui résulte de la fusion entre l'esprit que Dieu a donné et du corps. L'Ecclésiaste dit clairement qu'à la mort, l'esprit retourne à Dieu qui l'a donné et le corps retourne à la poussière d'où il vient. **Eccl 12/9**. C'est pourquoi j'ai enlevé le mot âme au **verset 1** et je l'ai remplacé par le mot esprit. (Les traducteurs sont aussi généralement dans la confusion entre l'Esprit et l'esprit…) Comment voulez-vous qu'ils comprennent quelque chose aux choses de l'esprit ? La plupart ne sont même pas nés de nouveau... Nous apprenons que les choses que ces anges déchus ont révélées sont futiles. Les choses futiles sont des choses dénuées de valeurs. Il peut sembler étrange que ces anges aient trouvé dans le ciel des choses dénuées de valeur… Mais nous le comprenons mieux quand nous voyons comment Dieu a créé le monde. Ce qui n'a pas beaucoup de valeur est souvent très abondant. Le sable est très abondant, par contre l'or l'est moins. Les pierres précieuses sont plus rares que les cailloux des chemins. C'est aussi pourquoi nous comprenons que Dieu Se garde toujours un « petit-reste » dans Son peuple, ceux qui ont été purifiés comme l'or dans le creuset des épreuves. Les esprits méchants ont donc révélé des choses futiles, dénuées de valeurs. Ces esprits sont **méchants** dans le sens français du mot qui veut dire **mal tomber**. En effet le mot méchant vient du vieux français 'méchoir' = mal tomber. Souvenez-vous que je vous disais que les 'géants' sont ces êtres qui nous « tombent dessus ». En cela ils sont 'méchants' comme le sont les Nicolaïtes qui dominent sur le peuple, qui nous **tombent dessus** avec leur autorité abusive. **Apoc 2/6**. Par exemple : ceux qui courent après les richesses périssables de ce monde courent après des choses futiles. En effet l'homme ne vivra pas de pain seulement mais de toute Parole qui sort de la bouche de Dieu. Il y a des doctrines de démons. Par exemple, le Nicolaïsme n'était au début de l'ère chrétienne qu'une œuvre que Jésus haïssait. **Apoc 2/6.** Cette œuvre est devenue rapidement une doctrine. **Apoc 2/15**. « *…L'Esprit dit expressément que, dans les derniers temps, quelques-uns abandonneront la foi, pour s'attacher à des esprits séducteurs et à des doctrines de démons, par l'hypocrisie de faux docteurs portant la flétrissure dans leur propre conscience ; ils prescrivent de ne pas se marier, et de s'abstenir d'aliments que Dieu a créés pour qu'ils soient pris avec actions de grâce par ceux qui ont été fidèles et qui ont connu la vérité*. » **1Tim 4/1-4**. Sans même avoir besoin de chercher parmi les religions

païennes, nous avons la description parfaite de ce que sont ces doctrines démoniaques et qui se prétendent d'inspirations chrétiennes…Toutes les religions qui ont un Nicolaïte à leur tête sont inspirées par des démons. Les religions dans lesquelles les fidèles vénèrent un homme ou un groupe d'hommes, sont d'origine démoniaque. Il arrive que l'homme qu'elles vénèrent soit décédé. Cet homme pouvait être un authentique serviteur de Dieu. Mais, séduits par des esprits impurs, des gens influents, portant en eux-mêmes la flétrissure dans leur conscience, ont tendance à déifier cet homme au lieu de glorifier Jésus-Christ. Ils attachent ainsi des pauvres gens dans un 'culte' de la personnalité. Ce n'est rien d'autre que de l'idolâtrie. D'autres se font littéralement adorer de leur vivant. Si vous osez leur tenir tête, ils vous maudissent, vous excommunient, vous menacent des foudres de l'enfer. En général, cette sorte de personne est très légaliste. Cette sorte de personne est également frustrée affectivement et cherche un public qui les aime inconditionnellement. C'est typiquement démoniaque. Il y a une multitude de sectes qui fonctionnent comme cela. A commencer par l'église catholique.

Il y a tous ces prêcheurs qui vendent les bénédictions. Ils pervertissent la Parole de Dieu qui dit de semer en vue de récolter. Ils séduisent si bien leurs auditoires composés, pour la plupart de chômeurs, de retraités et de simples ouvriers, qu'ils récoltent beaucoup d'argent en les pressurisant par des collectes à répétition. Et ces pauvres gens reviennent toujours les écouter et leur donner encore et encore leur argent. Cela frôle la maladie mentale. Ces gens sont **attachés, liés**, par des esprits séducteurs comme le dit le Texte de **1 Tim 1/1-4**. Il y a aussi ceux qui prétendent que le Saint-Esprit agit puissamment en faisant tomber les gens par terre pour la plus grande gloire de Dieu. Si encore ces gens, en se relevant étaient guéris de leurs maux, je me tairais. Mais ce n'est pas le cas. Il est flagrant de voir que les foules courent après ces faux docteurs ; ils aiment les fables. C'est encore un signe des temps… Les esprits des géants séduisent plus que jamais ceux qui n'aiment pas la vérité. Nous sommes cernés par les vierges folles. Vierges, purifiées par le Sang de Jésus, **oui**, **mais folles**. Et je terminerai sur ce triste sujet en parlant des pépères (ou mémères) semi-débiles qui tiennent des 'réunions de cuisine' et entretiennent avec leurs 'fidèles' des relations où tout est basé sur des soi-disant prophéties et des interprétations erronées des Ecritures. Ces gouroux en mal de puissance ont en général un petit troupeau qui suit leurs divagations en bêlant qu'ils sont les seuls à connaître la vérité. C'est pitoyable. Mais c'est surtout démoniaque. Tout ce monde aux 'allures religieuses' est en fait un monde séduit par des démons. La mère de tous ces groupes se nomme spirituellement la Grande Babylone. Il s'agit de l'église catholique. **Apoc 17/5**. « Elle est devenue une habitation de démons, un repaire de tout esprit impur et odieux, parce que toutes les nations ont bu du vin de la fureur de sa débauche ; que les rois de la terre se sont livrés avec elle à la débauche, et que les marchant de la terre se sont enrichis par la puissance de son luxe. (…) Sortez du milieu d'elle Mon peuple, afin que vous ne participiez pas à ses péchés, et que vous n'ayez point de part à ses fléaux ». **Apoc 18/2-4.** Ces esprits de géants sont les ennemis jurés de l'humanité et en particulier des vrais chrétiens. Mais qui enseigne ces choses ?

CHAPITRE 17

1. Puis ils m'enlevèrent dans un endroit où il y avait des occupants qui devenaient comme un feu dévorant ; et où, selon leur bon plaisir, ils prenaient la ressemblance de l'homme.
2. Ils me conduisirent sur un lieu élevé ténébreux, de tempêtes, sur une montagne dont le sommet s'élançait dans les cieux.
3. Et je vis les trésors des éclairs et du tonnerre aux extrémités de ce lieu, dans l'endroit le plus profond. Il y avait là un arc de feu, et de flèches dans un carquois, et une épée de feu et toute espèce d'éclairs.
4. Puis ils me transportèrent auprès d'une eau jaillissante, et du côté de l'occident, vers les feux du soleil couchant. J'arrivai à une rivière de feu qui coulait comme de l'eau et se jetait dans la grande mer du couchant.
5. Je vis tous les grands fleuves, et j'arrivai bientôt au milieu des noires ténèbres ; dans ces lieux où aucun chair ne chemine ; je vis les montagnes de ténèbres qui produisent l'hiver, et l'endroit d'où l'eau s'écoule dans leurs abîmes respectifs.
6. Je vis aussi l'embouchure de tous les fleuves du monde, et l'embouchure de l'abîme.

Commentaire du Chapitre 17.

Nous lirons plus loin, aux chapitres **20 à 36**, beaucoup plus de choses concernant tout ce que ce chapitre **17** nous révèle. N'oubliez pas que nous sommes dans le monde de l'Esprit. Hénoch emploie des mots pour que nous comprenions un peu ce qu'il a vu dans le monde de l'invisible. C'est une dimension différente de la nôtre. Nous croyons vivre dans 4 dimensions ici-bas. Les trois dimensions des volumes : **hauteur, largeur, longueur**. Il y a aussi ce que nous appelons la dimension du **temps**. Le temps est en fait ce qu'il nous faut pour aller d'un point à un autre point des trois dimensions. Car nous ne voyageons pas comme les esprits à cause de notre limitation charnelle. Dans ce que nous venons de lire, nous sommes dans une dimension que nous ne pouvons pas comprendre. Elle ne s'entrevoit que dans les symboles. C'est aussi le monde des songes, des intuitions. Nous ne pouvons pas voir, nous ne pouvons que discerner. Hénoch visite l'endroit où vont les morts. Un endroit de ténèbres. C'est donc l'endroit où vont les esprits ténébreux. Ils y vont d'eux-mêmes, car ils fuient la Lumière de Dieu. Ils la fuyaient déjà sur terre, étant morts ils ne font que ce qui est selon leur nature. Ils y vont, emportés par la foule, comme par de grandes eaux d'un fleuve qui se déverse irrésistiblement vers le bas. Ces esprits, dans cet endroit, ont le pouvoir de se transformer en homme. (Pas étonnant que ces esprits ont pu avoir des relations sexuelles avec des femmes). Le serpent ancien qui est devenu un esprit depuis sa mort peut se transformer comme La Bible le dit dans **2Cor 11/14**. Job nous dit que les étoiles du matin et les fils de Dieu chantent d'allégresse. Les étoiles sont donc le symbole des anges. Dans ce Texte de Job, on distingue deux sortes d'êtres qui acclament Dieu

pendant qu'Il crée le monde. Les étoiles et les fils de Dieu sont des esprits. Nous reviendrons là-dessus plus loin. En tout cas, ils sont des êtres qui existaient avant la création du monde puisque nous les voyons acclamer Dieu pendant la création. Nos esprits étaient parmi les fils de Dieu à ce moment-là. **Les enfants de Dieu ont toujours été enfants de Dieu**. C'est juste notre incarnation qui est une chose nouvelle. Notre esprit est éternel. Nous développerons cela plus loin. (Voyez aussi mon livre « Lamblore, le mystère révélé) Les tonnerres qu'Hénoch voit sont les jugements qui attendent les habitants de la terre. Les tonnerres symbolisent la voix de Dieu. Il y a sept tonnerres qui doivent faire entendre leur voix **Apoc 10/3**. Les quatre Etres Vivants qui sont autour et sur le trône de Dieu ont des voix comme des voix de tonnerre. **Apoc 6/1**. Les éclairs vont de pair avec les tonnerres, ils représentent l'énergie de jugement ou de résurrection qui se manifestent en même temps que la voix de Dieu. L'abîme qu'Hénoch voit est le lieu dans lequel sont chassés les esprits punis par Dieu. C'est là que tout serviteur de Dieu doit chasser les mauvais esprits. L'arc de feu symbolise ce qui envoie la Parole de Dieu, c'est-à-dire : Ses anges célestes et ses anges terrestres. Le mot « ange » signifie « envoyé » ou « apôtre ». Les flèches sont Ses Paroles et les carquois sont les contenants de Sa Parole c'est-à-dire : La Bible **et** tous les Ecrits des prophètes comme le livre d'Hénoch, et scribes inspirés. Le glaive symbolise la parole tranchante de Dieu. On ne discutera pas au jour où Ses jugements seront prononcés. Les eaux de la Vie sont ce qui a trait à la vie de Dieu Lui-Même, de Son Esprit et des esprits qui Lui appartiennent. Le feu du couchant c'est l'entrée dans l'éternité merveilleuse et glorieuse. Le fleuve de feu est l'endroit où seront jetés le diable et tous ceux qui l'auront suivi sur terre, consciemment ou inconsciemment. **Apoc 20/10. Apoc 20/15.** Les grands fleuves qu'Hénoch voit sont les fleuves d'humains qui se déversent chacun dans l'endroit qui lui est réservé. Car comme il y a plusieurs demeures dans la Maison du Père, il y a aussi plusieurs endroits où passer l'éternité dans les tourments. Ce ne sera pas pour tout le monde la même chose. Les fleuves qui battent des mains dans **Psaume 98/8** sont visiblement des foules de personnes sauvées qui se réjouissent du jugement de Dieu.

CHAPITRE 18

1. Puis j'arrivai aux réservoirs de tous les vents, et je remarquai comment ils servaient à l'ornement de la terre, et à la conservation des fondements de la terre.
2 Sam 22:16 ; Ps 18:15-16
2. Je vis la pierre qui supporte les angles de la terre.
Job 26:11 ; 36:27-29 ; 38:6-7
3. Je vis aussi les quatre esprits qui soutiennent la terre et le firmament du ciel.
4. Je vis les esprits qui soufflent dans les hauteurs du ciel ;
5. Ceux qui s'élèvent entre le ciel et la terre, et qui forment les colonnes du ciel.
6. Je vis les vents qui font tourner le ciel et entraînent dans leurs orbites le soleil et les étoiles ; et, au-dessus de la terre, je vis le vent qui supporte les nuages.
7. Je vis la voie des anges.

8. Je vis, de l'extrémité de la terre, le firmament du ciel qui pèse sur elle. Alors je me tournai vers le midi.
9. Là brûlaient nuit et jour sept montagnes de pierres précieuses, trois du côté de l'orient, trois du côté du midi.
10. Celles du côté de l'orient se composaient de pierres de diverses couleurs ; de perles et d'antimoine ; celles du côté du midi étaient de pierres rouges. Celle du milieu s'élevait jusqu'au ciel comme le Trône de Dieu ; elle était en albâtre et le haut du Trône en saphir. Je vis aussi le feu ardent qui brûlait derrière les montagnes. Au-delà des ces montagnes, se trouve la limite de la Grande Terre : c'est là que les cieux seront repliés. J'ai vu un gouffre béant entre les colonnes de feu céleste. J'ai vu parmi elles des colonnes de feu qui s'enfonçaient et dont on ne pouvait mesurer ni la hauteur ni la profondeur. **Ézé 1:26.**
11. Là aussi je vis dans une région immense le lieu où les eaux étaient rassemblées.
12. J'y vis aussi les sources de la terre, cachées dans les colonnes embrasées des cieux.
13. Et dans ces colonnes du ciel je vis des feux qui jaillissaient sans nombre, mais ni en haut ni en bas. Au-dessus de ces sources, je vis un endroit qui n'avait ni le firmament au-dessus, ni la terre au-dessous, il n'y avait pas non plus d'eau ; et rien à droite ni à gauche ; c'était une plage déserte.
14. Et là j'aperçus sept étoiles, brillantes comme des montagnes de feu, ou comme de sublimes esprits.
15. Alors l'ange dit : cet endroit sera jusqu'à la consommation du ciel et de la terre la prison des étoiles et des armées du ciel.
16. Ces étoiles qui roulent au-dessus du feu sont celles qui ont transgressé les commandements de Dieu, avant la fin de leur épreuve car elles ne sont pas venues en leur temps. Aussi les a-t-il enchaînées dans ce lieu, jusqu'à ce qu'elles aient expié leur crime dans l'année mystérieuse. Dix mille ans.

Commentaire du Chapitre 18.

Ce qu'Hénoch nomme le « réservoir des vents » est en réalité la puissance retenue du monde des anges. Les fondements de la terre sont l'Amour, la Vérité, la Paix et la Justice. Mais il nous faut aussi comprendre que tout ce qui est dans le monde spirituel a son pendant dans notre monde matériel. Nous savons aujourd'hui que des forces magnétiques tiennent tout l'univers et en particulier notre galaxie dans un bon équilibre. Hénoch parlait des vents pour symboliser les anges. Jean parlait de Lumière pour symboliser Jésus. Nous savons aujourd'hui que la lumière est **énergie**. Mais si nous disons que Jésus est énergie, nous risquons de ne pas être compris correctement. Les sectes new-âge et compagnie emploient ces termes et nous devons nous différencier d'eux car ils donnent aux mots des valeurs qui ne sont pas les nôtres. De la même façon, nous évitons d'employer des mots à consonance trop Catholiques afin de ne pas induire les lecteurs dans l'erreur. Nous garderons donc la symbolique des Ecrits Saints. Nous trouvons ici quatre Etres vivants qui sont certainement ceux d'**Apoc 7/1.** Quant au verset **10**, Hénoch nous dit qu'il a vu le Trône en saphir, Ezéchiel nous dit qu'il a vu une pierre de saphir en forme de Trône et que sur cette forme de trône apparaissait comme une figure d'homme placé dessus en haut **Ezech 1/26.** Là, nous entrons dans les mystères que les Chrétiens ne cherchent même pas à connaître. Les différentes

demeures dans la Maison du Père **Jn 14/2**. Il y a sept montagnes qui sont les sept endroits du paradis pour les Chrétiens. La montagne du milieu est la Nouvelle Jérusalem qui est réservée aux vainqueurs des sept âges de l'Eglise **d'Apoc 2 et 3**. Au verset **10** Hénoch nous parle de la Grande Terre. Elle est le paradis des gens qui ont vécu du mieux qu'ils pouvaient sous la loi de Moïse et de ceux qui auront été sauvés dans le séjour des morts **1Pierre 4/6**. Ces gens seront des graciés, mais qui l'auront été sans se mettre, de leur vivant, sous le Sang purificateur de Jésus-Christ. Il y aura aussi avec eux, des gens sortis de la grande tribulation. Cette Grande Terre sera la Nouvelle Terre dont nous parle Jean dans **Apoc 21/1**. Sur cette Grande Terre descendra la Nouvelle Jérusalem qui aura des mesures extraordinaires. La base de cette montagne, ou pyramide, que sera la Nouvelle Jérusalem sera de 2200 kilomètres **Apoc 21/16-17**. Et elle sera aussi haute que large. Cela nous donne une idée du 'pourquoi' la Nouvelle Terre sera Grande. Jean nous dit que les gens de la Grande Terre seront organisés en nations et qu'ils apporteront à la Nouvelle Jérusalem, leur gloire et leur honneur **Apoc 21/24**. Les gens de la Grande Terre y viendront aussi pour recevoir la guérison **Apoc 22/2**. Ces gens-là seront les serviteurs de Dieu et non l'Epouse qui elle, habitera la Montagne, la Pyramide, la Nouvelle Jérusalem. Il y a aussi les six autres montagnes qui seront six villes qu'habiteront les gens qui auront été trouvés dignes. Ils seront les proches amis de l'Epoux. Il y a plusieurs demeures dans la Maison de Mon Père, nous a dit Jésus.

CHAPITRE 19

1. Alors Uriel s'écria : Voici les anges qui ont cohabités et se sont unis avec les femmes, Ils ont pris de nombreuses apparences et se sont désignés des chefs.
2. Ils ont souillé les hommes, multiplié parmi eux les erreurs, au point de leur faire faire des sacrifices aux démons, comme à des dieux. Mais au grand jour, ils seront jugés et ils périront, et leurs femmes avec eux, parce qu'elles ont séduit les anges et se sont laissés séduire sans résistance. Elles deviendront des sirènes.
3. Et moi, Énoch, moi seul, j'ai vu la fin de toutes choses, et il n'a été donné à personne de la voir comme moi.
1 Pierre 4:7

Commentaire du Chapitre 19.

Les gens qui se prosternent devant des statues et leur parlent, les invoquent, se prosternent et invoquent des démons. Derrière ces statues se cachent malicieusement des démons aux allures religieuses qui se font un malin plaisir de détourner les humains de la véritable adoration. Car Dieu cherche des adorateurs en esprit et en vérité **Jn 4/23**. Ce sont des esprits menteurs qui donnent à leurs adorateurs toutes les bonnes raisons de

continuer à les adorer. L'adoration devant des statues est une prostitution spirituelle aussi grave que la prostitution physique que pratiquèrent des anges et des femmes en **Genèse 6**. Voilà pourquoi l'église catholique est appelée la grande prostituée. Elle encourage ses fidèles à pratiquer le culte des images et des morts, donc… des esprits mauvais et des démons. Les gens sincères ne se rendent pas compte de la somme de malédictions qu'ils amassent sur leurs têtes en se soumettant à cette idolâtrie christianisée. Ils sont sincères, mais sincèrement dans l'erreur. Et dans une erreur extrêmement sombre. Protester contre ces pratiques peut sembler être du sectarisme, pourtant il n'en est rien. C'est juste une question de vie ou de mort. « *Sortez du milieu d'elle* (nous dit Jean dans l'Apocalypse) *afin que vous ne participiez pas à ses péchés, et que vous n'ayez point de part à ses fléaux. Car ses péchés se sont accumulés jusqu'au ciel et Dieu s'est souvenu de ses iniquités. Payez- la comme elle a payé, et rendez-lui au double selon ses œuvres. Dans la coupe où elle a versé, versez-lui au double. Autant elle s'est glorifiée et plongée dans le luxe, et autant donnez-lui de tourments et de deuil.* » **Apoc 18/4-7**. Et lisez la suite de la malédiction qui est sur elle et sur ceux qui se livrent avec elle à toutes ses abominations. Dans **Hénoch 96/2** nous apprenons que les sirènes pleurent et gémissent. En Afrique la « reine des eaux » est un démon qui séduit sexuellement. Elle est la sirène de nos légendes. Les Africains trouvent très étranges que nous faisions de la sirène un personnage pour amuser nos enfants. Ils l'appellent « Mamy Ouata ». D'après Hénoch, elles sont les femmes qui ont fauté avec les anges.

CHAPITRE 20

1. Voici le nom des anges qui veillent.
2. Ouriel (Uriel), un des saints anges, qui est préposé au monde et au Tartare. (à la terreur)
3. Raphaël, un des saints anges qui est préposé aux esprits des humains.
4. Ragouel, un des saints anges, qui punit le monde des luminaires. (et les luminaires)
5. Michael, (Michel) un des saints anges qui est préposé aux hommes vertueux et aux nations. (peuple)
6. Sariel (Saraqiel), un des saints anges qui est préposé aux esprits des hommes qui pèchent contre les esprits.
7. Gabriel, un des saints anges, qui est préposé au Paradis, aux dragons et aux Kéroubîms. (Chérubins)
8. Remiel, l'un des saints anges, est chargé par Dieu du soin des ressuscités]

Commentaire du Chapitre 20.

Ces sept anges ne sont pas les sept anges **d'Apoc 2** et **3**. Les sept anges d'**Apoc 2** et **3** sont des anges-terrestres. C'est-à-dire : des envoyés, des apôtres. Le mot ange signifiant envoyé, ou apôtre. Jean n'a pas écrit à des anges célestes mais à des envoyés de Dieu, (à des anges terrestres). A des hommes qui avaient été envoyés par Dieu aux sept églises comme pasteurs. Ces anges sont aussi les sept envoyés de Dieu qui ont marqué leur époque durant les sept âges de l'église. (Voir mon livre 'Lamblore, le mystère révélé) Nous savons par exemple que Michel est un archange. **Jude 1/9**. Or les sept anges d'Apoc **2 et 3** sont des anges et non des archanges. Là, Hénoch voit les sept anges principaux, les sept archanges. Le préfixe '**arch**' signifiant '**super**'. C'est à la voix d'un archange, juste après le signal donné, que la trompette de Dieu sonnera pour l'enlèvement de l'Epouse de Christ sur les nuées du ciel. **1 Tess 4/16**. **Daniel 10/21** nous montre Michael qui s'occupe en effet des nations comme nous le dit **Hénoch 20/5**. Nous rencontrerons ces archanges tout au long du livre d'Hénoch. On les trouve souvent en groupes. En **Hénoch 71/13** il y a un nom qui ne se trouve pas dans la liste du Chapitre **20**. C'est le nom de Phanuel. Par contre on ne retrouve jamais Saraquiel dans le livre d'Hénoch. On le retrouve en **Hénoch 9/1** sous le nom de Sariel. Phanuel est peut-être un autre nom donné à un des archanges cité au **ch 20**… ? Il y a peut-être un huitième archange… j'en doute. Il faut aussi savoir que certains manuscrits omettent Phanuel…

CHAPITRE 21

1. Je fis ensuite un long circuit pour arriver à un lieu désert qui était préparé où rien n'était au complet, c'était le chaos.
2. Je ne vis là ni l'œuvre admirable du ciel élevé, ni la terre et ses merveilles ; ce n'était qu'un lieu informe et terrible.
3. Là aussi je vis sept étoiles enchaînées les unes aux autres, comme de grandes montagnes, comme des feux embrasés. Et je m'écriai à cette vue : Pour quel crime ces étoiles sont-elles enchaînées ; pourquoi ont-elles été reléguées dans ce lieu ? Alors Uriel, un des saints anges qui était avec moi et qui me servait de guide, me répondit : « Hénoch, pourquoi cette question ? Pourquoi cette inquiétude, cette anxiété ? Ces étoiles ont transgressé le commandement du Dieu Très-Haut ; et pour expier leur crime, elles ont été enchaînées, dans ce lieu pour un nombre infini de siècles. Jusqu'à ce que dix mille ans soient accomplis, nombre des jours de leurs péchés.
4. De là je passai dans un autre lieu de terreur :
5. Là je vis l'œuvre d'un feu immense, ardent et dévorant, au milieu duquel il y avait une fissure allant jusqu'à l'abîme. Et des colonnes de feu se combattaient entre elles et elles s'enfonçaient dans l'abîme. Et il me fut impossible d'évaluer ni sa grandeur, ni sa

hauteur ; je ne pus pas non plus connaître son origine. Et je m'écriai encore à cette vue : Quel lieu terrible ! Qu'il est difficile d'en sonder les mystères.
6. Uriel, un des anges qui étaient avec moi, me répondit et me dit : « Hénoch, pourquoi ces alarmes, pourquoi cet étonnement à la vue de ce lieu terrible, à la vue de ce lieu de souffrance ? C'est ici, ajouta-t-il, la prison des anges ; et ils y seront enfermés à jamais ! »

Commentaire du Chapitre 21.

Ces étoiles qui n'ont pas obéi sont des astres qui sont des êtres créés par Dieu mais qui, comme certaines autres créatures, se sont rebellées.

Ces étoiles seront liées là où le diable sera lié pendant 1000 ans. **Apoc 20/1-3.** Ensuite, il sera relâché pour un peu de temps avec toutes sortes d'entités rebelles à Dieu. Elles seront nombreuses comme le sable de la mer. Mais Dieu les jettera dans l'étang de feu qu'Hénoch a vu, là où il y a la fissure. **V5**. **Apoc 20/10**. Quand vous regardez les étoiles, ne pensez pas qu'elles ne sont que des masses de matières qui tournent dans l'univers. Tout ce qui existe a une forme de vie. Toute matière est vivante. Nos cailloux terrestres sont vivants. Pas de la vie que nous avons nous, les humains. Mais si vous mettez un caillou sous un microscope très puissant, vous verrez les atomes et toutes ces choses qui bougent et vivent. Il y a de l'intelligence dans tout ce qui existe. Dieu ne crée rien de mort. La mort est une malédiction prononcée sur ce qui vit dans la rébellion. La mort sera la dernière chose que Dieu détruira. **1 Cor 15/26**. Et alors la vie sera éternelle, délivrée de la malédiction jetée actuellement sur la création. Un lieu a été préparé par Dieu pour y jeter toute ces formes de vies rebelles. **Matt 25/41**. Contrairement à la croyance populaire, le diable n'accueillera personne dans ce lieu horrible. Il y sera jeté comme on jette ce dont on veut se débarrasser définitivement. Ceux qui auront marché dans la rébellion contre Dieu y seront jetés de la même manière. Et personne ne pourra élever sa voix en disant que ce n'est pas juste. Ce sera parfaitement juste. Ce n'est que la bêtise et la méchanceté de l'être humain qui le tiennent dans la rébellion et le manque de respect de Dieu et de tout ce qui Le concerne. Voyez la bêtise humaine qui s'acharne à détruire la création. Combien de souffrances imposées à l'homme par la bêtise et la méchanceté. Combien de souffrance imposée à tout ce qui vit sur la terre. La destruction des méchants sera acclamée par les Saints. Le sentimentalisme à quatre sous n'aura plus court pour les récidivistes de la méchanceté et de la bêtise. Pour le moment, les Chrétiens sont appelés à bénir, à prier pour ceux qui les persécutent. Les chrétiens sont appelés à tendre la joue droite à ceux qui les frappent sur la joue gauche. Pour le moment nous sommes appelés à rendre le bien pour le mal qu'on nous fait. Pour le moment Dieu veut que nous donnions une chance à tous de s'approcher du Dieu d'amour en étant patient et gentil. Mais le jour vient où Dieu dira : « **c'est assez !** » Et tous ces ingrats, ces irrespectueux, ces religieux assassins, ces méchants de tous poils et ces crétins malfaisants seront jetés dans ce lieu. Hénoch a vu ce lieu. Il nous en parle pour que nous sachions qu'il existe. Parlons-en autour de nous. La crainte de Dieu est le commencement de la sagesse**. Prov 1/7**.Que ceux qui doivent entendre, entendent. Et pour ceux qui ne veulent pas suivre Jésus… eh bien !… ils se rappelleront qu'ils ont choisi leur part, et ils n'auront pas à se plaindre.

CHAPITRE 22

1. De là, je m'avançai vers un autre lieu, où, du côté de l'occident, je vis une grande et haute montagne, un rocher escarpé, et quatre cavernes s'y ouvraient.
2. À l'intérieur, ces lieux étaient profonds, spacieux, lisses et égaux, mais d'une profonde obscurité. Trois de ces cavernes étaient ténébreuses, la quatrième était lumineuse avec une source d'eau au milieu. J'ai dit : « Que ces cavernes sont lisses ! Qu'elles sont profondes et ténébreuses ! »
3. Alors Raphaël, un des saints anges qui m'accompagnait, me dit : « Ces cavernes doivent rassembler les esprits des âmes des morts ; c'est pourquoi elles ont été créées ; toutes les âmes humaines y seront assemblées.
4. Ces cavernes sont destinées à être leur prison, c'est ainsi qu'elles ont été créées ; ils y séjourneront jusqu'au jour où ils seront jugés, jusqu'au moment du jour final, celui du grand jugement qui sera exercé sur eux ».
5. J'ai vu là l'esprit d'un mort qui accusait et sa plainte montait jusqu'au ciel. Il criait et accusait.
6. Alors j'interrogeai Raphaël, le saint Veilleur qui m'accompagnait, et je lui dis : « À qui appartient cet esprit qui accuse ainsi et dont la voix accusatrice monte vers le ciel ? »
7. Il me répondit : « C'est la voix de l'esprit d'Abel, qui a été tué par son frère Caïn, et qui l'accusera jusqu'à ce que sa race soit exterminée de dessus la face de la terre ».
Gen 4:10 ; **Genèse 4/17** (la race de Caïn) à noter que Caïn n'est pas d'Adam et ne figure pas dans sa généalogie **Gen5/1-3**. Il est à noter que Jean dit que Caïn n'est pas d'Adam mais du malin **1 Jn 3/12**. Note du Rév M.Genton.
8. Jusqu'à ce que sa race soit effacée du milieu des hommes. (La race de Caïn est la postérité du serpent **Gen 3/15.** Note du Rév. M. Genton).
9. Alors je l'interrogeai : « Pourquoi les cavernes sont-elles séparées les unes des autres ? » Il me répondit :
Luc 16:26 nous parle d'un abîme qui sépare le séjour des morts en deux.

Il y a des variantes assez importantes entre la version éthiopienne et la version greque.
Je vous donne donc les deux versions. (Note du Rév. M.Genton.)

VERSION ETHIOPIENNE.

Ces trois ont été faites pour séparer les autres esprits des morts. Celle-ci est séparée pour les esprits des justes, celle où est la source d'eau lumineuse.

10 Celle-ci a été créée pour être celle des pécheurs lorsqu'ils meurent et qu'ils sont ensevelis dans la terre, et qu'un jugement n'a pas eu lieu sur eux dans leur vie.

11 Là sont mises à part leurs âmes pour ce grand châtiment, jusqu'au grand jour du jugement, des châtiments et des tourments des maudits pour l'éternité, pour qu'ait lieu la rétribution des esprits. Là Il les enchaînera pour toujours.

12 Celle-ci a été séparée pour les âmes de ceux qui sollicitent, qui font connaître leur perte, lorsqu'ils ont été tués dans les jours des pécheurs.

13 Et celle-ci a été créée pour les âmes des hommes, de tous ceux qui ne seront pas purs, mais pécheurs, impies, et qui auront part avec les sans-loi. Mais leurs esprits, parce que ceux qui ont été opprimés ici-bas sont moins châtiés, ne seront pas punis au jour du jugement et ne seront pas ressuscités d'ici.

VERSION GREQUE

Ces trois cavités ont été faites pour séparer les esprits des morts. Ainsi sont séparées les âmes des justes, là où se trouve la source d'eau de vie, de lumière.

10 De la même façon une séparation a été faite pour les pécheurs lorsqu'ils meurent et qu'ils sont ensevelis dans la terre, et qu'un jugement n'a pas été prononcé contre eux pendant leur vie.

11 C'est là que leurs âmes sont mises à part pour ce grand tourment, jusqu'au jour du jugement, du châtiment et de la torture de ceux qui maudissent jusqu'à l'éternité, et jusqu'au jour de la vengeance qui s'exercera sur leurs âmes. C'est là qu'Il les enchaînera jusqu'au jour du jugement dernier.

12 Et de même il a été fait une séparation pour les âmes de ceux qui se plaignent, qui font connaître leur meurtre lorsqu'ils ont été mis à mort dans les jours des pécheurs

13 Et pareillement elle a été faite pour les âmes des hommes qui n'ont pas été justes, mais pécheurs consommés en crime, et ils seront aussi avec les criminels. Quant à leur âme, elle ne sera pas mise à mort au jour du jugement, mais ils ne ressusciteront pas de là.

14 A ce moment je bénis le Seigneur de Gloire et je dis : « Béni soit mon Seigneur, le Seigneur de justice, qui règne pour l'éternité. »

Commentaire du Chapitre 22.

Hénoch vient de voir l'endroit où sont enfermés les anges déchus. Il voit devant lui, à l'ouest (spirituellement à l'ouest) quatre cavernes creusées dans une montagne dure.(Dans l'interprétation parabolique, **l'est** représente ce qui est déjà fait, déjà vu, le commencement. Comme le soleil se lève à **l'est** et se couche à l'ouest, le commencement est **l'est** et la suite est l'ouest. Cette connaissance nous sera nécessaire par la suite de notre étude) Hénoch voit donc cette montagne. Il n'y est pas encore. Et derrière lui se trouve le lieu où sont enfermés les anges déchus. Ce qui est derrière lui, (par rapport à lui), c'est l'est ; et ce qui est devant lui, (par rapport à lui), c'est l'ouest, c'est-à-dire : l'avenir pour lui. Il y a quatre cavernes créées pour contenir quatre sortes de personnes différentes. Jésus a aussi abordé ce sujet en citant les quatre sortes de personnes qui reçoivent la Parole de Dieu. **Matt 13/4**. (Et une seule sorte de personnes reçoit la Parole.) Le jugement ne sera pas pour tous pareils. Il y a **une** caverne pour les justes. Dans cette caverne se trouve une source d'eau lumineuse. **V9**. C'est tout à fait certain qu'Abel se trouve dans la caverne des justes. **Gen 4/10 ; Héb 11/4.** Il s'y trouve avec ceux d'**Apoc 6/9-11**. Ces âmes-là, qui réclament justice, sont les âmes des Juifs qui ont été tués tout au long des âges à cause de la Parole de Dieu, de leur fidélité à La Parole de Dieu. Pourquoi suis-je certain que ce ne sont pas des chrétiens ? Parce qu'ils réclament vengeance. Ils s'inspirent de la loi de Moïse (et de la loi morale humaine normale). Un chrétien martyr ne réclame pas vengeance, car il n'est pas sous la loi de « œil pour œil, dent pour dent ». **Exode 21/4** Mais ces Juifs sont des justes et sont dans cet endroit réservé aux justes qui attendent le juste jugement. Les Chrétiens qui se trouvent dans cet endroit attendent la résurrection, l'adoption de leur corps sans crier 'vengeance'. C'est cet endroit que Jésus appelle le sein d'Abraham. **Luc 16/22**. Puis ils y a les autres endroits. Trois cavernes. Quand Hénoch a vu ces cavernes, personne ne pouvait en sortir, mais maintenant la clé étant dans les mains de Jésus, il y a possibilité que des morts entendent l'Evangile et le reçoivent, sortent de cet endroit. **Apoc 1/18** Jésus a les clés du séjour des morts.

1 Pierre 3/18-20 Jésus est allé prêcher dans le séjour des morts

Qu'a-t-Il prêché ? L'EVANGILE !

1 Pierre 4/6 L'Evangile est **aussi** prêché aux morts

C'est dans une de ces cavernes que Jésus est allé pour prêcher aux esprits en prison qui avaient été rebelles au temps de la construction de l'arche. Il est ressorti de cette caverne en emmenant avec Lui des gens qui s'y trouvaient captifs depuis le déluge. Et Il les a emmenés dans les hauteurs. **Eph 4/8-10**. Jésus a dit que : *tout ce qu'Il a fait, nous le ferons aussi et même des choses plus grandes encore*. **Jean 14/12**. Or, qu'a-t-Il fait là ? Il a pris les clés du séjour des morts et Il est allé y prêcher l'Evangile. Le chemin, l'accès est maintenant ouvert et les chrétiens qui décèdent vont faire comme Il a fait pendant, je pense, au minimum trois jours. Jésus a prêché à certains esprits en prison, et chaque chrétien doit prêcher à une catégorie d'esprits en prison que Dieu lui confiera. Tout ce que Jésus a fait, nous le faisons aussi. **Jn 14/12**.Tous ne reçoivent pas l'Evangile dans ces cavernes. Seuls ceux qui ont été prédestinés au salut peuvent le recevoir. **Eph 1/4**. Et ils sont nombreux ceux qui, au travers des âges, n'ont jamais

entendu l'Evangile prêché de leur vivant. Pensez à ces foules de personnes habitant les contrées lointaines, vers lesquelles aucun missionnaire n'est jamais allé prêcher durant des siècles. Dieu est bon et juste, Il n'oubliera aucun des Siens. Et ne laissez personne vous dire que Dieu n'a élus que les Juifs, et plus tard les chrétiens du tour de la Méditerranée et que, dans les siècles passés aucun des Africains, Asiatiques ou Australiens ne faisait partie des élus. Et tous les gens qui sont morts dans leurs péchés **parce que l'église n'évangélise pas ?** Que deviendront-ils ? Dieu les enverra TOUS en enfer ?! Dieu n'a donc élu personne d'autre que ceux qui se sont fait baptisés, immergés ? Alors ? Tous les gens qui se sont fait baptisés en tant que bébé iront griller en enfer ? Et encore !!!! Dieu ne sauverait-Il que ceux qui ont été baptisés de la manière dont **vous** comprenez le baptême ?!!! Avec LA bonne formule. La religion rend fou et méchant. Certains croient que si vous n'avez pas été baptisé, plongé en arrière dans l'eau, vous n'êtes pas sauvé. D'autres croient que vous devez être plongé dans l'eau en avant sinon votre baptême ne vaut rien. D'autres croient que le pasteur qui vous baptise doit dire : « au Nom de Jésus » D'autres croient qu'il doit dire : « au Nom du Seigneur Jésus ». D'autres croient qu'il faut dire : « Au Nom du Seigneur Jésus-Christ » D'autres croient qu'il faut dire : « au Nom du Père, du Fils et du Saint Esprit. » D'autres croient qu'il faut dire : « Au Nom du Père ET du Fils ET du Saint-Esprit » D'autres croient que ce le baptême ne doit pas être fait dans la mer…Et si vous n'êtes pas baptisé selon leur croyance, Dieu vous jettera en enfer car nul n'est censé ignorer la Parole de Dieu. Alors **je** vous le dis : « Heureusement que Jésus a précisé qu'il y a plusieurs demeures dans la Maison du Père, car s'il n'en était pas ainsi, je me vois mal vivre l'éternité avec des gens aussi bas de plafond, aussi dépourvus de bonté et qui prennent Dieu pour un maniaque dangereux et méchant. Dieu est bon et juste. Dieu juge les cœurs au dedans desquels Il a placé Sa loi. C'est juste. Mais ne jetez pas ce que je viens de vous donner. Ce n'est pas parce que les religions d'aujourd'hui n'enseignent pas, ou mal, ces Choses, que vous pouvez vous permettre de ne pas les prendre très au sérieux. Pensez aux chrétiens d'autrefois…Par exemple, avant que les **baptistes** ne reçoivent la révélation du baptême par immersion, les religieux s'accordaient tous pour dire que le baptême devait être administré aux bébés avec quelques gouttes d'eau. Et avant que les **pentecôtistes** ne reçoivent la révélation du baptême dans le Saint-Esprit avec le don des langues, il était clair pour les religieux que le fait de parler des langues non-apprises relevait de la possession diabolique. Alors de grâce, ne rejetez pas ces Choses que je vous donne. Etudiez-les en présence de Dieu, dans un esprit ouvert et humble. Dieu vous montrera que c'est juste. Ce n'est pas moi qui l'invente. La Bible dit clairement que *l'Evangile est **AUSSI** prêché aux morts, afin qu'après avoir été jugés quant à la chair, ils vivent selon Dieu quant à l'esprit.* **1 Pierre 4/6**. Le mot « **aussi** » dans ce verset nous montre que l'Evangile a été prêché aux vivants **et AUSSI** aux morts. Il est donné à l'homme de vivre une seule fois après quoi vient le jugement. Au moment de votre mort, vous serez rapidement jugé quant à la chair pour savoir dans laquelle de ces cavernes vous allez attendre. Si vous êtes un juste, un justifié par le Sang de Jésus ou, si vous êtes un juste, justifié par la foi sous la dispensation de la loi, vous irez dans la caverne lumineuse. Pour que qui est des milliards d'autres… Dieu est juste. Il ne juge pas tout le monde de la même manière quant à la chair. Par exemple, les injustes qui ont été assassinés ne sont pas dans la même caverne que les assassins. Cela signifie que Dieu ne place pas tout le monde dans le même endroit. Les « sans-loi » du verset **13** sont les non-Juifs, ceux à qui n'a pas été donné la Loi de Moïse. La loi était inscrite dans leur cœur, il est vrai, mais comment pouvaient-ils avoir la crainte de Dieu, puisqu'Il ne s'était pas révélé à eux ? **Rom 2/14-16**. Donc, plus une personne a reçu, plus son attente du jugement est désagréable si elle n'a pas tenu compte de ce qu'elle a

reçu de Dieu. C'est ce que Jésus dit en enseignant qu'il sera beaucoup demandé à celui qui a beaucoup reçu. Il dit même que certains justes, certains de Ses serviteurs, recevront des coups de bâton en « récompense » de leurs mauvaises actions et de leur mauvaise gestion. **Luc 12/47-48**.

CHAPITRE 23

1. De là j'arrivai dans un autre lieu, du côté de l'occident, aux extrémités de la terre.
2. Où je vis un feu ardent et un mouvement perpétuel, qui courait nuit et jour, sans trêve ni repos tout en demeurant le même.
3. Et j'interrogeai l'ange qui m'accompagnait, et je lui dis : « Qu'est-ce que ce feu qui ne connaît pas de trêve ? »
4. Alors Ragouel, un des anges qui m'accompagnaient, me répondit :
5. « Ce feu ardent, ce courant de feu qui se meut sans cesse vers l'occident, est le feu qui poursuit et embrase tous les luminaires du ciel.

Commentaire du Chapitre 23.

Tout est bien réglé, et c'est ce que l'ange Ragouel veut montrer à Hénoch. Tout à un point de départ : l'est, et tout arrive à l'ouest. Hénoch se trouve là à l'extrémité de l'ouest, c'est-à- dire à la fin de tout. Le temps est une création de Dieu, mais contrairement à ce que nous croyons généralement, le temps ne passe pas, c'est nous qui voyageons dans le temps. En allant d'est en ouest, du début à la fin de toutes choses. Le feu qu'Hénoch voit, c'est ce que le nouveau Testament nomme La Lumière, c'est la Puissance, c'est l'Energie. Quand une personne se trouve dans le domaine de l'esprit, il n'a plus les mêmes repères que ceux que nous avons dans la matière. Mais celui qui a de la science n'ignore pas que la matière est de l'énergie qui vibre à une certaine « vitesse ». Toutes les matières que nous connaissons sont faites de la même énergie qui vibre plus ou moins « vite ». En fait, tout est énergie. Dans le vocabulaire Biblique on dira que tout est spirituel. Tout est venu de Dieu qui est Lui-Même Lumière, Feu. C'est pourquoi les apôtres virent des flammes de feu le jour de la pentecôte. **Actes 2/3.** Souvenez-vous de ce qu'Hénoch a vu. Il a vu les sept archanges (**ch 20**) et Ragouël est l'un des anges qui s'occupe des luminaires. Il s'occupe de châtier ceux qui ne suivent pas correctement leur course. Certains anges sont donc chargés du bon fonctionnement de l'univers qui nous entoure. Nous verrons plus loin que la marche de ce qui se meut dans l'univers n'est pas sans avoir de l'influence sur ce qui se passe sur terre. Voyez par exemple les marées.

CHAPITRE 24

1. De là je parvins dans un autre lieu, et je vis une montagne de feu brûlant nuit et jour. Dès que j'en fus rapproché, j'aperçus sept brillantes montagnes, dont l'une était distincte de l'autre.
2. Les pierres dont elles étaient formées étaient belles et étincelantes ; elles brillent et rayonnent à la vue, et leur surface est polie. Il y en avait trois à l'orient, et d'autant plus inébranlables, qu'elles étaient l'une sur l'autre ; et il y en avait trois au midi, également inébranlables. Il y avait aussi de profondes vallées, mais qui étaient séparées les unes des autres. Au milieu d'elles s'élevait la septième montagne. Et cette septième montagne apparaissaient majestueuse et d'un aspect admirable, elle les dépassait toutes comme un trône et elles étaient couronnées d'arbres odorants.
3. Parmi ces arbres, il y en avait un d'une odeur sans cesse renaissante, et tellement suave, qu'il n'y en avait point qui exhalât un parfum aussi délicieux. Ses feuilles, ses fleurs, son bois, ne se flétrissaient jamais, et ses fruits étaient beaux.
4. Ses fruits ressemblaient aux fruits du palmier. A cette vue, je m'écriai : « Voilà un arbre admirable à voir ; quelles belles feuilles, quels fruits délicieux ! » Alors Michael, un des saints et glorieux anges qui m'accompagnait, et qui était à leur tête, me répondit :
5. « Hénoch, pourquoi ces questions au sujet de l'odeur de cet arbre ?
6. « Pourquoi es-tu avide de le connaître ? »
7. Alors moi, Hénoch, je lui répondis : « Je voudrais tout savoir, mais surtout ce qui regarde cet arbre. »
8. L'ange me répondit : » Cette montagne que tu vois, et dont la tête élevée égale en hauteur le trône du Seigneur, est précisément le siège où se reposera le Seigneur de sainteté et de gloire, le Roi éternel, quand Il viendra et descendra pour visiter la terre dans Sa bonté.
9. Quant à cet arbre à la suave odeur, dont le parfum n'a rien de charnel, personne n'y portera la main, jusqu'au jour de jugement. Quand les méchants auront été livrés aux tourments éternels, cet arbre sera donné aux justes et aux humbles, aux consacrés. Ses fruits seront réservés aux élus. Car la vie sera plantée dans le Saint Lieu, du côté du septentrion, vers la demeure du Roi éternel.
Gen 2:9 ; 3:22 ; Apo 2:7 ; 22:2,14
10. Alors ils se réjouiront et tressailliront d'allégresse, dans le Saint des saints ; une odeur délicieuse pénétrera leurs os, et ils couleront, comme tes ancêtres, une vie longue sur terre ; et cette vie ne sera troublée ni par les malheurs, ni par les peines, ni par les misères.
11. Et je louai le Seigneur de gloire, le Roi éternel, de ce qu'il avait préparé cet arbre et avait daigné le promettre aux consacrés, aux justes.

Commentaire du Chapitre 24

Il y a plusieurs demeures dans La Maison du Père. **Jean 14/2**. Ces montagnes sont les lieux de résidence, les villes dans lesquelles vivront ceux qui ont été lavés dans le Sang de l'Agneau. Mais tous les chrétiens n'ont pas accès à la montagne du milieu qui est la Nouvelle Jérusalem. La montagne qu'Hénoch a vue est la pyramide que Jean a vue **Apoc 21/9-16.** Cette Epouse, ou Nouvelle Jérusalem, ou ville Sainte, a été mesurée. Sa hauteur, est égale à sa largeur et à sa longueur. Les chrétiens pensent généralement que

la Nouvelle Jérusalem à la forme d'un cube. Je dis, avec Hénoch qu'elle a la forme d'une montagne, elle est pyramidale. Hénoch l'a vue et l'a décrite comme une montagne. Il n'avait jamais vu de pyramide, en son temps il n'y en avait pas sur terre. Et elle mesure 2200 km de haut. **Apoc 21/17**. Maintenant, s'il y a une Nouvelle Jérusalem, c'est qu'il y en a eu une Ancienne. L'Ancienne Jérusalem est l'Epouse de Christ telle qu'Il la voulait et telle qu'elle a été au commencement de l'Histoire de la vraie Eglise de Jésus-Christ, pleine d'amour et de l'Esprit Saint. Vivant en communion parfaite avec le Seigneur et entre eux. Les premiers disciples de Jésus-Christ vivaient selon l'enseignement des apôtres. Cet enseignement, ils l'avaient reçu de Jésus en personne. Ils avaient donc obéi parfaitement à Ses directives et établi l'Eglise comme une théocratie où tout était mis en commun. Les premiers disciples de Jésus vivaient en Communauté de vie **Actes 2, Actes 4**. L'Eglise de Jérusalem est le seul modèle Biblique de la vraie Eglise telle que l'a voulue Jésus Son Bâtisseur. Ensuite, il y a eu les sept âges de l'Eglise dans les nations **Apoc 2 et 3**. Tout cela s'est terminé par l'ordre donné par Jésus de sortir du milieu de cette église devenue apostate. **Apoc 18/14**. Il faut donc :

1° sortir des églises quelles qu'elles soient.

2° se mettre à vivre sur le modèle de l'Ancienne Jérusalem. Seuls ceux qui consacrent leur vie unique à cette obéissance pourront entrer dans la Nouvelle Jérusalem. Les autres Chrétiens seront sauvés, mais vivront dans les autres montagnes-villes.

Dans le temps d'Ephèse **Apoc 2/1-7**, entre 53 et 170 après Jésus-Christ, beaucoup de disciples vivaient en communauté (lire le livre de Michel Genton « Lamblore, le mystère révélé » note du rév. M.Genton). C'est pourquoi il est écrit que ceux qui vaincront dans ce premier âge de l'Eglise (entre 50 et 170 après Jésus-Christ) pourront manger de l'arbre de vie qui est dans le paradis de Dieu. **Apoc 2/7**. **C'est-à-dire qu'ils iront dans la montagne du milieu, dans la Nouvelle Jérusalem**. Les vrais chrétiens de l'âge d'Ephèse qui auront été des vierges folles et n'auront donc pas vaincu, obéi, ne seront pas perdus, ils iront dans la première montagne, la première ville avec ceux de l'âge de Smyrne qui seront dans le même cas qu'eux. L'Epouse de Jésus-Christ (les vierges sages de tous les temps) distribuera des feuilles de l'arbre de vie aux gens des nations pour leur guérison. **Apoc 22/1-2**. Sur la nouvelle terre que Dieu va créer, il y aura des nations. Elles seront sur la face de la nouvelle terre. Les gens de ces nations seront les nouvelles créations de Dieu sur la nouvelle terre, sous les nouveaux cieux. Et sur cette nouvelle terre, il y aura ces sept montagnes dont la plus haute et la plus grande : la Nouvelle Jérusalem. Il y aura des disciples de tous les âges dans la Nouvelle Jérusalem. Car Dieu ne tient pas compte du temps d'ignorance. Par exemple, Dieu n'ayant pas révélé la vie communautaire aux Chrétiens du temps de Philadelphie, Il ne demandera pas aux vainqueurs de cette époque la même chose qu'à ceux de notre époque. Car de nos jours, la vie communautaire vous est révélée. Dieu est en train de tout rétablir. Il rétablit le véritable Evangile qui dont être vécu par la véritable Eglise. Cependant, les chrétiens ayant vécus à l'âge appelé ***l'âge d'Ephèse*** , (entre 53 et170 après Jésus-Christ) seront très nombreux à avoir vécu en communauté. Les Nicolaïtes étaient très peu nombreux et sans grande puissance. Ils commençaient juste à montrer ce qu'ils étaient en pratiquant une œuvre que Dieu hait. Ils cherchaient à prendre l'autorité sur le Peuple de Dieu ('Nicolaïte' vient de deux mots grecs : 'Nikaos' = **dominer** et 'Laos'= **peuple**). Les vrais vainqueurs de chaque époque sont appelés les vrais Juifs. C'est pourquoi il n'y a que six montagnes pour les chrétiens qui ne seront pas L'Epouse. Ils seront appelés les amis de l'Epoux. Jean-Baptiste, quoique n'ayant pas été sauvé par le Sang de Jésus sur la Croix

sera compté comme le premier des amis de l'Epoux. **Jean 3/29.** Ces six montagnes auront sans doute les noms de Smyrne, Pergame, Thyatire, Sardes, Philadelphie et Laodicée. Tels qu'en **Apoc 2 et 3**.Il y aura aussi d'autres endroits où vivrons d'autres personnes. Nous verrons cela plus loin. Pour le moment, Hénoch voit l'Arbre de Vie. Nous savons qu'en Eden l'Arbre de Vie était Jésus. L'arbre de la connaissance du bien et du mal était l'ennemi.

Jésus est toujours cet Arbre et nous devons le manger, l'absorber, nous en nourrir, l'intégrer à notre vie jusqu'à ce que ce soit Sa Vie qui paraisse et non la nôtre. Nous devons manger Sa chair et boire Son sang pour pouvoir vivre de Sa Vie, de la Vie éternelle. **Jean 6/54**. La Cène n'est cependant que le symbole de la réalité que nous avons à vivre au quotidien dans notre relation avec Dieu et Son Eglise.

CHAPITRE 25

1. De là je me dirigeai vers le centre de la terre, et j'aperçus un lieu béni et fertile, où un arbre coupé donnait sans cesse des rameaux toujours verts. Là je vis encore une montagne sacrée, et au-dessous, au pied de la montagne, une eau qui coulait de l'est vers le sud-ouest. J'aperçus encore vers l'est une autre montagne, plus haute que celle-ci et, entre elles, un ravin (ou vallée) profond, mais étroit.
2. L'eau s'écoulait au pied de la montagne, du côté de sa partie occidentale ; à l'ouest j'ai vu une autre montagne, plus basse, de peu d'élévation, entre celle-ci et la première un ravin profond et sec, et un autre ravin profond et sec, à l'extrémité des trois montagnes
3. Or, tous ces ravins, qui étaient profonds, mais étroits, se composaient d'un immense rocher, sur lequel aucun arbre n'était planté. Et dans mon étonnement j'admirai le rocher et les ravins.

Commentaire du Chapitre 25.

Ce qu'Hénoch appelle le centre de la terre, c'est la ville de Jérusalem. Evidemment, à l'époque où Hénoch écrivait cela, Jérusalem n'était pas encore construite. Au temps d'Hénoch, le déluge n'avait pas encore eu lieu. La terre était sur son axe tel que Dieu l'avait placé lors de la création. Mais l'axe de la terre a bougé de 15° au moment du

déluge. Et nous verrons que Jérusalem n'est plus le centre de la terre depuis lors, nous verrons aussi que les jours se calculent différemment depuis. Mais cela se trouvera dans les commentaires d'autres chapitres (**ch 71**). Pour le moment souvenons-nous simplement que Jérusalem, du moins l'endroit où Jérusalem allait être construite beaucoup plus tard, est considéré comme le centre de la terre. C'est d'ailleurs dans cet endroit, à Salem, que régna Melchisédech, longtemps après Hénoch. **Gen 14/18**. Et longtemps avant que les descendants d'Abraham ne prennent possession de ce lieu. Bien après Abraham, bien après Isaac, Jacob prophétisa sur ses fils et dit à Lévi que la Maison que choisira le Seigneur s'appellera 'Jérusalem' ainsi que le rapporte le livre d'Hénoch, le juste. **Testament de Lévi 10/5**. Le mot « Jérusalem » prononcé là, est « Maison de Paix » ou « Fondement de la Paix » ou « Habitation de Paix » car c'est ce que signifie le mot « Jérusalem ». Nous avons donc trois montagnes dans ce chapitre. Ces trois montagnes existent sur terre, mais Hénoch a vu leur apparence spirituelle. Elles sont des endroits tenus en réserve pour les gens qui ont vécu fidèlement sous l'Ancienne Alliance. Pour le dire plus simplement, Hénoch a vu là le paradis des Juifs. La première montagne est la montagne du Temple et les eaux sont les eaux de Siloé. La deuxième montagne est la montagne des Oliviers et la vallée est celle du Cédron. La troisième montagne est appelée la montagne « du mauvais conseil ». Il y a une vallée qui se trouve entre la montagne du Temple et le mont Golgotha, c'est le ravin de Tyropéon. Le second ravin est ce que Jésus appelle la Géhenne qui rejoint la vallée du Cédron au sud de la montagne du Temple. La Géhenne est en réalité la vallée de Hinnom ou Gehinnom, elle se trouve au point de rencontre des trois montagnes. C'est là que, du temps de Josias, les enfants étaient sacrifiés au dieu Moloch. **1 Rois 23/10. Jér 19/6.** Alors que signifient ces choses dans le monde de l'esprit ? L'arbre coupé qui donne toujours des rameaux verts, c'est l'arbre coupé du Peuple Juif qui a donné vie au Peuple Chrétien. Les Juifs ont été coupés pour un moment, mais ils seront entés selon leur nature sur leur propre olivier. **Rom 11/24**. Tout le chapitre **11** de la lettre aux Romains est bon pour comprendre ce qui s'est passé et pourquoi cet arbre bien que coupé, donne toujours des rameaux. Mais là, Hénoch voit des montagnes, des arbres, des ravins et que peut-il comprendre ? C'est là que nous voyons que **les prophètes peuvent voir sans comprendre ce qu'ils voient**. Ces montagnes sont les différents endroits où vont les Juifs fidèles après leur mort. Je parle là des juifs qui ont été fidèles depuis le roi David jusqu'à ceux d'aujourd'hui. La géhenne est le lieu de tourments dont Jésus a très bien parlé aux Juifs de Son temps **Matt 5/22**. Il y a d'autres paradis encore. Mais nous verrons ces choses en leur temps en étudiant ce livre d'Hénoch. Une chose est certaine, tous les gens ne seront pas au même endroit. Cela ne signifie pas autre chose que : tous n'auront pas les mêmes pouvoirs dans la future nouvelle création.

CHAPITRE 26

1. Alors je m'écriai : Que signifie cette terre bénie, ces arbres élevés, et ce ravin, maudit qui les sépare ?
2. Et Uriel, un des saints anges qui étaient avec moi, me répondit : Ce ravin est maudit d'une malédiction éternelle. C'est ici que seront rassemblés tous ceux qui se servent de leurs langues pour blasphémer Dieu, qui ouvrent la bouche pour parler avec dureté contre sa gloire, qui disent des insolences sur Sa gloire. C'est ici qu'ils seront rassemblés, c'est ici que sera leur demeure.
3. Dans ce jour suprême apparaîtra le spectacle du jugement qui se fera dans la justice en présence des justes pour l'éternité; il sera fait d'eux un grand exemple de justice aux yeux de tous les saints ; c'est ici que les Miséricordieux béniront tous les jours le Seigneur de gloire, le Roi Éternel.
4. Et ils le béniront dans ce jour redoutable du jugement, pour leur avoir donné une part dans Sa miséricorde. Alors je me tournai naturellement vers Dieu, et je louai son nom et je chantai, comme il convient à Sa grandeur et Sa gloire.

Commentaire du Chapitre 26.

Nous avons déjà vu au chapitre **25** ce qu'est ce ravin : la Géhenne. La Géhenne est en réalité la vallée de Hinnom ou Gehinnom, elle se trouve au point de rencontre des trois montagnes. C'est là que, du temps de Josias, les enfants étaient sacrifiés au dieu Moloch. **1 rois 23/10. Jér 19/6.** Jésus parlant à la foule qui Le suivait dit un jour : « *La loi de Moïse dit que vous ne devez pas tuer, mais Moi je vous dis que si vous vous mettez en colère contre votre frère, vous méritez d'être puni par les juges ; celui qui dira à son frère « Raca ! » mérite d'être puni par le sanhédrin ; et que celui qui lui dira « insensé ! » mérite d'être puni par le feu de* ***la géhenne*** ». **Matt 5/21-22**. Jésus montre par là qu'Il est plus sévère que Moïse. Le Sauveur établit une graduation dans la transgression et dans la peine qui doit la suivre. D'abord la colère contre un frère, puis ensuite l'expression de cette colère par des paroles de haine ou de mépris. 'Raca' est un terme injurieux qui signifie « tête vide, homme de rien, fou ». Cela signifie aussi « impie, athée » c'est une forme de malédiction inspirée par la haine. Alors Jésus parle de peines infligées par la justice pénale de Son temps. Celui qui se rend coupable d'une telle faute est aussi condamnable que ceux que les gens qui sont appelés devant ces tribunaux. Le juge n'a pas l'autorité suprême qu'a le sanhédrin. Le sanhédrin est composé de 71 membres, sous la présidence du souverain sacrificateur. Cela, c'est pour le jugement que Dieu trouvait juste d'appliquer aux gens de Son peuple qui commettaient cette sorte de faute. Et Jésus termine en disant que de telles personnes méritent, en réalité, d'être jetées dans la vallée de l'Hinnom qui entourait Jérusalem du côté sud. C'est là qu'on jetait les animaux morts et les suppliciés. On y entretenait un feu pour les consumer. Ce lieu était devenu l'image de l'enfer. Qui pourrait être sauvé alors que les exigences de Jésus sont plus grandes que celles de Moïse ?! Jésus dit cela

pour nous montrer que seule la miséricorde de Dieu est capable de nous sauver. Jésus reprend ici ce qu'Hénoch a dit des milliers d'années avant Sa venue sur terre. **Et nous, deux mille ans après, nous reprenons ces Choses pour les publier afin que tous sachent qu'elles sont vraies.** Le jour vient où les justes, les gens que Jésus a justifiés par Son Sang, seront au bord de ce ravin et regarderont les impies, les blasphémateurs et autres pécheurs, être précipités dans ce lieu de feu qui ne s'éteint pas. Et nous louerons Dieu pour Sa justice. Nous ne serons pas forcés de le faire, nous le ferons spontanément. Il nous a fait grâce, nous Le louerons pour cela. Il punira ceux qui ont méprisé son Amour et chercher à détruire tout ce qu'Il a créé. Il les détruira et ce ne sera que justice. (C'est **le feu** qui ne s'éteint pas, par contre, celui qui brûle est détruit. Cette destruction peut durer un long moment, mais en tout cas pas l'éternité. Pour exemple, lisez ce qu'Esaïe dit au sujet d'Edom. La fumée s'élèvera éternellement **Esaïe 34/10**. Or si vous allez sur l'emplacement d'Edom, vous ne verrez aucune fumée. Pourquoi ? Dieu a-t-Il mentit ? Non. C'est juste une expression dramatique que le prophète donne pour faire comprendre la gravité du péché d'Edom et de sa destruction que Dieu a décidé. De même les gens de la semence du serpent seront détruits comme l'anti-christ sera aussi détruit par le souffle de la bouche de Dieu **2 Thess 2/8**.) Ceux qui maudissent Son Nom, qui disent du mal de Sa gloire recevront ce qu'ils méritent. Qu'est-ce que la Gloire de Dieu ? C'est tout ce qui est issu de Dieu et qui paraît dans Sa création. C'est Son poids. Ils se sont moqués de Son Eglise et ont fait des courbettes hypocrites dans la fausse église. Ils n'ont pas pris la peine de comprendre qu'il y avait une vraie et une fausse église. Ils ont jugé et condamné des innocents en les tenant pour coupables des méchancetés de ceux de leur propre race d'incrédules. Ils ont privé les vrais enfants de Dieu de ce qui pourtant ne leur appartenait pas. Ils ont volé Dieu et Ses enfants. Il n'y aura pas qu'Hénoch pour se tenir devant ce ravin et applaudir la justice et chanter la grandeur de Dieu. Tous ceux qui, aujourd'hui se tiennent dans la soumission au Seigneur en bénissant ceux qui les maudissent, se tiendront là et se réjouiront d'avoir échappé à la condamnation que méritaient pourtant leurs péchés. Dieu nous a fait miséricorde, que Son Nom soit exalté !

CHAPITRE 27

1. De là je me dirigeai du côté de l'orient, vers une montagne qui s'élève au milieu du désert, et j'ai vu que ce n'était qu'une solitude.
2. Il n'y avait qu'un endroit couvert d'arbres et de semences. **3**. De là une cataracte, composée en apparence de plusieurs autres, s'échappait vers l'ouest et le nord. D'un côté s'élevaient des arbres, de l'autre on voyait de l'eau et de la rosée.

Commentaire du Chapitre 27.

Il faut garder en mémoire que les montagnes sont des paradis et que les arbres sont des gens habitant ces paradis. La symbolique de la Bible est semblable. L'arbre de la Vie au jardin d'Eden était Jésus et l'arbre de la connaissance du bien et du mal était satan. Quand Jean Baptiste annonce Jésus, et dit que la cognée est déjà mise à la racine des arbres, il ne donnait pas un cours de 'bûcheronnage' **Luc 3/9**. Il est écrit dans **Apoc 22/ 2** que de chaque côté du fleuve il y a un arbre, (puisqu'il y a un arbre de chaque côté, cela nous fait donc au moins deux arbres). Jean parle de Jésus et de l'épouse. Jésus étant un arbre, d'un côté du fleuve et Son Epouse, qui est aussi divine que Lui, est sur l'autre bord du fleuve. En tout cas, ce sont des arbres. Maintenant, le mot ARBRE employé dans **Apoc 22/2** est au singulier. C'est le mot XULON. Il désignerait alors une espèce d'arbre. Il faut aussi voir que le XULON se trouvait aussi sur le milieu de la place de la Nouvelle Jérusalem. Cela me fait dire que Ce n'est pas UN arbre de Vie qui se trouvera dans la Nouvelle Jérusalem, mais l'ESPECE de l'arbre de Vie. Ceux de l'Espèce de Dieu. De Sa Race. Hénoch a vu la Nouvelle Jérusalem habitée par l'Epouse, puis les montagnes qui l'entourent directement, qui sont les divers lieux où résident les chrétiens des sept âges de l'Eglise. Il a aussi vu les trois montagnes qui sont le paradis des Juifs qui ont vécu entre l'époque de David jusqu'à nos jours. Souvenez-vous aussi que, quand Hénoch dit qu'il va à l'est, cela signifie qu'il va dans notre passé. Plus Hénoch se dirige vers l'ouest, plus il se dirige vers ce qui concerne l'avenir. Or, ce qu'Hénoch écrit est destiné à une génération lointaine, **Hénoch 1/2**, la nôtre. Dans ce **chapitre 27**, Hénoch va vers notre passé. Il se dirige vers la période qui concerne les descendants de Jacob jusqu'à la période de Saül. Les gens qui ont vécu durant cette période seront dans un paradis créé pour eux. Souvenez-vous qu'il y a plusieurs demeures dans la Maison du Père. Jusqu'ici, Hénoch a donc visité les paradis suivants :

1° Sept montagnes dont une est La Nouvelle Jérusalem, paradis de l'Epouse de Christ.

2° Le paradis concernant les Juifs depuis que David est devenu roi jusqu'à nos jours. (Trois montagnes)

3° Le paradis concernant les Gens qui vivaient du temps des patriarches (fils de Jacob) jusqu'à la royauté de David. (là, il n'est pas dit combien il a vu de montagnes. Mais comme il s'agit de la dispensation des patriarches, je ne me tromperais sans doute pas en disant qu'il devait y en avoir douze) de **Gen 49 à 2 Sam 5.**

4° Nous verrons en suivant Hénoch, qu'il y a un quatrième paradis qui est réservé aux descendants d'Abraham.

5° Puis nous verrons le cinquième paradis, celui où se trouvent Noé et ceux qui marchèrent fidèlement jusqu'au temps d'Abraham.

6° Puis nous visiterons le Paradis où se trouve Adam et ceux qui vinrent après lui jusqu'au déluge.

7° Et finalement le Paradis d'où Adam et Eve ont été chassés.

Tout cela ne signifie pas que les saints qui seront dans ces divers paradis ne se rencontreront jamais. Jésus-Christ dit que nous mangerons à table avec Abraham, Isaac

et Jacob. **Matt 8/11**. Nous aurons, je pense, des agapes comme les diverses maisons-communautaires en avaient à Corinthe. **1 Cor 11**. Toutes les Communautés se retrouvaient pour manger ensemble. Je pense que, bien qu'ayant des demeures différentes, nous nous retrouverons à table très régulièrement pour célébrer notre Dieu tous ensembles. **Jean 14/2**. Mais pour le moment, Hénoch se trouve dans le paradis où se trouvent actuellement tous les fils de Dieu qui ont vécu du temps des patriarches jusqu'au temps du roi David. Cet endroit est désert, il n'y a que quelques arbres à un endroit. N'allez pas penser que le paradis réservé à ces gens sera un désert. Le désert représente toujours un endroit aride où, sans la grâce de Dieu, rien n'est possible. Quand on parle du désert, on pense inévitablement au peuple Hébreux qui a erré longtemps dans le désert. C'est là qu'est venue la Loi, au désert. Quand on pense 'désert' on pense aussi 'oasis'. Eh bien ce qu'Hénoch a vu c'est bel est bien un paradis oasis. Un paradis où le culte est réduit au strict minimum. En effet, au temps de Jacob, il n'y avait pas de Loi pour le Culte. Puis, cette Loi a été donnée à Moïse au désert. Et le Culte qui se pratiquait alors était un Culte assez pauvre. En effet, en le comparant au Culte en Esprit et en Vérité que nous rendons à Dieu par Le Saint-Esprit qui nous habite, le Culte dans le tabernacle était rudimentaire, spirituellement. Tout ce qui se passait alors était comme de l'Eau Divine venue d'en haut et qui poussait le tout vers l'ouest et le nord. Le nord, c'est l'Europe, c'est en effet vers l'Europe que le Message de la Parole (l'eau) de Dieu allait couler dans le futur. La Loi n'était qu'un précepteur qui conduisait à Christ**. Gal 3/24**. L'eau, dans la Bible est La Parole de Dieu. Une eau de La Vie qui jaillit de notre sein jusque dans la Vie Eternelle.

CHAPITRE 28

1. Alors je m'avançai vers un autre endroit du désert, vers l'orient de la montagne, de laquelle je m'étais approché.
2. Là j'aperçus des arbres de choix, ceux-là surtout qui produisent les aromates aux suaves odeurs, l'encens, la myrrhe, tous arbres distincts les uns des autres.
3. Et il y avait encore en ce lieu, dominant tous ces arbres, une élévation vers l'orient, qui n'était pas éloignée.

Commentaire du Chapitre 28.

Hénoch va encore plus loin dans son voyage spirituel. Il va vers l'est, vers le passé. Vers le paradis préparé pour ceux du temps d'Abraham. Ce temps va de **Gen 12 à Gen 49**. Hénoch est frappé par les odeurs qui se dégagent de ce lieu. Les odeurs sont aussi un symbole dans La Bible. On parle des prières et de sacrifices qui sont de bonnes odeurs

devant Dieu. **Exode 29/18**. Dans ce paradis, il y a des gens, des arbres, qui ont répandu sur terre, en leur temps, une bonne odeur de louange et d'adoration. Abraham, l'homme qui marqua ce temps fut un homme de foi. Et à part l'amour et l'espérance, la foi est ce qui touche le plus le cœur de Dieu. **1 Cor 13/13**. L'encens et la myrrhe sont les parfums qui ont été offerts à Jésus à Sa naissance. **Exode 30/1. Exode 30/23.**

CHAPITRE 29

1. Au-delà de ces montagnes, je suis allé plus loin vers l'est, j'ai vu des vallées où s'écoulaient des eaux qui ne tarissaient jamais,
2. où poussait des roseaux excellents dont le parfum ressemblait à celui du lentisque.
3. Et sur les flancs de cette vallée j'aperçus le cinnamome odorant. Au-delà de ces vallées je m'avançai vers l'orient.

CHAPITRE 30

1. Alors j'aperçus d'autres montagnes, portant des arbres, d'où s'échappait une eau semblable au Neketra. Son nom était Sarira et Calbanen. Au-delà de ces montagnes on m'a fait voir une autre montagne sur laquelle s'élevaient les arbres d'aloès.
2. Tous les arbres étaient chargés, ressemblant à des coques d'amandiers. Quand on broie ces coques, il se répand le plus odorant des parfums.

Commentaire des Chapitres 29 et 30.

En allant vers l'est, Hénoch monte. La fin du chapitre **28** nous le dit. Mais dans cet endroit il ne voit pas de montagne. Cet endroit est le paradis dans lequel se trouvent les contemporains d'Hénoch. Quand Jésus est descendu dans le séjour des morts, Il est allé prêcher à ceux qui avaient été rebelles au temps de la construction de l'arche. **1 Pierre 3/19** ; **1 Pierre 4/6**. Dans le séjour des morts, plusieurs ont cru la prédication de Christ et Jésus les a conduits dans ce paradis qu'Hénoch voit au chapitre **29**. **Eph 4/7-10**. C'est le paradis de ceux qui ont vécu selon Dieu avant le déluge. Ces gens ont vécu entre **Gen**

4 et Gen 6. Là, les gens ne sont pas présentés comme des arbres, mais comme des roseaux. Car, il n'y avait pas à proprement dit un Culte rendu à Dieu à cette époque. On commença à invoquer le nom de l'Eternel en **Gen 4/25**. C'était juste après la naissance de Seth, c'est-à-dire 130 ans après la création d'Adam. **Gen 5/3.** Il faut savoir que cette époque était très sombre. Adam et Eve, étant chassés du paradis terrestre, se trouvaient mélangés à ceux qui vivaient hors du jardin. Ces êtres pré-Adamiques étaient loin d'être des saints. C'est de ces êtres là que sortit le fameux serpent-ancien, marchant et parlant comme un homme. Le mal avait atteint la limite de ce que Dieu pouvait supporter et Il décida, à cette époque, de détruire tous ces êtres.

1° Ceux de la race d'Adam, (à part Noé et sa famille et des animaux qu'Il a choisis).

2° Ceux de la race de Caïn

3° Les êtres pré-Adamiques

4° Les êtres nés des relations entre les femmes et les anges déchus.

5° Et sans doute le serpent-ancien, celui qui avait tenté Eve et à qui Dieu coupa les pattes. Il a du se noyer dans le déluge, à moins qu'il ne soit mort avant. Tous péchaient de façon telle que Dieu les détruisit tous, de l'homme jusqu'au bétail, aux reptiles et aux oiseaux du ciel. **Gen 6/7.** Le mal existait déjà sur terre avant Adam et Eve. C'est pour cela que Dieu avait créé un jardin et qu'Il y avait placé Adam et Eve afin de le **garder**. Il y avait, hors du jardin, des êtres qui pratiquaient déjà le mal. Et le serpent-ancien était le plus rusé d'entre eux. **Gen 3/1**. Puis le mal s'est répandu, par le serpent-ancien, dans le cœur d'Eve, puis d'Adam et tout fut alors maudit. L'homme et la femme furent contaminés et changèrent même d'apparence. Par exemple, la femme n'était plus **semblable** à l'homme. **Gen 2/20**. Elles ne sont d'ailleurs toujours pas **semblables** à l'homme. Si vous regardez une femme et un homme, vous êtes bien obligé de constater qu'ils ne sont pas **semblables**. De plus, l'homme et la femme se retrouvèrent avec un cerveau reptilien dès ce moment-là. Ce qui leur fit connaître la peur et le désir de fuir. **Voir page 20.** C'est à cause de cette malédiction que nous sommes nés dans le péché. Nous sommes infectés dès la naissance. Nous sommes tous incapables de faire le bien. Il nous faut le pardon de Dieu pour pouvoir enfin nous tenir devant Lui sans être détruit immédiatement et recevoir de Lui Son Esprit qui nous fait naître de nouveau. **Jn 3**. Hénoch visita donc le paradis qui est réservé à ceux qui ont vécu à cette époque- là, (époque allant de **Gen 4** à **Gen 8**.) Ce fut l'époque la plus sombre de l'histoire du monde à part la nôtre, qui est pire. Au début du vingt et unième siècle, nous sommes sous le quatrième Sceau de **l'Apocalypse 6/7-8**. Pendant notre période de temps, la vraie Eglise de Jésus-Christ est sous le contrôle de l'Etre Vivant à tête d'aigle d'**Apoc 4/6-8**. (L'esprit de prophétie). Le monde sans Dieu et toutes les religions sont sous l'influence du cheval noir monté par la mort et suivi par le séjour des morts ; un quart de ce qui vit sur la terre va être tué par l'épée (guerre), famine, mortalité, (suicide) et par les bêtes sauvages (virus ?). Jésus dit que ça ne va pas aller en s'arrangeant. Quand le cinquième Sceau de l'Apocalypse va s'ouvrir, **Apoc 6/9-11**, Jésus sera forcé d'abréger le temps à cause des élus qui n'auront pas été enlevés sur les nuées du ciel. Car alors, ce qui se passera sera terrible et la détresse sera si grande qu'il n'y en aura jamais eu de pareille sur la terre depuis qu'elle existe. **Matt 24/15-28.** Je vous dis ces choses afin que vous compreniez que ce temps-ci (le nôtre) est comme celui de Noé. **Matt 24/3**7. Il est temps de monter dans l'Arche qui est la vraie Eglise rétablie selon le modèle de

l'Ancienne Jérusalem de **Actes 2 à Actes 4**. Ces deux chapitres (**29** et **30**) nous montrent le paradis où seront ceux qui ont bien marché avec Dieu. Il y a deux chapitres avec des endroits différents car il y aura des êtres différents dans ces paradis. Les humains, les descendants d'Adam et Eve qui auront été fidèles à Dieu avec ce qui leur avait été donné dans cette dispensation ne seront pas dans le même endroit que les êtres pré-Adamiques qui ne seront pas tous perdus. C'est pourquoi Hénoch nous dit : « Alors j'aperçus d'autres montagnes… » **Hen 30/1**. Au Chapitre **29**, Hénoch voit une vallée. C'est là que se trouveront les humains descendants d'Adam et Eve. Puis, Hénoch aperçoit des montagnes dans cette vallée **chapitre 30**. Il ne nous est pas dit qu'il les a vues ailleurs. Et c'est là que se trouveront les êtres pré-Adamiques qui seront morts sauvés. Puis nous allons voir qu'Hénoch se dirige vers l'orient. Il va passer la mer Rouge qui est le symbole du déluge. **Chapitre 31**.

CHAPITRE 31

1. Après cela, je me tournai du côté du nord [nord-est] et je me mis à en considérer les entrées par-dessus les montagnes et j'aperçus sept montagnes couvertes d'un nard excellent, de mastic fin, de cardamome, de poivre, de canneliers et de papyrus.
2. Puis je laissai derrière moi les sommets de ces montagnes et m'avançant vers l'orient, je passai la mer Rouge. Et quand je l'eus dépassée, je tournai mes pas vers l'ange Zatael, et je parvins au jardin de Justice. Là je vis entre autres, plusieurs arbres élevés, couverts de fleurs.
3. Leurs parfums étaient délicieux, leurs formes variées et élégantes. Il y avait là aussi l'arbre de la science, dont les fruits illuminent l'intelligence de celui qui s'en nourrit.
4. Il était semblable au tamarin, et ses fruits, d'une beauté remarquable, à des grappes de raisins ; son parfum embaumait les lieux d'alentours. Et je m'écriai : Quel bel arbre ! Quel spectacle délicieux !
5. Alors l'ange Raphaël, qui était avec moi, me répondit : Ceci est l'arbre de la science, dont ont mangé ton vieux père et ta vieille mère ; ses fruits les ont illuminés. Leurs yeux ont été ouverts, et après s'être aperçus qu'ils étaient nus, ils ont été chassés du Paradis terrestre.

Commentaire du Chapitre 31.

Hénoch voit alors, au nord-est, des montagnes qui sont, elles aussi, un paradis. C'est le paradis de Justice. Ce paradis de Justice est le Jardin d'Eden où ont vécu Adam et Eve. Il sera le paradis de ceux qui seront jugés selon leurs actes **Apoc 21/12.** De ceux qui auront vécu dans l'ignorance **Actes 17/30**. De ceux qui n'auront eu, pour bien se conduire, que la Loi de Dieu inscrite dans leur cœur **Rom 2/14-15.** Après avoir lu dans les Livres au sujet de ce qu'ils auront fait ou pas fait, un autre Livre sera ouvert, le Livre

de Vie dans lequel sont écrits les noms de tous les élus. Si leurs noms sont trouvés dans le Livre de Vie, ils seront sauvés. Sinon, ils seront jetés dans l'étang de feu. **Apoc 20/11-15**. Ce paradis concerne ceux qui n'ont pas entendu l'Evangile sur terre, et ceux qui l'auront reçu dans le séjour des morts selon **1 Pierre 4/6**. Ces gens-là auront vécu au mieux de leur conscience sur terre. Ils seront sauvés et placés dans ce paradis préparé exprès pour eux. Ils pourront supporter le poids de Gloire qui s'y trouvera, car il sera adapté à leur possibilité. Il est donc bien évident qu'il y a plusieurs demeures dans La Maison du Père. Par exemple, la Gloire qui se trouve dans la Nouvelle Jérusalem n'est pas la même que celle qui se trouve dans le paradis réservé à ceux qui vécurent au temps de Noé. Mais chacun y trouvera sa joie parfaite dans la mesure de ce qui lui aura été donné au départ. Hénoch fait un détour au verset **2**. Il voit la mer Rouge qui symbolise le déluge. Hénoch n'est pas passé par le déluge, car il a été enlevé avant. Mais il a vu le symbole de cela. Il ne s'y arrête pas et il voit donc le paradis, Jardin de Justice, avec l'arbre de la connaissance du bien et du mal qu'Eve et Adam mangèrent, en désobéissant à Dieu.

Explications :

Je vous ai dit plus haut que l'arbre de la connaissance du bien et du mal était le serpent-ancien avec qui ils ont eu une relation. L'arbre de la connaissance du bien et du mal n'était pas une mauvaise chose en lui-même. Il le devint pour Eve et Adam à partir du moment où Dieu leur en interdit l'accès. D'ailleurs, Dieu Lui-Même connaît le bien et le mal. **Gen 3/21**. Dieu voulait donner cette connaissance à Eve et Adam. Mais ils n'ont pas attendu que Dieu la leur donne. Ils l'ont volée. **Ce qu'ils firent alors était répréhensible puisqu'il y avait une loi interdisant d'avoir accès à cette connaissance**. Dieu veut que nous soyons tous UN. Mais ce n'est pas de la manière dont Eve s'est unie au serpent que cela devait se faire. Maintenant, alors que nous sommes déchus, c'est en s'unissant ainsi que l'homme et la femme deviennent une seule chair. Mais la vraie unité ne doit pas se faire ainsi, elle doit se faire avec la Parole, avec Dieu. C'est un peu comme pour ce qui concerne l'union des églises dans l'œcuménisme. C'est une union qui n'est pas faite sur la parole de Dieu. Ces gens s'unissent sur toutes sortes de choses sauf sur la Parole. Ils sont toujours divisés en ce qui concerne la Parole de Dieu. L'unité vraie c'est la dichotomie qui ne fait souffrir personne. En Dieu se trouve tout. Tout ce qui existe n'existe que parce que Dieu l'a appelé à l'existence. Il y a donc le bien et le 'mal' en Dieu avant la création. Mais le mal, pour nous, ne devient mal que si Dieu en décide ainsi. Il y a une différence entre le péché, qui est la transgression d'une loi, et le mal. Nous verrons cela plus loin. Gardez simplement à la mémoire que Dieu connaissait le bien et le mal. **Gen 3/21**. **Dieu exprima en dehors de Lui ce qui était en Lui de toute éternité**. C'est ce que nous appelons la création. Dans la création il y a tout, … et son contraire. C'est ce que nous appelons la divine-dichotomie. Dieu a voulu, en créant tout cela, mettre toutes choses à plat et trier ce qui est bien et ce qui est mal. Comme le pêcheur qui trie le produit de sa pêche. **Matt 13/47.** Pensez-y… Par exemple, avant la création, Dieu avait en Lui de la jalousie,. **Deut 29/20**. Mais comment la manifester sans vis-à-vis ? Dieu était Sauveur en Lui-Même. Mais comment le manifester sans personne à sauver ? Il créa donc un vis-à-vis de Lui-Même. Et se choisit ce qu'Il voulait garder et ce qu'Il voulait détruire. (Souvenez-vous de la parabole, **une fois triés**, les petits poissons sont rejetés à la mer 'de l'oubli' **Matt13/47.**) Il se choisit donc, avant la fondation du monde, une part de Lui qui allait devenir son Epouse parfaite. **Eph 1/4.** Nous sommes prédestinés à devenir ce qui épouse Dieu de façon parfaite, le bien ne faisant jamais de mal à personne, ni à Lui,

ni à nous, Son Epouse. L'unité, c'est cela. Dieu réunira tout en Lui-Même. **Eph 1/10**. Dieu réunira tout en Lui-même, après avoir jeté dans l'étang de feu des êtres qu'Il a créés dans un but : le but de l'Unité parfaite avec un vis-à-vis élu. Dieu a tout fait pour un but, même le méchant pour le jour du malheur. **Prov 16/4**. Hénoch voit donc ce paradis dans lequel se trouve l'arbre de la connaissance du bien et du mal, et il n'y avait rien de mal dans cet arbre. Revenons à l'arbre de la connaissance du bien et du mal au jardin d'Eden. Le mal, c'était d'en consommer alors que Dieu l'avait interdit. **Gen 2/17**. Par exemple, c'est la même chose avec l'astrologie. Il n'y a rien de mal dans l'astrologie. Mais Dieu nous a interdit l'astrologie. **Deut 18/10-13**. Alors, le fait de pratiquer l'astrologie devient mal. Mais c'est Dieu qui a tout créé. Et rien n'est mal en soit à moins qu'Il ne le dise. C'est pourquoi Paul dit de Sa part : *« tout est pur pour ceux qui sont purs* ». **Tite 1/15**. Et il continue disant : « *Mais rien n'est pur pour ceux qui sont souillés et incrédules, leur intelligence et leur conscience sont souillées* ». Pourquoi leur intelligence et leur conscience sont-elles souillées ? Parce qu'ils sont incrédules. Ne croyant pas dans l'œuvre de Jésus-Christ sur la croix, ils demeurent donc souillés et sans intelligence. Depuis, toute personne qui n'est pas née de nouveau vit sous le joug de la connaissance du bien et du mal. Par contre, une personne qui est née de nouveau vit avec une autre connaissance : **une connaissance qui lui donne la Vie éternelle**. Une personne née de nouveau n'est plus là, à juger ce qui est bien et ce qui est mal. Une personne née de nouveau est comme Dieu en ce qui concerne la connaissance du bien et du mal, car elle a mangé de l'Arbre de La Vie. Elle a mangé le Corps et bu le Sang de Jésus. **Jean 4/14** ; **Jean 6/54**. La Nouvelle Connaissance que reçoit celui qui est né de nouveau est celle dont Jésus parle là : « *Et, la Vie éternelle, **c'est qu'Ils te connaissent** Toi le seul vrai Dieu et Jésus-Christ Son Fils* ». **Jean 17/3**. Les gens qui vivent sous la Loi de Moïse ne connaissent pas Dieu. Ils ne Le connaissent que par rapport à la Loi. Et la Loi a été donnée pour conduire l'homme à Dieu. Ceux qui sont encore sous la Loi n'ont donc pas encore rencontré Dieu. Vous voyez que les Choses Saintes ne sont pas aussi simples que nous les ont présentées ceux qui ne connaissent pas le livre d'Hénoch. Le livre d'Hénoch ne contredit pas La Bible, il éclaire les passages obscurs de La Bible.

De nos jours, dans les librairies chrétiennes vous pouvez trouver toute une collection de livres de personnes qui prétendent avoir visité le paradis et l'enfer… ces livres se vendent. Mais sont-ils aussi sérieux que celui d'Hénoch ? Permettez-moi d'en douter. L'arbre de la Connaissance du bien et du mal trouve donc sa place dans le paradis. Cela peut sembler étrange mais, si vous visualisez ce qui s'est passé en Eden, vous allez comprendre.

Nous avons déjà vu qu'il y avait deux arbres spéciaux en Eden.

1° L'arbre de la vie qui était Jésus.

2° L'arbre de la connaissance du bien et du mal qui était aussi une personne, celui que nous appelons le diable.

Aujourd'hui, pour avoir la vie éternelle, nous devons manger du corps de Christ, « *Celui qui mange mon corps et boit mon sang a la vie éternelle* ». **Jean 6/52**. Jésus était-Il un arbre dans le jardin ? Le diable était-il un arbre ou un serpent ? Je vous ai déjà parlé des symboles. Les hommes, dans la Bible sont souvent appelés des arbres. **Ecc 11/3 ; Dan 4/14 ; Ezech 17 ; Matt 7/17 ; Luc 13/19 ; Jude 12**. Ce que Dieu avait interdit, c'était d'avoir une relation avec cet être, cet homme, cet 'arbre' pré-Adamique. Dieu parle du

pouvoir de **consommer** de tous les arbres du jardin, mais de ne pas **consommer** de l'arbre de la Connaissance du bien et du mal. Cela est écrit ainsi afin que ceux qui doivent comprendre comprennent, et que les autres n'y trouvent qu'une légende enfantine. **Luc 8/10**.

Explication en vue de comprendre :

Le mariage est **consommé** lorsqu'il y a eu relation sexuelle. Adam et Eve pouvait **consommer** (manger) de tous les arbres du jardin. Mais ils n'avaient pas le droit de **consommer** (s'unir par mariage) avec l'arbre, le serpent. Y avait-il un serpent ET un arbre ? Non, il y avait cet être pré-Adamique, le serpent-ancien, appelé arbre. La Bible l'appelle ARBRE comme Elle **nous** appelle ARBRE à plusieurs reprises. C'est une façon de cacher une chose importante derrière des symboles pour que ceux qui ne doivent pas comprendre, ne comprennent pas. Jésus a parlé de cette manière toute Sa vie. « *Il vous a été donné de connaître les mystères du Royaume de Dieu ; mais pour les autres, cela leur est dit en paraboles, afin qu'en voyant ils ne voient point, et qu'en entendant ils ne comprennent point*. »**Luc 8/10**. Revenons au Jardin d'Eden. Déjà, le fait d'accepter de parler avec l'ennemi était déjà un péché. Eve communiquait, communiait avec lui en parole. C'est cette conversation interdite qui la conduisit à avoir une relation plus poussée avec cet être pré-Adamique. Ils eurent une relation d'ordre sexuel. **L'acte sexuel est le mariage.** Le fait de s'unir sexuellement crée un lien qui s'appelle le mariage. C'est l'acte le plus intense qui peut exister entre deux êtres. **Gen 2/24**. Eve devint donc une seule chair avec l'ennemi. Comme celui qui a une relation sexuelle avec une prostituée devient un seul corps avec elle. **1 Cor 6/16**. Puis, Adam ne la répudia pas mais s'unit à elle commettant ainsi un adultère. De ces deux actes sexuels naquirent des jumeaux.

1° Caïn qui était du malin **1 Jean 3/12**

2° Abel. (Abel ne pouvait pas être le premier de la lignée des fils de l'homme et de la femme, car il était né d'un adultère. Abel mourut assassiné par son frère).

Dieu couvrit le péché d'Eve et d'Adam **Gen 3/21**. Et ils continuèrent à vivre ensemble et eurent Seth qui est le premier fils de la race humaine. Caïn ne paraît **jamais** dans la généalogie d'Adam car il n'est **pas** le fils d'Adam, il est le fils du malin. **1 Jean 3/12. Gen 5/1-3.** La généalogie d'Adam. (On n'y trouve pas Caïn). **Luc 3/23-37** Généalogie de Jésus remontant jusqu'à Seth et Adam. Caïn ne paraît pas dans la généalogie, car il n'est pas fils d'Adam. Caïn a sa propre généalogie. **Gen 4/17**. Et Il n'est pas dit qu'Adam est son père. Quand Eve s'écrie qu'elle a enfanté Caïn avec l'aide de l'Eternel, cela signifie qu'elle a souffert comme jamais auparavant et qu'elle est reconnaissante à Dieu de l'avoir aidée dans cette épreuve difficile, malgré le fait qu'elle ait péché avec le serpent. **Gen 4/1**. Il est écrit : « *Adam connu Eve, sa femme ; elle conçut et enfanta Caïn… Elle enfanta encore Abel* ». **Gen 4/1-2**. Souvenez-vous qu'elle avait déjà eu une relation avec l'ennemi. Puis Adam la connut (eut une relation sexuelle avec elle). De ces **deux relations** sont nés deux êtres, des jumeaux : Caïn qui est du malin et Abel qui est d'Adam. Mais si vous ne le croyez pas ainsi, ce n'est pas grave. Cela n'empêchera pas la terre de tourner. Mon rôle est de révéler ces Choses. Je le fais du mieux que je peux. Priez pour que Dieu vous éclaire. Car, en comprenant ce mystère, vous allez comprendre beaucoup d'autres choses que les religions vous ont cachées et qui sont utiles pour votre vie. Nous avons tous besoin d'avoir une assurance au sujet de

notre identité, cela nous aide dans les moments difficiles de la vie. Mais encore une fois, si vous ne croyez pas qu'il y a une postérité du serpent **Gen 3/15**, Dieu ne vous enverra pas en enfer pour cela.
Il est écrit qu'Eve est la mère de tous les vivants, **mais il n'est pas écrit** qu'Adam est le père de tous les vivants. Réfléchissez à toutes ces choses **Gen 3/20.** Revenons à Hénoch et à la présence de l'arbre de la connaissance du bien et du mal dans le paradis. Le paradis qu'Hénoch visite là est **le septième paradis**.

Souvenez-vous, il y a :

1° La Nouvelle Jérusalem, paradis de l'Epouse de Christ. (Sept montagnes)

2° Le paradis concernant les Juifs depuis que David est devenu roi jusqu'à nos jours. (Trois montagnes)

3° Le paradis concernant les Gens qui vivaient du temps des patriarches (fils de Jacob) jusqu'à la royauté de David. (Là, il n'est pas dit combien il a vu de montagnes. Mais comme il s'agit de la dispensation des patriarches, je ne me tromperais sans doute pas en disant qu'il devait y en avoir douze) de **Gen 49 à 2 Sam 5.**

4° Il y a un quatrième paradis qui est réservé aux descendants d'Abraham.

5° Puis il y a le cinquième paradis, celui où se trouvent Noé et ceux qui marchèrent fidèlement jusqu'au temps d'Abraham.

6° Puis il y a le Paradis où se trouve Adam et ceux qui vinrent après lui jusqu'au déluge.

7° Et finalement le Paradis terrestre d'où Adam et Eve ont été chassés.

C'est ce paradis là qu'Hénoch voit dans le chapitre **31**. C'est le paradis terrestre. Il y aura aussi, sur la nouvelle terre, l'arbre de la connaissance du bien et du mal. Et il n'y aura pas d'interdiction d'en consommer. Cet arbre ne sera pas le vieux serpent que connurent Eve et Adam. Ce sera un don de Dieu. N'oubliez pas que les gens qui vivront dans ce septième paradis seront ceux qui seront sauvés à cause du bien qu'ils auront fait et qui sera consigné dans les Livres pour le jour du jugement. **Apoc 20/11-15**. Car lors du jugement dernier des Livres seront ouverts et les gens qui se trouveront devant ce trône seront jugés par rapport au bien et au mal qu'ils auront faits sur la terre, selon leurs œuvres. **Apoc 20/12 et 13.** Tous ne seront pas jetés dans l'étang de feu. Si tous devaient être jetés dans l'étang de feu, il n'y aurait pas besoin de jugement. Après que la

'pesée' de leurs actions ait été faite, Dieu regardera dans Le Livre de Vie pour voir si leurs noms sont écrits là. Ceux qui ne seront pas trouvés écrits dans Le Livre de Vie seront jetés dans l'étang de feu. **Apoc 20/ 15**. Cela signifie bien que certains seront trouvés inscrits dans Le Livre de Vie. Ceux-là iront dans le septième paradis qui est le paradis terrestre. Ce sera le jardin d'Eden **sans le serpent**

Et quelque chose de nouveau recommencera sur la nouvelle terre, **mais sans le diable**. La connaissance du bien et du mal sera accordée gracieusement à ces personnes afin qu'elles puissent vivre paisiblement sur la terre en ne blessant personne, ni volontairement, ni involontairement. Dans ce paradis, le septième, il y aura donc l'arbre de la connaissance du bien et du mal et dans la Nouvelle Jérusalem, le paradis de l'Epouse, le N° 1, il y aura l'Arbre de Vie **Apoc 22/2.** Et ceux qui vivront dans les nouvelles nations, sur la nouvelle terre, **Apoc 21//1,** pourront venir prendre des feuilles de l'Arbre de Vie pour être guéris. **Apoc 22/2.**

CHAPITRE 32

1. Ensuite, je m'avançai vers les confins de la terre ; là, je vis de grandes bêtes, d'apparences diverses, des oiseaux différents de forme et d'aspect, et doués de voix différentes.
2. A l'orient (Est) du lieu où se trouvaient ces bêtes, j'aperçus les limites de la terre, et l'endroit où le ciel se pose. Les portes du ciel étaient ouvertes et j'en vis sortir les astres. Alors je les comptais à mesure qu'ils sortaient, et j'en notais exactement le nombre. Je pris note également de leurs noms, de leurs conjonctions, de leurs courses périodiques, de leurs vicissitudes, à mesure que l'ange Uriel, qui était avec moi, me les expliquait.
3. Car il me les montra tous, et de tous il me donna connaissance.
4. Il me fit connaître encore leurs noms, leurs rangs, leurs associations et leurs diverses influences.

Commentaire du Chapitre 32.

Souvenez-vous que, plus Hénoch se dirige vers **l'es**t, plus il remonte dans l'histoire de la création. Hénoch arrive donc maintenant aux jours de ce que nous appelons la préhistoire. Les grandes bêtes qu'il a vues sont les monstres dont on découvre les squelettes de nos jours. Hénoch arrive au début de la création de notre univers. Ce qu'il voit là, se passe il y a des millions d'années. Il voit l'endroit où le moment du commencement du ciel, de ce que nous appelons l'infini. Il voit les Portes des astres. Nous verrons plus loin que des Portes que nous ne pouvons voir existent. Elles sont les

« moments-endroits » (je devrais dire : « l'espace-temps » où l'influence des astres commence à agir sur notre vieille terre. Certaines de ces Portes s'entrouvrent à certains moments, et derrière ces Portes se trouvent parfois des êtres maléfiques qui ont ordre d'agir sur terre. C'est quand ces Portes commencent à s'ouvrir dans le monde spirituel que nous devons prier pour repousser nos ennemis derrière leurs Portes. **Esaïe 28/6**. **Il y a les heures et il y a les saisons.** Des Êtres ont des fonctions à certains moments. Nous avons les noms de plusieurs d'entre eux. Ces Êtres ont une domination précise qu'Hénoch décrit. Qui sont ces Êtres ? Ils sont les chefs des armées de Dieu. Quand la Bible nous parle du Dieu des armées, elle parle du **Dieu des astres**. L'astrologie est une singerie du diable. Il y a une Vérité dans la domination des astres. Mais l'ennemi a volé cette connaissance pour détourner les gens de Jésus-Christ. L'astrologie est une science interdite. Mais cela n'enlève rien à l'autorité et l'influence des astres sur la vie ici-bas. Lisez ce que dit **Juges 5/20** : « *Des cieux on combattit, de leurs sentiers les étoiles combattirent contre Sisera*. » Comment les étoiles peuvent-elles combattre contre un homme ? Le **Psaume 121/6** donne une réponse : « *Pendant le jour le soleil ne te frappera pas, ni la lune pendant la nuit*. » Les astres ont un pouvoir qu'ils manifestent **pour ou contre** nous qui sommes sur la terre. Dieu parlant à Job lui demande : « *connais-tu les ordonnances du ciel ? Règles-tu leur puissance (ou pouvoir) sur la terre ?* » **Job 38/33**. Dieu pose la question… Peut-on y répondre ? Il semble en tout cas qu'il est important de ne pas lutter au hasard et donc, de lutter en accord avec ces puissances. L'église de Jésus-Christ est ignorante une fois de plus, aveugle.

La pleine lune

Nous plaisantons souvent au sujet de la pleine lune. Mais c'est un fait que pendant la pleine lune, il y a des gens bizarres qui se manifestent, et que beaucoup de choses sont affectées par cet astre à ce moment-là. (Et pourquoi parle-t-on de 'lunatiques' ?) Et pourquoi Dieu se servit-Il d'une étoile pour signaler la naissance de Son Fils ? Les étoiles, ainsi que les autres astres doivent servir de signe pour marquer… les époques. **Gen 1/14-18.** De plus la Bible nous dit qu'il y a un temps pour chaque chose sous le ciel. **Ecc 3/1**. Ces temps sont marqués par les astres qui servent à délimiter les temps.

Les astres président.

Eclairer la terre n'est **qu'une** des fonctions de cette présidence.

La Bible nous dit aussi qu'à la fin des temps, il y aura des signes dans le soleil, dans la lune et dans les étoiles. **Quels signes ?** La Bible le dit plus loin : « *Il y aura de l'angoisse chez les nations qui ne sauront que faire, au bruit de la mer et des flots, les hommes rendront l'âme de terreur dans l'attente de ce qui surviendra pour la terre.* »
Et pourquoi le bruit de la mer et les flots feront-ils peur aux gens ?
Parce que quelque chose sera dérangé dans l'ordre établi au départ.
Et pourquoi ce désordre ?
Parce que les puissances des cieux seront ébranlées. **Luc 21/25-26**.

La puissance des cieux est dans l'armée céleste, **dans les astres**. Les astres ne sont pas que des boules qui tournent au-dessus de nos têtes. Les astres sont vivants et exercent un pouvoir, une puissance, une influence, nous l'avons vu. Et à la fin des temps, cette puissance est ébranlée ce qui provoque des choses négatives sur la terre. Ces corps célestes règlent les cycles de la vie ici-bas. C'est ce que la Bible dit. Au

commencement, Dieu avait donné à l'homme le pouvoir de diriger les corps célestes. Il avait donné à l'homme la domination sur tout ce qu'Il avait créé. Mais en Adam, nous avons tout perdu. **Ps 8/4-6**. Paul reprend cette révélation et dit qu'à l'Homme Jésus, tout a été soumis, bien que nous voyons que toutes choses ne lui ont pas été soumises encore. **Héb 2/8**. Cela peut sembler étrange, mais ça ne l'est pas. Tout a été soumis à l'autorité de Jésus-Christ. Mais il y a encore du temps avant que NOUS, Son Epouse, nous soyons mûrs pour pouvoir manifester cette autorité sur terre. C'est pourquoi nous ne **voyons pas** encore que tout Lui est soumis, bien que tout lui soit réellement soumis. Il faut juste du temps. Et nous arrivons à la fin de ce temps-là. Maintenant, nous pouvons entrer dans la prière de la foi et régner en exerçant notre pouvoir Divin au Nom de Jésus-Christ. C'est pourquoi nous sommes conduits à prier, non pas comme le font les églises organisées en forme de synagogues (d'assemblées), mais comme La Bible dit que nous devons le faire. Nous pouvons exercer le mandat de contrôle des cieux par la foi en accord avec les principes bibliques. Les gens qui ne sont pas régénérés rendent un culte aux astres parce que **Dieu** leur a donné cela en partage! Mais à nous, Dieu a donné autre chose ! **Deut 4/19.** Quand nous voyons **l'armée des Cieux**, nous savons qu'elle obéit aux ordres que Dieu a donnés et aux Êtres qui gèrent tout cela. Nous savons aussi que nous avons un rôle à jouer dans cet exercice d'influence : **celui de la prière de la foi au temps convenable**.

Dieu a le pouvoir de rendre le ciel dur comme de l'airain pour briser l'orgueil des orgueilleux. **Lév 26/18-20**. Mais pour ceux qui se conforment à sa Volonté, le ciel est ouvert. Les étoiles peuvent vous combattre ou vous aider. C'est ce que la Bible raconte au sujet de ce qui arriva à Sisera, le général de l'armée du roi Jabin. **Juges 5/20.** Cela veut dire que tout alla de travers pour ce pauvre Sisera. Par contre, quand Moïse bénit les générations de Joseph, il dit qu'ils auront les meilleurs fruits du soleil, les meilleurs fruits de chaque mois. **Deut 33/13-14.** Cela signifie que le soleil exercera une influence bénéfique sur tout ce qu'ils feront. Que ce qu'ils entreprendront, dans n'importe quel domaine, portera de bons fruits.

Porter de bons fruits signifie : avoir de bons résultats.

Un jour, l'ange Uriel m'a dit « la troisième année, tu planteras des vignes et tu en mangeras le fruit. **Cela ne voulait pas dire que Dieu désirait que je devienne vigneron**. Cela signifiait que Dieu ferait prospérer tout ce que j'entreprendrais et cela est arrivé comme il l'a dit.

Les fruits, ici, sont les résultats de l'œuvre du soleil qui a un pouvoir sur nous autres. Dieu a des armées. Les corps célestes sont des Êtres qui forment une de Ses armées. Et que dire de Dieu qui parle du zodiaque à Job **? Job 33/31-32**.

Dieu ne nie pas le zodiaque et ses douze signes. Le **mazzaroth** désigne en hébreu ce qui se réfère au douze signes du zodiaque.

Question :

Qu'est-ce que le mazzaroth détermine sur votre vie, sur la vie de votre famille, sur notre village, sur notre nation, sur le monde ? Job savait que c'est Dieu qui a créé la grande Ourse, l'Orion et les Pléiades etc. **Job 9/7-10**. Il ne pensait pas que cela n'avait aucune importance. Ezéchiel savait que Dieu voile les cieux pour punir. **Ezech 32/7-8**. Quand Dieu éteint les cieux, cela se traduit sur la terre par de la misère, des ténèbres à tous les niveaux. Le soleil qui se couche sur les prophètes signifie que les prophètes seront confus. **Michée 3/6-7.**

Ce ne sont pas que des images poétiques. Il y a une puissance dans les astres qui se manifeste sur la terre. Ils obéissent à Dieu et exercent un pouvoir bénéfique ou maléfique sur la terre.

Les Cieux prient

Ces Etres célestes prient et sont exaucés. **Osée 2/23-24**. Ce Texte nous dit comment cela se passe. Les Cieux prient, (l'armée des Cieux prie), ils sont exaucés et ils exaucent la terre qui elle-même exauce le blé, le moût et l'huile et ces derniers exaucent Jizrel. Et nous y voilà ! Il y a une hiérarchie qui va de Dieu jusqu'à nous en passant par des Êtres qui ont tous une fonction. Nous devons entrer en harmonie dans cet ordre-là. Nous ne pouvons pas ignorer ces choses car Hénoch a dit qu'elles étaient pour la dernière génération.

Adoration interdite !

Nous n'avons pas à adorer les corps célestes. C'est rigoureusement interdit ! Israël a souvent désobéi à cet ordre.

2 Rois 21/3-5. 2 Rois 23/11.

2 Rois 23/4-5. Jér 8/1-2.

<u>Nous n'adorons que Dieu.</u>

C'est Lui seul que nous devons servir, suivre, rechercher et adorer. Si une personne se met à servir, suivre, rechercher et adorer les corps astraux, elle se mettra en contact avec la puissance des démons car elle commettra une violation du commandement de Dieu.

Les trois Portes du Temps

Hénoch ne dit pas au chapitre **32** combien il voit de Portes. Pour savoir combien il y en a, il nous faut lire le chapitre **34 /2**. (Il y en a trois). Nous avons à lutter contre des dominations qui se trouvent dans les lieux célestes. Nous luttons contre elles en sachant qu'elles ont été dépouillées de leur autorité à la croix. **Col 2/15-17.** Dieu, dans l'ancienne alliance, voulait qu'on fasse certaines choses à la nouvelle lune, ainsi qu'au sabbat et aux diverses fêtes. **2 Chron 2/4. Ps 81/1-5**.

Nous sommes en Christ.

Avant que Jésus ne vienne, le peuple de Dieu était convoqué à certaines fêtes et à la nouvelle lune.**2 Chron 2/4, Ps 81/1-5.**

Aujourd'hui, nous savons que tous les jours sont Sabbat. En Jésus-Christ, nous sommes entrés dans le Repos de Dieu.

Pourtant la loi n'est pas abolie. En Christ elle est accomplie **Matt 5/17-18**. Nous avons à accomplir la loi en Christ. Non pas la loi sacrificielle, elle a été accomplie une fois pour toutes. Mais nous avons à tenir compte des lois qui ne sont pas abolies ; (et aussi, par exemple…nous observons la loi de la pesanteur.) Maintenant au ciel, comme sur la terre, il y a des êtres qui marchent avec Dieu et d'autres qui sont rebelles. **Jude 1/13.** Il y a des astres errants, des astres qui ne suivent pas la route qu'ils doivent suivre. Certains de ces êtres, dans le ciel, ne lui sont pas encore soumis, nous l'avons vu. Il y a aussi des mouvements d'astres qui se répètent et provoquent des choses sur la terre. Ces choses sont bonnes ou mauvaises.

La nouvelle lune

Sachant qu'à la nouvelle lune, il y a une puissance spéciale qui se manifeste, cela signifie que cette influence n'est pas abolie. C'est le moment du commencement des nouvelles activités humaines. C'est un nouveau cycle. Prier particulièrement à ces époques de l'année est bon. Les occultistes et autres satanistes se réunissent à ces

moments-là pour lier la terre. C'est pour nous le moment d'exercer notre pouvoir de délier. Tout ce que nous lions ou délions sur la terre est tenu pour lié ou délié dans le ciel. **Matt 18/18**. C'est notre pouvoir. Il est bon de contrer les actes des ténèbres quand ils sont en train d'être faits. Un acte posé par un occultiste contre une nation, par exemple, c'est une porte qui s'ouvre pour laisser passer des influences mauvaises.

Nos ennemis passent par des portes.

Ces portes sont célestes. C'est contre elles que nous avons du pouvoir. Nous avons le pouvoir de repousser nos ennemis derrière leurs portes. C'est à dire : nous avons le pouvoir de les empêcher d'exercer une influence là où nous le voulons, par la foi. On les repousse derrière leurs portes et nous fermons ces portes au Nom de Jésus-Christ. « En ce jour, l'Eternel des armées sera une couronne éclatante et une parure magnifique pour le reste de son peuple, un esprit de justice pour celui qui est assis au siège de la justice (de ce qui est juste) et **une force pour ceux qui repoussent l'ennemi jusqu'à ses portes**. »
Esaïe 28/5-6.

Il y a un temps pour chaque chose.

Et les choses qui se produisent sur terre passent par…
…LA PORTE DU TEMPS

Il y a une Porte du temps sur la terre. C'est le méridien de Greenwich. C'est la longitude zéro. Quand il est minuit sur la ligne de Greenwich, la journée commence partout à ce moment-là bien qu'on ait inventé le décalage horaire.
La Basse Normandie est directement sous la Porte du Temps.
(Ce qui a décidé les scientifiques à placer la longitude zéro à cet endroit, ce sont de savants calculs au sujet de la course des astres)Le **Psaume 19/3** dit : « *Le jour en instruit un autre jour*. » Les paroles prophétiques que nous pouvons prononcer à la porte du temps sont autant d'obstacles que nous dressons contre l'ennemi de Dieu qui combat depuis les lieux célestes avec des entités déchues. Il y a des jours spéciaux. Nous savons qu'il y a des longitudes et aussi des latitudes.

Mais quels sont les meilleurs moments stratégiques pour prier efficacement ?

La latitude du centre est appelée l'équateur.

Quand le soleil est sur l'équateur, les jours et les nuits sont égaux, cela arrive deux fois par an et on appelle cela des **équinoxes**. Le premier signale le début du printemps. Cela arrive généralement le 20-21 mars de chaque année. Le second signale le début de l'automne, vers le 22-23 septembre pour ce qui concerne l'hémisphère nord. Et puis il y a les **solstices**. Ce sont deux jours qui constituent la pointe de l'été et la pointe de l'hiver. Quand le jour est le plus court et la nuit la plus longue, on dit que c'est le solstice d'hiver. Cela arrive dans notre hémisphère (nord) vers le 21-22 décembre. Quand le jour est le plus long et la nuit la plus courte, c'est le solstice d'été vers le 21 juin. Les équinoxes et les solstices forment les Portes des saisons, et ce ne sont pas **que** les phénomènes du temps physique qui changent. A nous de nous souvenir que les forces créés par Dieu, les bonnes et les mauvaises ouvrent la Porte à ces moments-là. C'était à Adam, et aujourd'hui c'est à nous, par la foi, de dominer sur cette Porte-là au Nom de Jésus-Christ.

Une fois que l'ennemi a passé la porte, nous pouvons toujours lutter contre lui pour enrayer son action maléfique. **Mais il est plus efficace de le neutraliser au moment où la porte s'ouvre. A ce moment-là, nous pouvons plus facilement le repousser derrière la porte, car les dégâts n'ont pas encore commencé sur la terre. Il est donc bon que nous ayons des gens en prières un peu avant minuit et jusqu'après minuit, la nuit précédant les équinoxes et les solstices. Cela fait 4 rendez-vous de prières d'autorité par an, aux environs de minuit.**

Dans les mouvements occultes et autre sectes secrètes, ces nuits-là sont spéciales.

Ils appellent cela des célébrations.

C'est à ces moments-là qu'ils se réunissent pour invoquer les puissances mauvaises en vue de déstabiliser l'ordre sur la terre. C'est là qu'ils font des sacrifices pour déterminer ce qu'ils veulent voir arriver tant politiquement, que financièrement ou religieusement. Ils maudissent la vraie Eglise de Jésus-Christ dans ces moments-là de l'année, plus que d'habitude. Ils font de ces célébrations une stratégie de combat contre Dieu et Son Armée céleste et terrestre.

Nous avons à nous consacrer dans la prière d'une façon toute spéciale dans ces moments de l'année. Dieu va bientôt étendre de nouveaux Cieux et une nouvelle terre. Pendant cette préparation, Il nous couvre de l'ombre de Sa Main. **Esaïe 51/15-16**. Nous avons donc à traiter avec les cieux et cela requiert certaines choses importantes. En tant qu'êtres nés de nouveaux nous avons à avoir une disposition au combat puisque Dieu est le Dieu des armées. Nous avons à aimer l'intimité avec Dieu. Les doux moments de lecture de La Bible, les doux moments de méditation. Les doux moments de louange. Les doux moments d'écoute de Sa Parole. Cela nous assurera de l'authenticité et de l'efficacité de Sa Parole dans notre bouche. Car la prière exaucée, c'est la prière selon La Parole, selon Jésus.

Nous avons à utiliser les Cieux. Moïse le faisait. *« Cieux ! Prêtez l'oreille, et je parlerai ; terre écoute les paroles de ma bouche*. » **Deut 32/1-1**. La Volonté de Dieu doit être faite sur la terre comme elle est faite au ciel. Ce qui se passe au ciel se passe sur la terre. Josué fit aussi un travail remarquable sur la terre avec l'aide du ciel (du ciel physique). A tel point que des grosses pierres (des météorites) sont tombées sur les ennemis et que le soleil et la lune se sont arrêtés dans leur course. **Josué 10/5-14**. Lisez le **Psaume 148** et vous verrez que tout ce qui existe est capable d'obéir à Dieu et de le louer. Comme nous avons l'autorité en nous adressant à la création au Nom de Jésus, nous pouvons parler au ciel et il obéira. Moïse parlait au ciel en lui ordonnant d'écouter ce qu'il avait à dire. Josué a parlé au soleil avec succès. (Plus modestement, il m'est arrivé d'ordonner (en public) à des orages de suivre le chemin que je voulais et ils ont obéi). Nous avons une autorité puissante que Dieu nous a donnée. Mais la plupart du temps nous ne nous en servons pas ou mal à cause de l'ignorance. Hénoch nous ouvre les yeux sur un sujet dont la Bible parle, mais qui n'est généralement pas enseigné dans les milieux évangéliques.

CHAPITRE 33

1. Puis je me dirigeai vers le septentrion, (**nord**) aux limites de la terre.
2. Et là, vers les confins du monde, je vis un prodige grand et magnifique.
3. Je vis les Portes du ciel ouvertes, il y en avait trois distinctes entre elles. Par elles s'échappaient les vents du nord, père du froid, de la grêle, de la glace, de la rosée et de la pluie.
4. D'une de ces Portes, les vents soufflaient légèrement, pour le bien ; mais par les deux autres ils soufflaient avec violence et désolation, et leur souffle se répandait sur la terre.

CHAPITRE 34

1. De là, je me dirigeai du côté de l'occident (**ouest**), vers les confins de la terre.
2. Et je vis trois Portes, comme du côté de l'**est**. Or ces Portes étaient de la même grandeur.

CHAPITRE 35

1. Ensuite je me dirigeai du côté du **sud**, vers les confins de la terre. Il y avait là également trois Portes, par où s'échappaient la rosée, la pluie et le vent.

2. Puis je me dirigeai vers l'orient, (**est**) aux confins de la terre, où je vis les trois Portes ouvertes du ciel, et au-dessus d'elles il y avait des petites Portes. C'est par chacune de ces petites Portes que passent les astres du ciel, et ils vont vers l'ouest par le chemin qui leur est montré et cette route brillante était visible en tout temps.

3. Quand je les aperçus, j'élevai ma voix et je louai le Seigneur qui avait formé ces corps lumineux et resplendissants, afin de révéler aux intelligences angéliques et humaines, la magnificence de ses œuvres ; afin qu'ils célébrassent les uns et les autres, les merveilles de Sa puissance, qu'ils glorifiassent les labeurs divins de Ses mains, et afin qu'ils Le louassent à tout jamais.

Commentaire des chapitres 33, 34 et 35.

Hénoch est conduit à ce que nous appelons les quatre points cardinaux. Hénoch voit trois Portes à chacune des limites de la terre. Jusqu'alors, quand Hénoch parle de l'Est, il parle du passé et quand il parle de l'Ouest, il parle de l'avenir (par rapport à lui-même, à son temps). Maintenant, au **Ch 33** Hénoch parle de l'espace géographique. Il parle du **Nord** et dit qu'il y voit trois Portes. Ces Portes sont ouvertes. C'est de ces Portes que sortent les vents du nord. D'une de ces Portes sortent des vents bienfaisants. Des deux autres Portes sortent des vents qui désolent la terre, ils sont violents. **Ch 34**, vers l'**Ouest**, Hénoch voit trois Portes qui sont comme celles qu'il a vues au chapitre **32**, à l'Est. (Pas de vent) Souvenez-vous, à l'Est, c'était des astres qui sortaient par ces Portes. Là, à l'Ouest, Hénoch ne dit pas ce qu'il voit sortir ou entrer par ces trois Portes. Ce sont les Portes ouvertes qui reçoivent les astres qui ont terminé leurs actions influentes sur la terre. Elles doivent être de la même dimension que les petites Portes vue à l'Est. Les astres vont donc de l'Est à l'Ouest et les vents naissent du Nord ou du Sud. Au Chapitre **35, à l'Est,** Hénoch nous dit voir les trois Portes orientales du ciel. Il ne nous dit pas ce qui en sort ou ce qui y entre. Il nous dit aussi qu'au-dessus de ces trois Portes se trouvent des Portes plus petites qui vont vers l'Ouest. Alors, là encore il nous faut voir ce que signifient ces choses. Hénoch ne prétend pas nous faire une leçon d'astronomie ni de climatologie. Dieu lui montre ces choses pour que nous en décryptions le sens spirituel. Hénoch voit donc douze Portes. Cela ne peut que nous sauter aux yeux : il y a aussi douze Portes à la Nouvelle Jérusalem. Trois de chaque côté de la Pyramide **Apoc 21/12-13**. Sur les Portes de la Nouvelle Jérusalem sont écrits les noms de douze tribus d'Israël et il y avait aussi douze anges, donc trois à chaque porte. Par exemple, on peut savoir quels noms se trouvaient au Sud de la muraille. C'était les noms de Ruben, Siméon et Gad. Comment peut-on le savoir alors que le livre de l'Apocalypse ne nous le dit pas ? Simplement en lisant le livre des Nombres. **Nom 2/1-34.** Il y avait quatre côtés au tabernacle dans le désert et trois tribus de chaque côté.

A l'**Est**	Juda, Issacar et Zabulon
Au **Sud** :	Ruben, Siméon et Gad
A l'**Ouest** :	Ephraïm, Manassé et Benjamin.
Au **Nord** :	Dan, Aser et Nephtali.

Ce qui me fait dire que la petite Epouse de Christ sera composée de Juifs des douze tribus qui ont été dispersées dans les nations. (Ceci dit, la petite Epouse de Christ n'a rien à voir avec les 144000 Juifs qui seront sauvés pendant la grande tribulation. **Apoc 7/1-8**). Les Portes qu'Hénoch a vues sont des réalités spirituelles. Par exemple, voyons les types des Portes du Nord : Dan est au Nord. Le prince de Dan est satan. **Testament de Dan 5/6.** (Vent dévastateur du Nord) dans les derniers jours il est dit que Dan abandonnera l'Eternel. **Test. Dan 2/4**. Dan est un serpent sur le chemin **Gen 49/17.** (Vent mauvais). Au Nord, il y a aussi Nephtali qui signifie « j 'ai agi par ruse » selon **Test de Nephtali 1/8-9.** Dieu fera périr tous ceux de cette tribu **Test de Neph 3/2**. Il n'y aura qu'un petit reste qui se convertira et qui retournera en Israël et recommencera à pécher comme avant. **Test de Neph 3/4.** Au Nord, il y a donc deux Portes pas très reluisantes quant à ses effets (vent mauvais). Quant à **Aser**, c'est une vision de dualité que nous trouvons chez lui dans le Testament des douze patriarches. C'est un vent du

nord comme **Dan** et **Nephtali**, mais moins corrompu (vent modéré). Il y a au Nord, trois Portes dont seulement une donne un vent modéré. En fait, ces Portes sont des signes spirituels de ce qui se passe sur terre dans les différentes dispensations qu'elle a connues. Les trois petites Portes à l'Est et à l'Ouest sont les trois passages des astres qu'Hénoch a vus au chapitre **32**. Il y en a à l'Est et à l'Ouest. **« 2**. *A l'orient (Est) du lieu où se trouvaient ces bêtes, j'aperçus les limites de la terre, et l'endroit où le ciel se pose. Les portes du ciel étaient ouvertes et j'en vis sortir les astres. Alors je les comptais à mesure qu'ils sortaient, et j'en notais exactement le nombre. Je pris note également de leurs noms, de leurs conjonctions, de leurs courses périodiques, de leurs vicissitudes, à mesure que l'ange Uriel, qui était avec moi, me les expliquait.* ***3***. *Car il me les montra tous, et de tous il me donna connaissance*. ***4***. *Il me fit connaître encore leurs noms, leurs rangs, leurs associations et leurs diverses influences* ». **Henoch 32/2-4**. (lisez le commentaire du ch **32**.)

Il y a douze Portes. Six grandes pour les vents au Nord et au Sud et six petites pour les astres à l'Est et à l'Ouest. Ce qui est étrange, ce sont les trois grandes Portes supplémentaires qui se trouvent à l'Est. A quoi servent-elles ? Pour le comprendre, il faut la souplesse de l'Esprit et non la rigidité de la matière. Le monde naturel et le monde spirituel se mélangent dans le système créé aux confins Est de la terre. C'est de l'Est que tout démarre. C'est là que se trouvent les Portes du temps que gèrent les astres, êtres vivants. C'est ce qui nous aide à établir que l'Est symbolise le passé de tout ce qui est créé. Les dimensions spirituelles et matérielles commencent à cohabiter à l'Est. Là où le jour commence selon qu'il est écrit que Dieu commença son œuvre et qu'il y eut un soir et il y eut un matin : ce fut le premier jour. **Gen 1/3-5.** Dieu commença donc tout avant le soir. Le jour est le commencement, l'Est. Et cela aussi bien pour ce qui concerne l'espace que le temps. C'est pourquoi, à l'Est, on trouve en fait six Portes. Trois petites pour les astres et leurs courses et trois par lesquelles tout est passé une première fois, lors de la création. Ces trois grandes Portes de l'Est sont Les Portes des manifestations du Dieu unique en tant que Père, Fils et Saint-Esprit dans sa création.

Deuxième section
Paraboles D'Hénoch.

CHAPITRE 36

1. Voici une autre vision, la seconde vision de sagesse, la vision qu'eut Énoch, fils de Jared, fils de Malaléel, fils de Caïnan, fils d'Enosh, fils de Seth, fils d'Adam. C'est là le commencement de cette sagesse, que j'ai reçue pour l'expliquer et la faire aimer à ceux qui habitent sur la terre. Écoutez donc, vous les premiers, voyez, vous les derniers et comprenez les choses saintes que je viens vous révéler, en présence du Seigneur des esprits. Ceux qui existèrent avant nous ont regardé le ministère de la parole comme un de leurs devoirs.
2. Et nous, qui venons après eux, nous ne mettons aucun empêchement à la prédication de la sagesse ; mais jamais jusqu'à ce jour, il n'a été donné à personne ce qui m'a été donné à moi, la sagesse selon mon entendement, et dans la mesure du bon plaisir de Dieu. Ce que j'ai reçu de lui est vraiment une portion de la vie éternelle.
3. Cette sagesse était formulée dans trois paraboles, que je me suis fait un devoir d'annoncer aux habitants de ce monde.

Commentaire du chapitre 36.

Hénoch nous parle, à nous qui sommes les derniers. Il a commencé à parler à ceux de son temps. Puis ses livres ont été cachés par les religieux. Ils n'étaient consultés **que** par les initiés. Qu'ils soient Juifs ou Catholiques. (C'est un fait historique). Les protestants ne s'en sont pas beaucoup occupés. Les Evangéliques ne savent pas, pour la plupart, que le livre d'Hénoch existe (sinon par ce qu'ils en lisent dans l'épître de Jude). Et aujourd'hui, ce que Dieu a révélé à son prophète éclaire ceux qui sont de la dernière génération de l'Eglise des nations. C'est ainsi que la Connaissance augmente selon ce que Jésus avait prophétisé. Ce livre nous est adressé. Lisons-le avec beaucoup d'attention, dans un esprit de prière et de soumission à notre Dieu Tout-Puissant. Méditons sur ces choses et faisons-les connaître autour de nous. N'allons pas rejoindre les rangs de ceux qui tiennent captive la vérité. Car la colère de Dieu se révèle contre ceux qui retiennent la vérité captive **Rom 1/18**. Ne soyons pas de ceux qui possèdent les clés de la connaissance mais qui n'entrent pas et empêchent ceux qui voudraient entrer, d'entrer. **Luc 11/52**. Ne soyons pas stupides. Ne soyons pas comme les religieux de tous les temps qui se sont montrés sectaires et implacables dans leurs certitudes étriquées. Dieu a permis que ce livre d'Hénoch sorte au grand jour durant notre génération. Il était enfermé dans les pierres d'une caverne, près de la mer Morte. Les religieux se sont tus, mais les pierres ont crié. **Luc 19/40**. Ce livre était aussi tenu caché au Vatican et dans

quelques bibliothèques soigneusement tenues éloignées du peuple. Il n'y a eu que l'église Ethiopienne qui a placé ce livre dans la Bible.

Hénoch décrit le jugement dernier dans ces trois paraboles. Hénoch appelle Dieu le Seigneur des esprits. C'est parce qu'il a vu le monde des esprits et qu'il sait que tout est esprit. La matière est de l'esprit qui vibre dans une fréquence plus basse, mais c'est de l'esprit. Dieu est le Seigneur de tout. Il est le Seigneur de ce que nous appelons 'esprit' et de ce que nous appelons 'matière'. Dans le livre des **Nombres 16/22 et 27/16** il est écrit que Dieu est appelé : « Dieu des esprits de toutes chairs. » Le Nouveau –Testament nomme Dieu « Père des esprits » **Héb 12/9**. Ces trois paraboles d'Hénoch sont les plus belles pages spirituelles de son livre. Hénoch y parle énormément du royaume des Cieux. Ceux qui ont des oreilles pour entendre comprennent qu'ils ont déjà leur part de l'éternité ici-bas, sur cette terre. C'est ce que l'apôtre Paul appelait les prémices de l'Esprit **Rom 8/23** ou les arrhes de l'Esprit **2 Cor 1/22 et 5/5**. Ceux qui sont nés de nouveau goûtent donc déjà à la qualité de la Vie éternelle. Hénoch l'annonce dans ses trois paraboles. En effet, si vous êtes né de nouveau, vous pouvez avoir accès aux mystères de Dieu dans la mesure où se trouve votre Vie spirituelle.

PREMIERE PARABOLE

CHAPITRE 37

1. Première parabole. Quand la communauté des justes sera manifestée [visible] à la terre, que les pécheurs seront punis, et recevront aux yeux de tous le châtiment mérité par leurs crimes ;
2. Quand Le Juste se manifestera devant les justes eux-mêmes ; que leurs œuvres élues seront pesées par le Seigneur des esprits et mériteront de recevoir la récompense promise ; quand la lumière des justes et des élus qui habitent sur la terre, brillera d'un éclat immortel, à ce moment, que deviendra la demeure du pécheur ? Où sera le lieu de repos de celui qui aura rejeté le Seigneur des esprits ? Oh ! qu'il vaudrait mieux pour lui, qu'il n'eût jamais existé !
3. Quand seront révélées les secrètes pensées des justes, les pécheurs subiront un jugement sévère, et les impies seront tourmentés en leur présence.
4. Dès ce moment, les maîtres, les possesseurs de la terre cesseront d'être puissants et élevés. Il leur deviendra impossible de contempler les saints en face ; car la lumière des justes et des élus ne peut être contemplée que du Seigneur des esprits. Car Le Seigneur des esprits sera apparu, lumière de la face des saints, des justes et des élus.

5. Alors les puissants de ce monde périront mais ne seront point anéantis, ils seront livrés aux mains des justes et des saints.
6. Désormais plus d'intercesseurs, et plus de miséricorde pour eux de la part du Seigneur, car avec le temps de la vie, le temps de la clémence aura passé. Paroles du Seigneur des esprits.

Commentaire du chapitre 37.

La première parabole du livre d'Hénoch va jusqu'au chapitre **44**. Les gens qui n'auront pas voulu suivre Jésus de leur vivant seront alors livrés entre les mains des saints. Les paroles que les témoins du Seigneur auront prononcées serviront à les juger. **Jean 12/48**. Ils se souviendront avec horreur des pauvres arguments qu'ils avaient opposés à La vérité dont les saints les avaient entretenu de leur vivant et ils seront couverts de honte. Les gens qui auront persévéré dans leur incrédulité et leurs péchés ne pourront même pas regarder les saints en face. Cela leur sera intolérable. Ils chercheront les ténèbres pour s'y réfugier. Le Juste dont il est question au verset **2**, c'est Jésus-Christ, Celui que nous adorons, Le seul qui soit adorable. Il apparaîtra devant les Siens. Les œuvres élues sont les œuvres que Dieu a préparées d'avance afin que nous les accomplissions. **Eph 2/10**. Ces œuvres élues nous suivront et témoigneront de ce que nous étions. **Apoc 14/13-14**. Au verset **3** il est dit que des gens qui seront rejetés ce jour-là, qu'il aurait mieux valu pour eux ne jamais être nés. L'étang de feu est une création de Dieu et, comme tout ce qui est créé, un jour, il sera détruit. Il ne se trouvera plus de place pour l'étang de feu devant Dieu. **Apoc 20/10** nous parle d'un temps et non d'éternité. **Hénoch 108/1**1 nous dit : « *Les pécheurs gémiront et verront les justes resplendir*. *Les pécheurs iront eux-mêmes là où leur ont été fixés, par écrit, des jours et des temps*. » Vous voyez qu'il est aussi question de temps, et non d'éternité. Les esprits qui sont venus s'incarner dans des corps et qui auront été rebelles seront non seulement anéantis, mais avant cela, ils seront tourmentés dans l'étang de feu. C'est pourquoi Hénoch dit qu'il aurait mieux valu qu'ils ne soient jamais nés. En effet, les esprits qui se sont rebellés contre Dieu seront tous anéantis, mais ceux qui ne se seront jamais incarnés sur terre souffriront moins que les autres. Parmi ceux dont la Bible nous dit qu'ils étaient des démons, on trouve Judas. Il n'**avait** pas un démon en lui, il **était** un démon. Cela signifie que son corps était habité par un esprit déchu. Et il y a sur terre encore beaucoup de gens qui SONT des démons. Ils sont ce que la Bible appelle la semence du diable. **Matt 13/37 à 43**. Peu de Chrétiens croient qu'il y a sur terre une race du serpent. C'est par manque de connaissance qu'ils refusent de croire dans la parabole que Jésus donne en **Matt 13/24-30** et **Matt 13/37 à 43** qui en donne l'explication nette. Ils cherchent à tordre l'interprétation de cette parabole mais n'y arrivent pas vraiment car elle est très explicite. « ***L'ivraie, ce sont les fils du malin et c'est le diable qui l'a semée* ».** Cela signifie ce que cela signifie. Pas besoin d'une interprétation, c'est très clair. Quant aux secrets des justes, **verset 3**, il s'agit de ce que Dieu leur a révélé. Dieu nous révèle les mystères afin que nous les révélions sur terre. Mais souvent, il nous est impossible de les révéler, tant la pensée des gens est étriquée. Ils ne sont pas capables d'entendre ce que nous disons. Ils tournent tout au ridicule. Ils se moquent des profondeurs de Dieu. Ils ne sont même pas capables d'entendre les choses les plus simples du Royaume de Dieu. Quand on leur parle d'un miracle, ils n'y croient pas. Ils doutent même quand **ils voient** un aveugle retrouver la vue après l'imposition des mains au Nom de Jésus-Christ. Et aussitôt que nous abordons des

enseignements comme celui des Sept Sceaux de l'Apocalypse ou les prophéties de Daniel, ils sont pleins de mépris. Si vous leur parlez des êtres pré-Adamiques, ils vous disent que cela n'intéresse personne. Ils veulent ignorer la Vérité. Ils veulent ignorer qu'il y a sur terre, des êtres qui sont de la descendance du serpent-ancien. Même parmi les pasteurs on trouve cette position de négation … Pourquoi est-ce que je donne ces commentaires d'Hénoch, sachant que la majorité les rejettera ? Parce que je veux faire ce que Dieu veut que je fasse. Je sais ce que Dieu veut pour notre génération étourdie par la folie. Dieu ne veut pas seulement que j'annonce l'Evangile aux vivants et que je prie pour les malades. Il m'a donné d'autres choses sacrées à faire. Je les ferai car Dieu m'en donnera toujours les moyens et bénira ceux qui me recevront et m'aideront. **Luc 10/16** « *Celui qui vous écoute, M'écoute et celui qui vous rejette Me rejette. Et celui qui Me rejette rejette Celui qui M'a envoyé.* » Un jour, au Burkina-Faso, on m'a demandé de parler devant 3800 pasteurs et leur dire pourquoi j'ai tant de guérisons dans mon ministère. La réponse est simple : Les miracles sont là pour confirmer que ce que je dis est La Vérité. **Marc 16/20**. Vous voyez que cela n'est pas facile à avaler…quand on est incrédule. Je dois dire ces choses afin que la séparation qui existe entre les prophètes qui ont parlé et écrit autrefois et les religieux de notre temps n'existent plus. Mais j'ai été averti par le Seigneur que la plupart des gens penseront que ce que je dis est faux. De quel côté êtes-vous ? Si vous êtes du côté de ceux qui ne me croient pas, vous risquez d'être surpris par ce que vous entendrez pendant la grande tribulation, (si vous vivez jusque-là). Car ces choses seront enseignées par les deux témoins qui prêcheront durant la grande tribulation **Apoc 11**. Le sort des justes est annoncé. Celui des impies aussi.

CHAPITRE 38

1. Dans ces jours-là la race sainte et bénie descendra des hauteurs des cieux, et sa génération habitera avec les fils des hommes. Hénoch a reçu les livres de l'indignation et de la colère, les livres du trouble et de l'agitation.
2. Jamais ils n'obtiendront miséricorde, dit le Seigneur des esprits.
3. Alors la nuée m'enleva, et le vent me souleva sur la surface de la terre, et me transporta aux franges, aux frontières des cieux.
4. Là j'eus une autre vision. Je vis la demeure et le séjour tranquille des saints. Oui, mes yeux eurent le bonheur de contempler leurs demeures avec celles des anges ; le séjour de leur repos avec celui des saints. Là il y avait des demandes, des prières, des supplications pour les enfants des hommes. La justice coule devant eux comme une onde pure, et la clémence se répand sur la terre comme une précieuse rosée. Et telle est leur existence pour l'éternité.
5. En ce temps-là donc mes yeux contemplèrent la demeure des élus, le séjour de la vérité, de la foi et de la justice.
6. Le nombre des saints et des élus de Dieu sera infini dans tous les siècles.
7. J'ai vu leur demeure placée sous les ailes du Seigneur des esprits. Tous les saints, tous les élus chantaient devant lui, brillants comme le feu ; leurs bouches étaient pleines

des louanges de Dieu, et leurs lèvres s'ouvraient pour célébrer le nom du Seigneur des esprits. La justice se tenait debout devant lui.
8. Là je désirai rester, là mon âme soupira après cette demeure. Là était la portion de mon héritage, depuis le commencement ; car telle était sur moi la volonté du Seigneur des esprits.
9. En ce temps-là je célébrais et j'exaltais le nom du Seigneur des esprits, par des bénédictions et des louanges. Car tel est le bon plaisir du Seigneur des esprits.
10. Longtemps mes yeux contemplèrent ces demeures fortunées, et je louais Dieu, en disant : Béni soit-il, béni soit-il à jamais ! Depuis le commencement, avant la création du monde, jusqu'à la fin des siècles.
11. Quel est ce monde ? Oui, de toutes les générations ils doivent te bénir, tous ceux qui ne dorment point dans la poussière, mais qui contemplent ta gloire, qui te célèbrent, te magnifient et te bénissent, en disant : Saint, saint, saint est le Seigneur des esprits, qui remplit de son immensité le monde entier des intelligences.
12. Là, mes yeux contemplèrent tous ceux qui ne sont point endormis devant lui, qui se tiennent debout devant lui, qui glorifient en disant : Béni sois-tu, béni soit le nom de Dieu à tout jamais ! Et ma face fut tout à coup changée, en sorte que je ne pouvais plus voir.

Commentaire du chapitre 38.

Dans le livre de l'Apocalypse il nous est parlé de ceux qui règneront avec Jésus pendant le millénium. Il nous est dit que ceux qui règneront seront ceux qui seront morts martyrs pendant la grande tribulation. **Apoc 20/4-6**. L'Epouse de Jésus restera dans le Palais Céleste durant ce temps. Sa place est dans ce que La Bible nomme La Nouvelle Jérusalem **Apoc 21**. En fait, La Nouvelle Jérusalem est l'Epouse. L'Epouse est « composée » de tous ceux qui auront été fidèles durant les sept âges de l'Eglise des nations et de ceux de l'Eglise juive, de l'Eglise Communautaire et donc scripturaire de Jérusalem.

QUI EST L'EPOUSE DE CHRIST ?

L'Epouse de Christ tirée des nations et les disciples de Jésus qui auront été fidèles entre l'an 53 et 170, ils sont ceux qui sont nommés dans **Apoc 2/7**.

Egalement, ce sont ceux qui ont vécu entre 170 et 312 et sont nommés en **Apoc 2/11.**

Egalement, ce sont ceux qui ont vécu entre 312 et 606 et sont nommés en **Apoc 2/17.**

Egalement, ce sont ceux qui ont vécu entre 606 et 1520 et sont nommés en **Apoc 2/26-27.**

Egalement, ce sont ceux qui ont vécu entre 1520 et 1750 et sont nommés en **Apoc 3/5**.

Egalement, ce sont ceux qui ont vécu entre 1750 et 1906 et sont nommés en **Apoc 3/12**.

Egalement, ce sont ceux qui vivront entre 1906 et l'enlèvement de l'Epouse et sont nommés en **Apoc 3/21**.

Lorsque Joseph s'est fait connaître à ses frères, son épouse était dans le palais royal **Gen 45/1**. C'est ce qui me fait dire, par l'esprit de prophétie, que lorsque Jésus viendra régner sur terre pendant mille ans, Son Epouse restera dans le Palais d'où Elle exercera un règne efficace. Le peuple Juif verra Jésus-Christ apparaître sur les nuées du ciel et il reconnaîtra alors Celui qu'il a percé **Zach 12/10**. Mais L'Epoux Divin ne mêlera pas Son Epouse à cette expérience terrestre qui sera pénible à vivre. L'Epouse aura sa part à jouer depuis le Palais, mais Elle ne participera pas à ce règne en étant présente sur terre. La Nouvelle Jérusalem ne descendra que lorsque la nouvelle terre aura été créée. **Apoc 21/1-3**. Hénoch a vu tout cela. Il a vu les ressuscités d'**Apoc 20/4** régner sur terre, (sur la terre actuelle) se mêlant aux humains. Mais ces humains ne seront pas sauvés. C'est pourquoi nous voyons des livres d'indignation et de colère au verset **1.** En effet ces gens sur lesquels règneront Jésus et les ressuscités seront **ceux qui auront collaboré avec l'anti-christ pendant la grande tribulation. Ils seront une bande de traîtres et de racaille.** Jésus et les Siens règneront sur eux avec une verge de fer. La verge de fer, l'autorité sévère de la Loi viendra directement de La Nouvelle Jérusalem où se trouvera l'Epouse. Jésus et les Siens seront l'exécutif sur terre. **Apoc 3/27. Cette populace infâme** n'aura pas la vie facile pendant ces mille ans. Ce sera œil pour œil et dent pour dent. Et rien n'échappera aux yeux du Seigneur. C'est ainsi que Dieu règnera sur ceux qui ne sont pas assez intelligents pour vivre libre. En effet ceux qui auront survécu à la grande tribulation n'auront survécu que grâce à leur abandon des Choses Sacrées. Ils auront collaboré avec le diable personnifié. Régner sur de telles personnes ne sera pas une partie de plaisir ni pour Jésus, ni pour les Siens. Puis Hénoch est enlevé aux frontières des Cieux. **V3.** Hénoch se réjouit en voyant La Paix parfaite qui règne dans le séjour tranquille des élus. Leurs demeures sont fortunées. Les prières qui sont faites là sont exaucées sur la Nouvelle Terre **v4**. Hénoch appelle l'endroit où se trouvent les élus « le séjour de la vérité, de la foi et de la justice ». C'est ce que devrait être l'église de Jésus-Christ sur cette terre actuelle. Mais elle a perdu son premier amour. Elle n'est plus ce qu'elle devrait être. Elle a été politisée, placée sous le contrôle abusif des Nicolaïtes. Elle est envahie par des incrédules qui se disent 'chrétiens'. Elle est souillée par l'idolâtrie et par toutes sortes de scandales. **Elle a du sang Juif sur ses mains.** Elle est mélangée. Elle se vante d'être sage, mais elle ne sait pas qu'elle est pauvre, misérable, aveugle et nue. Elle ne sait même pas qu'elle sera vomie par Dieu si elle ne se repend pas **Apoc 3/14-22**. Pourtant, la vraie Eglise de Jésus existe sur cette terre. Elle est **apocryphe**, c'est-à-dire : TENUE CACHEE par Dieu.

CACHE

APOCRYPHE : du grec apocryphos = caché, secret, difficile à comprendre. (Dictionnaire biblique de André Chouraqui.) Il y a des **ECRITS APOCRYPHES**. Le livre d'Hénoch en est un. Il n'est pas douteux, il n'est pas hérétique, **il est caché**. Il y a aussi **L'EGLISE APOCRYPHE** (en quelque sorte) Elle n'est pas douteuse, ni hérétique. Elle est **CACHEE**. Elle n'est pas officiellement reconnue par les autorités religieuses et civiles. Elle n'est visible qu'aux yeux de Dieu. Les membres de cette Eglise se reconnaissent entre eux **Jean 13/35.** C'est l'Amour qu'ils manifestent les uns pour les autres qui est le principal signe qui les distingue des membres des religions qui se sont faites un nom. **Gen 11/4**. Il y a des membres de cette **EGLISE CACHEE** dans toutes les églises qui se réclament de Jésus-Christ comme Dieu Sauveur et Seigneur. Il n'y a que Dieu et eux-mêmes qui savent qui ils sont. Ce qu'ils sont n'a pas encore été manifesté. **1 Jean 3/1-2**.

Voyez quel Amour le Père nous a témoigné, pour que nous soyons

appelés enfants de Dieu ! Et nous le sommes. Si le monde ne nous connaît

pas, c'est qu'il ne L'a pas connu. Bien-aimés, nous sommes maintenant

enfants de Dieu, et ce que nous serons n'a pas encore été manifesté ;

mais nous savons que, lorsque cela sera manifesté, nous serons semblables à

Lui, parce que nous Le verrons tel qu'Il est. Quiconque a cette espérance

en Lui se purifie, comme Lui-même est pur.

Hénoch désire rester dans cet endroit. Il sait que c'est la Portion de son héritage depuis toujours. Il se sait prédestiné à vivre dans cet endroit. Alors il loue Dieu du plus profond de son être ! Il contemple longtemps cet endroit merveilleux. Quand il parle de ceux qui ne dorment pas dans la poussière, il parle des esprits qui s'étaient incarnés et qui ne dormaient pas, qui étaient éveillés. C'est-à-dire, il parle des vierges sages qui se sont réveillées à temps et qui avaient la réserve nécessaire pour aller à la rencontre de l'Epoux. Cette réserve d'huile pour leur lampe, c'est la portion de l'Esprit de prophétie qui conduit dans la compréhension des Ecritures et des temps. Noé avait sa portion. Voilà pourquoi il a fait ce qu'il devait faire en son temps. Abraham de même. Moïse de même. Chaque personne éveillée aux Choses de l'Esprit se comporte de la manière appropriée selon son temps. Dormir dans la poussière, c'est être un esprit endormi dans un corps de chair. Les vierges folles dormaient. Les vierges sages aussi. Mais une voix cria « L'Epoux vient. Cette voix est la voix de ceux qui ont un esprit éveillé. Ils savent ce qui arrive. Ils savent ce qu'il faut être et faire. Ils connaissent ce qui demeure caché à ceux qui dorment. Les vierges sont les authentiques personnes nées de nouveau. Parmi ces vierges, il y en a qui sont folles et d'autres sages. Ce qui les différencie les unes des autres, c'est que les sages ont été prévoyantes et ont tenu en réserve l'enseignement des apôtres pour ne pas se trouver dépourvues au moment de la venue de L'Epoux. Mais comme L'Epoux tarde, les vierges sages se sont endormies. Elles sont réveillées en sursaut par la voix de ceux qui ne dorment pas. Et elles partent avec L'Epoux. Elles peuvent aller à sa rencontre sur les nuées du ciel parce qu'elles ont la connaissance des Choses sacrées. Elles savent ce qu'est le signal donné de **1 Tess 4/16**. Très peu de chrétiens savent ce qu'est ce signal que Dieu a donné. Un signal montre la direction à suivre. Ce signal donné par Dieu durant le 20^{ième} siècle a été méprisé et rejeté par les églises qui se sont données un nom (comme ceux de Babel). Les gens qui n'ont pas reconnu le signal ne pourront pas croire ce que la voix de l'archange de **1Thess 4/16** dit. Et ils ne seront pas prêts quand la trompette céleste de **1 Tess 4/16** sonnera… Quel est cet archange dont nous parle Paul ?

ARCHANGE signifie SUPER-ANGE.

ANGE signifie ENVOYE, ou APOTRE.

La voix de l'archange de **1 Tess 4/16** est la voix d'un super-envoyé de Dieu. Ce ne sera sans doute pas la voix d'une seule personne. Ce sera certainement la voix de l'Epouse qui ne se sera pas laissé aller au sommeil spirituel. L'Epouse est la dernière envoyée de

Dieu à cette génération. Certaines personnes remplies du Saint-Esprit, obéissantes aux Ordonnances Divines et possédant la clé de la connaissance que cachent les religieux se lèvent pour avertir les vierges qui dorment. Ces gens-là auront une place privilégiée auprès de Dieu. Hénoch sera avec eux, il le savait et l'a dit clairement dans ce chapitre.

Il y a donc quatre possibilités qui s'offrent à vous.

1° Voulez-vous être les incrédules ?

2° Voulez-vous être une vierge folle ?

3° Voulez-vous être une vierge sage ?

4° Ou voulez-vous être le « **ON** » de **Matt 25/6 ?**

« *Au milieu de la nuit, **ON** cria : voici L'Epoux, allez à Sa rencontre !* »

CHAPITRE 39

1. Après cela j'aperçus des milliers de milliers, des myriades de myriades, et un nombre innombrable et sans estimation possible de ceux qui se tenaient debout devant le Seigneur des esprits.
2. Aux quatre côtés du Seigneur des esprits, je vis encore d'autres personnages, d'autres visages, différents de ceux qui ne dorment pas, outre les premiers, qui se tenaient devant lui. J'appris en même temps leurs noms, parce que les anges qui étaient avec moi me montraient tous les secrets, m'en révélant tous les mystères.
3. Alors j'entendis la voix de ceux qui étaient aux quatre côtés ; ils célébraient le Seigneur de toute gloire.
4. La première voix célébrait le Seigneur des esprits dans tous les siècles.
5. La seconde voix que j'entendis célébrait l'Élu et les élus qui dépendent du Seigneur des esprits.
6. La troisième voix que j'entendis suppliait et priait pour ceux qui sont sur la terre, et qui invoquent le Seigneur des esprits.
7. La quatrième voix que j'entendis repoussait les anges impies, et ne leur permettaient pas de se présenter devant le Seigneur des esprits afin qu'ils ne suscitent point d'accusations contre les habitants de la terre.
8. Après cela je demandai à l'ange de paix qui était avec moi, de m'expliquer tous ces mystères. Je lui dis : Quels sont ceux que j'ai vus aux quatre côtés du Seigneur, et dont j'ai entendu et écrits les paroles. Il me répondit : C'est d'abord **Michae**l, l'ange clément et lent à la colère.

9. C'est ensuite **Raphaël**, l'ange qui est préposé à toutes les maladies, aux douleurs et aux blessures des hommes.
10. Vient ensuite **Gabriel**, qui préside à tout ce qui est puissant. Enfin c'est **Phanuel**, qui préside à la repentance et à la riche espérance de ceux qui doivent hériter de la vie éternelle. Tels sont les quatre voix que tu viens d'entendre.

Commentaire du chapitre 39.

Au chapitre 20, nous voyons sept anges. Ici nous n'en voyons que quatre. Michael, Raphaël, Gabriel et Phanuel. Ils sont quatre parce qu'ils exercent quatre fonctions précises dans ce temps-là. Il y a aussi les quatre anges d'**Apoc 7**. Il y a aussi les quatre Etres Vivants **d'Apoc 4/4**. Les trois anges d'**Hénoch 20** qui manquent sont : **Uriel** qui est préposé au cosmos et à la terreur. **Raguel** qui tire vengeance du monde des luminaires. **Saraqiel** qui est préposé aux esprits des enfants des hommes qui pèchent contre les esprits. **Remeie**l qui est préposé sur les ressuscités. Hénoch vient de voir les demeures fortunées des Elus. Maintenant il est devant le Trône de Dieu et il voit les anges. Ces anges sont ceux qui servent Dieu sur la terre. En fait, cette multitude d'anges est aux ordres des quatre archanges qui se trouvent aux quatre côtés du Seigneur des esprits. Leurs voix célèbrent le Seigneur. Celle de **Michael** est au service de Dieu dans tous les siècles. Celle de **Raphaël** célèbre Jésus-Christ, l'Elu, Dieu manifesté dans la chair et les élus qui dépendent de Dieu. La voix de **Gabriel** supplie et prie Dieu pour les enfants de Dieu qui sont restés sur la terre après l'enlèvement de l'Epouse de Christ. Car Jésus n'intercède plus pendant les sept ans de la grande tribulation. La voix de **Phanuel** empêche les esprits accusateurs de se présenter devant Dieu. Ces esprits cherchent à accuser les chrétiens qui ne sont pas partis dans l'enlèvement et qui souffrent durant la grande tribulation. Nous comprenons pourquoi ce sont ces quatre anges et non les sept qui exercent leur ministère à ce moment précis de l'histoire. Nous voyons aussi **Uriel** qui est là. Il se tient avec Hénoch pour lui expliquer les mystères qu'il voit. **Saraqiel** n'a rien à faire à ce moment précis de l'histoire, car ceux qui passent par la grande tribulation ont déjà leurs destins fixés car ils ont tous déjà fortement péché contre les esprits dans le temps de la grâce, avant l'enlèvement de l'Epouse de Christ. Quant à **Remeiel**, il n'a rien à faire non-plus en ce moment précis car il n'est pas encore question de résurrection.

CHAPITRE 40

1. Ensuite je vis les secrets des cieux et du paradis dans toutes les parties, et les secrets des actions humaines, chacune selon leur poids et leur valeur. Je contemplai les

habitations des élus, les demeures des saints. Là aussi mes yeux aperçurent tous les pécheurs qui ont repoussé et nié le Seigneur de gloire, et qui en ont été chassé de ce lieu. Le châtiment de leurs crimes avait été décrété par le Seigneur des esprits.
2. Là encore mes yeux contemplèrent les secrets de la foudre et du tonnerre, les secrets des vents, comment ils se divisent quand ils soufflent sur la terre ; les secrets des vents, de la rosée et des nuées. Je vis le lieu de leur origine, l'endroit d'où ils s'échappent, pour aller [saturer d'humidité] la poussière de la terre.
3. Là je vis les réceptacles clos d'où sortent les vents en se séparant ; les trésors de la grêle, les trésors de la neige, les trésors des nuages, et cette même nuée qui, depuis le commencement du monde, planait sur la surface de la terre. **Gen 2/6**.
4. Je vis également les trésors du soleil et de la lune, où ses phases prenaient naissance ; leur commencement, leur glorieux retour ; comme l'un est plus brillant que l'autre (plus de poids, de gloire), que l'autre ; leur course est éclatante, leur cours invariable, leur amitié entre elles, leur docilité, et leur obéissance qui les porte sur les pas du soleil, selon le serment qu'ils se sont fait l'un à l'autre. D'après l'ordre du Seigneur des esprits.
5. Le soleil sort d'abord et accomplit son trajet selon l'ordre du Seigneur des esprits, son nom restera dans les siècles des siècles. Ensuite fut achevé le sentier de la lune, tant sa partie cachée que sa partie visible, le parcours de son sentier aussi bien de jour que de nuit, chacune, l'un comme l'autre. L'un des astres fait face à l'autre devant le Seigneur des esprits, l'exaltant et le louant sans interruption ; d'autant plus que louer est pour eux comme un temps de repos, mais dans le soleil ce sont des retours fréquents à la bénédiction et à la malédiction.
6. La lumière de la lune est pour les élus, comme les ténèbres sont pour les pécheurs ; telle est la volonté du Seigneur des esprits, qui a distingué la lumière des ténèbres, comme il a distingué les esprits des hommes, fortifiant ceux des justes de Sa propre justice.
7. Et aucun ange ne s'opposera à eux, car aucun d'eux n'a reçu ce pouvoir. Car le Seigneur a établi un Prince et c'est Lui qui gouverne tout cela du haut de Son trône, en Sa Présence, il voit toutes les créatures et les juge en souverain.

Commentaire du chapitre 40.

Hénoch voit des choses secrètes. Quand il parle du poids et de la valeur des actions humaines, il parle de la gloire de ces actions. Jésus dit que, sans Lui nous ne pouvons rien faire. **Jean 15/5**. Cela signifie que toutes les actions faites par les hommes qui renient Dieu, sont nulles devant Lui. Mais qui peut juger, ici-bas, si c'est Dieu ou non qui a donné le vouloir et le faire à telle ou telle personne ? Ces choses sont tenues secrètes ici-bas. Ainsi, certaines personnes sont si habiles à faire des œuvres qui ressemblent à celle que Dieu inspire, qu'ils arriveront même à entrer dans le Royaume de Dieu pour le repas des noces. **Matt 22/11**. Mais ils en seront chassés. C'est de ces personnes dont Hénoch nous parle dans la seconde partie du verset **1**. Qui sont ces gens ? Jésus nous parle dans cette parabole, de ceux qui ont été invité en masse au dernier moment, juste avant les Noces de l'Agneau. Comme ces gens n'étaient pas habillés de façon correcte pour la Noce, le Maître leur a donné un vêtement propre. Ce vêtement, c'est le vêtement de justice. Toute personne qui entre dans la salle des Noces doit être vêtue, <u>non de sa justice personnelle</u>, mais de celle offerte par Jésus. La

personne qui se trouvait au repas des Noces sans être revêtu du bon vêtement, de la justice offerte par Jésus, est jetée dehors. Pourquoi ? Parce qu'elle a voulu entrer comme elle voulait, avec sa propre justice. Ce sont toutes ces personnes qui vont à l'église, font de bonnes œuvres, s'identifient de manière extérieure au Royaume de Dieu, se prétendent chrétiens, mais rejettent la Justice offerte par Jésus. Ils veulent être justes par eux même. Rejeter la Justice offerte par Jésus, c'est croire qu'on peut entrer dans le Royaume de Dieu en se réclamant de nos propres œuvres. C'est tenir pour rien ce que Jésus a fait à la croix. Ce sont ces gens religieux qui font de bonnes œuvres pour être sauvées. La vérité c'est que nous faisons des bonnes œuvres **PARCE QUE** nous sommes sauvés et non **POUR** être sauvé. Une personne qui n'admet pas cela vit dans l'erreur, c'est-à-dire dans le plus grand péché qui se puisse commettre. C'est le blasphème contre l'Esprit-Saint de la Grâce. En effet, nous ne pouvons être justes aux yeux de Dieu que si nous croyons que Jésus a payé le prix pour notre justification. Vouloir ajouter nos bonnes œuvres à celle de Jésus revient à dire que l'œuvre de Jésus en croix n'est pas suffisante pour nous sauver. C'est une insulte à la bonté parfaite de Dieu. Cela revient à fouler aux pieds le sang de Jésus-Christ. Jésus-Christ est mort en portant le châtiment que nous méritions à cause de nos offenses, puis Il est ressuscité pour notre justification **Rom 4/25.** Jésus-Christ est la fin de la Loi pour la justification de tous ceux qui croient. **Rom 10/4**. Nous ne sommes plus jugés par la Loi. Cette loi nous condamnait car nous sommes tous incapables de conformer nos vies à ses exigences. Jésus a effacé l'acte (la Loi de Moïse) dont les ordonnances nous condamnaient et qui subsistait contre nous, et Il l'a éliminé en le clouant à la croix. **Col 2/14.** Jésus a mis un terme à la Loi et a justifié ceux qui croient en Lui. Ne peuvent donc être justes **que** ceux qui se croient justifiés gratuitement par Jésus. Ceux qui croient pouvoir se justifier devant Dieu en faisant des bonnes œuvres se trompent eux-mêmes par de faux raisonnements et seront très déçus, ils seront rejetés du Royaume pour cause d'insulte contre Jésus et Son œuvre d'amour qui nous permet de recevoir le salut comme un cadeau immérité. Ce sont ces gens-là qu'Hénoch voit au verset **1.** « *Là aussi mes yeux aperçurent tous les pécheurs qui ont repoussé et nié le Seigneur de gloire, et qui en ont été chassé de ce lieu. Le châtiment de leurs crimes avait été décrété par le Seigneur des esprits* ». Pour ce qui est du soleil, de la lune et des étoiles, Hénoch ne nous fait pas ici un cours d'astronomie. Il nous donne une parabole. Cependant, je tiens à dire ceci : Nous savons que la terre tourne autour du soleil. Quand elle est au plus loin du soleil, dans sa course elliptique, elle se trouve à 149600000 kilomètres du soleil. Il lui faut une année pour faire le tour du soleil. La terre tourne sur elle-même. Ce qui nous donne l'impression que la lune tourne autour de la terre en 24heures. La lune tourne autour de la terre. Il lui faut 27 jours, 7 heures et 43 minutes pour faire le tour de la terre. Elle se trouve à une distance moyenne de 384 400 km de la terre. La lune tourne aussi sur elle-même. Quand nous lisons ce texte d'Hénoch, on pourrait croire qu'il affirme que le soleil et la lune tournent autour de la terre. Cependant, il n'en n'est rien. Quand Hénoch dit que le soleil « sort le premier » **c'est ce qu'il voit**. C'est ce que nous voyons aussi. Tout dépend du point de vue que nous avons. **Tout le monde civilisé sait** que le soleil ne tourne pas autour de la terre, cependant tout le monde dit que le soleil **se lève** et **se couche**. Hénoch ne dit pas que le soleil se lève ou se couche. Il dit que le mouvement qu'il observe est régulier. Maintenant, pensez-y… Beaucoup de personnes disent : « Je ne crois que ce que je vois » Ils devraient alors croire que le soleil se lève à l'est et se couche à l'ouest, car c'est ce qu'ils voient. Il est important pour chacun de nous de ne pas croire une chose parce qu'on l'a simplement vue. En poussant le raisonnement, nous pourrions dire : « Je ne crois pas en ce que je ne vois pas » ce serait faire preuve d'une grande stupidité. C'est pourtant ainsi que pensent les incrédules.

Maintenant, revenons au côté parabolique de ce qu'Hénoch nous décrit. Ce qui me fait dire qu'il s'agit d'une parabole, c'est qu'Hénoch le dit au **Ch 42/2** : « Le Seigneur des esprits t'a montré leur représentation parabolique. » Ainsi le voile qui couvrait les secrets des éclairs et du tonnerre est levé aux chapitres **42** et **43**. Le Livre de l'Apocalypse nous parle de la voix des sept tonnerres. **Apoc 10/3**. Quand on voit l'éclair, on entend le tonnerre. Si on est à grande distance de l'éclair, le son du tonnerre nous parvient avec un peu de retard. Ce que les sept tonnerres disent arrivera donc sur la terre après la résurrection des Saints, cette résurrection étant les éclairs qu'Hénoch a vus. C'est pourquoi ce qu'ont dit les sept tonnerres n'a pas à être connu de nos jours (en 2008, alors que j'écris ce chapitre). C'est scellé, c'est un des secrets nommés au verset **1.** Mais quand le septième ange sonnera de sa trompette, le mystère sera pleinement révélé. **Apoc 10/7**. **Maintenant, sachez que ce mystère n'est pas actuellement un mystère pour l'Epouse de Christ**. Il n'est un mystère que pour les Juifs et pour tous les incroyants. Il est aussi un mystère pour les chrétiens nés de nouveaux qui n'entrent pas dans le processus du rétablissement de toutes choses qui a commencé. Ce processus a commencé aux environs de la moitié des années 1970. Le début de ce processus a commencé lorsque Dieu commença à mettre fin à l'histoire de l'église des nations. (Nous y reviendrons plus tard). Les éléments qui nous sont décrits ici sont des images. Par exemple : Les secrets des **vents** sont les secrets des anges ; nous verrons cela dans le chapitre **76**. La **nuée** qui plane c'est l'Esprit de Dieu. **Gen 1/2.** Les **nuages** et la **rosée** sont l'influence de Dieu sur la terre par le moyen de ses Serviteurs et de Sa Parole écrite. Le **soleil** et la **lune** sont Dieu et son Epouse. Pendant la grande tribulation le soleil sera enténébré et la lune comme de sang. **Actes 2/20.** Pierre parle là d'une prophétie de Joël qui couvre le temps allant de la pentecôte au retour de Jésus. **Matt 24/29** nous dit que la lune deviendra sombre. Cela arrivera sous le sixième Sceau d'**Apoc 6/12-17.** Cela signifie que Dieu retirera Sa Lumière de la terre vers la fin de la grande tribulation. Les chrétiens qui seront restés sur terre pour vivre la grande tribulation se souviendront de l'Epouse de Christ qui sera partie. Ils ne comprendront pas très bien ce qui leur arrive et se sera comme des ténèbres que la lune, l'Epouse donnera dans leur souvenir. Les anges n'ont pas l'autorité que possèdent Dieu et Son Epouse. Les anges, ni les bons, ni les mauvais, ne pourront s'opposer à ce que nous ferons alors. Dieu (le soleil) a tout pouvoir. L'Epouse (la lune) a reçu de Lui le pouvoir, comme le soleil donne à la lune le pouvoir de réfléchir Sa lumière. C'est ainsi que nous nous exerçons déjà maintenant à lier et délier en Son Nom, d'ouvrir et de fermer en Son Nom. De bénir sans maudire en Son Nom.

.

CHAPITRE 41

1. La sagesse n'a point trouvé sur la terre de demeure où reposer sa tête ; c'est pourquoi elle fait sa résidence dans le ciel.
2. La sagesse est descendue du ciel pour habiter avec les enfants des hommes, mais elle n'a point trouvé de demeure. Alors la sagesse est retournée vers son divin séjour, et

a pris place au milieu des saints anges. Et l'iniquité s'est présentée, hors de son repaire, et elle a trouvé une demeure chez ceux qui ne la cherchaient pas, elle a été reçue par les enfants des hommes, comme la pluie est reçue par le désert, comme la rosée est reçue par une terre desséchée.

Commentaire du chapitre 41.

La Sagesse, c'est Jésus, La Parole. Avant de se faire chair, la Sagesse est venue sur terre, au jardin d'Eden, elle était l'Arbre de Vie ; puis elle est venue portée par les prophètes, (Hénoch et Noé) mais personne ne l'a reçue. **Gen 6/11-12** nous dit que la terre était corrompue devant Dieu (devant la Sagesse), la terre était pleine de violence, Dieu vit que la terre était corrompue ; car toute chair avait une conduite corrompue sur la terre. Après l'enlèvement d'Hénoch, il ne restait que Noé qui fut trouvé juste selon le cœur de Dieu. Alors Dieu décida de mettre fin à tous les êtres vivants. Il détruisit tout par l'eau du déluge. De nos jours Dieu tient la terre en réserve pour le feu **2 Pierre 3/7,** car Il a promis de ne plus la détruire par l'eau **Gen 9/11**. Quand Jésus-Christ est venu sur terre, Il était la Sagesse incarnée et Il ne trouva pas même une pierre pour y poser sa tête. **Matt 8/20.** Il était la Lumière du monde, mais le monde ne l'a pas reçue. **Jean 1/10-11.** C'est pourquoi Jésus-Christ est remonté aux Cieux. Du haut des Cieux, Jésus-Christ agit, par ceux qui, dans Son Eglise, se sanctifient. Ceux qui se disciplinent peuvent agir en Son Nom sur terre. Ceux de ce monde ne les reconnaissent pas. Ils n'ont pas reconnu l'Epoux, ils ne peuvent pas reconnaître l'Epouse. Jésus, l'Epoux, n'a pas donné Son pouvoir à n'importe qui. Il ne suffit pas de se prétendre chrétien pour manifester La Puissance de Dieu sur terre. Cependant, nous voyons beaucoup de faux prophètes opérer des miracles. Ils ne le font pas par la puissance de Jésus, mais par la puissance des ténèbres. Ils prétendent que leur ministère est authentifié par les miracles qu'ils font. Par exemple : ils ne peuvent pas guérir les malades, ils ne font que déplacer le mal. Les gens qui se laissent imposer les mains par eux se retrouvent assez rapidement plus malades qu'avant. Parfois, la maladie physique semble disparaître, mais un déséquilibre psychique s'installe. Et puis, il faut le savoir, ce n'est pas dans les miracles que se révèle la puissance de Dieu. La puissance de Dieu se manifeste dans l'Amour inconditionnel. L'Epouse de Jésus-Christ aime comme Elle est aimée par son Epoux. L'Epoux a tout donné pour Son Epouse. De même l'Epouse donne tout pour son Epoux. Elle le sert non pas comme on sert un maître, mais comme une épouse normale sert son mari : par amour pour lui. Comme Lui, Elle souffre sur cette terre remplie de violence et d'injustice. Elle se sent rejetée, mais Elle sait que cela ne durera pas longtemps. Elle aussi partira au ciel, à la rencontre de Son Epoux. Sa présence ici-bas a une seule raison : le rétablissement de toutes choses. Elle manifeste ici-bas le pouvoir exécutif. En obéissant à Son Epoux, Elle fait Sa Volonté sur terre. Elle fait ce que Dieu veut. Jésus, Son Epoux, lui a donné des ordres et Elle les accomplit. Les mortels n'y comprennent rien. Ils La méprisent comme ils ont méprisé Jésus. Ils la persécutent et s'accordent pour la ruiner. Ils favorisent les religions iniques et condamnent la véritable Epouse de Christ. Jésus est venu pour établir Son règne sur terre. Il est en train de le faire au travers de Son Epouse. L'Epouse de Christ est composée de ceux qui sont vainqueurs au travers de tous les âges de l'Eglise. Lisez **Apoc 2/7 ; 2 ;11 ; 2/17 ; 2/26 ; 3/5 ; 3/12 ; 3/21.** Dans ces Textes, Jésus parle à Son Eglise, mais Il y discerne ceux qui seront vaincus et ceux qui seront vainqueurs. Les vainqueurs sont l'Epouse de Christ. Toutes les personnes qui fréquentent les églises ne sont donc pas forcément l'Epouse de

Christ. Il ne suffit pas, pour être l'Epouse de Christ, d'avoir levé sa main dans une réunion d'évangélisation, de s'être fait baptisé, d'aller à l'église une ou deux fois par semaine, de parler en langues ou de faire des miracles. Ce qui manifeste la vraie Epouse de Christ, c'est l'Amour qu'elle manifeste. **1Cor 13**. (Maintenant, il est clair que l'amour ne signifie pas le manque de prudence. Avec certaines personnes, l'Epouse de Christ a l'ordre d'avoir de la pitié et de la crainte, haïssant jusqu'à la tunique souillée par la chair. **Jude 23**.) L'Epouse de Jésus fait ce qu'elle peut de nos jours. Le monde entier est sous la coupe du mal. Et quand l'Epouse sera partie au ciel pour rejoindre Son Epoux, le mal n'aura plus aucune retenue. **2Tess 2/6-7.** Ceux qui se disent chrétiens et qui vivent comme ils l'entendent seront alors entrainés dans une tribulation terrible pendant sept ans. Les gens et les chrétiens faibles accueilleront l'anti-Christ comme la pluie sur une terre desséchée**. Jean 5/43**.

CHAPITRE 42

1. Je vis une autre splendeur, d'autres éclairs et les étoiles du ciel Je remarquai qu'Il les appelait toutes par leur nom, et qu'elles répondaient à son appel. Je le vis qui les pesait dans Sa balance de justice, selon leur lumière, la grandeur des espaces qu'elles parcourent, et le jour où elles doivent apparaître ou s'éclipser. Elles se maintiennent mutuellement dans une fidélité réciproque. La splendeur engendre la splendeur, et leurs mouvements correspondent à ceux des anges et des fidèles.
2. Alors j'interrogeai l'ange qui était avec moi, et qui m'expliquait les mystères, et je lui demandai « Qui sont ceux-ci ? ». Il me répondit : « C'est leur apparence, leur représentation parabolique, que Le Seigneur des esprits t'a laissé voir. Ce sont en réalité les noms des saints justes qui habitent l'aride, la terre ferme, et sont à jamais fidèles et croient au Nom du Seigneur des esprits.

Commentaire du chapitre 42.

Hénoch voit maintenant l'image de ce que sont les vrais enfants de Dieu. Les vrais Enfants de Dieu écoutent Dieu. Jésus dira plus tard que nous sommes comme des brebis qui écoutent le Bon Berger et nous Le suivons. **Jean 10/4-5**. Pour le moment, nous sommes sur cette terre, mais la représentation de ce que nous sommes se trouve dans le ciel. Chacun des Enfants de Dieu est représenté par une étoile spéciale. Le mouvement de notre étoile correspond à nos mouvements ici-bas. Ces mouvements sont les mouvements de nos anges respectifs. Il nous est dit que Jésus est l'Etoile brillante du matin. Cela n'est pas qu'une parole poétique. **Apoc 22/16**. Les mages étaient des astrologues qui savaient très bien que l'étoile qu'ils suivaient était celle d'un roi qui

devait naître en Israël. Mais parce que la race humaine a péché, Dieu lui interdit formellement de lire dans les étoiles.

Qu'on ne trouve chez toi personne qui fasse passer son fils ou sa fille par le feu, personne qui exerce le métier de devin, d'astrologue, d'augure, de magicien, d'enchanteur, personne qui évoque les esprits ou disent la bonne aventure, personne qui interroge les morts. Car quiconque fait ces choses est en abomination à l'Eternel, ton Dieu…

Deut 18/9-12.

Le mot évoquer a ici la signification de : *'faire apparaître des esprits, des revenants etc, par la magie'*. Dico.

Si l'homme n'était pas déchu de sa position, il aurait la connaissance du bien et du mal que Dieu lui aurait donnée. Il aurait accès à la connaissance du livre du ciel. Mais, ayant préféré voler la connaissance du bien et du mal, l'homme et la femme se trouvent devant l'interdiction absolue de lire le livre du ciel. De plus, Dieu a faussé l'accès à cette lecture. Les astrologues d'aujourd'hui se trompent car Dieu s'est plu à tout embrouiller comme Il a également semé la confusion à Babel. Il ne reste donc plus que des bribes de semblant de vérité dans la lecture que les païens* font dans les astres. Mais il n'empêche que la volonté de Dieu est faite par Ses enfants sur la terre comme elle est faite au ciel par les étoiles. Nous sommes tous pesés et vient le jour où ce que nous aurons été sera manifesté. **1 Jean 3/2.** Notre vie est appréciée par rapport à la Lumière qui s'en dégage. Il faut savoir que toutes les actions des hommes, même les bonnes, ne brillent pas devant Dieu. Seules les actions qui sont conformes à la volonté de Dieu brillent devant Sa Face. Les actes des Enfants de Dieu sont tenus en compte par les anges. Par exemple, **Luc 15/7** nous dit que le fait que nous nous soyons repentis et convertis a créé de la joie dans le ciel. Les vrais Enfants de Dieu se maintiennent mutuellement dans la fidélité comme leurs étoiles dans le ciel. (vie communautaire enseignée par Jésus **Luc 14/33**, enseignée par les apôtres **Matt 28/20** et vécue par les premiers disciples **Actes 2 et 4.)**

Ceux qui sont les vrais Enfants de Dieu sont fidèles et connaissent le NOM du Seigneur des esprits. Quel est le NOM du Seigneur des esprits ? Jésus dit : « *baptisez-les au nom du Père* (quel est le NOM du Père ?) *du Fils* (quel est le NOM du Fils ?) *et du Saint-Esprit* (quel est le NOM du Saint-Esprit ?) **Matt 28/19**. Il n'y a qu'un NOM car il n'y a qu'un seul Seigneur des esprits. Ce NOM est le beau NOM de Jésus. Il a dit Lui-Même qu'Il est l'Alpha et l'Oméga. Jésus dit ici qu'Il est le seul vrai Dieu ! « *Voici, Il vient avec les nuées. Et tout œil Le verra, même ceux qui l'ont percé ; et toutes les tribus de la terre se lamenteront à cause de Lui. Oui. Amen ! Je suis l'Alpha et l'Oméga, dit* ***LE***

Seigneur Dieu, Celui qui est, qui était et qui vient, Le Tout-Puissant. » **Apoc 1/7-8**. Nous connaissons donc le NOM du Père, c'est le NOM de Jésus.

Nous connaissons le NOM du Fils, c'est Jésus.

Nous connaissons le NOM du Saint-Esprit, c'est Jésus.

« Baptisez-les dans LE NOM_», (pas dans LES NOMS)

Les Vrais Enfants de Dieu connaissent le NOM. Les autres vénèrent la trinité. (Le mot 'trinité' qui ne se trouve pas du tout dans la Bible). Dieu est **omniprésent** et, par exemple, ce n'est donc pas impossible à Dieu d'être en même temps dans l'eau du Jourdain, dans le ciel et sous la forme d'une colombe. **Matt 3/16-17**. Ce n'est pas parce qu'Il se manifeste comme trois entités* différentes qu'Il est trois **personnes** distinctes. Il est UN et Son Saint NOM est Jésus.

*Autrefois, les paysans n'avaient pas accès à la culture. C'est du mot paysan que vient le mot païen. Un païen est donc un inculte. Une personne qui ne connaît rien de ce que Dieu veut.

*entité : du latin ens, entis = être.

Le Fils est venu nous le révéler : « *Père, glorifie Ton NOM !* » **Jean 12/28.** Puis… « *Je leur ai fait connaître Ton NOM*. » **Jean 17/26.** « *Ecoute, Israël ! L'Eternel, notre Dieu, est le seul Eternel !* » **Deut 6/4.** Le Fils est la manifestation du Père dans une chair semblable à la nôtre. (Emmanuel = Dieu avec nous.) Le Saint-Esprit est l'Esprit de Dieu le Père, le créateur. Hénoch a vu que les vrais Enfants de Dieu croient au NOM du Seigneur des esprits.

CHAPITRE 43

1. Je vis encore une autre chose remarquable par sa splendeur ; elle émanait des étoiles ; certaines d'entre elles surgissaient et devenaient des éclairs, et ne pouvaient plus abandonner leur nouvelle forme, mais elles ne s'en séparaient point.

Commentaire du chapitre 43.

Les étoiles, qui sont la représentation céleste de ce que sont les vrais Enfants de Dieu sur la terre, passent les unes après les autres par un changement fulgurant. Elles deviennent des éclairs. Cela est la représentation de notre mort et de notre résurrection. En effet, lorsqu'un Enfant de Dieu disparaît de la terre des vivants il ne meurt pas, il est transformé. Jésus a dit clairement que ceux qui croient en Lui ne mourront jamais. **Jean 11/26.**

SECONDE PARABOLE.

CHAPITRE 44

1. Parabole seconde, qui s'adresse à ceux qui nient le nom et la demeure des saints et du Seigneur des esprits.
2. Ils ne monteront point au ciel ; ils ne descendront point sur terre. Voilà quel sera le sort des pécheurs qui renient le nom du Seigneur des esprits ; ils seront réservés pour le jour du châtiment et de la vengeance.
3. En ce jour l'Élu siégera sur un trône de gloire. Il statuera sur leur sort, et, confirmant par Sa présence les esprits des saints, il assignera une demeure à ceux qui ont mis leur confiance et leur amour dans Son Nom saint et glorieux.
4. En ce jour, je placerai mon élu au milieu d'eux, je changerai la face du ciel, je l'illuminerai pour l'éternité.
5. Je changerai aussi la face de la terre, je la bénirai ainsi que tous ceux que j'ai choisis, et que je ferai habiter sur la terre, mais pour ceux qui ont commis l'iniquité, ils n'y demeureront plus, car je les ai vus et remarqués. Mais les justes, je les rassasierai de ma paix, je les placerai devant moi ; aux pécheurs la damnation éternelle ; ils seront effacés de dessus la terre.

Commentaire du chapitre 44.

Cette seconde parabole court du chapitre **44** jusqu'à la fin du chapitre **55**. Cette parabole est la prophétie qui concerne un temps à venir. Cette prophétie nous enseigne sur ce qui va arriver pendant la grande tribulation jusqu'aux nouveaux cieux et la nouvelle terre. Un peu à la façon de **Mattieu 24**, cette prophétie semble tout mélanger. Quand un prophète parle, il décrit un tableau, une image. Il ne parle, par exemple, que très rarement des distances qui peuvent se trouver entre un ruisseau et une montagne qu'il décrit. Combien de temps se passera en se rendant du ruisseau à la montagne. Puis, soudain, au milieu de son exposé, le prophète parlera aussi de ce qui se trouve derrière la montagne et cela semblera étrange. Tout cela est voulu afin que ceux qui doivent douter doutent. **Luc 8/10**. Par exemple

1° le chapitre de **Matt 24** ne se comprend qu'à la lumière d'**Apoc 6 à 8**.

2° Ce n'est qu'en lisant ce qui concerne l'ouverture des sept Sceaux qu'on peut comprendre **Matt 24**.

3° Et on ne peut comprendre l'ouverture des sept Sceaux, **que** si on a compris ce que sont les sept lettres **d'Apoc 2/1 à 3/22**.

4° Et on ne peut pas comprendre la portée prophétique de tout cela, si on ne connaît rien de l'histoire de l'Eglise au travers des siècles.

L'apôtre Jean écrivait ce que Dieu lui dictait, mais ne comprenait donc pas ce que cela signifiait, parce qu'il écrivait au sujet de choses qui allait se produire dans les deux mille années qui allaient suivre. C'est pourquoi Jésus dit qu'il y a une bénédiction pour celui qui **lit**, il y en a une pour celui qui **comprend** et il y en a une pour celui qui **garde** ce qu'il a lu et compris. **Apoc 1/3**. Celui-là est HEUREUX c'est-à-dire en marche.

Personne ne peut lire une prophétie comme on lit le journal. Il y a un code.

Par exemple, le journal donne un rapport sur un fait passé et peut envisager un avenir possible. La prophétie parle du passé, du présent et de l'avenir comme si elle parlait d'un tableau fixe où tout se trouve. C'est au lecteur, non pas d'interpréter la prophétie, mais d'avoir la révélation de ce qu'elle dit. C'est justement par manque de révélation que le peuple périt. Le mot révélation fait peur. C'est un peu comme le mot 'prophète'. Quand on parle de prophète, on a tendance à penser 'faux-prophète'. Il est clair qu'il y a beaucoup de faux-prophètes. Mais il ne pourrait pas y en avoir de faux, s'il n'y en avait pas de vrais. Il y a de faux billets de 100 Euros, car il y a de vrais billets de 100 Euros. De même, il n'y a de faux prophètes **que** parce qu'il y en a de vrais. De même, il y a des fausses révélations, parce qu'il y en a des vraies. C'est à vous de vous mettre devant Dieu et devant Sa Parole pour discerner ce qui est vrai et ce qui est faux. Mais ne vous mettez pas devant la parole qui est enseignée dans votre dénomination chrétienne. Mettez-vous devant la Bible telle qu'elle est. Les religieux de toutes les religions qui sont dans ce monde enseignent ce qu'ils ont compris. Mais aucun ne peut dire qu'il a tout compris. C'est devant la Bible que vous devez vous mettre, en présence du Dieu Tout-Puissant pour vous éclairer. Revenons à **Hénoch 44**, à cette troisième parabole qui commence. Hénoch visite le haut et le bas, la gauche et la droite, l'est et l'ouest, le nord et le sud, les choses les plus grandes et celles qui sont dans l'infiniment petit. Pas facile à suivre avec un esprit qui se croit Cartésien. Hénoch centre tout sur le Fils de l'Homme. Il parle aussi du Royaume des Cieux et des multitudes d'êtres qui s'y trouvent. Mais il en parle en se tournant et se retournant sans cesse en présentant les évènements qui nous intéressent. Ne vous lassez donc pas en lisant. Il y a trois choses essentielles à comprendre et que brosse pour nous ce chapitre.

Premièrement : Les **pêcheurs** seront exterminés

Deuxièmement : Les **saints** vivront sur la terre

Troisièmement : Les **justes** (l'Epouse) vivront dans le ciel en présence de l'Epoux.

Les saints sont ceux qui auront aimé le NOM du Seigneur des esprits. Les saints sont ceux qui ont vécu selon la révélation qu'ils ont reçue sous l'ancienne et sous la nouvelle alliance. Les **justes** sont ceux qui se seront réellement séparés des organisations religieuses humaines pour servir Dieu au plus près de Sa Parole au travers des âges. « *sortez du milieu d'elle mon peuple* » = « *sortez de la grande prostituée* » **Apoc 18/4**. La prostituée est la fausse église et ses dignes filles. L'église catholique est la grande

prostituée ivre du sang des saints qu'elle a persécutés au cours des âges. **Apoc 17/1** ; **Apoc 17/15-16** ; **Apoc 19/2**. **Apoc 17/6.** Les dignes filles de la grande prostituée sont les religions qui se sont organisées à la façon de leur indigne mère. **Apoc 17/5**. Les justes aiment les catholiques et les gens de toutes les religions chrétiennes et non chrétiennes. Mais ils ne peuvent se souiller avec leurs dogmes, leur idolâtrie et leur passé passablement criminel. **Apoc 18/1-20.** (A lire absolument dans le Texte). La face de la terre sera changée. Ce sera une nouvelle terre et de nouveaux cieux. **Apoc 21/1**.Voilà en résumé, ce qu'Hénoch va développer dans sa deuxième parabole.

CHAPITRE 45

1. Là je vis quelqu'un qui avait une tête de jour, dont la tête était comme de la laine blanche, et avec lui un autre, qui avait la figure d'un homme. Cette figure était pleine de grâce, comme celle d'un des saints anges. Alors j'interrogeai un des anges qui était avec moi, et qui m'expliquait tous les mystères qui se rapportent au Fils de l'homme. Je lui demandais qui il était, d'où il venait, et pourquoi il accompagnait la tête des jours ?
2. Il me répondit en ces mots :
3. Ce Fils de l'homme que tu as vu, arrachera les rois et les puissants de leur couche voluptueuse, les sortira de leurs terres inébranlables ; il mettra un frein aux puissants, il brisera les dents des pécheurs.
4. Il chassera les rois de leurs trônes et de leurs royaumes, parce qu'ils refusent de L'honorer, de publier Ses louanges et de s'humilier devant Celui à qui le royaume a été donné. Il mettra le trouble dans la race des puissants; il les forcera à se coucher devant lui. Les ténèbres deviendront leur demeure, et les vers seront les compagnes de leur couche ; point d'espérance pour eux de sortir de ce lit immonde, car ils n'ont pas consulté le Nom du Seigneur des esprits.
5. Ils mépriseront les astres du ciel, et lèveront les mains contre le Tout-Puissant ; leurs pensées ne seront tournées que vers la terre, dont ils voudraient faire leur demeure éternelle ; et leurs œuvres ne seront que les œuvres de l'iniquité. Ils mettront leurs joies dans leurs richesses, et leur confiance dans des dieux fabriqués de leurs propres mains. Ils refuseront d'invoquer le Seigneur des esprits ;
6. Ce sont ceux qui jugent les étoiles du ciel et qui lèvent leurs mains contre le Très-Haut, qui foulent la terre et habitent sur elle, et dont toutes les œuvres manifestent l'injustice, et toutes leurs œuvres sont injustice ; leur puissance réside dans leur richesse, et leur confiance est dans les dieux qu'ils ont fait de leurs mains ; ils renient le Nom du Seigneur des esprits.
7. Ils persécutent Ses assemblées et les fidèles qui y sont attachés au Nom du Seigneur des esprits.

Commentaire du chapitre 45.

Dans le prophète Daniel on retrouve L'Ancien des jours et le Fils de l'homme ensemble. **Dan 7/9 et 13**. L'Ancien de jours, **c'est Dieu premier né de Sa propre création**. C'est Jésus le premier né de toute la création dont parle **Col 1/15**. Jésus n'a pas été créé. Il est Dieu qui Se limita dans sa propre création, et en cela Il est la première création. Dieu est infiniment plus grand que sa création. Le ciel et la terre ne peuvent Le contenir. Il S'est donc créé. La première chose que Le Dieu Tout Puissant créa n'est pas les cieux et la terre. La première chose que Dieu créa, manifesta, c'est Sa Parole. Il n'avait jamais parlé. Avant que quoique ce soit n'existe, Il parla et c'est par cette Parole qu'il créa tout. (Ce que les scientifiques croient être un **big bang**, était en fait la Parole prononcée par Dieu.)

Dans la Genèse il est écrit : « au commencement Dieu…» **Gen 1/1.**

Dans **Jean 1/1** il nous est dit : « Au commencement était La Parole »

Paul écrivant aux Colossiens leur dit : « *Le Fils est l'Image du Dieu invisible, le premier né de toute la création. Car en Lui ont été créées toutes les choses qui sont dans les cieux et sur la terre… tout a été créé par Lui et pour Lui… Il est la tête…* **Col 1/15-18**. **Hén 47/5**.

Jésus est La Parole de Dieu. Dieu, avant d'avoir créé la moindre des choses, parla. La Parole est née, première de toute les créations. Puis c'est cette Parole qui créa toutes choses. La Parole était **avec** Dieu. C'est-à-dire : Jésus, La Parole manifestée, n'était pas contre Dieu, Il était **avec** Dieu et Il était Dieu. **Jean 1/2.** Et toutes choses ont été faites par cette Parole. **Jean 1/3.** Il y avait donc, Dieu Esprit, dépassant de loin Sa propre création et Jésus, La Parole de Dieu. Le premier né de toute la création est l'Ancien des jours **car** Il commença à exister en tant que tel quand Dieu parla. Dieu, en dehors de Sa création, n'a pas de commencement. Il **est**. Il n'occupe pas d'espace et le temps n'est rien pour Lui. L'espace et le temps ont été créés par Lui. Il créa le ciel et la terre par Sa Parole. Voilà qui est la tête des jours, l'Ancien des jours. (Il y a une notion de temps dans le terme « des jours ») Etienne mourant sous les jets de pierres vit Le Fils de l'homme assis à la droite de Dieu, à la droite de l'Ancien des jours. **Actes 7/56**. Maintenant, le Fils de l'homme de Daniel et Hénoch et Etienne ont vu, c'est Dieu, La Tête des jours, fait chair. **C'est Jésus ressuscité avec son corps humain, en présence de la tête des jours, de l'Ancien des jours, de Dieu dans sa création**. Jésus S'est donné cette appellation **67 fois**. Il employait là un terme connu de ceux qui lisaient Hénoch et Daniel. Que ce soit dans Hénoch, dans Daniel ou dans les Actes des Apôtres, le Fils de l'homme est avec l'Ancien des jours. Jésus, le Fils de l'homme reviendra et mettra fin au règne des méchants. Tous ces présidents, rois et dictateurs, tous ces chefs de rayons et sous-chefs iniques (religieux ou pas) seront destitués pour la seule raison qu'ils n'ont pas honoré le Seigneur Jésus-Christ, le Sauveur. Tous ces gens qui exercent un pouvoir, une autorité sur le monde et n'invoque pas le Nom de Jésus-Christ seront jetés par terre devant Lui. Et de même pour les pécheurs de tous poils qui auront méprisé le Seigneur de gloire alors qu'Il était leur Sauveur. Ils le verront alors comme leur juge implacable et sans aucune miséricorde. Tous ceux qui méprisent les authentiques serviteurs de Dieu en les tenant à la gorge, les persécutant, les ridiculisant et les tenant pour des idiots seront étonnés de voir que toutes leurs soi-disant bonnes œuvres ne sont que des œuvres d'iniquité devant la Sainteté de Dieu. Ils vivaient

comme s'ils étaient éternels sur cette terre, mettant leur joie dans leur richesse et leur confiance dans leurs dieux fabriqués de leurs propres mains. Ce sont ces gens qui sont aussi parfois très religieux et qui chassent Jésus de son temple pour y établir leur pouvoir de par leur argent et leurs menaces. Ils ne croient pas qu'en méprisant les serviteurs de Dieu ils méprisent Celui qui les a envoyé. Ils ne savent pas qu'en humiliant les enfants de Dieu, c'est à Jésus-Christ qu'ils font du mal. Et sans parler du mal… tout le bien qu'ils auraient pu faire aux enfants de Dieu et qu'ils n'ont pas fait, c'est à Jésus-Christ qu'ils ne l'ont pas fait. Leur condamnation est donc juste. Hénoch n'a pas vu ces choses pour rien. Il les a vues pour notre instruction. Que ceux qui ont des oreilles pour entendre, entendent. Que les autres continuent à se vautrer dans la bêtise, l'arrogance de leur pauvre existence de dégénérés et leurs idées personnelles quant à la religion. Qui a déjà entendu dire qu'un véritable prophète est aimé par les gens de ce monde ?

CHAPITRE 46

1. En ce jour-là, les prières des saints et le Sang du Juste monteront de la terre jusqu'au pied du trône du Seigneur des esprits.
2. Dans ce jour, les saints qui habitent au-dessus des cieux se rassembleront, et d'une voix unanime, ils prieront, ils supplieront, ils célébreront, ils loueront, ils exalteront le nom du Seigneur des esprits, à cause du sang des justes, répandu pour lui ; et ces prières des justes s'élèveront incessamment vers le trône du Seigneur des esprits, afin qu'il leur rende enfin justice, et que sa patience pour les méchants ne soit point éternelle.
3. Dans ce temps, je vis l'Ancien des jours [la tête des jours], assis sur le trône de sa gloire. Le livre de la vie était ouvert devant lui, et toutes les puissances du ciel se tinrent debout devant lui et autour de Lui.
4. Alors les cœurs des saints étaient inondés de joie, parce que le temps de la justice était arrivé, [parce que le nombre de la justice est proche du terme fixé], que la prière des saints avait été entendue, et que le sang des justes avait été apprécié par le Seigneur des esprits.

Commentaire du chapitre 46.

Il est clair que le Sang du Juste est le Sang de Jésus-Christ. Pour ce qui concerne le sang des justes, il s'agit-là du sang de ceux des Juifs qui sont sous l'Autel et qui crient vengeance. « *Quand il ouvrit le cinquième Sceau, je vis sous l'Autel les âmes de ceux qui avaient été immolés à cause de La Parole de Dieu et à cause du témoignage qu'ils avaient rendu, ils criaient d'une voix forte, en disant : jusqu'à quand, Maître Saint et Véritable, tarderas-Tu à juger, et à tirer vengeance de notre sang sur les habitants de la terre ?* » **Apoc 6/9-10**. Ces âmes-là ne peuvent pas être des âmes de chrétiens, car ils ne

demanderaient pas vengeance, Jésus n'ayant pas enseigné cela. Il s'agit d'âmes de Juifs qui ont été immolés à cause de leur foi en La Parole de Dieu et du témoignage qu'ils avaient rendu dans leur vie. Sous la loi, l'enseignement était en effet : œil pour œil, dent pour dent. **Exode 21/24.** Pendant ce temps, l'Epouse de Christ aura déjà été enlevée. Elle l'est sous le quatrième Sceau. C'est Elle qui est au-dessus des cieux et qui prie, supplie, célèbre, loue et exalte le Nom du Seigneur des esprits. Le moment où Dieu va rendre justice aux Juifs vient. Les méchants ne seront bientôt plus sous la patience de Dieu. Pour le moment, en ce début du vingt-et-unième siècle, les méchants sont loin de s'imaginer ce qui se passe dans le monde des esprits. Ils ne croient pas, dans leur folie furieuse, que le châtiment qu'ils méritent va s'abattre sur eux d'un moment à l'autre. Ils vivent comme les impies qui vivaient au temps de Noé. Noé prêchait, mais personne ne l'écoutait. On se moquait de lui. Certains disaient même que Noé était un pauvre illuminé, un fanatique religieux. Ils le traitaient de fou. Certains lui vendaient du bois pour la construction de son arche. Mais, tout en rendant service à Noé, ils ne se croyaient pas eux-mêmes en danger de mort. Un jour, Noé entra dans l'arche. Dieu ferma la porte et le déluge les emporta tous. Il en sera de même pour les méchants qui vivent aujourd'hui. **Matt 24/37-38.** Il y a des livres des vivants qui existent. La Bible en parle aussi **Exode 32/32. Ps 69/29.Esaïe 4/3. Dan 12/1. Luc 10/20.Phil 4/3. Héb 12/23. Apoc 3/5. Apoc 13/8. Apoc 21/27.** Mais c'est **Apoc 21/12** qui nous en dit le plus sur ce sujet. Il y a <u>des</u> livres sur lesquels sont inscrits les œuvres de chacun et <u>un</u> livre qui est Le Livre de Vie. Ce qu'Hénoch a vu, c'est **Le Livre de Vie**. Il n'a pas vu les livres où se trouvent les actions des hommes. Lorsqu'une personne est née de nouveau, tout ce qu'elle a pu faire de mal est effacé des livres par le Sang de Jésus-Christ Pourtant il y aura des gens nés de nouveau qui comparaîtront devant le Trône Blanc du Seigneur. On lira ce qui est écrit sur les livres, puis on lira sur Le Livre de Vie et si leur nom est là, ils seront sauvés. Il s'agira-là, de ceux qui auront reçu Jésus-Christ comme Sauveur, mais qui n'auront pas marché correctement selon La Parole du Maître. Ceux-là seront sauvés, mais comme au travers du feu. **1 Cor 3/12-15**. Quant à ceux qui n'auront pas honoré le Nom du Seigneur des esprits et se seront conduits selon leurs pensées se trouveront devant un livre qui racontera toutes leurs iniquités. Leur livre sera un livre d'iniquités. **Hénoch 81/4. Hénoch 89/61-64, 68, 70, 71, 76 ; 77.**Livre de la destruction écrit jour après jour, **Hénoch 90/17. Hénoch 98/7-8. Hénoch 104/7** etc. Hénoch a vu également les livres qui concernent les œuvres et récompenses des saints. **Hénoch 103/2. Hénoch 113/7**. Les prières des justes seront exaucées au jour du jugement au Trône Blanc **d'Apoc 20/11-15**. Il est clair que Jésus-Christ homme monté au ciel avec son corps, est pour le moment le seul intercesseur entre Dieu, Tête des Jours, et les êtres humains. **Rom 8/34. Héb 7/25. 1Tim 2/5.** Ceux que l'église catholique appelle les saints n'intercèdent pas pour les humains. C'est une fausse doctrine. Quand elle ressuscitera, Marie, la maman de Jésus, sera horrifiée d'apprendre qu'elle a fait l'objet d'un culte idolâtre dans cette église. Les saints qu'Hénoch voit intercéder sont les Enfants de Dieu qui seront partis dans l'enlèvement. Leurs intercessions sont pour les Juifs qui sont sous l'Autel. <u>Aujourd'hui, il n'y a que Jésus-Christ qui prie pour nous au ciel.</u> Que cela soit clair. C'est ce que toute La Sainte-Bible affirme. Alors, que ceux qui enseignent le contraire se repentent ! Et que ceux qui les croient se repentent aussi. Car, dans leur ignorance ils prient les morts et les invoquent, cela n'est rien d'autre que du spiritisme déguisé. Ceux qui sont morts attendent la résurrection. Ils n'ont aucun pouvoir d'intercession. Priez pour les morts est inutile et prier les morts est une abomination. « *Si quelqu'un s'adresse aux morts et aux esprits, pour se prostituer à eux, Je tournerai Ma Face contre cet homme, Je le retrancherai du milieu de son peuple*. » **Lév 20/6**. **Se prostituer avec les morts ou les esprits,** c'est être infidèle à Dieu. Cette infidélité est

considérée comme une prostitution. Le nombre de justice est le nombre de ceux qui sont écrits dans le Livre de Vie. Quand tous ceux qui doivent se convertir à Jésus-Christ se seront convertis, ce sera la fin. Dieu tient des comptes. **Apoc 6/11**.

CHAPITRE 47

1. Dans ce temps-là, j'aperçus la source de la justice, qui ne tarissait jamais, et d'où s'émanaient une multitude de petits ruisseaux, qui étaient les ruisseaux de la sagesse. C'est là que tous ceux qui avaient soif venaient boire, et ils se trouvaient soudain remplis de sagesse, et ils faisaient leur demeure avec les justes, les élus et les saints.
2. Et à cette heure, le Fils de l'homme fut nommé devant le Seigneur des esprits, et son nom devant l'Ancien des jours.
3. Et avant la création du soleil et des signes, avant que les étoiles ne fussent formées au firmament, on invoquait le nom du Fils de l'homme devant le Seigneur des esprits. Il sera le bâton des justes et des saints, ils s'appuieront sur lui, et ils ne seront point ébranlés ; il sera la lumière des nations. **Luc 2:32**
4. Il sera l'espérance de ceux dont le cœur est dans l'angoisse. Tous ceux qui habitent sur la terre se prosterneront devant Lui, et L'adoreront ; ils Lle célébreront, ils Le loueront ; ils chanteront les louanges du Seigneur des esprits.
5. Ainsi l'Élu et le Mystérieux a été engendré, avant la création du monde, et son existence n'aura point de fin. **Col 1:15**
6. Et il a révélé aux saints et aux justes la sagesse du Seigneur des esprits : car c'est Lui qui leur conserve la portion de leur héritage. Car ils ont haï et repoussé loin d'eux ce monde d'iniquité, ils ont détesté ses œuvres et ses voies, et n'ont voulu invoquer que le Nom du Seigneur des esprits.
7. Aussi c'est par Son Nom qu'ils seront sauvés, et Sa volonté sera leur vie. Dans ces jours-là, les rois et les puissants de la terre qui auront conquis le monde par la force de leurs bras, seront humiliés.
8. Car au jour de l'anxiété et du trouble, leurs âmes ne seront point sauvées, mais ils seront soumis à ceux que j'ai choisis.
9. Je les jetterai comme on jette la paille dans le feu, comme on précipite le plomb dans l'eau. Ils brûleront en présence des justes, ils seront submergés aux yeux des saints, et on n'en trouvera plus trace.
10. Mais au jour de leur trouble, la paix règnera sur la terre.
11. Ils tomberont en Sa présence, et ne se relèveront plus ; et il n'y aura personne qui puisse les arracher de Ses mains et les secourir ; car ils ont repoussé le Seigneur des esprits et son Messie. Que le Nom du Seigneur des esprits soit béni.

Commentaire du Chapitre 47.

Dans le Livre de **l'Apocalypse 7/17** il est question d'Eaux de la Vie. C'est la Source de la Sagesse. C'est à cette Source que boit l'Epouse à travers les âges. C'est à cette Source que seront conduits ceux qui auront passé par la grande tribulation et qui seront sauvés comme au travers du feu. Ce sera pour eux comme une remise à jour de la sagesse, comme un 'cours de rattrapage'. Ils auront ignoré, ou voulu ignorer, les enseignements que l'Epoux donnait en leur temps, c'est à Cette Source qu'ils recevront la Sagesse qui leur aura manqué durant leur vie sur terre. A partir de là, ils pourront faire leur demeure avec les Justes, les Elus et les saints. Le Nom du Fils de l'homme est le beau Nom de Jésus. Le Fils de l'homme est Dieu fait chair. Souvenez-vous : Il y a Dieu, avant le temps, avant l'espace. **Puis** Dieu parle, c'est la première création de Dieu, La Parole. **Col 1/15**. La première création de Dieu est aussi appelé L'Ancien des Jours ou La Tête des Jours. **Puis** La Tête des Jours se fait chair et devient ce que nous appelons le Fils de L'Homme. Son Nom est Jésus, car Il est Emmanuel, Dieu avec nous. Le Fils de L'Homme est venu pour révéler le Nom du Père. Ce Nom est JESUS. C'est dans ce Nom que tout doit être fait par nous. **Col 3/17**. (Non pas au nom de la trinité) Les esprits invoquaient ce NOM avant que ne soit créée la moindre des choses matérielle. Le Seigneur des esprits porte le NOM de Jésus notre Sauveur. Jésus, Le Fils de L'Homme a toujours été caché dans et devant Dieu qui est avant tout. Jésus est venu à l'existence dans la création et Moïse le rencontra en tant que Feu dans le buisson ardent et qu'Ange de L'Eternel. Méditez ce que signifie **Col 1/15**. Il S'est fait homme afin de porter le châtiment que nous méritions. Jésus mourant sur la croix, c'est Dieu s'étant fait homme Lui-même pour se substituer à nous. Le terme 'Fils de Dieu' n'est pas à prendre comme nous l'entendons en ce qui concerne nos propres enfants humains. Il est Fils de Dieu, parce qu'issu, produit, créé par Dieu. **Col 1/15**. Comment comprendre que Dieu nous a tant aimés, qu'Il a donné Son Fils à la croix à notre place ? **Notre Dieu Eternel ne meure pas**. Comprenez que Jésus était Dieu dans un homme. Il était Dieu avec nous (Emmanuel). Ce fut un sacrifice terrible pour le Créateur de cet Être Parfait, que de le faire mourir à notre place. **Mais Dieu n'a pas commis d'infanticide en offrant Son Fils à la croix.** En effet, Jésus était Dieu, le seul vrai Dieu, mourant sous une forme humaine. Il était une forme de Dieu. « *Jésus, existant en forme de Dieu* » **Philippiens 2/6.** Jésus-Christ était sur terre, une forme de Dieu. Il aurait pu prendre une autre forme ; Mais la forme qu'Il a choisi était celle qui sorti du sein de Marie. « *L'Ancien des Jours, La tête des Jours, Jésus*, (le premier né de toute la création **Col 1/15**) *a pris une forme de serviteur* » **Phil 2/7.** Jésus a pris une forme d'homme. Mais c'était Dieu avec nous (Emmanuel) qui SE donnait à notre place. Ce n'était pas Dieu commettant un infanticide pour nous sauver. Dieu n'est pas un monstre. Quand il est dit ici que **Le Mystérieux** a été engendré avant la création du monde, cela rejoint parfaitement **Col 1/15** et tout le reste de ce que La Bible enseigne. Engendrer peut signifier, d'après le Larousse 2000 « « être à l'origine de… » Le **Verset 5** serait alors : « *Ainsi, L'Elu, Le Mystérieux, a été à l'origine de tout avant la création du monde et Son existence n'aura point de fin.* » Jésus, Le Fils de L'Homme, L'Ancien des Jours est Celui qui nous a révélé la Sagesse du Seigneur des Esprits (du Dieu Tout-Puissant Eternel) Et nous voilà avec les Trois.

Le Père, (Seigneur des esprits)
Le Fils, Le Fils de L'Homme, Jésus-Christ marchant sur la terre des hommes)

et **Le Saint-Esprit**, (L'Ancien des Jours, Le Feu du buisson ardent, L'Ange de l'Eternel etc…)

Mais ces trois ne sont qu'une seule et même personne. Il ne peut y avoir qu'une parfaite Unité entre **ces trois manifestations du Dieu Unique**. Il ne peut y avoir qu'une parfaite Unité entre ces trois FORMES de Dieu. Il n'y a qu'un seul Dieu. Et c'est au Nom de ce Dieu Unique que nous devons tout faire. **Matt 28/19** précise bien qu'il n'y a qu'un seul Nom pour le Père, Le Fils et Le Saint-Esprit. Si le Père était une **personne** autre que le Fils et que Le Saint-Esprit soit encore **une autre personne**, Matthieu aurait écrit AUX NOMS et pas AU NOM. **Matt 28/19**. Que ceux qui ont des oreilles pour entendre, entendent. Les autres n'iront pas en enfer pour cela. Ils suivront les cours de rattrapages aux Eaux de La Vie **Apoc 7/17 et Hénoch 47/1.** Dieu est bon. Il se laisse trouver par ceux qui Le cherchent et les Mystères deviennent lumineux de compréhension pour eux. Si vous ne comprenez pas ces Choses, ne soyez pas fâchés. Rester dans la foi et remettez votre vie entre les mains du Tout-Puissant qui saura vous éclairer… s'Il trouve que cela est nécessaire pour vous. Personne ne vous condamnera pour une mauvaise compréhension des doctrines, ni Dieu, ni moi. Les religieux qui voudraient vous condamner démontrent par là qu'ils n'ont pas compris le Message de Celui qui nous a tant aimés. Quant aux méchants, à ceux qui cherchent à dominer sur le monde avec injustice, ceux-là seront confondus. Vous qui lisez, vous n'êtes pas de ceux-là. Vous lisez ces Choses parce que vous cherchez ce qui est digne de louange et honorable. Soyez donc humble, ne cherchez pas à dominer, ni sur ceux de votre famille, ni sur les Chrétiens, ni sur vos collègues de travail, ni sur personne. Car ceux que Dieu hait, ce sont justement les Nicolaïtes, ceux qui cherchent à dominer sur le peuple.

Du grec : Nikaos = **dominer** et Laos= **Le peuple. Apoc 2/6.**

CHAPITRE 48

1. La sagesse s'écoule comme de l'eau, et la gloire devant Lui est intarissable dans tous les siècles des siècles, car Il est puissant dans tous les mystères secrets de la justice.
2. Mais l'iniquité s'évanouira comme l'ombre, pour elle point de demeure, car l'Élu se tient debout devant le Seigneur des esprits, et sa gloire demeure dans les siècles des siècles, et sa puissance est éternelle.
3. Avec Lui habite l'esprit de la sagesse et de l'intelligence, l'esprit du savoir et de puissance, les esprits de ceux qui dorment dans la justice : Il juge et discerne les choses les plus cachées.
4. Car c'est Lui qui juge les choses secrètes. Personne ne peut prononcer un seul mot vain devant Lui, car l'Elu est devant la face du Seigneur des esprits, selon son bon plaisir.

Commentaire du Chapitre 48.

La sagesse est comparée à l'EAU. Jésus savait très bien ce qu'Il disait dans le Temple en présence des religieux qui connaissaient bien le livre d'Hénoch. Il leur cria « *Si quelqu'un a soif, qu'il vienne à Moi et qu'il boive.* » Ainsi, Jésus s'identifiait à la Sagesse Divine qu'Hénoch avait vue **Jean 7/37**. Cette sagesse couvrira bientôt, par Jésus, toute la terre, comme l'eau couvre aujourd'hui le fond des mers **Esaïe 11/9**. Hénoch voit quelque chose de magnifique, c'est un mystère pour ceux qui ne cherchent pas. Il y a des esprits qui habitent avec L'Elu. Où habite l'Elu ? Dans le nouveau Temple. Où est ce Temple ? Notre corps est le Temple du Saint-Esprit **1 Cor 3/16**. Jésus habite en nous par Son Esprit et Il n'est pas seul car les esprits de savoir et de puissance habitent avec Lui. Tout ce qui est **à** Christ est **en** Christ. Il y a aussi l'esprit de ceux qui dorment dans la justice. Tous ces esprits sont en Christ, et habitent donc dans Son Temple nouveau. **Héb 12/1./1.** Qui sont ces témoins dont Paul parle là ? Ceux qu'ils nomment dans le chapitre **11**. Les héros de la foi ! Ne mélangez pas la Vérité avec les inventions religieuses humaines. Ne mélangez pas la Vérité avec les échafaudages religieux. **Apoc 7/14-15** nous dit que les esprits servent dans Son Temple. Dieu envoie Ses anges pour montrer à Ses serviteurs ce qui doit arriver **Apoc 22/6**. Le ministère des anges est à peu près complètement oublié de nos jours. Cela ne les empêche pas de parler aux serviteurs de Dieu qui écoutent. C'est ainsi que l'archange Uriel, l'esprit de savoir et de puissance m'accompagne depuis le premier jour de ma conversion. Au début, je ne le connaissais pas. En fait, toutes ces choses qu'il m'enseigne, il les reçoit de Jésus-Christ en qui il vit. Je vous pose la question : Qui a annoncé la Loi à Moïse ? Des anges **Héb 2/2.** Paul savait très bien que Dieu a des anges avec Lui et il les nomme « les anges de Sa puissance » **2 Thess 1/7.** Etant donné que certaines personnes rendaient un culte aux anges, les diverses églises de ce monde ont tout fait pour nous les rendre étranges et même dangereux. J'aime Jésus-Christ mon Sauveur et Maître et j'aime tout ce qu'Il aime. Je suis certain que Jésus aime les anges, Il leur fait tellement confiance qu'Il nous les envoie pour nous servir. Pourquoi serions-nous méfiants à leur égard ? Il y en a au moins un qui campe auprès de vous en ce moment **Ps 34/8.** Il y a des gens de la Bible qui ont parlé avec des anges. **Luc 1/34**. **Actes 10/3-4.** Un homme lutta avec un ange **Osée 12/5.** ETC ETC…Ce sont des Choses mystérieuses dont je vous parle ici, des Choses qui ont été cachées, tenues secrètes pendant des millénaires. Aujourd'hui, Dieu veut qu'Elles soient publiées pour Sa plus grande gloire et le bien de ceux qui cherchent depuis longtemps en sondant humblement le cœur de Dieu par Son Esprit. Nier le ministère des anges, c'est faire preuve d'ignorance volontaire. Dieu fait comme Il veut et Se joue des doctrines bien établies par les hommes plus ou moins croyants. Maintenant, soyez spirituel. Les anges sont si impressionnants que **même Jean** est tombé sur sa face pour en adorer un **Apoc 19/10** et il retomba même une deuxième fois à genoux pour adorer un ange **Apoc 22/8-9**. Soyez discipliné, on n'adore que Dieu seul.

Mais nous n'avons pas à mépriser ou ignorer le ministère des anges.

CHAPITRE 49

1. Dans ces jours, les saints et les élus auront leur tour, il y aura un changement pour eux. La lumière du jour habitera en eux, et la splendeur et la gloire viendront vers les saints et les illuminera.
2. Dans les jours de trouble, lorsque le malheur se sera accumulé sur les pécheurs et que les maux fondront sur eux, les justes triompheront au Nom du Seigneur des esprits.
3. D'autres comprendront enfin qu'il leur faut se repentir et en finir avec les œuvres mauvaises de leurs mains ; ils comprendront qu'ils n'ont pas à attendre de louanges devant le Seigneur des esprits, mais qu'ils peuvent encore être sauvés par Son Nom. Le Seigneur des esprits exercera sa miséricorde sur eux ; car, grande est Sa clémence et la justice est en Ses jugements, et il n'y a point d'iniquité. Aussi quiconque ne fera point pénitence, périra.
4. Non, ils n'auront plus de grâce à attendre de moi, dit le Seigneur.

Commentaires du chapitre 49.

Ce qu'Hénoch voit là n'est pas le jugement au Trône Blanc **d'Apoc 20/11.** Hénoch voit l'enlèvement des vainqueurs du dernier âge, que nous appelons 'l'âge de Laodicée'. **Apoc 3/ 14-17**. **1 Thess 4/16 à 18.** Depuis que Jésus a créé Son Eglise, sept âges, sept périodes, se sont écoulés. Dans chaque âge, dans chaque période, il y a eu des vainqueurs.

EPHESE

Apoc 2/7. Ils sont les vainqueurs de l'âge durant lequel l'influence de Paul était grande dans la véritable Eglise de Jésus-Christ. Cet âge se déroule de l'an 53 à l'an 170 après Jésus-Christ. **Apoc 2 :1 à 7.**

SMYRNE

Apoc 2/11. Ils sont les vainqueurs de l'âge durant lequel l'influence de d'Irénée était grande dans la véritable Eglise de Jésus-Christ. Cet âge se déroule de l'an 170 à l'an 312 après Jésus-Christ. **Apoc 2/8 à 11.**

PERGAME

Apoc 2/17. Ils sont les vainqueurs de l'âge durant lequel l'influence de Martin était grande dans la véritable Eglise de Jésus-Christ. Cet âge se déroule de l'an 312 à l'an 606 après Jésus-Christ. **Apoc 2/12 à 17.**

THYATIRE

Apoc 2/26. Ils sont les vainqueurs de l'âge durant lequel l'influence de Colomba était grande dans la véritable Eglise de Jésus-Christ. Cet âge se déroule de l'an 606 à l'an 1520 après Jésus-Christ. **Apoc 2/18 à29.**

SARDE

Apoc 3/5. Ils sont les vainqueurs de l'âge durant lequel l'influence de Martin Luther était grande dans la véritable Eglise de Jésus-Christ. Cet âge se déroule de l'an 1520 à l'an 1750 après Jésus-Christ. **Apoc 3/1 à 6.**

PHILADELPHIE

Apoc 3/12. Ils sont les vainqueurs de l'âge durant lequel l'influence de John Wesley était grande dans la véritable Eglise de Jésus-Christ. Cet âge se déroule de l'an 1750 à l'an 1906 après Jésus-Christ. **Apoc 3/7 à 13 .**

LAODICEE

Apoc 3/21. Ils sont les vainqueurs de notre âge. Cet âge se déroule de l'an 1906 jusqu'au jour de l'enlèvement de la petite Epouse de Jésus-Christ **Apoc 3/14 à 22.**

Les vainqueurs dont nous parle le Livre de l'Apocalypse sont ceux qui ne se sont pas prostitués avec la fausse église chrétienne. Ils ont suivi fidèlement le Seigneur avec tout ce qui leur avait été donné dans leur âge respectif. Alors que dans l'église prostituée, les gens se souillaient en se vautrant dans l'idolâtrie, eux, ils sont restés à adorer Jésus-Christ par leurs vies selon ce que la Sainte Bible enseigne. Ils sont conduits par le Saint-Esprit, manifestent les dons surnaturels restaurés, et marchent selon L'Evangile rétablit, au plus près de ce qui leur est donné de comprendre. Ils cherchent à mettre en pratique tout ce qui se trouve dans la Bible et plus particulièrement dans le Livre des Actes des apôtres pour ce qui concerne la vie de l'Eglise. Ils ont refusé de se joindre à Rome, la mère des églises prostituées, et de s'associer aux organisations issues de cette prostitution spirituelle. **Apoc 17/5.** Par contre ils acceptent de travailler avec quiconque veut évangéliser le monde. Les vainqueurs sont ceux qui sont sortis du milieu des organisations dites chrétiennes, afin de servir Dieu selon ce que La Sainte Bible ordonne. La base de ces ordonnances se trouve dans **Actes 2/37 à 47**. Les vainqueurs des sept âges n'ont pas tous pu vivre ces choses dans leur intégralité, car Dieu était en train de rétablir toutes les choses qui s'étaient perdues petit à petit après le départ des 12 apôtres. Mais ils ont vaincu en ce sens qu'ils ont été fidèles avec ce que Dieu leur avait donné à leur époque. La fausse église dominant sur le monde, les vrais Chrétiens étaient persécutés. De nos jours, la mère des fausses églises essaie de rassembler ses filles dans ce que nous appelons l'œcuménisme. Mais l'ordre de Jésus se trouve dans **Apoc 18/4 à**

8. « *Sortez du milieu d'elle, Mon peuple, afin de ne pas participer à ses péchés, et que vous n'ayez pas de part à ses fléaux. Car ses péchés se sont accumulés jusqu'au ciel, et Dieu s'est souvenu de ses iniquités.* » Hénoch voit que le malheur s'est amoncelé sur les pécheurs. **V 2**. Que faire aujourd'hui pour plaire à Dieu ? La Bible nous dit : « *Sans la sanctification, nul ne verra le Seigneur* ». **Héb 12/14.** Se sanctifier, c'est **se mettre à part** de ce que Dieu n'aime pas. Ne pas se sanctifier, c'est faire preuve d'une mauvaise disposition de cœur envers Dieu. Mais…le Seigneur **est** la sanctification de ceux qui croient que Son sacrifice sur la croix est le seul moyen que Dieu puisse accepter pour nous pardonner et nous purifier de tous péchés. **1 Cor 1/30**. Après avoir été sanctifié par le Seigneur, les Siens se sanctifient eux-mêmes en se séparant de tout ce qui ne glorifie pas Dieu. **2 Cor 7/1**. Mais cette sanctification n'est pas une chose à ajouter à la grâce que Dieu nous a faite en Jésus-Christ. Nous ne pouvons absolument rien ajouter à ce que Dieu a fait en nous sauvant parfaitement. **Eph 2/9.** Pourquoi nous séparons-nous de ce qui est mal ? Nous nous mettons à part, afin d'obéir à Dieu parce que nous L'aimons et non pour être sauvés. Se sanctifier, c'est **se mettre à part** de ce que Dieu n'aime pas. Ne pas se sanctifier, c'est faire preuve d'une mauvaise disposition de cœur envers Dieu. Aucun Chrétien véritable n'est parfait en actions, en paroles et en pensées. Mais sa détermination à vouloir plaire à Dieu doit se remarquer dans la vie d'un Chrétien. Il se sépare de ce que la Sainte Bible appelle le 'péché'. Un véritable chrétien ne peut pas participer aux œuvres criminelles qui se sont faites et se font encore dans les églises apostates. Il doit en sortir. Lorsque les véritables Chrétiens auront été enlevés de cette terre, les vrais enfants de Dieu qui seront restés sur terre, auront à se repentir de ne pas avoir fait la volonté écrite de Dieu au temps de la grâce. S'ils se repentent, ils pourront encore être sauvés, mais comme au travers du feu, au travers de la Grande Tribulation qui sévira pendant sept ans sur la terre. **1 Cor 3/15**.

CHAPITRE 50

1. Dans ces jours-là, la terre rendra de son sein et l'enfer du sien ce qu'ils ont reçu, et l'abîme rendra ce dont il est redevable.
2. L'Elu mettra à part les justes et les saints des méchants, car ce sera pour les premiers des jours de grâce et de salut.
3. Dans ces jours, l'Elu siègera sur son trône, et tous les secrets de la sagesse et de l'intelligence s'échapperont de Sa bouche ; car le Seigneur des esprits l'a doté d'une gloire éternelle.
4. Dans ces jours, les montagnes tressailliront comme des béliers, et les collines bondiront comme des agneaux rassasiés de lait, et les justes seront des anges dans le ciel.
5. Leur visage resplendira de joie ; car dans ces jours, l'Elu sera exalté ; la terre tressaillira d'allégresse, les justes l'habiteront, et les élus la fouleront de leurs pieds innocents.

Commentaire du chapitre 50.

Il faut garder à la mémoire que le livre d'Hénoch a été écrit longtemps avant le pentateuque (les livres de Moïse). N'oublions pas qu'Hénoch est le septième depuis Adam. Ce qu'il écrit est une pure révélation. Que les Juifs ou les Chrétiens aient reçu ou non sa révélation n'enlève rien à l'authenticité de ce qu'il nous dit avoir vu en esprit. Ce qu'Hénoch a vu là c'est ce que Jean a vu des millénaires plus tard. **Apoc 20/13** nous raconte le même évènement. Nous savons parfaitement qu'il y a des endroits où vont ceux qui décèdent. Nous savons parfaitement qu'ils ne vont pas tous au même endroit. Cela signifie qu'il y a un pré-jugement. La Bible enseigne clairement que l'homme ne vit qu'une seule fois après quoi vient le jugement. **Héb 9/27.** La Bible dit qu'il y a **deux endroits** dans lesquels attendent les personnes décédées.

1° le séjour des morts	**2°** le sein d'Abraham

Ceux qui vont dans le séjour des morts sont ceux qui ne sont pas nés de nouveau et ceux qui ont été chrétiens mais n'ont pas eu un comportement digne. Ils attendent la résurrection. Mais tous ne sont pas dans le même endroit. **Le séjour des morts est lui-même divisé en plusieurs parties comme nous le dit Hénoch, nous l'avons déjà vu dans cette étude**. La Bible dit que Jésus est allé prêcher aux esprits qui étaient en prison (dans le séjour des morts) et qui avaient vécu au temps de la construction de l'arche de Noé. **1 Pierre 3/18 à 20**. L'apôtre Pierre savait que Jésus leur avait prêché l'évangile **1 Pierre 4/6.**

*En effet l'évangile a **aussi** été annoncé aux morts, afin qu'après avoir été jugés comme les hommes quant à la chair, ils vivent selon Dieu quant à l'esprit.*

Que dit ce Texte ? Que les vivants sur terre ont entendu l'évangile. Et que les morts, dans le séjour des morts, l'ont **AUSSI** entendu. Jésus avait dit qu'Il devait aller faire entendre Sa voix dans une autre bergerie **Jean 10/16**. Cette autre bergerie est le séjour des morts où se trouvent des gens qui sont à Lui. Il est allé dans les profondeurs de la terre, dans le séjour des morts et Il a emmené avec lui des captifs dans les hauteurs. **Eph 4/8 à 9.** Certains pensent que « l'autre bergerie » dont Jésus parlait est la bergerie des non-Juifs. Mais je vous ferai remarquer que les non-Juifs n'ont pas entendu SA VOIX. Ils ont entendu celles des apôtres et des autres témoins de Jésus-Christ. Par contre, les gens qui se trouvaient dans le séjour des morts ont entendu SA VOIX à LUI . **1 Pierre 3/18-19**.

« *J'ai encore d'autres brebis qui ne sont pas de cette bergerie ; celles-là, il faut aussi que Je les amène ; elles entendront MA VOIX, et il y aura un seul troupeau et un seul berger* ». **Jean 10/16**.

Jésus est allé inaugurer ce chemin dans le séjour des morts qui était absolument fermé jusqu'alors. Il a pris les clés de cet endroit terrible **Apoc 1/18**. « *Moi Je Suis le premier et le dernier, le vivant. J'étais mort, et me voici vivant aux siècles des siècles. Je tiens les clés de la mort et du séjour des morts* ». Depuis tous les enfants de Dieu fidèles, (les vainqueurs dont nous parlions dans le chapitre précédant) lorsqu'ils meurent, vont, **comme leur Maître**, prêcher au moins trois jours dans cet endroit et emmènent des captifs avec eux, les conduisant dans les hauteurs, sur le chemin que Jésus-Christ a inauguré. Car Jésus a clairement dit que tout ce qu'Il a fait nous le ferions de même. **Jean 14/12.** Voilà pourquoi, jusqu'à la fin du troisième siècle, les vrais Chrétiens se faisaient baptiser à la place des morts. **1 Cor 15/29**. Ils le faisaient par la foi, sachant que la seule condition pour être sauvé est de croire et être immergé dans l'eau. **Marc**

16/16. Ce qu'Hénoch voit donc, c'est le jour du jugement final, au Grand Trône Blanc d'**Apoc 20//11à 15**. Tous ne seront pas jetés dans l'étang de feu. Les prédestinés au salut échapperont à la seconde mort. Quand les Livres seront ouverts, on y lira les œuvres de tous. Puis Dieu lira le **Livre de Vie** et sauvera ceux dont les noms s'y trouveront. Ceux qui n'auront pas leurs noms écrit dans le Livre de Vie seront jetés dans l'étang de feu. **Apoc 20/11 à 15.** Les noms des sauvés ont été écrits avant la fondation du monde. **Eph 1/4**. Ensuite, Hénoch voit les nouveaux cieux et la nouvelle terre.

Chapitre 51.

1. Dans ces jours-là, la terre rendra de son sein et le séjour des morts du sien ce qu'ils ont reçu, et l'abîme rendra ce dont il est redevable.
2. L'Elu séparera les justes et les saints des méchants, car il est proche le premier jour où ils seront sauvés.
3. Dans ces jours, l'Elu siègera sur Son trône, et tous les secrets de la sagesse et de l'intelligence s'échapperont de Sa bouche ; car le Seigneur des esprits l'a doté d'une gloire éternelle.
4. Dans ces jours, les montagnes tressailliront comme des béliers, et les collines bondiront comme des agneaux rassasiés de lait, et tous les anges seront dans le ciel, le visage brillant de joie.
5. Leur visage resplendira d'une joie ravissante ; car dans ces jours, l'Elu sera exalté ; la terre tressaillira d'allégresse, les justes l'habiteront, et les élus la fouleront de leurs pieds innocents.

Commentaire du chapitre 51.

Ce Texte nous rappelle Celui de l'**Apocalypse 20/13.** Quelle différence y a-t-il entre le sein de la terre et le séjour des morts ? Le sein de la terre est ce que nous appelons aussi l'abîme, ce sont les lieux arides où nous envoyons les démons que nous expulsons des gens. Le sein de la terre est donc le lieu où se trouvent les *esprits impurs et les démons comme nous le dit aussi Jésus* ***Matt 12/43, Luc*** **11/24**. Le séjour des morts est un endroit divisé en deux parties : le Sein d'Abraham et le lieu de tourments. **Luc 16/22**. Hénoch nous montre plus précisément que le séjour des morts est divisé en quatre parties. Il y a trois cavernes réservées à certains esprits et une autre réservée aux justes. **Hénoch 22**. Le séjour des morts se trouve aussi dans le sein de la terre. Mais il n'a rien à voir avec les lieux arides où nous chassons les démons. Jésus a été trois jours et trois nuits dans le

sein de la terre **Matt 12/40**. Il y est allé pour prêcher l'Evangile aux morts qui avaient vécu au temps de la construction de l'arche de Noé. **1 Pierre 3/19 et 1 Pierre 4/6**. Certains de ces morts qui étaient captifs là, se sont convertis et Jésus les a emmenés avec Lui dans les Hauteurs, c'est-à-dire, dans le sein d'Abraham. **Eph 4/8-9**. Etant donné que Jésus a dit que pour être sauvé, il nous faut croire ET être baptisé **Marc 16/16**, il est normal que nous nous fassions baptiser pour ceux qui ont reçu le salut alors qu'ils se trouvaient dans le séjour des morts. Ils ne peuvent en effet pas se faire baptiser, puisqu'ils n'ont plus de corps. Nous nous faisons alors baptiser à leur place en tant que substituts. Nous faisons donc comme les premiers Chrétiens qui se faisaient baptiser pour les morts, à la place des morts. **1 Cor 15/29**.

Cela n'a rien à voir avec la prière pour les morts, ni avec l'invocation des morts, choses rigoureusement interdites par Dieu. Cela n'a rien à voir avec le purgatoire qui est une pure invention humaine pour rassurer faussement les braves gens en leur prenant de l'argent au passage pour faire dire des messes. C'est une abomination ! Et ce baptême n'est pas pratiqué par procuration. Je ne joue pas sur les mots. Mais il est important de savoir qu'une procuration **c'est le pouvoir qu'une personne donne à une autre pour agir en son nom**. Se faire baptiser par procuration pour un mort revient à dire qu'on a demandé au mort son accord pour se faire baptiser en son nom **ou…** que le mort nous aurait demandé de le faire en son nom. Cela est absolument interdit par La Bible. Tout contact avec les morts est une abomination. Le baptême à la place des morts se fait en tant que son substitut. C'est tout. On ne demande rien au mort.

Au jour du Grand Trône Blanc, Jésus ne jugera pas tout le monde de la même manière. **Apoc 20/11-15**. Il y aura une résurrection générale comme le dit **Dan 12/2.** Certains seront des chrétiens qui n'auront pas été enlevés avec l'Epouse. Leur nom sera trouvé dans le Livre de Vie, ils seront sauvés là. D'autres seront des gens qui auront entendu l'Evangile prêché dans le séjour des morts et l'auront reçu avec foi. Leur nom sera cherché dans le Livre de Vie et tous ceux dont le nom se trouvera dans le Livre de Vie seront sauvés. D'autres seront des gens qui n'auront jamais entendu parler de Dieu ni de Jésus-Christ et de Son salut parfait. Ils seront jugés selon leurs œuvres et si leurs noms se trouvent dans le livre de Vie, ils seront sauvés. D'autres seront jugés selon leurs œuvres et condamnés parce que leur nom ne sera pas dans le Livre de Vie. Les noms qui se trouvent dans le Livre de Vie s'y trouvent depuis avant la création du monde. **Eph 1/4**. Lever sa main dans une réunion d'Evangélisation, se faire baptiser, appartenir à une bonne église et faire de bonnes œuvres ne peuvent vous sauver. En fin de compte, ce qui décidera de tout, c'est que votre nom soit, ou ne soit pas, dans le Livre de Vie. Maintenant, Hénoch écrit : « *Car il est proche le premier jour où ils seront sauvés* »

1° Le salut était décidé dès avant la fondation du monde.

2° Nous avons été sauvés par Jésus-Christ quand Il donna Sa Vie à notre place sur la croix.

3° Nous avons reçu le salut le jour où nous sommes nés de nouveau, MAIS c'est en espérance que nous sommes sauvés, par le moyen de la foi. **Rom 8/24**.

Actuellement, nous avons les prémices de tout, mais alors nous entrerons en possession de tout. **Rom 8/23-24.** Quand je dis : « nous » je ne parle pas de l'Epouse qui ne sera pas au jugement du Grand Trône Blanc. Au moment du jugement du Grand Trône

Blanc, il faut savoir que l'Epouse aura déjà sa place avec Son Divin Epoux depuis 1007 ans. Car premièrement L'Epouse est enlevée au Ciel par Son Epoux. Puis sept années se passent durant lesquelles la grande tribulation fera rage sur terre. Puis Jésus reviendra pour régner 1000 ans. **Apoc 20/6-7**.

Cela nous conduit donc à 1007 ans.

Au verset **3** il est question de tous les secrets et de l'intelligence qui sortiront de la bouche de l'Elu. Ces secrets et l'intelligence dont il est question-là, sont les Choses que nous disons quand nous parlons en langues sous la puissance du Saint-Esprit. Ce sont des mystères que l'on dit à Dieu. L'Elu, Jésus les dira de façon très claire ce jour-là. **1 Cor 14/2**. Et il y aura une nouvelle terre et un nouveau ciel.

CHAPITRE 52

1. Après ce temps, dans le lieu même où j'avais vu tant de mystères, je fus enlevé par un tourbillon et emporté vers l'occident.
2. Là, mes yeux aperçurent les secrets du ciel et ceux de la terre ; une montagne de fer, une montagne d'airain, une montagne d'argent, une montagne d'or, une montagne d'un métal liquide, enfin une montagne de plomb.
3. Et j'interrogeai l'ange qui était avec moi, et je lui dis : Que signifient ces choses que je viens d'apercevoir ?
4. Et l'ange me répondit : Toutes ces choses que tu as vues, regardent l'empire du Messie, et sont un symbole de Son règne et de Sa puissance sur la terre.
5. Et cet ange de paix me répondit encore : Patience encore un peu de temps, et tu verras, et il te sera révélé toutes les choses qu'a décrété la sagesse du Seigneur des esprits. Ces montagnes que tu as aperçues, et qui sont l'une d'airain, l'autre de fer, la troisième d'argent, la quatrième d'or, la cinquième d'un métal liquide, la sixième enfin, de plomb ; toutes ces montagnes, dis-je, seront en la présence de l'Elu, comme un gâteau de miel devant une fournaise ardente, ou comme l'eau qui coule du haut d'une montagne ; elles tomberont à Ses pieds.
6. Dans ces jours-là, les hommes ne trouveront leur salut ni dans l'or ni l'argent.
7. Ils ne pourront ni fuir ni se défendre.
8. Alors il n'y aura plus d'armes à fabriquer avec l'airain ni de cuirasse pour protéger la poitrine.
9. Le fer deviendra inutile : cela même ne servira à rien qui ne se rouille ni ne s'use, et le plomb ne sera plus recherché.

10. Tout sera rejeté, tout sera effacé de dessus la terre, quand l'Elu apparaîtra en la présence du Seigneur des esprits. Le métal de goutte est

Commentaire du Chapitre 52.

Juste avant de voir ces montagnes de métal, Hénoch avait vu les montagnes bondissantes de la nouvelle terre. Hénoch se trouve dans un tourbillon. Alors qu'il se trouvait dans un temps qui est pour nous l'avenir, il se trouve soudain dans notre présent. C'est-à-dire qu'il revient en arrière dans le temps. Mais souvenez-vous que l'ouest représente l'avenir. Souvenez-vous aussi que pour lui, le septième depuis Adam, notre époque présente se trouve dans l'avenir, c'est-à-dire, à l'ouest. Il a vu ce qui nous attend : des montagnes qui sautent comme des béliers. Et il voit ce que nous voyons, nous : des montagnes lourdes, de métal. Notre époque est bien ainsi, lourde dans sa façon d'agir. Pesante quant à son administration. Nous avons dépassé l'âge du fer, mais les armées écrasent les peuples sous le fer et le feu comme jamais auparavant. Nous sommes encore dans le temps de la pesanteur du plomb quant à l'intelligence spirituelle. L'airain est le métal qui bouche l'accès entre nous et le ciel. Notre richesse est un métal : l'or. Tout se monnaie par le métal argent. Et le métal liquide représente la faible consistance de tout ce qui semble pourtant fort. Pourquoi ces montagnes en métaux ? Parce que le métal a une aptitude à la déformation. Ce que notre époque manifeste également. C'est l'époque de l'apostasie. On tient pour élever ce qui ne l'est pas et on abaisse ce qui est élevé. Notre époque a vu les vraies valeurs rejetées par la grande majorité des gens. Jésus reviendra dans une époque comme la nôtre. Il y a du métal mélangé à de l'argile. Rien n'est vraiment sûr. La sécurité n'est plus de mise.

CHAPITRE 53

1. Alors, mes yeux aperçurent une vallée profonde, un gouffre dont l'entrée était vaste et spacieuse.
2. Tous ceux qui habitent sur la terre, dans la mer et dans les îles, y apporteront leurs tributs et leurs présents, et cependant rien ne pourra en combler la profondeur. Leurs mains commettront l'iniquité. Tout ce que les nobles labeurs des justes auront produit, les pécheurs le dévoreront criminellement. Mais ils périront de la face du Seigneur des esprits, et de la face de la terre elle-même. Quant aux justes ils se relèveront et ils vivront dans tous les siècles des siècles.
3. Je vis les anges des châtiments qui y habitaient et qui préparaient les instruments de Satan.

4. Alors j'interrogeai l'ange de la paix, qui était avec moi, et je lui demandai pour qui ces instruments ?
5. Il me répondit : Ils sont préparés pour les rois et les puissants de la terre ; c'est par là qu'ils doivent périr.
6. Ensuite apparaîtra le temple auguste où les élus et les justes se réuniront pour ne plus se séparer, par la vertu du nom du Seigneur des esprits.
7. Ces montagnes ne subsisteront point en sa présence, pas plus que la terre et les collines ; mais elles s'écouleront devant lui comme des sources d'eau vive. Les justes seront alors délivrés des persécutions des pécheurs.

Commentaire du chapitre 53.

Hénoch continue de voir le monde tel qu'il est de nos jours. Il voit que le mal s'est accru sur terre et que, s'il n'y avait pas les justes, rien ne subsisterait devant Dieu. En effet, nous sommes le sel de la terre. Mais nous sommes aussi les proies faciles pour tous les fils du serpent qui ne désirent qu'une chose : la destruction de la race de Dieu. Rien ne peut satisfaire ni les gens, ni Dieu. Une séparation de plus en plus évidente existe. C'est devenu comme un gouffre sans fond. En ce début de nouveau et dernier millénaire de la grâce, nous voyons les enfants de Dieu traités comme des esclaves alors que tout leur appartient en réalité. La valeur de l'être humain se trouve tout en bas de l'échelle. Ce qui a le plus de valeur c'est l'or **Apoc 18/12** et ce qui en a le moins c'est le corps et l'âme des hommes **Apoc 18/13**. Qui se préoccupe vraiment des enfants qui travaillent ? Aux jeunes filles et jeunes garçons que l'on oblige à la prostitution ? C'est criminel et Dieu traitera cela comme tel et le châtiment sera absolument juste. Le mal a atteint des sommets comme jamais. Il en est vraiment comme du temps de Noé ou de Sodome et Gomorrhe. Dernièrement (juillet 2011), le ministre du culte algérien et député de la communauté algérienne, Monsieur Bouabdallah Ghlamallah, est venu inaugurer une nouvelle mosquée en France, à Torcy. Tout serait bien dans le meilleur des mondes si… avant de faire cela, il n'avait pas fait détruire 10 églises dans son pays et déclaré qu'**il assimile l'évangélisation au terrorisme**. Nos frères et sœurs chrétiens sont persécutés dans de nombreux pays Islamiques. A Paris, en octobre de cette année, une pièce de « théâtre » sera jouée. Cette pièce de « théâtre » est une pure provocation blasphématoire ; elle présente le christianisme comme l'incarnation de la terreur et de la barbarie. Dans nos pays Chrétien, on ne punit pas les gens pour le péché de blasphème, chacun a le droit de croire ce qu'il veut. Mais il n'en n'est pas ainsi dans tous les pays du monde. Au Pakistan, par exemple, une de nos sœurs Chrétienne croupi depuis plus de deux ans dans une prison immonde et attend sa mise à mort. Elle se nomme Asia Bibi, elle a été condamnée à mort parce qu'elle a bu l'eau d'un puits dans la timbale commune. Pour les Musulmans, là-bas, elle est considérée comme une intouchable, puisque Chrétienne. En buvant de l'eau de ce puits, elle donc rendu ce puits impur… **Condamnée à mort !** Tout cela n'est qu'un avant-goût de ce qui se passera pendant les sept ans de la grande tribulation. Violence, trahison, crimes et torture. Mais tout cela aura une fin. Le peule de la vraie Eglise de Jésus-Christ ne fait pas dans la violence. Par contre, quand Dieu se lèvera de Son Trône pour juger la terre, tous les monstres seront exterminés qu'ils soient catholiques, protestants, musulmans, juifs ou autre. Hénoch nous montre dans ce chapitre que Dieu se sert même des démons pour infliger leur

punition aux puissants de ce monde corrompu. Ce sont ces esprits démoniaques qui poussent le monde à sa perte qui seront utilisés par Dieu pour le châtier. Il leur sera appliqué la loi du talion. Ils seront punis par le mal. **Matt 25/41**. Ces anges (ces envoyés) du châtiment seront envoyés sur la terre au moment de la grande tribulation. **Apoc 12/9**. Ces êtres démoniaques tourmenteront les habitants de la terre. Les chrétiens qui auront été charnels, qui n'auront pas obéi à La Parole de Dieu donnée pour leur temps seront affreusement maltraités. Ils ne se sauveront qu'au prix de leur propre sang. Alors les montagnes qu'Hénoch a vues dans le chapitre précédent disparaîtront de devant la Face du Dieu Tout-Puissant. Ce qui est aujourd'hui élevé sera abaissé à la juste place.

CHAPITRE 54

1. Alors je vis un autre côté de la terre, vers laquelle je me tournai, et j'aperçus une vallée profonde, un gouffre tout embrasée.
2. A cette vallée, à ce gouffre, les rois et les puissants étaient conduits.
3. Là, mes yeux virent des instruments de supplice, des chaînes de fer qu'on ne pouvait peser.
4. Alors j'interrogeai l'ange de paix qui était avec moi, et je lui dis : Pour qui réserve-t-on ces chaînes et ces instruments de supplice ?
5. Il me répondit : Tous ces tourments sont préparés pour l'armée d'Azazel ; c'est là que ses soldats impies seront précipités sur les pierres aiguës de l'abîme de complète condamnation ; et leurs mâchoires seront couvertes de pierres raboteuses car ainsi le veut le Seigneur des armées.
6. Quant à Michael, Gabriel, Raphaël et Phanuel, ils seront chargés de jeter dans la fournaise ardente les anges rebelles en ce jour-là; c'est ainsi que sera vengé le Seigneur des esprits ; c'est ainsi que leurs crimes seront punis ; car ils se sont faits les ministres et les serviteurs de Satan, ils sont devenus les séducteurs de ceux qui demeurent sur la terre.
7. En ce jour, le Seigneur donnera le signal du supplice ; les réservoirs d'eau qui sont au-dessus des cieux, s'ouvriront ainsi que les sources qui sont sous la terre.
8. Toutes les eaux, tant supérieures qu'inférieures, seront confondues.
9. L'eau supérieure, du dessus des cieux, remplira le rôle de l'homme.
10. L'eau inférieure, l'eau qui est sous la terre, remplira le rôle de la femme ; tous ceux qui habitent la terre, tous ceux qui habitent sur les confins du ciel, tous, dis-je, seront exterminés.
11. Ils comprendront, par la grandeur du châtiment, la grandeur de leur iniquité, et ils périront.

Commentaire du chapitre 54.

Le jugement n'atteindra pas que les humains, mais aussi tous les anges qui les ont influencés à se révolter contre Dieu. Azazel se rencontre dans le livre du Lévitique au chapitre **16**. C'est sur Azazel que tout le mal est jeté. Il est le bouc émissaire. **Lév 16/7-10.** Azazel est le principal être malfaisant qui conduisit les humains dans le mal. C'est sans doute lui que Jésus rencontra au désert **Matt 4/1**. **Azazel** (Hébreu: עזאזל) signifierait « Dieu a rendu fort » par utilisation de la racine « azaz » au singulier de la troisième personne et de « El » qui signifie Dieu. Le nom Azazel possède des variantes hébraïques qui sont « Azaël » ou « Aziel » basées sur la racine « oz » qui signifie force. « *Azazel apprit aux hommes à fabriquer des épées, des armes, des boucliers, des cuirasses. Choses enseignées par lui et ses sbires. Il leur montra les métaux et la manière de les travailler, ainsi que les bracelets, les parures, l'antimoine, le fard des paupières, toutes les sortes de pierres précieuses et les teintures. Il en résulta une grande impiété. Les hommes se débauchèrent, s'égarèrent et se perdirent dans toutes les voies.* » Hénoch **8/1-2**. « *Tu vois tout ce qu'a fait Azazel : c'est lui qui a enseigné tous les forfaits commis sur la terre et qui a révélé les mystères éternels gardés dans le ciel, et les hommes mettent en pratique ce qu'ils ont appris.* » **Hénoch 9/6**. « *Il dit à Raphaël : Enchaîne Azazel par les pieds et par les mains, jette-le dans les ténèbres, ouvre le désert qui est à Dadouël et jette-le dedans. Mets sur lui des pierres rugueuses, et aigües, enveloppe-le de ténèbres, et qu'il demeure là à perpétuité. Recouvre son visage, et qu'il ne voit pas la lumière.* » **Hénoch 10/4-5.** « *La terre entière a été dévastée par les œuvres apprises d'Azazel : impute à celui-ci tous les péchés.* » **Hénoch 10/8**. N'oubliez pas que le mot ange signifie « envoyé ». Azazel a été envoyé au jardin d'Eden pour séduire Eve. C'est en cela qu'il peut être appelé « ange » ou « envoyé ». Mais gardez à la mémoire qu'Azazel est un esprit d'animal, le serpent-ancien, le dragon. Dieu l'a rendu fort, lui a donné un pouvoir certain, pour qu'il fasse son œuvre et Il finira par le détruire, ainsi que tout ce qui est mal. Ses soldats (**v.5**) sont des anges déchus et toutes sortes d'êtres malfaisants et aussi certains hommes. Judas **était** un démon. **Jn 6/70**. Tous ceux qui auront égaré les humains seront jetés dans cet abîme et subiront ce châtiment terrible. Ce ne sera que justice. Maintenant, il y a aussi une symbolique qu'il faut connaître pour pouvoir comprendre de quoi nous parle Hénoch aux versets **7** et suivants. Les eaux sont les peuples. Il y a donc le peuple d'En-Haut et le peuple d'en-bas. Le peuple d'En-Haut, les eaux du haut des cieux sont les anges de Dieu. Les eaux terrestres sont les peuples humains fidèles à Dieu qui ont été chrétiens mais pas de façon très fidèle. Les eaux d'en-bas sont les ressuscités, ceux qui n'ont pas pris part à l'enlèvement. Et ces eaux se mélangent. Tous sont comme les anges selon ce que dit Jésus dans **Matt 22/30**. Pourquoi les anges portent le masculin et les humains le féminin ? Ceux qui sortent de la résurrection sont des humains qui n'ont pas été enlevés à la rencontre de l'Epoux. Ceux qui ont été enlevés à la rencontre de leur Epoux portent le féminin. (C'est l'Epouse). Cela signifie que L'Epouse de Christ Lui sera soumise, mais sera supérieure aux anges. Par contre les gens sauvés comme au travers du feu seront soumis aux anges, comme une femme doit l'être à son mari.

CHAPITRE 55

1. Après cela, j'aperçus une autre armée de chars, et ces chars étaient pleins de guerriers.
2. Portés sur l'aile des vents, ils venaient de l'Orient, de l'Occident et du Midi.
3. On entendait au loin le bruit de leurs chars roulant.
4. Et ce bruit était si grand, que les saints l'entendirent du ciel ; les colonnes et les fondements de la terre en furent ébranlés, et le bruit retentit d'une extrémité du ciel à l'autre pendant un jour. **5.** Alors tous se prosternèrent et adorèrent le Seigneur des esprits.
6. Ceci est la fin de la deuxième parabole.

Commentaire du chapitre 55.

Hénoch assiste là à la dernière bataille terrestre juste avant le millénium. Il y voit des avions et des chars qui roulent. C'est la même guerre que Dieu montrera à son prophète Daniel quelques siècles plus tard **Dan 11/40-45**. Le roi du Midi et le roi du Nord affronteront l'anti-Christ qui se sera établi en Israël, le plus beau des pays. Ceux du Nord sont donc les Mèdes qui sont au Nord-Ouest et Est d'Israël. (Les Mèdes sont des tribus Iraniennes qui se sont sédentarisées au début du premier millénaire avant Jésus-Christ. La Perse est un empire dont le territoire primitif coïncide avec la province du Fars de l'**Iran** actuel). Ce qu'Hénoch voit, c'est ce que Jean a vu dans **Apoc 6/12** lors de l'ouverture du sixième Sceau. C'est aussi ce que Jésus-Christ annonce dans **Matt 24/29-31**. Jésus dit que les étoiles qui tomberont, en réalité, ce qu'il décrit, c'est que la terre basculera d'environ 15 à 16° sur son axe. En même temps le soleil s'obscurcira et la lune ne donnera plus sa lumière. Hénoch nous apprend que cela ne durera qu'un jour. Et ce sera la moisson. Les anges viendront chercher les élus qui auront survécu à la grande tribulation et tous se prosterneront devant le Seigneur.

TROISIEME PARABOLE

CHAPITRE 56

1. Alors je commençai à exposer la troisième parabole, au sujet des justes et des élus.
2. Soyez bénis justes et élus, car votre destinée, votre part d'héritage, est glorieuse.
3. Les justes demeureront dans la lumière du soleil, et les élus dans la lumière de la vie éternelle, de cette vie dont les jours n'ont point de déclin; les jours des saints ne seront point comptés ; ils ont cherché la lumière, ils ont trouvé la justice du Seigneur des esprits.
4. Paix soit donc aux saints par le Seigneur du monde.
5. Dès ce moment, on dira aux justes de chercher dans le ciel les secrets de la justice, et la part d'héritage que la foi leur promet. Car elle a brillé comme le soleil sur la terre et les ténèbres ont disparu. Là, il y aura une lumière sans fin, et des jours innombrables. Les ténèbres auront été dissipées, et la lumière grandira devant le Seigneur des esprits ; la lumière de la justice brillera sur eux d'un éclat sans pareil.

Commentaire du chapitre 56.

Tout ce qu'Hénoch a vu au **ch 56** est largement décrit dans toute la Bible. C'est ce qui a fait dire à beaucoup de monde que ce livre d'Hénoch avait été écrit après la venue de Jésus-Christ sur terre. Mais Dieu, dans Son Amour avait gardé ce livre caché dans une grotte de la mer Morte afin de confondre les sages de ce monde. Tous savent maintenant que ce livre a bel et bien été écrit avant Jésus-Christ et que Jude a raison de l'attribuer à Hénoch le septième depuis Adam **Jude 14**. Hénoch a donc vu qu'il y a des justes et des élus. Les justes sont ceux qui ont été justifiés mais qui n'auront pas été élus pour devenir l'Epouse de Christ. Les justes vivent donc sur la nouvelle terre sous le nouveau ciel les rayons du nouveau soleil **Apoc 21/1**. L'Epouse de Christ, vivra dans la Pyramide décrite dans Apocalypse **Apoc 21/2**. Il est a noté que dans la pyramide, il n'y aura pas besoin de lune ni de soleil car la Gloire de Dieu l'éclaire et l'Agneau est son flambeau. **Apoc 21/23**. La Lumière de Elus ne sera donc pas la même que la lumière des justes **v 3**. Les élus, **Apoc 21/16.** (Plusieurs prétendent que la Nouvelle Jérusalem sera en forme de cube. Ils veulent ignorer que ce sera une pyramide aussi haute que large, et aussi large que longue). En fait, l'Epouse habitera la ville, la Nouvelle Jérusalem, elle sera comme l'épouse de Joseph qui restait au palais. **Gen 45/1**.

CHAPITRE 57

1. Dans ces jours-là mes yeux aperçurent les secrets des éclairs et des luminaires et leur jugement.
2. Ils brillent tantôt pour bénir tantôt pour maudire, suivant la volonté du Seigneur des esprits.
3. Je vis aussi les secrets du tonnerre, quand il tonne dans le ciel, et que la terre en retentit.
4. Je vis encore les habitations de la terre. Quant au tonnerre, si parfois il gronde pour annoncer la paix et pour bénir, il gronde aussi souvent pour les malédictions, suivant la volonté du Seigneur des esprits.
5. Ensuite je compris tous les secrets des foudres et des éclairs. L'un et l'autre annoncent au monde la bénédiction et la fertilité.

Commentaire du chapitre 57.

Le ch **57** nous parle du tonnerre et des éclairs. Les luminaires ont un pouvoir pour bénir ou maudire. C'est ce que les astrologues découvriront en cherchant. L'astrologie est interdite aux enfants de Dieu. Nous n'y touchons donc pas. Mais il faut bien reconnaître que les luminaires ont une influence bénéfique ou maléfique sur les humains. C'est pour cela qu'il est bon de connaître les choses qu'Hénoch nous dit au sujet, principalement des astres **Hénoch 32, Hénoch 34/2.** Esaïe est en accord avec ce qu'Hénoch annonçait bien avant lui. **Esaïe 28/5-6**. (Voir le commentaire du **ch 32** d'Hénoch). C'est parce que ces choses sont de première importance que Dieu montre ces choses à Hénoch. A nous, maintenant de les sonder pour les inclure dans notre vie de foi. Ce sont des secrets qui ne seront découverts, pour la plupart, par les justes, qu'après la grande tribulation. C'est bien dommage pour eux, car c'est maintenant qu'ils nous sont utiles pour nous conduire de la bonne façon en étant organisé dans notre vie de prière, en ayant une stratégie précise.

L'APOCALYPSE DE NOE.

CHAPITRE 58

1. Au quatorzième jour du septième mois de la cinq centième année de la vie de Noé, je vis que le ciel des cieux fut ébranlé, et que les puissances très élevées, que des milliers de milliers et des myriades de myriades d'anges étaient dans une très grande agitation. Et en regardant, je vis l'Ancien des jours assis sur Son Trône de gloire, et entouré des anges et des saints. Je fus saisi d'une grande frayeur, et comme frappé de stupéfaction ; mes jambes se dérobèrent sous moi, et je tombai prosterné la face contre terre. Alors l'ange Michel envoya autre saint ange pour me relever.
2. Et quand je fus debout, je repris les sens que j'avais perdus, et ne pouvant supporter cette vision trop forte pour ma faiblesse, et les agitations et ce tressaillement du ciel.
3. Alors Michel me dit : Pourquoi te troubles-tu de cette vision ?
4. Jusqu'aujourd'hui, c'était le temps de sa miséricorde et il a été miséricordieux et patient envers les habitants de la terre.
5. Mais quand viendront le jour et les puissances, le châtiment et le jugement que le Seigneur des esprits a préparés pour ceux qui s'inclinent devant le jugement de la justice et pour ceux qui nient le jugement de la justice et pour ceux qui prononcent son nom en vain :
6. Ce jour sera pour les élus un jour d'alliance, pour les pécheurs un jour d'inquisition..
7. On fera sortir deux monstres qui avaient été séparés pour ce jour, l'un mâle, l'autre femelle ; la femelle s'appelle Léviathan ; il habite dans les entrailles de la mer, sur les sources des eaux.
8. Le monstre mâle se nomme Béhémoth ; il roule dans un désert désolé rendu informe et vide, dans ses ses replis tortueux.
9. Son nom était Duidâin [ou Dudagin] à l'orient du jardin où habiteront les élus et les justes, et où fut placé **mon aïeul, le septième après Adam**, le premier homme créé par le Seigneur des esprits. (Voyez **Jude 14-15**)
10. Alors je demandai à l'autre autre ange qu'il me montre la puissance de ces monstres, et comment ils avaient été séparés dans le même jour pour être précipités, l'un dans le fond de la mer, l'autre dans le fond d'un désert.
11. Et il me dit : O fils de l'homme, tu veux savoir les choses mystérieuses, secrètes et cachées.
12. Et l'ange de la paix qui était avec moi me dit : Ces deux monstres sont des créatures de la puissance divine, ils doivent dévorer ceux qu'aura punis la vengeance de Dieu.
13. Alors les enfants tomberont avec leurs mères, les fils avec leurs pères.
14. Et ils recevront le châtiment qu'ils auront mérité, et la justice de Dieu sera satisfaite, mais après ce jugement viendra l'heure de la miséricorde et de la longanimité. Alors l'autre ange qui était avec moi, me parla.
15. Il me révéla les premiers et les derniers secrets sur le ciel et sur la terre,
16. Sur les confins du ciel, et dans ses fondements, dans les réceptacles des vents;
17. Il montra comment leurs souffles sont divisés et pesés, comment les vents et les fontaines sont classés, d'après leur énergie et leur abondance.

18. Il me fit voir la puissance de la lumière de la lune, c'est une puissance de justice ; comment des étoiles se subdivisent entre elles, et quel nom est propre à chacune.
19. Il me montra encore les tonnerres distingués aussi entre eux, par le poids, par leur énergie, par leur puissance.
20. Je vis l'obéissance de ces fléaux célestes à sa divine volonté. J'appris que le grondement du tonnerre ne se séparait point de la foudre, et quoique l'un et l'autre soient unis par des esprits différents, ils n'en sont pas moins inséparables.
21. Car quand la foudre sillonne la nue, le tonnerre gronde, mais leurs esprits s'arrêtent au moment opportun, et font un juste équilibre ; Le réservoir de temps est de sable. L'un et l'autre s'apaisent quand il le faut, et suivant les circonstances, ils compriment leurs forces ou ils les déchaînent.
22. Également l'esprit de la mer est mâle, puissant et fort, et de même qu'une puissance prodigieuse la retire en arrière avec une bride, de même elle est chassée en avant et dispersée contre les montagnes. L'esprit des frimas, c'est son ange ; l'esprit de la grêle est un bon ange ainsi que l'esprit de la neige, à cause de sa force, et il y a en elle principalement un esprit qui en fait élever comme de la fumée, et son nom est fraîcheur.
23. L'esprit des nuages n'habite point avec ceux dont je viens de parler, mais il a sa demeure particulière ; sa marche s'opère dans la splendeur,
24. Dans la lumière et dans les ténèbres, dans l'hiver et dans l'été son séjour est splendide, et son ange est toujours lumineux.
25. L'esprit de la rosée fait sa demeure sur les confins mêmes des cieux, son séjour est voisin de celui de la pluie ; son empire s'exerce pendant l'hiver, pendant l'été. Quant aux nuages, voici leur origine : une première nuée est produite, elle s'en adjoint plusieurs autres ; quand l'esprit de la pluie s'amoncellent hors de ses réservoirs, portant la pluie dans ses humides flancs ; alors l'ange apparaît, il ouvre les trésors supérieurs, et la pluie est ainsi créée.
26. Même chose arrive quand la pluie se répand sur la face de la terre, qu'elle va se réunir à toutes les eaux qui coulent dans son sein, après l'avoir fécondée ; car les eaux sont la nourriture de la terre, telle est la volonté du Très-Haut.
27. Voilà pourquoi il y a des limites à la pluie et les anges qui y procèdent, la répartissent avec une juste mesure.
28. Je vis toutes ces merveilles, aussi bien que le jardin des justes.

Commentaire du chapitre 58.

De ce chapitre **58** jusqu'au chapitre **70** L'écrivain est Noé. L'apôtre Pierre, qui connaissait les écrits du livre d'Hénoch, connaissait le message de Noé. Il dit que Noé était un prédicateur de justice. **2 Pierre 2/5.**

L'aïeul direct de Noé était Mathusalem **Gen 5/25**. Mais il est clair que Noé parle ici de son aïeul Hénoch. De nos jours on dirait : de mon arrière-grand-père, **le septième depuis Adam V9**. **Or, si nous comptons Caïn comme fils d'Adam, Hénoch est le huitième et non le septième depuis Adam**. Mais nous savons que Caïn ne compte pas dans la lignée des fils de Dieu. Caïn était l'ivraie semée par l'ennemi de **Matt 13/38**. Hénoch est donc le septième depuis Adam qui est le premier…

Adam **1**

Seth **2**

Enosch **3**

Caïnan **4**

Mahalael **5**

Yéred **6**

Hénoch **7** **Gen 5/1 à 24**

Caïn, fils du serpent, a sa propre généalogie **Gen4/17 à 26**.

Cette vision concerne deux choses. Le déluge et le jugement final. Le déluge d'eau n'a été qu'une répétition générale de ce qui arrivera prochainement. Jésus le dit : **Matt 24/37.** « Comme ont été les jours de Noé, ainsi sera l'avènement du Fils de l'homme. » Il arrive que dans la présence de Dieu, on ne puisse rester debout. Noé, comme Daniel, Esaïe, Paul et Jean, tomba sur sa face. Deux monstres qui avaient été séparés le mardi de la semaine de la restauration du monde seront relâchés pour qu'ils accomplissent leurs œuvres. En effet dans le calendrier Essénien ; le quatorzième jour du septième mois tombe un mardi. Le mardi est le milieu de la semaine, c'est le troisième jour. Or, le troisième jour de la restauration du monde, Dieu sépara le continent de la mer. **Gen 1/8 à 13**. C'est à ce moment que Dieu plaça Le Léviathan sur les eaux et Béhémot sur la terre ferme. Le désert où se trouve Béhémoth est « aoratos » en grec et « tôhû » en Hébreux. C'est le même terme employé par Moïse pour décrire dans quel état était la terre en **Genèse 1/2** ('tohu-bohu,= rendu informe et vide) . Béhémoth se trouve à l'est du jardin d'Eden. Béhémoth est retenu là depuis le troisième jour de la restauration du monde. Il va être libéré très bientôt. Béhémoth est le premier être vivant que Dieu a créé (et non l'hippopotame comme se plaisent à le traduire certains théologiens). C'est ce que nous apprend le livre de **Job 40/15 à 24**. Le Léviathan devait lui être soudé, certainement comme la femme était dans l'homme et en a été tirée. Ces deux êtres sont ce que nous appelons des êtres pré-Adamique. Le dragon, le serpent ancien, est **aussi** un être pré-Adamique, il avait été créé comme Adam, dans les champs **Gen 3/1** tout près du jardin, avant d'être placé dans le jardin en tant qu'arbre de la connaissance du bien et du mal **Gen 3/16**.) (Dans la symbolique Biblique, un arbre est une être comme l'homme, Jésus était l'Arbre de la Vie, et nous, nous sommes les arbres plantés au bord d'un courant d'eau et qui donne du fruit **Ps 1/3**. etc …) Béhémoth et Léviathan sont des monstres, des êtres spirituels qui vont bientôt se déchaîner contre les méchants de ce monde. Il y a d'autres êtres qui sont tenus liés pour un certain jour prochain, nous les trouvons dans **Apoc 9/14**. A partir du verset 15, il est question des anges. Les vents sont des anges, des envoyés. C'est le **Psaumes 104/5** qui nous le révèle. Ils fondent sur la terre, étant aux ordres de Dieu et au service de la véritable Eglise de Jésus-Christ. C'est en effet Elle qui détient les clés pour ouvrir ou fermer **Matt 16/19**. Nous avons le pouvoir d'ouvrir ou de fermer les portes spirituelles qui se trouvent dans les lieux célestes. Ce pouvoir, nous l'exerçons au Nom de Jésus-Christ. Quand Noé nous parle de

la lune, il parle des anges et des véritables Chrétiens nés de nouveau. Nous agissons, reflétant la gloire de Dieu comme la lune reflète la lumière du soleil. La terre n'a pas besoin de plus que ce que nous lui donnons, voilà pourquoi il est écrit que c'est une puissance juste **verset 18**. Au chapitre **40**, nous avons vu que le tonnerre est la Parole que Dieu prononce. Elle a un effet qui peut sembler tarder. C'est comme l'éclaire et le coup de tonnerre. Cependant, l'éclair et le coup de tonnerre sont liés. De même, ce que Dieu dit concernant notre époque ne manquera pas de s'accomplir. Les quatre premiers Tonnerres d'**Apoc 10** ont parlé il y a longtemps et ce qu'ils ont dit est déjà accompli. Nous sommes en train de vivre ce que le quatrième Tonnerre a annoncé (en 2011). Et nous allons bientôt constater la réalisation du cinquième, sixième et septième coup de tonnerre. Il y a comme un sablier qui marque les temps entre l'éclaire, la Parole de Dieu, et le coup de tonnerre, l'accomplissement de la Parole de Dieu sur terre. Ce que La Parole, Jésus-Christ, a fait il y a deux mille ans, devient une réalité dans la vie des gens selon le temps et le lieu où ils vivent. C'est comme pour ce qui concerne l'éclair et le coup de tonnerre. Les deux sont inséparables, mais semblent séparés par le temps et l'espace. La neige, la grêle, le gel et la pluie nous parlent des diverses façons que Dieu a de nous parler. **La neige** typifie le niveau prophétique. C'est un niveau que l'homme n'aime pas en général. Cela le refroidi, lui fait peur. **La pluie** représente la parole de Dieu prêchée par les Saintes Ecritures. **Le gel** est La Parole de Dieu qui se glace, se matérialise, pour nous atteindre de manière pas naturelle, par des visitations d'anges. (La glace est de l'eau qui n'est pas dans son état normal). Dieu est obligé d'apaiser la puissance de Ses serviteurs les anges et de parler de façon plus diluée à Son peuple et cela devient des songes. **La grêle** est la même Parole, mais donnée sans ménagement, subitement, et dans un temps assez court ; **la grêle** est La Parole de Dieu prêchée par les prédicateurs fidèles manifestant les dons surnaturels qui dévoilent les cœurs **1 Cor 12/8**. C'est la parole de Dieu choquante et qui est généralement mal accueillie. Les porteurs de cette Parole sont souvent traités d'imposteurs. Il y a aussi l'esprit de la rosée. C'est toujours la Parole de Dieu, mais c'est celle que Dieu donne au travers de ses serviteurs qui prêchent dans les églises « multidudinistes » évangéliques. Toutes ces Choses Sacrées, mais pas de même niveau et elles sont sous le contrôle des anges.

CHAPITRE 59

1. Dans ces jours, je vis des anges qui tenaient de longues cordes et qui, portés sur leurs ailes légères, volaient vers le septentrion.
2. Et je demandai à l'ange pourquoi ils avaient pris en mains ces longues cordes, et pourquoi ils s'étaient envolés. Il me répondit : « Ils sont allés mesurer ».
3. L'ange qui était avec moi, me dit encore : Ce sont les mesures des justes ; ils apporteront les cordes des justes, afin qu'ils s'appuient sur le Nom du Seigneur des esprits à jamais.

4. Les élus commenceront à habiter avec les élus.
5. Voilà les mesures qui seront données à la foi, et qui confirmeront la parole de la justice.
6. Ces mesures révèleront tous les secrets dans les profondeurs de la terre.
7. Et il arrivera que ceux qui ont péri dans le désert, qui ont été dévorés par les poissons de la mer ou par les bêtes sauvages reviendront pleins d'espérance dans le jour de L'Élu ; car personne ne périra en la présence du Seigneur des esprits, personne ne peut périr.
8. Et tous ceux qui étaient dans le ciel ont reçu l'empire et la jouissance, la gloire et la splendeur, et une seule voix, et une seule lumière comme du feu.
9. Ils loueront par leur voix L'Élu de Dieu, et ils L'exalteront et Le loueront avec sagesse, et ils feront voir leur sagesse dans la parole et dans l'esprit de la vie, ayant été rendus sages par La Parole et par L'Esprit de Vie.
10. Alors le Seigneur des esprits plaça Son Elu sur le trône de Sa gloire.
11. Pour qu'Il juge toutes les œuvres des saints, du haut des cieux, et pèse leurs actions dans la balance de la justice. Et quand Il élèvera Sa face pour discerner les voies secrètes, qu'ils ont suivies, confiant dans le nom du Seigneur des esprits, et leurs progrès dans les sentiers de la justice.
12. Tous réuniront leurs voix, Le béniront, Le loueront, L'exalteront, Le célébreront au Nom du Seigneur des esprits.
13. Et il appellera à Son tribunal toutes les puissances des airs et tous les saints, les Kéroubîms, les Séraphins et les Ophanims, tous les anges de la puissance, tous les anges des dominations, c'est-à-dire les anges de L'Élu, et les autres puissances, qui au premier jour planaient sur les eaux.
14. D'une voix unanime ils exalteront, béniront, loueront, célébreront, magnifieront dans un esprit de foi, de sagesse et de patience, de clémence, de justice et de paix. Ces esprits de bienveillance, tous s'écrieront à la fois : Béni soit-Il ! Que le Nom du Seigneur des esprits soit béni. Tous ceux qui ne dorment point, le loueront dans les cieux.
15. Tous Le loueront, les saints dans le ciel, les élus qui vivent dans le jardin de Vie, et tout esprit de lumière, capable de bénir, de louer, d'exalter, de célébrer Ton Nom Sacré ; toute chair, de ses forces accrues, louera et célébrera Ton Nom dans les siècles des siècles.
16. Car la miséricorde du Seigneur des esprits est grande, grande est Sa patience, et Il a révélé Ses œuvres, Sa puissance, et tout ce qu'Il est aux saints et aux élus, au Nom du Seigneur des esprits.

Commentaire du chapitre 59

Les anges qui s'envolent vers le nord, s'en vont pour mesurer les morts qui avaient été prédestinés au salut. Il y a un temps marqué par Dieu pour que ces anges aillent mesurer les prédestinés au salut de tous les temps. Ce temps est le temps de la fin, c'est le temps où les élus commenceront à habiter avec les élus sur la terre. Le jugement des prédestinés au salut doit avoir lieu avant l'enlèvement de l'Epouse. Car seule l'Epouse sera enlevée. Les morts en Christ partiront en premier et les vivants les rejoindront dans les nuées vers le Seigneur. **1 Tess 4/16-17.** Ceux qui seront morts en Christ, mais qui

n'auront pas été les vainqueurs **d'Apoc 2 et 3** resteront dans le séjour des morts, en attendant le Trône Blanc **d'Apoc 20/14.** Là, ils seront jugés en vue des récompenses. Souvenons-nous que le temps est une chose qui semble plus long à nos yeux qu'aux yeux de Dieu. Mais cependant, Hénoch a vu que, pendant que les anges partaient en volant, munis de cordes, en ce temps-là, **les élus commençaient à vivre avec les élus.** Le prophète Branham a prédit que le temps de la fin des nations commencerait vers 1977. Sans connaître cette prophétie, cette année-là, nous commencions à vivre en Communauté selon les Ecritures. Notre vie Communautaire est une bien petite chose au vue du monde incrédule. Mais elle existe de par Dieu. Elle est prophétique. Nous ne sommes sans doute pas les seuls au monde à nous être consacrés à vivre La Paroles de **Actes 2** et **Actes 4**. Mais quand bien même serions-nous les seuls… Dieu a toujours agi avec de petites choses que le monde pouvait facilement mépriser. Nous ne nous laissons pas impressionner comme Elie le fût en son temps, croyant être le seul à être resté fidèle **1 Rois 19/14**. En fait, il restait tout de même sept mille hommes qui n'avaient pas fléchi les genoux devant Baal. **1 Rois 19/18**. Nous sommes aux jours de la fin du temps des nations. Le monde appelle de ses vœux la venue d'un gouvernement mondial. Ils vont bientôt l'avoir. **L'anti-Christ est déjà né**. J'écris ces choses en mars 2009 et je suis conscient que l'infâme vit sous le soleil en même temps que nous.

Les anges vont mesurer les morts.

Il faut savoir que, dans le mauvais côté du séjour des morts, il y en a beaucoup qui auront entendu l'Évangile **1 Pierre 4/6**. Ils auront déjà franchi la porte qui les retenait captifs ; comme ceux qui, du temps de Jésus, furent emmenés dans les hauteurs par le Seigneur Lui-même **Eph 4/8-10**. Ils avaient été jugés quant à la chair et tenus pour méchants, condamnés à se tenir du mauvais côté du séjour des morts. Puis, ils ont entendu l'Évangile et l'ont reçu. Ainsi, ils vivent désormais par l'Esprit selon Dieu. **1 Pierre 4/6**. Il est évident que ces derniers ne seront pas du corps de l'Epouse de Christ. Les morts en Christ vont du bon côté du séjour des morts. Là, ils attendent la résurrection. Ils se reposent de leurs œuvres. Parmi eux se trouvent la petite Epouse de Christ qui ressuscitera en premier et sera enlevée dans les nuées, à la rencontre de Son Divin Epoux. Dans ce texte d'Hénoch, ce sont ceux qui, étant morts en Christ durant les siècles passés, et qui ne seront pas de cet enlèvement puisqu'ils sont morts, ceux-là seront mesurés. Nous sommes à la veille de cet évènement. Ce qu'Hénoch a vu là, c'est ce qui va se produire dans notre temps. Ce qu'Hénoch voit là, c'est le jugement des gens sauvés en vue des récompenses. Au Verset **13**, il est question d'Ophanim. Les Ophanim sont les roues **d'Ezechiel 1/15-21.** Les « ophanim » sont des sphères matérielles se mouvant toujours par le moyen des « Haïothces ». Les « Haïothces », les quatre Etres vivants, sont une image des intelligences qui font se mouvoir les substances célestes. Ce sont des Ophanim que j'ai vu en songe et Uriel est sorti de l'un d'eux, me disant de retourner dans mon pays, car l'Europe a beaucoup péché. Je le ferai le moment venu. Il y a des Choses dans le monde spirituel qui échappent complétement à la compréhension des chrétiens en général. Il y a beaucoup de choses qui ne sont pas enseignées de nos jours, mais qui étaient très connues au temps de Paul ; par exemple, avez-vous déjà pensé à ce que peut être la nuée de témoins qui nous entourent ? **Héb 12/1**. Il y a des témoins qui nous entourent. Dans le chapitre **11** de son épître aux Hébreux, Paul parle

de gens qui ont été des hommes et des femmes de foi et qui sont tous morts. Il continue dans sa lancée disant qu'ils nous entourent. Il dit que nous avons autour de nous une nuée de témoins. Il ne dit pas que nous sommes entourés par le souvenir de ce qu'ils ont été, mais par eux-mêmes. Le mot que Paul emploie là est le même que dans **Actes 1/9**… Jésus s'élève sous les yeux des disciples et une nuée arrive et le soustrait à leur regard. On pense couramment qu'un nuage est arrivé et que Jésus a disparu dans ce nuage. Or, ce n'était pas un nuage. C'était quelque chose ressemblant à un nuage, c'était une nuée, c'était précisément ce qui marchait avec le peuple juif dans le désert **Exode 13/20**. Cette nuée est autour de nous. Dieu, l'Eternel **est** cette nuée dans laquelle se trouvent les siens, c'est-à-dire tous les esprits de ceux qui sont morts en tant que gens de foi et qui sont donc en Dieu. Je sais que cela peut vous étonner, mais c'est pourtant la réalité. Paul dit : « *Ainsi donc, **nous aussi, qui avons autour de nous une telle nuée de témoins**, rejetons tout fardeau et le péché qui sait si bien nous entourer et courons avec endurance l'épreuve qui nous est proposée, les regards fixés sur Celui qui est l'initiateur de la foi et qui la mène à l'accomplissement, Jésus…* » **Héb 12/1-2**.
Ceux qui sont morts étant en ordre avec Dieu ne sont pas morts. Dieu est le Dieu des vivants. De plus, quand nous nous faisons baptiser à la place d'un mort, nous accomplissons l'œuvre de foi qui lui permet de se joindre à la nuée des vivants, des témoins pour Dieu par l'Esprit. **1 Pierre 4/6**. C'est ce qui est arrivé à ceux qui ont entendu Jésus prêcher dans le séjour des morts. Jésus a emmené avec Lui ceux qui avaient été captifs dans les régions inférieures de la terre **Eph 4/8-9**. Ils sont entrés dans cette nuée de fidèles témoins de l'amour de Dieu. Cette nuée existe de nos jours, elle est ce que les juifs appellent **la Shékina**, la Présence visible de Dieu. Et ceux qui sont sauvés sont en Christ, dans la Présence de Dieu, dans la nuée et ils nous entourent.

CHAPITRE 60

1. Le Seigneur a commandé aux rois, aux princes, aux puissants, à tous ceux qui habitent sur la terre, en disant : Ouvrez les yeux, levez au ciel vos cornes, et essayez de comprendre L'Élu.
2. Et le Seigneur des esprits s'assit sur le trône de Sa gloire.
3. Et l'esprit de justice était répandu autour de lui.
4. Le verbe de sa bouche exterminera tous les pécheurs et tous les impies; aucun d'eux ne subsistera devant Lui.
5. Dans ce jours les rois, les princes, les puissants, et ceux qui possèdent la terre se lèveront, verront, et comprendront ; ils Le verront assis sur Son trône de gloire, et devant Lui les saints qu'il jugera dans Sa justice.
6. Et rien de ce qui sera dit devant Lui ne sera vain. Aucune parole mensongère ne sera prononcée devant Lui.
7. Alors le trouble les saisira, ils seront semblables à une femme surprise par les

douleurs de l'enfantement, dont le travail est pénible, dont la délivrance est difficile.
8. Ils se regarderont les uns les autres ; et dans leur stupeur ils baisseront le visage.
9. Et ils seront frappés d'effroi quand ils verront le Fils de la femme assis sur son trône de gloire.
10. Alors les rois, les princes, et tous ceux qui possèdent la terre, célébreront Celui qui les gouverne tous, Celui qui était caché. Car depuis le commencement le Fils de l'homme était caché ; le Très-Haut le retenait en présence de Sa puissance et ne le révélait qu'aux élus.
11. C'est Lui qui a rassemblé les saints et les élus ; aussi la Communauté des élus sera-t-elle devant Lui en ce jour.
12. Tous les rois, les princes, les puissants, et ceux qui gouvernent sur la terre, se prosterneront devant Lui, et L'adoreront.
13. Ils mettront leur espérance dans le Fils de l'homme, ils Lui adresseront leurs prières, et invoqueront Sa miséricorde.
14. Alors le Seigneur des esprits se hâtera de les chasser de sa présence. Leurs visages seront alors pleins de confusion, et se couvriront de ténèbres épaisses. Puis les anges des châtiments célestes les saisiront, et la vengeance de Dieu s'appesantira sur ceux qui ont persécuté Ses enfants et Ses saints. Exemple terrible pour les saints et pour les élus, qui se réjouiront de cette justice infinie ; car la colère du Seigneur des esprits persévérera sur eux.
15. Alors le glaive du Seigneur des esprits se rassasiera du sang des méchants ; mais les saints et les élus seront sauvés dans ce jour, et n'auront plus devant les yeux le spectacle des méchants et des impies.
16. Le Seigneur des esprits planera seul désormais sur eux.
17. Et ils habiteront avec le Fils de l'homme, ils mangeront, ils dormiront, ils se lèveront en Sa présence dans les siècles des siècles.
18. Les saints et les élus s'élèveront de la terre ; ils cesseront de baisser les yeux, en signe de dépendance et d'humilité ; ils seront revêtus d'un vêtement de vie. Ce vêtement de vie leur est commun avec le Seigneur des esprits : en Sa présence votre vêtement ne vieillira point et votre gloire n'aura point de déclin.

Commentaire du chapitre 60.

« Levez vos cornes » est une mauvaise compréhension. Corne peut signifier gloire ou corne. C'est en commettant la même erreur que Michel Ange fit des cornes à Moïse. Levez votre gloire ! Dieu leur lance un défi. Ils se trouvent devant la Gloire de Dieu et leur gloire humaine ne possède aucune vive brillance. Ils sont honteux, ils comprennent enfin, mais trop tard, qui est Jésus. Ils sont remplis d'effroi en constatant qu'il est le Fils, la postérité de la femme **V 9** dont Dieu avait parlé au serpent en **Gen 3/15**. Ils essaient de se ressaisir et se mettent à louer Dieu. Mais c'est trop tard, Dieu les rejette. Ils ont malmené les Enfants de Dieu. De connivence avec la grande prostituée de Rome, ils ont persécuté les Juifs et les vrais Chrétiens tout au long des âges. Leur destin avait été fixé à l'avance. Ils ont été manipulés par Dieu comme pharaon l'avait été en son temps **Rom 9/17** et suivants. Alors que les élus avaient la révélation de la Personne du Dieu vivant, eux, se trouvaient dans une ignorance crasse. Dieu ne se montre qu'aux Siens, Se révélant dans la simplicité. Les autres ont les religions qu'ils se sont fabriquées avec des bribes de vérités mélangées avec une sauce infernale de stupidités méchantes. **Et voilà enfin les saints et les élus qui vivent en Communauté**. Seule une

minorité, un petit reste a toujours cherché à vivre en Communauté sur terre en obéissance à la Volonté de Dieu. Mais là, plus personne ne pourra argumenter pour dire que c'est dur ou que ce n'est pas une invitation obligatoire. **Matt 22/1-7**. Ce n'est que ce jour-là que nous n'aurons plus à voir l'affligeant spectacle que nous imposent les fils du serpent. Ils détruisent tout et se moquent de Dieu et de Ses enfants. Ils sont arrogants, ne se rendant pas compte que même l'air qu'ils respirent est un cadeau de Dieu. Au contraire, ils le polluent comme ils polluent tout ce qu'ils touchent. Les élus n'auront plus à baisser les yeux devant leur pouvoir abusif et corrompu. Ils seront revêtus de la gloire de leur Seigneur. **Car Il mettra toutes choses en Commun avec eux**.

CHAPITRE 61

1. Dans ces jours-là, les rois, les puissants et ceux qui possèdent la terre, imploreront les anges des châtiments célestes auxquels ils auront été livrés, de leur donner quelque repos, pour se prosterner devant le Seigneur des esprits et pour l'adorer et confesser leurs péchés.
2. Ils loueront et célébreront le Seigneur des esprits, en disant : Béni soit le Seigneur des esprits, le Roi des rois, le Prince des princes, le Seigneur des riches, le Seigneur de la gloire, le Seigneur de la sagesse.
3. Il met au jour tout ce qui est secret.
4. Ta puissance est dans les siècles des siècles, ainsi que Ta gloire.
5. Tes secrets sont profonds et innombrables, et Ta justice est incommensurable.
6. Ah ! nous voyons maintenant qu'il nous faut célébrer et louer le Roi des rois, Celui qui est le maître absolu de tous les rois.
7. Et ils diront : Qui nous donnera quelque soulagement à nos maux pour célébrer, pour louer, pour bénir, pour confesser nos péchés et nos crimes en présence de Sa gloire ?
8. Le soulagement que nous demandons est de quelques instants, et cependant nous ne pouvons l'obtenir; nous sommes chassés et nous ne possédons rien ; notre lumière s'est éteinte pour l'éternité, et les ténèbres nous environnent à jamais.
9. Car nous ne l'avons pas confessé, nous n'avons pas célébré le Nom du Roi des rois, nous n'avons pas glorifié notre Seigneur dans toutes ses œuvres ; mais nous avons mis notre confiance dans notre puissance et dans le sceptre de notre gloire.
10. Aussi, au jour de la douleur et de l'effroi, Il ne nous a pas sauvés, et nous ne trouverons point de repos. Nous le comprenons maintenant, le Seigneur est fidèle dans toutes Ses œuvres, dans tous Ses jugements, dans Sa justice.
11. Dans Ses jugements, Il ne fait point acception de personne ; et voici que nous sommes repoussés loin de Sa présence, à cause de nos mauvaises œuvres.
12. Nos péchés ne sont que trop bien pesés !

13. Puis ils se diront les uns aux autres : Nos âmes se sont rassasiées des richesses de l'iniquité.
14. Et voici qu'elles ne nous sont d'aucun secours dans ce moment où nous descendons dans les souffrances du séjour des morts.
15. Alors leurs visages seront remplis de ténèbres et de confusion en présence du Fils de l'homme ; et ils seront repoussés loin de Lui, car devant Lui le glaive de la justice se dressera pour les exterminer.
16. Et le Seigneur a dit : Voilà ce qu'a décrété ma justice contre les princes, les rois, les puissants, et ceux qui possèdent la terre.

Commentaire du chapitre 61

Là, dans leurs tourments, ceux qui auront été les puissants de ce monde supplieront les anges du châtiment de leur donner la possibilité de confesser leurs péchés. Tous ces magnifiques qui auront trompé les peuples, abusé de leur pouvoir, tous ceux qui se seront enrichis au détriment des petites gens seront horrifiés de voir que rien n'a échappé au regard du Seigneur. Ils auront fait les hypocrites dans leurs églises, leurs mosquées et leurs synagogues richement ornées par leurs soins, ils se seront moqués de la loi de Dieu en inventant des lois iniques et là, dans les mains des anges du châtiment, ils se sentent petits et se mettent à être humbles. Ils veulent confesser leurs péchés. **Trop tard !** Tant que nous sommes sur la terre, nous sommes comme des vases d'argile que Dieu, le Divin potier peut remodeler. Mais là, il est trop tard, les vases ont passé par le four, ils sont cuits et ne peuvent être remodelés. Ils ne peuvent qu'être brisés. Ils peuvent louer Dieu, c'est avant qu'il fallait le faire. Leur puissance passée ne leur sert plus à rien. Tout leur argent, que Jésus qualifiait de richesses injustes, ne peut les sauver. On n'achète pas Dieu. D'ailleurs, l'or et l'argent sont à Lui. Eux, ils n'ont été que les profiteurs de mauvais systèmes mis en place par eux et leurs complices démoniaques. Ils ont tenu les pauvres dans une épouvantable pauvreté. Ils se sont enrichis en massacrant leurs contemporains. Ils ont vendu des armes et entretenu le marché de la drogue. Ils ont tenu les gens pour une marchandise monnayable. Dieu est parfaitement juste en les rejetant. Ils ont fait assez de mal comme cela sur terre, ils ne vont pas venir nous pourrir la vie éternelle. Aujourd'hui, vous les voyez se pavaner avec une grande insolence. Aujourd'hui vous les entendez parler avec une grande arrogance. Le jour vient où ils prieront pour avoir un peu d'eau fraîche à poser sur leurs lèvres brûlantes. Ce n'est pas aux disciples de Jésus de s'occuper de ces choses ici-bas. Dieu vengera le sang que ces monstres ont fait couler durant tous ces millénaires. Laissons Dieu agir et regardons nos ennemis en nous souvenant que personne ne peut se moquer de Dieu, ni des Siens impunément.

CHAPITRE 62

1. Je vis encore d'autres visions dans ce lieu désert : des visages voilés. J'entendis la voix de l'ange qui disait : Voici les anges qui sont descendus du ciel sur la terre, qui ont révélé les secrets aux fils des hommes, et leur ont enseigné à connaître l'iniquité.

Commentaire du chapitre 62.

Nous avons déjà eu l'occasion d'étudier au **chapitre 54** ce qui est réservé aux anges qui ont séduit les humains en leur révélant des choses que Dieu ne voulait pas qu'ils sachent. Au commencement, Dieu ne voulait pas que nous ayons, comme Lui, la connaissance du bien et du mal. Cette connaissance nous était inutile tels qu'Il nous avait créés. Il voulait nous apprendre les choses suivant ce dont nous aurions besoin, petit à petit, comme un père normal le fait avec ses enfants. Mais le serpent-ancien a séduit Eve pour qu'elle connaisse le bien et le mal. Eve le fit connaître à Adam. Puis, la brèche étant ouverte, d'autres êtres se sont introduits dans la présence des humains pour leur faire connaître toutes sortes de choses plus ou moins bonnes pour eux. La conscience immature de l'homme ne suffisait pas pour choisir comment utiliser toutes ces connaissances. Dieu dut donc donner une Loi à l'homme afin qu'il n'ait plus à décider ce qui était bien et ce qui ne l'était pas. La Loi de Dieu était l'absolu. L'homme n'aima pas cette Loi. Il préféra faire selon sa conscience. C'est ce qui nous a amené au monde que nous connaissons aujourd'hui. L'homme vit dans une grande désespérance à cause de l'influence des êtres déchus qui l'inspire. C'est ainsi qu'en 2008, on compta dix millions de suicides dans ce monde. Sans parler des horreurs que les hommes font subir à d'autres hommes. Sans parler de la nature qui se révolte contre nos agissements insensés. Le monde actuel n'est qu'une vaste plaie purulente. A la base de tout cela, ce sont des esprits mauvais qui sont entrés en relation avec des êtres humains et les ont instruits au sujet de choses que nous n'avions pas à savoir. L'humanité était trop jeune, pas assez mûre, pour se servir de ces connaissances. C'est ainsi que, par exemple, toute la science qui pourrait servir à notre bien, sert davantage à la destruction. La science n'est pas une mauvaise chose, mais placée dans de mauvaises mains, elle devient démoniaque. L'homme doit avoir un caractère divin pour se servir des choses que Dieu a créées. S'il n'a pas ce caractère divin, tout se corrompt dans ses mains. Après que Jésus soit venu sur terre, Il a donné aux hommes des ministres pour faire connaître Sa Parole. Il y a cinq sortes de ministres de La Parole de Dieu. Ces ministres ont une tâche immense, celle de conduire les élus de Dieu à la sature parfaite de Christ **Eph 4/11 à 13**. **Jésus-Christ était l'homme tel qu'il doit être pour pouvoir utiliser les choses que Dieu tenait en secret**. Mais des esprits religieux sont venus salir cela aussi. De grandes organisations officielles se sont développées et ont pris autorité sur les peuples. Maintenant, nous savons ce que Jésus appelle « la grande prostituée ». C'est une organisation religieuse qui se prostitue avec les démons et enseigne des hérésies telles que l'idolâtrie dite chrétienne. C'est ainsi que l'on voit des gens, parfois sincères, se

prosterner devant des statues en priant des morts, ce qui est une abomination aux yeux de Dieu ! (Marie, la maman de Jésus est morte et enterrée, tous les saints qui sont invoqués dans l'église catholique sont des morts qui attendent la résurrection.)

Prier les morts est une abomination terrible !

Ce sont des démons qui ont enseigné cela aux humains afin de les tenir éloignés de la Sainte Volonté de Dieu. Qui sont les êtres humains qui enseignent ces choses aux gens du peuple ? Ce sont des dignitaires intouchables. Leurs ancêtres ont massacré des millions de personnes au Nom de Dieu. Et cette organisation religieuse a pignon sur rue. Elle est reconnue par les rois et les présidents de ce monde. Derrière tout ce faste et cette fausse humilité, il y a une bande de démons cruels qui se moque de vous. Protestez !

CHAPITRE 63

1. Dans ce temps-là, Noé vit la terre s'incliner et menacer ruine.
2. C'est pourquoi il se mit en route et se dirigea vers les limites de la terre, du côté de l'habitation de son aïeul Hénoch.
3. Et Noé s'écria trois fois d'une voix amère : « Écoute-moi, écoute-moi, écoute-moi ! » Et il lui dit : « Dis-moi ce qui se passe sur la terre, car elle paraît souffrir et être violemment tourmentée ; assurément je périrai avec elle ».
4. En effet, il y avait une grande perturbation sur la terre, et une voix fut entendue du ciel. Je tombai la face contre terre ; alors mon aïeul Hénoch vint et se tint devant moi.
5. Et il me dit : Pourquoi m'as-tu appelé d'une voix si amère et si lamentable ?
6. Le Seigneur a décidé dans Sa justice que tous les habitants de la terre périraient, parce qu'ils connaissaient tous les secrets des anges, et toute la violence des satans, et tous leurs pouvoirs les plus secrets, qu'ils ont en leurs mains la puissance ennemie des démons, de ceux qui pratiquent la sorcellerie et le pouvoir des sortilèges, de la puissance de la magie, et de ceux qui fondent des idoles sur toute la terre.
7. Ils savent comment l'argent se tire de la poussière de la terre, comment se fait le métal fondu sur la terre. Car le plomb et l'étain ne sont point les fruits de la terre comme l'argent, c'est une source qui les produit.
8. Et un ange prééminent a été préposé à leur garde, qui s'est laissé corrompre.
9. Alors mon aïeul Hénoch me prit par la main, et, me relevant, il me dit : « Va ! car j'ai consulté le Seigneur sur cette perturbation de la terre, et il m'a répondu : Ils ont rempli la coupe de leur impiété, et ma justice crie vengeance! Il ne sera pas tenu compte en ma présence des mois dans lesquels ils ont cherché à apprendre que la terre sera détruite avec ceux qui l'habitent. Quant à ceux-ci (les anges), il n'y aura jamais de conversion pour eux.
10. Car ils ont révélé des secrets qu'ils ne devaient point faire connaître ; voilà pourquoi ils seront condamnés ; mais pour toi, mon fils, le Seigneur des esprits connaît

ta pureté et ton innocence ; il sait que tu blâmes la révélation des secrets.
11. Le Seigneur, le Saint par excellence, a conservé ton nom au milieu de celui des saints ; il te conservera pur de la corruption des habitants de la terre. Il donnera à tes descendants des royaumes et une grande gloire, et il naîtra de toi une race de justes et de saints dont le nombre sera infini.

Commentaire du chapitre 63.

Maintenant, c'est Noé qui parle. Il est épouvanté parce que la terre a basculé sur son axe. Elle est chancelante. Quelque chose de terrible est arrivé. Les astrologues de l'époque ont consulté les astres et sont arrivés à la conclusion suivante : la terre va être détruite avec ceux qui l'habitent. Il arrive souvent que les astrologues soient au courant des choses avant les hommes qui font profession de servir Dieu. Quand Jésus-Christ est né, les mages savaient qu'un roi était né alors que les religieux n'en savaient rien. Ils consultent les étoiles. Un homme de foi consulte la Parole de Dieu et doit y trouver les signes des temps qui sont annoncés à l'avance par les prophètes. Par exemple, en ce moment, (en 2011) nous sommes sous le 4èm Sceau de L'Apoc, mais quel religieux le sait ? Dans ce cas, Dieu n'avait encore rien dit à Noé et il n'y avait pas d'Ecritures Saintes à part celles d'Hénoch. Noé prenait très au sérieux les prophéties de son aïeul, mais ne les comprenait pas toujours très bien. Il s'en alla donc à la rencontre d'Hénoch pour lui poser des questions. Noé se dirige alors 'au bout de la terre' vers l'orient. C'est là où se trouvait le paradis dont Adam et Eve furent chassés Le **chapitre 31 et verset 2** nous en parle. Au **chapitre 58**, il y a une secousse terrible dans le ciel. Et au **chapitre 64** il y en a une sur la terre. Cela nous montre que les choses qui arrivent sur terre se produisent d'abord dans les lieux célestes. Par exemple, quand une porte s'ouvre dans le ciel, laissant passer des infâmes, leurs actions ne sont pas encore effectives sur la terre, mais elles ne manqueront pas d'arriver. C'est pourquoi nous devons nous tenir devant ces portes qui sont dans le ciel au moment où elles s'entrouvrent. Nous devons, dans ces moments-là précisément, repousser les ennemis derrière leurs portes. **Esaïe 28/5-6. Voir commentaire du Chapitre 32.** Noé constate maintenant que la terre s'est inclinée et il pressent une catastrophe imminente. Ne sachant que faire, il court vers son aïeul, Hénoch, pour lui demander conseil. Noé ne peut pas entrer dans le paradis terrestre où se trouve Hénoch, il parle à Hénoch comme Jésus parla avec Moïse et Elie sur la montagne **Matt 17**. Dieu avait parlé à Hénoch, lui révélant les raisons pour lesquelles Il allait détruire la terre et ses habitants. Hénoch transmet le message divin à Noé. Les anges corrompus ont révélé des choses concernant des choses secrètes aux êtres humains qui, comme c'était prévisible, s'en servent pour le mal. Ces choses concernaient les secrets des anges et la violence des satans. La violence des ennemis spirituels de Dieu se déchaîne sur terre par le moyen des hommes mal inspirés. L'occultisme, l'astrologie et la sorcellerie sont utilisés pour faire le mal. N'aimant pas Dieu, les gens ne viennent pas à Lui, ni à Ses prophètes pour bénéficier du savoir, de la guérison et de la protection. Ils ont recours à la magie blanche et à la magie noire pour résoudre leurs problèmes. (Même les armées et la police des pays 'civilisés' utilisent les sciences occultes pour arriver à leurs fins.) La terre va passer par la destruction que nous connaissons sous le nom de « déluge ». Et c'est ce qui arriva. **Gen 6 à 8**.

CHAPITRE 64

1. Après cela, il me montra les anges des châtiments célestes, qui se disposaient à délier toutes les puissances de l'eau qui sont au-dessous de la terre
2. Afin qu'elles servent au châtiment et à la destruction de tous ceux qui demeurent et habitent sur la terre.
3. Et le Seigneur des esprits défendit aux anges de ne pas lever les mains, mais de veiller.
4. Car ces anges présidaient à la puissance des eaux. Alors je me retirai de la présence d'Hénoch.

Commentaire du chapitre 64.

Dieu montre à Noé les choses qu'Il avait montrées à Hénoch. Ce sont des satans envoyés par Dieu qui ont libéré les eaux qui sont sous la terre, afin qu'elles se joignent aux eaux du dessus. **Gen 7/11.** Les châtiments sont célestes, mais les anges qui les infligent sont des anges préposés à la puissance des eaux ; ce sont des satans, des adversaires. **Hénoch 53/3.** Sur le plan spirituel, voilà ce que l'esprit de prophétie révèle : la puissance des eaux, c'est la puissance de la mort. Les eaux symbolisent souvent les peuples **Apoc 17/15.** La puissance des eaux d'en-bas, est la puissance des peuples du séjour des morts. Le peuple des morts va monter vers le peuple des vivants. Puis Dieu commande à ses bons anges de ne pas agir en faveur des vivants, de ne pas lever les mains. Les anges, les envoyés de Dieu préposés à la puissance de la mort, les satans, doivent être libres dans leur action. Les morts vont donc s'attaquer aux vivants sans que ceux-ci ne reçoivent de Dieu le moindre secours. C'est la perte de tout ce qui est vivant qui est programmée ici. C'est le même programme qui est en train de se produire en ce moment même sur terre. Le séjour des morts a été ouvert et un cheval de couleur pâle (verdâtre) parcourt notre planète chevauché par la mort en personne. Juste derrière ce cheval et son macabre cavalier, le séjour des morts suit ; c'est-à-dire : les morts les plus pervertis de tous les âges suivent la mort pour agir parmi les vivants. Dieu a donné un pouvoir à ces êtres immondes sur un quart de la terre pour tuer les hommes par l'épée (la guerre et le meurtre) par la famine, par la mortalité (le suicide et les maladies incurables) et par les bêtes sauvages de la terre. (L'homme n'a presque plus de prédateurs de nos jours, sinon les bêtes féroces microscopiques qui le tuent de l'intérieur par les pestes modernes que nous découvrons mondialement avec stupeur). Le quatrième sceau d'**Apoc 6/7** est brisé et la prophétie qui se cachait dessous se révèle de façon visible sous nos yeux. Le Sceau a été brisé au commencement du septième âge de l'Eglise. Le septième âge de l'Eglise commença aux environs de 1906. Très rapidement les choses se sont misent en place pour que la guerre de 1914-1918 commence. Puis vint celle de 1939-1945. Et depuis, on entend parler de guerres qui sévissent partout dans le monde. Il y a eu beaucoup plus de morts par les guerres depuis 1945, que pendant la dernière guerre mondiale. La prophétie disait : « On **vous** livrera

aux tourments, et on **vous** fera mourir, et **vous** serez haïs de toutes les nations à cause de Mon Nom ». Cette prophétie donnée par Jésus a été dite à Ses disciples qui étaient **des Juifs**. Quand Jésus dit « **VOUS** serez haïs… » Il parle de la haine que les gens des nations ont contre les **Juifs**. L'antisémitisme est une puissance de mort dont la semence du serpent-ancien est possédée. La semence du serpent est l'ivraie de **Matt 13/38**, les fils du diable. Celui qui bénit Israël est béni de Dieu. Les autres sont maudits. **Genèse 12/3**. Dans ce **chapitre 64**, Dieu parle du déluge d'eau qui allait se produire, détruisant les êtres vivants. Nous savons que Dieu ne détruira plus la terre par l'eau, mais par le feu. **Gen 8/21.2 Pierre 3/7**. Il n'empêche que le peuple des morts est en route sur terre, et que nous voyons ses œuvres chaque jour aux infos. Jésus avait aussi dit : « Vous **entendrez parler** de guerres et de bruits de guerre… » **Matt 24/6**. Dans toute l'histoire de l'humanité, nous sommes la seule période durant laquelle nous pouvons **entendre parler** de ce qui se passe à l'autre bout du monde quelques minutes après que cela soit arrivé grâce aux satellites. « VOUS ENTENDREZ PARLER…. » Puis Noé quitta Hénoch. Une fois que ces choses sont dites, il reste à agir en conséquence. Noé alla écouter Dieu qui lui dit comment construire l'arche. **Gen 6/13-21**. Et nous avons à écouter Dieu pour savoir comment doit être la nouvelle arche, l'église qui sera digne d'être enlevée juste avant le feu de la grande tribulation qui arrive. **Eph 5/27**. Pour être sanctifié, mis à part dans l'arche, dans la Communauté qui est la vraie Eglise, il nous faut être purifié et lavé par La Parole de Dieu. Lavé et purifié de quoi ? Des souillures du monde, c'est vrai. **Mais aussi des souillures amassées pendant des siècles par les religions corrompues qui ont distillé une parole contraire à La Sainte Parole de Dieu.** Les vrais enfants de Dieu qui veulent partir dans l'enlèvement de l'Epouse de Christ doivent sortir des religions qui se sont prostituées avec la politique, le pouvoir et l'argent **Apoc 18/4**. Toutes ces religions qui ont trafiqué la Parole de Dieu au profit de leurs dogmes et de leurs traditions. Reniant le salut par la foi seule. Réduisant le baptême (par immersion) des adultes à une cérémonie d'aspersion d'eau sur des enfants. Enseignant de se prosterner devant des statues en prétendant que ce n'est pas de l'idolâtrie. Inventant une trinité à l'image des religions babylonienne et indienne pour cacher aux yeux innocents du peuple qu'il n'y a qu'un seul Dieu et que Son Nom est Jésus. Sans parler des meurtres commis par elles au nom de Dieu tout au long des siècles. Et je ne dirai rien au sujet de tous ces pasteurs et prophètes auto-proclamés qui séduisent des foules avec un évangile falsifié, à forte odeur d'argent sale, et des réunions basées sur le bruit, les émotions et la musique souvent jouée par des inconvertis. Comment un véritable enfant de Dieu peut-il cautionner ces religions et aller participer à ses mauvaises œuvres. Il faut être sous l'emprise de véritables anges des ténèbres pour ne pas voir clair. L'ange de Laodicée peut toujours dire : « *Vous êtes aveugles, misérables, pauvres et nus !* » Ils ne le croient pas et se vantent encore plus d'être riches et de tout savoir. Dieu finira donc par les vomir de Sa bouche. **Apoc 3/14-22**. Ce qui arriva du temps de Noé arrivera de même pour notre génération, mais pas avec de l'eau, avec du feu ! **Matt 24/37**. J'écris ces choses afin que vous les connaissiez, je vous avertis parce que je vous aime !

CHAPITRE 65

1. Dans ces jours-là, la parole de Dieu se fit entendre à mon oreille ; elle disait : Noé voici : ton existence est montée jusqu'à moi, existence pure de crime, existence pleine d'amour et de justice.
2. Déjà les anges vont travailler des bois ; et dès qu'ils auront terminé cette œuvre, J'étendrai ma main sur elle, et Je te conserverai.
3. De toi sortira une semence de vie, qui renouvellera la terre ; afin qu'elle ne reste pas vide. Je confirmerai ta race devant moi, et la race de ceux qui habiteront avec toi sera bénie et se multipliera sur la face de la terre, et Je n'éprouverai pas ta race sur la surface de la terre et elle se multipliera par la vertu du Nom du Seigneur.
4. Quant aux anges qui ont commis l'iniquité, ils seront enfermés et jetés dans cette vallée ardente, que mon aïeul Hénoch m'a montrée vers l'occident, où il y avait des montagnes d'or, d'argent, de fer, de métal liquide et d'étain.
5. J'ai vu cette vallée, et il y avait une grande convulsion des eaux ; et les eaux en jaillissaient.
6. Et après que tout cela fut fait, il s'exhala, d'une masse fluide de feu, une forte odeur de soufre, avec des eaux jaillissantes, et la vallée des anges coupables de séduction brûlait sous cette terre.
7. Et de ces vallées il coulait aussi des fleuves de feu, dans lesquels étaient précipités les anges, qui avaient égaré les habitants de la terre.
8. En ces jours-là, elles serviront de guérison de l'âme et du corps aux rois, aux puissants, aux grands et à ceux qui habitent la terre, et, d'un autre côté, elles serviront pour la condamnation de l'esprit.
9. Leur esprit sera tout entier aux plaisirs, afin qu'ils soient jugés dans leurs corps, parce qu'ils ont méconnu le Seigneur des esprits, et que tout en prévoyant le châtiment qui les menace, ils n'en invoquent pas davantage Son Saint Nom.
10. Plus leur chair est brûlée avec intensité, plus il se produit de changement dans leur esprit pour les siècles des siècles, car il n'y a personne devant le Seigneur des esprits qui profère une parole futile.
11. Son jugement fondra sur eux, parce qu'ils se sont confiés dans les voluptés de leurs corps, et qu'ils ont nié le Seigneur des esprits.
12. Dans ces jours les eaux de cette vallée seront changées ; quand les anges seront jugés, l'ardeur de ces sources prendra une intensité nouvelle.
13. Et quand les anges monteront, les eaux de ces sources se refroidiront après s'être échauffées. Alors j'entendis Michael qui me disait : Le jugement que subiront les anges menace également les rois, les princes et ceux qui possèdent la terre.
14. Car ces eaux de châtiment qui donnent la guérison aux corps des rois, donneront la mort à leur corps. Mais ils ne comprennent pas, ils ne croient pas que ces eaux puissent se changer en un brasier ardent, qui brûlera pendant toute l'éternité.

Commentaire du chapitre 65.

Dieu adresse la Parole à Noé. Il ne lui fait aucun reproche. C'est ce que nous voyons également dans **Gen 6/7**. *Noé trouva grâce aux yeux de l'Eternel*. La Bible nous dit que Dieu donna des ordres à Noé pour la construction de l'Arche **Gen 6/14 à 16.** Le livre d'Hénoch nous apprend que Noé et sa famille n'étaient pas seuls à travailler. Les anges travaillaient avec eux. Il en est de même pour chaque enfant de Dieu. Quand la Bible dit que Dieu bénit l'œuvre de nos mains, cela signifie qu'Il nous envoie des anges afin de nous aider et pour parfaire nos œuvres. De nos jours, Dieu bâtit Son Eglise. Il le fait avec Ses anges. Il a aussi Ses serviteurs humains, Ses ministres. Ces derniers ne sont pas seuls à travailler à l'édification de l'Eglise, si du moins ils la construisent selon les ordres reçus dans les Ecritures. **Eph 4/11-16**. La vraie Eglise est le Corps de Jésus sur terre. Ce corps doit travailler en unité, selon La Volonté de Dieu qui l'a créée le jour de la pentecôte à Jérusalem. L'Eglise qui est décrite là est le modèle parfait que Dieu veut. **Actes 2 et Actes 4**. Tout ce qui ne tend pas à ressembler à ce modèle n'est pas l'Eglise, mais une imitation de l'Eglise (un club). Rien dans le Nouveau Testament ne nous indique que l'Eglise est un lieu de réunion dans lequel les fidèles doivent se rendre le dimanche pour aller écouter le pasteur et chanter, prier, louer Dieu, prendre la Sainte-Cène, donner une offrande pour ensuite rentrer chacun chez soi. L'Eglise est comme l'arche de Noé, un lieu de vie qui navigue au-dessus de ce qui se passe dans le monde. Les principes, règles et ordonnances qui y sont enseignés doivent être vécus par les **habitants** de l'Eglise. Se permettre de créer une église qui n'est pas Communautaire, c'est construire seul. Surtout à notre époque. Dans les siècles passés, la révélation n'avait pas encore été restaurée. Mais de nos jours, elle l'est au même titre que la révélation du salut par la foi ou celle du baptême par immersion des adultes. Connaître ces Choses Sacrées et ne pas vouloir les vivre revient à résister au Saint-Esprit. C'est refuser de *vivre de toutes les Paroles qui sortent de la bouche de Dieu*. **Matt 4/4**. Les anges sont avec ceux qui construisent la nouvelle arche dans laquelle entreront les élus, juste avant le déluge de feu, juste avant la grande tribulation, C'est-à-dire : juste avant l'enlèvement de la petite Epouse de Christ. **1 Thess 4/15-18.** Il n'est pas étrange que les églises actuelles ne connaissent presque rien au sujet du ministère des anges. Ils ne connaissent que très mal le monde spirituel. Alors que l'ordre donné par Jésus est de chasser les démons, **Marc 16/17**, il ne se trouve que très peu de chrétiens qui obéissent. Ne sachant rien, ou presque au sujet des esprits, ils ont peur de confondre les anges avec les démons. **2 Cor 11/14, Gal 1/8**. Ils préfèrent donc rester dans l'ignorance plutôt que de chercher à comprendre ce qui se passe autour d'eux. Si vous leur parlez des anges, ils redoutent que vous ne soyez en train de leur proposer de rendre un culte aux anges. **Col 2/18**. Comment voulez-vous que des anges travaillent dans cette ambiance d'incroyances notoires ? Par contre Noé travaillait à la construction de l'arche en compagnie des anges qui l'aidaient, le protégeaient, l'inspiraient et le fortifiaient. Jésus ne refusait pas d'être fortifié par des anges. **Luc 22/43**. Aujourd'hui, presque aucun chrétien ne peut rendre témoignage de l'intervention des anges dans sa vie. Ce n'est pas que les anges ont abandonné l'église, mais il n'y a pas grand monde pour discerner leur présence. Et s'il arrive à un chrétien de discerner un esprit, ce sera généralement pour en discerner un mauvais. **Car, curieusement, les actions des démons fascinent plus les chrétiens de notre siècle, que les actions des anges de Dieu.** Parlez-leur de la puissance des démons, les voilà toute oreille et prêts à raconter une expérience sombre qu'ils ont faite ou qu'on leur a racontée. Mais parlez-leur d'une intervention angélique, les voilà soudains très suspicieux quant à l'authenticité du récit. Pourtant les anges ont reçus des ordres au sujet des enfants de Dieu et ces derniers sont au bénéfice de leurs

bonnes actions autant que l'était Jésus-Christ **Psaumes 91/1-16**. Au verset **3**, Dieu dit à Noé qu'Il protègera sa race. On peut lire cela superficiellement, ou comprendre par là qu'il doit y avoir une autre race que celle de Noé. Souvenez-vous des géants, des êtres pré-Adamiques. Quelque chose de ces races-là est passée au travers du déluge, puisque, par exemple, nous retrouvons ces géants même au temps de Moïse et aussi de David. *« Og, roi de Basan, était resté seul de la race des Réphaïm. Voici, son lit, un lit de fer, n'est-il pas à Rabbat, ville des enfants d'Ammon ? Sa longueur est de neuf coudées et sa largeur de quatre coudées, en coudée d'hommes »* **Deut 3/11** (4 mètres sur 1,80m) !!! Les Emites, les Anaqites sont comme les Réphaïtes : des géants. **Gen 14/5**.et **15/20. Deut 2/10. Deut 2/20.** On trouve ces géants partout dans le monde. Le Panthéon Egyptien. Les dieux de l'Olympe, cyclopes et titans de la mythologie gréco-romaine. Les dânavas de la mythologie hindoue. Les guerriers du Vachalla de la mythologie scandinave. Les Annunakis chez les sumériens. Dans certaines archives cunéiformes, ils les nomment les Néphims. Ils prétendent que les géants venaient de la planète Nibiru…Tout cela pour dire qu'il n'y a pas que la Bible qui parle de ces êtres. Cela expliquerait comment les gigantesques monuments, mégalithes, monolithes et ruines millénaires ont été construits. Il y avait des êtres d'une taille et d'une force qui dépassent largement ce que nous connaissons de nos jours. Les gens de ce monde pensent qu'il s'agit d'extraterrestres. Il n'en est rien. Ce sont des êtres mi-hommes, mi-démons résultant d'accouplement d'anges déchus avec des femmes **Gen 6**. Et il s'agit aussi d'êtres pré-Adamiques, des êtres qui ont été créés avant que Dieu ne fasse un jardin en Eden. Ce jardin devait être gardé par Adam et Eve ? Gardé contre quoi ? Contre qui ? **Gen 2/8**. Les Sumériens racontent que ces êtres viennent de la planète Nibiru. Nous savons par la Bible que des anges n'ont pas gardé leur dignité ; ils venaient du ciel **Jude 6.** De là à raconter l'histoire d'êtres venus d'une autre planète, il n'y avait qu'un pas que les Sumériens ont allègrement franchi. Restons-en à La Sainte Bible ! Le livre d'Hénoch nous renseigne sur l'origine des mauvais esprits : **Hénoch ch 15 versets 8 à 10 «** *Et maintenant : Les géants (Nephilim), qui sont le prix du commerce de l'esprit et de la chair, seront appelés sur terre de mauvais esprits, et leur demeure sera sur la terre. Ils procréeront à leur tour de mauvais esprits, parce qu'ils tiennent au ciel par un côté de leur être, parce que ce sont des saints vigilants qu'ils tirent leur origine. Ils seront donc de mauvais esprits sur la terre, et on les appellera esprit du mal. La demeure des esprits célestes est le ciel; mais c'est la terre qui doit être la demeure des esprits terrestres qui sont nés sur la terre »* N'avez-vous jamais entendu parler des incubes et des succubes ? Légendes ou démons ? Il n'y a pas de fumée sans feu et ces êtres-là, on les trouve dans toutes les civilisations et depuis des millénaires. Mais dans notre 'civilisation' qui gomme ou cache tout ce qu'elle ne comprend pas (la mort, la folie etc…) qui fait un peu peur, on ne veut pas voir et on rit de ces choses. (Allez un peu en Afrique et vous constaterez que la violence des manifestations démoniaques est moins virtuelle que dans nos pays 'civilisé' ; il est vrai que, dans nos pays, on se gave de tranquillisants et les hôpitaux psychiatriques sont remplis de pauvres personnes qui ont souvent besoin d'une délivrance) Il y a des êtres spirituels dont nous ignorons l'existence. Pourtant la Bible nous parle d'eux et par Elle nous apprenons que les saints vigilants qui n'ont pas gardé leur dignité sont liés selon ce que Jude nous enseigne. **Jude 6**. Mais les êtres nés de ces accouplements sont encore sur la terre. Ils sont ce que nous appelons des mauvais esprits. Les êtres pré-Adamiques sont les êtres, animaux et autres, qui ont été créés avant Adam. Et parmi eux il y avait des êtres maléfiques, le plus célèbre d'entre eux est connu sous le nom de satan, l'adversaire. Le serpent-ancien, qui marchait debout comme un homme et qui parlait comme un homme, était un de ces êtres pré-Adamique. Satan connaissait le bien et le

mal. Dieu le connaissait aussi car le mal avait déjà été fait sur terre par ces êtres. **Gen 3/22**. C'est pourquoi Adam et Eve devaient garder le Jardin d'Eden. Ils devaient le garder afin qu'aucun de ces êtres maléfiques n'entre. Mais ils ont failli à leur devoir. Mais les Bibles d'autrefois citaient d'autres noms… Par exemple, dans différentes versions de la Bible on cite le nom d'un démon de la nuit : Lilith. (Bible TOB, Bible de Jérusalem, Bible Darby et celle d'André Chouraqui) le terme se trouve pour désigner un « être nocturne », mais le nom de Lilith est absent de la Bible Second. Pourquoi ? **Ésaïe 34:14** Louis Segond (1910) Les animaux du désert y rencontreront les chiens sauvages, et les boucs s'y appelleront les uns les autres ; là, **le spectre de la nuit (Lilith)** aura sa demeure, et trouvera son lieu de repos. Mesurez-vous à quel point le christianisme baigne dans l'ignorance au sujet du monde des esprits. Sans le livre d'Hénoch, beaucoup de Textes Bibliques restent dans l'ombre. C'est pour garder les gens du peuple dans l'ombre que l'église catholique a détruit et discrédité le livre d'Hénoch. Ils n'aiment pas du tout qu'on entende parler du sexe des anges et de leurs actes sexuels avec des femmes. Souvenez-vous aussi que c'est à cause des anges que la femme doit porter un voile sur la tête quand elle prie et quand elle prophétise **1 Cor 11/5**. Mais si vous osez parler de cela dans les églises aujourd'hui, on se moquera de vous. Pourquoi ? Sachant ce que vous venez de lire, n'avez-vous pas un début de réponse ? Ils veulent continuer d'ignorer le monde spirituel. Dieu m'a chargé de publier ces Choses Sacrées. Que ceux qui ont des oreilles pour entendre (comprendre) entendent (comprennent.) Puis Hénoch nous parle des sources d'eaux chaudes qui sont appréciées pour la santé du corps. Il suffit de lire ce texte pour comprendre ce qui est arrivé lors du déluge. Les rois de l'époque, sans doute des rois de petites régions, aimaient à se prélasser dans les eaux ferrugineuses et chaudes. Cela les détendait et avait aussi des pouvoirs de guérison pour certains maux. Ces rois, ces tyrans, petits chefs autoritaires et dépravés se vautraient dans la luxure comme on le fait encore dans certains saunas et lieux de détentes à la mode. Ils proféraient des paroles futiles comme on en profère aujourd'hui alors que la grande majorité des gens souffrent atrocement du manque de ce qui est nécessaire pour survivre. Jésus a bien dit que ce qui se passait du temps de Noé se passera de même à la fin des temps. « *Car dans les jours qui précédèrent le déluge les hommes mangeaient et buvaient, se mariaient et mariaient leurs enfants, jusqu'au jour où Noé entra dans l'arche ; et ils ne se doutèrent de rien, jusqu'à ce que le déluge vienne et les emporte tous ; il en sera de même à l'avènement du Fils de l'homme. Alors, de deux hommes qui seront dans un champ, l'un sera pris et l'autre laissé… veillez donc car vous ne savez pas quel jour votre Seigneur viendra* ». **Matt 24/37- 42.** Il n'y a aucun mal à manger et à boire, ni à se marier, ni à marier nos enfants. Mais les gens qui disent « *Seigneur, Seigneur* » et mangent et boivent sans se soucier de ceux qui ont faim et soif sur terre, sans rien faire pour venir à leur secours, ne seront pas tenus pour innocent. « *A vous maintenant, riches ! Pleurez et gémissez, à cause des malheurs qui viendront sur vous. Vos richesses sont pourries, et vos vêtements sont rongés par la teigne. Votre or et votre argent sont rouillés ; et leur rouille s'élève en témoignage contre vous, et dévorera vos chairs comme un feu. Vous avez amassé des trésors dans les derniers jours ! Voici, le salaire des ouvriers qui ont moissonné vos champs, et dont vous les avez frustrés, crie, et les cris des moissonneurs sont parvenus jusqu'aux oreilles du Seigneur des armées. Vous avez vécu sur la terre dans les voluptés et dans les délices, vous avez rassasié vos cœurs au jour du carnage. Vous avez condamné, vous avez tué le juste, qui ne vous a pas résisté*. **Jacques 5/1-6**. Qui sont ces riches ? Tous les riches ne sont pas concernés par ce Texte Saint. Mais il y a des gens qui se croient pauvres et qui tomberont sous le coup de ce Texte Sacré. Qui sont ces gens-là ? Ce sont ceux qui ont suffisamment et qui ne font rien pour aider ceux qui manquent de tout. Quand on pense, par exemple, qu'au

Burkina-Faso, aujourd'hui, un homme avec sa femme et ses deux enfants peuvent manger un jour entier avec cinquante centimes d'euros… Pensez-y et réfléchissez… qui sont les riches dont **Jacques** parle là ? Ce sont aussi ceux qui privent les serviteurs de Dieu au lieu de les aider financièrement pour qu'ils puissent aller librement travailler dans le champ de mission. Alors évidemment, il est question des rois et de ceux qui gouvernent la terre. La majorité d'entre eux sont corrompus. Ils prétendent travailler pour le bien de leur pays, mais ils s'enrichissent scandaleusement au dépend de leur pays. Et ils ne sont pas touchables. Ils sont protégés par les lois qu'ils ont faites. Mais vient le temps, et il est déjà là, où le jugement de Dieu fondra sur eux. **Hen 65/11**. Mais si par le plus grand des hasards ils viennent à lire ces lignes, ils ne croiront pas ces Choses, ils se moqueront comme les notables et les incultes se sont moqués de Noé en son temps. Il n'y a rien de nouveau sous le soleil. Le problème de l'homme c'est qu'il ne tire pas de leçon de l'histoire.

CHAPITRE 66

1. Après cela mon aïeul Hénoch me donna la connaissance de tous les secrets contenus dans son livre, et m'expliqua les paraboles qui lui avaient été révélées, me les réunit pour moi au milieu des paroles du livre des paraboles.
2. Dans ce temps Michael dit à Raphaël : Mon esprit se soulève et me fait frémir au sujet de la sévérité du jugement infligé aux anges à cause de la divulgation des secrets; qui pourra supporter un châtiment aussi terrible, qui ne sera jamais modifié, qui doit les perdre pour l'éternité ?
3. Michael dit à Raphaël : Quel cœur n'en serait point ému, quel esprit n'en aurait pas compassion ?
4. Puis, Michael dit à Raphaël : Je ne les défendrai pourtant point en présence du Seigneur des esprits ; car ils ont offensé le Seigneur des esprits, en se conduisant comme s'ils étaient le Seigneur ; aussi la justice suprême s'exercera sur eux pendant toute l'éternité. C'est pourquoi ils subiront tout ce qui est préparé en secret pour l'éternité.
5. Ni l'ange innocent, ni l'homme ne recevra ce sort ; mais ceux-là seuls qui sont coupables, et dont la punition sera éternelle. Mais après cette condamnation, ils continueront à faire trembler et à provoquer les habitants de la terre, parce qu'ils leur ont montré tout cela.

Commentaire du chapitre 66.

Après la lecture du **verset 1** de ce chapitre, on est plus à même de saisir pourquoi la composition du livre d'Hénoch est si étrange. En effet, ce que Noé nous révèle au milieu du livre est en fait de même nature que ce qu'Hénoch lui a expliqué. Les anges, qui ont révélé les Choses Sacrées et tenues secrètes par Dieu, n'en connaissaient pas eux-mêmes la puissance. Ce n'est qu'aujourd'hui que les dominations et les autorités dans les lieux célestes connaissent la sagesse infiniment variée de Dieu en observant les fidèles de L'Eglise de Dieu **Eph 3/10**. Les anges qui n'ont pas gardé leur dignité ont révélé des Choses Secrètes aux humains pour en connaître eux-mêmes les profondeurs. C'est ce que nous dit l'apôtre Pierre **1 Pierre 1/12**. En ce temps-là, l'homme n'avait pas encore à connaître ces Choses. En effet, si l'homme reçoit les dons de Dieu sans avoir développé un caractère divin, ces dons peuvent devenir dangereux. La puissance que Dieu veut nous donner est sans limite. Imaginez qu'un homme au caractère instable soit illimité dans sa puissance. Eh bien, c'est ce que les anges déchus ont tenté de donner aux humains d'alors. **Matt 19/26** nous affirme que tout est possible à Dieu et **Marc 9/23** nous apprend que tout est possible à celui qui croit. Ces Paroles sont sorties de la bouche Sainte de Jésus-Christ. Elles sont vraies. Ce qui empêche le croyant de faire tout ce qu'il voudrait avec le pouvoir de sa croyance, c'est que Dieu mesure toujours le caractère du croyant et veille ainsi à tenir l'ordre dans Son Royaume. Les anges ont voulu devancer Dieu en révélant des Choses qui ne devaient être révélées que par Dieu au moment de l'histoire qu'Il choisirait. Mais cela n'est qu'une facette de la vérité. C'est le message **exotérique**, celui qui est donné à tout le monde. L'autre facette, le message qui n'est donné qu'aux initiés, est… que Dieu avait préparé toutes ces choses et donc même les actions mauvaises des anges. Le **verset 4 de ce chapitre** nous révèle la prédestination de ces anges et le châtiment déjà préparé de toute éternité contre eux. Le **Proverbe 16/4** nous confirme cela. « *L'Eternel a tout fait dans un but, même le méchant pour le jour du malheur*. » C'est sans doute à cause de cela que Michael est troublé en son cœur devant l'ampleur du châtiment. Mais, il se tient résolument du côté de Dieu car il sait que Sa Sagesse est infiniment variée. Il ne conteste donc pas le jugement terrible qui tombe sur ces anges déchus. Ils ont été faits pour cela. Dans les milieux chrétiens on évite soigneusement d'approfondir cette connaissance. **Le sujet de la prédestination est largement au-dessus de notre petite sagesse.** Le fait que Dieu crée des êtres pour les perdre est quasiment insupportable à nos sentiments actuels. Il est bon de constater que même Michael frémit devant le châtiment qui fond sur ces êtres qui ont été faits pour ce but. En tant qu'enfants de Dieu, nous avons à veiller sur nos sentiments. Nous avons à veiller pour garder toujours à la conscience que Dieu sait des Choses que nous ne pouvons même pas imaginer. Les anges et les hommes ne sont pas à la stature parfaite de Dieu. Tenons-nous humblement en Sa présence et ne contestons pas. **Rom 9/20**. Faisons-Lui confiance. C'est l'attitude que manifeste Michael, ce doit être la nôtre. Ainsi nous garderons notre dignité d'enfants de Dieu. Ces anges déchus sont condamnés, mais ce qu'ils nous ont montré nous fait encore trembler, ici-bas, sur terre. En développant ce qu'ils nous ont montré, nous sommes devenus capables de faire tout ce que nous faisons de nos jours. Et ce que l'homme fait de nos jours n'est pas forcément pour le bien de son prochain. Nous avons perverti toutes choses. Les efforts fournis pour la recherche scientifique sont plus en faveur du mal que du bien. Tout cela provient du fait que le caractère de l'homme est totalement immature. Nous détenons un pouvoir qui nous dépasse et avec lequel nous nous ingénions à détruire plus qu'à construire. Nous sommes infiniment plus dangereux que des enfants qui jouent avec des allumettes assis sur une poudrière. Nous sommes à même de détruire plusieurs fois

notre planète avec toutes nos découvertes scientifiques. Et nous ne nous gênons pas trop pour polluer tout ce qui est de grande valeur. Voilà où nous ont conduit ces anges. Ils ont pollué la race humaine en forniquant avec elle. **Puis nous nous sommes reproduits entre êtres humains tout en ayant en nous les gênes de ces géants.** La race humaine est donc entièrement souillée. De plus, les esprits des êtres nés du péché des femmes avec les anges déchus rôdent sur terre. Ils sont ce que la Bible appelle : les mauvais esprits. La race humaine est sous leurs influences. Seuls ceux qui se tournent vers Dieu par Jésus-Christ échapperont à la condamnation qui vient. Cette condamnation est venue par un premier déluge d'eau au temps de Noé, elle fondra bientôt sur la terre par un déluge de feu.

CHAPITRE 67.

1. Après cela, ils seront frappés de stupeur et d'effroi à cause du jugement porté sur eux, en punition des révélations qu'ils ont faites aux habitants de la terre.
2. Voici le nom des coupables : le 1er de tous est Semiâzâ, le 2e Arstikifâ, le 3e Armên, le 4e Kokabâel, le 5e Turaêl, le 6e Rumiâl, le 7e Danial, le 8e Nukael, le 9e Baraqiel, le 10e Azazel, le 11e Armaros, le 12e Batariâl, le 13e Basasaël, le 14e Anânel, le 15e Turiel, le 16e Simâtisiêl, le 17e Ietariel, le 18e Tumâël, le 19e Tariel, le 20e Rumâël, le 21e Izêzéel.
3. Tels sont les noms des princes des anges coupables. Voici maintenant les noms des chefs de leurs centaines, de leurs cinquantaines et de leurs dizaines.
4. Le nom du premier est Yakum ; c'est celui qui séduisit tous les fils de Dieu, qui les poussa à descendre sur terre, pour procréer des enfants avec des êtres humains.
5. Le nom du second est Asbeel, qui inspira de mauvaises pensées aux fils de Dieu, et les poussa à souiller leurs corps en s'accouplant avec les filles des hommes.
6. Le nom du troisième est Gadriel ; c'est lui qui a révélé aux fils des hommes les moyens de donner la mort.
7. C'est lui qui séduisit Eve, et enseigna aux fils des hommes les instruments qui donnent la mort, la cuirasse, le bouclier, le glaive, et tout ce qui peut donner [ou faire éviter la mort].
8. Ces instruments passèrent de ses mains dans celles des habitants de la terre, et ils y resteront à tout jamais.
9. Le nom du quatrième est Pénémue ; c'est lui qui révéla aux fils des hommes l'amertume et la douceur.
10. Et qui leur découvrit tous les secrets de leur science.
11. Il leur enseigna l'écriture, et leur montra l'usage de l'encre et du papyrus.
12. Aussi par lui on a vu se multiplier ceux qui se sont égarés dans leur vaine sagesse, depuis le commencement du monde jusqu'à ce jour.
13. Car les hommes n'ont point été créés pour consigner leur croyance et leur bonne

foi sur du papyrus au moyen de l'encre.
14. Ils n'ont pas été créés autrement que les anges, pour demeurer purs et justes.
15. Ils n'auraient point connu la mort, qui détruit tout ; c'est pourquoi la puissance me dévore.
16. Ils ne périssent que par leur trop grande science.
17. Le nom du cinquième est Kasdeya ; c'est lui qui a révélé aux enfants des hommes tous les arts diaboliques et mauvais.
18. Ces moyens infâmes de tuer un enfant dans le sein de sa mère, ces arts qui se pratiquent par la morsure des bêtes, par l'énergie qui frappe en plein midi, dans la semence du serpent qu'on nomme Tabaet. [enfant de la bête appelé « mâle »]
19. Ceci est le chiffre de Kesbel, le principal serment que le Tout-Puissant, du sein de Sa gloire, a révélé aux saints.
20. Son nom est Beka. Celui-ci demanda à Michael de lui montrer le Nom secret, afin d'en avoir l'intelligence, et afin de le mentionner dans le serment redoutable de Dieu ; et de faire trembler, à ce Nom et à ce serment, ceux qui ont révélé aux hommes tous les secrets dangereux.
21. Tel est, en effet, l'office puissant de ce serment ; il est redoutable et sans merci.
22. Et Il [Dieu] mit ce serment d'aka entre les mains de Michael.
23. Voici les mystères de ce serment :
24. Par sa vertu, le ciel a été suspendu avant la création du monde.
25. Par lui, la terre s'est élevée sur les eaux ; et, des parties cachées des collines les sources limpides jaillissent depuis la création du monde jusqu'en éternité.
26. Par ce serment, la mer a été fixée dans ses limites, et sur ses fondements.
27. Il a placé du sable pour l'arrêter au temps de sa fureur ; et jamais elle ne pourra dépasser cette limite. Par ce serment redoutable, l'abîme a été creusé, et il conserve sa place à jamais.
28. Par ce serment, le soleil et la lune accomplissent chacun leur course périodique, sans jamais s'écarter de la voie qui leur a été tracée.
29. Par ce serment, les étoiles suivent leur éternelle route.
30. Et quand elles sont appelées par leurs noms, elles répondent : Me voici !
31. Par ce même serment, les vents président aux eaux ; tous ont chacun leurs esprits, qui établissent entre eux une heureuse harmonie.
32. Là se gardent les trésors des tonnerres et l'éclat de la foudre.
33. Là sont conservés les trésors de la grêle et de la glace, les trésors de la neige, de la pluie et de la rosée.
34. Tous ces anges sont fidèles et conserveront et béniront le Nom du Seigneur des esprits.
35. Ils Le célébreront par toute espèce de louange, et le Seigneur des esprits les soutiendra, les nourrira par leurs actions de grâces, et ils loueront, célébreront et exalteront le Nom du Seigneur des esprits dans les siècles des siècles.
36. Et ce serment a été confirmé sur eux, ils sont gardés par Lui et leurs routes ont été tracées, et rien ne peut les empêcher de les suivre.
37. Grande était leur joie.
38. Ils Le bénissaient, ils Le célébraient, ils L'exaltaient, parce qu'Il leur avait révélé le Nom secret du Fils de l'homme.
39. Et Lui siégeait sur le trône de gloire ; et l'ensemble du jugement a été réservé au Fils de l'homme. Les pécheurs s'évanouiront et seront exterminés de la face de la terre, et ceux qui les ont séduits seront entourés de chaînes à tout jamais.
40. Selon le degré de leur corruption, ils seront livrés à différents supplices ; quant à leurs œuvres, elles s'évanouiront de la face de la terre, et désormais il n'y aura plus rien

de corruptible, parce que le Fils de l'homme a paru assis sur le trône de gloire.
41. Toute iniquité cessera, tout mal disparaîtra devant Sa face, et la parole du Fils de l'homme subsistera seule en présence du Seigneur des esprits.
42. Voilà la troisième parabole d'Hénoch.

Commentaire du chapitre 67

La valeur de ces noms n'est pas très importante car c'est une répétition de ceux que l'on trouve au **chapitre 6**. Etant donné qu'il y a plusieurs versions du livre d'Hénoch, la traduction des noms n'est pas toujours très exacte. Le texte que vous avez là est une synthèse des manuscrits araméens, éthiopiens et grecs. J'ai choisi cela pour que nous soyons au plus près possible du texte original. C'est pourquoi on trouvera ce qui correspond sans doute à des retouches de copistes linguistes. Ce que nous apprenons d'intéressant dans ce chapitre, c'est le nom de l'esprit du serpent qui a séduit Eve. Son nom est Gadriel. En fait, ce nom est passé de Asael à Adriel puis enfin à Gadriel Si vous prenez les noms qui sont dans votre Bible en français et que vous les comparez avec les mêmes noms en grec ou en anglais, vous verrez qu'ils n'ont plus grand-chose à voir entre eux. C'est pourquoi nous ne nous éterniserons pas sur les problèmes qu'on trouve dans cette version au sujet des noms. Surtout au sujet des noms des êtres déchus. L'ange Pénémue a révélé la science de l'écriture aux hommes. On sait que le papyrus a été inventé il y a environ 5000 ans. La première forme d'écriture attestée est l'écriture cunéiforme de l'empire Sumérien aux environs de 3300 avant Jésus-Christ. Elle est apparue sous des formes différentes dans au moins cinq ou six foyers de civilisations maîtrisant de longue date l'agriculture et en plein développement urbain : en Mésopotamie vers -3300, en Égypte vers -3200, à Chypre vers -2200, en Crète vers -1900, en Chine vers -1400 et en Amérique centrale vers -900. Dieu ne voulait pas garder ce savoir pour Lui, Il voulait le donner aux hommes pour qu'ils mettent par écrit Ses Paroles Divines. Mais l'ennemi a donné l'écriture aux êtres humains de sorte que ces derniers l'utilisèrent à des fins profanes et aussi pour diffuser des croyances erronées. C'est en cela que la connaissance donnée par les anges déchus est un péché. Dieu n'a rien contre la connaissance, mais Il sait très bien que la connaissance donnée à des êtres foncièrement pécheurs ne peut pas produire quelque chose de bon. Il n'y a qu'à voir ce que l'homme a fait depuis. S'il est vrai que la science a aidé des millions à mieux vivre, il est surtout vrai qu'elle a aidé au massacre de bien plus de personnes encore. Un vrai Chrétien n'est pas contre la science, mais il sait que si elle est entre les mains de gens qui n'ont pas un caractère sanctifié, la science a de fortes chances de contribuer à la destruction de la planète. De plus, un vrai disciple de Jésus n'a pas besoin que la science lui confirme ce que La Bible dit depuis des millénaires. La science n'a fait des progrès que depuis peu. Et les scientifiques ont encore beaucoup de choses à apprendre. Un vrai Chrétien ne condamnera pas la science. Mais il émettra des réserves et n'invoquera pas les mêmes raisons que l'église catholique, par exemple pour interdire la chirurgie. L'obscurantisme est mauvais. Ces religieux désiraient laisser le peuple dans la misère pour pouvoir exercer sur lui son autorité abusive en le conduisant par la peur. Au **verset 18** nous apprenons le nom de celui qui a appris aux enfants des hommes comment pratiquer les avortements : Kasdeya ; c'est le même ange déchu qui a donné la connaissance de tout ce qui concerne la nécromancie, le spiritisme et autres

diableries hautement condamnés par la Sainte Bible. Ces choses sont condamnées parce qu'elles plongent les hommes dans la dépendance envers des esprits cruels. Dieu ne veut que le bien de Ses enfants, c'est pourquoi Il nous interdit ces pratiques. Au **verset 19** il est question de Kesbel qui n'est autre que Shemêhaza **Hénoch 6/4**. Il réunit les anges qui allaient pécher et leur proposa de faire un serment entre eux. Telle était sa fonction. C'est ce que ce **verset 19** signifie, car le mot pecoudah signifie à la fois 'nombre' et 'fonction'. Pour que le serment passé entre les anges qui voulaient se souiller avec les filles des hommes soit impressionnant, Kesbel [Shemêhaza] demanda à Michael de lui révéler le Nom de Dieu. Nom tenu secret et révélé uniquement sous la Nouvelle Alliance. **Jean 17/26**. Or, il faut savoir que Dieu avait fait un serment avec pour entête Son Nom secret. C'est ce serment qui tient toutes choses en équilibre. Dieu avait révélé ce serment à tous les saints-anges, mais Il ne leur avait pas révélé l'entête de ce serment, Son Nom secret qui se trouvait en tête de ce serment. Seul l'archange Michael connaissait ce Nom et en connaissait l'intelligence. **Hénoch 67/21-22.** Aujourd'hui, nous connaissons le Nom, Jésus Christ l'a révélé. Mais si vous vous servez de ce Nom sans en connaître l'intelligence, vous ne manifesterez rien de puissant **Jn 17/26**. Pour comprendre ces choses, il faut savoir que le nom du premier homme, Adam, n'est que son nom terrestre. Dans son passé éternel il se nommait Michael. C'est l'esprit de l'archange Michael qui est venu s'incarner dans le premier être humain. L'esprit que Dieu plaça dans le corps du premier homme, était l'esprit de Michael **Gen 2/7**. Dieu souffla dans ce premier corps humain, l'esprit le plus glorieux qui est. Celui qui porte le nom qui est juste en-dessous de celui de Jésus. En effet, l'esprit de Michael était au courant de tout le Plan de Dieu et il accepta de venir s'incarner dans le premier homme afin d'accomplir ce Plan. Arrivé dans ce corps humain, **il perdit la mémoire de son passé éternel**, comme chacun de nous la perdons en venant au monde. Dans ce que Dieu avait prévu, Adam devait chuter pour pouvoir accomplir le Plan du salut de Dieu. Car si l'homme ne péchait pas, Dieu ne pouvait pas manifester Son Amour et devenir Sauveur. Les autres anges n'étaient pas au courant de ce Plan. Ils savaient juste qu'un serment avait été fait et qui portait comme entête le Nom secret de Dieu : **JESUS**. Ils ne connaissaient pas ce nom alors que Michael le connaissait. C'est pourquoi Kasdeya Shemêhaza demanda à Michael de lui révéler le Nom secret pour pouvoir le mettre en entête de son serment qu'il allait faire avec les anges qui voulaient aller se souiller avec les filles des hommes. Il voulait que leur serment abominable ait ainsi le Sceau de l'importance suprême pour pouvoir faire trembler avec lui, tous les mauvais anges. Mais ils ne purent se servir de ce Nom glorieux. Seuls les fidèles se servent de ce Nom Glorieux. **Hénoch 67/34**. De même aujourd'hui, les religieux ont de la peine à faire les choses au Nom de Jésus-Christ. Ils diront plus facilement : « Au nom de la sainte trinité, ou au nom du Seigneur ; ou au nom du père, du Fils et du Saint-Esprit, ou au nom du Christ » mais quelque Chose les empêche de prendre clairement le Nom révélé de Dieu, à savoir **Jésus**. Et s'ils emploient le Nom de Jésus sans savoir qui est la Personne qui porte ce Nom, ils sont sans l'intelligence qui est en ce Nom. S'ils pensent que ce Nom est juste celui de la DEUXIEME PERSONNE de la trinité, ils ont tout faux. C'est au Nom de Jésus-Christ que les fidèles font toutes choses. Les autres emploient d'autres noms ou un Nom qu'ils attribuent faussement. **Col 3/17.** Mais ils peuvent encore changer, tant qu'il y a de la vie, il y a de l'espoir, n'est-ce pas ? Dans le serment fait par Dieu avec Lui-même, il est question, entre autres, de la terre qui s'est élevée sur les eaux. C'est ce que dit l'apôtre Pierre **2Pierre 35/5**. Les savants de notre temps ne sont pas loin de la vérité quand ils disent que tout a été tiré de l'eau. Hénoch le disait déjà des milliers d'années avant eux et Pierre aussi. La Bible ne contredit pas le Livre d'Hénoch car c'est le même Esprit qui inspirait les écrivains. Comparez **Hénoch 67/27**

et **Jér 22**. Maintenant, nous voyons au **verset 37** que toute la nature et les anges fidèles sont au bénéfice de ce serment fait par Dieu avec Lui-même. Et tous se réjouissent et célèbrent le Seigneur Eternel parce qu'Il leur a révélé le Nom du Fils de l'homme : et ce Nom est **Jésus**, comme je vous l'ai déjà dit.

C'est LE Nom du Père.

C'est LE Nom du Fils,

et c'est LE Nom du Saint Esprit.

(Il est bon de noter qu'aucune organisation religieuse n'est capable de vous dire quel est le Nom du Saint-Esprit)

C'est en CE NOM (au singulier dans le Texte de **Matt 28/19**) que nous devons être baptisés et que nous devons penser, parler et agir suite à notre engagement pris dans les eaux du baptême. **Matt 28/19** et **Col 3/17**. **La Parole du Fils de l'homme subsistera seule en présence du Seigneur des esprits ; Hénoch 67/41**. Je vous rappelle que La Parole, c'est Jésus. Jésus est La Parole de Dieu faite chair. Cette Parole faite chair n'est pas une deuxième personne. Elle est Divine, car issue de Dieu. **Tout comme ma parole est humaine, car issue de moi**. Et cette Parole subsistera seule en présence de Dieu, car aujourd'hui Elle est mangée par nous, assimilée à nos vies et nous nous transformons en Elle de Gloire en Gloire. La Parole est, dans un premier temps sortie de Dieu : C'est-à-dire : Dieu parla et c'est par cette Parole que tout a été créé et que tout subsiste en Lui **Col 1/15-17**.

Puis Dieu, Sa Parole, S'adressa aux prophètes.

Puis Sa Parole devint chair.

Puis Sa Parole est venue habiter en nous par L'Esprit-Saint.

Puis Sa Parole a été consignée par écrit

Elle se manifeste **actuellement** par nous qui sommes nés de nouveau et fidèles.

Et c'est au Nom de Jésus-Christ qui vit en nous que nous agissons, inspirés par Lui qui est notre Dieu Tout-Puissant qui tabernacle (habite) en nous par Son Esprit (L'Esprit de Dieu est Dieu).

La Parole qui subsistera seule devant Sa Face, ce sera Son Epouse, née de La Parole.

CHAPITRE 68

1. Il arriva ensuite à Hénoch que, de son vivant, son nom fût enlevé auprès de ce Fils de l'homme et auprès du Seigneur des esprits, loin de ceux qui habitent sur la terre ferme.
2. Il fut enlevé dans le char du vent, et disparut d'entre eux.
3. Depuis ce moment, je ne vais plus au milieu des enfants des hommes, mais il me plaça entre deux esprits [vent], entre le septentrion et l'occident, où les anges avaient reçu des cordes pour mesurer pour moi le lieu réservé aux justes et aux élus.
4. Là je vis les premiers pères, les saints qui habitaient dans ces beaux lieux pour l'éternité.

Commentaire du chapitre 68.

Qui a écrit ce texte ? Sans doute Noé. Il parle là de la part d'Hénoch. Nous avons une énigme semblable en **Exode 34**. Qui donc a écrit ce chapitre ? En effet, Moïse ne pouvait pas écrire sa propre Mort, ni son enterrement **Ex 34/6**. Hénoch est changé en un instant comme nous le serons lors du retour de Jésus sur les nuées. **1 Cor 15/51-54**. Nous lisons ce que l'apôtre Paul dit de ce haut fait en **Héb 11/5.** « *C'est par la foi qu'Hénoch fut enlevé pour qu'il ne voie pas la mort, et il ne parut plus parce que Dieu l'avait enlevé ; car, avant son enlèvement, il avait reçu le témoignage qu'il Lui était agréable ; car il faut que ceux qui s'approchent de Dieu croient que Dieu existe, et qu'Il est le rémunérateur de ceux qui le cherchent* ». Il a été enlevé avec son corps comme Elie l'a été plus tard **2 Rois 2/11** et comme Jésus l'a été lors de Son ascension. **Luc 24/51.** C'est également comme cela que seront enlevés les vainqueurs dont parlent **Apoc 2 et 3.** Paul en parle aussi dans sa lettre aux **Thessaloniciens 4/13-17**. Hénoch reçut de Dieu le témoignage qu'il Lui était agréable. C'est ce témoignage que doivent recevoir **maintenan**t, de leur vivant, ceux qui seront prochainement enlevés. Selon Paul, l'enlèvement qui aura bientôt lieu se fera en trois phases :

Dans la première phase

Dieu donne un signal, quelque chose qui montre la direction. Dieu a déjà donné ce signal en envoyant la dernière des sept étoiles qu'Il tient dans Sa main **Apoc 1/16**. Ces sept étoiles sont sept messagers (ou sept anges), c'est-à-dire sept personnes qui sont données aux sept Eglises. Les sept anges, ou sept étoiles, sont des anges, (ou envoyés) terrestres, des serviteurs de Dieu. Ce sont des hommes que Dieu a donnés aux Sept Eglises qui ont réellement existé au premier siècle du Christianisme **Apoc 1/11**. Le message que Jésus donne à Ses sept étoiles, anges, envoyés, sont des messages qui ont une portée prophétique pour ce qui concerne l'histoire de l'Eglise. Chacune de ces Eglises représente une période précise de l'Histoire de l'Eglise. Chaque étoile représente un envoyé de Dieu qui arrive au temps fixé par Dieu pour donner l'influence spirituelle à Son Eglise en son temps.

1° Ainsi, nous avons un homme envoyé de Dieu au premier temps. Il s'agit de **Paul** qui a nettement donné le ton à l'Eglise et son influence a duré jusqu'aux environs de 170 après Jésus-Christ. **Apoc 2/1-7.**

2° Ensuite un homme, une étoile de la main de Jésus, a été envoyé pour influencer l'Eglise. Ce fut le temps d'**Irénée**, de 170 à 312 après Jésus-Christ. **Apoc 2/8-11**.

3° Puis ce fut le tour de **Martin** de 321 à 606. **Apoc 2/12-17**.

4° Puis le tour de **Colomba** de 606 à 1520. **Apoc 2/18-29**.

5° Puis de **Martin Luther** de 1520 à 1750. **Apoc 3/1-6.**

6° Puis de **Wesley** de 1750 à 1909 **Apoc 3/7-13**.

7° Puis de **William Marion Branham** de 1909 à l'enlèvement de l'Epouse de Christ sur les nuées du ciel. **Apoc 3/14-22**. (Comme pour les autres envoyés, c'est l'influence de son message qui marqua l'Eglise, et non sa personne.)

Deuxième phase.

Paul nous dit que juste avant l'enlèvement de L'Epouse de Christ, un signal serait donné. Ce *signal donné* est son étoile, la septième, le prophète William Marion Branham. Il a influencé son temps et son message a été confirmé comme jamais par des signes et des miracles. Cet homme est très contesté par certains serviteurs de Dieu. La plupart du temps il s'agit de serviteurs de Dieu qui n'ont lu que ce que disent ou écrivent des gens qui eux-mêmes n'ont pas une bonne vision de ce qui se passe dans ce monde. Beaucoup de serviteurs de Dieu ont écrit des horreurs au sujet de William Marion Branham. Mais ces gens-là ne sont que des bavards. Quelques-uns sont de plus ou moins habiles critiques. Leurs ministères ne sont généralement pas confirmés par la puissance miraculeuse de Dieu. **Marc 16/20**. **Actes 4/29-30.** Mon but ici n'est pas de vous convaincre que William Marion Branham est la septième étoile **d'Apoc 1/16 et 20**. Le signal a été donné. A vous de vous mettre personnellement devant Dieu et de chercher quelle direction montre ce signal. Il n'est pas question de doctrines étranges, il est question d'une direction spirituelle et de comportements de disciples désignés par le Saint-Esprit au travers de Son messager, la septième étoile d'**Apoc 1/20**. A ceux qui disent que le Prophète William Marion Branham a parfois dit des bêtises, je dis qu'ils aillent lire celles qu'on dit les prophètes de la Bible à certains moments de leur vie d'humain. Par exemple : **Jonas 4/1-4**. (Je veux mourir !) **1 Rois 18/22.** (Je suis seul) et **1 Rois 19/4.** (Je demande la mort) et **1Rois 19/18**. (Tu n'es pas seul, vous êtes 7001) etc…Lisez aussi les choses étranges qu'ils ont faites et que vous ne contestez pourtant pas. Il est vrai William Marion Branham n'était qu'un homme sans grande instruction, mais quand ceux qui le critiquent se seront consacrés à autre chose qu'à la médisance et au sectarisme, et auront fait la moitié des choses surnaturelles qu'il a faites au Nom de Jésus-Christ qui répondait à ses prières ferventes, je commencerai (peut-être) à leur prêter attention. De plus il y a beaucoup de malhonnêtetés dans leurs propos. Par exemple : William Marion Branham n'a **jamais prophétisé la fin du monde pour 1977** comme ils le racontent. Allez lire ce qu'il a dit, écoutez ses messages enregistrés et vous vous ferez une opinion personnelle. Usez spirituellement de votre droit décrit en **1 Cor 14/29**, mais de grâce, n'écoutez pas ces pauvres gens frustrés qui ne vivent que des choses médiocres dans leur soi-disant ministère et se font un peu d'argent en vendant leurs brochures qui dénoncent ce qu'ils croient être des hérésies.

BREF !

Le signal de **1 Thess 4/16** a été donné. Sa vie a été **la lumière qui brille le soir Zach 14/7**. Faites-en ce que vous voulez ! Ce que vous en ferez démontrera votre cœur. Depuis que le Seigneur a repris le prophète auprès de Lui, le temps a passé. Paul dit qu'après le signal donné, il y aura une voix d'archange qui se fera entendre. Un archange est un 'super ange', en terme d'aujourd'hui. C'est un ange supérieur. Le grand envoyé de Dieu à l'église qui dort aujourd'hui est **la voix qui crie au milieu de la nuit,** dans **Matt25/6**. Cette voix crie : **« L'EPOUX VIENT ! »** Je ne prétends pas être cette voix à moi tout seul, je ne commettrais pas l'erreur du grand prophète Elie **1 Rois 18/22**. La voix de cet archange, de ce super-envoyé de Dieu, c'est la voix de ceux qui ne dorment pas.

Or, les vierges folles dorment, et les vierges sages dorment aussi.

Mais au milieu de la nuit il y a une voix qui crie. C'est donc la voix d'une personne ou d'un groupe de personnes, qui attend fidèlement la venue de L'Epoux et qui ne dort pas comme les autres. **Matt 25/1-12**.

La voix de l'archange de **1Thess 4/16** est la voix de **Matt 25/6**.

Or, il y a deux sortes de personnes qui entendent cette voix, ce message. Les deux dorment. Mais une partie est composée de vierges sages et l'autre de vierges **folles**. Les folles ne sont pas prêtes, car elles ont été insouciantes et n'ont pas l'huile qui leur faut. L'huile, c'est la portion de l'Esprit que donne La Parole de Dieu pour notre époque. Cette portion a été manifestée par William Marion Branham **à la lumière du soir.** C'est La parole de Dieu manifestée par les neuf dons en alignement avec ce que La Bible dit pour notre heure, qui est le milieu de la nuit **Matt 25/6**. Les vierges folles sont les chrétiens nés de nouveau qui ronronnent dans leurs églises en s'imaginant faire la volonté de Dieu tout en ne s'occupant que de leurs affaires personnelles. **Matt 24/38-39**. Ils ne savent rien ou ne veulent rien savoir de ce que la septième étoile a manifesté en son temps qui est le nôtre. Ils ne sont pas idolâtres, ils sont simplement en retard d'un train. Ils croient au message qu'ont donné les six envoyés de Dieu depuis la réforme. Mais ils ne veulent rien savoir de ce que la septième étoile a donné au Peuple de Dieu en vue de l'enlèvement. Ils pensent que leur christianisme est largement suffisant. Ils croient avoir, comme ils le prétendent, ***le plein évangile***.

1° Jésus sauve

2° Jésus guérit

3° Jésus baptise de l'Esprit

4° Jésus revient.

Et voilà. Ils sont contents avec cela. Ils sont nés de nouveau, ils sont immergés dans l'eau au nom de la trinité ou au Nom de Jésus-Christ, ils s'assoient dans leur église et chantent de beaux cantiques, se roulent par terre de temps en temps ou rient dans l'esprit. Ils donnent leur dîme et sont fidèles à leur assemblée. Ils sont honnêtes, payent leurs impôts et sont gentils avec leurs voisins. Ils ne fument pas. Ils s'habillent à la

mode d'il y a vingt ans et de temps en temps ils vont donner des tracts dans la rue pour évangéliser le monde. Ils n'aiment pas le rock and roll. Ils veillent à être médisants. **Ils sont vierges, c'est vrai !!!** Ils ne sont pas de la grande prostituée de Rome ou on ne sait rien de la nouvelle naissance. Mais Dieu dit qu'ils sont des vierges folles. Pourquoi folles ?

Je le redis.

Parce qu'ils ne veulent rien savoir de ce que la septième étoile a manifesté en son temps qui est le leur. Ils ne sont pas idolâtres, ils sont simplement en retard d'un train. Ils croient au message qu'ont donné les **six** envoyés de Dieu depuis la réforme. Mais ils ne veulent rien de ce que la septième étoile a donné de nos jours au Peuple de Dieu en vue de l'enlèvement. Ils pensent que leur christianisme est largement suffisant. Ils croient avoir ***le plein évangile***. Hénoch, juste avant son enlèvement, a reçu de Dieu le témoignage qu'il Lui était agréable. Avez-vous reçu ce témoignage, l'approbation de Dieu dans votre cœur ? **Héb 11/5.** Aviez-vous vu que, juste avant l'enlèvement, il y aurait ces trois choses ?

Ce processus en trois phases !

1Thess4/16.

Le signal donné

La voix de l'archange

La trompette de Dieu.

Maintenant que vous le savez, qu'allez-vous en faire ? L'oublier ? Ne pas y prêter attention ? Ou allez-vous prier et chercher ? Un conseil : n'allez pas chercher dans les ténèbres, vous ne trouverez rien. Par exemple, si vous allez demander conseil à une personne qui doute de ces choses ou les connaît mal, vous allez tomber tous les deux dans une fosse **Matt 15/14**. Cherchez à la lumière des Écritures, dans un esprit d'humilité et de reconnaissance envers Dieu qui a permis que vous soyez avertis aujourd'hui.

Troisième phase.

Pour ceux qui ont fait attention à ce que *le signal donné* montrait et qui écoutent *la voix de l'archange*, restez éveillés, car la trompette de Dieu va sonner très bientôt ! Dans cet endroit, Hénoch se trouve avec les premiers pères et les saints qui y demeurent depuis l'éternité. **Hénoch 68/4**.

Qui sont ces premiers pères et ces saints ?

Les premiers pères sont Adam et Seth. Adam était le père de Seth (mais pas de Caïn qui est de la lignée du serpent.) Les saints qui y demeurent de toute éternité, ce sont les réels enfants de Dieu prédestinés au salut dès avant la fondation du monde. Paul nous affirme que nous sommes dans les lieux célestes en Jésus-Christ. **Eph 1/3**. Ce qui est sur la terre

n'est que le pâle reflet de ce que nous sommes en Christ de toute éternité. Nous étions des esprits demeurant là dès avant la fondation du monde. Puis nous sommes venus ici-bas pour glorifier Dieu. Nous avons accepté d'être momentanément perdus. Nous avons accepté d'errer quelques temps sur cette terre, perdus, loin de Notre Père. Puis, nous avons entendu Sa voix et nous L'avons reconnue. Nous avons donc suivi la voix de Celui qui est venu pour nous sauver pour la plus grande gloire de Son Nom. Notre esprit connaît tous ceux qui sont de Dieu, car nous nous sommes connus dans les lieux célestes en Jésus-Christ avant de venir nous incarner ici-bas. Le discernement des esprits est un don important. **1 Cor 12/10**. Sans ce don, vous ne pouvez pas savoir qui est qui. C'est parce qu'ils n'ont pas ce don de discernement des esprits que les religieux disent que Jésus-Christ chasse les démons par la puissance de Belzébul. **Matt 12/24**. Et c'est parce qu'ils n'ont pas ce don de discernement des esprits que les gens disent de même au sujet de ceux qui sont pourtant de vrais enfants de Dieu **Matt 5/11-12**. Ils recevront une grande quantité de coups avant de pouvoir entrer dans le paradis de Dieu. **Luc 12/47**. C'est bien triste pour eux, mais ils ne veulent pas se repentir. Et Dieu est juste. Si un enfant de Dieu ne possède pas le don de discernement des esprits, je lui recommande d'écouter ceux qui le possèdent **et** qui parlent en accord avec ce que La Bible enseigne. Faites attention car beaucoup prétendent posséder le don de discernement des esprits, mais en fait ils ont un don de juger les autres (et ils jugent toujours négativement, se permettant de dire des horreurs au sujet d'hommes et de femmes que Dieu a bénis richement durant toute leur vie. Faites donc attention, vous ne vous rendez pas toujours compte de ce à quoi vous osez toucher. Soyez donc sages, humbles et remplis de l'Esprit. Montrez que vous êtes humbles et remplis de l'Esprit en vivant, en manifestant le fruit de l'Esprit qui est l'Amour. (Entre autres). Pour savoir ce qu'est l'Amour, lisez et méditez **1 Cor 13,** puis jugez-vous vous-mêmes pour savoir si vous êtes dans la vraie foi. Hénoch a été enlevé au ciel parce qu'il avait la foi qu'il fallait pour cela. Par exemple, la foi pour guérir les malades n'est pas suffisante pour être enlevé au ciel. Car la foi pour guérir les malades ne sert qu'à guérir les malades. Mais la foi qui vous permettra d'être enlevé au ciel, vient de la somme de toute la révélation Biblique concernant l'enlèvement. Il ne suffit pas de croire que vous allez être enlevé ou de dire que vous allez être enlevé. Il vous faut avoir personnellement la foi basée sur ce que La Bible dit au sujet de l'enlèvement. Et les choses que vous venez de lire sont Ecrites dans la Bible pour augmenter votre foi. Pensez-y, méditez ces choses et ayez ainsi la réserve d'huile nécessaire.

CHAPITRE 69

1. Après cela, mon esprit fut caché, s'envola dans les cieux. J'aperçus les saints anges fils de Dieu marchant sur un feu ardent ; leurs vêtements étaient blancs, et leurs visages transparents [et resplendissants] comme le cristal.
2. Je vis deux fleuves d'un feu brillant comme l'hyacinthe.
3. Alors je me prosternai devant le Seigneur des esprits.
4. Et Michael, un des archanges, me prit par la main droite, me releva, et me conduisit dans le sanctuaire mystérieux de la clémence et de la justice.

5. Il me montra toutes les choses cachées, secrètes des limites du ciel, les réceptacles des étoiles, des rayons lumineux, d'où ils viennent en présence des saints.
6. Et il cacha mon esprit et moi, Hénoch, je fus dans le ciel des cieux.
7. Là, j'aperçus au milieu de la lumière, un édifice, comme une maison, bâti avec des pierres de cristal, comme de la glace.
8. Et au milieu de ces pierres il y avait des langues d'un feu vivant ; mon esprit vit un cercle, qui entourait l'habitation depuis ses quatre côtés, jusqu'à ces fleuves de feu vivant qui l'environnaient.
9. Les séraphins, les chérubins et les ophanims se tenaient debout tout autour. Ils ne dorment jamais ; mais ils gardent le trône de gloire.
10. Et je vis des anges innombrables, des milliers de milliers, des myriades de myriades, qui entouraient cette habitation.
11. Michel, Raphaël, Gabriel, Phanuel et les saints anges, qui étaient dans les cieux supérieurs, y entraient et en sortaient. Michel, Raphaël, Gabriel, Phanuel sortaient de cette habitation, et une foule innombrable de saints anges.
12. Avec eux était l'ancien des jours, dont la tête était blanche et pure comme la laine, et dont le vêtement blanc est impossible à décrire.
13. Alors je me prosternai, et toute ma chair [mon corps s'affaissa] fut saisie d'un tremblement convulsif, et mon esprit fut transfiguré.
14. Et j'élevai la voix, pour Le bénir, Le louer et Le célébrer.
15. Et les louanges qui s'échappaient de ma bouche étaient agréables à l'ancien des jours.
16. L'ancien des jours vint avec Michel et Gabriel, Raphaël et Phanuel, avec des milliers de milliers, des myriades de myriades, qu'il n'était pas possible de compter.
17. Et la Gloire de Dieu vint à moi, et elle me salua de la voix et me dit : » Toi, fils d'homme, tu es né pour pratiquer la justice, et la justice demeure sur toi, et la justice de l'ancien des jours ne t'abandonnera pas. » :
18. Elle me dit encore : « Il fera descendre sur toi la paix au nom du siècle à venir, car de là est sortie la paix depuis la création du monde, et ainsi elle reposera sur toi à jamais et pour les siècles des siècles.
19. Et tout marchera en suivant ta voie, tandis que la justice ne t'abandonnera jamais; avec toi sera leur demeure et avec toi leur héritage et de toi elles ne seront pas séparées, à jamais et pour les siècles des siècles.
20. Et c'est ainsi qu'une longue suite de jours s'écouleront avec ce fils de l'homme, les justes jouiront de la paix et suivront la voie droite, au Nom du Seigneur des esprits pour les siècles des siècles.

Commentaire du chapitre 69.

Ce n'est plus Uriel qui conduit Hénoch, C'est l'archange Michel. Hénoch est enlevé plus haut. Alors que ses visions l'avaient emmené aux franges du ciel, maintenant il entre dans le ciel. **Hénoch 38/3**. En vision, Hénoch avait contemplé le palais céleste. Maintenant il le voit réellement. **Hénoch 14/10**. Au **Chapitre 68** nous avons vu qu'Hénoch est enlevé auprès du Fils de l'homme et auprès du Seigneur des esprits. Hénoch voit donc là Jésus-Christ qui est Dieu dans Sa création, avec Son corps tel que nous savons qu'Il est maintenant qu'Il est ressuscité. Il voit aussi les premiers pères et les saints qui demeurent en ce lieu. Il voit donc Adam qui est le premier père. Mais il voit aussi les autres, ceux qui ne sont pas encore morts et qui donc encore vivent sur la terre. Hénoch est le premier à découvrir cette grande réalité : nous qui sommes les fils

de Dieu, nous sommes déjà dans les lieux célestes, bien que vivant encore sur cette terre. **Eph 1/3**.

Le premier père, qui portait le nom d'Adam sur terre est donc dans ce lieu. Il ne peut en être autrement car Adam, bien qu'il ait péché n'en demeure pas moins un fils de Dieu. Le premier fils de Dieu à venir sur terre dans un corps d'homme. Mais l'esprit que Dieu souffla dans les narines de ce corps fait de poussière, c'est le meilleur, le plus grand des esprits que contient le Ciel. C'est l'esprit de l'archange Michael. Et c'est lui qui va conduire Hénoch dans ce lieu. Le Nom de Celui qui est le plus élevé dans toute la création, c'est celui de Jésus. Jésus est le Nom de Dieu, le Créateur de tout, il est celui du Sauveur et du Maître absolu. C'est le Nom du Tout-Puissant, il n'y a aucun autre Nom au-dessus du Nom de Jésus. Dieu est notre Sauveur et Dieu est Unique. L'archange Michael est l'être le plus grand qui soit, juste en dessous de Jésus notre Dieu. Son nom signifie « QUI EST COMME DIEU » ? Sous la forme interrogative. L'esprit d'Hénoch est caché aux yeux de chair, aux terriens, il disparait dans une dimension dans laquelle nous ne pouvons accéder qu'en esprit, dans la contemplation de Notre Dieu Tout-Puissant. Nous savons que nous ne vivrons dans cet endroit que lorsque nos corps auront été changés selon ce que Paul enseigne. C'est ce qui va bientôt arriver à ceux qui sont les vainqueurs des sept âges d'**Apoc 2 et 3**. Nous serons transformés en un clin d'œil et enlevés dans le Ciel à la rencontre du Seigneur. **1Cor 15/51-52**. Ceux qui seront enlevés ainsi, sont ce que Jean appelle « LE FILS MÂLE » dans **Apoc 12/5**. La femme qui met au monde ce fils c'est l'Eglise. En ce moment le diable est posté devant l'Eglise, attendant l'apparition de ce fils car il sait très bien que c'est ce fils qui va le remplacer dans sa position de Prince de ce monde. Quand ce fils mâle (les vierges sages) sera enlevé au Ciel, l'Eglise (les vierges folles) s'enfuira au désert, là où se trouve l'Arche de l'Alliance. Car c'est le lieu que Dieu a préparé pour elle et pour les 144000 Juifs qui seront authentiquement disciples de Jésus à ce moment-là. Ce lieu se trouve dans la montagne de Moab. **2 Maccabéés 2/4-8**. Ceux qui devront s'y réfugier devraient déjà se mettre à prier afin que leur fuite n'arrive pas en hiver car le temps est difficile dans ces montagnes à cette saison. **Matt 24/20.** J'écris ces choses afin qu'elles servent d'instruction à ceux qui ne partiront pas dans l'enlèvement. Hénoch a vu ce qui a été tenu secret durant des millénaires. Il a vu les secrets de la miséricorde et de la clémence. En fait, Michael lui a montré le sacrifice de Jésus-Christ. C'est par Son sacrifice à la croix que Jésus étend Sa miséricorde et Sa clémence sur ceux qui croient en ce qu'Il a accompli à leur place sur le bois infâme. Par leur repentance, ceux qui croient en Lui et en Son acte rédempteur reçoivent le pardon de leurs péchés, la guérison est alors répandue sur leurs consciences, dans leurs pensées et leurs corps. Ceux qui ont faim et soif de justice et qui viennent s'abreuver au calvaire de Jésus seront rassasiés **Matt 5/6**. Dieu reconnaît un fils d'homme en Hénoch au **verset 17**. Hénoch est 'fils d'homme', c'est –à-dire : fils d'Adam (Adam signifie 'homme'.). Ce qui n'est pas le cas de toute personne humaine. Car si tous descendent d'Eve, tous ne descendent pas d'Adam **Gen 3/20**. Caïn était du diable **1 Jn 3/12**. Et il y a une postérité de Caïn différente de celle d'Adam. **Gen 4/17** descendant de Caïn **et Gen 5 descendants d'Adam**. Il est à noter que Caïn ne parait pas dans la généalogie qui remonte jusqu'à Adam **Luc 3/38**. On passe d'Adam à Seth sans tenir compte de l'existence du fils d'Eve. Car Adam n'est pas le papa de Caïn. Caïn est de la fameuse postérité du serpent dont Dieu parle en **Gen 3/15.** Il est nécessaire de bien comprendre que Caïn et Abel étaient des frères jumeaux n'ayant pas le même père. C'est une chose qui se produit encore de nos jours. Une femme peut, par exemple avoir une relation avec un homme noir et le même jour avec un homme blanc. Il peut naître de ces deux

relations des jumeaux. L'un sera noir et l'autre blanc. Ce fait s'est déjà vérifié en maternité. Voilà pourquoi **Gen 4/1-2** nous dit qu'Adam eut une relation avec Eve, et il naquit Caïn et Abel. Car, avant d'avoir eu une relation avec Adam, Eve en avait eu une avec le serpent-ancien. (Il ne ressemblait pas du tout aux serpents que nous connaissons aujourd'hui. C'était un être pré-Adamique qui parlait comme un homme et se tenait debout comme un homme. Il a séduit Eve et il l'ensemença). Mais quand on n'a pas la révélation de ces choses, on comprend mal la suite de l'histoire. On est obligé de tordre les Ecritures bien souvent et en particulier **Matt 13/37-43**. Dans ce Texte de Matthieu, Jésus dit clairement que le diable est venu et a semé sa semence et que de cette relation sont apparus les fils du malin.

Pourquoi les enseignants de la Bible refusent-ils d'enseigner ces choses telles qu'elles sont écrites ? Pourquoi les 'spiritualisent-ils' ? Pourquoi ne pas dire clairement ce que la Bible dit ? Que ceux qui ont des oreilles faites pour entendre, entendent. Pour les autres, tout restera comme ils ont toujours cru.

Croire qu'il y a une postérité du serpent ou ne pas le croire n'a rien à voir avec votre salut. Mais si vous voulez comprendre pourquoi il y a des gens prédestinés au salut et d'autre pas, **Eph1/4** , si vous voulez comprendre pourquoi Dieu a créé les méchants pour le jour de la destruction **Rom 9/22**, si vous voulez comprendre pourquoi Dieu endurcit le cœur de pharaon et de bien d'autres personnes **Rom 9/10-22**, si vous voulez comprendre pourquoi Jésus est venu pour les Siens (et pas pour les autres) **Jn 10/3**, il vous faudra oser envisager une chose : Jésus dit ce qu'Il veut dire dans **Matt 13/37-43** Il faudra oser envisager que c'est la pure vérité : **il y a deux sortes de personnes sur terre** : les fils de Dieu et les fils du diable. S'il y a des prédestinés au salut, c'est donc qu'il y a des prédestinés à la perdition. Si Dieu sait toutes choses, comment pouvons-nous dire qu'Il ne sait pas qui sera sauvé et qui ne le sera pas. S'Il sait les choses à l'avance, ces choses s'accomplissent-t-elles hors de Son pouvoir, ou a-t-Il tout sous Son contrôle? Une personne venant au monde peut-elle échapper au plan de Dieu et être sauvée sans Son accord ? A partir de quel moment Dieu nous laisse-t-Il choisir indépendamment de Sa Volonté souveraine ? Qui dira qu'une chose arrive sans que Dieu ne l'aie voulue ? **Lam de Jér 3/37-38. Qui donne à Dieu toute la Gloire ?** Est-ce celui qui croit que Dieu est TOUT-PUISSANT ou celui qui croit que nous avons une puissance qui peut Lui échapper et que nous pouvons donc faire des choix qui surprennent notre Dieu Tout-Puissant qui est au Ciel ? Hénoch a vu le Palais de Dieu et Il a vu que rien n'échappe à La Volonté de Dieu. Tout ce qui existe a été créé dans un but précis **Prov 16/4** et rien ne peut entraver le plan parfait de Dieu. Dieu ne s'est pas trompé en créant satan. Dieu ne s'est pas trompé en créant Eve qui a goûté au fruit défendu. Dieu a un but que nous ne connaissons qu'en partie. Plus on avance dans le temps et plus Dieu révèle Ses secrets à certains de Ses serviteurs. Mais rien n'est nouveau, tout est déjà écrit dans la Bible. Mais encore faut-il faut avoir les oreilles, les yeux, le cœur et le cerveau adéquats pour comprendre.

Troisième Section

Traité d'astronomie et de météorologie

CHAPITRE 70

(Les commentaires des chapitres 70 à 72 se trouvent après le chapitre 72)

1. Livre du cours des luminaires célestes, selon leurs genres, leurs époques, leurs noms et les lieux où ils commencent leurs carrières, et leurs différentes places selon leur mois, toutes choses qu'Uriel, le saint ange qui était avec moi et qui les gouverne me fit voir. Tout le traité les concernant est conforme à ce qu'il m'a montré et pour toutes les années du monde, perpétuellement, jusqu'à ce que s'accomplisse l'œuvre nouvelle qui doit durer éternellement.
Ésaïe 65/17 ; 66/22 ; 2 Pierre 3/3à13 ; Apo 21/1.
2. Voici la première loi des luminaires. Le soleil, flambeau du jour, sort des portes du ciel, situées à l'orient, et se couche à l'opposé, par les portes du ciel qui sont à l'occident.
3. J'aperçus six portes, par où le soleil commence sa carrière, et six portes par où il la finit.
4. Par ces mêmes portes la lune sort et entre également, et je vis les princes des luminaires, avec les astres qui les précèdent, les six portes de leur lever, les six portes de leur coucher.
5. Toutes ces portes se trouvent l'une après l'autre dans le même alignement, et à droite et à gauche se trouvent pratiquées de nombreuses fenêtres.
6. D'abord on voit s'avancer le grand luminaire, qu'on appelle soleil, dont l'orbite est comme l'orbite du ciel, et qui est tout resplendissant de feu et de flammes qui éclairent et embrasent.
7. Le vent chasse le char sur lequel il est monté.
8. Mais bientôt il s'incline vers le nord pour s'avancer vers l'orient ; il tourne en passant par cette porte, il éclaire cette partie du ciel.
9. C'est ainsi qu'il s'annonce dans sa carrière le premier mois.
10. Il part par la quatrième de ces portes qui est à l'orient.
11. Et à cette quatrième porte qu'il franchit le premier mois, il y a douze fenêtres ouvertes d'où s'échappent des torrents de flammes, quand elles s'ouvrent à leur saison.

12. Lorsque le soleil se lève dans le ciel, il passe par la quatrième porte pendant trente jours, et par la quatrième porte du côté de l'occident il descend régulièrement
13. Après ce temps, les jours grandissent, les nuits sont diminuées pendant trente jours. Alors le jour est de deux parties plus long que la nuit.
14. Le jour, en effet, a dix parties, tandis que la nuit n'en a que huit.
15. Et le soleil passe par cette quatrième porte, et se couche en passant par la quatrième porte correspondante, puis il se rapproche de la cinquième porte, qui est à l'orient, pendant trente jours, et il se couche de même en passant par la porte correspondante.
16. Alors le jour est encore augmenté d'une partie, en sorte que le jour a onze parties ; la nuit décroît et n'en a que sept.
17. Alors le soleil s'avance vers l'orient en passant la sixième porte, et il se lève et se couche en passant par cette porte pendant trente et un jours à cause de son signe.
18. En ce temps, le jour est deux fois plus long que la nuit, en contient douze parties.
19. Quant à la nuit, elle diminue dans la même proportion et ne contient que six parties. Enfin le soleil décline, en sorte que le jour diminue pendant que la nuit augmente.
20. Car le soleil revient vers l'orient, en passant par la sixième porte, par laquelle il sort et il entre pendant trente jours.
21. Après cette période, le jour diminue d'un degré, il n'a donc plus que onze parties, tandis que la nuit en a sept.
22. Le soleil quitte l'occident, en passant par la sixième porte, et s'avance vers l'orient, se lève par la cinquième porte pendant trente jours, et se couche également à l'occident en passant par la cinquième porte.
23. A ce moment le jour est diminué de deux douzièmes en sorte qu'il a dix parties, tandis que la nuit en a huit.
24. Or, le soleil passe à l'orient comme à l'occident par la cinquième porte. Enfin il se lève par la quatrième pendant trente et un jours, et se couche à l'occident.
25. À cette époque le jour est égal à la nuit, en sorte que l'un et l'autre ont également neuf parties.
26. Alors le soleil quitte cette porte, et s'avançant vers l'orient, passe par la troisième porte aussi bien à son lever qu'à son coucher.
27. À partir de cette époque la nuit s'accroît pendant trente jours, en sorte que la nuit comprend dix parties, tandis que le jour n'en comprend que huit.
28. Alors le soleil sort par la troisième porte et va se coucher pareillement par la troisième porte à l'occident pendant trente jours.
29. Puis il passe la seconde aussi bien à l'orient qu'à l'occident.
30. En ce temps la nuit a onze parties et le jour sept seulement.
31. C'est le temps que le soleil passe par la seconde porte soit à son lever soit à son coucher. Puis il décline et arrive à la première porte, qu'il franchit pendant trente jours.
32. Il se couche également par la première porte.
33. Alors la nuit est double du jour.
34. Ainsi elle a douze portes, pendant que le jour n'en a que six.
35. Et quand le soleil est arrivé à ce point il recommence sa carrière.
36. Il passe par cette porte, pendant trente jours, et se couche dans la même porte à l'occident.
37. Dans ce temps la nuit diminue d'une partie, elle n'en comprend que onze.
38. Quant au jour, il n'a que sept parties.
39. Alors le soleil passe par la seconde porte, à l'orient.
40. Revient par celle qu'il avait fuie d'abord pendant trente jours, se levant et se couchant aux deux portes correspondantes.
41. La nuit diminue encore, elle n'a plus que dix parties, et le jour huit. Le soleil passe

par la seconde porte soit à son lever, soit à son coucher, puis il s'avance vers l'orient, se lève par la troisième porte pendant trente jours, et va se coucher à la porte correspondante de l'occident.
42. La nuit continue à décroître, elle ne contient plus que neuf parties, autant que le jour, alors il y a égalité entre l'un et l'autre ; l'année est à son trois cent soixante-quatrième jour.
43. Ainsi c'est la course même du soleil qui produit la longueur ou la brièveté des jours et des nuits.
44. C'est lui qui fait que le jour s'accroît successivement, que la nuit diminue dans le même rapport.
45. Telle est la loi du cours du soleil dans sa course et son retour. Telle est la destinée de ce grand luminaire destiné à éclairer la terre.
46. Ce luminaire auquel Dieu dès le néant a donné le nom de soleil.
47. Car ainsi qu'il entre et qu'il sort, sans jamais avoir de relâche, fendant jour et nuit en son char les plaines éthérées. Sa lumière éclaire sept parties de la lune, bien que leurs dimensions apparaissent toutes deux égales.

CHAPITRE 71

1. Après cette première loi, je vis celle qui concerne le luminaire inférieur, dont le nom est 'lune', et dont l'orbite est comme l'orbite du ciel.
2. Son orbite est comme l'orbite du ciel et c'est encore le vent qui pousse le char sur lequel elle est montée ; mais sa lumière lui est dispensée avec mesure.
3. Chaque mois son coucher et son lever varient, et ses jours sont comme les jours du soleil. Et quand sa lumière est pleine, sa valeur est le septième de la lumière du soleil.
4. Elle se lève, et prend sa course vers l'orient le trentième jour. (premier quartier). En ce temps, elle devient visible, et elle vous est le début du mois, le trentième jour. Pendant trente jours elle passe par la porte que franchit le soleil.
6. Et sa moitié est visible pour un septième, alors que tout le reste de son disque est vide, sans lumière, sauf la septième partie de sa moitié, le quatorzième de toute sa lumière. Et au temps où elle prend un septième et demi de sa lumière, sa lumière est la treizième partie et demie du tout.
7. Elle se couche avec le soleil, et lorsque le soleil se lève, la lune se lève avec lui, et reçoit une demi part de lumière, et en cette nuit, au commencement de son matin, au commencement du jour lunaire, la lune se couche avec le soleil, et est invisible pendant cette nuit dans treize parties et demie.
8. Elle se lève et brille à cette époque d'un septième (de la moitié) exactement, et elle se lève et s'incline à l'orient du soleil, et dans les jours suivants elle s'éclaire dans les treize autres parties.

CHAPITRE 72

1. Alors je vis une autre loi, qui consiste dans la détermination des mois lunaires : Uriel mon saint ange qui est leur guide à tous ; il ne me laissa rien ignorer.
2. J'ai donc tout écrit, dans la manière qu'il me l'a révélé.
3. J'ai noté les mois, dans l'ordre qu'ils arrivent, l'apparition et les phases de la lune pendant quinze jours.
4. C'est par septième que la lune parfait son illumination à l'Orient, et c'est par septième qu'elle parfait son obscurcissement pour son déclin à l'Occident.
5. En certains mois la lune change son coucher, et pendant certains mois elle poursuit sa propre course particulière. Pendant deux mois, elle se couche avec le soleil par ces eux portes qui sont au milieu, par la troisième et la quatrième. Elle sort pendant sept jours, et accomplit sa course.
6. Puis elle revient de nouveau par la porte qu'a franchie le soleil et parfait son illumination et pendant huit jours elle s'incline plus loin du soleil et entre par la sixième porte, ainsi que le soleil.
7. Et lorsque le soleil sort par la quatrième porte, la lune en sort pendant sept jours, jusqu'à ce qu'elle passe par la cinquième porte.
8. Et de nouveau pendant sept jours encore, elle décline vers la quatrième porte; elle est alors dans tout son éclat ; mais elle diminue bientôt et s'avance par la première porte pendant huit jours.
9. Puis elle se dirige de nouveau pendant huit jours vers la quatrième porte, d'où le soleil sort.
10. Je vis donc leur position, ainsi que le lever et le coucher du soleil, suivant l'ordre de ses mois.
11. Quand cinq années sont additionnées, le soleil a un excédent de trente jours, et tous les jours que comptent une de ces cinq années, quand elles sont complètes, font trois cent soixante-quatre jours. Et le supplément du soleil et des étoiles est de six jours ; pour cinq années, ces six jours deviennent trente jours.
12. C'est le déficit de la lune sur le soleil et les astres. [Le cours de la lune est donc inférieur de trente jours à [celui] du soleil et des étoiles.]
13. La lune règle des années exactes, conformes entièrement à leur position, éternellement, sans avance ni retard d'un seul jour. Elles composent (les lunes) l'année avec une exactitude rigoureuse. Chaque année est de trois cent soixante-quatre jours. Soit pour trois ans, (solaire) il y a mille quatre-vingt-douze jours ; en cinq années (solaire), mille-huit cent vingt jours ; en huit années (solaires), deux mille neuf cent-douze jours.
14. Quant aux années lunaires, trois années comprennent mille soixante-deux jours ; en cinq années, moins longues que celles du soleil de cinquante jours, n'embrassent que mille sept cent soixante-dix jours, et huit années lunaires comprennent deux mille huit cent trente-deux jours.
15. Aussi, huit années lunaires sont-elles plus courtes que huit années solaires de quatre-vingts jours.
16. L'année se forme régulièrement en conformité avec leurs courses cosmiques et les stations de la lune, qui se lève des portes par lesquelles le soleil se lève et se couche pendant trente jours.

Commentaire des chapitres 70 à 72.

Voici ce qu'**Hénoch**, le septième depuis Adam a écrit dans son livre au chapitre **81/4-8**.

4. Bienheureux les justes, bienheureux ceux qui marchent dans la justice, qui ne connaissent point l'iniquité, [ce qui est faux, ce qui est injuste] et qui ne ressemblent point aux pécheurs dont les jours sont comptés.
5. Quant à la marche du soleil dans le ciel, il entre et il sort par les différentes portes pendant trente jours, avec les chefs des mille espèces d'étoiles, avec les quatre qui leur sont ajoutés et qui sont relatifs aux quatre jours supplémentaires.
6. Les hommes sont dans de grandes erreurs au sujet de ces jours ; ils n'en font point mention dans leurs calculs. Mais ces jours supplémentaires existent : un à la première porte, un second à la troisième, un troisième à la quatrième, un dernier à la sixième porte.
7. L'année est ainsi composée de trois cent soixante-quatre jours.
8. Ainsi le calcul est exact. Car ces luminaires, ces mois, ces périodes, ces années et ces jours, Uriel me les a révélés et expliqués, lui qui, de par Dieu, a puissance sur tous ces astres, et qui règle leurs influences.

Nous savons, grâce à Hénoch qui a écrit ces choses, que la terre ralentit dans sa course. Aujourd'hui, nous le savons grâce à la science actuelle qui prouve que durant 10000 ans elle ralentit de 3,5 jours. Si la terre a ralenti de façon constante depuis 3000 ans, cela veut dire qu'il nous faut ajouter 1 jour trois quart pour retrouver la situation qui était celle au temps d'Hénoch. Il faut aussi savoir qu'Hénoch a écrit cela vers la fin de sa vie terrestre, c'est-à-dire il y a environ **4997** ans, peu avant le déluge. Ce qu'Hénoch nous apprend là est de la plus haute importance car c'est en calculant comme il le faisait que nous pouvons connaître précisément la date de la mort de Jésus sur la croix. Si nous ne calculons pas avec les données d'Hénoch, nous ne pouvons que commettre l'erreur suivante :

L'ERREUR

Les religions chrétiennes prétendent que Jésus est mort **un vendredi** en fin d'après-midi. Si c'est le cas, Il n'est pas resté trois jours et trois nuits dans le tombeau. Voilà la bonne façon de faire le calcul. En le faisant ainsi, nous comprenons pourquoi, entre autre, Hénoch dit que ceux qui ne comptent pas comme lui, se trompent.

Le calcul des trois jours et trois nuits

Le Corps de Jésus-Christ est **vraiment** resté trois jours et trois nuits dans le tombeau.

C'était la fête de la Pâque **Jn** 18/39. Or, le soir de la Pâque est comme une soirée de Sabbat **Lév** 23/4-8. C'est un soir de repos durant lequel rien ne doit être fait. Or, les théologiens admettent ne pas savoir ce que signifie le terme employé par **Luc** dans son Evangile **6/1** :« ***un sabbat appelé second-premier*** ». (Deuteroprotos = Second plus beau). Ce terme était employé lorsque le quatorzième jour du premier mois tombait un jeudi. Le vendredi qui suivait ce jour-là était alors appelé « second-premier » puisqu'il y avait cette semaine-là, deux sabbats. Jean dira dans son Evangile que le jour où Jésus-Christ a été crucifié était un jour de préparation et que **ce** Sabbat était un grand jour... **Jn**

19/31. C'était sans doute un grand jour parce qu'il était un « second-premier ». Jésus a donc été crucifié un **jeudi**, le jour du premier des deux sabbats qui se suivaient. Il resta en croix de midi à 15 heures, Il fut mis au tombeau rapidement car le soir de la Pâque allait commencer. Jésus resta donc dans le tombeau :

le jeudi après-midi, premier jour

la nuit du jeudi au vendredi, première nuit

le vendredi toute la journée, second jour

la nuit du vendredi au samedi, seconde nuit

la journée du samedi, troisième jour

la nuit du samedi au dimanche troisième nuit

et ressuscita le dimanche matin.

Par exemple : la Pâque juive de l'an 2000 est tombée le jeudi 20 avril, (le 15 Nissan,) un jeudi de préparation. La fête a commencé au soir et le premier jour, c'est-à-dire le vendredi, les Juifs n'ont rien fait, c'était le « sabbat-second-premier »). Tout cela pour accomplir la prophétie qui disait qu'Il resterait trois jours et trois nuits dans la tombe. Si vous ne me croyez pas, vous avez un problème mathématique à résoudre pour en arriver à croire que Jésus-Christ est resté trois jours et trois nuits dans le tombeau ! Que voulez-vous croire ? Comment expliquer que Jésus-Christ est resté trois jours et trois nuits dans la tombe du vendredi au dimanche ? Maintenant, nous avons plus que cela. Nous avons la prophétie de Daniel qui nous confirme que les religieux ont tort de croire que Jésus a été crucifié un vendredi. **Dan 9/25-26** nous donne, de façon cachée la date exacte de la mort de Jésus-Christ sur la croix. A quelle date la prophétie de Daniel commence-t-elle ? Elle commence au moment où La Parole a été prononcée par le prophète, disant que Jérusalem allait être rebâtie. Dans **Néh 2**, le roi laisse partir Néhémie pour rebâtir Jérusalem le 14 Mars 444 avant Jésus-Christ (Dico. biblique Chouraqui).

La question est :

À quelle date l'Oint a-t-Il été retranché ?

La réponse est :

Après les soixante-deux semaines dont Daniel parle dans sa prophétie.

Jésus entre à Jérusalem le dimanche 2 avril. (Réf. Bible Thompson page 1739).

Puis, Jésus-Christ passa la nuit du dimanche au lundi à Béthanie **Matt 21/17.**

Le lundi matin Il sécha le figuier **Matt 21/18**, et se rendit au Temple où Il enseigna toute la journée.

Le même jour, Il continua d'enseigner **Matt 21/23**.

Jésus-Christ sort du Temple ce lundi 3 Avril et les disciples Lui posent les trois fameuses questions **Matt 24/1**.

Et lorsqu'Il eut fini tous Ses discours Il dit à Ses disciples : « *vous savez que la Pâque a lieu **dans deux jours** et que le Fils de l'homme sera livré pour être crucifié* » **Matt 26/2**.

Jésus a dit cela le lundi soir.

Il a dit : **dans deux jours.**

Il aurait pu dire : « *vous savez que La Pâque a lieu **mercredi** et que le Fils de l'homme sera livré pour être Crucifié* ».

Le **mercredi 5 Avril**, le premier jour des pains sans levain, le soir, Jésus prit la Pâque avec ses disciples **Matt 26/17**.

(Je vous signale que le Sabbat commence toujours le vendredi soir au coucher du soleil.

Mais cette année-là, la Pâque commença déjà le mercredi au soir, à partir du moment où le soleil s'est couché. Le repas de la Pâque a toujours lieu la veille au soir).

Judas trahit Jésus-Christ ce mercredi-là, le soir **Jn 13/27**.

Et c'est quand sa parole de trahison est sortie, que la prophétie du Oint retranché s'est accomplie.

Jésus a été arrêté au jardin de Gethsémani la nuit du mercredi au jeudi.

Or, pouvons-nous trouver exactement nos **69** semaines entre le 14 Mars 444 av. Jésus-Christ et le mercredi 5 Avril ap. Jésus-Christ ?

La réponse est : OUI !

D'abord il faut savoir que Dieu ne compte pas les jours comme nous les comptons aujourd'hui. Pour Lui, un mois, c'est trente jours.

Et Il y ajoute quatre jours chaque année **Hénoc 82/4 à 6**.

Hénoch, le septième depuis Adam, parle aussi des quatre jours qui ne sont pas comptés, de son temps, dans le calendrier et que c'est un tort.

Hénoch compte, non d'après l'apparition de la lune, mais d'après le mouvement du soleil.

Et il faut aussi savoir que 70 semaines signifie soixante-dix semaines d'années c'est-à-dire 490 ans (Bible Thompson Page 1025).

Cela signifie que Jérusalem a été reconstruite en 49 ans (sept semaines de Daniel).

69 semaines font donc, dans le calendrier qui ne compte pas les quatre jours : **483 ans**.

69 x 7 = 483 ans

Et 483 x 360 = 173880 jours de Dieu.

On peut donc calculer le nombre de jours entre le 14/03/444 av. Jésus-Christ **et** le 5/04/33 ap. Jésus-Christ.

Du 14/03/444 av. Jésus-Christ et la fin de l'année il y a **292 jours**.

Entre 443 av. Jésus-Christ et 32 ap. Jésus-Christ : 443 + 32 = **475 ans**.

475 ans correspondent à 173375 de nos jours.

(475 x 365 = **173375**).

Pourquoi calculer en employant <u>ici</u>, avec les 365 jours de notre calendrier ?

Pour que **nous** puissions étudier la prophétie de Daniel. Car Dieu connaissait déjà à l'avance notre façon de compter nos jours en ce troisième millénaire. Dieu avait dit à Daniel que *Ses Paroles seraient tenues secrètes et scellées jusqu'au temps de la fin. Que plusieurs seraient purifiés, blanchis et épurés. Que les méchants feront le mal, et qu'aucun des méchants ne pourra comprendre, mais que ceux qui auront de l'Intelligence comprendront* **Dan** 12/9-13.

<u>Comprenez-vous ?</u>

Donnez-vous un peu de peine pour faire fonctionner votre « intelligence-don-de-Dieu » et cela deviendra clair.

Il faut ajouter à cela les **118,75** jours qui manquent à cause des années bissextiles : (les années bissextiles des 475 ans).

173375 + 118,75 = **173493,75** jours.

Et il faut aussi ajouter les **95** jours qui vont du début de l'année 33 au 5/04/33 ap. Jésus-Christ :

173493,75 + 292 + 95 = **173880,<u>75</u> jours**. C'est-à-dire le 5 avril 33 vers 18 heures (le <u>,75</u> représentant les trois quarts du jour).

<u>Cela nous amène au 5 avril 33</u>. Et les 69 semaines de Daniel sont parfaitement bien situées entre les deux dates.

Le repas de la Pâque ayant eu lieu après le coucher du soleil, c'est donc bien dans la nuit du mercredi au jeudi que Jésus-Christ a été arrêté au jardin,

Et Il a été crucifié dans la journée du jeudi.

Alors je répète ma question de tout à l'heure... Comment allez-vous continuer à croire que Jésus-Christ est mort un vendredi et qu'Il est resté trois jours et trois nuits dans le tombeau ? C'est impossible de croire cela...

Avec ce que Dieu nous donne là par son prophète Hénoch, nous avons la solution précise au sujet des trois jours et trois nuits que Jésus a passés dans la tombe.

Mais la grande erreur que les hommes font en calculant mal les jours est très grave. Car, comme le dit l'apôtre Pierre, ***ils veulent ignorer, ils oublient volontairement*** *qu'il y a eu autrefois des cieux et une terre qui surgit de l'eau et se tint au milieu de l'eau par la parole de Dieu, que par cela même, (par la parole de Dieu) le monde d'alors disparut, submergé par l'eau. Or c'est par cette même parole que les cieux et la terre de maintenant sont gardés en réserve pour le feu, en vue du jour du jugement et de la perdition des impies*. **2 Pierre 3/5-7**. Que se passa-t-il quand les eaux submergèrent la terre lors du déluge ? Hénoch a vu ce qui s'est passé, il le raconte au chapitre **82**.

4. *Je reposais dans ma maison de mon aïeul Malaleel, et je vis le ciel brillant et radieux.*
5. *Et je me prosternai, et je vis la terre dévorée par un grand gouffre, et des montagnes suspendues au-dessus des montagnes.*
6. *Des collines tombaient sur les collines, les arbres les plus hauts se fendaient dans toute leur hauteur, et ils étaient précipités dans l'abîme et descendaient au fond.*
7. *A la vue de ce chaos, ma voix balbutiait. Je m'écriai : C'en est fait de la terre. Alors mon aïeul Malaleel me releva, et me dit : Pourquoi t'écries-tu, mon fils, pourquoi te lamentes-tu ?*
8. *Je lui racontai la vision que j'avais eue, et il me dit : Ce que tu as vu est grave, mon fils.*
9. *Et la vision que tu as eue est frappante ; elle se rapporte évidemment aux péchés de la terre, que l'abîme doit dévorer. Oui, il arrivera une grande catastrophe.*
10. *C'est pourquoi, ô mon fils, lève-toi et implore le Dieu de gloire, car tu es fidèle, et pour qu'il laisse quelques personnes sur la terre, et que les hommes ne périssent pas tous. Mon fils,* ***la catastrophe viendra du ciel sur la terre ; et ce sera une grande ruine.***

Ce qui arriva du ciel sur la terre, quelques années après sa vision, c'est ce que La Bible appelle le déluge. Mais les impies veulent ignorer cela. Ce qui arriva à ce moment de l'histoire est phénoménal. Je crois que la terre bougea sur son axe. Quelque chose (venant du ciel) a déréglé le champ magnétique et l'écorce terrestre a dû être prise de convulsions violentes et je pense que cela arriva à cause d'une masse qui est entrée dans notre système solaire et en est ressortie quelques temps après. A ce moment la rotation de la terre a dû aussi être modifiée. Je ne crois pas du tout qu'Hénoch se trompe en affirmant ce qu'Uriel lui a montré. Je crois aussi que juste avant, et pendant la grande tribulation, la terre va être terriblement secouée qu'elle basculera à nouveau et que sa rotation reviendra comme elle l'était avant le déluge. Quand Hénoch écrivait Son Texte, il se trouvait sans doute dans la région de l'actuelle Jérusalem. Il considérait cet endroit comme le centre du monde **Hénoch 25/1.** Comme au **ch 25** Hénoch nous parle de ce qui est au ciel. Souvenez-vous toujours que ce qui est au ciel a son pendant sur la terre. Il

voit donc depuis la Jérusalem céleste, six portes dans le ciel. La première porte, la grande, est celle par laquelle le soleil sort pour commencer l'année au mois de Nissan qui correspond à nos mois de mars-avril, c'est l'équinoxe du printemps. Le soleil passe par les quatrièmes portes **Hénoch 71/6**. A cette époque les jours et les nuits sont égaux. Quand arrive le solstice d'été, la nuit devient de moitié plus courte que le jour (21 juin) Hénoch dit alors que le jour a 12 parties et la nuit 6 **Hénoch 71/18**. Puis nous voyons le solstice d'hiver qui est à l'inverse de celui d'été **Hénoch 71/33. Aujourd'hui, voilà comment se comporte la terre sur son axe.** Dans le système solaire, les planètes ont des orbites qui se situent toutes à peu près dans le même plan. Celui de la Terre est appelé l'écliptique. Chaque planète tourne en outre autour de son axe de rotation, phénomène à l'origine de la succession des jours locaux de chaque planète. Cet axe de rotation n'est jamais perpendiculaire au plan orbital de la planète, mais incliné d'un certain angle, très variable suivant les planètes du système solaire. Toujours suivant les planètes, cet axe est soumis au phénomène de la précession, de façon plus ou moins marquée. Mais en première approximation, cet axe de rotation garde à court terme une direction fixe dans l'espace. Dans le cas de la Terre, cet angle est actuellement d'environ 66,56° ou 66,34°. Mais on parle plus couramment **de l'inclinaison de l'écliptique** sur le plan de l'équateur : cette inclinaison, complément angulaire de la précédente, vaudrait ainsi 23,27°, voire "proche" de 23°. Par simplification de langage, on assimile parfois inclinaison de l'axe et inclinaison de l'écliptique. On parle aussi d'obliquité de l'écliptique.

Ce fut Ératosthène (v. 276 - v. 194 av. Jésus-Christ.) qui fut le premier à démontrer l'inclinaison de l'écliptique sur l'équateur et fixa sa valeur à **23,51°.**

Conséquences

C'est l'existence et le maintien de cette inclinaison naturelle qui entraîne, par le déplacement de la planète sur son orbite, la succession des saisons. Ainsi, pour la Terre, de mars à septembre, la partie nord du globe voit le Soleil plus haut à midi dans le ciel que la partie sud, et c'est l'été dans l'hémisphère nord. Comme les rayons solaires arrivent sur Terre avec un angle plus proche de 90°, une même unité de surface reçoit plus de rayons lumineux qu'à midi dans le sud à la même époque. Du fait de cette inclinaison, le Soleil se lève plus tôt, se couche plus tard, et les jours sont de fait plus longs. Les rayons solaires dans l'hémisphère sud sont beaucoup plus inclinés et arrosent une plus grande surface, ils distribuent donc moins de chaleur par unité de surface : c'est l'hiver. Le Soleil paraît aussi plus bas sur l'horizon et les jours sont plus courts, avec un astre qui se lève plus tard et se couche plus tôt. Ces effets sont d'autant plus prononcés que la latitude de l'observateur est grande. À l'équateur, l'effet est d'ailleurs strictement nul, et la durée du jour et de la nuit ne varie pas (même si la position du Soleil dans le ciel varie). Aux pôles, l'effet est extrême, si bien que le jour et la nuit y durent six mois chacun. D'un point de vue astronomique, on peut noter quatre points particuliers sur la trajectoire d'une planète en fonction de son inclinaison : lorsque le côté nord de l'axe de la Terre penche vers le Soleil, c'est le solstice de juin, le jour le plus long pour l'hémisphère Nord. Le Soleil à midi est au zénith du tropique du Cancer, qui a une latitude de 23° 26' nord. C'est le jour le plus court pour l'hémisphère Sud . Lorsque le côté sud de l'axe de la Terre penche vers le Soleil, c'est le solstice de décembre, le jour le plus court pour l'hémisphère Nord. Le Soleil à midi est au zénith du tropique du Capricorne, qui a une latitude de 23° 26' sud. C'est le jour le plus long pour l'hémisphère

Sud . Les deux autres points correspondent aux équinoxes de printemps et d'automne. L'axe se trouve alors dans un plan orthogonal à la direction du Soleil ; la durée des jours est égale à celle des nuits, au nord comme au sud, et le Soleil à midi est au zénith de l'équateur. En ce qui concerne la Terre, une propriété importante de l'obliquité est la variation cyclique de sa valeur : celle-ci varie entre 24,5° et 22,1°, suivant un cycle de 41 000 années. Les saisons varient donc suivant les millénaires de forte inclinaison ou d'inclinaison plus faible : l'inclinaison forte impliquant des saisons beaucoup plus marquées. Ce caractère cyclique est utilisé en cyclostratigraphie. Il a été démontré récemment par J. Laskar que la Lune stabilise la valeur de l'obliquité autour de 23°, et l'empêche ainsi de varier de façon chaotique. Mais les choses vont changer d'ici peu. Pour comprendre ce qui va se passer, il est nécessaire de comprendre comment est composé le Livre de l'Apocalypse. Il n'a pas été écrit de façon chronologique. Il faut comprendre la signification des symboles et des codes pour pouvoir mettre tous les évènements en place.

Ainsi par exemple, nous savons que les 7 anges qui sonnent de la trompette en **Apoc 8/6 à 11/20**, sonnent durant la période des trois derniers Sceaux **Apoc 6/9 à 8/5.** La période des trois derniers Sceaux est celle que la Bible appelle par ailleurs la grande tribulation. A cette époque la petite Epouse de Christ aura été enlevée. Les chrétiens charnels qui n'auront pas été trouvés dignes resteront sur terre et vivront durant cette grande tribulation de 7 ans. Sachant cela nous pouvons comprendre que pendant la grande tribulation, il y aura de grandes catastrophes qui vont remettre la terre sur l'axe qu'elle avait au temps d'Hénoch. Cela fait partie du rétablissement de toutes choses dont nous parle Paul. Durant cette grande tribulation Jésus annonce à Jean qu'il y aura un grand tremblement de terre et que le soleil nous apparaîtra noir et la lune couleur sang. Il nous dit aussi que des étoiles tomberont du ciel. Dieu avait donné une vision de ce qui allait arriver aux jours du déluge d'eau, ici Jésus montre à Jean ce qui va arriver aux jours du déluge de feu. Ce sont à peu près les mêmes résultats. (Donnez-vous la peine de lire **Apoc 6/9 à 8/5**. Vous y verrez ce qui arrivera lors de la grande tribulation. Lisez aussi ce que Jésus-Christ en dit dans **Matt 24/15 à 39.** Il est question que le tiers du soleil, des étoiles, de la lune et de la terre seront frappés pour que le jour perde un tiers de sa clarté et la nuit de même. Ce qui va se produire, c'est que le magnétisme qui tient notre univers en place va être bouleversé et la terre, entre autre, va basculer sur son axe. **Apoc 8/12**. Esaïe l'avait aussi annoncé **Es 13/13** *C'est pourquoi j'agiterai le ciel et la terre tremblera sur sa base par la fureur de l'Eternel.* Lisez aussi **Esaïe 2/12 à 31**. Il parle de la même époque, celle qui arrive bientôt. Il dit que *la terre titubera comme un homme ivre et qu'elle sera branlante comme une cabane car sa transgression pèse sur elle et elle ne se relèvera plus*. **Es 24/20**. Le prophète Aggée avait aussi dit : « *Ainsi parle le Seigneur des Armées, encore un peu, très peu, et je ferai trembler le ciel et la terre, la mer et la terre ferme ».* **Aggée 2/6**. L'apôtre Pierre l'avait aussi annoncé : « *Cependant le jour du Seigneur viendra comme un voleur. En ce jour-là, les cieux passeront avec fracas, les éléments embrasés se dissoudront et la terre, avec ses œuvres, sera mise à découvert. Puisque tout cela va se dissoudre, comment ne devriez-vous pas vivre ? C'est avec une conduite sainte et avec piété qu'il vous faut attendre et hâter l'avènement du jour de Dieu, où les cieux enflammés se dissoudront et où les éléments embrasés se fondront ».* **2 Pierre 3/10-12**.

Au lieu de cela les terriens se précipitent dans la folie, aimant le plaisir plus que Dieu. Et les chrétiens ne veulent entendre parler que d'abondance matérielle et de bénédictions… Ils veulent **sentir** la présence de Dieu et rire dans l'esprit et se rouler par

terre en gloussant. Ils font partie de ceux qui veulent ignorer, dont nous parle Pierre un peu avant **2 Pierre 3/5 à 7**. Pourquoi veulent-ils ignorer ces choses ? Par qu'ils sont ce que Jésus-Christ appelle des vierges folles. Dieu les aime et cherche encore à les ramener dans le bon sens… quant à ceux Dieu ne corrige pas ils sont appelés des bâtards **Héb 12/5-8.** Il est normal que les bâtards ne croient pas. Pour en revenir au rétablissement de toutes choses dont parle Luc en **Actes 3/21**, nous savons que ce rétablissement concerne l'Eglise qui s'est fourvoyée au cours des siècles et qui doit revenir telle qu'elle était au départ, à Jérusalem. Nous savons aussi que ce rétablissement concerne Israël qui doit reconnaître son Messie en Jésus-Christ et nous apprenons par le Livre d'Hénoch que Dieu veut rétablir la terre à la place qu'elle avait avant le déluge. En fait, Dieu veut que la nature entière redevienne comme elle était au temps où Adam et Eve se promenaient innocemment au Jardin d'Eden. Pour le moment la nature entière souffre les douleurs de l'enfantement de ce nouvel état **Rom 8/22**. La terre devra bouger d'environ 15 degrés sur son axe pour que la nature entière retrouve son état d'origine. La terre ne va pas se redresser d'un seul coup. Mais cela se fera par étapes.

Le jeudi 4 mars 2010 les médias ont diffusé cette nouvelle :

« Depuis samedi la terre tourne moins vite. Après le tremblement de terre qui a fortement secoué le Chili ; la Nasa a observé que l'axe de la terre avait dévié de huit (8) centimètres. Conséquence étonnante, les jours sont plus courts de 1,26 millionième de seconde. Panthéon (Paris V). Suspendu sous la coupole, le pendule de Foucault, qui met en évidence la rotation de la terre, a lui aussi, de manière imperceptible, ralenti son mouvement. »

Pas de quoi fouetter un chat pour le moment. Cependant, ce sont les prémices des choses annoncées… La dernière étape de ce redressement se fera lorsque Jésus-Christ posera Ses pieds sur le mont des Oliviers qui est en face de Jérusalem. **Zach 14/4.** Aujourd'hui, nous vivons les prémices de ces changements. Le monde qui riait quand nous parlions de ces choses dans les années 1960, ne rit plus du tout. Aujourd'hui, les moqueurs d'hier parlent, comme s'ils les découvraient, ce que nous annoncions alors au sujet de la pollution, du réchauffement de la planète, de la mondialisation et de toutes ces choses.

Le Livre d'Hénoch n'est plus apocryphe.

Aujourd'hui, Dieu nous révèle de nouvelles choses par le Livre d'Hénoch qui n'est plus apocryphe (**apocryphe** signifiant : **tenu caché**). Les chrétiens-vierges- folles et les bâtards **Héb 12/8** vont se moquer de nous, mais peu importe, ce qui a été annoncé par les prophètes arrivera et les moqueurs d'aujourd'hui le verront de leurs yeux demain. Le vrai peuple de Dieu sur la terre reflète la gloire de Jésus. Et à la toute fin de ce pauvre monde, la Nouvelle-Jérusalem sera revêtue du Soleil (de Jésus le Soleil de Justice). Les gens du peuple de Dieu monteront chaque année à Jérusalem pour la fête des Tabernacles selon **Zach 14/16**. Chaque peuple se lèvera en son temps, en son mois. Les ordres seront donnés et chacun saura ce qu'il a à faire et en quel temps. La lune se lève régulièrement et reflète la gloire du soleil. De même le peuple de Dieu se lèvera et reflètera la Lumière de Jésus-Christ. Nous verrons dans les **ch 75/7** comme en **36/2-3**, qu'il y a des fenêtres à droite et à gauche des portes. Ces fenêtres symbolisent les actions des anges. Mais pour le moment, quand Hénoch nous parle de l'orbite du ciel, il

parle du fait que la course du soleil et de la lune sont l'image du royaume terrestre de Dieu. Les choses viennent par cycles. Mais qui comprend ces choses actuellement ? Qui observe que les choses se répètent et qui en tire une leçon ? **Eccl 1/9**.

La lune, comme l'Eglise passe par des cycles et ne donne pas toujours la même lumière. Nous avons vu cela en étudiant les sept âges de l'Eglise.

De 53 à 170 après Jésus-Christ, la Lumière était encore là en majorité. L'influence de Paul était encore grande. **Apoc 2/1-7**.

Puis, vint l'âge que nous appelons prophétiquement l'âge de Smyrne qui, de 170 à 312 a vu sa lumière peu à peu envahie par les ténèbres de l'église catholique naissante. **Apoc 2/8 à11.** Puis les ténèbres se sont amplifiées sous l'âge de Pergame dont l'envoyé de Dieu était Martin. **Apoc 2/12 à 17.**

Les ténèbres n'ont jamais été si grandes dans l'église qu'entre 806 à 1520 après Jésus-Christ. C'est l'âge que l'Apocalypse annonce prophétiquement dans la lettre à Thyatire. **Apoc 2/18 à 29.**

Puis la lune, l'Eglise, s'est inclinée vers l'orient du soleil c'est-à-dire, l'Eglise se penche à nouveau vers l'Orient du soleil, (Jésus est le Soleil de Justice) vers l'origine de son histoire et la Lumière revient. C'est l'époque de la réforme avec l'ange (l'envoyé) Luther. **Apoc 3/1 à 6.**

Puis la Lumière continue à prendre de la place entre 1750 et 1905 sous l'influence de l'envoyé de Dieu, John Wesley. **Apoc 3/7 à 13.**

Puis en 1906 nous sommes entrés dans l'âge de Laodicée où la Lumière commence à être rétablie dans sa plénitude. **Apoc 3/ 14 à 22**. William Branham est l'envoyé de Dieu pour cet âge. Il commence à rétablir la Vérité en ouvrant les Sept Sceaux de l'Apocalypse **du dimanche 17 mars 1963 au lundi matin 25 mars 1963**. C'est le message majeur de ce messager de Dieu, de ce prophète majeur. Mais des pasteurs se sont élevés contre lui sans raison et ont sali la réputation de cet envoyé de Dieu en colportant des choses sans aucun fondement. Ils n'ont agi que par jalousie. Que Dieu leur pardonne ce péché Ainsi la révélation des Sept Sceaux n'est connue que de quelques millions de personnes dans ce pauvre monde. Chaque jour le livre de la révélation des Sept Sceaux entre chez ceux qui ont soif de Vérité et qui cherchent réellement. Ceux-là auront la réserve qui manquera cruellement aux vierges folles. A la fin de l'âge de Laodicée (l'âge dans lequel nous vivons **Apoc 3/14-22**) seul un petit reste sera enlevé par Jésus dans les nuées du ciel. Ceux-là auront suivi la direction désignée par le signal donné en **1 Thess 4/16** (le signal donné, (ou cri de rassemblement), **est** le message de l'envoyé de Dieu, William Branham, que vous le vouliez ou non, c'est ainsi.) L'histoire se répète. Comme pour les cycles du soleil et de la lune dont Hénoch nous parle. Il attire notre attention sur ces choses, mais qui prend la peine de les observer ? L'histoire de l'Eglise est comme celle d'Israël. Il n'y aura qu'un reste à la fin, un petit reste. Les autres, Dieu les vomira de sa bouche. **Apoc 3/16**.

Consacrez-vous donc à chercher Dieu pendant qu'il en est encore temps !

CHAPITRE 73.

1. Ceux qui dirigent les chefs de mille préposés à toute la création et à tous les astres, ainsi qu'aux quatre jours supplémentaires n'abandonnent pas leurs activités, conformément au calendrier. Ils font également leur office ces quatre jours qu'on ne fait pas entrer dans le calcul de l'année
2. Les hommes s'égarent au sujet de ces jours ; car il faut se rapporter à ces luminaires pour s'en rendre compte, puisque l'un est intercalé à la première porte, le second à la troisième, un autre à la quatrième, et le dernier à la sixième.
4. C'est ainsi que se trouve complété le nombre de trois cent soixante-quatre (364) positions, qui forment autant de jours. Voilà les signes : Les temps, les années et les jours tels qu'Uriel me les fit connaître. Uriel est l'ange que le Seigneur de gloire a préposé à toutes les étoiles dans le ciel et dans le [cosmos] .
5. Les dispensateurs des jours et des nuits, savoir : le soleil, la lune, les astres et toutes les créatures, servent et dominent en tournant sur tous les chars célestes et qu'ils soient visibles depuis l'aride et soient les guides du jour et de la nuit.
6. Ainsi Uriel me fit voir douze portes qui s'ouvrent pour le char du soleil, d'où jaillissent des infinités de rayons et qui répandent la chaleur sur la terre, quand elles sont ouvertes, aux temps qui leur sont fixés.
7. D'elles aussi s'échappent les vents et l'esprit de la rosée, quand les fenêtres aux extrémités du ciel s'ouvrent aux époques fixées par la volonté divine.
8. Je vis douze portes dans le ciel aux extrémités de la terre, desquelles sortent le soleil et la lune et les étoiles et tous les ouvrages du ciel au levant et au couchant.
9. Bien d'autres fenêtres s'ouvrent encore à droite et à gauche.
10. Et chaque fenêtre répand la chaleur en son temps, selon les portes que les astres empruntent pour sortir selon l'ordre qu'ils ont reçu de Dieu et pour se coucher selon leur nombre.
11. Et je vis dans le ciel le char de ces étoiles qui tournait sur le cosmos au-dessus de ces portes, et c'est avec eux que les astres qui ne se couchent pas font leur révolution sans jamais décliner. Une d'entre elles est plus brillante que les autres ; celle-ci fait le tour du [cosmos] entier.

Commentaire du chapitre 73.

Le soleil tourne-t-il autour de la terre ? Nous savons bien que non. Cependant, nous continuons tous à parler comme Hénoch le faisait en son temps. Nous voyons le soleil se lever et nous le voyons se coucher. On a l'impression en voyant cela qu'il nous tourne autour. La Bible emploie le même langage qu'Hénoch et nous. Toutes ces choses qu'Hénoch a vues peuvent sembler inutiles. Pourquoi se donner tant de peine à expliquer ces choses. Cela semble bien compliqué et en plus, les manuscrits qui nous

restent sont très abimés. Heureusement que nous avons aujourd'hui les manuscrits de la mer morte. Ils nous aident beaucoup, mais là aussi, il y a beaucoup de trous. Avons-nous bien besoin de savoir ces choses ? Il ne faut pas se contenter de lire ce Texte comme s'il s'agissait d'un exposé astronomique. Il y a une autre lecture à faire. N'oublions pas qu'Hénoch a vu ces choses et qu'il était prophète. Le Texte a donc une portée prophétique. Souvenez-vous qu'au début de cet exposé qui semble être un traité d'astronomie un peu compliqué, il est écrit : *« Livre du cours des luminaires célestes, **selon leurs genres**, leurs époques, leurs noms et les lieux où ils commencent leur carrière, et leurs différentes places selon leur mois, toutes choses qu'Uriel, le saint ange qui était avec moi et qui les gouverne me fit voir »*. **Hénoch 70/1**. En réalité, le terme « **genre »** employé là peut aussi être traduit par « PEUPLE ». Hénoch nous invite à comprendre que ce qu'Uriel lui montre ne concerne pas seulement le soleil, la lune et les astres, mais aussi des peuples, des temps et des lieux. Ce qu'Hénoch voit concerne donc des royaumes aussi bien célestes que terrestres. Le soleil, la lune et les étoiles sont les images de personnes et de peuples. Par exemple nous savons que le soleil est l'image de Jésus-Christ. Nous le savons par La Bible **Apoc 1/16.** Le soleil est, dans **Apoc 1/16**, au milieu de Son Eglise des nations qui traverse les sept âges d'**Apoc 2 et 3**. Il tient les sept étoiles dans Sa main. Et ces étoiles sont l'image des sept anges **d'Apoc 2 et 3**. Ces sept anges sont des anges terrestres. (Le mot ange signifie aussi bien apôtre, qu'envoyé ou ange céleste. Là, nous avons affaire à des envoyés de Dieu. Nous avons affaire à des personnes humaines envoyées par Dieu et à qui des lettres doivent être envoyées. **Apoc 2 et 3**. Donc, les astres qu'Uriel montre à Hénoch sont aussi bien des envoyés de Dieu humains que célestes. La lune est l'image du peuple de Dieu qui vit durant le millénium. Dans **Apoc 12/1**, il est question d'une femme, le peuple de Dieu **dans le ciel**. Elle est vêtue du soleil. Ce qui signifie que c'est Jésus qui l'a vêtue. Au ciel, elle a la lune sous ses pieds. Nous verrons tout à l'heure ce que cela veut dire.Elle porte sur sa tête une couronne de douze étoiles qui représente les 12 apôtres de Jésus-Christ. Car en fait le peuple de Dieu qui se trouve au ciel, c'est l'Eglise de Christ qui a gardé fidèlement l'enseignement des apôtres. C'est La Nouvelle Jérusalem, l'Ancienne étant la Communauté de vie qui a été fondée par Jésus et les apôtres à Jérusalem. La même femme se trouve sur terre au verset **6**. Alors ? Est-elle au ciel comme au verset **1** ou sur terre comme au verset **6 ?** Elle est au ciel, Jean l'a vue au ciel. Mais elle est aussi sur la terre comme il l'a vue également.

Il faut, pour comprendre ces choses, les voir avec l'esprit de prophétie.

Cette femme est l'Eglise sur terre, juste avant l'enlèvement de l'Epouse de Christ. Elle est sur terre, mais en esprit elle est en Christ dans les lieux célestes. **Eph 1/3**. Elle est donc au ciel et sur terre. Que fait-elle sur terre ? Elle accouche. Qu'est-ce que cela signifie ? Elle est en train de mettre un être au monde, c'est-à-dire : sur terre. Cela signifie que de l'Eglise sortira sur terre l'Epouse de Christ qui sera enlevée au ciel. **Apoc 12/5**. Mais pourquoi Jean voit-il que l'Epouse est un enfant mâle ? Parce que dans le monde de l'esprit il n'y a que mâle. Le Père, le Fils. Le Saint-Esprit est Celui du Père créateur. Il est Celui qui couvrit Marie de Son ombre. Le principe masculin règne. Le Texte **d'Apoc 12/5** dit, en réalité : un fils viril et non pas un fils mâle. Ce fils viril viendra régner sur toutes les nations avec une verge de fer. C'est avec Jésus que l'Epouse (le fils viril) règnera virilement sur toutes les nations. **Apoc 12/6**. Mais avant qu'ils ne viennent régner pendant le millénium, la femme, l'Eglise qui n'est pas partie dans l'enlèvement devra se cacher du dragon pendant 1260 jours. Et quand Jean nous dit qu'il a vu une femme dans le ciel qui avait la lune sous ses pieds, cela signifie que

L'Epouse, spirituellement, sera toujours au ciel et règnera sur le peuple de Dieu qui sera sur la terre. Le peuple de Dieu qui sera sur la terre pendant le millénium sera composé de l'Eglise qui n'a pas été enlevée et des Juifs fidèles.

Donc, pour résumer :

Le soleil c'est Jésus.

La lune c'est le peuple de Dieu, Juifs et Chrétiens

Les astres sont les envoyés de Dieu, anges célestes, envoyés humains Juifs et non-Juifs.

Quand nous lisons Hénoch, il nous faut nous laisser diriger par le Saint-Esprit. Il est nécessaire d'avoir les oreilles qu'il faut pour entendre. Si nous ne les avons pas, nous ne lisons qu'un charabia sans importance.

CHAPITRE 74

1. Aux confins de la terre, je vis douze portes pour tous les vents, qui s'en échappent de temps en temps pour se répandre sur la terre.
2. Trois d'entre elles sont ouvertes sur la face du ciel et trois à l'ouest; trois à droite du ciel et trois à gauche.
3. Et les trois premières sont celles qui sont du côté de l'orient, et il y en a trois au midi et les trois suivantes sont celles du nord, et il y en a trois au couchant.
4. Par quatre d'entre elles sortent des vents de guérison et de bénédiction [de renaissance] pour la terre et par les huit autres sortent des vents de châtiment [de désolation] ; lorsqu'ils sont envoyés, ils apportent la ruine à toute la terre, et à l'eau qui est sur elle, et à tous ceux qui l'habitent et à tous ceux qui sont dans l'eau et sur l'aride.
5. Le premier vent, dont le nom est L'Oriental, sort de ces portes par la première porte qui est du côté de l'orient et qui s'incline vers le midi ; par elles sortent la désolation de l'aride, et la chaleur, et la ruine.
6. Et par la deuxième porte, celle du milieu, sort [le vent de plein Est] le bien et par elles sortent la pluie, et la fertilité, et le renouveau, et la rosée. Et par la troisième porte, du côté du nord, sort [le vent du Nord-est] le froid et le sec.
7. Et après ceux-ci sortent les vents du côté du midi par trois portes : le premier, un vent du Sud, par la première de ces portes qui s'incline du côté de l'orient, il sort en vent de chaleur.
8. Et par la porte du milieu sortent un vent du Sud apportant les bonnes odeurs, et la rosée, et la pluie, et le renouveau, et la vie.
9. Et par la troisième porte, qui est du côté de l'occident, sort un vent du Sud-Ouest qui apporte la rosée, et la pluie, et les sauterelles, et la désolation.

10. Et après ceux-ci viennent les vents du côté du nord, par la septième porte qui est à l'orient; par là viennent la rosée et la pluie, les sauterelles et la ruine.
11. Et de la porte du milieu sortent la vie, et la pluie, et la rosée et l'abondance. Et par la troisième porte qui est à l'occident, [qui s'incline vers le nord], par elle la nuée, et le givre et la neige et la pluie et la rosée et les sauterelles.
12. Après ceux-ci viennent les quatre vents qui sont à l'occident. Par la première porte qui est du côté du nord sortent la rosée et la neige, et le froid et le givre et la fraicheur.
13. Et par la porte du milieu sortent la rosée et la pluie, l'abondance et la bénédiction ; et par la dernière porte qui est au midi sortent la sécheresse et la ruine, la chaleur et la perdition.
14. Et sont ainsi décrites les douze portes des quatre vents des cieux, et je t'ai montré [leur explication complète] toute leur loi, et tout leur châtiment, et tout leur salut, ô mon fils Mathushela.

Commentaire du chapitre 74.

Hénoch est un homme qui parle avec des mots humains de choses spirituelles qu'il a vues. Elles sont parfaitement exactes, mais pour que nous les comprenions, nous avons besoin de connaître la totalité du message Biblique. Souvenez-vous que la Bible n'existait pas encore quand Hénoch eut ses visions. C'est Moïse qui a commencé à raconter la création du monde dans son livre que nous appelons « la Genèse ». Souvenez-vous aussi que Moïse est né environ trois cents ans après la dernière histoire qu'il nous raconte dans son livre de la Genèse. Il a sans doute rédigé le Pentateuque (les cinq premiers livres de la Bible) vers 1445 avant Jésus-Christ. Le dernier texte sacré que nous avons dans le canon des Ecritures Saintes, c'est le livre de la Révélation (Apocalypse). Ce livre a été écrit sans doute entre 94 et 96 après Jésus-Christ par Jean, à Patmos. Or Hénoch est né il y a environ 5363 ans (en 2010), 622 ans après qu'Adam eut été créé. Hénoch a donc vécu en même temps qu'Adam. En effet, Adam mourut à l'âge de 930 ans. Hénoch avait 308 ans le jour de l'enterrement d'Adam. Environ 56 ans plus tard Uriel donne les lois des luminaires à Hénoch et c'est donc à cette époque que son fils, Methushela, a entendu pour la première fois ces choses d'une haute spiritualité. Ce qu'Hénoch a vu et entendu a ensuite été réservé à une élite qui le cachait. Le mot apocryphe signifie littéralement 'tenu caché'. Mais aujourd'hui, la connaissance ayant augmenté selon les prophéties, nous sommes à même de comprendre le message codé qu'Hénoch, le septième depuis Adam, nous a laissé de la part de l'ange Uriel. Hénoch ne pouvait pas lire le livre de l'Apocalypse. Pourtant il écrivit au sujet des 12 portes que Jean nous décrit dans son livre au **ch 21/12.** Hénoch et Jean ont vu les mêmes choses, mais à des époques différentes. Hénoch ne pouvait pas mentionner la Nouvelle Jérusalem. En effet, à son époque il n'y avait même pas encore de Jérusalem terrestre. Il ne pouvait pas non plus mentionner les douze tribus, ni les douze zodiaques, ni les douze patriarches, ni les douze apôtres de Jésus-Christ. Maintenant, voyons un peu ces choses. Par les textes de Moïse en **Nombres ch 2** nous avons les noms des douze tribus et leurs emplacements autour de la Tente d'Assignation. Nous pouvons aussi, puisque nous avons les Ecritures, connaître les portes au temps de Néhémie **Néh 3 et 12.** Hénoch a vu quatre époques importantes qui allaient marquer l'histoire des élus. Chacune de ces périodes, ou âges, ont un climat particulier. Les vents qu'Hénoch a vus sont des esprits qui influencent ces âges. Par exemple, la première porte qu'Hénoch

nous décrit est celle qui est désignée en premier par **Néh 3/1**. C'est la porte des brebis. Elle est à l'Est . C'est à l'Est que se trouvaient les tribus de Judas, Issacar et Zabulon.

Par exemple…

Première Porte de l'Est = Porte de Judas.

Pour Hénoch, l'Est est en face de lui (sur la face du ciel) **V 1**. Derrière lui se trouve l'Ouest. Ces trois tribus de l'Est typifient le peuple d'élus que Jésus s'est acquis alors qu'Il vivait sur terre. Ce fut une époque difficile puisque, premièrement, Jésus a dû mourir pour qu'ils naissent de nouveau. Le vent qui souffle est donc un vent de désolation de l'aride. Le fait que Jésus ne soit plus avec eux en chair rendait l'existence difficile comme la vie qu'on peut avoir dans un désert.

Deuxième vent de la Porte de l'Est = Porte d'Issacar.

Mais un vent sort de la deuxième porte qui se trouve à l'Est. C'est la porte d'Issacar. Il produit le bien, la création de l'Eglise par la pluie de la première saison (le baptême dans le Saint-Esprit) le fruit (le résultat : La Communauté de la Première-Jérusalem) et donc le salut pour beaucoup.

Troisième vent de la Porte de l'Est = Porte de Zabulon.

C'est le vent de la sécheresse et du refroidissement de l'amour dans les Communautés. Mais l'Est s'incline vers le midi, vers le Sud. C'est-à-dire : l'histoire se penche vers la suite des évènements qui se précipitent dans une direction précise. Il en va de même pour l'histoire de chaque personne. Il y a un commencement et une fin. Tout ici-bas tourne disait l'Ecclésiaste **Eccl 1/5-6 ; Eccl 3/1-8**. Et il y a des portes à franchir pour passer d'un temps à un autre temps. Ces portes sont des étapes qui marquent la vie des gens, mais aussi la vie de l'Histoire de ce monde et en particulier l'Histoire du Peuple de Dieu. Ce qui est arrivé au Peuple d'Israël arrive de même au Peuple de l'Eglise de Jésus-Christ.

Les mots « bonnes odeurs » « rosée » « pluie » « sauterelle » etc… sont des symboles qui sont connus par tous dans le milieu évangélique. Je n'y reviens donc pas. Et voilà pourquoi je ne traite pas en profondeur la signification de tous ces vents et de ce qu'ils amènent avec eux.

LES 12 PORTES.

Quand nous lisons le Livre de Néhémie, nous y trouvons l'histoire de la reconstruction (de la restauration) de Jérusalem. Jérusalem avait des frontières naturelles et d'autres qui étaient construites de mains d'hommes. Toute l'histoire de la restauration de Jérusalem typifie l'histoire de la restauration de l'Eglise à la fin des temps, donc de

notre temps. La ville de Jérusalem avait 12 portes et chacune a une signification dans la vie quotidienne de ceux qui lisent le livre d'Hénoch. Car elles sont une ombre de notre réalité. Dans la Nouvelle Jérusalem, chaque porte est une perle unique **Apoc 21/21.** Jésus, Lui, est La Perle de Grand Prix **Matt 13/45-46** et La Seule Entrée **Jn 10/9 14/6.** Par conséquent chaque porte représente les aspects de ce que Jésus a fait à la croix. Car c'est bien par Jésus en croix que nous devons entrer pour avoir accès à la Nouvelle Jérusalem Céleste.

1 La porte des brebis

La porte des brebis a été la première porte à être restaurée. C'est le grand prêtre Eliaschib et ses collègues qui l'ont reconstruite. Elle a été appelée comme cela car elle donnait sur le marché où on vendait les brebis et moutons qui servaient au sacrifice dans le temple. C'est par cette porte que Jésus est sorti de Jérusalem pour aller à Golgotha. C'est la première porte qui doit être construite dans la vie d'une personne qui s'approche de Dieu. Pour entrer dans le royaume de Dieu, on doit passer par Jésus, la Brebis de Dieu qui ôte le péché du monde. On entre dans le Royaume de Dieu par la foi en ce que Jésus, La Brebis de Dieu, a accompli à la croix. C'est la première vérité qui a été rétablie par Luther le réformateur. On ne passe que par Jésus, il n'y a pas d'autres portes que Lui. **Actes 4/12.**

2 La porte des poissons

"La porte des poissons a été reconstruite par les fils de Senaa. Ils ont jeté ses poutres et ses portes et mit les verrous en place" **Néh 3/3** Il est aussi question de cette porte dans **2 Chroniques 33:14; Sophonie 1:10.** Les marchands apportaient du poisson au 'marché du poisson' grâce à cette entrée. La porte des poissons représente notre témoignage, l'Eglise est mandatée par Jésus pour aller dans le monde pour y être des pêcheurs d'hommes **Matt 4/19**.

3 La porte des Poissons

La Porte Vieille a été réparée par le fils de Jojada de Paséach et le fils de Meschullam Besodia. Ils ont jeté ses poutres et ses portes et mis les verrous en place **Néh 3/6.** Les anciens de la ville se réunissaient à la porte pour discuter de questions d'importance communautaire et la question de jugement sur les litiges **Ruth 4/11; Pro. 31/23.** De nos jours, alors que de folles confusions émotives et des doctrines erronées captent l'attention des gens mal affermis dans les Ecritures-Saintes, nous avons besoin du conseil des anciens, de ceux qui pourraient nous ramener dans les anciens sentiers de Dieu selon **Jérémie 6/16** en vue d'une véritable maturité spirituelle.

4 La porte de la Vallée

Cette porte conduit aux deux principales vallées de Jérusalem. La vallée d' Hinnom. Elle se trouve à l'Ouest et au Sud de Jérusalem. Cette vallée a une très mauvaise réputation, car c'est là que Salomon avait érigé les hauts lieux à Moloch et Kemosch afin qu'on y sacrifie des enfants **1 Rois 11/7**. C'est cet endroit qui se nomme aussi la Géhenne synonyme d'enfer. **Matt 5/ 22; 10/28 ; 23/15,33.** C'est aussi dans cette vallée que les autels païens et les images ont été brûlés au cours de la purification de Jérusalem **15/13 Rois 1 ; 2 Rois 23/4-12, 2 Chr.15/ 16; 29/16; 30/14.**

L'autre vallée est la vallée du Cédron qui contourne Jérusalem au Nord et à l'Est. A l'est, elle longe le jardin des Oliviers **Jn 18/1**. Nous avons donc deux vallées devant nous en sortant par cette Porte.
1° La vallée des sacrifices horribles. Jésus y est allé à notre place.
2° la vallée du Cédron qui nous fait comprendre que nous avons été mis à part, éloignés du feu de la Géhenne par le Seigneur Lui-même. Par contre nous avons à longer le jardin de la souffrance, le jardin des Oliviers, tout au long de notre vie terrestre. La porte de la Vallée représente le fait que nous avons été mis hors de, (sanctifiés, mis à part) arrachés des feux de l'enfer de la géhenne, par la grâce de Dieu ; Jésus y est passé à notre place ; et d'autre part, nous entrons dans la seconde vallée par choix, la vallée de la souffrance et de purification **Ps. 23/ :4.**

5 La porte du Fumier

La Porte du fumier a été réparée par le fils de Malkijah Recab, souverain du district de Beth Hakkerem. Il l'a reconstruit et mis les verrous en place» **Néh.3/14.** Cette porte typifie la honte de notre ancienne vie **Rom 7/ 24; 6/1-4,6; Apoc. 21/27, 22/14-15)** et la gloire de la nouvelle vie **Philippiens 3/7-10**. Depuis que nous avons été en Présence de Jésus se sacrifiant pour nous, nous avons abandonné l'ancienne vie et refusé de nous salir à nouveau avec les pratiques que nous avions avant, tout cela n'était que du fumier.

6 La Porte de la Source

"*Puis, je suis passé vers la porte de la Source et l'étang du Roi, mais il n'y avait pas assez de place pour ma monture pour traverser*" **Neh. 2/14.** La porte de la Fontaine semblait être la porte la plus en ruines, si bien que Néhémie cessa son inspection cette nuit-là. Cela signifie sans doute que la porte de la Source doit avoir été un centre de l'attaque concentrée pendant le siège de Jérusalem par l'armée babylonienne **2 Rois 25/4.** De même, dans le domaine spirituel de cette porte, la Source est une cible d'attaque satanique concentrée. Cela signifie que les vrais prophètes, ceux à qui viennent les Paroles de Dieu pour qu'elles abreuvent le peuple, sont les cibles privilégiées de l'ennemi. «La porte de la Source » a été réparée par le fils de Shallun du Col-hozeh, souverain de l'arrondissement de Mitspa. Il l'a reconstruit, couverte et a mis les portes et les verrous en place. Il a aussi réparé le mur de la piscine de Siloé, près du jardin du Roi. Le fils de Néhémie Azbuk, souverain d'un demi-district de Beth Zur, a fait des réparations jusqu'à un point situé en face du tombeau de David. A côté de lui, Ezer, fils de Josué, souverain de Mitspa, a réparé une autre section, face à la montée à l'arsenal jusqu'à l'angle **Ne.3: 15-19.** Un certain nombre d'emplacements sont associés à la porte de la Source (ou Fontaine):
Piscine de Siloé / Siloé **Ésaïe 8:6; Jn. 9:7**.
Le Jardin du Roi **(Cantique des Cantiques 4:12-16; Esa. 58:11-12; Jn. 15:1-8.**
Étapes à Sion **Neh.12:37; Ps. 87:2; He. 12:22.**
Tombes de David **2 Chr.32: 33; Actes 2:25-32.**
La Maison des Héros **2 Sa.23 :8-39; 22:32-51**.
L'Armurerie **Ro.13: 12; Eph.6 :11-17.**
La porte de la Source tire son nom du fait qu'elle était le principal accès à la source - Le Printemps Gihon, seule source qui donnait son eau en toute saison à Jérusalem. Cette source représente la source de la vie même de Dieu **Ps. 36:9; Isa.8: 6.** Avant la

captivité, Jérémie a prophétisé: «*Mon peuple a commis un double péché: Il m'a abandonné, la source d'eau vive, et a creusé ses propres citernes, des citernes crevassées qui ne retiennent pas l'eau*" **Je.2: 13.**
De tous les péchés de Jérusalem, ces deux ont été choisis par Dieu comme les plus graves et ces deux péchés restent les plus graves dans l'Église:
1° Abandonner la source d'eau vive **Jn. 17:5-8,13.**
2° Construire des citernes crevassées **Jn 14:3-4; 38:6; Ge. 37:24; Zach. 9:11.**
Une citerne peut ressembler à un puits dans le sol, mais elle ne produit pas de l'eau elle-même. L'eau a été introduite dans la citerne en venant d'une autre source. Une citerne détient un stock d'eau pour une utilisation ultérieure. Le Seigneur compare ceux qui ont confiance dans leurs propres ressources à ceux qui construisent des citernes crevassées - Jésus nous a encouragés à venir à Lui-même la Source d'Eau Vive **Jean 4:10-14.** «*Le dernier et le plus grand jour de la fête, Jésus Se leva et dit d'une voix forte:« Si quelqu'un a soif, qu'il vienne à moi et qu'il boive. Quiconque croit en moi, comme dit l'Écriture, les ruisseaux d'Eau Vive couleront de son sein »* **Jn 7:37-38.**
Telle est l'expérience accessible par la porte de la Source. On y trouve l'Eau de Vie, et la fécondité qui en résulte **Ge.49: 22**. En outre, c'est à la Source d'Eau Vive que l'Esprit Saint vient rechercher L'Epouse (comme illustré dans la **Genèse 24:16,42-45**; voir aussi **Apoc.22: 17.**

7 La Porte de l'Eau

« *... et les Néthiniens* (les fonctionnaires du Temple) *demeurant sur la colline* (d'Ophel, colline sur laquelle se trouvait le palais du roi David) *firent des réparations jusqu'à un point situé en face de la porte de l'eau vers l'Est et la tour en saillie* » **Neh.3: 26.**
Dans l'Ecriture, l'eau représente la Parole de Dieu **Jean 15:3; Eph.5: 26; He. 10:22.** Et la Parole de Dieu a été étroitement associée à la porte des Eaux. Notez également que ce sont les fonctionnaires du Temple vivant sur la colline de l'Ophel, le Mont Sion, qui ont travaillé à la réparation de la Porte de l'Eau.
«*... tout le peuple assemblé comme un seul homme sur la place devant la porte des Eaux. Ils ont dit à Esdras, le scribe, d'apporter le livre de la Loi de Moïse, que l'Éternel avait ordonné à Israël. Alors, le premier jour du septième mois, le sacrificateur Esdras apporta la loi devant l'assemblée, qui était composée d'hommes et de femmes et de tous ceux qui ont été en mesure de comprendre. Il l'a lu à haute voix de l'aube jusqu'à midi, devant la place qui est en face de la Porte de l'Eau, en présence des hommes, des femmes et de tous ceux qui pouvaient comprendre. Et tout le peuple écoutait attentivement le livre de la loi »* **Neh. 8:1-3.** La date enregistrée pour le commencement de cette lecture était le premier jour du septième mois, qui était le début de la Fête des Trompettes **Lev.23: 24; Nom. 29:1**. Trois choses se sont passées pendant cette période:

1° Le livre a été ouvert **verset 5**.
2° Les gens étaient chacun à sa place, en ordre **verset 7.**
3° Le Verbe a été clairement exposé **verset 8.**

La plupart des gens n'avaient pas entendu l'Écriture avant **Amos 8:11,** et il y eut quatre principales réactions à la Parole:

1° L'adoration **versets 5-6**.

2° Les pleures **verset 9**.
3° Les réjouissances **versets 10-12**.
4° L'obéissance **verset 13**.

La réalité spirituelle de cette porte est également restaurée de nos jours : La Parole de Dieu est ouverte et nous agissons dans l'obéissance à cette Parole. Il a été donné au prophète majeur de notre temps d'ouvrir les Sceaux de l'Apocalypse et nous savons que nous vivons actuellement (en 2010) sous le quatrième Sceaux **d'Apoc 6/7-8** correspondants à **Matt 24/9-14**. Aujourd'hui, (en 2010), le Peuple chrétien se trouve dans la première phase : ils **adorent**. La louange prend beaucoup de place dans leurs rencontres autour de la Parole de Dieu. Mais les choses vont changer. Les **pleurs** vont venir, puis la **réjouissance** et finalement… l'**obéissance** à ce que La Bible ordonne pour l'Eglise.

8 La Porte du Cheval

«*Par-dessus la porte des chevaux, les prêtres font des réparations, chacun devant sa propre maison* » **Neh 3: 28.**
Dans la Bible, le cheval représente deux valeurs de la vie chrétienne:

1° La discipline **Jac. 3:3.**
2° La guerre **Zach 10/3-4.**

Le Seigneur qui restaure son Église exige une discipline militaire, afin que nous soyons mobilisés pour le combat **Apoc .6: 2; 19:11; 17:14.** Et chaque serviteur de Dieu doit nettoyer et reconstruire devant sa propre porte ; ce qui signifie que chacun est responsable de ce qui lui a été confié. (Chaque disciple de Jésus-Christ est serviteur de Dieu).

9 La Porte d'Inspection

« *A côté de lui, Malkijah, l'un des orfèvres, fait des réparations jusqu'aux maisons des fonctionnaires et des marchands du temple, en face de la Porte du Miphkad »* **Neh.3:31.**
Le mot hébreu utilisé comme nom de cette porte est **miphkad,** qui peut être traduit de bien des manières : "La nomination, le mandat, désigné sur place, rassemblement, la numérotation d'un recensement, d'inspection etc..." Pour cette raison, les différentes versions de la Bible traduisent le nom de cette porte de différentes façons: «la Porte de l'inspection», «la Porte de rassemblement" et "la Porte de Miphkad". Mais pourquoi cette porte appelée Miphkad? Le mot Miphkad est utilisé seulement dans trois passages. **1 Chr. 21:1-22:2.** Le Miphkad ici était le «nombre» des soldats pris dans le recensement. David était un homme de combat, il chercha à connaître la puissance humaine dont il disposait plutôt que de s'appuyer sur la force de Dieu dans la bataille, ce geste ne fut pas considéré comme un geste de foi ni par Dieu, ni par Joab **versets 1-3,6-7**. (Mais il y a aussi autre chose. En fait Dieu était **déjà** en colère contre Israël et excita

David, par l'intermédiaire de satan, a faire ce fameux recensement. Lisez attentivement **1 Chron 21/1 et 2 Sam 24/1**. Il n'y a pas de contradiction dans ces Textes. Il suffit de comprendre que satan n'est pas **l'adversaire de Dieu**, mais le nôtre. Satan est un instrument entre les mains de Dieu selon sa nature, et Dieu finira par se débarrasser de cet instrument). Pourtant Moïse avait fait deux recensements sur l'ordre de Dieu Lui-même **Nom.1 :1-2; 26:1-2**. Le résultat de la transgression de David fut le jugement de Dieu. Mais l'ange a été arrêté par Dieu à **l'aire d'Arauna.** Alors David a ordonné de construire un autel devant Dieu, et c'est là que le Temple a été construit plus tard. Alors qu'est-ce que Miphkad signifie pour les habitants de Jérusalem? Tout d'abord, cela voulait dire le recensement. Deuxièmement, et surtout, cela signifiait l'emplacement du Temple lui-même, le lieu "nommé" où l'arche finalement vint habiter **1 Chron. 22:1,6-10**.
La seule utilisation d'autres Miphkad est en **Ez.43: 21,** où il signifie «endroit désigné». La Porte Miphkad conduit dans la cour du Temple, le «rendez-vous » de la présence de Dieu.

Signal donné et cri de rassemblement

Aujourd'hui, Dieu restaure la Porte de Miphkad dans son Église, le lieu désigné pour la réunion en la Présence manifeste du Seigneur **Héb 10 :25; Mt. 18:20; Ps.133.** Ce lieu est l'Eglise qui est une ***Communauté de Vie*** selon La Parole de Dieu **Actes 2 et 4**. Et, dans les Communautés de vie, il doit y avoir un endroit où se tiennent des assemblées autour de La Bible et des ministères de La Parole. **Eph 4/11-13**.

10 La Porte d' Ephraim

Cette porte, dans l'Eglise n'est pas restaurée, mais plutôt remplie. La porte d'Ephraïm était également associée à la **Fête des Tabernacles Neh. 8,16-18,** pour la récolte de la dernière journée. Le jour central de cette fête était le **jour du Grand Pardon Lev 16 :2,12-17,** qui a également un accomplissement spirituel dans l'Église **Apoc 8:1-5.** En tant que Son Peuple, nous sommes appelés non seulement à être féconds, mais doublement fructueux **Jean 15:1-8, 14:12.**

11 La Porte de la Garde

Cette porte (également appelée la porte du roi, car elle conduit au palais) n'a également besoin d'aucune réparation **Neh 3:29; 12:39.** Il y avait deux sortes de gardes: les gardes à toutes les portes **7:1-3** et les gardiens à la Porte de la Garde **7:45,73.** Cette dernière catégorie n'est pas simplement recrutée, mais désignée comme un lignage, tout comme les prêtres, les chanteurs et les serviteurs du Temple **Neh 10:28-29,39; 12:45-47; 13:4-5.**
Il est à noter que les musiciens dans le Temple ne pouvaient pas être n'importe qui. La musique, dans le Temple est Sacrée et ne peut être interprétée que par des gens consacré par Dieu ; **car la musique est un point de contact avec des esprits mauvais ou Le Saint-Esprit**. Un musicien qui joue dans le Temple, dans la maison de Dieu, ne peut

pas être un être irrégénéré. Il doit être consacré **à** Dieu et **par** Dieu pour pouvoir jouer. Regardez l'effet que produit la musique jouée par un homme consacré **1 Sam 16/23**. Je vous laisse imaginer les effets causés par la musique jouée dans l'Eglise par des gens qui ne sont pas nés de nouveau…

12 La Porte de l'Orient

« *A côté d'eux, le fils d'Immer Zadok a fait des réparations en face de sa maison. A côté de lui, le fils de Schemaeja Schecania, la garde à la porte de l'Est, a fait des réparations* » **Neh 3:29.**
La Porte de l'Est a été une autre porte qui n'avait pas besoin de réparation. On était au milieu des trois portes qui ont conduit dans l'enceinte du Temple - les deux autres étant la porte des Eaux et de la porte de la Garde – cette porte avait une signification prophétique particulière pour le peuple d'Israël **Eze. 47:1, 10:1 -5,15-19.**
Elle représente deux choses:

1° La venue de la Gloire du Seigneur **Eze. 43:1-5; Esa. 6:1-4.**
2° La venue du Seigneur de la gloire - à la fois la première venue **Ze. 9,9-10; Lc. 19:29-49, 21:37-38; Eze.44 :1-2** et la seconde venue **Mt. 24:27; Zach. 14:3-4.**

La semaine avant sa crucifixion, Jésus a passé chaque nuit sur le mont des Oliviers. Chaque matin, il entrait par la porte de l'Est **Mt 24:1-3; Mc. 13:1-4**. Plus tard, il est monté au ciel depuis le Mont des Oliviers **Actes 1:12** et Il reviendra de la même façon qu'Il est parti **versets 10-11; Eze. 11:1-3,23.** A cette époque, Il passera à nouveau par la porte de l'Est dans la ville de Jérusalem **Psaume 24.**

Les portes qu'Hénoch a vues représentent toutes ces choses et sans doute encore bien d'autres…

CHAPITRE 75

1. Et il nomme l'Est : orient, parce qu'il est le premier.
2. Le second, se nomme Sud Darom, parce que Le Tout-Puissant séjourne là, à Da'Er Rabba et demeure dans ce lieu qui est béni a jamais.
3. Le vent d'occident s'appelle encore vent de la diminution, parce que c'est de son côté que tous les luminaires célestes s'affaiblissent et descendent.
4. Et le grand quartier qu'ils appellent le Quartier Ouest, car c'est là que vont les astres des cieux ; là ils se couchent et toutes les étoiles entrent. Et c'est pour cette raison

qu'ils l'appellent couchant. Et le Nord, ils l'appellent Nord, parce qu'en lui tous les astres des cieux se cachent et se rassemblent, font leur révolution et se dirigent vers l'Est des cieux. Et l'Est ils l'appellent Est (Midnah) parce que de là s'élèvent les astres des cieux ; et [ils l'appellent] aussi Mizrah ; parce qu'ils s'élèvent. Et je vis les trois parties de la terre : l'une d'elles étaient faites pour que les fils des hommes y demeurent ; et l'une d'elles pour toutes les mers, et les rivières ; et l'une d'elles pour les déserts, pour les sept et pour le Paradis de Justice.

5. Je vis sept montagnes plus hautes que toutes les montagnes de la terre, et la neige descend sur elles, les jours, les saisons, et les années s'y écoulent.

6. Je vis sept fleuves sur la terre, plus grands que tous les autres fleuves ; l'un coule de l'occident à l'orient, et va se jeter dans la grande mer.

7. Deux autres coulent du nord à la mer, et vont se jeter dans la mer Érythrée, vers l'orient. Quant aux quatre autres, deux coulent du nord vers la mer Érythrée, les deux derniers vont se jeter dans la grande mer.

8. Je vis sept grandes îles sur cette mer, deux proches de la terre, cinq dans la grande mer.

Commentaire du chapitre 75.

Hénoch regarde la représentation de ce qui est dans notre système créé. Il nous donne la définition des quatre manifestations de la spiritualité qui sont sur terre depuis que sa parole prophétique est sortie. Il les nomme comme on nomme les quatre points cardinaux. **Est** (L'Orient) ;

Est : L'Est représente les tribus d'Israël qui ont vu venir à elles le Messie. Il est le Soleil levant et ces tribus auraient dû dépendre de Lui seul.

Sud : Le Sud représente La bénédiction que Dieu répand sur les tribus du Sud. Jérusalem se trouve dans le Royaume du Sud. Le Sud représente la présence de Dieu. **Lév 1/11**.

Ouest : L'Ouest désigne la multitude des nations. Le christianisme majoritairement impur est inspiré par des anges en déclin qui se trouvent sur le versant Ouest. C'est le couchant.

Nord : Le Nord est la partie de ce monde où la terrible mort s'est abattue sur Israël juste avant que s'accomplissent les prophéties annonçant son retour dans son pays, à l'Est. Au Nord, Israël se cache, il ne fait pas bon être Juif, même de nos jours. Mais les astres font leur révolution et s'élèvent. C'est ce qui se passe de nos jours. Tous ceux qui s'élèvent contre Israël seront abaissés, détruits par Le Dieu Tout-Puissant. Puis Hénoch voit les trois parties de la terre. Maintenant, il nous faut le secours de l'esprit de prophétie pour pouvoir comprendre ces Choses. Les mots terre ou monde, dans La Bible comme dans Hénoch, signifient tout aussi bien notre terre que le cosmos. C'est ainsi que la première partie de la terre qu'Hénoch voit est la terre ferme des vivants. La deuxième partie concerne les mers ou les cours d'eau qui sont les lieux des morts. Ce sont des lieux immensément grands sans stabilité, c'est un monde

mouvant (eau). Ce ne sont pas seulement les endroits où sont les morts tels que nous l'entendons, c'est aussi l'endroit où les gens se croient vivants alors qu'ils sont morts spirituellement. Là où est assise la prostituée (l'église catholique et ses dignes filles, protestantes, évangéliques et autres.) Ce sont les eaux de la mort spirituelle. Puis il y a une troisième partie de la terre : les lieux déserts. Ce sont des endroits (spirituels) qui sont réservés aux anges déchus en attendant le jugement. C'est là où les vrais serviteurs de Jésus chassent les démons. **Matt 12/43. Hénoch 10/6**

6. *« Puis le Seigneur dit à Raphaël : Prends Azaël, lie-lui les pieds et les mains ; jette-le dans les ténèbres ; et abandonne-le dans le désert de Dudael. [var.G* ***ouvre le désert*** *qui est à Dadouël et jette-le dedans »]*

Et **Hénoch 58/8-9**.

8. *« Le monstre mâle se nomme Béhémoth ; il roule ses replis tortueux dans un désert désolé, rendu informe et vide.*
9. *Son nom était Duidâin [ou Dudagin] à l'orient du jardin où habiteront les élus et les justes, et où fut placé mon aïeul, le septième après Adam, le premier homme créé par le Seigneur des esprits ».*

Puis Hénoch parle à nouveau des sept montages et nous reconnaissons là les sept montagnes qu'Hénoch avait vues dans le **chapitre 24.** Puis Hénoch nous décrit sept fleuves qui entrainent les morts vers leurs lieux, suivant leur nature profonde. Alors il y a le premier fleuve. Il coule de l'Ouest à l'Est. C'est celui qui a entraîné les gens dans la mort par le déluge. Si vous lisez **Daniel 7** ; vous verrez qu'il y a, encore de nos jours, quatre monstres féroces. Ces monstres-là conduisent les peuples sans foi ni loi dans la destruction. Ces esprits ont agi pour la première destruction, par le déluge d'eau, et ils agissent aujourd'hui, conduisant les foules vers la destruction par le feu, par l'étang de feu. Et ces esprits féroces conduisent les gens décédés dans des lieux qui sont, en quelque sorte, des réserves en attendant le jugement final. Certains peuvent sortir de ces endroits en écoutant la prédication de l'Evangile. Ils sont alors enlevés sur les hauteurs. Jésus a ouvert ce chemin en allant prêcher l'Evangile aux morts **1 Pierre 3/18-20**. Car c'est L'Évangile du salut que Jésus a prêché dans cet endroit **1 Pierre 4/6**. Ces gens qui avaient vécu **selon la chair et non par l'esprit** sont morts et sont descendus dans les lieux qui leur étaient réservés. Mais, en écoutant l'Evangile pêché, certains se sont repentis et ont pu sortir de ces lieux de captivité **Eph 4/8-9**. Ainsi, conformément à ce que Pierre enseigne, il y a des gens qui meurent et sont jugés quant à la chair, puis après avoir entendu l'Evangile dans le séjour des morts, ils peuvent vivre selon Dieu quant à l'esprit **1 Pierre 4/6**. Jésus-Christ a été le premier à descendre dans ce lieu pour y prêcher. Il a ouvert la porte. Depuis qu'il y est allé, la porte est ouverte et chaque authentique enfant de Dieu s'y rend par l'Esprit durant les trois jours qui suivent son décès sur terre. Ils y vont pour y faire ce que Jésus y a fait. Nous avons à faire absolument tout ce qu'Il a fait. (À part le sacrifice en croix pour le péché.) Mais il est évident que, comme Jésus l'a dit : Cependant, cela est réservé à ceux qui croient correctement en Lui et pratiquent Ses lois et Ses ordonnances **Jean 14/12**. Si vous n'êtes pas en ordre avec Dieu, il ne faut pas vous amuser à jouer avec ce qui concerne le monde des morts. Quand Jésus y est allé, Il a prêché à une certaine catégorie de personnes mortes **1 Pierre 3/20** et chaque authentique disciple croyant en Jésus va dans ce séjour des morts pour prêcher l'évangile à une certaine autre catégorie de personnes. Les autres fleuves vont du Nord vers l'Est. Le Nord est le septentrion. Le

sacrificateur devait égorger au côté septentrional de l'autel. Il tournait ainsi le dos au Nord et se trouvait face à Dieu au Sud. **Lév 1/11**. Le Nord symbolise donc la mort. La victoire finale sera contre le dernier ennemi, la mort. Les fleuves qui coulent vers le Nord entrainent en eux les gens décédés, les morts. Quand Dieu rejeta le Temple, Il se manifesta depuis le côté du Nord **Ezech 1/4.** Quand les gens méchants meurent, ils sont emportés par l'un ou l'autre fleuve qui vient du Nord, de la mort. Et ses fleuves les jettent dans leur lieu selon leur prédestination. Mais c'est toujours la mort. Les disciples de Jésus ne voient pas ces premiers fleuves. **Jn 11/26**. Ils ne meurent pas, ils sont conduits par les quatre derniers fleuves dans deux lieux de réserves. **L'un** est représenté par la mer Erythrée qui est à l'Orient. Ce sont ceux qui auront été les vainqueurs dans les sept âges **Apoc 2 et 3**.

L'autre lieu est aussi à l'Orient. C'est le lieu où resteront les Chrétiens qui n'auront pas été corrects durant leur vie terrestre. Ils attendront dans un lieu jusqu'au jour de la première résurrection. Ce lieu est représenté sous les yeux d'Hénoch comme la grande mer.

Il y a donc sept fleuves:

Un qui coule de l'ouest à l'est.

Deux qui coulent du Nord vers l'Est. La mort les entraine vers le lieu où aura lieu la première résurrection en vue du jugement.

Quatre qui coulent du Nord vers l'Orient, vers deux endroits différents qui sont le salut chacun selon son rang.

Les sept îles qu'Hénoch voit sont des possibilités de vie après la mort. Ces îles ne sont pas toutes situées de la même manière. Tous les gens qui quittent la terre n'ont pas la même espérance. Mais tous ont un espoir qui leur est présenté. L'Evangile est annoncé aux morts. C'est comme une îles plus ou moins éloignée de sa propre nature et qui se présente comme un endroit stable (île) au milieu de ce qui est mouvant (eau).

CHAPITRE 76

1. Les noms du soleil sont : Oryâres et Tomâs.
2. La lune a quatre noms : le premier est Asonia, le second Ebla ; le troisième Benâcé, et le quatrième Erâ'e.
3. Tels sont ces deux grands luminaires, dont les orbites sont comme les orbites du ciel, et dont les proportions de leurs deux orbites sont égales.
4. Dans le disque du soleil, il y a sept parties de lumière, qui sont réfléchies par la lune. Ces sept parties vont frapper la lune jusqu'à la dernière. Ils sortent par la porte de l'occident, après avoir éclairé le septentrion, et reviennent dans le ciel par la porte de l'orient.

5. Lorsque la lune se lève, elle apparaît dans le ciel ; et elle est éclairée par la moitié de la septième partie de sa lumière.
6. Cette lumière se complète de plus en plus chaque jour jusqu'au quinzième jour jours, et durant ce jour sa lumière est complète.
7. Et elle guide ses phases par demi-septième. La lune alors réfléchit toute la lumière qu'elle reçoit du soleil.
8. Dans sa décroissance sa lumière perd de son intensité. Le premier jour elle a quatorze parties, et le deuxième jour treize parties et le troisième jour douze parties., et le quatrième jour onze parties, et le cinquième dix parties, et le sixième neuf parties, et le septième huit parties, et le huitième sept parties, et le neuvième six parties, et la dixième cinq partie, et le onzième quatre parties, et le douzième trois parties, et le treizième deux parties, et le quatorzième elle décroît de la moitié du septième, et tout ce qui lui reste de lumière disparaît complètement le quinzième jour.
9. En certains mois, la lune a vingt-neuf jours. [pour compenser]
10. Il y a d'autres mois où elle n'a que vingt-huit jours.
12. Uriel me révéla encore une autre loi [un calcul plus poussé]. C'est la manière dont la lumière émanant du soleil vient [sur quel côté] se répandre sur la lune.
13. Pendant tout le temps que la lune progresse dans sa lumière, elle s'avance devant le soleil, jusqu'à ce qu'au bout de quatorze jours [elle rayonne] sa lumière devienne pleine dans le ciel.
14. Mais quand elle décroît, ou que cette lumière [s'élève] dans le ciel, le premier jour s'appelle nouvelle lune, parce que c'est dans ce jour qu'elle recommence à recevoir la lumière du soleil.
15. Elle se trouve complète, le jour où le soleil descend à l'occident, pendant que la lune monte à l'orient pendant la nuit.
16. Alors la lune brille pendant toute la nuit jusqu'à ce que le soleil se lève avant elle ; alors la lune s'évanouit devant le soleil.
17. Du côté où sort la lumière de la lune, elle décroît encore, jusqu'à ce qu'elle soit complètement éclipsée ; alors son temps est terminé.
18. Alors son disque est vide et sans aucun éclat.
19. Pendant trois mois elle accomplit son cycle en trente jours, et pendant trois [autres] mois, elle l'accomplit en vingt-neuf jours.
20. Et pendant trois mois elle a une période de trente jours, et pendant trois mois, une période de vingt-neuf jours.
21. C'est dans le premier temps qu'elle opère sa décroissance, et par la première porte en cent soixante-dix-sept jours et pendant trois mois elle apparaît vingt-neuf jours. La nuit, elle apparaît pendant vingt jours comme une figure d'homme, et dans le jour, elle se confond avec le ciel et il n'y a rien d'autres en elle que sa seule lumière.

Commentaire du chapitre 76.

Au chapitre **76**, il y a sept montagnes, sept paradis, sept fleuves qui symbolisent la mort. Dans ce qu'Hénoch voit ici, il y a des demi-septièmes. L'équilibre est parfait entre ce qui concerne les morts et les vivants, il y a sept et sept. Pourquoi sept demis ? Parce qu'il y a sur terre la présence de deux peuples de Dieu. Le peuple de la Loi de Moïse et le peuple de la grâce de Jésus-Christ. Sur terre, les peuples de Dieu se comportent de

manière à refléter la Gloire de Dieu. Pendant la nuit d'Israël, la lumière des disciples de Jésus brille devant les hommes de la terre **Matt 5/16**. La nuit d'Israël a commencé le jour où Jésus est monté au ciel. **2 Cor 3/14-16**. C'est alors que la vraie Eglise se montre comme la pleine lune pendant l'absence du Soleil (de Jésus-Christ). Maintenant, nous attendons le retour de Jésus-Christ, le Soleil de Justice. Quand Il paraîtra dans toute Sa Gloire, alors la lune, l'Eglise, sera face au Soleil et tous verront alors qui reflétait la Lumière de La Vérité. Ce que nous sommes sera alors manifesté. **1 Jn 3/2**. Quand un Juif se donne à Jésus-Christ, c'est ce qui compense entre vingt-neuf, vingt-huit et trente jours. Un Juif qui devient disciple de Jésus-Christ est un reflet qui étonne même les anges et glorifie Dieu plus que tout dans le ciel et sur la terre. Car, en vérité, le voile qui est sur le peuple juif aujourd'hui est un voile placé par Dieu Lui-même. **2 Cor 3/15-16.** C'est donc un double miracle de la perfection de Dieu.

CHAPITRE 77

1. Et maintenant, mon fils Mathusala, je t'ai tout fait connaître ; et la description du ciel est accomplie.
2. Je t'ai fait voir le cours de tous les globes lumineux qui président aux saisons, aux différents temps de l'année, et leurs diverses influences [pouvoirs], produisant les mois, les semaines et les jours. Je t'ai également fait voir les décroissements de la lune, qui ont lieu à la sixième porte, car c'est à cette porte que la lune perd sa lumière.
3. C'est par là que commence la lune ; c'est aussi là qu'elle finit à époque certaine, lorsqu'elle a parcouru cent soixante-dix-sept jours, c'est-à-dire vint-cinq semaines et deux jours.
4. Sa période est plus petite que celle du soleil ; elle a cinq jours de moins par semestre.
5. Quand elle se trouve dans son plein, elle présente la face d'un homme. C'est ainsi que me l'a fait connaître Uriel, le grand ange qui la régit [qui est leur guide].

Commentaire du chapitre 77.

La vraie Eglise n'a pas brillé pleinement durant tout le temps où Jésus règne depuis le ciel. Elle a décru et elle est en train de croître de nos jours. La lumière est en train d'être rétablie et elle sera à son maximum juste avant l'apparition de Jésus qui viendra enlever Son Epouse du sein de Son Eglise. La vraie Eglise rétablie de Jésus-Christ présentera au monde l'Image de Jésus-Christ parfaitement. Elle sera dans sa plénitude comme Jésus était la plénitude de Dieu sur terre. Elle fera les mêmes choses qu'Il faisait alors. Elle aura Sa sagesse et se comportera comme Lui avec un amour et une puissance parfaite. Cela ne durera que très peu de temps. Le chiffre six me semble être celui qui convient. La vraie Eglise restaurée pleinement se manifestera durant six mois, six semaines ou six

jours. Le dernier jour, (semaine ou mois) la face de L'Epouse sera comme celle du Fils de l'Homme). Le monde sera en pleine nuit profonde. Les ténèbres diaboliques seront à l'œuvre sur terre comme jamais avant ce temps-là. Le quatrième Sceau de **l'Apocalypse 6/7-8** est déjà brisé et **la mort et le séjour des morts sont déjà lâchés sur terre**. Ils ont le pouvoir sur le quart de la terre, pour faire périr les hommes par l'épée, par la famine, par la mortalité (suicides), et par les bêtes sauvages de la terre (virus). **Matt 24/9-14** s'accomplit de nos jours. **Matt 24/9-14** est la prophétie que Jésus donne pour notre époque et qu'Il reprend en **Apoc 6/7-8.** « ***Alors, on vous*** *(les Juifs et les Chrétiens)* ***livrera aux tourments, et on vous fera mourir ; et vous serez haïs de toutes les nations, à cause de Mon Nom***. » Les Juifs ont vécu de véritables horreurs et le peuple des vrais chrétiens engagé à suivre Le Maître est persécuté dans presque tous les pays musulmans Il l'est aussi dans tous les autres pays totalitaires. Il n'y a pas un jour sans que des chrétiens soient mis à mort à cause de leur foi en ce début de 21ème siècle.

« ***Alors aussi plusieurs succomberont, et ils se trahiront, se haïront les uns les autres.*** »

C'est également ce qui arrive, malheureusement, car la foi de beaucoup n'est que superficielle et devant la somme de souffrances, un grand nombre abandonnent.

« ***Plusieurs faux prophètes s'élèveront, et ils séduiront beaucoup de gens*** »

La religion Islamiste et son faux prophète gagnent du terrain dans les pays les plus pauvres en proposant de l'aide humanitaire. Dans nos pays civilisés, cette religion gagne aussi du terrain car les Chrétiens tièdes ou refroidis, souvent déçus par le christianisme formel, se tournent vers l'Islam. Cette religion séduit beaucoup de gens. Mais il n'y a pas qu'elle. Beaucoup de faux prophètes se lèvent. Ce sont des hommes et des femmes sans grande culture Biblique, mais qui ont un charisme naturel. Ils s'autoproclament prophètes et attirent des foules avec des 'miracles-mensongers' ressemblant beaucoup à des transes ou à des expériences extatiques. C'est la foire aux émotions et aux superstitions charnelles. Ce sont des prophètes animés, très souvent, par la soif de l'argent et du pouvoir. Ils séduisent des femmes mal affermies ou des gens à la conscience flétrie qui ignorent les bases toutes simples de l'Evangile de la Grâce en Jésus-Christ. Ce sont généralement de beaux parleurs qui jouent sur les émotions et insistent beaucoup sur le pouvoir de la musique jouée par des esprits profanes dans leurs réunions.

« ***Et parce que l'iniquité se sera accrue, l'amour du plus grand nombre se refroidira***. »

De nos jours, on ne connait plus très bien la valeur du mot 'aimer'. La fidélité n'est pas le fort de nos contemporains. La superficialité des sentiments est navrante. Quand on les entend se dire « je t'aime de l'amour du Seigneur » ou « je t'adore », il ne faut pas les croire. Ces mots dans leur bouche ne veulent presque plus rien dire. Ils t'adorent aujourd'hui, et te jettent demain. C'est l'esprit de la société de consommation. Dans ces religions dites 'Chrétiennes', on a des amis à usage unique, comme on a des rasoirs, des savonnettes ou des brosses à dents à usage unique. Et puis… il y a les amis Facebook….

« ***Mais celui qui persévérera jusqu'à la fin sera sauvé***. »

De nos jours on ne sait plus ce que c'est que de persévérer. Dans l'Eglise de Jérusalem, ils persévéraient dans l'enseignement des apôtres, dans la communion fraternelle, dans la fraction du pain, et dans les prières. **Actes 2/41**.

Persévérer dans l'enseignement des apôtres ? On ne lit plus La Bible. Dans les églises, on prêche seulement sur des doctrines de base et sur des Textes choisis pour leur facilité à être compris.

Persévérer dans la communion fraternelle ? Les Chrétiens ne se connaissent même plus. Ils s'assoient les uns à côté des autres et écoutent 20 minutes un bon pasteur après avoir chanté (et dansé) pendant deux heures jusqu'à en être épuisés. Ils ne vivent plus ensemble comme l'a ordonné Jésus-Christ. Et il y a donc parmi eux beaucoup d'indigents contrairement à l'Eglise du début, à Jérusalem. **Actes 4/34**.

Persévérer dans la fraction du pain ? Beaucoup ne prennent plus la Cène ou la prenne indignement, c'est-à-dire : sans discerner le Corps de Christ **1 Cor 11/29-30**. Ils ne discernent pas que les frères et sœurs sont le Corps de Christ. S'ils le discernaient, ils ne se sépareraient jamais de ce Corps, ils l'aimeraient et en prendraient soin. Non, ils prennent un morceau de pain et boivent une gorgée de vin et s'imaginent avoir fait la volonté de Dieu. Et puis, il y a tous les dégoûtés des églises qui restent chez eux à regarder le culte à la télévision. Croyez-vous qu'ils persévèrent dans la fraction du pain ? Ils sont des dizaines de milliers dans ce cas.

Persévérer dans les prières ? Ils ne prient presque pas. Certains se moquent même de nous parce que nous remercions Dieu à table lors de chaque repas. Et quand ils prient, c'est souvent en cas d'urgence, ou pour 'passer commande' auprès de Dieu. Quand ils prient, c'est tout seul. Combien d'hommes ne prient pas avec leur épouse. Et puis il est notoirement connu que les églises qui ont cent membres au Culte le dimanche matin, n'ont plus que quinze grand-mamans à la réunion de prière du jeudi soir. (Dieu bénisse ces grand-mamans, c'est beaucoup grâce à elles que la Vie est encore là !)

« ***Cette Bonne Nouvelle du Royaume sera prêchée dans le monde entier, pour servir de témoignage à toutes les nations. Alors viendra la fin***. » **Matt 24/14.**

Jamais l'Evangile n'a autant été annoncé ! Il est prêché presque partout. La télévision porte le message dans les maisons et internet entre dans des centaines de millions de foyers en apportant le témoignage de l'Evangile de Jésus-Christ. Cela pourrait nous sembler réconfortant. **Mais la réalité est la suivante** : En cette fin des temps il n'est pas annoncé pour que des gens soient sauvés. Il est annoncé pour servir de témoignage dans toutes les nations. Dieu veut que tous connaissent la Bonne Nouvelle du salut parfait en Jésus-Christ. Et quand le jugement viendra, tous ces gens n'auront ainsi rien à dire pour leur défense. Ils ont entendu et ils ont pu se procurer un Nouveau Testament. De nos jours, on peut en acheter un pour la valeur **d'un euro**. C'est à la portée de tout le monde dans le monde entier. Devant le Trône Blanc, toute bouche sera fermée. La fin dont Jésus parle là, c'est **la fin du temps des nations**. **Matt 24/14**. Il ne parle pas encore de

la fin du monde. D'abord, L'Epouse de Jésus sera enlevée de la terre. Les Chrétiens tièdes et les païens resteront sur terre pendant 7 ans sous le gouvernement mondial de l'anti-Christ, le fils du diable. Puis il y aura un règne de 1000 ans avec Jésus. Il règnera avec une barre de fer dans les mains **Apoc 12/5**. Ce ne sera plus le doux Jésus plein de compassion que nous connaissons aujourd'hui. **Plus de nation !** La fin du temps des nations, c'est ce qui va arriver prochainement. Les choses se mettent en place en ce moment sous vos yeux. Les voyez-vous ? La lune, la vraie Eglise donne sa lumière de plus en plus forte pour servir de témoignage à notre génération. Mais les ténèbres sont grandes sur la terre. Voilà ce qu'Uriel a montré à Hénoch en son temps et voilà ce qu'il m'inspire à vous donner à cette heure-ci de l'histoire du monde. C'est à vous de voir… ou de fermer les yeux.

CHAPITRE 78

1. Dans ces jours-là, Uriel me dit : Et maintenant, mon fils, je t'ai tout montré, ô Hénoch.
2. Je t'ai tout révélé. Tu vois le soleil, la lune et les anges qui dirigent les étoiles du ciel, qui président à leurs mouvements, à leurs phases, à leurs rotations.
3. Aux temps des pécheurs, les années seront écourtées [abrégées].
4. Leurs semences tarderont dans les champs et dans les campagnes ; les travaux de terre seront bouleversés, rien ne viendra pour eux en son temps. La pluie restera dans les airs, et le ciel sera d'airain.
5. En ce temps-là les produits de la terre seront tardifs ; ils ne fleuriront point en leur temps, et les arbres retiendront leurs fruits.
6. La lune changera son cours, elle n'apparaîtra point en son temps ; du haut du ciel la stérilité apparaîtra et arrivera sur un char venant de l'occident et elle rayonnera extraordinairement, plus que [ne le permet] la loi de la lumière. De nombreux chefs des étoiles transgresseront l'ordre établi, se détournant de leur orbite accoutumée, ils erreront dans l'espace et leurs œuvres n'apparaîtront pas aux temps qui leurs sont imposés. Et l'ensemble des lois des étoiles sera caché aux pécheurs, et les pensées des habitants de la terre seront confuses à leur sujet.
7. Et les anges qui les régissent ne seront point-là pour les faire rentrer dans leur route ; et toutes les étoiles se soulèveront contre les pécheurs.
8. Les habitants de la terre seront confondus dans leurs pensées ; ils pervertiront toutes les voies.
9. Ils transgresseront les commandements du Seigneur et se croiront des dieux; cependant le mal ne fera que se multiplier au milieu d'eux.
10. Mais le châtiment céleste ne se fera pas attendre, il viendra sur eux dans le but de les faire tous périr.

Commentaire du chapitre 78.

En lisant ce commentaire, n'oubliez pas qu'un livre, au temps de l'apôtre Jean, **c'est un rouleau**. Le verset un est très significatif. Il pourrait être traduit ainsi : « *Voici, moi, Uriel, je t'ai révélé tous les mystères des Cieux*. » Et nous savons que ce qui est aux Cieux a son pendant sur la terre. Le Livre d'Hénoch est donc indispensable au rétablissement de toutes choses. Ce qu'ont dit les sept tonnerres est **un mystère** que Jean n'a pas écrit dans La Bible. Il aurait pu l'écrire pour nous le faire connaître, car il a entendu ce qu'ils ont dit. Mais l'ordre lui a été donné de ne pas écrire ce que les sept tonnerres avaient dit. **Apoc 10/4**. Nous savons que ce qu'ils ont dit est caché dans La Bible et que ce n'est que par révélation que ces choses peuvent être vues. Nous n'avons pas le droit d'ôter ou de rajouter **au livre de l'Apocalypse de Jean**. **Apoc 22/18**. Mais, quand cet ordre a été donné à Jean, le livre que nous appelons **La Bible**, n'existait pas encore. **Maintenant, Dieu veut que le livre d'Hénoch soit ajouté au canon des Ecritures Saintes.** Le livre d'Hénoch est inspiré par Dieu. Il révèle le mystère de Dieu qui avait été caché, qui avait été tenu « apocryphe ». Mais rien de ce que le livre d'Hénoch dit n'est contraire à ce que La Bible dit. La voix des sept tonnerres se trouve en toutes lettres dans un Psaume de David. Lisez le **Psaume 29/3** et vous y trouverez la voix des sept tonnerres. Cette **Voix (1°)** qui retentit sur les eaux : les eaux étant les symboles des peuples. **Verset 3**. Cette **Voix (2°)** est Puissante **Verset 4**. Il n'y a plus de puissance pour s'opposer à Dieu et à Sa volonté. Cette **Voix (3°)** est Majestueuse. **Verset 5**. Elle est majestueuse et force même Ses ennemis à se mettre à genoux. Cette **Voix (4°)** brise les Cèdres. **Verset 6 et 7**. Les Cèdres sont des arbres. Les arbres sont les hommes. La cognée est mise aux arbres depuis Jésus **Matt 3/10** et quand le septième ange d'**Apoc 10/4-7** fait entendre sa voix, les arbres tombent définitivement sous le coup du jugement juste de Dieu, il n'y a plus de délai. Cette **Voix (5°)** fait jaillir des flammes de feu. **Verset 7**. Cette **Voix (6°)** fait trembler le désert de Kadès. **Verset 8**. Le désert de Kadès est sur la route où l'eau est sortie pour abreuver Ismael. Ce lieu tremblera. (Ce lieu, ou ce peuple d'ânes sauvages ? **Gen 16/12-14**. Cette **Voix (7°)** fait enfanter les biches et dépouille les forêts. **Verset 9**. Elle engendre la peur et la destruction.

Et vous avez ainsi les sept tonnerres ici, dans la Bible !

Quand cette Voix tonne, c'est la fin comme ça a été la fin lors du déluge **Verset 10.** C'est la fin, c'est le jugement, et donc le règne éternel. C'est aussi Son Peuple fortifié, béni et heureux. **Verset 10-11**. Nous sommes encore sous le quatrième Sceau d'**Apoc 6/7-8**. (Mais le septième ange, William Branham, a déjà ouvert les sept Sceaux pour révéler le contenu de ce qui était écrit dessous). Les Sceaux **5**, **6** et **7** peuvent maintenant être connus du peuple de Dieu. Mais ce qui est écrit à l'intérieur de ce livre, sous le **4**ième, **5**ièm, **6**ièm et **7**ième Sceaux n'est pas encore accompli dans le temps. Le septième est encore très mystérieux. Nous savons que c'est la manifestation de l'Epouse aux yeux de tout ce qui existe. Nous savons que c'est l'accomplissement de ce qui est déjà écrit dans la Bible, mais tenus caché à la conscience de ceux qui n'ont pas d'œil pour voir.

Comme il était question de Jésus dans les Ecritures **Luc 4/16-21**, il est aussi question de nous dans la Bible, mais cela est encore tenu caché car l'heure n'est pas encore venue pour être manifesté. **1 Jn 3/2**. Ce qui est arrivé avec le premier prophète se reproduit avec le dernier prophète majeur de la fin. Hénoch a été le premier prophète de Dieu.

Uriel lui a tout montré et il a tout écrit, puis cela a été caché de par la volonté de Dieu. De nos jours ce livre sort de l'ombre de Dieu. Il vient à la connaissance de qui veut être juste maintenant, à la fin du temps des nations afin que ceux qui ont des yeux pour lire le lisent. Jean, sur Patmos a vu un petit livre écrit **en dedans** et **en dehors**. Il était scellé de sept Sceaux. (N'oubliez pas qu'un livre, au temps de l'apôtre Jean, c'est un rouleau.) Personne ne pouvait ouvrir ce livre. Il n'y eut que Jésus pour l'ouvrir, car Lui seul était digne. **Apoc 5/1-5.** L'Ecriture au dos du livre était partiellement cachée car le livre était roulé. Mais quand Jésus, le Lion l'a ouvert, toutes choses devinrent claires. Ce sont les choses sacrées dont Junior Jackson a parlé quand il raconta sa vision à frère Branham:

« **J'ai rêvé qu'il y avait une grande colline entourée de belles prairies verdoyantes. Au sommet de cette colline où l'eau avait raviné le sol, il y avait un rocher qui formait comme le sommet de la montagne. Il n'y avait pas d'herbe. L'eau, en coulant, avait gravé des sortes de caractères sur ces pierres. Les frères de Georgie et ceux d'ailleurs, nous nous tenions là, vous écoutant interpréter cette écriture mystérieuse qui se trouvait sur les pierres de cette montagne. Vous avez ensuite ramassé quelque chose qui se trouvait comme en l'air, quelque chose ressemblant à un levier ou à un pied de biche. Vous avez frappé le sommet de cette montagne, l'avez coupée tout autour et vous en avez soulevé le capuchon. Il était en forme de pyramide. Et vous avez complètement détaché le sommet. Là dessous se trouvait de la pierre blanche, du granit, et vous avez dit : « le soleil ou la lumière n'a encore jamais brillé là-dessus. Venez regardez. Observez ceci.** »

Pendant que les pasteurs regardaient cela, dit-il, du coin de l'œil il observa le frère Branham. Il l'a vu se glisser de côté et se diriger vers l'ouest, vers le soleil couchant. Il montait une colline et en redescendait, puis remontait sur une autre colline et en redescendait tout en devenant toujours plus petit, pour finalement disparaître complètement de sa vue. A ce moment-là, les frères se retournèrent un peu et dirent : « A-t-il disparu ? Où est-il allé ? » Et certains partirent dans cette direction, d'autres dans celle-là, et d'autres dans une autre encore, mais très peu restèrent pour regarder ce que le frère Branham leur avait dit de regarder. (Biographie du prophète W. Branham, pages 417 et 418.)

Aujourd'hui, ce songe est accompli.

(Quelque chose de similaire s'était déjà accompli la première fois que l'esprit du prophète Elie était sur terre. Les serviteurs de Dieu se mirent à chercher Elie. **2 Rois 2/16-18.**) Le frère Branham a interprété certaines choses qui se trouvaient à l'extérieur du livre (rouleau du livre, sur les pants de cette colline), c'est-à-dire dans notre Bible actuelle. Ce qui est à l'extérieur symbolise ce que Jésus publie par écrit (dans les Ecriture visibles par tous), sans pour autant révéler la signification à tous **Marc 4/11**, **Luc 8/10**. Puis il leur montra qu'il y avait quelque chose dedans (à l'intérieur). C'était de la pierre blanche. Le blanc symbolise la pureté et la pierre symbolise la révélation. Souvenez-vous que Jésus a dit à Pierre : « T*u es Pierre et sur ce roc (*de la révélation que tu viens d'avoir*) Je bâtirai mon Eglise*. » **Matt 16/16-18**. En donnant ce songe au frère Jackson, le Seigneur a voulu que nous comprenions à quel point le ministère du

prophète Branham était important. Car Jésus allait remettre de l'ordre dans les Ecritures connues au travers du ministère de ce prophète. **Mais il a fait plus**. Il a montré que frère Branham attirait notre attention sur une révélation qui n'avait jamais brillé parmi les nations. Le prophète disait que nous devions regarder et observer ces choses. Et le songe montra ce qui devait arriver. Très peu ont écouté ce que frère Branham a dit de faire. La plupart se sont contentés de le regarder, lui. Ils ont pris aussi les Ecritures rétablies par le prophète, telles que l'Unité de Dieu, le lavage des pieds, la semence du serpent etc… (Ces choses sont les Ecritures mystérieuses qui étaient comme gravées sur les pierres de la montagne du songe de frère Jackson Junior.)

Mais **presque personne** ne s'est soucié de savoir ce qu'étaient ces pierres blanches à l'intérieur.

C'était l'ouverture des sept Sceaux de l'Apocalypse. Frère Branham est parti à l'ouest et c'est là qu'il lui a été dit miraculeusement que les sept Sceaux seraient brisés et le livre ouvert ; il les enseigna du **17 au 23 mars 1963**. Il y a presque 2000 ans, sur l'île de Patmos, une fois que ces Sceaux ont été cassés, l'apôtre Jean a pu voir ce qui était écrit **dans** le petit livre (rouleau). Il l'a écrit sous forme de symbole. Lisez **Apoc 6/1 à 17.** Puis **Apoc 8/1.** Frère Branham a interprété cela en l'alignant avec **Matt 24/1à51**. Mais il n'a rien dit sur le septième Sceau. Ou presque rien. Les sept tonnerres ont alors fait entendre leur voix. Jésus tenait le petit livre ouvert, cette fois. **Apoc 101-3**. Alors qu'il était fermé, scellé en **Apoc 5/1**. Les sept tonnerres font entendre leur voix quand Jésus cria comme un lion. Mais ce qu'on dit les sept tonnerres, Jean n'a pas été autorisé de l'écrire dans ce que nous appelons La Bible. Pourtant, ce qui n'a pas été écrit, le mystère de Dieu, s'accomplit aux jours de la voix du septième ange.

Que signifie cela ?

Le mystère, c'est nous. **Nous sommes cachés en Christ et Christ est caché aux yeux des incrédules**. Comment voulez-vous qu'ils y voient quelque chose ? Mais vient le temps, et il est proche, où L'Epouse de Dieu sera manifestée devant tout ce qui existe. L'Epouse est décrite dans le livre, dans la Bible. Mais qui l'a connue au travers des âges de l'église ? **Elle est restée le mystère de Dieu, cachée en Dieu, invisible aux humains et surtout, invisible aux esprits religieux organisés.** Elle est un mystère pour ceux qui n'ont pas la réserve d'huile sur eux. **Matt 25/4**. Beaucoup s'illusionnent, pensant que l'église est l'Epouse. Mais c'est une erreur de croire cela. Ce qui est vrai, c'est que L'Epouse sort de l'église. **Apoc 3/20**. Donc, la révélation de ce qui est écrit **en dehors** et **dans** le livre est de première importance pour être prêt pour le jour de l'enlèvement de l'Epouse. Les vierges folles, c'est-à-dire les chrétiens authentiques, mais sans sagesse, connaissent à peu près ce qui est écrit en dehors du livre, mais ils n'ont aucune idée de ce qui est écrit **dans** le livre. (N'oubliez pas qu'un livre, au temps de l'apôtre Jean, c'est un **rouleau**.) Ces choses étant dites, revenons à Hénoch, le septième depuis Adam **Jude 14**.

Ce qu'Uriel lui a montré, c'est ce que Jean a vu sur Patmos.

Uriel lui explique qu'aux jours des pécheurs les années seraient abrégées. Jésus le dit en parlant de ce qui concerne le 5 ième Sceau **Matt 24/22**. C'est la première partie de la grande tribulation. Les premiers trois ans et demi. Mais il y a une autre interprétation à

cela. Les années ne seront plus ce qu'elles ont toujours été. Les saisons seront bouleversées et nous constatons que cela est déjà commencé. Les travaux de la terre ne se feront plus aux mêmes moments qu'autrefois. Il y aura aussi des sécheresses. Nous savons que les déserts progressent de plus en plus. Et un souffle stérilisateur vient de l'Occident. Ce sont les fléaux d'**Apoc 8 et 16** qui s'abattent sur la terre. Comme un rayonnement qui me fait penser à des radiations. Et des choses étranges se produiront dans les cieux. Des signes étranges. Des choses qui pousseront les gens à adorer les êtres qu'ils verront. Cela a déjà commencé. Les incrédules appellent déjà les « extra-terrestres » des dieux créateurs. Ce sont des démons qui singent les anges en se déplaçant dans des sortes de roues comme Ezéchiel a vu les Etres Divins se déplaçant. **Ezechiel 1/16**. **Matt 24/29** nous parle aussi de la chute d'étoiles. Ce sont les esprits qui animent les orbites célestes qui seront en rébellion. Cela provoquera des chutes de météorites. Les astrologues ne comprendront plus rien. La lecture du ciel sera encore plus faussée que jamais. Voilà ce que nous montre Uriel dans ce chapitre **79.**

CHAPITRE 79

1. Et il me dit : « Hénoch, regarde ce livre, ces tablettes qui sont descendues des cieux ; lis ce qui y est écrit dessus, et prend note précisément de chaque fait. » **2.** Alors, j'observai les tablettes du ciel, et je lus tout ce qui y était écrit, et je compris tout ce qui y était écrit. En le lisant, je connus toutes les œuvres des hommes,
3. Toutes les œuvres des enfants de la chair, depuis le commencement jusqu'à la fin.
4. Et, immédiatement je louai le Seigneur, le Roi de gloire éternel, parce qu'Il a fait toutes les œuvres de la terre.
5. Et je Le célébrai à cause de Sa patience, et Le louai à cause des enfants d'Adam.
6. Et je m'écriai : « Bienheureux est l'homme qui meurt dans la justice et la bonté et auquel on ne peut opposer aucun registre de méfaits ;
7. Alors sept saints me saisirent, et, me transportant sur la terre, me déposèrent devant la porte de ma maison.
8. Et ils me dirent : « Explique toutes ces choses à ton fils Mathusalem ; annonce à tous tes enfants que nulle chair n'est juste devant le Seigneur, car Il est leur Créateur. »
9. Pendant une année entière nous te laisserons avec tes enfants, jusqu'à ce que tu recouvres ta force première et que tu sois en état d'instruire ta famille, d'écrire toutes les choses que tu as vues, et de les expliquer à tes enfants. Mais, dans la deuxième année, on t'enlèvera du milieu des tiens ; que ton cœur soit fort, car les bons annonceront les secrets de la justice aux bons, et le juste se réjouira avec le juste ; ils confesseront Dieu ensemble et se féliciteront les uns les autres. Quant aux pécheurs, ils périront avec les pécheurs ;
10. Et les pervers avec les pervers et l'apostat avec l'apostat.
11. Ceux-là mêmes qui auront vécu dans la justice mourront à cause des méfaits des hommes, et seront enlevés à cause des actions des méchants.
12. Dans ces jours, ils cessèrent de s'entretenir avec moi.
13. Et je revins à mes frères, près des miens, en louant et en bénissant le Seigneur du monde.

Commentaire du chapitre 79.

Hénoch est, je vous le rappelle, le septième depuis Adam. Il est le premier prophète de Dieu envoyé sur la terre. Et déjà il annonce que toutes les œuvres des terriens, depuis le début de leur histoire jusqu'à la fin est, non seulement connue de Dieu, **mais surtout pré-connue et écrite à l'avance sur des tablettes célestes.** Cela contrarie fortement ceux qui s'attachent à croire au libre-arbitre. Ce chapitre **79** nous apprend beaucoup de choses à ce sujet. Par exemple au verset **5**, il nous est dis qu'Hénoch loue Dieu pour Sa patience envers les enfants d'Adam. On peut lire cela avec la grille catholique, protestante et évangélique. Mais on peut le lire avec la révélation Biblique. Nous apprenons par La Bible qu'Eve est la mère de tous les vivants **Gen 3/20**. Mais jamais il n'est dit que nous avons tous Adam pour père. Adam n'ayant pas été le père de Caïn, il y a donc deux lignées. Ces lignées se sont mélangées, il est vrai. Mais Dieu connait les Siens. Observez dans toute La Bible que Caïn ne se trouve jamais dans les généalogies d'Adam. **Gen 5/1-5. Luc 3/37-38.** Croire en la prédestination ne conduit pas forcément au fatalisme. Le cœur des enfants de Dieu se savent enfants de Dieu par le Saint-Esprit qui rend témoignage de leur réelle identité à leur esprit. Un véritable enfant de Dieu sait ce qu'il a à faire pour plaire à Son Père. Il ne fera pas le mal en prétextant que tout est prédestiné. Si quelqu'un fait cela, désobéit aux Commandements de La Bible en disant qu'il ne peut pas faire autrement à cause de sa prédestination, il montre quel est l'état de son mauvais cœur. Les enfants de Dieu discernent quels sont les esprits qui habitent les gens et ne se laissent pas tromper. Ils peuvent être séduits un moment, mais, Le Seigneur les protège car Il aime les Siens et ne les abandonne jamais. Quant à ceux qui ne veulent pas croire que tout est écrit sur des tablettes (ou livres), ils croient donc qu'ils sont libres de faire leur propre volonté. Hénoch et La Bible disent au contraire que ce ne sont que ceux qui font la volonté de Dieu qui seront sauvés. **Matt 7/21**. Mais je ne veux pas m'étendre à nouveau sur ce sujet. Je l'ai déjà suffisamment développé dans les commentaires du Livre d'Hénoch et dans d'autres ouvrages également. De toute façon, que vous y croyez ou pas, cela ne change rien à votre vie. Vous devez faire la volonté de Dieu, non seulement dans les grandes lignes de votre vie, mais aussi dans les détails les plus insignifiants. Si ce que je dis là n'est pas exact, je vous prie de me dire **où se trouve la frontière** derrière laquelle je peux faire une chose que Dieu ne voulait pas que je fasse. Le choix entre faire le bien et ne pas le faire, n'est pas un choix puisque, pour être sauvé, nous devons faire le bien que Dieu veut. **Et, de plus, nous savons par les Ecritures que Dieu nous donne le vouloir et le faire. Nous savons aussi par les Ecritures que Dieu efface volontairement, pour son bon plaisir, nos transgressions qu'Il savait que nous allions faire.**

Le libre-arbitre est donc l'illusion
de ceux qui n'ont pas le pouvoir de faire, par la foi, la bonne volonté écrite de tout temps par Dieu.

C'est Dieu qui donne à Ses enfants, le vouloir et le faire. **Phil 2/13**. Les choses mauvaises que nous avons faites, alors que nous étions encore dans les ténèbres, ne figurent plus sur les tablettes. Les choses mauvaises que nous pourrions faire après avoir connu le Seigneur non plus. Il n'y a aucune condamnation pour ceux qui sont en Jésus-Christ. **Rom 8/1**. Les mauvaises choses que nous avons faites alors que nous étions dans les ténèbres ont été faites en Dieu **Jn 3/21**. Les ayant faites, nous sommes venus à la Lumière afin que, là où le péché abonde, la grâce surabonde pour la plus grande Gloire de Dieu qui fait absolument tout ce qu'Il veut. **Rom 5/20**. Et pourquoi Paul dit-il que la

Loi est venue POUR QUE l'offense abonde ? **Rom 5/20.** Il fallait que l'offense abonde **pour que** la grâce puisse abonder. Comment la grâce de Dieu aurait-elle pu se manifester, si nous n'étions pas tombés dans le péché ? Je vous en prie, cessez d'être religieux. Pensez selon ce que La Bible dit ! La religion est pleine de contradictions. La Bible est claire. Mais ce qu'elle affirme froisse les petits esprits bien-pensants. Alors ces petits esprit échafaudent des doctrines à la limite du stupide pour rassurer le bon peuple. Mais la connaissance augmente de nos jours et les églises se vident car les religieux ont trop souvent pris les gens pour des idiots juste bons à donner leur argent. Ceux qui aiment la Vérité la trouvent : la vérité se trouve dans La Bible. Mais ne l'étudiez pas avec un esprit religieux coincé dans l'optique étriquée des gens qui se bornent à répéter ce qui a été dit avant eux. Osez chercher et vous trouverez !

1° Nous étions dans les ténèbres.

2° Dans les ténèbres, nous faisions le mal.

3° Nous avons entendu la voix du Bon Berger et nous sommes venus à la Lumière.

4° Nous sommes venus à la Lumière afin que nos mauvaises œuvres soient manifestées, car elles avaient été faites en Dieu.

5° Comme ces mauvaises œuvres ont été manifestées, avouées et confessées, Dieu a pu manifester Sa grâce envers nous qui étions pécheurs repentants.

Question :

S'il n'y avait pas eu de pêcheurs, comment Dieu aurait-Il pu manifester Sa grâce ?

Dieu a donc fait intervenir la loi afin de nous plonger tous dans la désobéissance. **Rom 7/7-14**. En effet, Dieu a enfermé tous les hommes dans la désobéissance pour faire miséricorde à tous. **Rom 11/32-33**. Il n'y a donc aujourd'hui aucune condamnation pour ceux qui sont en Jésus-Christ **Rom 8/1**. Ce Texte de **Rom 8/1** réjouit le cœur de tous les enfants de Dieu. Mais ont-ils réfléchi ? Pourquoi sont-ils en Jésus-Christ ? C'est parce que Dieu les a attirés.

S'Il ne les avait pas attirés, ils ne pourraient pas être en Jésus-Christ **Jn 6/44**. **Où voient-ils le *libre-arbitre* là dedans ?**

Peuvent-ils choisir Christ ? Non. Pas plus que Caïn ne pouvait dominer sur le mal **Gen 4/7**. Ils ne le peuvent pas plus que pharaon ne pouvait attendrir son cœur **Rom 9/18**. Pas plus que les frères de Joseph ne pouvaient faire autrement que de vendre leur frère aux Madianites qui passaient par là (par hasard ?). **Gen 24/8**. Les gens 'sensibles' sont toujours choqués de voir que : d'un côté, Dieu envoie Moïse pour dire à pharaon : « *laisse partir mon peuple !* » et de l'autre Dieu endurcit pharaon pour qu'il ne laisse pas partir Son peuple. Cela leur semble injuste. Ce sont des gens sensibles qui pensent que Dieu est à leur image. Ils pensent que leur sens de ce qui est juste est forcément le même que celui de Dieu…

Quelle erreur grossière !

De telles personnes existaient déjà au temps de l'apôtre Paul. Il a dû les reprendre sévèrement. **Rom 9/14-23**. Et puis, Hénoch redescend sur terre. Il a donc reçu ses révélations à l'âge de 364 ans puisque il a été enlevé un an après. **Gen 6/23**. Pendant cette dernière année sur terre, il a enseigné ses fils et **il a écrit le livre que vous avez en mains aujourd'hui**. Il faut que ce que disent les prophètes (majeurs) soit écrit. C'est pour cela que les apôtres ont écrit. Ils ont écrit car ce qui leur a été révélé était ce qu'il y avait de plus important au monde **Eph 3/5**. **Matt 13/52**. Hénoch savait que ses écrits demeureraient et que les bons s'en serviraient pour enseigner les bons. **V 9**. Les justes (les justifiés) confesseront Dieu ENSEMBLE. L'Eglise de Jésus est un Corps. Comme les premiers disciples de Jésus formaient une Communauté de vie, il faut qu'il en soit ainsi à la fin des âges. Car c'est ENSEMBLE que les élus se réjouiront en lisant et en étudiant ce Livre et loueront Dieu. Au début, ils étaient un seul cœur une seule âme. Il doit en être ainsi à la fin. **Actes 4/32**.

CHAPITRE 80

1. Or, mon fils Mathusalem, je t'ai tout dit, tout écrit ; je t'ai tout révélé, et je t'ai donné un traité sur chaque chose.
2. Conserve, mon fils, les livres écrits de la main de ton père, et transmets-les aux générations futures.
3. Je t'ai donné la sagesse, à toi, à tes enfants et à ta postérité, afin qu'ils la transmettent, cette sagesse supérieure à toutes leurs pensées, à leur postérité. Et ceux qui la comprendront ne dormiront point ; mais ils ouvriront leurs oreilles pour la recevoir, afin de se rendre dignes de cette sagesse, qui sera pour eux comme une nourriture céleste.
4. Bienheureux les justes, bienheureux ceux qui marchent dans la justice, qui ne connaissent point l'iniquité, et qui ne ressemblent point aux pécheurs dont les jours sont comptés.
5. Quant à la marche du soleil dans le ciel, il entre et il sort par les différentes portes pendant trente jours, avec les chefs des mille espèces d'étoiles, avec les quatre qui leur sont ajoutés et qui sont relatifs aux quatre jours supplémentaires.
6. Les hommes sont dans de grandes erreurs au sujet de ces jours ; ils n'en font point mention dans leurs calculs. Mais ces jours supplémentaires existent : un à la première porte, un second à la troisième, un troisième à la quatrième, un dernier à la sixième porte.
7. L'année est ainsi composée de trois cent soixante-quatre jours.
8. Ainsi le calcul est exact. Car ces luminaires, ces mois, ces périodes, ces années et ces jours, Uriel me les a révélés et expliqués, lui qui, de par Dieu, a puissance sur tous ces astres, et qui règle leurs influences.
9. Voilà l'ordre des astres, chacun suivant l'endroit du ciel où il se lève et se couche,

suivant les saisons, les temps, les périodes, les jours et les mois.
10. Voici les noms de ceux qui les dirigent, qui veillent sur leurs voies, sur leurs périodes, sur leurs influences.
11. Quatre d'entre eux ouvrent la marche ; ils partagent l'année en quatre parties. Douze autres viennent ensuite, qui forment les douze mois de l'année, divisés en trois cent soixante-quatre jours, avec les chefs des mille qui distinguent les jours, les jours ordinaires comme les jours supplémentaires ; qui, comme les premiers chefs, partagent l'année en quatre parties.
12. Les chefs des mille sont placés au milieu des autres, et chacun d'eux est à sa place. Or, voici les noms de ceux qui président aux quatre parties de l'année, savoir : Melkel, Helammelak ;
13. Meleyal et Narel.
14. Quant aux noms des autres, ce sont : Adnarel, Jyasural et Jeyeluineal.
15. Ces trois derniers marchent après les chefs de la classe des étoiles ; chacun marche régulièrement après ceux qui partagent l'année en quatre parties.
16. Dans la première partie de l'année apparaît Melkel, qu'on nomme encore Tamaâ et Zahaïa.
17. Les jours soumis à son influence sont au nombre de quatre-vingt-onze.
18. Et voici ce que l'on voit sur la terre pendant ces jours : sueur, chaleur et travail. Tous les arbres deviennent fertiles, les feuilles poussent, la moisson réjouit le laboureur, la rose et toutes les fleurs embellissent la campagne, et les arbres morts dans l'hiver se dessèchent.
19. Voici ceux qui commandent en second : Barkel, Zehabel et Heloyalel, auquel s'adjoint encore Helammelak, appelé aussi Soleil, ou très-brillant.
20. Les jours soumis à leur influence sont au nombre de quatre-vingt-onze.
21. Voici ce qui se passe sur la terre pendant ce temps : chaleur et sécheresse ; les arbres donnent leurs fruits, et les fruits sont excellents à sécher.
22. Les troupeaux vont à leurs pâturages, et les brebis mettent bas. On ramasse tous les biens de la terre ; on amoncelle les grains dans les greniers, et on porte le raisin dans les pressoirs.
23. Les noms des autres sont Gédael, Keel, Héel ;
24. Auxquels il faut ajouter Asphael.
25. Et les jours de son autorité sont expirés et finis.

Commentaire du chapitre 80.

Jésus et les apôtres savaient très bien que le message pur qu'ils avaient donné serait perverti. Ils savaient qu'en se répandant dans le monde, le message serait transformé par des impies de toutes sortes. **2 Pierre 2/1-3** « *Il y aura parmi vous de faux docteurs qui introduiront subtilement des erreurs dangereuses et enseigneront des doctrines particulières qui diviseront et détruiront (l'Église). Ces hérétiques renient le Maître qui les a rachetés et attirent sur eux une ruine soudaine. Bien des gens les suivront dans leurs voies immorales et, à cause d'eux, le chemin de la vérité sera discrédité. Ce sont des gens possédés par l'amour de l'argent, ils chercheront à vous exploiter, vous aussi, par des histoires inventées et des arguments trompeurs. Mais leur condamnation n'est*

pas inopérante et leur châtiment les suit sur leurs talons. Celui qui doit l'exécuter ne dort pas. »

Mais Jésus-Christ et les apôtres savaient aussi que viendrait le temps du rétablissement de toutes choses. **Actes 3/21**.

Durant les siècles qui ont suivi, en effet, ce que Jésus appelle des « **Nicolaïtes** » se sont manifesté et ont dominé sur le peuple de Dieu d'une façon diabolique. 'Nicolaïte' vient de deux mots grecs :

Nikaos= Dominer et Laos = Peuple. **Apoc 2/6.**

Le message d'Hénoch fait partie de ce rétablissement de toutes choses. Il est destiné à ceux qui ont un cœur pur et qui écoutent ce que l'Esprit dit à l'Eglise de nos jours. Les chrétiens trompés par les religieux de tout poil croient que Dieu a tout dit. Ce que Dieu a dit ne se trouve QUE dans la Bible et Il ne dira plus jamais rien. Ils ont grandement tort. Ils sont de ceux qui disent : « *nous sommes riches, nous n'avons besoin de rien » mais **ils ne savent pas** qu'ils sont misérables, aveugles et nus*. **.Apoc 3/17.** Ils ne SAVENT PAS qu'ils sont aveugles, ils croient voir, mais ils ne voient rien, (ou pas grand-chose) ! De nos jours encore, Dieu parle par Ses prophètes. Mais qui croit encore au ministère des prophètes. Oui, je sais, on croit dans le ministère des prophètes qui vous annoncent la prospérité, un voyage pour bientôt ou un mariage. On croit et on court derrière ces prophètes pour s'entendre dire des banalités navrantes. **Cessez de remplacer Madame Irma par Dieu !** (Madame Irma, c'est le nom commun qu'on donne aux diseuses de bonne-aventure, des astrologues de pacotille.) Dieu parle par Ses prophètes ; souvenez-vous que La Parole vient d'abord au prophète. Elle ne vient pas aux théologiens, aux pasteurs ou aux docteurs. « *Car Le Seigneur, L'Eternel, ne fait RIEN sans avoir révélé Son secret à Ses serviteurs **les prophètes***. » **Amos 3/7**. La Parole vient d'abord au prophète. Jésus est venu au **prophète** Jean le Baptiste. Son ministère ne pouvait pas commencer autrement. Car Il était la Parole incarnée et La Parole vient au **prophète** d'abord. Et le **prophète** a la charge de parler de ce qu'il a appris de Dieu. Ensuite, les **docteurs** mettent ces choses en correspondance avec la saine doctrine, les **apôtres** et les **pasteurs** les prêchent pour édifier l'église et les **évangélistes** les prêchent au monde pour l'attirer à Dieu. Ainsi les cinq ministères sont en fonction selon les Ecritures. **Eph 4/11**. De nos jours les cinq ministères ne sont pas établis correctement dans l'église. Cela aussi doit être rétabli, car toutes choses doivent être rétablies.

Il y a encore de vrais prophètes de nos jours, mais, la plupart du temps, ils sont taxés d'hérétiques par les aveugles. Ces derniers ne voient pas et n'entendent pas. Or, Hénoch parla de tout ce qu'il avait vu et entendu, à son fils. Il écrivit tout dans un livre. Il n'en parla pas à beaucoup de gens. **Il demanda simplement à son fils Mathusalem de transmettre le message aux générations futures**. C'est une sagesse supérieure à toutes les pensées humaines. Et ceux qui la comprendront ne dormiront point, c'est-à-dire : ils ne mourront point. Jésus-Christ avait reproché aux religieux de Son temps de tenir cachées les clés de la connaissance. « *Malheur à vous, docteurs de la loi ! Parce que vous avez enlevé la clé de la Science ; vous n'êtes pas entrés vous-mêmes, et vous avez empêché d'entrer ceux qui le voulaient*. » **Luc 11/52**. En effet, les religieux avaient enlevé et caché dans leur temple, des livres tels que celui d'Hénoch et des douze patriarches. Ces livres sont la Clé de la Connaissance. Beaucoup douteront de cela car on les a tellement enseignés qu'il n'y avait **que** La Bible qui était la Parole de

Dieu…Les gens mal influencés par les enseignants non-éclairés croient qu'il ne faut rien ajouter et ne rien retrancher **à toute la Bible**. Ils se basent sur un texte de **l'Apocalypse.** Un ange dicte son Livre de la Révélation (de l'Apocalypse) à Jean et il lui dit qu'il est parfait et que personne ne doit, ni y ajouter, ni y retrancher quelque chose. **Apoc 22/18-19**. **Mais réfléchissez un peu**. Le livre de l'Apocalypse était un livre tout seul. Ce n'est que bien plus tard qu'il a été **ajouté** à d'autres livres tels que ceux de Paul, Mathieu, Luc etc…Ceux qui ont **rajouté** ces livres au livre de l'Apocalypse se sont-ils rendus coupables de péché et vont-ils être frappés des fléaux décrits dans le livre de l'Apocalypse pour cela ? Non, je ne le crois pas du tout. Ils ont **ajouté** à ce livre tous les écrits que nous appelons le Nouveau Testament. Et ils lui ont aussi **ajouté** ce que nous appelons l'Ancien Testament.

Ils ont ajouté au livre de l'Apocalypse !!

Maintenant, voyons ce qu'écrivaient Agure et Lemuel dans le livre des Proverbes.

« Qui est monté aux cieux, et qui en est descendu ?

Qui a recueilli le vent dans ses mains ?

Qui a serré les eaux dans Son vêtement ?

Qui a fait paraître les extrémités de la terre ?

Quel est Son Nom, et quel est le Nom de Son Fils ?

Le sais-tu ?

Toute Parole de Dieu est éprouvée.

Il est un bouclier pour ceux qui cherchent en Lui un refuge.

N'ajoute rien à Ses Paroles,

De peur qu'Il ne te reprenne et que tu ne sois trouvé menteur. » **Prov 30/4-6**.

QUESTION :

Quelles étaient les Paroles de Dieu écrites en ce temps-là ?

Eh bien, je pense que vous serez d'accord avec moi pour dire que beaucoup de Paroles de Dieu ont été **rajoutées** depuis l'époque d'Agur et Lemuel.

De même, Dieu a encore parlé depuis que les apôtres ont fini d'écrire La Bible.

Le problème des chrétiens protestants et évangéliques d'aujourd'hui, c'est qu'ils ont vu les abus de l'église catholique qui a promulgué beaucoup de paroles au Nom du Seigneur, alors qu'elles ne venaient pas de Dieu, mais de leurs cœurs humains plus ou moins tordus. (Infaillibilité du pape, purgatoire, mariolatrie, présence de Jésus dans

l'eucharistie, prières pour les morts, indulgences etc…) Alors, (presque) tous ceux qui ont protesté contre les abus de cette église apostate, ont rejeté l'esprit des prophètes et n'ont gardé que La Bible. Ils croient qu'Elle est la seule Parole infaillible de Dieu. Ils n'ont pas tort de croire que **La Bible est La Parole de Dieu**. Ils ont juste tort de ne pas vouloir comprendre que **Dieu parle encore** par les vrais prophètes. Ils ont également tort de penser que tous les livres apocryphes sont non-inspirés par Dieu. Si Hénoch, le septième depuis Adam, était un véritable prophète, comme le dit **Jude 14-15**, les religieux se sont rendus coupables de l'avoir tenu caché (apocryphié) et maintenant que Dieu nous le donne, nous avons tort de ne pas le lire et de ne pas vouloir le méditer avec soin. Sachez que **Jude 14-15** cite **Hénoch 1/9** : *« Voici ! Il arrive avec ses saintes myriades, pour juger l'univers, faire périr tout impie, confondre toute chair, pour tous les actes d'impiété qu'ils ont commis et pour les outrages qu'ont proféré contre lui les pécheurs impies*. » Ce livre contient une sagesse qui permet de mieux comprendre la Bible et de mieux compter nos jours. Ce livre est une nourriture céleste authentique, pour ceux qui ouvrent les oreilles de leur entendement spirituel pour le recevoir. Celui qui lit le livre d'Hénoch démontre qu'il a le vif désir de se rendre digne de la sagesse. Déjà à l'époque d'Hénoch, les gens étaient dans l'erreur au sujet du compte des jours et cela n'a pas changé. L'ange Uriel a montré toutes ces choses à Hénoch afin qu'il nous les transmette. Le fait de mal tenir le compte des jours est néfaste à l'humanité entière. Dieu est un Dieu d'ordre et ne pas vouloir connaître l'ordre établi par Dieu, c'est désirer vivre dans le désordre de ce monde plein d'irrespect pour ce qui concerne la Divinité et Ses œuvres. Le rétablissement de toutes choses a commencé. C'est un processus. Ne pas marcher, ne pas aller de l'avant avec la colonne de feu, c'est opposer de la résistance et cela est aussi coupable que la divination. **1 Sam 15/23**.

Quatrième Section

Les songes visionnaires d'Hénoch

CHAPITRE 81

1. Et maintenant, mon fils Mathusalem, je vais te parler de toutes les visions que j'ai vues. J'en eus encore deux autres avant de me marier, et l'une d'elles ne ressemblait pas à l'autre.
2. La première m'apparut pendant que j'apprenais à écrire ; et la seconde quelques temps avant d'épouser ta mère. C'étaient deux importantes, terribles visions.
3. Alors j'interrogeai le Seigneur au sujet de ces visions.
4. Je reposais dans la maison de mon aïeul Malaleel, et je vis le ciel s'effondrer, s'élever et tomber sur la terre.
5. Et je me prosternai, et je vis la terre dévorée par un grand gouffre, et des montagnes suspendues au-dessus des montagnes.
6. Des collines tombaient sur les collines, les arbres les plus hauts, arrachés de leurs troncs, lancés et engloutis dans l'abîme.
7. A la vue de ce chaos, ma voix balbutiait. Je m'écriai : C'en est fait de la terre. Alors, comme j'étais couché près de lui, mon aïeul Malaleel me releva, et me dit : Pourquoi t'écries-tu, mon fils, pourquoi te lamentes-tu ?
8. Je lui racontai la vision que j'avais eue, et il me dit : « Ce que tu as vu est grave, mon fils.
9. Et la vision que tu as eue est frappante ; elle se rapporte à un temps sérieux, à la mesure du mystère des péchés de la terre : Oui elle doit s'enfoncer dans les abîmes. Elle doit être ruinée par une grande catastrophe..
10. C'est pourquoi, ô mon fils, lève-toi et implore le Dieu de gloire, car tu es fidèle croyant, afin qu'Il laisse quelques personnes, un reste sur la terre, et que les hommes ne périssent pas tous. Mon fils, la catastrophe viendra du ciel sur la terre ; une grande destruction sera sur la terre. »
11. Alors je me levai et je suppliai le Seigneur ; j'écrivis mes prières pour les générations du monde, et je te montrerai toute chose, mon fils Mathusalem.
12. Et quand je fus sorti, et que j'eus vu le soleil se levant à l'orient, la lune descendant à l'occident, toutes les étoiles que Dieu a créées s'avançant majestueusement dans le ciel, alors je célébrai le Seigneur de toute justice, j'exaltai son Saint Nom, parce qu'il avait fait surgir le soleil aux fenêtres de l'orient ; il monte et s'élève à la face du ciel et il parcourt sa brillante carrière qui lui a été montrée.

Commentaire du chapitre 81.

Hénoch ayant donné toutes ses visions à son fils, ne veut pas lui cacher qu'il a vu d'autres choses, il y a longtemps. Alors il commence par lui parler de sa première vision : Quand il était très jeune, à l'époque où il apprenait à lire, il a eu une vision alors qu'il se reposait chez son grand-père. Il a eu la vision du déluge qui allait arriver. Il voit que cela vient du ciel. Dieu s'est sans doute servi d'éléments naturels pour détruire la terre d'alors par les eaux. Il ne faut pas perdre de vue que Jésus-Christ a annoncé que les mêmes choses se produiront juste avant Son règne de mille ans sur terre. Cela va venir du ciel pour commencer. Peut-être à cause de la pollution par laquelle nous abîmons les couches qui nous protègent des rayons solaires, je ne sais pas … Peut-être par un astéroïde qui frôlera la terre ? Je l'ignore… Mais en tout cas, cela sera dû aux péchés que les terriens pratiquent et qui atteignent leur comble. Il y aura des activités magnétiques désordonnées intenses et donc des bouleversements de tout ordre dans la nature. Le grand-père d'Hénoch était un homme ouvert à l'esprit de prophétie. Il savait que son petit-fils est un voyant de Dieu. Toute la famille d'Hénoch savait que cet enfant était rempli de foi. Son grand-père lui recommande donc de prier pour que le Seigneur accepte de sauver quelques personnes. Quand nous regardons l'Histoire, nous nous apercevons que Dieu a toujours agi ainsi depuis. Il se garde un petit reste pour le salut de Sa création. La prière d'Hénoch a été exaucée car il était inspiré par l'amour. Hénoch termine sa prière. Il est tout tremblant. Sa vision l'a vraiment choqué. Et il sort de la maison de son grand-père et se met à louer Dieu devant toute la création qui tourne majestueusement bien et obéit parfaitement aux ordres de Dieu en suivant les voies toutes tracées.

CHAPITRE 82

1. Et j'élevai les mains au ciel et je louai le Saint et le Très-Haut. Et j'ouvris la bouche, et me servant de la langue que Dieu a donnée à tous les enfants des hommes, pour servir d'instrument à leurs pensées, je le célébrai en ces termes:
2. Tu es béni, Seigneur, roi puissant et sublime, Seigneur de toutes les créatures du ciel, Roi des rois, Dieu de tout l'univers, dont le règne, la domination et la majesté n'auront jamais de fin.
3. De siècle en siècle Ton règne subsistera. Les cieux constituent Ton trône à jamais, et la terre est Ton marchepied d'éternité en éternité.
4. Car c'est Toi qui les as faits, c'est Toi qui les gouvernes. Rien ne peut se soustraire à Ta puissance infinie. [rien n'est trop difficile pour Toi]. Avec Toi la sagesse est immuable : elle veille sans cesse sur la vie qui est Ton trône et sur Ta face. Tu connais, Tu vois, Tu entends tout, rien ne peut se soustraire à Ton puissant regard, car Ton œil est partout !
5. Et voici que maintenant les anges ont transgressé Tes commandements ; et Ta colère plane sur la chair de l'homme, jusqu'au grand jour du jugement.

6. Or, Seigneur, mon Dieu, Roi puissant et clément, je T'implore, je Te supplie ; exauce mes prières ; que ma postérité se perpétue sur la terre, que le genre humain ne périsse pas tout entier !
7. N'abandonne point la terre désolée, et qu'elle ne soit point détruite à jamais !
8. O Seigneur, extermine de la face de la terre la race charnelle qui T'a offensé. Mais conserve la race des justes pour la perpétuer à jamais. Etablis-la comme une plante de semence éternelle. O Seigneur ne détourne point Ta face de la prière de Ton serviteur.

Commentaire du chapitre 82.

Je trouve cette prière très précieuse pour comprendre comment on croyait en Dieu entre Adam et Hénoch jeune. Dieu est GRAND, Il est SAINT, Il doit inspirer une crainte respectueuse. Il est ROI, PUISSANT dans sa MAGIFICENCE. Il est SEIGNEUR de tout ce qui est dans l'univers. Il a fait toutes choses, Il est donc CREATEUR, Il gouverne Il est partout et Il sait tout. Il peut Se mettre en colère. Mais Il agit de concert avec ceux qu'Il inspire à prier. **1 Jn 5/14**. Il fait une différence entre les bons et les méchants. Il les sépare les uns des autres. Nous voyons qu'à cette époque, déjà, on élevait les mains pour prier. Elever des mains pures et justes est un acte de foi devant Dieu qui exauce les Siens. Une personne qui a les mains sales (la conscience flétrie) ne peut pas s'attendre à un exaucement, elle n'a pas à s'adresser à Dieu avant d'avoir confessé ses péchés et cru que Dieu l'a pardonnée et rendue à nouveau juste. **1 Jn 3/21**. Ici nous comprenons que les gens de foi croyaient, comme nous, que si l'homme a été doté du pouvoir de la parole, c'est surtout pour pouvoir parler avec Son Créateur. Hénoch, comme tous les gens de foi qui ont suivi, savait l'importance de la parole et de l'écrit pour communiquer avec Dieu. Une personne qui ne parle pas à Dieu est une personne anormale. Hénoch ne prie pas tout de suite, il commence par louer Dieu pour ce qu'Il est. Il fait cela car il est normal que celui qui s'adresse à Dieu ne se place pas dans une position prééminente. Cela était déjà en cours à l'époque d'Hénoch le septième depuis Adam. On ne vient pas devant Dieu comme devant un pote ou une caissière de supermarché. Le Seigneur est Dieu et il est normal que nous nous en souvenions et que nous le proclamions clairement quand nous nous présentons devant Sa majesté. La terre où nous habitons n'est que son marchepied, il ne faudrait pas l'oublier et ne pas se montrer arrogant en hurlant, tout en rappelant à Dieu ce qu'Il a promis. **Nous ne commandons pas Dieu** : « Seigneur ! Fais ceci, fais cela, Tu as promis ! Alors maintenant, fais-le. Au Nom de Jésus ! Amen ! » Nous sommes sur la terre et Lui il est au Ciel. Il est infiniment supérieur à nous et une attitude de dignité est vivement recommandée en Sa présence. L'attitude adoptée au début du siècle passé par certaines dénominations religieuses est tout à fait déplacée et scandaleuse. Dieu exauce de telles prières souvent par amour, mais elles sont comme provenant de sales gamins sans éducation et cela n'honore pas le Père, j'en suis intimement convaincu. La terre est Son marchepied **Esaïe 66/1**. Et Jésus, qui va bientôt revenir, posera Ses pieds sur la Mont des Oliviers **Zach 14/4.** Quand vous priez cela revient à être reçu dans les Lieux célestes pour puiser aux Sources de la vie, Hénoch croyait que le trône de Dieu est la vie. **V 4.** Jésus est la sagesse incarnée de Dieu qui veille sur la vie. Si les Cieux sont le Trône de Dieu et si le Trône de Dieu est la vie, il est normal de croire que la vie se trouve partout dans l'univers. Il y a d'autres mondes dans l'univers et Dieu est le Dieu

de tous ces mondes. Jésus-Christ est le Sauveur de toutes les créatures qui sont les Siennes sur ces mondes. Souvenez-vous, Hénoch est tout jeune quand il a cette première vision, mais il savait qu'Eve avait fauté avec le serpent-ancien et que la race humaine était souillée par la postérité du serpent **Gen 3/15**. Il connaissait aussi ce qui s'est passé au temps de Jéred, à savoir que des anges avaient quitté leur gloire pour venir polluer la terre. **Gen 6**. Il savait, même très jeune, que Dieu n'allait pas supporter une telle chose longtemps. Il savait que Dieu allait exercer un jugement. Il avait également conscience que ce n'était qu'un premier jugement, mais qu'il y en aurait d'autres et que, finalement, il y aurait le jugement dernier. Il connaissait que la condition des terriens était la conséquence de **Gen 3/14-19**. Alors le jeune Hénoch est préoccupé par le fait d'avoir une postérité terrestre. Mais sa prière était une prière inspirée. De nos jours, les chrétiens qui prient Jésus de ne pas revenir tout de suite parce qu'ils ont envie de se marier et d'avoir des enfants, n'est pas une prière inspirée par l'Esprit. **Car de nos jours l'Esprit et l'Epouse de Christ prient ainsi « *Viens Seigneur Jésus !* » Apoc 22/17**. Finalement, au jugement dernier, la race charnelle, la race du serpent sera définitivement détruite. Cela, c'est le grand but de Dieu : « *L'Eternel a tout fait dans un but, même le méchant pour le jour du malheur*. » **Prov 16/4**.

Deuxième vision concernant le temps

Depuis Adam jusqu'au règne final de Jésus

CHAPITRE 83

1. Ensuite j'eus une autre vision, que je vais encore t'expliquer, ô mon fils. Et Hénoch se leva et dit à son fils Mathusala (Mathusalem) : Laisse-moi te parler, ô mon fils. Écoute la parole de ma bouche, et prête l'oreille à la vision de ton père. Avant d'épouser ta mère Ednâ, j'eus une vision alors que j'étais dans mon lit.
2. Voici un taureau sortant de la terre.
3. Et ce taureau était blanc.
4. Ensuite sortit une génisse, et avec elle deux jeunes veaux, dont l'un était noir et l'autre rouge.
5. Le noir frappa le rouge [de sa corne] et le poursuivit par toute la terre.
6. Dès ce moment je n'aperçus plus le veau rouge ; mais le noir survint à une extrême vieillesse, et la génisse le suivit.
7. Ensuite je vis beaucoup de taureaux nés de lui, qui lui ressemblaient et qui le suivaient.
8. Et la première génisse sortit de la présence du premier taureau ; et elle chercha le veau rouge, mais elle ne le trouva point.
9. Et elle poussait des gémissements lamentables, en le cherchant.
10. Et elle continua ses cris jusqu'à ce que le taureau s'approche d'elle pour la tranquilliser ; dès ce moment elle cessa de se plaindre et de gémir.
11. Et puis elle mit au monde un autre taureau blanc.
12. Et après celui-ci, elle enfanta beaucoup d'autres taureaux et d'autres génisses noirs.
13. Je vis encore dans mon songe le taureau blanc, qui grandit de la même manière, et finit par devenir un grand taureau blanc.
14. Et de lui sortirent beaucoup d'autres taureaux blancs qui lui étaient semblables.
15. Et ils commencèrent à produire d'autres bœufs blancs, qui leur étaient semblables, et ils se succédaient les uns aux autres.

Commentaire du chapitre 83.

Juste avant de se marier avec Ednâ, Hénoch reçoit une nouvelle vision. C'est sa deuxième expérience spirituelle profonde. Nous allons étudier ce songe jusqu'au chapitre **87**. En étudiant la Bible et sa symbolique, nous pouvons assez facilement identifier les animaux qu'Hénoch voit là. Le premier taureau, le blanc, qui sort de la terre est **Adam**. Souvenez-vous qu'Adam signifie 'homme'. Dans cette statuette faite d'argile, Dieu souffla l'esprit de celui que nous connaissons maintenant comme étant l'Archange Michel. C'est à Michel que reviendra donc l'honneur de battre le dragon qui est le serpent-ancien **Apoc 12/7-9**. Eve met au monde deux fils, Caïn qui est du serpent et Abel qui est d'Adam. Deux postérités sortent donc d'Eve. Eve est la mère de **tous** les vivants, mais jamais il n'a été écrit qu'Adam est le père de tous les vivants. Le veau rouge est **Abel** qui porte la couleur du sang. La vie est dans le sang. Les alliances ont été faites dans le sang et la Nouvelle Alliance avec Dieu a été faite dans le Sang Divin de Jésus-Christ. Le veau noir représente **Caïn** qui est le fils du malin et d'Eve. **1 Jean 3/12**. Caïn tua son frère Abel. La lignée du serpent tue la lignée de l'homme. Caïn épouse une de ses sœurs, la génisse **Gen 4/17**. Il nous est dit ici qu'Eve se mit à la recherche d'Abel et se lamente car elle ne le trouve pas. Adam vient la consoler. Adam et Eve ont eu un autre fils, **Seth**. Et la postérité du serpent a toujours poursuivi la descendance de Seth. Au **verset 4** Hénoch voit une génisse qui est Eve. Elle est encore une génisse, c'est-à-dire qu'elle n'a pas encore vêlé. Mais elle est suivie de deux veaux. Quand les veaux apparaissent, Eve n'est plus une génisse. Au **verset 8** Hénoch nous parle d'Eve et nous la présente comme étant la première génisse, celle du **verset 4**. Tout cela est écrit pour décrire une vision et peut sembler confus. Mais ça ne l'est pas. C'est juste assez clair pour que ceux qui prennent au sérieux ces Choses puissent les décoder. Les autres n'y voient que des contes de bonnes femmes déséquilibrées. Jésus ne dit-Il pas sans cesse qu'il nous faut avoir des oreilles spéciales pour comprendre les choses de l'Esprit ? Personne en tout cas ne put nier que l'Ecrivain sacré a reçu la révélation de deux postérités : celle de la femme et celle du serpent. Il a aussi bien différencié les deux généalogies : celle de Caïn **Gen 4/17-26** et celle d'Adam **Gen 5/1-32**. Le taureau blanc, c'est **Seth** qui est né d'Adam et d'Eve **verset 11**. Il est à noter que la première génisse a déjà vêlé puisque le Texte nous dit que la génisse a eu un AUTRE taureau. Mais la souillure du serpent était en elle et elle enfanta encore des fils du serpent. Depuis, le mélange a été fait et tout être humain possède en lui ce qu'on appelle **un cerveau reptilien**. Voir commentaire du **chapitre 6**. Il n'y a pas eu que des taureaux noirs qui sortirent, mais il y en a eu beaucoup de blancs. Ce sont tous ceux qui sont **les prédestinés au salut**. Nous trouvons les noms de beaucoup de ces taureaux blancs en **Gen 5.**

CHAPITRE 84

1. Je levai encore les yeux, dans mon songe, et je vis le ciel au-dessus de ma tête.
2. Et voici qu'un astre tomba du ciel au milieu des grands taureaux.
3. Et il se dressait au milieu de ces taureaux et paraissait paître avec eux.
4. Ensuite je vis d'autres taureaux grands et noirs ; et voici qu'ils changeaient sans cesse de pâturages et d'étables, et leurs jeunes veaux qui commencèrent à vivre les uns avec les autres ; et en regardant encore au ciel, je voyais beaucoup d'autres astres qui redescendaient et se précipitaient vers cette étoile unique.
5. Et ces astres furent changés en taureaux au milieu des ces veaux et paissaient avec eux et parmi eux.
6. Je regardai ces choses, et voici que les taureaux commencèrent à entrer en feu et à monter sur les génisses ; celles-ci ayant conçu, mirent au monde des éléphants, des chameaux et des ânes.
7. Et les taureaux étaient épouvantés de cette génération monstrueuse, qui se mit aussitôt à les mordre et à les frapper de leurs cornes.
8. Et les éléphants dévorèrent les taureaux, et voici que tous les enfants de la terre frémissaient à ce spectacle et fuyaient épouvantés.

Commentaire du chapitre 84.

En revenant aux chapitres **6 et 10/11** de ce livre d'Hénoch, on comprend qui sont ces astres tombés du ciel. Le premier astre qui tombe du ciel c'est Semyaza ; c'est lui qui poussa certains esprits à faire une alliance abominable. **Gen 6** nous raconte comment des fils de Dieu, des esprits sont venus et ont eu des rapports avec des femmes. La Bible raconte brièvement ce qui se passa et ce qui sortit de ces relations contre nature. **Nous savons que dans un premier temps, la lignée de Caïn et celle de Seth se mélangèrent et cela ne fut pas une bonne chose.** Mais au nom de 'l'amour' que ne ferait-on pas, n'est-ce pas ? C'est ainsi que des gens de la lignée d'Adam eurent des relations sexuelles avec des gens de la descendance de Caïn. Les gènes se mélangèrent et, petit à petit, tous les êtres humains ont été pollués par le côté animal du serpent-ancien. Tous ces mélanges portaient en eux le germe de la déchéance générale. Des anges se sont mêlés à cette confusion. Sous l'Ancienne Alliance, les gens du peuple choisi par Dieu n'avaient pas le droit de se lier par mariage avec des gens d'autres peuples **Esdras 9/1-4**. De nos jours, rien n'a changé en cela **et le Saint-Esprit dit expressément que nous ne devons pas former des assemblages (mariages) disparates avec les non-croyants. L'apôtre Paul va très loin disant que s'unir avec une personne incroyante est aussi insensé que de vouloir un accord entre Bélial et Christ**. **2 Cor 6/14-18**. Ayant été purifié par Jésus nous n'avons pas à nous unir avec ce qui ne l'a pas été. Pour ce qui est de La vraie Eglise de Jésus-Christ, il est clairement écrit que nous ne devons absolument pas nous mêler avec la fausse église et ses filles. **Apoc 18/1-5.** Paul déclare que ceux qui se lient ainsi sont trompés par le serpent comme

Eve l'a été. **1 Cor 11/1-3**. Cela peut sembler dur, mais c'est ce que La Bible dit. Elle le dit pour notre bien. Que celui qui a des oreilles pour entendre entende. Je dois dire ces choses car elles sont vraies. Et si je ne les enseigne pas, je manquerai de fidélité envers Celui qui m'a envoyé. Nous savons que des anges se sont accouplés avec des femmes **Verset 6.** Pour ce faire les astres (anges) tombés du ciel se sont transformés en taureaux **verset 5**. Les génisses, (les femmes) mirent au monde des monstres. La Genèse les appelle des **géants**. **Gen 6**. Les géants étaient de tailles et d'aspects différents les uns des autres. **Verset 6**. Les monstres sortis des femmes se mirent à tuer les humains. **Verset 7-8.**

CHAPITRE 85

1. Je les regardai encore, et je les vis se frapper les uns les autres, se dévorer, et j'entendis la terre qui en gémissait. Alors je tournai une seconde fois mes regards vers le ciel, et je vis sortir des hommes semblables à des hommes blancs. Il y en avait quatre, et trois autres qui l'accompagnaient.
2. Ces trois hommes qui sortirent les derniers me prirent par la main et, m'élevant au-dessus de la terre et de ses habitants, me conduisirent dans un lieu élevé.
3. Et de là ils me montrèrent une haute tour environnée de collines plus basses ; et ils me dirent : Reste ici, jusqu'à ce que tu voies ce qui doit arriver par ces éléphants, ces chameaux et ces ânes, ces astres et toutes ces génisses.

Commentaire du chapitre 85.

Finalement, Hénoch voit que les monstres ne s'attaquent pas qu'aux humains, ils s'entre-attaquent également. Ce sont des êtres contre nature, ne sachant s'exprimer que par la violence et la brutalité. Mais voici qu'Hénoch tourne son regard vers les hauteurs et voit sept hommes blancs. Les quatre premiers sont Michael, Uriel, Raphael et Gabriel que nous avons déjà vus au **chapitre 9.** Les trois autres sont Ragouel, Sariel et Reniel. Nous les trouvons au **chapitre 20.**

Uriel veille sur le monde et sur le tartare.

Raphaël veille sur les âmes des hommes.

Ragouel tire vengeance du monde des luminaires.

Michael est préposé aux meilleurs des hommes, à la garde du peuple.

Sariel est préposé aux esprits des enfants des hommes qui pèchent contre les esprits.

Gabriel est préposé au paradis, aux dragons et aux chérubins.

Reniel s'occupe des ressuscités. **Chapitre 20.**

Hénoch se trouve enlevé par eux bien au-dessus de la terre afin de pouvoir observer ce qui va arriver.

CHAPITRE 86

1. Alors j'aperçus celui de ces quatre hommes blancs qui était sorti le premier.
2. Et il saisit la première étoile qui était tombée du ciel.
3. Et il lui lia les pieds et les mains, et la jeta dans un abîme, et cet abîme était étroit, profond, horrible et ténébreux.
4. Alors un des quatre tira un glaive et le donna aux éléphants, aux chameaux et aux ânes, qui commencèrent à s'en frapper mutuellement ; et toute la terre en frémit.
5. Et dans ma vision, voici : je vis un des quatre hommes qui étaient descendus du ciel, qui rassembla et saisit toutes les grandes étoiles, dont les parties sexuelles étaient semblables aux parties sexuelles des chevaux, et il les jeta toutes, pieds et mains liés, dans les cavernes de la terre.

Commentaire du chapitre 86.

Hénoch voit alors les Archanges qui châtient et détruisent les esprits qui ont forniqué avec les femmes. C'est ce qui est raconté en détail au **Chapitre 9. Au ch 10/13-14,** voici ce qu'on lit : ***13***.

*« Le Seigneur dit ensuite à **Gabriel** : Va vers les méchants, vers les réprouvés, les bâtards, vers les enfants de fornication ; extermine ces enfants de fornication, ces rejetons des Veilleurs, du milieu des hommes ; pousse-les, excite-les les uns contre les autres. Qu'ils périssent de leurs propres mains ; car leurs jours ne seront pas complets. **14**. Ils te supplieront, mais leurs prières n'obtiendront rien pour eux ; et c'est en vain qu'ils espèreront pour leurs enfants la vie éternelle, et même une vie de cinq cents années. »*

Lisez aussi ce qu'en dit le **ch 14/3-7**.

.« *Le jugement a été prononcé contre vous ; par un décret contre vous ;*
4. *désormais, vous ne monterez plus jamais au ciel ; et sur terre, vous serez enchaînés aussi longtemps qu'existera le monde lui-même.*
5. *Mais auparavant, vous serez témoins de la misère de vos fils bien-aimés ; vous ne les posséderez plus. Ils tomberont par le glaive sous vos propres yeux.*
6. *Et n'adressez point de prières ni pour eux ni pour vous !*
7. *Vous pleurerez, et vous supplierez en silence, sans articuler un mot du plaidoyer que j'ai rédigé. Telles sont les paroles du livre que j'écrivis* ».

Voyez aussi le **chapitre 88/32**

32. *« Alors le Seigneur appela les sept premiers hommes blancs, et leur ordonna d'amener la première étoile, qui avait précédé toutes les autres, dont les parties sexuelles étaient semblables aux parties sexuelles des chevaux, qui enfin était tombée la première, et tous l'amenaient devant lui* ».

Nous avons dans ces chapitres, des informations sur ce qu'Hénoch voit au **ch 86**. **On ne peut pas lire un livre de visions comme on lit un livre moderne racontant une histoire banale**. Le livre d'Hénoch est à lire dans un esprit de prière, avec un infini respect. Et alors, si Dieu le veut, il s'ouvre devant celui qui cherche. Mais rien n'est automatique. **Ce livre est sans doute aussi fermé que l'est le livre de l'Apocalypse pour certains**. Pourtant, ils sont tous les deux ouverts car les Sceaux qui les tenaient fermés à la conscience du peuple ont été brisés. Ce qui scellait le livre de l'Apocalypse, n'existe plus. Car du 17 au 24 mars 1963 le prophète William Branham a prêché l'ouverture des sept Sceaux d'**Apocalypse 6 et 8**. Dieu suscita ce prophète pour donner cette révélation à ceux qu'Il a prédestinés. **C'est en cela que William Branham est un prophète majeur**. Ce qu'il a reçu de Dieu rend désormais possible la compréhension du livre de l'Apocalypse, les Sceaux ayant été brisés.

L'ensemble des mystères contenus sous les trois premiers Sceaux se rapporte à l'histoire de l'Eglise ; sous le quatrième Sceau se trouve ce qui concerne la séduction moderne que nous connaissons de nos jours dans les diverses églises et en particulier dans les mouvements charismatiques. Sous le cinquième Sceau se trouve la révélation du salut aux vrais Juifs (la vraie Eglise-Epouse ayant été enlevée à la rencontre de Son Epoux-Divin. Sous le sixième Sceau nous trouvons le jour de la Colère de Dieu et sous le septième Sceau se trouve, après une demi-heure de silence, le mystère qui se déroulera lors de la fin de cette création-ci et la création du monde futur.

Le livre de l'Apocalypse est donc entièrement ouvert, révélé, Ce qu'ont dit les sept Tonnerres d'**Apoc 10/4** est encore en partie caché à certains. Ce qu'ils ont dit sera entièrement révélé lorsque le septième ange sonnera de sa trompette. Et cela arrivera **après** que le salut soit révélé aux vrais Juifs. Le septième ange d'**Apoc 10/7** n'est pas le septième ange d'**Apoc 3/14**. **Le septième ange d'Apoc 3/14 est le prophète William Branham.** Il a été envoyé pour donner son message comme l'ont été, avant lui, Paul, Irénée, Martin, Colomba, Luther et Wesley qui ont marqué l'histoire de façon indélébile. (**Ange** signifie envoyé ou messager.) **Le septième ange d'Apoc 10/7 n'a pas encore fait ce qu'il doit faire car son temps n'est pas encore venu. Il ne faut donc pas les confondre. Quand ce septième ange sonnera de sa trompette, donnera ce qu'il a à donner, il ne restera plus de temps, ce sera la fin. Apoc 10/5-7.**

Pour ce qui concerne l'ouverture du livre d'Hénoch, c'est une chose accomplie dans notre génération. Il a été authentifié grâce aux manuscrits retrouvés dans les grottes de la mer Morte. Tout le monde peut le lire. Heureux ceux qui le lisent, heureux ceux qui le comprennent et heureux ceux qui gardent ce qui y est écrit.

CHAPITRE 87

1. Alors un des quatre hommes s'approcha du taureau blanc et lui enseigna des mystères tels, qu'il en tremblait. Et il bâtit un grand navire. Il habitait dans ce navire, et les trois taureaux entrèrent avec lui et le navire fut couvert et pourvu d'un toit sur eux.
2. Je levai de nouveau mes regards au ciel, et j'aperçus une grande voûte ; et il y avait au-dessus sept cataractes [écluses] qui versaient des torrents de pluie.
3. Je regardai encore, et voici que les chambres souterraines étaient ouvertes à l'intérieur de la terre et que les eaux commençaient à se déverser sur elle.
4. Et je regardai jusqu'à ce que la terre fut couverte par les eaux.
5. Il y avait en effet beaucoup d'eau, de ténèbres et de brouillards qui la recouvraient.
6. Et tous les taureaux qui y vivaient furent submergés et périrent dans les eaux.
7. Mais le navire flottait sur la surface de ces mêmes eaux. Cependant tous les taureaux, les éléphants, les chameaux et les ânes, et les troupeaux périssaient dans cette immense inondation ; ils disparaissaient engloutis, et je ne pouvais plus les voir dans l'abîme d'où ils ne pouvaient plus se retirer.
8. Je regardai encore jusqu'à ce que les écluses de ce toit élevé soient fermées, et les fissures des chambres souterraines furent arrêtées, et d'autres chambres souterraines furent ouvertes.
9. Et les eaux s'y précipitèrent, et la terre apparut.
10. Et le navire se fixa sur la terre, les ténèbres se dissipèrent et la lumière apparut.
11. Alors, le bœuf blanc, qui avait été fait homme, sortit de l'arche, et avec lui trois taureaux
12. Et un des trois taureaux était blanc, et semblable à ce bœuf ; un autre était rouge comme du sang, et le troisième était noir ; et le taureau blanc se retira des autres
13. Et les bêtes des champs, et les oiseaux commencèrent à se multiplier.
14. Et les différentes espèces de ces animaux se rassemblèrent, les lions, les tigres, les loups, les chiens, les hyènes, les sangliers, les renards, les écureuils, les porcs.
15. Les faucons, les milans, les vautours, les aigles et les corbeaux.
17. Et parmi eux naquit un taureau blanc.
18. Et ils commencèrent à se mordre les uns les autres ; et le bœuf blanc, qui était né parmi eux, engendra un âne sauvage et un bœuf blanc ensemble, et les ânes sauvages se multiplièrent. Et le bœuf blanc qui fut aussi engendré par le taureau blanc engendra un sanglier sauvage noir et une brebis blanche du troupeau.
19. Le sanglier sauvage engendra beaucoup d'autres sangliers sauvages.
20. Et la brebis engendra douze autres brebis.

21. Quand ces douze brebis furent grandes, elles en vendirent une d'entre elles à des ânes.
22. Et les ânes vendirent la brebis à des loups.
23. Et elle grandissait parmi eux.
24. Alors [le Seigneur] la brebis amena les autres brebis pour habiter et paître avec elle au milieu des loups.
25. Et elles se multiplièrent, et devinrent un troupeau de brebis.
26. Mais les loups commencèrent à les épouvanter et à les persécuter, et ils exterminaient leurs petits.
27. Et ils les jetèrent dans les profondeurs d'un grand fleuve.
28. Alors les brebis commencèrent à se lamenter à cause de la perte de leurs petits, et à se tourner vers leur Seigneur ; une d'elles cependant parvint à s'échapper et se retira parmi les ânes sauvages.
29. Et je vis les brebis gémissant, priant et implorant le Seigneur de toutes leurs forces, jusqu'à ce que le Seigneur des brebis descendît à leurs cris du haut de son séjour céleste et vint vers elles pour les paître.
30. Et il appela la brebis, qui avait échappé à la dent des loups, et lui enjoignit d'aller trouver ces loups meurtriers, et de leur intimer de ne plus toucher aux brebis.
31. Alors la brebis alla trouver les loups, forte de la Parole du Seigneur, et une autre brebis vint au-devant de la première et marcha avec elle.
33. Et toutes deux étant entrées dans la demeure des loups leur défendirent de persécuter encore les brebis.
34. Ensuite, je vis les loups opprimant de plus en plus le troupeau de brebis. Et les brebis crièrent encore vers le Seigneur, et le Seigneur descendit au milieu d'elles.
35. Et il commença à exterminer les loups, qui hurlaient ; mais les brebis gardaient le silence et ne poussaient plus de cris.
36. Et voici que je vis qu'elles émigrèrent du pays des loups. Les yeux de ces loups étaient aveuglés, et ils sortirent et ils poursuivirent les brebis de toutes leurs forces. Mais le Seigneur des brebis marchait avec elles et les conduisait.
37. Et toutes les brebis Le suivaient.
38. Son visage était terrible, son aspect brillant et magnifique. Cependant les loups commencèrent à poursuivre les brebis, jusqu'à ce qu'elles eurent atteint le bord d'une grande mer.
39. Alors la mer fut divisée, et les eaux se tinrent de chaque côté, comme un mur.
40. Et le Seigneur des brebis, qui les conduisait, Se plaça entre elles et les loups.
41. Cependant les loups n'apercevaient point les brebis, et ils les poursuivirent jusqu'au milieu de la mer,
42. Mais dès qu'ils virent le Seigneur, ils se retournèrent pour fuir de devant Sa face.
43. Mais alors les eaux se réunirent d'après les lois naturelles ; et elles engloutirent les loups. Et je vis tous ceux qui avaient poursuivi les brebis, submergés dans les flots.
44. Mais pour les brebis, elles passèrent la mer, et s'avancèrent dans ce désert qui n'avait ni arbre, ni eau, ni verdure. Et elles commencèrent à ouvrir les yeux et à voir.
45. Et je vis le Seigneur de ces brebis vivre avec elles, et leur fournir les eaux nécessaires,
46. Et la brebis monta sur le sommet d'un rocher élevé, et le Seigneur des brebis l'envoya vers les autres et elles se tenaient toutes à distance.
47. Et je vis le Seigneur de ces brebis au milieu d'elles, et Son apparence était puissante, grandiose et terrible.
48. Et dès qu'elles L'eurent aperçu, les brebis furent épouvantées.
49. Et toutes tremblantes et effrayées en Sa Présence, elles criaient à la brebis qui était

la seconde en autorité après Lui, qui était parmi elles : « Nous ne pouvons pas nous tenir devant le Seigneur ! ».
50. Alors la brebis, qui les conduisait, remonta de nouveau sur le sommet de la montagne.
51. Et les autres brebis commencèrent à être aveuglées, et à s'égarer dans la voie que leur avait montrée la brebis. Mais celle-ci ne savait rien de ces évènements.
53. Et le Seigneur était courroucé contre elles ; et quand la brebis apprit ce qui se passait au pied de la montagne,
54. Elle en descendit à la hâte, et s'étant approchée d'elles, elle en trouva beaucoup qui étaient aveuglées,
55. Voici elles avaient quitté leur voie. Et quand les brebis l'aperçurent, elles craignaient et tremblaient en sa présence et elles désiraient revenir à leur étable.
56. Alors cette brebis, conduisant les autres brebis avec elle, s'approcha de celles qui s'étaient égarées,
57. Et elle commença à leur faire des reproches et à tuer celles qui ne juraient que par le nom des loups. Et elle ramena au bercail celles qui s'étaient égarées.
58. Je vis aussi dans cette vision, que cette brebis se changeait en homme et il fit un tabernacle pour le Seigneur du troupeau ; et il apporta tout le troupeau à ce tabernacle.
59. Je vis jusqu'à ce que cette brebis, qui était associée à la première brebis, s'endorme. Je vis enfin périr un grand nombre d'autres brebis, leurs petits grandir à leur place, entrer dans un pâturage nouveau et venir au bord d'un fleuve.
60. Et la brebis qui les avait conduites et qui était devenue homme, se sépara d'elles et s'endormit.
61. Et toutes les brebis la cherchaient, et l'appelaient avec de grands cris.
62. Et je vis aussi qu'elles cessèrent de la pleurer, et qu'elles franchirent les eaux d'un fleuve.
63. Là s'élevèrent d'autres brebis, pour remplacer celles qui s'étaient endormies, et qui les avaient conduites auparavant.
64. Enfin je les vis entrer dans ce lieu fortuné, dans une terre de bénédiction et de joie.
65. Elles s'y rassasiaient ; et leur tabernacle était élevé sur cette terre bienheureuse, et leurs yeux étaient tantôt ouverts, tantôt aveuglés, jusqu'à ce qu'une brebis se levât au milieu d'elles, et les conduisît de telle sorte qu'elle les ramena toutes et leur ouvrit les yeux.
66. Mais les chiens, les renards et les sangliers commencèrent à les dévorer, jusqu'à ce que le Seigneur suscite un autre bélier d'entre elles qui les conduisit. Ce bélier commença en effet à frapper de ses cornes et à poursuivre avec ses cornes et à battre violemment les renards, et après les sangliers sauvages, et il détruisit beaucoup de sangliers sauvages et il laissa les chiens aller libres. **67. M**ais la première brebis en ouvrant les yeux vit la gloire du bélier pâlir et s'éteindre.
68. Car il commença à frapper aussi les brebis, à les persécuter, et à oublier toute sa dignité.
69. Alors le Seigneur envoya cette première brebis à une autre brebis, pour l'élever comme le bélier et le conducteur du troupeau en place de celle qui a terni sa gloire.
70. Elle y alla et lui parla seul à seul et l'institua bélier et le fit juge et berger des brebis. Mais durant ces évènements les chiens ne cessaient d'opprimer les brebis.
71. Et le premier bélier persécutait le second.
72. Alors celui-ci se leva, et s'enfuit de devant la face du premier bélier. Et je vis des chiens qui maltraitaient ce premier bélier.
73. Mais le second se leva, et il conduisait les jeunes brebis.
74. Et il engendra beaucoup d'autres brebis.

75. Et sous lui, les brebis croissaient et se multipliaient.
76. Et tous les chiens, les renards et les sangliers le craignaient et fuyaient de devant lui.
77. Car ce bélier frappait et mettait en déroute toutes les bêtes féroces, en sorte qu'il leur était désormais impossible d'opprimer les brebis ou d'en ravir une seule.
78. Et la bergerie devint grande et magnifique, et on y éleva une haute tour spacieuse sur la bergerie pour le Seigneur des brebis.
79. La bergerie était peu élevée, mais la tour était fort haute.
80. Et le Seigneur des brebis Se plaça en cette tour, et ils dressèrent devant Lui une table garnie.
81. Mais je vis bientôt que les brebis commencèrent à errer de nouveau, à suivre diverses routes et à abandonner leur bergerie.
82. Et le Seigneur en appela quelques-unes et les envoya vers les autres.
83. Mais celles-ci commencèrent à tuer les premières. Une d'elles cependant parvint à éviter le châtiment dont on la menaçait, et prenant la fuite, prêcha contre ceux qui voulaient la tuer.
84. Et le Seigneur des brebis la délivra de leurs mains, la fit monter et asseoir auprès de moi et y rester.
85. Il envoya encore à ces brebis prévaricatrices de ses commandements, d'autres brebis, pour avoir des témoins contre elles. [pour se lamenter sur elles et leur témoigner].
86. Je vis encore que ces brebis, en abandonnant le Seigneur, et la tour élevée en son honneur, erraient en aveugles en des régions inconnues.
87. Enfin je vis le Seigneur lui-même se venger, car Il en faisait un grand carnage ; mais elles crièrent vers Lui ; alors Il abandonna Son Temple et les laissa en la puissance des lions, des tigres, des loups, des renards et de toute espèce de bêtes.
88. Et ces bêtes commencèrent à les déchirer.
89. Je vis aussi le Seigneur abandonner leur bergerie et leur tour et les livrer à des lions féroces et cruels, et à toute espèce de bêtes.
90. Alors je criai de toutes mes forces, et j'implorai le Seigneur pour ces brebis que dévorait toute espèce de bêtes féroces.
91. Mais Il ne répondit point, et Il regardait d'un œil satisfait ces brebis qu'on dévorait, qu'on exterminait. Enfin Il appela soixante-dix pasteurs et leur donna le soin de veiller sur le troupeau.
92. Et Il dit aux soixante-dix et à leurs compagnons: « Que chacun de vous veille sur les brebis, et qu'il fasse ce que Je lui commanderai ; Je vous en donnerai à chacun un certain nombre à conduire.
93. Et celles que je vous dirai d'exterminer, vous les exterminerez » ; et Il les leur livra.
94. Alors Il en appela un autre et lui dit : « Comprends et fais attention à tout ce que les pasteurs feront à ces brebis ; car ils en feront périr beaucoup plus que Je ne leur en désignerai.
95. Et tout excès et toute destruction que les pasteurs commettront, seront notés ; c'est-à-dire qu'il faudra indiquer celles qu'ils auront tuées par Mon ordre, et celles qu'ils auront fait périr de leur propre autorité.
96. Tout meurtre commis par les pasteurs leur est compté. Ne manque donc pas d'écrire combien de brebis ils auront fait périr de leur propre autorité, combien ils en auront livré au supplice, afin que ce compte soit contre eux un témoignage, que Je sache tout ce qu'ils auront fait ; s'ils ont exécuté mes ordres, ou s'ils ont négligé de les accomplir.
97. Mais qu'ils ignorent ce que Je te commande ; ne leur ouvre point les yeux ; ne leur donne point d'avertissement ; mais compte avec soin, un par un, tous les meurtres qu'ils

commettront, et donnes-en-Moi une connaissance exacte ».
Et je vis comment ces pasteurs gouvernaient le troupeau chacun son temps. Et ils commencèrent à tuer plus de brebis qu'ils n'en devaient faire périr.
98. Et ils livrèrent les brebis dans la puissance des lions, en sorte que plusieurs d'entre elles furent dévorées par les lions et par les tigres ; et que les sangliers se jetèrent sur elles, brûlèrent la tour consacrée au Seigneur et détruisirent la bergerie.
99. Et je devins extrêmement triste à cause de l'incendie de cette tour, et de la ruine de la bergerie.
100. Ensuite il me fut impossible de voir si ces brebis entraient dans cette maison.
101. Quant aux pasteurs et leurs compagnons, ils livraient eux-mêmes les brebis à toutes les bêtes féroces, pour les faire dévorer. Chacune d'elles leur était livrée à son tour, et en son temps. Or, chacune aussi était inscrite dans un livre ; et toutes celles qui périssaient y étaient soigneusement notées.
102. Cependant chaque pasteur en faisait périr bien plus qu'il ne le devait.
103. Alors je commençai à pleurer et à m'indigner sur le sort misérable de ces brebis.
104. Et je vis dans ma vision comment celui qui écrivait, notait jour après jour les meurtres commis par les pasteurs ; comment il monta, se présenta au Seigneur des brebis et lui donna le livre qui renfermait le compte exact de tout ce que les pasteurs avaient fait, la note de tous ceux qu'ils avaient fait périr.
105. Et le livre fut lu devant le Seigneur des esprits, qui, étendant la main, le scella et puis le déposa.
106. Ensuite je vis comment les pasteurs avaient l'empire pendant douze heures.
107. Et voici que trois de ces brebis revenues de la captivité, retournèrent et rentrèrent dans le lieu de la bergerie, et commencèrent à relever tout ce qui y avait été détruit.
108. Mais les sangliers tentèrent de les empêcher, mais leurs efforts étaient inutiles.
109. Et les brebis continuèrent à édifier, comme auparavant, et relevèrent la tour qu'on nomma 'Haute Tour'.
110. Et ils recommencèrent à placer une table devant la tour, mais le pain qu'ils y placèrent était impur et pollué.
111. Et sur tout cela, toutes les brebis étaient aveuglées ; elles ne pouvaient voir, pas plus que les pasteurs.
112. Et le Seigneur des brebis les livraient aussi pour les faire périr en grand nombre.
113. Mais le Seigneur des brebis Se taisait, et toutes les brebis furent dispersées dans la campagne. Pasteurs et brebis, tout était mêlé, et nul ne les défendait des attaques des bêtes sauvages.
114. Alors celui qui écrivait le livre, monta et le remit au Seigneur des brebis. Mais en même temps il Le pria pour elles, en portant témoignage contre les pasteurs qui les avaient fait périr. Et après avoir déposé le livre, il s'en alla.

Commentaire du chapitre 87.

Hénoch a une vision qui lui raconte l'Histoire de ce monde. Ce qu'il a vu est si précis que la plupart des théologiens ont pensé et affirmé que ce livre ne pouvait pas avoir été écrit par Hénoch le septième depuis Adam. Comme si Dieu n'était pas capable de révéler à Son serviteur Hénoch les choses qui allaient se produire avec une grande précision…Alors, ils ont tenu ce livre caché (apocryphe). Mais grâce à Dieu des extraits

de ce livre ont été retrouvés parmi les manuscrits de la Mer Morte au siècle passé. Depuis, ils sont gênés. On les comprend…Ils se sont montrés incrédules devant la puissance de Dieu qui se manifestait au travers du ministère prophétique d'Hénoch. De nos jours, alors que la Connaissance augmente, tous ceux qui ont un cœur pour La vérité se donnent la peine de lire et d'étudier ce livre, car il est d'une grande richesse. Il y aura toujours des incrédules, nous ne pouvons pas l'empêcher. Cependant, nous ne sommes pas obligés de nous rallier sous leur bannière. **L'apôtre Jude** croyait ce livre inspiré, eh bien**… moi aussi je le crois !** Jude le citait, **eh bien moi aussi je le citerai !** Que ceux qui ont reçu l'Esprit de Dieu prient pour être éclairés. Qu'ils demandent à Dieu si ce livre est inspiré, ou pas, par Son Esprit-Saint. Dieu leur répondra car Il ne rejette jamais une personne qui vient à Lui avec un cœur sincère et droit.

V 59 La brebis associée est Aaron

Le **verset 57** nous montre bien que le peuple d'Israël, bien que libre de l'esclavage, ne savait pas se comporter librement. Ils se souvenaient avec nostalgie du bon temps de l'Egypte. C'est ce que beaucoup de Chrétiens vivent. Ils oublient qu'ils sont en marche vers la Patrie Céleste. Alors qu'ils traversent des difficultés, ils oublient qu'ils ont un désert à traverser et que Jésus n'a jamais dit que la vie chrétienne était facile. Alors ils se mettent souvent à regretter leur vie passée. Ils se mettent à murmurer contre les serviteurs de Dieu et (donc) contre Dieu. Il y a une chose certaine, c'est qu'en se décidant pour Christ, nous nous mettons à vivre **une difficulté que nous ne connaissions pas avant** : celle de la vie de sanctification et de la foi dans l'amour. Vivre tout cela dans le monde est souvent très difficile, aussi difficile que la marche du peuple d'Israël à travers le désert. Alors certains se détournent et se dirigent vers la mort (spirituelle) d'où ils sont venus. Cependant quelques-uns reviennent au bercail, à la Communauté (l'Eglise) du Seigneur Jésus-Christ. **V 56-57**.

V 62 Israël passe le Jourdain

V63-64 C'est l'entrée dans la terre promise et tout ce que raconte le livre de Josué.

V 64-65 C'est le résumé du livre des Juges jusqu'à Saül.

V 66, Ezech 34/5 nous dit que les peuples qui attaquent Israël sont des animaux sauvages. Hénoch voit donc des chiens qui sont les Philistins, les sangliers (ou porcs sauvages) sont les Edomites et les renards sont les Moabites. (Et souvenons-nous que les ânes sauvages sont les Ismaélites).

Nous voyons aussi le règne de Saül jusqu'au **V 68**. Nous voyons son infidélité dans les histoires avec Amalek à partir de **1 Sam 15**.

V69 C'est Samuel qui va oindre David. **1 Samuel 16/12-13.**

V71-72 Saül qui persécute David. A partir de **1 Sam 19**. Et c'est la fin lamentable de Saül **1 Sam 31**.

V 73-77 David règne.

V 78 La construction du premier Temple **1Rois 6**.

V80 Le vrai Culte est rendu à Dieu.

V 81 Commencement du déclin spirituel d'Israël. Comme l'Eglise, Israël n'a pas été fidèle. L'Eglise devait persévérer dans l'enseignement des apôtres, mais ils s'égarèrent dans la création de la religion « chrétienne », de la grande prostituée catholique. Puis, de cette prostituée sont nées ses filles qui sont : le protestantisme, le baptisme, le pentecôtisme et toutes ces religions plus ou moins puissantes qui dominent sur les gens en se dégageant de l'intervention du Saint-Esprit. C'est le Nicolaïsme que Jésus hait **Apoc 2/6**. Là, Hénoch voit le schisme.

V 82 Hénoch voit que Dieu leur envoie des prophètes.

V 83 le peuple de Dieu assassine les prophètes. Mais Elie arrive à s'échapper et prêche contre les tueurs de prophètes.

V 84 Enlèvement du prophète Elie. **2 Rois 2**.

V 85-88 Dieu envoie encore d'autres prophètes. Mais le peuple a le cou raide et continue dans sa rébellion contre Dieu. Alors Dieu fini par se fâcher et abandonne Son peuple aux mains des impies.

V 89 Dieu abandonne le temple et livre Son peuple aux bêtes sauvages et aux lions féroces qui sont les Babyloniens et les Assyriens.

V 90 Hénoch est frappé par la vision qu'il a et se met à intercéder pour Israël.

V 91 Mais Dieu n'écoute pas. Il se réjouit même en regardant le carnage.

Alors il est clair que nous n'avons pas le droit de nous réjouir de la ruine des autres, mais Dieu est en droit de rire de la destruction de ceux qui ont ri de Lui et se sont moqués des élus. L'homme n'est rien et ses prétentions sont infernales. Il ose se moquer de Dieu et de Ses élus, mais un jour, c'est Dieu qui rira en voyant les moqueurs brûler en enfer. **Job 31/29**. **Prov 24/17. Ps 2/1-5. Ps 35/12-26. Ps 104/31-35. Jean 16/20.**

V 91 Dieu change Sa manière de diriger Son peuple. Il choisit 70 pasteurs. Là, il nous faut comprendre l'esprit de prophétie. Il ne s'agit pas de 70 personnes, mais de 70 générations que nous appellerons des générations prophétiques.

N'oublions pas que ce que nous lisons là est une vision que Dieu montra à Hénoch pour lui montrer ce qui devait arriver jusqu'aux temps de la fin. Il voit les choses de façon à ce que ce ne soit accessible qu'à ceux qui sont à la toute fin et qui ont le regard de l'aigle. L'aigle est le quatrième Etre Vivant qui se trouve près du trône de Dieu **Apoc 4/6-9** et qui influence l'époque dont il est question sous le quatrième Sceau d'**Apoc 6/7**.

Cet Etre Vivant, c'est l'esprit de prophétie. C'est l'Aigle en plein vol. L'esprit qui voit tout d'en haut. En effet, comment comprendre ces histoires d'animaux et de pasteurs, si ce n'est qu'en comparant la vision d'Hénoch avec ce qui s'est historiquement passé que nous pouvons comprendre ? Il en est de même pour les chapitres **2** et **3** du livre de l'Apocalypse.

Nous savons donc aujourd'hui que durant tous les âges les hommes qui se sont engagés à servir Dieu pouvaient le faire en étant simplement fidèles aux Ecritures Saintes qu'ils possédaient. Mais ont-ils été fidèles ? Aussi bien dans le judaïsme que dans le christianisme nous ne pouvons constater que les dérèglements. A quelles époques les pasteurs, les conducteurs du peuple de Dieu ont-ils été fidèles ? **Presque jamais**. Ne tenant pas compte des Ecritures Sacrées, il est normal que leurs inspirations ne pouvaient pas venir de Dieu. Les révélations qu'ils recevaient ne venaient pas du Saint-Esprit. Possédant les Ecritures, ils avaient la Lumière chez eux, et ils ont conduit le troupeau de Dieu dans les ténèbres presque tout au long des âges. Quand on lit ce que le Saint-Esprit a inspiré à Ezéchiel au chapitre **34** de son livre, on comprend qu'il parle de la même chose qu'Hénoch. Mais il est bien évident qu'il y a eu plus de 70 pasteurs en Israël, et il y en a eu plus également dans les milieux chrétiens. Dieu parle là de 70 générations de pasteurs. La question est donc : quand est-ce que ces 70 générations de pasteurs ont-elles commencé ? Quand on étudie la Bible, on ne peut manquer de remarquer qu'après la mort du grand prêtre Jehojada, les choses ont été très différentes. Un tournant s'est produit alors. Le roi Joas était alors très jeune. Le Temple a été abandonné à cette époque. Le culte étant abandonné, on a vu également la royauté imposée par le peuple au temps de Samuel être abandonnée. On retrouva le Livre de la Loi et il y eut une grande réforme **2 Rois 22 et 23**. Joas est mort aux environs de l'an 800 avant Jésus-Christ. Le Temple a été pillé aux environs de 816 avant Jésus-Christ. C'est ce qu'affirme le R.P. Tellier (Atlas historique de l'Ancien Testament. Auteur : *Tellier R. P*. Editeur : *Editions Spes* Parution : *1937)*

A cause de Moïse qui a vécu 120 ans et vit trois générations, on compte généralement 40 ans pour une génération prophétique. **Nom 32/13** est aussi un indice pour parler de 40 ans. En écoutant Jésus parler, on s'aperçoit que, Lui aussi parle de générations qui durent 40 ans. Il annonce ce qui va se produire en l'an 70 en parlant de « cette génération verra ces choses » **Matt 23/36**. Or, Jésus commença Son ministère 40 ans avant l'an 70. Donc, fort de cette connaissance spirituelle, nous pouvons savoir que les 70 générations de pasteurs représentent : 40x70= 2800 ans.

C'est à la fin de ces 2800 ans que doit finir le temps des pasteurs.

EN 1977

Nous savons que des erreurs se sont produites dans les datations. Notre calendrier n'est pas tout à fait exact. Nous savons que Jésus n'est pas né à la date que les nations le prétendent. Il y a une erreur d'environ **5 à 7 ans**. C'est ce que nous disent les historiens et les théologiens actuellement. Cela situerait la fin du temps des pasteurs aux environs de (816+7=823) : 2800-823 = **1977.** (Le prophète William Branham, qui ne connaissait rien au livre d'Hénoch, pensait (sans le prophétiser) que vers **1977**, ce serait la fin du temps des nations.) En tout cas, ce qui compte, c'est que nous voyons que cette vision nous concerne, nous. J'étais bien vivant dans ces années-là. Et c'est de ces années-là que le livre d'Hénoch parle. Qui le sait ? **Vou**s le savez maintenant.

Les pasteurs ont-ils le droit de tuer les brebis qui ne marchent pas correctement ? Non, bien sûr. Il ne s'agit pas ici d'exterminer physiquement les gens. Par contre, un pasteur qui écoute Dieu sait très bien quand il doit retrancher une brebis du troupeau afin que ce dernier soit préservé.

1 Jean 5/16 nous parle d'un péché qui mène à la mort.

Héb 6/4-8 nous donne de plus amples explications au sujet de ce péché. Ce sont des gens qui ont été convertis, nés de nouveau, remplis par le Saint-Esprit et qui se détournent pour diverses raisons (tels que le sexe, l'argent, l'orgueil etc.…) et qui s'endurcissent au point de ne plus croire que Dieu peut leur pardonner. Ils ont franchi la limite. Ils sont allés trop loin et ne peuvent revenir à la grâce. Il est évident que de telles personnes n'ont plus leurs places dans La Communauté de Jésus-Christ telle qu'Il l'a voulue au Commencement.

Jude 12 nous montre qu'il y a des gens qui n'ont rien à faire dans La Communauté de Jésus-Christ telle qu'Il l'a voulue au commencement. Ce sont des gens sans vergogne qui se repaissent, qui se servent sans jamais rien partager et qui ne portent pas de fruits.

Tout cela fait partie des raisons que Dieu a de vouloir « *exterminer certaines brebis* » **V 93**.

Mais, il y a eu, et il y a encore, des pasteurs qui abusent de leur pouvoir et excommunient des brebis à cause de choses secondaires comme par exemple : des opinions différentes des leurs, ou des doctrines qui leur paraissent hérétiques alors qu'elles ont la longueur de leurs cheveux, de leurs habits, de la cigarette. On a même vu en France des pasteurs chasser des Gitans de leurs églises parce qu'ils avaient des coutumes qui ne leur plaisaient pas. En Inde, j'ai vu des pasteurs chasser de leurs églises des gens parce qu'ils faisaient partie des « hors-castes ». Ceux-là seront jugés **V 96**.

Au **V 94** il nous est parlé d'un AUTRE pasteur. Il s'agit là de Jésus-Christ. Jésus-Christ est le **Souverain-Pasteur**, car Il a autorité pour juger les pasteurs. Alors sachez-le, les pasteurs seront jugés et le critère N° 1 est l'exercice de leur autorité sur le troupeau que Dieu leur a confié. La Bible nous le dit clairement. Les pasteurs doivent faire attention à la manière dont ils construisent sur le fondement des apôtres. **1 Cor 3/10**. Quand vous lisez le **chapitre 23** du Livre de Matthieu, vous vous apercevez que Jésus a été d'une dureté terrible ! Pensez-vous que Son jugement s'est ramolli et qu'Il ne juge pas sévèrement les pasteurs chrétiens ? Beaucoup de pasteurs se contentent de « **préchi-**

prêcha » et distillent un évangile doucereux sans puissance, étant assurés d'un bon salaire à la fin de chaque mois. D'autres sont autoritaires et légalistes, jetant des fardeaux pesant sur les épaules des brebis. Plusieurs ne font que de tondre les brebis, les dépouillant copieusement de leur argent pour s'enrichir en se cachant derrière la doctrine de l'abondance. Et je ne parle même pas des raconteurs de fables semblables aux bonimenteurs, animateurs de supermarché sans envergure. Et ceux qui font croire qu'ils sont prophètes alors qu'ils ne sont rien de plus que des manipulateurs, ou des médiums. Bref… Jésus regarde aussi tous ceux qui retiennent injustement la vérité captive. Il voit ceux qui ont la Lumière chez eux et qui conduisent les gens dans les ténèbres. Il connait par leurs noms ceux qui ont volé les clés de la Connaissance. Ils piétinent les choses sacrées et empêchent les brebis de venir boire à la Source. Ils tiennent cachés des livres inspirés en enseignant avec fermeté qu'ils sont douteux. Et puis, il y a ceux qui ont trouvé leur diplôme de pasteur dans un paquet de lessive Bonux. Bref… Rien de tout cela n'échappe à Dieu. Mais revenons à la vision d'Hénoch. Au verset **98** il voit la destruction de Jérusalem et du Temple. Oui, Nebucanetsar. C'est alors que Jésus-Christ a inspiré son prophète, Ezéchiel qui écrivit son Chapitre **34** contre les pasteurs. Puis les Juifs reviennent sur terre avec Esdras et Néhémie. (C'est à cette époque qu'un prêtre fidèle du nom de **Genton** a vécu. Dans la version VULGATE, dans **2 Esdras 10/3** se trouve le nom de ce prêtre. On le trouve dans nos Bibles modernes dans **Néhémie 10/7** avec une transformation, « **Genton** » est devenu « **Guineton** »). Mais **2 Esdras** est **Néhémie 10**. C'est juste une autre façon que les théologiens ont eu de partager les livres. Au **V 107** nous trouvons trois brebis qui reviennent de la captivité et commencent à relever ce qui avait été détruit. Hénoch a vu Josué, **Esdras 3/8** Esdras et Néhémie. Hénoch a donc vu ce que nous lisons dans les livres d'Esdras et de Néhémie. **V 108,** Les sangliers tentent de les empêcher de travailler à la reconstruction. Et le peuple fut à nouveau aveuglé. Par quoi ? **Par la tradition talmudique**. Le peuple se trouva alors dans une situation de grande pauvreté spirituelle entre le prophète Malachie et l'arrivée du prophète Jean le Baptiste. Au **V 114** il est écrit qu'après avoir prié pour les brebis et porté témoignage contre les pasteurs, Jésus, déposa le livre des actes des pasteurs et S'en alla. Où alla-t-Il ? Il quitta le ciel pour venir s'incarner sur terre.

CHAPITRE 88

1. Et je remarquai comment trente-cinq pasteurs reprirent soin du troupeau jusqu'à ce que chacun disparût à son tour, comme les premiers. Alors les brebis furent confiées à d'autres pasteurs, qui les gardèrent chacun un certain temps.
2. Puis j'aperçus dans ma vision tous les oiseaux du ciel qui accouraient, les aigles, les vautours, les corbeaux et les éperviers. Et les aigles conduisaient tous les autres.
3. Et ils commencèrent à dévorer les brebis, à leur crever les yeux avec leurs becs, et à

se nourrir de leur chair.
4. Et les brebis poussaient des cris lamentables, de se sentir ainsi dévorées.
5. Et je criais aussi, et je gémissais dans mon sommeil contre le pasteur chargé de la garde du troupeau.
6. Et je vis les brebis dévorées par les chiens, par les aigles et les vautours. Leur chair, leur peau, leurs muscles, tout était consommé ; il ne leur restait que les os, qui tombaient à terre. Et le nombre des brebis diminuait considérablement.
7. Et je vis ensuite vingt-trois pasteurs placés à la tête du troupeau, et dont les temps respectifs accumulés forment cinquante-huit âges. (temps).
8. Alors les agneaux furent mis au monde par les brebis blanches, et ils commencèrent à ouvrir les yeux et à voir, et à appeler leurs mères.
9. Mais les brebis ne les regardaient pas, n'écoutaient point leurs plaintes [le contenu de leurs paroles] ; mais elles étaient sourdes, aveugles et endurcies. Extrêmement aveuglées et d'une manière croissante.
10. Et j'aperçus dans ma vision les corbeaux qui s'abattaient sur ces agneaux.
11. Ils les saisissaient, et dévoraient les brebis après les avoir déchirées.
12. Je vis aussi les cornes de ces agneaux pousser, mais les corbeaux cherchaient à les ébranler.
13. Voici enfin qu'une grande corne poussa sur la tête d'une de ces brebis, et les yeux de toutes les autres furent ouverts.
14. Et la première les regardait, et leurs yeux furent ouverts, et elle les appelait.
15. Les béliers la voyant, se précipitèrent près d'elle.
16. Cependant les aigles, les vautours, les corbeaux et les éperviers continuèrent à persécuter les brebis, volant sur elles et les dévorant. Et les brebis se taisaient, mais les béliers se lamentaient et poussaient des cris.
17. Alors les corbeaux furent chassés et ils se mirent à lutter contre elle.
18. Cherchant à briser la corne, mais leurs efforts étaient inutiles.
19. Et je regardai jusqu'à ce que vinrent les pasteurs, les aigles, les éperviers et les vautours,
20. Qui poussaient les corbeaux à briser la corne de ce bélier, et qui combattaient avec lui. Mais il soutenait leur choc et demandait du secours.
21. Alors je vis venir l'homme qui avait inscrit les noms des pasteurs, et qui était monté en la présence du Seigneur des brebis.
22. Il vint porter du secours au bélier, et il lui montra tout et annonça à tous qu'il était venu porter du secours au bélier.
23. Et voici que le Seigneur des brebis descendit enflammé de colère, et tous ceux qui L'aperçurent s'enfuirent et tombèrent dans les ténèbres. Tous les aigles, les vautours, les éperviers et les corbeaux se rassemblèrent et entrainèrent avec eux toutes les brebis sauvages
24. Tous se réunirent et cherchèrent à briser la corne du bœuf.
25. Alors je vis l'homme qui écrivait par l'ordre du Seigneur, prendre le livre de la destruction accomplie par les douze derniers pasteurs, et il prouva qu'ils avaient fait périr plus de monde que ceux qui les avaient précédés.
26. Je vis encore venir à eux le Seigneur des brebis, tenant en Sa main le sceptre de Sa colère, en frapper la terre, qui s'entrouvrit, et les bêtes et les oiseaux du ciel cessèrent de persécuter les brebis, et tombèrent dans les gouffres béants de la terre, qui se referma sur eux.
27. Je Le vis aussi donner une grande épée aux brebis, qui poursuivaient à leur tour les bêtes sauvages, et les exterminaient.
28. Alors toutes les bêtes et tous les oiseaux du ciel se retirèrent de devant leur face.

29. Et je vis un trône élevé dans une région fortunée,
30. Sur lequel siégeait le Seigneur des esprits, qui prit tous les livres scellés et Il les ouvrit devant le Seigneur des brebis.
32. Alors le Seigneur appela les sept premiers hommes blancs, et leur ordonna d'amener la première étoile, qui avait précédé toutes les autres, dont les parties sexuelles étaient semblables aux parties sexuelles des chevaux, qui enfin était tombée la première, et ils l'amenaient devant Lui.
33. Et il dit à l'homme qui écrivait en sa présence, et qui était un des sept hommes blancs : « Prends ces soixante-dix pasteurs, auxquels j'ai confié les brebis, et qui en ont fait périr beaucoup plus que je ne l'avais ordonné. Et voici ; je les vis enchaînés et debout devant Lui. Et on commença par juger les étoiles, et elles furent reconnues coupables, et amenées au lieu du jugement ; et on les jeta dans un lieu profond, et rempli de flammes, de colonnes de feu. Ensuite les soixante-dix pasteurs furent jugés et reconnus coupables ; ils furent également précipités dans l'abîme enflammé.
34. Dans le même temps, je vis au milieu de la terre un abîme rempli de feu.
35. C'est là qu'étaient conduites les brebis aveugles, qui avaient été jugées coupables ; toutes, elles étaient précipitées dans ce gouffre de feu.
36. Et ce gouffre se trouvait situé à la droite de cette bergerie.
37. Et je vis les brebis brûler et même leurs os furent consumés par le feu.
38. Et je me tenais debout, considérant comment ils pliaient cette antique bergerie; on enleva les colonnes, l'ivoire et toutes les richesses qu'elle renfermait, et on les amoncela dans un lieu situé à l'orient.
39. Je vis aussi le Seigneur des brebis élever une maison plus grande et plus haute que la première, et la bâtir dans le même endroit où avait été la première. Toutes ses colonnes étaient neuves, l'ivoire neuf, et en plus grande quantité qu'auparavant.
40. Et le Seigneur des brebis habitait à l'intérieur. Et toutes les brebis qui avaient été épargnées et toutes les bêtes de la terre et tous les oiseaux du ciel s'inclinèrent devant les brebis qui restaient et les adorèrent, leur adressèrent des prières, en leur obéissant en toutes choses.
41. Alors les trois hommes, qui étaient revêtus de blanc, et qui me prenant par la main m'avaient fait monter, [et la main du bélier me tint aussi] ils m'enlevèrent encore, et me placèrent au milieu des brebis, avant le commencement du jugement.
42. Les brebis étaient toutes blanches, la laine longue et pure de toute tache. Et toutes celles qui avaient été dispersées ou qu'on avait exterminées, toutes les bêtes sauvages, tous les oiseaux du ciel se réunirent dans cette maison, et le Seigneur des brebis tressaillait d'allégresse de voir rentrer les brebis au bercail.
43. Et je vis qu'elles déposaient l'épée qui avait été donnée aux brebis, qu'elles la reportaient dans la bergerie, et la scellaient en présence du Seigneur.
44. Les brebis furent invitées dans la maison, qui avait peine à les contenir toutes. Et leurs yeux étaient ouverts, et il n'y en eu pas une seule qui soit privée de la vue.
45. Je vis aussi que la maison était grande et large, et pleine de monde. Et voici qu'il naquit un veau blanc, dont les cornes étaient grandes, et toutes les bêtes sauvages, tous les oiseaux du ciel l'adoraient et l'imploraient incessamment.
46. Alors je vis leur nature à tous se transformer, et ils devenaient des taureaux blancs.
47. Et le premier d'entre eux fut fait taureau, et devint un grand animal, et il portait sur sa tête de grandes cornes noires.
48. Et le Seigneur des brebis se réjouissait sur Eux et à la vue de tous ces taureaux.
49. Et moi qui m'étais endormi au milieu d'eux, je fus réveillé, mais je conservais la mémoire de tout ce que j'avais vu. Telle est la vision qui m'apparut pendant mon sommeil. Je célébrai à mon réveil le Seigneur de toute justice, et je lui en rendis toute la

gloire.
50. Ensuite je répandis beaucoup de larmes, et elles coulaient sans s'arrêter par le souvenir de ce que j'avais vu. Car toutes ces choses s'accompliront et toutes ces choses arriveront et s'accompliront en leur temps.
51. Et je pensai la nuit au songe que j'avais eu, et je pleurai amèrement, plein de trouble encore de la vision que j'avais eue.

Commentaire du chapitre 88.

Dès le verset **1** nous comprenons qu'il y a eu, en gros, deux dispensations principales, chacune sous l'influence de 35 pasteurs. Les 35 premiers pasteurs sont les pasteurs d'Israël **sur 823 années**, puis, les 35 suivants sont les pasteurs de l'église chrétienne **sur 1977 ans**. Ces 70 pasteurs symbolisent 70 périodes, 70 temps prophétiques. En reprenant le calcul fait dans le chapitre précédent nous arrivons précisément au temps de la réforme. En effet, dans les 35 générations de pasteurs chrétiens, nous trouvons d'abord 23 générations qui agissent. Pour bien comprendre, nous avons donc premièrement, 35 générations de pasteurs Juifs, (puis la crucifixion de Jésus.) +23 générations de pasteurs Chrétiens, ce qui nous donne **58 générations** comme nous le dit le **verset 7**.

Une génération étant égale à 40 ans, nous nous trouvons donc avec 58x40= 2320 ans. La date que nous avions pour commencer était la date de la destruction du Temple en 816 (selon l'Atlas Bibilque de R.P. Tellier). Donc 816 + les 7 ans qui manque à notre calendrier = 823 ans avant Jésus-Christ. Puis, nous soustrayons 823 à 2320 et nous avons 1497. En 1497, **le réformateur Martin Luther** a 14 ans. Hénoch a vu ces brebis qui voyaient clair, il **a vu Calvin, Farel, Théodore de Bèze, John Knox, Zwingli, Michel Servet** et bien d'autres qui allaient éclairer le monde. Nous sommes sur le point d'entrer dans l'âge de Sardes qui a été sous l'influence de grands hommes de Dieu qu'Hénoch a vus au **verset 8.** Ce sont ces brebis qui soudain voient clair et se mettent à appeler leur mère (l'église catholique). Mais voici, leur mère n'écoute pas. Au contraire, elle les persécute violemment. Pourquoi invoquent-ils leur mère ? Parce que toutes les dénominations protestantes sont issues du catholicisme. La Bible nous dit qu'elle est la mère de toutes les prostituées. Elle est une prostituée et ce qui est sorti d'elle n'est pas resté pur, dans l'enseignement des apôtres. C'est en cela que l'église catholique est la mère de toutes les prostituées. En effet, ces fameuses églises qui vont naître d'elle ne vont pas être fidèles longtemps. Elles vont retourner à la forme hiérarchique humaine plutôt que de laisser le Saint-Esprit être la tête. Maintenant, nous voyons qu'il n'y a pas que des animaux qui sont ennemis. Il y a aussi des oiseaux **v2**. Il faut se rendre compte que, depuis Jésus, quand les pasteurs de l'église se lèvent il n'y a pas seulement les animaux qui attaquent, mais aussi les oiseaux. Les oiseaux sont des êtres spirituels du monde infernal. Avant la venue de Jésus, les animaux étaient les ennemis du peuple de Dieu, il s'agissait, comme nous l'avons vu, des peuplades terrestres qui s'attaquaient au peuple de Dieu nombreux comme les grains de sable de la mer. Mais maintenant, nous sommes sur un autre niveau. Depuis la venue de Jésus, le monde des esprits est secoué, ébranlé dans ses fondations car les gens du vrai peuple de Dieu ont autorité sur le monde des ténèbres. Déjà au temps de Jésus-Christ, les démons se déchaînaient comme jamais auparavant. Depuis que Jésus tabernacle dans Ses vrais disciples, les démons s'efforcent de détruire le vrai peuple de Dieu. Les oiseaux sont donc les esprits mauvais

et, en particulier, dans notre temps de la fin des nations, il y a en plus les esprits des morts selon **Apoc 6/8** qui sont lâchés. Le peuple de Dieu, le peuple formé des vrais disciples de Jésus, est le peuple nombreux comme les étoiles du ciel. C'est un peuple céleste alors qu'Israël n'était qu'un peuple terrestre. Le combat est plus rude encore contre l'église que contre Israël. Mais qui s'en inquiète ? Aujourd'hui, alors que l'église s'est élevée, qu'elle ne ressemble plus à la graine qui a été semée, **les oiseaux du ciel viennent piailler et faire leurs saletés sur elle.** Les oiseaux sont les démons qui entrent dans l'église, ce sont des esprits religieux déréglés qui font beaucoup de bruit et de scandales, ce sont des gens qui ne sont pas nés de nouveau et qui essaient de la détruire en la salissant, en la polluant. **Marc 4/30-32**. Ce sont aussi les fanatiques de l'Islam qui persécutent nos frères et sœurs, ce sont aussi les journalistes qui salissent sans cesse le monde évangélique, ce sont des spectacles blasphématoires qui sont encouragés au nom de la culture, etc… Ce sont des oiseaux, des êtres célestes démoniaques, mais aussi des esprits de mort. Maintenant, nous sommes en train de vivre la prophétie donnée en **Apoc 6/8**. Le séjour des morts est ouvert et la mort et le séjour des morts parcourent la terre. Alors, il est vrai que Jésus nous a averti que les portes du séjour des morts ne pourraient rien contre La Vraie Eglise. **Matt 16/18**. Par contre, s'il est vrai que le séjour des morts ne peut rien contre la vraie Eglise de Jésus-Christ, le monde des morts a un pouvoir contre tous ceux qui ne sont pas cachés en Christ. De nos jours, les morts ont de plus en plus de pouvoir, et cela a été prophétisé dans le Livre de l'Apocalypse. **Apoc 6/8**. Mais les mouvements religieux s'accordent tous pour dire que le monde des morts n'a aucun contact avec le monde des vivants. Ils sont tellement aveugles qu'ils ne savent même pas que le Livre de l'Apocalypse nous enseigne que les portes du séjour des morts sont ouvertes et que des esprits de morts influencent de plus en plus les gens de notre génération. Ils ne savent pas que nous sommes en train de vivre la prophétie contenue sous le quatrième Sceau. Ils se mettront à y croire quand il sera trop tard, comme ils le font à chaque fois. Ils ignorent des choses de base quant au monde des esprits et en particulier au sujet des morts. La Bible est claire à ce sujet, il a toujours été possible d'être possédé par l'esprit d'un mort. Mais les traducteurs actuels de la Bible sont frileux et ont trafiqué les Ecritures à ce sujet pour conduire le peuple à croire comme ils le veulent, eux.

Comparons les Textes anciens avec les textes d'aujourd'hui.

Par exemple, lisons un le texte de **Lévitique 20/27** dans la traduction Bible Thompson de **2009** : « *Si un homme ou une femme ont des pouvoirs de spirites ou de médium, ils seront mis à mort ; on les lapidera ; leur sang sera sur eux.* »

Lisons le même Texte de **lévitique 20/27** dans la traduction plus ancienne, Segond **1910**. « *Si un homme ou une femme* ***ont en eux l'esprit d'un mort*** *ou un esprit de divination, ils seront punis de mort ; on les lapidera ; leur sang retombera sur eux.* »

Lisons aussi la version Chouraqui de **1983**, **Lévitique 20/27** : « *Homme ou femme* ***en qui est un nécromant*** *ou une augure sont mis à mort ; ils seront lapidés par la pierre, leur sang contre eux.* »

Le mot **nécromant** signifie : dico Petit Larousse 2000 : « **nécroman**t, du grec **nékros** = mort et **mantéia** = prédiction ». Un nécromant est un mort qui prédit. Le Texte dit donc : « *Si un homme ou une femme à EN LUI un mort qui prédit…* »

Mais de nos jours, les enseignants chrétiens modernes disent que les morts ne peuvent absolument pas se manifester aux vivants. Pourquoi mentent-ils aux gens ? Par ignorance ou pour les tromper ? Toutes les Bibles disent qu'à la fin des temps, les morts auront le pouvoir de tuer un quart de la population mondiale **Apoc 6/8**. Qui dit la vérité ? Je vous laisse juge. Hénoch continue à voir l'histoire du monde se dérouler devant ses yeux. Il voit les pasteurs chrétiens crucifier à nouveau Jésus à chaque messe. Et il voit aussi tous ceux qui crucifient pour leur propre compte Jésus par leurs péchés. **Héb 6/4-6**. Il voit aussi les chiens, qui sont les Romains et les Philistins au **verset 6**. Pourquoi dis-je que les Philistins sont des chiens ? **Je vous l'explique** : les Philistins apparaissent dans la Bible au temps de Nemrod. **Gen 10/14**. Le mot Philistin a été déformé par les gens des nations, par Rome. En réalité le mot Philistin se dit « Pelecht » en Hébreux et ce mot signifie « peuple de la mer ». **En hébreu** on dit « un Pelcht » « des Pélichtim ».

En arabe on dit « Filastin »

En français c'est devenu « Philistin ».

Par contre, ce que peu savent, c'est qu'Hérodote (484-420 av. Jésus) appellera les arabes qui vivent sur la terre d'Israël depuis la déportation des Juifs dans le monde entier, les « Pelecht » en employant **le grec** « Palestina ».

Or, les Philistins ont été **détruits** en 604 avant Jésus-Christ selon la prophétie d' **Ezech 25/15-17**. Alors, qui sont les Palestiniens, ou Philistins d'aujourd'hui. **Ils sont une invention historique.**

Résumons :

1220 av. Jésus-Christ, Dieu donne ce bout de terre aux Juifs.

63 av. J-Ch. Rome soumet la région.

132-135 apr. J-Ch suite à la révolte de Bar-Kokbat, de nombreux Juifs sont déportés.

Au **4ième siècle** ce bout de terre est considéré comme la terre sainte par les nations chrétiennes (sous Constantin).

634-640 les arabes arrachent ce bout de terre aux Byzantins et l'intègrent à l'empire musulman.

1099 les croisés fondent le royaume latin de Jérusalem.

1291 les Mamelouks d'Egypte s'emparent de ce bout de terre qui était devenu possession de Rome, de la chrétienté. Ils dominent le pays jusqu'à la conquête Ottomane.

1516 l'empire Ottoman (Turcs) établit sa domination pour quatre siècles.

A partir de **1882** les pogromes Russes provoquent l'immigration juive sur la terre que Dieu avait donnée à Jacob.

1916 la révolte contre les Ottomans (Turcs) est soutenue par la Grande-Bretagne

1917-1978 la Grande Bretagne occupe ce bout de terre.

En **1922** elle se fait confier, par la société des nations, un mandat sur ce bout de terre. Ce mandat stipule l'établissement d'un foyer national Juif, conformément à la déclaration de Balfour de novembre **1917**.

1928-1939 les arabes **appelés à tort Palestiniens ou Philistins** provoquent des troubles sanglants aux immigrants Juifs.

1939-1945 les arabes de cette région travaillent en collaboration avec Hitler.

1947 l'Onu décide de partager ce bout de terre entre un état Juif et un état Arabe. L'idée est rejetée par le monde arabe.

1948-1949 l'Etat d'Israël est proclamé et, après la défaite arabe, ceux-ci se réfugient massivement dans les Etats limitrophes.

Et nous connaissons la suite de l'histoire, nous en entendons parler tous les jours par les médias.

Mais souvenez-vous que **les Palestiniens n'existent plus depuis qu'ils ont disparu en 604 avant Jésus-Christ** selon **Ezechiel 25/15-17**. Ils se font appeler « Palestiniens » Ce bout de terre est appelé « Palestine », mais c'est une grande faute historique que de les appeler ainsi. Pourtant, c'est ainsi que, même dans nos écoles on enseigne cette erreur. Ceux qui se font appeler « Palestiniens » ne sont en fait que des arabes arrivés vers l'an 130 après Jésus-Christ, c'est-à-dire 1350 ans après que Dieu ait donné ce bout de terre aux Juifs. Les vrais Palestiniens, eux, ont été détruits en 604 av. Jésus-Christ, selon **Ezéchiel 25/15-17**.

Les éperviers qu'Hénoch a vus sont des mauvais esprits qui ont eu un rang élevé dans les milieux politiques, économiques et sociaux. Ils sont morts et sont donc des esprits de morts qui agissent de nos jours en influençant les grands de ce monde et, par eux, la population de la terre. **Eph 6/12**.

Il y a eu tant de luttes et d'horreurs commises entre le monde visible et le monde invisible que très peu de vrais Chrétiens ont pu s'en sortir. Les réformateurs ont eu à travailler sur des os, des moribonds **Ezech 37**. (Notons que cela arriva aussi au Peuple terrestre, au Peuple Juif après la dernière guerre mondiale ; cette prophétie d'Ezéchiel concerne les deux Peuples de Dieu à deux périodes différentes.)

Revoyons ce qui concerne les douze derniers pasteurs. Nous avons vu que la date jusqu'au 58ème temps était **1497 après Jésus-Christ**. Donc les douze derniers pasteurs devraient commencer aux environs de 1500. Des centaines de millions de personnes ont été des adeptes de la réforme depuis Luther jusqu'au réveil des pentecôtistes sur tous les continents. Cela, c'est ce que nous pouvons voir avec nos yeux terrestres. Vu du Ciel ce n'est pas aussi brillant. La réforme s'est embourbée assez rapidement dans l'impureté en ne rejetant pas tous les rajouts que l'église catholique avait imposés à ses fidèles. Mais nous sommes malgré tout dans le processus du rétablissement de toutes choses.

Cela prend du temps et il y a beaucoup d'actions condamnables qui ont été et qui sont encore commises. **Comme le meurtre de Michel Servet par exemple**. **Michel Servet** (**Miguel Servet** en espagnol), né le 29 septembre 1511 en Aragon et exécuté le 27 octobre 1553 à Genève, est un théologien et médecin espagnol qui découvrit la façon dont le sang passe dans les poumons pour s'oxygéner. Il fut brûlé vif pour hérésie le 27 octobre 1553 sur ordre du Grand Conseil de Genève. Le réformateur protestant Calvin a joué un rôle déterminant dans cette condamnation. Voilà pourquoi il est écrit au **V19** : « *les pasteurs, les aigles, les éperviers et les vautours…* »

Michel Servet refusait notamment le dogme de la Trinité. (Ça fait réfléchir, n'est-ce pas ?)

Les corbeaux qui s'abattent sur les agneaux **V10**, ce sont ces membres du clergé catholique qui sont habillés de noir et qui sont encore de nos jours regardés comme des corbeaux. Ils ont tués, massacrés nos frères protestants du début. Ces chrétiens véritables ont été assassinés par des religieux catholiques dégénérés gérant un christianisme obscurantiste. Ces affreux oiseaux noirs se sont enivrés du sang qu'ils ont fait couler au nom de Dieu **Apoc 17/6**. Aveuglés par leur soif de pouvoir et leur idolâtrie coupable, ils ont été incapables de voir quels mauvais esprits de mort les animaient. Monsieur **Jean-Paul II a demandé pardon**. C'est très gentil de sa part. Et bien sûr nous n'avions pas attendu sa supplique pour pardonner. Mais… un Chrétien né de nouveau et correctement enseigné ne se prostituera pas avec cette vieille dame indigne qu'est l'église catholique ; il sortira d'elle et de tout ce qui lui ressemble afin de ne pas participer à ses œuvres. **Apoc 18/4-8**. Maintenant voyons un peu les calculs que nous donne Hénoch. Douze générations de pasteurs représentent 12x40=480. Nous avons vu que les douze commençaient en 1497, ajoutons donc 480 et nous trouvons **1977**. Je vous donne maintenant connaissance de ce que le prophète William Branham a dit un jour, sans le prophétiser, mais il l'a dit tout de même en 1960.

« En me basant sur ces sept visions, ainsi que sur les changements rapides qui ont balayé le monde depuis cinquante ans, je PREVOIS (je ne prophétise pas) que ces visions se seront toutes accomplies d'ici 1977. Et, bien que beaucoup auront l'impression que cette affirmation est faite à la légère, vu que Jésus a dit que « nul ne connaît ni le jour, ni l'heure » je continue à maintenir ce PRONOSTIC trente ans après, parce que que Jésus n'a pas dit que nul ne pourrait connaître l'année, le mois ou la semaine où Sa venue serait achevée. Donc, je le répète, je crois sincèrment et je maintiens, selon ce que j'ai étudié dans la Parole, ainsi que par l'inspiration Divine, que 1977 POURRAIT BIEN marquer le point final des systèmes de ce monde, et nous introduire dans le millénium. »

Il ne prophétise pas, il croit sincèrement, il pronostique.

La fin du monde a-t-elle eu lieu en 1977 ? Sommes-nous entrés dans le millénium ? **Non ; pas que je sache**. Mais avait-il dit que la fin du monde aurait lieu en 1977 ? **NON**. Ou que le millénium commencerait en 1977 ? **NON**. Il a dit que **ce pourrait être le point final des systèmes de ce monde**. De mon côté je dis que cela ne va pas tarder à nous introduire dans le millénium. En effet le temps des nations est terminé depuis les

années 1970, à cause de la crise du pétrole qui a enclenché le processus de la mondialisation. Maintenant nous sommes, non plus dans le temps des nations, mais dans le temps de la mondialisation. Personne ne peut le nier. William Branham, ce prophète sortant de sa campagne, n'avait jamais lu le livre d'Hénoch. Et pourtant il arriva à la même date : **1977**. Et de nos jours, qui prend garde à ces choses ? Au **V 13** il est question d'une corne qui pousse sur la tête d'une des brebis. Cette corne signifie « puissance ». C'est la puissance du rétablissement de toutes choses qui est annoncée en **Actes 3/21**. Jésus va revenir au temps du rétablissement de toutes choses. Le rétablissement de toutes choses est un processus. Nous sommes en plein dedans depuis **1497**, depuis l'époque où les réformateurs sont nés.

Il y a eu : Le rétablissement du **salut par la foi**, puis celui de la **sanctification**, avec Wesley, puis le rétablissement du **baptême d'eau par immersion**, puis le rétablissement des **dons surnaturels** avec le réveil des pentecôtistes, puis le rétablissement de la vérité de **la Vie de l'Eglise Communautaire**, puis le rétablissement du **lavage des pieds**, puis le rétablissement du **baptême à la place des morts** etc…

Au verset **15,** il est question de plusieurs béliers qui vont rejoindre la brebis qui avait une corne, une puissance qui poussait et qui était attaquée par les oiseaux. Puis au **v17** les corbeaux sont chassés, ce sont les Etats qui se séparent du pouvoir politique de l'église catholique. Les efforts de l'église catholique pour briser la puissance du rétablissement de toutes choses sont vains. La Grande Corne qui pousse sur une des brebis est le symbole du processus du rétablissement de toutes choses dans la Véritable Eglise de Jésus-Christ **V13**.

Les béliers qui se joignent à la brebis qui a la grande corne sont les Chrétiens fidèles qui prennent part à ce rétablissement. Ils ne sont pas silencieux, ne subissent plus sans agir, ils s'expriment, se lamentent, c'est-à-dire, ils se repentent et crient, ce qui signifie qu'ils louent Dieu. **V16**.

Les corbeaux (les curés et autres clergymans) sont chassés **V17**. Ils essaient de lutter contre le rétablissement de toutes choses mais leurs efforts sont vains. **V18**.

Il y avait une brebis seule qui a eu une grande corne **V13**, mais cette brebis devient un bélier au **V20.**

Quelque chose s'est produit, une unité entre tous ceux qui se sont joints à la brebis pour se battre avec elle. Maintenant, c'est le combat solitaire contre des pasteurs. **V20**.

Cela signifie que le moment est arrivé où ce qui est puissant (le bélier) devient une unité et que les pasteurs ne sont pas dedans. Il y a dans le monde une unité d'esprit qui cherche le secours en Jésus-Christ seul et ne le cherche plus dans les églises instituées et reconnues par les gouvernements humains. Puisqu'en **1977** le temps de l'église des nations est terminé, le temps des pasteurs l'est aussi. Tous ces gens qui ne sont pas sortis des systèmes plus ou moins inspirés de la grande prostituée sont maintenant dans le camp des aigles, des vautours, des éperviers et des corbeaux. Ne cherchent-ils pas d'ailleurs à entrer dans l'œcuménisme.

L'œcuménisme est une fausse unité à la ressemblance de Babel. La Vraie Unité ne peut se faire **que** sur La Parole de Dieu.

Maintenant nous en sommes à **Ezech 34/17**, le moment où Jésus veut S'occuper Lui-même des Siens, sans les pasteurs et autres membres du clergé. Jésus se tient **à la porte de l'église** et frappe dans le but d'attirer l'attention des Siens et de les faire sortir de ces religions officielles (catholique, protestante, baptiste, pentecôtiste et autres 'istes' **Apoc 3/20-22** et **Apoc 18/4**.) Tout groupe de personnes qui se réunit pour adorer Dieu, et qui porte **un nom officiel** déposé en préfecture, et reconnu par l'Etat est à fuir. Car le seul Nom qu'un réel fidèle doit porter est celui de **Jésus-Christ** Son Epoux Divin. Tous les autres noms sont des noms de blasphème **Apoc 13/1 Apoc 17/3**. Le combat du bélier est contesté sur terre mais son autorité est reconnue au Ciel. A partir de **1977,** il y a divorce entre ceux de la fausse église et ceux de la vraie Eglise de Jésus-Christ.

On peut rencontrer Jésus-Christ dans une de ces églises, car l'Evangile de base y est annoncé, mais si vous voulez être fidèle à Dieu, ne vous inscrivez pas comme membre de ces églises ; elles sont apostâtes. Sortez d'elles ! **Apoc 18/4**. Le combat que mène le bélier est un combat spirituel, de comportement de vie et doctrinal. Il lutte comme Elie dut combattre en son temps contre les esprits religieux. Il alla seul au torrent de Kerith. Savez-vous que le mot Kerith signifie séparation. Elie était seul **au torrent de séparation**. Il était seul contre les 450 faux prophètes et les autorités politiques. Il se croyait seul, mais il ne l'était pas. Dieu le consola en lui disant qu'il y avait beaucoup de gens qui Lui étaient restés fidèles, cachés, mais fidèles. Nous sommes au temps d'Elie. Le prophète **Malachie 4/5-6** nous a annoncé qu'**Elie allait revenir juste avant le jour de l'Eternel**. Il est venu. Les religieux ne l'ont pas reconnu. Ils ne reconnaissent jamais rien à part leur sacrosainte-église. Luc explique ce qu'Elie a fait en notre temps: « (il vient) *pour ramener le cœur des pères vers les enfants, et les rebelles à la sagesse de juste et pour préparer au Seigneur un peuple bien disposé* ». **Luc 1/17.** Notre génération est une génération de rebelles qu'il faut ramener à la sagesse. Malachie disait : '*ramener le cœur des enfants à leurs pères* » cela signifie que les générations de chrétiens d'aujourd'hui doivent revenir aux pères, c'est-à-dire aux apôtres et à leurs enseignements. Il disait ensuite « *et le cœur des pères vers les fils*. » cela signifie que les vieux religieux qui ont de l'autorité doivent aujourd'hui écouter ce que les jeunes prophétisent, car ce sont les jeunes qui prophétisent selon **Joël 3/1**. On peut aussi comprendre que les rebelles d'aujourd'hui doivent retourner à la sagesse ancienne et que la vielle église doit retourner vers sa jeunesse, vers ce qu'elle était au commencement. Jésus savait très bien ce qu'Il disait. Lisez le Texte et comprenez la subtilité qui s'y trouve :

« *Il est vrai qu'Elie doit venir premièrement, et rétablir toutes choses. Mais Je vous dis qu'Elie est déjà venu…* » **Matt 17/11-12**.

Il parlait de Jean-Baptiste. Question : Jean-Baptiste a-t-il tout rétabli ?

Non

Mais en lisant le Texte on s'aperçoit que Jésus parle de la venue **future** (il doit venir) d'Elie tout en disant qu'il est déjà venu. Il doit venir et rétablir. Ensuite Il dit qu'il est **déjà** venu. Et les disciples comprirent qu'Il parlait de Jean-Baptiste. Etant donné que Jean-Baptiste n'a rien rétabli du tout, on peut donc comprendre que la venue d'Elie doit

se faire en deux fois. Jean-Baptiste n'est pas venu non plus avant le jour grand et redoutable du Seigneur. **Mal 3/23**. Elie est venu pour préparer le chemin du Seigneur lors de Sa **première** venue et il doit revenir pour préparer le chemin du Seigneur pour Sa **deuxième** venue. Les scribes savaient qu'Elie devait venir avant que le Messie ne paraisse. Mais ces scribes ne savaient pas que le Messie devait venir DEUX fois. Donc, ils ne savaient pas non plus qu'Elie devait aussi venir DEUX fois.

A l'heure actuelle, l'esprit d'Elie est venu **trois fois**. Sur Elisée premièrement.

Puis pour ramener le cœur des pères vers les fils. Les pères de la vieille religion de l'Ancienne Alliance devaient être amenés vers les fils, vers les fondateurs de la Nouvelle Alliance.

Mais ils ne l'ont pas reconnu et ils l'ont traité comme ils ont voulu.

Elie (l'esprit d'Elie) est revenu pour ramener le cœur des fils rebelles vers leurs pères, les apôtres de Jésus-Christ.

Mais les religieux ne l'ont pas reconnu et l'ont tué avec leurs langues de vipères. Ils ont sali son nom, et, aujourd'hui, dans le monde évangélique, si vous prononcez le nom de celui en qui était l'esprit d'Elie, une nuée de bouclier s'élève et on vous traite d'hérétique si vous parlez de lui.

Le premier à avoir l'esprit d'Elie se nommait donc **Elisée** ; le second, **Jean-Baptiste**, le troisième se nommait **William Marion Branham**. Et… nous sommes juste avant le jour redoutable et terrible du Seigneur selon **Mal 4/5**.

Elie a donné ce qui est nécessaire au processus du rétablissement de toutes choses. Notre génération doit retourner à ce qui a été dilapidé par les Juifs **et** par les Chrétiens. Ces pasteurs et leurs complices ont empêché les gens d'entrer dans la connaissance, dans la science. Ils avaient tous la clé de la connaissance, mais ils ont interdit l'accès à cette connaissance. Par exemple les livres tels que celui d'Hénoch ont été cachés par eux.

« Vous avez enlevé la clé de la connaissance ; vous-même n'êtes pas entré, et ceux qui voulaient entrer, vous les en avez empêchés. » **Luc 11/52.**

Le livre d'Hénoch était connu des conducteurs religieux Juifs, mais ils le cachaient dans le Temple. Quand Jésus est venu, Il a cité souvent le livre d'Hénoch. Puis des religieux se sont convertis et ont remis cette connaissance, ce livre aux premiers disciples. Les premiers chrétiens s'inspiraient du livre d'Hénoch. Ils le connaissaient. Jude cite une prophétie du livre d'Hénoch à ces lecteurs **Jude 14-15** parce qu'il possédait ce livre et le respectait comme un livre inspiré**.**

Puis les pasteurs de l'église catholique naissante ont à nouveau caché ce livre pendant des siècles, soi-disant parce que ce livre parle du sexe des anges. La vérité, c'est qu'ils l'ont tenu caché parce qu'il dénonce clairement leurs impostures.

Souvenez-vous, le mot « **apocryphe** » signifie « **tenu caché** ».

A l'instar des pasteurs Juifs, les pasteurs 'chrétiens' ont volé la clé de la connaissance au peuple. **Luc 11/52**.

Mais gloire à Dieu, en cette fin des temps de cette église des nations, Dieu rétablit la connaissance. Il vous donne accès à cette connaissance. Qu'allez-vous en faire ? Et je vous le dis, il y a encore d'autres livres qui vont apparaître en pleine lumière par la puissance de Dieu. Le livre des douze patriarches par exemple, l'Evangile de Thomas et bien d'autres encore. Ils aideront à rétablir toutes choses telles que Dieu les veut. Ceux qui s'opposeront à cette connaissance passeront par la grande tribulation. Ceux qui n'en entendront pas parler ne seront pas tenus pour coupables. De nos jours les religieux ne s'occupent que d'agrandir leurs églises et leurs organisations chrétiennes. Ce n'est pas mal et cela fait aussi partie du rétablissement de toutes choses. Mais ils ne voient pas qu'un homme solitaire (un monakos) est venu et qu'il a donné la clé pour ouvrir les sept Sceaux du livre de l'Apocalypse. Ils ne comprennent pas que nous sommes sous le quatrième Sceau et que ce temps est spirituellement plus important qu'ils ne le pensent. Ils ne savent pas que la mort et le séjour des morts sont lâchés sur la terre et qu'un quart de ce qui est vivant va périr durant cette génération. Ils devraient l'annoncer pour avertir la population, mais ils ne le savent pas eux-mêmes. C'est pourquoi Jésus frappe à la porte des églises et appelle les Siens à sortir de ces églises afin de communier avec eux en Esprit selon **Apoc 3/20**. C'est ce reste qui va préparer la venue de Jésus sur terre. Car ce reste **c'est le super envoyé (l'archange)** dont parle **1 Thess 4/16** qui l'annonce.

Elie est **le signal donné**

L'archange est l'Epouse de Christ sur terre.

Le mot « archange » signifie « super-ange » « super-envoyé ».

Maintenant, nous attendons le son de la trompette de Dieu. En attendant la trompette de Dieu, l'archange, la petite Epouse de Christ qui **vit** le rétablissement de toutes choses, manifeste la présence de Son Epoux Divin en enseignant et en accomplissant des miracles par le Nom de Jésus-Christ. Il y a des imitateurs de cela, mais les brebis du Seigneur ne les suivront pas, du moins pas longtemps.

La colère du Seigneur va s'appesantir sur Ses ennemis. **V 23-27.**

Et le jugement commence. Toutes les calomnies sorties de la bouche des infidèles seront pesées devant Dieu. Tous ceux qui auront proféré des calomnies contre Elie, le signal donné, et contre l'Archange, la petite Epouse de Christ, seront engloutis dans les entrailles de la terre selon **Apoc 12/16. V26.** C'est Jésus Lui-même qui juge. **V 21-28.** Son jugement contre les pasteurs qui furent infidèles depuis la réforme est plus sévère que celui qui concerne ceux qui les ont précédés. En effet, depuis la réforme, les pasteurs avaient plus de Lumière que leur prédécesseurs. Ayant plus reçus, ils seront jugés plus sévèrement. **Jac 3/1**. Le **V 29** nous montre le trône, c'est-à-dire : le règne de Jésus pendant le millénium. Nous sommes ici à la fin du millénium **V30**. Jésus ouvre les livres que nous trouvons également dans **Apoc 20/13**. Dieu juge les anges qui ont eu des relations sexuelles avec des femmes **V32**. Mais tout de suite après eux, se sont les pasteurs qui auront abusé de leur pouvoir sur terre qui seront jugés. Ils seront tous enchaînés devant Lui. Et tous, anges infidèles et pasteurs infidèles seront jetés dans l'abîme enflammé. **V33. Matt 25/41. 1 Tim 3/6.** Au **V35** nous voyons toutes les brebis

aveugles et perverties qui sont jugées et jetées également dans le gouffre de feu. Ces brebis sont celles qui disent actuellement : « *Nous n'avons besoin de rien* » **Apoc 3/17**. Elles croient posséder la totalité de la révélation de Dieu. Elles se moquent d'Elie et de la petite Epouse fidèle qui est sortie des religions officielles, reconnues par l'Etat. Elles se croient riches spirituellement, possédant le « plein-évangile ». Elles ne savent pas qu'elles sont pauvres, pitoyables, AVEUGLES et nues. **Apoc 3/16** nous apprend qu'elles seront vomies de la bouche de Dieu. Au **V38** Dieu plie l'ancienne maison comme dans **Apoc 21/1**. **2 Pierre 3/13**. Dieu ne va pas restaurer la terre. Il va la détruire et en refaire une autre ainsi qu'un nouveau ciel. Maintenant, que signifie tout cela, Il faut être clair. La Bible n'est pas un livre de science. Elle dit les choses telles que les hommes d'alors pouvaient les comprendre. La terre ne va pas être pliée **V38** ou roulée comme un manteau **Héb 1/12.** Il y a dans la Bible des choses que nous devons comprendre avec une intelligence renouvelée par le Saint-Esprit. **Par exemple** : est-ce que toute la terre a été recensée sous l'empereur Quirinius ? Non, certainement pas. Pourtant la Bible dit qu'elle l'a été **Luc 2/1-2**. Et-ce que tous les gens sont morts dans le déluge ? Non. Il est bien connu que le déluge fut une catastrophe qui arriva dans la région du moyen orient et ses environs. Prétendre le contraire fait passer les chrétiens pour des idiots. Un autre exemple flagrant : Est-ce que tous les rois de la terre sont venus visiter le roi Salomon ? Non. **2 Chron 9/23**. Il y a plus de 2000 ans que Jésus a dit qu'Il reviendrait bientôt. Nous voyons par là qu'il est bon, parfois de relativiser. Est-ce que cela crée un trouble dans le cœur d'un véritable croyant ? **Non !** La terre et tout notre univers seront **pliés** signifient qu'ils seront ôtés de leur place comme on ôte une tente dont on veut se débarrasser. Et on en met une nouvelle à sa place. Nous aurons un corps nouveau et les autres n'en auront pas. Ils seront errants dans du vide et dans le feu brûlant de leurs remords. Le **V40** peut sembler étrange. Qui sont ces oiseaux et ces bêtes de la terre qui ont été épargnés et qui viennent s'incliner devant les fidèles ?

1° Ce sont ceux qui auront passé par la grande tribulation et seront restés fidèles au prix de leur vie **Apoc 7/14**.

2° Ce seront tous les chrétiens qui ne sont pas l'Épouse de Christ au travers des sept âges de l'**Apoc 2 et 3** et dont les noms auront tout de même été trouvés dans le livre de Vie. **Apoc 20/13-15**.

3° Ce seront aussi tous ceux qui auront été fidèles aux exigences de Dieu durant tous les âges, même s'ils ne connaissaient pas le Seigneur. Ils auront été jugés selon la conscience qu'ils avaient durant leur vie et seront trouvés justes au Grand Trône Blanc. **Rom 2/14-16**.

4° Ce seront aussi tous ceux qui auront entendu l'Evangile de grâce annoncé dans le séjour des morts et qui l'auront reçu. **1Pierre 4/6.**

Ceux qui se trouvent dans les catégories 2,3 et 4 ne vivront pas dans la Nouvelle Jérusalem comme l'Epouse mais ils pourront y entrer à des temps marqués **Apoc 21/23-27**. Ceux de la catégorie 1 seront devant le Trône pour servir Dieu et Son Epouse nuit et jour. Il y aura donc des gens de tous les temps et de tous les endroits de la terre. Mais tous n'auront pas le même degré de gloire **1 Cor 15/41-42**. Au **V41** Hénoch est introduit dans la Nouvelle Jérusalem. Ce sont trois anges et Elie qui ont transporté Hénoch dans la Nouvelle Jérusalem. La main du bélier dont il est question-là est la main du bélier du **V 20**. C'est Elie, celui qui commença le processus du rétablissement de toutes choses.

Je vous rappelle qu' Elie est venu une première fois, que son esprit est venu sur Elisée, puis sur Jean-Baptiste, puis sur le prophète William Branham qui commença le processus du rétablissement de toutes choses juste avant le jour de l'Eternel que notre génération attend. **Mal 3/23-24**. Du verset **42** au verset **45** Hénoch assiste au jugement en vue des récompenses. A ce moment Tous reçurent la Connaissance parfaite. Ils connurent comme ils avaient été connus selon **1 Cor 13/12.** Les brebis déposeront l'Epée de La Parole qui leur avait été confiée. Elles n'auront plus besoin de Bible. En fait, **La Parole de Dieu n'est pas La Bible**. La Parole de Dieu, c'est **Jésus-Christ**. Quand nous lisons la Bible, nous voyons comme au travers d'un miroir (de l'époque, c'est-à-dire : pas très clairement.) Seuls ceux qui connaissent personnellement Jésus-Christ ici-bas et Lui obéissent sont en contact avec La Parole, avec les intentions secrètes de Dieu. **Jean 15/14**. Les autres sont en contact avec la Bible lue avec la grille de leurs traditions religieuses. Au **Verset 45** un veau blanc vient au monde, dans ce monde nouveau : C'est Jésus qui fait son entrée. Tous L'implorent et L'adorent. L'Epouse ne l'implore pas car elle règne avec Lui. A partir du moment où Jésus entre dans ce monde nouveau, tous deviennent des veaux blancs, même les oiseaux ou autres animaux de toutes sortes. Chacun aura désormais un rôle particulier à jouer dans ce nouveau monde et dans ce nouvel univers sans mal. Christ portera des cornes noires symbole de Son autorité indiscutable. Le taureau qu'Il est devenu est blanc, mais ses cornes sont noires. Ce symbole sera le souvenir éternel que Jésus-Christ a jugé les impies et les a condamnés. Le **V48** signifie que Dieu se réjouit de Lui-même (Eux = Eloïm) et de tous les taureaux. Dieu est Un, mais Il s'est manifesté depuis la création sous la forme de Trois. Les théologiens mal affermis y ont vu la trinité. C'est une parfaite hérésie. La pire sans doute car elle touche à la Personne de Dieu.

1° Mais il est vrai que Dieu est, pour le moment, en dehors de Sa création.

2° Il est aussi vrai que Jésus est Dieu dans Sa création

3° Il est également vrai que Jésus vit en nous par Le Saint-Esprit qui est Dieu en nous.

Voilà pourquoi Hénoch écrit « *Le Seigneur Se réjouissait en Eux et à la vue de tous les taureaux* ». **V40** quand Hénoch se réveilla, il se souvint de tout ce qu'il avait vu pendant son sommeil. Mais avant d'écrire ces Choses, il loua Dieu et Lui donna gloire. Puis il pleura car il se rendait compte que tout ce qu'il avait vu était terrible et que ces Choses allaient réellement arriver. Or, aujourd'hui, la plus grande partie de toutes ces Choses se sont accomplies. Nous en sommes au temps de la dernière génération. C'est-à-dire que beaucoup de ceux qui sont nés aux alentours de **1948** seront vivants lorsque Jésus-Christ reviendra pour enlever Son Epouse dans le Ciel. Hénoch pleura amèrement. Quel est votre sentiment alors que des milliers se perdent sous vos yeux ? Hénoch était un homme sensible comme tous les prophètes. Il était sensible et intelligent comme devraient l'être tous ceux qui se disent prophètes de nos jours.

Cinquième Section

Les Parénèses (Discours exhortant à la pratique de la vertu. Dans le NT aussi bien que dans l'AT, nous trouvons ce genre littéraire. Dans l'épître de **Jacque**s, par exemple, la parénèse va de l'encouragement **1/1-12,** à la menace **5/1-6,** en passant par l'instruction **1/13-18**, la recommandation **1/19-27** et le blâme **2 et 4**.)

CHAPITRE 89

1. Et maintenant, ô mon fils Mathushela ! fais-moi venir tous tes frères, et rassemble devant moi tous les enfants de ta mère. Car la voix intérieure, La Parole m'anime, l'esprit d'en haut s'empare de moi ; je vais vous révéler ce qui doit vous arriver dans la suite des âges jusque dans l'éternité.
2. Alors Mathushela s'en alla, et il rassembla devant Énoch tous ses frères et tous ses parents.
3. Alors Hénoch, s'adressa à tous ses enfants de justice et dit :
4. Écoutez mes enfants, écoutez les paroles de votre père, et prêtez bien oreille à la voix qui sort de ma bouche ; car je vous exhorte à être attentifs quand je vous parle. Mes bien-aimés, aimez l'honnêteté, marchez en elle et ne vous en écartez point.
5. N'ayez point le cœur double [n'approchez pas de la vérité avec un cœur partagé], et ne faites point amitié avec les hommes trompeurs ; mais marchez dans la vérité et dans les sentiers de la justice, ils vous conduiront sur la bonne route, et la justice sera votre compagne.
6. Car je vous l'annonce : la persécution [la violence] croîtra et régnera un jour sur la terre ; et un grand châtiment s'accomplira sur la terre ; quand l'iniquité sera consommée, elle sera extirpée jusque dans sa racine et toutes ses structures seront détruites. Cependant elle repoussera encore ses œuvres et toutes les œuvres d'injustice et de la violence ainsi que le péché prévaudront doublement.
7. C'est pourquoi, lorsque l'iniquité, le péché, la perversité, l'impureté, le blasphème, la tyrannie et toute espèce de mal se seront accrus et prévaudront sur la terre, alors un châtiment épouvantable viendra du ciel sur tout ce contexte.
8. Le Seigneur de toute sainteté apparaîtra dans sa colère, avec un fléau, et Il infligera aux coupables un châtiment terrible.

9. En ces jours, la violence sera tranchée de sa racine, et l'injustice, comme la tromperie, seront détruits sous les cieux.
10. Toutes les idoles des païens seront abandonnées et leur temple brûlés par le feu. Et on les chassera de toute la terre et ils seront jetés dans le feu du jugement et périront par la colère divine et dans un fort douloureux supplice éternel.
11. Alors les justes se réveilleront de leur sommeil, et la sagesse surgira et passera et leur sera donnée, et ils Le loueront, et la terre se reposera de l'épée pour toutes les générations, pour toujours.
12. Et maintenant, laissez-moi, mes enfants, vous tracer les sentiers de la justice et ceux de la violence.
13. Puis je vous dirai dans l'ordre ce qui doit arriver.
14. Écoutez-moi donc, ô mes enfants ! Marchez dans les voies de la justice, évitez les voies de l'iniquité : car tous ceux qui suivront ces voies seront complètement détruits.

Commentaire du chapitre 89.

Depuis le chapitre **89** jusqu'au chapitre **103**, nous trouvons le message qu'Hénoch laisse à son fils Methusela avant d'être enlevé au ciel. Comme il lui avait été promis, Hénoch reste une année avec ses enfants pour se fortifier et leur parler de tout ce qu'il a appris **Hénoch 79/9.** Hénoch sait que Dieu est La Parole et que cette Parole est en Lui. Il a aussi conscience que La Parole, c'est l'Esprit de Dieu. Hénoch est aussi très conscient que l'injustice est la base du mal. Il parle à ses enfants de justice. Il les appelle comme cela car c'est lui qui les a éduqués et il leur a enseigné ce qu'est la justice, l'honnêteté. L'époque d'Hénoch était une époque semblable à la nôtre. Les parents avaient démissionné, ils n'exerçaient plus d'autorité sur leurs enfants car ils avaient eux-mêmes perdu toute crédibilité. Ils vivaient dans le péché et leurs mauvais exemples étaient flagrants aux yeux de leurs enfants. Cela ne pouvait produire qu'une génération de têtes creuses comme le dit Paul. C'est ce à quoi nous assistons de nos jours. On laisse les jeunes gens faire ce qu'ils veulent, ils sont rois. Ils ne respectent plus leurs parents. Et c'est normal qu'ils leur manquent de respect, car ils ne sont pas respectables. Et je dis que les choses ne vont pas aller en s'arrangeant. Jésus dit qu'à la fin les enfants iront jusqu'à tuer leurs parents. Pourquoi pensez-vous qu'ils en arriveront là ? Qui a montré aux enfants que la vie n'a pas une grande valeur ? Ne sont-ce pas tous les gens de ces deux dernières générations qui assassinent les enfants dans le ventre des mères ? Quand les parents commencent à tuer les enfants, il est normal qu'on voie ensuite les enfants tuer les parents. **Matt 10/21**. Dans le livre de l'Apocalypse il y a une liste décroissante de ce qui a de la valeur à notre époque. Ce qui en a le plus, c'est l'or et ce qui en a le moins ce sont les êtres humains **Apoc 18/12-13**. Les enfants d'Hénoch étaient des enfants de justice car ils avaient été conçus dans la justice, puis ils sont nés et ont été élevés dans la justice. Ils avaient conscience de ce qu'est la justice légale, la justice morale et la justice sociale. De nos jours, nos enfants voient leurs parents mépriser les Alliances telles que celle du mariage. Ils les voient vivre en étant assistés par l'Etat, ils les voient se moquer des autorités de leur pays. Plus rien n'est sacré. Demandez à cent enfants français ce qu'est la fête de Noël. Vous serez étonné de constater que la grande majorité ne sait pas qui est Jésus-Christ. Les parents méprisent les enseignants. On voit les parents (souvent presqu'illettrés), se tenir du côté de leur progéniture, contre les

profs. Alors, il est vrai que bien des adultes (prêtres, etc…) qui ont une place d'autorité s'en servent pour avilir des enfants. Et tout cela est jeté en pâture dans la presse. On en parle devant les enfants qui perdent encore plus le peu de repères qu'ils pouvaient avoir. Le milieu sportif devient de plus en plus scandaleux aux yeux des enfants. Et que dire du monde du spectacle, de la drogue et de ce que les enfants peuvent tranquillement regarder dans leur chambre, sur le net ? Jésus ne parle pas de conscient et d'inconscient pour la simple raison qu'à Son époque personne ne savait de quoi il s'agissait. Mais Il avertit que le fait de penser une chose mauvaise est aussi nuisible pour la vie que de l'avoir faite. **Matt 5/28.** Et les parents d'aujourd'hui laissent leurs enfants chéris s'amuser à tuer des hommes, des femmes et des enfants dans des jeux virtuels. Leur inconscient ne sait pas encore faire la différence entre ce qui est de la réalité et de ce qui ne l'est pas. Et cela les souille. Mais si quelqu'un vient leur dire cela, ils vont le taxer de vieux qui n'y comprend rien à notre si belle époque… Et ce qui doit arriver arrivera, les enfants se révolteront contre leurs parents et même, les tueront. On voit déjà cela de plus en plus dans les journaux. Mais bien sûr… cela n'arrive que chez les autres, n'est-ce pas ? Et que dire de tous ces pasteurs qui voient leurs enfants abandonner la foi ? Il y a du déséquilibre partout. En tout cas, Hénoch savait que ses enfants étaient des enfants de justice. Il le savait car il leur avait donné une bonne éducation basée sur les principes Divins tout en parlant avec eux afin que la communion parents-enfants existe au maximum. Remarquez à quel point la violence, la tromperie, l'injustice et l'idolâtrie sont condamnées dans ce texte, mais aussi dans **Matt 6/24 ; 2 Cor 6/14 ; 2 Chron 16/9.** Ce que le Seigneur veut, c'est que nous soyons intègres, entiers et donc non partagés. Il veut que nous marchions dans la justice et l'honnêteté. C'est cela qui donnera un bon exemple à nos enfants. Et c'est très difficile à mettre en pratique dans nos jours de violence. Dieu regarde ceux qui ne sont pas de bonne volonté, mais Il regarde aussi les structures de nos sociétés. Elles engendrent la violence, que ce soit dans nos systèmes politiques, économiques, judiciaires, sociaux, religieux et culturels. Quels spectacles nos enfants voient-ils ? Comment voulez-vous qu'ils soient justes et honnêtes avec les modèles qu'ils ont sous leurs yeux ? Il leur faut absolument des parents de justice afin de pouvoir être des enfants de justice. Elie est venu une dernière fois dans notre génération pour cela selon **Malachie 3/23-24.** Mais, qui l'a écouté ? Nous savons que, par Elie, le rétablissement de toutes choses a commencé. Prophétiquement parlant, nous en sommes au moment où Jésus dit à Ses disciples « ***Un homme portant une cruche d'eau viendra à votre rencontre, suivez-le dans la maison où il entrera***. » Et c'est là que Jésus mangea sa dernière Pâque avec les Siens. **Luc 22/10.** Nous sommes entrés dans ce que les astrologues appellent 'l'ère du Verseau'. L'homme à la cruche d'eau est entré dans la maison. Pour nous, Chrétiens, cela signifie que nous sommes entrés dans le processus du rétablissement de toutes choses. Et les astrologues sont au courant de cela, plus que ne le sont les religieux d'aujourd'hui. L'histoire se répète, n'oubliez pas, les premiers à avoir vu que Jésus était né, c'étaient des astrologues, pas les religieux de Son temps. Et il est normal, dans l'analogie des choses, que les premiers à Le voir entrer dans la maison du dernier repas soit le porteur de cruche d'eau. Tout cela est symbolique. Ce n'est pas de l'astrologie. C'est juste une constatation qui met les choses en ordre avec les mages de **Matt 2**. Je sais que cela effraie les évangéliques de base. Ils ont été instruits à fermer leur entendement et ne savent donc plus discerner les temps. Ils ne savent pas que nous sommes dans les temps décrits dans la prophétie de Laodicée. **Apoc 3/14**. Ils se croient positivement dans le temps de Philadelphie. Que voulez-vous ? Ils sont un troupeau de brebis immatures élevé au positivisme à tout prix. Ils ne veulent pas croire qu'ils sont les acteurs de la prophétie de Laodicée, c'est bien trop dur ! Je crains que le réveil qu'ils attendent leur soit pénible, à moins qu'ils ne sortent de leurs

religions frelatées et entrent avec Jésus, chez eux, pour une réelle Communion ! (prenez le temps de lire **Apoc 3/14-22**). Hénoch nous brosse le même tableau que Jésus et tous les vrais prophètes. La violence va en s'accroissant sur terre afin de mettre à jour ses racines. On va bientôt voir clairement d'où vient tout ce mal. Dieu va déraciner tous ces faux raisonnements, extirper toutes ces illusions et détruire tout ce qui est allié aux mensonges diaboliques dans une punition sévère. La première fois qu'Il a fait cela, c'était juste après Hénoch. Ce fut le déluge qui détruisit tout. Mais l'injustice a recommencé de plus belle. Maintenant, il y aura une grande tribulation qui va arriver sur terre. Juste après que l'Epouse de Christ ait été enlevée, comme Noé a été enlevé au travers de l'arche, ce qui est écrit dans **Apoc 13** fondra sur la planète terre. Les chrétiens qui n'auront pas été trouvés prêts pour faire partie de l'enlèvement seront gravement persécutés. Lisez **Apoc 13**, cela vous donne une idée claire de ce qui attend ceux qui se moquent de ce que l'Esprit dit à l'Eglise actuelle **Apoc 3/14-22**. Les malédictions et les bénédictions sont prédestinées. Elles sont annoncées et arriveront avec une très grande précision. Souvenez-vous que toutes les prophéties données dans l'Ancien Testament se sont réalisées avec une précision extrême : par exemple les trente deniers de Judas **Zach 11/12-13 Matt 26/15**… Rien n'est laissé au hasard. Dieu sait ce qui arrivera. **A vous de démontrer de quel côté vous êtes par votre consécration et votre comportement jour après jour, ici-bas, pendant qu'il en est encore temps.**

CHAPITRE 90

1. Voici ce qui a été écrit par Hénoch, Hénoch le scribe par excellence et le plus sage des hommes, l'élu des fils de la terre pour juger leurs actes Il écrivit ce traité de la sagesse pour tous les hommes appelés à gouverner ou à juger les autres hommes. Il l'a donné à Méthushela, son fils et à tous ses frères ainsi qu'à toutes les générations futures. Il l'a donné à tous ceux qui habitent sur la terre ferme, pour que le bien et la justice règnent.

2. Que votre esprit ne s'afflige point pour ce qui doit vous arriver. Car le Très-Saint et le Très-Haut a marqué à chacun son temps.

3. Et le juste se réveillera de son sommeil ; il se lèvera et marchera dans le sentier de la justice, dans les voies de la bonté et de la grâce. Et toutes ses voies et toutes ses conversations s'écouleront dans la bonté et la grâce.

4. Il sera propice au juste, lui donnant une éternelle justice, et il lui donnera la puissance, pour qu'il soit revêtu de vertu et de justice et qu'il marche dans une lumière éternelle.

5. Et le péché sombrera dans les ténèbres pour toujours. Il ne paraitra plus de ce jour jusqu'à toutes les générations de l'éternité.

Commentaire du chapitre 90.

Hénoch a été le premier écrivain divinement inspiré. C'est aussi ce que croit le célèbre épigraphiste érudit Joszef Milik, prêtre Polonais. Il est considéré comme étant le CHAMPOLLION des manuscrits de la mer Morte. Les Secrets de Dieu ont été donnés à Hénoch, puis Dieu les a tenus cachés durant des millénaires. Maintenant, depuis la venue de Jésus, ces secrets ont été dévoilés par le Saint-Esprit, mais seuls ceux qui sont habités par le Saint-Esprit peuvent les connaître. Les autres peuvent les lire, les étudier, mais ne pas forcément en comprendre la profondeur. Etant donné que le Saint-Esprit ne les inspire pas, ils ne peuvent même pas croire que ce livre est inspiré par le Père. Paul parle d'un Secret tenu caché par Dieu de tout temps, **Eph 3/5**. Vous qui avez lu Hénoch et les commentaires que Dieu m'a inspirés, vous savez maintenant que Dieu avait raconté la Grande Histoire du monde à Son premier prophète : **Hénoch**. Jésus disait : « *Ainsi donc, à qui comparerai-Je l'interprète de l'Ecriture qui s'est pénétré des Mystères du Règne des cieux et qui a accepté de laisser Dieu régner dans sa vie ? Il ressemble à un père de famille qui sait tirer de sa réserve des richesses nouvelles qu'il ajoute aux anciennes* ». **Matt 13/52**. Elie est revenu pour faire son œuvre décrite dans **Luc 1/17** et de nos jours l'esprit d'Elie continue ce travail au travers de l'archange de **1 Thess 4/16**. Quand l'archange aura terminé son travail, la trompette de Dieu retentira et ce sera terminé**. Le Saint-Esprit se retirera avec l'Epouse**. Je vous rappelle que le mot « archange » signifie « super-ange » ou « ange supérieur » ou « envoyé supérieur » Ce dernier envoyé de Dieu est encore pour un peu de temps sur terre. Puis le monde ne le verra plus. Cet envoyé supérieur, c'est la vraie Epouse de Christ qui s'est retirée des dénominations religieuses et qui vit selon La Parole, produisant des miracles par la puissance de l'amour. Nous le savons, nous devrons juger le monde. Il faut donc que notre jugement soit rendu parfait. Et il ne peut le devenir que par la Connaissance de l'enseignement qui a été donné à Hénoch. **1 Cor 6/2**. Voilà pourquoi ce livre contient cette phrase : « *Il écrivit ce traité de la sagesse pour tous les hommes appelés à gouverner ou à juger les autres hommes*. » **verset 1**. Le but de ce livre n'est pas de nous apprendre ce qui s'est passé juste pour que nous ayons le plaisir de savoir. Non, son but est que le bien et la justice règnent. Dans le livre de l'Apocalypse il est écrit : « *Je vis des trônes. Ceux auxquels avait été remis le droit de juger le monde s'y installèrent*. » **Apoc 20/4**. Et selon les Paroles de Jésus, ceux qui jugeront le monde, qui auront été fidèles sur terre gouverneront avec justice. **Luc 19/17-19**. Ensuite, le Seigneur rassure les enfants de Dieu de tous les temps. Tous les temps ne seront pas pareils. Mais chacun aura sa raison d'être et chaque enfant de Dieu aura son rôle à jouer. Dieu dit clairement que ce n'est que vers la fin que le juste se réveillera, ce qui signifie que beaucoup de justes vivront dans un sommeil spirituel durant de longues périodes de l'histoire de la terre. En effet, ils ont été de réels Chrétiens, mais inconscient de beaucoup de Choses Sacrées dont La Bible parle. Cette inconscience est comparée ici à un sommeil. Depuis Martin Luther, il y a eu la réforme. Puis le début de la restauration de toutes choses avec William Branham qui a poussé le cri de rassemblement (ou signal donné) . **1Thess 4/16.** Nous sommes actuellement dans ce processus et c'est la voix de l'archange de **1 Thess 4/16** qui se fait entendre à ceux qui ont des oreilles pour l'entendre. Puis, au son de la Trompette de Dieu, il y aura l'enlèvement de l'Epouse de Christ, la grande tribulation en deux périodes de trois ans et demi. Puis le millénium et finalement le jugement au trône Blanc d'**Apoc 20/11**. Ce sera le temps où le péché sera englouti dans les ténèbres et où il disparaitra définitivement. Cela nous laisse comprendre que pour l'heure, le péché agit et que ce n'est pas anormal. Il doit atteindre son sommet avant

d'être précipité dans les ténèbres. Relevons donc la tête et veillons de ne pas nous laisser avoir par le péché qui cherche toujours à nous envelopper.

CHAPITRE 91

1. En transmettant son Livre, Hénoch prit la parole.
2. Et il dit : Concernant les enfants de la justice, les élus du monde, qui se sont développés à partir de La Plante de La vérité et de Justice, je vous parlerai et je vous ferai savoir à vous mes fils,
3. Que toutes ces choses m'ont été montrées dans une vision céleste, et j'ai tout appris d'après Les Paroles des Veilleurs et des Saints ; et dans les Tables du Ciel, j'ai lu et j'ai tout compris.
4. Alors Hénoch commença à parler d'après le livre, et dit : Moi Hénoch, le septième, je suis né dans la première semaine et jusqu'à mon temps la justice durait encore.
5. Mais après moi, dans la seconde semaine, le mensonge s'élèvera, et la fraude et la violence pulluleront sur la terre.
6. Et il y aura alors une première fin, et un seul homme sera sauvé.
7. Mais dès que la première semaine sera terminée, l'iniquité s'accroîtra, et le Seigneur fera une Loi pour les pécheurs.
8. Ensuite, pendant la troisième semaine, et à sa fin, un homme sera choisi pour être le plant de juste jugement. Et après lui sa postérité deviendra justice pour l'éternité.
9. Ensuite, pendant la période de la quatrième semaine, à sa fin, les saints auront des visions et la justice apparaîtra ; l'ordre pour les générations sera établi, et un enclos sera préparé pour elles ; dans la cinquième semaine, à sa fin, la maison de gloire et de domination sera construite pour toujours.
10. Puis, pendant la sixième semaine, tous ceux qui y vivront seront aveuglés et un homme montera, et, à la fin, la maison de domination sera brûlée par le feu et la totalité de la race de la racine élue sera dispersée.
11. Ensuite, pendant la septième semaine, il sortira une race perverse, dont les œuvres nombreuses seront des œuvres apostâtes. Et à sa fin, les justes et les élus seront choisis comme témoins de Justice de La Plante Eternelle de Justice, et La Sagesse et La Connaissance leur seront données au septuple. Et ils auront déracinés les fondations de la violence et la structure de mensonge qu'elle inclut, pour exécuter le jugement.
12. Puis apparaîtra la huitième semaine, la semaine de la justice durant laquelle une Epée de Justice sera donnée à tous les justes pour exiger un juste jugement de tous les méchants.
13. Alors les pécheurs seront livrés entre les mains des justes, et à sa fin ils acquerront des richesses de justice et le Temple du Très-Haut dans sa glorieuse splendeur sera bâti, pour toutes les générations à jamais. Après cette semaine viendra la neuvième, pendant laquelle viendra le jugement universel.

15. Tous les ouvriers d'impiété disparaîtront de toute la terre et ils seront jetés dans le gouffre éternel, et tous les hommes verront le Droit ; l'éternel Chemin. Et après cela il y aura la dixième semaine, dans sa septième partie un jugement éternel aura lieu et le temps fixé pour le grand jugement sera exécuté dans un esprit de vengeance, au milieu des saints.
16. Et le premier ciel, à la fin de la dixième semaine, passera, et un nouveau ciel apparaîtra et tous les pouvoirs du ciel s'élèveront pour l'éternité avec sept fois plus d'éclat.
17. Et après cela, il y aura beaucoup de semaines dont le nombre sera sans fin, dans lesquelles s'exerceront le Bien et la Justice et alors le péché ne sera plus mentionné pendant l'éternité.
18. Quel est l'homme qui peut comprendre le commandement de Dieu ? Et quel est celui qui, parmi les enfants des hommes entendrait la voix du Très-Saint et n'en serait pas troublé ?
19. Qui peut avoir l'entendement de Ses pensées ? Ou quel est l'homme qui peut contempler toutes les œuvres du ciel ? Ou les piliers d'angles sur lesquels le ciel repose et qui peut voir une âme ou un esprit et peut en revenir pour le raconter ? Ou voir toute la communauté des esprits et penser à agir comme eux ?
20. Quel est celui parmi les enfants des hommes qui est capable de savoir et de mesurer quelle est la longueur ou la largeur de toute la terre , ou a qui sont montrés toutes ses dimensions et sa forme ? Ou quel est l'homme qui peut connaître la longueur du ciel et quelle est sa hauteur, ou comment il est soutenu et combien le nombre des étoiles est grand ?

Commentaire du chapitre 91.

Hénoch a reçu ce savoir parce que des Veilleurs, c'est-à-dire des anges le lui ont donné. Il n'y a rien d'étrange dans le fait que l'origine de cette connaissance nous soit venue des anges. La Loi de Moïse a aussi été donnée par des anges, et personne ne le conteste. **Actes 7/53**. La tiédeur ambiante de la foi actuelle conduit souvent les gens à faire de malheureuses associations d'idées. Par exemple : si vous leur dites « prophètes » ils vont immédiatement penser « faux prophète ». Si vous leur dites « ange », ils vont immédiatement penser « ange de ténèbres déguisé en ange de lumière.» De nos jours, dans les conversations des croyants on entend plus souvent parler des démons que des anges. Cela vient du fait que très peu connaissent le ministère des anges. Le livre que vous avez en main, et dont j'ai fait les commentaires avec l'aide de Dieu, a été donné à Hénoch par des anges. Il le dit et nous n'avons qu'à le croire de la même manière que nous croyons que la loi de Moïse lui a été donnée par l'intermédiaire d'anges. Priez Dieu de vous révéler par Le Saint-Esprit si cela est vrai.

Cessez de vivre comme si les anges n'existaient pas. Nous n'avons pas à leur rendre un culte, nous n'avons pas à les adorer, mais nous ne devons pas oublier leur présence à nos côtés. Il n'y a pas seulement des anges qui ont parlé à Hénoch, il y a aussi des saints. Qui sont-ils ? En tout cas pas les saints de l'église catholique. Les saints sont des esprits qui vivent auprès de Dieu. Savez-vous que, si vous êtes né de nouveau, vous êtes déjà dans les lieux célestes en Jésus-Christ. **Eph 1/3**. Il faut cesser de penser aux

Choses de l'Esprit comme si elles étaient limitées, comme les choses de la terre. En effet, vous êtes sur la terre, mais, en esprit, vous êtes en Christ, dans les lieux célestes. Pour ce qui concerne les Choses de l'esprit, nous ne devons pas penser en terme limité aux dimensions que nous connaissons : hauteur, largeur, longueur, profondeur, passé, présent et futur. Dans le domaine de l'Esprit ce n'est pas du tout comme dans notre domaine matériel, même si, pour nous aider à saisir, La Bible nous parle avec des mots que nous pouvons comprendre. Ensuite, Hénoch nous dit qu'il a eu accès à des livres, des tables sur lesquelles sont écrites ces choses. Puis, après nous avoir parlé de ses sources, il nous parle de lui-même. Il se présente comme Jude le présente dans son livre Jude 14.

Hénoch le septième depuis Adam.

Et c'est à partir de là que tout est faussé dans la compréhension du commun des mortels. Car si Hénoch est, comme La Bible et lui-même le disent, le **septième homme depuis Adam**, nous devons envisager que Caïn n'est pas le fils d'Adam. Car, si Caïn est fils d'Adam, Hénoch est le **huitième** et non le **septième**. Et c'est parce que cette connaissance-là a été volontairement rejetée par les religions officielles, que les croyants sont dans la confusion. Les religions officielles ne veulent pas parler de cela car c'est une connaissance qui peut faire peur à ceux qui sont timorés dans leur foi. Si Caïn n'est pas fils d'Adam, alors, de qui est-il le fils ? La réponse se trouve dans la bouche même de Jésus-Christ. Nous la trouvons dans l'Evangile de **Matthieu au chapitre 13 et verset 38.**

Allez lire ce Texte Sacré et priez afin que Dieu vous montre de qui Caïn est le fils.

Au commencement il y a eu deux sortes d'humains sur terre. Puis, ces deux « races » se sont mélangées. De nos jours Dieu seul connait qui sont ceux qui Lui appartiennent, et Il a envoyé Son Fils pour chercher et sauver ceux qui sont à Lui. Mais Hénoch nous dit qu'en son temps la justice régnait encore. La justice régnait car les justes étaient encore en majorité. Il dit au **verset 2** que les enfants de justice, les élus du monde, se sont développés à partir de la plante de la vérité et de la justice. Qui est cette plante de justice et de vérité ? Pour le savoir, vous devez avoir un regard prophétique sur les Ecritures et non pas seulement intellectuel. **Hen 31/2** nous parle du paradis de Justice. La plante de justice et de vérité est donc ce qui vient de ce paradis. Vous devez savoir que l'esprit que Dieu souffla dans le corps qu'Il venait de modeler en **Gen 2/7**, était l'esprit de Michel. En effet, avant de venir s'incarner sur terre, l'archange Michel était au service de Dieu. L'archange Michel est l'être le plus élevé dans le monde des esprits. C'est lui qui, par exemple, contesta avec le diable, lui disputant le corps de Moïse **Jude 9**. C'est aussi lui qui est venu vers Daniel pour le secourir **Dan 10/13, 21**. Et c'est à lui qu'a été donné l'honneur de se lever en tant que grand chef, défenseur du peuple de Dieu à notre époque dont parle **Daniel 12/1**. Il est debout en ce moment-même pour agir au milieu d'Israël et de la véritable Eglise de Jésus-Christ. Il est debout car il doit livrer une bataille décisive contre le dragon **Apoc 12/7 et Dan 7**. L'archange dont il est question dans **1 Thess 4/16** c'est Michel inspirant et parlant à travers la petite Epouse de Christ pour donner la conviction de l'enlèvement imminent à ceux qui dorment encore. Il est **normal** que cet esprit soit celui qui vient à bout du diable et le chasse définitivement du ciel. **Apoc 12/7-9**. C'est ce qui est en train d'être fait à l'heure où j'écris. (décembre 2010) Avant que Dieu ne crée Adam, Il parla avec l'archange Michel et ils se mirent d'accord sur ce qui devait se passer sur terre. L'âme d'Adam ne savait rien. Mais Michel et Dieu

savaient très bien qu'il fallait que ce premier homme devienne pécheur. Car, s'il ne l'était pas devenu, Dieu n'aurait jamais pu manifester Sa miséricorde en sauvant les Siens. C'est pourquoi je dis qu'il est **normal** que l'esprit de Michel soit celui à qui revient l'honneur de chasser satan des lieux célestes d'où il trône sur le monde comme un prince. Mais qui sait ces choses ? On nous a raconté tant de fables, jusqu'à ce jour, que la vérité passe pour un mensonge au cœur de beaucoup. Mais là encore, c'est le plan de Dieu. C'est pourquoi je vous dis de prier afin de demander à Dieu, notre Père, si ces choses sont vraies. Il vous éclairera si votre cœur est humble et soumis à Son Esprit. La plante de vérité et de justice est donc Adam. Adam, habité par l'esprit de l'archange Michel. L'**esprit** d'Adam savait tout, mais l'**âme** d'Adam ne savait rien du plan de Dieu. (Il en va de même pour vous : **votre esprit** sait tout, mais **votre âme** (créée) ne sait pas tout et doit tout apprendre). Ce n'est que parce que Jésus a parlé clairement au sujet des fils de Dieu et des fils du diable, que nous pouvons savoir ces choses avec certitude. Je ne veux pas ici développer plus loin cette révélation, je vous dirai juste de ne pas aller imaginer, lorsqu'Eve dit qu'elle a eu Caïn avec l'aide de Dieu, que cela signifie que Caïn vienne d'Adam. **Eve était alors charnelle et parla comme une femme charnelle et émotive.** Eve parlait comme beaucoup de nos contemporaines pécheresses. De nos jours, on voit aussi beaucoup de femmes qui souffrent en accouchant et qui disent, après que l'enfant soit né, que Dieu les a aidées. Il arrive qu'elles disent cela, même si leur enfant est né d'un adultère ou de la fornication. **On voit de tout !** Il y a de nos jours des femmes qui ont des relations sexuelles avec n'importe quels hommes, elles tombent enceintes, et prient pour que l'avortement se passe bien. Ensuite, après avoir tué l'enfant qu'elles ne voulaient pas, elles vont faire brûler un cierge en remerciant Dieu de les avoir aidées pendant cette « épreuve ». Alors de grâce, ne croyez pas que les paroles d'Eve en **Gen 4/1** sont **Paroles de Dieu**. Non ! Ce qu'elle a dit est « paroles d'Eve la pécheresse ». Ne l'oubliez pas. Trop de chrétiens pensent que La Bible est intégralement La Parole de Dieu. Elle l'est, mais il ne faut pas tout mélanger. Ne croyez pas que **Job 1/9-11** est Parole de Dieu, c'est le diable qui parle. Ne croyez pas non plus que **Gen 3/4-5** soit Parole de Dieu, c'est le diable qui parle. Et, de même, ne croyez pas non plus qu'Eve disant « *J'ai produit un homme avec le Seigneur* » soit Parole de Dieu, c'est Eve qui parle ! **Gen 4/1**. De nos jours on sait très bien qu'une femme qui a eu une relation avec un noir et, tout de suite après avec un blanc, peut mettre au monde des jumeaux, dont un noir et l'autre blanc. Eve eut une relation avec le serpent et ensuite avec Adam et c'est ainsi que Caïn et Abel sont nés le même jour et étaient des jumeaux. C'est ce que vous devez comprendre en lisant **Gen 4/1 et 2**. Caïn sortit en premier et Abel en second. Puis, Caïn tua son frère Abel.

Sachant cela, faites le compte. Depuis Adam nous avons donc :

1 Abel

2 Seth

3 Enoch

4 Caïnân

5 Mahalaléel

6 Yéred

7 Hénoch

Hénoch est donc bien le septième depuis Adam. Il le dit lui-même **Hénoch 91/4** et Jude le répète **Jude 14**.

Mais il n'est pas le septième si vous comptez Caïn pour un fils d'Adam. Et vous trahissez ainsi l'Ecriture de **Jude 14**. C'est à vous de voir si vous voulez être honnête et humble ou si vous voulez continuer à répéter inlassablement les hérésies que les anciens ont construites comme autant d'échafaudages ne reposant pas sur la Parole de Dieu.

Il y a donc deux généalogies :

Une généalogie des fils d'Adam et une généalogie des fils du malin.

Gen4/17 24 est la généalogie des fils de Caïn, qui est lui-même fils du serpent-ancien.

Gen 5/1-32 est la généalogie des fils d'Adam, fils de Dieu. C'est pourquoi il y a sur terre, des élus, et d'autres qui ne sont pas élus. Jésus Lui-même affirme qu'il y a beaucoup d'appelés, mais peu d'élus **Matt 22/14**.

Il y a ceux de **la plante de vérité et de justice** et les autres. Il y a **les brebis** et les boucs. Il y a **le bon grain** et l'ivraie.

L'ivraie ne devient jamais du bon grain. Le bon grain a poussé au milieu de l'ivraie et à la moisson les anges reconnaîtront qui est qui. La conversion à Jésus-Christ ne transforme pas l'ivraie en bon grain. L'adhésion à une église ou a un crédo ne transforme pas un bouc en brebis.

La brebis perdue a toujours appartenu au bon berger. **Elle était perdue, mais elle était à Lui. Et souvenez-vous que Jésus est venu chercher LES SIENS. Ce qui signifie qu'Il n'est pas venu pour chercher ceux qui ne sont pas les siens.**

Il a tout mis en œuvre pour chercher et sauver Sa brebis qu'il avait perdue. Il l'a sauvée. Il est venu **pour les Siens**, pas pour les autres. Je sais que cela chiffonne les âmes sensibles, mais c'est la Vérité et personne ne peut tenir contre la vérité.

Le Saint-Esprit rend témoignage à votre esprit que vous êtes enfant de Dieu **Rom 8/16**. Il n'y a que cela de vrai.

Maintenant, nous apprenons que Dieu a divisé le temps en semaines. **Hen 91/4**. La première semaine s'écoule durant le temps d'Adam et Hénoch.

Puis la deuxième semaine va jusqu'au moment où les hommes construisent la tour de Babel.

Il y a, durant cette deuxième semaine, une première fin : le déluge d'eau. Noé est sauvé et Dieu lui donne la première Loi **Gen 8/21- 9/17**. La Loi est toujours pour les pécheurs. Elle n'est pas faite pour les justes. Car ce n'est que par la Loi que nous connaissons le péché **Rom 7/7**. Il est bon d'étudier ce que Paul dit de la Loi dans son épître aux Romains. Il est également bon de comprendre l'interprétation que Jésus donne de la Loi dans Son sermon sur la montagne. Dieu voulait que l'humanité se répande sur toute la terre **Gen 9/1**, mais il a fallu qu'Il disperse tout ce petit monde pour arriver à Ses fins car ils s'agglutinaient dans un seul lieu, du côté de ce que nous appelons aujourd'hui l'Irak **Gen 11/8**.

La troisième semaine, c'est le temps d'Abraham qui sort de l'actuel Irak pour une terre promise qui est Israël. Abraham est choisi pour être le plant de juste jugement qui va avoir une postérité. Cette troisième semaine va jusqu'au temps de Jacob qui part en Egypte.

La quatrième semaine est le temps de Moïse et de la conquête de la terre promise. Israël est l'enclos dont Hénoch parle au **verset 9.** L'ordre qui est établi, c'est la Loi de Moïse.

La cinquième semaine s'étend jusqu'à la construction du Temple de Salomon qui était l'image terrestre de ce qui est dans le ciel.

La sixième semaine est celle qui a vu naître Jésus-Christ le sauveur. C'est Lui l'homme qui montera. Hénoch prophétise ici l'ascension de Jésus. Cette sixième semaine va jusqu'en 70 de notre ère. C'est en 70, sous Titus, que le peuple de Dieu a été dispersé.

En tout il y a les prémices de la chose.

La destruction du Temple de Salomon a été la prémice de la destruction du Temple d'Hérode. La dispersion des Juifs sous Nebukanetsar a été la prémice de la dispersion sous Titus. L'ascension de Jésus a été la prémice de l'ascension de l'Epouse de Christ.

Et arrive la septième semaine. C'est le temps des nations. Le temps des nations est un terme Biblique qui signifie : **le temps de l'Eglise dans les nations.** Ce temps est lui-même divisé en sept parties dans **Apoc 2 et 3,** qui est une prophétie on ne peut plus claire.

Nous sommes dans la septième semaine d'Hénoch, dans le septième âge de l'Apoc et sous le 4ième Sceau de l'Apoc. Jamais dans l'histoire on n'a pu savoir aussi précisément les choses. C'est à la lecture de l'histoire profane passée que nous comprenons les prophéties qui sont dans la Bible et dans Hénoch (qui devrait avoir sa place dans le Canon des Ecritures Saintes).

Nous sommes à la fin de cette septième semaine dont Hénoch parle. Durant notre période, il a vu que la race perverse sortira d'une façon éclatante et que ses œuvres seront apostâtes. C'est exactement ce que nous pouvons constater. Il voit aussi qu'à la fin les justes et les élus seront choisis comme témoins de la Justice, de la Plante

Eternelle de Justice et la Sagesse ; et la connaissance leur seront données au septuple. **Dan 12/4, 10.** (***Aucun des méchants ne comprendra, mais ceux qui ont du discernement comprendront***). C'est exactement ce qui arrive. La Parole de Dieu est rétablie, non seulement dans les prédications, mais aussi dans la réalité par ceux qui **font** la Volonté écrite de Dieu en sortant des églises apostâtes pour vivre conformément à la volonté de Jésus qui est Dieu. **Actes 2 et 4. Luc 14/33. Ps 133. 1 Cor 15/29 etc…**

Maintenant, que signifie « sept fois plus » ? La connaissance est sept fois plus importante à notre époque qu'à l'époque des apôtres. J'ai entendu un de mes amis théologiens et directeur d'école biblique me dire un jour : « Paul ne pourrait pas recevoir un diplôme de notre école de nos jours ». Il disait cela en se moquant un peu des exigences qu'imposent aujourd'hui les écoles Bibliques des Assemblées de Dieu Américaines. Mais il n'avait pas complètement tort. Par exemple, Paul n'avait pas la capacité d'enseigner au sujet du livre de l'Apocalypse. Savez-vous pourquoi ? Eh bien, tout simplement parce que le livre de l'Apocalypse n'existait pas à son époque. La connaissance a vraiment augmenté à notre époque. Le rétablissement de toutes choses est important de nos jours. Recevez-le avec foi ! Choisis donc ce chemin étroit et difficile car il est glorieux. Ne craignez rien sinon de renier Jésus-Christ par votre tiédeur. N'ayez pas peur de déraciner les doctrines stupides qui ont été inventées par les hommes. N'ayez pas peur de déraciner les mensonges qui permettent à la violence de se maintenir en place. Le rétablissement de toutes choses s'attaque aux racines, à tous les échafaudages intellectuels et religieux malsains. Ne soyez pas des imposteurs. Dites et vivez la Vérité Biblique. Après l'enlèvement de la petite Epouse de Christ, Ses élus exécuteront le jugement. La huitième semaine ne commencera pas d'un seul coup. **V 12** Rien ne commence d'un seul coup avec Dieu. Il y a toujours les prémices qui annoncent le processus qui va suivre. Cependant, on peut dire que la huitième semaine commencera juste après l'enlèvement de l'Epouse de Christ. L'Epouse de Christ n'est pas une église chrétienne en particulier. L'Epouse de Jésus-Christ sera composée de l'ensemble des vainqueurs dont nous parle **Apoc 2 et 3**. Après l'enlèvement, il y aura une période de 7 ans qui se divisera elle-même en deux parties. Dans la deuxième partie de ces sept ans, il y aura ce que tous les authentiques chrétiens connaissent sous le nom de « la grande tribulation ». Cette grande tribulation durera 3 ans et demi. Puis, à la fin de ces sept ans, Jésus reviendra et tout le monde Le verra descendre du ciel comme Il y était monté le jour de Son ascension. **Actes 1/11.** Quand Jésus reviendra, Il sera accompagné des justes qui règneront avec Lui avec une verge de fer. Fini le doux « Jésus-Agneau ». Ce sera le « Jésus-Lion » qui Se manifestera. Il y a aura un règne de 1000 ans **Apoc 20/2** puis viendra le jugement au Trône Blanc **d'Apoc 20/11-15**. Pendant ces 1000 ans, le diable sera lié et jeté dans un abîme **Apoc 20/2-3.** Puis, à la fin des 1000 ans, il sera relâché pour quelques temps, il se déchaînera puis sera finalement jeté dans l'étang de feu **Apoc 20/7-10**, là où auront été jetés avant lui la bête et le faux prophète **Apoc 19/20**. La bête sera celui que les chrétiens connaissent sous le nom d'**anti-christ**. Ce sera un homme politique à envergure mondiale. Le **faux prophète** sera le pape d'alors qui aura pactisé avec la bête pour finir d'accomplir les sombres desseins de cette église apostates. L'anti-christ et le faux prophète auront été amis, se partageant le pouvoir et la gestion des finances mondiales. Mais, à un moment donné l'anti-christ se débarrassera du pape. Cela est écrit dans **Apoc 17/15-18**. Dans ce Texte, l'église catholique est appelée « la grande prostituée » Elle est aussi une ville qui est dirigée par un roi. Je sais que cela semble un peu difficile à comprendre. Même l'apôtre Jean a eu de la peine à comprendre comment l'église qui avait si bien commencé à Jérusalem, avait pu devenir cette « femme » ivre du sang des saints et du sang des

témoins de Jésus. C'est pourquoi l'ange a dû lui expliquer les choses **Apoc 17/5-7.** Elle s'est spirituellement prostituée avec des démons, acceptant des doctrines de démons et abandonnant la simplicité de l'Evangile de Jésus-Christ. Elle s'est permise de retrancher et d'ajouter à La Parole de Dieu, (par exemple, en incitant, les gens à adorer des statues faites de mains d'hommes, à prier les morts, à rejeter le vrai baptême au Nom de Jésus, **Actes 2/38** se contentant d'asperger les gens au nom d'une trinité inventée par elle, etc…. Elle a massacré des millions de personnes de par le monde durant près de deux millénaires. Cette église est, de nos jours comme une vieille dame qui semble honorable, humble, toute bien pomponnée et faisant des œuvre charitables, mais qui a un passé épouvantable. Elle commet encore, et cache en elle-même, des abominations qui commencent à venir à la connaissance des gens. Durant cette huitième semaine, alors que les chrétiens qui n'auront pas été enlevés seront persécutés, il y aura une chose nouvelle qui se produira. Un ange parcourra le ciel en annonçant l'Evangile Eternel. **Apoc 14/6-7.** Plusieurs accepteront ce message et se prosterneront devant Dieu. Parmi ces gens-là, il y aura tous ceux auxquels les missionnaires n'ont jamais été prêcher, dans les villages les plus reculés et, au Pôle Nord et Sud, où si peu de missionnaires se sentent 'poussés' à aller. On dit en général, dans les milieux évangéliques que durant la grande tribulation, Le Saint-Esprit n'étant plus là, personne ne pourra se convertir. **C'est une erreur !** L'Amour de Dieu est plus grand que toutes les doctrines que les diverses dénominations religieuses ont pu enseignées. Dieu enverra un ange qui volera au milieu du ciel et qui annoncera la bonne nouvelle éternelle pendant la grande tribulation. **Apoc 14/6**. Beaucoup de chrétiens froids ou tièdes se tourneront alors vers Dieu. Des enfants de chrétiens qui auront été rebelles à Dieu et à leurs parents verront et entendront cet ange. Beaucoup se prosterneront devant Dieu. Personne ne sera oublié par Dieu. Même dans le séjour des morts, actuellement, et cela depuis que Jésus y est allé, l'Evangile est aussi annoncé aux morts afin qu'après avoir été jugés quant à la chair ils puissent vivre quant à l'Esprit. **1 Pierre 4/6**. Toutes ces merveilles sont dans les Ecritures Saintes, mais si peu les enseignent. L'Amour de Dieu pour les Siens est plus grand que vous ne pouvez le concevoir. La neuvième semaine, c'est le temps du jugement au Trône Blanc. **V13.** La mort et le séjour des morts seront détruits et tous ceux qui l'auront suivi seront également détruits. Ils seront jetés dans l'étang de feu **Apoc 20/14-15.**

La neuvième semaine sera la fin du mal.

Tous les ouvriers d'iniquité disparaîtront de toute la terre et seront jetés dans l'étang de feu. Ce ne sera que justice. Personne ne trouvera rien à dire devant la majesté de Dieu. Et viendra la dixième semaine. Souvenez-vous du **Ch 24 du livre d'Hénoch**. Il y parle des sept montagnes qui sont les sept âges de l'Histoire du christianisme des nations. Il y a une prophétie dans la Bible qui annonce ces sept âges. Elle se trouve dans **Apoc 2 et 3**. Ce qui frappe dans **Hénoch 91/15** c'est qu'il y aura là un jugement exécuté dans un esprit de vengeance au milieu des saints. Dieu est juste et Il vengera les saints qui auront été malmenés par ceux qui auront abusé de leur pouvoir religieux alors qu'ils étaient en fonction sur la terre. Ces derniers recevront des coups **Luc 12/47**. Ce ne sera que justice. Il y a tant de serviteurs de Dieu qui bricolent et qui font mal leur travail dans l'Eglise. Il est normal qu'ils soient punis. Ils seront sauvés, mais punis selon ce qu'ils auront fait sur terre. A partir de là, nous savons que les cycles du mal n'auront plus lieu. Il en sera fini du diable et de la chair. Nous vivrons, chacun selon son rang dans le paradis. Puis, Hénoch prononce des paroles qui forcent au respect. Quel est l'homme qui osera parler contre ces Choses Sacrées qu'il a vues et entendues ? Les

contestataires essayeront de parler, l'âme troublée, puis ils se tairont, car on ne peut parler que de ce que l'on sait, et rendre témoignage que de ce que l'on connait. A qui les anges sont-ils venus parler ? A ceux qui contestent sans cesse ? Il faut avoir l'esprit de prophète pour saisir, un peu, de ces merveilles. Un jour Dieu a dit : « *Si le ciel, en haut, pouvait être mesuré, si les fondations de la terre pouvaient être sondées, alors Je rejetterai toute la descendance d'Israël à cause de tout ce qu'ils ont fait*. » **Jér 31/37**. Ce que Dieu dit là nous apprend qu'Il ne rejettera jamais Israël, car personne ne peut sonder ni le ciel, ni la terre. C'est ce que Dieu a voulu dire. Alors faites attention à votre langue quand vous parlez du livre d'Hénoch, car lui, il a entendu et vu. Il a écrit afin que notre dernière génération sache **Hénoch 1/2**.

CHAPITRE 92

1. Et maintenant, mes enfants, je vous exhorte à aimer la justice, à marcher dans ses sentiers. Car les sentiers de la justice méritent qu'on y entre ; tandis que les voies de l'iniquité s'interrompront tout à coup et disparaîtront dans un abîme.
2. Les voies de l'iniquité, de la violence et de la mort seront révélées à des hommes illustres d'une génération future ; mais ils s'en tiendront éloignés, et n'y marcheront jamais.
3. C'est à vous que je m'adresse, ô justes, et je dis : ne suivez-vous point les sentiers de la malignité et de la persécution [de la mort]. Fuyez les voies de la mort, ne vous en approchez même point, car vous péririez comme ceux qui recherchent le mal !
4. Choisissez plutôt la justice, et la vie sainte et parfaite, marchez dans les sentiers de la paix et vous vivrez et prospérerez.
5. Gardez la mémoire de mes paroles dans l'entendement de votre cœur, ne les laissez jamais s'effacer, car je sais que les pécheurs tenteront les hommes pour transformer la sagesse en mal de sorte qu'on ne trouvera pas de place pour elle, et il n'y aura pas d'accalmie aux tentations de toutes natures.
6. Malheur à ceux qui élèvent l'iniquité et l'oppression, et qui soutiennent la fraude comme fondement, car ils seront soudainement renversés et n'obtiendront jamais la paix.
7. Malheur à ceux qui édifient leur demeure avec le péché ; car les fondements de cette demeure seront arrachés, et ils tomberont par le fer. Malheur encore à ceux qui possèdent l'or et l'argent, car ils périront subitement dans le jugement ; malheur à vous, riches, car vous mettez votre confiance dans vos richesses ; mais vous perdez ces richesses, car vous ne vous êtes pas souvenus du Très-Haut au jour de votre prospérité.
8. Vous avez commis le blasphème et l'iniquité ; vous êtes destinés au jour du carnage, [de l'effusion de sang], au jour des ténèbres, au jour du grand jugement.
9. Je vous le dis en vérité, je vous le dis : Celui qui vous a créé vous perdra [renversera].

10. Il n'aura point de pitié de votre sort [et on ne s'apitoiera pas sur votre chute] ; mais, au contraire, votre Créateur se réjouira de votre destruction.
11. Et les justes qui dépendaient de vous seront, en ces jours-là, un reproche pour les pécheurs et les impies.

Commentaire du chapitre 92.

Il y a une chose révélée ici qui a une importance vitale pour tous les lecteurs : la mort, à notre époque, a une puissance comme jamais auparavant. Le quatrième Sceau de l'Apocalypse ayant été brisé durant notre génération, nous voyons la prophétie qu'il tenait cachée se réaliser sous nos yeux. La mort et le séjour des morts ont un pouvoir qu'ils ont reçu de Dieu pour faire périr un quart de la terre. **Apoc 6/7-8**. Mais nous ne devons pas perdre de vue, nous les élus, que Jésus tient la clé de la mort et du séjour des morts. Si nous nous confions en Lui, si nous Lui obéissons, Il nous gardera et Ses anges nous protègeront. Jésus est venu pour construire Son Eglise et les portes du séjour des morts ne prévaudront pas contre elle. Cela ne signifie pas que la vraie Eglise de Jésus-Christ ne sera pas éprouvée. Elle le sera, d'ailleurs Elle l'est déjà. Mais c'est Elle qui gagnera et non la mort. En tant qu'individu, membre du Corps de Christ, nous avons à être bien certains de nous trouver dans la forteresse. Ne nous illusionnons pas, ne nous trompons pas nous-mêmes par de faux raisonnements. Ne nous laissons pas tromper par les esprits religieux qui animent les faux prophètes qui courent partout. Si votre vie est conforme à ce que les Ecritures demandent d'un disciple, n'ayez pas peur. Sinon… tremblez et repentez-vous car il y aura des temps de détresse comme jamais il n'y en a eus. Mais ne craignez pas, si vous êtes un enfant de Dieu consacré à observer les Alliances Sacrées, vous avez un pouvoir puissant. Car un vrai disciple de Jésus a le pouvoir de lier et de délier ce qu'il veut par la puissance du Nom de Jésus-Christ. **Matt 16/18-19**. Dieu a tous les pouvoirs et nous avons ceux qu'Il nous a donnés. En Son Nom nous pouvons lier ou délier ce que nous voulons selon Sa Volonté. Je veux que vous sachiez, c'est Dieu qui tient le contrôle de tout et ce qui va arriver, si terrible soit-il, est entre Ses mains. Soyez entre Ses mains en tant que Ses enfants et vous serez sauvés de ce qui arrive. En lisant **Matthieu 16/18-19**, certains pensent que ce n'est que l'apôtre Pierre qui avait ce pouvoir de lier et délier. Or, Jésus dit quelques temps après, que ceux qui croient en Lui et conforment leur vie à Son enseignement, pourront aussi lier et délier **Matt 18/18**. Il insiste sur cela en disant que si deux ou trois s'accordent sur la terre pour demander une chose quelconque, elle leur sera accordée par Son Père qui est dans les Cieux. **Matt 18/19**. Alors, vous y croyez ou vous n'y croyez pas. Ma famille et moi nous avons choisi d'y croire et nous voyons des miracles tout au long de notre vie. Je vous assure que vous aurez besoin de miracles dans les temps qui viennent et qu'il serait bon que vous commenciez à vous habituer à en faire au Nom du Seigneur Jésus, avant que ces choses n'arrivent. Le temps n'est plus aux préparatifs, mais d'être prêt ! Ceux qui sont prêts n'entreront pas dans les voies de l'iniquité et de la mort. Ils s'en tiendront éloignés. Hénoch les appelle « des hommes illustres ». Mais, qu'est-ce qu'une personne illustre ? C'est une personne qui s'est distinguée par rapport aux autres. Si vous êtes un authentique disciple de Jésus, tenez compte de l'avertissement donné par Hénoch : **distinguez-vous en choisissant la justice et la vie sainte et parfaite, marchez dans les sentiers de la paix et vous vivrez et vous prospèrerez.** Nous sommes arrivés au temps où ce qui est laid est appelé beau. Ceux qui ont la parole essaient de nous faire croire que c'est une évolution. Mais c'est un mensonge. C'est une

dégradation de toutes les valeurs selon Dieu le Créateur. La corruption se trouve à tous les niveaux de toute la société. Nous avons à lutter contre une foule de démons et d'esprits de morts malfaisants **Eph 6/12.** Alors Hénoch avertit les justes. **V 3-5**. Puis il avertit les méchants qui élèvent l'injustice et l'oppression au moyen de la fraude. Ils seront maudits. Il est difficile de ne pas penser à tous ces dictateurs (religieux ou politiques) et à tous ces présidents et autres rois et chefs de rayons qui abusent de leur autorité pour ruiner la vie de ceux sur qui ils dominent. **V 6.** Puis Hénoch avertit ceux qui construisent leur demeure, leur famille, avec le péché, c'est-à-dire avec l'adultère, la fornication et toutes sortes de désordres. **V 8**. Il est difficile de ne pas penser à tous ces gens mariés, divorcés, remariés qui ont des enfants de tous les côtés et qui essaient de faire croire que c'est une bonne chose et que cela va devenir la norme. On en voit même à la télévision. Ils viennent raconter leurs péchés et en rient avec les présentateurs devant des millions de personnes hypnotisées devant leurs écrans. (Hénoch ne parle pas des gens qui ont divorcé à cause de l'infidélité de leur conjoint, il parle des instables, légers et insoumis aux règles et aux engagements pris par eux-mêmes) Et que dire de ceux qui construisent leur demeure, leur famille, en adoptant des enfants qui se retrouvent élevés par deux papas ou deux mamans ? Puis Hénoch avertit ceux qui sont riches, qui possèdent l'or et l'argent. **Mais qu'est-ce qu'un riche ?** Quand je vais en Afrique et que je rencontre un pasteur qui vit avec huit euros par mois, pour lui et ses trois enfants… à côté de lui, je suis riche. Et quand je rencontre un homme d'affaires qui vit avec 20 000 euros par mois… je me sens pauvre. On est toujours riche par rapport aux pauvres, et pauvre par rapport au riches. **Alors qui sont les riches que Dieu condamne ?**

Les riches qui seront condamnés sont ceux qui mettent leur confiance dans leur argent. Ce sont ceux qui ne pensent pas à Dieu, ni à Son Eglise, au jour de leur prospérité. Ce sont ceux qui ne font rien pour aider ceux qui sont dans le besoin. Ce sont ceux qui donnent aux pauvres pour être vus des autres. Ce sont ceux qui donnent aux pauvres pour se féliciter secrètement de leur immense générosité. Ce sont ceux qui pensent que, de toute façon, ça ne sert à rien d'aider les pauvres, car demain ils seront encore pauvres. Ce sont aussi ceux qui pensent qu'il ne faut pas les aider, car cela développe chez eux un esprit d'assisté. Ce sont ceux qui disent, la bouche en cul de poule, dans les salons, en sirotant du champagne bien frais : « il vaut mieux leur apprendre à pécher les poissons que de leur donner des poissons ! »… **mais qui ne se dérangent pas pour aller leur apprendre à pécher les poissons, ou qui ne paieront personne pour qu'ils aillent leur apprendre**. Vous voyez donc que tous les riches ne seront pas condamnés. Ne condamnez donc pas les riches. Aimez-les car ils sont en danger. Alors Hénoch dit à tout ce petit monde qui grouille sur la terre, qu'ils sont bons pour le carnage. Pas de pitié pour eux ! Au contraire ! Dieu se réjouira de leur destruction. Et les justes seront un reproche pour eux. En effet, quand tous ces méchants se rendront compte de tout ce qu'ils auraient pu faire pour les pauvres et pour les élus, et qui, finalement ne leur aurait pas coûté bien cher, ils hurleront de détresse.

Dieu est Sauveur, actuellement. Mais un jour, Il sera Juge. Et ce jour-là, il n'y aura plus de repentir possible. Le jour du salut, c'est aujourd'hui, c'est-à-dire, maintenant ! Les prophètes l'ont dit et répété des milliers de fois. Ils ne veulent pas écouter ? Tant pis et bon débarras, cette race de Caïn ne salira plus le Royaume.

CHAPITRE 93

1. Plût à Dieu que mes yeux fussent deux nuages d'eau pour pleurer sur vous leurs torrents de larmes, et calmer ainsi la tristesse de mon cœur.
2. Qui vous a donné de commettre ainsi l'iniquité et l'impureté ? Malheur à vous, pécheurs, voici : le jugement vous atteindra!
3. Justes ne craignez pas les méchants, car, une fois encore, Dieu les soumettra à votre puissance, afin que vous exerciez le jugement contre eux, comme il vous plaira.
4. Malheur à vous qui prononcez des anathèmes qui ne peuvent être inversés. La guérison s'éloigne de vous à cause de vos péchés. Malheur à vous qui faites le mal à votre voisin, parce que vous aurez la récompense que méritent vos œuvres.
5. Malheur à vous, témoins de mensonge, qui augmentez l'iniquité, car soudainement vous périrez !
6. Malheur à vous ! pécheurs, qui persécutez les justes, car vous aussi vous serez livrés et persécutés par l'injustice, et son joug sera pesant sur vous !

Commentaire du chapitre 93.

Quand on lit attentivement le livre de l'Apocalypse, on découvre que, pendant la tribulation, l'église officielle et l'Onu feront la guerre à Jésus en persécutant les vrais chrétiens qui n'auront pas été enlevés. Mais, nous voyons que Jésus sera vainqueur et que les vrais chrétiens (qui seront restés après l'enlèvement de l'Epouse) seront également vainqueurs. **Apoc 17/14**. La bête et les nations unies se mettront à détester la prostituée (l'église catholique et ses dignes filles **Apoc 17/5**) et ils la détruiront **Apoc 17/16**. (Les filles de la prostituée sont les églises qui sont sortie (nées) de l'église Catholique et qui se sont ensuite organisées comme leur mère, empêchant au Saint-Esprit de diriger toutes choses. L'église protestante était une réelle œuvre de Dieu, mais avec le temps elle est revenue au système qu'elle avait vomi. Les églises évangéliques de même. C'est pourquoi Jésus ordonne aux Siens de sortir du milieu d'elle. **Apoc 18/4**. J'explique tout cela pour vous montrer pourquoi Hénoch dit **qu'encore une fois** Dieu soumettra les méchants au jugement des élus **V3**. Il soumettra encore une fois, c'est-à-dire lors du jugement final, les méchants à notre jugement. Et nous les jugerons comme il nous plaira. Et Hénoch avertit les magiciens, les sorciers et tous ceux qui jettent des sorts pour rendre les gens malades ou les faire mourir. Ces suppôts de satan auront leur récompense, ils recevront de Dieu le châtiment qu'ils méritent. Puis Hénoch s'adresse à ceux qui donnent de faux témoignages. Tous ces gens qui accusent les serviteurs de Dieu pour ruiner leur ministère seront châtiés justement. Les élus de Dieu ne sont pas parfaits et certains méchants se servent de cela pour envenimer les choses en racontant des mensonges au sujet des élus. Ces méchants-là n'échapperont pas. Ils seront détruits. Dieu n'aura aucune miséricorde en particulier contre les faux témoins, car ce sont ceux de cette race-là qui ont parlé lors du procès de Son Fils. **Matt 26/59-60**. A nous de faire attention de ne pas rendre le mal pour le mal. Laissons l'ivraie montrer qui elle est : **des fils du diable Matt 13/38**. Laissons-la porter ses propres fruits, Dieu la brûlera Lui-même. Ce n'est pas à nous de nous venger pour le moment. Et dans la

mesure de nos possibilités, soyons en paix avec tout le monde. La vengeance appartient à Dieu. Pour le temps présent, prions pour nos ennemis, pour ceux qui cherchent à nous nuire. Prions pour eux car c'est encore le temps où Jésus est l'Agneau de Dieu qui ôte le péché. Prions pour eux, car très bientôt Jésus ne sera plus l'Agneau, Il sera le lion qui se lève de Son Trône pour exercer la justice. Ceux qui vous blessent sont en danger, priez pour eux !

CHAPITRE 94

1. Soyez confiants dans l'avenir, ô justes ! car bientôt les pécheurs périront devant vous ; vous deviendrez leur maître et vous aurez sur eux le pouvoir que vous voudrez.
2. Au jour de la tribulation des pécheurs, votre race sera exaltée et s'élèvera comme celle de l'aigle. Votre nid sera porté à des hauteurs plus sublimes que celui du vautour ; vous monterez, vous pénétrerez dans les entrailles de la terre, et dans les cavernes des rochers, préservés de la présence des méchants.
3. Ils gémiront et pleureront sur vous comme des animaux du désert, comme des sirènes
4. Mais ne craignez point ceux qui vous tourmentent ; car la guérison sera votre partage. Une lumière éclatante vous illuminera, et vous entendrez du ciel une parole de repos.
5. Malheur à vous pécheurs ! Car vos richesses vous permettent d'apparaître comme des justes; mais votre conscience vous convainc que vous n'êtes que des pécheurs. Et cette accusation intérieure témoignera contre vous comme un mémorial de vos mauvaises œuvres.
6. Malheur à vous qui vous nourrissez gloutonnement du meilleur froment et buvez les meilleures eaux de vie, et qui, dans l'orgueil de votre puissance, écrasez le pauvre !
7. Malheur à vous qui buvez les eaux à toutes les fontaines ! Car vous aurez bientôt votre récompense ; vous serez consumés, vous serez exterminés, parce que vous avez délaissé la Source de la Vie.
8. Malheur à vous qui commettez l'iniquité, la fraude et le blasphème ! Il y aura contre vous un mémorial de mal.
9. Malheur à vous, puissants, qui par la force, opprimez les justes ! car voici venir le jour de votre destruction. Alors, pendant que vous souffrirez les châtiments mérités par vos crimes, les justes goûteront des jours nombreux et fortunés.

Commentaire du chapitre 94

Alors que nous sommes en train de vivre le temps durant lequel les nations s'effondrent, nous les justes, nous devons relever la tête car notre délivrance approche. Les puissants se moquent de nous et utilisent leurs immenses fortunes pour détruire. Des peuples entiers souffrent alors que quelques familles détiennent les richesses qui pourraient suffire à nourrir et soigner tout le monde. Hénoch dit qu'un mémorial sera élevé contre ces riches qui « s'empiffrent » et boivent plus que de raison les meilleures eaux de vie : ils finiront par recevoir leur récompense. Ils seront consumés. Ils ne méprisent pas que leurs ouvriers, ils méprisent également les Ouvriers confirmés du Seigneur. Ces riches qui se disent chrétiens et méprisent La Source de Vie. Ces riches qui méprisent les serviteurs que Dieu a envoyés dans Sa Vigne. Ces riches qui se repaissent tout en privant les envoyés de Dieu de leurs salaires seront consumés. L'apôtre Jacques reprend cette Parole de Dieu et prophétise avec force : « ***A vous maintenant, les riches ! Pleurez et gémissez à cause des malheurs qui viendront sur vous ! Vos richesses sont pourries et vos vêtements sont rongés par les mites. Votre or et votre argent sont rouillés, et leur rouille s'élèvera en témoignage contre vous et dévorera votre chair comme un feu. Vous avez amassé des trésors dans les derniers jours ! Les salaires des ouvriers qui ont moissonné vos champs et dont vous les avez frustrés crient, et les cris des moissonneurs sont parvenus jusqu'aux oreilles du Seigneur de l'univers. Vous avez vécu sur la terre dans les plaisirs et dans le luxe, vous avez rassasié votre cœur au jour de la boucherie. Vous avez condamné, tué le juste sans qu'il vous résist***e ». **Jac 5/1-6**. Tant que la repentance est possible, il y a un espoir pour eux. Mais le temps arrive où il n'y aura plus de repentance possible. Mais si l'avenir est sombre pour les méchants, l'espérance des justifiés est grande ! Les justifiés participeront à la destruction des pécheurs. Pendant la grande tribulation, ceux qui connaissent la vérité sauront où aller se cacher. Un texte apocryphe (tenu caché) nous dit que l'Arche de l'Alliance a été cachée dans la montagne de Moab et qu'elle ne sera découverte que lorsque Dieu réunira Son peuple et lui fera miséricorde. Cela arrivera lorsque les 144000 Juifs seront scellés. **2 Maccabées 2/4-8 Bible de Jérusalem ou Bible TOB et Apoc 7/4-8.** L'endroit où se trouve l'arche est un endroit où les ennemis de Dieu ne peuvent tenir **1 Sam 5.** C'est pourquoi il sera bon pour ceux qui seront restés après l'enlèvement de l'Epouse d'aller se réfugier là où est l'Arche **Matt 24/16**. Pendant la grande tribulation, ceux qui mourront s'envoleront comme l'aigle au-dessus des vautours. Les vautours s'assemblent là où se trouve un corps mort. Dans **Hénoch 19/2** il est écrit que les femmes qui ont fauté avec les anges (**Gen 6**) sont devenues des sirènes. Selon les légendes africaines, les sirènes sont des démons qui séduisent les hommes. C'est ce qu'ils appellent l'esprit des eaux ou « mami ouata ».

Alors Uriel s'écria : Voici les anges qui ont cohabité et se sont unis avec les femmes. Ils ont pris de nombreuses apparences et se sont désignés des chefs. Ils ont souillé les hommes, multiplié parmi eux les erreurs, au point de leur faire faire des sacrifices aux démons, comme à des dieux. Mais au grand jour, ils seront jugés et ils périront, et leurs femmes avec eux, parce qu'elles ont séduit les anges et se sont laissés séduire sans résistance. Elles deviendront des sirènes ».

En tout cas, les méchants nous regretteront, ils gémiront, se lamenteront. Ils ne s'en rendent pas compte de nos jours, mais nous sommes le sel de la terre **Matt 5/13**, la lumière du monde **Matt 5/14**. Une fois que nous aurons disparu de la terre, ce ne sera que chaos. Nous nous sentons parfois minuscules et impuissants. Mais nous ne le

sommes pas. Si du moins nous nous manifestons tels que nous devons le faire. Dieu reproche aux méchants de boire à toutes les fontaines. (De nos jours on dirait qu'ils mangent à tous les râteliers). Ils sont curieux de tout et se nourrissent de toutes sortes de spiritualités mensongères. Ils méprisent La Source de Vie. Ils se désaltèrent aux eaux souillées des religions cruelles et stupides. Seul le Message de La Bible est la vérité. **Les gens qui cherchent la vérité dans les autres religions devraient se demander pourquoi les peuples des pays où elles sont pratiquées sont si misérables**. Les esprits mauvais qui tirent les ficelles des religions et autres philosophies de vie sont cruels. Ils le sont particulièrement pour les femmes. Dans les pays où la civilisation judéo-chrétienne est la base, nous voyons un fond de justice qu'on ne trouve pas ailleurs. C'est grâce à cette culture, ce fond de justice, que les peuples ont osé protester contre les abus des faux prophètes catholiques qui se disent chrétiens et qui cherchaient à dominer sur nous. Boire à toutes les fontaines, c'est être avide de spiritualité, mais c'est surtout ne pas être intelligent, ni prudent. Une personne me disait il y a quelques temps : « tu sais, je préfère Bouddha à Jésus. Quand je rentre chez moi, bourré et drogué, Bouddha ne me fait aucun reproche. Jésus, Lui, Il me parle de péchés et de changer de vie. Et ça m'embête ! » Le malheur pour les méchants, le bonheur pour les justifiés. Tout est dit.

CHAPITRE 95

1. Ayez confiance, vous les justes car les pécheurs seront confondus et périront au jour de l'iniquité.
2. Vous les méchants, il faut que vous le sachiez, le Très-Haut est attentif à votre perte et les anges du ciel se réjouissent de votre destruction Que ferez-vous donc, pécheurs, et où fuirez-vous au jour du jugement, quand vous entendrez l'accent des prières des justes ?
3. Vous ne leur ressemblez point, car il s'élèvera contre vous une parole terrible : Vous êtes les complices des pécheurs.
4. Dans ces jours, les prières des justes s'élèveront vers Dieu ; alors, pour vous arrivera le jour du jugement, et toutes vos paroles sorties de votre iniquité seront révélées devant le Grand et le Saint.
5. Votre visage se couvrira de honte ; Il rejettera toute œuvre basée sur l'injustice.
6. Malheur à vous, pécheurs ! que vous soyez au milieu de la mer ou sur l'aride plaine, car un mauvais témoignage est porté contre vous. Malheur à vous qui possédez de l'argent et de l'or, richesses que vous n'avez point acquises par des voies justes ! Vous vous dites : Nous sommes riches, nous vivons dans l'abondance et nous avons acquis tout ce que nous pouvons désirer.
7. Nous ferons donc tout ce qui nous fera plaisir, car nous avons des monceaux d'argent ; nos greniers sont pleins, et les familles de nos ouvriers sont aussi nombreuses que les eaux d'une source abondante.

8. Ces fausses richesses, comme vos illusions s'écrouleront comme de l'eau, et vos trésors s'évanouiront, ils vous seront enlevés, parce que vous les avez acquis injustement ; et vous serez accablés de la malédiction divine.
9. Et maintenant, à vous prudents mais insensés, Je vous fais le serment que vous verrez de multiples expériences sur la terre. Car vous, les hommes, vous vous couvrez plus qu'une femme d'ornement et plus colorés qu'une vierge. Dans la royauté, la grandeur, et la puissance ; dans l'argent, l'or et la couleur pourpre ; dans la splendeur et la bonne chère, ils se répandent comme de l'eau.
10. Parce que vous êtes dépourvu de doctrines et de sagesse, à cause de cela ils périront avec leurs richesses, leur gloire et leurs honneurs. Alors, dans la honte, dans le carnage et dans la décadence, leurs esprits seront jetés dans la fournaise ardente.
11. A vous pécheurs, Je le confirme par serment, de même qu'un mont ne s'est jamais transformé en esclave, ni une colline en une servante, de même le péché n'a pas été rependu d'en haut sur la terre, mais c'est l'homme qui l'a fait lui-même. Mais un grand malheur sera sur ceux qui le commettent.
12. La stérilité n'a pas été donnée à la femme, mais si aujourd'hui elle meurt sans enfants, c'est à cause de l'œuvre de ses mains.
13. Pécheurs, je vous fais le serment, par le Grand et le Saint, que toutes vos œuvres sont révélées dans les cieux, et aucun de vos actes d'oppression n'est caché ou secret.
14. Ne pensez pas dans votre esprit et ne dites pas dans votre cœur que vous ne saviez pas et que vous ne voyiez pas que chaque péché est enregistré dans le ciel, chaque jour, en Présence du Très-Haut.
15. Désormais vous saurez que toute la violence que vous exercez en oppressant est enregistrée chaque jour jusqu'au jour du jugement.
16. Malheur à vous, insensés, car vous périrez dans votre folie. Vous ne voulez point écouter les sages, [vous avez péché contre les sages] ainsi vous n'obtiendrez point la récompense des justes.
17. Sachez donc que vous êtes destinés au jour de la ruine ; n'espérez pas vivre après avoir été des pécheurs ; vous passerez et vous mourrez, car vous n'avez pas de rançon, ainsi vous êtes prêt pour le jour du grand jugement, pour le jour de la tribulation et de la grande honte réservée à vos esprits.
18. Malheur à vous dont le cœur est obstiné, qui travaillez au mal et vous nourrissez de sang. D'où tirez-vous les bonnes choses que vous mangez, que vous buvez et dont vous vous rassasiez ? N'est-ce pas de toutes les bonnes choses que le Seigneur Très-Haut a répandues abondamment sur la terre ? Vous l'avez oublié : aussi vous n'aurez pas de paix.
19. Malheur à vous, qui aimez l'iniquité. A quel titre recevriez-vous quelque récompense ? Sachez que vous serez livrés entre les mains des justes, qui briseront [vous décapiteront] vos têtes, vous mettront à mort et n'auront pour vous aucune miséricorde !
20. Malheur à vous, qui triomphez en la persécution des justes, car vous n'aurez point de sépulture.
21. Malheur à vous qui déclarez nulle la parole des justes ; car pour vous point d'espérance de la vie.
22. Malheur à vous qui écrivez des paroles trompeuses, des paroles injustes ; car vous écrivez vos mensonges pour qu'on les écoute et qu'on oublie le reste.
23. Point de paix pour le pécheur ! La mort, la mort soudaine pour le pécheur !

Commentaire du chapitre 95.

Dans les milieux chrétiens, en général, on parle plus des démons que des anges. Ici, Hénoch nous montre que Dieu et les anges sont indignés par les actions des humains. Les anges se réjouissent de la destruction des humains iniques. Nous, les élus de Dieu, prierons avec une ferveur terrible en ces jours-là et les pécheurs seront terrifiés en nous entendant. Ils n'auront qu'une envie : **fuir**. Mais où ? Pour le moment, Dieu nous dit de faire très attention. Il ne faut pas que nous leur ressemblions. Nous ne devons pas être leurs complices. Nous devons, en notre temps, nous opposer à leurs œuvres. Nous ne pourrons pas nous tirer d'affaires en essayant de discuter avec Dieu en ce jour-là. Nous devons déjà être séparés d'eux de façon claire et nette. Nous savons que Dieu n'est pas contre l'abondance financière de Ses enfants. Mais Il ne veut pas que cette abondance soit due à la malhonnêteté. Il sait toutes choses et aucune excuse ne tiendra devant Lui en ces jours-là. Pas question d'argumenter en disant, par exemple, que les états n'étaient eux-mêmes que des voleurs et qu'il fallait bien trouver des moyens de contourner les lois humaines pour pouvoir s'enrichir. Nous savons déjà que les systèmes bancaires sont corrompus et manipulés dans l'ombre par des gens sans scrupules. Ceux qui placent leur confiance dans ces systèmes seront confus. Ils disent : « Nous sommes riches, nous n'avons besoin de rien » **Apoc 3/17**. Ils seront ruinés et il n'y aura personne pour les secourir. Tous ces riches arrogants qui aiment humilier les petites gens seront humiliés à leur tour et ne se relèveront pas de leur humiliation. Tous ces personnages hautement ridicules, médaillés à l'extrême qui se pavanent revêtus d'habits encore plus ridicules qu'eux-mêmes, seront jetés dans la boue et dépouillés de leurs fausses richesses. Tous ces religieux revêtus de robes et de dentelles, de soie et de broderies, serons mis à nu et accablés de honte devant Notre Dieu. Ce n'est pas pour rien que le Livre de L'Apocalypse les identifie à une grande prostituée. Même les prostituées ne se pavanent pas avec tant de signes granguignolesques. Ils n'ont pas de doctrines ni de sagesse. Ils ne connaissent que des stupidités religieuses, des fables qui n'ont aucun fondement scripturaire. La fournaise ardente leur est réservée et les anges se réjouiront d'assister au spectacle de leur terreur. Les traditions et les honneurs ne leur serviront à rien en ces jours-là. Ils sont une bande de pécheurs volontaires. Le mal qu'ils font actuellement n'est pas dû à leur impossibilité d'être sage. Ils ne veulent pas de la sagesse de Dieu. ILS VEULENT IGNORER LA SAGESSE DIVINE. Ces pécheurs ont toute la connaissance et la sagesse à portée de la main. Mais ils n'en veulent pas. Ils préfèrent le mal et les ténèbres. Mais, alors qu'ils vont actuellement de plus en plus loin dans le mal, Dieu a commencé le rétablissement de toutes choses et Ses élus en bénéficient, recevant du Dieu très-Haut la sainte doctrine rétablie et la sagesse rétablie. Pour bien comprendre ce qu'Hénoch nous dit au **verset 12**, il faut savoir qu'un mont est masculin et que colline est féminin. Ainsi Hénoch nous dit que l'homme et la femme ne sont pas devenus pécheur à cause de quelque chose qui les dépassaient et qui a changé leur nature innocente en nature coupable. Le péché ne leur est pas tombé dessus d'en haut. Ils en sont devenus esclaves et serviteurs du diable par désobéissance volontaire. Puis, le salut est venu d'en haut, mais ils ne l'ont pas voulu. Ils ont préféré les ténèbres à la lumière. Puis Hénoch continue, disant que ce n'est pas Dieu qui rend les femmes stériles. Mais que la stérilité est un des fruits de la rébellion de l'humanité. De nos jours, il y a encore des chrétiens qui pensent que Dieu envoie la maladie et en particulier le sida aux pécheurs. S'ils lisaient le Livre d'Hénoch ils connaîtraient le **verset 13** qui dit clairement que **le mal qui arrive aux terriens, ne leur arrive que parce qu'ils le produisent eux-mêmes**. La stérilité va être le lot d'une femme ou d'un homme sans qu'ils en soient forcément responsable personnellement. Un innocent peut être

contaminé par le virus du sida. Ni Dieu, ni lui n'y sont pour rien. Le mal étant entré dans le monde, il frappe comme il veut, sans suivre de logique. C'est ainsi que des hommes pécheurs ont contaminé leur épouse. Que des femmes infidèles ont contaminé leur époux. Que des enfants naissent avec toutes sortes de maladies, dont le sida. Que personne ne dise que c'est Dieu qui veut cela. Eve et Adam ont ouvert la porte au mal et nous n'avons rien fait de mieux depuis. La malédiction s'est étendue sur toute la terre. Dieu, les anges et les élus se réjouissent de voir arriver la fin de ce carnage. Tous ont péché, non seulement les uns contre les autres, mais surtout contre le ciel **Luc 15/21**. **Il y a des choses que vous devez savoir au sujet du ciel.** Dans le ciel, actuellement, les anges sont outrés de voir la méchanceté des humains. Or les anges ne sont pas comme l'église catholique nous fait croire qu'ils sont. Jésus dit que, lorsque nous serons dans le ciel, nous serons comme les anges. Mais cela ne signifie pas que nous n'aurons pas de corps. Les anges ont un corps, mais il n'est pas fait de chair et de sang comme le nôtre. Par contre ils sont tous masculin. Regardez bien ce que Jésus dit : « *Car à la résurrection, les hommes ne prendront point de femme, ni les femmes de maris, ainsi ILS seront comme les anges de Dieu*. » **Matt 22/30**. Si Jésus avait voulu nous montrer clairement quelle serait notre condition au ciel, Il aurait simplement dit : « *Le homme ne prendront point de femmes mais ils seront comme les anges* ». Tous auraient pu alors savoir que les hommes et les femmes seront masculins, comme le sont les anges. Tous les anges qui se sont montrés sur terre sont masculins. Il n'y a aucun nom d'ange féminin. Il est bien évident que si les hommes ne prennent pas de femmes, les femmes ne peuvent pas prendre de mari. Cette phrase ressemble donc à un gros pléonasme. Mais Jésus le dit ainsi afin que ceux qui ne doivent pas voir ne voient pas. Adam et Eve étaient appelés « **hommes** » au commencement **Gen 5/2**, ils n'étaient pas comme les hommes et les femmes d'aujourd'hui. Adam et Eve n'étaient pas faits de chair et de sang avant la chute. Ils avaient un corps comme celui des anges, des corps d'os et de chair **Gen 2/23**. Leur chair n'était pas comme celle que nous avons de nos jours. De nos jours, nous sommes des êtres de chair et de sang à cause du péché. Mais quand nous arriverons au ciel, **nous retrouverons nos corps d'os et de chair**. Notre corps ne sera pas comme il est aujourd'hui. La Bible le dit clairement. « *Autre est la chair des hommes, autre est celle des oiseaux, autre est celle des quadrupèdes, autre est celles des poissons. Il y a aussi des corps célestes et des corps terrestres ; mais autre est l'éclat des corps célestes, autres celui des corps terrestres*. » **1 Cor 15/39-4**. Nos corps ressusciteront incorruptibles **1 Cor 15/42** comme celui des anges **Matt 22/30**. De plus **1 Cor 15/50** nous dit que la chair et le sang ne peuvent hériter du Royaume de Dieu. C'est donc avec un corps comme celui d'Adam et Eve au début, comme celui des anges que nous serons éternellement avec Dieu. Nous aurons des corps célestes faits de chair et d'os, mais pas de sang. Pour que les anges puissent avoir des relations sexuelles avec les femmes de **Gen 6**, il a fallu que ces anges absorbent le sang humain. Comment s'y sont-ils pris ? Je n'en sais rien. Mais je sais que l'absorption de sang des animaux nous est interdit, cela peut sans doute nous ouvrir une voie de réflexion... « *Seulement, garde toi de manger le sang, car le sang, c'est la vie ; et tu ne mangeras pas la vie avec la chair. Tu ne le mangeras pas : tu le répandras sur la terre comme l'eau. Tu n'en mangeras pas, afin que tu sois heureux, toi et tes enfants après toi, en faisant ce qui est droit aux yeux de l'Eternel.* » **Deut 12/23-25**. Pensez à cela : le sang, c'est la vie et tu peux manger la chair, mais pas le sang. Adam et Eve, quand ils ont été créés, n'étaient pas du règne animal. Ils étaient des êtres vivants faits **d'os** et **de chair**. C'est ce que dit Adam en voyant Eve : « ***Os** de mes os, **chair** de ma chair*. » **Gen 2/23**. Etant os et chair, Adam et Eve étaient des êtres supérieurs à tout ce qui se trouvait sur la terre. Ils étaient comme les anges, ils étaient des êtres spirituels dans des corps d'os et de chair. Puis, à la chute,

ils ont subi une transformation et sont devenus comme les animaux, des êtres de sang. Leur vie était le sang. A la résurrection nous redeviendrons comme les anges, des êtres avec un corps céleste d'os et de chair.

Dieu a un Corps Glorieux et Saint et Il a un Esprit

Nous parlons souvent de l'Esprit de Dieu. Or, nous disons aussi que Dieu est Esprit. Il y a confusion. Il nous faut croire que Dieu est Esprit. Mais avez-vous déjà pensé à cela ? Dieu **a** un Esprit, donc un Corps. La Bible ne nous dit-Elle pas que Dieu a un Corps ? Souvenez-vous que Dieu cacha Sa Face à Moïse. Le Père a donc un visage. Le Père a mis Sa Main devant le rocher pour lui cacher Sa Face et Moïse a vu le Père de dos.
Pourquoi ne pas croire que nous sommes créés à Son Image, selon Sa ressemblance ? Or, nous avons un corps et un esprit. Si ce que La Bible dit est vrai, alors nous pouvons croire le plus simplement possible que Dieu a un Corps et un Esprit.
Dieu a Un Esprit et Un Corps Glorieux différent de celui de l'homme terrestre fait de chair et de sang, c'est certain, mais Dieu a bien une Apparence Glorieuse, Splendide, Radieuse et Indescriptible que l'on ne peut pas représenter et donc L'Esprit de Dieu vient de Dieu pour habiter nos cœurs. Jésus nous dit que L'Esprit vient de Dieu **Jean 15/26**. Lisez **Esaïe 48/12-16**. Ce Texte nous parle de la Main de Dieu et de Son Bras. Puis le prophète nous dit que Le Seigneur l'a envoyé avec Son Esprit. Le Livre de l'Exode nous dit que si nous **voyons** Dieu, nous mourrons. **Exode 33/20-23**. Cela signifie qu'il a une apparence visible pour d'autres que nous, simple mortels. **Il n'est pas écrit qu'on ne peut pas voir Dieu parce qu'il n'y a rien à voir, pas de Corps, ni d'Apparence**
« *L'Éternel dit: Tu ne pourras pas voir ma face, car l'homme ne peut me voir et vivre.*
L'Éternel dit: Voici un lieu près de moi; tu te tiendras sur le rocher.
Quand ma gloire passera, je te mettrai dans un creux du rocher, et je te couvrirai de ma main jusqu'à ce que Je sois passé.
Et lorsque je retournerai ma main, tu me verras par derrière, mais ma face ne pourra pas être vue ».

Ne répétons pas inlassablement ce que les religieux nous racontent.
Si Moïse voulait voir La Face de Dieu, c'est que Dieu a donc Une Face, une Apparence. Et Dieu ne dit pas à Moïse : « *Tu ne peux pas voir ma Face car Je n'en est pas* » Moïse voulait voir le Visage de Dieu. Mais Dieu refusa. Pourquoi ? Parce que Moïse serait mort s'il avait vu Le Visage de Dieu, Le Père a donc un Visage et donc aussi un Corps Glorieux et Saint. Pourquoi Moïse aurait-il demandé à voir Le Père, si Le Père n'est pas visible, s'Il n'est qu'Un Esprit et n'a pas de Corps ? Acceptons simplement que Le Corps du Père ne peut être vu de notre vivant, car si nous le voyons, nous mourons.

Hébreux 12.2
Ayant les regards sur Jésus, le chef et le consommateur de la foi, qui, en vue de la joie qui lui était réservée, a souffert la croix, méprisé l'ignominie, et s'est assis à la droite du trône de Dieu.

Jésus est remonté au ciel avec Son Corps et S'est assis à côté d'un autre Corps : Celui du Père.
Apocalypse 4:2-3
« *Aussitôt je fus ravi en esprit. Et voici, il y avait un trône dans le ciel, et sur ce trône*

quelqu'un *(Le Père) était assis. Celui qui était assis avait l'aspect d'une pierre de jaspe et de sardoine; et le trône était environné d'un arc-en-ciel semblable à de l'émeraude ».*

Observons ce qui se passe

Apocalyspe 5:1-7
« Puis je vis dans la main droite de celui qui était assis sur le trône un livre écrit en dedans et en dehors, scellé de sept sceaux.
Et je vis un ange puissant, qui criait d'une voix forte: Qui est digne d'ouvrir le livre, et d'en rompre les sceaux?
Et personne dans le ciel, ni sur la terre, ni sous la terre, ne put ouvrir le livre ni le regarder.
Et je pleurai beaucoup de ce que personne ne fut trouvé digne d'ouvrir le livre ni de le regarder.
Et l'un des vieillards me dit: Ne pleure point; voici, le lion de la tribu de Juda, le rejeton de David, a vaincu pour ouvrir le livre et ses sept sceaux.
Et je vis, au milieu du trône et des quatre êtres vivants et au milieu des vieillards, un agneau qui était là comme immolé. Il avait sept cornes et sept yeux, qui sont les sept esprits de Dieu envoyés par toute la terre. »
***Il vint, et il prit le livre de la main droite de celui qui était assis sur le trône** ».*

Le Père assis sur le Trône tient un livre dans Sa Main Droite
Il (Jésus) vint, et Il prit le livre de la main droite de celui qui était assis sur le trône.

Le Lion de Juda (Jésus) prit le livre de La Main du Père.
Le prophète Michée relate un événement semblable. Il rend ce témoignage: *« J'ai vu l'Eternel assis sur son trône, et toute l'armée des Cieux se tenant à Sa droite et à Sa gauche »* **2 Chr. 18.18**

Tous ces passages montrent bien que Le Père a Un Corps Glorieux et Céleste **comme Jésus.** Maintenant, L'Esprit de Dieu **vient** du Corps du Père, c'est aussi pour cela que nous ne pouvons pas parler d'une autre personne que Celle du Père lorsque l'on parle de Son Esprit.

Et qu'en sera-t-il de nous ?

*« Ainsi en est-il de la résurrection des morts. Le corps est semé corruptible; il ressuscite incorruptible; il est semé méprisable, il ressuscite glorieux; il est semé infirme, il ressuscite plein de force; il est semé corps animal, il ressuscite corps spirituel. S'il y a un corps animal, il y a aussi un corps spirituel ». **1 Corinthiens 15:42-44.***

CHAPITRE 96

1. Malheur à ceux qui se conduisent en impies, qui louent et flattent le mensonge. Vous êtes des pervers, vous n'aurez pas une vie de bonheur et vous serez détruits.
2. Malheur à vous, qui altérez les Paroles de la vérité : vous péchez contre le décret éternel et devenez ce que vous n'étiez pas : des pécheurs.
3. Dans ces jours, préparez-vous, ô justes, à rappeler vos prières et à les placer en témoignage devant les anges pour qu'ils le portent devant le Très- Haut en souvenir du péché des pécheurs.
4. Dans ces jours, les peuples s'agiteront et les familles des peuples se lèveront au jour de la destruction.
5. Dans ces jours-là, ceux qui seront dans la misère sortiront, emporteront leurs enfants qui sont à la mamelle, ils les jetteront et ne reviendront pas à eux. Ils seront sans pitié pour leurs bien-aimés..
6. Et je vous confirme encore une fois par serment, pécheurs, que le péché est mûr pour le jour où le sang ne cessera pas de couler.
7. Ils adoreront les pierres, les images d'or, d'argent et de bois, les esprits immondes, les démons et toutes les idoles des temples, sans discernement, mais ils n'en obtiendront aucun secours. Leurs cœurs deviendront stupides à force d'impiété ; et leurs yeux seront aveuglés par la superstition. Leurs yeux sont obscurcis par le manque de courage et d'audace de leur cœur et par la vision de leur rêve superstitieux, parce qu'ils ont accompli toutes leurs œuvres dans le mensonge et ont adoré la pierre. Aussi périront-ils tous en un clin d'œil !
8. Mais dans ces jours, bienheureux seront ceux qui auront reçu la parole de sagesse, qui l'auront recherchée et comprise et auront ainsi pratiqué les voies du Très-Haut, qui auront marché dans les sentiers de la justice, et non pas dans les routes de l'impiété.
9. Oui, ils seront sauvés !
10. Mais, malheur à vous qui entrainez votre prochain dans le mal : vous tombez dans l'abîme.
11. Malheur à vous, qui posez les fondements du péché et de la fraude, qui êtes durs et amers pour vos semblables : vous serez consumés !
12. Malheur à vous, qui élevez vos maisons à la sueur des autres; chacune des pierres qui les compose, chaque partie de ciment qui les assemble est pour vous un péché. Ainsi, je vous le dis, vous n'aurez point de paix.
13. Malheur à vous, qui méprisez la mesure et l'héritage de vos pères, et qui rendez un culte impie aux idoles ! Il n'y aura point de paix pour vous !
14. Malheur à ceux qui commettent l'iniquité, qui sont des instruments de persécution, qui prêtent leur aide à la violence et qui tuent leur prochain jusqu'au jour du jugement. Car Dieu lui-même flétrira votre gloire, Il endurcira vos cœurs, Il allumera le feu de sa colère, et vous exterminera tous !
16. Alors les justes et les saints, témoins des effets de Sa vengeance, se rappelleront vos crimes.

Commentaire du chapitre 96.

Hénoch parle pour une génération lointaine à la sienne. **Il s'adresse aux gens qui liront son Texte inspiré et qui vivront juste avant le grand jour de l'Eternel, ce jour redoutable, le jour où Sa colère s'enflammera contre les pécheurs**. Hénoch pouvait-il imaginer qu'à notre époque nous serions surinformés comme nous le sommes. Aujourd'hui, alors que je vous écris, je me suis réveillé et, dans mon lit, en buvant mon café, j'ai consulté mon IPhone 4 pour voir ce qui s'était passé dans le monde pendant mon sommeil. J'ai appris la mort de Ben Laden et j'ai vu une vidéo montrant les Américains qui sautaient de joie devant la Maison Blanche. Sur notre planète, aussitôt qu'une chose se produit, nous en sommes tous informés quelques minutes après. Je suis arrivé dans mon bureau et j'ai parlé avec un ami qui vit au Canada. Je lui ai appris la nouvelle en utilisant skype, alors qu'il n'était que 6 h du matin là-bas. Ce midi, en me mettant à table avec mes frères, ils savaient déjà tous que la photo du cadavre de Ben Laden que toutes les TV du monde avaient montrée durant toute la matinée, était un faux document. Nous vivons l'époque dont Jésus a parlé : « *En ce temps- là, vous **entendrez parler** de guerres et de bruits de guerres* » Oui nous en entendons parler par ce que nous appelons les médias. Et c'est là qu'Hénoch s'insurge pour dire que ces médias ne sont pas honnêtes et que nous entendons des mensonges. Pas QUE des mensonges, non ! Mais suffisamment pour que la population ne sache pas ce qui se passe derrière. **Car il y a un complot**. Oui, il y en a. Il y en a toujours eu. David disait déjà : « *Mets-moi à l'abri **des complots** des méchants, de la troupe bruyante des hommes injustes !* » **Ps 64/3.** Cessez de penser qu'il n'y a pas de complots. Il y a des complots ! Il y a des gens hauts placés qui complotent et les choses arrivent. Et quand elles sont arrivées, les médias nous racontent ce qu'ils ont le droit de raconter. C'est contre ces gens-là qu'Hénoch prophétise dans ce chapitre. Les médias se conduisent en impies qui louent et flattent le mensonge. Ils sont des pervers et ils seront bientôt détruits. C'est-à-dire que leur pouvoir leur sera ôté quand Jésus va mettre de l'ordre lors de Sa venue sur les nuées du ciel. Quand la Bible dit une chose, ils traitent cela avec dérision. Cependant, tout ce que la Bible a dit s'est accompli et tout s'accomplira malgré tous leurs efforts. Si vous ne voulez pas croire la Bible, alors vous rejoignez ceux qui aiment le mensonge et le diffusent. Il y a d'autres personnes qui véhiculent le mensonge. Ce sont tous ces prétendus représentants de Dieu qui annoncent le contraire de ce que La Bible dit. Ces faux prophètes qui annoncent la prospérité alors que le monde court à sa perte et à sa ruine. Ceux qui les suivent seront profondément déçus de les avoir écoutés et ils se tourneront contre eux à la toute fin. Plutôt que d'investir dans l'Evangélisation du peuple, ils investissent dans des affaires qui vont être détruites par le souffle de Dieu. Leur or va pourrir et n'aura servi qu'à des choses futiles. **Ils auraient pu placer leur trésor dans le champ que Dieu aime, l'Evangélisation du monde. Non, ils ont écouté les fadaises de soi-disant prophètes pervers et se sont détournés de ce que Dieu voulait pour leur vie**. Ils seront punis autant que ceux qui les ont trompés. Car les avertissements ne sont pas prononcés en secret. Ils n'en ont pas voulus et ont endurci leur cœur. Et il y a tous ceux qui, au nom d'un dieu, tuent et encouragent le meurtre saint. Ce sont des diables incarnés et leur dieu n'est qu'un démon qui a pris une apparence de lumière. Et il y a tous ceux qui détournent les foules, les empêchant de voir le Seigneur de l'univers en leur racontant qu'ils ne sont coupables de rien. Que tout est de la faute de leurs parents. Ils sont suivis en masse par un troupeau de malades qui se droguent pour pouvoir vivre à peu près décemment. Hier soir je voyais des prêtres orthodoxes bénir des croix gammées à Moscou. Les gens de ce monde sont possédés ! Et il y a toutes les sociétés secrètes qui manipulent les peuples,

les conduisant à la haine. **Vous pensez que je déraisonne ?** Rien n'arrive par hasard. Tout est arrangé longtemps à l'avance pour que les peuples marchent dans la direction que ces malfaisants ont choisie. Certains marchent à la religion, d'autres à la politique, d'autres à la philosophie, d'autres au son de la fanfare, mais tous ces gens marchent et payent leurs impôts pour la guerre et non pour la Paix. On nous prend notre argent non pour nourrir les affamés, ni pour soigner les malades, mais pour détruire. Qui veut cela ? Vous qui me lisez, le voulez-vous ? Connaissez-vous des gens qui veulent cela ? Pourtant, il y en a. Ce sont de ceux-là dont je vous parle quand je vous dis : « il y a des gens qui complotent contre la paix ». Ne me croyez pas et vous rejoindrez immédiatement le troupeau bêlant qui croit encore dans la démocratie parce qu'on lui autorise de défiler entre la Bastille et la République avec des banderoles, des sandwichs et des bibines. Si je n'étais pas un disciple de Jésus-Christ, le compte de ces comploteurs serait vite réglé. Mais voilà, je suis un disciple de Jésus et mon espérance n'est pas pour ici-bas. Tout est corrompu et, avec les anges, je m'indigne. Le jour vient, et il est très proche, où toute cette racaille sera détruite pour la plus grande gloire de Dieu et pour le soulagement des gens de bien. Hénoch a reçu ce message de la part de Dieu par le ministère des anges. J'y crois. Ce message m'aide à relever ma tête avec foi. Pas la foi dans l'homme, mais la foi dans mon Seigneur et Ses enfants fidèles à Sa Parole Sainte, La Bible. Au **verset 8,** Hénoch, parle des gens qui, comme moi, auront recherché et compris ce que sont les voies de Dieu. Il parle de ceux qui se seront mis en marche pour servir Dieu, non en se roulant par terre lors des cultes organisés par les vierges folles, mais en faisant ce qui compte aux yeux de l'Eternel notre Dieu Créateur : **la propagation de l'Evangile à toute la création avec les signes confirmant la Parole de ceux qui l'annoncent selon Matt 24/14 et Marc 16/20, et alors viendra la fin !**

Nous sommes à la porte d'une nouvelle ère. Bientôt, Jésus-Christ va enlever Son Epouse de la terre. Son Epouse est une minorité choisie parmi ceux de l'Eglise. La grande majorité des Chrétiens actuels connaîtra la grande tribulation. Ils seront sauvés comme au travers du feu. Jean nous dit qu'ils seront une grande foule que personne ne pouvait compter, de toute nation, de toute tribu, de tout peuple et de toute langue. **Apoc 7/9** et un des vieillards dit clairement que ces gens-là sont venus de la grande tribulation **Apoc 7/13-14.** Tous les chrétiens des églises ne seront pas enlevés à la rencontre de Jésus dans les airs. La grande majorité, une foule que personne ne peut compter passera par la grande tribulation. Cela doit être clair. La question est : que faut-il faire pour être enlevé ? Recherchez la volonté de Dieu dans la Bible et non pas dans votre propre imagination. Apprenez et comprenez ce que la Bible dit et non ce que les religieux radotent. Et mettez-vous à suivre la voie que Dieu a tracée pour vous dans La Bible.

1° Repentez-vous !

2° Soyez baptisé au Nom du Seigneur Jésus-Christ pour le pardon de vos péchés.

3° Recevez le Saint-Esprit.

4° Vendez ce que vous possédez, mettez le revenu de cette vente aux pieds des vrais envoyés de Dieu confirmés par Dieu.

5° Et vivez la vraie vie d'Eglise selon **Actes 2 et 4**. **Actes 2/38-47**.

Est-ce que cela vous donne une idée de la distance que les églises ont prise par rapport aux Ecritures tout au long des siècles ?

1° Et que dire de **Luc 14/33**.

2° Du lavage des pieds ?

3° Du baptême à la place des morts ? **1 Cor 15/29**.

4° Des cinq ministères de La Parole ?

5° Du baptême dans le Saint-Esprit qui est donné dans le but de faire de nous des témoins de Dieu, tel qu'était Jésus-Christ-homme **1 Jn 4/17**.

6° Que dire de tout ce que nous avons à rajouter à notre foi ? **2 Pierre 1/5-9**.

7° Que dire de l'autorité que nous avons en Jésus-Christ et que nous n'utilisons presque pas.

8° Que dire du Nom du Père que Jésus-Christ est venu révéler ? Personne ne connaissait ce Nom avant que Jésus soit venu le faire connaître. Mais...quel est ce Nom du Père ? **Jn 17/26**

9° Que dire en face de la trinité dont la Bible ne fait jamais mention ?

10° Que dire de l'enfer ? Alors que le mot enfer n'est pas dans la Bible.

11° Que dire de l'ignorance de la majorité des chrétiens au sujet du ministère des anges ?

Hénoch dit : « **Malheur à vous qui altérez les Paroles de Vérité !** » **V 2**.

Il y a des gens qui complotent contre vous et qui ont altérer Les Paroles de la Vérité, de Jésus. **N'allez-vous pas réagir ?**

Hénoch continue, disant : Dans ces jours, préparez-vous, ô justes !

« *Rappelez vos prières et placez-les devant les anges pour qu'ils les portent devant Dieu en souvenir du souvenir des péchés des pécheurs* » **V3**.

Les peuples s'agitent comme jamais avant. Nous sommes arrivés au temps où Dieu va enlever Son Epouse.

CHAPITRE 97

1. En ce jour, en un lieu, les pères seront massacrés avec leurs fils, et les frères avec leurs frères tomberont dans la mort jusqu'à ce que le sang coule comme les flots d'un fleuve.
2. Car l'homme n'arrêtera point son bras prêt à frapper son fils, et les enfants de ses enfants.
3. Le pécheur ne craindra point d'égorger son frère plus honoré que lui. Le meurtre se continuera sans relâche depuis le lever du soleil jusqu'à son coucher. Le cheval aura du sang jusqu'à son poitrail et son char jusqu'à l'essieu.
4. Dans ce temps-là, les anges qui ont commis l'iniquité seront précipités. Ils s'enfonceront ainsi et seront tous réunis dans un seul lieu caché.
5. Alors le Très-Haut descendra pour exercer Sa justice sur tous les pécheurs, et il donnera aux saints anges la garde des justes et des saints, et ils les défendront comme la prunelle de l'œil, jusqu'à ce que tout mal et toute iniquité aient été réduits au néant.
6. Même si les justes dorment dans le plus profond sommeil, ils n'auront rien à craindre.
7. Et les enfants de la terre verront la sagesse et la vérité dans la sécurité et ils comprendront toutes les paroles contenues dans ce livre, persuadés désormais que leurs richesses ne sauraient les sauver d'un châtiment que leurs crimes auraient mérité.
8. Malheur à vous, pécheurs, au jour de la grande tribulation, vous qui tourmentez les justes et les faites consumer par le feu, vous recevrez la récompense de vos œuvres.
9. Malheur à vous, pervers aux cœurs obstinés qui complotez le mal; il arrivera que l'épouvante vous surprendra. Personne ne viendra à votre aide.
10. Malheur à vous, pécheurs, car les paroles de votre bouche et les œuvres de vos mains ont été mauvaises ; aussi tomberez-vous dans les flammes plus ardentes que du feu.
11. Sachez que les anges dans le ciel rechercheront exactement toutes vos œuvres ; ils interrogeront le soleil, la lune et les étoiles, sur vos péchés, parce que vous avez osé juger les justes.
12. Tout rendra témoignage contre vous : les nuages, la neige, la rosée et la pluie; car à cause de vous, toutes ces créatures resteront suspendues pour ne point vous être utiles.
10. Offrez donc des sacrifices à la pluie, pour qu'elle tombe enfin, et priez la rosée qu'elle reçoive de vous de l'or et de l'argent. Mais, ce sont de votre part des efforts vains ! La glace, le froid, les vents orageux et tous les frimas fondront sur vous ; et vous n'en pourrez supporter la violence.

Commentaire du chapitre 97.

Ezéchiel nous parle d'une grande bataille et Jean nous parle de la même bataille **Ezech 39** et **Apoc 19/11 à 20/3** C'est la bataille d'**Harmaguédon** **Apoc 16/16**. Elle aura lieu à la fin de la grande tribulation. Ce qu'Hénoch enseigne là, Jean le voit et nous le révèle dans son apocalypse : l'adversaire, satan (qui se nomme Mastéma ce qui signifie : celui qui se met en colère parce qu'il refuse d'être ce qu'il est) est lié et jeté dans un lieu secret avec tous ses serviteurs les esprits mauvais. Ils y resteront 1000 ans, pendant le règne de Jésus-Christ sur terre. Et le livre que vous avez dans les mains sera

enfin lu et enfin compris par les véritables enfants de Dieu sur la terre. Ils le liront dans la sécurité, ce qui signifie qu'ils le liront pendant le millénium pendant le temps où Jésus règnera sur terre. Puis, Mastema et ses suppôts sortiront du lieu secret où ils avaient été jetés et liés pour tourmenter les habitants de la terre **Apoc 20/7-10**. C'est précisément ce qu'Hénoch le septième depuis Adam écrit dans son livre. Il dit aussi que, juste après le millénium, les saints qui seront sur terre et qui verront Mastema sortir du lieu secret où il avait été enchaîné, n'auront rien à craindre car des anges les garderont. Les hommes méchants qui seront alliés avec Mastema seront très nombreux mais les anges seront encore plus nombreux qu'eux pour protéger les saints. Jésus est le chef de la mort et du séjour des morts. Les saints n'auront rien à craindre, qu'ils soient vivants ou morts. Il y a toujours une double action, une en faveur des vivants et une en faveur des morts. Hénoch annonce que les saints qui auront vécu durant le millénium se rendront compte que leurs richesses sont vaines pour leur salut. Les obstinés dont Hénoch parle là sont ceux qui auront entendu souvent la vérité, mais qui n'en auront pas voulue. Ce sont ces gens qui aiment les ténèbres et qui complotent dans les sectes secrètes (déjà de nos jours) pour ruiner le monde en s'accaparant les richesses et le pouvoir par des moyens occultes et violents. Hénoch nous fait comprendre que le feu qu'ils auront allumé les brûlera, ce qui n'est que justice. Toute la création sera témoin que Dieu agit dans la plus grande justice. Le monde invisible et le monde visible se réjouiront du châtiment de Mastema et de ceux qui l'auront suivi. Même les éléments se ligueront contre les méchants.

CHAPITRE 98

1. Regardez le ciel, enfants des cieux ; contemplez les œuvres du Très-Haut, et craignez-Le, et ne commettez point le mal en Sa présence.
2. S'Il fermait les fenêtres du ciel, et retenait la pluie et la rosée, laissant ainsi la terre aride et desséchée à cause de vous, que feriez-vous ?
3. Et s'Il faisait peser Sa colère sur vous à cause de vos péchés, il n'y aurait pas à Le supplier, car vous prononcez des paroles arrogantes et impudentes contre Sa justice !
4. Voyez les pilotes des navires, comme leurs navires sont agités par les vagues et secoués par les vents, menacés par une terrible catastrophe ?
5. Aussi ils tremblent, parce qu'ils emportent avec eux sur l'océan leurs richesses ; ils tremblent d'être submergés et de périr, c'est là ce qu'ils pensent.
6. Or, la mer, ses ondes tumultueuses, ses abîmes profonds, ne sont-ils pas l'ouvrage du Tout-Puissant ? N'est-ce pas Lui qui en a posé les limites, et tracé les rivages ?
7. A Sa réprimande l'onde recule épouvantée, et les poissons qui vivent dans Son sein, sont frappés de mort. Et vous, transgresseurs, qui vivez sur la terre, ne Le craignez-

vous point ? N'est-il pas le Créateur de tout ce qu'elle renferme ?
8. Et qui donc, sinon Lui, a donné la science et la sagesse à tous ceux qui vivent sur la terre et à ceux qui sont sur mer ?
10. Or, les pilotes marins ne redoutent-ils pas l'océan ? Vous seuls, pécheurs, vous n'avez aucune crainte du Très-Haut ?

Commentaire du chapitre 98.

Pendant la grande tribulation, Dieu appelle les Siens qui sont restés sur la terre : « les enfants des cieux ». Vous qui lisez, s'il arrive que vous ne soyez pas enlevé avec l'Epouse à la rencontre de l'Epoux, souvenez-vous que Dieu vous invite, par son prophète Hénoch **à contempler le ciel**. Il y aura pour vous beaucoup de signes dans le ciel, les anges de Dieu vous donneront des signes que vous reconnaîtrez. Il y aura premièrement un ange qui volera dans le ciel et qui annoncera un Evangile éternel. Son message se trouve dans **Apoc 14/6- 7**. Puis un autre ange le suivra pour donner son message que vous trouvez déjà en **Apoc 14/8**. Puis un troisième ange viendra et parlera d'une voix forte. Lisez son message dans **Apoc 14/9-11**. L'Evangile éternel que vous entendrez alors, est celui qui est actuellement restauré et que vous être en train de refuser pour rester confortablement dans vos traditions. Cet Evangile éternel précisera que votre sacrifice sera nécessaire pour votre salut. En fait, vous serez en train de vivre ce qui est écrit en ce moment même sous le sixième Sceau d'**Apoc 6/12-17**, dans **Matt 24/29-33** et **Luc 21/11**. En observant le ciel vous verrez finalement Jésus-Christ revenir pour en finir avec la terre. Il la détruira et détruira également tout l'univers qu'Il a créé. En écoutant ce que les anges diront, vous comprendrez enfin que vous avez à sortir des organisations religieuses humaines telles que le catholicisme, le protestantisme, les églises évangéliques, pentecôtistes, Branhamistes et autres.

C'est ce que vous devez faire déjà maintenant, mais vous ne me croyez pas **Apoc 18/4**.

Vous êtes comme ceux qui vous ont précédés, un peuple au cou roide qui n'écoute pas les prophètes. (Le mot 'roide' est français, il signifie 'raide'.) C'est pourquoi il y a aura tant de chrétiens qui passeront par la grande tribulation. Ils seront une foule que personne ne peut compter **Apoc 7/9-17**. Vous serez sauvé, mais comme au travers du feu. Et une fois en présence de Jésus, vous serez conduits aux Sources des Eaux de la Vie pour apprendre tout ce que vous ne voulez pas apprendre pendant votre vie chrétienne ici-bas. Ce sera comme une sorte de cours de rattrapage. Les sources des eaux de la Vie sont les sources, les origines de La Parole de Vie qui se trouvent non seulement dans la Sainte-Bible, mais aussi dans toutes sortes de Livres Saints que les religieux **ont tenu cachés** loin du peuple. (Le mot « **apocryphe** » signifie « **tenu caché** ». Tous les livres apocryphes qui ne vous intéressent pas, que vous ne lisez pas, et que vous n'étudiez pas, ne sont pas inspirés, mais il y en a beaucoup qui le sont. Pourquoi ne les lisez-vous pas ? La faute en est surtout aux religieux qui ont **les Clés de la Connaissance**, mais qui n'entrent pas et empêchent les petites gens d'entrer dans cette Connaissance **Luc 11/52**. Mais de nos jours, vous pouvez avoir accès à absolument tout, votre faute est donc une grande négligence. Le prophète William Branham, que Dieu a envoyé pour nous montrer la direction à suivre (selon ce qu'avait

annoncé **1 Thess 4/16**) a dit qu'au temps où il aurait disparu de devant nos yeux, nous devrions chercher et observer les pierres sur lesquelles la Lumière du Soleil de Justice n'a jamais brillé dans les nations. **Mais qui a cru cela ?** Même pas ceux qui se croient fidèles à ce prophète, car ils ne l'ont pas compris, obnubilés qu'ils sont par la personne du prophète et le légalisme.

Le **verset 3** désigne des gens qui sont arrogants et qui osent parler contre la Justice de Dieu. De plus en plus j'entends des « chrétiens » dire qu'il y a possibilité de salut sans passer par Jésus-Christ. Ces gens-là continueront de parler de la sorte après que l'Epouse de Christ aura été enlevée au ciel. Et ceux qui dirigent le monde, qui ont une quelconque autorité savent qu'ils vont couler, mais ils font les fanfarons et continuent de prétendre qu'ils ont les choses en main et que tout va s'arranger, qu'ils ont des plans pour éviter la colère de Dieu. Mais au fond d'eux-mêmes, ils savent qu'ils sont perdus et qu'ils conduisent les peuples dans les ténèbres. Les peuples seront secoués, le ciel et la terre commencent déjà à être ébranlés. Et pendant la grande tribulation, Dieu fera tout pour que les Siens sachent comment se positionner. Je crois que les vrais pasteurs d'aujourd'hui devraient instruire les gens qui viennent dans leurs églises pour leur dire comment ils devront agir dans le cas où ils ne seraient pas enlevés. **Mais qui le fait ?** Tous les pasteurs cherchent à rassurer leurs « fidèles » en leur disant que, bientôt ils vont être enlevés à la rencontre du Seigneur dans les airs. Rien n'est moins sûr car La Bible nous dit que ceux qui resteront seront nombreux comme une foule que personne ne peut compter. **Apoc 7/9-17.** Ce texte d'Hénoch nous parle des pilotes marins et de leur grande confusion. En fait, il nous parle de ceux qui font du commerce international. Les éléments seront agités. Dieu qui a fixé des limites et des lois pour les éléments, relâche tout cela, et la folie s'empare de la terre. C'est tout le système électromagnétique qui sera prochainement bousculé et cela ruinera toutes les communications. Les ondes seront brouillées. Que vous soyez sur la terre ou sur les mers en ces temps-là, vous serez pris de panique. Toute la science que nous sommes si fiers d'avoir à notre portée ne sera plus fiable, car les lois seront changées. Il sera normal de craindre devant un tel chaos. Pourtant, les pécheurs ne craindront pas Dieu pour autant. Ils sont tellement habitués à ne plus croire en Lui qu'ils continueront dans leur folie d'incroyants et n'associeront pas ces catastrophes à la colère de Dieu, ils ne se repentiront donc pas de leurs péchés. Avant la tribulation, ils avaient adoré la création plutôt que le Créateur, pendant la grande tribulation ils craindront la création plutôt que le Créateur.

CHAPITRE 99

1. Dans ces jours, quand vous serez enveloppés par des flammes ardentes, où fuirez-vous, où chercherez-vous un asile ?
2. Et quand Sa Parole s'élèvera contre vous, vous serez secoués ensemble, et effrayés, bouleversés.
3. Vous craindrez que la terre soit secouée; et la terre sera ébranlée.
4. Tous les anges accompliront leur sévère mission, et le ciel et les luminaires seront secoués et ébranlés.
5. Mais vous, pécheurs, objets de l'exécration éternelle, il n'y aura point de salut pour vous, vous serez maudits. Plus de réjouissances pour vous.
6. Ne craignez point, âmes des justes, soyez confiantes en l'avenir vous qui êtes morts dans la justice et la piété. Ne vous attristez pas si votre âme est descendue avec douleur dans le séjour des morts, et si au cours de votre vie, vos corps n'ont pas reçu la récompense correspondante à vos bonnes œuvres, mais qu'au contraire en ce jour les pécheurs triomphaient, jusqu'au jour de la malédiction.
7. Quand vous mourrez, les pécheurs diront de vous : Les justes meurent donc comme nous ! Quels fruits ont-ils retirés de leurs œuvres ? Voici qu'ils quittent la vie de la même manière que nous, dans le chagrin et dans les ténèbres. En quoi donc sont-ils mieux traités que nous ? Nous sommes donc égaux ? Qu'auront-ils d'extraordinaire ?
8. Je vous dis : vous les pécheurs, il vous suffit de manger et de boire, de piller et de pécher, de dépouiller les hommes et d'acquérir des richesses, et de voir des jours heureux.
9. N'avez-vous pas vu quelle a été la fin des justes ? Aucune violence n'a été trouvée en eux jusqu'à leur mort.
10. Et ils ont péri et ils ont été comme s'ils n'avaient pas été, et leurs âmes sont descendues dans le scheol dans l'affliction.

Commentaire du chapitre 99.

Les moqueurs, quoique dans les souffrances, trouveront encore le moyen de douter de l'Amour de Dieu en voyant que les justes meurent dans la souffrance comme eux. Ils continueront de vouloir ignorer la Vérité. Ils ont toujours voulu l'ignorer, pour quelle raison changeraient-ils ? Parce que le ciel et la terre sont ébranlés ? Pffft ! Non ! Ils diront encore que ça a toujours été comme cela. Qu'il y a toujours eu des moments difficiles, mais que ça ira mieux demain (ou après-demain...) Ils ne regardent qu'aux apparences comme ils auront été habitués de le faire. Ils seront troublés et rassurés de constater que le sort des croyants sera le même que le leur. Ils penseront de plus ne plus : « il n'y a pas de Dieu » Ou alors, qu'Il est injuste. Ils penseront ainsi dans leur folie d'incrédules patentés. Bref, ils penseront comme ils ont toujours pensé. Les pécheurs continueront à être très intelligents comme ils le sont aujourd'hui. Leur intelligence est une folie aux yeux de Dieu et elle en est une à nos yeux. Nous passons pour les illuminés de service, ils se moquent de nous, ils continueront leur cirque jusqu'au jour où la malédiction tombera sur eux de façon définitive et irrémédiable. Nous ne pleurerons pas...

CHAPITRE 100.

1. Or, je vous en fais le serment, par la Gloire du Grand, Puissant en domination et par Sa majesté, je vous fais le serment que je connais le mystère, et que j'ai lu les tablettes du ciel, et que j'ai vu le Livre Saint, et que j'ai trouvé ce qui est écrit et gravé dessus à propos des justes.
2. J'ai vu que toute bonté, joie, gloire vous sont préparées, et écrites pour les âmes de ceux qui sont morts dans la justice, et que de nombreux biens vous seront donnés en récompense pour vos travaux, et que votre situation sera abondamment supérieure au sort des vivants.
3. Oui, les esprits de ceux qui sont morts dans la justice vivront, exulteront et se reposeront à jamais ; ils seront exaltés, et leur mémoire sera éternelle devant le Trône du Tout-Puissant. Et ils n'auront plus à craindre le mépris des pécheurs.
4. Malheur à vous, pécheurs qui mourez, alors que vous mourez dans les richesses du péché, et que ceux qui vous ressemblent disent de vous : « Heureux sont les pécheurs ! Ils ont accompli leurs jours et leur existence, et ils meurent maintenant dans la félicité et l'abondance. Ils n'ont connu pendant leur vie ni les chagrins, ni les angoisses ; ils meurent pleins d'honneur, et ils n'ont été soumis à aucun jugement ».
5. Mais sachez que vos âmes seront forcées de descendre dans les domaines de la mort, où les attendent des maux et des tourments de toutes espèces ! Oui, leurs âmes tomberont dans les ténèbres, dans les liens, dans ces flammes qui ne s'éteindront jamais ; et la sentence de leur jugement s'exercera pendant toutes les générations du monde. Malheur à vous, car vous n'aurez pas de paix.
7. Maintenant, vous les justes, vous qui êtes pieux dans la vie, ne dites pas : « Nous avons été fatigués des peines des jours d'afflictions, nous avons dépensé nos forces et nous avons été peu nombreux et nous n'avons pas trouvé de protecteur.
8. Brisés, nous étions perdus et nous n'espérions plus connaître de salut jour après jour.
9. Nous espérions devenir la tête et nous sommes devenus la queue, nous avons été fatigués en travaillant et nous ne sommes pas entrés en possession d'argent. Nous sommes devenus la pâture des sans loi qui firent peser sur nous leur joug.
10. Ceux qui dominent, nos ennemis, nous aiguillonnent et nous environnent de toutes parts.
11. Nous avons cherché comment fuir et comment reprendre haleine. Mais nous n'avons pas trouvé de lieu où nous enfuir et leur échapper.
12. Et nous avons déposé plainte auprès des princes, dans notre tribulation. Nous avons crié contre ceux qui détruisent et nous font violence, mais nos requêtes n'ont pas été reçues, on n'a même pas voulu écouter notre voix.
13. Et ils ne nous ont pas reçus, ne trouvant pas de motif d'accusation contre ceux qui exercent leur violence sur nous et nous dévorent, mais ils les fortifièrent contre nous ; ils nous ont tués et ils nous ont réduits à un petit nombre. Ils ne font rien voir à propos de ceux qui nous tuent. Ils étouffent ce qui concerne nos meurtriers et ils ne se rappellent pas les souvenirs des fautes de ces pécheurs. »

Commentaire du chapitre 100.

Hénoch fait un serment, **il fait le serment que ce livre est vrai**. Il fait le serment qu'il a vu les tablettes sur lesquelles sont gravées l'histoire de notre monde et en particulier ce qui est écrit au sujet des justes. Quand il parle du Livre Saint, il parle de son livre, de celui que vous êtes en train de lire maintenant même. Il ne parle pas de la Bible. Il parle de son livre, du livre d'Hénoch le septième depuis Adam. Quand Jean a écrit son Apocalypse, il a aussi certifié que son livre était saint et qu'il ne fallait rien y ajouter, ni y retrancher. Les chrétiens prennent ce Texte de Jean pour dire que nous ne devons rien ajouter à La Bible. Seulement voilà, La Bible telle que nous la connaissons aujourd'hui n'existait pas encore. Or, Jean ne parlait que de **son** Livre, du Livre de l'Apocalypse **Apoc 22/18**. Agur, fils de Jaké disait déjà en son temps qu'il ne fallait rien ajouter aux Paroles de Dieu. Or, il disait cela environ 7 siècles avant Jésus-Christ **Prov 30/5**. Et la Bible telle que vous l'avez aujourd'hui n'existait pas. Si les apôtres avaient cru qu'ils n'avaient pas le droit d'ajouter à ce qui avait été écrit 10 à 5 siècles avant Jésus-Christ, ils n'auraient pas écrit ce que nous appelons le Nouveau Testament. Les pères de l'Eglise ne se seraient pas permis de choisir entre des centaines d'écrits, ceux que nous appelons aujourd'hui 'La Parole de Dieu'. Agur voulait simplement dire que, **quand Dieu dit une chose, nous n'avons pas à y ajouter quelque chose**. Jean en terminant la rédaction du Livre de l'Apocalypse écrivait que personne ne devait ajouter ou retrancher quelque chose à ce qu'il venait d'écrire là. Hénoch a écrit dans un Livre ce qu'il a vu écrit dans le ciel. Son Livre est saint et nous devons le considérer comme tel.

Je vous invite à lire son Livre, à méditer dans votre cœur le message qu'il contient et à demander ensuite à Dieu, le Père Eternel, au Nom de Jésus-Christ, si le Livre est vrai. Ceux qui agiront de cette façon et demanderont avec foi obtiendront, par le pouvoir du Saint-Esprit, le témoignage de sa véracité et de sa divinité.

Je vous exhorte encore une fois..., lorsque vous lisez ces choses, puisque Dieu a jugé sage que vous les lisiez, de vous souvenir combien le Seigneur a été miséricordieux envers les enfants des hommes, depuis la création d'Adam jusqu'au moment où vous recevez ces choses, et à méditer cela dans votre cœur. Si vous demandez à Dieu le Père, au Nom de Jésus-Christ, et d'un cœur sincère si ce Livre est vrai, Il vous en manifestera la vérité par le pouvoir du Saint-Esprit. Car c'est par le pouvoir du Saint-Esprit que vous êtes conduit ainsi dans toute la vérité **Jn 16/13**. Maintenant, il faut se souvenir qu'Hénoch parle ici de ceux qui ont passé par la grande tribulation. Ils ont vécu des choses terribles pendant ces sept années-là. Mais Dieu leur dit, au **verset 7**, de ne pas se plaindre. Ce qu'ils ont vécu durant le règne de l'anti Christ sur terre n'est que Justice. S'ils avaient lu correctement La Parole de Dieu, s'ils avaient fait attention au signal que Dieu leur a donné dans le milieu du 20èm siècle, s'ils avaient écouté la voix de l'archange, ils auraient été enlevés lorsque la Trompette de Dieu a sonné dans le ciel. **I Thess 4/16**. Mais ils ont vécu, juste avant l'enlèvement comme ceux de Sodome : « *Voici quelle a été la faute de ta sœur Sodome, elle avait de l'orgueil, elle vivait dans l'abondance et dans une tranquille insouciance, elle et ses filles, et elle n'a pas soutenu la main du malheureux et du pauvre. Elles sont devenues arrogantes*..... » **Ezech 16/49**. Alors Dieu dit à ceux qui sortent de la grande tribulation : « *ne vous plaignez pas*. » Et puis, nous voyons aussi dans ce texte que ceux qui gouverneront pendant la grande tribulation seront corrompus. Ceux qui nous gouvernent sont déjà parmi les plus vils des

hommes et des femmes. **Dan 4/17** (version Second 1975) Tout au long des siècles nous avons vu comment la corruption a gangréné les nations. Les Juifs n'ont pas pu échapper au pouvoir diabolique d'Hitler, et je ne dis rien en ce qui concerne Mao et tous les autres possédés (vatican compris) qui ont répandu le sang comme jamais sur terre. Nous avons vu que les chrétiens sont persécutés dans les pays totalitaires par des fous enragés se réclamant d'un dieu démoniaque qui les pousse à tuer. Et que dire des petits chefs de rayons qui harcèlent sans cesse les chrétiens à cause de leur témoignage. Mais pendant la grande tribulation toute cette injustice sera multipliée car le Saint-Esprit et l'Epouse de Christ ne seront plus là pour les retenir. **2 Thess 2/6.** Les méchants s'en donneront à cœur joie contre Israël et contre les chrétiens restés après le jour de l'enlèvement. Puis, nous voyons que ceux qui viendront de la grande tribulation seront une foule immense selon **Apoc 7/9**. Cependant, Hénoch nous dit que les enfants de Dieu qui seront restés sur terre penseront être un petit nombre à la fin. **Verset 13**. C'est principalement parce qu'ils seront tués en grand nombre. Mais il y a aussi une autre raison à cela. Ils ne sauront pas qu'ils sont nombreux, car ils ne se connaîtront pas. Ils ont déjà pris l'habitude de ne pas se fréquenter de nos jours. Leur communion fraternelle se limite au **symbole** : La Saint Cène. Ils se disent à peine bonjour lors de leurs réunions. Ils ne fréquentent que ceux qui leur plaisent et laissent les petites gens tout seuls. Les gens les plus seuls dans les églises de nos jours sont les célibataires, les personnes âgées, les pauvres et les malades**. Au commencement de la véritable Eglise de Jésus-Christ, il n'en était pas ainsi**. Ils vivaient tous ensemble et il n'y avait pas de pauvres parmi eux car ils mettaient tout en commun et, à cause de cela, une grande grâce reposait sur eux tous **Actes 4/33-34**. La Loi de Jésus était encore en vigueur **Matt 25/35**. Le monde de l'église est devenu un terrain facile pour les tricheurs et les sans loi. C'est pourquoi on y voit tant de faux prophètes. Les méchants et les incapables y règnent avec autoritarisme, cruauté et une bonne couche de bêtise. La question que je me suis souvent posée est : « mais pourquoi donc restent-ils dans ces assemblées ? » Finalement, on pourrait dire que… « qui se ressemble s'assemble ». Pourtant, s'ils lisaient correctement la Bible ils y verraient que la Volonté de Jésus-Christ est que Ses enfants sortent de toutes ces organisations humaines qui se prétendent être l'église de Jésus-Christ. **Apoc 18/4**. Mais ils ne veulent pas en sortir. Oh ! Ils se plaignent du manque d'amour, mais ils y restent. Jésus écoute leurs plaintes et cherche à se faire entendre. Mais ils n'écoutent pas. Par contre, ils écoutent le 'bon' pasteur qui se sert d'un verset de la Bible pour leur faire peur : « Ne désertez pas vos assemblées... » **Héb 10/25**. N'oubliez pas que les disciples d'alors vivaient en Communauté et se réunissaient à heures régulières pour être enseignés ou pour la prière. De nos jours les chrétiens ne vivent plus en communauté, ils n'ont plus que des salles de réunions ou ils se rendent deux à trois fois par semaine. Mais ce ne sont pas des églises, ce sont des assemblées, des lieux de réunion, c'est tout. L'Eglise de Jésus-Christ est l'ensemble des disciples qui vivent ensemble, ayant un seul cœur, une seule âme et prennent leurs repas tous les jours ensemble. La vraie Eglise de Jésus-Christ n'est en aucun cas un lieu de réunions ou une assemblée avec des chaises et un pupitre devant. Ces assemblées sont des synagogues. C'est tout, mais pas des églises. Ce texte est adressé à ceux qui vivaient en communauté et ne voulaient pas se rendre régulièrement aux réunions durant lesquelles les serviteurs de Dieu enseignaient. La plupart des chrétiens d'aujourd'hui sont malheureux dans leurs assemblées et ils continuent à s'en plaindre. Mais ils y restent, mesurant sans doute le prix qu'ils devraient payer pour vivre réellement leur vie Chrétienne avec les autres, en communauté selon le livre des Actes des apôtres. Or, cette manie de se plaindre ne sera pas autorisée au ciel. Quand, finalement, ils arriveront au ciel, Dieu leur dira ouvertement : « *Ne dites pas*.... » **Verset 7**. Lisant ce Texte du prophète Hénoch, prenez

conscience par le Saint-Esprit que Dieu, dans Son amour, cherche encore une dernière fois à sauver du sommeil les vierges folles qui dorment dans une insouciante sécurité évangélique dans leur propres maisons et leurs synagogues (assemblées) chrétiennes. Dieu appelle Ses vierges folles à se réveiller. C'est cela le réveil dont à besoin l'église en ces derniers jours avant le retour de Jésus. Apporter ce message, c'est tenter de ramener le cœur de fils à leur pères **Mal 3/24**. De ramener les chrétiens d'aujourd'hui à pratiquer ce que leurs pères vivaient il y a deux mille ans.

CHAPITRE 101.

1. Quant à vous, ô justes, je vous en fais le serment : dans le ciel les anges se souviennent de vous en bien et rappellent devant le Trône du Tout-Puissant votre justice. Vos noms sont écrits devant le Très-Haut.
2. Ayez donc bon espoir ; car si pour commencer vous avez été affligés par les maux et la souffrance, maintenant, par contre, vous brillerez comme des luminaires célestes. Les portes célestes s'ouvriront devant vous.
3. [Vos cris appellent le jugement et il vous apparaîtra, car la totalité de votre tribulation sera recherchée sur le compte de princes et de tous ceux qui les ont aidés à vous dépouiller.
4. Soyez remplis de confiance en l'avenir et ne renoncez pas à votre espérance, car vous jouirez d'une joie égale à celle des anges du ciel.
5. Serez-vous obligés de faire quelque chose ? vous n'aurez pas besoin de vous cacher au jour du grand jugement et vous ne serez pas trouvés pécheurs, et le jugement éternel s'exercera loin de vous pour toutes les générations du monde.
6. Votre cri sera entendu ainsi que le jugement que vous avez réclamé à cor et à cris, et au sujet de tout ce que vous avez éprouvé en matière d'affliction, celui qui au milieu de tous a été complice de ceux qui exercent la violence sur vous et qui vous dévorent, paraîtra].
7. Ne craignez pas les malheurs au jour du grand jugement et ne soyez pas trouvés comme les pécheurs. Mais vous, les pécheurs, vous pillerez et un jugement éternel sera votre part dans toutes les générations des âges].
8. Et maintenant, ne craignez pas, vous les justes, quand vous voyez les pécheurs affermis et prospères dans leurs voies, et ne vous associez pas à eux, mais éloignez-vous de leur violence, car vous serez associés aux armées célestes.
9. Pécheurs, bien que vous disiez : « tous nos péchés ne seront pas recherchés et écrits » sachez qu'au contraire tous les jours vos péchés sont enregistrés.
10. Et maintenant je vais vous montrer que la lumière et les ténèbres comme le jour et la nuit voient tous vos péchés. **11.** Ne soyez donc pas impies dans vos cœurs, ne mentez pas et n'altérez pas les Paroles de Vérité et ne chargez pas non plus de mensonges la Parole du Saint et du Grand, et ne

révérez plus vos idoles, car tous vos mensonges et toute votre impiété ne vous seront pas imputés comme des éléments justes, mais comme un grand péché.
12. Maintenant je connais ce mystère : Les pécheurs corrompront et dénatureront fortement les Paroles de Vérité, ils profèreront de mauvaises paroles, ils mentiront, ils inventeront de grandes supercheries et ils écriront des livres fixant leurs paroles.
13. Mais par contre, s'ils écrivent toute ma parole, avec vérité, dans leur propre langue, qu'ils n'altèrent pas et n'abrègent pas mes paroles, mais qu'ils les écrivent toutes avec vérité, tout ce que j'ai attesté depuis le commencement à leur sujet,
14. Je connais un autre mystère : Mes livres produisant la vérité seront donnés aux justes, aux saints et aux sages. **15.**
Ces livres leur seront donnés et ils croiront en eux et se réjouiront à leur sujet et tous les justes se réjouiront d'apprendre d'eux tous les chemins de la justice
.

Commentaire du chapitre 101.

Ce chapitre **101** est spécial. Il contient la version Grecque et la version Ethiopienne du livre d'Hénoch. La version Grecque se trouve entre crochets aux **versets 3-5**. Ce qui importe, c'est de voir la connaissance qu'Hénoch possédait de ce qu'est la vie du monde des esprits. Il croit aux ministères des anges. Les anges ne sont pas les grands inconnus qu'ils sont devenus à notre époque où le matérialisme est en N°1. Hénoch parle librement des anges et de leurs fonctions. Si vous parlez des anges aujourd'hui, on vous regarde avec un air méfiant dans les milieux évangéliques. Je sais que nous avons à travailler avec les anges. Les gens de ce monde travaillent avec les démons (sans le savoir parfois). Pour nous qui sommes nés de nouveau, nous devons connaître les anges qui nous entourent et œuvrer avec eux. Je ne dis pas que nous devons les prier ou les vénérer, non. Je dis que nous devons être sensibles à leur présence et nous laisser inspirer par eux, car ils sont envoyés de la Présence de Dieu pour nous aider. (Faire comme s'ils n'existaient pas est presque une insulte. Pensez à être polis et reconnaissant envers eux. Un petit « merci mon ange » ne vous écorchera pas les lèvres). Les gens du monde se laissent inspirer par les démons. Et nous ? Pour quelle raison ne nous laisserions pas inspirer par les anges ? C'est par manque de connaissance que nous nous croyons seuls. Beaucoup de chrétiens doutent même de la présence continuelle de Jésus avec eux. Il suffit de les entendre prier pour s'en rendre compte. Ne les avez-vous jamais entendu prier « Viens bénir notre réunion, Seigneur Jésus ! » Pourquoi demander à Dieu de **venir** puisqu'Il est omniprésent, présent partout ? C'est un non-sens religieux. Les anges prennent note de tout ce que vous faites pour l'avenir. Nous n'avons aucune crainte à avoir si nous agissons selon La Parole de Dieu. Les notes que prennent les anges à notre sujet ne peuvent être que bonnes puisque nous nous laissons guider par L'enseignement de Jésus-Christ, des apôtres anciens et des envoyés de Dieu modernes. Ces derniers ne contredisent pas la Parole de Dieu. La bénédiction prononcée en **2 Chron 20/20** est donc valable pour ceux qui écoutent les serviteurs de Dieu vivants aujourd'hui : « *Ayez confiance dans le Seigneur votre Dieu et **vous serez affermis** ! Ayez confiance dans Ses prophètes et **vous réussirez** !* » Pensez-vous que vous ne devez avoir confiance que dans les prophètes de la Bible ? **Non !** Car Dieu a envoyé des prophètes dans ces derniers jours et vous les reconnaîtrez à leurs fruits. Faites-leur

confiance s'ils vous conduisent sans jamais vous écarter du message divin qui se trouve dans la Bible. Beaucoup de chrétiens sont **affermis** parce qu'ils font confiance au Seigneur. Par contre ils ne **réussissent pas** dans leur vie, car ils ne font pas confiance aux prophètes vivants aujourd'hui. (Relisez attentivement **2 Chron 20/20**). Nous voyons beaucoup de faux prophètes se lever de nos jours. Pour quelle raison certains chrétiens se laissent-ils séduire par eux ? Ces chrétiens-là ne sont pas **affermis** dans leur être intérieur, parce qu'ils ne font pas vraiment confiance à ce que Dieu dit dans la Bible. Ils ne connaissent pas vraiment la Bible (souvent par négligence). Ne la connaissant pas vraiment bien, ils ne peuvent pas faire confiance à Dieu, puisqu'ils ne savent pas ce que Dieu a dit, veut et a promis. Et ils rencontrent une personne qui se dit prophète. En général les faux prophètes ont un charisme impressionnant. Ils ont un aplomb terrible et citent quelques versets de la Bible pour séduire leurs victimes. (On n'attrape pas les mouches avec du vinaigre, n'est-ce pas ?) Ces faux prophètes hypnotisent leurs victimes par des paroles qui semblent justes, comme le serpent l'a fait avec Eve. Puis, ils peuvent manipuler les braves chrétiens qui, je le rappelle, ne sont pas **affermis** dans La Parole de Dieu.

Souvenez-vous :

1° Connaître Dieu et ce qu'Il dit.

2° Lui faire confiance

Le résultat que cela produira, c'est que vous serez une personne **affermie**.

PUIS...

3° Faire confiance au prophète

Et le résultat de ces trois points appliqués sera votre réussite de vie. **2 Chron 20/20**.

Je le redis : Voilà comment on peut être affermi sans réussir sa vie.

Il en va de même avec le ministère des anges. Vous ne pourrez pas être trompé par un ange du diable si vous êtes une personne **affermie** dans la Parole de Dieu. Mais de nos jours, les gens pensent connaître la Parole de Dieu... C'est là tout le drame. Ils sont certains que l'église qu'ils fréquentent est dans la totale vérité. Et ils se contentent du pauvre enseignement que leur donnent des autoproclamés de service qui n'ont en poche qu'un diplôme, mais pas forcément l'approbation de Dieu, ni les signes qui authentifient la Parole prêchée. Demandez-leur s'ils savent ce qu'est le signal donné en **1 Thes 4/16**. Ils ne le savent pas, et ils pensent quand même pouvoir partir dans l'enlèvement... Mon peuple sera réduit au silence faute de connaissance. Puisque tu as repoussé la connaissance, Je te repousserai. **Osée 4/6**. (En parlant de diplôme, je tiens à dire que certaines écoles Bibliques donnent un enseignement sur trois ans. Mais quand vous faites le compte du temps réellement passé en classe, il ne reste en général que 24 semaines. Et les étudiants sortent de là pensant sérieusement avoir fait de la théologie…)

Et Hénoch voit que les chefs d'Etats et leurs complices seront punis. Cette punition commence par un jugement sur les Nations, juste avant le retour de Jésus. C'est ce qui

est en train d'arriver en ce moment (mai 2011). Ce jugement se terminera à Harmaguédon. Pour ceux qui marchent avec Dieu, se disciplinant à vivre selon sa volonté, ils n'ont rien à craindre. Il y a une accumulation absolument scandaleuse de richesses sur terre. Les riches dépensent des fortunes pour des idioties alors que les pauvres meurent de faim et ne sont pas soignés. Les riches ont l'air d'être heureux en ce moment, mais cela ne va pas durer. Pour le moment, Dieu ne dit presque rien à ce sujet. Mais un jour, Sa colère va s'enflammer. Le texte parle de lui-même. Les péchés de ces gens riches, superficiels et légers sont inscrits eux aussi par des anges et quand le moment viendra pour eux, ces gens-là tomberont dans la fosse de ténèbres. Ils seront pleins de remords, mais il sera trop tard. Il leur arrivera comme à ceux qui dissimulent la vérité, qui mentent et dénaturent ce qui est vrai. Il en sera de même pour les idolâtres. Sachez, ô justes, que Dieu fait déjà la différence entre vous et les impies. Leurs péchés sont scrupuleusement inscrits dans des livres **Apoc 20/12**. Toutes les méchantes actions, tout ce qu'ils ont promis et qu'ils n'ont pas fait, tout est écrit et cela leur sautera à la figure au Grand Trône Blanc. Tous ces gens qui sont membres de sectes secrètes et qui font et défont la vie des peuples. Tous ces malfaisants cachés dans l'ombre, qui fixent le prix de l'or et de tout ce dont les petites gens ont besoin pour survivre. Eux, ils dépensent des sommes astronomiques pour des futilités, ne savent pas ce que c'est que d'avoir besoin de deux cents euros pour arriver à joindre les deux bouts à la fin du mois. Et Hénoch voit tout cela et il dit aux vrais enfants de Dieu : « *Soyez remplis de confiance en l'avenir et ne renoncez pas à votre espérance car vous jouirez d'une joie égale à celle des anges du ciel !* » **v 4. (Ne soyez pas naïf, la crise actuelle est organisée. Elle a pour but de créer le chaos afin que le peuple en arrive à demander la sécurité à n'importe quel prix)** Puis Dieu S'en prend aux radios, télévisions et journaux. A tous ces médias qui se moquent de Dieu, à tous ces charognards qui se permettent d'écrire des bouquins au sujet de ce qu'ils pensent de Dieu, et qui ne disent rien de vrai. Ils commettent un GRAND péché. Lequel ? Celui de résister au Saint-Esprit. Et cela, c'est le péché impardonnable.

L'enlèvement de l'Epouse de Christ est commencé, c'est un processus.

Mais en ce temps de dépravation totale, Dieu a envoyé l'esprit d'Elie pour la quatrième fois.

1° La **première fois**, cet esprit habitait un homme : le prophète Elie.

2° **Puis** il est venu dans le prophète Elisée,

3° **Puis** il est revenu dans le prophète Jean le Baptiste,

4° **Puis** il est revenu au 20ième siècle dans un homme du nom de William Branham.

Elie, en venant, doit rétablir toutes choses **Marc 9/12**. Or, Jean-Baptiste n'a pas tout rétabli. William Branham a-t-il tout rétabli ? **Non**, cependant, W. Branham a commencé ce travail. Il a ouvert largement la porte du rétablissement de toutes choses. Le Seigneur lui a donné la révélation des sept âges de l'Eglise afin de nous montrer dans Les Ecritures où nous en sommes. Puis Dieu a ouvert les Sept Sceaux de l'Apocalypse du **17 au 24 mars 1963**. Tout cela est connu et reçu par l'Epouse de Christ (qui n'a rien à voir avec la religion branhamiste). Depuis la venue de ce prophète majeur vivant à notre époque, le rétablissement de toutes choses est un processus qui est commencé. L'Ordre

qu'il nous a laissé, à nous qui croyons ces Choses, c'est que nous devons chercher des Pierres sur lesquelles la Lumière n'a encore jamais brillé. Ces Pierres sont des Textes Sacrés qui ont été cachés dans l'ombre, ce sont, entre autres, les Textes Sacrés d'Hénoch. (Lisez la biographie de William Branham page 417, le songe de Junior Jackson, qui date de février 1961. Ou allez voir en page **209** de ce livre-ci.) Le processus du rétablissement de toutes choses se continue de nos jours par la voix de l'Archange dont parle Paul en **1 Thess 4/16**. Relisez ce texte de Paul et vous verrez que premièrement **il y a un signal qui est donné.** Ce signal que Dieu a donné, c'est l'esprit d'Elie dans le prophète Branham. Deuxièmement**,** après le signal donné**, il y a une voix d'Archange**. C'est cette voix qui mettra le point final au rétablissement de toutes choses commencé par le prophète W. Branham. Puis, seulement alors, **la trompette de Dieu sonnera** et ceux qui auront été attentifs au signal donné et à la voix de l'Archange seront enlevés, car ils seront en possession de la réserve d'huile dont parle Jésus en **Matt 25/4**.

Le rétablissement de toutes choses comprend le rétablissement du LIVRE D'HENOCH. En effet, le livre des Actes des apôtres nous enseigne cela : « *Le ciel doit retenir Jésus jusqu'au temps où sera restauré* ***tout*** ***ce dont Dieu a parlé par la bouche de Ses saints prophètes d'autrefois***. »

Le Livre d'Hénoch est maintenant restauré.

Dieu donne encore un peu de temps pour que ceux qui doivent le lire le lisent. **Jude 14-15,** a cité une prophétie d'**Hénoch 1/9** dans ce que nous appelons la Parole de Dieu. Or, Hénoch n'a pas écrit QUE ce que Jude a choisi comme texte dans les **versets 14 et 15** de sa lettre. Ce que Jude a choisi est une prophétie réelle et tout le livre d'Hénoch est un texte aussi inspiré que ce que les autres prophètes ont écrit. Or, Paul dit que « *Toute Ecriture est inspirée de Dieu pour redresser, pour enseigner, pour réfuter, pour redresser, pour éduquer dans la justice, afin que l'homme de Dieu soit accompli, équipé pour toute œuvre bonne*. **2 Tim 3/16-17**. Ne prenez pas le risque de vous moquer de ce livre. Ne prenez pas le risque de le mépriser. Ne prenez pas le risque de l'ignorer. Ne prenez pas le risque de ne pas prendre connaissance de son message. Montrez que vous aimez la Vérité. Les vrais disciples de la vraie Eglise de Jésus-Christ croiront dans ce livre d'Hénoch. Ils le recevront avec joie et se réjouiront de le découvrir. Ce livre va terminer l'œuvre de Dieu qui consiste à mettre de l'ordre. Ce livre va séparer ce qui doit être séparé et unir ce qui doit l'être jusqu'au point où ce qui est au Ciel sera aussi sur la terre.

CHAPITRE 102.

1. Dans ce temps-là, Le Seigneur désignera les justes et leur donnera autorité sur les enfants de la terre pour lire les Livres, et pour témoigner concernant ces Livres et (Il les choisira) d'après leur sagesse leur disant : « Parlez-leur de la sagesse, parce que vous aurez à les conduire et vous recevrez votre récompense de la part de tous les enfants de la terre.
2. Et vous aurez toutes sortes de rétributions. Réjouissez-vous, vous, oh ! enfants de justice. Montrez-leur la récompense qui doit échoir à tous ceux qui en suivront les préceptes ; car Moi et Mon Fils, nous leur seront unis éternellement dans les voies de la vérité pendant leur vie, et vous aurez la paix. Réjouissez-vous, enfants de la vérité ! Amen.

Commentaire du Chapitre 102.

Le rétablissement de toutes choses est un processus, nous l'avons bien compris en lisant **1 Thess 4/13**. Pendant le temps de ce rétablissement, des Livres apparaîtront et devront être reçus comme ceux qui ont été placés dans le Canon Biblique. Le Livre d'Hénoch fait partie de ces livres-là. Il y en a d'autres. C'est Le Seigneur qui va désigner les justes qui auront autorité sur les enfants de la terre pour faire connaître ces Livres. Juste avant l'enlèvement de Son Epouse, Dieu va susciter des hommes pour interpeller les habitants de la terre avec une sagesse qui avait été cachée par les religieux. Puis, il y aura l'enlèvement de l'Epouse. Mais, les Livres resteront sur la terre, à la disposition de ceux qui auront pris connaissance de leur existence, mais qui les auront négligés. Ces gens-là ne seront pas enlevés et ils devront, à leur tour faire connaître ces Livres. Quand cette période de sept ans sera terminée, Jésus reviendra avec les Siens pour régner durant mille ans (1000). Et là encore, Il désignera des hommes pour conduire les gens de la terre. Les gens de la terre devront tous apprendre, dans ces Livres, la véritable histoire de ce monde, mais aussi l'histoire des différents mondes des esprits. Les Livres seront disponibles dès avant l'enlèvement. Dieu a permis que la technique évolue de façon à ce que ce que ces Livres se trouvent sur le Net, à la portée de tous. Par ce moyen, déjà actuellement, ils entrent même dans les pays où les gouvernements sont hostiles à l'Evangile de Jésus-Christ. Il y a beaucoup de personnes qui trouvent ces Livres actuellement. Ces personnes sont conduites par l'Eprit de Dieu et peuvent lire ces Choses que les religieux avaient soigneusement tenues cachées pendant des millénaires. Vous êtes bénis car vous êtes de ceux qui les ont trouvés. Ce que vous devez savoir, c'est que si vous recevez ces Livres avec un cœur ouvert et que vous croyez dans le Message qu'ils contiennent, si vous vous repentez et décidez de conformer votre vie à cette sagesse, vous serez, non seulement merveilleusement sauvé, mais vous échapperez aussi à la colère à venir.

Il y a beaucoup de livres apocryphes. Un enfant de Dieu qui est rempli de la Personne du Saint-Esprit, qui est immergé en Dieu, saura reconnaître ce qui est inspiré par Dieu et

ce qui ne l'est pas. Les vraies brebis du Seigneur reconnaissent la voix du Bon Berger. Il y aura des récompenses pour ceux qui les recevront avec foi. Les choses doivent être rétablies car la fausse église a tout mélangé. Elle a tenu caché des Vérités importantes et elle a falsifié même la Sainte-Bible. Dieu le savait ; cela faisait partie de Son Plan. Maintenant, Son Plan est de rétablir toutes choses. Nous sommes au **temps dont parle la Bible : La connaissance augmente. » Daniel 12/4**.

CHAPITRE 103.

1. Après quelques temps, moi, Hénoch, je donnai une femme à mon fils Methushela.
2. Celle-ci devint enceinte, mis au monde un fils et lui donna l Lamech en disant : « La justice jusqu'à ce jour a été vraiment abaissée » et quand il atteignit sa majorité, Methuselha lui donna une femme et elle devint enceinte de lui et donna le jour à un fils. Quand il naquit, sa chair était blanche comme la neige, et rouge comme une rose ; ses cheveux étaient blancs comme de la laine, épais et brillants et ses yeux de toute beauté. A peine les eut-il ouverts qu'il inonda de lumière toute la maison, comme de l'éclat même du soleil.
3. Et à peine fut-il reçu des mains de la sage-femme, qu'il ouvrit la bouche en racontant les merveilles du Seigneur. Alors Lamech, son père, plein d'étonnement, alla trouver Methushela, et lui annonça qu'il avait un fils qui ne ressemblait point aux autres enfants. « Il ressemble aux fils des dieux du ciel ; sa nature est tout autre et il n'est pas comme nous. Ses yeux brillent comme les rayons du soleil, l'expression de son visage est glorieuse. Il me semble bien qu'il n'est pas issu de moi, mais qu'il vient des anges, et je crains que dans ses jours un prodige s'accomplisse sur terre.
4. Et maintenant, ô mon père, je te supplie d'aller trouver Hénoch, mon aïeul, et d'apprendre de lui toute la vérité, car il séjourne avec les anges. »
5. Après avoir ouï les paroles de son fils, Methushela vint me trouver aux extrémités de la terre, car il savait que j'y étais, et il m'appela.
6. A sa voix, j'accourus à lui, et je lui dis : « Me voici, mon fils ; pourquoi es-tu venu me trouver ? »
7. Et il me répondit : « Un grand évènement m'amène auprès de toi ; une merveille difficile à comprendre, dont je viens te demander l'explication.
8. Ecoute donc, ô mon père, et sache que mon fils Lamech vient d'avoir un fils qui ne lui ressemble nullement, et qui ne paraît pas appartenir à la race des hommes. Son corps est plus blanc que la neige, plus rouge que la rose ; ses cheveux sont plus blancs que la laine, et ses yeux éclairent comme des rayons, comme le soleil ; quand il les ouvre, il remplit la maison de lumière.
9. Et aussitôt qu'il est sorti des mains de la sage-femme, il s'est dressé et a ouvert la bouche et béni le Seigneur du ciel.
10. Son père, Lamech, effrayé de cette merveille, est accouru vers moi, ne croyant pas que cet enfant était de lui, mais qu'il était né d'un ange du ciel ; et voici, je suis venu à toi afin que tu me découvres la vérité de ce mystère. » Alors moi, Hénoch, je lui

répondis : « En vérité le Seigneur restaurera Sa loi sur la terre d'après ce que j'ai vu et ce que je t'ai dit mon fils, à savoir qu'aux jours de Jared, mon père, des veilleurs ont transgressé la Parole du Seigneur et se sont écartés de l'Alliance du ciel.
11. Et vois-tu ? Ils continuent à pécher et à transgresser les coutumes et ils pervertissent leur nature pour aller vers les femmes et pour pécher avec elles, ils épousent certaines d'entre-elles et elles conçoivent des enfants qui ne sont pas comme des êtres spirituels, mais comme des créatures de chair.
12. Et il y aura une grande colère de Dieu contre la terre et un déluge ; et une grande destruction aura lieu pendant un an.
13. Et ce garçon qui vous est né et ses trois enfants seront sauvés, alors que tous les hommes mourront sur la terre.
14. Puis la terre sera au repos, et exempte de toute grande corruption.
15. Et maintenant, dis à Lamech : « En vérité, il est ton fils, et les pieux appellent de leurs vœux ce garçon qui est né et donne-lui le nom de Noé parce qu'il sera ton repos, et c'est en lui que tu te reposeras, et il sera votre salut, parce qu'il sera sauvé, lui et ses fils, de la corruption de la terre causée par les actions de tous les pécheurs, et par la corruption de la terre des fils de la terre qui existera dans ses jours.
16. Et après viendra une perversion plus grande que celle qui sera consumée dans les jours de Noé et ses fils. Car je connais les mystères du Seigneur, mystères que les saints m'ont révélés et montrés et que j'ai lus dans les tablettes du Ciel.

Commentaire du chapitre 103.

La Bible ne nous parle pas de naissance extraordinaire de Noé, mais Elle nous parle d'autres phénomènes qui montrent que certains hommes sont, par moment, inondés de gloire. Quand Moïse est descendu de la montagne, il avait une apparence tout à fait surnaturelle. La peau de son visage rayonnait. Les gens qui le virent avaient d'ailleurs peur de s'approcher de lui à cause de cela. Il dut mettre un voile sur son visage. Il ne l'enlevait que pendant qu'il parlait avec Dieu **Exode 34/35. Ecc 8/1** nous dit que la sagesse de l'homme fait briller son visage. Jésus a été transfiguré sur la montagne, en présence de Pierre, Jacques et Jean. Son visage se mit à briller comme le soleil et même Ses vêtements devinrent blancs comme la lumière **Matt 17/1-9**. Cela a été tellement fort que Jésus a dû les rassurer en leur disant de ne pas avoir peur. L'ange qui est venu s'asseoir sur la pierre du tombeau avait un aspect formidable. Il était comme un éclair **Matt 28/3**. Tous les religieux juifs ont vu que le visage d'Etienne devint comme celui d'un ange (sans doute brillait-il comme celui de l'ange au tombeau) **Actes 6/15**. Et Paul croyait ce qu'Exode **34** raconte puisqu'il reprend ce fait pour dire que personne ne pouvait fixer le visage de Moïse à cause de la gloire qui y rayonnait **2 Cor 3/**7. Aujourd'hui, le ministère de l'Esprit est beaucoup plus glorieux et il arrive que des gens voient la gloire qui se trouve sur ceux qui marchent avec Dieu. Ce qui est arrivé à Noé est tout à fait Biblique. Mais Lamech a eu peur que cet enfant ne soit pas de lui. Il eut peur que l'enfant soit celui d'un ange. C'est pourquoi il envoya Methushela, son père, vers Hénoch afin de savoir ce que signifiait ce prodige.

Et Hénoch dit à Noé que la terre allait être détruite. Voici ses paroles :

« *Pourquoi m'as-tu appelé d'une voix si amère et si lamentable ?*
Le Seigneur a décidé dans Sa justice que tous les habitants de la terre périraient, parce qu'ils connaissaient tous les secrets des anges, et toute la violence des satans, et tous leurs pouvoirs les plus secrets, qu'ils ont en leurs mains la puissance ennemie des démons, de ceux qui pratiquent la sorcellerie et le pouvoir des sortilèges, de la puissance de la magie, et de ceux qui fondent des idoles sur toute la terre.
Ils savent comment l'argent se tire de la poussière de la terre, comment se fait le métal fondu sur la terre. Car le plomb et l'étain ne sont point les fruits de la terre comme l'argent, c'est une source qui les produit.
Et un ange prééminent a été préposé à leur garde, qui s'est laissé corrompre ».
Alors mon aïeul Hénoch me prit par la main, et, me relevant, il me dit : « Va ! car j'ai consulté le Seigneur sur cette perturbation de la terre, et il m'a répondu : Ils ont rempli la coupe de leur impiété, et ma justice crie vengeance! Il ne sera pas tenu compte en ma présence des mois dans lesquels ils ont cherché à apprendre que la terre sera détruite avec ceux qui l'habitent. Quant à ceux-ci (les anges), il n'y aura jamais de conversion pour eux. Car ils ont révélé des secrets qu'ils ne devaient point faire connaître ; voilà pourquoi ils seront condamnés ; mais pour toi, mon fils, le Seigneur des esprits connaît ta pureté et ton innocence ; il sait que tu blâmes la révélation des secrets.
Le Seigneur, le Saint par excellence, a conservé ton nom au milieu de celui des saints ; il te conservera pur de la corruption des habitants de la terre. Il donnera à tes descendants des royaumes et une grande gloire, et il naîtra de toi une race de justes et de saints dont le nombre sera infini ». **Hénoch 63/4-11**.

Hénoch redit ce que nous avons dans les chapitres précédents. Il parle des accouplements des anges et de certaines femmes. Et là aussi, ne croyez pas que ces abominations ne se commettent plus. Ces choses arrivent tous les jours sur cette terre. Noé a grandi et un jour, c'est lui-même qui est allé trouver Hénoch pour lui parler car la terre s'était inclinée **Hénoch 65/6.** . La terre commençait à vaciller, à bouger sur son axe. Et souvenez-vous que Jésus a dit que ce qui arriva au temps de Noé devrait arriver à la fin **Matt 24/37**. Or, le 3 mars 2010 la terre a été secouée par un puissant séisme qui s'est produit au large des Côtes chiliennes. « Ce séisme a probablement modifié l'axe de rotation terrestre et légèrement raccourci les jours », a indiqué un scientifique de la Nasa, l'agence spatiale américaine.

Selon les calculs de Richard Gross, du jet Propulsion Laboratory de la Nasa en Californie, l'axe de la planète a dévié de 8 cm au cours de ce séisme de magnitude 8,8, indique l'agence spatiale dans un communiqué. Puis il y a eu le séisme du 15 mars 2011 au Japon. Selon Antonio Piersanti, directeur de recherche au sein de l'institut Italien de Géophysique et de Vulcanologie, le séisme de magnitude de 8,9 sur l'échelle de Richter qui a frappé le Japon, a provoqué un déplacement de l'axe de rotation de la terre de 10 cm. En moins d'un an, l'axe a donc bougé de 18 cm. Comme au temps de Noé, la terre est ébranlée. Ce n'est qu'un début. Et ce n'est pas la fin du monde pour autant. Cependant selon **Apoc 6/7-8**, un quart de la population mondiale doit périr avant l'enlèvement de l'Eglise. En France, pays des droits de l'homme, le gouvernement a rouvert la chasse aux sorcières. Ces messieurs dames craignent que des gens se suicident à cause des annonces faites au sujet de la planète X qui devrait déclencher des choses terribles en 2012. **Dieu ne nous a rien dit au sujet de 2012.** Aucun prophète sérieux ne va donner de date. Si un prophète s'amuse à le faire, c'est qu'il se croit plus fort que Jésus qui avoua Lui-même ne pas savoir quand cela arriverait. Ces prophètes se placent au-dessus des apôtres à qui Jésus a dit: « *Ce n'est pas à vous de connaître les*

temps ou les moments que le Père a fixé de Sa propre autorité. » **Actes 1/7.** Alors ? Que doivent faire les véritables disciples actuels de Jésus ? Ils doivent regarder les signes que le Maître a donné, ni plus, ni moins. Ils doivent aussi avertir les gens afin qu'ils se repentent de leurs péchés et se tournent vers Dieu. Ils doivent aussi réveiller les vierges folles et les vierges sages qui dorment à poings fermés. Les choses qui se produisaient du temps de Noé se produisent de nos jours. Pourquoi Dieu a-t-Il détruit la terre à l'époque de Noé ? A cause des abominations et du commerce fait entre les anges déchus et les terriens. De nos jours, la connaissance a augmenté de façon incroyable. Qui est à l'origine de toutes ces découvertes scientifiques ? Je vous laisse trouver la réponse. En tout cas, il faut savoir que tous les progrès qui ont été faits ont pris naissance dans les armées de ce monde. Et jusqu'à preuve du contraire, les armées servent avant tout à la guerre. Les budgets accordés aux armées sont scandaleux quand on voit la misère qu'il y a sur notre planète. Une petite part de l'argent placé dans les armées suffirait à soigner tous les gens malades correctement et à nourrir toute la population. Mais bon... ces choses sont si connues de tout le monde que je ne me donnerai pas la peine d'écrire des pages sur ce sujet. Au temps de Noé, on sacrifiait des enfants. **Cela nous semble abominable n'est-ce pas ?** Nous pensons que ces gens étaient une bande de barbares. Mais que dire des milliers de femmes qui avortent de nos jours, non pas pour sauver leur vie, ou parce qu'elles ont été violée, (je ne parle pas ici des cas dramatiques qui peuvent justifier un avortement), je parle ici de ces femmes qui ne veulent pas de bébé. Pierre, dans son Apocalypse dit :

« *Les femmes seront englouties jusqu'au cou et seront punies d'une grande peine. Ce sont justement celles qui avortent et détruisent l'œuvre que le Seigneur avait formée. En face d'elles il y a une autre place où seront assis leurs enfants, eux qu'elles ont empêché de vivre. Ils crieront vers le Seigneur. Une foudre viendra des enfants, une vrille dans les yeux de celles qui ont causé leur ruine par cette fornication* ». **Apoc de Pierre 8/1-4**.

Nous vivons dans une époque de grande sauvagerie, mais nous en avons pris l'habitude. Cependant, Dieu tient des comptes de tout cela et tout sera payé, jusqu'au dernier centime **Matt 5/2**6.

CHAPITRE 105.

1. Voici un autre livre qu'Hénoch écrivit pour son fils Methushela et pour ceux qui doivent venir après lui et garderont la loi dans les derniers jours.
2. Vous qui avez fait le bien, attendez ces jours, jusqu'à ce que ceux qui font le mal touchent à leur fin et que la puissance des pécheurs soit anéantie.
3. En vérité, attendez jusqu'à ce que le péché passe et s'évanouisse ; car leur nom sera effacé du Livre de Vie et des Livres Saints, et leur postérité sera détruite pour toujours, et leur esprit sera mis à mort, ils crieront et se lamenteront dans le lieu de tourment désertique et immense et ils brûleront dans le feu, car il n'y a pas de terre en ce lieu.

4. Là je vis comme un nuage invisible, car en raison de sa profondeur, mes yeux ne pouvaient en surplomber l'ensemble. J'y vis brûler une flamme d'un feu éclatant, et des formes semblables à de brillantes montagnes tourbillonnaient et se mouvaient de part et d'autre.
5. Alors j'interrogeai l'un des saints anges qui étaient avec moi, et lui dis : « Quel est cet objet brillant ? Car ce n'est pas le Ciel que je vois mais seulement une flamme de foyer, et on entend un bruit de cris, de pleurs, de lamentations et de grandes souffrances ? »
6. Il me répondit : « En ce lieu que tu vois, là sont jetés les esprits des pécheurs, des blasphémateurs, de ceux qui commettent le mal, et de ceux qui transforment tout ce qu'a dit le Seigneur par la bouche de Ses prophètes concernant ce qui doit arriver.
7. En effet, ces évènements sont consignés et gravés là-haut dans le Ciel afin que les anges les lisent et qu'ils sachent ce qui doit survenir aux pécheurs et aux âmes des humbles, et de ceux qui ont souffert dans leur chair et ont été récompensés par Dieu, et de ceux qui ont été outragés par des hommes méchants,
8. de ceux qui ont aimé Dieu et n'ont pas mis leur affection dans l'or, l'argent ni dans aucun des biens de ce monde, mais qui ont livré leur chair aux tourments,
9. et de ceux qui, depuis leur naissance, n'ont pas désiré la nourriture terrestre mais ont considéré toute chose terrestre comme un souffle qui passe et ont mis en pratique cette conviction. Le Seigneur les a fortement éprouvés et leurs esprits ont été trouvés assez purs pour bénir Son Nom.
10. J'ai exposé dans des livres toutes les bénédictions qui leur sont destinées. Et Il leur a assigné leur récompense, car ils ont été trouvés dans une disposition telle qu'ils aimèrent plus le Ciel que leur propre vie en ce monde, et tandis qu'ils étaient foulés aux pieds par les méchants, et qu'ils supportaient leurs injures et leurs malédictions et qu'ils étaient outragés, cependant ils Me bénissaient.
11. Et maintenant, Je vais convoquer les esprits des bons, ceux des générations de lumière, et ceux qui sont nés dans les ténèbres et qui, aux jours de leur chair, n'ont pas reçu l'honneur auquel leur foi les destinait, ceux-ci Je les transfigurerai.
12. J'introduirai dans une lumière éclatante ceux qui ont aimé Mon Saint Nom, et je ferai asseoir chacun d'eux sur le trône de sa gloire.
13. Ils resplendiront pendant un temps sans nombre, car le jugement de Dieu est équitable. En effet, Il rendra la fidélité aux fidèles dans l'habitation et les voies de l'honnêteté.
14. Et ils verront jeter dans les ténèbres ceux qui naquirent dans les ténèbres, tandis que les justes resplendiront.
15. Alors les pécheurs, en les voyant resplendir, pousseront de grands cris, et ils se rendront eux aussi là où sont prescrits pour eux les jours et les temps

Commentaire du chapitre 105.

Nous arrivons à la conclusion du Livre d'Hénoch le septième depuis Adam. Ce n'est pas la fin, c'est le commencement d'une création nouvelle. Dieu en a fini avec le mal. Dans le Livre de la **Genèse 3/22** Dieu dit : « *L'homme est devenu comme l'un de nous pour la connaissance du bien et du mal*. » Alors Il chassa Adam et Eve hors du jardin d'Eden de peur qu'ils ne tendent leurs mains et ne mangent de l'Arbre de Vie. Si Adam et Eve avaient pu manger de cet arbre-là après avoir transgressé l'ordre de Dieu, ils auraient vécu éternellement pécheurs. Dieu avait un Plan et continuait à le faire

s'accomplir. Voilà ce que Dieu révèle aujourd'hui, alors que nous sommes arrivés à la fin du temps de l'église dans les nations. Dieu avait semé Sa semence dans Son champ **Matt 13/37-38**. Sa semence, c'était Adam. Puis, Dieu tira Eve de l'homme. Puis Dieu laissa le serpent venir séduire Eve. Le serpent séduisit la femme et plaça sa propre semence en elle. **Matt 13/38.** Que les religieux actuels le veuillent ou pas, n'a aucune espèce d'importance. C'est cela qui arriva. Et cela arriva pour que le Plan de Dieu puisse s'accomplir. Dieu voyant qu'il y avait désormais deux sortes de semences humaines (blé et ivraie, Caïn et Abel) sur terre, dit au serpent, à l'adversaire : « *Je mettrai de l'hostilité entre toi et la femme, entre sa semence et ta semence. La semence de la femme t'écrasera la tête et tu lui mordras le talon.* » **Gen 3/15**. Et, la femme qui mit au monde un homme sans que l'homme y soit pour quelque chose, c'est **Marie**, la maman de Jésus-Christ. Jésus-Christ est le second Adam. C'est lui la semence de la femme qui a écrasé la tête du serpent à la croix. Mais voici que le serpent a mordu le talon, le corps de Christ, l'Eglise. C'est pourquoi l'Eglise de Jésus-Christ est 'boiteuse' encore aujourd'hui. Dans la Genèse, les traducteurs ont écrit « postérité » descendance » et toutes sortes de mots à la place de SEMENCE. André Chouraqui a travaillé, entre autres, avec l'institut de théologie rabbinique de New York, les universirté hébraïques de Jérusalem et de Tel-Aviv, de BarIlan et de Beersheva. Sa version cite **Gen 3/15** ainsi :

« Je placerai l'inimitié entre toi et entre la femme, entre ta SEMENCE et entre sa SEMENCE. »

Dieu a créé un système dans lequel se trouve tout et son contraire. Il ne peut y avoir le bas sans le haut, ni la droite sans la gauche. Il fallait aussi qu'il y ait la bien et le mal. Pourquoi le mal ? Parce que le mal existe de toute éternité. C'est ce que Dieu n'aime pas. Il a le droit de ne pas aimer. Personne ne peut lui ôter ce droit. Par exemple, Il hait l'œuvre de nicolaïtes. **Apoc 2/6**. Dieu n'aime pas la haine. Il a choisi de la détruire. Et pour ce faire, Il a créé ce système. Il a placé tout cela dans ce système. Et Il finira par détruire tout ce qu'Il a en horreur. La Création de Dieu est juste un moment dans l'éternité. Il a créé tout cela dans un but, et même le méchant pour le jour du malheur (c'est à dire : de la destruction). **Prov 16/4.** Dieu s'est choisi un homme, Hénoch, pour écrire un livre qui raconterait tout ce qui allait se passer. Ce livre, vous l'avez entre vos mains car nous sommes arrivés à la fin du temps de l'Eglise sur terre. En cette période qui est la nôtre, Dieu veut que les Siens sachent, aient la Connaissance de tout cela. Alors, Il a tout arrangé pour que ce Livre qui avait été caché par les religieux, soit retrouvé et authentifié comme inspiré. Les manuscrits de la mer Morte ont mis un point final aux doutes que les théologiens pouvaient encore avoir au sujet de ce Livre. Aujourd'hui, nous savons que ce livre est celui qu'Hénoch, le septième depuis Adam a écrit. Et nous sommes arrivés au dernier chapitre de ce Livre. Et dans ce dernier chapitre nous lisons : « ***En vérité, attendez jusqu'à ce que le péché passe et s'évanouisse ; car leur nom sera effacé du Livre de Vie et des Livres Saints, et leur postérité sera détruite pour toujours, et leur esprit sera mis à mort, ils crieront et se lamenteront dans le lieu de tourment désertique et immense et ils brûleront dans le feu, car il n'y a pas de terre en ce lieu*** ». C'est la destruction de la semence du serpent qui est décrite là. Dieu ne va pas détruire Sa semence, Ses enfants. Il va détruire ce qui matérialise le mal : la semence du serpent. Le salut de Ses enfants a été décidé dès avant la fondation du monde. Les noms des Siens sont dans Son Livre de Vie depuis toujours. Par contre, le diable et ceux qui le suivent seront détruits sans aucune pitié. Ils ne sont pas ceux que Jésus est venu chercher et sauver. On dira : « oui, mais enfin... tout cela

vient bien de Dieu ! Satan lui-même a été créé par Dieu ! Il y a quelque chose d'injuste là-dedans ! » Paul répond ainsi à cette remarque : « « *Dieu a compassion de qui Il veut et Il fait s'obstiner qui Il veut. Alors, diras-tu, « comment peut-Il encore faire des reproches ? En effet, qui peut s'opposer à Sa décision ?* » Et même si une personne a son nom dans le Livre de Vie, Dieu n'est-Il pas en droit de l'ôter de là si ça Lui plaît ? Qui va contester avec Dieu ? « *Mais toi, humain, qui es-tu donc pour discuter avec Dieu ? L'objet façonné dira-t-il à celui qui l'a façonné : pourquoi m'as-tu fait ainsi ?* » Lisez **Romains 9/13-33**. Vous y lirez que Dieu supporte des objets de colère formés pour la perdition. Oui, Dieu a créé tout ce système pour en arriver à détruire le mal. Il a matérialisé toutes choses et détruira ce qui ne Lui plaît pas. Il gardera ce qu'Il aime. Et il n'y a en cela aucune injustice **Rom 9/14**. C'est ce que nous dit Hénoch. Il a vu comment les choses se termineraient. Dieu les lui a montrées. Les religieux de tous les temps ont caché ces Textes au fond de leurs temples et au fond de leurs bibliothèques car cela les dérangeaient. Il y a la Lumière et les ténèbres. La Lumière, c'est la Connaissance, les ténèbres, c'est l'ignorance. Beaucoup de générations ont ignoré ce que vous apprenez aujourd'hui. Elles ont ignoré ces choses car elles ne pouvaient pas les assimiler. Aujourd'hui, la Connaissance augmente dans tous les domaines. Les élus sont devenus capables de découvrir le Plan rédempteur de Dieu. Celui qui se révolte contre ce Plan montre la nature de son cœur. Comment un homme peut-il se révolter contre Son Père Céleste ? Et c'est là tout le mystère de l'iniquité qui se dévoile. **On ne peut pas avoir deux pères**. Personne ne peut naître en ayant la possibilité de choisir son père. Jésus a dit à certains hommes qu'ils avaient pour père le diable. Comment voulez-vous que ces hommes puissent changer de pères ?

Certains me diront : « mais nous sommes **adoptés** par le Père céleste »

Non, ce qui est adopté, **c'est notre âme**. Notre âme est une création. Notre âme n'est pas éternelle. Si elle était éternelle, cela voudrait dire qu'elle n'a pas de commencement, ni de fin. Or, elle a été créée. Notre corps aussi a été créé. Il n'est pas éternel. Il a eu un commencement. Par contre, l'âme et le corps peuvent recevoir la vie éternelle pour ce qui concerne le futur éternel. Pour le moment, là où vous êtes, en train de lire ces lignes, savez-vous que Jésus a racheté votre âme à la croix, mais pas votre corps ? Votre corps sera racheté quand il ressuscitera. Pour le moment, nous avons les prémices de l'Esprit, en attendant l'adoption filiale, c'est-à-dire : la rédemption de notre corps. **Rom 8/23**. C'est un choc pour la plupart des chrétiens que d'apprendre cela. Personne ne se donne la peine d'enseigner ces choses au peuple de Dieu. Les religieux de service se bornent à leur parler de leur libre arbitre ; du fait qu'ils doivent choisir entre le bien et le mal. Or, un enfant de Dieu n'a pas à choisir entre le bien et le mal ! Il fait le bien selon la nature de l'Esprit qui est en lui. Et s'il lui arrive de faire le mal, c'est un accident dû à la faiblesse de sa chair. Mais il se sait pardonné et se relève après avoir confessé son péché à Son Père Céleste, en toute humilité. Alors, la semence du serpent sera détruite, il n'y aura plus de mal et la semence de Dieu commencera une vie nouvelle. Il y aura un nouveau Ciel et une nouvelle terre. Ce qui sera très nouveau, c'est que Dieu ne sera plus seul, Il aura une Epouse. Cette Epouse aura un corps. L'Epoux aussi aura un corps. Bien sûr ce ne sera pas un corps comme celui que nous avons ici-bas ! Ce sera un corps comme celui que Dieu a en ce moment. Car Il a un corps. Mais Son corps n'est pas imaginable. Personne ne peut comprendre la nature de Dieu. Pour le moment sur terre, la connaissance augmente, mais il y a des choses que nous ne saurons que lorsque nous Le verrons Face à face. Alors que les scientifiques cherchent à ridiculiser notre foi en Dieu, les véritables disciples de Jésus restent dans l'humilité. Car il est clair que la

science n'a pas besoin de la foi et que la foi n'a pas besoin de la science. **Par contre l'homme vrai, la semence de Dieu, a besoin de la science et de la foi, pour devenir accompli**. Que soit bénit le Nom de Jésus-Christ !

GENÈSE

1, 2 Au commencement, Dieu créa les cieux et la terre. La terre était informe et vide : il y avait des
3 ténèbres à la surface de l'abîme, et l'esprit de Dieu se mouvait au-dessus des eaux. Dieu dit :
4 Que la lumière soit ! Et la lumière fut. Dieu vit que la lumière était bonne ; et Dieu sépara la
5 lumière d'avec les ténèbres. Dieu appela la lumière jour, et il appela les ténèbres nuit. Ainsi,
6 il y eut un soir, et il y eut un matin : ce fut le premier jour. Dieu dit : Qu'il y ait une étendue entre
7 les eaux, et qu'elle sépare les eaux d'avec les eaux. Et Dieu fit l'étendue, et il sépara les eaux qui sont
8 au-dessous de l'étendue d'avec les eaux qui sont au-dessus de l'étendue. Et cela fut ainsi. Dieu appela
9 l'étendue ciel. Ainsi, il y eut un soir, et il y eut un matin : ce fut le second jour. Dieu dit : Que les eaux
10 qui sont au-dessous du ciel se rassemblent en un seul lieu, et que le sec paraisse. Et cela fut ainsi. Dieu
11 appela le sec terre, et il appela l'amas des eaux mers. Dieu vit que cela était bon. Puis Dieu dit : Que
la terre produise de la verdure, de l'herbe portant de la semence, des arbres fruitiers donnant du fruit
selon leur espèce et ayant en eux leur semence sur la terre. Et cela fut ainsi. La terre produisit de la
12 verdure, de l'herbe portant de la semence selon son espèce, et des arbres donnant du fruit et ayant en
eux leur semence selon leur espèce. Dieu vit que cela était bon. Ainsi, il y eut un soir, et il y eut un
13 matin : ce fut le troisième jour. Dieu dit : Qu'il y ait des luminaires dans l'étendue du ciel, pour séparer
14 le jour d'avec la nuit ; que ce soient des signes pour marquer les époques, les jours et les années ; et
15 qu'ils servent de luminaires dans l'étendue du ciel, pour éclairer la terre. Et cela fut ainsi. Dieu fit
16 les deux grands luminaires, le plus grand luminaire pour présider au jour, et le plus petit luminaire
pour présider à la nuit ; il fit aussi les étoiles. Dieu les plaça dans l'étendue du ciel, pour éclairer la
17 terre, pour présider au jour et à la nuit, et pour séparer la lumière d'avec les ténèbres. Dieu vit que
18 cela était bon. Ainsi, il y eut un soir, et il y eut un matin : ce fut le quatrième jour. Dieu dit : Que
19, 20 les eaux produisent en abondance des animaux vivants, et que des oiseaux volent sur la terre vers
l'étendue du ciel. Dieu créa les grands poissons et tous les animaux vivants qui se meuvent, et que les
21 eaux produisirent en abondance selon leur espèce ; il créa aussi tout oiseau ailé selon son espèce. Dieu
vit que cela était bon. Dieu les bénit, en disant : Soyez féconds, multipliez, et remplissez les eaux des
22 mers ; et que les oiseaux multiplient sur la terre. Ainsi, il y eut un soir, et il y eut un matin : ce fut le
23 cinquième jour. Dieu dit : Que la terre produise des animaux vivants selon leur espèce, du bétail, des
24 reptiles et des animaux terrestres, selon leur espèce. Et cela fut ainsi. Dieu fit les animaux de la terre
25 selon leur espèce, le bétail selon son espèce, et tous les reptiles de la terre selon leur espèce. Dieu vit
que cela était bon. Puis Dieu dit : Faisons l'homme à notre image, selon notre ressemblance, et qu'il
26 domine sur les poissons de la mer, sur les oiseaux du ciel, sur le bétail, sur toute la terre, et sur tous les
reptiles qui rampent sur la terre. Dieu créa l'homme à son image, il le créa à l'image de Dieu, il créa
27 l'homme et la femme. Dieu les bénit, et Dieu leur dit : Soyez féconds, multipliez, remplissez la terre,
28 et l'assujettissez ; et dominez sur les poissons de la mer, sur les oiseaux du ciel, et sur tout animal qui
se meut sur la terre. Et Dieu dit : Voici, je vous donne toute herbe portant de la semence et qui est
29 à la surface de toute la terre, et tout arbre ayant en lui du fruit d'arbre et portant de la semence : ce
sera votre nourriture. Et à tout animal de la terre, à tout oiseau du ciel, et à tout ce qui se meut sur la
30 terre, ayant en soi un souffle de vie, je donne toute herbe verte pour nourriture. Et cela fut ainsi. Dieu
31 vit tout ce qu 'il avait fait et voici, cela était très bon. Ainsi, il y eut un soir, et il y eut un matin : ce fut
le sixième jour.

2, 2 Ainsi furent achevés les cieux et la terre, et toute leur armée. Dieu acheva au septième jour son
3 oeuvre, qu'il avait faite : et il se reposa au septième jour de toute son oeuvre, qu'il avait faite. Dieu
bénit le septième jour, et il le sanctifia, parce qu 'en ce jour il se reposa de toute son oeuvre qu'il avait
4 créée en la faisant. Voici les origines des cieux et de la terre, quand ils furent créés. Lorsque l'Éternel
5 Dieu fit une terre et des cieux, aucun arbuste des champs n'était encore sur la terre, et aucune herbe
des champs ne germait encore : car l'Éternel Dieu n'avait pas fait pleuvoir sur la terre, et il n'y avait
6 point d'homme pour cultiver le sol. Mais une vapeur s'éleva de la terre, et arrosa toute la surface du
7 sol. L'Éternel Dieu forma l'homme de la poussière de la terre, il souffla dans ses narines un souffle de
8 vie et l'homme devint un être vivant. Puis l'Éternel Dieu planta un jardin en Éden, du côté de l'orient,
9 et il y mit l'homme qu 'il avait formé. L'Éternel Dieu fit pousser du sol des arbres de toute espèce,
agréables à voir et bons à manger, et l'arbre de la vie au milieu du jardin, et l'arbre de la connaissance
du bien et du mal. Un fleuve sortait d'Éden pour arroser le jardin, et de là il se divisait en quatre bras.
10 Le nom du premier est Pischon ; c'est celui qui entoure tout le pays de Havila, où se trouve l'or. L'or de
11, 12 ce pays est pur ; on y trouve aussi le bdellium et la pierre d'onyx. Le nom du second fleuve est Guihon ;
13 c'est celui qui entoure tout le pays de Cusch. Le nom du troisième est Hiddékel ; c'est celui qui coule
14

15 à l'orient de l'Assyrie. Le quatrième fleuve, c'est l'Euphrate. L'Éternel Dieu prit l'homme, et le plaça
16 dans le jardin d'Éden pour le cultiver et pour le garder. L'Éternel Dieu donna cet ordre à l'homme : Tu
17 pourras manger de tous les arbres du jardin ; mais tu ne mangeras pas de l'arbre de la connaissance
18 du bien et du mal, car le jour où tu en mangeras, tu mourras. L'Éternel Dieu dit : Il n'est pas bon
19 que l'homme soit seul ; je lui ferai une aide semblable à lui. L'Éternel Dieu forma de la terre tous les
animaux des champs et tous les oiseaux du ciel, et il les fit venir vers l'homme, pour voir comment il les
20 appellerait, et afin que tout être vivant portât le nom que lui donnerait l'homme. Et l'homme donna des
noms à tout le bétail, aux oiseaux du ciel et à tous les animaux des champs ; mais, pour l'homme, il ne
21 trouva point d'aide semblable à lui. Alors l'Éternel Dieu fit tomber un profond sommeil sur l'homme,
22 qui s'endormit ; il prit une de ses côtes, et referma la chair à sa place. L'Éternel Dieu forma une femme
23 de la côte qu'il avait prise de l'homme, et il l'amena vers l'homme. Et l'homme dit : Voici cette fois celle
qui est os de mes os et chair de ma chair ! on l 'appellera femme, parce qu'elle a été prise de l'homme.
24 C'est pourquoi l'homme quittera son père et sa mère, et s'attachera à sa femme, et ils deviendront une
25 seule chair. L'homme et sa femme étaient tous deux nus, et ils n'en avaient point honte.

3 Le serpent était le plus rusé de tous les animaux des champs, que l'Éternel Dieu avait faits. Il dit à
2 la femme : Dieu a-t-il réellement dit : Vous ne mangerez pas de tous les arbres du jardin ? La femme
3 répondit au serpent : Nous mangeons du fruit des arbres du jardin. Mais quant au fruit de l'arbre
qui est au milieu du jardin, Dieu a dit : Vous n'en mangerez point et vous n'y toucherez point, de peur
4, 5 que vous ne mouriez. Alors le serpent dit à la femme : Vous ne mourrez point ; mais Dieu sait que,
le jour où vous en mangerez, vos yeux s'ouvriront, et que vous serez comme des dieux, connaissant le
6 bien et le mal. La femme vit que l'arbre était bon à manger et agréable à la vue, et qu'il était précieux
pour ouvrir l'intelligence ; elle prit de son fruit, et en mangea ; elle en donna aussi à son mari, qui était
7 auprès d'elle, et il en mangea. Les yeux de l'un et de l'autre s'ouvrirent, ils connurent qu'ils étaient
8 nus, et ayant cousu des feuilles de figuier, ils s'en firent des ceintures. Alors ils entendirent la voix
de l'Éternel Dieu, qui parcourait le jardin vers le soir, et l'homme et sa femme se cachèrent loin de
9 la face de l'Éternel Dieu, au milieu des arbres du jardin. Mais l'Éternel Dieu appela l'homme, et lui
10 dit : Où es-tu ? Il répondit : J'ai entendu ta voix dans le jardin, et j'ai eu peur, parce que je suis nu,
11 et je me suis caché. Et l'Éternel Dieu dit : Qui t'a appris que tu es nu ? Est-ce que tu as mangé de
12 l'arbre dont je t'avais défendu de manger ? L'homme répondit : La femme que tu as mise auprès de moi
13 m'a donné de l'arbre, et j'en ai mangé. Et l'Éternel Dieu dit à la femme : Pourquoi as-tu fait cela ? La
14 femme répondit : Le serpent m'a séduite, et j'en ai mangé. L'Éternel Dieu dit au serpent : Puisque tu
as fait cela, tu seras maudit entre tout le bétail et entre tous les animaux des champs, tu marcheras
15 sur ton ventre, et tu mangeras de la poussière tous les jours de ta vie. Je mettrai inimitié entre toi et
16 la femme, entre ta postérité et sa postérité : celle-ci t'écrasera la tête, et tu lui blesseras le talon. Il dit
à la femme : J'augmenterai la souffrance de tes grossesses, tu enfanteras avec douleur, et tes désirs se
17 porteront vers ton mari, mais il dominera sur toi. Il dit à l'homme : Puisque tu as écouté la voix de
ta femme, et que tu as mangé de l'arbre au sujet duquel je t'avais donné cet ordre : Tu n'en mangeras
point ! le sol sera maudit à cause de toi. C'est à force de peine que tu en tireras ta nourriture tous les
18, 19 jours de ta vie, il te produira des épines et des ronces, et tu mangeras de l'herbe des champs. C'est
à la sueur de ton visage que tu mangeras du pain, jusqu'à ce que tu retournes dans la terre, d'où tu
20 as été pris ; car tu es poussière, et tu retourneras dans la poussière. Adam donna à sa femme le nom
21 d'Ève : car elle a été la mère de tous les vivants. L'Éternel Dieu fit à Adam et à sa femme des habits
22 de peau, et il les en revêtit. L'Éternel Dieu dit : Voici, l'homme est devenu comme l'un de nous, pour
la connaissance du bien et du mal. Empêchons-le maintenant d'avancer sa main, de prendre de l'arbre
23 de vie, d'en manger, et de vivre éternellement. Et l'Éternel Dieu le chassa du jardin d'Éden, pour qu'il
24 cultivât la terre, d'où il avait été pris. C'est ainsi qu'il chassa Adam ; et il mit à l'orient du jardin d'Éden
les chérubins qui agitent une épée flamboyante, pour garder le chemin de l'arbre de vie.

4 Adam connut Ève, sa femme ; elle conçut, et enfanta Caïn et elle dit : J'ai formé un homme avec
2, 3 l'aide de l'Éternel. Elle enfanta encore son frère Abel. Abel fut berger, et Caïn fut laboureur. Au bout
4 de quelque temps, Caïn fit à l'Éternel une offrande des fruits de la terre ; et Abel, de son côté, en fit
une des premiers-nés de son troupeau et de leur graisse. L'Éternel porta un regard favorable sur Abel
5 et sur son offrande ; mais il ne porta pas un regard favorable sur Caïn et sur son offrande. Caïn fut très
6 irrité, et son visage fut abattu. Et l'Éternel dit à Caïn : Pourquoi es-tu irrité, et pourquoi ton visage est-
7 il abattu ? Certainement, si tu agis bien, tu relèveras ton visage, et si tu agis mal, le péché se couche à
8 la porte, et ses désirs se portent vers toi : mais toi, domine sur lui. Cependant, Caïn adressa la parole
à son frère Abel ; mais, comme ils étaient dans les champs, Caïn se jeta sur son frère Abel, et le tua.

L'Éternel dit à Caïn : Où est ton frère Abel ? Il répondit : Je ne sais pas ; suis-je le gardien de mon frère ? 9
Et Dieu dit : Qu 'as-tu fait ? La voix du sang de ton frère crie de la terre jusqu'à moi. Maintenant, tu 10, 11
seras maudit de la terre qui a ouvert sa bouche pour recevoir de ta main le sang de ton frère. Quand tu 12
cultiveras le sol, il ne te donnera plus sa richesse. Tu seras errant et vagabond sur la terre. Caïn dit à 13
l'Éternel : Mon châtiment est trop grand pour être supporté. Voici, tu me chasses aujourd'hui de cette 14
terre ; je serai caché loin de ta face, je serai errant et vagabond sur la terre, et quiconque me trouvera me
tuera. L'Éternel lui dit : Si quelqu'un tuait Caïn, Caïn serait vengé sept fois. Et l'Éternel mit un signe 15
sur Caïn pour que quiconque le trouverait ne le tuât point. Puis, Caïn s'éloigna de la face de l'Éternel, 16
et habita dans la terre de Nod, à l'orient d'Éden. Caïn connut sa femme ; elle conçut, et enfanta Hénoc. 17
Il bâtit ensuite une ville, et il donna à cette ville le nom de son fils Hénoc. Hénoc engendra Irad, Irad 18
engendra Mehujaël, Mehujaël engendra Metuschaël, et Metuschaël engendra Lémec. Lémec prit deux 19
femmes : le nom de l'une était Ada, et le nom de l'autre Tsilla. Ada enfanta Jabal : il fut le père de ceux 20
qui habitent sous des tentes et près des troupeaux. Le nom de son frère était Jubal : il fut le père de 21
tous ceux qui jouent de la harpe et du chalumeau. Tsilla, de son côté, enfanta Tubal-Caïn, qui forgeait 22
tous les instruments d'airain et de fer. La soeur de Tubal-Caïn était Naama. Lémec dit à ses femmes : 23
Ada et Tsilla, écoutez ma voix ! Femmes de Lémec, écoutez ma parole ! J'ai tué un homme pour ma
blessure, Et un jeune homme pour ma meurtrissure. Caïn sera vengé sept fois, Et Lémec soixante-dix 24
-sept fois. Adam connut encore sa femme ; elle enfanta un fils, et l'appela du nom de Seth, car, dit-elle, 25
Dieu m'a donné un autre fils à la place d'Abel, que Caïn a tué. Seth eut aussi un fils, et il l'appela du 26
nom d'Énosch. C'est alors que l'on commença à invoquer le nom de l'Éternel.

Voici le livre de la postérité d'Adam. Lorsque Dieu créa l'homme, il le fit à la ressemblance de Dieu. **5**
Il créa l'homme et la femme, il les bénit, et il les appela du nom d'homme, lorsqu 'ils furent créés. Adam, 2, 3
âgé de cent trente ans, engendra un fils à sa ressemblance, selon son image, et il lui donna le nom de
Seth. Les jours d'Adam, après la naissance de Seth, furent de huit cents ans ; et il engendra des fils 4
et des filles. Tous les jours qu'Adam vécut furent de neuf cent trente ans ; puis il mourut. Seth, âgé 5, 6
de cent cinq ans, engendra Énosch. Seth vécut, après la naissance d'Énosch, huit cent sept ans ; et il 7
engendra des fils et des filles. Tous les jours de Seth furent de neuf cent douze ans ; puis il mourut. 8
Énosch, âgé de quatre-vingt-dix ans, engendra Kénan. Énosch vécut, après la naissance de Kénan, 9, 10
huit cent quinze ans ; et il engendra des fils et des filles. Tous les jours d'Énosch furent de neuf cent 11
cinq ans ; puis il mourut. Kénan, âgé de soixante-dix ans, engendra Mahalaleel. Kénan vécut, après 12, 13
la naissance de Mahalaleel, huit cent quarante ans ; et il engendra des fils et des filles. Tous les jours 14
de Kénan furent de neuf cent dix ans ; puis il mourut. Mahalaleel, âgé de soixante -cinq ans, engendra 15
Jéred. Mahalaleel vécut, après la naissance de Jéred, huit cent trente ans ; et il engendra des fils et des 16
filles. Tous les jours de Mahalaleel furent de huit cent quatre-vingt-quinze ans ; puis il mourut. Jéred, 17, 18
âgé de cent soixante -deux ans, engendra Hénoc. Jéred vécut, après la naissance d'Hénoc, huit cents 19
ans ; et il engendra des fils et des filles. Tous les jours de Jéred furent de neuf cent soixante -deux ans ; 20
puis il mourut. Hénoc, âgé de soixante -cinq ans, engendra Metuschélah. Hénoc, après la naissance 21, 22
de Metuschélah, marcha avec Dieu trois cents ans ; et il engendra des fils et des filles. Tous les jours 23
d'Hénoc furent de trois cent soixante -cinq ans. Hénoc marcha avec Dieu ; puis il ne fut plus, parce que 24
Dieu le prit. Metuschélah, âgé de cent quatre-vingt -sept ans, engendra Lémec. Metuschélah vécut, 25, 26
après la naissance de Lémec, sept cent quatre-vingt deux ans ; et il engendra des fils et des filles. Tous 27
les jours de Metuschélah furent de neuf cent soixante -neuf ans ; puis il mourut. Lémec, âgé de cent 28
quatre-vingt -deux ans, engendra un fils. Il lui donna le nom de Noé, en disant : Celui-ci nous consolera 29
de nos fatigues et du travail pénible de nos mains, provenant de cette terre que l'Éternel a maudite.
Lémec vécut, après la naissance de Noé, cinq cent quatre-vingt-quinze ans ; et il engendra des fils et 30
des filles. Tous les jours de Lémec furent de sept cent soixante-dix sept ans ; puis il mourut. Noé, âgé 31, 32
de cinq cents ans, engendra Sem, Cham et Japhet.

Lorsque les hommes eurent commencé à se multiplier sur la face de la terre, et que des filles leur **6**
furent nées, les fils de Dieu virent que les filles des hommes étaient belles, et ils en prirent pour 2
femmes parmi toutes celles qu'ils choisirent. Alors l'Éternel dit : Mon esprit ne restera pas à toujours 3
dans l'homme, car l'homme n'est que chair, et ses jours seront de cent vingt ans. Les géants étaient sur 4
la terre en ces temps-là, après que les fils de Dieu furent venus vers les filles des hommes, et qu'elles
leur eurent donné des enfants : ce sont ces héros qui furent fameux dans l'antiquité. L'Éternel vit 5
que la méchanceté des hommes était grande sur la terre, et que toutes les pensées de leur coeur se
portaient chaque jour uniquement vers le mal. L'Éternel se repentit d'avoir fait l'homme sur la terre, 6
et il fut affligé en son coeur. Et l'Éternel dit : J'exterminerai de la face de la terre l'homme que j'ai créé, 7
depuis l'homme jusqu'au bétail, aux reptiles, et aux oiseaux du ciel ; car je me repens de les avoir faits.

8, 9 Mais Noé trouva grâce aux yeux de l'Éternel. Voici la postérité de Noé. Noé était un homme juste et
10, 11 intègre dans son temps ; Noé marchait avec Dieu. Noé engendra trois fils : Sem, Cham et Japhet. La
12 terre était corrompue devant Dieu, la terre était pleine de violence. Dieu regarda la terre, et voici,
13 elle était corrompue ; car toute chair avait corrompu sa voie sur la terre. Alors Dieu dit à Noé : La
fin de toute chair est arrêtée par devers moi ; car ils ont rempli la terre de violence ; voici, je vais les
14 détruire avec la terre. Fais -toi une arche de bois de gopher ; tu disposeras cette arche en cellules, et tu
15 l'enduiras de poix en dedans et en dehors. Voici comment tu la feras : l'arche aura trois cents coudées
16 de longueur, cinquante coudées de largeur et trente coudées de hauteur. Tu feras à l'arche une fenêtre,
que tu réduiras à une coudée en haut ; tu établiras une porte sur le côté de l'arche ; et tu construiras
17 un étage inférieur, un second et un troisième. Et moi, je vais faire venir le déluge d'eaux sur la terre,
18 pour détruire toute chair ayant souffle de vie sous le ciel ; tout ce qui est sur la terre périra. Mais
j'établis mon alliance avec toi ; tu entreras dans l'arche, toi et tes fils, ta femme et les femmes de tes fils
19 avec toi. De tout ce qui vit, de toute chair, tu feras entrer dans l'arche deux de chaque espèce, pour les
20 conserver en vie avec toi : il y aura un mâle et une femelle. Des oiseaux selon leur espèce, du bétail
selon son espèce, et de tous les reptiles de la terre selon leur espèce, deux de chaque espèce viendront
21 vers toi, pour que tu leur conserves la vie. Et toi, prends de tous les aliments que l'on mange, et fais-en
22 une provision auprès de toi, afin qu'ils te servent de nourriture ainsi qu'à eux. C'est ce que fit Noé : il
exécuta tout ce que Dieu lui avait ordonné.

7 L'Éternel dit à Noé : Entre dans l'arche, toi et toute ta maison ; car je t'ai vu juste devant moi
2 parmi cette génération. Tu prendras auprès de toi sept couples de tous les animaux purs, le mâle et
3 sa femelle ; une paire des animaux qui ne sont pas purs, le mâle et sa femelle ; sept couples aussi des
4 oiseaux du ciel, mâle et femelle, afin de conserver leur race en vie sur la face de toute la terre. Car,
encore sept jours, et je ferai pleuvoir sur la terre quarante jours et quarante nuits, et j'exterminerai de
5, 6 la face de la terre tous les êtres que j'ai faits. Noé exécuta tout ce que l'Éternel lui avait ordonné. Noé
7 avait six cents ans, lorsque le déluge d'eaux fut sur la terre. Et Noé entra dans l'arche avec ses fils, sa
8 femme et les femmes de ses fils, pour échapper aux eaux du déluge. D'entre les animaux purs et les
9 animaux qui ne sont pas purs, les oiseaux et tout ce qui se meut sur la terre, il entra dans l'arche auprès
10 de Noé, deux à deux, un mâle et une femelle, comme Dieu l'avait ordonné à Noé. Sept jours après, les
11 eaux du déluge furent sur la terre. L'an six cent de la vie de Noé, le second mois, le dix-septième jour
du mois, en ce jour-là toutes les sources du grand abîme jaillirent, et les écluses des cieux s'ouvrirent.
12, 13 La pluie tomba sur la terre quarante jours et quarante nuits. Ce même jour entrèrent dans l'arche
14 Noé, Sem, Cham et Japhet, fils de Noé, la femme de Noé et les trois femmes de ses fils avec eux : eux,
et tous les animaux selon leur espèce, tout le bétail selon son espèce, tous les reptiles qui rampent sur
la terre selon leur espèce, tous les oiseaux selon leur espèce, tous les petits oiseaux, tout ce qui a des
15, 16 ailes. Ils entrèrent dans l'arche auprès de Noé, deux à deux, de toute chair ayant souffle de vie. Il
en entra, mâle et femelle, de toute chair, comme Dieu l'avait ordonné à Noé. Puis l'Éternel ferma la
17 porte sur lui. Le déluge fut quarante jours sur la terre. Les eaux crûrent et soulevèrent l'arche, et elle
18 s'éleva au-dessus de la terre. Les eaux grossirent et s'accrurent beaucoup sur la terre, et l'arche flotta
19 sur la surface des eaux. Les eaux grossirent de plus en plus, et toutes les hautes montagnes qui sont
20 sous le ciel entier furent couvertes. Les eaux s'élevèrent de quinze coudées au-dessus des montagnes,
21 qui furent couvertes. Tout ce qui se mouvait sur la terre périt, tant les oiseaux que le bétail et les
22 animaux, tout ce qui rampait sur la terre, et tous les hommes. Tout ce qui avait respiration, souffle de
23 vie dans ses narines, et qui était sur la terre sèche, mourut. Tous les êtres qui étaient sur la face de la
terre furent exterminés, depuis l'homme jusqu'au bétail, aux reptiles et aux oiseaux du ciel : ils furent
24 exterminés de la terre. Il ne resta que Noé, et ce qui était avec lui dans l'arche. Les eaux furent grosses
sur la terre pendant cent cinquante jours.

8 Dieu se souvint de Noé, de tous les animaux et de tout le bétail qui étaient avec lui dans l'arche ;
2 et Dieu fit passer un vent sur la terre, et les eaux s'apaisèrent. Les sources de l'abîme et les écluses
3 des cieux furent fermées, et la pluie ne tomba plus du ciel. Les eaux se retirèrent de dessus la terre,
4 s'en allant et s'éloignant, et les eaux diminuèrent au bout de cent cinquante jours. Le septième mois,
5 le dix-septième jour du mois, l'arche s'arrêta sur les montagnes d'Ararat. Les eaux allèrent en dimi-
nuant jusqu'au dixième mois. Le dixième mois, le premier jour du mois, apparurent les sommets des
6, 7 montagnes. Au bout de quarante jours, Noé ouvrit la fenêtre qu'il avait faite à l'arche. Il lâcha le cor-
8 beau, qui sortit, partant et revenant, jusqu'à ce que les eaux eussent séché sur la terre. Il lâcha aussi
9 la colombe, pour voir si les eaux avaient diminué à la surface de la terre. Mais la colombe ne trouva
aucun lieu pour poser la plante de son pied, et elle revint à lui dans l'arche, car il y avait des eaux à
10 la surface de toute la terre. Il avança la main, la prit, et la fit rentrer auprès de lui dans l'arche. Il
11 attendit encore sept autres jours, et il lâcha de nouveau la colombe hors de l'arche. La colombe revint
à lui sur le soir ; et voici, une feuille d'olivier arrachée était dans son bec. Noé connut ainsi que les eaux

avaient diminué sur la terre. Il attendit encore sept autres jours ; et il lâcha la colombe. Mais elle ne 12
revint plus à lui. L'an six cent un, le premier mois, le premier jour du mois, les eaux avaient séché sur 13
la terre. Noé ôta la couverture de l'arche : il regarda, et voici, la surface de la terre avait séché. Le 14
second mois, le vingt -septième jour du mois, la terre fut sèche. Alors Dieu parla à Noé, en disant : 15
Sors de l'arche, toi et ta femme, tes fils et les femmes de tes fils avec toi. Fais sortir avec toi tous les 16, 17
animaux de toute chair qui sont avec toi, tant les oiseaux que le bétail et tous les reptiles qui rampent
sur la terre : qu'ils se répandent sur la terre, qu'ils soient féconds et multiplient sur la terre. Et Noé 18
sortit, avec ses fils, sa femme, et les femmes de ses fils. Tous les animaux, tous les reptiles, tous les 19
oiseaux, tout ce qui se meut sur la terre, selon leurs espèces, sortirent de l'arche. Noé bâtit un autel 20
à l'Éternel ; il prit de toutes les bêtes pures et de tous les oiseaux purs, et il offrit des holocaustes sur
l'autel. L'Éternel sentit une odeur agréable, et l'Éternel dit en son coeur : Je ne maudirai plus la terre, 21
à cause de l'homme, parce que les pensées du coeur de l'homme sont mauvaises dès sa jeunesse ; et je
ne frapperai plus tout ce qui est vivant, comme je l'ai fait. Tant que la terre subsistera, les semailles 22
et la moisson, le froid et la chaleur, l'été et l'hiver, le jour et la nuit ne cesseront point.

Dieu bénit Noé et ses fils, et leur dit : Soyez féconds, multipliez, et remplissez la terre. Vous serez un **9**, 2
sujet de crainte et d'effroi pour tout animal de la terre, pour tout oiseau du ciel, pour tout ce qui se meut
sur la terre, et pour tous les poissons de la mer : ils sont livrés entre vos mains. Tout ce qui se meut 3
et qui a vie vous servira de nourriture : je vous donne tout cela comme l'herbe verte. Seulement, vous 4
ne mangerez point de chair avec son âme, avec son sang. Sachez -le aussi, je redemanderai le sang de 5
vos âmes, je le redemanderai à tout animal ; et je redemanderai l'âme de l'homme à l'homme, à l'homme
qui est son frère. Si quelqu'un verse le sang de l'homme, par l'homme son sang sera versé ; car Dieu a 6
fait l'homme à son image. Et vous, soyez féconds et multipliez, répandez-vous sur la terre et multipliez 7
sur elle. Dieu parla encore à Noé et à ses fils avec lui, en disant : Voici, j'établis mon alliance avec 8, 9
vous et avec votre postérité après vous ; avec tous les êtres vivants qui sont avec vous, tant les oiseaux 10
que le bétail et tous les animaux de la terre, soit avec tous ceux qui sont sortis de l'arche, soit avec
tous les animaux de la terre. J'établis mon alliance avec vous : aucune chair ne sera plus exterminée 11
par les eaux du déluge, et il n'y aura plus de déluge pour détruire la terre. Et Dieu dit : C'est ici le 12
signe de l'alliance que j 'établis entre moi et vous, et tous les êtres vivants qui sont avec vous, pour les
générations à toujours : j'ai placé mon arc dans la nue, et il servira de signe d'alliance entre moi et la 13
terre. Quand j'aurai rassemblé des nuages au-dessus de la terre, l'arc paraîtra dans la nue ; et je me 14, 15
souviendrai de mon alliance entre moi et vous, et tous les êtres vivants, de toute chair, et les eaux ne
deviendront plus un déluge pour détruire toute chair. L'arc sera dans la nue ; et je le regarderai, pour 16
me souvenir de l'alliance perpétuelle entre Dieu et tous les êtres vivants, de toute chair qui est sur la
terre. Et Dieu dit à Noé : Tel est le signe de l'alliance que j'établis entre moi et toute chair qui est sur 17
la terre. Les fils de Noé, qui sortirent de l'arche, étaient Sem, Cham et Japhet. Cham fut le père de 18
Canaan. Ce sont là les trois fils de Noé, et c'est leur postérité qui peupla toute la terre. Noé commença 19, 20
à cultiver la terre, et planta de la vigne. Il but du vin, s'enivra, et se découvrit au milieu de sa tente. 21
Cham, père de Canaan, vit la nudité de son père, et il le rapporta dehors à ses deux frères. Alors Sem et 22, 23
Japhet prirent le manteau, le mirent sur leurs épaules, marchèrent à reculons, et couvrirent la nudité
de leur père ; comme leur visage était détourné, ils ne virent point la nudité de leur père. Lorsque Noé 24
se réveilla de son vin, il apprit ce que lui avait fait son fils cadet. Et il dit : Maudit soit Canaan ! qu'il 25
soit l'esclave des esclaves de ses frères ! Il dit encore : Béni soit l'Éternel, Dieu de Sem, et que Canaan 26
soit leur esclave ! Que Dieu étende les possessions de Japhet, qu'il habite dans les tentes de Sem, et 27
que Canaan soit leur esclave ! Noé vécut, après le déluge, trois cent cinquante ans. Tous les jours de 28, 29
Noé furent de neuf cent cinquante ans ; puis il mourut.

Voici la postérité des fils de Noé, Sem, Cham et Japhet. Il leur naquit des fils après le déluge. Les **10**, 2
fils de Japhet furent : Gomer, Magog, Madaï, Javan, Tubal, Méschec et Tiras. Les fils de Gomer : 3
Aschkenaz, Riphat et Togarma. Les fils de Javan : Élischa, Tarsis, Kittim et Dodanim. C'est par 4, 5
eux qu'ont été peuplées les îles des nations selon leurs terres, selon la langue de chacun, selon leurs
familles, selon leurs nations. Les fils de Cham furent : Cusch, Mitsraïm, Puth et Canaan. Les fils de 6, 7
Cusch : Saba, Havila, Sabta, Raema et Sabteca. Les fils de Raema : Séba et Dedan. Cusch engendra 8
aussi Nimrod ; c'est lui qui commença à être puissant sur la terre. Il fut un vaillant chasseur devant 9
l'Éternel ; c'est pourquoi l'on dit : Comme Nimrod, vaillant chasseur devant l'Éternel. Il régna d'abord 10
sur Babel, Érec, Accad et Calné, au pays de Schinear. De ce pays-là sortit Assur ; il bâtit Ninive, 11
Rehoboth Hir, Calach, et Résen entre Ninive et Calach ; c'est la grande ville. Mitsraïm engendra les 12, 13
Ludim, les Anamim, les Lehabim, les Naphtuhim, les Patrusim, les Casluhim, d'où sont sortis les 14
Philistins, et les Caphtorim. Canaan engendra Sidon, son premier-né, et Heth ; et les Jébusiens, les 15, 16
Amoréens, les Guirgasiens, les Héviens, les Arkiens, les Siniens, les Arvadiens, les Tsemariens, les 17, 18

19 Hamathiens. Ensuite, les familles des Cananéens se dispersèrent. Les limites des Cananéens allèrent
depuis Sidon, du côté de Guérar, jusqu'à Gaza, et du côté de Sodome, de Gomorrhe, d'Adma et de
20 Tseboïm, jusqu'à Léscha. Ce sont là les fils de Cham, selon leurs familles, selon leurs langues, selon
21 leurs pays, selon leurs nations. Il naquit aussi des fils à Sem, père de tous les fils d'Héber, et frère
22, 23 de Japhet l'aîné. Les fils de Sem furent : Élam, Assur, Arpacschad, Lud et Aram. Les fils d'Aram :
24, 25 Uts, Hul, Guéter et Masch. Arpacschad engendra Schélach ; et Schélach engendra Héber. Il naquit
à Héber deux fils : le nom de l'un était Péleg, parce que de son temps la terre fut partagée, et le nom
26, 27 de son frère était Jokthan. Jokthan engendra Almodad, Schéleph, Hatsarmaveth, Jérach, Hadoram,
28, 29, 30 Uzal, Dikla, Obal, Abimaël, Séba, Ophir, Havila et Jobab. Tous ceux-là furent fils de Jokthan. Ils
31 habitèrent depuis Méscha, du côté de Sephar, jusqu'à la montagne de l'orient. Ce sont là les fils de
32 Sem, selon leurs familles, selon leurs langues, selon leurs pays, selon leurs nations. Telles sont les
familles des fils de Noé, selon leurs générations, selon leurs nations. Et c'est d'eux que sont sorties les
nations qui se sont répandues sur la terre après le déluge.

11, 2 Toute la terre avait une seule langue et les mêmes mots. Comme ils étaient partis de l'orient, ils
3 trouvèrent une plaine au pays de Schinear, et ils y habitèrent. Ils se dirent l'un à l'autre : Allons !
faisons des briques, et cuisons -les au feu. Et la brique leur servit de pierre, et le bitume leur servit de
4 ciment. Ils dirent encore : Allons ! bâtissons -nous une ville et une tour dont le sommet touche au ciel,
5 et faisons -nous un nom, afin que nous ne soyons pas dispersés sur la face de toute la terre. L'Éternel
6 descendit pour voir la ville et la tour que bâtissaient les fils des hommes. Et l'Éternel dit : Voici, ils
forment un seul peuple et ont tous une même langue, et c'est là ce qu'ils ont entrepris ; maintenant rien
7 ne les empêcherait de faire tout ce qu'ils auraient projeté. Allons ! descendons, et là confondons leur
8 langage, afin qu 'ils n'entendent plus la langue, les uns des autres. Et l'Éternel les dispersa loin de là
9 sur la face de toute la terre ; et ils cessèrent de bâtir la ville. C'est pourquoi on l'appela du nom de Babel,
car c'est là que l'Éternel confondit le langage de toute la terre, et c'est de là que l'Éternel les dispersa
10 sur la face de toute la terre. Voici la postérité de Sem. Sem, âgé de cent ans, engendra Arpacschad,
11 deux ans après le déluge. Sem vécut, après la naissance d'Arpacschad, cinq cents ans ; et il engendra
12, 13 des fils et des filles. Arpacschad, âgé de trente -cinq ans, engendra Schélach. Arpacschad vécut, après
14 la naissance de Schélach, quatre cent trois ans ; et il engendra des fils et des filles. Schélach, âgé de
15 trente ans, engendra Héber. Schélach vécut, après la naissance d'Héber, quatre cent trois ans ; et il
16, 17 engendra des fils et des filles. Héber, âgé de trente -quatre ans, engendra Péleg. Héber vécut, après
18 la naissance de Péleg, quatre cent trente ans ; et il engendra des fils et des filles. Péleg, âgé de trente
19 ans, engendra Rehu. Péleg vécut, après la naissance de Rehu, deux cent neuf ans ; et il engendra des
20, 21 fils et des filles. Rehu, âgé de trente -deux ans, engendra Serug. Rehu vécut, après la naissance de
22 Serug, deux cent sept ans ; et il engendra des fils et des filles. Serug, âgé de trente ans, engendra
23 Nachor. Serug vécut, après la naissance de Nachor, deux cents ans ; et il engendra des fils et des filles.
24, 25 Nachor, âgé de vingt -neuf ans, engendra Térach. Nachor vécut, après la naissance de Térach, cent
26 dix -neuf ans ; et il engendra des fils et des filles. Térach, âgé de soixante-dix ans, engendra Abram,
27 Nachor et Haran. Voici la postérité de Térach. Térach engendra Abram, Nachor et Haran. -Haran
28 engendra Lot. Et Haran mourut en présence de Térach, son père, au pays de sa naissance, à Ur en
29 Chaldée. - Abram et Nachor prirent des femmes : le nom de la femme d'Abram était Saraï, et le nom
30 de la femme de Nachor était Milca, fille d'Haran, père de Milca et père de Jisca. Saraï était stérile :
31 elle n'avait point d'enfants. Térach prit Abram, son fils, et Lot, fils d'Haran, fils de son fils, et Saraï,
sa belle-fille, femme d'Abram, son fils. Ils sortirent ensemble d'Ur en Chaldée, pour aller au pays de
32 Canaan. Ils vinrent jusqu'à Charan, et ils y habitèrent. Les jours de Térach furent de deux cent cinq
ans ; et Térach mourut à Charan.

12 L'Éternel dit à Abram : Va-t-en de ton pays, de ta patrie, et de la maison de ton père, dans le pays
2 que je te montrerai. Je ferai de toi une grande nation, et je te bénirai ; je rendrai ton nom grand, et tu
3 seras une source de bénédiction. Je bénirai ceux qui te béniront, et je maudirai ceux qui te maudiront ;
4 et toutes les familles de la terre seront bénies en toi. Abram partit, comme l'Éternel le lui avait dit,
5 et Lot partit avec lui. Abram était âgé de soixante-quinze ans, lorsqu'il sortit de Charan. Abram prit
Saraï, sa femme, et Lot, fils de son frère, avec tous les biens qu'ils possédaient et les serviteurs qu'ils
avaient acquis à Charan. Ils partirent pour aller dans le pays de Canaan, et ils arrivèrent au pays
6 de Canaan. Abram parcourut le pays jusqu'au lieu nommé Sichem, jusqu'aux chênes de Moré. Les
7 Cananéens étaient alors dans le pays. L'Éternel apparut à Abram, et dit : Je donnerai ce pays à ta
8 postérité. Et Abram bâtit là un autel à l'Éternel, qui lui était apparu. Il se transporta de là vers
la montagne, à l'orient de Béthel, et il dressa ses tentes, ayant Béthel à l'occident et Aï à l'orient. Il
9 bâtit encore là un autel à l'Éternel, et il invoqua le nom de l'Éternel. Abram continua ses marches,
10 en s'avançant vers le midi. Il y eut une famine dans le pays ; et Abram descendit en Égypte pour y

séjourner, car la famine était grande dans le pays. Comme il était près d'entrer en Égypte, il dit à 11
Saraï, sa femme : Voici, je sais que tu es une femme belle de figure. Quand les Égyptiens te verront, 12
ils diront : C'est sa femme ! Et ils me tueront, et te laisseront la vie. Dis, je te prie, que tu es ma soeur, 13
afin que je sois bien traité à cause de toi, et que mon âme vive grâce à toi. Lorsque Abram fut arrivé 14
en Égypte, les Égyptiens virent que la femme était fort belle. Les grands de Pharaon la virent aussi et 15
la vantèrent à Pharaon ; et la femme fut emmenée dans la maison de Pharaon. Il traita bien Abram 16
à cause d'elle ; et Abram reçut des brebis, des boeufs, des ânes, des serviteurs et des servantes, des
ânesses, et des chameaux. Mais l'Éternel frappa de grandes plaies Pharaon et sa maison, au sujet de 17
Saraï, femme d'Abram. Alors Pharaon appela Abram, et dit : Qu'est-ce que tu m'as fait ? Pourquoi ne 18
m'as-tu pas déclaré que c'est ta femme ? Pourquoi as-tu dit : C'est ma soeur ? Aussi l'ai-je prise pour 19
ma femme. Maintenant, voici ta femme, prends -la, et va-t-en ! Et Pharaon donna ordre à ses gens de 20
le renvoyer, lui et sa femme, avec tout ce qui lui appartenait.

Abram remonta d'Égypte vers le midi, lui, sa femme, et tout ce qui lui appartenait, et Lot avec lui. **13**
Abram était très riche en troupeaux, en argent et en or. Il dirigea ses marches du midi jusqu'à Béthel, 2, 3
jusqu'au lieu où était sa tente au commencement, entre Béthel et Aï, au lieu où était l'autel qu'il avait 4
fait précédemment. Et là, Abram invoqua le nom de l'Éternel. Lot, qui voyageait avec Abram, avait 5
aussi des brebis, des boeufs et des tentes. Et la contrée était insuffisante pour qu'ils demeurassent 6
ensemble, car leurs biens étaient si considérables qu'ils ne pouvaient demeurer ensemble. Il y eut 7
querelle entre les bergers des troupeaux d'Abram et les bergers des troupeaux de Lot. Les Cananéens
et les Phérésiens habitaient alors dans le pays. Abram dit à Lot : Qu'il n'y ait point, je te prie, de 8
dispute entre moi et toi, ni entre mes bergers et tes bergers ; car nous sommes frères. Tout le pays 9
n'est-il pas devant toi ? Sépare-toi donc de moi : si tu vas à gauche, j'irai à droite ; si tu vas à droite, j'irai
à gauche. Lot leva les yeux, et vit toute la plaine du Jourdain, qui était entièrement arrosée. Avant que 10
l'Éternel eût détruit Sodome et Gomorrhe, c'était, jusqu'à Tsoar, comme un jardin de l'Éternel, comme
le pays d'Égypte. Lot choisit pour lui toute la plaine du Jourdain, et il s'avança vers l'orient. C'est ainsi 11
qu'ils se séparèrent l'un de l'autre. Abram habita dans le pays de Canaan ; et Lot habita dans les villes 12
de la plaine, et dressa ses tentes jusqu'à Sodome. Les gens de Sodome étaient méchants, et de grands 13
pécheurs contre l'Éternel. L'Éternel dit à Abram, après que Lot se fut séparé de lui : Lève les yeux, et, 14
du lieu où tu es, regarde vers le nord et le midi, vers l'orient et l'occident ; car tout le pays que tu vois, 15
je le donnerai à toi et à ta postérité pour toujours. Je rendrai ta postérité comme la poussière de la 16
terre, en sorte que, si quelqu'un peut compter la poussière de la terre, ta postérité aussi sera comptée.
Lève-toi, parcours le pays dans sa longueur et dans sa largeur ; car je te le donnerai. Abram leva ses 17, 18
tentes, et vint habiter parmi les chênes de Mamré, qui sont près d'Hébron. Et il bâtit là un autel à
l'Éternel.

Dans le temps d'Amraphel, roi de Schinear, d'Arjoc, roi d'Ellasar, de Kedorlaomer, roi d'Élam, et **14**
de Tideal, roi de Gojim, il arriva qu'ils firent la guerre à Béra, roi de Sodome, à Birscha, roi de Go- 2
morrhe, à Schineab, roi d'Adma, à Schémeéber, roi de Tseboïm, et au roi de Béla, qui est Tsoar. Ces 3
derniers s'assemblèrent tous dans la vallée de Siddim, qui est la mer Salée. Pendant douze ans, ils 4
avaient été soumis à Kedorlaomer ; et la treizième année, ils s'étaient révoltés. Mais, la quatorzième 5
année, Kedorlaomer et les rois qui étaient avec lui se mirent en marche, et ils battirent les Rephaïm
à Aschteroth-Karnaïm, les Zuzim à Ham, les Émim à Schavé-Kirjathaïm, et les Horiens dans leur 6
montagne de Séir, jusqu'au chêne de Paran, qui est près du désert. Puis ils s'en retournèrent, vinrent à 7
En-Mischpath, qui est Kadès, et battirent les Amalécites sur tout leur territoire, ainsi que les Amoréens
établis à Hatsatson-Thamar. Alors s'avancèrent le roi de Sodome, le roi de Gomorrhe, le roi d'Adma, le 8
roi de Tseboïm, et le roi de Béla, qui est Tsoar ; et ils se rangèrent en bataille contre eux, dans la vallée
de Siddim, contre Kedorlaomer, roi d'Élam, Tideal, roi de Gojim, Amraphel, roi de Schinear, et Arjoc, 9
roi d'Ellasar : quatre rois contre cinq. La vallée de Siddim était couverte de puits de bitume ; le roi de 10
Sodome et celui de Gomorrhe prirent la fuite, et y tombèrent ; le reste s'enfuit vers la montagne. Les 11
vainqueurs enlevèrent toutes les richesses de Sodome et de Gomorrhe, et toutes leurs provisions ; et ils
s'en allèrent. Ils enlevèrent aussi, avec ses biens, Lot, fils du frère d'Abram, qui demeurait à Sodome ; 12
et ils s'en allèrent. Un fuyard vint l'annoncer à Abram, l'Hébreu ; celui-ci habitait parmi les chênes de 13
Mamré, l'Amoréen, frère d'Eschcol et frère d'Aner, qui avaient fait alliance avec Abram. Dès qu'Abram 14
eut appris que son frère avait été fait prisonnier, il arma trois cent dix -huit de ses plus braves serviteurs, nés dans sa maison, et il poursuivit les rois jusqu'à Dan. Il divisa sa troupe, pour les attaquer 15
de nuit, lui et ses serviteurs ; il les battit, et les poursuivit jusqu'à Choba, qui est à la gauche de Damas.
Il ramena toutes les richesses ; il ramena aussi Lot, son frère, avec ses biens, ainsi que les femmes et 16
le peuple. Après qu'Abram fut revenu vainqueur de Kedorlaomer et des rois qui étaient avec lui, le roi 17
de Sodome sortit à sa rencontre dans la vallée de Schavé, qui est la vallée du roi. Melchisédek, roi de 18

19 Salem, fit apporter du pain et du vin : il était sacrificateur du Dieu Très-Haut. Il bénit Abram, et dit :
20 Béni soit Abram par le Dieu Très-Haut, maître du ciel et de la terre ! Béni soit le Dieu Très-Haut, qui a
21 livré tes ennemis entre tes mains ! Et Abram lui donna la dîme de tout. Le roi de Sodome dit à Abram :
22 Donne -moi les personnes, et prends pour toi les richesses. Abram répondit au roi de Sodome : Je lève
23 la main vers l'Éternel, le Dieu Très-Haut, maître du ciel et de la terre : je ne prendrai rien de tout ce
qui est à toi, pas même un fil, ni un cordon de soulier, afin que tu ne dises pas : J'ai enrichi Abram. Rien
24 pour moi ! Seulement, ce qu'ont mangé les jeunes gens, et la part des hommes qui ont marché avec
moi, Aner, Eschcol et Mamré : eux, ils prendront leur part.

15 Après ces événements, la parole de l'Éternel fut adressée à Abram dans une vision, et il dit : Abram,
2 ne crains point ; je suis ton bouclier, et ta récompense sera très grande. Abram répondit : Seigneur
Éternel, que me donneras -tu ? Je m'en vais sans enfants ; et l'héritier de ma maison, c 'est Éliézer de
3 Damas. Et Abram dit : Voici, tu ne m'as pas donné de postérité, et celui qui est né dans ma maison
4 sera mon héritier. Alors la parole de l'Éternel lui fut adressée ainsi : Ce n'est pas lui qui sera ton
5 héritier, mais c'est celui qui sortira de tes entrailles qui sera ton héritier. Et après l'avoir conduit
dehors, il dit : Regarde vers le ciel, et compte les étoiles, si tu peux les compter. Et il lui dit : Telle sera
6, 7 ta postérité. Abram eut confiance en l'Éternel, qui le lui imputa à justice. L'Éternel lui dit encore :
8 Je suis l'Éternel, qui t'ai fait sortir d'Ur en Chaldée, pour te donner en possession ce pays. Abram
9 répondit : Seigneur Éternel, à quoi connaîtrai -je que je le posséderai ? Et l'Éternel lui dit : Prends
une génisse de trois ans, une chèvre de trois ans, un bélier de trois ans, une tourterelle et une jeune
10 colombe. Abram prit tous ces animaux, les coupa par le milieu, et mit chaque morceau l'un vis-à-vis
11 de l'autre ; mais il ne partagea point les oiseaux. Les oiseaux de proie s'abattirent sur les cadavres ; et
12 Abram les chassa. Au coucher du soleil, un profond sommeil tomba sur Abram ; et voici, une frayeur
13 et une grande obscurité vinrent l'assaillir. Et l'Éternel dit à Abram : Sache que tes descendants seront
étrangers dans un pays qui ne sera point à eux ; ils y seront asservis, et on les opprimera pendant
14 quatre cents ans. Mais je jugerai la nation à laquelle ils seront asservis, et ils sortiront ensuite avec de
15, 16 grandes richesses. Toi, tu iras en paix vers tes pères, tu seras enterré après une heureuse vieillesse. À
la quatrième génération, ils reviendront ici ; car l'iniquité des Amoréens n'est pas encore à son comble.
17 Quand le soleil fut couché, il y eut une obscurité profonde ; et voici, ce fut une fournaise fumante, et des
18 flammes passèrent entre les animaux partagés. En ce jour-là, l'Éternel fit alliance avec Abram, et dit :
Je donne ce pays à ta postérité, depuis le fleuve d'Égypte jusqu'au grand fleuve, au fleuve d'Euphrate,
19, 20, 21 le pays des Kéniens, des Keniziens, des Kadmoniens, des Héthiens, des Phéréziens, des Rephaïm, des
Amoréens, des Cananéens, des Guirgasiens et des Jébusiens.

16 Saraï, femme d'Abram, ne lui avait point donné d'enfants. Elle avait une servante Égyptienne, nom-
2 mée Agar. Et Saraï dit à Abram : Voici, l'Éternel m'a rendue stérile ; viens, je te prie, vers ma servante ;
3 peut-être aurai-je par elle des enfants. Abram écouta la voix de Saraï. Alors Saraï, femme d'Abram,
prit Agar, l'Égyptienne, sa servante, et la donna pour femme à Abram, son mari, après qu'Abram eut
4 habité dix années dans le pays de Canaan. Il alla vers Agar, et elle devint enceinte. Quand elle se vit
5 enceinte, elle regarda sa maîtresse avec mépris. Et Saraï dit à Abram : L'outrage qui m'est fait retombe
sur toi. J'ai mis ma servante dans ton sein ; et, quand elle a vu qu'elle était enceinte, elle m'a regardée
6 avec mépris. Que l'Éternel soit juge entre moi et toi ! Abram répondit à Saraï : Voici, ta servante est
en ton pouvoir, agis à son égard comme tu le trouveras bon. Alors Saraï la maltraita ; et Agar s'enfuit
7 loin d'elle. L'ange de l'Éternel la trouva près d'une source d'eau dans le désert, près de la source qui est
8 sur le chemin de Schur. Il dit : Agar, servante de Saraï, d'où viens -tu, et où vas-tu ? Elle répondit : Je
9 fuis loin de Saraï, ma maîtresse. L'ange de l'Éternel lui dit : Retourne vers ta maîtresse, et humilie-toi
10 sous sa main. L'ange de l'Éternel lui dit : Je multiplierai ta postérité, et elle sera si nombreuse qu'on
11 ne pourra la compter. L'ange de l'Éternel lui dit : Voici, tu es enceinte, et tu enfanteras un fils, à qui
12 tu donneras le nom d'Ismaël ; car l'Éternel t'a entendue dans ton affliction. Il sera comme un âne sau-
vage ; sa main sera contre tous, et la main de tous sera contre lui ; et il habitera en face de tous ses
13 frères. Elle appela Atta-El-roï le nom de l'Éternel qui lui avait parlé ; car elle dit : Ai-je rien vu ici,
14 après qu'il m'a vue ? C'est pourquoi l'on a appelé ce puits le puits de Lachaï-roï ; il est entre Kadès et
15 Bared. Agar enfanta un fils à Abram ; et Abram donna le nom d'Ismaël au fils qu'Agar lui enfanta.
16 Abram était âgé de quatre-vingt -six ans lorsqu'Agar enfanta Ismaël à Abram.

17 Lorsque Abram fut âgé de quatre-vingt-dix -neuf ans, l'Éternel apparut à Abram, et lui dit : Je suis
2 le Dieu tout-puissant. Marche devant ma face, et sois intègre. J'établirai mon alliance entre moi et
3, 4 toi, et je te multiplierai à l'infini. Abram tomba sur sa face ; et Dieu lui parla, en disant : Voici mon
5 alliance, que je fais avec toi. Tu deviendras père d'une multitude de nations. On ne t'appellera plus

Abram ; mais ton nom sera Abraham, car je te rends père d'une multitude de nations. Je te rendrai 6
fécond à l'infini, je ferai de toi des nations ; et des rois sortiront de toi. J'établirai mon alliance entre 7
moi et toi, et tes descendants après toi, selon leurs générations : ce sera une alliance perpétuelle, en
vertu de laquelle je serai ton Dieu et celui de ta postérité après toi. Je te donnerai, et à tes descendants 8
après toi, le pays que tu habites comme étranger, tout le pays de Canaan, en possession perpétuelle,
et je serai leur Dieu. Dieu dit à Abraham : Toi, tu garderas mon alliance, toi et tes descendants après 9
toi, selon leurs générations. C'est ici mon alliance, que vous garderez entre moi et vous, et ta postérité 10
après toi : tout mâle parmi vous sera circoncis. Vous vous circoncirez ; et ce sera un signe d'alliance 11
entre moi et vous. À l'âge de huit jours, tout mâle parmi vous sera circoncis, selon vos générations, 12
qu'il soit né dans la maison, ou qu'il soit acquis à prix d'argent de tout fils d'étranger, sans appartenir
à ta race. On devra circoncire celui qui est né dans la maison et celui qui est acquis à prix d'argent ; 13
et mon alliance sera dans votre chair une alliance perpétuelle. Un mâle incirconcis, qui n'aura pas 14
été circoncis dans sa chair, sera exterminé du milieu de son peuple : il aura violé mon alliance. Dieu 15
dit à Abraham : Tu ne donneras plus à Saraï, ta femme, le nom de Saraï ; mais son nom sera Sara.
Je la bénirai, et je te donnerai d'elle un fils ; je la bénirai, et elle deviendra des nations ; des rois de 16
peuples sortiront d'elle. Abraham tomba sur sa face ; il rit, et dit en son coeur : Naîtrait -il un fils à un 17
homme de cent ans ? et Sara, âgée de quatre-vingt-dix ans, enfanterait -elle ? Et Abraham dit à Dieu : 18
Oh ! qu 'Ismaël vive devant ta face ! Dieu dit : Certainement Sara, ta femme, t'enfantera un fils ; et tu 19
l'appelleras du nom d'Isaac. J'établirai mon alliance avec lui comme une alliance perpétuelle pour sa
postérité après lui. À l'égard d'Ismaël, je t'ai exaucé. Voici, je le bénirai, je le rendrai fécond, et je le 20
multiplierai à l'infini ; il engendrera douze princes, et je ferai de lui une grande nation. J'établirai mon 21
alliance avec Isaac, que Sara t'enfantera à cette époque-ci de l'année prochaine. Lorsqu'il eut achevé 22
de lui parler, Dieu s'éleva au-dessus d'Abraham. Abraham prit Ismaël, son fils, tous ceux qui étaient 23
nés dans sa maison et tous ceux qu'il avait acquis à prix d'argent, tous les mâles parmi les gens de la
maison d'Abraham ; et il les circoncit ce même jour, selon l'ordre que Dieu lui avait donné. Abraham 24
était âgé de quatre-vingt-dix -neuf ans, lorsqu'il fut circoncis. Ismaël, son fils, était âgé de treize ans 25
lorsqu'il fut circoncis. Ce même jour, Abraham fut circoncis, ainsi qu'Ismaël, son fils. Et tous les gens 26, 27
de sa maison, nés dans sa maison, ou acquis à prix d'argent des étrangers, furent circoncis avec lui.

L'Éternel lui apparut parmi les chênes de Mamré, comme il était assis à l'entrée de sa tente, pendant **18**
la chaleur du jour. Il leva les yeux, et regarda : et voici, trois hommes étaient debout près de lui. Quand 2
il les vit, il courut au-devant d'eux, depuis l'entrée de sa tente, et se prosterna en terre. Et il dit : 3
Seigneur, si j'ai trouvé grâce à tes yeux, ne passe point, je te prie, loin de ton serviteur. Permettez 4
qu'on apporte un peu d'eau, pour vous laver les pieds ; et reposez -vous sous cet arbre. J'irai prendre 5
un morceau de pain, pour fortifier votre coeur ; après quoi, vous continuerez votre route ; car c'est pour
cela que vous passez près de votre serviteur. Ils répondirent : Fais comme tu l'as dit. Abraham alla 6
promptement dans sa tente vers Sara, et il dit : Vite, trois mesures de fleur de farine, pétris, et fais des
gâteaux. Et Abraham courut à son troupeau, prit un veau tendre et bon, et le donna à un serviteur, qui 7
se hâta de l'apprêter. Il prit encore de la crème et du lait, avec le veau qu'on avait apprêté, et il les mit 8
devant eux. Il se tint lui-même à leurs côtés, sous l'arbre. Et ils mangèrent. Alors ils lui dirent : Où est 9
Sara, ta femme ? Il répondit : Elle est là, dans la tente. L'un d'entre eux dit : Je reviendrai vers toi à 10
cette même époque ; et voici, Sara, ta femme, aura un fils. Sara écoutait à l'entrée de la tente, qui était
derrière lui. Abraham et Sara étaient vieux, avancés en âge : et Sara ne pouvait plus espérer avoir des 11
enfants. Elle rit en elle-même, en disant : Maintenant que je suis vieille, aurais-je encore des désirs ? 12
Mon seigneur aussi est vieux. L'Éternel dit à Abraham : Pourquoi donc Sara a-t-elle ri, en disant : Est- 13
ce que vraiment j'aurais un enfant, moi qui suis vieille ? Y a-t-il rien qui soit étonnant de la part de 14
l'Éternel ? Au temps fixé je reviendrai vers toi, à cette même époque ; et Sara aura un fils. Sara mentit, 15
en disant : Je n'ai pas ri. Car elle eut peur. Mais il dit : Au contraire, tu as ri. Ces hommes se levèrent 16
pour partir, et ils regardèrent du côté de Sodome. Abraham alla avec eux, pour les accompagner. Alors 17
l'Éternel dit : Cacherai -je à Abraham ce que je vais faire ?... Abraham deviendra certainement une 18
nation grande et puissante, et en lui seront bénies toutes les nations de la terre. Car je l'ai choisi, afin 19
qu 'il ordonne à ses fils et à sa maison après lui de garder la voie de l'Éternel, en pratiquant la droiture
et la justice, et qu'ainsi l'Éternel accomplisse en faveur d'Abraham les promesses qu'il lui a faites... Et 20
l'Éternel dit : Le cri contre Sodome et Gomorrhe s'est accru, et leur péché est énorme. C'est pourquoi 21
je vais descendre, et je verrai s'ils ont agi entièrement selon le bruit venu jusqu'à moi ; et si cela n'est
pas, je le saurai. Les hommes s'éloignèrent, et allèrent vers Sodome. Mais Abraham se tint encore 22
en présence de l'Éternel. Abraham s'approcha, et dit : Feras-tu aussi périr le juste avec le méchant ? 23
Peut-être y a -t-il cinquante justes au milieu de la ville : les feras-tu périr aussi, et ne pardonneras 24
-tu pas à la ville à cause des cinquante justes qui sont au milieu d'elle ? Faire mourir le juste avec le 25

méchant, en sorte qu'il en soit du juste comme du méchant, loin de toi cette manière d'agir ! loin de toi !
26 Celui qui juge toute la terre n'exercera -t-il pas la justice ? Et l'Éternel dit : Si je trouve dans Sodome
27 cinquante justes au milieu de la ville, je pardonnerai à toute la ville, à cause d'eux. Abraham reprit,
28 et dit : Voici, j'ai osé parler au Seigneur, moi qui ne suis que poudre et cendre. Peut-être des cinquante justes en manquera -t-il cinq : pour cinq, détruiras -tu toute la ville ? Et l'Éternel dit : Je ne la détruirai
29 point, si j'y trouve quarante -cinq justes. Abraham continua de lui parler, et dit : Peut-être s'y trouvera
30 -t-il quarante justes. Et l'Éternel dit : Je ne ferai rien, à cause de ces quarante. Abraham dit : Que le Seigneur ne s'irrite point, et je parlerai. Peut-être s'y trouvera -t-il trente justes. Et l'Éternel dit : Je
31 ne ferai rien, si j'y trouve trente justes. Abraham dit : Voici, j'ai osé parler au Seigneur. Peut-être s'y
32 trouvera -t-il vingt justes. Et l'Éternel dit : Je ne la détruirai point, à cause de ces vingt. Abraham dit : Que le Seigneur ne s'irrite point, et je ne parlerai plus que cette fois. Peut-être s'y trouvera -t-il dix
33 justes. Et l'Éternel dit : Je ne la détruirai point, à cause de ces dix justes. L'Éternel s'en alla lorsqu 'il eut achevé de parler à Abraham. Et Abraham retourna dans sa demeure.

19 Les deux anges arrivèrent à Sodome sur le soir ; et Lot était assis à la porte de Sodome. Quand Lot
2 les vit, il se leva pour aller au-devant d'eux, et se prosterna la face contre terre. Puis il dit : Voici, mes seigneurs, entrez, je vous prie, dans la maison de votre serviteur, et passez-y la nuit ; lavez -vous les pieds ; vous vous lèverez de bon matin, et vous poursuivrez votre route. Non, répondirent -ils, nous
3 passerons la nuit dans la rue. Mais Lot les pressa tellement qu'ils vinrent chez lui et entrèrent dans
4 sa maison. Il leur donna un festin, et fit cuire des pains sans levain. Et ils mangèrent. Ils n'étaient pas encore couchés que les gens de la ville, les gens de Sodome, entourèrent la maison, depuis les enfants
5 jusqu'aux vieillards ; toute la population était accourue. Ils appelèrent Lot, et lui dirent : Où sont les hommes qui sont entrés chez toi cette nuit ? Fais-les sortir vers nous, pour que nous les connaissions.
6, 7 Lot sortit vers eux à l'entrée de la maison, et ferma la porte derrière lui. Et il dit : Mes frères, je vous
8 prie, ne faites pas le mal ! Voici, j'ai deux filles qui n'ont point connu d'homme ; je vous les amènerai dehors, et vous leur ferez ce qu'il vous plaira. Seulement, ne faites rien à ces hommes puisqu'ils sont venus
9 à l'ombre de mon toit. Ils dirent : Retire -toi ! Ils dirent encore : Celui-ci est venu comme étranger, et il veut faire le juge ! Eh bien, nous te ferons pis qu'à eux. Et, pressant Lot avec violence, ils s'avancèrent
10 pour briser la porte. Les hommes étendirent la main, firent rentrer Lot vers eux dans la maison, et
11 fermèrent la porte. Et ils frappèrent d'aveuglement les gens qui étaient à l'entrée de la maison, depuis le plus petit jusqu'au plus grand, de sorte qu'ils se donnèrent une peine inutile pour trouver la porte.
12 Les hommes dirent à Lot : Qui as-tu encore ici ? Gendres, fils et filles, et tout ce qui t'appartient dans
13 la ville, fais-les sortir de ce lieu. Car nous allons détruire ce lieu, parce que le cri contre ses habitants
14 est grand devant l'Éternel. L'Éternel nous a envoyés pour le détruire. Lot sortit, et parla à ses gendres qui avaient pris ses filles : Levez -vous, dit -il, sortez de ce lieu ; car l'Éternel va détruire la ville. Mais,
15 aux yeux de ses gendres, il parut plaisanter. Dès l'aube du jour, les anges insistèrent auprès de Lot, en disant : Lève -toi, prends ta femme et tes deux filles qui se trouvent ici, de peur que tu ne périsses dans
16 la ruine de la ville. Et comme il tardait, les hommes le saisirent par la main, lui, sa femme et ses deux
17 filles, car l'Éternel voulait l'épargner ; ils l'emmenèrent, et le laissèrent hors de la ville. Après les avoir fait sortir, l'un d'eux dit : Sauve -toi, pour ta vie ; ne regarde pas derrière toi, et ne t'arrête pas dans
18 toute la plaine ; sauve -toi vers la montagne, de peur que tu ne périsses. Lot leur dit : Oh ! non, Sei-
19 gneur ! Voici, j 'ai trouvé grâce à tes yeux, et tu as montré la grandeur de ta miséricorde à mon égard, en me conservant la vie ; mais je ne puis me sauver à la montagne, avant que le désastre m'atteigne, et
20 je périrai. Voici, cette ville est assez proche pour que je m'y réfugie, et elle est petite. Oh ! que je puisse
21 m'y sauver,... n'est-elle pas petite ?... et que mon âme vive ! Et il lui dit : Voici, je t'accorde encore cette
22 grâce, et je ne détruirai pas la ville dont tu parles. Hâte -toi de t'y réfugier, car je ne puis rien faire
23 jusqu'à ce que tu y sois arrivé. C'est pour cela que l'on a donné à cette ville le nom de Tsoar. Le soleil se
24 levait sur la terre, lorsque Lot entra dans Tsoar. Alors l'Éternel fit pleuvoir du ciel sur Sodome et sur
25 Gomorrhe du soufre et du feu, de par l'Éternel. Il détruisit ces villes, toute la plaine et tous les habi-
26 tants des villes, et les plantes de la terre. La femme de Lot regarda en arrière, et elle devint une statue
27, 28 de sel. Abraham se leva de bon matin, pour aller au lieu où il s'était tenu en présence de l'Éternel. Il porta ses regards du côté de Sodome et de Gomorrhe, et sur tout le territoire de la plaine ; et voici, il vit
29 s'élever de la terre une fumée, comme la fumée d'une fournaise. Lorsque Dieu détruisit les villes de la plaine, il se souvint d'Abraham ; et il fit échapper Lot du milieu du désastre, par lequel il bouleversa
30 les villes où Lot avait établi sa demeure. Lot quitta Tsoar pour la hauteur, et se fixa sur la montagne, avec ses deux filles, car il craignait de rester à Tsoar. Il habita dans une caverne, lui et ses deux filles.
31 L'aînée dit à la plus jeune : Notre père est vieux ; et il n'y a point d'homme dans la contrée, pour venir
32 vers nous, selon l'usage de tous les pays. Viens, faisons boire du vin à notre père, et couchons avec lui,

afin que nous conservions la race de notre père. Elles firent donc boire du vin à leur père cette nuit-là ; 33
et l'aînée alla coucher avec son père : il ne s'aperçut ni quand elle se coucha, ni quand elle se leva. Le 34
lendemain, l'aînée dit à la plus jeune : Voici, j'ai couché la nuit dernière avec mon père ; faisons-lui boire
du vin encore cette nuit, et va coucher avec lui, afin que nous conservions la race de notre père. Elles 35
firent boire du vin à leur père encore cette nuit-là ; et la cadette alla coucher avec lui : il ne s'aperçut
ni quand elle se coucha, ni quand elle se leva. Les deux filles de Lot devinrent enceintes de leur père. 36
L'aînée enfanta un fils, qu'elle appela du nom de Moab : c 'est le père des Moabites, jusqu'à ce jour. La 37, 38
plus jeune enfanta aussi un fils, qu'elle appela du nom de Ben-Ammi : c'est le père des Ammonites,
jusqu'à ce jour.

Abraham partit de là pour la contrée du midi ; il s'établit entre Kadès et Schur, et fit un séjour à **20**
Guérar. Abraham disait de Sara, sa femme : C'est ma soeur. Abimélec, roi de Guérar, fit enlever Sara. 2
Alors Dieu apparut en songe à Abimélec pendant la nuit, et lui dit : Voici, tu vas mourir à cause de la 3
femme que tu as enlevée, car elle a un mari. Abimélec, qui ne s'était point approché d'elle, répondit : 4
Seigneur, ferais-tu périr même une nation juste ? Ne m'a-t-il pas dit : C 'est ma soeur ? et elle -même 5
n'a-t-elle pas dit : C'est mon frère ? J'ai agi avec un coeur pur et avec des mains innocentes. Dieu lui 6
dit en songe : Je sais que tu as agi avec un coeur pur ; aussi t'ai-je empêché de pécher contre moi. C'est
pourquoi je n'ai pas permis que tu la touchasses. Maintenant, rends la femme de cet homme ; car il 7
est prophète, il priera pour toi, et tu vivras. Mais, si tu ne la rends pas, sache que tu mourras, toi et
tout ce qui t'appartient. Abimélec se leva de bon matin, il appela tous ses serviteurs, et leur rapporta 8
toutes ces choses ; et ces gens furent saisis d'une grande frayeur. Abimélec appela aussi Abraham, et 9
lui dit : Qu'est-ce que tu nous as fait ? Et en quoi t'ai-je offensé, que tu aies fait venir sur moi et sur mon
royaume un si grand péché ? Tu as commis à mon égard des actes qui ne doivent pas se commettre. Et 10
Abimélec dit à Abraham : Quelle intention avais-tu pour agir de la sorte ? Abraham répondit : Je me 11
disais qu'il n'y avait sans doute aucune crainte de Dieu dans ce pays, et que l'on me tuerait à cause de
ma femme. De plus, il est vrai qu'elle est ma soeur, fille de mon père ; seulement, elle n'est pas fille de 12
ma mère ; et elle est devenue ma femme. Lorsque Dieu me fit errer loin de la maison de mon père, je 13
dis à Sara : Voici la grâce que tu me feras ; dans tous les lieux où nous irons, dis de moi : C'est mon frère.
Abimélec prit des brebis et des boeufs, des serviteurs et des servantes, et les donna à Abraham ; et il lui 14
rendit Sara, sa femme. Abimélec dit : Voici, mon pays est devant toi ; demeure où il te plaira. Et il dit 15, 16
à Sara : Voici, je donne à ton frère mille pièces d'argent ; cela te sera un voile sur les yeux pour tous ceux
qui sont avec toi, et auprès de tous tu seras justifiée. Abraham pria Dieu, et Dieu guérit Abimélec, sa 17
femme et ses servantes ; et elles purent enfanter. Car l'Éternel avait frappé de stérilité toute la maison 18
d'Abimélec, à cause de Sara, femme d'Abraham.

L'Éternel se souvint de ce qu'il avait dit à Sara, et l'Éternel accomplit pour Sara ce qu'il avait promis. **21**
Sara devint enceinte, et elle enfanta un fils à Abraham dans sa vieillesse, au temps fixé dont Dieu lui 2
avait parlé. Abraham donna le nom d'Isaac au fils qui lui était né, que Sara lui avait enfanté. Abraham 3, 4
circoncit son fils Isaac, âgé de huit jours, comme Dieu le lui avait ordonné. Abraham était âgé de cent 5
ans, à la naissance d'Isaac, son fils. Et Sara dit : Dieu m'a fait un sujet de rire ; quiconque l'apprendra 6
rira de moi. Elle ajouta : Qui aurait dit à Abraham : Sara allaitera des enfants ? Cependant je lui 7
ai enfanté un fils dans sa vieillesse. L'enfant grandit, et fut sevré ; et Abraham fit un grand festin le 8
jour où Isaac fut sevré. Sara vit rire le fils qu'Agar, l'Égyptienne, avait enfanté à Abraham ; et elle 9, 10
dit à Abraham : Chasse cette servante et son fils, car le fils de cette servante n'héritera pas avec mon
fils, avec Isaac. Cette parole déplut fort aux yeux d'Abraham, à cause de son fils. Mais Dieu dit à 11, 12
Abraham : Que cela ne déplaise pas à tes yeux, à cause de l'enfant et de ta servante. Accorde à Sara
tout ce qu'elle te demandera ; car c'est d'Isaac que sortira une postérité qui te sera propre. Je ferai 13
aussi une nation du fils de ta servante ; car il est ta postérité. Abraham se leva de bon matin ; il prit 14
du pain et une outre d'eau, qu'il donna à Agar et plaça sur son épaule ; il lui remit aussi l'enfant, et la
renvoya. Elle s'en alla, et s'égara dans le désert de Beer-Schéba. Quand l'eau de l'outre fut épuisée, elle 15
laissa l'enfant sous un des arbrisseaux, et alla s'asseoir vis-à-vis, à une portée d'arc ; car elle disait : 16
Que je ne voie pas mourir mon enfant ! Elle s'assit donc vis-à-vis de lui, éleva la voix et pleura. Dieu 17
entendit la voix de l'enfant ; et l'ange de Dieu appela du ciel Agar, et lui dit : Qu'as-tu, Agar ? Ne crains
point, car Dieu a entendu la voix de l'enfant dans le lieu où il est. Lève -toi, prends l'enfant, saisis -le 18
de ta main ; car je ferai de lui une grande nation. Et Dieu lui ouvrit les yeux, et elle vit un puits d'eau ; 19
elle alla remplir d'eau l'outre, et donna à boire à l'enfant. Dieu fut avec l'enfant, qui grandit, habita 20
dans le désert, et devint tireur d'arc. Il habita dans le désert de Paran, et sa mère lui prit une femme 21
du pays d'Égypte. En ce temps-là, Abimélec, accompagné de Picol, chef de son armée, parla ainsi à 22
Abraham : Dieu est avec toi dans tout ce que tu fais. Jure -moi maintenant ici, par le nom de Dieu, que 23
tu ne tromperas ni moi, ni mes enfants, ni mes petits-enfants, et que tu auras pour moi et le pays où
tu séjournes la même bienveillance que j'ai eue pour toi. Abraham dit : Je le jurerai. Mais Abraham 24, 25

fit des reproches à Abimélec, au sujet d'un puits d'eau, dont s'étaient emparés de force les serviteurs
26 d'Abimélec. Abimélec répondit : J'ignore qui a fait cette chose-là ; tu ne m'en as point informé, et moi,
27 je ne l'apprends qu 'aujourd'hui. Et Abraham prit des brebis et des boeufs, qu'il donna à Abimélec ; et
28, 29 ils firent tous deux alliance. Abraham mit à part sept jeunes brebis. Et Abimélec dit à Abraham : Qu
30 'est-ce que ces sept jeunes brebis, que tu as mises à part ? Il répondit : Tu accepteras de ma main ces
31 sept brebis, afin que cela me serve de témoignage que j'ai creusé ce puits. C'est pourquoi on appelle
32 ce lieu Beer-Schéba ; car c'est là qu'ils jurèrent l'un et l'autre. Ils firent donc alliance à Beer-Schéba.
Après quoi, Abimélec se leva, avec Picol, chef de son armée ; et ils retournèrent au pays des Philistins.
33 Abraham planta des tamariscs à Beer-Schéba ; et là il invoqua le nom de l'Éternel, Dieu de l'éternité.
34 Abraham séjourna longtemps dans le pays des Philistins.

22 Après ces choses, Dieu mit Abraham à l'épreuve, et lui dit : Abraham ! Et il répondit : Me voici !
2 Dieu dit : Prends ton fils, ton unique, celui que tu aimes, Isaac ; va -t'en au pays de Morija, et là offre
3 -le en holocauste sur l'une des montagnes que je te dirai. Abraham se leva de bon matin, sella son
âne, et prit avec lui deux serviteurs et son fils Isaac. Il fendit du bois pour l'holocauste, et partit pour
4 aller au lieu que Dieu lui avait dit. Le troisième jour, Abraham, levant les yeux, vit le lieu de loin.
5 Et Abraham dit à ses serviteurs : Restez ici avec l'âne ; moi et le jeune homme, nous irons jusque-là
6 pour adorer, et nous reviendrons auprès de vous. Abraham prit le bois pour l'holocauste, le chargea sur
7 son fils Isaac, et porta dans sa main le feu et le couteau. Et ils marchèrent tous deux ensemble. Alors
Isaac, parlant à Abraham, son père, dit : Mon père ! Et il répondit : Me voici, mon fils ! Isaac reprit :
8 Voici le feu et le bois ; mais où est l'agneau pour l'holocauste ? Abraham répondit : Mon fils, Dieu se
9 pourvoira lui-même de l'agneau pour l'holocauste. Et ils marchèrent tous deux ensemble. Lorsqu'ils
furent arrivés au lieu que Dieu lui avait dit, Abraham y éleva un autel, et rangea le bois. Il lia son fils
10 Isaac, et le mit sur l'autel, par-dessus le bois. Puis Abraham étendit la main, et prit le couteau, pour
11 égorger son fils. Alors l'ange de l'Éternel l'appela des cieux, et dit : Abraham ! Abraham ! Et il répondit :
12 Me voici ! L'ange dit : N'avance pas ta main sur l'enfant, et ne lui fais rien ; car je sais maintenant que
13 tu crains Dieu, et que tu ne m'as pas refusé ton fils, ton unique. Abraham leva les yeux, et vit derrière
lui un bélier retenu dans un buisson par les cornes ; et Abraham alla prendre le bélier, et l'offrit en
14 holocauste à la place de son fils. Abraham donna à ce lieu le nom de Jehova-Jiré. C'est pourquoi l'on
15 dit aujourd'hui : À la montagne de l'Éternel il sera pourvu. L'ange de l'Éternel appela une seconde fois
16 Abraham des cieux, et dit : Je le jure par moi-même, parole de l'Éternel ! parce que tu as fait cela,
17 et que tu n'as pas refusé ton fils, ton unique, je te bénirai et je multiplierai ta postérité, comme les
étoiles du ciel et comme le sable qui est sur le bord de la mer ; et ta postérité possédera la porte de ses
18 ennemis. Toutes les nations de la terre seront bénies en ta postérité, parce que tu as obéi à ma voix.
19 Abraham étant retourné vers ses serviteurs, ils se levèrent et s'en allèrent ensemble à Beer-Schéba ; car
20 Abraham demeurait à Beer-Schéba. Après ces choses, on fit à Abraham un rapport, en disant : Voici,
21 Milca a aussi enfanté des fils à Nachor, ton frère : Uts, son premier-né, Buz, son frère, Kemuel, père
22, 23 d'Aram, Késed, Hazo, Pildasch, Jidlaph et Bethuel. Bethuel a engendré Rebecca. Ce sont là les huit
24 fils que Milca a enfantés à Nachor, frère d'Abraham. Sa concubine, nommée Réuma, a aussi enfanté
Thébach, Gaham, Tahasch et Maaca.

23, 2 La vie de Sara fut de cent vingt -sept ans : telles sont les années de la vie de Sara. Sara mourut à
Kirjath-Arba, qui est Hébron, dans le pays de Canaan ; et Abraham vint pour mener deuil sur Sara et
3, 4 pour la pleurer. Abraham se leva de devant son mort, et parla ainsi aux fils de Heth : Je suis étranger
et habitant parmi vous ; donnez -moi la possession d'un sépulcre chez vous, pour enterrer mon mort
5, 6 et l'ôter de devant moi. Les fils de Heth répondirent à Abraham, en lui disant : Écoute -nous, mon
seigneur ! Tu es un prince de Dieu au milieu de nous ; enterre ton mort dans celui de nos sépulcres que
7 tu choisiras ; aucun de nous ne te refusera son sépulcre pour enterrer ton mort. Abraham se leva, et se
8 prosterna devant le peuple du pays, devant les fils de Heth. Et il leur parla ainsi : Si vous permettez
que j'enterre mon mort et que je l'ôte de devant mes yeux, écoutez -moi, et priez pour moi Éphron, fils
9 de Tsochar, de me céder la caverne de Macpéla, qui lui appartient, à l'extrémité de son champ, de me
la céder contre sa valeur en argent, afin qu'elle me serve de possession sépulcrale au milieu de vous.
10 Éphron était assis parmi les fils de Heth. Et Éphron, le Héthien, répondit à Abraham, en présence des
11 fils de Heth et de tous ceux qui entraient par la porte de sa ville : Non, mon seigneur, écoute -moi !
Je te donne le champ, et je te donne la caverne qui y est. Je te les donne, aux yeux des fils de mon
12, 13 peuple : enterre ton mort. Abraham se prosterna devant le peuple du pays. Et il parla ainsi à Éphron,
en présence du peuple du pays : Écoute -moi, je te prie ! Je donne le prix du champ : accepte -le de
14, 15 moi ; et j'y enterrerai mon mort. Et Éphron répondit à Abraham, en lui disant : Mon seigneur, écoute
-moi ! Une terre de quatre cents sicles d'argent, qu'est-ce que cela entre moi et toi ? Enterre ton mort.
16 Abraham comprit Éphron ; et Abraham pesa à Éphron l'argent qu'il avait dit, en présence des fils de

Heth, quatre cents sicles d'argent ayant cours chez le marchand. Le champ d'Éphron à Macpéla, vis-à- 17
vis de Mamré, le champ et la caverne qui y est, et tous les arbres qui sont dans le champ et dans toutes
ses limites alentour, devinrent ainsi la propriété d'Abraham, aux yeux des fils de Heth et de tous ceux 18
qui entraient par la porte de sa ville. Après cela, Abraham enterra Sara, sa femme, dans la caverne 19
du champ de Macpéla, vis-à-vis de Mamré, qui est Hébron, dans le pays de Canaan. Le champ et la 20
caverne qui y est demeurèrent à Abraham comme possession sépulcrale, acquise des fils de Heth.

Abraham était vieux, avancé en âge ; et l'Éternel avait béni Abraham en toute chose. Abraham dit **24**, 2
à son serviteur, le plus ancien de sa maison, l'intendant de tous ses biens : Mets, je te prie, ta main sous
ma cuisse ; et je te ferai jurer par l'Éternel, le Dieu du ciel et le Dieu de la terre, de ne pas prendre pour 3
mon fils une femme parmi les filles des Cananéens au milieu desquels j'habite, mais d'aller dans mon 4
pays et dans ma patrie prendre une femme pour mon fils Isaac. Le serviteur lui répondit : Peut-être la 5
femme ne voudra -t-elle pas me suivre dans ce pays-ci ; devrai -je mener ton fils dans le pays d'où tu es
sorti ? Abraham lui dit : Garde-toi d'y mener mon fils ! L'Éternel, le Dieu du ciel, qui m'a fait sortir de 6, 7
la maison de mon père et de ma patrie, qui m'a parlé et qui m'a juré, en disant : Je donnerai ce pays à
ta postérité, lui-même enverra son ange devant toi ; et c'est de là que tu prendras une femme pour mon
fils. Si la femme ne veut pas te suivre, tu seras dégagé de ce serment que je te fais faire. Seulement, 8
tu n'y mèneras pas mon fils. Le serviteur mit sa main sous la cuisse d'Abraham, son seigneur, et lui 9
jura d'observer ces choses. Le serviteur prit dix chameaux parmi les chameaux de son seigneur, et 10
il partit, ayant à sa disposition tous les biens de son seigneur. Il se leva, et alla en Mésopotamie, à
la ville de Nachor. Il fit reposer les chameaux sur leurs genoux hors de la ville, près d'un puits, au 11
temps du soir, au temps où sortent celles qui vont puiser de l'eau. Et il dit : Éternel, Dieu de mon 12
seigneur Abraham, fais -moi, je te prie, rencontrer aujourd'hui ce que je désire, et use de bonté envers
mon seigneur Abraham ! Voici, je me tiens près de la source d'eau, et les filles des gens de la ville vont 13
sortir pour puiser de l'eau. Que la jeune fille à laquelle je dirai : Penche ta cruche, je te prie, pour que 14
je boive, et qui répondra : Bois, et je donnerai aussi à boire à tes chameaux, soit celle que tu as destinée
à ton serviteur Isaac ! Et par là je connaîtrai que tu uses de bonté envers mon seigneur. Il n'avait pas 15
encore fini de parler que sortit, sa cruche sur l'épaule, Rebecca, née de Bethuel, fils de Milca, femme de
Nachor, frère d'Abraham. C'était une jeune fille très belle de figure ; elle était vierge, et aucun homme 16
ne l'avait connue. Elle descendit à la source, remplit sa cruche, et remonta. Le serviteur courut au- 17
devant d'elle, et dit : Laisse-moi boire, je te prie, un peu d'eau de ta cruche. Elle répondit : Bois, mon 18
seigneur. Et elle s'empressa d'abaisser sa cruche sur sa main, et de lui donner à boire. Quand elle eut 19
achevé de lui donner à boire, elle dit : Je puiserai aussi pour tes chameaux, jusqu'à ce qu'ils aient assez
bu. Et elle s'empressa de vider sa cruche dans l'abreuvoir, et courut encore au puits pour puiser ; et 20
elle puisa pour tous les chameaux. L'homme la regardait avec étonnement et sans rien dire, pour voir 21
si l'Éternel faisait réussir son voyage, ou non. Quand les chameaux eurent fini de boire, l'homme prit 22
un anneau d'or, du poids d'un demi-sicle, et deux bracelets, du poids de dix sicles d'or. Et il dit : De qui 23
es-tu fille ? dis -le moi, je te prie. Y a -t-il dans la maison de ton père de la place pour passer la nuit ?
Elle répondit : Je suis fille de Bethuel, fils de Milca et de Nachor. Elle lui dit encore : Il y a chez nous de 24, 25
la paille et du fourrage en abondance, et aussi de la place pour passer la nuit. Alors l'homme s'inclina 26
et se prosterna devant l'Éternel, en disant : Béni soit l'Éternel, le Dieu de mon seigneur Abraham, qui 27
n'a pas renoncé à sa miséricorde et à sa fidélité envers mon seigneur ! Moi-même, l'Éternel m'a conduit
à la maison des frères de mon seigneur. La jeune fille courut raconter ces choses à la maison de sa 28
mère. Rebecca avait un frère, nommé Laban. Et Laban courut dehors vers l'homme, près de la source. 29
Il avait vu l'anneau et les bracelets aux mains de sa soeur, et il avait entendu les paroles de Rebecca, 30
sa soeur, disant : Ainsi m'a parlé l'homme. Il vint donc à cet homme qui se tenait auprès des chameaux,
vers la source, et il dit : Viens, béni de l'Éternel ! Pourquoi resterais -tu dehors ? J'ai préparé la maison, 31
et une place pour les chameaux. L'homme arriva à la maison. Laban fit décharger les chameaux, et il 32
donna de la paille et du fourrage aux chameaux, et de l'eau pour laver les pieds de l'homme et les pieds
des gens qui étaient avec lui. Puis, il lui servit à manger. Mais il dit : Je ne mangerai point, avant 33
d'avoir dit ce que j'ai à dire. Parle ! dit Laban. Alors il dit : Je suis serviteur d'Abraham. L'Éternel a 34, 35
comblé de bénédictions mon seigneur, qui est devenu puissant. Il lui a donné des brebis et des boeufs,
de l'argent et de l'or, des serviteurs et des servantes, des chameaux et des ânes. Sara, la femme de 36
mon seigneur, a enfanté dans sa vieillesse un fils à mon seigneur ; et il lui a donné tout ce qu'il possède.
Mon seigneur m'a fait jurer, en disant : Tu ne prendras pas pour mon fils une femme parmi les filles des 37
Cananéens, dans le pays desquels j'habite ; mais tu iras dans la maison de mon père et de ma famille 38
prendre une femme pour mon fils. J'ai dit à mon seigneur : Peut-être la femme ne voudra-t-elle pas me 39
suivre. Et il m'a répondu : L'Éternel, devant qui j'ai marché, enverra son ange avec toi, et fera réussir 40
ton voyage ; et tu prendras pour mon fils une femme de la famille et de la maison de mon père. Tu seras 41

dégagé du serment que tu me fais, quand tu auras été vers ma famille ; si on ne te l'accorde pas, tu seras
42 dégagé du serment que tu me fais. Je suis arrivé aujourd'hui à la source, et j'ai dit : Éternel, Dieu de
43 mon seigneur Abraham, si tu daignes faire réussir le voyage que j'accomplis, voici, je me tiens près de
la source d'eau, et que la jeune fille qui sortira pour puiser, à qui je dirai : Laisse-moi boire, je te prie, un
44 peu d'eau de ta cruche, et qui me répondra : Bois toi-même, et je puiserai aussi pour tes chameaux, que
45 cette jeune fille soit la femme que l'Éternel a destinée au fils de mon seigneur ! Avant que j'eusse fini de
parler en mon coeur, voici, Rebecca est sortie, sa cruche sur l'épaule ; elle est descendue à la source, et
46 a puisé. Je lui ai dit : Donne-moi à boire, je te prie. Elle s'est empressée d'abaisser sa cruche de dessus
son épaule, et elle a dit : Bois, et je donnerai aussi à boire à tes chameaux. J'ai bu, et elle a aussi donné
47 à boire à mes chameaux. Je l'ai interrogée, et j'ai dit : De qui es-tu fille ? Elle a répondu : Je suis fille de
48 Bethuel, fils de Nachor et de Milca. J'ai mis l'anneau à son nez, et les bracelets à ses mains. Puis je me
suis incliné et prosterné devant l'Éternel, et j'ai béni l'Éternel, le Dieu de mon seigneur Abraham, qui
49 m'a conduit fidèlement, afin que je prisse la fille du frère de mon seigneur pour son fils. Maintenant,
si vous voulez user de bienveillance et de fidélité envers mon seigneur, déclarez -le-moi ; sinon, déclarez
50 -le-moi, et je me tournerai à droite ou à gauche. Laban et Bethuel répondirent, et dirent : C'est de
51 l'Éternel que la chose vient ; nous ne pouvons te parler ni en mal ni en bien. Voici Rebecca devant
52 toi ; prends et va, et qu'elle soit la femme du fils de ton seigneur, comme l'Éternel l'a dit. Lorsque le
53 serviteur d'Abraham eut entendu leurs paroles, il se prosterna en terre devant l'Éternel. Et le serviteur
sortit des objets d'argent, des objets d'or, et des vêtements, qu'il donna à Rebecca ; il fit aussi de riches
54 présents à son frère et à sa mère. Après quoi, ils mangèrent et burent, lui et les gens qui étaient avec
lui, et ils passèrent la nuit. Le matin, quand ils furent levés, le serviteur dit : Laissez-moi retourner
55 vers mon seigneur. Le frère et la mère dirent : Que la jeune fille reste avec nous quelque temps encore,
56 une dizaine de jours ; ensuite, tu partiras. Il leur répondit : Ne me retardez pas, puisque l'Éternel a
57 fait réussir mon voyage ; laissez-moi partir, et que j'aille vers mon seigneur. Alors ils répondirent :
58 Appelons la jeune fille et consultons -la. Ils appelèrent donc Rebecca, et lui dirent : Veux-tu aller avec
59 cet homme ? Elle répondit : J'irai. Et ils laissèrent partir Rebecca, leur soeur, et sa nourrice, avec le
60 serviteur d'Abraham et ses gens. Ils bénirent Rebecca, et lui dirent : O notre soeur, puisses-tu devenir
61 des milliers de myriades, et que ta postérité possède la porte de ses ennemis ! Rebecca se leva, avec ses
servantes ; elles montèrent sur les chameaux, et suivirent l'homme. Et le serviteur emmena Rebecca,
62 et partit. Cependant Isaac était revenu du puits de Lachaï-roï, et il habitait dans le pays du midi.
63 Un soir qu'Isaac était sorti pour méditer dans les champs, il leva les yeux, et regarda ; et voici, des
64, 65 chameaux arrivaient. Rebecca leva aussi les yeux, vit Isaac, et descendit de son chameau. Elle dit au
serviteur : Qui est cet homme, qui vient dans les champs à notre rencontre ? Et le serviteur répondit :
66 C'est mon seigneur. Alors elle prit son voile, et se couvrit. Le serviteur raconta à Isaac toutes les choses
67 qu'il avait faites. Isaac conduisit Rebecca dans la tente de Sara, sa mère ; il prit Rebecca, qui devint sa
femme, et il l'aima. Ainsi fut consolé Isaac, après avoir perdu sa mère.

25, 2 Abraham prit encore une femme, nommée Ketura. Elle lui enfanta Zimran, Jokschan, Medan, Ma-
3 dian, Jischbak et Schuach. Jokschan engendra Séba et Dedan. Les fils de Dedan furent les Aschurim,
4 les Letuschim et les Leummim. Les fils de Madian furent Épha, Épher, Hénoc, Abida et Eldaa. -Ce sont
5, 6 là tous les fils de Ketura. Abraham donna tous ses biens à Isaac. Il fit des dons aux fils de ses concu-
bines ; et, tandis qu'il vivait encore, il les envoya loin de son fils Isaac du côté de l'orient, dans le pays
7, 8 d'Orient. Voici les jours des années de la vie d'Abraham : il vécut cent soixante quinze ans. Abraham
expira et mourut, après une heureuse vieillesse, âgé et rassasié de jours, et il fut recueilli auprès de son
9 peuple. Isaac et Ismaël, ses fils, l'enterrèrent dans la caverne de Macpéla, dans le champ d'Éphron, fils
10 de Tsochar, le Héthien, vis-à-vis de Mamré. C'est le champ qu'Abraham avait acquis des fils de Heth.
11 Là furent enterrés Abraham et Sara, sa femme. Après la mort d'Abraham, Dieu bénit Isaac, son fils. Il
12 habitait près du puits de Lachaï-roï. Voici la postérité d'Ismaël, fils d'Abraham, qu'Agar, l'Égyptienne,
13 servante de Sara, avait enfanté à Abraham. Voici les noms des fils d'Ismaël, par leurs noms, selon leurs
14, 15 générations : Nebajoth, premier-né d'Ismaël, Kédar, Adbeel, Mibsam, Mischma, Duma, Massa, Ha-
16 dad, Théma, Jethur, Naphisch et Kedma. Ce sont là les fils d'Ismaël ; ce sont là leurs noms, selon leurs
17 parcs et leurs enclos. Ils furent les douze chefs de leurs peuples. Et voici les années de la vie d'Ismaël :
18 cent trente -sept ans. Il expira et mourut, et il fut recueilli auprès de son peuple. Ses fils habitèrent
depuis Havila jusqu'à Schur, qui est en face de l'Égypte, en allant vers l'Assyrie. Il s'établit en présence
19, 20 de tous ses frères. Voici la postérité d'Isaac, fils d'Abraham. Abraham engendra Isaac. Isaac était âgé
de quarante ans, quand il prit pour femme Rebecca, fille de Bethuel, l'Araméen, de Paddan-Aram, et
21 soeur de Laban, l'Araméen. Isaac implora l'Éternel pour sa femme, car elle était stérile, et l'Éternel
22 l'exauça : Rebecca, sa femme, devint enceinte. Les enfants se heurtaient dans son sein ; et elle dit : S'il

en est ainsi, pourquoi suis-je enceinte ? Elle alla consulter l'Éternel. Et l'Éternel lui dit : Deux nations 23
sont dans ton ventre, et deux peuples se sépareront au sortir de tes entrailles ; un de ces peuples sera
plus fort que l'autre, et le plus grand sera assujetti au plus petit. Les jours où elle devait accoucher 24
s'accomplirent ; et voici, il y avait deux jumeaux dans son ventre. Le premier sortit entièrement roux, 25
comme un manteau de poil ; et on lui donna le nom d'Ésaü. Ensuite sortit son frère, dont la main tenait 26
le talon d'Ésaü ; et on lui donna le nom de Jacob. Isaac était âgé de soixante ans, lorsqu'ils naquirent.
Ces enfants grandirent. Ésaü devint un habile chasseur, un homme des champs ; mais Jacob fut un 27
homme tranquille, qui restait sous les tentes. Isaac aimait Ésaü, parce qu'il mangeait du gibier ; et Re- 28
becca aimait Jacob. Comme Jacob faisait cuire un potage, Ésaü revint des champs, accablé de fatigue. 29
Et Ésaü dit à Jacob : Laisse-moi, je te prie, manger de ce roux, de ce roux -là, car je suis fatigué. C'est 30
pour cela qu'on a donné à Ésaü le nom d'Édom. Jacob dit : Vends -moi aujourd'hui ton droit d'aînesse. 31
Ésaü répondit : Voici, je m'en vais mourir ; à quoi me sert ce droit d'aînesse ? Et Jacob dit : Jure -le 32, 33
moi d'abord. Il le lui jura, et il vendit son droit d'aînesse à Jacob. Alors Jacob donna à Ésaü du pain 34
et du potage de lentilles. Il mangea et but, puis se leva et s'en alla. C'est ainsi qu'Ésaü méprisa le droit
d'aînesse.

Il y eut une famine dans le pays, outre la première famine qui eut lieu du temps d'Abraham ; et **26**
Isaac alla vers Abimélec, roi des Philistins, à Guérar. L'Éternel lui apparut, et dit : Ne descends pas 2
en Égypte, demeure dans le pays que je te dirai. Séjourne dans ce pays-ci : je serai avec toi, et je te 3
bénirai, car je donnerai toutes ces contrées à toi et à ta postérité, et je tiendrai le serment que j'ai fait
à Abraham, ton père. Je multiplierai ta postérité comme les étoiles du ciel ; je donnerai à ta postérité 4
toutes ces contrées ; et toutes les nations de la terre seront bénies en ta postérité, parce qu 'Abraham 5
a obéi à ma voix, et qu'il a observé mes ordres, mes commandements, mes statuts et mes lois. Et Isaac 6
resta à Guérar. Lorsque les gens du lieu faisaient des questions sur sa femme, il disait : C'est ma 7
soeur ; car il craignait, en disant ma femme, que les gens du lieu ne le tuassent, parce que Rebecca était
belle de figure. Comme son séjour se prolongeait, il arriva qu'Abimélec, roi des Philistins, regardant 8
par la fenêtre, vit Isaac qui plaisantait avec Rebecca, sa femme. Abimélec fit appeler Isaac, et dit : 9
Certainement, c'est ta femme. Comment as-tu pu dire : C'est ma soeur ? Isaac lui répondit : J'ai parlé
ainsi, de peur de mourir à cause d'elle. Et Abimélec dit : Qu'est-ce que tu nous as fait ? Peu s'en est 10
fallu que quelqu'un du peuple n'ait couché avec ta femme, et tu nous aurais rendus coupables. Alors 11
Abimélec fit cette ordonnance pour tout le peuple : Celui qui touchera à cet homme ou à sa femme sera
mis à mort. Isaac sema dans ce pays, et il recueillit cette année le centuple ; car l'Éternel le bénit. 12
Cet homme devint riche, et il alla s'enrichissant de plus en plus, jusqu'à ce qu'il devint fort riche. Il 13, 14
avait des troupeaux de menu bétail et des troupeaux de gros bétail, et un grand nombre de serviteurs :
aussi les Philistins lui portèrent envie. Tous les puits qu'avaient creusés les serviteurs de son père, du 15
temps d'Abraham, son père, les Philistins les comblèrent et les remplirent de poussière. Et Abimélec 16
dit à Isaac : Va -t-en de chez nous, car tu es beaucoup plus puissant que nous. Isaac partit de là, 17
et campa dans la vallée de Guérar, où il s'établit. Isaac creusa de nouveau les puits d'eau qu'on avait 18
creusés du temps d'Abraham, son père, et qu'avaient comblés les Philistins après la mort d'Abraham ; et
il leur donna les mêmes noms que son père leur avait donnés. Les serviteurs d'Isaac creusèrent encore 19
dans la vallée, et y trouvèrent un puits d'eau vive. Les bergers de Guérar querellèrent les bergers 20
d'Isaac, en disant : L'eau est à nous. Et il donna au puits le nom d'Ések, parce qu'ils s'étaient disputés
avec lui. Ses serviteurs creusèrent un autre puits, au sujet duquel on chercha aussi une querelle ; et il 21
l'appela Sitna. Il se transporta de là, et creusa un autre puits, pour lequel on ne chercha pas querelle ; 22
et il l'appela Rehoboth, car, dit -il, l'Éternel nous a maintenant mis au large, et nous prospérerons dans
le pays. Il remonta de là à Beer-Schéba. L'Éternel lui apparut dans la nuit, et dit : Je suis le Dieu 23, 24
d'Abraham, ton père ; ne crains point, car je suis avec toi ; je te bénirai, et je multiplierai ta postérité, à
cause d'Abraham, mon serviteur. Il bâtit là un autel, invoqua le nom de l'Éternel, et y dressa sa tente. 25
Et les serviteurs d'Isaac y creusèrent un puits. Abimélec vint de Guérar auprès de lui, avec Ahuzath, 26
son ami, et Picol, chef de son armée. Isaac leur dit : Pourquoi venez -vous vers moi, puisque vous me 27
haïssez et que vous m'avez renvoyé de chez vous ? Ils répondirent : Nous voyons que l'Éternel est avec 28
toi. C'est pourquoi nous disons : Qu'il y ait un serment entre nous, entre nous et toi, et que nous fassions
alliance avec toi ! Jure que tu ne nous feras aucun mal, de même que nous ne t'avons point maltraité, 29
que nous t'avons fait seulement du bien, et que nous t'avons laissé partir en paix. Tu es maintenant
béni de l'Éternel. Isaac leur fit un festin, et ils mangèrent et burent. Ils se levèrent de bon matin, et se 30, 31
lièrent l'un à l'autre par un serment. Isaac les laissa partir, et ils le quittèrent en paix. Ce même jour, 32
des serviteurs d'Isaac vinrent lui parler du puits qu'ils creusaient, et lui dirent : Nous avons trouvé de

33 l'eau. Et il l'appela Schiba. C'est pourquoi on a donné à la ville le nom de Beer-Schéba, jusqu'à ce jour.
34 Ésaü, âgé de quarante ans, prit pour femmes Judith, fille de Beéri, le Héthien, et Basmath, fille d'Élon,
35 le Héthien. Elles furent un sujet d'amertume pour le coeur d'Isaac et de Rebecca.

27 Isaac devenait vieux, et ses yeux s'étaient affaiblis au point qu'il ne voyait plus. Alors il appela Ésaü,
2 son fils aîné, et lui dit : Mon fils ! Et il lui répondit : Me voici ! Isaac dit : Voici donc, je suis vieux, je
3 ne connais pas le jour de ma mort. Maintenant donc, je te prie, prends tes armes, ton carquois et ton
4 arc, va dans les champs, et chasse -moi du gibier. Fais -moi un mets comme j'aime, et apporte -le-moi à
5 manger, afin que mon âme te bénisse avant que je meure. Rebecca écouta ce qu'Isaac disait à Ésaü, son
6 fils. Et Ésaü s'en alla dans les champs, pour chasser du gibier et pour le rapporter. Puis Rebecca dit à
7 Jacob, son fils : Voici, j'ai entendu ton père qui parlait ainsi à Ésaü, ton frère : Apporte -moi du gibier
8 et fais -moi un mets que je mangerai ; et je te bénirai devant l'Éternel avant ma mort. Maintenant,
9 mon fils, écoute ma voix à l'égard de ce que je te commande. Va me prendre au troupeau deux bons
10 chevreaux ; j'en ferai pour ton père un mets comme il aime ; et tu le porteras à manger à ton père,
11 afin qu 'il te bénisse avant sa mort. Jacob répondit à sa mère : Voici, Ésaü, mon frère, est velu, et je
12 n'ai point de poil. Peut-être mon père me touchera -t-il, et je passerai à ses yeux pour un menteur, et
13 je ferai venir sur moi la malédiction, et non la bénédiction. Sa mère lui dit : Que cette malédiction,
14 mon fils, retombe sur moi ! Écoute seulement ma voix, et va me les prendre. Jacob alla les prendre,
15 et les apporta à sa mère, qui fit un mets comme son père aimait. Ensuite, Rebecca prit les vêtements
d'Ésaü, son fils aîné, les plus beaux qui se trouvaient à la maison, et elle les fit mettre à Jacob, son fils
16, 17 cadet. Elle couvrit ses mains de la peau des chevreaux, et son cou qui était sans poil. Et elle plaça
18 dans la main de Jacob, son fils, le mets et le pain qu'elle avait préparés. Il vint vers son père, et dit :
19 Mon père ! Et Isaac dit : Me voici ! qui es-tu, mon fils ? Jacob répondit à son père : Je suis Ésaü, ton
fils aîné ; j'ai fait ce que tu m'as dit. Lève -toi, je te prie, assieds -toi, et mange de mon gibier, afin que
20 ton âme me bénisse. Isaac dit à son fils : Eh quoi ! tu en as déjà trouvé, mon fils ! Et Jacob répondit :
21 C'est que l'Éternel, ton Dieu, l'a fait venir devant moi. Isaac dit à Jacob : Approche donc, et que je te
22 touche, mon fils, pour savoir si tu es mon fils Ésaü, ou non. Jacob s'approcha d'Isaac, son père, qui le
23 toucha, et dit : La voix est la voix de Jacob, mais les mains sont les mains d'Ésaü. Il ne le reconnut
24 pas, parce que ses mains étaient velues, comme les mains d'Ésaü, son frère ; et il le bénit. Il dit : C'est
25 toi qui es mon fils Ésaü ? Et Jacob répondit : C'est moi. Isaac dit : Sers -moi, et que je mange du gibier
de mon fils, afin que mon âme te bénisse. Jacob le servit, et il mangea ; il lui apporta aussi du vin, et il
26, 27 but. Alors Isaac, son père, lui dit : Approche donc, et baise -moi, mon fils. Jacob s'approcha, et le baisa.
Isaac sentit l'odeur de ses vêtements ; puis il le bénit, et dit : Voici, l'odeur de mon fils est comme l'odeur
28 d'un champ que l'Éternel a béni. Que Dieu te donne de la rosée du ciel Et de la graisse de la terre,
29 Du blé et du vin en abondance ! Que des peuples te soient soumis, Et que des nations se prosternent
devant toi ! Sois le maître de tes frères, Et que les fils de ta mère se prosternent devant toi ! Maudit
30 soit quiconque te maudira, Et béni soit quiconque te bénira. Isaac avait fini de bénir Jacob, et Jacob
31 avait à peine quitté son père Isaac, qu'Ésaü, son frère, revint de la chasse. Il fit aussi un mets, qu'il
porta à son père ; et il dit à son père : Que mon père se lève et mange du gibier de son fils, afin que ton
32, 33 âme me bénisse ! Isaac, son père, lui dit : Qui es-tu ? Et il répondit : Je suis ton fils aîné, Ésaü. Isaac
fut saisi d'une grande, d'une violente émotion, et il dit : Qui est donc celui qui a chassé du gibier, et
34 me l'a apporté ? J'ai mangé de tout avant que tu vinsses, et je l'ai béni. Aussi sera-t-il béni. Lorsque
Ésaü entendit les paroles de son père, il poussa de forts cris, pleins d'amertume, et il dit à son père :
35, 36 Bénis -moi aussi, mon père ! Isaac dit : Ton frère est venu avec ruse, et il a enlevé ta bénédiction. Ésaü
dit : Est-ce parce qu'on l'a appelé du nom de Jacob qu'il m'a supplanté deux fois ? Il a enlevé mon droit
d'aînesse, et voici maintenant qu'il vient d'enlever ma bénédiction. Et il dit : N'as-tu point réservé de
37 bénédiction pour moi ? Isaac répondit, et dit à Ésaü : Voici, je l'ai établi ton maître, et je lui ai donné
tous ses frères pour serviteurs, je l'ai pourvu de blé et de vin : que puis-je donc faire pour toi, mon fils ?
38 Ésaü dit à son père : N'as-tu que cette seule bénédiction, mon père ? Bénis -moi aussi, mon père ! Et
39 Ésaü éleva la voix, et pleura. Isaac, son père, répondit, et lui dit : Voici ! Ta demeure sera privée de la
40 graisse de la terre Et de la rosée du ciel, d'en haut. Tu vivras de ton épée, Et tu seras asservi à ton
41 frère ; Mais en errant librement çà et là, Tu briseras son joug de dessus ton cou. Ésaü conçut de la
haine contre Jacob, à cause de la bénédiction dont son père l'avait béni ; et Ésaü disait en son coeur :
42 Les jours du deuil de mon père vont approcher, et je tuerai Jacob, mon frère. On rapporta à Rebecca
les paroles d'Ésaü, son fils aîné. Elle fit alors appeler Jacob, son fils cadet, et elle lui dit : Voici, Ésaü,
43 ton frère, veut tirer vengeance de toi, en te tuant. Maintenant, mon fils, écoute ma voix ! Lève -toi, fuis

chez Laban, mon frère, à Charan ; et reste auprès de lui quelque temps, jusqu'à ce que la fureur de ton 44
frère s'apaise, jusqu'à ce que la colère de ton frère se détourne de toi, et qu'il oublie ce que tu lui as 45
fait. Alors je te ferai revenir. Pourquoi serais-je privée de vous deux en un même jour ? Rebecca dit à 46
Isaac : Je suis dégoûtée de la vie, à cause des filles de Heth. Si Jacob prend une femme, comme celles-ci,
parmi les filles de Heth, parmi les filles du pays, à quoi me sert la vie ?

28 Isaac appela Jacob, le bénit, et lui donna cet ordre : Tu ne prendras pas une femme parmi les filles
de Canaan. Lève -toi, va à Paddan-Aram, à la maison de Bethuel, père de ta mère, et prends -y une 2
femme d'entre les filles de Laban, frère de ta mère. Que le Dieu tout-puissant te bénisse, te rende 3
fécond et te multiplie, afin que tu deviennes une multitude de peuples ! Qu'il te donne la bénédiction 4
d'Abraham, à toi et à ta postérité avec toi, afin que tu possèdes le pays où tu habites comme étranger,
et qu'il a donné à Abraham ! Et Isaac fit partir Jacob, qui s'en alla à Paddan-Aram, auprès de Laban, 5
fils de Bethuel, l'Araméen, frère de Rebecca, mère de Jacob et d'Ésaü. Ésaü vit qu'Isaac avait béni 6
Jacob, et qu'il l'avait envoyé à Paddan-Aram pour y prendre une femme, et qu'en le bénissant il lui
avait donné cet ordre : Tu ne prendras pas une femme parmi les filles de Canaan. Il vit que Jacob 7
avait obéi à son père et à sa mère, et qu'il était parti pour Paddan-Aram. Ésaü comprit ainsi que les 8
filles de Canaan déplaisaient à Isaac, son père. Et Ésaü s'en alla vers Ismaël. Il prit pour femme, outre 9
les femmes qu'il avait, Mahalath, fille d'Ismaël, fils d'Abraham, et soeur de Nebajoth. Jacob partit 10
de Beer-Schéba, et s'en alla à Charan. Il arriva dans un lieu où il passa la nuit ; car le soleil était 11
couché. Il y prit une pierre, dont il fit son chevet, et il se coucha dans ce lieu-là. Il eut un songe. Et 12
voici, une échelle était appuyée sur la terre, et son sommet touchait au ciel. Et voici, les anges de Dieu
montaient et descendaient par cette échelle. Et voici, l'Éternel se tenait au-dessus d'elle ; et il dit : Je 13
suis l'Éternel, le Dieu d'Abraham, ton père, et le Dieu d'Isaac. La terre sur laquelle tu es couché, je
la donnerai à toi et à ta postérité. Ta postérité sera comme la poussière de la terre ; tu t'étendras à 14
l'occident et à l'orient, au septentrion et au midi ; et toutes les familles de la terre seront bénies en toi et
en ta postérité. Voici, je suis avec toi, je te garderai partout où tu iras, et je te ramènerai dans ce pays ; 15
car je ne t'abandonnerai point, que je n'aie exécuté ce que je te dis. Jacob s'éveilla de son sommeil et il 16
dit : Certainement, l'Éternel est en ce lieu, et moi, je ne le savais pas ! Il eut peur, et dit : Que ce lieu 17
est redoutable ! C'est ici la maison de Dieu, c'est ici la porte des cieux ! Et Jacob se leva de bon matin ; 18
il prit la pierre dont il avait fait son chevet, il la dressa pour monument, et il versa de l'huile sur son
sommet. Il donna à ce lieu le nom de Béthel ; mais la ville s'appelait auparavant Luz. Jacob fit un 19, 20
voeu, en disant : Si Dieu est avec moi et me garde pendant ce voyage que je fais, s'il me donne du pain
à manger et des habits pour me vêtir, et si je retourne en paix à la maison de mon père, alors l'Éternel 21
sera mon Dieu ; cette pierre, que j'ai dressée pour monument, sera la maison de Dieu ; et je te donnerai 22
la dîme de tout ce que tu me donneras.

29, 2 Jacob se mit en marche, et s'en alla au pays des fils de l'Orient. Il regarda. Et voici, il y avait
un puits dans les champs ; et voici, il y avait à côté trois troupeaux de brebis qui se reposaient, car 3
c'était à ce puits qu'on abreuvait les troupeaux. Et la pierre sur l'ouverture du puits était grande. Tous
les troupeaux se rassemblaient là ; on roulait la pierre de dessus l'ouverture du puits, on abreuvait
les troupeaux, et l'on remettait la pierre à sa place sur l'ouverture du puits. Jacob dit aux bergers : 4
Mes frères, d'où êtes-vous ? Ils répondirent : Nous sommes de Charan. Il leur dit : Connaissez -vous 5
Laban, fils de Nachor ? Ils répondirent : Nous le connaissons. Il leur dit : Est-il en bonne santé ? Ils 6
répondirent : Il est en bonne santé ; et voici Rachel, sa fille, qui vient avec le troupeau. Il dit : Voici, 7
il est encore grand jour, et il n'est pas temps de rassembler les troupeaux ; abreuvez les brebis, puis
allez, et faites-les paître. Ils répondirent : Nous ne le pouvons pas, jusqu'à ce que tous les troupeaux 8
soient rassemblés ; c'est alors qu'on roule la pierre de dessus l'ouverture du puits, et qu'on abreuve les
brebis. Comme il leur parlait encore, survint Rachel avec le troupeau de son père ; car elle était bergère. 9
Lorsque Jacob vit Rachel, fille de Laban, frère de sa mère, et le troupeau de Laban, frère de sa mère, 10
il s'approcha, roula la pierre de dessus l'ouverture du puits, et abreuva le troupeau de Laban, frère de
sa mère. Et Jacob baisa Rachel, il éleva la voix et pleura. Jacob apprit à Rachel qu'il était parent de 11, 12
son père, qu'il était fils de Rebecca. Et elle courut l'annoncer à son père. Dès que Laban eut entendu 13
parler de Jacob, fils de sa soeur, il courut au-devant de lui, il l'embrassa et le baisa, et il le fit venir dans
sa maison. Jacob raconta à Laban toutes ces choses. Et Laban lui dit : Certainement, tu es mon os et 14
ma chair. Jacob demeura un mois chez Laban. Puis Laban dit à Jacob : Parce que tu es mon parent, 15
me serviras -tu pour rien ? Dis -moi quel sera ton salaire. Or, Laban avait deux filles : l'aînée s'appelait 16
Léa, et la cadette Rachel. Léa avait les yeux délicats ; mais Rachel était belle de taille et belle de figure. 17
Jacob aimait Rachel, et il dit : Je te servirai sept ans pour Rachel, ta fille cadette. Et Laban dit : J'aime 18, 19
mieux te la donner que de la donner à un autre homme. Reste chez moi ! Ainsi Jacob servit sept années 20
pour Rachel : et elles furent à ses yeux comme quelques jours, parce qu'il l'aimait. Ensuite Jacob dit à 21

22 Laban : Donne -moi ma femme, car mon temps est accompli : et j'irai vers elle. Laban réunit tous les
23 gens du lieu, et fit un festin. Le soir, il prit Léa, sa fille, et l'amena vers Jacob, qui s'approcha d'elle.
24, 25 Et Laban donna pour servante à Léa, sa fille, Zilpa, sa servante. Le lendemain matin, voilà que c'était
Léa. Alors Jacob dit à Laban : Qu'est-ce que tu m'as fait ? N'est-ce pas pour Rachel que j'ai servi chez
26 toi ? Pourquoi m'as-tu trompé ? Laban dit : Ce n'est point la coutume dans ce lieu de donner la cadette
27 avant l'aînée. Achève la semaine avec celle-ci, et nous te donnerons aussi l'autre pour le service que
28 tu feras encore chez moi pendant sept nouvelles années. Jacob fit ainsi, et il acheva la semaine avec
29 Léa ; puis Laban lui donna pour femme Rachel, sa fille. Et Laban donna pour servante à Rachel, sa
30 fille, Bilha, sa servante. Jacob alla aussi vers Rachel, qu'il aimait plus que Léa ; et il servit encore chez
31 Laban pendant sept nouvelles années. L'Éternel vit que Léa n'était pas aimée ; et il la rendit féconde,
32 tandis que Rachel était stérile. Léa devint enceinte, et enfanta un fils, à qui elle donna le nom de
33 Ruben ; car elle dit : L'Éternel a vu mon humiliation, et maintenant mon mari m'aimera. Elle devint
encore enceinte, et enfanta un fils, et elle dit : L'Éternel a entendu que je n'étais pas aimée, et il m'a
34 aussi accordé celui-ci. Et elle lui donna le nom de Siméon. Elle devint encore enceinte, et enfanta un
fils, et elle dit : Pour cette fois, mon mari s'attachera à moi ; car je lui ai enfanté trois fils. C'est pourquoi
35 on lui donna le nom de Lévi. Elle devint encore enceinte, et enfanta un fils, et elle dit : Cette fois, je
louerai l'Éternel. C'est pourquoi elle lui donna le nom de Juda. Et elle cessa d'enfanter.

30 Lorsque Rachel vit qu'elle ne donnait point d'enfants à Jacob, elle porta envie à sa soeur, et elle dit
2 à Jacob : Donne -moi des enfants, ou je meurs ! La colère de Jacob s'enflamma contre Rachel, et il dit :
3 Suis-je à la place de Dieu, qui t'empêche d'être féconde ? Elle dit : Voici ma servante Bilha ; va vers
4 elle ; qu'elle enfante sur mes genoux, et que par elle j'aie aussi des fils. Et elle lui donna pour femme
5, 6 Bilha, sa servante ; et Jacob alla vers elle. Bilha devint enceinte, et enfanta un fils à Jacob. Rachel dit :
Dieu m'a rendu justice, il a entendu ma voix, et il m'a donné un fils. C'est pourquoi elle l'appela du nom
7, 8 de Dan. Bilha, servante de Rachel, devint encore enceinte, et enfanta un second fils à Jacob. Rachel
9 dit : J'ai lutté divinement contre ma soeur, et j'ai vaincu. Et elle l'appela du nom de Nephthali. Léa
10 voyant qu'elle avait cessé d'enfanter, prit Zilpa, sa servante, et la donna pour femme à Jacob. Zilpa,
11, 12 servante de Léa, enfanta un fils à Jacob. Léa dit : Quel bonheur ! Et elle l'appela du nom de Gad. Zilpa,
13 servante de Léa, enfanta un second fils à Jacob. Léa dit : Que je suis heureuse ! car les filles me diront
14 heureuse. Et elle l'appela du nom d'Aser. Ruben sortit au temps de la moisson des blés, et trouva des
mandragores dans les champs. Il les apporta à Léa, sa mère. Alors Rachel dit à Léa : Donne moi, je te
15 prie, des mandragores de ton fils. Elle lui répondit : Est-ce peu que tu aies pris mon mari, pour que
tu prennes aussi les mandragores de mon fils ? Et Rachel dit : Eh bien ! il couchera avec toi cette nuit
16 pour les mandragores de ton fils. Le soir, comme Jacob revenait des champs, Léa sortit à sa rencontre,
et dit : C'est vers moi que tu viendras, car je t'ai acheté pour les mandragores de mon fils. Et il coucha
17, 18 avec elle cette nuit. Dieu exauça Léa, qui devint enceinte, et enfanta un cinquième fils à Jacob. Léa
dit : Dieu m'a donné mon salaire parce que j'ai donné ma servante à mon mari. Et elle l'appela du nom
19, 20 d'Issacar. Léa devint encore enceinte, et enfanta un sixième fils à Jacob. Léa dit : Dieu m'a fait un
beau don ; cette fois, mon mari habitera avec moi, car je lui ai enfanté six fils. Et elle l'appela du nom
21, 22 de Zabulon. Ensuite, elle enfanta une fille, qu'elle appela du nom de Dina. Dieu se souvint de Rachel,
23 il l'exauça, et il la rendit féconde. Elle devint enceinte, et enfanta un fils, et elle dit : Dieu a enlevé
24 mon opprobre. Et elle lui donna le nom de Joseph, en disant : Que l'Éternel m'ajoute un autre fils !
25 Lorsque Rachel eut enfanté Joseph, Jacob dit à Laban : Laisse-moi partir, pour que je m'en aille chez
26 moi, dans mon pays. Donne -moi mes femmes et mes enfants, pour lesquels je t'ai servi, et je m'en irai ;
27 car tu sais quel service j'ai fait pour toi. Laban lui dit : Puissé-je trouver grâce à tes yeux ! Je vois bien
28, 29 que l'Éternel m'a béni à cause de toi ; fixe -moi ton salaire, et je te le donnerai. Jacob lui dit : Tu sais
30 comment je t'ai servi, et ce qu 'est devenu ton troupeau avec moi ; car le peu que tu avais avant moi
s'est beaucoup accru, et l'Éternel t'a béni sur mes pas. Maintenant, quand travaillerai -je aussi pour ma
31 maison ? Laban dit : Que te donnerai -je ? Et Jacob répondit : Tu ne me donneras rien. Si tu consens
32 à ce que je vais te dire, je ferai paître encore ton troupeau, et je le garderai. Je parcourrai aujourd'hui
tout ton troupeau ; mets à part parmi les brebis tout agneau tacheté et marqueté et tout agneau noir, et
33 parmi les chèvres tout ce qui est marqueté et tacheté. Ce sera mon salaire. Ma droiture répondra pour
moi demain, quand tu viendras voir mon salaire ; tout ce qui ne sera pas tacheté et marqueté parmi
34 les chèvres, et noir parmi les agneaux, ce sera de ma part un vol. Laban dit : Eh bien ! qu'il en soit
35 selon ta parole. Ce même jour, il mit à part les boucs rayés et marquetés, toutes les chèvres tachetées
et marquetées, toutes celles où il y avait du blanc, et tout ce qui était noir parmi les brebis. Il les remit
36 entre les mains de ses fils. Puis il mit l'espace de trois journées de chemin entre lui et Jacob ; et Jacob
37 fit paître le reste du troupeau de Laban. Jacob prit des branches vertes de peuplier, d'amandier et de
38 platane ; il y pela des bandes blanches, mettant à nu le blanc qui était sur les branches. Puis il plaça les

branches, qu'il avait pelées, dans les auges, dans les abreuvoirs, sous les yeux des brebis qui venaient
boire, pour qu'elles entrassent en chaleur en venant boire. Les brebis entraient en chaleur près des 39
branches, et elles faisaient des petits rayés, tachetés et marquetés. Jacob séparait les agneaux, et il 40
mettait ensemble ce qui était rayé et tout ce qui était noir dans le troupeau de Laban. Il se fit ainsi des
troupeaux à part, qu'il ne réunit point au troupeau de Laban. Toutes les fois que les brebis vigoureuses 41
entraient en chaleur, Jacob plaçait les branches dans les auges, sous les yeux des brebis, pour qu'elles
entrassent en chaleur près des branches. Quand les brebis étaient chétives, il ne les plaçait point ; de 42
sorte que les chétives étaient pour Laban, et les vigoureuses pour Jacob. Cet homme devint de plus en 43
plus riche ; il eut du menu bétail en abondance, des servantes et des serviteurs, des chameaux et des
ânes.

Jacob entendit les propos des fils de Laban, qui disaient : Jacob a pris tout ce qui était à notre père, **31**
et c'est avec le bien de notre père qu'il s'est acquis toute cette richesse. Jacob remarqua aussi le visage 2
de Laban ; et voici, il n'était plus envers lui comme auparavant. Alors l'Éternel dit à Jacob : Retourne 3
au pays de tes pères et dans ton lieu de naissance, et je serai avec toi. Jacob fit appeler Rachel et Léa, 4
qui étaient aux champs vers son troupeau. Il leur dit : Je vois, au visage de votre père, qu'il n'est plus 5
envers moi comme auparavant ; mais le Dieu de mon père a été avec moi. Vous savez vous-mêmes 6
que j'ai servi votre père de tout mon pouvoir. Et votre père s'est joué de moi, et a changé dix fois mon 7
salaire ; mais Dieu ne lui a pas permis de me faire du mal. Quand il disait : Les tachetées seront ton 8
salaire, toutes les brebis faisaient des petits tachetés. Et quand il disait : Les rayées seront ton salaire,
toutes les brebis faisaient des petits rayés. Dieu a pris à votre père son troupeau, et me l'a donné. 9
Au temps où les brebis entraient en chaleur, je levai les yeux, et je vis en songe que les boucs qui 10
couvraient les brebis étaient rayés, tachetés et marquetés. Et l'ange de Dieu me dit en songe : Jacob ! 11
Je répondis : Me voici ! Il dit : Lève les yeux, et regarde : tous les boucs qui couvrent les brebis sont 12
rayés, tachetés et marquetés ; car j'ai vu tout ce que te fait Laban. Je suis le Dieu de Béthel, où tu as 13
oint un monument, où tu m'as fait un voeu. Maintenant, lève -toi, sors de ce pays, et retourne au pays de
ta naissance. Rachel et Léa répondirent, et lui dirent : Avons-nous encore une part et un héritage dans 14
la maison de notre père ? Ne sommes-nous pas regardées par lui comme des étrangères, puisqu'il nous 15
a vendues, et qu'il a mangé notre argent ? Toute la richesse que Dieu a ôtée à notre père appartient 16
à nous et à nos enfants. Fais maintenant tout ce que Dieu t'a dit. Jacob se leva, et il fit monter ses 17
enfants et ses femmes sur les chameaux. Il emmena tout son troupeau et tous les biens qu'il possédait, 18
le troupeau qui lui appartenait, qu'il avait acquis à Paddan-Aram ; et il s'en alla vers Isaac, son père,
au pays de Canaan. Tandis que Laban était allé tondre ses brebis, Rachel déroba les théraphim de 19
son père ; et Jacob trompa Laban, l'Araméen, en ne l'avertissant pas de sa fuite. Il s'enfuit, avec tout 20, 21
ce qui lui appartenait ; il se leva, traversa le fleuve, et se dirigea vers la montagne de Galaad. Le 22
troisième jour, on annonça à Laban que Jacob s'était enfui. Il prit avec lui ses frères, le poursuivit 23
sept journées de marche, et l'atteignit à la montagne de Galaad. Mais Dieu apparut la nuit en songe à 24
Laban, l'Araméen, et lui dit : Garde-toi de parler à Jacob ni en bien ni en mal ! Laban atteignit donc 25
Jacob. Jacob avait dressé sa tente sur la montagne ; Laban dressa aussi la sienne, avec ses frères, sur
la montagne de Galaad. Alors Laban dit à Jacob : Qu'as-tu fait ? Pourquoi m'as-tu trompé, et emmènes 26
-tu mes filles comme des captives par l'épée ? Pourquoi as-tu pris la fuite en cachette, m'as-tu trompé, 27
et ne m'as-tu point averti ? Je t'aurais laissé partir au milieu des réjouissances et des chants, au son du
tambourin et de la harpe. Tu ne m'as pas permis d'embrasser mes fils et mes filles ! C'est en insensé 28
que tu as agi. Ma main est assez forte pour vous faire du mal ; mais le Dieu de votre père m'a dit hier : 29
Garde -toi de parler à Jacob ni en bien ni en mal ! Maintenant que tu es parti, parce que tu languissais 30
après la maison de ton père, pourquoi as-tu dérobé mes dieux ? Jacob répondit, et dit à Laban : J'avais 31
de la crainte à la pensée que tu m'enlèverais peut-être tes filles. Mais périsse celui auprès duquel tu 32
trouveras tes dieux ! En présence de nos frères, examine ce qui t'appartient chez moi, et prends -le.
Jacob ne savait pas que Rachel les eût dérobés. Laban entra dans la tente de Jacob, dans la tente de 33
Léa, dans la tente des deux servantes, et il ne trouva rien. Il sortit de la tente de Léa, et entra dans
la tente de Rachel. Rachel avait pris les théraphim, les avait mis sous le bât du chameau, et s'était 34
assise dessus. Laban fouilla toute la tente, et ne trouva rien. Elle dit à son père : Que mon seigneur 35
ne se fâche point, si je ne puis me lever devant toi, car j'ai ce qui est ordinaire aux femmes. Il chercha,
et ne trouva point les théraphim. Jacob s'irrita, et querella Laban. Il reprit la parole, et lui dit : Quel 36
est mon crime, quel est mon péché, que tu me poursuives avec tant d'ardeur ? Quand tu as fouillé tous 37
mes effets, qu'as-tu trouvé des effets de ta maison ? Produis -le ici devant mes frères et tes frères, et
qu'ils prononcent entre nous deux. Voilà vingt ans que j'ai passés chez toi ; tes brebis et tes chèvres 38
n'ont point avorté, et je n'ai point mangé les béliers de ton troupeau. Je ne t'ai point rapporté de bêtes 39
déchirées, j'en ai payé le dommage ; tu me redemandais ce qu'on me volait de jour et ce qu'on me volait
de nuit. La chaleur me dévorait pendant le jour, et le froid pendant la nuit, et le sommeil fuyait de mes 40

41 yeux. Voilà vingt ans que j'ai passés dans ta maison ; je t'ai servi quatorze ans pour tes deux filles, et
42 six ans pour ton troupeau, et tu as changé dix fois mon salaire. Si je n'eusse pas eu pour moi le Dieu
de mon père, le Dieu d'Abraham, celui que craint Isaac, tu m'aurais maintenant renvoyé à vide. Dieu a
43 vu ma souffrance et le travail de mes mains, et hier il a prononcé son jugement. Laban répondit, et dit
à Jacob : Ces filles sont mes filles, ces enfants sont mes enfants, ce troupeau est mon troupeau, et tout
ce que tu vois est à moi. Et que puis-je faire aujourd'hui pour mes filles, ou pour leurs enfants qu'elles
44 ont mis au monde ? Viens, faisons alliance, moi et toi, et que cela serve de témoignage entre moi et toi !
45, 46 Jacob prit une pierre, et il la dressa pour monument. Jacob dit à ses frères : Ramassez des pierres. Ils
47 prirent des pierres, et firent un monceau ; et ils mangèrent là sur le monceau. Laban l'appela Jegar-
48 Sahadutha, et Jacob l'appela Galed. Laban dit : Que ce monceau serve aujourd'hui de témoignage entre
49 moi et toi ! C'est pourquoi on lui a donné le nom de Galed. On l'appelle aussi Mitspa, parce que Laban
50 dit : Que l'Éternel veille sur toi et sur moi, quand nous nous serons l'un et l'autre perdus de vue. Si
tu maltraites mes filles, et si tu prends encore d'autres femmes, ce n'est pas un homme qui sera avec
51 nous, prends-y garde, c'est Dieu qui sera témoin entre moi et toi. Laban dit à Jacob : Voici ce monceau,
52 et voici ce monument que j'ai élevé entre moi et toi. Que ce monceau soit témoin et que ce monument
soit témoin que je n'irai point vers toi au delà de ce monceau, et que tu ne viendras point vers moi au
53 delà de ce monceau et de ce monument, pour agir méchamment. Que le Dieu d'Abraham et de Nachor,
54 que le Dieu de leur père soit juge entre nous. Jacob jura par celui que craignait Isaac. Jacob offrit un
sacrifice sur la montagne, et il invita ses frères à manger ; ils mangèrent donc, et passèrent la nuit sur
55 la montagne. Laban se leva de bon matin, baisa ses fils et ses filles, et les bénit. Ensuite il partit pour
retourner dans sa demeure.

32, 2 Jacob poursuivit son chemin ; et des anges de Dieu le rencontrèrent. En les voyant, Jacob dit : C'est
3 le camp de Dieu ! Et il donna à ce lieu le nom de Mahanaïm. Jacob envoya devant lui des messagers
4 à Ésaü, son frère, au pays de Séir, dans le territoire d'Édom. Il leur donna cet ordre : Voici ce que
vous direz à mon seigneur Ésaü : Ainsi parle ton serviteur Jacob : J'ai séjourné chez Laban, et j'y suis
5 resté jusqu'à présent ; j'ai des boeufs, des ânes, des brebis, des serviteurs et des servantes, et j'envoie
6 l'annoncer à mon seigneur, pour trouver grâce à tes yeux. Les messagers revinrent auprès de Jacob, en
disant : Nous sommes allés vers ton frère Ésaü ; et il marche à ta rencontre, avec quatre cents hommes.
7 Jacob fut très effrayé, et saisi d'angoisse. Il partagea en deux camps les gens qui étaient avec lui, les
8 brebis, les boeufs et les chameaux ; et il dit : Si Ésaü vient contre l'un des camps et le bat, le camp
9 qui restera pourra se sauver. Jacob dit : Dieu de mon père Abraham, Dieu de mon père Isaac, Éternel,
10 qui m'as dit : Retourne dans ton pays et dans ton lieu de naissance, et je te ferai du bien ! Je suis trop
petit pour toutes les grâces et pour toute la fidélité dont tu as usé envers ton serviteur ; car j'ai passé
11 ce Jourdain avec mon bâton, et maintenant je forme deux camps. Délivre -moi, je te prie, de la main
de mon frère, de la main d'Ésaü ! car je crains qu'il ne vienne, et qu'il ne me frappe, avec la mère et
12 les enfants. Et toi, tu as dit : Je te ferai du bien, et je rendrai ta postérité comme le sable de la mer,
13 si abondant qu'on ne saurait le compter. C'est dans ce lieu-là que Jacob passa la nuit. Il prit de ce
14 qu'il avait sous la main, pour faire un présent à Ésaü, son frère : deux cents chèvres et vingt boucs,
15 deux cents brebis et vingt béliers, trente femelles de chameaux avec leurs petits qu'elles allaitaient,
16 quarante vaches et dix taureaux, vingt ânesses et dix ânes. Il les remit à ses serviteurs, troupeau par
troupeau séparément, et il dit à ses serviteurs : Passez devant moi, et mettez un intervalle entre chaque
17 troupeau. Il donna cet ordre au premier : Quand Ésaü, mon frère, te rencontrera, et te demandera :
18 À qui es-tu ? où vas -tu ? et à qui appartient ce troupeau devant toi ? tu répondras : À ton serviteur
19 Jacob ; c'est un présent envoyé à mon seigneur Ésaü ; et voici, il vient lui-même derrière nous. Il donna
le même ordre au second, au troisième, et à tous ceux qui suivaient les troupeaux : C'est ainsi que vous
20 parlerez à mon seigneur Ésaü, quand vous le rencontrerez. Vous direz : Voici, ton serviteur Jacob vient
aussi derrière nous. Car il se disait : Je l 'apaiserai par ce présent qui va devant moi ; ensuite je le
21 verrai en face, et peut-être m 'accueillera-t-il favorablement. Le présent passa devant lui ; et il resta
22 cette nuit-là dans le camp. Il se leva la même nuit, prit ses deux femmes, ses deux servantes, et ses
23 onze enfants, et passa le gué de Jabbok. Il les prit, leur fit passer le torrent, et le fit passer à tout
24 ce qui lui appartenait. Jacob demeura seul. Alors un homme lutta avec lui jusqu'au lever de l'aurore.
25 Voyant qu'il ne pouvait le vaincre, cet homme le frappa à l'emboîture de la hanche ; et l'emboîture de la
26 hanche de Jacob se démit pendant qu'il luttait avec lui. Il dit : Laisse-moi aller, car l'aurore se lève. Et
27 Jacob répondit : Je ne te laisserai point aller, que tu ne m'aies béni. Il lui dit : Quel est ton nom ? Et il
28 répondit : Jacob. Il dit encore : ton nom ne sera plus Jacob, mais tu seras appelé Israël ; car tu as lutté
29 avec Dieu et avec des hommes, et tu as été vainqueur. Jacob l'interrogea, en disant : Fais-moi je te prie,
30 connaître ton nom. Il répondit : Pourquoi demandes -tu mon nom ? Et il le bénit là. Jacob appela ce

lieu du nom de Peniel : car, dit-il, j'ai vu Dieu face à face, et mon âme a été sauvée. 31
Le soleil se levait, lorsqu'il passa Peniel. Jacob boitait de la hanche. 32
C'est pourquoi jusqu'à ce jour, les enfants d'Israël ne mangent point le tendon qui est à l'emboîture de la hanche ; car Dieu frappa Jacob à l'emboîture de la hanche, au tendon.

33 Jacob leva les yeux, et regarda ; et voici, Ésaü arrivait, avec quatre cents hommes. Il répartit les
2 enfants entre Léa, Rachel, et les deux servantes. Il plaça en tête les servantes avec leurs enfants,
3 puis Léa avec ses enfants, et enfin Rachel avec Joseph. Lui-même passa devant eux ; et il se prosterna
4 en terre sept fois, jusqu'à ce qu'il fût près de son frère. Ésaü courut à sa rencontre ; il l'embrassa, se
5 jeta à son cou, et le baisa. Et ils pleurèrent. Ésaü, levant les yeux, vit les femmes et les enfants, et
il dit : Qui sont ceux que tu as là ? Et Jacob répondit : Ce sont les enfants que Dieu a accordés à ton
6, 7 serviteur. Les servantes s'approchèrent, elles et leurs enfants, et se prosternèrent ; Léa et ses enfants
s'approchèrent aussi, et se prosternèrent ; ensuite Joseph et Rachel s'approchèrent, et se prosternèrent.
8 Ésaü dit : À quoi destines-tu tout ce camp que j'ai rencontré ? Et Jacob répondit : À trouver grâce aux
9, 10 yeux de mon seigneur. Ésaü dit : Je suis dans l'abondance, mon frère ; garde ce qui est à toi. Et Jacob
répondit : Non, je te prie, si j'ai trouvé grâce à tes yeux, accepte de ma main mon présent ; car c'est
pour cela que j'ai regardé ta face comme on regarde la face de Dieu, et tu m'as accueilli favorablement.
11 Accepte donc mon présent qui t'a été offert, puisque Dieu m'a comblé de grâces, et que je ne manque
12 de rien. Il insista auprès de lui, et Ésaü accepta. Ésaü dit : Partons, mettons-nous en route ; j'irai
13 devant toi. Jacob lui répondit : Mon seigneur sait que les enfants sont délicats, et que j'ai des brebis
14 et des vaches qui allaitent ; si l'on forçait leur marche un seul jour, tout le troupeau périrait. Que mon
seigneur prenne les devants sur son serviteur ; et moi, je suivrai lentement, au pas du troupeau qui
15 me précédera, et au pas des enfants, jusqu'à ce que j'arrive chez mon seigneur, à Séir. Ésaü dit : Je
veux au moins laisser avec toi une partie de mes gens. Et Jacob répondit : Pourquoi cela ? Que je trouve
16, 17 seulement grâce aux yeux de mon seigneur ! Le même jour, Ésaü reprit le chemin de Séir. Jacob partit
pour Succoth. Il bâtit une maison pour lui, et il fit des cabanes pour ses troupeaux. C'est pourquoi l'on
18 a appelé ce lieu du nom de Succoth. À son retour de Paddan-Aram, Jacob arriva heureusement à la
19 ville de Sichem, dans le pays de Canaan, et il campa devant la ville. Il acheta la portion du champ où
20 il avait dressé sa tente, des fils d'Hamor, père de Sichem, pour cent kesita. Et là, il éleva un autel, qu'il
appela El-Élohé-Israël.

34, 2 Dina, la fille que Léa avait enfantée à Jacob, sortit pour voir les filles du pays. Elle fut aperçue de
3 Sichem, fils de Hamor, prince du pays. Il l'enleva, coucha avec elle, et la déshonora. Son coeur s'attacha
4 à Dina, fille de Jacob ; il aima la jeune fille, et sut parler à son coeur. Et Sichem dit à Hamor, son père :
5 Donne -moi cette jeune fille pour femme. Jacob apprit qu'il avait déshonoré Dina, sa fille ; et, comme ses
6 fils étaient aux champs avec son troupeau, Jacob garda le silence jusqu'à leur retour. Hamor, père de
7 Sichem, se rendit auprès de Jacob pour lui parler. Et les fils de Jacob revenaient des champs, lorsqu'ils
apprirent la chose ; ces hommes furent irrités et se mirent dans une grande colère, parce que Sichem
avait commis une infamie en Israël, en couchant avec la fille de Jacob, ce qui n'aurait pas dû se faire.
8 Hamor leur adressa ainsi la parole : Le coeur de Sichem, mon fils, s'est attaché à votre fille ; donnez
9 -la-lui pour femme, je vous prie. Alliez -vous avec nous ; vous nous donnerez vos filles, et vous prendrez
10 pour vous les nôtres. Vous habiterez avec nous, et le pays sera à votre disposition ; restez, pour y
11 trafiquer et y acquérir des propriétés. Sichem dit au père et aux frères de Dina : Que je trouve grâce
12 à vos yeux, et je donnerai ce que vous me direz. Exigez de moi une forte dot et beaucoup de présents,
13 et je donnerai ce que vous me direz ; mais accordez -moi pour femme la jeune fille. Les fils de Jacob
répondirent et parlèrent avec ruse à Sichem et à Hamor, son père, parce que Sichem avait déshonoré
14 Dina, leur soeur. Ils leur dirent : C'est une chose que nous ne pouvons pas faire, que de donner notre
15 soeur à un homme incirconcis ; car ce serait un opprobre pour nous. Nous ne consentirons à votre désir
16 qu'à la condition que vous deveniez comme nous, et que tout mâle parmi vous soit circoncis. Nous
vous donnerons alors nos filles, et nous prendrons pour nous les vôtres ; nous habiterons avec vous,
17 et nous formerons un seul peuple. Mais si vous ne voulez pas nous écouter et vous faire circoncire,
18 nous prendrons notre fille, et nous nous en irons. Leurs paroles eurent l'assentiment de Hamor et de
19 Sichem, fils de Hamor. Le jeune homme ne tarda pas à faire la chose, car il aimait la fille de Jacob. Il
20 était considéré de tous dans la maison de son père. Hamor et Sichem, son fils, se rendirent à la porte
de leur ville, et ils parlèrent ainsi aux gens de leur ville : 21 Ces hommes sont paisibles à notre égard ;
qu'ils restent dans le pays, et qu'ils y trafiquent ; le pays est assez vaste pour eux. Nous prendrons pour
femmes leurs filles, et nous leur donnerons nos filles. 22 Mais ces hommes ne consentiront à habiter avec
nous, pour former un seul peuple, qu'à la condition que tout mâle parmi nous soit circoncis, comme ils
23 sont eux-mêmes circoncis. Leurs troupeaux, leurs biens et tout leur bétail, ne seront-ils pas à nous ?
24 Acceptons seulement leur condition, pour qu'ils restent avec nous. Tous ceux qui étaient venus à la

porte de la ville écoutèrent Hamor et Sichem, son fils ; et tous les mâles se firent circoncire, tous ceux
25 qui étaient venus à la porte de la ville. Le troisième jour, pendant qu'ils étaient souffrants, les deux fils
de Jacob, Siméon et Lévi, frères de Dina, prirent chacun leur épée, tombèrent sur la ville qui se croyait
26 en sécurité, et tuèrent tous les mâles. Ils passèrent aussi au fil de l'épée Hamor et Sichem, son fils ;
27 ils enlevèrent Dina de la maison de Sichem, et sortirent. Les fils de Jacob se jetèrent sur les morts,
28 et pillèrent la ville, parce qu'on avait déshonoré leur soeur. Ils prirent leurs troupeaux, leurs boeufs
29 et leurs ânes, ce qui était dans la ville et ce qui était dans les champs ; ils emmenèrent comme butin
30 toutes leurs richesses, leurs enfants et leurs femmes, et tout ce qui se trouvait dans les maisons. Alors
Jacob dit à Siméon et à Lévi : Vous me troublez, en me rendant odieux aux habitants du pays, aux
Cananéens et aux Phérésiens. Je n'ai qu'un petit nombre d'hommes ; et ils se rassembleront contre moi,
31 ils me frapperont, et je serai détruit, moi et ma maison. Ils répondirent : Traitera -t-on notre soeur
comme une prostituée ?

35 Dieu dit à Jacob : Lève -toi, monte à Béthel, et demeures -y ; là, tu dresseras un autel au Dieu qui
2 t'apparut, lorsque tu fuyais Ésaü, ton frère. Jacob dit à sa maison et à tous ceux qui étaient avec lui :
3 Otez les dieux étrangers qui sont au milieu de vous, purifiez -vous, et changez de vêtements. Nous
nous lèverons, et nous monterons à Béthel ; là, je dresserai un autel au Dieu qui m'a exaucé dans le
4 jour de ma détresse, et qui a été avec moi pendant le voyage que j'ai fait. Ils donnèrent à Jacob tous
les dieux étrangers qui étaient entre leurs mains, et les anneaux qui étaient à leurs oreilles. Jacob les
5 enfouit sous le térébinthe qui est près de Sichem. Ensuite ils partirent. La terreur de Dieu se répandit
6 sur les villes qui les entouraient, et l'on ne poursuivit point les fils de Jacob. Jacob arriva, lui et tous
7 ceux qui étaient avec lui, à Luz, qui est Béthel, dans le pays de Canaan. Il bâtit là un autel, et il appela
8 ce lieu El-Béthel ; car c'est là que Dieu s'était révélé à lui lorsqu'il fuyait son frère. Débora, nourrice de
Rebecca, mourut ; et elle fut enterrée au-dessous de Béthel, sous le chêne auquel on a donné le nom de
9, 10 chêne des pleurs. Dieu apparut encore à Jacob, après son retour de Paddan-Aram, et il le bénit. Dieu
lui dit : Ton nom est Jacob ; tu ne seras plus appelé Jacob, mais ton nom sera Israël. Et il lui donna
11 le nom d'Israël. Dieu lui dit : Je suis le Dieu tout-puissant. Sois fécond, et multiplie : une nation et
12 une multitude de nations naîtront de toi, et des rois sortiront de tes reins. Je te donnerai le pays que
13 j'ai donné à Abraham et à Isaac, et je donnerai ce pays à ta postérité après toi. Dieu s'éleva au-dessus
14 de lui, dans le lieu où il lui avait parlé. Et Jacob dressa un monument dans le lieu où Dieu lui avait
15 parlé, un monument de pierres, sur lequel il fit une libation et versa de l'huile. Jacob donna le nom
16 de Béthel au lieu où Dieu lui avait parlé. Ils partirent de Béthel ; et il y avait encore une certaine
17 distance jusqu'à Éphrata, lorsque Rachel accoucha. Elle eut un accouchement pénible ; et pendant les
18 douleurs de l'enfantement, la sage-femme lui dit : Ne crains point, car tu as encore un fils ! Et comme
elle allait rendre l'âme, car elle était mourante, elle lui donna le nom de Ben-Oni ; mais le père l'appela
19, 20 Benjamin. Rachel mourut, et elle fut enterrée sur le chemin d'Éphrata, qui est Bethléhem. Jacob éleva
un monument sur son sépulcre ; c'est le monument du sépulcre de Rachel, qui existe encore aujourd'hui.
21, 22 Israël partit ; et il dressa sa tente au delà de Migdal -Éder. Pendant qu'Israël habitait cette contrée,
Ruben alla coucher avec Bilha, concubine de son père. Et Israël l'apprit. Les fils de Jacob étaient au
23 nombre de douze. Fils de Léa : Ruben, premier-né de Jacob, Siméon, Lévi, Juda, Issacar et Zabulon.
24, 25, 26 Fils de Rachel : Joseph et Benjamin. Fils de Bilha, servante de Rachel : Dan et Nephthali. Fils de
Zilpa, servante de Léa : Gad et Aser. Ce sont là les fils de Jacob, qui lui naquirent à Paddan-Aram.
27 Jacob arriva auprès d'Isaac, son père, à Mamré, à Kirjath-Arba, qui est Hébron, où avaient séjourné
28, 29 Abraham et Isaac. Les jours d'Isaac furent de cent quatre-vingts ans. Il expira et mourut, et il fut
recueilli auprès de son peuple, âgé et rassasié de jours, et Ésaü et Jacob, ses fils, l'enterrèrent.

36, 2 Voici la postérité d'Ésaü, qui est Édom. Ésaü prit ses femmes parmi les filles de Canaan : Ada,
3 fille d'Élon, le Héthien ; Oholibama, fille d'Ana, fille de Tsibeon, le Hévien ; et Basmath, fille d'Ismaël,
4, 5 soeur de Nebajoth. Ada enfanta à Ésaü Éliphaz ; Basmath enfanta Réuel ; et Oholibama enfanta
6 Jéusch, Jaelam et Koré. Ce sont là les fils d'Ésaü, qui lui naquirent dans le pays de Canaan. Ésaü prit
ses femmes, ses fils et ses filles, toutes les personnes de sa maison, ses troupeaux, tout son bétail, et tout
le bien qu'il avait acquis au pays de Canaan, et il s'en alla dans un autre pays, loin de Jacob, son frère.
7 Car leurs richesses étaient trop considérables pour qu'ils demeurassent ensemble, et la contrée où ils
8 séjournaient ne pouvait plus leur suffire à cause de leurs troupeaux. Ésaü s'établit dans la montagne
9, 10 de Séir. Ésaü, c'est Édom. Voici la postérité d'Ésaü, père d'Édom, dans la montagne de Séir. Voici
les noms des fils d'Ésaü : Éliphaz, fils d'Ada, femme d'Ésaü ; Réuel, fils de Basmath, femme d'Ésaü.
11, 12 Les fils d'Éliphaz furent : Théman, Omar, Tsepho, Gaetham et Kenaz. Et Thimna était la concubine
13 d'Éliphaz, fils d'Ésaü : elle enfanta à Éliphaz Amalek. Ce sont là les fils d'Ada, femme d'Ésaü. Voici les
14 fils de Réuel : Nahath, Zérach, Schamma et Mizza. Ce sont là les fils de Basmath, femme d'Ésaü. Voici

Édom. Voici les fils de Séir, le Horien, anciens habitants du pays : Lothan, Schobal, Tsibeon, Ana, 20
Dischon, Etser, et Dischan. Ce sont là les chefs des Horiens, fils de Séir, dans le pays d'Édom. Les fils 21, 22
de Lothan furent : Hori et Hémam. La soeur de Lothan fut Thimna. Voici les fils de Schobal : Alvan, 23

nom de sa ville était Pau ; et le nom de sa femme Mehéthabeel, fille de Mathred, fille de Mézahab. Voici 40
les noms des chefs issus d'Ésaü, selon leurs tribus, selon leurs territoires, et d'après leurs noms : le chef
Thimna, le chef Alva, le chef Jetheth, le chef Oholibama, le chef Éla, le chef Pinon, le chef Kenaz, le 41, 42
chef Théman, le chef Mibtsar, le chef Magdiel, le chef Iram. Ce sont là les chefs d'Édom, selon leurs 43
habitations dans le pays qu'ils possédaient. C'est là Ésaü, père d'Édom.

Jacob demeura dans le pays de Canaan, où avait séjourné son père. Voici la postérité de Jacob. **37**, 2
Joseph, âgé de dix-sept ans, faisait paître le troupeau avec ses frères ; cet enfant était auprès des fils de Bilha et des fils de Zilpa, femmes de son père. Et Joseph rapportait à leur père leurs mauvais propos.
Israël aimait Joseph plus que tous ses autres fils, parce qu'il l'avait eu dans sa vieillesse ; et il lui fit une 3
tunique de plusieurs couleurs. Ses frères virent que leur père l'aimait plus qu'eux tous, et ils le prirent 4
en haine. Ils ne pouvaient lui parler avec amitié. Joseph eut un songe, et il le raconta à ses frères, 5
qui le haïrent encore davantage. Il leur dit : Écoutez donc ce songe que j'ai eu ! Nous étions à lier des 6, 7
gerbes au milieu des champs ; et voici, ma gerbe se leva et se tint debout, et vos gerbes l'entourèrent et se prosternèrent devant elle. Ses frères lui dirent : Est-ce que tu règneras sur nous ? est-ce que tu nous 8
gouverneras ? Et ils le haïrent encore davantage, à cause de ses songes et à cause de ses paroles. Il eut 9
encore un autre songe, et il le raconta à ses frères. Il dit : J'ai eu encore un songe ! Et voici, le soleil, la lune et onze étoiles se prosternaient devant moi. Il le raconta à son père et à ses frères. Son père le 10
réprimanda, et lui dit : Que signifie ce songe que tu as eu ? Faut-il que nous venions, moi, ta mère et tes frères, nous prosterner en terre devant toi ? Ses frères eurent de l'envie contre lui, mais son père garda 11
le souvenir de ces choses. Les frères de Joseph étant allés à Sichem, pour faire paître le troupeau de 12
leur père, Israël dit à Joseph : Tes frères ne font-ils pas paître le troupeau à Sichem ? Viens, je veux 13
t'envoyer vers eux. Et il répondit : Me voici ! Israël lui dit : Va, je te prie, et vois si tes frères sont en 14
bonne santé et si le troupeau est en bon état ; et tu m'en rapporteras des nouvelles. Il l'envoya ainsi de la vallée d'Hébron ; et Joseph alla à Sichem. Un homme le rencontra, comme il errait dans les champs. 15
Il le questionna, en disant : Que cherches -tu ? Joseph répondit : Je cherche mes frères ; dis -moi, je 16
te prie, où ils font paître leur troupeau. Et l'homme dit : Ils sont partis d'ici ; car je les ai entendus 17
dire : Allons à Dothan. Joseph alla après ses frères, et il les trouva à Dothan. Ils le virent de loin ; 18
et, avant qu'il fût près d'eux, ils complotèrent de le faire mourir. Ils se dirent l'un à l'autre : Voici le 19
faiseur de songes qui arrive. Venez maintenant, tuons -le, et jetons -le dans une des citernes ; nous 20
dirons qu'une bête féroce l'a dévoré, et nous verrons ce que deviendront ses songes. Ruben entendit 21
cela, et il le délivra de leurs mains. Il dit : Ne lui ôtons pas la vie. Ruben leur dit : Ne répandez 22
point de sang ; jetez -le dans cette citerne qui est au désert, et ne mettez pas la main sur lui. Il avait dessein de le délivrer de leurs mains pour le faire retourner vers son père. Lorsque Joseph fut arrivé 23

auprès de ses frères, ils le dépouillèrent de sa tunique, de la tunique de plusieurs couleurs, qu'il avait
24 sur lui. Ils le prirent, et le jetèrent dans la citerne. Cette citerne était vide ; il n'y avait point d'eau.
25 Ils s'assirent ensuite pour manger. Ayant levé les yeux, ils virent une caravane d'Ismaélites venant de
Galaad ; leurs chameaux étaient chargés d'aromates, de baume et de myrrhe, qu'ils transportaient en
26 Égypte. Alors Juda dit à ses frères : Que gagnerons -nous à tuer notre frère et à cacher son sang ?
27 Venez, vendons -le aux Ismaélites, et ne mettons pas la main sur lui, car il est notre frère, notre chair.
28 Et ses frères l'écoutèrent. Au passage des marchands madianites, ils tirèrent et firent remonter Joseph
hors de la citerne ; et ils le vendirent pour vingt sicles d'argent aux Ismaélites, qui l 'emmenèrent en
29 Égypte. Ruben revint à la citerne ; et voici, Joseph n'était plus dans la citerne. Il déchira ses vêtements,
30, 31 retourna vers ses frères, et dit : L'enfant n'y est plus ! Et moi, où irai -je ? Ils prirent alors la tunique
32 de Joseph ; et, ayant tué un bouc, ils plongèrent la tunique dans le sang. Ils envoyèrent à leur père la
tunique de plusieurs couleurs, en lui faisant dire : Voici ce que nous avons trouvé ! reconnais si c'est la
33 tunique de ton fils, ou non. Jacob la reconnut, et dit : C'est la tunique de mon fils ! une bête féroce l'a
34 dévoré ! Joseph a été mis en pièces ! Et il déchira ses vêtements, il mit un sac sur ses reins, et il porta
35 longtemps le deuil de son fils. Tous ses fils et toutes ses filles vinrent pour le consoler ; mais il ne voulut
recevoir aucune consolation. Il disait : C'est en pleurant que je descendrai vers mon fils au séjour des
36 morts ! Et il pleurait son fils. Les Madianites le vendirent en Égypte à Potiphar, officier de Pharaon,
chef des gardes.

38 En ce temps-là, Juda s'éloigna de ses frères, et se retira vers un homme d'Adullam, nommé Hira.
2, 3 Là, Juda vit la fille d'un Cananéen, nommé Schua ; il la prit pour femme, et alla vers elle. Elle devint
4 enceinte, et enfanta un fils, qu'elle appela Er. Elle devint encore enceinte, et enfanta un fils, qu'elle
5 appela Onan. Elle enfanta de nouveau un fils, qu'elle appela Schéla ; Juda était à Czib quand elle
6, 7 l'enfanta. Juda prit pour Er, son premier-né, une femme nommée Tamar. Er, premier-né de Juda, était
8 méchant aux yeux de l'Éternel ; et l'Éternel le fit mourir. Alors Juda dit à Onan : Va vers la femme de
9 ton frère, prends-la, comme beau-frère, et suscite une postérité à ton frère. Onan, sachant que cette
postérité ne serait pas à lui, se souillait à terre lorsqu 'il allait vers la femme de son frère, afin de ne
10, 11 pas donner de postérité à son frère. Ce qu'il faisait déplut à l'Éternel, qui le fit aussi mourir. Alors
Juda dit à Tamar, sa belle-fille : Demeure veuve dans la maison de ton père, jusqu'à ce que Schéla, mon
fils, soit grand. Il parlait ainsi dans la crainte que Schéla ne mourût comme ses frères. Tamar s'en alla,
12 et elle habita dans la maison de son père. Les jours s'écoulèrent, et la fille de Schua, femme de Juda,
mourut. Lorsque Juda fut consolé, il monta à Thimna, vers ceux qui tondaient ses brebis, lui et son
13 ami Hira, l'Adullamite. On en informa Tamar, et on lui dit : Voici ton beau-père qui monte à Thimna,
14 pour tondre ses brebis. Alors elle ôta ses habits de veuve, elle se couvrit d'un voile et s'enveloppa,
et elle s'assit à l'entrée d'Énaïm, sur le chemin de Thimna ; car elle voyait que Schéla était devenu
15 grand, et qu'elle ne lui était point donnée pour femme. Juda la vit, et la prit pour une prostituée, parce
16 qu'elle avait couvert son visage. Il l'aborda sur le chemin, et dit : Laisse -moi aller vers toi. Car il ne
17 connut pas que c'était sa belle-fille. Elle dit : Que me donneras -tu pour venir vers moi ? Il répondit : Je
t'enverrai un chevreau de mon troupeau. Elle dit : Me donneras -tu un gage, jusqu'à ce que tu l'envoies ?
18 Il répondit : Quel gage te donnerai -je ? Elle dit : Ton cachet, ton cordon, et le bâton que tu as à la main.
19 Il les lui donna. Puis il alla vers elle ; et elle devint enceinte de lui. Elle se leva, et s'en alla ; elle ôta
20 son voile, et remit ses habits de veuve. Juda envoya le chevreau par son ami l'Adullamite, pour retirer
21 le gage des mains de la femme. Mais il ne la trouva point. Il interrogea les gens du lieu, en disant :
Où est cette prostituée qui se tenait à Énaïm, sur le chemin ? Ils répondirent : Il n'y a point eu ici de
22 prostituée. Il retourna auprès de Juda, et dit : Je ne l'ai pas trouvée, et même les gens du lieu ont dit :
23 Il n'y a point eu ici de prostituée. Juda dit : Qu'elle garde ce qu'elle a ! Ne nous exposons pas au mépris.
24 Voici, j'ai envoyé ce chevreau, et tu ne l'as pas trouvée. Environ trois mois après, on vint dire à Juda :
Tamar, ta belle-fille, s'est prostituée, et même la voilà enceinte à la suite de sa prostitution. Et Juda
25 dit : Faites-la sortir, et qu'elle soit brûlée. Comme on l'amenait dehors, elle fit dire à son beau-père :
C'est de l'homme à qui ces choses appartiennent que je suis enceinte ; reconnais, je te prie, à qui sont
26 ce cachet, ces cordons et ce bâton. Juda les reconnut, et dit : Elle est moins coupable que moi, puisque
27 je ne l'ai pas donnée à Schéla, mon fils. Et il ne la connut plus. Quand elle fut au moment d'accoucher,
28 voici, il y avait deux jumeaux dans son ventre. Et pendant l'accouchement il y en eut un qui présenta
29 la main ; la sage-femme la prit, et y attacha un fil cramoisi, en disant : Celui-ci sort le premier. Mais il
retira la main, et son frère sortit. Alors la sage-femme dit : Quelle brèche tu as faite ! Et elle lui donna
30 le nom de Pérets. Ensuite sortit son frère, qui avait à la main le fil cramoisi ; et on lui donna le nom de
Zérach.

39 On fit descendre Joseph en Égypte ; et Potiphar, officier de Pharaon, chef des gardes, Égyptien,
2 l'acheta des Ismaélites qui l'y avaient fait descendre. L'Éternel fut avec lui, et la prospérité l'accompa-

gna ; il habitait dans la maison de son maître, l'Égyptien. Son maître vit que l'Éternel était avec lui, et 3
que l'Éternel faisait prospérer entre ses mains tout ce qu'il entreprenait. Joseph trouva grâce aux yeux 4
de son maître, qui l'employa à son service, l'établit sur sa maison, et lui confia tout ce qu'il possédait.
Dès que Potiphar l'eut établi sur sa maison et sur tout ce qu'il possédait, l'Éternel bénit la maison de 5
l'Égyptien, à cause de Joseph ; et la bénédiction de l'Éternel fut sur tout ce qui lui appartenait, soit à la
maison, soit aux champs. Il abandonna aux mains de Joseph tout ce qui lui appartenait, et il n'avait 6
avec lui d'autre soin que celui de prendre sa nourriture. Or, Joseph était beau de taille et beau de figure.
Après ces choses, il arriva que la femme de son maître porta les yeux sur Joseph, et dit : Couche avec 7
moi ! Il refusa, et dit à la femme de son maître : Voici, mon maître ne prend avec moi connaissance de 8
rien dans la maison, et il a remis entre mes mains tout ce qui lui appartient. Il n'est pas plus grand 9
que moi dans cette maison, et il ne m'a rien interdit, excepté toi, parce que tu es sa femme. Comment
ferais -je un aussi grand mal et pécherais -je contre Dieu ? Quoiqu'elle parlât tous les jours à Joseph, il 10
refusa de coucher auprès d'elle, d'être avec elle. Un jour qu'il était entré dans la maison pour faire son 11
ouvrage, et qu 'il n'y avait là aucun des gens de la maison, elle le saisit par son vêtement, en disant : 12
Couche avec moi ! Il lui laissa son vêtement dans la main, et s'enfuit au dehors. Lorsqu'elle vit qu'il lui 13
avait laissé son vêtement dans la main, et qu'il s'était enfui dehors, elle appela les gens de sa maison, 14
et leur dit : Voyez, il nous a amené un Hébreu pour se jouer de nous. Cet homme est venu vers moi
pour coucher avec moi ; mais j'ai crié à haute voix. Et quand il a entendu que j'élevais la voix et que je 15
criais, il a laissé son vêtement à côté de moi et s'est enfui dehors. Et elle posa le vêtement de Joseph à 16
côté d'elle, jusqu'à ce que son maître rentrât à la maison. Alors elle lui parla ainsi : L'esclave hébreu 17
que tu nous as amené est venu vers moi pour se jouer de moi. Et comme j'ai élevé la voix et que j'ai 18
crié, il a laissé son vêtement à côté de moi et s'est enfui dehors. Après avoir entendu les paroles de sa 19
femme, qui lui disait : Voilà ce que m'a fait ton esclave ! le maître de Joseph fut enflammé de colère. Il 20
prit Joseph, et le mit dans la prison, dans le lieu où les prisonniers du roi étaient enfermés : il fut là,
en prison. L'Éternel fut avec Joseph, et il étendit sur lui sa bonté. Il le mit en faveur aux yeux du chef 21
de la prison. Et le chef de la prison plaça sous sa surveillance tous les prisonniers qui étaient dans la 22
prison ; et rien ne s'y faisait que par lui. Le chef de la prison ne prenait aucune connaissance de ce que 23
Joseph avait en main, parce que l'Éternel était avec lui. Et l'Éternel donnait de la réussite à ce qu'il
faisait.

Après ces choses, il arriva que l'échanson et le panetier du roi d'Égypte, offensèrent leur maître, le **40**
roi d'Égypte. Pharaon fut irrité contre ses deux officiers, le chef des échansons et le chef des panetiers. 2
Et il les fit mettre dans la maison du chef des gardes, dans la prison, dans le lieu où Joseph était 3
enfermé. Le chef des gardes les plaça sous la surveillance de Joseph, qui faisait le service auprès 4
d'eux ; et ils passèrent un certain temps en prison. Pendant une même nuit, l'échanson et le panetier 5
du roi d'Égypte, qui étaient enfermés dans la prison, eurent tous les deux un songe, chacun le sien,
pouvant recevoir une explication distincte. Joseph, étant venu le matin vers eux, les regarda ; et voici, 6
ils étaient tristes. Alors il questionna les officiers de Pharaon, qui étaient avec lui dans la prison de son 7
maître, et il leur dit : Pourquoi avez-vous mauvais visage aujourd'hui ? Ils lui répondirent : Nous avons 8
eu un songe, et il n'y a personne pour l'expliquer. Joseph leur dit : N'est-ce pas à Dieu qu'appartiennent
les explications ? Racontez -moi donc votre songe. Le chef des échansons raconta son songe à Joseph, 9
et lui dit : Dans mon songe, voici, il y avait un cep devant moi. Ce cep avait trois sarments. Quand 10
il eut poussé, sa fleur se développa et ses grappes donnèrent des raisins mûrs. La coupe de Pharaon 11
était dans ma main. Je pris les raisins, je les pressai dans la coupe de Pharaon, et je mis la coupe
dans la main de Pharaon. Joseph lui dit : En voici l'explication. Les trois sarments sont trois jours. 12
Encore trois jours, et Pharaon relèvera ta tête et te rétablira dans ta charge ; tu mettras la coupe dans 13
la main de Pharaon, comme tu en avais l'habitude lorsque tu étais son échanson. Mais souviens -toi 14
de moi, quand tu seras heureux, et montre, je te prie, de la bonté à mon égard ; parle en ma faveur
à Pharaon, et fais-moi sortir de cette maison. Car j'ai été enlevé du pays des Hébreux, et ici même 15
je n'ai rien fait pour être mis en prison. Le chef des panetiers, voyant que Joseph avait donné une 16
explication favorable, dit : Voici, il y avait aussi, dans mon songe, trois corbeilles de pain blanc sur ma
tête. Dans la corbeille la plus élevée il y avait pour Pharaon des mets de toute espèce, cuits au four ; 17
et les oiseaux les mangeaient dans la corbeille au-dessus de ma tête. Joseph répondit, et dit : En voici 18
l'explication. Les trois corbeilles sont trois jours. Encore trois jours, et Pharaon enlèvera ta tête de 19
dessus toi, te fera pendre à un bois, et les oiseaux mangeront ta chair. Le troisième jour, jour de la 20
naissance de Pharaon, il fit un festin à tous ses serviteurs ; et il éleva la tête du chef des échansons et la
tête du chef des panetiers, au milieu de ses serviteurs : il rétablit le chef des échansons dans sa charge 21
d'échanson, pour qu'il mît la coupe dans la main de Pharaon ; mais il fit pendre le chef des panetiers, 22
selon l'explication que Joseph leur avait donnée. Le chef des échansons ne pensa plus à Joseph. Il 23

l'oublia.

41, 2 Au bout de deux ans, Pharaon eut un songe. Voici, il se tenait près du fleuve. Et voici, sept vaches
3 belles à voir et grasses de chair montèrent hors du fleuve, et se mirent à paître dans la prairie. Sept
autres vaches laides à voir et maigres de chair montèrent derrière elles hors du fleuve, et se tinrent
4 à leurs côtés sur le bord du fleuve. Les vaches laides à voir et maigres de chair mangèrent les sept
5 vaches belles à voir et grasses de chair. Et Pharaon s'éveilla. Il se rendormit, et il eut un second songe.
6 Voici, sept épis gras et beaux montèrent sur une même tige. Et sept épis maigres et brûlés par le vent
7 d'orient poussèrent après eux. Les épis maigres engloutirent les sept épis gras et pleins. Et Pharaon
8 s'éveilla. Voilà le songe. Le matin, Pharaon eut l'esprit agité, et il fit appeler tous les magiciens et tous
9 les sages de l'Égypte. Il leur raconta ses songes. Mais personne ne put les expliquer à Pharaon. Alors
le chef des échansons prit la parole, et dit à Pharaon : Je vais rappeler aujourd'hui le souvenir de ma
10 faute. Pharaon s'était irrité contre ses serviteurs ; et il m'avait fait mettre en prison dans la maison
11 du chef des gardes, moi et le chef des panetiers. Nous eûmes l'un et l'autre un songe dans une même
12 nuit ; et chacun de nous reçut une explication en rapport avec le songe qu'il avait eu. Il y avait là
avec nous un jeune Hébreu, esclave du chef des gardes. Nous lui racontâmes nos songes, et il nous les
13 expliqua. Les choses sont arrivées selon l'explication qu'il nous avait donnée. Pharaon me rétablit dans
14 ma charge, et il fit pendre le chef des panetiers. Pharaon fit appeler Joseph. On le fit sortir en hâte
15 de prison. Il se rasa, changea de vêtements, et se rendit vers Pharaon. Pharaon dit à Joseph : J'ai eu
un songe. Personne ne peut l'expliquer ; et j'ai appris que tu expliques un songe, après l'avoir entendu.
16 Joseph répondit à Pharaon, en disant : Ce n'est pas moi ! c'est Dieu qui donnera une réponse favorable
17 à Pharaon. Pharaon dit alors à Joseph : Dans mon songe, voici, je me tenais sur le bord du fleuve.
18 Et voici, sept vaches grasses de chair et belles d'apparence montèrent hors du fleuve, et se mirent à
19 paître dans la prairie. Sept autres vaches montèrent derrière elles, maigres, fort laides d'apparence,
20 et décharnées : je n'en ai point vu d'aussi laides dans tout le pays d'Égypte. Les vaches décharnées et
21 laides mangèrent les sept premières vaches qui étaient grasses. Elles les engloutirent dans leur ventre,
sans qu'on s'aperçût qu'elles y fussent entrées ; et leur apparence était laide comme auparavant. Et je
22, 23 m'éveillai. Je vis encore en songe sept épis pleins et beaux, qui montèrent sur une même tige. Et sept
24 épis vides, maigres, brûlés par le vent d'orient, poussèrent après eux. Les épis maigres engloutirent
25 les sept beaux épis. Je l'ai dit aux magiciens, mais personne ne m'a donné l'explication. Joseph dit
à Pharaon : Ce qu'a songé Pharaon est une seule chose ; Dieu a fait connaître à Pharaon ce qu'il va
26 faire. Les sept vaches belles sont sept années : et les sept épis beaux sont sept années : c'est un seul
27 songe. Les sept vaches décharnées et laides, qui montaient derrière les premières, sont sept années ;
28 et les sept épis vides, brûlés par le vent d'orient, seront sept années de famine. Ainsi, comme je viens
29 de le dire à Pharaon, Dieu a fait connaître à Pharaon ce qu'il va faire. Voici, il y aura sept années de
30 grande abondance dans tout le pays d'Égypte. Sept années de famine viendront après elles ; et l'on
31 oubliera toute cette abondance au pays d'Égypte, et la famine consumera le pays. Cette famine qui
32 suivra sera si forte qu'on ne s'apercevra plus de l'abondance dans le pays. Si Pharaon a vu le songe
se répéter une seconde fois, c'est que la chose est arrêtée de la part de Dieu, et que Dieu se hâtera
33 de l'exécuter. Maintenant, que Pharaon choisisse un homme intelligent et sage, et qu'il le mette à la
34 tête du pays d'Égypte. Que Pharaon établisse des commissaires sur le pays, pour lever un cinquième
35 des récoltes de l'Égypte pendant les sept années d'abondance. Qu'ils rassemblent tous les produits
de ces bonnes années qui vont venir ; qu'ils fassent, sous l'autorité de Pharaon, des amas de blé, des
36 approvisionnements dans les villes, et qu'ils en aient la garde. Ces provisions seront en réserve pour le
pays, pour les sept années de famine qui arriveront dans le pays d'Égypte, afin que le pays ne soit pas
37, 38 consumé par la famine. Ces paroles plurent à Pharaon et à tous ses serviteurs. Et Pharaon dit à ses
39 serviteurs : Trouverions -nous un homme comme celui-ci, ayant en lui l'esprit de Dieu ? Et Pharaon dit
à Joseph : Puisque Dieu t'a fait connaître toutes ces choses, il n'y a personne qui soit aussi intelligent
40 et aussi sage que toi. Je t'établis sur ma maison, et tout mon peuple obéira à tes ordres. Le trône seul
41 m'élèvera au-dessus de toi. Pharaon dit à Joseph : Vois, je te donne le commandement de tout le pays
42 d'Égypte. Pharaon ôta son anneau de la main, et le mit à la main de Joseph ; il le revêtit d'habits de fin
43 lin, et lui mit un collier d'or au cou. Il le fit monter sur le char qui suivait le sien ; et l'on criait devant
44 lui : À genoux ! C'est ainsi que Pharaon lui donna le commandement de tout le pays d'Égypte. Il dit
encore à Joseph : Je suis Pharaon ! Et sans toi personne ne lèvera la main ni le pied dans tout le pays
45 d'Égypte. Pharaon appela Joseph du nom de Tsaphnath-Paenéach ; et il lui donna pour femme Asnath,
46 fille de Poti-Phéra, prêtre d'On. Et Joseph partit pour visiter le pays d'Égypte. Joseph était âgé de
trente ans lorsqu'il se présenta devant Pharaon, roi d'Égypte ; et il quitta Pharaon, et parcourut tout le
47, 48 pays d'Égypte. Pendant les sept années de fertilité, la terre rapporta abondamment. Joseph rassembla

tous les produits de ces sept années dans le pays d'Égypte ; il fit des approvisionnements dans les villes,
mettant dans l'intérieur de chaque ville les productions des champs d'alentour. Joseph amassa du blé, 49
comme le sable de la mer, en quantité si considérable que l'on cessa de compter, parce qu'il n'y avait
plus de nombre. Avant les années de famine, il naquit à Joseph deux fils, que lui enfanta Asnath, fille 50
de Poti-Phéra, prêtre d'On. Joseph donna au premier-né le nom de Manassé, car, dit-il, Dieu m'a fait 51
oublier toutes mes peines et toute la maison de mon père. Et il donna au second le nom d'Éphraïm, 52
car, dit-il, Dieu m'a rendu fécond dans le pays de mon affliction. Les sept années d'abondance qu'il 53
y eut au pays d'Égypte s'écoulèrent. Et les sept années de famine commencèrent à venir, ainsi que 54
Joseph l'avait annoncé. Il y eut famine dans tous les pays ; mais dans tout le pays d'Égypte il y avait
du pain. Quand tout le pays d'Égypte fut aussi affamé, le peuple cria à Pharaon pour avoir du pain. 55
Pharaon dit à tous les Égyptiens : Allez vers Joseph, et faites ce qu'il vous dira. La famine régnait 56
dans tout le pays. Joseph ouvrit tous les lieux d'approvisionnements, et vendit du blé aux Égyptiens. La
famine augmentait dans le pays d'Égypte. Et de tous les pays on arrivait en Égypte, pour acheter du 57
blé auprès de Joseph ; car la famine était forte dans tous les pays.

Jacob, voyant qu'il y avait du blé en Égypte, dit à ses fils : Pourquoi vous regardez -vous les uns **42**
les autres ? Il dit : Voici, j'apprends qu'il y a du blé en Égypte ; descendez -y, pour nous en acheter 2
là, afin que nous vivions et que nous ne mourions pas. Dix frères de Joseph descendirent en Égypte, 3
pour acheter du blé. Jacob n'envoya point avec eux Benjamin, frère de Joseph, dans la crainte qu'il 4
ne lui arrivât quelque malheur. Les fils d'Israël vinrent pour acheter du blé, au milieu de ceux qui 5
venaient aussi ; car la famine était dans le pays de Canaan. Joseph commandait dans le pays ; c'est lui 6
qui vendait du blé à tout le peuple du pays. Les frères de Joseph vinrent, et se prosternèrent devant
lui la face contre terre. Joseph vit ses frères et les reconnut ; mais il feignit d'être un étranger pour 7
eux, il leur parla durement, et leur dit : D'où venez -vous ? Ils répondirent : Du pays de Canaan, pour
acheter des vivres. Joseph reconnut ses frères, mais eux ne le reconnurent pas. Joseph se souvint des 8, 9
songes qu'il avait eus à leur sujet, et il leur dit : Vous êtes des espions ; c'est pour observer les lieux
faibles du pays que vous êtes venus. Ils lui répondirent : Non, mon seigneur, tes serviteurs sont venus 10
pour acheter du blé. Nous sommes tous fils d'un même homme ; nous sommes sincères, tes serviteurs 11
ne sont pas des espions. Il leur dit : Nullement ; c'est pour observer les lieux faibles du pays que vous 12
êtes venus. Ils répondirent : Nous, tes serviteurs, sommes douze frères, fils d'un même homme au pays 13
de Canaan ; et voici, le plus jeune est aujourd'hui avec notre père, et il y en a un qui n'est plus. Joseph 14
leur dit : Je viens de vous le dire, vous êtes des espions. Voici comment vous serez éprouvés. Par la vie 15
de Pharaon ! vous ne sortirez point d'ici que votre jeune frère ne soit venu. Envoyez l'un de vous pour 16
chercher votre frère ; et vous, restez prisonniers. Vos paroles seront éprouvées, et je saurai si la vérité
est chez vous ; sinon, par la vie de Pharaon ! vous êtes des espions. Et il les mit ensemble trois jours 17
en prison. Le troisième jour, Joseph leur dit : Faites ceci, et vous vivrez. Je crains Dieu ! Si vous êtes 18, 19
sincères, que l'un de vos frères reste enfermé dans votre prison ; et vous, partez, emportez du blé pour
nourrir vos familles, et amenez -moi votre jeune frère, afin que vos paroles soient éprouvées et que vous 20
ne mouriez point. Et ils firent ainsi. Ils se dirent alors l'un à l'autre : Oui, nous avons été coupables 21
envers notre frère, car nous avons vu l'angoisse de son âme, quand il nous demandait grâce, et nous
ne l'avons point écouté ! C'est pour cela que cette affliction nous arrive. Ruben, prenant la parole, leur 22
dit : Ne vous disais -je pas : Ne commettez point un crime envers cet enfant ? Mais vous n'avez point
écouté. Et voici, son sang est redemandé. Ils ne savaient pas que Joseph comprenait, car il se servait 23
avec eux d'un interprète. Il s'éloigna d'eux, pour pleurer. Il revint, et leur parla ; puis il prit parmi eux 24
Siméon, et le fit enchaîner sous leurs yeux. Joseph ordonna qu'on remplît de blé leurs sacs, qu'on remît 25
l'argent de chacun dans son sac, et qu'on leur donnât des provisions pour la route. Et l'on fit ainsi. Ils 26
chargèrent le blé sur leurs ânes, et partirent. L'un d'eux ouvrit son sac pour donner du fourrage à son 27
âne, dans le lieu où ils passèrent la nuit, et il vit l'argent qui était à l'entrée du sac. Il dit à ses frères : 28
Mon argent a été rendu, et le voici dans mon sac. Alors leur coeur fut en défaillance ; et ils se dirent
l'un à l'autre, en tremblant : Qu'est-ce que Dieu nous a fait ? Ils revinrent auprès de Jacob, leur père, 29
dans le pays de Canaan, et ils lui racontèrent tout ce qui leur était arrivé. Ils dirent : L'homme, qui 30
est le seigneur du pays, nous a parlé durement, et il nous a pris pour des espions. Nous lui avons dit : 31
Nous sommes sincères, nous ne sommes pas des espions. Nous sommes douze frères, fils de notre père ; 32
l'un n'est plus, et le plus jeune est aujourd'hui avec notre père au pays de Canaan. Et l'homme, qui 33
est le seigneur du pays, nous a dit : Voici comment je saurai si vous êtes sincères. Laissez auprès de
moi l'un de vos frères, prenez de quoi nourrir vos familles, partez, et amenez -moi votre jeune frère. Je 34
saurai ainsi que vous n'êtes pas des espions, que vous êtes sincères ; je vous rendrai votre frère, et vous
pourrez librement parcourir le pays. Lorsqu'ils vidèrent leurs sacs, voici, le paquet d'argent de chacun 35
était dans son sac. Ils virent, eux et leur père, leurs paquets d'argent, et ils eurent peur. Jacob, leur 36

père, leur dit : Vous me privez de mes enfants ! Joseph n'est plus, Siméon n'est plus, et vous prendriez
37 Benjamin ! C'est sur moi que tout cela retombe. Ruben dit à son père : Tu feras mourir mes deux fils si
38 je ne te ramène pas Benjamin ; remets -le entre mes mains, et je te le ramènerai. Jacob dit : Mon fils ne descendra point avec vous ; car son frère est mort, et il reste seul ; s'il lui arrivait un malheur dans le voyage que vous allez faire, vous feriez descendre mes cheveux blancs avec douleur dans le séjour des morts.

43, 2 La famine s'appesantissait sur le pays. Quand ils eurent fini de manger le blé qu'ils avaient apporté
3 d'Égypte, Jacob dit à ses fils : Retournez, achetez -nous un peu de vivres. Juda lui répondit : Cet homme nous a fait cette déclaration formelle : Vous ne verrez pas ma face, à moins que votre frère ne soit avec
4 vous. Si donc tu veux envoyer notre frère avec nous, nous descendrons, et nous t'achèterons des vivres.
5 Mais si tu ne veux pas l'envoyer, nous ne descendrons point, car cet homme nous a dit : Vous ne verrez
6 pas ma face, à moins que votre frère ne soit avec vous. Israël dit alors : Pourquoi avez-vous mal agi
7 à mon égard, en disant à cet homme que vous aviez encore un frère ? Ils répondirent : Cet homme nous a interrogés sur nous et sur notre famille, en disant : Votre père vit -il encore ? avez -vous un frère ? Et nous avons répondu à ces questions. Pouvions-nous savoir qu'il dirait : Faites descendre votre
8 frère ? Juda dit à Israël, son père : Laisse venir l'enfant avec moi, afin que nous nous levions et que
9 nous partions ; et nous vivrons et ne mourrons pas, nous, toi, et nos enfants. Je réponds de lui ; tu le redemanderas de ma main. Si je ne le ramène pas auprès de toi et si je ne le remets pas devant ta face,
10 je serai pour toujours coupable envers toi. Car si nous n'eussions pas tardé, nous serions maintenant
11 deux fois de retour. Israël, leur père, leur dit : Puisqu'il le faut, faites ceci. Prenez dans vos sacs des meilleures productions du pays, pour en porter un présent à cet homme, un peu de baume et un peu de
12 miel, des aromates, de la myrrhe, des pistaches et des amandes. Prenez avec vous de l'argent au double,
13 et remportez l'argent qu'on avait mis à l'entrée de vos sacs : peut-être était-ce une erreur. Prenez votre
14 frère, et levez -vous ; retournez vers cet homme. Que le Dieu tout-puissant vous fasse trouver grâce devant cet homme, et qu'il laisse revenir avec vous votre autre frère et Benjamin ! Et moi, si je dois
15 être privé de mes enfants, que j'en sois privé ! Ils prirent le présent ; ils prirent avec eux de l'argent au double, ainsi que Benjamin ; ils se levèrent, descendirent en Égypte, et se présentèrent devant Joseph.
16 Dès que Joseph vit avec eux Benjamin, il dit à son intendant : Fais entrer ces gens dans la maison, tue
17 et apprête ; car ces gens mangeront avec moi à midi. Cet homme fit ce que Joseph avait ordonné, et il
18 conduisit ces gens dans la maison de Joseph. Ils eurent peur lorsqu'ils furent conduits à la maison de Joseph, et ils dirent : C'est à cause de l'argent remis l'autre fois dans nos sacs qu'on nous emmène ; c'est pour se jeter sur nous, se précipiter sur nous ; c'est pour nous prendre comme esclaves, et s'emparer
19 de nos ânes. Ils s'approchèrent de l'intendant de la maison de Joseph, et lui adressèrent la parole, à
20 l'entrée de la maison. Ils dirent : Pardon ! mon seigneur, nous sommes déjà descendus une fois pour
21 acheter des vivres. Puis, quand nous arrivâmes, au lieu où nous devions passer la nuit, nous avons ouvert nos sacs ; et voici, l'argent de chacun était à l'entrée de son sac, notre argent selon son poids :
22 nous le rapportons avec nous. Nous avons aussi apporté d'autre argent, pour acheter des vivres. Nous
23 ne savons pas qui avait mis notre argent dans nos sacs. L'intendant répondit : Que la paix soit avec vous ! Ne craignez rien. C'est votre Dieu, le Dieu de votre père, qui vous a donné un trésor dans vos
24 sacs. Votre argent m'est parvenu. Et il leur amena Siméon. Cet homme les fit entrer dans la maison de Joseph ; il leur donna de l'eau et ils se lavèrent les pieds ; il donna aussi du fourrage à leurs ânes.
25 Ils préparèrent leur présent, en attendant que Joseph vienne à midi ; car on les avait informés qu'ils
26 mangeraient chez lui. Quand Joseph fut arrivé à la maison, ils lui offrirent le présent qu'ils avaient
27 apporté, et ils se prosternèrent en terre devant lui. Il leur demanda comment ils se portaient ; et il
28 dit : Votre vieux père, dont vous avez parlé, est-il en bonne santé ? vit -il encore ? Ils répondirent : Ton
29 serviteur, notre père, est en bonne santé ; il vit encore. Et ils s'inclinèrent et se prosternèrent. Joseph leva les yeux ; et, jetant un regard sur Benjamin, son frère, fils de sa mère, il dit : Est-ce là votre jeune
30 frère, dont vous m'avez parlé ? Et il ajouta : Dieu te fasse miséricorde, mon fils ! Ses entrailles étaient émues pour son frère, et il avait besoin de pleurer ; il entra précipitamment dans une chambre, et il y
31 pleura. Après s'être lavé le visage, il en sortit ; et, faisant des efforts pour se contenir, il dit : Servez
32 à manger. On servit Joseph à part, et ses frères à part ; les Égyptiens qui mangeaient avec lui furent aussi servis à part, car les Égyptiens ne pouvaient pas manger avec les Hébreux, parce que c'est à
33 leurs yeux une abomination. Les frères de Joseph s'assirent en sa présence, le premier-né selon son droit d'aînesse, et le plus jeune selon son âge ; et ils se regardaient les uns les autres avec étonnement.
34 Joseph leur fit porter des mets qui étaient devant lui, et Benjamin en eut cinq fois plus que les autres. Ils burent, et s'égayèrent avec lui.

44 Joseph donna cet ordre à l'intendant de sa maison : Remplis de vivres les sacs de ces gens, autant
2 qu'ils en pourront porter, et mets l'argent de chacun à l'entrée de son sac. Tu mettras aussi ma coupe, la coupe d'argent, à l'entrée du sac du plus jeune, avec l'argent de son blé. L'intendant fit ce que Joseph

lui avait ordonné. Le matin, dès qu'il fit jour, on renvoya ces gens avec leurs ânes. Ils étaient sortis 3, 4
de la ville, et ils n'en étaient guère éloignés, lorsque Joseph dit à son intendant : Lève -toi, poursuis
ces gens ; et, quand tu les auras atteints, tu leur diras : Pourquoi avez-vous rendu le mal pour le bien ?
N'avez-vous pas la coupe dans laquelle boit mon seigneur, et dont il se sert pour deviner ? Vous avez 5
mal fait d'agir ainsi. L'intendant les atteignit, et leur dit ces mêmes paroles. Ils lui répondirent : 6, 7
Pourquoi mon seigneur parle -t-il de la sorte ? Dieu préserve tes serviteurs d'avoir commis une telle
action ! Voici, nous t'avons rapporté du pays de Canaan l'argent que nous avons trouvé à l'entrée de 8
nos sacs ; comment aurions-nous dérobé de l'argent ou de l'or dans la maison de ton seigneur ? Que 9
celui de tes serviteurs sur qui se trouvera la coupe meure, et que nous soyons nous-mêmes esclaves de
mon seigneur ! Il dit : Qu'il en soit donc selon vos paroles ! Celui sur qui se trouvera la coupe sera mon 10
esclave ; et vous, vous serez innocents. Aussitôt, chacun descendit son sac à terre, et chacun ouvrit 11
son sac. L'intendant les fouilla, commençant par le plus âgé et finissant par le plus jeune ; et la coupe 12
fut trouvée dans le sac de Benjamin. Ils déchirèrent leurs vêtements, chacun rechargea son âne, et ils 13
retournèrent à la ville. Juda et ses frères arrivèrent à la maison de Joseph, où il était encore, et ils se 14
prosternèrent en terre devant lui. Joseph leur dit : Quelle action avez-vous faite ? Ne savez -vous pas 15
qu'un homme comme moi a le pouvoir de deviner ? Juda répondit : Que dirons -nous à mon seigneur ? 16
comment parlerons -nous ? comment nous justifierons -nous ? Dieu a trouvé l'iniquité de tes serviteurs.
Nous voici esclaves de mon seigneur, nous, et celui sur qui s'est trouvée la coupe. Et Joseph dit : Dieu 17
me garde de faire cela ! L'homme sur qui la coupe a été trouvée sera mon esclave ; mais vous, remontez
en paix vers votre père. Alors Juda s'approcha de Joseph, et dit : De grâce, mon seigneur, que ton 18
serviteur puisse faire entendre une parole à mon seigneur, et que sa colère ne s'enflamme point contre
ton serviteur ! car tu es comme Pharaon. Mon seigneur a interrogé ses serviteurs, en disant : Avez 19
-vous un père, ou un frère ? Nous avons répondu : Nous avons un vieux père, et un jeune frère, enfant 20
de sa vieillesse ; cet enfant avait un frère qui est mort, et qui était de la même mère ; il reste seul, et son
père l'aime. Tu as dit à tes serviteurs : Faites-le descendre vers moi, et que je le voie de mes propres 21
yeux. Nous avons répondu à mon seigneur : L'enfant ne peut pas quitter son père ; s'il le quitte, son père 22
mourra. Tu as dit à tes serviteurs : Si votre jeune frère ne descend pas avec vous, vous ne reverrez pas 23
ma face. Lorsque nous sommes remontés auprès de ton serviteur, mon père, nous lui avons rapporté 24
les paroles de mon seigneur. Notre père a dit : Retournez, achetez -nous un peu de vivres. Nous avons 25, 26
répondu : Nous ne pouvons pas descendre ; mais, si notre jeune frère est avec nous, nous descendrons,
car nous ne pouvons pas voir la face de cet homme, à moins que notre jeune frère ne soit avec nous.
Ton serviteur, notre père, nous a dit : Vous savez que ma femme m'a enfanté deux fils. L'un étant sorti 27, 28
de chez moi, je pense qu'il a été sans doute déchiré, car je ne l'ai pas revu jusqu'à présent. Si vous 29
me prenez encore celui-ci, et qu'il lui arrive un malheur, vous ferez descendre mes cheveux blancs avec
douleur dans le séjour des morts. Maintenant, si je retourne auprès de ton serviteur, mon père, sans 30
avoir avec nous l'enfant à l'âme duquel son âme est attachée, il mourra, en voyant que l'enfant n'y 31
est pas ; et tes serviteurs feront descendre avec douleur dans le séjour des morts les cheveux blancs de
ton serviteur, notre père. Car ton serviteur a répondu pour l'enfant, en disant à mon père : Si je ne le 32
ramène pas auprès de toi, je serai pour toujours coupable envers mon père. Permets donc, je te prie, à 33
ton serviteur de rester à la place de l'enfant, comme esclave de mon seigneur ; et que l'enfant remonte
avec ses frères. Comment pourrai-je remonter vers mon père, si l'enfant n'est pas avec moi ? Ah ! que 34
je ne voie point l'affliction de mon père !

Joseph ne pouvait plus se contenir devant tous ceux qui l'entouraient. Il s'écria : Faites sortir tout **45**
le monde. Et il ne resta personne avec Joseph, quand il se fit connaître à ses frères. Il éleva la voix, 2
en pleurant. Les Égyptiens l'entendirent, et la maison de Pharaon l'entendit. Joseph dit à ses frères : 3
Je suis Joseph ! Mon père vit -il encore ? Mais ses frères ne purent lui répondre, car ils étaient troublés
en sa présence. Joseph dit à ses frères : Approchez -vous de moi. Et ils s'approchèrent. Il dit : Je suis 4
Joseph, votre frère, que vous avez vendu pour être mené en Égypte. Maintenant, ne vous affligez pas, 5
et ne soyez pas fâchés de m'avoir vendu pour être conduit ici, car c'est pour vous sauver la vie que
Dieu m'a envoyé devant vous. Voilà deux ans que la famine est dans le pays ; et pendant cinq années 6
encore, il n'y aura ni labour, ni moisson. Dieu m'a envoyé devant vous pour vous faire subsister dans 7
le pays, et pour vous faire vivre par une grande délivrance. Ce n'est donc pas vous qui m'avez envoyé 8
ici, mais c'est Dieu ; il m'a établi père de Pharaon, maître de toute sa maison, et gouverneur de tout le
pays d'Égypte. Hâtez -vous de remonter auprès de mon père, et vous lui direz : Ainsi a parlé ton fils 9
Joseph : Dieu m'a établi seigneur de toute l'Égypte ; descends vers moi, ne tarde pas ! Tu habiteras 10
dans le pays de Gosen, et tu seras près de moi, toi, tes fils, et les fils de tes fils, tes brebis et tes boeufs,
et tout ce qui est à toi. Là, je te nourrirai, car il y aura encore cinq années de famine ; et ainsi tu ne 11
périras point, toi, ta maison, et tout ce qui est à toi. Vous voyez de vos yeux, et mon frère Benjamin voit 12
de ses yeux que c'est moi-même qui vous parle. Racontez à mon père toute ma gloire en Égypte, et tout 13

14 ce que vous avez vu ; et vous ferez descendre ici mon père au plus tôt. Il se jeta au cou de Benjamin, son
15 frère, et pleura ; et Benjamin pleura sur son cou. Il embrassa aussi tous ses frères, en pleurant. Après
16 quoi, ses frères s'entretinrent avec lui. Le bruit se répandit dans la maison de Pharaon que les frères
17 de Joseph étaient arrivés : ce qui fut agréable à Pharaon et à ses serviteurs. Pharaon dit à Joseph :
18 Dis à tes frères : Faites ceci. Chargez vos bêtes, et partez pour le pays de Canaan ; prenez votre père
et vos familles, et venez auprès de moi. Je vous donnerai ce qu'il y a de meilleur au pays d'Égypte, et
19 vous mangerez la graisse du pays. Tu as ordre de leur dire : Faites ceci. Prenez dans le pays d'Égypte
20 des chars pour vos enfants et pour vos femmes ; amenez votre père, et venez. Ne regrettez point ce que
21 vous laisserez, car ce qu'il y a de meilleur dans tout le pays d'Égypte sera pour vous. Les fils d'Israël
firent ainsi. Joseph leur donna des chars, selon l'ordre de Pharaon ; il leur donna aussi des provisions
22 pour la route. Il leur donna à tous des vêtements de rechange, et il donna à Benjamin trois cents
23 sicles d'argent et cinq vêtements de rechange. Il envoya à son père dix ânes chargés de ce qu'il y avait
de meilleur en Égypte, et dix ânesses chargées de blé, de pain et de vivres, pour son père pendant le
24, 25 voyage. Puis il congédia ses frères, qui partirent ; et il leur dit : Ne vous querellez pas en chemin. Ils
26 remontèrent de l'Égypte, et ils arrivèrent dans le pays de Canaan, auprès de Jacob, leur père. Ils lui
dirent : Joseph vit encore, et même c'est lui qui gouverne tout le pays d'Égypte. Mais le coeur de Jacob
27 resta froid, parce qu'il ne les croyait pas. Ils lui rapportèrent toutes les paroles que Joseph leur avait
dites. Il vit les chars que Joseph avait envoyés pour le transporter. C'est alors que l'esprit de Jacob, leur
28 père, se ranima ; et Israël dit : C'est assez ! Joseph, mon fils, vit encore ! J'irai, et je le verrai avant que
je meure.

46 Israël partit, avec tout ce qui lui appartenait. Il arriva à Beer-Schéba, et il offrit des sacrifices au
2 Dieu de son père Isaac. Dieu parla à Israël dans une vision pendant la nuit, et il dit : Jacob ! Jacob !
3 Israël répondit : Me voici ! Et Dieu dit : Je suis le Dieu, le Dieu de ton père. Ne crains point de descendre
4 en Égypte, car là je te ferai devenir une grande nation. Moi-même je descendrai avec toi en Égypte, et
5 moi-même je t'en ferai remonter ; et Joseph te fermera les yeux. Jacob quitta Beer-Schéba ; et les fils
d'Israël mirent Jacob, leur père, avec leurs enfants et leurs femmes, sur les chars que Pharaon avait
6 envoyés pour les transporter. Ils prirent aussi leurs troupeaux et les biens qu'ils avaient acquis dans
7 le pays de Canaan. Et Jacob se rendit en Égypte, avec toute sa famille. Il emmena avec lui en Égypte
8 ses fils et les fils de ses fils, ses filles et les filles de ses fils, et toute sa famille. Voici les noms des fils
9 d'Israël, qui vinrent en Égypte. Jacob et ses fils. Premier-né de Jacob : Ruben. Fils de Ruben : Hénoc,
10 Pallu, Hetsron et Carmi. Fils de Siméon : Jemuel, Jamin, Ohad, Jakin et Tsochar ; et Saul, fils de la
11, 12 Cananéenne. Fils de Lévi : Guerschon, Kehath et Merari. Fils de Juda : Er, Onan, Schéla, Pérets et
Zarach ; mais Er et Onan moururent au pays de Canaan. Les fils de Pérets furent Hetsron et Hamul.
13, 14, 15 Fils d'Issacar : Thola, Puva, Job et Schimron. Fils de Zabulon : Séred, Élon et Jahleel. Ce sont là les fils
que Léa enfanta à Jacob à Paddan-Aram, avec sa fille Dina. Ses fils et ses filles formaient en tout trente
16, 17 -trois personnes. Fils de Gad : Tsiphjon, Haggi, Schuni, Etsbon, Éri, Arodi et Areéli. Fils d'Aser :
18 Jimna, Jischva, Jischvi et Beria ; et Sérach, leur soeur. Et les fils de Beria : Héber et Malkiel. Ce sont
là les fils de Zilpa, que Laban avait donnée à Léa, sa fille ; et elle les enfanta à Jacob. En tout, seize
19, 20 personnes. Fils de Rachel, femme de Jacob : Joseph et Benjamin. Il naquit à Joseph, au pays d'Égypte,
21 Manassé et Éphraïm, que lui enfanta Asnath, fille de Poti-Phéra, prêtre d'On. Fils de Benjamin : Béla,
22 Béker, Aschbel, Guéra, Naaman, Éhi, Rosch, Muppim, Huppim et Ard. Ce sont là les fils de Rachel, qui
23, 24 naquirent à Jacob. En tout, quatorze personnes. Fils de Dan : Huschim. Fils de Nephthali : Jathtseel,
25 Guni, Jetser et Schillem. Ce sont là les fils de Bilha, que Laban avait donnée à Rachel, sa fille ; et elle
26 les enfanta à Jacob. En tout, sept personnes. Les personnes qui vinrent avec Jacob en Égypte, et qui
étaient issues de lui, étaient au nombre de soixante -six en tout, sans compter les femmes des fils de
27 Jacob. Et Joseph avait deux fils qui lui étaient nés en Égypte. Le total des personnes de la famille
28 de Jacob qui vinrent en Égypte était de soixante-dix. Jacob envoya Juda devant lui vers Joseph, pour
29 l'informer qu'il se rendait en Gosen. Joseph attela son char et y monta, pour aller en Gosen, à la
30 rencontre d'Israël, son père. Dès qu'il le vit, il se jeta à son cou, et pleura longtemps sur son cou. Israël
31 dit à Joseph : Que je meure maintenant, puisque j'ai vu ton visage et que tu vis encore ! Joseph dit à
ses frères et à la famille de son père : Je vais avertir Pharaon, et je lui dirai : Mes frères et la famille de
32 mon père, qui étaient au pays de Canaan, sont arrivés auprès de moi. Ces hommes sont bergers, car
33 ils élèvent des troupeaux ; ils ont amené leurs brebis et leurs boeufs, et tout ce qui leur appartient. Et
34 quand Pharaon vous appellera, et dira : Quelle est votre occupation ? vous répondrez : Tes serviteurs
ont élevé des troupeaux, depuis notre jeunesse jusqu'à présent, nous et nos pères. De cette manière,
vous habiterez dans le pays de Gosen, car tous les bergers sont en abomination aux Égyptiens.

Joseph alla avertir Pharaon, et lui dit : Mes frères et mon père sont arrivés du pays de Canaan, **47**
avec leurs brebis et leurs boeufs, et tout ce qui leur appartient ; et les voici dans le pays de Gosen. Il 2
prit cinq de ses frères, et les présenta à Pharaon. Pharaon leur dit : Quelle est votre occupation ? Ils 3
répondirent à Pharaon : Tes serviteurs sont bergers, comme l'étaient nos pères. Ils dirent encore à 4
Pharaon : Nous sommes venus pour séjourner dans le pays, parce qu'il n'y a plus de pâturage pour les
brebis de tes serviteurs, car la famine s'appesantit sur le pays de Canaan ; permets donc à tes serviteurs
d'habiter au pays de Gosen. Pharaon dit à Joseph : Ton père et tes frères sont venus auprès de toi. Le 5, 6
pays d'Égypte est devant toi ; établis ton père et tes frères dans la meilleure partie du pays. Qu'ils
habitent dans le pays de Gosen ; et, si tu trouves parmi eux des hommes capables, mets -les à la tête
de mes troupeaux. Joseph fit venir Jacob, son père, et le présenta à Pharaon. Et Jacob bénit Pharaon. 7
Pharaon dit à Jacob : Quel est le nombre de jours des années de ta vie ? Jacob répondit à Pharaon : Les 8, 9
jours des années de mon pèlerinage sont de cent trente ans. Les jours des années de ma vie ont été peu
nombreux et mauvais, et ils n'ont point atteint les jours des années de la vie de mes pères durant leur
pèlerinage. Jacob bénit encore Pharaon, et se retira de devant Pharaon. Joseph établit son père et 10, 11
ses frères, et leur donna une propriété dans le pays d'Égypte, dans la meilleure partie du pays, dans la
contrée de Ramsès, comme Pharaon l'avait ordonné. Joseph fournit du pain à son père et à ses frères, 12
et à toute la famille de son père, selon le nombre des enfants. Il n'y avait plus de pain dans tout le 13
pays, car la famine était très grande ; le pays d'Égypte et le pays de Canaan languissaient, à cause de la
famine. Joseph recueillit tout l'argent qui se trouvait dans le pays d'Égypte et dans le pays de Canaan, 14
contre le blé qu'on achetait ; et il fit entrer cet argent dans la maison de Pharaon. Quand l'argent du 15
pays d'Égypte et du pays de Canaan fut épuisé, tous les Égyptiens vinrent à Joseph, en disant : Donne
-nous du pain ! Pourquoi mourrions -nous en ta présence ? car l'argent manque. Joseph dit : Donnez 16
vos troupeaux, et je vous donnerai du pain contre vos troupeaux, si l'argent manque. Ils amenèrent 17
leurs troupeaux à Joseph, et Joseph leur donna du pain contre les chevaux, contre les troupeaux de
brebis et de boeufs, et contre les ânes. Il leur fournit ainsi du pain cette année-là contre tous leurs
troupeaux. Lorsque cette année fut écoulée, ils vinrent à Joseph l'année suivante, et lui dirent : Nous 18
ne cacherons point à mon seigneur que l'argent est épuisé, et que les troupeaux de bétail ont été amenés
à mon seigneur ; il ne reste devant mon seigneur que nos corps et nos terres. Pourquoi mourrions -nous 19
sous tes yeux, nous et nos terres ? Achète -nous avec nos terres contre du pain, et nous appartiendrons
à mon seigneur, nous et nos terres. Donne -nous de quoi semer, afin que nous vivions et que nous ne
mourions pas, et que nos terres ne soient pas désolées. Joseph acheta toutes les terres de l'Égypte 20
pour Pharaon ; car les Égyptiens vendirent chacun leur champ, parce que la famine les pressait. Et
le pays devint la propriété de Pharaon. Il fit passer le peuple dans les villes, d'un bout à l'autre des 21
frontières de l'Égypte. Seulement, il n'acheta point les terres des prêtres, parce qu'il y avait une loi de 22
Pharaon en faveur des prêtres, qui vivaient du revenu que leur assurait Pharaon : c'est pourquoi ils ne
vendirent point leurs terres. Joseph dit au peuple : Je vous ai achetés aujourd'hui avec vos terres, pour 23
Pharaon ; voici pour vous de la semence, et vous pourrez ensemencer le sol. À la récolte, vous donnerez 24
un cinquième à Pharaon, et vous aurez les quatre autres parties, pour ensemencer les champs, et pour
vous nourrir avec vos enfants et ceux qui sont dans vos maisons. Ils dirent : Tu nous sauves la vie ! 25
que nous trouvions grâce aux yeux de mon seigneur, et nous serons esclaves de Pharaon. Joseph fit 26
de cela une loi, qui a subsisté jusqu'à ce jour, et d'après laquelle un cinquième du revenu des terres de
l'Égypte appartient à Pharaon ; il n'y a que les terres des prêtres qui ne soient point à Pharaon. Israël 27
habita dans le pays d'Égypte, dans le pays de Gosen. Ils eurent des possessions, ils furent féconds et
multiplièrent beaucoup. Jacob vécut dix-sept ans dans le pays d'Égypte ; et les jours des années de la 28
vie de Jacob furent de cent quarante -sept ans. Lorsqu'Israël approcha du moment de sa mort, il appela 29
son fils Joseph, et lui dit : Si j'ai trouvé grâce à tes yeux, mets, je te prie, ta main sous ma cuisse, et use
envers moi de bonté et de fidélité : ne m'enterre pas en Égypte ! Quand je serai couché avec mes pères, 30
tu me transporteras hors de l'Égypte, et tu m'enterreras dans leur sépulcre. Joseph répondit : Je ferai
selon ta parole. Jacob dit : Jure -le-moi. Et Joseph le lui jura. Puis Israël se prosterna sur le chevet de 31
son lit.

Après ces choses, l'on vint dire à Joseph : Voici, ton père est malade. Et il prit avec lui ses deux fils, **48**
Manassé et Éphraïm. On avertit Jacob, et on lui dit : Voici ton fils Joseph qui vient vers toi. Et Israël 2
rassembla ses forces, et s'assit sur son lit. Jacob dit à Joseph : Le Dieu tout-puissant m'est apparu 3
à Luz, dans le pays de Canaan, et il m'a béni. Il m'a dit : Je te rendrai fécond, je te multiplierai, et 4
je ferai de toi une multitude de peuples ; je donnerai ce pays à ta postérité après toi, pour qu'elle le
possède à toujours. Maintenant, les deux fils qui te sont nés au pays d'Égypte, avant mon arrivée vers 5
toi en Égypte, seront à moi ; Éphraïm et Manassé seront à moi, comme Ruben et Siméon. Mais les 6

enfants que tu as engendrés après eux seront à toi ; ils seront appelés du nom de leurs frères dans leur
7 héritage. À mon retour de Paddan, Rachel mourut en route auprès de moi, dans le pays de Canaan, à
quelque distance d'Éphrata ; et c'est là que je l'ai enterrée, sur le chemin d'Éphrata, qui est Bethléhem.
8, 9 Israël regarda les fils de Joseph, et dit : Qui sont ceux-ci ? Joseph répondit à son père : Ce sont mes
fils, que Dieu m'a donnés ici. Israël dit : Fais-les, je te prie, approcher de moi, pour que je les bénisse.
10 Les yeux d'Israël étaient appesantis par la vieillesse ; il ne pouvait plus voir. Joseph les fit approcher
11 de lui ; et Israël leur donna un baiser, et les embrassa. Israël dit à Joseph : Je ne pensais pas revoir
12 ton visage, et voici que Dieu me fait voir même ta postérité. Joseph les retira des genoux de son père,
13 et il se prosterna en terre devant lui. Puis Joseph les prit tous deux, Éphraïm de sa main droite à la
14 gauche d'Israël, et Manassé de sa main gauche à la droite d'Israël, et il les fit approcher de lui. Israël
étendit sa main droite et la posa sur la tête d'Éphraïm qui était le plus jeune, et il posa sa main gauche
sur la tête de Manassé : ce fut avec intention qu'il posa ses mains ainsi, car Manassé était le premier-
15 né. Il bénit Joseph, et dit : Que le Dieu en présence duquel ont marché mes pères, Abraham et Isaac,
16 que le Dieu qui m'a conduit depuis que j'existe jusqu'à ce jour, que l'ange qui m'a délivré de tout mal,
bénisse ces enfants ! Qu'ils soient appelés de mon nom et du nom de mes pères, Abraham et Isaac, et
17 qu'ils multiplient en abondance au milieu du pays ! Joseph vit avec déplaisir que son père posait sa
main droite sur la tête d'Éphraïm ; il saisit la main de son père, pour la détourner de dessus la tête
18 d'Éphraïm, et la diriger sur celle de Manassé. Et Joseph dit à son père : Pas ainsi, mon père, car celui-
19 ci est le premier-né ; pose ta main droite sur sa tête. Son père refusa, et dit : Je le sais, mon fils, je le
sais ; lui aussi deviendra un peuple, lui aussi sera grand ; mais son frère cadet sera plus grand que lui,
20 et sa postérité deviendra une multitude de nations. Il les bénit ce jour-là, et dit : C'est par toi qu'Israël
bénira, en disant : Que Dieu te traite comme Éphraïm et comme Manassé ! Et il mit Éphraïm avant
21 Manassé. Israël dit à Joseph : Voici, je vais mourir ! Mais Dieu sera avec vous, et il vous fera retourner
22 dans le pays de vos pères. Je te donne, de plus qu'à tes frères, une part que j'ai prise de la main des
Amoréens avec mon épée et avec mon arc.

49 Jacob appela ses fils, et dit : Assemblez -vous, et je vous annoncerai ce qui vous arrivera dans la suite
2, 3 des temps. Rassemblez -vous, et écoutez, fils de Jacob ! Écoutez Israël, votre père ! Ruben, toi, mon
premier-né, Ma force et les prémices de ma vigueur, Supérieur en dignité et supérieur en puissance,
4 Impétueux comme les eaux, tu n'auras pas la prééminence ! Car tu es monté sur la couche de ton père,
5 Tu as souillé ma couche en y montant. Siméon et Lévi sont frères ; Leurs glaives sont des instruments
6 de violence. Que mon âme n'entre point dans leur conciliabule, Que mon esprit ne s'unisse point à leur
assemblée ! Car, dans leur colère, ils ont tué des hommes, Et, dans leur méchanceté, ils ont coupé les
7 jarrets des taureaux. Maudite soit leur colère, car elle est violente, Et leur fureur, car elle est cruelle !
8 Je les séparerai dans Jacob, Et je les disperserai dans Israël. Juda, tu recevras les hommages de tes
frères ; Ta main sera sur la nuque de tes ennemis. Les fils de ton père se prosterneront devant toi.
9 Juda est un jeune lion. Tu reviens du carnage, mon fils ! Il ploie les genoux, il se couche comme un lion,
10 Comme une lionne : qui le fera lever ? Le sceptre ne s'éloignera point de Juda, Ni le bâton souverain
11 d'entre ses pieds, Jusqu'à ce que vienne le Schilo, Et que les peuples lui obéissent. Il attache à la vigne
son âne, Et au meilleur cep le petit de son ânesse ; Il lave dans le vin son vêtement, Et dans le sang
12, 13 des raisins son manteau. Il a les yeux rouges de vin, Et les dents blanches de lait. Zabulon habitera
14 sur la côte des mers, Il sera sur la côte des navires, Et sa limite s'étendra du côté de Sidon. Issacar
15 est un âne robuste, Qui se couche dans les étables. Il voit que le lieu où il repose est agréable, Et
16 que la contrée est magnifique ; Et il courbe son épaule sous le fardeau, Il s'assujettit à un tribut. Dan
17 jugera son peuple, Comme l'une des tribus d'Israël. Dan sera un serpent sur le chemin, Une vipère
18 sur le sentier, Mordant les talons du cheval, Pour que le cavalier tombe à la renverse. J'espère en ton
19 secours, ô Éternel ! Gad sera assailli par des bandes armées, Mais il les assaillira et les poursuivra.
20, 21 Aser produit une nourriture excellente ; Il fournira les mets délicats des rois. Nephthali est une biche
22 en liberté ; Il profère de belles paroles. Joseph est le rejeton d'un arbre fertile, Le rejeton d'un arbre
23 fertile près d'une source ; Les branches s'élèvent au-dessus de la muraille. Ils l'ont provoqué, ils ont
24 lancé des traits ; Les archers l'ont poursuivi de leur haine. Mais son arc est demeuré ferme, Et ses
mains ont été fortifiées Par les mains du Puissant de Jacob : Il est ainsi devenu le berger, le rocher
25 d'Israël. C'est l'oeuvre du Dieu de ton père, qui t'aidera ; C'est l'oeuvre du Tout-Puissant, qui te bénira
Des bénédictions des cieux en haut, Des bénédictions des eaux en bas, Des bénédictions des mamelles
26 et du sein maternel. Les bénédictions de ton père s'élèvent Au-dessus des bénédictions de mes pères
Jusqu'à la cime des collines éternelles : Qu'elles soient sur la tête de Joseph, Sur le sommet de la tête
27 du prince de ses frères ! Benjamin est un loup qui déchire ; Le matin, il dévore la proie, Et le soir, il
28 partage le butin. Ce sont là tous ceux qui forment les douze tribus d'Israël. Et c'est là ce que leur
29 dit leur père, en les bénissant. Il les bénit, chacun selon sa bénédiction. Puis il leur donna cet ordre :

Je vais être recueilli auprès de mon peuple ; enterrez -moi avec mes pères, dans la caverne qui est au
champ d'Éphron, le Héthien, dans la caverne du champ de Macpéla, vis-à-vis de Mamré, dans le pays 30
de Canaan. C'est le champ qu'Abraham a acheté d'Éphron, le Héthien, comme propriété sépulcrale. Là 31
on a enterré Abraham et Sara, sa femme ; là on a enterré Isaac et Rebecca, sa femme ; et là j'ai enterré
Léa. Le champ et la caverne qui s'y trouve ont été achetés des fils de Heth. Lorsque Jacob eut achevé 32, 33
de donner ses ordres à ses fils, il retira ses pieds dans le lit, il expira, et fut recueilli auprès de son
peuple.

Joseph se jeta sur le visage de son père, pleura sur lui, et le baisa. Il ordonna aux médecins à son **50**, 2
service d'embaumer son père, et les médecins embaumèrent Israël. Quarante jours s'écoulèrent ainsi, 3
et furent employés à l'embaumer. Et les Égyptiens le pleurèrent soixante-dix jours. Quand les jours du 4
deuil furent passés, Joseph s'adressa aux gens de la maison de Pharaon, et leur dit : Si j'ai trouvé grâce
à vos yeux, rapportez, je vous prie, à Pharaon ce que je vous dis. Mon père m'a fait jurer, en disant : 5
Voici, je vais mourir ! Tu m'enterreras dans le sépulcre que je me suis acheté au pays de Canaan. Je
voudrais donc y monter, pour enterrer mon père ; et je reviendrai. Pharaon répondit : Monte, et enterre 6
ton père, comme il te l'a fait jurer. Joseph monta, pour enterrer son père. Avec lui montèrent tous 7
les serviteurs de Pharaon, anciens de sa maison, tous les anciens du pays d'Égypte, toute la maison 8
de Joseph, ses frères, et la maison de son père : on ne laissa dans le pays de Gosen que les enfants, les
brebis et les boeufs. Il y avait encore avec Joseph des chars et des cavaliers, en sorte que le cortège était 9
très nombreux. Arrivés à l'aire d'Athad, qui est au delà du Jourdain, ils firent entendre de grandes et 10
profondes lamentations ; et Joseph fit en l'honneur de son père un deuil de sept jours. Les habitants du 11
pays, les Cananéens, furent témoins de ce deuil dans l'aire d'Athad, et ils dirent : Voilà un grand deuil
parmi les Égyptiens ! C'est pourquoi l'on a donné le nom d'Abel-Mitsraïm à cette aire qui est au delà
du Jourdain. C'est ainsi que les fils de Jacob exécutèrent les ordres de leur père. Ils le transportèrent 12, 13
au pays de Canaan, et l'enterrèrent dans la caverne du champ de Macpéla, qu'Abraham avait achetée
d'Éphron, le Héthien, comme propriété sépulcrale, et qui est vis-à-vis de Mamré. Joseph, après avoir 14
enterré son père, retourna en Égypte, avec ses frères et tous ceux qui étaient montés avec lui pour
enterrer son père. Quand les frères de Joseph virent que leur père était mort, ils dirent : Si Joseph 15
nous prenait en haine, et nous rendait tout le mal que nous lui avons fait ! Et ils firent dire à Joseph : 16
Ton père a donné cet ordre avant de mourir : Vous parlerez ainsi à Joseph : Oh ! pardonne le crime 17
de tes frères et leur péché, car ils t'ont fait du mal ! Pardonne maintenant le péché des serviteurs du
Dieu de ton père ! Joseph pleura, en entendant ces paroles. Ses frères vinrent eux-mêmes se prosterner 18
devant lui, et ils dirent : Nous sommes tes serviteurs. Joseph leur dit : Soyez sans crainte ; car suis-je 19
à la place de Dieu ? Vous aviez médité de me faire du mal : Dieu l'a changé en bien, pour accomplir 20
ce qui arrive aujourd'hui, pour sauver la vie à un peuple nombreux. Soyez donc sans crainte ; je vous 21
entretiendrai, vous et vos enfants. Et il les consola, en parlant à leur coeur. Joseph demeura en Égypte, 22
lui et la maison de son père. Il vécut cent dix ans. Joseph vit les fils d'Éphraïm jusqu'à la troisième 23
génération ; et les fils de Makir, fils de Manassé, naquirent sur ses genoux. Joseph dit à ses frères : Je 24
vais mourir ! Mais Dieu vous visitera, et il vous fera remonter de ce pays-ci dans le pays qu'il a juré de
donner à Abraham, à Isaac et à Jacob. Joseph fit jurer les fils d'Israël, en disant : Dieu vous visitera ; 25
et vous ferez remonter mes os loin d'ici. Joseph mourut, âgé de cent dix ans. On l'embauma, et on le 26
mit dans un cercueil en Égypte.

EXODE

1 Voici les noms des fils d'Israël, venus en Égypte avec Jacob et la famille de chacun d'eux :
2, 3, 4, 5 Ruben, Siméon, Lévi, Juda, Issacar, Zabulon, Benjamin, Dan, Nephthali, Gad et Aser. Les
personnes issues de Jacob étaient au nombre de soixante-dix en tout. Joseph était alors en
6, 7 Égypte. Joseph mourut, ainsi que tous ses frères et toute cette génération -là. Les enfants
d'Israël furent féconds et multiplièrent, ils s'accrurent et devinrent de plus en plus puissants. Et le
8, 9 pays en fut rempli. Il s'éleva sur l'Égypte un nouveau roi, qui n'avait point connu Joseph. Il dit à
son peuple : Voilà les enfants d'Israël qui forment un peuple plus nombreux et plus puissant que nous.
10 Allons ! montrons-nous habiles à son égard ; empêchons qu'il ne s'accroisse, et que, s'il survient une
11 guerre, il ne se joigne à nos ennemis, pour nous combattre et sortir ensuite du pays. Et l'on établit
sur lui des chefs de corvées, afin de l'accabler de travaux pénibles. C'est ainsi qu'il bâtit les villes de
12 Pithom et de Ramsès, pour servir de magasins à Pharaon. Mais plus on l'accablait, plus il multipliait
13 et s'accroissait ; et l'on prit en aversion les enfants d'Israël. Alors les Égyptiens réduisirent les enfants
14 d'Israël à une dure servitude. Ils leur rendirent la vie amère par de rudes travaux en argile et en
briques, et par tous les ouvrages des champs : et c'était avec cruauté qu'ils leur imposaient toutes
15 ces charges. Le roi d'Égypte parla aussi aux sages-femmes des Hébreux, nommées l'une Schiphra, et
16 l'autre Pua. Il leur dit : Quand vous accoucherez les femmes des Hébreux et que vous les verrez sur
17 les sièges, si c'est un garçon, faites-le mourir ; si c'est une fille, laissez-la vivre. Mais les sages-femmes
craignirent Dieu, et ne firent point ce que leur avait dit le roi d'Égypte ; elles laissèrent vivre les enfants.
18 Le roi d'Égypte appela les sages-femmes, et leur dit : Pourquoi avez-vous agi ainsi, et avez-vous laissé
19 vivre les enfants ? Les sages-femmes répondirent à Pharaon : C'est que les femmes des Hébreux ne
sont pas comme les Égyptiennes ; elles sont vigoureuses et elles accouchent avant l'arrivée de la sage-
20, 21 femme. Dieu fit du bien aux sages-femmes ; et le peuple multiplia et devint très nombreux. Parce que
22 les sages-femmes avaient eu la crainte de Dieu, Dieu fit prospérer leurs maisons. Alors Pharaon donna
cet ordre à tout son peuple : Vous jetterez dans le fleuve tout garçon qui naîtra, et vous laisserez vivre
toutes les filles.

2, 2 Un homme de la maison de Lévi avait pris pour femme une fille de Lévi. Cette femme devint
3 enceinte et enfanta un fils. Elle vit qu'il était beau, et elle le cacha pendant trois mois. Ne pouvant
plus le cacher, elle prit une caisse de jonc, qu'elle enduisit de bitume et de poix ; elle y mit l'enfant, et le
4 déposa parmi les roseaux, sur le bord du fleuve. La soeur de l'enfant se tint à quelque distance, pour
5 savoir ce qui lui arriverait. La fille de Pharaon descendit au fleuve pour se baigner, et ses compagnes se
promenèrent le long du fleuve. Elle aperçut la caisse au milieu des roseaux, et elle envoya sa servante
6 pour la prendre. Elle l'ouvrit, et vit l'enfant : c'était un petit garçon qui pleurait. Elle en eut pitié, et
7 elle dit : C'est un enfant des Hébreux ! Alors la soeur de l'enfant dit à la fille de Pharaon : Veux-tu
8 que j'aille te chercher une nourrice parmi les femmes des Hébreux, pour allaiter cet enfant ? Va, lui
9 répondit la fille de Pharaon. Et la jeune fille alla chercher la mère de l'enfant. La fille de Pharaon
lui dit : Emporte cet enfant, et allaite -le-moi ; je te donnerai ton salaire. La femme prit l'enfant, et
10 l'allaita. Quand il eut grandi, elle l'amena à la fille de Pharaon, et il fut pour elle comme un fils. Elle
11 lui donna le nom de Moïse, car, dit -elle, je l'ai retiré des eaux. En ce temps -là, Moïse, devenu grand, se
rendit vers ses frères, et fut témoin de leurs pénibles travaux. Il vit un Égyptien qui frappait un Hébreu
12 d'entre ses frères. Il regarda de côté et d'autre, et, voyant qu'il n'y avait personne, il tua l'Égyptien,
13 et le cacha dans le sable. Il sortit le jour suivant ; et voici, deux Hébreux se querellaient. Il dit à celui
14 qui avait tort : Pourquoi frappes -tu ton prochain ? Et cet homme répondit : Qui t 'a établi chef et juge
sur nous ? Penses -tu me tuer, comme tu as tué l'Égyptien ? Moïse eut peur, et dit : Certainement la
15 chose est connue. Pharaon apprit ce qui s'était passé, et il cherchait à faire mourir Moïse. Mais Moïse
16 s'enfuit de devant Pharaon, et il se retira dans le pays de Madian, où il s'arrêta près d'un puits. Le
sacrificateur de Madian avait sept filles. Elles vinrent puiser de l'eau, et elles remplirent les auges pour
17 abreuver le troupeau de leur père. Les bergers arrivèrent, et les chassèrent. Alors Moïse se leva, prit
18 leur défense, et fit boire leur troupeau. Quand elles furent de retour auprès de Réuel, leur père, il
19 dit : Pourquoi revenez -vous si tôt aujourd'hui ? Elles répondirent : Un Égyptien nous a délivrées de la
20 main des bergers, et même il nous a puisé de l'eau, et a fait boire le troupeau. Et il dit à ses filles : Où
21 est-il ? Pourquoi avez-vous laissé cet homme ? Appelez -le, pour qu'il prenne quelque nourriture. Moïse
22 se décida à demeurer chez cet homme, qui lui donna pour femme Séphora, sa fille. Elle enfanta un
23 fils, qu'il appela du nom de Guerschom, car, dit -il, j'habite un pays étranger. Longtemps après, le roi
d'Égypte mourut, et les enfants d'Israël gémissaient encore sous la servitude, et poussaient des cris.
24 Ces cris, que leur arrachait la servitude, montèrent jusqu'à Dieu. Dieu entendit leurs gémissements,

et se souvint de son alliance avec Abraham, Isaac et Jacob. Dieu regarda les enfants d'Israël, et il en 25
eut compassion.

Moïse faisait paître le troupeau de Jéthro, son beau-père, sacrificateur de Madian ; et il mena le **3**
troupeau derrière le désert, et vint à la montagne de Dieu, à Horeb. L'ange de l'Éternel lui apparut 2
dans une flamme de feu, au milieu d'un buisson. Moïse regarda ; et voici, le buisson était tout en feu,
et le buisson ne se consumait point. Moïse dit : Je veux me détourner pour voir quelle est cette grande 3
vision, et pourquoi le buisson ne se consume point. L'Éternel vit qu'il se détournait pour voir ; et Dieu 4
l'appela du milieu du buisson, et dit : Moïse ! Moïse ! Et il répondit : Me voici ! Dieu dit : N'approche 5
pas d'ici, ôte tes souliers de tes pieds, car le lieu sur lequel tu te tiens est une terre sainte. Et il ajouta : 6
Je suis le Dieu de ton père, le Dieu d'Abraham, le Dieu d'Isaac et le Dieu de Jacob. Moïse se cacha le
visage, car il craignait de regarder Dieu. L'Éternel dit : J'ai vu la souffrance de mon peuple qui est 7
en Égypte, et j'ai entendu les cris que lui font pousser ses oppresseurs, car je connais ses douleurs. Je 8
suis descendu pour le délivrer de la main des Égyptiens, et pour le faire monter de ce pays dans un bon
et vaste pays, dans un pays où coulent le lait et le miel, dans les lieux qu'habitent les Cananéens, les
Héthiens, les Amoréens, les Phéréziens, les Héviens et les Jébusiens. Voici, les cris d'Israël sont venus 9
jusqu'à moi, et j'ai vu l'oppression que leur font souffrir les Égyptiens. Maintenant, va, je t'enverrai 10
auprès de Pharaon, et tu feras sortir d'Égypte mon peuple, les enfants d'Israël. Moïse dit à Dieu : Qui 11
suis-je, pour aller vers Pharaon, et pour faire sortir d'Égypte les enfants d'Israël ? Dieu dit : Je serai 12
avec toi ; et ceci sera pour toi le signe que c'est moi qui t'envoie : quand tu auras fait sortir d'Égypte le
peuple, vous servirez Dieu sur cette montagne. Moïse dit à Dieu : J'irai donc vers les enfants d'Israël, 13
et je leur dirai : Le Dieu de vos pères m'envoie vers vous. Mais, s'ils me demandent quel est son nom, que
leur répondrai -je ? Dieu dit à Moïse : Je suis celui qui suis. Et il ajouta : C'est ainsi que tu répondras 14
aux enfants d'Israël : Celui qui s'appelle je suis m'a envoyé vers vous. Dieu dit encore à Moïse : Tu 15
parleras ainsi aux enfants d'Israël : L'Éternel, le Dieu de vos pères, le Dieu d'Abraham, le Dieu d'Isaac
et le Dieu de Jacob, m'envoie vers vous. Voilà mon nom pour l'éternité, voilà mon nom de génération
en génération. Va, rassemble les anciens d'Israël, et dis -leur : L'Éternel, le Dieu de vos pères, m'est 16
apparu, le Dieu d'Abraham, d'Isaac et de Jacob. Il a dit : Je vous ai vus, et j'ai vu ce qu'on vous fait en
Égypte, et j'ai dit : Je vous ferai monter de l'Égypte, où vous souffrez, dans le pays des Cananéens, 17
des Héthiens, des Amoréens, des Phéréziens, des Héviens et des Jébusiens, dans un pays où coulent le
lait et le miel. Ils écouteront ta voix ; et tu iras, toi et les anciens d'Israël, auprès du roi d'Égypte, et 18
vous lui direz : L'Éternel, le Dieu des Hébreux, nous est apparu. Permets -nous de faire trois journées
de marche dans le désert, pour offrir des sacrifices à l'Éternel, notre Dieu. Je sais que le roi d'Égypte 19
ne vous laissera point aller, si ce n'est par une main puissante. J'étendrai ma main, et je frapperai 20
l'Égypte par toutes sortes de prodiges que je ferai au milieu d'elle. Après quoi, il vous laissera aller. Je 21
ferai même trouver grâce à ce peuple aux yeux des Égyptiens, et quand vous partirez, vous ne partirez
point à vide. Chaque femme demandera à sa voisine et à celle qui demeure dans sa maison des vases 22
d'argent, des vases d'or, et des vêtements, que vous mettrez sur vos fils et vos filles. Et vous dépouillerez
les Égyptiens.

Moïse répondit, et dit : Voici, ils ne me croiront point, et ils n'écouteront point ma voix. Mais ils **4**
diront : L'Éternel ne t'est point apparu. L'Éternel lui dit : Qu'y a-t-il dans ta main ? Il répondit : Une 2
verge. L'Éternel dit : Jette -la par terre. Il la jeta par terre, et elle devint un serpent. Moïse fuyait 3
devant lui. L'Éternel dit à Moïse : Étends ta main, et saisis -le par la queue. Il étendit la main et le 4
saisit et le serpent redevint une verge dans sa main. C'est là, dit l'Éternel, ce que tu feras, afin qu'ils 5
croient que l'Éternel, le Dieu de leurs pères, t'est apparu, le Dieu d'Abraham, le Dieu d'Isaac et le Dieu
de Jacob. L'Éternel lui dit encore : Mets ta main dans ton sein. Il mit sa main dans son sein ; puis il la 6
retira, et voici, sa main était couverte de lèpre, blanche comme la neige. L'Éternel dit : Remets ta main 7
dans ton sein. Il remit sa main dans son sein ; puis il la retira de son sein, et voici, elle était redevenue
comme sa chair. S'ils ne te croient pas, dit l'Éternel, et n'écoutent pas la voix du premier signe, ils 8
croiront à la voix du dernier signe. S'ils ne croient pas même à ces deux signes, et n'écoutent pas ta 9
voix, tu prendras de l'eau du fleuve, tu la répandras sur la terre, et l'eau que tu auras prise du fleuve
deviendra du sang sur la terre. Moïse dit à l'Éternel : Ah ! Seigneur, je ne suis pas un homme qui ait 10
la parole facile, et ce n'est ni d'hier ni d'avant-hier, ni même depuis que tu parles à ton serviteur ; car
j'ai la bouche et la langue embarrassées. L'Éternel lui dit : Qui a fait la bouche de l'homme ? et qui 11
rend muet ou sourd, voyant ou aveugle ? N'est-ce pas moi, l'Éternel ? Va donc, je serai avec ta bouche, 12
et je t'enseignerai ce que tu auras à dire. Moïse dit : Ah ! Seigneur, envoie qui tu voudras envoyer. 13

14 Alors la colère de l'Éternel s'enflamma contre Moïse, et il dit : N'y a t-il pas ton frère Aaron, le Lévite ?
Je sais qu'il parlera facilement. Le voici lui-même, qui vient au-devant de toi ; et, quand il te verra,
15 il se réjouira dans son coeur. Tu lui parleras, et tu mettras les paroles dans sa bouche ; et moi, je
16 serai avec ta bouche et avec sa bouche, et je vous enseignerai ce que vous aurez à faire. Il parlera
17 pour toi au peuple ; il te servira de bouche, et tu tiendras pour lui la place de Dieu. Prends dans ta
18 main cette verge, avec laquelle tu feras les signes. Moïse s'en alla ; et de retour auprès de Jéthro, son
beau-père, il lui dit : Laisse -moi, je te prie, aller rejoindre mes frères qui sont en Égypte, afin que je
19 voie s'ils sont encore vivants. Jéthro dit à Moïse : Va en paix. L'Éternel dit à Moïse, en Madian : Va,
20 retourne en Égypte, car tous ceux qui en voulaient à ta vie sont morts. Moïse prit sa femme et ses
fils, les fit monter sur des ânes, et retourna dans le pays d'Égypte. Il prit dans sa main la verge de
21 Dieu. L'Éternel dit à Moïse : En partant pour retourner en Égypte, vois tous les prodiges que je mets
en ta main : tu les feras devant Pharaon. Et moi, j'endurcirai son coeur, et il ne laissera point aller le
22, 23 peuple. Tu diras à Pharaon : Ainsi parle l'Éternel : Israël est mon fils, mon premier-né. Je te dis :
Laisse aller mon fils, pour qu'il me serve ; si tu refuses de le laisser aller, voici, je ferai périr ton fils,
24 ton premier-né. Pendant le voyage, en un lieu où Moïse passa la nuit, l'Éternel l'attaqua et voulut le
25 faire mourir. Séphora prit une pierre aiguë, coupa le prépuce de son fils, et le jeta aux pieds de Moïse,
26 en disant : Tu es pour moi un époux de sang ! Et l'Éternel le laissa. C'est alors qu'elle dit : Époux de
27 sang ! à cause de la circoncision. L'Éternel dit à Aaron : Va dans le désert au-devant de Moïse. Aaron
28 partit ; il rencontra Moïse à la montagne de Dieu, et il le baisa. Moïse fit connaître à Aaron toutes les
29 paroles de l'Éternel qui l'avait envoyé, et tous les signes qu'il lui avait ordonné de faire. Moïse et Aaron
30 poursuivirent leur chemin, et ils assemblèrent tous les anciens des enfants d'Israël. Aaron rapporta
31 toutes les paroles que l'Éternel avait dites à Moïse, et il exécuta les signes aux yeux du peuple. Et le
peuple crut. Ils apprirent que l'Éternel avait visité les enfants d'Israël, qu'il avait vu leur souffrance ;
et ils s'inclinèrent et se prosternèrent.

5 Moïse et Aaron se rendirent ensuite auprès de Pharaon, et lui dirent : Ainsi parle l'Éternel, le Dieu
2 d'Israël : Laisse aller mon peuple, pour qu'il célèbre au désert une fête en mon honneur. Pharaon
répondit : Qui est l'Éternel, pour que j'obéisse à sa voix, en laissant aller Israël ? Je ne connais point
3 l'Éternel, et je ne laisserai point aller Israël. Ils dirent : Le Dieu des Hébreux nous est apparu. Permets
-nous de faire trois journées de marche dans le désert, pour offrir des sacrifices à l'Éternel, afin qu'il
4 ne nous frappe pas de la peste ou de l'épée. Et le roi d'Égypte leur dit : Moïse et Aaron, pourquoi
5 détournez -vous le peuple de son ouvrage ? Allez à vos travaux. Pharaon dit : Voici, ce peuple est
6 maintenant nombreux dans le pays, et vous lui feriez interrompre ses travaux ! Et ce jour même,
7 Pharaon donna cet ordre aux inspecteurs du peuple et aux commissaires : Vous ne donnerez plus
comme auparavant de la paille au peuple pour faire des briques ; qu'ils aillent eux-mêmes se ramasser
8 de la paille. Vous leur imposerez néanmoins la quantité de briques qu'ils faisaient auparavant, vous
n'en retrancherez rien ; car ce sont des paresseux ; voilà pourquoi ils crient, en disant : Allons offrir des
9 sacrifices à notre Dieu ! Que l'on charge de travail ces gens, qu'ils s'en occupent, et ils ne prendront
10 plus garde à des paroles de mensonge. Les inspecteurs du peuple et les commissaires vinrent dire au
11 peuple : Ainsi parle Pharaon : Je ne vous donne plus de paille ; allez vous-mêmes vous procurer de
12 la paille où vous en trouverez, car l'on ne retranche rien de votre travail. Le peuple se répandit dans
13 tout le pays d'Égypte, pour ramasser du chaume au lieu de paille. Les inspecteurs les pressaient, en
14 disant : Achevez votre tâche, jour par jour, comme quand il y avait de la paille. On battit même les
commissaires des enfants d'Israël, établis sur eux par les inspecteurs de Pharaon : Pourquoi, disait
-on, n'avez-vous pas achevé hier et aujourd'hui, comme auparavant, la quantité de briques qui vous
15 avait été fixée ? Les commissaires des enfants d'Israël allèrent se plaindre à Pharaon, et lui dirent :
16 Pourquoi traites -tu ainsi tes serviteurs ? On ne donne point de paille à tes serviteurs, et l'on nous dit :
17 Faites des briques ! Et voici, tes serviteurs sont battus, comme si ton peuple était coupable. Pharaon
répondit : Vous êtes des paresseux, des paresseux ! Voilà pourquoi vous dites : Allons offrir des sacrifices
18 à l'Éternel ! Maintenant, allez travailler ; on ne vous donnera point de paille, et vous livrerez la même
19 quantité de briques. Les commissaires des enfants d'Israël virent qu'on les rendait malheureux, en
20 disant : Vous ne retrancherez rien de vos briques ; chaque jour la tâche du jour. En sortant de chez
21 Pharaon, ils rencontrèrent Moïse et Aaron qui les attendaient. Ils leur dirent : Que l'Éternel vous
regarde, et qu'il juge ! Vous nous avez rendus odieux à Pharaon et à ses serviteurs, vous avez mis une
22 épée dans leurs mains pour nous faire périr. Moïse retourna vers l'Éternel, et dit : Seigneur, pourquoi
23 as-tu fait du mal à ce peuple ? pourquoi m'as-tu envoyé ? Depuis que je suis allé vers Pharaon pour
parler en ton nom, il fait du mal à ce peuple, et tu n'as point délivré ton peuple.

6 L'Éternel dit à Moïse : Tu verras maintenant ce que je ferai à Pharaon ; une main puissante le
2 forcera à les laisser aller, une main puissante le forcera à les chasser de son pays. Dieu parla encore
3 à Moïse, et lui dit : Je suis l'Éternel. Je suis apparu à Abraham, à Isaac et à Jacob, comme le Dieu
4 tout-puissant ; mais je n'ai pas été connu d'eux sous mon nom, l'Éternel. J'ai aussi établi mon alliance
avec eux, pour leur donner le pays de Canaan, le pays de leurs pèlerinages, dans lequel ils ont séjourné.
5 J'ai entendu les gémissements des enfants d'Israël, que les Égyptiens tiennent dans la servitude, et je
6 me suis souvenu de mon alliance. C'est pourquoi dis aux enfants d'Israël : Je suis l'Éternel, je vous
affranchirai des travaux dont vous chargent les Égyptiens, je vous délivrerai de leur servitude, et je
vous sauverai à bras étendu et par de grands jugements. Je vous prendrai pour mon peuple, je serai
7 votre Dieu, et vous saurez que c'est moi, l'Éternel, votre Dieu, qui vous affranchis des travaux dont vous
chargent les Égyptiens. Je vous ferai entrer dans le pays que j'ai juré de donner à Abraham, à Isaac
8 et à Jacob ; je vous le donnerai en possession, moi l'Éternel. Ainsi parla Moïse aux enfants d'Israël.
9 Mais l'angoisse et la dure servitude les empêchèrent d'écouter Moïse. L'Éternel parla à Moïse, et dit :
10 Va, parle à Pharaon, roi d'Égypte, pour qu'il laisse aller les enfants d'Israël hors de son pays. Moïse
11, 12 répondit en présence de l'Éternel : Voici, les enfants d'Israël ne m'ont point écouté ; comment Pharaon
m 'écouterait -il, moi qui n'ai pas la parole facile ? L'Éternel parla à Moïse et à Aaron, et leur donna
13 des ordres au sujet des enfants d'Israël et au sujet de Pharaon, roi d'Égypte, pour faire sortir du pays
d'Égypte les enfants d'Israël. Voici les chefs de leurs familles. Fils de Ruben, premier-né d'Israël :
14 Hénoc, Pallu, Hetsron et Carmi. Ce sont là les familles de Ruben. Fils de Siméon : Jemuel, Jamin,
15 Ohad, Jakin et Tsochar ; et Saül, fils de la Cananéenne. Ce sont là les familles de Siméon. Voici les
16 noms des fils de Lévi, avec leur postérité : Guerschon, Kehath et Merari. Les années de la vie de Lévi
furent de cent trente -sept ans. - Fils de Guerschon : Libni et Schimeï, et leurs familles. - Fils de
17, 18 Kehath : Amram, Jitsehar, Hébron et Uziel. Les années de la vie de Kehath furent de cent trente -trois
ans. - Fils de Merari : Machli et Muschi. -Ce sont là les familles de Lévi, avec leur postérité. Amram
19, 20 prit pour femme Jokébed, sa tante ; et elle lui enfanta Aaron, et Moïse. Les années de la vie d'Amram
furent de cent trente -sept ans. - Fils de Jitsehar : Koré, Népheg et Zicri. - Fils d'Uziel : Mischaël,
21, 22 Eltsaphan et Sithri. Aaron prit pour femme Élischéba, fille d'Amminadab, soeur de Nachschon ; et elle
23 lui enfanta Nadab, Abihu, Éléazar et Ithamar. Fils de Koré : Assir, Elkana et Abiasaph. Ce sont là les
24 familles des Korites. Éléazar, fils d'Aaron, prit pour femme une des filles de Puthiel ; et elle lui enfanta
25 Phinées. Tels sont les chefs de famille des Lévites, avec leurs familles. Ce sont là cet Aaron et ce Moïse,
26 à qui l'Éternel dit : Faites sortir du pays d'Égypte les enfants d'Israël, selon leurs armées. Ce sont eux
27 qui parlèrent à Pharaon, roi d'Égypte, pour faire sortir d'Égypte les enfants d'Israël. Ce sont là ce Moïse
et cet Aaron. Lorsque l'Éternel parla à Moïse dans le pays d'Égypte, l'Éternel dit à Moïse : Je suis
28, 29 l'Éternel. Dis à Pharaon, roi d'Égypte, tout ce que je te dis. Et Moïse répondit en présence de l'Éternel :
30 Voici, je n'ai pas la parole facile ; comment Pharaon m'écouterait -il ?

7 L'Éternel dit à Moïse : Vois, je te fais Dieu pour Pharaon : et Aaron, ton frère, sera ton prophète.
2 Toi, tu diras tout ce que je t'ordonnerai ; et Aaron, ton frère, parlera à Pharaon, pour qu'il laisse aller
3 les enfants d'Israël hors de son pays. Et moi, j'endurcirai le coeur de Pharaon, et je multiplierai mes
4 signes et mes miracles dans le pays d'Égypte. Pharaon ne vous écoutera point. Je mettrai ma main sur
l'Égypte, et je ferai sortir du pays d'Égypte mes armées, mon peuple, les enfants d'Israël, par de grands
5 jugements. Les Égyptiens connaîtront que je suis l'Éternel, lorsque j'étendrai ma main sur l'Égypte,
6 et que je ferai sortir du milieu d'eux les enfants d'Israël. Moïse et Aaron firent ce que l'Éternel leur
7 avait ordonné ; ils firent ainsi. Moïse était âgé de quatre-vingts ans, et Aaron de quatre-vingt -trois
8, 9 ans, lorsqu'ils parlèrent à Pharaon. L'Éternel dit à Moïse et à Aaron : Si Pharaon vous parle, et vous
dit : Faites un miracle ! tu diras à Aaron : Prends ta verge, et jette -la devant Pharaon. Elle deviendra
10 un serpent. Moïse et Aaron allèrent auprès de Pharaon, et ils firent ce que l'Éternel avait ordonné.
11 Aaron jeta sa verge devant Pharaon et devant ses serviteurs ; et elle devint un serpent. Mais Pharaon
appela des sages et des enchanteurs ; et les magiciens d'Égypte, eux aussi, en firent autant par leurs
12 enchantements. Ils jetèrent tous leurs verges, et elles devinrent des serpents. Et la verge d'Aaron
13 engloutit leurs verges. Le coeur de Pharaon s'endurcit, et il n'écouta point Moïse et Aaron selon ce
14 que l'Éternel avait dit. L'Éternel dit à Moïse : Pharaon a le coeur endurci ; il refuse de laisser aller le
15 peuple. Va vers Pharaon dès le matin ; il sortira pour aller près de l'eau, et tu te présenteras devant
16 lui au bord du fleuve. Tu prendras à ta main la verge qui a été changée en serpent, et tu diras à
Pharaon : L'Éternel, le Dieu des Hébreux, m'a envoyé auprès de toi, pour te dire : Laisse aller mon

17 peuple, afin qu'il me serve dans le désert. Et voici, jusqu'à présent tu n'as point écouté. Ainsi parle
l'Éternel : À ceci tu connaîtras que je suis l'Éternel. Je vais frapper les eaux du fleuve avec la verge
18 qui est dans ma main ; et elles seront changées en sang. Les poissons qui sont dans le fleuve périront,
19 le fleuve se corrompra, et les Égyptiens s'efforceront en vain de boire l'eau du fleuve. L'Éternel dit à
Moïse : Dis à Aaron : Prends ta verge, et étends ta main sur les eaux des Égyptiens, sur leurs rivières,
sur leurs ruisseaux, sur leurs étangs, et sur tous leurs amas d'eaux. Elles deviendront du sang : et il
20 y aura du sang dans tout le pays d'Égypte, dans les vases de bois et dans les vases de pierre. Moïse
et Aaron firent ce que l'Éternel avait ordonné. Aaron leva la verge, et il frappa les eaux qui étaient
dans le fleuve, sous les yeux de Pharaon et sous les yeux de ses serviteurs ; et toutes les eaux du fleuve
21 furent changées en sang. Les poissons qui étaient dans le fleuve périrent, le fleuve se corrompit, les
22 Égyptiens ne pouvaient plus boire l'eau du fleuve, et il y eut du sang dans tout le pays d'Égypte. Mais
les magiciens d'Égypte en firent autant par leurs enchantements. Le coeur de Pharaon s'endurcit, et
23 il n'écouta point Moïse et Aaron, selon ce que l'Éternel avait dit. Pharaon s'en retourna, et alla dans
24 sa maison ; et il ne prit pas même à coeur ces choses. Tous les Égyptiens creusèrent aux environs du
25 fleuve, pour trouver de l'eau à boire ; car ils ne pouvaient boire de l'eau du fleuve. Il s'écoula sept jours,
après que l'Éternel eut frappé le fleuve.

8 L'Éternel dit à Moïse : Va vers Pharaon, et tu lui diras : Ainsi parle l'Éternel : Laisse aller mon
2 peuple, afin qu'il me serve. Si tu refuses de le laisser aller, je vais frapper par des grenouilles toute
3 l'étendue de ton pays. Le fleuve fourmillera de grenouilles ; elles monteront, et elles entreront dans ta
maison, dans ta chambre à coucher et dans ton lit, dans la maison de tes serviteurs et dans celles de
4 ton peuple, dans tes fours et dans tes pétrins. Les grenouilles monteront sur toi, sur ton peuple, et sur
5 tous tes serviteurs. L'Éternel dit à Moïse : Dis à Aaron : Étends ta main avec ta verge sur les rivières,
6 sur les ruisseaux et sur les étangs, et fais monter les grenouilles sur le pays d'Égypte. Aaron étendit
7 sa main sur les eaux de l'Égypte ; et les grenouilles montèrent et couvrirent le pays d'Égypte. Mais
les magiciens en firent autant par leurs enchantements. Ils firent monter les grenouilles sur le pays
8 d'Égypte. Pharaon appela Moïse et Aaron, et dit : Priez l'Éternel, afin qu'il éloigne les grenouilles de
9 moi et de mon peuple ; et je laisserai aller le peuple, pour qu'il offre des sacrifices à l'Éternel. Moïse
dit à Pharaon : Glorifie -toi sur moi ! Pour quand prierai -je l'Éternel en ta faveur, en faveur de tes
serviteurs et de ton peuple, afin qu'il retire les grenouilles loin de toi et de tes maisons ? Il n'en restera
10 que dans le fleuve. Il répondit : Pour demain. Et Moïse dit : Il en sera ainsi, afin que tu saches que
11 nul n'est semblable à l'Éternel, notre Dieu. Les grenouilles s'éloigneront de toi et de tes maisons, de
12 tes serviteurs et de ton peuple ; il n'en restera que dans le fleuve. Moïse et Aaron sortirent de chez
13 Pharaon. Et Moïse cria à l'Éternel au sujet des grenouilles dont il avait frappé Pharaon. L'Éternel fit
ce que demandait Moïse ; et les grenouilles périrent dans les maisons, dans les cours et dans les champs.
14, 15 On les entassa par monceaux, et le pays fut infecté. Pharaon, voyant qu'il y avait du relâche, endurcit
16 son coeur, et il n'écouta point Moïse et Aaron, selon ce que l'Éternel avait dit. L'Éternel dit à Moïse : Dis
à Aaron : Étends ta verge, et frappe la poussière de la terre. Elle se changera en poux, dans tout le pays
17 d'Égypte. Ils firent ainsi. Aaron étendit sa main, avec sa verge, et il frappa la poussière de la terre ; et
elle fut changée en poux sur les hommes et sur les animaux. Toute la poussière de la terre fut changée
18 en poux, dans tout le pays d'Égypte. Les magiciens employèrent leurs enchantements pour produire
19 les poux ; mais ils ne purent pas. Les poux étaient sur les hommes et sur les animaux. Et les magiciens
dirent à Pharaon : C'est le doigt de Dieu ! Le coeur de Pharaon s'endurcit, et il n'écouta point Moïse
20 et Aaron, selon ce que l'Éternel avait dit. L'Éternel dit à Moïse : Lève-toi de bon matin, et présente
-toi devant Pharaon ; il sortira pour aller près de l'eau. Tu lui diras : Ainsi parle l'Éternel : Laisse aller
21 mon peuple, afin qu'il me serve. Si tu ne laisses pas aller mon peuple, je vais envoyer les mouches
venimeuses contre toi, contre tes serviteurs, contre ton peuple et contre tes maisons ; les maisons des
22 Égyptiens seront remplies de mouches, et le sol en sera couvert. Mais, en ce jour-là, je distinguerai le
pays de Gosen où habite mon peuple, et là il n'y aura point de mouches, afin que tu saches que moi,
23 l'Éternel, je suis au milieu de ce pays. J'établirai une distinction entre mon peuple et ton peuple. Ce
24 signe sera pour demain. L'Éternel fit ainsi. Il vint une quantité de mouches venimeuses dans la maison
25 de Pharaon et de ses serviteurs, et tout le pays d'Égypte fut dévasté par les mouches. Pharaon appela
26 Moïse et Aaron et dit : Allez, offrez des sacrifices à votre Dieu dans le pays. Moïse répondit : Il n'est
point convenable de faire ainsi ; car nous offririons à l'Éternel, notre Dieu, des sacrifices qui sont en
abomination aux Égyptiens. Et si nous offrons, sous leurs yeux, des sacrifices qui sont en abomination

aux Égyptiens, ne nous lapideront -ils pas ? Nous ferons trois journées de marche dans le désert, et 27
nous offrirons des sacrifices à l'Éternel, notre Dieu, selon ce qu'il nous dira. Pharaon dit : Je vous 28
laisserai aller, pour offrir à l'Éternel, votre Dieu, des sacrifices dans le désert : seulement, vous ne vous
éloignerez pas, en y allant. Priez pour moi. Moïse répondit : Je vais sortir de chez toi, et je prierai 29
l'Éternel. Demain, les mouches s'éloigneront de Pharaon, de ses serviteurs et de son peuple. Mais, que
Pharaon ne trompe plus, en refusant de laisser aller le peuple, pour offrir des sacrifices à l'Éternel.
Moïse sortit de chez Pharaon, et il pria l'Éternel. L'Éternel fit ce que demandait Moïse ; et les mouches 30, 31
s'éloignèrent de Pharaon, de ses serviteurs et de son peuple. Il n'en resta pas une. Mais Pharaon, cette 32
fois encore, endurcit son coeur, et il ne laissa point aller le peuple.

L'Éternel dit à Moïse : Va vers Pharaon, et tu lui diras : Ainsi parle l'Éternel, le Dieu des Hébreux : **9**
Laisse aller mon peuple, afin qu'il me serve. Si tu refuses de le laisser aller, et si tu le retiens encore, 2
voici, la main de l'Éternel sera sur tes troupeaux qui sont dans les champs, sur les chevaux, sur les 3
ânes, sur les chameaux, sur les boeufs et sur les brebis ; il y aura une mortalité très grande. L'Éternel 4
distinguera entre les troupeaux d'Israël et les troupeaux des Égyptiens, et il ne périra rien de tout ce
qui est aux enfants d'Israël. L'Éternel fixa le temps, et dit : Demain, l'Éternel fera cela dans le pays. 5
Et l'Éternel fit ainsi, dès le lendemain. Tous les troupeaux des Égyptiens périrent, et il ne périt pas 6
une bête des troupeaux des enfants d'Israël. Pharaon s'informa de ce qui était arrivé ; et voici, pas 7
une bête des troupeaux d'Israël n'avait péri. Mais le coeur de Pharaon s'endurcit, et il ne laissa point
aller le peuple. L'Éternel dit à Moïse et à Aaron : Remplissez vos mains de cendre de fournaise, et que 8
Moïse la jette vers le ciel, sous les yeux de Pharaon. Elle deviendra une poussière qui couvrira tout 9
le pays d'Égypte ; et elle produira, dans tout le pays d'Égypte, sur les hommes et sur les animaux, des
ulcères formés par une éruption de pustules. Ils prirent de la cendre de fournaise, et se présentèrent 10
devant Pharaon ; Moïse la jeta vers le ciel, et elle produisit sur les hommes et sur les animaux des
ulcères formés par une éruption de pustules. Les magiciens ne purent paraître devant Moïse, à cause 11
des ulcères ; car les ulcères étaient sur les magiciens, comme sur tous les Égyptiens. L'Éternel endurcit 12
le coeur de Pharaon, et Pharaon n'écouta point Moïse et Aaron, selon ce que l'Éternel avait dit à Moïse.
L'Éternel dit à Moïse : Lève -toi de bon matin, et présente -toi devant Pharaon. Tu lui diras : Ainsi 13
parle l'Éternel, le Dieu des Hébreux : Laisse aller mon peuple, afin qu'il me serve. Car, cette fois, je 14
vais envoyer toutes mes plaies contre ton coeur, contre tes serviteurs et contre ton peuple, afin que tu
saches que nul n'est semblable à moi sur toute la terre. Si j'avais étendu ma main, et que je t'eusse 15
frappé par la mortalité, toi et ton peuple, tu aurais disparu de la terre. Mais, je t'ai laissé subsister, afin 16
que tu voies ma puissance, et que l'on publie mon nom par toute la terre. Si tu t'élèves encore contre 17
mon peuple, et si tu ne le laisses point aller, voici, je ferai pleuvoir demain, à cette heure, une grêle 18
tellement forte, qu'il n'y en a point eu de semblable en Égypte depuis le jour où elle a été fondée jusqu'à
présent. Fais donc mettre en sûreté tes troupeaux et tout ce qui est à toi dans les champs. La grêle 19
tombera sur tous les hommes et sur tous les animaux qui se trouveront dans les champs et qui n'auront
pas été recueillis dans les maisons, et ils périront. Ceux des serviteurs de Pharaon qui craignirent 20
la parole de l'Éternel firent retirer dans les maisons leurs serviteurs et leurs troupeaux. Mais ceux 21
qui ne prirent point à coeur la parole de l'Éternel laissèrent leurs serviteurs et leurs troupeaux dans
les champs. L'Éternel dit à Moïse : Étends ta main vers le ciel ; et qu'il tombe de la grêle dans tout 22
le pays d'Égypte sur les hommes, sur les animaux, et sur toutes les herbes des champs, dans le pays
d'Égypte. Moïse étendit sa verge vers le ciel ; et l'Éternel envoya des tonnerres et de la grêle, et le feu 23
se promenait sur la terre. L'Éternel fit pleuvoir de la grêle sur le pays d'Égypte. Il tomba de la grêle, 24
et le feu se mêlait avec la grêle ; elle était tellement forte qu'il n'y en avait point eu de semblable dans
tout le pays d'Égypte depuis qu'il existe comme nation. La grêle frappa, dans tout le pays d'Égypte, 25
tout ce qui était dans les champs, depuis les hommes jusqu'aux animaux ; la grêle frappa aussi toutes
les herbes des champs, et brisa tous les arbres des champs. Ce fut seulement dans le pays de Gosen, où 26
étaient les enfants d'Israël, qu'il n'y eut point de grêle. Pharaon fit appeler Moïse et Aaron, et leur dit : 27
Cette fois, j'ai péché ; c'est l'Éternel qui est le juste, et moi et mon peuple nous sommes les coupables.
Priez l'Éternel, pour qu'il n'y ait plus de tonnerres et de grêle ; et je vous laisserai aller, et l'on ne vous 28
retiendra plus. Moïse lui dit : Quand je sortirai de la ville, je lèverai mes mains vers l'Éternel, les 29
tonnerres cesseront et il n'y aura plus de grêle, afin que tu saches que la terre est à l'Éternel. Mais 30
je sais que toi et tes serviteurs, vous ne craindrez pas encore l'Éternel Dieu. Le lin et l'orge avaient 31
été frappés, parce que l'orge était en épis et que c'était la floraison du lin ; le froment et l'épeautre 32

33 n'avaient point été frappés, parce qu'ils sont tardifs. Moïse sortit de chez Pharaon, pour aller hors de
la ville ; il leva ses mains vers l'Éternel, les tonnerres et la grêle cessèrent, et la pluie ne tomba plus sur
34 la terre. Pharaon, voyant que la pluie, la grêle et les tonnerres avaient cessé, continua de pécher, et il
35 endurcit son coeur, lui et ses serviteurs. Le coeur de Pharaon s'endurcit, et il ne laissa point aller les
enfants d'Israël, selon ce que l'Éternel avait dit par l'intermédiaire de Moïse.

10 L'Éternel dit à Moïse : Va vers Pharaon, car j'ai endurci son coeur et le coeur de ses serviteurs, pour
2 faire éclater mes signes au milieu d'eux. C'est aussi pour que tu racontes à ton fils et au fils de ton
fils comment j'ai traité les Égyptiens, et quels signes j'ai fait éclater au milieu d'eux. Et vous saurez
3 que je suis l'Éternel. Moïse et Aaron allèrent vers Pharaon, et lui dirent : Ainsi parle l'Éternel, le Dieu
des Hébreux : Jusqu'à quand refuseras -tu de t'humilier devant moi ? Laisse aller mon peuple, afin
4 qu'il me serve. Si tu refuses de laisser aller mon peuple, voici, je ferai venir demain des sauterelles
5 dans toute l'étendue de ton pays. Elles couvriront la surface de la terre, et l'on ne pourra plus voir
la terre ; elles dévoreront le reste de ce qui est échappé, ce que vous a laissé la grêle, elles dévoreront
6 tous les arbres qui croissent dans vos champs ; elles rempliront tes maisons, les maisons de tous tes
serviteurs et les maisons de tous les Égyptiens. Tes pères et les pères de tes pères n'auront rien vu
de pareil depuis qu'ils existent sur la terre jusqu'à ce jour. Moïse se retira, et sortit de chez Pharaon.
7 Les serviteurs de Pharaon lui dirent : Jusqu'à quand cet homme sera-t-il pour nous un piège ? Laisse
8 aller ces gens, et qu'ils servent l'Éternel, leur Dieu. Ne vois -tu pas encore que l'Égypte périt ? On fit
revenir vers Pharaon Moïse et Aaron : Allez, leur dit -il, servez l'Éternel, votre Dieu. Qui sont ceux qui
9 iront ? Moïse répondit : Nous irons avec nos enfants et nos vieillards, avec nos fils et nos filles, avec
10 nos brebis et nos boeufs ; car c'est pour nous une fête en l'honneur de l'Éternel. Pharaon leur dit : Que
l'Éternel soit avec vous, tout comme je vais vous laisser aller, vous et vos enfants ! Prenez garde, car le
11 malheur est devant vous ! Non, non : allez, vous les hommes, et servez l'Éternel, car c'est là ce que vous
12 avez demandé. Et on les chassa de la présence de Pharaon. L'Éternel dit à Moïse : Étends ta main sur
le pays d'Égypte, et que les sauterelles montent sur le pays d'Égypte ; qu'elles dévorent toute l'herbe
13 de la terre, tout ce que la grêle a laissé. Moïse étendit sa verge sur le pays d'Égypte ; et l'Éternel fit
souffler un vent d'orient sur le pays toute cette journée et toute la nuit. Quand ce fut le matin, le vent
14 d'orient avait apporté les sauterelles. Les sauterelles montèrent sur le pays d'Égypte, et se posèrent
dans toute l'étendue de l'Égypte ; elles étaient en si grande quantité qu'il n'y avait jamais eu et qu'il
15 n'y aura jamais rien de semblable. Elles couvrirent la surface de toute la terre, et la terre fut dans
l'obscurité ; elles dévorèrent toute l'herbe de la terre et tout le fruit des arbres, tout ce que la grêle avait
laissé ; et il ne resta aucune verdure aux arbres ni à l'herbe des champs, dans tout le pays d'Égypte.
16 Aussitôt Pharaon appela Moïse et Aaron, et dit : J'ai péché contre l'Éternel, votre Dieu, et contre vous.
17 Mais pardonne mon péché pour cette fois seulement ; et priez l'Éternel, votre Dieu, afin qu'il éloigne de
18, 19 moi encore cette plaie mortelle. Moïse sortit de chez Pharaon, et il pria l'Éternel. L'Éternel fit souffler
un vent d'occident très fort, qui emporta les sauterelles, et les précipita dans la mer Rouge ; il ne resta
20 pas une seule sauterelle dans toute l'étendue de l'Égypte. L'Éternel endurcit le coeur de Pharaon, et
21 Pharaon ne laissa point aller les enfants d'Israël. L'Éternel dit à Moïse : Étends ta main vers le ciel,
22 et qu'il y ait des ténèbres sur le pays d'Égypte, et que l'on puisse les toucher. Moïse étendit sa main
23 vers le ciel ; et il y eut d'épaisses ténèbres dans tout le pays d'Égypte, pendant trois jours. On ne se
voyait pas les uns les autres, et personne ne se leva de sa place pendant trois jours. Mais il y avait de
24 la lumière dans les lieux où habitaient tous les enfants d'Israël. Pharaon appela Moïse, et dit : Allez,
servez l'Éternel. Il n'y aura que vos brebis et vos boeufs qui resteront, et vos enfants pourront aller
25 avec vous. Moïse répondit : Tu mettras toi-même entre nos mains de quoi faire les sacrifices et les
26 holocaustes que nous offrirons à l'Éternel, notre Dieu. Nos troupeaux iront avec nous, et il ne restera
pas un ongle ; car c'est là que nous prendrons pour servir l'Éternel, notre Dieu ; et jusqu'à ce que nous
27 soyons arrivés, nous ne savons pas ce que nous choisirons pour offrir à l'Éternel. L'Éternel endurcit le
28 coeur de Pharaon, et Pharaon ne voulut point les laisser aller. Pharaon dit à Moïse : Sors de chez moi !
Garde -toi de paraître encore en ma présence, car le jour où tu paraîtras en ma présence, tu mourras.
29 Tu l'as dit ! répliqua Moïse, je ne paraîtrai plus en ta présence.

11 L'Éternel dit à Moïse : Je ferai venir encore une plaie sur Pharaon et sur l'Égypte. Après cela, il
2 vous laissera partir d'ici. Lorsqu'il vous laissera tout à fait aller, il vous chassera même d'ici. Parle au
peuple, pour que chacun demande à son voisin et chacune à sa voisine des vases d'argent et des vases
3 d'or. L'Éternel fit trouver grâce au peuple aux yeux des Égyptiens ; Moïse lui-même était très considéré

dans le pays d'Égypte, aux yeux des serviteurs de Pharaon et aux yeux du peuple. Moïse dit : Ainsi 4
parle l'Éternel : Vers le milieu de la nuit, je passerai au travers de l'Égypte ; et tous les premiers-nés 5
mourront dans le pays d'Égypte, depuis le premier-né de Pharaon assis sur son trône, jusqu'au premier-
né de la servante qui est derrière la meule, et jusqu'à tous les premiers-nés des animaux. Il y aura dans 6
tout le pays d'Égypte de grands cris, tels qu'il n'y en a point eu et qu'il n'y en aura plus de semblables.
Mais parmi tous les enfants d'Israël, depuis les hommes jusqu'aux animaux, pas même un chien ne 7
remuera sa langue, afin que vous sachiez quelle différence l'Éternel fait entre l'Égypte et Israël. Alors 8
tous tes serviteurs que voici descendront vers moi et se prosterneront devant moi, en disant : Sors, toi
et tout le peuple qui s'attache à tes pas ! Après cela, je sortirai. Moïse sortit de chez Pharaon, dans
une ardente colère. L'Éternel dit à Moïse : Pharaon ne vous écoutera point, afin que mes miracles se 9
multiplient dans le pays d'Égypte. Moïse et Aaron firent tous ces miracles devant Pharaon, et Pharaon 10
ne laissa point aller les enfants d'Israël hors de son pays.

L'Éternel dit à Moïse et à Aaron dans le pays d'Égypte : Ce mois-ci sera pour vous le premier des **12**, 2
mois ; il sera pour vous le premier des mois de l'année. Parlez à toute l'assemblée d'Israël, et dites : Le 3
dixième jour de ce mois, on prendra un agneau pour chaque famille, un agneau pour chaque maison.
Si la maison est trop peu nombreuse pour un agneau, on le prendra avec son plus proche voisin, selon 4
le nombre des personnes ; vous compterez pour cet agneau d'après ce que chacun peut manger. Ce sera 5
un agneau sans défaut, mâle, âgé d'un an ; vous pourrez prendre un agneau ou un chevreau. Vous le 6
garderez jusqu'au quatorzième jour de ce mois ; et toute l'assemblée d'Israël l'immolera entre les deux
soirs. On prendra de son sang, et on en mettra sur les deux poteaux et sur le linteau de la porte des 7
maisons où on le mangera. Cette même nuit, on en mangera la chair, rôtie au feu ; on la mangera avec 8
des pains sans levain et des herbes amères. Vous ne le mangerez point à demi cuit et bouilli dans 9
l'eau ; mais il sera rôti au feu, avec la tête, les jambes et l'intérieur. Vous n'en laisserez rien jusqu'au 10
matin ; et, s'il en reste quelque chose le matin, vous le brûlerez au feu. Quand vous le mangerez, vous 11
aurez vos reins ceints, vos souliers aux pieds, et votre bâton à la main ; et vous le mangerez à la hâte.
C'est la Pâque de l'Éternel. Cette nuit-là, je passerai dans le pays d'Égypte, et je frapperai tous les 12
premiers-nés du pays d'Égypte, depuis les hommes jusqu'aux animaux, et j'exercerai des jugements
contre tous les dieux de l'Égypte. Je suis l'Éternel. Le sang vous servira de signe sur les maisons où 13
vous serez ; je verrai le sang, et je passerai par-dessus vous, et il n'y aura point de plaie qui vous détruise,
quand je frapperai le pays d'Égypte. Vous conserverez le souvenir de ce jour, et vous le célébrerez par 14
une fête en l'honneur de l'Éternel ; vous le célébrerez comme une loi perpétuelle pour vos descendants.
Pendant sept jours, vous mangerez des pains sans levain. Dès le premier jour, il n'y aura plus de levain 15
dans vos maisons ; car toute personne qui mangera du pain levé, du premier jour au septième jour,
sera retranchée d'Israël. Le premier jour, vous aurez une sainte convocation ; et le septième jour, vous 16
aurez une sainte convocation. On ne fera aucun travail ces jours-là ; vous pourrez seulement préparer la
nourriture de chaque personne. Vous observerez la fête des pains sans levain, car c'est en ce jour même 17
que j'aurai fait sortir vos armées du pays d'Égypte ; vous observerez ce jour comme une loi perpétuelle
pour vos descendants. Le premier mois, le quatorzième jour du mois, au soir, vous mangerez des pains 18
sans levain jusqu'au soir du vingt et unième jour. Pendant sept jours, il ne se trouvera point de levain 19
dans vos maisons ; car toute personne qui mangera du pain levé sera retranchée de l'assemblée d'Israël,
que ce soit un étranger ou un indigène. Vous ne mangerez point de pain levé ; dans toutes vos demeures, 20
vous mangerez des pains sans levain. Moïse appela tous les anciens d'Israël, et leur dit : Allez prendre 21
du bétail pour vos familles, et immolez la Pâque. Vous prendrez ensuite un bouquet d'hysope, vous 22
le tremperez dans le sang qui sera dans le bassin, et vous toucherez le linteau et les deux poteaux
de la porte avec le sang qui sera dans le bassin. Nul de vous ne sortira de sa maison jusqu'au matin.
Quand l'Éternel passera pour frapper l'Égypte, et verra le sang sur le linteau et sur les deux poteaux, 23
l'Éternel passera par-dessus la porte, et il ne permettra pas au destructeur d'entrer dans vos maisons
pour frapper. Vous observerez cela comme une loi pour vous et pour vos enfants à perpétuité. Quand 24, 25
vous serez entrés dans le pays que l'Éternel vous donnera, selon sa promesse, vous observerez cet usage
sacré. Et lorsque vos enfants vous diront : Que signifie pour vous cet usage ? vous répondrez : C'est le 26, 27
sacrifice de Pâque en l'honneur de l'Éternel, qui a passé par-dessus les maisons des enfants d'Israël en
Égypte, lorsqu'il frappa l'Égypte et qu'il sauva nos maisons. Le peuple s'inclina et se prosterna. Et les 28
enfants d'Israël s'en allèrent, et firent ce que l'Éternel avait ordonné à Moïse et à Aaron ; ils firent ainsi.
Au milieu de la nuit, l'Éternel frappa tous les premiers-nés dans le pays d'Égypte, depuis le premier- 29
né de Pharaon assis sur son trône, jusqu'au premier-né du captif dans sa prison, et jusqu'à tous les
premiers-nés des animaux. Pharaon se leva de nuit, lui et tous ses serviteurs, et tous les Égyptiens ; 30

31 et il y eut de grands cris en Égypte, car il n'y avait point de maison où il n'y eût un mort. Dans la nuit
même, Pharaon appela Moïse et Aaron, et leur dit : Levez -vous, sortez du milieu de mon peuple, vous
32 et les enfants d'Israël. Allez, servez l'Éternel, comme vous l'avez dit. Prenez vos brebis et vos boeufs,
33 comme vous l'avez dit ; allez, et bénissez -moi. Les Égyptiens pressaient le peuple, et avaient hâte de
34 le renvoyer du pays, car ils disaient : Nous périrons tous. Le peuple emporta sa pâte avant qu'elle fût
35 levée. Ils enveloppèrent les pétrins dans leurs vêtements, et les mirent sur leurs épaules. Les enfants
d'Israël firent ce que Moïse avait dit, et ils demandèrent aux Égyptiens des vases d'argent, des vases d'or
36 et des vêtements. L'Éternel fit trouver grâce au peuple aux yeux des Égyptiens, qui se rendirent à leur
37 demande. Et ils dépouillèrent les Égyptiens. Les enfants d'Israël partirent de Ramsès pour Succoth
38 au nombre d'environ six cent mille hommes de pied, sans les enfants. Une multitude de gens de toute
39 espèce montèrent avec eux ; ils avaient aussi des troupeaux considérables de brebis et de boeufs. Ils
firent des gâteaux cuits sans levain avec la pâte qu'ils avaient emportée d'Égypte, et qui n'était pas
levée ; car ils avaient été chassés d'Égypte, sans pouvoir tarder, et sans prendre des provisions avec
40, 41 eux. Le séjour des enfants d'Israël en Égypte fut de quatre cent trente ans. Et au bout de quatre cent
42 trente ans, le jour même, toutes les armées de l'Éternel sortirent du pays d'Égypte. Cette nuit sera
célébrée en l'honneur de l'Éternel, parce qu'il les fit sortir du pays d'Égypte ; cette nuit sera célébrée en
43 l'honneur de l'Éternel par tous les enfants d'Israël et par leurs descendants. L'Éternel dit à Moïse et
44 à Aaron : Voici une ordonnance au sujet de la Pâque : Aucun étranger n'en mangera. Tu circonciras
45 tout esclave acquis à prix d'argent ; alors il en mangera. L'habitant et le mercenaire n'en mangeront
46 point. On ne la mangera que dans la maison ; vous n'emporterez point de chair hors de la maison, et
47, 48 vous ne briserez aucun os. Toute l'assemblée d'Israël fera la Pâque. Si un étranger en séjour chez toi
veut faire la Pâque de l'Éternel, tout mâle de sa maison devra être circoncis ; alors il s'approchera pour
49 la faire, et il sera comme l'indigène ; mais aucun incirconcis n'en mangera. La même loi existera pour
50 l'indigène comme pour l'étranger en séjour au milieu de vous. Tous les enfants d'Israël firent ce que
51 l'Éternel avait ordonné à Moïse et à Aaron ; ils firent ainsi. Et ce même jour l'Éternel fit sortir du pays
d'Égypte les enfants d'Israël, selon leurs armées.

13, 2 L'Éternel parla à Moïse, et dit : Consacre -moi tout premier-né, tout premier-né parmi les enfants
3 d'Israël, tant des hommes que des animaux : il m'appartient. Moïse dit au peuple : Souvenez -vous de
ce jour, où vous êtes sortis d'Égypte, de la maison de servitude ; car c'est par sa main puissante que
4 l'Éternel vous en a fait sortir. On ne mangera point de pain levé. Vous sortez aujourd'hui, dans le mois
5 des épis. Quand l'Éternel t'aura fait entrer dans le pays des Cananéens, des Héthiens, des Amoréens,
des Héviens et des Jébusiens, qu'il a juré à tes pères de te donner, pays où coulent le lait et le miel,
6 tu rendras ce culte à l'Éternel dans ce même mois. Pendant sept jours, tu mangeras des pains sans
7 levain ; et le septième jour, il y aura une fête en l'honneur de l'Éternel. On mangera des pains sans
levain pendant les sept jours ; on ne verra point chez toi de pain levé, et l'on ne verra point chez toi
8 de levain, dans toute l'étendue de ton pays. Tu diras alors à ton fils : C'est en mémoire de ce que
9 l'Éternel a fait pour moi, lorsque je suis sorti d'Égypte. Ce sera pour toi comme un signe sur ta main et
comme un souvenir entre tes yeux, afin que la loi de l'Éternel soit dans ta bouche ; car c'est par sa main
10 puissante que l'Éternel t'a fait sortir d'Égypte. Tu observeras cette ordonnance au temps fixé d'année
11 en année. Quand l'Éternel t'aura fait entrer dans le pays des Cananéens, comme il l'a juré à toi et à
12 tes pères, et qu'il te l'aura donné, tu consacreras à l'Éternel tout premier-né, même tout premier-né
13 des animaux que tu auras : les mâles appartiennent à l'Éternel. Tu rachèteras avec un agneau tout
premier-né de l'âne ; et, si tu ne le rachètes pas, tu lui briseras la nuque. Tu rachèteras aussi tout
14 premier-né de l'homme parmi tes fils. Et lorsque ton fils te demandera un jour : Que signifie cela ? tu
lui répondras : Par sa main puissante, l'Éternel nous a fait sortir d'Égypte, de la maison de servitude ;
15 et, comme Pharaon s'obstinait à ne point nous laisser aller, l'Éternel fit mourir tous les premiers-nés
dans le pays d'Égypte, depuis les premiers-nés des hommes jusqu'aux premiers-nés des animaux. Voilà
pourquoi j'offre en sacrifice à l'Éternel tout premier-né des mâles, et je rachète tout premier-né de mes
16 fils. Ce sera comme un signe sur ta main et comme des fronteaux entre tes yeux ; car c'est par sa
17 main puissante que l'Éternel nous a fait sortir d'Égypte. Lorsque Pharaon laissa aller le peuple, Dieu
ne le conduisit point par le chemin du pays des Philistins, quoique le plus proche ; car Dieu dit : Le
18 peuple pourrait se repentir en voyant la guerre, et retourner en Égypte. Mais Dieu fit faire au peuple
un détour par le chemin du désert, vers la mer Rouge. Les enfants d'Israël montèrent en armes hors
19 du pays d'Égypte. Moïse prit avec lui les os de Joseph ; car Joseph avait fait jurer les fils d'Israël, en

disant : Dieu vous visitera, et vous ferez remonter avec vous mes os loin d'ici. Ils partirent de Succoth, 20
et ils campèrent à Étham, à l'extrémité du désert. L'Éternel allait devant eux, le jour dans une colonne 21
de nuée pour les guider dans leur chemin, et la nuit dans une colonne de feu pour les éclairer, afin qu'ils
marchassent jour et nuit. La colonne de nuée ne se retirait point de devant le peuple pendant le jour, 22
ni la colonne de feu pendant la nuit.

L'Éternel parla à Moïse, et dit : Parle aux enfants d'Israël ; qu'ils se détournent, et qu'ils campent **14**, 2
devant Pi-Hahiroth, entre Migdol et la mer, vis-à-vis de Baal-Tsephon ; c'est en face de ce lieu que
vous camperez, près de la mer. Pharaon dira des enfants d'Israël : Ils sont égarés dans le pays ; le 3
désert les enferme. J'endurcirai le coeur de Pharaon, et il les poursuivra ; mais Pharaon et toute son 4
armée serviront à faire éclater ma gloire, et les Égyptiens sauront que je suis l'Éternel. Et les enfants
d'Israël firent ainsi. On annonça au roi d'Égypte que le peuple avait pris la fuite. Alors le coeur de 5
Pharaon et celui de ses serviteurs furent changés à l'égard du peuple. Ils dirent : Qu'avons-nous fait,
en laissant aller Israël, dont nous n'aurons plus les services ? Et Pharaon attela son char, et il prit 6
son peuple avec lui. Il prit six cents chars d'élite, et tous les chars de l'Égypte ; il y avait sur tous des 7
combattants. L'Éternel endurcit le coeur de Pharaon, roi d'Égypte, et Pharaon poursuivit les enfants 8
d'Israël. Les enfants d'Israël étaient sortis la main levée. Les Égyptiens les poursuivirent ; et tous les 9
chevaux, les chars de Pharaon, ses cavaliers et son armée, les atteignirent campés près de la mer, vers
Pi-Hahiroth, vis-à-vis de Baal-Tsephon. Pharaon approchait. Les enfants d'Israël levèrent les yeux, et 10
voici, les Égyptiens étaient en marche derrière eux. Et les enfants d'Israël eurent une grande frayeur, et
crièrent à l'Éternel. Ils dirent à Moïse : N'y avait-il pas des sépulcres en Égypte, sans qu'il fût besoin 11
de nous mener mourir au désert ? Que nous as-tu fait en nous faisant sortir d'Égypte ? N'est-ce pas 12
là ce que nous te disions en Égypte : Laisse -nous servir les Égyptiens, car nous aimons mieux servir
les Égyptiens que de mourir au désert ? Moïse répondit au peuple : Ne craignez rien, restez en place, 13
et regardez la délivrance que l'Éternel va vous accorder en ce jour ; car les Égyptiens que vous voyez
aujourd'hui, vous ne les verrez plus jamais. L'Éternel combattra pour vous ; et vous, gardez le silence. 14
L'Éternel dit à Moïse : Pourquoi ces cris ? Parle aux enfants d'Israël, et qu'ils marchent. Toi, lève ta 15, 16
verge, étends ta main sur la mer, et fends -la ; et les enfants d'Israël entreront au milieu de la mer à sec.
Et moi, je vais endurcir le coeur des Égyptiens, pour qu'ils y entrent après eux : et Pharaon et toute 17
son armée, ses chars et ses cavaliers, feront éclater ma gloire. Et les Égyptiens sauront que je suis 18
l'Éternel, quand Pharaon, ses chars et ses cavaliers, auront fait éclater ma gloire. L'ange de Dieu, qui 19
allait devant le camp d'Israël, partit et alla derrière eux ; et la colonne de nuée qui les précédait, partit
et se tint derrière eux. Elle se plaça entre le camp des Égyptiens et le camp d'Israël. Cette nuée était 20
ténébreuse d'un côté, et de l'autre elle éclairait la nuit. Et les deux camps n'approchèrent point l'un de
l'autre pendant toute la nuit. Moïse étendit sa main sur la mer. Et l'Éternel refoula la mer par un vent 21
d'orient, qui souffla avec impétuosité toute la nuit ; il mit la mer à sec, et les eaux se fendirent. Les 22
enfants d'Israël entrèrent au milieu de la mer à sec, et les eaux formaient comme une muraille à leur
droite et à leur gauche. Les Égyptiens les poursuivirent ; et tous les chevaux de Pharaon, ses chars et 23
ses cavaliers, entrèrent après eux au milieu de la mer. À la veille du matin, l'Éternel, de la colonne 24
de feu et de nuée, regarda le camp des Égyptiens, et mit en désordre le camp des Égyptiens. Il ôta les 25
roues de leurs chars et en rendit la marche difficile. Les Égyptiens dirent alors : Fuyons devant Israël,
car l'Éternel combat pour lui contre les Égyptiens. L'Éternel dit à Moïse : Étends ta main sur la mer ; 26
et les eaux reviendront sur les Égyptiens, sur leurs chars et sur leurs cavaliers. Moïse étendit sa main 27
sur la mer. Et vers le matin, la mer reprit son impétuosité, et les Égyptiens s'enfuirent à son approche ;
mais l'Éternel précipita les Égyptiens au milieu de la mer. Les eaux revinrent, et couvrirent les chars, 28
les cavaliers et toute l'armée de Pharaon, qui étaient entrés dans la mer après les enfants d'Israël ; et il
n'en échappa pas un seul. Mais les enfants d'Israël marchèrent à sec au milieu de la mer, et les eaux 29
formaient comme une muraille à leur droite et à leur gauche. En ce jour, l'Éternel délivra Israël de la 30
main des Égyptiens ; et Israël vit sur le rivage de la mer les Égyptiens qui étaient morts. Israël vit la 31
main puissante que l'Éternel avait dirigée contre les Égyptiens. Et le peuple craignit l'Éternel, et il crut
en l'Éternel et en Moïse, son serviteur.

Alors Moïse et les enfants d'Israël chantèrent ce cantique à l'Éternel. Ils dirent : Je chanterai à **15**
l'Éternel, car il a fait éclater sa gloire ; Il a précipité dans la mer le cheval et son cavalier. L'Éternel est 2
ma force et le sujet de mes louanges ; C'est lui qui m'a sauvé. Il est mon Dieu : je le célèbrerai ; Il est le
Dieu de mon père : je l'exalterai. L'Éternel est un vaillant guerrier ; L'Éternel est son nom. Il a lancé 3, 4

dans la mer les chars de Pharaon et son armée ; Ses combattants d'élite ont été engloutis dans la mer
5, 6 Rouge. Les flots les ont couverts : Ils sont descendus au fond des eaux, comme une pierre. Ta droite, ô
7 Éternel ! a signalé sa force ; Ta droite, ô Éternel ! a écrasé l'ennemi. Par la grandeur de ta majesté Tu
8 renverses tes adversaires ; Tu déchaînes ta colère : Elle les consume comme du chaume. Au souffle de
tes narines, les eaux se sont amoncelées, Les courants se sont dressés comme une muraille, Les flots se
9 sont durcis au milieu de la mer. L'ennemi disait : Je poursuivrai, j'atteindrai, Je partagerai le butin ;
10 Ma vengeance sera assouvie, Je tirerai l'épée, ma main les détruira. Tu as soufflé de ton haleine : La
11 mer les a couverts ; Ils se sont enfoncés comme du plomb, Dans la profondeur des eaux. Qui est comme
toi parmi les dieux, ô Éternel ? Qui est comme toi magnifique en sainteté, Digne de louanges, Opérant
12, 13 des prodiges ? Tu as étendu ta droite : La terre les a engloutis. Par ta miséricorde tu as conduit,
14 Tu as délivré ce peuple ; Par ta puissance tu le diriges Vers la demeure de ta sainteté. Les peuples
15 l'apprennent, et ils tremblent : La terreur s'empare des Philistins ; Les chefs d'Édom s'épouvantent ;
Un tremblement saisit les guerriers de Moab ; Tous les habitants de Canaan tombent en défaillance.
16 La crainte et la frayeur les surprendront ; Par la grandeur de ton bras Ils deviendront muets comme
une pierre, Jusqu'à ce que ton peuple soit passé, ô Éternel ! Jusqu'à ce qu'il soit passé, Le peuple que
17 tu as acquis. Tu les amèneras et tu les établiras sur la montagne de ton héritage, Au lieu que tu
18 as préparé pour ta demeure, ô Éternel ! Au sanctuaire, Seigneur ! que tes mains ont fondé. L'Éternel
19 régnera éternellement et à toujours. Car les chevaux de Pharaon, ses chars et ses cavaliers sont entrés
dans la mer, Et l'Éternel a ramené sur eux les eaux de la mer ; Mais les enfants d'Israël ont marché
20 à sec au milieu de la mer. Marie, la prophétesse, soeur d'Aaron, prit à sa main un tambourin, et
21 toutes les femmes vinrent après elle, avec des tambourins et en dansant. Marie répondait aux enfants
d'Israël : Chantez à l'Éternel, car il a fait éclater sa gloire ; Il a précipité dans la mer le cheval et son
22 cavalier. Moïse fit partir Israël de la mer Rouge. Ils prirent la direction du désert de Schur ; et, après
23 trois journées de marche dans le désert, ils ne trouvèrent point d'eau. Ils arrivèrent à Mara ; mais ils
24 ne purent pas boire l'eau de Mara parce qu'elle était amère. C'est pourquoi ce lieu fut appelé Mara. Le
25 peuple murmura contre Moïse, en disant : Que boirons -nous ? Moïse cria à l'Éternel ; et l'Éternel lui
indiqua un bois, qu'il jeta dans l'eau. Et l'eau devint douce. Ce fut là que l'Éternel donna au peuple des
26 lois et des ordonnances, et ce fut là qu'il le mit à l'épreuve. Il dit : Si tu écoutes attentivement la voix de
l'Éternel, ton Dieu, si tu fais ce qui est droit à ses yeux, si tu prêtes l'oreille à ses commandements, et si
tu observes toutes ses lois, je ne te frapperai d'aucune des maladies dont j'ai frappé les Égyptiens ; car
27 je suis l'Éternel, qui te guérit. Ils arrivèrent à Élim, où il y avait douze sources d'eau et soixante-dix
palmiers. Ils campèrent là, près de l'eau.

16 Toute l'assemblée des enfants d'Israël partit d'Élim, et ils arrivèrent au désert de Sin, qui est entre
2 Élim et Sinaï, le quinzième jour du second mois après leur sortie du pays d'Égypte. Et toute l'assemblée
3 des enfants d'Israël murmura dans le désert contre Moïse et Aaron. Les enfants d'Israël leur dirent :
Que ne sommes-nous morts par la main de l'Éternel dans le pays d'Égypte, quand nous étions assis
près des pots de viande, quand nous mangions du pain à satiété ? car vous nous avez menés dans ce
4 désert pour faire mourir de faim toute cette multitude. L'Éternel dit à Moïse : Voici, je ferai pleuvoir
pour vous du pain, du haut des cieux. Le peuple sortira, et en ramassera, jour par jour, la quantité
5 nécessaire, afin que je le mette à l'épreuve, et que je voie s'il marchera, ou non, selon ma loi. Le sixième
jour, lorsqu'ils prépareront ce qu'ils auront apporté, il s'en trouvera le double de ce qu'ils ramasseront
6 jour par jour. Moïse et Aaron dirent à tous les enfants d'Israël : Ce soir, vous comprendrez que c'est
7 l'Éternel qui vous a fait sortir du pays d'Égypte. Et, au matin, vous verrez la gloire de l'Éternel, parce
qu'il a entendu vos murmures contre l'Éternel ; car que sommes-nous, pour que vous murmuriez contre
8 nous ? Moïse dit : L'Éternel vous donnera ce soir de la viande à manger, et au matin du pain à satiété,
parce que l'Éternel a entendu les murmures que vous avez proférés contre lui ; car que sommes-nous ?
9 Ce n'est pas contre nous que sont vos murmures, c'est contre l'Éternel. Moïse dit à Aaron : Dis à toute
10 l'assemblée des enfants d'Israël : Approchez -vous devant l'Éternel, car il a entendu vos murmures. Et
tandis qu'Aaron parlait à toute l'assemblée des enfants d'Israël, ils se tournèrent du côté du désert, et
11, 12 voici, la gloire de l'Éternel parut dans la nuée. L'Éternel, s'adressant à Moïse, dit : J'ai entendu les
murmures des enfants d'Israël. Dis -leur : Entre les deux soirs vous mangerez de la viande, et au matin
13 vous vous rassasierez de pain ; et vous saurez que je suis l'Éternel, votre Dieu. Le soir, il survint des
14 cailles qui couvrirent le camp ; et, au matin, il y eut une couche de rosée autour du camp. Quand cette
rosée fut dissipée, il y avait à la surface du désert quelque chose de menu comme des grains, quelque
15 chose de menu comme la gelée blanche sur la terre. Les enfants d'Israël regardèrent et ils se dirent

l'un à l'autre : Qu'est-ce que cela ? car ils ne savaient pas ce que c'était. Moïse leur dit : C'est le pain
que L'Éternel vous donne pour nourriture. Voici ce que l'Éternel a ordonné : Que chacun de vous en 16
ramasse ce qu'il faut pour sa nourriture, un omer par tête, suivant le nombre de vos personnes ; chacun
en prendra pour ceux qui sont dans sa tente. Les Israélites firent ainsi ; et ils en ramassèrent les uns 17
plus, les autres moins. On mesurait ensuite avec l'omer ; celui qui avait ramassé plus n'avait rien de 18
trop, et celui qui avait ramassé moins n'en manquait pas. Chacun ramassait ce qu'il fallait pour sa
nourriture. Moïse leur dit : Que personne n'en laisse jusqu'au matin. Ils n'écoutèrent pas Moïse, et 19, 20
il y eut des gens qui en laissèrent jusqu'au matin ; mais il s'y mit des vers, et cela devint infect. Moïse
fut irrité contre ces gens. Tous les matins, chacun ramassait ce qu'il fallait pour sa nourriture ; et 21
quand venait la chaleur du soleil, cela fondait. Le sixième jour, ils ramassèrent une quantité double de 22
nourriture, deux omers pour chacun. Tous les principaux de l'assemblée vinrent le rapporter à Moïse.
Et Moïse leur dit : C'est ce que l'Éternel a ordonné. Demain est le jour du repos, le sabbat consacré à 23
l'Éternel ; faites cuire ce que vous avez à faire cuire, faites bouillir ce que vous avez à faire bouillir, et
mettez en réserve jusqu'au matin tout ce qui restera. Ils le laissèrent jusqu'au matin, comme Moïse 24
l'avait ordonné ; et cela ne devint point infect, et il ne s'y mit point de vers. Moïse dit : Mangez - 25
le aujourd'hui, car c'est le jour du sabbat ; aujourd'hui vous n'en trouverez point dans la campagne.
Pendant six jours vous en ramasserez ; mais le septième jour, qui est le sabbat, il n'y en aura point. Le 26, 27
septième jour, quelques-uns du peuple sortirent pour en ramasser, et ils n'en trouvèrent point. Alors 28
l'Éternel dit à Moïse : Jusques à quand refuserez -vous d'observer mes commandements et mes lois ?
Considérez que l'Éternel vous a donné le sabbat ; c'est pourquoi il vous donne au sixième jour de la 29
nourriture pour deux jours. Que chacun reste à sa place, et que personne ne sorte du lieu où il est au
septième jour. Et le peuple se reposa le septième jour. La maison d'Israël donna à cette nourriture 30, 31
le nom de manne. Elle ressemblait à de la graine de coriandre ; elle était blanche, et avait le goût
d'un gâteau au miel. Moïse dit : Voici ce que l'Éternel a ordonné : Qu'un omer rempli de manne soit 32
conservé pour vos descendants, afin qu'ils voient le pain que je vous ai fait manger dans le désert, après
vous avoir fait sortir du pays d'Égypte. Et Moïse dit à Aaron : Prends un vase, mets -y de la manne 33
plein un omer, et dépose -le devant l'Éternel, afin qu'il soit conservé pour vos descendants. Suivant 34
l'ordre donné par l'Éternel à Moïse, Aaron le déposa devant le témoignage, afin qu'il fût conservé. Les 35
enfants d'Israël mangèrent la manne pendant quarante ans, jusqu'à leur arrivée dans un pays habité ;
ils mangèrent la manne jusqu'à leur arrivée aux frontières du pays de Canaan. L'omer est la dixième 36
partie de l'épha.

Toute l'assemblée des enfants d'Israël partit du désert de Sin, selon les marches que l'Éternel leur **17**
avait ordonnées ; et ils campèrent à Rephidim, où le peuple ne trouva point d'eau à boire. Alors le 2
peuple chercha querelle à Moïse. Ils dirent : Donnez -nous de l'eau à boire. Moïse leur répondit : Pour-
quoi me cherchez-vous querelle ? Pourquoi tentez -vous l'Éternel ? Le peuple était là, pressé par la soif, 3
et murmurait contre Moïse. Il disait : Pourquoi nous as-tu fait monter hors d'Égypte, pour me faire
mourir de soif avec mes enfants et mes troupeaux ? Moïse cria à l'Éternel, en disant : Que ferai -je 4
à ce peuple ? Encore un peu, et ils me lapideront. L'Éternel dit à Moïse : Passe devant le peuple, et 5
prends avec toi des anciens d'Israël ; prends aussi dans ta main ta verge avec laquelle tu as frappé le
fleuve, et marche ! Voici, je me tiendrai devant toi sur le rocher d'Horeb ; tu frapperas le rocher, et il en 6
sortira de l'eau, et le peuple boira. Et Moïse fit ainsi, aux yeux des anciens d'Israël. Il donna à ce lieu 7
le nom de Massa et Meriba, parce que les enfants d'Israël avaient contesté, et parce qu'ils avaient tenté
l'Éternel, en disant : L'Éternel est -il au milieu de nous, ou n'y est-il pas ? Amalek vint combattre Israël 8
à Rephidim. Alors Moïse dit à Josué : Choisis -nous des hommes, sors, et combats Amalek ; demain je 9
me tiendrai sur le sommet de la colline, la verge de Dieu dans ma main. Josué fit ce que lui avait dit 10
Moïse, pour combattre Amalek. Et Moïse, Aaron et Hur montèrent au sommet de la colline. Lorsque 11
Moïse élevait sa main, Israël était le plus fort ; et lorsqu'il baissait sa main, Amalek était le plus fort.
Les mains de Moïse étant fatiguées, ils prirent une pierre qu'ils placèrent sous lui, et il s'assit dessus. 12
Aaron et Hur soutenaient ses mains, l'un d'un côté, l'autre de l'autre ; et ses mains restèrent fermes
jusqu'au coucher du soleil. Et Josué vainquit Amalek et son peuple, au tranchant de l'épée. L'Éternel 13, 14
dit à Moïse : Écris cela dans le livre, pour que le souvenir s'en conserve, et déclare à Josué que j'effacerai
la mémoire d'Amalek de dessous les cieux. Moïse bâtit un autel, et lui donna pour nom : l'Éternel ma 15
bannière. Il dit : Parce que la main a été levée sur le trône de l'Éternel, il y aura guerre de l'Éternel 16
contre Amalek, de génération en génération.

Jéthro, sacrificateur de Madian, beau-père de Moïse, apprit tout ce que Dieu avait fait en faveur de **18**
Moïse et d'Israël, son peuple ; il apprit que l'Éternel avait fait sortir Israël d'Égypte. Jéthro, beau-père 2
de Moïse, prit Séphora, femme de Moïse, qui avait été renvoyée. Il prit aussi les deux fils de Séphora ; 3

l'un se nommait Guerschom, car Moïse avait dit : J'habite un pays étranger ; l'autre se nommait Éliézer,
car il avait dit : Le Dieu de mon père m'a secouru, et il m'a délivré de l'épée de Pharaon. Jéthro, beau-
père de Moïse, avec les fils et la femme de Moïse, vint au désert où il campait, à la montagne de Dieu.
6, 7 Il fit dire à Moïse : Moi, ton beau-père Jéthro, je viens vers toi, avec ta femme et ses deux fils. Moïse
sortit au-devant de son beau-père, il se prosterna, et il le baisa. Ils s'informèrent réciproquement de
8 leur santé, et ils entrèrent dans la tente de Moïse. Moïse raconta à son beau-père tout ce que l'Éternel
avait fait à Pharaon et à l'Égypte à cause d'Israël, toutes les souffrances qui leur étaient survenues en
9 chemin, et comment l'Éternel les avait délivrés. Jéthro se réjouit de tout le bien que l'Éternel avait
10 fait à Israël, et de ce qu'il l'avait délivré de la main des Égyptiens. Et Jéthro dit : Béni soit l'Éternel,
qui vous a délivrés de la main des Égyptiens et de la main de Pharaon ; qui a délivré le peuple de
11 la main des Égyptiens ! Je reconnais maintenant que l'Éternel est plus grand que tous les dieux ;
12 car la méchanceté des Égyptiens est retombée sur eux. Jéthro, beau-père de Moïse, offrit à Dieu un
holocauste et des sacrifices. Aaron et tous les anciens d'Israël vinrent participer au repas avec le beau-
13 père de Moïse, en présence de Dieu. Le lendemain, Moïse s'assit pour juger le peuple, et le peuple se
14 tint devant lui depuis le matin jusqu'au soir. Le beau-père de Moïse vit tout ce qu'il faisait pour le
peuple, et il dit : Que fais -tu là avec ce peuple ? Pourquoi sièges -tu seul, et tout le peuple se tient -il
15 devant toi, depuis le matin jusqu'au soir ? Moïse répondit à son beau-père : C'est que le peuple vient
16 à moi pour consulter Dieu. Quand ils ont quelque affaire, ils viennent à moi ; je prononce entre eux,
17 et je fais connaître les ordonnances de Dieu et ses lois. Le beau-père de Moïse lui dit : Ce que tu fais
18 n'est pas bien. Tu t'épuiseras toi-même, et tu épuiseras ce peuple qui est avec toi ; car la chose est
19 au-dessus de tes forces, tu ne pourras pas y suffire seul. Maintenant écoute ma voix ; je vais te donner
un conseil, et que Dieu soit avec toi ! Sois l'interprète du peuple auprès de Dieu, et porte les affaires
20 devant Dieu. Enseigne -leur les ordonnances et les lois ; et fais-leur connaître le chemin qu'ils doivent
21 suivre, et ce qu'ils doivent faire. Choisis parmi tout le peuple des hommes capables, craignant Dieu,
des hommes intègres, ennemis de la cupidité ; établis -les sur eux comme chefs de mille, chefs de cent,
22 chefs de cinquante et chefs de dix. Qu'ils jugent le peuple en tout temps ; qu'ils portent devant toi
toutes les affaires importantes, et qu'ils prononcent eux-mêmes sur les petites causes. Allège ta charge,
23 et qu'ils la portent avec toi. Si tu fais cela, et que Dieu te donne des ordres, tu pourras y suffire, et tout
24 ce peuple parviendra heureusement à sa destination. Moïse écouta la voix de son beau-père, et fit tout
25 ce qu'il avait dit. Moïse choisit des hommes capables parmi tout Israël, et il les établit chefs du peuple,
26 chefs de mille, chefs de cent, chefs de cinquante et chefs de dix. Ils jugeaient le peuple en tout temps ;
ils portaient devant Moïse les affaires difficiles, et ils prononçaient eux-mêmes sur toutes les petites
27 causes. Moïse laissa partir son beau-père, et Jéthro s'en alla dans son pays.

19 Le troisième mois après leur sortie du pays d'Égypte, les enfants d'Israël arrivèrent ce jour-là au
2 désert de Sinaï. Étant partis de Rephidim, ils arrivèrent au désert de Sinaï, et ils campèrent dans le
3 désert ; Israël campa là, vis-à-vis de la montagne. Moïse monta vers Dieu : et l'Éternel l'appela du haut
de la montagne, en disant : Tu parleras ainsi à la maison de Jacob, et tu diras aux enfants d'Israël :
4 Vous avez vu ce que j'ai fait à l'Égypte, et comment je vous ai portés sur des ailes d'aigle et amenés
5 vers moi. Maintenant, si vous écoutez ma voix, et si vous gardez mon alliance, vous m'appartiendrez
6 entre tous les peuples, car toute la terre est à moi ; vous serez pour moi un royaume de sacrificateurs
7 et une nation sainte. Voilà les paroles que tu diras aux enfants d'Israël. Moïse vint appeler les anciens
8 du peuple, et il mit devant eux toutes ces paroles, comme l'Éternel le lui avait ordonné. Le peuple
tout entier répondit : Nous ferons tout ce que l'Éternel a dit. Moïse rapporta les paroles du peuple à
9 l'Éternel. Et l'Éternel dit à Moïse : Voici, je viendrai vers toi dans une épaisse nuée, afin que le peuple
entende quand je te parlerai, et qu'il ait toujours confiance en toi. Moïse rapporta les paroles du peuple à
10 l'Éternel. Et l'Éternel dit à Moïse : Va vers le peuple ; sanctifie -les aujourd'hui et demain, qu'ils lavent
11 leurs vêtements. Qu'ils soient prêts pour le troisième jour ; car le troisième jour l'Éternel descendra,
12 aux yeux de tout le peuple, sur la montagne de Sinaï. Tu fixeras au peuple des limites tout à l'entour,
et tu diras : Gardez -vous de monter sur la montagne, ou d'en toucher le bord. Quiconque touchera la
13 montagne sera puni de mort. On ne mettra pas la main sur lui, mais on le lapidera, ou on le percera
de flèches : animal ou homme, il ne vivra point. Quand la trompette sonnera, ils s'avanceront près de la
14 montagne. Moïse descendit de la montagne vers le peuple ; il sanctifia le peuple, et ils lavèrent leurs
15, 16 vêtements. Et il dit au peuple : Soyez prêts dans trois jours ; ne vous approchez d'aucune femme. Le
troisième jour au matin, il y eut des tonnerres, des éclairs, et une épaisse nuée sur la montagne ; le
son de la trompette retentit fortement ; et tout le peuple qui était dans le camp fut saisi d'épouvante.
17 Moïse fit sortir le peuple du camp, à la rencontre de Dieu ; et ils se placèrent au bas de la montagne.
18 La montagne de Sinaï était toute en fumée, parce que l'Éternel y était descendu au milieu du feu ; cette

fumée s'élevait comme la fumée d'une fournaise, et toute la montagne tremblait avec violence. Le son 19
de la trompette retentissait de plus en plus fortement. Moïse parlait, et Dieu lui répondait à haute voix.
Ainsi l'Éternel descendit sur la montagne de Sinaï, sur le sommet de la montagne ; l'Éternel appela 20
Moïse sur le sommet de la montagne. Et Moïse monta. L'Éternel dit à Moïse : Descends, fais au peuple 21
la défense expresse de se précipiter vers l'Éternel, pour regarder, de peur qu'un grand nombre d'entre
eux ne périssent. Que les sacrificateurs, qui s'approchent de l'Éternel, se sanctifient aussi, de peur 22
que l'Éternel ne les frappe de mort. Moïse dit à l'Éternel : Le peuple ne pourra pas monter sur la 23
montagne de Sinaï, car tu nous en as fait la défense expresse, en disant : Fixe des limites autour de la
montagne, et sanctifie -la. L'Éternel lui dit : Va, descends ; tu monteras ensuite avec Aaron ; mais que 24
les sacrificateurs et le peuple ne se précipitent point pour monter vers l'Éternel, de peur qu'il ne les
frappe de mort. Moïse descendit vers le peuple, et lui dit ces choses. 25

Alors Dieu prononça toutes ces paroles, en disant : Je suis l'Éternel, ton Dieu, qui t'ai fait sortir **20**, 2
du pays d'Égypte, de la maison de servitude. Tu n'auras pas d'autres dieux devant ma face. Tu ne te 3, 4
feras point d'image taillée, ni de représentation quelconque des choses qui sont en haut dans les cieux,
qui sont en bas sur la terre, et qui sont dans les eaux plus bas que la terre. Tu ne te prosterneras 5
point devant elles, et tu ne les serviras point ; car moi, l'Éternel, ton Dieu, je suis un Dieu jaloux, qui
punis l'iniquité des pères sur les enfants jusqu'à la troisième et la quatrième génération de ceux qui me
haïssent, et qui fais miséricorde jusqu'en mille générations à ceux qui m'aiment et qui gardent mes 6
commandements. Tu ne prendras point le nom de l'Éternel, ton Dieu, en vain ; car l'Éternel ne laissera 7
point impuni celui qui prendra son nom en vain. Souviens -toi du jour du repos, pour le sanctifier. 8
Tu travailleras six jours, et tu feras tout ton ouvrage. Mais le septième jour est le jour du repos de 9, 10
l'Éternel, ton Dieu : tu ne feras aucun ouvrage, ni toi, ni ton fils, ni ta fille, ni ton serviteur, ni ta
servante, ni ton bétail, ni l'étranger qui est dans tes portes. Car en six jours l'Éternel a fait les cieux, 11
la terre et la mer, et tout ce qui y est contenu, et il s'est reposé le septième jour : c'est pourquoi l'Éternel
a béni le jour du repos et l'a sanctifié. Honore ton père et ta mère, afin que tes jours se prolongent dans 12
le pays que l'Éternel, ton Dieu, te donne. Tu ne tueras point. Tu ne commettras point d'adultère. Tu 13, 14, 15
ne déroberas point. Tu ne porteras point de faux témoignage contre ton prochain. Tu ne convoiteras 16, 17
point la maison de ton prochain ; tu ne convoiteras point la femme de ton prochain, ni son serviteur, ni
sa servante, ni son boeuf, ni son âne, ni aucune chose qui appartienne à ton prochain. Tout le peuple 18
entendait les tonnerres et le son de la trompette ; il voyait les flammes de la montagne fumante. À
ce spectacle, le peuple tremblait, et se tenait dans l'éloignement. Ils dirent à Moïse : Parle -nous toi- 19
même, et nous écouterons ; mais que Dieu ne nous parle point, de peur que nous ne mourions. Moïse 20
dit au peuple : Ne vous effrayez pas ; car c'est pour vous mettre à l'épreuve que Dieu est venu, et c'est
pour que vous ayez sa crainte devant les yeux, afin que vous ne péchiez point. Le peuple restait dans 21
l'éloignement ; mais Moïse s'approcha de la nuée où était Dieu. L'Éternel dit à Moïse : Tu parleras ainsi 22
aux enfants d'Israël : Vous avez vu que je vous ai parlé depuis les cieux. Vous ne ferez point des dieux 23
d'argent et des dieux d'or, pour me les associer ; vous ne vous en ferez point. Tu m'élèveras un autel de 24
terre, sur lequel tu offriras tes holocaustes et tes sacrifices d'actions de grâces, tes brebis et tes boeufs.
Partout où je rappellerai mon nom, je viendrai à toi, et je te bénirai. Si tu m'élèves un autel de pierre, 25
tu ne le bâtiras point en pierres taillées ; car en passant ton ciseau sur la pierre, tu la profanerais. Tu 26
ne monteras point à mon autel par des degrés, afin que ta nudité ne soit pas découverte.

Voici les lois que tu leur présenteras. Si tu achètes un esclave hébreu, il servira six années ; mais **21**, 2
la septième, il sortira libre, sans rien payer. S'il est entré seul, il sortira seul ; s'il avait une femme, 3
sa femme sortira avec lui. Si c'est son maître qui lui a donné une femme, et qu'il en ait eu des fils 4
ou des filles, la femme et ses enfants seront à son maître, et il sortira seul. Si l'esclave dit : J'aime 5
mon maître, ma femme et mes enfants, je ne veux pas sortir libre, - alors son maître le conduira 6
devant Dieu, et le fera approcher de la porte ou du poteau, et son maître lui percera l'oreille avec un
poinçon, et l'esclave sera pour toujours à son service. Si un homme vend sa fille pour être esclave, 7
elle ne sortira point comme sortent les esclaves. Si elle déplaît à son maître, qui s'était proposé de la 8
prendre pour femme, il facilitera son rachat ; mais il n'aura pas le pouvoir de la vendre à des étrangers,
après lui avoir été infidèle. S'il la destine à son fils, il agira envers elle selon le droit des filles. S'il 9, 10
prend une autre femme, il ne retranchera rien pour la première à la nourriture, au vêtement, et au
droit conjugal. Et s'il ne fait pas pour elle ces trois choses, elle pourra sortir sans rien payer, sans 11
donner de l'argent. Celui qui frappera un homme mortellement sera puni de mort. S'il ne lui a point 12, 13
dressé d'embûches, et que Dieu l'ait fait tomber sous sa main, je t'établirai un lieu où il pourra se
réfugier. Mais si quelqu'un agit méchamment contre son prochain, en employant la ruse pour le tuer, 14

15 tu l'arracheras même de mon autel, pour le faire mourir. Celui qui frappera son père ou sa mère sera
16 puni de mort. Celui qui dérobera un homme, et qui l'aura vendu ou retenu entre ses mains, sera puni
17, 18 de mort. Celui qui maudira son père ou sa mère sera puni de mort. Si des hommes se querellent, et
que l'un d'eux frappe l'autre avec une pierre ou avec le poing, sans causer sa mort, mais en l'obligeant
19 à garder le lit, celui qui aura frappé ne sera point puni, dans le cas où l'autre viendrait à se lever et
à se promener dehors avec son bâton. Seulement, il le dédommagera de son interruption de travail, et
20 il le fera soigner jusqu'à sa guérison. Si un homme frappe du bâton son esclave, homme ou femme,
21 et que l'esclave meure sous sa main, le maître sera puni. Mais s'il survit un jour ou deux, le maître
22 ne sera point puni ; car c'est son argent. Si des hommes se querellent, et qu'ils heurtent une femme
enceinte, et la fassent accoucher, sans autre accident, ils seront punis d'une amende imposée par le
23 mari de la femme, et qu'ils paieront devant les juges. Mais s'il y a un accident, tu donneras vie pour
24, 25 vie, oeil pour oeil, dent pour dent, main pour main, pied pour pied, brûlure pour brûlure, blessure
26 pour blessure, meurtrissure pour meurtrissure. Si un homme frappe l'oeil de son esclave, homme ou
27 femme, et qu'il lui fasse perdre l'oeil, il le mettra en liberté, pour prix de son oeil. Et s'il fait tomber
28 une dent à son esclave, homme ou femme, il le mettra en liberté, pour prix de sa dent. Si un boeuf
frappe de ses cornes un homme ou une femme, et que la mort en soit la suite, le boeuf sera lapidé, sa
29 chair ne sera point mangée, et le maître du boeuf ne sera point puni. Mais si le boeuf était auparavant
sujet à frapper, et qu'on en ait averti le maître, qui ne l'a point surveillé, le boeuf sera lapidé, dans le
30 cas où il tuerait un homme ou une femme, et son maître sera puni de mort. Si on impose au maître
31 un prix pour le rachat de sa vie, il paiera tout ce qui lui sera imposé. Lorsque le boeuf frappera un fils
32 ou une fille, cette loi recevra son application ; mais si le boeuf frappe un esclave, homme ou femme,
33 on donnera trente sicles d'argent au maître de l'esclave, et le boeuf sera lapidé. Si un homme met à
découvert une citerne, ou si un homme en creuse une et ne la couvre pas, et qu'il y tombe un boeuf ou
34 un âne, le possesseur de la citerne paiera au maître la valeur de l'animal en argent, et aura pour lui
35 l'animal mort. Si le boeuf d'un homme frappe de ses cornes le boeuf d'un autre homme, et que la mort
en soit la suite, ils vendront le boeuf vivant et en partageront le prix ; ils partageront aussi le boeuf
36 mort. Mais s'il est connu que le boeuf était auparavant sujet à frapper, et que son maître ne l'ait point
surveillé, ce maître rendra boeuf pour boeuf, et aura pour lui le boeuf mort.

22 Si un homme dérobe un boeuf ou un agneau, et qu'il l'égorge ou le vende, il restituera cinq boeufs
2 pour le boeuf et quatre agneaux pour l'agneau. Si le voleur est surpris dérobant avec effraction, et qu'il
3 soit frappé et meure, on ne sera point coupable de meurtre envers lui ; mais si le soleil est levé, on sera
4 coupable de meurtre envers lui. Il fera restitution ; s'il n'a rien, il sera vendu pour son vol ; si ce qu'il a
dérobé, boeuf, âne, ou agneau, se trouve encore vivant entre ses mains, il fera une restitution au double.
5 Si un homme fait du dégât dans un champ ou dans une vigne, et qu'il laisse son bétail paître dans le
6 champ d'autrui, il donnera en dédommagement le meilleur produit de son champ et de sa vigne. Si un
feu éclate et rencontre des épines, et que du blé en gerbes ou sur pied, ou bien le champ, soit consumé,
7 celui qui a causé l'incendie sera tenu à un dédommagement. Si un homme donne à un autre de l'argent
ou des objets à garder, et qu'on les vole dans la maison de ce dernier, le voleur fera une restitution au
8 double, dans le cas où il serait trouvé. Si le voleur ne se trouve pas, le maître de la maison se présentera
9 devant Dieu, pour déclarer qu'il n'a pas mis la main sur le bien de son prochain. Dans toute affaire
frauduleuse concernant un boeuf, un âne, un agneau, un vêtement, ou un objet perdu, au sujet duquel
on dira : C'est cela ! -la cause des deux parties ira jusqu'à Dieu ; celui que Dieu condamnera fera à son
10 prochain une restitution au double. Si un homme donne à un autre un âne, un boeuf, un agneau, ou
un animal quelconque à garder, et que l'animal meure, se casse un membre, ou soit enlevé, sans que
11 personne l'ait vu, le serment au nom de l'Éternel interviendra entre les deux parties, et celui qui a
gardé l'animal déclarera qu'il n'a pas mis la main sur le bien de son prochain ; le maître de l'animal
12 acceptera ce serment, et l'autre ne sera point tenu à une restitution. Mais si l'animal a été dérobé chez
13 lui, il sera tenu vis-à-vis de son maître à une restitution. Si l'animal a été déchiré, il le produira en
14 témoignage, et il ne sera point tenu à une restitution pour ce qui a été déchiré. Si un homme emprunte
à un autre un animal, et que l'animal se casse un membre ou qu'il meure, en l'absence de son maître,
15 il y aura lieu à restitution. Si le maître est présent, il n'y aura pas lieu à restitution. Si l'animal a été
16 loué, le prix du louage suffira. Si un homme séduit une vierge qui n'est point fiancée, et qu'il couche
17 avec elle, il paiera sa dot et la prendra pour femme. Si le père refuse de la lui accorder, il paiera en
18, 19 argent la valeur de la dot des vierges. Tu ne laisseras point vivre la magicienne. Quiconque couche
20 avec une bête sera puni de mort. Celui qui offre des sacrifices à d'autres dieux qu 'à l'Éternel seul sera
21 voué à l'extermination. Tu ne maltraiteras point l'étranger, et tu ne l'opprimeras point ; car vous avez
22, 23 été étrangers dans le pays d'Égypte. Tu n'affligeras point la veuve, ni l'orphelin. Si tu les affliges, et
24 qu'ils viennent à moi, j'entendrai leurs cris ; ma colère s'enflammera, et je vous détruirai par l'épée ; vos
25 femmes deviendront veuves, et vos enfants orphelins. Si tu prêtes de l'argent à mon peuple, au pauvre

qui est avec toi, tu ne seras point à son égard comme un créancier, tu n'exigeras de lui point d'intérêt.
Si tu prends en gage le vêtement de ton prochain, tu le lui rendras avant le coucher du soleil ; car c'est 26, 27
sa seule couverture, c'est le vêtement dont il s'enveloppe le corps : dans quoi coucherait -il ? S'il crie à
moi, je l'entendrai, car je suis miséricordieux. Tu ne maudiras point Dieu, et tu ne maudiras point le 28
prince de ton peuple. Tu ne différeras point de m'offrir les prémices de ta moisson et de ta vendange. 29
Tu me donneras le premier-né de tes fils. Tu me donneras aussi le premier-né de ta vache et de ta 30
brebis ; il restera sept jours avec sa mère ; le huitième jour, tu me le donneras. Vous serez pour moi des 31
hommes saints. Vous ne mangerez point de chair déchirée dans les champs : vous la jetterez aux chiens.

Tu ne répandras point de faux bruit. Tu ne te joindras point au méchant pour faire un faux témoi- **23**
gnage. Tu ne suivras point la multitude pour faire le mal ; et tu ne déposeras point dans un procès en 2
te mettant du côté du grand nombre, pour violer la justice. Tu ne favoriseras point le pauvre dans son 3
procès. Si tu rencontres le boeuf de ton ennemi ou son âne égaré, tu le lui ramèneras. Si tu vois l'âne 4, 5
de ton ennemi succombant sous sa charge, et que tu hésites à le décharger, tu l'aideras à le décharger.
Tu ne porteras point atteinte au droit du pauvre dans son procès. Tu ne prononceras point de sentence 6, 7
inique, et tu ne feras point mourir l'innocent et le juste ; car je n'absoudrai point le coupable. Tu ne 8
recevras point de présent ; car les présents aveuglent ceux qui ont les yeux ouverts et corrompent les
paroles des justes. Tu n'opprimeras point l'étranger ; vous savez ce qu'éprouve l'étranger, car vous avez 9
été étrangers dans le pays d'Égypte. Pendant six années, tu ensemenceras la terre, et tu en recueilleras 10
le produit. Mais la septième, tu lui donneras du relâche et tu la laisseras en repos ; les pauvres de ton 11
peuple en jouiront, et les bêtes des champs mangeront ce qui restera. Tu feras de même pour ta vigne
et pour tes oliviers. Pendant six jours, tu feras ton ouvrage. Mais le septième jour, tu te reposeras, afin 12
que ton boeuf et ton âne aient du repos, afin que le fils de ton esclave et l'étranger aient du relâche.
Vous observerez tout ce que je vous ai dit, et vous ne prononcerez point le nom d'autres dieux : qu'on 13
ne l'entende point sortir de votre bouche. Trois fois par année, tu célébreras des fêtes en mon honneur. 14
Tu observeras la fête des pains sans levain ; pendant sept jours, au temps fixé dans le mois des épis, tu 15
mangeras des pains sans levain, comme je t'en ai donné l'ordre, car c'est dans ce mois que tu es sorti
d'Égypte ; et l'on ne se présentera point à vide devant ma face. Tu observeras la fête de la moisson, des 16
prémices de ton travail, de ce que tu auras semé dans les champs ; et la fête de la récolte, à la fin de
l'année, quand tu recueilleras des champs le fruit de ton travail. Trois fois par année, tous les mâles 17
se présenteront devant le Seigneur, l'Éternel. Tu n'offriras point avec du pain levé le sang de la vic- 18
time sacrifiée en mon honneur ; et sa graisse ne sera point gardée pendant la nuit jusqu'au matin. Tu 19
apporteras à la maison de l'Éternel, ton Dieu, les prémices des premiers fruits de la terre. Tu ne feras
point cuire un chevreau dans le lait de sa mère. Voici, j'envoie un ange devant toi, pour te protéger 20
en chemin, et pour te faire arriver au lieu que j'ai préparé. Tiens-toi sur tes gardes en sa présence, 21
et écoute sa voix ; ne lui résiste point, parce qu'il ne pardonnera pas vos péchés, car mon nom est en
lui. Mais si tu écoutes sa voix, et si tu fais tout ce que je te dirai, je serai l'ennemi de tes ennemis et 22
l'adversaire de tes adversaires. Mon ange marchera devant toi, et te conduira chez les Amoréens, les 23
Héthiens, les Phéréziens, les Cananéens, les Héviens et les Jébusiens, et je les exterminerai. Tu ne te 24
prosterneras point devant leurs dieux, et tu ne les serviras point ; tu n'imiteras point ces peuples dans
leur conduite, mais tu les détruiras, et tu briseras leurs statues. Vous servirez l'Éternel, votre Dieu, et 25
il bénira votre pain et vos eaux, et j'éloignerai la maladie du milieu de toi. Il n'y aura dans ton pays ni 26
femme qui avorte, ni femme stérile. Je remplirai le nombre de tes jours. J'enverrai ma terreur devant 27
toi, je mettrai en déroute tous les peuples chez lesquels tu arriveras, et je ferai tourner le dos devant toi
à tous tes ennemis. J'enverrai les frelons devant toi, et ils chasseront loin de ta face les Héviens, les 28
Cananéens et les Héthiens. Je ne les chasserai pas en une seule année loin de ta face, de peur que le 29
pays ne devienne un désert et que les bêtes des champs ne se multiplient contre toi. Je les chasserai 30
peu à peu loin de ta face, jusqu'à ce que tu augmentes en nombre et que tu puisses prendre possession
du pays. J'établirai tes limites depuis la mer Rouge jusqu'à la mer des Philistins, et depuis le désert 31
jusqu'au fleuve ; car je livrerai entre vos mains les habitants du pays, et tu les chasseras devant toi.
Tu ne feras point d'alliance avec eux, ni avec leurs dieux. Ils n'habiteront point dans ton pays, de peur 32, 33
qu'ils ne te fassent pécher contre moi ; car tu servirais leurs dieux, et ce serait un piège pour toi.

Dieu dit à Moïse : Monte vers l'Éternel, toi et Aaron, Nadab et Abihu, et soixante-dix des anciens **24**
d'Israël, et vous vous prosternerez de loin. Moïse s'approchera seul de l'Éternel ; les autres ne s'appro- 2
cheront pas, et le peuple ne montera point avec lui. Moïse vint rapporter au peuple toutes les paroles 3
de l'Éternel et toutes les lois. Le peuple entier répondit d'une même voix : Nous ferons tout ce que
l'Éternel a dit. Moïse écrivit toutes les paroles de l'Éternel. Puis il se leva de bon matin ; il bâtit un 4
autel au pied de la montagne, et dressa douze pierres pour les douze tribus d'Israël. Il envoya des 5
jeunes hommes, enfants d'Israël, pour offrir à l'Éternel des holocaustes, et immoler des taureaux en

6 sacrifices d'actions de grâces. Moïse prit la moitié du sang, qu'il mit dans des bassins, et il répandit
7 l'autre moitié sur l'autel. Il prit le livre de l'alliance, et le lut en présence du peuple ; ils dirent : Nous
8 ferons tout ce que l'Éternel a dit, et nous obéirons. Moïse prit le sang, et il le répandit sur le peuple, en
9 disant : Voici le sang de l'alliance que l'Éternel a faite avec vous selon toutes ces paroles. Moïse monta
10 avec Aaron, Nadab et Abihu, et soixante-dix anciens d'Israël. Ils virent le Dieu d'Israël ; sous ses pieds,
11 c'était comme un ouvrage de saphir transparent, comme le ciel lui-même dans sa pureté. Il n'étendit
12 point sa main sur l'élite des enfants d'Israël. Ils virent Dieu, et ils mangèrent et burent. L'Éternel dit
à Moïse : Monte vers moi sur la montagne, et reste là ; je te donnerai des tables de pierre, la loi et les
13 ordonnances que j'ai écrites pour leur instruction. Moïse se leva, avec Josué qui le servait, et Moïse
14 monta sur la montagne de Dieu. Il dit aux anciens : Attendez -nous ici, jusqu'à ce que nous revenions
auprès de vous. Voici, Aaron et Hur resteront avec vous ; si quelqu'un a un différend, c'est à eux qu'il
15, 16 s'adressera. Moïse monta sur la montagne, et la nuée couvrit la montagne. La gloire de l'Éternel
reposa sur la montagne de Sinaï, et la nuée la couvrit pendant six jours. Le septième jour, l'Éternel
17 appela Moïse du milieu de la nuée. L'aspect de la gloire de l'Éternel était comme un feu dévorant sur
18 le sommet de la montagne, aux yeux des enfants d'Israël. Moïse entra au milieu de la nuée, et il monta
sur la montagne. Moïse demeura sur la montagne quarante jours et quarante nuits.

25, 2 L'Éternel parla à Moïse, et dit : Parle aux enfants d'Israël. Qu'ils m'apportent une offrande ; vous la
3 recevrez pour moi de tout homme qui la fera de bon coeur. Voici ce que vous recevrez d'eux en offrande :
4 de l'or, de l'argent et de l'airain ; des étoffes teintes en bleu, en pourpre, en cramoisi, du fin lin et du
5, 6 poil de chèvre ; des peaux de béliers teintes en rouge et des peaux de dauphins ; du bois d'acacia ; de
7 l'huile pour le chandelier, des aromates pour l'huile d'onction et pour le parfum odoriférant ; des pierres
8 d'onyx et d'autres pierres pour la garniture de l'éphod et du pectoral. Ils me feront un sanctuaire, et
9 j'habiterai au milieu d'eux. Vous ferez le tabernacle et tous ses ustensiles d'après le modèle que je vais
10 te montrer. Ils feront une arche de bois d'acacia, sa longueur sera de deux coudées et demie, sa largeur
11 d'une coudée et demie, et sa hauteur d'une coudée et demie. Tu la couvriras d'or pur, tu la couvriras en
12 dedans et en dehors, et tu y feras une bordure d'or tout autour. Tu fondras pour elle quatre anneaux
13 d'or, et tu les mettras à ses quatre coins, deux anneaux d'un côté et deux anneaux de l'autre côté. Tu
14 feras des barres de bois d'acacia, et tu les couvriras d'or. Tu passeras les barres dans les anneaux sur
15 les côtés de l'arche, pour qu'elles servent à porter l'arche ; les barres resteront dans les anneaux de
16, 17 l'arche, et n'en seront point retirées. Tu mettras dans l'arche le témoignage, que je te donnerai. Tu
feras un propitiatoire d'or pur ; sa longueur sera de deux coudées et demie, et sa largeur d'une coudée
18 et demie. Tu feras deux chérubins d'or, tu les feras d'or battu, aux deux extrémités du propitiatoire ;
19 fais un chérubin à l'une des extrémités et un chérubin à l'autre extrémité ; vous ferez les chérubins
20 sortant du propitiatoire à ses deux extrémités. Les chérubins étendront les ailes par-dessus, couvrant
de leurs ailes le propitiatoire, et se faisant face l'un à l'autre ; les chérubins auront la face tournée vers
21 le propitiatoire. Tu mettras le propitiatoire sur l'arche, et tu mettras dans l'arche le témoignage, que je
22 te donnerai. C'est là que je me rencontrerai avec toi ; du haut du propitiatoire, entre les deux chérubins
23 placés sur l'arche du témoignage, je te donnerai tous mes ordres pour les enfants d'Israël. Tu feras une
table de bois d'acacia ; sa longueur sera de deux coudées, sa largeur d'une coudée, et sa hauteur d'une
24, 25 coudée et demie. Tu la couvriras d'or pur, et tu y feras une bordure d'or tout autour. Tu y feras à
26 l'entour un rebord de quatre doigts, sur lequel tu mettras une bordure d'or tout autour. Tu feras pour
la table quatre anneaux d'or, et tu mettras les anneaux aux quatre coins, qui seront à ses quatre pieds.
27, 28 Les anneaux seront près du rebord, et recevront les barres pour porter la table. Tu feras les barres de
29 bois d'acacia, et tu les couvriras d'or ; et elles serviront à porter la table. Tu feras ses plats, ses coupes,
30 ses calices et ses tasses, pour servir aux libations ; tu les feras d'or pur. Tu mettras sur la table les
31 pains de proposition continuellement devant ma face. Tu feras un chandelier d'or pur ; ce chandelier
sera fait d'or battu ; son pied, sa tige, ses calices, ses pommes et ses fleurs seront d'une même pièce.
32 Six branches sortiront de ses côtés, trois branches du chandelier de l'un des côtés, et trois branches du
33 chandelier de l'autre côté. Il y aura sur une branche trois calices en forme d'amande, avec pommes
et fleurs, et sur une autre branche trois calices en forme d'amande, avec pommes et fleurs ; il en sera
34 de même pour les six branches sortant du chandelier. À la tige du chandelier, il y aura quatre calices
35 en forme d'amande, avec leurs pommes et leurs fleurs. Il y aura une pomme sous deux des branches
sortant de la tige du chandelier, une pomme sous deux autres branches, et une pomme sous deux autres
36 branches ; il en sera de même pour les six branches sortant du chandelier. Les pommes et les branches
37 du chandelier seront d'une même pièce : il sera tout entier d'or battu, d'or pur. Tu feras ses sept lampes,
38 qui seront placées dessus, de manière à éclairer en face. Ses mouchettes et ses vases à cendre seront
39, 40 d'or pur. On emploiera un talent d'or pur pour faire le chandelier avec tous ses ustensiles. Regarde,
et fais d'après le modèle qui t'est montré sur la montagne.

Tu feras le tabernacle de dix tapis de fin lin retors, et d'étoffes teintes en bleu, en pourpre et en **26**
cramoisi ; tu y représenteras des chérubins artistement travaillés. La longueur d'un tapis sera de 2
vingt -huit coudées, et la largeur d'un tapis sera de quatre coudées ; la mesure sera la même pour tous
les tapis. Cinq de ces tapis seront joints ensemble ; les cinq autres seront aussi joints ensemble. Tu 3, 4
feras des lacets bleus au bord du tapis terminant le premier assemblage ; et tu feras de même au bord
du tapis terminant le second assemblage. Tu mettras cinquante lacets au premier tapis, et tu mettras 5
cinquante lacets au bord du tapis terminant le second assemblage ; ces lacets se correspondront les uns
aux autres. Tu feras cinquante agrafes d'or, et tu joindras les tapis l'un à l'autre avec les agrafes. Et le 6
tabernacle formera un tout. Tu feras des tapis de poil de chèvre, pour servir de tente sur le tabernacle ; 7
tu feras onze de ces tapis. La longueur d'un tapis sera de trente coudées, et la largeur d'un tapis sera de 8
quatre coudées ; la mesure sera la même pour les onze tapis. Tu joindras séparément cinq de ces tapis, 9
et les six autres séparément, et tu redoubleras le sixième tapis sur le devant de la tente. Tu mettras 10
cinquante lacets au bord du tapis terminant le premier assemblage, et cinquante lacets au bord du tapis
du second assemblage. Tu feras cinquante agrafes d'airain, et tu feras entrer les agrafes dans les lacets. 11
Tu assembleras ainsi la tente, qui fera un tout. Comme il y aura du surplus dans les tapis de la tente, 12
la moitié du tapis de reste retombera sur le derrière du tabernacle ; la coudée d'une part, et la coudée 13
d'autre part, qui seront de reste sur la longueur des tapis de la tente, retomberont sur les deux côtés du
tabernacle, pour le couvrir. Tu feras pour la tente une couverture de peaux de béliers teintes en rouge, 14
et une couverture de peaux de dauphins par-dessus. Tu feras des planches pour le tabernacle ; elles 15
seront de bois d'acacia, placées debout. La longueur d'une planche sera de dix coudées, et la largeur 16
d'une planche sera d'une coudée et demie. Il y aura à chaque planche deux tenons joints l'un à l'autre ; 17
tu feras de même pour toutes les planches du tabernacle. Tu feras vingt planches pour le tabernacle, 18
du côté du midi. Tu mettras quarante bases d'argent sous les vingt planches, deux bases sous chaque 19
planche pour ses deux tenons. Tu feras vingt planches pour le second côté du tabernacle, le côté du 20
nord, et leurs quarante bases d'argent, deux bases sous chaque planche. Tu feras six planches pour le 21, 22
fond du tabernacle, du côté de l'occident. Tu feras deux planches pour les angles du tabernacle, dans 23
le fond ; elles seront doubles depuis le bas, et bien liées à leur sommet par un anneau ; il en sera de 24
même pour toutes les deux, placées aux deux angles. Il y aura ainsi huit planches, avec leurs bases 25
d'argent, soit seize bases, deux bases sous chaque planche. Tu feras cinq barres de bois d'acacia pour les 26
planches de l'un des côtés du tabernacle, cinq barres pour les planches du second côté du tabernacle, 27
et cinq barres pour les planches du côté du tabernacle formant le fond vers l'occident. La barre du 28
milieu traversera les planches d'une extrémité à l'autre. Tu couvriras d'or les planches, et tu feras 29
d'or leurs anneaux qui recevront les barres, et tu couvriras d'or les barres. Tu dresseras le tabernacle 30
d'après le modèle qui t'est montré sur la montagne. Tu feras un voile bleu, pourpre et cramoisi, et 31
de fin lin retors ; il sera artistement travaillé, et l'on y représentera des chérubins. Tu le mettras sur 32
quatre colonnes d'acacia, couvertes d'or ; ces colonnes auront des crochets d'or, et poseront sur quatre
bases d'argent. Tu mettras le voile au-dessous des agrafes, et c'est là, en dedans du voile, que tu feras 33
entrer l'arche du témoignage ; le voile vous servira de séparation entre le lieu saint et le lieu très saint.
Tu mettras le propitiatoire sur l'arche du témoignage dans le lieu très saint. Tu mettras la table en 34, 35
dehors du voile, et le chandelier en face de la table, au côté méridional du tabernacle ; et tu mettras la
table au côté septentrional. Tu feras pour l'entrée de la tente un rideau bleu, pourpre et cramoisi, et 36
de fin lin retors ; ce sera un ouvrage de broderie. Tu feras pour le rideau cinq colonnes d'acacia, et tu 37
les couvriras d'or ; elles auront des crochets d'or, et tu fondras pour elles cinq bases d'airain.

Tu feras l'autel de bois d'acacia ; sa longueur sera de cinq coudées, et sa largeur de cinq coudées. **27**
L'autel sera carré, et sa hauteur sera de trois coudées. Tu feras, aux quatre coins, des cornes qui sorti- 2
ront de l'autel ; et tu le couvriras d'airain. Tu feras pour l'autel des cendriers, des pelles, des bassins, 3
des fourchettes et des brasiers ; tu feras d'airain tous ses ustensiles. Tu feras à l'autel une grille d'ai- 4
rain, en forme de treillis, et tu mettras quatre anneaux d'airain aux quatre coins du treillis. Tu le 5
placeras au-dessous du rebord de l'autel, à partir du bas, jusqu'à la moitié de la hauteur de l'autel. Tu 6
feras des barres pour l'autel, des barres de bois d'acacia, et tu les couvriras d'airain. On passera les 7
barres dans les anneaux ; et les barres seront aux deux côtés de l'autel, quand on le portera. Tu le 8
feras creux, avec des planches ; il sera fait tel qu'il t'est montré sur la montagne. Tu feras le parvis 9
du tabernacle. Du côté du midi, il y aura, pour former le parvis, des toiles de fin lin retors, sur une
longueur de cent coudées pour ce premier côté, avec vingt colonnes posant sur vingt bases d'airain ; 10
les crochets des colonnes et leurs tringles seront d'argent. Du côté du nord, il y aura également des 11
toiles sur une longueur de cent coudées, avec vingt colonnes et leurs vingt bases d'airain ; les crochets
des colonnes et leurs tringles seront d'argent. Du côté de l'occident, il y aura pour la largeur du parvis 12
cinquante coudées de toiles, avec dix colonnes et leurs dix bases. Du côté de l'orient, sur les cinquante 13
coudées de largeur du parvis, il y aura quinze coudées de toiles pour une aile, avec trois colonnes et 14

15 leurs trois bases, et quinze coudées de toiles pour la seconde aile, avec trois colonnes et leurs trois
16 bases. Pour la porte du parvis il y aura un rideau de vingt coudées, bleu, pourpre et cramoisi, et de
17 fin lin retors, en ouvrage de broderie, avec quatre colonnes et leurs quatre bases. Toutes les colonnes
formant l'enceinte du parvis auront des tringles d'argent, des crochets d'argent, et des bases d'airain.
18 La longueur du parvis sera de cent coudées, sa largeur de cinquante de chaque côté, et sa hauteur de
19 cinq coudées ; les toiles seront de fin lin retors, et les bases d'airain. Tous les ustensiles destinés au
20 service du tabernacle, tous ses pieux, et tous les pieux du parvis, seront d'airain. Tu ordonneras aux
enfants d'Israël de t'apporter pour le chandelier de l'huile pure d'olives concassées, afin d'entretenir les
21 lampes continuellement. C'est dans la tente d'assignation, en dehors du voile qui est devant le témoi-
gnage, qu'Aaron et ses fils la prépareront, pour que les lampes brûlent du soir au matin en présence de
l'Éternel. C'est une loi perpétuelle pour leurs descendants, et que devront observer les enfants d'Israël.

28 Fais approcher de toi Aaron, ton frère, et ses fils, et prends-les parmi les enfants d'Israël pour les
consacrer à mon service dans le sacerdoce : Aaron et les fils d'Aaron, Nadab, Abihu, Éléazar et Ithamar.
2 Tu feras à Aaron, ton frère, des vêtements sacrés, pour marquer sa dignité et pour lui servir de parure.
3 Tu parleras à tous ceux qui sont habiles, à qui j'ai donné un esprit plein d'intelligence ; et ils feront
4 les vêtements d'Aaron, afin qu'il soit consacré et qu'il exerce mon sacerdoce. Voici les vêtements qu'ils
feront : un pectoral, un éphod, une robe, une tunique brodée, une tiare, et une ceinture. Ils feront des
5 vêtements sacrés à Aaron, ton frère, et à ses fils, afin qu'ils exercent mon sacerdoce. Ils emploieront
6 de l'or, des étoffes teintes en bleu, en pourpre, en cramoisi, et de fin lin. Ils feront l'éphod d'or, de fil
7 bleu, pourpre et cramoisi, et de fin lin retors ; il sera artistement travaillé. On y fera deux épaulettes,
8 qui le joindront par ses deux extrémités ; et c'est ainsi qu'il sera joint. La ceinture sera du même
travail que l'éphod et fixée sur lui ; elle sera d'or, de fil bleu, pourpre et cramoisi, et de fin lin retors.
9, 10 Tu prendras deux pierres d'onyx, et tu y graveras les noms des fils d'Israël, six de leurs noms sur
11 une pierre, et les six autres sur la seconde pierre, d'après l'ordre des naissances. Tu graveras sur les
deux pierres les noms des fils d'Israël, comme on grave les pierres et les cachets ; tu les entoureras de
12 montures d'or. Tu mettras les deux pierres sur les épaulettes de l'éphod, en souvenir des fils d'Israël ;
13 et c'est comme souvenir qu'Aaron portera leurs noms devant l'Éternel sur ses deux épaules. Tu feras
14 des montures d'or, et deux chaînettes d'or pur, que tu tresseras en forme de cordons ; et tu fixeras aux
15 montures les chaînettes ainsi tressées. Tu feras le pectoral du jugement, artistement travaillé ; tu le
feras du même travail que l'éphod, tu le feras d'or, de fil bleu, pourpre et cramoisi, et de fin lin retors.
16, 17 Il sera carré et double ; sa longueur sera d'un empan, et sa largeur d'un empan. Tu y enchâsseras
une garniture de pierres, quatre rangées de pierres : première rangée, une sardoine, une topaze, une
18, 19 émeraude ; seconde rangée, une escarboucle, un saphir, un diamant ; troisième rangée, une opale,
20 une agate, une améthyste ; quatrième rangée, une chrysolithe, un onyx, un jaspe. Ces pierres seront
21 enchâssées dans leurs montures d'or. Il y en aura douze, d'après les noms des fils d'Israël ; elles seront
22 gravées comme des cachets, chacune avec le nom de l'une des douze tribus. - Tu feras sur le pectoral
23 des chaînettes d'or pur, tressées en forme de cordons. Tu feras sur le pectoral deux anneaux d'or, et tu
24 mettras ces deux anneaux aux deux extrémités du pectoral. Tu passeras les deux cordons d'or dans
25 les deux anneaux aux deux extrémités du pectoral ; et tu arrêteras par devant les bouts des deux
26 cordons aux deux montures placées sur les épaulettes de l'éphod. Tu feras encore deux anneaux d'or,
27 que tu mettras aux deux extrémités du pectoral, sur le bord intérieur appliqué contre l'éphod. Et tu
feras deux autres anneaux d'or, que tu mettras au bas des deux épaulettes de l'éphod, sur le devant,
28 près de la jointure, au-dessus de la ceinture de l'éphod. On attachera le pectoral par ses anneaux aux
anneaux de l'éphod avec un cordon bleu, afin que le pectoral soit au-dessus de la ceinture de l'éphod
29 et qu'il ne puisse pas se séparer de l'éphod. Lorsque Aaron entrera dans le sanctuaire, il portera sur
son coeur les noms des fils d'Israël, gravés sur le pectoral du jugement, pour en conserver à toujours le
30 souvenir devant l'Éternel. - Tu joindras au pectoral du jugement l'urim et le thummim, et ils seront
sur le coeur d'Aaron, lorsqu'il se présentera devant l'Éternel. Ainsi, Aaron portera constamment sur
31 son coeur le jugement des enfants d'Israël, lorsqu'il se présentera devant l'Éternel. Tu feras la robe de
32 l'éphod entièrement d'étoffe bleue. Il y aura, au milieu, une ouverture pour la tête ; et cette ouverture
aura tout autour un bord tissé, comme l'ouverture d'une cotte de mailles, afin que la robe ne se déchire
33 pas. Tu mettras autour de la bordure, en bas, des grenades de couleur bleue, pourpre et cramoisi,
34 entremêlées de clochettes d'or : une clochette d'or et une grenade, une clochette d'or et une grenade,
35 sur tout le tour de la bordure de la robe. Aaron s'en revêtira pour faire le service ; quand il entrera dans
le sanctuaire devant l'Éternel, et quand il en sortira, on entendra le son des clochettes, et il ne mourra
36, 37 point. Tu feras une lame d'or pur, et tu y graveras, comme on grave un cachet : Sainteté à l'Éternel. Tu
38 l'attacheras avec un cordon bleu sur la tiare, sur le devant de la tiare. Elle sera sur le front d'Aaron ;
et Aaron sera chargé des iniquités commises par les enfants d'Israël en faisant toutes leurs saintes

offrandes ; elle sera constamment sur son front devant l'Éternel, pour qu'il leur soit favorable. Tu feras 39
la tunique de fin lin ; tu feras une tiare de fin lin, et tu feras une ceinture brodée. Pour les fils d'Aaron 40
tu feras des tuniques, tu leur feras des ceintures, et tu leur feras des bonnets, pour marquer leur dignité
et pour leur servir de parure. Tu en revêtiras Aaron, ton frère, et ses fils avec lui. Tu les oindras, tu les 41
consacreras, tu les sanctifieras, et ils seront à mon service dans le sacerdoce. Fais -leur des caleçons de 42
lin, pour couvrir leur nudité ; ils iront depuis les reins jusqu'aux cuisses. Aaron et ses fils les porteront, 43
quand ils entreront dans la tente d'assignation, ou quand ils s'approcheront de l'autel, pour faire le
service dans le sanctuaire ; ainsi ils ne se rendront point coupables, et ne mourront point. C'est une loi
perpétuelle pour Aaron et pour ses descendants après lui.

Voici ce que tu feras pour les sanctifier, afin qu'ils soient à mon service dans le sacerdoce. Prends **29**
un jeune taureau et deux béliers sans défaut. Fais, avec de la fleur de farine de froment, des pains 2
sans levain, des gâteaux sans levain pétris à l'huile, et des galettes sans levain arrosées d'huile. Tu les 3
mettras dans une corbeille, en offrant le jeune taureau et les deux béliers. Tu feras avancer Aaron et 4
ses fils vers l'entrée de la tente d'assignation, et tu les laveras avec de l'eau. Tu prendras les vêtements ; 5
tu revêtiras Aaron de la tunique, de la robe de l'éphod, de l'éphod et du pectoral, et tu mettras sur lui
la ceinture de l'éphod. Tu poseras la tiare sur sa tête, et tu placeras le diadème de sainteté sur la 6
tiare. Tu prendras l'huile d'onction, tu en répandras sur sa tête, et tu l'oindras. Tu feras approcher 7, 8
ses fils, et tu les revêtiras des tuniques. Tu mettras une ceinture à Aaron et à ses fils, et tu attacheras 9
des bonnets aux fils d'Aaron. Le sacerdoce leur appartiendra par une loi perpétuelle. Tu consacreras
donc Aaron et ses fils. Tu amèneras le taureau devant la tente d'assignation, et Aaron et ses fils 10
poseront leurs mains sur la tête du taureau. Tu égorgeras le taureau devant l'Éternel, à l'entrée de 11
la tente d'assignation. Tu prendras du sang du taureau, tu en mettras avec ton doigt sur les cornes 12
de l'autel, et tu répandras tout le sang au pied de l'autel. Tu prendras toute la graisse qui couvre les 13
entrailles, le grand lobe du foie, les deux rognons et la graisse qui les entoure, et tu brûleras cela sur
l'autel. Mais tu brûleras au feu hors du camp la chair du taureau, sa peau et ses excréments : c'est 14
un sacrifice pour le péché. Tu prendras l'un des béliers, et Aaron et ses fils poseront leurs mains sur 15
la tête du bélier. Tu égorgeras le bélier ; tu en prendras le sang, et tu le répandras sur l'autel tout 16
autour. Tu couperas le bélier par morceaux, et tu laveras les entrailles et les jambes, que tu mettras 17
sur les morceaux et sur sa tête. Tu brûleras tout le bélier sur l'autel ; c'est un holocauste à l'Éternel, 18
c'est un sacrifice consumé par le feu, d'une agréable odeur à l'Éternel. Tu prendras l'autre bélier, et 19
Aaron et ses fils poseront leurs mains sur la tête du bélier. Tu égorgeras le bélier ; tu prendras de son 20
sang, tu en mettras sur le lobe de l'oreille droite d'Aaron et sur le lobe de l'oreille droite de ses fils, sur
le pouce de leur main droite et sur le gros orteil de leur pied droit, et tu répandras le sang sur l'autel
tout autour. Tu prendras du sang qui sera sur l'autel et de l'huile d'onction, et tu en feras l'aspersion 21
sur Aaron et sur ses vêtements, sur ses fils et sur leurs vêtements. Ainsi seront consacrés Aaron et ses
vêtements, ses fils et leurs vêtements. Tu prendras la graisse du bélier, la queue, la graisse qui couvre 22
les entrailles, le grand lobe du foie, les deux rognons et la graisse qui les entoure, et l'épaule droite,
car c'est un bélier de consécration ; tu prendras aussi dans la corbeille de pains sans levain, placée 23
devant l'Éternel, un gâteau de pain, un gâteau à l'huile et une galette. Tu mettras toutes ces choses 24
sur les mains d'Aaron et sur les mains de ses fils, et tu les agiteras de côté et d'autre devant l'Éternel.
Tu les ôteras ensuite de leurs mains, et tu les brûleras sur l'autel, par-dessus l'holocauste ; c'est un 25
sacrifice consumé par le feu devant l'Éternel, d'une agréable odeur à l'Éternel. Tu prendras la poitrine 26
du bélier qui aura servi à la consécration d'Aaron, et tu l'agiteras de côté et d'autre devant l'Éternel : ce
sera ta portion. Tu sanctifieras la poitrine et l'épaule du bélier qui aura servi à la consécration d'Aaron 27
et de ses fils, la poitrine en l'agitant de côté et d'autre, l'épaule en la présentant par élévation. Elles 28
appartiendront à Aaron et à ses fils, par une loi perpétuelle qu'observeront les enfants d'Israël, car c'est
une offrande par élévation ; et, dans les sacrifices d'actions de grâces des enfants d'Israël, l'offrande
par élévation sera pour l'Éternel. Les vêtements sacrés d'Aaron seront après lui pour ses fils, qui les 29
mettront lorsqu'on les oindra et qu'on les consacrera. Ils seront portés pendant sept jours par celui 30
de ses fils qui lui succédera dans le sacerdoce, et qui entrera dans la tente d'assignation, pour faire le
service dans le sanctuaire. Tu prendras le bélier de consécration, et tu en feras cuire la chair dans 31
un lieu saint. Aaron et ses fils mangeront, à l'entrée de la tente d'assignation, la chair du bélier et 32
le pain qui sera dans la corbeille. Ils mangeront ainsi ce qui aura servi d'expiation afin qu'ils fussent 33
consacrés et sanctifiés ; nul étranger n'en mangera, car ce sont des choses saintes. S'il reste de la chair 34
de consécration et du pain jusqu'au matin, tu brûleras dans le feu ce qui restera ; on ne le mangera
point, car c'est une chose sainte. Tu suivras à l'égard d'Aaron et de ses fils tous les ordres que je t'ai 35
donnés. Tu emploieras sept jours à les consacrer. Tu offriras chaque jour un taureau en sacrifice pour 36
le péché, pour l'expiation ; tu purifieras l'autel par cette expiation, et tu l'oindras pour le sanctifier.

37 Pendant sept jours, tu feras des expiations sur l'autel, et tu le sanctifieras ; et l'autel sera très saint,
38 et tout ce qui touchera l'autel sera sanctifié. Voici ce que tu offriras sur l'autel : deux agneaux d'un
39 an, chaque jour, à perpétuité. Tu offriras l'un des agneaux le matin, et l'autre agneau entre les deux
40 soirs. Tu offriras, avec le premier agneau, un dixième d'épha de fleur de farine pétrie dans un quart de
41 hin d'huile d'olives concassées, et une libation d'un quart de hin de vin. Tu offriras le second agneau
entre les deux soirs, avec une offrande et une libation semblables à celles du matin ; c'est un sacrifice
42 consumé par le feu, d'une agréable odeur à l'Éternel. Voilà l'holocauste perpétuel qui sera offert par vos
descendants, à l'entrée de la tente d'assignation, devant l'Éternel : c'est là que je me rencontrerai avec
43 vous, et que je te parlerai. Je me rencontrerai là avec les enfants d'Israël, et ce lieu sera sanctifié par
44 ma gloire. Je sanctifierai la tente d'assignation et l'autel ; je sanctifierai Aaron et ses fils, pour qu'ils
45 soient à mon service dans le sacerdoce. J'habiterai au milieu des enfants d'Israël, et je serai leur Dieu.
46 Ils connaîtront que je suis l'Éternel, leur Dieu, qui les ai fait sortir du pays d'Égypte, pour habiter au
milieu d'eux. Je suis l'Éternel, leur Dieu.

30, 2 Tu feras un autel pour brûler des parfums, tu le feras de bois d'acacia ; sa longueur sera d'une
coudée, et sa largeur d'une coudée ; il sera carré, et sa hauteur sera de deux coudées. Tu feras des
3 cornes qui sortiront de l'autel. Tu le couvriras d'or pur, le dessus, les côtés tout autour et les cornes,
4 et tu y feras une bordure d'or tout autour. Tu feras au-dessous de la bordure deux anneaux d'or aux
5 deux côtés ; tu en mettras aux deux côtés, pour recevoir les barres qui serviront à le porter. Tu feras
6 les barres de bois d'acacia, et tu les couvriras d'or. Tu placeras l'autel en face du voile qui est devant
l'arche du témoignage, en face du propitiatoire qui est sur le témoignage, et où je me rencontrerai avec
7 toi. Aaron y fera brûler du parfum odoriférant ; il en fera brûler chaque matin, lorsqu'il préparera les
8 lampes ; il en fera brûler aussi entre les deux soirs, lorsqu'il arrangera les lampes. C'est ainsi que l'on
9 brûlera à perpétuité du parfum devant l'Éternel parmi vos descendants. Vous n'offrirez sur l'autel ni
10 parfum étranger, ni holocauste, ni offrande, et vous n'y répandrez aucune libation. Une fois chaque
année, Aaron fera des expiations sur les cornes de l'autel ; avec le sang de la victime expiatoire, il y sera
fait des expiations une fois chaque année parmi vos descendants. Ce sera une chose très sainte devant
11, 12 l'Éternel. L'Éternel parla à Moïse, et dit : Lorsque tu compteras les enfants d'Israël pour en faire le
dénombrement, chacun d'eux paiera à l'Éternel le rachat de sa personne, afin qu'ils ne soient frappés
13 d'aucune plaie lors de ce dénombrement. Voici ce que donneront tous ceux qui seront compris dans le
dénombrement : un demi -sicle, selon le sicle du sanctuaire, qui est de vingt guéras ; un demi -sicle sera
14 le don prélevé pour l'Éternel. Tout homme compris dans le dénombrement, depuis l'âge de vingt ans et
15 au-dessus, paiera le don prélevé pour l'Éternel. Le riche ne paiera pas plus, et le pauvre ne paiera pas
16 moins d'un demi -sicle, comme don prélevé pour l'Éternel, afin de racheter leurs personnes. Tu recevras
des enfants d'Israël l'argent du rachat, et tu l'appliqueras au travail de la tente d'assignation ; ce sera
17 pour les enfants d'Israël un souvenir devant l'Éternel pour le rachat de leurs personnes. L'Éternel
18 parla à Moïse, et dit : Tu feras une cuve d'airain, avec sa base d'airain, pour les ablutions ; tu la
19 placeras entre la tente d'assignation et l'autel, et tu y mettras de l'eau, avec laquelle Aaron et ses fils
20 se laveront les mains et les pieds. Lorsqu'ils entreront dans la tente d'assignation, ils se laveront avec
cette eau, afin qu'ils ne meurent point ; et aussi lorsqu'ils s'approcheront de l'autel, pour faire le service
21 et pour offrir des sacrifices à l'Éternel. Ils se laveront les mains et les pieds, afin qu'ils ne meurent
22 point. Ce sera une loi perpétuelle pour Aaron, pour ses fils et pour leurs descendants. L'Éternel parla
23 à Moïse, et dit : Prends des meilleurs aromates, cinq cents sicles de myrrhe, de celle qui coule d'elle-
même ; la moitié, soit deux cent cinquante sicles, de cinnamome aromatique, deux cent cinquante sicles
24 de roseau aromatique, cinq cents sicles de casse, selon le sicle du sanctuaire, et un hin d'huile d'olive.
25 Tu feras avec cela une huile pour l'onction sainte, composition de parfums selon l'art du parfumeur ;
26, 27 ce sera l'huile pour l'onction sainte. Tu en oindras la tente d'assignation et l'arche du témoignage, la
28 table et tous ses ustensiles, le chandelier et ses ustensiles, l'autel des parfums, l'autel des holocaustes
29 et tous ses ustensiles, la cuve avec sa base. Tu sanctifieras ces choses, et elles seront très saintes, tout
30 ce qui les touchera sera sanctifié. Tu oindras Aaron et ses fils, et tu les sanctifieras, pour qu'ils soient
31 à mon service dans le sacerdoce. Tu parleras aux enfants d'Israël, et tu diras : Ce sera pour moi l'huile
32 de l'onction sainte, parmi vos descendants. On n'en répandra point sur le corps d'un homme, et vous
n'en ferez point de semblable, dans les mêmes proportions ; elle est sainte, et vous la regarderez comme
33 sainte. Quiconque en composera de semblable, ou en mettra sur un étranger, sera retranché de son
34 peuple. L'Éternel dit à Moïse : Prends des aromates, du stacté, de l'ongle odorant, du galbanum, et
35 de l'encens pur, en parties égales. Tu feras avec cela un parfum composé selon l'art du parfumeur ; il
36 sera salé, pur et saint. Tu le réduiras en poudre, et tu le mettras devant le témoignage, dans la tente
37 d'assignation, où je me rencontrerai avec toi. Ce sera pour vous une chose très sainte. Vous ne ferez

point pour vous de parfum semblable, dans les mêmes proportions ; vous le regarderez comme saint, et
réservé pour l'Éternel. Quiconque en fera de semblable, pour le sentir, sera retranché de son peuple. 38

L'Éternel parla à Moïse, et dit : Sache que j'ai choisi Betsaleel, fils d'Uri, fils de Hur, de la tribu **31**, 2
de Juda. Je l'ai rempli de l'Esprit de Dieu, de sagesse, d'intelligence, et de savoir pour toutes sortes 3
d'ouvrages, je l'ai rendu capable de faire des inventions, de travailler l'or, l'argent et l'airain, de gra- 4, 5
ver les pierres à enchâsser, de travailler le bois, et d'exécuter toutes sortes d'ouvrages. Et voici, je lui 6
ai donné pour aide Oholiab, fils d'Ahisamac, de la tribu de Dan. J'ai mis de l'intelligence dans l'esprit
de tous ceux qui sont habiles, pour qu'ils fassent tout ce que je t'ai ordonné : la tente d'assignation, 7
l'arche du témoignage, le propitiatoire qui sera dessus, et tous les ustensiles de la tente ; la table et ses 8
ustensiles, le chandelier d'or pur et tous ses ustensiles, l'autel des parfums ; l'autel des holocaustes et 9
tous ses ustensiles, la cuve avec sa base ; les vêtements d'office, les vêtements sacrés pour le sacrifi- 10
cateur Aaron, les vêtements de ses fils pour les fonctions du sacerdoce ; l'huile d'onction, et le parfum 11
odoriférant pour le sanctuaire. Ils se conformeront à tous les ordres que j'ai donnés. L'Éternel parla 12
à Moïse, et dit : Parle aux enfants d'Israël, et dis -leur : Vous ne manquerez pas d'observer mes sab- 13
bats, car ce sera entre moi et vous, et parmi vos descendants, un signe auquel on connaîtra que je suis
l'Éternel qui vous sanctifie. Vous observerez le sabbat, car il sera pour vous une chose sainte. Celui 14
qui le profanera, sera puni de mort ; celui qui fera quelque ouvrage ce jour-là, sera retranché du milieu
de son peuple. On travaillera six jours ; mais le septième jour est le sabbat, le jour du repos, consacré 15
à l'Éternel. Celui qui fera quelque ouvrage le jour du sabbat, sera puni de mort. Les enfants d'Israël 16
observeront le sabbat, en le célébrant, eux et leurs descendants, comme une alliance perpétuelle. Ce 17
sera entre moi et les enfants d'Israël un signe qui devra durer à perpétuité ; car en six jours l'Éternel a
fait les cieux et la terre, et le septième jour il a cessé son oeuvre et il s'est reposé. Lorsque l'Éternel eut 18
achevé de parler à Moïse sur la montagne de Sinaï, il lui donna les deux tables du témoignage, tables
de pierre, écrites du doigt de Dieu.

Le peuple, voyant que Moïse tardait à descendre de la montagne, s'assembla autour d'Aaron, et **32**
lui dit : Allons ! fais -nous un dieu qui marche devant nous, car ce Moïse, cet homme qui nous a fait
sortir du pays d'Égypte, nous ne savons ce qu'il est devenu. Aaron leur dit : Otez les anneaux d'or qui 2
sont aux oreilles de vos femmes, de vos fils et de vos filles, et apportez -les-moi. Et tous ôtèrent les 3
anneaux d'or qui étaient à leurs oreilles, et ils les apportèrent à Aaron. Il les reçut de leurs mains, jeta 4
l'or dans un moule, et fit un veau en fonte. Et ils dirent : Israël ! voici ton dieu, qui t'a fait sortir du
pays d'Égypte. Lorsqu'Aaron vit cela, il bâtit un autel devant lui, et il s'écria : Demain, il y aura fête 5
en l'honneur de l'Éternel ! Le lendemain, ils se levèrent de bon matin, et ils offrirent des holocaustes 6
et des sacrifices d'actions de grâces. Le peuple s'assit pour manger et pour boire ; puis ils se levèrent
pour se divertir. L'Éternel dit à Moïse : Va, descends ; car ton peuple, que tu as fait sortir du pays 7
d'Égypte, s'est corrompu. Ils se sont promptement écartés de la voie que je leur avais prescrite ; ils 8
se sont fait un veau en fonte, ils se sont prosternés devant lui, ils lui ont offert des sacrifices, et ils
ont dit : Israël ! voici ton dieu, qui t'a fait sortir du pays d'Égypte. L'Éternel dit à Moïse : Je vois que 9
ce peuple est un peuple au cou roide. Maintenant laisse -moi ; ma colère va s'enflammer contre eux, 10
et je les consumerai ; mais je ferai de toi une grande nation. Moïse implora l'Éternel, son Dieu, et 11
dit : Pourquoi, ô Éternel ! ta colère s'enflammerait -elle contre ton peuple, que tu as fait sortir du pays
d'Égypte par une grande puissance et par une main forte ? Pourquoi les Égyptiens diraient -ils : C'est 12
pour leur malheur qu'il les a fait sortir, c'est pour les tuer dans les montagnes, et pour les exterminer
de dessus la terre ? Reviens de l'ardeur de ta colère, et repens -toi du mal que tu veux faire à ton
peuple. Souviens -toi d'Abraham, d'Isaac et d'Israël, tes serviteurs, auxquels tu as dit, en jurant par 13
toi-même : Je multiplierai votre postérité comme les étoiles du ciel, je donnerai à vos descendants tout
ce pays dont j'ai parlé, et ils le posséderont à jamais. Et l'Éternel se repentit du mal qu'il avait déclaré 14
vouloir faire à son peuple. Moïse retourna et descendit de la montagne, les deux tables du témoignage 15
dans sa main ; les tables étaient écrites des deux côtés, elles étaient écrites de l'un et de l'autre côté.
Les tables étaient l'ouvrage de Dieu, et l'écriture était l'écriture de Dieu, gravée sur les tables. Josué 16, 17
entendit la voix du peuple, qui poussait des cris, et il dit à Moïse : Il y a un cri de guerre dans le
camp. Moïse répondit : Ce n'est ni un cri de vainqueurs, ni un cri de vaincus ; ce que j'entends, c'est 18
la voix de gens qui chantent. Et, comme il approchait du camp, il vit le veau et les danses. La colère 19
de Moïse s'enflamma ; il jeta de ses mains les tables, et les brisa au pied de la montagne. Il prit le 20
veau qu'ils avaient fait, et le brûla au feu ; il le réduisit en poudre, répandit cette poudre à la surface
de l'eau, et fit boire les enfants d'Israël. Moïse dit à Aaron : Que t'a fait ce peuple, pour que tu l'aies 21
laissé commettre un si grand péché ? Aaron répondit : Que la colère de mon seigneur ne s'enflamme 22
point ! Tu sais toi-même que ce peuple est porté au mal. Ils m'ont dit : Fais -nous un dieu qui marche 23

devant nous ; car ce Moïse, cet homme qui nous a fait sortir du pays d'Égypte, nous ne savons ce qu'il
24 est devenu. Je leur ai dit : Que ceux qui ont de l'or, s'en dépouillent ! Et ils me l'ont donné ; je l'ai jeté
25 au feu, et il en est sorti ce veau. Moïse vit que le peuple était livré au désordre, et qu'Aaron l'avait
26 laissé dans ce désordre, exposé à l'opprobre parmi ses ennemis. Moïse se plaça à la porte du camp, et
27 dit : À moi ceux qui sont pour l'Éternel ! Et tous les enfants de Lévi s'assemblèrent auprès de lui. Il
leur dit : Ainsi parle l'Éternel, le Dieu d'Israël : Que chacun de vous mette son épée au côté ; traversez
28 et parcourez le camp d'une porte à l'autre, et que chacun tue son frère, son parent. Les enfants de Lévi
firent ce qu'ordonnait Moïse ; et environ trois mille hommes parmi le peuple périrent en cette journée.
29 Moïse dit : Consacrez -vous aujourd'hui à l'Éternel, même en sacrifiant votre fils et votre frère, afin qu'il
30 vous accorde aujourd'hui une bénédiction. Le lendemain, Moïse dit au peuple : Vous avez commis un
grand péché. Je vais maintenant monter vers l'Éternel : j'obtiendrai peut-être le pardon de votre péché.
31 Moïse retourna vers l'Éternel et dit : Ah ! ce peuple a commis un grand péché. Ils se sont fait un dieu
32, 33 d'or. Pardonne maintenant leur péché ! Sinon, efface -moi de ton livre que tu as écrit. L'Éternel dit à
34 Moïse : C'est celui qui a péché contre moi que j'effacerai de mon livre. Va donc, conduis le peuple où
je t'ai dit. Voici, mon ange marchera devant toi, mais au jour de ma vengeance, je les punirai de leur
35 péché. L'Éternel frappa le peuple, parce qu 'il avait fait le veau, fabriqué par Aaron.

33 L'Éternel dit à Moïse : Va, pars d'ici, toi et le peuple que tu as fait sortir du pays d'Égypte ; monte
vers le pays que j'ai juré de donner à Abraham, à Isaac et à Jacob, en disant : Je le donnerai à ta
2 postérité. J'enverrai devant toi un ange, et je chasserai les Cananéens, les Amoréens, les Héthiens,
3 les Phéréziens, les Héviens et les Jébusiens. Monte vers ce pays où coulent le lait et le miel. Mais je
ne monterai point au milieu de toi, de peur que je ne te consume en chemin, car tu es un peuple au
4 cou roide. Lorsque le peuple eut entendu ces sinistres paroles, il fut dans la désolation, et personne
5 ne mit ses ornements. Et l'Éternel dit à Moïse : Dis aux enfants d'Israël : Vous êtes un peuple au cou
roide ; si je montais un seul instant au milieu de toi, je te consumerais. Ote maintenant tes ornements
6 de dessus toi, et je verrai ce que je te ferai. Les enfants d'Israël se dépouillèrent de leurs ornements,
7 en s'éloignant du mont Horeb. Moïse prit la tente et la dressa hors du camp, à quelque distance ; il
l'appela tente d'assignation ; et tous ceux qui consultaient l'Éternel allaient vers la tente d'assignation,
8 qui était hors du camp. Lorsque Moïse se rendait à la tente, tout le peuple se levait ; chacun se tenait à
9 l'entrée de sa tente, et suivait des yeux Moïse, jusqu'à ce qu'il fût entré dans la tente. Et lorsque Moïse
était entré dans la tente, la colonne de nuée descendait et s'arrêtait à l'entrée de la tente, et l'Éternel
10 parlait avec Moïse. Tout le peuple voyait la colonne de nuée qui s'arrêtait à l'entrée de la tente, tout le
11 peuple se levait et se prosternait à l'entrée de sa tente. L'Éternel parlait avec Moïse face à face, comme
un homme parle à son ami. Puis Moïse retournait au camp ; mais son jeune serviteur, Josué, fils de Nun,
12 ne sortait pas du milieu de la tente. Moïse dit à l'Éternel : Voici, tu me dis : Fais monter ce peuple !
Et tu ne me fais pas connaître qui tu enverras avec moi. Cependant, tu as dit : Je te connais par ton
13 nom, et tu as trouvé grâce à mes yeux. Maintenant, si j'ai trouvé grâce à tes yeux, fais-moi connaître
tes voies ; alors je te connaîtrai, et je trouverai encore grâce à tes yeux. Considère que cette nation est
14, 15 ton peuple. L'Éternel répondit : Je marcherai moi-même avec toi, et je te donnerai du repos. Moïse lui
16 dit : Si tu ne marches pas toi-même avec nous, ne nous fais point partir d'ici. Comment sera-t-il donc
certain que j'ai trouvé grâce à tes yeux, moi et ton peuple ? Ne sera-ce pas quand tu marcheras avec
nous, et quand nous serons distingués, moi et ton peuple, de tous les peuples qui sont sur la face de la
17 terre ? L'Éternel dit à Moïse : Je ferai ce que tu me demandes, car tu as trouvé grâce à mes yeux, et je
18, 19 te connais par ton nom. Moïse dit : Fais-moi voir ta gloire ! L'Éternel répondit : Je ferai passer devant
toi toute ma bonté, et je proclamerai devant toi le nom de l'Éternel ; je fais grâce à qui je fais grâce, et
20 miséricorde à qui je fais miséricorde. L'Éternel dit : Tu ne pourras pas voir ma face, car l'homme ne
21, 22 peut me voir et vivre. L'Éternel dit : Voici un lieu près de moi ; tu te tiendras sur le rocher. Quand ma
gloire passera, je te mettrai dans un creux du rocher, et je te couvrirai de ma main jusqu'à ce que j'aie
23 passé. Et lorsque je retournerai ma main, tu me verras par derrière, mais ma face ne pourra pas être
vue.

34 L'Éternel dit à Moïse : Taille deux tables de pierre comme les premières, et j'y écrirai les paroles
2 qui étaient sur les premières tables que tu as brisées. Sois prêt de bonne heure, et tu monteras dès
3 le matin sur la montagne de Sinaï ; tu te tiendras là devant moi, sur le sommet de la montagne. Que
personne ne monte avec toi, et que personne ne paraisse sur toute la montagne ; et même que ni brebis
4 ni boeufs ne paissent près de cette montagne. Moïse tailla deux tables de pierre comme les premières ;
il se leva de bon matin, et monta sur la montagne de Sinaï, selon l'ordre que l'Éternel lui avait donné, et
5 il prit dans sa main les deux tables de pierre. L'Éternel descendit dans une nuée, se tint là auprès de

lui, et proclama le nom de l'Éternel. Et l'Éternel passa devant lui, et s'écria : L'Éternel, l'Éternel, Dieu 6
miséricordieux et compatissant, lent à la colère, riche en bonté et en fidélité, qui conserve son amour 7
jusqu'à mille générations, qui pardonne l'iniquité, la rébellion et le péché, mais qui ne tient point le
coupable pour innocent, et qui punit l'iniquité des pères sur les enfants et sur les enfants des enfants
jusqu'à la troisième et à la quatrième génération ! Aussitôt Moïse s'inclina à terre et se prosterna. Il 8, 9
dit : Seigneur, si j'ai trouvé grâce à tes yeux, que le Seigneur marche au milieu de nous, car c'est un
peuple au cou roide ; pardonne nos iniquités et nos péchés, et prends-nous pour ta possession. L'Éternel 10
répondit : Voici, je traite une alliance. Je ferai, en présence de tout ton peuple, des prodiges qui n'ont eu
lieu dans aucun pays et chez aucune nation ; tout le peuple qui t'environne verra l'oeuvre de l'Éternel,
et c'est par toi que j'accomplirai des choses terribles. Prends garde à ce que je t'ordonne aujourd'hui. 11
Voici, je chasserai devant toi les Amoréens, les Cananéens, les Héthiens, les Phéréziens, les Héviens et
les Jébusiens. Garde -toi de faire alliance avec les habitants du pays où tu dois entrer, de peur qu'ils 12
ne soient un piège pour toi. Au contraire, vous renverserez leurs autels, vous briserez leurs statues, 13
et vous abattrez leurs idoles. Tu ne te prosterneras point devant un autre dieu ; car l'Éternel porte le 14
nom de jaloux, il est un Dieu jaloux. Garde-toi de faire alliance avec les habitants du pays, de peur 15
que, se prostituant à leurs dieux et leur offrant des sacrifices, ils ne t'invitent, et que tu ne manges de
leurs victimes ; de peur que tu ne prennes de leurs filles pour tes fils, et que leurs filles, se prostituant 16
à leurs dieux, n'entraînent tes fils à se prostituer à leurs dieux. Tu ne te feras point de dieu en fonte. 17
Tu observeras la fête des pains sans levain ; pendant sept jours, au temps fixé dans le mois des épis, tu 18
mangeras des pains sans levain, comme je t'en ai donné l'ordre, car c'est dans le mois des épis que tu es
sorti d'Égypte. Tout premier-né m'appartient, même tout mâle premier-né dans les troupeaux de gros 19
et de menu bétail. Tu rachèteras avec un agneau le premier-né de l'âne ; et si tu ne le rachètes pas, 20
tu lui briseras la nuque. Tu rachèteras tout premier-né de tes fils ; et l'on ne se présentera point à vide
devant ma face. Tu travailleras six jours, et tu te reposeras le septième jour ; tu te reposeras, même au 21
temps du labourage et de la moisson. Tu célébreras la fête des semaines, des prémices de la moisson 22
du froment, et la fête de la récolte, à la fin de l'année. Trois fois par an, tous les mâles se présenteront 23
devant le Seigneur, l'Éternel, Dieu d'Israël. Car je chasserai les nations devant toi, et j'étendrai tes 24
frontières ; et personne ne convoitera ton pays, pendant que tu monteras pour te présenter devant
l'Éternel, ton Dieu, trois fois par an. Tu n'offriras point avec du pain levé le sang de la victime immolée 25
en mon honneur ; et le sacrifice de la fête de Pâque ne sera point gardé pendant la nuit jusqu'au matin.
Tu apporteras à la maison de L'Éternel, ton Dieu, les prémices des premiers fruits de la terre. Tu ne 26
feras point cuire un chevreau dans le lait de sa mère. L'Éternel dit à Moïse : Écris ces paroles ; car c'est 27
conformément à ces paroles que je traite alliance avec toi et avec Israël. Moïse fut là avec l'Éternel 28
quarante jours et quarante nuits. Il ne mangea point de pain, et il ne but point d'eau. Et l'Éternel
écrivit sur les tables les paroles de l'alliance, les dix paroles. Moïse descendit de la montagne de Sinaï, 29
ayant les deux tables du témoignage dans sa main, en descendant de la montagne ; et il ne savait pas
que la peau de son visage rayonnait, parce qu'il avait parlé avec l'Éternel. Aaron et tous les enfants 30
d'Israël regardèrent Moïse, et voici la peau de son visage rayonnait ; et ils craignaient de s'approcher
de lui. Moïse les appela ; Aaron et tous les principaux de l'assemblée vinrent auprès de lui, et il leur 31
parla. Après cela, tous les enfants d'Israël s'approchèrent, et il leur donna tous les ordres qu'il avait 32
reçus de l'Éternel, sur la montagne de Sinaï. Lorsque Moïse eut achevé de leur parler, il mit un voile 33
sur son visage. Quand Moïse entrait devant l'Éternel, pour lui parler, il ôtait le voile, jusqu'à ce qu'il 34
sortît ; et quand il sortait, il disait aux enfants d'Israël ce qui lui avait été ordonné. Les enfants d'Israël 35
regardaient le visage de Moïse, et voyaient que la peau de son visage rayonnait ; et Moïse remettait le
voile sur son visage jusqu'à ce qu'il entrât, pour parler avec l'Éternel.

Moïse convoqua toute l'assemblée des enfants d'Israël, et leur dit : Voici les choses que l'Éternel **35**
ordonne de faire. On travaillera six jours ; mais le septième jour sera pour vous une chose sainte ; 2
c'est le sabbat, le jour du repos, consacré à l'Éternel. Celui qui fera quelque ouvrage ce jour-là, sera
puni de mort. Vous n'allumerez point de feu, dans aucune de vos demeures, le jour du sabbat. Moïse 3, 4
parla à toute l'assemblée des enfants d'Israël, et dit : Voici ce que l'Éternel a ordonné. Prenez sur ce 5
qui vous appartient une offrande pour l'Éternel. Tout homme dont le coeur est bien disposé apportera
en offrande à l'Éternel : de l'or, de l'argent et de l'airain ; des étoffes teintes en bleu, en pourpre, en 6
cramoisi, du fin lin et du poil de chèvre ; des peaux de béliers teintes en rouge et des peaux de dauphins ; 7
du bois d'acacia ; de l'huile pour le chandelier, des aromates pour l'huile d'onction et pour le parfum 8
odoriférant ; des pierres d'onyx et d'autres pierres pour la garniture de l'éphod et du pectoral. Que 9, 10
tous ceux d'entre vous qui ont de l'habileté viennent et exécutent tout ce que l'Éternel a ordonné : le 11

tabernacle, sa tente et sa couverture, ses agrafes, ses planches, ses barres, ses colonnes et ses bases ;
12, 13 l'arche et ses barres, le propitiatoire, et le voile pour couvrir l'arche ; la table et ses barres, et tous ses
14 ustensiles, et les pains de proposition ; le chandelier et ses ustensiles, ses lampes, et l'huile pour le
15 chandelier ; l'autel des parfums et ses barres, l'huile d'onction et le parfum odoriférant, et le rideau de
16 la porte pour l'entrée du tabernacle ; l'autel des holocaustes, sa grille d'airain, ses barres, et tous ses
17 ustensiles ; la cuve avec sa base ; les toiles du parvis, ses colonnes, ses bases, et le rideau de la porte du
18, 19 parvis ; les pieux du tabernacle, les pieux du parvis, et leurs cordages ; les vêtements d'office pour le
service dans le sanctuaire, les vêtements sacrés pour le sacrificateur Aaron, et les vêtements de ses fils
20 pour les fonctions du sacerdoce. Toute l'assemblée des enfants d'Israël sortit de la présence de Moïse.
21 Tous ceux qui furent entraînés par le coeur et animés de bonne volonté vinrent et apportèrent une
offrande à l'Éternel pour l'oeuvre de la tente d'assignation, pour tout son service, et pour les vêtements
22 sacrés. Les hommes vinrent aussi bien que les femmes ; tous ceux dont le coeur était bien disposé
apportèrent des boucles, des anneaux, des bagues, des bracelets, toutes sortes d'objets d'or ; chacun
23 présenta l'offrande d'or qu'il avait consacrée à l'Éternel. Tous ceux qui avaient des étoffes teintes en
bleu, en pourpre, en cramoisi, du fin lin et du poil de chèvre, des peaux de béliers teintes en rouge et des
24 peaux de dauphins, les apportèrent. Tous ceux qui présentèrent par élévation une offrande d'argent
et d'airain apportèrent l'offrande à l'Éternel. Tous ceux qui avaient du bois d'acacia pour les ouvrages
25 destinés au service, l'apportèrent. Toutes les femmes qui avaient de l'habileté filèrent de leurs mains,
26 et elles apportèrent leur ouvrage, des fils teints en bleu, en pourpre, en cramoisi, et du fin lin. Toutes
27 les femmes dont le coeur était bien disposé, et qui avaient de l'habileté, filèrent du poil de chèvre. Les
principaux du peuple apportèrent des pierres d'onyx et d'autres pierres pour la garniture de l'éphod
28 et du pectoral ; des aromates et de l'huile pour le chandelier, pour l'huile d'onction et pour le parfum
29 odoriférant. Tous les enfants d'Israël, hommes et femmes, dont le coeur était disposé à contribuer
pour l'oeuvre que l'Éternel avait ordonnée par Moïse, apportèrent des offrandes volontaires à l'Éternel.
30 Moïse dit aux enfants d'Israël : Sachez que l'Éternel a choisi Betsaleel, fils d'Uri, fils de Hur, de la tribu
31 de Juda. Il l'a rempli de l'Esprit de Dieu, de sagesse, d'intelligence, et de savoir pour toutes sortes
32, 33 d'ouvrages. Il l'a rendu capable de faire des inventions, de travailler l'or, l'argent et l'airain, de graver
34 les pierres à enchâsser, de travailler le bois, et d'exécuter toutes sortes d'ouvrages d'art. Il lui a accordé
35 aussi le don d'enseigner, de même qu'à Oholiab, fils d'Ahisamac, de la tribu de Dan. Il les a remplis
d'intelligence, pour exécuter tous les ouvrages de sculpture et d'art, pour broder et tisser les étoffes
teintes en bleu, en pourpre, en cramoisi, et le fin lin, pour faire toute espèce de travaux et d'inventions.

36 Betsaleel, Oholiab, et tous les hommes habiles, en qui l'Éternel avait mis de la sagesse et de l'in-
telligence pour savoir et pour faire, exécutèrent les ouvrages destinés au service du sanctuaire, selon
2 tout ce que l'Éternel avait ordonné. Moïse appela Betsaleel, Oholiab, et tous les hommes habiles dans
l'esprit desquels l'Éternel avait mis de l'intelligence, tous ceux dont le coeur était disposé à s'appliquer
3 à l'oeuvre pour l'exécuter. Ils prirent devant Moïse toutes les offrandes qu'avaient apportées les en-
fants d'Israël pour faire les ouvrages destinés au service du sanctuaire. Chaque matin, on apportait
4 encore à Moïse des offrandes volontaires. Alors tous les hommes habiles, occupés à tous les travaux
5 du sanctuaire, quittèrent chacun l'ouvrage qu'ils faisaient, et vinrent dire à Moïse : Le peuple apporte
6 beaucoup plus qu'il ne faut pour exécuter les ouvrages que l'Éternel a ordonné de faire. Moïse fit pu-
blier dans le camp que personne, homme ou femme, ne s'occupât plus d'offrandes pour le sanctuaire.
7 On empêcha ainsi le peuple d'en apporter. Les objets préparés suffisaient, et au delà, pour tous les
8 ouvrages à faire. Tous les hommes habiles, qui travaillèrent à l'oeuvre, firent le tabernacle avec dix
tapis de fin lin retors et de fil bleu, pourpre et cramoisi ; on y représenta des chérubins artistement
9 travaillés. La longueur d'un tapis était de vingt -huit coudées ; et la largeur d'un tapis était de quatre
10 coudées ; la mesure était la même pour tous les tapis. Cinq de ces tapis furent joints ensemble ; les
11 cinq autres furent aussi joints ensemble. On fit des lacets bleus au bord du tapis terminant le premier
12 assemblage ; on fit de même au bord du tapis terminant le second assemblage. On mit cinquante lacets
au premier tapis, et l'on mit cinquante lacets au bord du tapis terminant le second assemblage ; ces
13 lacets se correspondaient les uns aux autres. On fit cinquante agrafes d'or, et l'on joignit les tapis l'un
14 à l'autre avec les agrafes. Et le tabernacle forma un tout. On fit des tapis de poil de chèvre, pour servir
15 de tente sur le tabernacle ; on fit onze de ces tapis. La longueur d'un tapis était de trente coudées, et
16 la largeur d'un tapis était de quatre coudées ; la mesure était la même pour les onze tapis. On joignit
17 séparément cinq de ces tapis, et les six autres séparément. On mit cinquante lacets au bord du tapis
18 terminant un assemblage, et l'on mit cinquante lacets au bord du tapis du second assemblage. On fit
19 cinquante agrafes d'airain, pour assembler la tente, afin qu'elle formât un tout. On fit pour la tente
une couverture de peaux de béliers teintes en rouge, et une couverture de peaux de dauphins, qui de-
20 vait être mise par-dessus. On fit les planches pour le tabernacle ; elles étaient de bois d'acacia, placées

debout. La longueur d'une planche était de dix coudées, et la largeur d'une planche était d'une coudée 21
et demie. Il y avait pour chaque planche deux tenons, joints l'un à l'autre ; l'on fit de même pour toutes 22
les planches du tabernacle. On fit vingt planches pour le tabernacle, du côté du midi. On mit quarante 23, 24
bases d'argent sous les vingt planches, deux bases sous chaque planche pour ses deux tenons. On fit 25
vingt planches pour le second côté du tabernacle, le côté du nord, et leurs quarante bases d'argent, 26
deux bases sous chaque planche. On fit six planches pour le fond du tabernacle, du côté de l'occident. 27
On fit deux planches pour les angles du tabernacle dans le fond ; elles étaient doubles depuis le bas 28, 29
et bien liées à leur sommet par un anneau ; on fit de même pour toutes aux deux angles. Il y avait 30
ainsi huit planches, avec leurs bases d'argent, soit seize bases, deux bases sous chaque planche. On 31
fit cinq barres de bois d'acacia pour les planches de l'un des côtés du tabernacle, cinq barres pour les 32
planches du second côté du tabernacle, et cinq barres pour les planches du côté du tabernacle formant
le fond vers l'occident ; on fit la barre du milieu pour traverser les planches d'une extrémité à l'autre. 33
On couvrit d'or les planches, et l'on fit d'or leurs anneaux pour recevoir les barres, et l'on couvrit d'or les 34
barres. On fit le voile de fil bleu, pourpre et cramoisi, et de fin lin retors ; on le fit artistement travaillé, 35
et l'on y représenta des chérubins. On fit pour lui quatre colonnes d'acacia, et on les couvrit d'or ; elles 36
avaient des crochets d'or, et l'on fondit pour elles quatre bases d'argent. On fit pour l'entrée de la tente 37
un rideau de fil bleu, pourpre et cramoisi, et de fin lin retors ; c'était un ouvrage de broderie. On fit ses 38
cinq colonnes et leurs crochets, et l'on couvrit d'or leurs chapiteaux et leurs tringles ; leurs cinq bases
étaient d'airain.

Betsaleel fit l'arche de bois d'acacia ; sa longueur était de deux coudées et demie, sa largeur d'une **37**
coudée et demie, et sa hauteur d'une coudée et demie. Il la couvrit d'or pur en dedans et en dehors, 2
et il y fit une bordure d'or tout autour. Il fondit pour elle quatre anneaux d'or, qu'il mit à ses quatre 3
coins, deux anneaux d'un côté et deux anneaux de l'autre côté. Il fit des barres de bois d'acacia, et les 4
couvrit d'or. Il passa les barres dans les anneaux sur les côtés de l'arche, pour porter l'arche. Il fit un 5, 6
propitiatoire d'or pur ; sa longueur était de deux coudées et demie, et sa largeur d'une coudée et demie.
Il fit deux chérubins d'or ; il les fit d'or battu, aux deux extrémités du propitiatoire, un chérubin à l'une 7, 8
des extrémités, et un chérubin à l'autre extrémité ; il fit les chérubins sortant du propitiatoire à ses
deux extrémités. Les chérubins étendaient les ailes par-dessus, couvrant de leurs ailes le propitiatoire, 9
et se regardant l'un l'autre ; les chérubins avaient la face tournée vers le propitiatoire. Il fit la table de 10
bois d'acacia, sa longueur était de deux coudées, sa largeur d'une coudée, et sa hauteur d'une coudée
et demie. Il la couvrit d'or pur, et il y fit une bordure d'or tout autour. Il y fit à l'entour un rebord de 11, 12
quatre doigts, sur lequel il mit une bordure d'or tout autour. Il fondit pour la table quatre anneaux 13
d'or, et mit les anneaux aux quatre coins, qui étaient à ses quatre pieds. Les anneaux étaient près 14
du rebord, et recevaient les barres pour porter la table. Il fit les barres de bois d'acacia, et les couvrit 15
d'or ; et elles servaient à porter la table. Il fit les ustensiles qu'on devait mettre sur la table, ses plats, 16
ses coupes, ses calices et ses tasses pour servir aux libations ; il les fit d'or pur. Il fit le chandelier d'or 17
pur ; il fit le chandelier d'or battu ; son pied, sa tige, ses calices, ses pommes et ses fleurs, étaient d'une
même pièce. Six branches sortaient de ses côtés, trois branches du chandelier de l'un des côtés, et trois 18
branches du chandelier de l'autre côté. Il y avait sur une branche trois calices en forme d'amande, avec 19
pommes et fleurs, et sur une autre branche trois calices en forme d'amande, avec pommes et fleurs ; il
en était de même pour les six branches sortant du chandelier. À la tige du chandelier il y avait quatre 20
calices en forme d'amande, avec leurs pommes et leurs fleurs. Il y avait une pomme sous deux des 21
branches sortant du chandelier, une pomme sous deux autres branches, et une pomme sous deux autres
branches ; il en était de même pour les six branches sortant du chandelier. Les pommes et les branches 22
du chandelier étaient d'une même pièce ; il était tout entier d'or battu, d'or pur. Il fit ses sept lampes, 23
ses mouchettes et ses vases à cendre d'or pur. Il employa un talent d'or pur, pour faire le chandelier 24
avec tous ses ustensiles. Il fit l'autel des parfums de bois d'acacia ; sa longueur était d'une coudée et sa 25
largeur d'une coudée ; il était carré, et sa hauteur était de deux coudées. Des cornes sortaient de l'autel.
Il le couvrit d'or pur, le dessus, les côtés tout autour et les cornes, et il y fit une bordure d'or tout autour. 26
Il fit au-dessous de la bordure deux anneaux d'or aux deux côtés ; il en mit aux deux côtés, pour recevoir 27
les barres qui servaient à le porter. Il fit des barres de bois d'acacia, et les couvrit d'or. Il fit l'huile 28, 29
pour l'onction sainte, et le parfum odoriférant, pur, composé selon l'art du parfumeur.

Il fit l'autel des holocaustes de bois d'acacia ; sa longueur était de cinq coudées, et sa largeur de **38**
cinq coudées ; il était carré, et sa hauteur était de trois coudées. Il fit, aux quatre coins, des cornes qui 2
sortaient de l'autel, et il le couvrit d'airain. Il fit tous les ustensiles de l'autel, les cendriers, les pelles, 3
les bassins, les fourchettes et les brasiers ; il fit d'airain tous ces ustensiles. Il fit pour l'autel une grille 4
d'airain, en forme de treillis, qu'il plaça au-dessous du rebord de l'autel, à partir du bas, jusqu'à la
moitié de la hauteur de l'autel. Il fondit quatre anneaux, qu'il mit aux quatre coins de la grille d'airain, 5
pour recevoir les barres. Il fit les barres de bois d'acacia, et les couvrit d'airain. Il passa dans les 6, 7

8 anneaux aux côtés de l'autel les barres qui servaient à le porter. Il le fit creux, avec des planches. Il
fit la cuve d'airain, avec sa base d'airain, en employant les miroirs des femmes qui s'assemblaient à
9 l'entrée de la tente d'assignation. Il fit le parvis. Du côté du midi, il y avait, pour former le parvis, des
10 toiles de fin lin retors, sur une longueur de cent coudées, avec vingt colonnes posant sur vingt bases
11 d'airain ; les crochets des colonnes et leurs tringles étaient d'argent. Du côté du nord, il y avait cent
coudées de toiles, avec vingt colonnes et leurs vingt bases d'airain ; les crochets des colonnes et leurs
12 tringles étaient d'argent. Du côté de l'occident, il y avait cinquante coudées de toiles, avec dix colonnes
13 et leurs dix bases ; les crochets des colonnes et leurs tringles étaient d'argent. Du côté de l'orient, sur
14 les cinquante coudées de largeur, il y avait, pour une aile, quinze coudées de toiles, avec trois colonnes
15 et leurs trois bases, et, pour la seconde aile, qui lui correspondait de l'autre côté de la porte du parvis,
16 quinze coudées de toiles, avec trois colonnes et leurs trois bases. Toutes les toiles formant l'enceinte du
17 parvis étaient de fin lin retors. Les bases pour les colonnes étaient d'airain, les crochets des colonnes
et leurs tringles étaient d'argent, et leurs chapiteaux étaient couverts d'argent. Toutes les colonnes du
18 parvis étaient jointes par des tringles d'argent. Le rideau de la porte du parvis était un ouvrage de
broderie en fil bleu, pourpre et cramoisi, et en fin lin retors ; il avait une longueur de vingt coudées, et
19 sa hauteur était de cinq coudées, comme la largeur des toiles du parvis ; ses quatre colonnes et leurs
quatre bases étaient d'airain, les crochets et leurs tringles étaient d'argent, et leurs chapiteaux étaient
20, 21 couverts d'argent. Tous les pieux de l'enceinte du tabernacle et du parvis étaient d'airain. Voici les
comptes du tabernacle, du tabernacle d'assignation, révisés, d'après l'ordre de Moïse, par les soins des
22 Lévites, sous la direction d'Ithamar, fils du sacrificateur Aaron. Betsaleel, fils d'Uri, fils de Hur, de la
23 tribu de Juda, fit tout ce que l'Éternel avait ordonné à Moïse ; il eut pour aide Oholiab, fils d'Ahisamac,
de la tribu de Dan, habile à graver, à inventer, et à broder sur les étoffes teintes en bleu, en pourpre,
24 en cramoisi, et sur le fin lin. Le total de l'or employé à l'oeuvre pour tous les travaux du sanctuaire, or
qui fut le produit des offrandes, montait à vingt -neuf talents et sept cent trente sicles, selon le sicle du
25 sanctuaire. L'argent de ceux de l'assemblée dont on fit le dénombrement montait à cent talents et mille
26 sept cent soixante -quinze sicles, selon le sicle du sanctuaire. C'était un demi-sicle par tête, la moitié
d'un sicle, selon le sicle du sanctuaire, pour chaque homme compris dans le dénombrement, depuis l'âge
27 de vingt ans et au-dessus, soit pour six cent trois mille cinq cent cinquante hommes. Les cent talents
d'argent servirent à fondre les bases du sanctuaire et les bases du voile, cent bases pour les cent talents,
28 un talent par base. Et avec les mille sept cent soixante-quinze sicles on fit les crochets et les tringles
29 pour les colonnes, et on couvrit les chapiteaux. L'airain des offrandes montait à soixante-dix talents et
30 deux mille quatre cents sicles. On en fit les bases de l'entrée de la tente d'assignation ; l'autel d'airain
31 avec sa grille, et tous les ustensiles de l'autel ; les bases du parvis, tout autour, et les bases de la porte
du parvis ; et tous les pieux de l'enceinte du tabernacle et du parvis.

39 Avec les étoffes teintes en bleu, en pourpre et en cramoisi, on fit les vêtements d'office pour le service
dans le sanctuaire, et on fit les vêtements sacrés pour Aaron, comme l'Éternel l'avait ordonné à Moïse.
2, 3 On fit l'éphod d'or, de fil bleu, pourpre et cramoisi, et de fin lin retors. On étendit des lames d'or, et on
les coupa en fils, que l'on entrelaça dans les étoffes teintes en bleu, en pourpre et en cramoisi, et dans
4 le fin lin ; il était artistement travaillé. On y fit des épaulettes qui le joignaient, et c'est ainsi qu'il était
5 joint par ses deux extrémités. La ceinture était du même travail que l'éphod et fixée sur lui ; elle était
6 d'or, de fil bleu, pourpre et cramoisi, et de fin lin retors, comme l'Éternel l'avait ordonné à Moïse. On
entoura de montures d'or des pierres d'onyx, sur lesquelles on grava les noms des fils d'Israël, comme
7 on grave les cachets. On les mit sur les épaulettes de l'éphod, en souvenir des fils d'Israël, comme
8 l'Éternel l'avait ordonné à Moïse. On fit le pectoral, artistement travaillé, du même travail que l'éphod,
9 d'or, de fil bleu, pourpre et cramoisi, et de fin lin retors. Il était carré ; on fit le pectoral double : sa
10 longueur était d'un empan, et sa largeur d'un empan ; il était double. On le garnit de quatre rangées de
11 pierres : première rangée, une sardoine, une topaze, une émeraude ; seconde rangée, une escarboucle,
12, 13 un saphir, un diamant ; troisième rangée, une opale, une agate, une améthyste ; quatrième rangée,
14 une chrysolithe, un onyx, un jaspe. Ces pierres étaient enchâssées dans leurs montures d'or. Il y en
avait douze, d'après les noms des fils d'Israël ; elles étaient gravées comme des cachets, chacune avec
15 le nom de l'une des douze tribus. - On fit sur le pectoral des chaînettes d'or pur, tressées en forme
16 de cordons. On fit deux montures d'or et deux anneaux d'or, et on mit les deux anneaux aux deux
17 extrémités du pectoral. On passa les deux cordons d'or dans les deux anneaux aux deux extrémités du
18 pectoral ; on arrêta par devant les bouts des deux cordons aux deux montures placées sur les épaulettes
19 de l'éphod. - On fit encore deux anneaux d'or, que l'on mit aux deux extrémités du pectoral, sur le
20 bord intérieur appliqué contre l'éphod. On fit deux autres anneaux d'or, que l'on mit au bas des deux
21 épaulettes de l'éphod, sur le devant, près de la jointure, au-dessus de la ceinture de l'éphod. On attacha
le pectoral par ses anneaux aux anneaux de l'éphod avec un cordon bleu, afin que le pectoral fût au-
dessus de la ceinture de l'éphod et qu'il ne pût pas se séparer de l'éphod, comme l'Éternel l'avait ordonné

à Moïse. On fit la robe de l'éphod, tissée entièrement d'étoffe bleue. Il y avait, au milieu de la robe, 22, 23
une ouverture comme l'ouverture d'une cotte de mailles, et cette ouverture était bordée tout autour, afin
que la robe ne se déchirât pas. On mit sur la bordure de la robe des grenades de couleur bleue, pourpre 24
et cramoisi, en fil retors ; on fit des clochettes d'or pur, et on mit les clochettes entre les grenades, sur 25
tout le tour de la bordure de la robe, entre les grenades : une clochette et une grenade, une clochette et 26
une grenade, sur tout le tour de la bordure de la robe, pour le service, comme l'Éternel l'avait ordonné
à Moïse. On fit les tuniques de fin lin, tissées, pour Aaron et pour ses fils ; la tiare de fin lin, et les 27, 28
bonnets de fin lin servant de parure ; les caleçons de lin, de fin lin retors ; la ceinture de fin lin retors, 29
brodée, et de couleur bleue, pourpre et cramoisi, comme l'Éternel l'avait ordonné à Moïse. On fit d'or 30
pur la lame, diadème sacré, et l'on y écrivit, comme on grave un cachet : Sainteté à l'Éternel. On 31
l'attacha avec un cordon bleu à la tiare, en haut, comme l'Éternel l'avait ordonné à Moïse. Ainsi furent 32
achevés tous les ouvrages du tabernacle, de la tente d'assignation. Les enfants d'Israël firent tout ce
que l'Éternel avait ordonné à Moïse ; ils firent ainsi. On amena le tabernacle à Moïse : la tente et 33
tout ce qui en dépendait, les agrafes, les planches, les barres, les colonnes et les bases ; la couverture 34
de peaux de béliers teintes en rouge, la couverture de peaux de dauphins, et le voile de séparation ;
l'arche du témoignage et ses barres, et le propitiatoire ; la table, tous ses ustensiles, et les pains de 35, 36
proposition ; le chandelier d'or pur, ses lampes, les lampes préparées, tous ses ustensiles, et l'huile 37
pour le chandelier ; l'autel d'or, l'huile d'onction et le parfum odoriférant, et le rideau de l'entrée de la 38
tente ; l'autel d'airain, sa grille d'airain, ses barres, et tous ses ustensiles ; la cuve avec sa base ; les 39, 40
toiles du parvis, ses colonnes, ses bases, et le rideau de la porte du parvis, ses cordages, ses pieux, et
tous les ustensiles pour le service du tabernacle, pour la tente d'assignation ; les vêtements d'office 41
pour le sanctuaire, les vêtements sacrés pour le sacrificateur Aaron, et les vêtements de ses fils pour
les fonctions du sacerdoce. Les enfants d'Israël firent tous ces ouvrages, en se conformant à tous les 42
ordres que l'Éternel avait donnés à Moïse. Moïse examina tout le travail ; et voici, ils l'avaient fait 43
comme l'Éternel l'avait ordonné, ils l'avaient fait ainsi. Et Moïse les bénit.

L'Éternel parla à Moïse, et dit : Le premier jour du premier mois, tu dresseras le tabernacle, la **40**, 2
tente d'assignation. Tu y placeras l'arche du témoignage, et tu couvriras l'arche avec le voile. Tu 3, 4
apporteras la table, et tu la disposeras en ordre. Tu apporteras le chandelier, et tu en arrangeras les
lampes. Tu placeras l'autel d'or pour le parfum devant l'arche du témoignage, et tu mettras le rideau 5
à l'entrée du tabernacle. Tu placeras l'autel des holocaustes devant l'entrée du tabernacle, de la tente 6
d'assignation. Tu placeras la cuve entre la tente d'assignation et l'autel, et tu y mettras de l'eau. Tu 7, 8
placeras le parvis à l'entour, et tu mettras le rideau à la porte du parvis. Tu prendras l'huile d'onction, 9
tu en oindras le tabernacle et tout ce qu'il renferme, et tu le sanctifieras, avec tous ses ustensiles ; et
il sera saint. Tu oindras l'autel des holocaustes et tous ses ustensiles, et tu sanctifieras l'autel ; et 10
l'autel sera très saint. Tu oindras la cuve avec sa base, et tu la sanctifieras. Tu feras avancer Aaron 11, 12
et ses fils vers l'entrée de la tente d'assignation, et tu les laveras avec de l'eau. Tu revêtiras Aaron des 13
vêtements sacrés, tu l'oindras, et tu le sanctifieras, pour qu'il soit à mon service dans le sacerdoce. Tu 14
feras approcher ses fils, tu les revêtiras des tuniques, et tu les oindras comme tu auras oint leur père, 15
pour qu'ils soient à mon service dans le sacerdoce. Cette onction leur assurera à perpétuité le sacerdoce
parmi leurs descendants. Moïse fit tout ce que l'Éternel lui avait ordonné ; il fit ainsi. Le premier 16, 17
jour du premier mois de la seconde année, le tabernacle fut dressé. Moïse dressa le tabernacle ; il 18
en posa les bases, plaça les planches et les barres, et éleva les colonnes. Il étendit la tente sur le 19
tabernacle, et il mit la couverture de la tente par-dessus, comme l'Éternel l'avait ordonné à Moïse. Il 20
prit le témoignage, et le plaça dans l'arche ; il mit les barres à l'arche, et il posa le propitiatoire au-dessus
de l'arche. Il apporta l'arche dans le tabernacle ; il mit le voile de séparation, et il en couvrit l'arche du 21
témoignage, comme l'Éternel l'avait ordonné à Moïse. Il plaça la table dans la tente d'assignation, au 22
côté septentrional du tabernacle, en dehors du voile ; et il y déposa en ordre les pains, devant l'Éternel, 23
comme l'Éternel l'avait ordonné à Moïse. Il plaça le chandelier dans la tente d'assignation, en face 24
de la table, au côté méridional du tabernacle ; et il en arrangea les lampes, devant l'Éternel, comme 25
l'Éternel l'avait ordonné à Moïse. Il plaça l'autel d'or dans la tente d'assignation, devant le voile ; et il 26, 27
y fit brûler le parfum odoriférant, comme l'Éternel l'avait ordonné à Moïse. Il plaça le rideau à l'entrée 28
du tabernacle. Il plaça l'autel des holocaustes à l'entrée du tabernacle, de la tente d'assignation ; et il y 29
offrit l'holocauste et l'offrande, comme l'Éternel l'avait ordonné à Moïse. Il plaça la cuve entre la tente 30
d'assignation et l'autel, et il y mit de l'eau pour les ablutions ; Moïse, Aaron et ses fils, s'y lavèrent les 31
mains et les pieds ; lorsqu'ils entrèrent dans la tente d'assignation et qu'ils s'approchèrent de l'autel, 32
ils se lavèrent, comme l'Éternel l'avait ordonné à Moïse. Il dressa le parvis autour du tabernacle et 33

de l'autel, et il mit le rideau à la porte du parvis. Ce fut ainsi que Moïse acheva l'ouvrage. Alors la
nuée couvrit la tente d'assignation, et la gloire de l'Éternel remplit le tabernacle. Moïse ne pouvait
pas entrer dans la tente d'assignation, parce que la nuée restait dessus, et que la gloire de l'Éternel
remplissait le tabernacle. Aussi longtemps que durèrent leurs marches, les enfants d'Israël partaient,
quand la nuée s'élevait de dessus le tabernacle. Et quand la nuée ne s'élevait pas, ils ne partaient pas,
jusqu'à ce qu'elle s'élevât. La nuée de l'Éternel était de jour sur le tabernacle ; et de nuit, il y avait un
feu, aux yeux de toute la maison d'Israël, pendant toutes leurs marches.

LÉVITIQUE

L'Éternel appela Moïse ; de la tente d'assignation, il lui parla et dit : Parle aux enfants d'Israël, **1**, 2
et dis -leur : Lorsque quelqu'un d'entre vous fera une offrande à l'Éternel, il offrira du bétail, du
gros ou du menu bétail. Si son offrande est un holocauste de gros bétail, il offrira un mâle sans 3
défaut ; il l'offrira à l'entrée de la tente d'assignation, devant l'Éternel, pour obtenir sa faveur.
Il posera sa main sur la tête de l'holocauste, qui sera agréé de l'Éternel, pour lui servir d'expiation. Il 4, 5
égorgera le veau devant l'Éternel ; et les sacrificateurs, fils d'Aaron, offriront le sang, et le répandront
tout autour sur l'autel qui est à l'entrée de la tente d'assignation. Il dépouillera l'holocauste, et le 6
coupera par morceaux. Les fils du sacrificateur Aaron mettront du feu sur l'autel, et arrangeront du 7
bois sur le feu. Les sacrificateurs, fils d'Aaron, poseront les morceaux, la tête et la graisse, sur le bois 8
mis au feu sur l'autel. Il lavera avec de l'eau les entrailles et les jambes ; et le sacrificateur brûlera le 9
tout sur l'autel. C'est un holocauste, un sacrifice consumé par le feu, d'une agréable odeur à l'Éternel.
Si son offrande est un holocauste de menu bétail, d'agneaux ou de chèvres, il offrira un mâle sans 10
défaut. Il l'égorgera au côté septentrional de l'autel, devant l'Éternel ; et les sacrificateurs, fils d'Aaron, 11
en répandront le sang sur l'autel tout autour. Il le coupera par morceaux ; et le sacrificateur les posera, 12
avec la tête et la graisse, sur le bois mis au feu sur l'autel. Il lavera avec de l'eau les entrailles et les 13
jambes ; et le sacrificateur sacrifiera le tout, et le brûlera sur l'autel. C'est un holocauste, un sacrifice
consumé par le feu, d'une agréable odeur à l'Éternel. Si son offrande à l'Éternel est un holocauste 14
d'oiseaux, il offrira des tourterelles ou de jeunes pigeons. Le sacrificateur sacrifiera l'oiseau sur l'autel ; 15
il lui ouvrira la tête avec l'ongle, et la brûlera sur l'autel, et il exprimera le sang contre un côté de l'autel.
Il ôtera le jabot avec ses plumes, et le jettera près de l'autel, vers l'orient, dans le lieu où l'on met les 16
cendres. Il déchirera les ailes, sans les détacher ; et le sacrificateur brûlera l'oiseau sur l'autel, sur le 17
bois mis au feu. C'est un holocauste, un sacrifice consumé par le feu, d'une agréable odeur à l'Éternel.

Lorsque quelqu'un fera à l'Éternel une offrande en don, son offrande sera de fleur de farine ; il **2**
versera de l'huile dessus, et il y ajoutera de l'encens. Il l'apportera aux sacrificateurs, fils d'Aaron ; le 2
sacrificateur prendra une poignée de cette fleur de farine, arrosée d'huile, avec tout l'encens, et il brûlera
cela sur l'autel comme souvenir. C'est une offrande d'une agréable odeur à l'Éternel. Ce qui restera de 3
l'offrande sera pour Aaron et pour ses fils ; c'est une chose très sainte parmi les offrandes consumées par
le feu devant l'Éternel. Si tu fais une offrande de ce qui est cuit au four, qu'on se serve de fleur de farine, 4
et que ce soient des gâteaux sans levain pétris à l'huile et des galettes sans levain arrosées d'huile. Si 5
ton offrande est un gâteau cuit à la poêle, il sera de fleur de farine pétrie à l'huile, sans levain. Tu 6
le rompras en morceaux, et tu verseras de l'huile dessus ; c'est une offrande. Si ton offrande est un 7
gâteau cuit sur le gril, il sera fait de fleur de farine pétrie à l'huile. Tu apporteras l'offrande qui sera 8
faite à l'Éternel avec ces choses-là ; elle sera remise au sacrificateur, qui la présentera sur l'autel. Le 9
sacrificateur en prélèvera ce qui doit être offert comme souvenir, et le brûlera sur l'autel. C'est une
offrande d'une agréable odeur à l'Éternel. Ce qui restera de l'offrande sera pour Aaron et pour ses 10
fils ; c'est une chose très sainte parmi les offrandes consumées par le feu devant l'Éternel. Aucune des 11
offrandes que vous présenterez à l'Éternel ne sera faite avec du levain ; car vous ne brûlerez rien qui
contienne du levain ou du miel parmi les offrandes consumées par le feu devant l'Éternel. Vous pourrez 12
en offrir à l'Éternel comme offrande des prémices ; mais il n'en sera point présenté sur l'autel comme
offrande d'une agréable odeur. Tu mettras du sel sur toutes tes offrandes ; tu ne laisseras point ton 13
offrande manquer de sel, signe de l'alliance de ton Dieu ; sur toutes tes offrandes tu mettras du sel. Si 14
tu fais à l'Éternel une offrande des prémices, tu présenteras des épis nouveaux, rôtis au feu et broyés,
comme offrande de tes prémices. Tu verseras de l'huile dessus, et tu y ajouteras de l'encens ; c'est une 15
offrande. Le sacrificateur brûlera comme souvenir une portion des épis broyés et de l'huile, avec tout 16
l'encens. C'est une offrande consumée par le feu devant l'Éternel.

Lorsque quelqu'un offrira à l'Éternel un sacrifice d'actions de grâces : S'il offre du gros bétail, mâle **3**
ou femelle, il l'offrira sans défaut, devant l'Éternel. Il posera sa main sur la tête de la victime, qu'il 2
égorgera à l'entrée de la tente d'assignation ; et les sacrificateurs, fils d'Aaron, répandront le sang sur
l'autel tout autour. De ce sacrifice d'actions de grâces, il offrira en sacrifice consumé par le feu devant 3
l'Éternel : la graisse qui couvre les entrailles et toute celle qui y est attachée ; les deux rognons, et la 4
graisse qui les entoure, qui couvre les flancs, et le grand lobe du foie, qu'il détachera près des rognons.
Les fils d'Aaron brûleront cela sur l'autel, par-dessus l'holocauste qui sera sur le bois mis au feu. C'est 5
un sacrifice consumé par le feu, d'une agréable odeur à l'Éternel. S'il offre du menu bétail, mâle ou 6

femelle, en sacrifice d'actions de grâces à l'Éternel, il l'offrira sans défaut. S'il offre en sacrifice un
agneau, il le présentera devant l'Éternel. Il posera sa main sur la tête de la victime, qu'il égorgera
devant la tente d'assignation ; et les fils d'Aaron en répandront le sang sur l'autel tout autour. De ce
sacrifice d'actions de grâces, il offrira en sacrifice consumé par le feu devant l'Éternel : la graisse, la
queue entière, qu'il séparera près de l'échine, la graisse qui couvre les entrailles et toute celle qui y
est attachée, les deux rognons, et la graisse qui les entoure, qui couvre les flancs, et le grand lobe
du foie, qu'il détachera près des rognons. Le sacrificateur brûlera cela sur l'autel. C'est l'aliment d'un
sacrifice consumé par le feu devant l'Éternel. Si son offrande est une chèvre, il la présentera devant
l'Éternel. Il posera sa main sur la tête de sa victime, qu'il égorgera devant la tente d'assignation ; et les
fils d'Aaron en répandront le sang sur l'autel tout autour. De la victime, il offrira en sacrifice consumé
par le feu devant l'Éternel : la graisse qui couvre les entrailles et toute celle qui y est attachée, les
deux rognons, et la graisse qui les entoure, qui couvre les flancs, et le grand lobe du foie, qu'il détachera
près des rognons. Le sacrificateur brûlera cela sur l'autel. Toute la graisse est l'aliment d'un sacrifice
consumé par le feu, d'une agréable odeur à l'Éternel. C'est ici une loi perpétuelle pour vos descendants,
dans tous les lieux où vous habiterez : vous ne mangerez ni graisse ni sang.

4, 2 L'Éternel parla à Moïse, et dit : Parle aux enfants d'Israël, et dis : Lorsque quelqu'un péchera
involontairement contre l'un des commandements de l'Éternel, en faisant des choses qui ne doivent
point se faire ; Si c'est le sacrificateur ayant reçu l'onction qui a péché et a rendu par là le peuple
coupable, il offrira à l'Éternel, pour le péché qu'il a commis, un jeune taureau sans défaut, en sacrifice
d'expiation. Il amènera le taureau à l'entrée de la tente d'assignation, devant l'Éternel ; et il posera
sa main sur la tête du taureau, qu'il égorgera devant l'Éternel. Le sacrificateur ayant reçu l'onction
prendra du sang du taureau, et l'apportera dans la tente d'assignation ; il trempera son doigt dans le
sang, et il en fera sept fois l'aspersion devant l'Éternel, en face du voile du sanctuaire. Le sacrificateur
mettra du sang sur les cornes de l'autel des parfums odoriférants, qui est devant l'Éternel dans la tente
d'assignation ; et il répandra tout le sang du taureau au pied de l'autel des holocaustes, qui est à l'entrée
de la tente d'assignation. Il enlèvera toute la graisse du taureau expiatoire, la graisse qui couvre les
entrailles et toute celle qui y est attachée, les deux rognons, et la graisse qui les entoure, qui couvre les
flancs, et le grand lobe du foie, qu'il détachera près des rognons. Le sacrificateur enlèvera ces parties
comme on les enlève du taureau dans le sacrifice d'actions de grâces, et il les brûlera sur l'autel des
holocaustes. Mais la peau du taureau, toute sa chair, avec sa tête, ses jambes, ses entrailles et ses
excréments, le taureau entier, il l'emportera hors du camp, dans un lieu pur, où l'on jette les cendres,
et il le brûlera au feu sur du bois : c'est sur le tas de cendres qu'il sera brûlé. Si c'est toute l'assemblée
d'Israël qui a péché involontairement et sans s'en apercevoir, en faisant contre l'un des commandements
de l'Éternel des choses qui ne doivent point se faire et en se rendant ainsi coupable, et que le péché
qu'on a commis vienne à être découvert, l'assemblée offrira un jeune taureau en sacrifice d'expiation,
et on l'amènera devant la tente d'assignation. Les anciens d'Israël poseront leurs mains sur la tête
du taureau devant l'Éternel, et on égorgera le taureau devant l'Éternel. Le sacrificateur ayant reçu
l'onction apportera du sang du taureau dans la tente d'assignation ; il trempera son doigt dans le sang,
et il en fera sept fois l'aspersion devant l'Éternel, en face du voile. Il mettra du sang sur les cornes de
l'autel qui est devant l'Éternel dans la tente d'assignation ; et il répandra tout le sang au pied de l'autel
des holocaustes, qui est à l'entrée de la tente d'assignation. Il enlèvera toute la graisse du taureau,
et il la brûlera sur l'autel. Il fera de ce taureau comme du taureau expiatoire ; il fera de même. C'est
ainsi que le sacrificateur fera pour eux l'expiation, et il leur sera pardonné. Il emportera le taureau
hors du camp, et il le brûlera comme le premier taureau. C'est un sacrifice d'expiation pour l'assemblée.
Si c'est un chef qui a péché, en faisant involontairement contre l'un des commandements de l'Éternel,
son Dieu, des choses qui ne doivent point se faire et en se rendant ainsi coupable, et qu'il vienne à
découvrir le péché qu'il a commis, il offrira en sacrifice un bouc mâle sans défaut. Il posera sa main
sur la tête du bouc, qu'il égorgera dans le lieu où l'on égorge les holocaustes devant l'Éternel. C'est
un sacrifice d'expiation. Le sacrificateur prendra avec son doigt du sang de la victime expiatoire, il en
mettra sur les cornes de l'autel des holocaustes, et il répandra le sang au pied de l'autel des holocaustes.
Il brûlera toute la graisse sur l'autel, comme la graisse du sacrifice d'actions de grâces. C'est ainsi que
le sacrificateur fera pour ce chef l'expiation de son péché, et il lui sera pardonné. Si c'est quelqu 'un
du peuple qui a péché involontairement, en faisant contre l'un des commandements de l'Éternel des
choses qui ne doivent point se faire et en se rendant ainsi coupable, et qu'il vienne à découvrir le péché
qu'il a commis, il offrira en sacrifice une chèvre, une femelle sans défaut, pour le péché qu'il a commis.
Il posera sa main sur la tête de la victime expiatoire, qu 'il égorgera dans le lieu où l'on égorge les

holocaustes. Le sacrificateur prendra avec son doigt du sang de la victime, il en mettra sur les cornes 30
de l'autel des holocaustes, et il répandra tout le sang au pied de l'autel. Le sacrificateur ôtera toute 31
la graisse, comme on ôte la graisse du sacrifice d'actions de grâces, et il la brûlera sur l'autel, et elle
sera d'une agréable odeur à l'Éternel. C'est ainsi que le sacrificateur fera pour cet homme l'expiation,
et il lui sera pardonné. S'il offre un agneau en sacrifice d'expiation, il offrira une femelle sans défaut. 32
Il posera sa main sur la tête de la victime, qu'il égorgera en sacrifice d'expiation dans le lieu où l'on 33
égorge les holocaustes. Le sacrificateur prendra avec son doigt du sang de la victime, il en mettra sur 34
les cornes de l'autel des holocaustes, et il répandra tout le sang au pied de l'autel. Le sacrificateur ôtera 35
toute la graisse, comme on ôte la graisse de l'agneau dans le sacrifice d'actions de grâces, et il la brûlera
sur l'autel, comme un sacrifice consumé par le feu devant l'Éternel. C'est ainsi que le sacrificateur fera
pour cet homme l'expiation du péché qu'il a commis, et il lui sera pardonné.

Lorsque quelqu'un, après avoir été mis sous serment comme témoin, péchera en ne déclarant pas **5**
ce qu'il a vu ou ce qu'il sait, il restera chargé de sa faute. Lorsque quelqu'un, sans s'en apercevoir, 2
touchera une chose souillée, comme le cadavre d'un animal impur, que ce soit d'une bête sauvage ou
domestique, ou bien d'un reptile, il deviendra lui-même impur et il se rendra coupable. Lorsque, sans y 3
prendre garde, il touchera une souillure humaine quelconque, et qu'il s'en aperçoive plus tard, il en sera
coupable. Lorsque quelqu'un, parlant à la légère, jure de faire du mal ou du bien, et que, ne l'ayant pas 4
remarqué d'abord, il s'en aperçoive plus tard, il en sera coupable. Celui donc qui se rendra coupable 5
de l'une de ces choses, fera l'aveu de son péché. Puis il offrira en sacrifice de culpabilité à l'Éternel, 6
pour le péché qu'il a commis, une femelle de menu bétail, une brebis ou une chèvre, comme victime
expiatoire. Et le sacrificateur fera pour lui l'expiation de son péché. S'il n'a pas de quoi se procurer une 7
brebis ou une chèvre, il offrira en sacrifice de culpabilité à l'Éternel pour son péché deux tourterelles
ou deux jeunes pigeons, l'un comme victime expiatoire, l'autre comme holocauste. Il les apportera au 8
sacrificateur, qui sacrifiera d'abord celui qui doit servir de victime expiatoire. Le sacrificateur lui ouvrira
la tête avec l'ongle près de la nuque, sans la séparer ; il fera sur un côté de l'autel l'aspersion du sang de 9
la victime expiatoire, et le reste du sang sera exprimé au pied de l'autel : c'est un sacrifice d'expiation.
Il fera de l'autre oiseau un holocauste, d'après les règles établies. C'est ainsi que le sacrificateur fera 10
pour cet homme l'expiation du péché qu'il a commis, et il lui sera pardonné. S'il n'a pas de quoi se 11
procurer deux tourterelles ou deux jeunes pigeons, il apportera en offrande pour son péché un dixième
d'épha de fleur de farine, comme offrande d'expiation ; il ne mettra point d'huile dessus, et il n'y ajoutera
point d'encens, car c'est une offrande d'expiation. Il l'apportera au sacrificateur, et le sacrificateur en 12
prendra une poignée comme souvenir, et il la brûlera sur l'autel, comme les offrandes consumées par
le feu devant l'Éternel : c'est une offrande d'expiation. C'est ainsi que le sacrificateur fera pour cet 13
homme l'expiation du péché qu'il a commis à l'égard de l'une de ces choses, et il lui sera pardonné. Ce
qui restera de l'offrande sera pour le sacrificateur, comme dans l'offrande en don. L'Éternel parla à 14
Moïse, et dit : Lorsque quelqu'un commettra une infidélité et péchera involontairement à l'égard des 15
choses consacrées à l'Éternel, il offrira en sacrifice de culpabilité à l'Éternel pour son péché un bélier
sans défaut, pris du troupeau d'après ton estimation en sicles d'argent, selon le sicle du sanctuaire.
Il donnera, en y ajoutant un cinquième, la valeur de la chose dont il a frustré le sanctuaire, et il la 16
remettra au sacrificateur. Et le sacrificateur fera pour lui l'expiation avec le bélier offert en sacrifice
de culpabilité, et il lui sera pardonné. Lorsque quelqu'un péchera en faisant, sans le savoir, contre 17
l'un des commandements de l'Éternel, des choses qui ne doivent point se faire, il se rendra coupable et
sera chargé de sa faute. Il présentera au sacrificateur en sacrifice de culpabilité un bélier sans défaut, 18
pris du troupeau d'après ton estimation. Et le sacrificateur fera pour lui l'expiation de la faute qu'il
a commise sans le savoir, et il lui sera pardonné. C'est un sacrifice de culpabilité. Cet homme s'était 19
rendu coupable envers l'Éternel.

L'Éternel parla à Moïse, et dit : Lorsque quelqu'un péchera et commettra une infidélité envers **6**, 2
l'Éternel, en mentant à son prochain au sujet d'un dépôt, d'un objet confié à sa garde, d'une chose volée
ou soustraite par fraude, en niant d'avoir trouvé une chose perdue, ou en faisant un faux serment sur 3
une chose quelconque de nature à constituer un péché ; lorsqu'il péchera ainsi et se rendra coupable, 4
il restituera la chose qu'il a volée ou soustraite par fraude, la chose qui lui avait été confiée en dépôt,
la chose perdue qu'il a trouvée, ou la chose quelconque sur laquelle il a fait un faux serment. Il la 5
restituera en son entier, y ajoutera un cinquième, et la remettra à son propriétaire, le jour même où
il offrira son sacrifice de culpabilité. Il présentera au sacrificateur en sacrifice de culpabilité à l'Éter- 6
nel pour son péché un bélier sans défaut, pris du troupeau d'après ton estimation. Et le sacrificateur 7
fera pour lui l'expiation devant l'Éternel, et il lui sera pardonné, quelle que soit la faute dont il se sera
rendu coupable. L'Éternel parla à Moïse, et dit : Donne cet ordre à Aaron et à ses fils, et dis : Voici 8, 9

la loi de l'holocauste. L'holocauste restera sur le foyer de l'autel toute la nuit jusqu'au matin, et le feu
10 brûlera sur l'autel. Le sacrificateur revêtira sa tunique de lin, et mettra des caleçons sur sa chair, il
enlèvera la cendre faite par le feu qui aura consumé l'holocauste sur l'autel, et il la déposera près de
11 l'autel. Puis il quittera ses vêtements et en mettra d'autres, pour porter la cendre hors du camp, dans
12 un lieu pur. Le feu brûlera sur l'autel, il ne s'éteindra point ; chaque matin, le sacrificateur y allumera
13 du bois, arrangera l'holocauste, et brûlera la graisse des sacrifices d'actions de grâces. Le feu brûlera
14 continuellement sur l'autel, il ne s'éteindra point. Voici la loi de l'offrande. Les fils d'Aaron la pré-
15 senteront devant l'Éternel, devant l'autel. Le sacrificateur prélèvera une poignée de la fleur de farine
et de l'huile, avec tout l'encens ajouté à l'offrande, et il brûlera cela sur l'autel comme souvenir d'une
16 agréable odeur à l'Éternel. Aaron et ses fils mangeront ce qui restera de l'offrande ; ils le mangeront
17 sans levain, dans un lieu saint, dans le parvis de la tente d'assignation. On ne le cuira pas avec du
levain. C'est la part que je leur ai donnée de mes offrandes consumées par le feu. C'est une chose très
18 sainte, comme le sacrifice d'expiation et comme le sacrifice de culpabilité. Tout mâle d'entre les enfants
d'Aaron en mangera. C'est une loi perpétuelle pour vos descendants, au sujet des offrandes consumées
19, 20 par le feu devant l'Éternel : quiconque y touchera sera sanctifié. L'Éternel parla à Moïse, et dit : Voici
l'offrande qu'Aaron et ses fils feront à l'Éternel, le jour où ils recevront l'onction : un dixième d'épha de
21 fleur de farine, comme offrande perpétuelle, moitié le matin et moitié le soir. Elle sera préparée à la
poêle avec de l'huile, et tu l'apporteras frite ; tu la présenteras aussi cuite et en morceaux comme une
22 offrande d'une agréable odeur à l'Éternel. Le sacrificateur qui, parmi les fils d'Aaron, sera oint pour lui
succéder, fera aussi cette offrande. C'est une loi perpétuelle devant l'Éternel : elle sera brûlée en entier.
23, 24 Toute offrande d'un sacrificateur sera brûlée en entier ; elle ne sera point mangée. L'Éternel parla à
25 Moïse, et dit : Parle à Aaron et à ses fils, et dis : Voici la loi du sacrifice d'expiation. C'est dans le lieu où
l'on égorge l'holocauste que sera égorgée devant l'Éternel la victime pour le sacrifice d'expiation : c'est
26 une chose très sainte. Le sacrificateur qui offrira la victime expiatoire la mangera ; elle sera mangée
27 dans un lieu saint, dans le parvis de la tente d'assignation. Quiconque en touchera la chair sera sanc-
tifié. S'il en rejaillit du sang sur un vêtement, la place sur laquelle il aura rejailli sera lavée dans un
28 lieu saint. Le vase de terre dans lequel elle aura cuit sera brisé ; si c'est dans un vase d'airain qu'elle a
29 cuit, il sera nettoyé et lavé dans l'eau. Tout mâle parmi les sacrificateurs en mangera : c'est une chose
30 très sainte. Mais on ne mangera aucune victime expiatoire dont on apportera du sang dans la tente
d'assignation, pour faire l'expiation dans le sanctuaire : elle sera brûlée au feu.

7, 2 Voici la loi du sacrifice de culpabilité : c'est une chose très sainte. C'est dans le lieu où l'on égorge
l'holocauste que sera égorgée la victime pour le sacrifice de culpabilité. On en répandra le sang sur l'au-
3, 4 tel tout autour. On en offrira toute la graisse, la queue, la graisse qui couvre les entrailles, les deux
rognons, et la graisse qui les entoure, qui couvre les flancs, et le grand lobe du foie, qu'on détachera
5 près des rognons. Le sacrificateur brûlera cela sur l'autel en sacrifice consumé devant l'Éternel. C'est
6 un sacrifice de culpabilité. Tout mâle parmi les sacrificateurs en mangera ; il le mangera dans un lieu
7 saint : c'est une chose très sainte. Il en est du sacrifice de culpabilité comme du sacrifice d'expiation ;
la loi est la même pour ces deux sacrifices : la victime sera pour le sacrificateur qui fera l'expiation.
8 Le sacrificateur qui offrira l'holocauste de quelqu'un aura pour lui la peau de l'holocauste qu'il a offert.
9 Toute offrande cuite au four, préparée sur le gril ou à la poêle, sera pour le sacrificateur qui l'a offerte.
10 Toute offrande pétrie à l'huile et sèche sera pour tous les fils d'Aaron, pour l'un comme pour l'autre.
11, 12 Voici la loi du sacrifice d'actions de grâces, qu'on offrira à l'Éternel. Si quelqu'un l'offre par reconnais-
sance, il offrira, avec le sacrifice d'actions de grâces, des gâteaux sans levain pétris à l'huile, des galettes
13 sans levain arrosées d'huile, et des gâteaux de fleur de farine frite et pétris à l'huile. À ces gâteaux il
14 ajoutera du pain levé pour son offrande, avec son sacrifice de reconnaissance et d'actions de grâces. On
présentera par élévation à l'Éternel une portion de chaque offrande ; elle sera pour le sacrificateur qui
15 a répandu le sang de la victime d'actions de grâces. La chair du sacrifice de reconnaissance et d'actions
16 de grâces sera mangée le jour où il est offert ; on n'en laissera rien jusqu'au matin. Si quelqu'un offre
un sacrifice pour l'accomplissement d'un voeu ou comme offrande volontaire, la victime sera mangée le
17 jour où il l'offrira, et ce qui en restera sera mangé le lendemain. Ce qui restera de la chair de la victime
18 sera brûlé au feu le troisième jour. Dans le cas où l'on mangerait de la chair de son sacrifice d'actions de
grâces le troisième jour, le sacrifice ne sera point agréé ; il n'en sera pas tenu compte à celui qui l'a offert ;
19 ce sera une chose infecte, et quiconque en mangera restera chargé de sa faute. La chair qui a touché
20 quelque chose d'impur ne sera point mangée : elle sera brûlée au feu. Tout homme pur peut manger
de la chair ; mais celui qui, se trouvant en état d'impureté, mangera de la chair du sacrifice d'actions de
21 grâces qui appartient à l'Éternel, celui -là sera retranché de son peuple. Et celui qui touchera quelque
chose d'impur, une souillure humaine, un animal impur, ou quoi que ce soit d'impur, et qui mangera
de la chair du sacrifice d'actions de grâces qui appartient à l'Éternel, celui -là sera retranché de son

peuple. L'Éternel parla à Moïse, et dit : Parle aux enfants d'Israël, et dis : Vous ne mangerez point 22, 23
de graisse de boeuf, d'agneau ni de chèvre. La graisse d'une bête morte ou déchirée pourra servir à un 24
usage quelconque ; mais vous ne la mangerez point. Car celui qui mangera de la graisse des animaux 25
dont on offre à l'Éternel des sacrifices consumés par le feu, celui -là sera retranché de son peuple. Vous 26
ne mangerez point de sang, ni d'oiseau, ni de bétail, dans tous les lieux où vous habiterez. Celui qui 27
mangera du sang d'une espèce quelconque, celui -là sera retranché de son peuple. L'Éternel parla à 28
Moïse, et dit : Parle aux enfants d'Israël, et dis : Celui qui offrira à l'Éternel son sacrifice d'actions de 29
grâces apportera son offrande à l'Éternel, prise sur son sacrifice d'actions de grâces. Il apportera de 30
ses propres mains ce qui doit être consumé par le feu devant l'Éternel ; il apportera la graisse avec la
poitrine, la poitrine pour l'agiter de côté et d'autre devant l'Éternel. Le sacrificateur brûlera la graisse 31
sur l'autel, et la poitrine sera pour Aaron et pour ses fils. Dans vos sacrifices d'actions de grâces, vous 32
donnerez au sacrificateur l'épaule droite, en la présentant par élévation. Celui des fils d'Aaron qui 33
offrira le sang et la graisse du sacrifice d'actions de grâces aura l'épaule droite pour sa part. Car je 34
prends sur les sacrifices d'actions de grâces offerts par les enfants d'Israël la poitrine qu'on agitera de
côté et d'autre et l'épaule qu'on présentera par élévation, et je les donne au sacrificateur Aaron et à ses
fils, par une loi perpétuelle qu'observeront les enfants d'Israël. C'est là le droit que l'onction d'Aaron 35
et de ses fils leur donnera sur les sacrifices consumés par le feu devant l'Éternel, depuis le jour où ils
seront présentés pour être à mon service dans le sacerdoce. C'est ce que l'Éternel ordonne aux enfants 36
d'Israël de leur donner depuis le jour de leur onction ; ce sera une loi perpétuelle parmi leurs descendants.
Telle est la loi de l'holocauste, de l'offrande, du sacrifice d'expiation, du sacrifice de culpabilité, 37
de la consécration, et du sacrifice d'actions de grâces. L'Éternel la prescrivit à Moïse sur la montagne 38
de Sinaï, le jour où il ordonna aux enfants d'Israël de présenter leurs offrandes à l'Éternel dans le désert
du Sinaï.

L'Éternel parla à Moïse, et dit : Prends Aaron et ses fils avec lui, les vêtements, l'huile d'onction, le **8**, 2
taureau expiatoire, les deux béliers et la corbeille de pains sans levain ; et convoque toute l'assemblée 3
à l'entrée de la tente d'assignation. Moïse fit ce que l'Éternel lui avait ordonné ; et l'assemblée se réunit 4
à l'entrée de la tente d'assignation. Moïse dit à l'assemblée : Voici ce que l'Éternel a ordonné de faire. 5
Moïse fit approcher Aaron et ses fils, et il les lava avec de l'eau. Il mit à Aaron la tunique, il le ceignit 6, 7
de la ceinture, il le revêtit de la robe, et il plaça sur lui l'éphod, qu'il serra avec la ceinture de l'éphod
dont il le revêtit. Il lui mit le pectoral, et il joignit au pectoral l'urim et le thummim. Il posa la tiare 8, 9
sur sa tête, et il plaça sur le devant de la tiare la lame d'or, diadème sacré, comme l'Éternel l'avait
ordonné à Moïse. Moïse prit l'huile d'onction, il oignit le sanctuaire et toutes les choses qui y étaient, 10
et le sanctifia. Il en fit sept fois l'aspersion sur l'autel, et il oignit l'autel et tous ses ustensiles, et la 11
cuve avec sa base, afin de les sanctifier. Il répandit de l'huile d'onction sur la tête d'Aaron, et l'oignit, 12
afin de la sanctifier. Moïse fit aussi approcher les fils d'Aaron ; il les revêtit de tuniques, les ceignit 13
de ceintures, et leur attacha des bonnets, comme l'Éternel l'avait ordonné à Moïse. Il fit approcher le 14
taureau expiatoire, et Aaron et ses fils posèrent leurs mains sur la tête du taureau expiatoire. Moïse 15
l'égorgea, prit du sang, et en mit avec son doigt sur les cornes de l'autel tout autour, et purifia l'autel ;
il répandit le sang au pied de l'autel, et le sanctifia pour y faire l'expiation. Il prit toute la graisse 16
qui couvre les entrailles, le grand lobe du foie, et les deux rognons avec leur graisse, et il brûla cela
sur l'autel. Mais il brûla au feu hors du camp le taureau, sa peau, sa chair et ses excréments, comme 17
l'Éternel l'avait ordonné à Moïse. Il fit approcher le bélier de l'holocauste, et Aaron et ses fils posèrent 18
leurs mains sur la tête du bélier. Moïse l'égorgea, et répandit le sang sur l'autel tout autour. Il coupa le 19, 20
bélier par morceaux, et il brûla la tête, les morceaux et la graisse. Il lava avec de l'eau les entrailles et 21
les jambes, et il brûla tout le bélier sur l'autel : ce fut l'holocauste, ce fut un sacrifice consumé par le feu,
d'une agréable odeur à l'Éternel, comme l'Éternel l'avait ordonné à Moïse. Il fit approcher l'autre bélier, 22
le bélier de consécration, et Aaron et ses fils posèrent leurs mains sur la tête du bélier. Moïse égorgea le 23
bélier, prit de son sang, et en mit sur le lobe de l'oreille droite d'Aaron, sur le pouce de sa main droite et
sur le gros orteil de son pied droit. Il fit approcher les fils d'Aaron, mit du sang sur le lobe de leur oreille 24
droite, sur le pouce de leur main droite et sur le gros orteil de leur pied droit, et il répandit le sang sur
l'autel tout autour. Il prit la graisse, la queue, toute la graisse qui couvre les entrailles, le grand lobe du 25
foie, les deux rognons avec leur graisse, et l'épaule droite ; il prit aussi dans la corbeille de pains sans 26
levain, placée devant l'Éternel, un gâteau sans levain, un gâteau de pain à l'huile et une galette, et il
les posa sur les graisses et sur l'épaule droite. Il mit toutes ces choses sur les mains d'Aaron et sur les 27
mains de ses fils, et il les agita de côté et d'autre devant l'Éternel. Puis Moïse les ôta de leurs mains, 28
et il les brûla sur l'autel, par-dessus l'holocauste : ce fut le sacrifice de consécration, ce fut un sacrifice

29 consumé par le feu, d'une agréable odeur à l'Éternel. Moïse prit la poitrine du bélier de consécration, et
il l'agita de côté et d'autre devant l'Éternel : ce fut la portion de Moïse, comme l'Éternel l'avait ordonné
30 à Moïse. Moïse prit de l'huile d'onction et du sang qui était sur l'autel ; il en fit l'aspersion sur Aaron
et sur ses vêtements, sur les fils d'Aaron et sur leurs vêtements ; et il sanctifia Aaron et ses vêtements,
31 les fils d'Aaron et leurs vêtements avec lui. Moïse dit à Aaron et à ses fils : Faites cuire la chair à
l'entrée de la tente d'assignation ; c'est là que vous la mangerez, avec le pain qui est dans la corbeille
32 de consécration, comme je l'ai ordonné, en disant : Aaron et ses fils la mangeront. Vous brûlerez dans
33 le feu ce qui restera de la chair et du pain. Pendant sept jours, vous ne sortirez point de l'entrée de
la tente d'assignation, jusqu'à ce que les jours de votre consécration soient accomplis ; car sept jours
34 seront employés à vous consacrer. Ce qui s'est fait aujourd'hui, l'Éternel a ordonné de le faire comme
35 expiation pour vous. Vous resterez donc sept jours à l'entrée de la tente d'assignation, jour et nuit, et
vous observerez les commandements de l'Éternel, afin que vous ne mouriez pas ; car c'est là ce qui m'a
36 été ordonné. Aaron et ses fils firent toutes les choses que l'Éternel avait ordonnées par Moïse.

9, 2 Le huitième jour, Moïse appela Aaron et ses fils, et les anciens d'Israël. Il dit à Aaron : Prends un
jeune veau pour le sacrifice d'expiation, et un bélier pour l'holocauste, l'un et l'autre sans défaut, et
3 sacrifie -les devant l'Éternel. Tu parleras aux enfants d'Israël, et tu diras : Prenez un bouc, pour le
4 sacrifice d'expiation, un veau et un agneau, âgés d'un an et sans défaut, pour l'holocauste ; un boeuf
et un bélier, pour le sacrifice d'actions de grâces, afin de les sacrifier devant l'Éternel ; et une offrande
5 pétrie à l'huile. Car aujourd'hui l'Éternel vous apparaîtra. Ils amenèrent devant la tente d'assignation
6 ce que Moïse avait ordonné ; et toute l'assemblée s'approcha, et se tint devant l'Éternel. Moïse dit :
7 Vous ferez ce que l'Éternel a ordonné ; et la gloire de l'Éternel vous apparaîtra. Moïse dit à Aaron :
Approche -toi de l'autel ; offre ton sacrifice d'expiation et ton holocauste, et fais l'expiation pour toi et
pour le peuple ; offre aussi le sacrifice du peuple, et fais l'expiation pour lui, comme l'Éternel l'a ordonné.
8, 9 Aaron s'approcha de l'autel, et il égorgea le veau pour son sacrifice d'expiation. Les fils d'Aaron lui
présentèrent le sang ; il trempa son doigt dans le sang, en mit sur les cornes de l'autel, et répandit le
10 sang au pied de l'autel. Il brûla sur l'autel la graisse, les rognons, et le grand lobe du foie de la victime
11 expiatoire, comme l'Éternel l'avait ordonné à Moïse. Mais il brûla au feu hors du camp la chair et la
12 peau. Il égorgea l'holocauste. Les fils d'Aaron lui présentèrent le sang, et il le répandit sur l'autel tout
